Mountaineers Put Fear In Cross Plains, **End Season Here Friday Against Lometa**

SAHS Senior Jason Jones gains yardage while eluding two Cross Plains Buffalos last Friday evening. The Mountaineers made the Buffalos work hard to keep their sixth place ranking in the state AP Poll. Although the Mountaineers were narrowly defeated 21-18 they played like they were state-ranked with the Buffalos. They left Cross Plains with the Buffalos realizing that the Mountaineers were a force to be reckoned with.

The Santa Anna Mountaineers played long and hard last Friday evening in Cross Plains and going into the fourth quarter were winning 18-13 when the Buffalos scored in and added two points to the scoreboard to win the game 21-18.

Shane Watson's 45 yard pass to Clay Crossley gave the Mountaineers the edge with 10:10 left on the clock in the first quarterand the score 6-0. Cross Plains then added their own score along with the extra point, pulling the Buffalos ahead 7-6. Josh Roberson

This Friday evening the Mountaineers will end the season at home when they host the Lometa

The Mountaineers received several injuries last Friday at Cross Plains but Monday Head Coach David Robinett said he felt like all those injured would be able to return to the field this Friday.

Robinett said, "Those who did not make the trip to Cross Plains last Friday missed the best game of the year. We worked all week telling the team not to be intimidated by the Buffalos number six ranking in the state. We went over there believing we could play well against them and that is what we did."

Robinett stated that Lometa has a big line, probably the biggest the Mountaineers have seen all year.

For several years the state has fo- ment of district and campus comcused on decreasing the role of the mittees whose classroom teacher state in determining specifically and campus based staff representahow programs are conducted at the tives are elected. The role of committees includes responsibility for improving student outcomes through good setting, curriculum, budgeting, staffing patterns and school organization.

These committees are composed of teachers elected by their peers to serve four-year terms, parents of students currently enrolled, community members who reside in the District and business people. The committees, known as Site-Based Decision Making Committees, are representative of the community and provide the opportunity for constructive input from the community.

Berniece Key Mulroy

HOUSTON- Services were held last week in Houston for Berniece Key (Mrs. Bill) Mulroy, age 91, with burial in Earthman Resthaven Cemetery, Houston. She died October 21, 1997 at Seven Acres Geriatric Center, where she had been a resident the past three years, having suffered from Alzheimer's the last ten years.

Until the past three years her children, Bill Mulroy, Jr. of Gatlinburg, Tenn. and Evangeline Mulroy Horton of Houston, had taken care of her with her spending alternate times in their homes.

Former residents of Santa Anna, Bill and Berniece Mulroy were active in the Santa Anna community being the manager and secretary/bookkeeper for West Texas Utilities for thirty-two years.

They retired in 1963 and moved to Jacksonville to be near their daughter and later to Houston. Bill preceded Berniece in death in 1967.

During their years in Santa Anna the Mulroys were active in First Methodist Church where Berniece taught Sunday School and was a member of the choir and active in Womens' Society of Christian Service. Even in her confused state of mind during her illness, she quoted scriptures when she could remember nothing else.

Survivors besides her two children and their spouses are six grandchildren and five greatgrandchildren.

Now to some of your latest donations. The Smiley family donated more children's books. Do you boys and girls like science? There are several really good ones. You can do experiments at home, if you really want to learn why or how something happens.

'Joe Green has donated a hard bound copy of Hell Bent by Skip Bayless. This is said to be the truth of what is happening to the Dallas Cowboys. Joe ordered this book from library loan but the other libraries had too long waiting lists. He finally bought the book and has given it to the library. All

Mrs. Ester Mitchell is Regent of the Capt. William Buckner Chapter of the Daughters of the American Revolution. She has donated a copy of Mrs. Leona Bruce's book Santa Anna's Peak. This is to honor her chapter of DAR. This library is delighted because we had a single copy of the book. Many use it as a historic reference. Now we can check one out.

Mrs. Retamae Gaines delivered the book, our thanks to everyone.

Amanda Ellerbe has searched for the quilt pattern for the boy companion of Sun Bonnet Sue. The library passed the word and Mrs. Donna Tomme brought one in. Isn't that a special neighbor?

Mr. Williams Worley brought in a whole box of books about computers. These are being processed. It looks like all of us are going to need to learn about this technology. Children today will be lost without such knowledge. We even have books for dummies, come see.

