Ambulance Service In Spotlight Again

around Muleshoe

The MHS sophomore class will be sponsoring the Homecoming pre-game supper on Friday, October 6, from 5-7 p.m. at the Muleshoe High School cafeteria.

On the menu for the "Mexican Fiesta" will be corn chips, chili, beans, rice, cheese, onions, lettuce, tomatoes, jalapenos and Galante Sauce.

It will be a stack your own meal. Dessert will be chocolate cake.

For carry out and delivery service, call 272-4360.

Tickets are available from any sophomore student or at the door for \$5 for adults and \$3 for children.

Monday, October 2, at 7:30 p.m. will be a very 'special' night in Muleshoe.

Cont. Page 8, Col. 2 **IV Mules** Give DC

Hard Time

During the evening of Thursopponent known as the Denver City Mustangs. It was a hard fought contest and the team battled them tooth and nail but a Mule victory was not to be that evening. Despite giving up 27 points the Mule defense pursued hit and gave the Mustangs all the pop and crackle they could stand.

The Mules mounted two formidable drives during the evening but were denied both timnes (one in the first quarter and one in the fourth quarter). After a hard fought first quarter of 0-0, the Mules were scored upon 11:06 in the second quarter on a five yard run the try for two was no good leaving the score

With 3.09 left in the second, the Mustang Quarter Back threaded a pass through the Mule secondary which probably could not be duplicated before or ever again for 25 yards and a 12-0 lead. The try for two was no good and the Mules were about to get the ball back. After several plays the Mules punted short and the Mustangs took advantage of the punt and field position with a six play 35 yard drive capped by a circus catch in the extreme corner of the end zone, the slimest of margin was the difference between incomplete and six. Then the Mules almost thwarted the Mustangs extra points but it was good and the score stood 20-0 at half time.

In the second half the Mules limited the Mustangs to just 100 yards and played them to a stand still. The only other score came with 1:43 left in the third quarter and the kick was good. Through the fourth quarter the Never Say Die! Mules mounted offensively and charged and rammed down field only to be denied on fourth and a foot on the Denver City three yard line with 3:01 to go in the game with a quick change of possessions the Mules stopped the Mustangs.

Coach Tom Duncan commented: Despite the loss to the D.C.J.V. our offense and personnel played hard and improved. Our defense was given credit for hitting D.C. the hardest they had been attacked all year despite being the over all smallest team they had played. Our direction from here is up and what we have to do is just keep working consistantly and improve. We will not look back, just work for the future and the improvement placement, etc. in Muleshoe. of the team.

JOE KING RECOGNIZED FOR SERVICE--Thursday afternoon, Joe King of Western '66' was presented an engraved watch, pin and plaque by Bill Wetsel of Amarillo, marketing representative for Phillips '66,

day, Sept. 21 the J.V. Mules hooked up with a very formitable Muleshoe Mules Make Long Trek

night at Midland Greenwood football stadium when the Greenwood Rangers downed the Muleshoe Mules by a score of

With the Mules taking first possession of the ball, Mules fullback John Orozco raced upfielded grinding out 20 yards for his first carry of the game.

Just two plays later with the Mules still in possession of the

City Council Holds Short Morning Meet

It was a rather short, but important, meeting of the Muleshoe City Council Friday morn-

With all city council members and the mayor present, bids were opened for a sewer cleaning machine.

When the two bids were opened, it was found that Industrial Supply Co., Plano, submitted no bid.

The other bid was for \$23,843 with a trade in of \$3,500 from FMC of Pearland, making a total cost of \$20,343. The bid was approved. In other action, the city council

considered and approved an ordinance authorizing the prevention of flood damage pertaining to statutory authorization and general provisions.

City Manager Dave Marr explained that in order for the city to participate in the Flood Plain Insurance program, a revision in the ordinance was necessary.

Council members were also unanimous to continue an agreement with Bailey County Appraisal District for the assessment and collection of taxes for the City of Muleshoe.

Councilman A. V. Wood said he had been informed by Frank Goodman of GTE that the GTE office in Muleshoe will be closed in the near future. Goodman also said GTE will be contracting with former GTE employee Presley Newton for phone repairs, re-

It was perfect weather Friday ball, The Greenwood Rangers saw their first penalty of the night and certainly was not going to be their last one. With the 15 yard penalty against Greenwood, put the Mules on their own 48 yard line.

