"He Profits Most Who Serves Best"

Convention Dates Will Be May 14-15-16

SAN ANGELO, Jan. 24.—(AP)—Dates for the sixteenth annual convention of the West Texas chamber of commerce convention at San Angelo will be May 14, 15, and 16, according to announcement authorized here today by Walter D. Cline of Wichita Falls, president. These dates conform with recommendations made by local committees.

These dates change the sessions to the first of the week for the first time in the history of the organization. An office will be opened here the first week in April with Maury Hopkins in charge. D. A. Bandeen, secretary, here for conferences with local committees, advised today.

PAY YOUR POLL TAX

Let us again urge the importance of paying your poll tax. Pay your property tax before February, if you possibly can, and if you cannot pay your property tax be sure and pay your poll tax for many issues and candidates will be out for consideration this year, and unless you have a poll tax receipt, you cannot vote in any election.

GO TO CHURCH SUNDAY

Coleman Production Credit Association Organized

At a meeting of representatives from Brown, Coleman, Callahan, Runnels and Taylor counties, held in Coleman Monday, the five counties were organized into a Coleman District organization, under the direction of the Federal Government, into a Production, Credit Association.

This method of further looking after the needs of farmers and ranchers in central Texas is authorized by the Federal Government, with a capital stock of \$150,000. The association will be permitted to loan money for relief up to \$750,000. No one man can borrow more than \$30,000.

Leon Shield, director, attended the meeting and assisted in the organization. W. E. Melton, a banker and stock raiser of Baird was elected secretary. George Pauley of Coleman was elected president.

The association will be worth much to people living in this district, and the headquarters for the association will be in Coleman.

Just received some very chic styles in the wash suits and dresses. Don't fail to see them. Mrs. G. A. Shockley.

Tenants Cotton Rights Set Up

(San Angelo Morning Times) Tenant farmers are safeguarded by provisions in the 1934-5 cotton acreage reduction contracts, explains W. I. Marshall, county agent, in answer to numerous inquiries from both landlords and tenants. Several farmers reported their landlords had attempted to keep all the rental money to be advanced by the government. Some had agreed to give their tenants more than the specified one-half.

The federal participation contracts specify a 50-50 division where a landlord has either a written or a verbal agreement for 1934 with a managing share tenant, or private agreements may be made between the two for post-participation disposal of the funds, rules C. A. Cobb, cotton administrator.

Private arrangements must be made by share croppers with the landlords where the croppers are furnished all materials and land by the landlord.

A "managing share tenant," usually including what are commonly known as "third and fourth tenants," may sign a contract for presentation to the local committee if the landlord will sign with him. Such is possible if the tenant operates an entire farm without landlord supervision.

James Callan, Menard Cattleman, Dies Tuesday

James Callan, prominent rancher of Menard, died at his Menard home early Tuesday morning.

Mr. Callan was widely known for his picturesque life. He was born in Coleman when this was a pioneer section, almost three quarters of a century ago. He entered the cattle business in early life and was exceedingly successful. He served as Tax Collector and Assessor of his home county and served three terms in the Texas Legislature.

A. G. WEAVER MAKING GOOD IN BAYLOR UNIVERSITY

WACO, Texas, Jan. 20.—A. G. Weaver of Santa Anna, junior in Baylor University, succeeded in making the honor roll for the fall term, according to an announcement today by Dr. W. S. Allen, vice president and dean. To achieve this distinction it was necessary that one make a grade of B plus or better on all courses taken. B plus is equivalent to a percentage of from 86 to 91.

The young man received a personal letter of congratulation from Dr. Allen on his achievement.

Lockhart Explains Change in CWA

Efforts Being Made Towards Advancing CWA Work of County Are Getting Results and Further Cooperation Is Asked

A. L. Lockhart, County Relief Administrator, in view of complaints that have been made relative to some getting CWA work, while others who are possibly more in need, are not called for employment, has released for publication, matter that should help clear up the situation in the minds of those not familiar with the details. Mr. Lockhart states:

"Due to numerous complaints that have gone in to the Austin office about working men on CWA jobs who were already in easy circumstances and are not really in need of employment while others in destitute circumstances are unable to secure CWA jobs we give you herewith the facts we are governed by.

