

Britain Said Asking US To Tackle Greece Issue

Problem Discussed At Secret Confab

Statement Said Coming On Steps US Will Take On Commitments

WASHINGTON, Feb. 28. (AP)—Britain, her domestic economy near the breaking point, was reported in congressional and diplomatic quarters today to have proposed that the United States take over her commitments in Greece on a large scale.

Although there was no White House confirmation, this was understood to have been the subject—at least in part—of a highly secretive White House conference yesterday among President Truman, his diplomatic advisers, and key legislators.

One source said that the United States would issue a statement soon on what part, if any, it would assume in helping bolster the shaky Greek government.

(In London, a foreign spokesman said British and United States discussions were under way in Washington on the problem of continuing the economic and military obligations in strife-torn Greece now borne by Britain.

(The spokesman implied one aspect of the talks was the continued provision of foreign currency with which Greece could purchase arms and military equipment.

(The discussions, he added, arose out of the ending March 31, of Britain's commitment to maintain the Greek armed forces. The same spokesman said he saw no prospects of US Military Forces being sent to the country after Britain's forces get out.

(Other government sources said Foreign Secretary Ernest Bevin was planning to withdraw Britain's remaining 10,000 troops from Greece within the next three months.)

It was learned from diplomats in Washington that the whole problem of Greece, together with a report on Britain's waning resources, was laid before Secretary of State Marshall by Lord Inverchapel, British ambassador to this country, at a recent conference.

Should the United States decide to take over a large share of British commitments in Greece, and perhaps elsewhere, to help restore Europe's stability, it could well force a complete redrafting of this nation's plans for foreign relief expenditures.

This in turn might force an upward revision of both President Truman's budget estimates, a problem which in turn would affect the current congressional drive for trimming his \$37,500,000,000 figure, tax cuts and debt reduction.

Two members of the patrol came to town earlier in the week and lodged two Mexicans — Alfredo Ortega and Jesus Caceres — they said were aliens in the county jail.

They commandeered a truck, Thursday, went down in the eastern part of the county and picked up 26 made Mexican members of an extra section gang working along the railroad's right-of-way. The authorities said none had visas or was a naturalized citizen.

The group was brought back here, temporarily placed in the juvenile ward for safekeeping and then taken overland to Marfa for eventual return across the border.

Loose Railway Car Runs Wild Off Mountain

GALLITZIN, Pa., Feb. 28. (AP)—The last car of the Pennsylvania Railroad's New York-to-Texas "Sunshine Special" tore loose from the train at the peak of the Alleghenies in pre-dawn darkness today, careened wildly down the mountainside and plowed into an embankment, killing a Pullman porter and injuring 11 passengers.

The car, racing backward for three and a half miles, remained on the tracks until it reached Bennington curve—exact spot where the PRR's "Red Arrow" wrecked 10 days ago and killed 24 persons.

Striking the bend of the treacherous curve, the sleeper's wheels flew off the tracks amid screams of occupants and the car plowed into a dirt embankment.

The victim of the crash today was identified by the railroad as L. Keys, a Pullman employe who works out of the Houston, Tex., PRR district. His home town and age were not immediately available.

Railroad officials at Pittsburgh began an immediate investigation, centering the probe principally around why the car's automatic air-brakes failed to operate.

"That's what we want to know first," said the spokesman, adding that the investigators will also seek to find out "how the car uncoupled from the train while it was standing still at the top of the mountain."

The train had stopped outside Gallitzin to take off one of two engines used to pull it up the treacherous mountain climb.

Passengers in the other sleepers and coaches did not know the train had lost a car until it reached Pittsburgh, about 100 miles west of here.

\$500 Found By Maid Told At Judge's Trial

HARRISBURG, Pa., Feb. 28. (AP)—Valentine Hammack, assistant U.S. Attorney General, said today the government will prove a maid found \$500 in cash in Catawissa bank wrappers in the Lewisburg, Pa., home of former Federal Judge Albert W. Johnson while "cleaning out a personal bureau."

Hammack made the statement in opening prosecution of the 74-year-old Johnson, his three sons and two others on charges of conspiracy to obstruct justice and defraud the United States.

Asserting that Johnson did not have an account at the Catawissa Bank at that time, Hammack said the government would prove that \$2,500 had been paid to Donald M. Johnson, son of the judge, by Robert D. Michael, trustee for the Central Forging Company of Catawissa, and Donald Reifsnnyder, attorney for Trustee Michael, a few days earlier in April.

Part of the money given Donald Johnson, Hammack told a jury of nine men and three women, came from \$3,000 in cash "in six bundles of \$500 each" obtained by cashing a check at the Catawissa Bank.

He said the government will prove that Reifsnnyder, a deceased Scranton, Pa., attorney, previously had told Michael that Donald M. Johnson, a co-defendant with his father, "has got to be taken care of" in connection with the reorganization of the Central Forging Company.

Just back from making a three weeks' survey of Europe's food needs, Hoover contends that relief for the other European countries should not be put at higher levels than those he recommended for Germany and Austria.

BRITISH WILL STAY TOKYO, Feb. 28. (AP)—British Commonwealth forces, now totaling about 30,000 are "here to stay" for the duration of the Allied occupation of Japan, informed sources said tonight.

The T&P's eastbound Sunshine Special was delayed more than five hours this morning due to a freight derailment on the South-eastern Pacific line west of El Paso, railroad officials reported.

The Sunshine, which was due in Big Spring at 6:45 a. m. did not arrive until noon.

The Soviet delegate said yesterday he expected to make a "few remarks" today on the United States plan to return the atomic question to the United Nations atomic energy commission.

However, an informed source indicated this morning the meeting today was called off at the request of Gromyko, who was said to have advised President Fernand Van Langenhove, of Belgium, he would like more time.

The action came after Senators Knowland (R-Calif.) and Taft (R-Ohio) had compromised two different proposals on debt payment. Knowland at first wanted to earmark three billions for debt payments and Taft only one billion.

Traffic Mishap Near Coahoma Fatal To Youth

Virgil Dodson, 21, Westbrook, died in a local hospital at 3 a. m. Friday of injuries received in an automobile collision a mile west of Coahoma at approximately 8:20 p. m. Thursday on US 80 highway.

Dodson's companion, Ben Elliott, also of Westbrook, and two occupants of the other car involved in the mishap were rushed to a local hospital for treatment of cuts and bruises.

Ray Rowe and Curtis Neel, both of Coahoma, were in the other vehicle.

C. E. Kiser, Coahoma deputy sheriff who made the investigation along with state highway patrolmen, said Rowe told him that the cars hit at an angle after the Rowe machine had been swerved from the thoroughfare in an attempt to miss the Dodson machine.

Rowe and his companion were headed in the direction of Big Spring at the time.

Dodson was brought to town in an Eberley ambulance but the other three were picked up by Fat Nunn of Big Spring and taken to the hospital.

Ironically, Dodson was the second member of his family to fall victim to a traffic mishap, a brother, Edgar, having been killed in a crash near the Big Spring airport Nov. 22, 1941.

Dodson was a native of Howard county, but recently had entered business with his father in operating a grocery and service station at Westbrook.

Survivors include his parents, Mr. and Mrs. C. L. Dodson, Westbrook; two brothers, Carl E. Dodson, Coahoma, and Fred Dodson, Big Spring; and three sisters, Mrs. W. C. King, Sand Springs, Mrs. J. H. Black, Natalia, Texas, and Mrs. Frank Smith, Coahoma.

Dodson was the second person to be fatally hurt in highway crashes in Howard county this year. Services are pending but may be held Sunday. The body is at Eberley Funeral home.

Flash Fire Sweeps Pearl Harbor Dock

PEARL HARBOR, Feb. 28. (AP)—The Navy sought to find the cause today of a flash fire which swept a huge Pearl Harbor dock, sent 25 fire-fighters to the hospital and laid a smoke pall over the giant base.

Damage was expected to run into hundreds of thousands of dollars, and it might have mounted far higher but for 500 Navy and Marine fire-fighters who confined yesterday's blaze to a quarter-mile-long wooden dock.

At the height of the roaring fire, civilian workers moved more than 5,000 tons of supplies to a place of safety when the flames licked close to the adjacent warehouse area.

HUSBAND IS POOR LOSER, SAYS WIFE SEATTLE, Wash., Feb. 28. (AP) Mrs. Glenna B. Rich, filing suit for divorce, charged that her husband, Edgar, had a "vile and unmanageable temper."

She said he upset the checkerboard whenever he saw he was going to lose.

Gromyko Atom Talk Cancelled

LAKE SUCCESS, N.Y., Feb. 28. (AP)—A declaration by Andrei A. Gromyko on Soviet Russia's position on the bitterly-fought atomic energy control problem was postponed today when the United Nations security council cancelled its meeting set for 2 p. m.

The Soviet delegate said yesterday he expected to make a "few remarks" today on the United States plan to return the atomic question to the United Nations atomic energy commission.

However, an informed source indicated this morning the meeting today was called off at the request of Gromyko, who was said to have advised President Fernand Van Langenhove, of Belgium, he would like more time.