> The Mules unable to move the ball upfield with carries of 5-1 and an incomplete pass intended for Mule A.J. Liles, were forced to punt the ball away at 9:32 into the first quarter giving the Rangers their first possession of the game.

With two plays under their belts, Ranger QB Cody Mebane took the ball leaving his defenders behind raced into an open field for 30 yards good for a Ranger 'First Down.'

The Mules showing their good defense kept the Rangers from moving the ball further up field and forced them to punt the ball with Mule Hector Sanchez returning the punt to the Mules own 30 yard line.

Gonzales again at the quarterback position handed-off to No. 20 Mule Juan Perez which was good for 4 yards. A play later with Gonzales carrying the ball the Mules were penalized for clipping and cost them a loss of yardage.

SPCAA Will **Hold Election** For Directors

South Plains Community Action Association Inc. will hold an election the week of October 10, through Octobr 13, to elect one Target (Client) Sector Representative to the South Plains Community Action Association Inc. Board of Directors.

Persons wishing to file for a place on the ballot may do so by contacting Janie Mejia or Debbie Longoria at the Bailey County Community Action Center at 804 W. American Blvd. in Muleshoe, Phone 272-5130.

Filing deadline is Friday, October, at 5 p.m.

Voting will be from 8 a.m.-5 p.m. on Tuesday, October 10, through Friday, October 13, at the Bailey County Community Action Center, 804 W. American Blvd. in Muleshoe.

Again the Mules were forced to punt the ball at 4:37 left in the first quarter, saw the Greenwood Rangers take advantage of a Mule mistake gave them a safety in the end zone for the first score of the ball game.

The Mules trying to recover from their first mistake of the game held the Rangers to very few yardage.

Once again the Greenwood Rangers taking the ball on their own side of the field, kept adding up yards with their ground attack moving the ball up the field with carries of 2-3-5 yards.

The clock moving towards the end of the first quarter saw Ranger QB Cody Mebane hand-off to Greenwood Cont. Page 8, Col. 5

Folksinger Will Perform At Local Church

Folk-singer and storyteller, Ed Kilbourne, is coming to Muleshoe, on Wednesday, Oct. 4. He will be in concert at 7 p.m. at the First United Methodist Church fellowship hall, 507 W. 2nd.

With what one reviewer called "a touch of James Taylor in his voice and a whole handfuil of Garrison Keillor in his story-telling style". Ed has become known over the years for his concerts of moving music and insightful monologues. His latest album, "Beyond Belief" (Fly-By-Night Records), features his vocal, guitar, and keyboard work, as well as the backup vocal skills of his wife, Mick, and guitar and harmonica tracks from fellow South Carolina artist, Tom Davidson.

Ed began his career in the late 50's and early 60's, singing in folk groups while in high school and college. Since then he has performed solo in over 5000 concerts in Europe, Asia, and in the United States. He has opened concerts for such as Kenny Rogers and Michael Martin Murphy, and for two years he was lead singer for the Colorado band, White Rock.

Kilbourne and his family make their home in southern York County, not too far from Rock Hill, South Carolina.

'square one' with the Bailey County Ambulance Service!

Approximately ten minutes was taken up in reading the minutes of the last meeting and authorizing seeking bids for a motor grader for Precinct One.

From then, the rest of the more than two and a half hour meeting concerned the Bailey County Ambulance Service.

Dr. Bruce Purdy, who has acted as medical director of the Bailey County EMS Ambulance Service for the past two years said he had been checking into EMS rules and regulations, and then checked with his insurance carrier.

He was said that as medical director of the ambulance service he became a Type IV, and being a Type IV, his insurance would need to be raised each year. The premium for the raise in liability or malpractice insurance is \$5,000. He asked the commissioners for the insurance premium to be paid by the county.

He also said he would no longer perform the service as medical director 'free' as he has the past few years. He now is asking for a compensation of \$1,000 per month for taking on the responsibility of being medical director. Even a BLS (Basic Life Service) is now required to have a medical director, but a lot of responsibility goes along with it.

"Our ambulance service has been in quite a turmoil since Richelle (Watkins, EMS Director) resigned. Our EMT's have felt put upon, they feel their ideas and thoughts are not given proper consideration.