Mr. Worley is rather new here too, we welcome him and appreciate his interest in the library.

The library still needs a copy machine. Anyone know about a really good used one? Also one of our swivel chairs seems to have a broken, not repairable part, anyone have one to donate. Just thought I'd mention our needs.

Allen Wells

Allen Wells, 86, of Santa Anna died Wednesday, Oct. 29, 1997 at 2 a.m. at the Brownwood Regional Medical Center in Brownwood.

Services were held Friday, Oct. 31, 1997 at 2 p.m. at Henderson Funeral Home Chapel with Rev. Raymond Jones officiating. Burial followed in the Trickham Cemetery with Henderson' Funeral Home of Santa Anna in charge of arrangements.

He was born to the late James K. and Gracie Peoples Wells in Coleman County on Aug. 1, 1911. He was a lifetime resident of Coleman County where he attended the Trickham schools.

He married Ollie Banta in Santa Anna on Oct. 6, 1933 and they celebrated 47 years of marriage. She preceded him in death in 1981. He was a member of the Church of Christ and was a stockfarmer and carpenter. Survivors include a daughter,

Ruby Sansom of Brownwood; three sons, Charles Wells, Jerry Wells and Rusty Wells, all of Santa Anna; 17 grandchildren; 24 greatgrandchildren; and two great-greatgrandchildren.

1997 Fall Rejuvenation/Dance Classes To Begin Soon

Angelie Bliss of Santa Anna, will start teaching "Tai Polyalsh" and "Hula Dance" this month. The classes will be held on the Trickham Highway south of Santa Anna. She is the author of "I iscovered the Ancient Secrets of the Fountain of Youth! - The Golden Key to Unlock the Hidden Door of the Profound Treasure Within", which is now available at Hastings Books in San Angelo. Bliss was awarded 1st place in the 1995 Athletic Carnival, Molokai, Hawaii; 2nd runner-up as 1996 Ms. Hula Molokai, Hawaii; and Famous Poet fer 1995 and 1996 Famous Poets Society, Hollywood California. She is also a Hula and Alsharqi dancer.

"Tai Polyalsh" is a short word for "Tai Chi for Longevity with Polynesian and Alsharqi Techniques. Tai Polyalsh is introduced in her upcoming book which is to be published in January 1998. Bliss says that Tai Polyalsh is the only way to many gentle body movements for longevity. It is a mediation exercise that uses the human vital energy for revitalization, balancing and protection. It helps to reduce stress in life and to heighten ones energy. It practices the techniques of the ancients to develop body, mind and spirit to such a degree that one can retard old age.

Hula Dance is a graceful and fluid dance of the Hawaiian Islands. It is an ancient Polynesian dance. It is fun, exciting and keeps you fit: Each body movement tells a story. Class fees are \$30 per person or

\$55 a couple in each selected class. All ages and beginners are welcome.

Her classes are sponsored by Forever Young Club of Truth or Consequences, New Mexico.

The Santa Anna and Bangs United Methodist youth groups joined together Saturday night to host an area youth fellowship as an alternative to the usual Halloween activities.

Young people from Santa Anna left town on a hayride about the same time a group left in the same fashion from Bangs. They met at the Trickham Community Center where food, fun and fellowship was the fare for the evening. TIPS ON STAYING AFEAND SOUND MITH NATURAL GAS.

or more than 80 years, Lone Star Gas has been providing safe, dependable energy to its customers. By following a few simple rules, you can help make sure you and your family stay safe and sound with natural gas:

• Always have qualified service people install, regularly check and maintain all gas heaters and appliances, following the manufacturer's instructions for installation, ventilation, and operation.

• Always use a gas appliance only for its intended purpose. An oven, for example, should not be used to heat a room.

 Always keep flammable materials and substances away from gas heaters and appliances. Remember, a pilot light is constantly burning.

• If your gas appliance is more than 20 years old, have it checked by a qualified professional. Certain older, uncoated brass connectors have flaws that may be dangerous and should be changed. Do not move your appliance and check the connector yourself. Call a qualified professional to inspect and replace your

connector if necessary.

IF YOU SMELL GAS

in your home, or know you have a gas leak, follow these rules:

Everyone should leave the house immediately, leaving the doors open for ventilation.