Debt Reduction Set In Budget Cut

WASHINGTON, Feb. 28. (AP)—The Senate voted today to write into a budget-cutting pledge a promise to apply \$2,600,000,000 of any savings toward reduction of the national debt.

Jet Plane Finishes Honolulu-New York Trip In 14 1/2 Hours

NEW YORK, Feb. 28. (AP)—The Betty Jo, Army P-52 Fighter, completed a 4,978-mile non-stop flight from Honolulu at 10:06 a. m. (CST) today in approximately 14 hours and 31 minutes.

Just two minutes and 44 seconds after the twin-engine fighter roared out of a blue sky over LaGuardia Field, it made a perfect landing — at 10:08:44 a. m. It took off from Hickam Field, Honolulu, at 7:35 p. m. (CST) last night.

Emergency equipment lined the runway of the big airport as the Betty Jo zoomed in, prepared for an emergency landing.

The pilot, Lt. Col. Robert E. Thacker of El Centro, Calif., and Co-pilot, Lt. John M. Ard of Inglewood, Calif., won a daring bid against 65-mile headwinds over Pennsylvania and dangerously low fuel tanks to reach their New York objective.

"We're going to take a shot at New York," they said by radio over Western Pennsylvania.

An hour later they hit their mark. The Betty Jo is a new type long-range fighter which looks like two P-51 Mustang fuselages built into a single wing. The plane was named after Col. Thacker's wife.

The log of the Betty Jo as she roared eastward read like the flight of a magic carpet.

Over the Pacific she traveled more than 400 miles per hour at times.

Clapp Is Rejected As TVA Director

WASHINGTON, Feb. 28. (AP)—The Senate Public Works Committee voted 7 to 5 today to reject the nomination of Gordon Clapp as a director of the Tennessee Valley Authority.

Chairman Revercomb (R-W.Va.) announced the committee's action but declined to say how individual members voted in the closed meeting.

Revercomb said, however, that he voted for confirmation of Clapp, now general manager of the authority.

Clapp was named to succeed David E. Lilienthal, who has been nominated for chairmanship of the atomic energy commission. The nomination was opposed in prolonged hearings by Senator McClellan (D-Tenn.) on grounds that Clapp permitted Communist activities among TVA employes.

OKAYS STATEHOOD HONOLULU, Feb. 28. (AP)—Secretary of Interior Krug told Hawaii's legislature today that President Truman "was firmly behind Hawaiian statehood and would do everything he could to obtain it."

complicated by the use of trained airborne soldiers as elements of occupation forces in Germany and Japan.

Some strategists note that the reported 100,000-man strength of the Russian airborne force may be misleading because of a possible Soviet deficiency in the important matter of air transport.

Russia's primary aviation interest during the war was in fighter type planes. She virtually ignored heavy bomber aircraft and, either because of policy or production difficulties, did little transport plane building. What her strength in transport is today is uncertain.

Lend-lease reports show that during the war the United States turned over to Russia about 700 transport airplanes among the 25,000 delivered.

How many of these 700 transports plus any she may have obtained from Britain and built herself still are operable is unknown. However, American experts have estimated that it requires about 1,500 transports of existing designs to move one division of about 12,000 men with their equipment.

Rescue Planes Speed To Help 3,000 In Flood

WEST PALM BEACH, Fla., Feb. 28. (AP)—The Army today sent a rescue squadron of four flying boats speeding toward the town of Trinidad, in northern Bolivia, where upward of 3,000 persons were reported clinging to tree-tops, roofs and debris in imminent danger of drowning in a flood.

On direct orders from Washington, the Fifth Emergency Rescue Squadron under command of Capt. Banta M. York took to the air on short notice and sped across the Caribbean Sea.

Four Catalina flying boats capable of landing in floodwaters make up the squadron.

The word from Washington was that Trinidad, a town of 8,000 at a confluence of two rivers, was completely under water and that a majority of its inhabitants had been trapped.

The squadron was to alight at Balboa, Canal Zone, to refuel and for further orders before hopping to Bolivia.

Pilots of the four planes, all first lieutenants, are William R. Marsden of Toledo, Ohio; Ishmael M. Waggoner of Charleston, W. Va.; Charles J. Zoet of Grand Rapids, Mich., and Victor L. Wotkowski of Milwaukee, Wis.

Hoover Requests Loans, Not Gifts

WASHINGTON, Feb. 28. (AP)—Former President Herbert Hoover called on Congress today to put United States relief abroad on a loan rather than a gift basis. He also urged establishment of the post of foreign relief administrator to coordinate this country's missions of mercy.

Only a day after he recommended that the United States spend \$475,000,000 for the relief of Germany alone over the 18-month period beginning last Jan. 1, he was called to give his view before the House Foreign Affairs Committee on a proposed bill to expend \$350,000,000 in five other European countries and China.

Just back from making a three weeks' survey of Europe's food needs, Hoover contends that relief for the other European countries should not be put at higher levels than those he recommended for Germany and Austria.

Russ Said Training Large Army Of Airborne Soldiers

WASHINGTON, Feb. 28. (AP)—Russia is believed to have an airborne army in being or in training far surpassing that of any other power.

Information filtering out of Russia indicates, it was learned today, that the Soviet Union's strength in troops trained for lightning strikes from the air may number as high as 100,000 men.

This force compares with the single airborne division which the United States possesses. That division — the 82nd at Fort Bragg, N.C. — has an authorized strength of 13,000 men but presumably is below that figure.

Efforts to bring the 82nd nearer authorized strength have been

Britain-France To Sign Treaty At Dunkerque

LONDON, Feb. 28. (AP)—Foreign Secretary Ernest Bevin announced agreement on a British-French treaty of alliance in the House of Commons today.

Bevin said he and French Foreign Minister Georges Bidault would sign the treaty next Tuesday at Dunkerque.

"It is evidence of the bonds of friendship" between the two countries, he said.

Dunkerque has special significance to the two countries as a scene of horror and defeat resulting from attempted wartime cooperation that fell short of its goal of stopping the Germans in 1940.

Anthony Eden, conservative former foreign minister, congratulated Bevin for concluding the new alliance.

"Close and enduring friendship between the two nations is a contribution to world peace," Eden said, adding that members of the House "would all be with Mr. Bevin in spirit at Dunkerque."

The House members cheered. Bevin's announcement did not include a delineation of the terms of the treaty, which was agreed upon in principle last month while Leon Blum, then French premier, was here for talks with Bevin and Prime Minister Attlee.

ENTIRE SECTION GANG IS MISSING

The T&P railway was short an entire section gang today and officials could lay the blame at the door of the alert US border patrol.

Two members of the patrol came to town earlier in the week and lodged two Mexicans — Alfredo Ortega and Jesus Caceres — they said were aliens in the county jail.

They commandeered a truck, Thursday, went down in the eastern part of the county and picked up 26 made Mexican members of an extra section gang working along the railroad's right-of-way. The authorities said none had visas or was a naturalized citizen.

Filling Station Blast Kills Five

BRISTOL, Tenn., Feb. 28. (AP)—An explosion of a gasoline tank at a filling station here yesterday killed five persons, injured eight other critically, and caused slight injuries to seven other persons.

The tremendous blast shook downtown Bristol more than three blocks away, sent flames spurting into the air, threw blocks of concrete hundreds of feet, and shattered windows in numerous buildings nearby.

Chief of Police W. J. Rogers said the cause of the explosion was undetermined.

Murder Trial Of Mrs. Willson Nearing End

FAIRFIELD, Ill., Feb. 28. (AP)—The State summoned final witnesses today in the trial of Mrs. Lois Willson, 22, on a charge of murder in the death of her husband, who she claimed died from a shotgun blast accidentally fired by their three-year-old son.

Mr. and Mrs. Jennings Holman, foster parents of the victim, Leon Willson, 29, testified before a circuit court jury yesterday.

Mrs. Holman said that after Willson's body had been removed from his farm home last Nov. 24 his three-year-old son, Linden, ran into the kitchen, got a toy pistol from a table and ran back into the living room and told his mother and others:

"Mommy shoot daddy and I'm going to shoot you and run out into the yard and scream."

Previous witnesses testified Mrs. Willson ran into the yard screaming after the shooting.

Holman testified that after the arrival of the Coroner Walter A. Young who directed that no one leave the house, Mrs. Willson said: "Now are they going to make a big to-do about this little old nothing?" Holman also testified that Mrs. Willson at that time said: "They have been having that little innocent boy say 'Mommy shot daddy'."

Young testified that after the shooting he took Linden to his office and handed the boy the gun and told him to cock it. He said the boy was unable to pull back the hammer on the single shot 12 gauge shotgun and that the barrel dropped toward the floor when he tried to hold it.

Two Found Guilty Of Many Burglaries

WICHITA FALLS, Feb. 28. (AP)—District Court juries returned speedy verdicts of guilty against Hubert Tuck, 33, indicted for burglary, and Billy Wayne Powers, 23, indicted for robbery with firearms.

The Tuck jury returned a verdict after deliberating four minutes. The Powers jury deliberated 15 minutes yesterday.