"My main concern," said Dr. Purdy, "and only concern, is strictly the delivery of quality health care to Bailey County. I don't care who runs the ambulance service. That person is strictly administrative, to see that bills are filed, do paperwork, etc. My particular position as medical director is strictly "in the field."

He continued, for the past few years we have had paramedics in Muleshoe who have been exemplary, and they are to be commended. My position is that we must continue that exemplary care."

The doctor said that for paramedics to do what has to be done involves training. They must not only be given Basic but Advanced Life classes. Our paramedics haved saved many lives. They have the ability to give drugs in the field, they can take care of heart attacks, read a monitor, they can defibrillate, for both heart attack and shock.

"I would like to remind you that the first few minutes are vital and make the difference in

Well, it's almost back to living or dying. Most physicians will not allow paramedics to give medications in the field, but that's not true with our ALS. That's what I want to continue here -- ALS (Advanced Life Support)."

> He also talked about Randy Watkins, who was a Paramedic-SS, who Dr. Purdy termed his assistant medic director. "Randy Watkins did most things that were needed and which were supposed to be done. He was extremely well educated and did a fine job. When he found problems he could not figure out, he would come to me and discuss

> "I didn't have the 'headaches' that it looks like I will have under the new system."

In speaking of the newly hired director of the Bailey County Ambulance Service, Dr. Purdy Cont. Page 8, Col. 1

3-Way Eagles Make It 4-0 Friday Night

Coach Greg Jeffcoat's Three Way Eagles came out of the game 'banged up,' but the coach was very proud of the Eagles' the 40-16 victory over Whitharral, which takes the team to a 4-0 season record.

Jesse Haros broke scoring loose in the first quarter with a 16 yard romp, followed by an Extra Point by Roy Guitron. At that time, 2:58 was left in the first.

Again, with :31 left to play in the first, Jesse Haros broke free again for a six-yarder to paydirt, but this time the EP was blocked.

Coming back in the second, it was Mario Guillen who added two TDs. He scored first in the second at 7:15 on the clock on an eight yard run, but the PAT was wide. Then, with :49 left to halftime, Marion scampered 34

It was 26-16 game at the half. It was Mario Guillen again in the third when he scored from two yards out, with 8:13 left in quarter. The PAT was blocked.

Final score for Three Way was at 6:30 of the fourth when Mario lobbed a 70 yard TD pass to Efrain Guillen. Roy Guitron added the PAT.

In the game, the Eagles had 272 rushing yards and 173 passing yards. Individually, Mario carried 30 times for 259 yards and three TDs; and Jesse Haros carried five times for 33 yards and two TDs.

Mario completed 8-20 passes for 173 yards, one interception and 1 TD; and Efrain Guillen had six catches for 165 yards and 1

CLARENCE LEWIS GOES FOR QUARTERBACK--Shortly before being injured in the third quarter at Midland Greenwood Friday night, Clarence Lewis, left, makes a dive for Midland Greenwood Ranger Quarterback Cody Mebane. Despite their best efforts, the Mules lost to the Rangers, 29-0. (Journal Photo)

Comptroller Says Permits Are Needed

Tuesday reminded Texans buying diesel fuel tax-free that state fuels tax permits are needed to comply with the law.

Bullock said that some customers can buy diesel fuel tax-free in Texas by signing a statement saying that they don't own or operate any diesel-powered vehicles driven on Texas roads. The Comptroller's office provides the printed statements.

Purchases made in this way are restricted to 2,000 gallons or less at any one time with a monthly limit of 10,000 gallons or

The statement becomes invalid if the customer buys or uses any vehicle powered by diesel fuel on Texas highways but taxpayers

Air Force ROTC Scholarships Available

Scholarships are available to high school seniors or graduates who have not enrolled as full-time college students that intend to pursue specific majors listed in the "Air Force ROTC College Scholarship Information" booklet. An application with instructions and other information are offered with this

Applicants for the four year scholarship become eligible applicants after submitting all basic application items and meeting this criteria by December 1 the year before entering college:

a. High school cumulative grade-point average of 2.5 (A=4.0).

b. High school class standing in top 25 percent.

c. College entrance examination scores of (Air Force ROTC uses highest scores from a single test date--ACT/SAT minimums are not waiverable): d. Achieved minimum grade-point average and class standing by the end of the junior year (or the end of the senior year if graduated). If attending a selective admissions high school or are enrolled in a honor's or advanced placement program, have the high school

State Comptroller Bob Bullock have a couple of options if that before seiling any diesel fuel happens, Bullock said.

