Plans Being Completed For Frontier Heritage Festival Set For October 11, Next Saturday

Ranch Rodeo, Ballet Folklorico Dancers, Horse Cavalry

Next Saturday, October 11, is the date set for the second annual Frontier Heritage Festival. The festival will be taking place all day at the Santa Anna Youth Rodeo Arena, west of town.

Linda Pelon who has become a well-known figure around Santa Anna in recent years will be on hand with copies of her bound thesis for sale. The thesis is the history of the Pentuka Comanche who lived in and around the Santa Anna area. For those who have been asking to get a copy of this writing, now is the time to do so.

She will also have information about the preservation of historic landmarks.

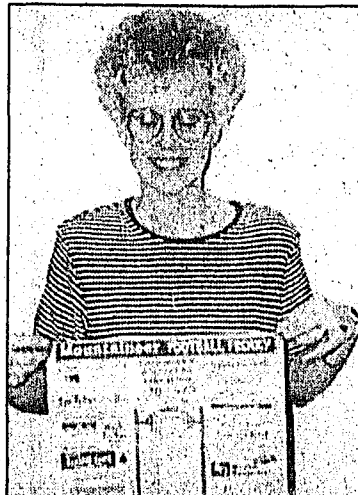

A new attraction this year is the Ballet Folklorico Tejas de Dolores Del Rio which is a San Angelo based Mexican folkloric dance group. They perform for Cinco de Mayo, Diez y Seis de Septiembre, weddings, quinceaneras and other occasions throughout the year. The performance allows the dancers and those watching to learn about and experience the colorful Mexican cultural heritage. The twenty dancers wear colorful costumes and dance styles reflect the folkloric themes of the many regions of Mexico.

A buffalo bone carver will have a booth demonstrating bone carving along with items for sale. The Native American carves peace

Jean Findley, perfect entry

Findley Turns In Perfect Frenzy Entry

Jean Findley turned in a perfect Mountaineer Frenzy entry last week with all 17 games picked correctly. Hers is the first perfect entry in the history of the contest which we have run for the past five or six years. Jean has been a faithful Frenzy player and has won several times, but was unbelieving when told she had turned in a perfect entry. Jean also knew that our

former Mountaineer was Joey Cupps who was pictured during the 1988 season. She will receive \$20 for her winning contest entry and a \$5 bonus for correctly guessing the former Mountaineer. An interesting sidelight was the fact that Joey's dad, Raymond Don Cupps, was guessed by a couple of contest players.

The Backbone Of The Mountaineer Offense

These members of the Mountaineer offensive line are the backbone of the Mountaineer's success against Ranger and Santo. According to Head Coach David Robinett they have been doing a great job against bigger defensive players and are able to help in moving the ball effectively. They will be performing their blocking skills against the Baird Bear Friday evening beginning at 7:30 p.m. in the district opener. Currently ranked 17th in the state on the Associated Press Poll, the Mountaineers will be traveling with a seven game winning streak on the road. Baird's passing game is extremely good as shown as last week in their 37-15 defeat of Lometa. They passed for 215 yards with only 62 yard rushing so the Mountaineer pass defense will have its work cut out. The junior varsity will be playing Baird at Mountaineer Stadium on Thursday evening following the junior high football game. Pictured are Albert Dixon a senior who plays offensive tackle; Ryan Keeney a senior who plays offensive guard; Josh Daniel, a senior who plays center; Chris Powell a junior who plays offensive guard; and Tony Abernathy a senior who plays offensive tackle.

Cleveland Chats

By Clara Cupps

Kathleen and Charlie Avants took her mother out for Sunday dinner. Kathleen visited her mother Thursday. Sarah spent the night with Tex and Pat Wright Friday night. Sarah and Alys, Tex and Pat were in Aledo for a family reunion of Pat's father's Coder family.