Both men were charged with alleged participation in an organized ring of burglaries throughout Texas and Oklahoma. Both were convicted under the Habitual Criminal Act, which makes life sentences mandatory, according to Texas statute.

Can't Revoke Pardons, Judge Harman Rules

WACO, Feb. 28. (AP)—A Texas governor has no power to revoke a pardon once it is issued, even if he finds fraud was used in obtaining the pardon, Judge W. J. Harman ruled yesterday.

Judge Harman's ruling came in the habeas corpus hearing of Marshall Morris, Palestine, pardoned by former Governor Coke Stevenson, who later revoked the pardon. Fraud nullifies a pardon, Harman said, but it is for a court of justice to determine where there is fraud and not the governor. The judge empaneled a jury in 74th District Court to hear evidence on allegations of fraud in obtaining a pardon for Morris.

Morris was convicted last June in Palestine on an aggravated assault charge. He was fined \$500 and given a one-year sentence in connection with an asserted attack on Miss Jimmie Gantt, last May 25.

After a number of Palestine citizens had written the Board of Pardons and Paroles in Morris' behalf, Stevenson granted a pardon. It directed Morris to pay a fine of \$100 and \$57 costs.

Stevenson later revoked the pardon after other Palestine residents contended that it was gained through fraud. The state argues that if this was so the pardon was void of itself and that it did not need to be revoked.

After the Court of Criminal Appeals in Austin refused his motion for a rehearing, Morris surrendered to Waco officers. Morris contended in filing writ to maintain his freedom that the state had no right to hold him because of the pardon granted last December.

Boy Found Hanging By Scarf In Room

BALTIMORE, Feb. 28. (AP)—Doctors at city hospitals were using all their skills today in an effort to save the life of nine-year-old Bruce Jennings, who was reported by police to have been found hanging by a scarf tied to a coat hook in his third-grade cloak room.

The boy's condition was described as critical. He has been in an oxygen tent since his arrival at a city hospital Wednesday.

Cpl. Harry Freund and Patrolman Carroll Huffines said Bruce's teacher, Mrs. Audrey Edwards, told them she sent the lad to the cloak-room after he had hit a classmate with a textbook.

Police said Mrs. Edwards reported finding the boy hanging by the scarf 10 minutes later, his knees buckled.

Barnett Found Guilty Of Slaying Bellevue Marshal

HENRIETTA, Feb. 28. (AP)—Sentence was to be pronounced today after a jury in 97th District Court last night convicted L. T. Barnett, 25, of Bellevue, of murder with malice in connection with the slaying of D. C. Early, Bellevue city marshal.

The jury recommended a sentence in the state penitentiary of 30 years.

Barnett, an ex-serviceman who served in France and Germany with 86th Infantry Division, had pleaded "not guilty by reason of insanity."

Early was found last Dec. 4, in the dry bed of Turkey Creek near here with two bullet wounds in his neck and head. He had left Bellevue the previous afternoon with Barnett to bring the latter here to face forgery charges.

Barnett was taken into custody by Oklahoma and Texas officers Dec. 4 at Hastings, Okla.

Church Workers To Start Religious Census Sunday

Three hundred workers from the Airport, West Side, East Fourth and First Baptist churches are to canvass the city in a religious census which will start Sunday.

While the census campaign is being undertaken in advance of the simultaneous revival, April 6-20, by Baptist churches and by several other denominations, it is contemplated that it will be of benefit to the community as a whole.

Other institutions, including the schools, chamber of commerce, etc. would have access to the data (which includes enumeration by ages of children, number of homes, vacant apartments or houses, etc.)

George McLellan, educational director at the East Fourth Baptist

church, is directing the census effort. He pointed out that it is a movement in cooperation with the "Church Going Campaign," by

GEORGE McLELLAN

seeking to stimulate church attendance.

In addition, it will reveal the number of people of the various church denominations, the number of people of each church affiliation, as well as the number un-church and unaffiliated.

Cooperation of the city is urgent, said McLellan, in order that the census be as nearly complete as possible. Work may be expedited if people will remain at home for a few hours after lunch and will welcome the volunteers census takers.

Special Offering Sunday For Hardin-Simmons University

In a message designed to precede a special offering for Hardin-Simmons university, Rev. J. Roy Clark, pastor of the East Fourth Street Baptist Church will speak on "Christian Compassion" at the 11 o'clock morning worship Sunday.

Rev. Clark will introduce scriptures which teach Christians that the needs they see around them become their own responsibilities. The message will be climaxed by the special offering, which will be forwarded to HSU to help finance a new building to replace Abilene Hall, which was destroyed by fire two weeks ago.

Charlottee Holden, a local student at the university, will make a short address on the building needs at HSU and what the students and faculty have done toward erection of the new classroom building.

Special music will be presented by the church choir under direction of George McLellan, at conclusion of the offering.

Members of the East Fourth Street Church will bring covered dish luncheons Sunday, and immediately after lunch the membership will canvass 1,000 homes in the area, distributing post card pictures of the church building and other literature.

At the evening worship service, Rev. Clark will speak on "Getting Even" which will include detailed discussions of malice and retaliation.

Sunday School will begin at 9:45 a.m., morning worship at 11, Training Union, 6:15 and evening worship, 7:30.

'Christ Jesus', Title Of Sunday Sermon

"Christ Jesus," is the subject of the lesson sermon which will be read at the Church of Christ, Scientist Sunday at 217 1-2 Main.

Sunday school will be held at 9:30 a.m. with morning services at 11 a.m.

The golden text is "Unto us a child is born, unto us a son is given; and the government shall be upon his shoulder; and his name shall be called Wonderful, Counselor, The mighty God, The everlasting Father, The Prince of Peace" (Isaiah 9:6).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The next day John seeth Jesus coming unto him, and saith, 'Behold the Lamb of God, which taketh away the sin of the world'" (John 1:29).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The Christ is incorporeal, spiritual, - yea, the divine image and likeness, dispelling the illusions of the sense; the Way, the Truth, and the Life, healing the sick and casting out evils, destroying sin, disease, and death" (page 332).

Sunday School Undergoes Changes After Survey

A survey of the religious education work of the church, recently made by Miss Louanna Roach educational director of the First Presbyterian Church of Midland, has caused some great changes to be made in the Sunday School.

A modern set-up is planned for the nursery department, and attractive rooms will be provided for two and three-year old children. Other changes in various departments are designed to create greater interest, and to improve the teaching. A recruiting program is under way for additional Sunday School children.

Rev. Lloyd Announces Morning Sermon Topic

"The Widow's Outlook or The Mite-Viewpoint," will be the sermon topic of Rev. R. Gage Lloyd Sunday morning at the Presbyterian church at 11:00 o'clock.

The pastor will begin a series of sermons on "Lamps That Go Out" Sunday evening at 7:30 p.m.

Young people will meet at 6:00 p.m. Sunday with Gilbert Sawtelle and Pat McDaniel as leaders of an "all-boy" program.

Guest Complimented At Informal Party

Mrs. R. G. White of Fort Worth, who is visiting here with her parents, Mr. and Mrs. S. C. Adams, was complimented with a gift party in the Adams' home earlier this week.

Miss Williams Directs YWA Meeting At Church

Nidra Williams presided over a meeting of the Lottie Moon YWA held in the parlor of the First Baptist church Wednesday evening.

Baptizing To Follow Sunday Night Service

Baptizing will follow the evening sermon at the First Baptist church Sunday, it has been announced by Dr. P. D. O'Brien, pastor.

An entire family is due to be baptized, following a trend noticed a week ago when two couples were baptized. Sunday morning Dr. O'Brien speaks on "Why Join the Church?" based on Acts 2:47. His evening topic, taken from Gen. 5:24, will be "Walking Through Life With God."

Next week Dr. O'Brien is to be in Texas City leading in one of the simultaneous revival meetings in the 180 churches of the Houston district.

Poor Attendance Reported At Harp Ensemble Concert

A small but appreciative audience attended a concert presented at the city auditorium Thursday evening by the Harp Ensemble from North Texas State Teacher's College, which was presented here under sponsorship of the High School Parent-Teachers Association.

Enthusiastically received was the Irish ballad, "Believe Me If All Those Endearing Young Charms," featuring six harps, and solos by Miss Lillian Phillips, director, who played Salzedo's "Scintillation."

Members of the ensemble taking part on the program were Charlene North, Fort Smith, Ark., Peggy Wilson, Jacksonville; Mary Nease, Plainview; Antia Harvey, Denton; Ann Terry, Beaumont; Milgdon Jackson, Beaumont; Wanda Holmes of Brownsville; Jimmy Huddleston of Orange; and Ann White of Rankin.

A spokesman for the P-TA announced Friday that attendance was far below that which was anticipated, and that proceeds would net very little toward the unit's spring project.

New Idea Club Meets With Mrs. House For Reorganization

The New Idea Sewing club was reorganized Thursday when members met in the home of Mrs. Marvin K. House for an afternoon of handwork.

The club disbanded during the war, but will now hold meetings every other Thursday of each month.