First, they could pay the fuels tax of 15 cents a gallon and file for a refund with the Comptroller's office. Refunds are given for tax paid on any diesel fuel that wasn't used on Texas roads.

Or, they could prepay the tax to the Comptroller's office for vehicles weighing 10,000 pounds or less. The cost is based on the vehicle's weight.

To buy diesel tax-free for vehicles that weigh more than 10 000 pounds, owners need a bonded user's permit. For this they must maintain records and file quarterly reports with the Comptroller's office. They may also need to post a bond with the Comptroller's office.

Bullock cautioned fuel suppliers to keep a copy of an up-to-date permit or a signed statement from each customer tax-free.

To order forms or for more information, call the Comptroller's office at 1-800-252-5555.

WASHINGTON

NOTES

July Home Sales

Declining mortagage rates boosted sales of existing homes in July, causing the first back-toback monthly increases this year.

Foley On Tax Increase

In a message to the White House, Tom Foley says Democrats won't initiate a tax proposal without Bush's wholehearted support.

PEST MANAGEMENT UPDATE

Parmer - Bailey Counties

Mike D. Blanton Extension Agent - Entomology

COTTON

Many fields of cotton now have open bolls in the bottom one-third of plants.

CHEMICAL DISPOSAL

Axodrin, Galecron, and Fundal cannot be used on any crop after September 30, 1989. If you have any of these insecicides you need to use them up (following label) or make arrangements either with the chemical company or a dealer to take them off your

If you still have these chemicals after September 30, disposal will be an expensive process. Canceled pestcides become hazardus wasters and the

use, improper storage, transport, or disposal of a hazardous waste may bring crimininal charges.

COMMERCIAL/NON-COMM-MERCIAL APPLICATOR INFORMATION

Effective September 1, 1989, commercial applicators must be physically present at the site of application and workers under their direct supervision must be knowledgeable of label requirements, rules, and regulations governing the use of the pesticide being applied. For further information on these changes call the TDA Pesticide Enforcement Program in Austin at 512-463-0013.

The annual West Texas Agricultural Chemicals Conference will be held at the Lubbock Plaza Hotel on October 4-5. Partici pants can obtain five CEU's by attending the Thursday session.

LAST NEWSLETTER This is the last of the "weekly" issues of the "Pest Management Udate" for the 1989 growing season. I hope it has been informative and timely. As important pest situations or meetings and events come up there will be more issues. If you have any questions or comments. please do not hesitate to call or come by the office.

There is no such thing as something for nothing in life.

This is the time of year to check your fire insurance.

From now until late December the days grow shorter.

GARDEN SPOT OF THE WEEK--If you are passing down West Avenue C, take a look at the purple and lilac petunias in the front yard of J. W. and Gladys Maddox, 1528 W. Ave. C. This is the final garden spot for this summer.

Change In Diet May Not Be Responsible For Behavior

Beware of advice linking nutrients and behavior. General statements and recommendations linking these two could be premature, said Dr. Mary Kinney Sweeten, Texas Agricultural Extension Service nutrition specialist.

The relationship between nutrition and behavior has received a lot of publicity lately, and some of these guides and paperback advisories may be fiction, Sweet-

Recent research, cited in the spring edition of nutrition and Food Sciences, indicates that changes in diet may not be directly responsible for changes in an individual's behavior, she

"Actually, different people may have varying sensitivities to nutritional factors," she said.

The brain comprises two percent of the body's weight and consumes up to 30 percent of the energy that the body produces at rest. "You would assume that the brain, and therefore behavior, is affected by the food we eat," she said.

The total number of neurons--100 billion to be exact--is equal to the number of stars in this galaxy. Each of these cells is connected to thousands of others 100,000 other cells.

However, the cells aren't physically connected to each other, but can transmit minute

and it's estimated that some cells receive direct signals from electrical signals across a gap that is less than a millionth of an inch across, Sweeten said. Neurotransmitters, complex chemicals, assist the signal transfer.

Research presented by a University of Torronto, Ontario professor indicates that amino acids, the building blocks of proteins, have many uses in the body. For example, an amino acid called trytophan is eventually metabolized into serotonin, a neurotransmitter. At elevated concentrations, tryptophan decreases food intake and produces drowsiness and sedation, according to Nutrition and Food Sciences.