2 Do not switch anything electrical on or off. Do not use your telephone (telephones use small amounts of electricity).

Do not strike a match or do anything else that might cause a spark.

5 Go to the nearest telephone and call Lone Star Gas Company. Wait until we have found the cause of the gas leak before returning to your home.

If you smell gas while you're outside, contact Lone Star Gas immediately.

BEFORE YOU DIG, call for pipeline locations to avoid any potential problems: 1-800-344-8377 (1-800-DIG-TESS).

> Safe energy for your home, naturally.

SAHS Writes

What Would I Take? By Moses Mata

Civilization is coming to an end. There are only minutes left. There are only a few things I can save. Here are the few things I would

The first thing I would save are pictures of my family. With these pictures, I can remember my memories of all of them. I would remember all the love they gave me, and I would never forget where I came from.

The second thing I would take is my brother Paul's United States flag. This was the last thing touching my brother.' This flag would comfort me in my hard times. This flag would bring back memories of the past which I would never forget.

The third thing I would take is a laptop computer. This computer would have a rechargeable battery that would recharge each time the computer was turned off. This computer would do everything. It would help me survive in the hard conditions to come.

The last thing I would take is a weapon. This would help me get my food and protect me. This would also make me feel safe.

These are the things that I would take. I just hope it will not come

Today's Youth Are **Tomorrow's Leaders**

By Carol Katzer County Extension Agent

Family & Consumer Sciences Today's youth are tomorrow's leaders, and 4-H helps prepare today's youth for tomorrow. Leadership is involved in all parts of 4-H, says Carol Katzer, County Agricultural Extension Service.

The youth of today need an opportunity to learn how to do things successfully; they want to develop the skills necessary to get along with others. Leadership jobs offer opportunities for growth and development. Young people need responsibilities according to their Extension Agent with the Texas ages. 4-H helps youth develop into capable adults by learning to plan,

4-H helps youth improve skills. increase their knowledge, learn to express themselves well, develop confidence and earn recognition. 4-H teaches an individual to think for themselves when making decisions. It also teaches one to organize thoughts and to be tolerant of other's decisions. 4-Hers learn to apply what they have learned to everyday living.

4-H provides members with learning opportunities and experiences. It provides members the opportunity to compare skills they have gained with those of other members. It provides members with an opportunity to develop and practice citizenship and leadership skills and it recognizes the accomplishments of 4-H members.

The aim of 4-H is to help youth gain a positive self-concept, rational social behavior, knowledge and problem-solving capabilities. Members develop leadership abilities, learn cooperation, improve their citizenship and have fun by participating in local, county, regional, state and national events. Education through 4-H occurs when, youths are involved--the greater the involvement, the greater the educational opportunity.

Burn Ban To Remain Until All Of County **Receives General** Soaking Rain

Coleman County Commissioners met last Friday morning for the end of the month meeting.

Although not an agenda item, Commissioners discussed the probably of trash dumping along county roadways. It is believed that the problem has arisen due to BFI pick up trash and residents not sure what to do with large items such as sofas, washing machines, refrigerators, etc.

The County will prosecute those caught dumping. The penalty may be punishment of up to \$4,000, one year in prison, or both. Those seeing another illegally dumping is asked to call the Coleman County Sheriff Department.

A unanimous vote will continue Elvis Cozart (44) Santa Anna; Reba the Burn Ban in Coleman County. Although some areas have received enough moisture that the ban is not necessary, other areas are still extremely dry. A re-evaluation will be made after the county has received a general soaking rain.

Video equipment for the jail was Veva Cockerell (guest) Abilene; approved. This equipment which Fred Oakes (46) Abilene; Billy Ray cost \$560.00 is required by jail

> A bid was received from Bledsoe Motor Company for a Mercury Grand Marquis with a trade in of \$16,500 for the sheriff's department. Although the bid was accept, further review showed the vehicle lacked a Police Package and the option is not available on this automobile. The County will advertise once again for bids.

Sportscaster Gets Pie In The Face

Sportscaster Steve Strain of KRBC-TV, Abilene got a ple in the face at last week's SAHS pep rally for remarks he had made earlier about the origin of the name of our town. The pie was pushed in his face by Supt. Dean Bass when the "Spirit Meter" reached the top as indicated by Mountaineer, Mascot Marty Siller. Strain also gave an inspiring pep talk to the football team.