"The Public Works Act, under, and by virtue of which the CWA functions, will not permit a test, of need or destitution to be applied as a condition precedent to CWA employment.

If all people who are registered with the National Re-employment Service office will mail their complaints to the county administrator instead of the Austin office it will assist this county in getting better cooperation from that office and to say the least it will help each one interested in this work for when you write the central office all letters are mailed to the Administrator here for final action.

Some have complained about keeping the same time-keeper and foreman on these jobs. It is very important that we have an experienced man for this work and it takes weeks to train these men and it would be hard to get all payrolls in and the checks issued on time if we were to make this change.

All persons connected with this work including the Commissioners, both city and county and the county board and Administrator of Coleman county are doing everything in their power to put this program over to the best interest of the entire county and instead of giving any one connected with this CWA program a knock you should give them a helping hand that we may get more of this work done.

The Coleman CWA office is the same as any other office in the United States; it is trying to carry out the orders they receive from Washington and Austin.

"Beginning the week of January eleventh we will start rotating our work list and as soon as possible we will work every person who has registered, all persons being treated alike. Of course we have several thousand men and women registered and we are only allowed to work eight hundred each week. You can readily see it will take time to get around, therefore, bear with us and help put this thing over by making your complaints to this office. If you cannot see the Administrator just write your letter to him and you will receive a prompt reply.

Some complaints have been registered about the rate of pay in this county. We are governed by the rate set out by the Public Works Administration and in this county the rate is 40 cents for all common labor in the city limits and 35 cents on all lateral road jobs.

"The present committees appointed from each school district to cooperate in putting over the CWA program, have been ordered discontinued, on instructions from the Federal Government, and from now on the list of workers will be drawn so as to permit everyone employment in their turn, regardless of the needs of those on the list.

FINE RAINS ENCOURAGE GRAIN SOWING

Many farmers are making preparations to sow grain since the fine rains that have fallen here recently. Right in the Santa Anna vicinity the rains have not been as bounteous as they have in other parts of the country, but the moisture has helped wonderfully. It is not a bad time to sow some spring oats, wheat or barley.

Dates for Houston Fat Stock Show Feb. 24 to March 4

The Houston Fat Stock Show was organized about two years ago, for the purpose of encouraging cattlemen in south Texas and the coast country to feed more cattle and develop a higher quality of beef, pork, lambs and mutton.

The progress of the show and development of better market conditions in South Texas, has far exceeded the expectations of the promoters, according to president Startwelle, who has spent much time fostering the show.

Great plans are being made for the 1934 show.

Local Men Foster Benefit Dance

A move is under way throughout the United States to stage a dance in every community, some of the larger cities fostering several, on the night of January 30th.

The dance is called "The President's Dance," booked to take place on the President's 52nd birthday, Tuesday, January 30th.

We doubt if President Roosevelt was conferred with regarding the matter until the movement was started, but that is neither here nor there. The entire proceeds of the dance One dollar per person who attends the dance, is to be forwarded to Warm Springs, Ga., to establish an endowment for the Warm Springs, Ga., foundation for infantile paralysis.

W. T. Vinson and J. E. Watkins are fostering the dance in Santa Anna. It will be held in the Riley building, formerly occupied by the W. A. Powell Implement company, on Depot Street. The music has been arranged for, and door-keepers will be provided. No one will be permitted in the building without paying the entrance fee, and the entire proceeds will be forwarded to Warm Springs, Ga., to augment the fund for the treatment and prevention of infantile paralysis.

MORTUARY

Mrs. A. L. Bays, 61, passed away at her home in the south part of town Sunday, January 21, at 5:40 p. m.

The following data was furnished this office.