Mrs. Earl Ezell of Abilene was included as a guest, and a salad plate was served by the hostess to Mrs. Grover Cunningham, Mrs. M. E. Ooley, Mrs. Lee Hanson, Mrs. L. W. Croft, Mrs. Buck Richardson, Mrs. Fred Stephens, Mrs. Ebb Hatch, Mrs. Shine Phillips, Mrs. Bill Inkman, Mrs. Bob Piner and Mrs. Ova Mae Edwards.

Mrs. Buck Richardson will be the next hostess.

John Cabot first reached Newfoundland in 1497.

Mrs. W. W. Wilson, Recent Bride, Feted At Gift Tea

Mrs. W. W. Wilson, the former Ethel Lomax, was named honoree at an afternoon tea given in the Jim Culpepper home Thursday by Mrs. A. J. Stallings, Mrs. W. G. Wilson, Jr. and Mrs. Culpepper.

A blue and white color scheme was used in decorations of the tea table which featured the chosen motif in the centerpiece arrangement.

Receiving guests were Mrs. Wilson, mother of the bridegroom, the honoree, Mrs. W. J. Lomax, mother of the bride and Mrs. A. J. Stallings, the bride's cousin. The honoree wore a black crepe street-length frock styled with a draped skirt and lace trim around the neck and on the sleeves. Her corsage was of red rosebuds. Other members of the houseparty wore black with shoulder corsages of white carnations.

Around 50 guests registered in the bride's book presided over by Mrs. Langley, and were escorted into the dining room for tea. A Quaker linen cloth was laid on the refreshment table. White carnations, blue iris and white stock were arranged in a large blue bowl and flanking the centerpiece were white tapers in crystal candelabra. Blue party napkins bore the inscription, "Ethel and Billy," and Mrs. Grady Cross and Mrs. Culpepper presided at the table.

Wedding vows were read for Mr. and Mrs. Wilson at the First Presbyterian church on the afternoon of February 15 by the Rev. R. Gage Lloyd, pastor.

Mrs. A. W. Page was this week's hostess to the Wednesday Sewing club which met at her home for a social hour and handwork.

A salad plate was served, and attending were Mrs. R. T. Lytle, Mrs. B. Riddle, Mrs. Denver Yates, Mrs. Edd Stringfellow, Mrs. A. F. Gilliland, Mrs. Bill Sandridge and th hostess.

Mrs. Riddle will entertain the club next.

Auxiliary Learns Of Benefits From Children's Fund

Members of the American Legion Auxiliary met at the Settles hotel Thursday afternoon to hear a talk by Mrs. Stella Womack, public nurse, who outlined her duties and explained benefits which are being received through the crippled children's fund.

The group was told of work which has been accomplished through the sale of Easter seals, and Mrs. Womack reported on the progress of a child from here who is now undergoing treatment in a Dallas hospital. Assistance to the child was provided by the auxiliary upon recommendation of the health nurse.

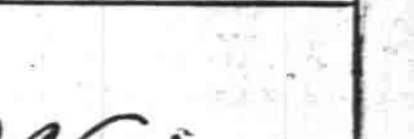

A musical program which was presented included two piano selections by Harry Echols, duet numbers by Velma Greise and Helen Duley and vocal selections by Mrs. Eddie McElhannon.

Plans were announced for an apron and overall party and box supper which will be held in the near future.

Twenty-six members attended.

Roy Milner, who underwent major surgery Wednesday morning at Baylor hospital in Dallas, is reported to be resting well.

YESTERDAY TODAY AND TOMORROW

Luke 18:1 "... Men ought always to pray, and not to faint."

Prayer is the Link that connects us with God. This is the bridge that spans every gulf and bears us over every abyss of danger or of need.

Do we know the power of our supernatural weapons? Do we dare to use it with the authority of a faith that commands as well as asks? God baptizes us with holy audacity and Divine confidence! He is not wanting great men, but He is wanting men who will dare to prove the greatness of their God.

Beware in your prayer, above everything, of limiting God, not only by unbelief, but by fancying that you know what He can do.

Expect unexpected things, above all that we ask or think. Our prayers are God's opportunities.

Prayer can make your affliction sweet and strengthening. Prayer can add to your joy a celestial perfume. What will it do for you? All that God can do for you.

"Wrestling prayer can wonders do. Bring relief in deepest straits; Prayer can force a passage through Iron bars and brazen gates."

Big Spring Pastors Association

Revival Closes With Final Sermon Tonight

A successful revival campaign conducted at the Main Street Church of God by the Rev. C. E. Simerly for the past two weeks, was reported Friday by the pastor, the Rev. W. R. Hutchings.

The final sermon, illustrated with movie slides, will be brought by the visiting minister tonight.

Sunday school will be held at the church Sunday at 9:45 a.m. with N. C. Dalton giving the devotional.

Ex-Service Men Rally At Church Of God Sunday

Sunday evening at 7:30 p.m. there will be a rally for all ex-service men conducted by Rev. and Mrs. J. W. Sitton of Houston at the Assembly of God Church.

The Rev. Sitton, veteran of a world war, has traveled over 100,000 miles in the interest of the armed forces and will speak on "Miracles of War."

The public is invited to hear these sermons.

Mr. and Mrs. Jesse Coulter and daughter, Darlene, and Thelma Lou Tucker, are visiting Mrs. Coulter's sister, Mrs. Gray of Cleveland, this weekend.

Pastor To Attend Eastland Meeting

Rev. and Mrs. W. R. McClure will be in Eastland next week while he attends the annual meeting for Church of the Nazarene preachers in this area. The meeting is on March 4 through March 6.

Sunday at 11 a.m. he speaks on "Service," and at the evening worship he speaks on "God's Call to Holiness." The Sunday school meets at 8:45 a.m., Fourth and Austin, and the Young People's Society at 6:45 p.m.

Crozier Tech, Waco Win Way Into Austin Finals

Two of twenty-four teams to battle at Austin next week in the three-way state schoolboy basketball tournament have been determined, with a possibility that five more will be named tonight. Crozier Tech of Dallas, defend-

ing Class AA champion, beat Paschal of Fort Worth 39-38 last night to make it two straight and win their way to the big meet in which titlists in three divisions—AA, A and B—will be crowned next weekend. Finalists have been determined in one region of Class A, four regional tournaments start tonight and three others will be played tomorrow night. In Class B one regional tournament already is under way, five others start tonight and the other two are scheduled tomorrow night. Waco joined Tech in the parade to the state tournament Class AA division, the Tigers beating Brownwood 49-13 to make it two in a

row. Five Class AA series will be resumed tonight and in each case a bi-district champion may be determined. Holding victories in first meetings are El Paso over Abilene, Denton over Greenville, Sam Houston (Houston) over Beaumont and Thomas Jefferson (San Antonio) over Harlingen. Tonight El Paso will be at Abilene where last night the Tigers tumbled the Eagles 47-32, Denton will be at Greenville, Sam Houston will play at Beaumont and Harlingen will meet Thomas Jefferson at San Antonio. Bryan last night evened its series with Texarkana with a 49-34 decision and the teams clash tonight at Nacogdoches to determine the bi-district champion and a spot in the state tournament. Graham beat Amarillo 41-38 last night to even the series. These teams wind up the play-off tomorrow night at Childress. In Class A Bowie beat Olney 40-32 and Diamond Hill (Fort Worth) defeated Gatesville 39-37 to advance to the finals of Region 3. Bowie and Diamond Hill play for the title at Fort Worth tomorrow night. In other Class A regional tournaments will be held at Amberst, San Angelo, Huntsville and Alice starting tonight and at Greenville, Gladewater and Brenham tomorrow night. In Class B one regional tournament opened last night with Duncanville beating Bynum 31-19, Bardwell trimming Frisco 33-32, Masonic Home (Fort Worth) downing Powell and Ponder defeating Tom Bean 40-18 at Dallas. The other other teams in the tournament swing into action tonight with Prairie Valley playing Aledo, Calvert tackling Pearl, Petrolia going against South Lockett (Verona) and Rhome playing Moody. Five other Class B Regional tournaments start tonight. These are being played at Lubbock, Abilene, Kilgore, Houston and Marfa. Two will be run off tomorrow, these being at San Marcos and Kingsville.

Yearlings Open Tourney Play At 8 O'Clock

KNOTT, Feb. 28. — Two games this evening will complete the first round of play in the Knott Junior basketball tournament, which will continue through Saturday night.

Flower Grove and Midway are scheduled to take the court at 7 p.m., followed an hour later by a bout between the Big Spring Yearlings and Stanton.

Those four teams constitute the lower bracket of play. Upper bracket preliminary competition was scheduled to have been completed this afternoon. The first game sent Knott against Forsan and Ackerly against Garden City.

Semi-final contests are scheduled for 4 and 5 p.m. Saturday, the finals at 8:30 p.m.

Trophies will be given the winning and runnerup aggregations. An all-tournament team will also be selected.

Coach Jim McWhorter of the Yearlings will probably take a ten-man club to the Knott meeting. The Big Spring's title hopes will be built around Billy Carlisle, the team's leading scorer to date, Howard Jones and James Fannin.