Additionally, some vitamins have the potential to affect brain function at levels that are considered "normal," according to the publication.

"Many factors are present and many factors could be affecting behavior," Sweeten said.

"Therefore it would be premature to assume that changes in an individual's behavior are directly linked to diet," she said.

> Indecision is costly but hasty action sometimes costs more.

About the best test of a person's religion is the life that one leads.

Yogurt Becoming America's Favorite

From the last lick of a frozen yogurt cone to the spoonful of fruit at the bottom of the container, yogurt is becoming America's favorite.

Buy it at the supermarket, in specialty food stores and in yogurt shops. Statistics show that per capita consumption of yogurt has increased from 2.56 pounds per person in 1980, to 4.60 pounds in 1987. It's no wonder, since the varieties of yogurt products are rapidly expanding. In the average grocery store you can usually find yogurt frozen, as a drink, in lowfat and nonfat forms and combined with any number of fruits. And even within the combined-with-fruit category, there are choices. Select from Swiss-style (fruit is blended throughout) or sundaestyle (fruit is at the bottom).

Market growth of yogurt and yogurt products is predicted to

Young **Homemakers**

Lazbuddie Young Homemakers met on Tuesday, Sept. 18 at the Lazbuddie School cafeteria for the annual Membership Tea. They welcomed two new members, Cathy Richardson and Sherri Nichols, to their group.

Betty Wagnon, from Something Special presented the program. She showed the group some new holiday decorating ideas. They included wreaths to hang in their homes, some ceramic pieces to light up their homes, and gave some helpful tips to create their own decorations. To conclude the program she gave step by step instructions on how to make paper roses. Each member participated and reported that they had a lot' of fun seeing each others

Members present were: Mandy Seaton, Kim Kimbrough, Sara Black, Jana St. Clair, Rita Mimms, Lana Copp, Barbara Lust and Judy Stienbock.

The Homemakers are currently selling pecans and if you would like some for your holiday baking you may contact Mandy Seaton at 965-2438; Kim Kimbrough at 965-2986; or Lana Copp at 965-2806.

continue at a minimum of 10 percent annually through 1990.

And now it's time to take yogurt beyond just eating it straight from the carton or soft-serve machine. Yogurt's perfection is most apparent in its culinary versatility. To exemplify this, the American Dairy Association has developed an all new recipe leaflet, "Make It With Yogurt'. Yogurt is incorporated into a variety of recipes to show the limitless possibilities for using it as an ingredient in drinks, salads, soups, entrees and desserts.

One of the recipes included in this collection is Chocolate Orange Cheesecake. Its creamy dense, chocolaty texture and slightly tangy taste will tempt even the plain yogurt purest! This and eight other equally delicious recipies are included in "Make It With Yogurt". For your free copy, send a self-addressed, stamped business size envelope to Make It With Yogurt, Associated Milk Producers, Inc., P.O. Box 5040, Arlington, TX

ENGAGEMENT ANNOUNCED--Jerry and Darlene Ruthardt would like to announce the engagement and approaching marriage of their daughter, Tina Diana, to Robbie Burgess of Artesia, N.M. Vows will be exchnaged at 7 p.m., Nov. 18, in Artesia. The bride-elect is a 1985 graduate of Muleshoe High School and is currently residing in Grand Prairie, TX. The couple will be honored with a wedding shower at 2 p.m. Oct. 21 at the First Assembly of God Church.

Jennyslippers Meet In Regular Session

Muleshoe Jennyslippers had a light agenda when they met at noon Tuesday at the library. Sandi Robison conducted the business meeting and minutes of the previous meeting were read by Nancy Kidd, they were accepted as read.

The group voted not to accept teen-agers as dues paying members. Although they may become honorary members. This decision was reached following lengthy discussion.

Vivian White and Donna Kirk volunteered to be the Garden Spot of the Week judges for this

A report was given on the convention held here last Saturday and Pat Langfitt thanked those who had worked in making this convention possible. She stated that this district had accepted the Brownfield Red Skirts into the conference. It was reported that the convention will be held in Spearman in 1990, Dumas in 1991 and Amarillo in

It was decided to make a memorial to the Heritage Center in memory of Woods Goforth.