Annie Laura Johnson was born January 4th, 1873, in Terrell County, Georgia. Moved to Colorado County, Texas with her parents in November, 1878. She moved to Coleman County in 1890. On April 3rd, 1896 she was married to D. J. Bays. The husband preceded her in death. Deceased is survived by her mother, Mrs. E. L. Johnson, and the following children: C. V. Bays of San Angelo; W. M. Bays of Del Rio; Raymond Bays, Santa Anna. Two grandchildren, Clyde Bays, Jr., and Wilma Bays, two brothers, J. W. Johnson, Santa Anna, W. S. Johnson of San Angelo, and one sister, Mrs. A. F. Byars of Blanco, Texas, also survive.

The remains were laid to rest in the Santa Anna Cemetery Monday afternoon, following funeral services at the First Baptist Church at 3 o'clock. The services were in charge of Rev. Hal C. Wingo, assisted by Rev. J. R. McCorkle of Coleman, who preached the funeral oration and paid tributes of respect to the deceased and words of sympathy to the bereaved.

Mrs. Bays was converted and joined the Missionary Baptist Church at Trickham in 1894 and lived a consecrated life. Her membership has been with the Baptist Church in Santa Anna for several years.

Quartet Program

The Kewaha Quartet of Coleman presents a two hour program at the Plainview School house Friday night, January 26 at 7:30 o'clock.

Admission 5c and 15c.

New Funeral Home Opened Here

The Mitcham Funeral Home in Brownwood has opened a branch office, store and equipment room in Santa Anna, with Mrs. Lola Lightfoot in charge.

The Mitcham Funeral Home is located in the north rooms, first floor of the State National Bank building, where a stock of coffins, caskets and funeral supplies will be kept.

Only Acreage Cut Can Save Cotton

FORT WORTH, Texas, Jan. 22.—The danger of 5c cotton is seen by E. P. Van Zandt, Fort Worth banker and Tarrant County reduction committee chairman, who Monday warned Texas business leaders to take a greater part in the 1934-35 cotton acreage reduction plan.

"Business men should realize that a great economic loss to the State is threatened unless this campaign is at least as great a success as the one waged last year," he asserted.

Citing that the 1933 reduction in cotton acreage spurred by the State, Mr. Van Zandt said that business men should act as mediators between different parties concerned in signing the contracts and persuade them to reach agreements.

NOTE: Reports from other parts of the country indicate that farmers are slow in signing the cotton contracts to reduce the cotton acreage forty per cent the ensuing year. As we see it, unless these contracts are signed up and the acreage greatly reduced, producers will wish next fall they had taken warnings and signed the contracts.

The government is doing every thing possible to help farmers in this southland get back on their feet, but the government cannot and should not be expected to do it all. Unless the government has the cooperation of the people that have been and are to be benefited, there is but one solution, and that is to take out and let the producers work out their own salvation.

May we urge you to get busy at once and sign up the cotton contracts for 1934-35. It means more to you than any one else.

Santa Anna's Fire Loss Greatly Reduced

The following letter from the Fire Department conveys the news of Santa Anna's fire losses for the year 1933.

If the records can be kept to the minimum for a few years, insurance rates will be lowered again in Santa Anna. The rates are now next to prohibitive.

Santa Anna, Texas
Jan. 3, 1934
To the Honorable City Commission, Santa Anna, Texas.

Gentlemen:
Herewith annual report covering activities of your Fire Department during the year 1933.

We answered twelve alarms. Trucks run to fires approximately 56 blocks. We strung fourteen joints of hose. We did not string any hose after we received the new Chevrolet truck. We only had one serious loss in the city limits where we have water connection. The Basil Gilmore home loss as settled with insurance people \$1350. Other loss J. Y. Brannan home loss \$450 as settled with insurance people. Total loss for the year 1933 as compared with \$10,552.00 for the year 1932. We have a membership of twenty-five active firemen. We had an average attendance at fires of twenty firemen. Our goal for the year 1933 was \$3500 under the goal.

approximately \$1900. We had the treasury at the beginning of the year. We have paid out \$75 on our pool table and have eighty dollars on hand at the first of the year. We have not asked the merchants for any contributions of any kind this year. The Fire Department heartily appreciate the wholehearted cooperation the Present City Commission has always extended us and assure you it is our desire to keep the fire loss as down to the lowest possible minimum.