El Paso Clips Abilene, 47-32

ABILENE, Feb. 28. — Ramon Orona, 6-foot, 4-inch center poured 15 points through the hoop to lead the El Paso High Tigers to a 47-32 victory over Abilene High's Eagles in the opener of their bi-district class AA basketball series here Thursday night. Controlling the boards and using a combination of height and the fast break style of play, the El Pasoans held the lead most of the way. They were out in front 21-12 at half-time. The two teams will continue the series tonight in the Abilene High gym.

Wildcats, Buffs In-Action Today

ABILENE, Feb. 28.—Water Valley's champs of district 20 was scheduled to meet the titleholder of district 13 at 2:30 p.m. today in the McMurry gymnasium to launch the Region two class B high school basketball tournament. Identity of the Wildcats' opponents had not been learned this morning.

Other representatives at the 14-team tournament were scheduled to see action this afternoon and tonight, with Eula, the 1946 champ, listed as pre-tournament favorite. One of the better contests on schedule, however, is the Stanton-Early clash, booked for 7:30 p.m. Both teams were in the regional tournament last year, and both displayed unusual strength in their respective districts this year.

Wesleyan Triumphs Over Buccaneers

GEORGETOWN, Feb. 28. (AP)—Texas Wesleyan was back on top of the Texas conference basketball chase today, thanks to a 57-33 victory over Southwestern university here last night. The victory put the Rams a half-game ahead of Abilene Christian college.

The nation's No. 1 scorer, Clifton McNeeley of TWC, boosted his total to 652 points by scoring 16 points, but teammate E. F. Parham was high for the night with 18. Parham is third in the nation's scoring.

More Than Hundred Coaches Due At Fox Clinic Saturday

School To End Monday Noon

Clarence Fox, Jr., sponsor of the football coaching school bearing his name is making plans to take care of anywhere from 100 to 150 high school and college mentors when the three-day clinic opens at 2 p.m. Saturday in Room Four at the Settles hotel.

Del Morgan, Texas Tech instructor; Jack Curtice, Texas Mines; and Clyde "Bulldog" Turner, one of professional football's greatest players; form the faculty for the school, which has become an annual institution.

One of the highlights of the clinic, which will be terminated at high noon Monday, will be a Saturday night "western style" banquet in the Settles. All coaches and local enthusiasts who undertake the indoctrination will be welcome guests.

T. C. Root, Texas Tech prof who made such a hit at the high school football banquet here last spring, is lined up for another talk at the supper. He'll be introduced by Jimmy Greene, manager of the Big Spring chamber of commerce.

The coaches will have their heads together all day Sunday, drinking of black board drills and practical demonstrations. The Sunday orientation gets underway around 9 bells and continues until 5 p.m., with the customary noon-time break.

Bob Merrill of El Paso, representative of Johnson and Johnson, will take time to show a movie on the proper way of treating the injured. Other movies to be shown will feature the Texas Tech-A&M game last fall and highlights of the lost Sun Bowl game at El Paso.

Among those who have already registered for the annual convention are:

- Cricket Christian and three assistants of Kermit; A. G. Hall, Eula; Carl Waddle, Grand Falls; Bud Wheeler, Grand Falls; F. O. Scroggin, Monahans; W. C. O. Harris, Plainview; Goober Keyes, Lubbock; Dixie White, Lubbock; Jack Black, Reagan high school; Gordon Griggs and assistant of Garden City; Floyd Sorley, De Leon; and Faris Nowell, Balla.
- Also Harold Critch and Toby Greer, Brownfield; Pat Gerald and staff; Sweetwater; John Burns, Senoole; Bob Russ and assistant, Colman; Pete Sikes, San Angelo Junior college; Clyde Latham, Munday; Tonto Coleman, ACC; Bob Merrill, El Paso; Barnes Millam and Jack Mashburn, Midland; Fred Metz, Denver; Clark Prather, Colorado City; Ed Williamson, Colorado City; C. A. Etheridge, Sanderson; and Carl Coleman, Pecos.

Honeycutt Names Letter Winners

FORSAN, Feb. 28. — Four of the 11 boys who won basketball letters at Forsan high school the past season will be eligible again next year, Coach Frank Honeycutt announced this morning.

The quartet are Junior Dolan, Dan Fairchild, Eldon Prater and Floyd Pike. Others who gained monograms are Bobby Wash, Bobby Baker, Charles Long, Stanley Hayhurst, Max Anderson, D. C. Bedell, Ray Prater and Manager Don Thorpe.

ACCEPTS POSITION

FORT WORTH, Feb. 28. (AP)—Frank Jameson assistant football coach at Fort Worth Tech, has resigned to go to Goose Creek high school as head basketball and assistant football coach.

LOOKING 'EM OVER

WITH TOMMY HART

Reports seeping in from Austin say the University of Texas football machine is taking to Blair Cherry's T formation with remarkable ease. When Dana Bible was at the coaching helm, he refused to cotton to the innovation and his teams didn't seem to suffer for it, although his elevens were never spectacular. Under Cherry, they should be crowd pleasers, if nothing else.

The Whites and the Oranges had at it in a recent spring intra-squad game there and 73 points were scored during the course of the afternoon, 53 of them by an all-conquering White club. One of the stars of the skirmish was Our Town's Peppy Blount, who is finding the time to work out most every afternoon though he must dedicate a portion of his time to his work as a legislator and another part as a student in law school.

Pep took one pass from Bobby Layne for 30 yards and a TD that fairly set the stands afire. He's carrying 215 pounds now but observers say he scamped like a cat-back on that particular play. The Big Springer also ankled to another tally, maneuvering across the double stripes after snagging an overhead from Paul Campbell. The play covered 20 paces.

Layne may or may not be the ball of fire in Cherry's new setup he was a year ago, when he rated the AP's second All-America team. He'll have to hit on eight cylinders all the way to top such operatives as Billy Pyle, Ray Borneman, Bobby Coy Lee, Travis Raven, Byron Gillory, Perry Samuels and Raymond Jones.

Jack Marcum, a linotype operator of this chronicle, congnizant of the fact that many a West Texas athletic team is named after storied animals of the section (e. g., the Big Spring Steers, the Odessa Bronchos) suggests that the village's Longhorn baseball league entry be referred to as The Phillis (Fillies).

Jackson may have something there. A year ago, the Philadelphia Philis, who made the nation conscious of the moniker, represented utter futility but the Quakers have since snapped out of their doldrums. Sweetwater's Longhorn entry will launch spring drills on March 24. The pitchers and catchers will answer the first call to arms in the Nolan county capital. Friends and baseball fans who watched him punish the horsehide for the Big Spring Tigers from 1924 through 1936 regretted the recent passing of Cayo Galindo, who played center field for the famed local independent team. Galindo exited through the gates of Valhalla here Sunday after a brief illness. He had been working on the northern part of the county. Cayo was the dreaded cleanup hitter for the Tigers at the time the troupe was the most feared in West Texas' independent circles. He had played with the Marfa Indians prior to coming here.

Championship Bout On KBST Tonight

Gus Lesnevich (above) defends his crown against Billy Fox at Madison Square Garden tonight. This is the first light-heavyweight title match to take place in America since 1941.

Fox has perhaps the most imposing record ever carried into the ring by a challenger. Although somewhat short on boxing fitness, sooner or later he seems to get in the finishing hay-maker. Every one of the 48 foes he has tackled in his pro career has been knocked stiffer than a frozen mackerel.

Stolid, oak-legged Gus, however, has a noble right cross and a chunking, thudding left that he doesn't carry around just for sparring. In the only discharge of his crown since being discharged from the service, he kayoed British Empire Champion Freddie Mills in England last May. It May Be A Strategic Concession

There seems to be some finger-crossing in Russia's latest surprise move in sanctioning the U.S. position in seeking a mandate on some 600 islands in the Pacific for strategic purposes. Britain had gone to bat against the proposal and Russia had maintained a silence, believed by many as a prelude to opposition. The contrary happened.

Now, what does it mean? This is difficult to say for none can be sure of the Russian position in international affairs except the top Russian officials. Many diplomats and observers are looking on it as a possible move toward conciliation in advance of the important, impending Moscow conference.

While there may be some tendency to exuberance on the point, we may find we have found approval of a step that will

confront us with an invitation to approve similar action by Russia in what she considers her own particular sphere. In other words, if it is proper for the United States to annex, for all practical purposes, the island bases in the Pacific for strategic purposes, will it not be proper for Russia to take similar steps in her own sphere.

The Russians recently have taken issue with Dean Acheson's candid statement that Russian foreign policy appears to be "aggressive and expanding." On the heels of this Russia approves a policy on the part of the United States which could be interpreted as expanding even if not aggressive. Thus, behind it all Russia may be making an important strategic concession in diplomatic fields in order to strengthen a future position.

Don't Forget To Be Neighborly

All over the world tempers have grown short throughout the prolonged period of emergency, and courtesy and kindness have declined. Englishmen have taken inventory of the trends in their hard-pressed country, noting that there is a definite increase in uncivility among individuals, classes, etc. It is notable because they have had the good sense to check up and admit the change. Thus, they have hopes of recapturing some of the lost spirit.