R. G. and Mary Bland of Tyler visited the Edd Hartmans Thursday until Saturday morning. Wayne and Helen Hawthorne of Crane and R. D. and Doris Penney of Robert Lee came Saturday for a short visit. The Hartmans visited in Bangs Saturday morning with their daughters Sandra Walker and family and Cindy Boyle and family.

Hettie Scarbrough and Carmilla

Baugh went to Bangs to the Lord's Acre for supper Saturday night. Carmilla had Sunday dinner with Dixie Joe Bible. Other visitors were Joe, Debbie and Kyle Bible of Staton. Anita Jarvis of Johnson City visited Monday until Wednesday afternoon with her parents the Cecil Ellis. Jerry visited Monday. Oliver and Frances Wells of Albuquerque, New Mexico came early Wednesday morning for breakfast. Bryce visited Friday. Jerry and Cathy Ellis and family had Sunday dinner with the Ellis.

Syble says Lee Ray is progressing along pretty good. The children fixed an anniversary supper for Lee Ray and Syble Sunday night.

Margie Fleming and Donna visited Phyllis and Eddie Dillard Sunday.

LaDell and Burnice were at church and doing well.

Pete Moore is doing very well. He had talked to Patsy, who is OK.

For my part--went to church, fed cattle, write the news but no rain. I see a few clouds coming over the mountain.

Hope all you have a nice week.

By Alice Anna Spillman

Dr. Mark Cunningham wrote a moving article about learning to read. About moving from one area of interest to another. His conclusion--Communities decide whether they will support libraries and learning. This community began that trip in 1907. May we continue forever.

Several of you gave generously last week. Carmen Donham brought a box of good magazines. American Historic Society Coin Catalogue gives good pictures and prices of all kinds of coins. Mystic Postage Stamp Catalogue shows U. S. stamps, gives history and prices. These should be very valuable to those who have collections or who plan to start a hobby.

Carmen also brought McCall's and Better Home and Gardens plus various other magazines.

Montie Guthrie, Jr. brought Texas Monthly, Texas Gardening and Texas Highways.

These plus the many other magazines on the library shelves should have something for everyone. Please feel free to come and read anytime.

There are two boxes of magazines inside the front door. Help yourself.

The Health Care Financing Administration, the Texas State Library and The Texas Medical Foundation are promoting mammograms for women over 65 years. Medicare helps cover the cost every 24 months and many HMOs support the programs.

As a reminder--please come by and pick up a free book mark. This procedure may save your life or that of a loved one.

Betty Richter brought some excellent hard bound books, several are of the Christian type that so many of you like. I'll name names later.

Sammie McCreary's sister brought seven paperbacks, romance type. You like books by LaVyrle Spencer. There were also western romance types. There's a whole stack of these on the bottom shelf of the western section. Remember there are several hundred romance paperbacks, free to read, compare that to \$7 new and \$3 or so at used prices! You can't beat that anywhere.

Books from Abilene included lots of westerns by authors like Frank Bonham, Burt Author and Max Brand. Then there's Stepsons of Light by Eugene Manlove Rhodes. His home was on the White Sands Range. Only once a year a tour goes out to his home. We all could see where he got ideas of his books.

The Joyful Christian C. S. Lewis is a series about love, prayer, angels, virtues and vices.

Two interesting sounding mysteries--Ruth Rendell well known English writer has written under the pseudonym Barbara Vine. Faith investigates why her aunt was hanged for murder three decades ago.

Blown Away David Wiltse. A New York City bomber is tricked by a low life. Special agent Baker and FBI Pegeen Haddad must protect the city.

I read recently that T. E. Lawrence, better known as Lawrence of Arabia, was a biblical archaeologist. He actually helped discover Kadish, Barmea where Hebrews lived during the Exodus. Having read many things about this many his books and the movie about him, this is a surprise. The library has several of his books and his biography, in case you want to check it out.

Booster Club Selling School Spirit Items

The Santa Anna Booster Club will meet for their regular monthly meeting on Monday, October 6 in the coaches office of Perry Gym.