Sincerely yours,
Santa Anna Fire Department.

FIRST CHRISTIAN CHURCH

Church services were well attended Sunday at Christ's church. Sunday School, prayer meeting services, Ladies Council, and Christian Endeavor Society show great interest and spiritual development.

As temporary pastor of this organization I humbly recognize the profound need of great leaders spiritually. The momentous power that must be executed in the next few years as founds the stottest heart. God alone must be our guide. Since necessity is the mother of invention, let every child of God join our hearts in constant prayer that we may use our given grace and influence to invent such courses as will carry our nation to victory over the appalling question of capitalism.

It is the spiritual duty of every child of God to pay his poll tax and conscientiously study the question of today, then prayerfully cast his lot as for eternity. My love and my prayer goes out to trodden humanity that has no opportunity to elevate morally, spiritually or physically. The specific oppression of the hundred-million bits of humanity is grasping my soul.

Physiologists tell us that this body of ours, unless it is properly fed, properly developed, does no justice to the brain. Gods prepare food and clothing from above; man below has robbed them of their dues. This must go. Man must be protected by his Christian brother. The laboring man works and worries away all the elasticity of mind, moral and intellectual development is beyond his reach. Then we, with opportunity ready made for us, refuse to condone this poor oppressed class and ungodly expressions of disrespect are blurred in their faces. As true children of God let us hang before our eyes the enormous sign Capital versus Labor.

Evangelist ANNABEL LEE. H. L. Voss, prescription clerk for the Corner Drug Company is on the sick list this week. A. S. Hart of Rockwood is substituting for Mr. Voss until he recovers.

MANY NAMES APPEAR ON HONOR ROLL

From over two hundred students enrolled in the high school sixteen and six tenths per cent were on the honor roll for the third period and fifteen and seven tenths per cent for the semester. This is among the highest per cent ever achieved by the school.

THIRD PERIOD

Freshmen: Carlene Ashmore, Marilyn Baxter, Jane Catherine Burden, Pauline Eubank, Raymond Holland, Mattie John Justice, Rosalie Niell, Ruby Lee Price, Annette Shield, Doris Spencer, Irene Stiles, Lela Ruth Traylor, Marjorie Pope.

Sophomores: Alton Diserens, Creighton Morgan, Emma John Blake, Mary Southern Garrett. Juniors: Beth Barnes, Rheba Boardman, Frances Gregg, Dosh T. McCreary, Mildred McDonald, Eddie V. Mills, Eleanor Ridings, Bess Inez Shield, Ernestine Thames, Minneola Price.

Seniors: Lena Jane Barlett, Lydia Ruth Davis, Helen Dean, Russell Hale, John David Harper, Francine Merritt, Ruth Niell, Armenta Ragsdale, Irene Rountree, Annie Louise Watkins.

FIRST SEMESTER

Freshmen: Carlene Ashmore, Marilyn Baxter, Jane Catherine Burden, Pauline Eubank, Mattie John Justice, Ruby Lee Price, Annette Shield, Doris Spencer, Irene Stiles, Lela Ruth Traylor.

Sophomores: Alton Diserens, Ted Bradford, Creighton Morgan, Emma John Blake, Mary Southern Garrett. Juniors: Beth Barnes, Rheba Boardman, May Campbell, Frances Gregg, Dosh T. McCreary, Eddie V. Mills, Leon Morgan.

Bess Inez Shield, Ernestine Thames, Minneola Price. Seniors: Lena Jane Barlett, Lydia Ruth Davis, Helen Dean, Russell Hale, John David Harper, Francine Merritt, Ruth Niell, Armenta Ragsdale, Irene Rountree, Annie Louise Watkins.