Three new members were welcomed into the Jennyslippers and they are Pat Prater, Ann Sowder and Shiela Stevenson.

IN FASHION

Winter coats are an expensive part of one's wardrobe and should be carefully chosen. Always try on a coat over winter clothing to allow for suits or layering. Check the construction, trim and buttons for durability.

For those who work five days a week, choosing a dressy coat is desired. Most of the better coats are made of wool and mohair or acrylic and woo! combinations.

People only get old; life is continually new and full of changes.

Dillman Elementary School To Give Attendance Awards

The month of October is attendance accounting month in the state of Texas. The average daily attendance of students determines the amount of funding that the school receives from the state.

For each absence, the school district loses approximately \$70 in potential state revenue. "Because of the importance of receiving this state funding, we are planning some ways to encourage perfect attendance from both the students and the teachers" said Barbara Finney, principal of Dillman Elementary.

The following is a list of activities Dillman is planning. Other campuses will be doing something different to promote attendance.

At the end of the four week attendance accounting, all students who were in attendance

Tops Club

TOPS chapter No. 34 met Thursday, Sept. 28 at 6:30 p.m. in the Heritage Thrift Shop. The meeting was called to order by Laverne James, leader. The TOPS pledge was recited, fellowship song sung and Mrs. James led the group in a prayer.

Roll Call by Orvdie Burris was answered with 15 members stating the amount they had lost or gained.

Aurora Mata read the minutes of the previous meeting and they were approved as read.

It was reported that the chapter received the third place "Walking Stick" award at the ARD meeting in Amarillo. The theme of the ARD meeting was "Out of this World."

Mrs. James received the Coordinators Award for being the most inspiring "Alien" for the local chapter. Cleta Robertson received the Coordinator award for being the chapter's best

Thursday, Oct. 15.

Cleta Robertson received a hair set for six weeks consecutive weeks weight loss and Lucille Harp celebrated her birthday. She received a gift from her secret pal and one from the chapter members.

Best loser for the week was Ruth Clements. First runner-up was Aurora Mata, and second runner-up was a tie between Alma Robertson and Cleta Robertson.

The meeting was adjourned with the singing of the goodnight every day for four weeks will have their names put into a drawing. The boy whose name is drawn will receive a skate board; the girl whose name is drawn will receive a Designer Line Cabbage Patch Dol! We will also draw five names per grade level (K,1 and 2) to give away a Mule Backpack.

Each Friday during the four weeks, everyone with perfect attendance for the week will receive a small award such as a ring, toy helicopter, necklace, erasers, or straws.

The Sonic Drive-In will be giving coupons for a free ice cream cone to each student who has perfect attendance for all four weeks.

Teachers and Teacher Assistant's with perfect attendance will also have a drawing for a gift certificate and all teachers and teacher assistants who have perfect attendance, plus have their classroom have perfect attendance for two or more weeks will be honored one day with a special lunch.

Everyone's help in encouraging students to be in attendance during the month of October will be greatly appreciated, Mrs. Finney added.

Former Muleshoe **Student Graduates** From Texas Tech

Michael Bartley Green, former Muleshoe student, now graduating from Texas Tech is among a selected group of students to qualify for membership in the Golden Key National Honor Society. This is a prestegeous honor for outstanding students representing the top 15 percent of the graduating class.

Green is also a member of the Phi Eta Sigma (National Honors Fraternity) and the Outstanding College Students in America (top five percent of U.S.).

He is the son of Jackie Hughes, grandson of Opal The group elected to hold an Newsom and John Adrian and open house for the chapter on the great grandson of the late Mr. and Mrs. Oscar Bartley

PERFECT ATTENDANCE AWARDS -- Norma Prather (right) a teacher at Dillman Elementary and Barbara Finney, principal, show off the gifts that will be given to some lucky students. A drawing will be held, with all students who have perfect attendance in October (Journal Photo) with the names being put in a jar.

On Monday, September 18, the Sudan Women's Club hosted a "New Member" salad supper in the First National Bank community room. Pam Maxwell, president, welcomed all the guests and members.

Following the meal, Ms. Maxwell gave a brief history of the club and read the organization's creed. She also reviewed last year's programs and community service projects. Some of the service projects included: Toys for Tots (which served over 100 children), a benefit basketball game for the scholarship, and the community calendars.