The Booster Club is selling magnetic "traveling signs" which may be placed on cars. These signs let everybody know you are a Mountaineer fan and traveling with the team to the game. Those with signs are encouraged to place them on their cars on Friday mornings even during home games.

Businesses are reminded to fly the Mountaineer Flag on Friday. Also,

fans are encouraged to wear black and gold on Fridays to support the team.

Those wishing to purchase traveling signs or caps may contact Gay Abernathy.

We Need Homecoming Plans & Pictures

With Homecoming set for Oct. 24-25, those planning reunions are asked to let the NEWS know by October 10 what your reunion plans are for your class. We also need class or group pictures from the classes ending in "7" with the exception of 1947 whose picture we already have.

Noon Lions Club Looking For Support During Fiesta Saturday

COLEMAN--The Noon Lions Club is sponsoring an "old eye glasses" drive the day of the Fiesta de la Paloma.

During the Fiesta de la Paloma, the Noon Lions food booth will be serving turkey legs and sausage on a stick. A receptable will be available at the booth for anyone who wishes to donate their old and outdated eye glasses.

These glasses are recycled and given to needy children across Texas. This also helps support the Blind and Disabled Children's Ranch in Kingsland near Austin.

As part of the Lions Club International, Coleman County has three active clubs. One in Santa Anna and two here in Coleman. We all support the ongoing work to fight blindness.

Boylston, Rogers Exchange Vows

Mrs. Bert B. Rogers

CHARLOTTE, NC—Jan Marie Boylston and Bert Byron Rogers were united in marriage July 19, 1997 at Covenant Presbyterian Church in Charlotte, North Carolina with the Rev. Frank Mays officiating.

The bride is the daughter of Mrs. Novelle M. Boylston of Santa Anna and Mr. Bartow H. Boylston of Athens, Tennessee and the granddaughter of the late Mr. and Ms. Leon Lamar Boylston of Aiken, South Carolina and the late Mr. and Mrs. Jasper W. McClellan of Santa Anna. The bride grew up spending many summers with "Jap" and Veva McClellan in Santa Anna at their farm north of town and attending the First Presbyterian Church of Santa Anna with them.

The groom is the son of the late Mr. and Mrs. Bert Rogers of Cleveland, Ohio.

The Shaker hymn "Simple Gifts" was played for the procession. "The Lord's Prayer" was sung by Deborah McCauley, a friend of the bride's while attending graduate school at the University of Texas and who also sang in the choir at Central Presbyterian Church from 1980-82 with the bride and the bride's aunt, Frances McClellan Pierce.

Dr. Richard Peek was organist. A congregational hymn, "In Christ There is no East or West" was sung.

The bride was escorted to the altar by her father.

The bride's gown featured a bodice of bugle beads and pearls, short sleeves, a sweetheart neckline and a drop waist. The skirt was of white satin.

All were dressed navy, tea-length dresses and carried nougay bouquets of hot pink and yellow roses.

Bert Byron Rogers, Jr. of Jacksonville, Florida served as his father's best man.

Ushers were the bride's nieces from Abilene, Carolyn Celeste Cockerell and Cathy Marie Cockerell. They wore hot pink dresses with matching silk scarves and corsages of yellow roses. Bert Byron Rogers, III, the groom's grandson, and Hunter Brooking were candlelights.

Time For Flu Shots

Missed work, grumpy kids, runny noses, the flu season is coming. It's that time of year to start thinking about getting your flu shot. Influenza can be devastating and even deadly, so why take the risk?

Flu shots are recommended especially for elderly and high risk people, their household contacts and health care personnel who may come in contact with these persons. People with especially high risk of serious consequences include those with chronic medical conditions such as heart disease, lung disease or diabetes, children with asthma, residents of chronic care facilities and all persons over the age 65.

Large outbreaks of flu usually do not occur before December, reach a peak in January and February and may continue into spring. The protection afforded from the flu shot usually begins 1-2 weeks after injection and lasts 4-6 months. Therefore, the optimal time for vaccination is from mid-October to mid-November.