It will be noticed that for the third period the percentage for the freshmen is thirty-three and three tenths per cent; seniors, eighteen and eight tenths per cent; juniors, fourteen and five tenths per cent; and sophomores, seven and three tenths per cent. For the semester the percentage for the freshmen is twenty-five and six tenths per cent; seniors, eighteen and eight tenths per cent; juniors, fourteen and five tenths per cent; and sophomores, nine and one tenth per cent.

A Summary of Games Played by Santa Anna Basket Ball Players This Year

Santa Anna basket ball boys have played games with the following schools: Buffalo, with a score of 57-9 in favor of Santa Anna; Brown Ranch, with a score of 35-16 in favor of Brown Ranch; Bangs, with a score of 27-17, in favor of Santa Anna; Coleman, with a score of 21-11 in favor of Santa Anna; Alexander, with a score of 27-25 in favor of Santa Anna; Gustine, with a score of 24-14 in favor of Santa Anna; Blanket, with a score of 32-13 in favor of Blanket; and Talpa, with a score of 30-27 in favor of Talpa.

This shows that Santa Anna has won five out of eight games played so far. With the competent leader, Mr. Binlon, and the practice of the boys, Santa Anna is striving to win the tournament this year.

REVEREND MORGAN ADDRESSES STUDENTS

Last Wednesday morning during the chapel period Reverend Morgan, pastor of the Methodist Church, spoke on the new year. The thought brought out was that each student should strive to do better work each year.

As a fore-thought, Brother Morgan reminded the students of the danger of carelessness. The careless person who drives at "breakneck speed" is sure to injure someone, maybe not themselves, but others. Many lives were lost last January due to careless driving. He cautioned the students against walking on the wrong side of the road, for that is how many people get killed. He suggested that each one heed the warning "Safety First."

Reverend Morgan always brings interesting talks to the students, and they are not soon forgotten.

FRESHMAN NEWS

There was a great increase in the number on the honor roll this month. The percentage was 33.3 per cent, which was more than any other class in school. The percentage for the first semester was 25.6 per cent. The freshmen are very proud of the fact that their percentage has led the others each time this year. We are striving to maintain this record and also to beat it. We hope to have many more on the Honor Roll next time.

BASKET BALL BOYS PLAY TALPA FRIDAY

Santa Anna High School boys who enter basket ball came into contact with the Talpa boys last Friday at the Armory in Coleman. The Mountaineers encountered strong competition the first half which ended with tying scores nine and nine. The third quarter, however, "showed up" the Mountaineers. At the end of the third quarter Santa Anna was a few points in the lead. With bright hopes the last quarter began only to end with the Talpa boys victorious. The final score was Talpa thirty and Santa Anna twenty-seven.

The line-up Friday was Auby Murriell, captain, as forward, with Dexter Walthall as the other forward. Paul Jennings played center, with Willis Burney and Ellis Tatum as guards. Floyd Powers assisted the guards part time.

The Mountaineers are scheduled to play Buffalo next Tuesday, the Ray basket ball boys Friday and Burkett Saturday.

Santa Anna Debates Ballinger

A girls team and a boys team of debaters came from Ballinger to Santa Anna, Saturday, January 20. Santa Anna girls defended the negative, while the boys defended the affirmative. There were no judges available at the time. This was the first practice debate for both teams.

Debaters Are Invited To Practice Tournament

A practice tournament for debaters, extemporaneous speakers and declaimers is to be held in Brownwood on February the seventeenth. The teams of Santa Anna High School have been invited to attend this tournament.

The English II Classes have completed their study of Literature and Life. They will take up the study of grammar for the next four and one-half months. The book they will study is "Correct English" by Tanner.

GIRLS BASKET BALL TEAM PLAYS BURKETT

Santa Anna High School's girls' basket ball team played Burkett at Coleman Saturday, January twentieth. The score was nine to fifteen in favor of Burkett.