In the South, Southwest and particularly Texas we long have prided ourselves on our friendliness and hospitality. Yet the same thing is happening to us as in other areas and countries. The difference is that we have not yet taken inventory and recognized the trend.

To get down to cases, Big Spring has

long counted as one of its peculiar assets its spirit of friendliness and neighborliness. We believe it still exists as a mighty fine community trait. However, in the press of the times and in the midst of increasing population, it is all too easy to neglect this important nicety.

There are many ways in which individuals can contribute to this human and considerate characteristic. One is to speak when passing on the street. A simple, cheery "hello" to even strangers does not go unnoticed. Waving, hand clasps, short visits in the course of business, smiles, courtesy, neighborly inquiries, invitations to share the welcome of a home—all these fit into the pattern.

There are few better recipes for community distinctiveness and happiness than these.

Get W-2 Receipt From Each Boss

WASHINGTON, (AP)—You're making your 1946 income tax return on Form W-2, with withholding statement.

That's the receipt the boss gives you for taxes withheld from your wages or salary in 1946. He must give it to you.

If you worked for more than one boss who withheld tax from you, get a Form W-2 receipt from each.

You can't, without all the receipts, make a return on Form W-2. Without them all, you'll have to use form 1040.

When you have them all, attach them to the Form W-2 receipt from your last boss.

That last one is the one you will fill out and file. Don't fill

out the others. And—don't send money with it when you fill it out and mail it to the Internal Revenue collector.

He'll check it. If you owe him money, he'll notify you. After he notifies you, you have 30 days to pay.

You'll get a refund if, in checking your return, he finds too much tax was withheld from you in 1946.

Husbands and wives don't have to worry about filing jointly or separately if they both had 1946 income and can use Form W-2 as a separate or joint return.

The Form W-2 you get from your boss is in "Original" and

"Duplicate." Fill in the "original" and send it to the collector. Keep the "duplicate."

On the "Original" the boss has written your name and address, his name and address, the amount of money he paid you, and the tax withheld.

That's all on the front of the "Original." You don't do anything on the front. Except to be sure your name and address are right.

Turn it over. You answer simple questions on the back. Having filled it out, you now mail it to your nearest internal revenue collector. Remember: Don't send money with it.

(Sunday: Using the '1040 Short-Form.)

Texas Today—Jack Rutledge

Beaumont Still Keeps Beautiful

BEAUMONT, the bustling belle of Southeast Texas, is keeping her beauty despite the almost fantastic growth of her industries.

Fabulous old spindle top, the famous gusher that brought an oil boom to Texas back in 1901, is so close to the city limits its oil, today, almost spills in the streets. But Spindle Top didn't spoil Beaumont's soft beauty.

The town is framed with tall, stately, moss-hung evergreens. The Neches river winds through the edge of the downtown area. Beautiful, graceful old homes are made lovely with oleanders and azaleas. The climate is mild and sunny.

Beaumont, more than most Texas cities, has the Old South air. For one thing, it's pretty close to Louisiana's border. It's much closer to the Old South than it is to most of Texas.

For example, Beaumont is on the old Spanish Trail. Tourists driving in, awed by the size of Texas, often ask how far it is to El Paso. So the highway department, deviating from its usual rule of erecting highway signs showing the distance to the next

town and the next county seat, erected a sign that reads:

"Beaumont 66; El Paso 854."

But Beaumont is prouder of her progress than her beauty. It is a city of over 100,000, the heart of an area that boasts 350,000 persons. It has large, efficient hotels. It has large office buildings. It has a busy shipping district.

There is oil; there are huge refineries scattered around like beads from a broken necklace; midway between Beaumont and Port Arthur is the world's largest synthetic rubber plant; it is America's rice bowl; agriculture is important; and, reflecting the city's tempo, it has two of the state's top newspapers, the Journal and Enterprise.

It has Lamar college which, in time, may become one of the state's greatest.

Beaumont thinks in big terms. But little things happen there, too. Like the man who went to a used car lot to buy a new car.

The dealer called an ambulance to carry him away.

Beaumont affects visitors much the same way. It is growing so fast, the pace is so rapid, one gets dizzy.

Ann Selects Her All-American Man

HOLLYWOOD, (AP)—Here he is, the All-American man for 1947, as selected by Ann Sheridan. And if it's any consolation to us males, the guy turns out to be not particularly handsome, although definitely rugged.

This whole thing started some weeks ago when I suggested that Ann pick the perfect man for the new year by combining the best features of Hollywood stars.

Ann even had a composite drawing of her selections whipped up. She glanced at the clean-cut, but unbeautiful, dream man and nodded. "Yep, that's it," she said. And here he is:

Head structure — Gregory Peck, "although better-fed."
Eyes — Zachary Scott.
Forehead — Errol Flynn.
Hairline — Kent Smith.
Ears — Humphrey Bogart.
Nose — Robert Taylor.
Mouth — Tyrone Power.
Chin — Joseph Cotton.

The finished face becomes a guy very much unlike those

seen in the magazine advertisements.

Maybe Deborah Kerr is planning to stay here. Her housekeeper and Sealyham arrived from England this week. . . . It was Ava Gardner Day in Smithfield, N.C., last week in honor of a home town girl who made good. . . . Hal Wallis' new find, Christine Miller, and San Francisco getting serious. . . . Andy Russell hopes to play Mexico City

essential and stopped the construction.

cisco Engineer Bill Schuyler are this summer. Although of Mexican origin, he has never been there. . . . Peter Lawford, if not fill Clark Gable's sweaters, if not his shoes. Peter wets 10 turtle-neck pull-overs in "Good News."

Home, James And Step On It

LOUISVILLE, Ky. (AP)—A police cruiser halted at an intersection here to await a signal change.

A man with a glassy look in his eye opened the door of the car and stepped in.

"Fourth and Magnolia," he said, settling down on the seat. "You mean Sixth and Jefferson (that's the jail)," said Traffic Patrolman Robert Hardin.

In police court, the defendant was placed under peace bond and told to learn the difference between a taxicab and a police car.

San Diego Nuptials Back To Normalcy

SAN DIEGO, Calif. (AP)—Evidence that things are about back to normal in this war-boomed city was given as 1947 started with only 383 marriage licenses issued in January.

This was but one more than in January, 1942. Figures for the month for the years in between: 1943, 505; 1944, 641; 1945, 719; 1946, 619.

Loves A Racehorse

HIALEAH RACETRACK, (AP)

I never thought I would fall in love with a racehorse.

I thought that was an aberration enjoyed only by crumbling old white-haired Kentucky colonels who made up their track losses by posing hand-in with mint juleps for the whisky ads.

And here I am head-over-heels, crazy about a horse, crazy as Little Boy Blue over his little toy dog.

The horse is named Armed, and he is the sweetest thing on hoofs that ever ran in circles. Old timers can have their pacing Dan Patch, middle times are welcome to Man-O-War. I'll take Armed — on a wet or dry track.

Armed has personality as well as speed. He has the best head on a horse's body since Chiron, the wisest centaur, pounded the Hills of Thessaly.

I stood next to Mrs. Doug Dodson, wife of the man up on Armed in the \$50,000 Widener handicap last Saturday, and learned that a jockey suffers much less than his watching frau during a race.

Mrs. Dodson is about convinced that horse racing really began in America only when Armed first went to the post.

"He's wonderful," she said. "He's terrible strong and only Willie" — apparently her pet name for Doug — "can really handle him."

"Armed isn't temperamental though. Nothing bothers him. He always knows what he is doing."

Then somebody yelled "they're off." And Mrs. Dodson — a pretty dignified woman who knew she would get to go to California with her husband if Armed won — began jumping

up and down like a pogo stick shouting:

"Come on, Willie! come on Willie!"

And "Willie" did, riding almost straight up in his stirrups. Armed, who usually worries the bettors by hanging back a little at the start, took a quick lead.

Whipped down the home stretch he sped in muscled rhythmic beauty.

As he streamed over the finish line with a new track record I could almost see my \$5 on his nose and the \$1.25 profit riding on the end of the glossy black tail feathering the air like a victorious banner.

As Armed strolled off the track he stuck out his tongue for his share of the \$50,000 purse—the two lumps of sugar he usually gets for winning.

Orthodox Church Invited To Parley

GENEVA, Switzerland, (AP)—

In an effort to establish closer contact between the World Council of Churches and the Orthodox churches, an official delegation of the Council has left Geneva.

They will go first to Athens, Greece, and successively will have conversations with six Greek-speaking Orthodox church bodies.

The delegation will invite orthodox leaders to participate in the world assembly of churches in Amsterdam next year.

The council was reported "in contact with" the Moscow church, but no announcement had been made of sending a delegation there.

Washington Merry-Go-Round—Drew Pearson

Freight-Car Advice Unheeded

WASHINGTON.—The current tragic tie-up of the nation's economy because of the freight-car shortage might have been saved if the railroads had taken the advice of Washington experts.