Medicare covers the cost of flu shots and has made it much easier this year for doctors and clinics to be reimbursed. The Family Health Clinic will have flu shots available beginning October 13. We will also be hosting several Flu Shot Clinics around the area, so watch the news for specific places and times. If your company would like to hold a Flu Shot Clinic for its employees, please call the Clinic (348-3566) to discuss these arrangements.

Round & About

It is interesting to note that Jesse (Joe) Phillips, whose 90th birthday is being celebrated Saturday at the Mountain City Community Center, was raised here. He and the late Mrs. Phillips, (Shirley Blanton) were married in Santa Anna. They were longtime residents of our area and their children were born in the Sealy Hospital. Joe is now a resident of Taylor but is coming home for his birthday celebration from 1:00 to 5:00 Saturday. You are invited.

Stanley and Judy Hartman spent the weekend with their children, Robin and Terry Mach and children of Midlothian and Stephanie Hartman and Hannah of Duncanville.

Dear Editor

It sure is good to be back home! I have enjoyed re-acquainting myself with a lot of you I haven't seen in a good twenty or at least fifteen years. I am very excited to be back in my hometown.

Not trying to stir up a ruckus, nor being afraid to take on a new challenge, I would like to offer one to all the local folks. Let's all join together as one big happy community to work on a few things for the betterment of our town. Here are a few ideas I can certainly bring to the table:

1. A group of individuals collectively weighing in for a cumulative group total, and encouraging the entire group to exercise, walk and improve health habits. The group would be supportive, encouraging and helpful to all fellow persons. I see a monthly weigh-in and possible awards or certificates given to the "most whatever" award. (Who knows maybe Oprah or Good Morning America will hear about it.) Anybody interested. Call me at 348-3353.

2. A committee or group of motivated healthy young individuals who will meet on weekends to help clean up and/or paint houses in the town. Where has our town pride gone? Want to have some fun, tone some muscles and feel good about something. Join my paint committee.

Remember, your attitude will determine your altitude.

Sincerely,
Liz Morris

This buck has long main beams and long points. He would qualify for the Pope and Young record book. Many bow hunters are hoping for a buck like this one.

Archery Season Opens Early!

By Thompson Temple

This season the archery season opens earlier than I can remember it opening in the past. This year the season runs from September 27 through October 26.

Many bow hunters want to take a high scoring "Pope and Young" buck. Have you ever heard this term and wondered what it meant?

Hunters call me up on the telephone and ask "What will your bucks score?" They are asking to

know what total score will bucks on my land accumulate according to the Pope and Young measuring system.

The Pope and Young measuring system measures the length of the main beams, the length of the points, four circumference measurements on each antler, and adds in the inside spread of the buck's main beams at its widest place. The most important factor for a good score is long points. The

spread counts for very little of the total.

Most 8 and 10 point bucks will score 100 to 110 points. Exceptional bucks will score 125 to 150 points. "Super" bucks will score 150 plus points. When the good Lord made a 170 point or better buck, he outdid himself!

This year will produce more high scoring bucks than any year that I know of since 1975! In the past

the Pope and Young record book has listed in this record book all bucks with a total exceeding 125 points. When you hear people say that Fred got a "record book" buck with his bow this year, you can answer with a straight face "What did the buck score?"

Persons with questions may contact me by writing Thompson Temple at P. O. Box 498, Ingram, Texas 78025 or call 1-800-367-5069.

Fishing Lake Ivie

Water pretty clear on main lake but a little murky in upper end and tributaries. We are catching some black bass weighing up to 8 pounds using topwaters early in the day. Some are biting Texas-rigged junebug colored worms fished at night and on pumpkin/chartreuse during the day. White bass are good on spinners and live bait. Crappie fishing is fair to good on minnows and jigs fished in deep water around brush. Channel and blue catfish are fair to good on trotlines baited with live bait fished in the river.