HOME ECONOMICS III CLASS ELECTS HOSTESS

Irene Rountree has the honor of being elected class hostess for the Home Economics III class for the last semester. She succeeded Annie Louise Watkins, who was class hostess the first semester. Annie Louise made a charming hostess and knew just what to do on every occasion but, as was the custom, another girl is to be given a chance to show what she can do. So Irene has this honor and the class is looking forward to seeing her "strut her stuff."

Scribblers Have Program

The Scribbler Club met in their usual meeting last Thursday. After the business meeting was completed an interesting program on the "Types of News Articles" was rendered. May Campbell had charge of the program as Mary Lee Ford, the original leader, could not be there. Interesting talks on "Types of News Stories" and "Feature News Story" were rendered by Nell Bell and Elizabeth Rollins. Mary Gladys Pope will have charge of the next program. The Scribblers were also glad to welcome Anita Kirkpatrick into their circle and they are looking forward to having her show her skill in writing by furnishing them with some interesting articles for the "Mountaineer."

Home Economics I Club Meets

Last Tuesday, January 16 the Home Economics I club met again. The president, Juanita Pitman, called the house to order. The club members rose and repeated the club motto: "It takes a heap o'livin' in a house to make it home." The secretary, Minneola Price, called the roll and read the minutes of the last meeting.

Helen Martha Zachary, who is on the Social Committee, then took charge and we played the "Sneezing" game. We enjoyed it very much. We also played "Hurly Burly." Candy was served as a refreshment and the vice-president, Dora Rollins, read the aims for the year, selected by that committee. There were twelve and we will vote on the one we want next club meeting, January 30.

FRESHMAN NEWS

Last Monday the freshman girls' baseball team played the Liberty boys' team. Those who played were:

Ruby Lee Price, catcher; Doris Rollins, pitcher and captain; Helen Martha Zachary, first base; Mattie John Justice, second base; Lenora Golston, third base; Martha Bell Harvey, first short stop; Vesta Evans, second short stop; Inez Cammack, first fielder; Cody Watkins, second fielder; Margaret Powell, third fielder.

Of course the Liberty team won. It is the first game the Santa Anna team has lost this year.

PERCENTAGE OF ATTENDANCE IS HIGH

Is there any relation between attendance and scholarship records? Does a good attendance record increase the honor roll? This is a question which has been asked by numerous teachers and students for a number of years. In Santa Anna High School it has been decided that if the attendance percentage is high that the honor roll percentage will be high. Both percentages were very good the past six weeks. Following is the percentage of attendance for the four classes for the month of December: Freshmen, 89 per cent; Sophomores, 90 per cent; Juniors, 88 per cent; Senior, 92 per cent.

F. H. A. ASSEMBLES IN REGULAR MEETING

Who was that doing such loud yelling? Such was the question other clubs ask themselves at the extra-curricular period last Tuesday, January 9. Why could it be other than the Future Homemakers of America, enthusiastically opening their meeting with a yell?

After the roll call and reading of the minutes by the secretary, Golda Hardy, Faye Routh reported that the committee composed of Kathryn Wylie, Edna

man's heart.
 Comes a beautiful prayer, beautiful from the start.
 The fresh-ploughed dirt smells so sweet,
 That lies upon the ground beneath the old man's feet.
 He sees in the distance winding its way,
 A crowd that mourns at the close of day.
 The man has always loved to plough,
 But somehow he feels he can't, just now,
 The sky is beautiful with its golden colors.
 And the old man is bowing with the others.
 The man thought how sweet it was to die,
 But it seemed so sad when the weeping crowd went by.
 Out of the depths of the soil so plain,
 Come signs of sorrow and heaps of pain.
 And out of the depths of sadness and sorrows
 Come new hopes to brighten our tomorrows.

SEVENTH GRADE CONSTRUCTION WORK
 (Fay Smith)
 The seventh grade is constructing one period on Thursday afternoons.