It was never published at the time, but, two years before the war, J. Leonard Replogle, former Republican National Committeeman from Florida and expert on the Baruch board during the last war, gave the railroads a blunt prediction of things to come.

Testifying before the Stettinius board on national resources necessary for the impending war, Replogle warned that the country would need 400,000 new freight cars to handle wartime economy. He told the board that many of the cars now in use were old and would not bear up under the wear and tear of war. He urged a government loan to finance 400,000 new cars.

This brought loud and vigorous protests from the American Railway Association. Their spokesman, the late J. J. Pelley, replied that the railroads were in good shape and needed no new cars. Nothing was done. Result: Critical steel had to be diverted from building freight cars during the war. And today with equipment getting older and older, there are more wrecks and not enough cars to haul vitally needed goods. Though new cars are now being built at the rate of 7,000 a month, old cars should be scrapped at the rate of 7,000 a month. Thus it will take a long time to overcome the present car shortage.

READ AROUND WORLD

The one-minute speech is one of the oldest institutions of congress. It is a pet device by which Congressmen get a grievance or some other personal project off their chests, usually delivered with one eye on the press gallery and usually forgotten after the speaker's gavel falls.

However, Freshman GOP Representative J. J. Javits of New York, a decorated war vet, made a short talk the other day that was read around the world. The speech was sent by the State Department to our diplomats everywhere because of its cogent analysis of refugee problems. Javits stated, in part:

"The plight of these living dead, the walking casualties of World War II, cries out for help to the conscience of the world. Four-fifths of the one million refugees and displaced persons are Poles, White Russians and Ukrainians, most of whom refuse to be repatriated because of their opposition to the regimes now governing their countries."

It is a popular misconception that most displaced persons are Jews. In fact, only about 25 per cent of the aggregate number in Austria, Italy and Germany are Jews, while 75 per cent are Christians. The 25 per cent long only for the opening of the Jewish National home in Palestine. The United States is now spending an estimated eight to ten million dollars a month to maintain displaced persons in the American occupation zone in Europe.

"Subject to approval by Congress, the United States has subscribed 45 per cent of the operating budget of the International Refugee organization under the United Nations. Even Great

Britain, despite her own desperate plight, has agreed to subscribe 14 per cent. Canada was joined, as have France, Norway, Liberia, the Philippines, Denmark, Honduras, the Dominican Republic and Guatemala, bringing subscriptions to almost 75 per cent of the required \$70 budget.

"Let us pray that, with united effort through this international refugee organization and through a just solution in Palestine, a ray of light may be introduced into the blackness which is life for the displaced persons and refugees in Europe in 1947."

TO NEW ORLEANS

Young Congressman Hale Boggs of Louisiana got an encouraging pat on the back from President Truman for a House speech defending David Lilienthal the other day, but failed to persuade the President to visit New Orleans. Truman said he would take a "rain check," and promised to show up for a hemispheric trade exposition in New Orleans next fall if circumstances permit.

"I think I'll take Mon Wallgren (former senator, now governor of Washington) along if I go," mused the President. "Mon once bragged to me about how he taught the folks in New Orleans to play billiards. I want to see if he's as good as he says."

The Louisiana Congressman replied that his constituents were less interested in billiards at the moment than in fostering "good neighbor" trade. International House, an organization Boggs helped establish for promoting more trade between the Mississippi Valley and Latin America, was going great guns in a new 15-story building, he told Truman, and the fall exposition will highlight the trade program.

"That's when we want you there, Mr. President," concluded the Louisiana congressman.

CAPITAL CHAFF

Congratulations to Solicitor General "Shorty" Andrews of Georgia and his assistant, Paul Webb, for their conviction of the pro-Nazi Columbians. . . . Herbert Hoover's quick return from Europe is in order to testify in favor of a large appropriation by which the American Army can feed Europe. He will oppose a drastic cut in the budget.

Congressional tax experts decided to reduce the 25 per cent communications tax following an urgent plea from officials of the Western Union Telegraph Company, who reported that Western Union faced a \$8,000,000 deficit this year because great numbers of telegram-senders have refused to pay the tax and are switching to airmail. Affairs Of The World—DeWitt MacKenzie

Bevin May Have Out-Blunted Self

Foreign Secretary Ernest Bevin's feverish charge that President Truman spoiled England's negotiations over the Palestine issue last autumn is highly illuminating—not as regards the Holy Land, to be sure, but as indicating the British government's anxiety regarding its own political future.

Bluntness is one of Bevin's characteristics, but this time he out-blunted himself. His rebuke to the president was, to put it mildly, a most unusually development between Allies.

Why then did Mr. Bevin raise the matter in such combative fashion on the open floor of the House of Commons several months after the event? The answer, as I see it, isn't hard to find, and it is this:

Prime Minister Attlee's government—trying to turn a new furrow with England's first Socialist play—finds itself in serious difficulties. The country's economic position is grave, as the government itself has disclosed to the world within the week. The people are enduring an austerity of life exceeding that of wartime. The granting of independence to India and Burma is like an atomic bomb on the empire. There are many other ills, of which the Palestine situation is one.

Naturally Prime Minister Attlee's opposition, headed by the politically shrewd Winston Churchill, has been blistering the government with charges of bungling. Even as Mr. Bevin was addressing Commons, the conservative House of Lords was raising hob with the decision to withdraw from India by June, 1948. And of course the opposition has ridden the Socialists hard over the handling of the Palestine issue.

But that's not the whole story. Discontent has been showing itself among the general public which gave the Socialists their

majority in the election of 1945. So we find the Attlee government fighting with back to the wall for its life. Foreign Secretary Bevin's outburst was part and parcel of that fight—an effort to appease a relentless opposition. However, Socialism is on trial

in England, and the record which it makes during the life of this government will determine whether it can survive there. Attlee is battling, not only to maintain his position now, but to achieve a record which will continue his party in power at the next election.

THE WORLD IN CHAINS

Even in this enlightened day, when there is much talk about freedom, the amount of real freedom in the world is distressingly small. Americans who have traveled abroad have been painfully conscious of the restrictions on speech and on the movements and activities of individuals. Humanity today seems to be bound as securely as if the nations were ringed with chains of steel. Greed, selfishness, ambition, fear, irreligion and personal and political immorality seem to hold mankind in a state of perpetual thralldom.

On the international level, the false doctrine that might makes right—the age-old law of the jungle—operates to stifle the social, cultural and religious aspirations of the smaller nations and bring them into virtual subjection to the larger powers.

The answer to all this is not more power politics, more dictators, more war, or more restrictions on the freedom of peoples. The answer lies in the spread of true religion and the spirit of brotherhood among men.

God, working through His Church, can bring peace, freedom and contentment to a troubled world.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend and support the church of his choice. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church on Sunday and read your Bible daily.

Billy Fox Favored In Title Skirmish

Smarties Insist Champ Too Old

NEW YORK, Feb. 28. (AP)—Likeable Gus Lesnevich defends his light-heavyweight championship against betting Billy Fox out of Philadelphia tonight in Madison Square Garden, and one of Bash boulevard's oldest laws—string with the champ until he's beaten—is being tossed right out of the window in this one.

Practically everyone except Gus' immediate family figures the white-Russian wallpaper from Cliffside Park, N.J., who's been boss man of the 175-pounders for half-a-dozen years, must wind up well-walloped, and without his crown when young Billy from Philly pulls the string on his high hard one shortly after 9 p.m. (CST).

They add up things like the fact that Lesnevich has been cut around the face or eyes in his last three fights; that he's 32 years old, a veteran of a dozen years along the cauliflower canyons, and that he's been known to make serious mistakes in the early rounds of several outings. Against those debits, they can't see much hope for the Cliffside clouter when he says howdy to the time bomb the flailing Fox carries around for a right fist.

Billy has had only 43 fights to date—but he's stiffened 43 opponents. This is a brand new freestyle record, like coming up with the dramatic trick every time the boarding house serves chicken, or throwing nothing but sermons with those polka-dotted white cubes.

The betting shops, like a pack of hounds on a hunt, can't see anything but the Fox. They've made Gus a 5 to 2 underdog and will give you an even bigger price if you hold out a bit.

They even have the flailing Fox at 2 to 3 to turn the lights out for Gus somewhere before the 15-round derby route is run, just as he's done for every other rival since he came thumping up the trail from the city of brotherly love, where he decided to hang his hat after brief stops at Tatum, Okla., and Richmond Va.

House Affairs Group Approves Racing Bill

AUSTIN, Feb. 28. (AP)—Supporters of a bill to legalize horse racing and parimutuel betting wonder if the measure can hold the fast break it got out of the legislative starting gate.

The House state affairs committee gave the legislation unanimous approval yesterday after no opposition appeared at the public hearing.

Speakers for the bill included Gen. Jonathan Wainwright, adopted Texan and commander of the Fourth Army; Robert J. Kieberg, of the King Ranch, Fred Wyse, Houston horse breeder and owner of a stable of race horses, and G. Rollie White, president of the Texas A&M board of directors and vice president of the Texas Cattleman's association.