Some have made owls. They are match holders. The owls are brown with yellow boxes that hold the matches.
 Some girls have painted some vases. They painted them a solid color and then dipped them. We have painted some, that are very pretty. They will make pretty zinnia vases.
 The seventh grade has constructed a book of "Courtships of Miles Standish," and also a book about states' flowers, most of which are wild flowers.
 These are pretty booklets and we have learned much of nature while doing them.
 We have several attractive salt maps of the countries we have studied in geography.
 We are working now on our arithmetic work books and in connection with them are making a booklet of measurements. We are learning how to tell the square feet in our room and the measurements of boxes and surfaces.

Easy Pleasant Way TO LOSE FAT
 How would you like to lose 15 pounds of fat in a month and at the same time increase your energy and improve your health?
 How would you like to lose your double chin and your too prominent abdomen and at the same time make your skin so clean and clear that it will compel admiration?
 Get on the scales today and see how much you weigh—then get an 85 cent bottle of Kruschen Salts which will last you four weeks. Take one half teaspoonful in a glass of hot water every morning and when you have finished the contents of this bottle weigh yourself again.
 After that you'll want to walk around and say to your friends,—"One 85 cent bottle of Kruschen Salts is worth one hundred dollars of any fat persons money."
 Leading druggists America over sell Kruschen Salts—You can always get it.

The whole school has done much toward learning lettering. This can come in handy in our school work and teach us to be neater in writing.

MANUEL TRAINING
 (Freeman Fulton)

The boys are making owls that have match holders on them, and we are making windmills; the fan turns and makes a negro woman churn. One boy made a towel roller for his mother a Christmas present.
 There were several little windmills put on the tree for presents. Some boys now are making corner shelves. They call these what-nots.
 There is a pattern of Mutt and Jeff for ash trays that we are going to make in the future.

SANTA ANNA MAN MAKING GOOD

A news item from some east Texas paper gives the following information about M. M. Moseley, who is now living in east Texas.
 "M. M. Moseley, district supervisor of health and sanitation, is now making Jasper his headquarters. He has Jasper, Sabine, San Augustine, Newton and Tyler counties under his supervision."
 Mr. Moseley is the youngest son of Mr. and Mrs. W. L. Moseley of this city, and is a wide-awake young man. He works at his job and knows how.

Mesdames W. M. Green and Norval Wylie and Miss Josie Baxter were Abilene visitors Tuesday.

Concho Peak

(Mrs. W. R. Dale)

We were proud of the good rain last week. Even the grain seems to be looking up in the heavens thanking our good master for his goodness toward us unworthy creatures. Oh, how thankful we should be to the one above that can look down on us and see our needs. Though we are not worthy of them, he sees that we are supplied. However we don't get all we want but we get all we need and more than we honestly deserve.

Rev. Webb filled his regular appointment here Saturday night, Sunday and Sunday night.

Presby'rian Church

The subject for next Sunday is: "Robbers in the House of God."

You are cordially invited to attend. Suppose you spend one hour at church next Sunday. It will do you good. And you will be an example for someone else. How long since some of you attended church? There will be something in song, prayer, sermon, or greeting that will help you.

The stranger who may be spending Sunday in Santa Anna go to Church. Then write the folks at home about it. It may be very surprising news, but it will be pleasing. Try it.

The members of the Presbyterian Church are urged to come. It has been a long time since some of you were present. Come back and take up your work again.

M. L. WOMACK, Minister

Methodist Church

FEVER SYMPTOMS

Such afternoons as Monday and Tuesday of this week is inclined to give one the creek fever. If George Hunter, Jim Steward or some of you others living on the river have a few right gentle fish staked out and will tell us where we can find some bait, we will come down and fish with you a day or two. That is, provided the weather man continues to furnish us fishing weather. John Hunter might have us put to work if we go down to his place under the present circumstances, and that is one thing we are not looking for.