The bill would legalize four major tracks for thoroughbreds and any number of minor tracks for quarterbreds under the supervision of a state racing commission. Major tracks would be limited to two 30-day meets each year.

Rep. John Bell of Cuero, author of the bill, estimated the state would realize from 10 to 12 million dollars annually from horse racing. The treasury would get 5 percent of all money bet, 10 percent of all admission tickets and levy license fees on jockeys, trainers, and other workers.

The money would be divided equally among the teachers retirement fund, dependent children of World War I and II veterans, the newly blind and old age assistance fund.

"The way we are appropriating money now, we will certainly need some added revenue," Bell said.

Wyse, who also owns a share of Narragansett Track, R.I., said he had assurance four Texans were ready to spend \$2,000,000 in developing a track at Houston if the bill passes.

He estimated that at the present about 500 Texas horses are racing in other states.

After the committee meeting Kieberg said he felt there would be no trouble in getting Texas capital to finance construction and operation of new tracks.

Kieberg said it was possible that three of the major tracks would be located at the former racing plants of Epsom Downs at Houston, Alamo Downs at San Antonio, and Arlington Downs between Fort Worth and Dallas.

Bob Fellers, 25 Others To Make 20 G's Or More

NEW YORK, Feb. 28. (AP)—Bobby Feller, the Golden Boy of Baseball's second golden era—even as Babe Ruth was the salaried colossus of the first—leads a total of 26 big league players who will earn from \$20,000 to \$80,000 plus in 1947, a survey shows today.

When brilliant Bobby inked a Cleveland contract which will bring him from \$80,000 to \$100,000 for his work on the hill this year, he became the first player with a chance to better the eighty grand a year the New York Yankees paid the Babe back in '30 and '31.

Although the matter of payment is incidental, it should be pointed out that the home run king got his dough in straight salary while Bob is to be paid part of his in bonuses based on home attendance. Approximately \$55,000 of his money will be in straight salary.

Although Hank Greenberg's salary has never been disclosed by Pittsburgh officials, it has been learned from a pretty authoritative source that it calls for a flat \$75,000 contract with no bonus arrangements, as previously reported. Others who will receive more than \$50,000 in 1947 include Ted Baker, field events; Stan Hayhurst, broad jump and relay; Dan Falchick, high jump and mile, D. C. Bedell, 880; Bobby Claxton, catcher; and Ken Barnas, 440.

Forsan To Hold March 8 Meet

FORSAN, Feb. 28. — Forsan high school will stage a track and field meet on Saturday, March 8, for schools of the 7B football conference, school officials announced today.

Teams who have been invited to have teams present are Coahoma, Knott, Sterling City, Garden City, Water Valley and Merton.

The games will get underway at 1:30 p.m. on Forsan's new athletic field. Starter will be Joe T. Holladay, former Forsan coach.

Frank Honeycutt, Buff coach, has about 15 boys working out for the games here. Included among his hopefuls are Charles Long, dashes; Bobby Wash, dashes; Bobby Baker, field events; Stan Hayhurst, broad jump and relay; Dan Falchick, high jump and mile, D. C. Bedell, 880; Bobby Claxton, catcher; and Ken Barnas, 440.

Coroner Withholds Verdict On Death

WICHITA FALLS, Feb. 28. (AP)—Theo Smith, 46, was found dead on the old Wind-Thorst road, 10 miles south of here yesterday. Justice of the Peace C. Colt Mock said Smith apparently had been stricken ill and died about 2:30 p.m. He withheld a verdict pending an examination today. Smith is survived by his wife, three sons, Weldon Smith, Pearl Harbor, Hawaii, Robbie Dee and Bobbie Lee, former high school football stars now attending Lamar Junior College at Beaumont, two brothers and his mother.

Big Fruit Shipment

BROWNSVILLE, Feb. 28. (AP)—The remainder of a 320,000-box purchase of Texas grapefruit by England will be shipped in March. Two ships have already carried out 100,000 boxes of fruit, purchased by a British food commission. New England's apple orchards produced an estimated 263,000 bushels of Cortlands in 1946.

'Doc' Mead Talks At Gideon Confab

E. P. "Doc" Mead, Abilene, state president of The Gideons, served as principal speaker at Thursday night's meeting of the local members of that organization.

The session, highlighted by a banquet, was staged at the Malone and Hogan hospital and was called to formally dedicate the gift of Gideon bibles to three local hospitals.

All rooms of the Big Spring, Malone-Hogan and Cowper-Sanders hospitals are being supplied with the editions. In addition, The Gideons have on order some 1,500 youth Testaments which will be distributed to school children upon arrival.

Those present for last night's meeting were Dr. J. E. Hogan, Schley Riley, Helen Fleming, Don Burk, Beverly Martin, Bill Mead, Mr. and Mrs. Merrill Creighton, Mr. and Mrs. H. V. Crocker, Mr. and Mrs. George O'Brien, Mr. and Mrs. J. D. Jones, Mr. and Mrs. Lonnie Coker, Harlan Choate, Robert Striplin, C. A. Long, Chester O'Brien and Dick O'Brien.

Big Spring Delegation Honors Fred Wemple

A delegation composed of 11 local public officials and business men attended a luncheon in Midland Thursday honoring Fred A. Wemple, new member of the Texas Highway commission.

In the Big Spring party were R. T. Piner, Otis Grafa, George White, K. H. McGibbon, J. H. Greene, R. W. Whipkey, County Judge Walton Morrison, Commissioners Grover Blissard, W. E. Gilliam, Earl Hull and W. W. Long.

Red Cross Drive Begins To Lag

The Red Cross fund drive lagged today, with only three new group business reports and a few contributions for the special gifts division.

Total for the drive at noon today was \$3,014.50, less than one third of the quota.

The State National Bank, Settles Coffee Shop and Coca Cola Bottling company were added to the 100 per cent list in the group business section.

New special gifts were recognized from H. E. Clay, \$10, and Mrs. F. N. Brown and Mrs. T. M. Bailey.

Mrs. Mae Leeper Dies At Alice

Mrs. Mae Leeper, wife of J. Fred Leeper, died Thursday night in Alice, Tex. It was learned here today.

The body will be shipped to Big Spring for funeral services and burial. Arrangements for services are pending at the Eberley Funeral home.

House Votes Crush Portal Bill Changes

WASHINGTON, Feb. 28. (AP)—By one-sided votes, the House crushed today two attempts to modify a measure banning virtually all portal-to-portal pay suits—now amounting to \$5,785,000,000.

The action foreshadowed easy passage of the bill itself later in the day.

Beaten back were two motions to increase the statute of limitations fixing the time which suits may be brought against employers under the nation's minimum wage and hour laws.

Eugene Black Named To Head World Bank

WASHINGTON, Feb. 28. (AP)—President Truman today nominated Eugene R. Black, Jr., vice president of Chase National Bank in New York, as United States executive director of the World Bank.

The nomination was announced by the White House as reports circulated that John J. McCloy, New York lawyer and wartime assistant secretary of war, would be named head of the bank.

Trying For Record

BURBANK, Calif., Feb. 28. (AP)—Paul Manz, winner of last year's Bendix race to Cleveland, took off for New York at 8:28 a.m. CST today, trying for a new transcontinental record for propeller-driven craft.

Mt. Etna Still Erupting Lava

PALERNO, Italy, Feb. 28. (AP)—Mt. Etna continued to erupt lava for the fourth day today, devastating forests and vineyards and menacing villages.

The molten flow—thus far more or less held within deep channels gouged out by Etna's 1928 eruption—reached Cisterna di Colabasso, a hamlet about two miles from Passo Pisciaro.

The latter village—threatened for three days—appeared definitely out of danger as the lava channelled away from it.

(A dispatch from Giarre to the Rome newspaper L'Unita, said that new craters had opened in the northern side of Etna, near Monte Frumento, with a resulting increased rate of flow.)

(The dispatch added that more information was awaited on the direction the new break would take to determine whether it endangered people in the area.)

A furious windstorm, meanwhile, developed on the slopes of Mt. Etna, preventing observers from approaching the mountain ruptures, according to advices from Passo Pisciaro.

Dallas Railway Wages Unsettled

DALLAS, Feb. 28. (AP)—The contract between AFL union members and the Dallas Railway and Terminal Company is scheduled to expire at midnight, with negotiations on a new contract still unsettled.

A. F. Steele, international vice president of the Amalgamated Association of Street, Electric Railway and Motor Coach Operators, and L. W. Tate, company personnel manager, said they probably would resume negotiations today.

A five-hour meeting last night failed to produce any action.

Wage provisions and a pension plan are points of disagreement, Tate and Steele agreed.

NEW YORK, Feb. 28. (AP)—While individual stocks made a little further advance in today's market, the list generally failed to follow through on the rally of Thursday.

Prices were slightly uneven at a fairly active opening. Dealings then slowed appreciably and irregularly lower tendencies prevailed near midday. Numerous pivots were unchanged.

Lack of volume on the upturn of the preceding session served to revive speculative and investment caution. Another batch of leasing dividends aided a few stocks but left others indifferent.