Ms. Maxwell announced that many of the club's programs for 1989-90 will be open to the public. These include: Oct. 23, Make a Wish Foundation,

Senior Citizens

The Bailey County Senior Citizens met at the Old Depot Monday, September 25 for their regular covered dish luncheon. The invocation was given by Duward Head.

Twenty were present to enjoy the meal and fellowship.

It was reported that although Mae Wilterding had arranged for the program, a very inspiring devotional from Phil. 4:4-9, how to have a happy life, brought by Velma Guinn. "We could always rejoice in the Lord." "She brought many things to our memory of our childhood days, the small animals that brought us happiness; all of God's creation. The birds cheerping, the patter of rain drops and the many surprises we receive. But most of all we are to love God with all our heart, and mind and love our

Rebekah Lodge News

On September 26, Velma Howell, acting Noble Grand, called the Muleshoe Rebekah Lodge No. 114 to order. The flag was presented by Dorothy Browning escorted by Joyeline Costen. The opening prayer was given by Sandi Robinson.

The roll call by June Green showed 20 members present. Minutes of the previous meeting were read and approved.

It was reported that next Tuesday, Oct. 3, the charter will be draped for Juanita Snow and all friends and relatives are welcome to attend. The meeting will get underway at 7:30 p.m.

Plans for the Thanksgiving dinner on November 2 were brought forward and discussed. The committee will be notified next week.

Rehearsal for the draping of the charter was held and all members present contributed. The group elected to wear formals and to serve punch and cookies following the ceremony.

Refreshments were served by Sandi Robinson and Dorothy Browning and the closing prayer was by Sandi Robinson.

neighbor as our self." The group then sang religious hymns with Mrs. Guinn at the piano and Zora Mae Bellar leading the singing. Opal Robison played two numbers on the piano, "Let Me Touch Him", and "Whispering Hope."

J.C. Shanks, Olive Cox, Clara Coffman and Eva Ashford sang "Christ Arose and Lives Again",

"I Will Meet You In The Morning" and "Guide Me". The group then sang several old favorites with Odessa Shanks at the piano and Mrs. Bellar leading.

Get well cards were sent to Mae Wilterding and Lola Crim.

The closing prayer was led by Lester Howard.

NAZARENE CHURCH KECEIVES GIF13 -- Wednesday atternoon, Rev. and Mrs. Dennis Hayes picked up a Coleman ice chest, five piece bath set, salt and pepper shaker set and a crib sheet and two talking telephones for the nursery at the New Visions Nazarene Church, at the Western Gift Store. These gifts were made possible by 2,256 books of stamps being spent at the gift store. (Journal Photo)

Birthday Party Honors Stacey Corley

Stacey Corley was honored Sunday afternoon on her third birthday with a party in the home of her parents, Mr. and Mrs. John Corley of Lubbock, formerly of Sudan.

"Clowns" was the theme carried out and a cake decorated with clowns and balloons and ice cream were served to her grandparents, Mr. and Mrs. James Withrow, Sudan and Mrs. Vanette Pyle of Tucumcari, N.M. and other family members including: Mr. and Mrs. W.O. Stephens, Mr. and Mrs. Greg Lance and Maegan, Mr. and Mrs. Speedy Ritchie, all of Sudan, Bryce Corley and Kathrine of Clovis, N.M., Janie and Jensenn Corley of Roswell, N.M. and other friends.

said he had spoken with Dr. Gary Albertson of Monahans, a former Muleshoe doctor. Dr. Albertson was medical director for the service Mrs. Harp served with more than two years ago. Dr. Albertson told Dr. Purdy, "She is real nice girl, but I did not allow her to administer drugs, or do other lifesaving measures."

As he asked for the \$5,000 insurance premium and \$1,000 per month, he added, "I am not going to put my license on the orline-and the first time somebody gets killed out there, it's going to be Dr. Purdy's --, but no longer for free.

"I also want a paramedics to be ACLS certified, and I will q interview and direct all paramedics," he continued.

On being informed that there were no funds in the budget to add to the ambulance service, Dr. Purdy commented, "You're making a decision -- a new maintainer, or health care service for this county.

"We have been very fortunate, had we not had level-headed, devoted, dedicated health providers on the ambulance, we would have lost many more people. They're a very aggressive group. Our people have done -lotheir utmost to give them (each sapatient) a chance to survive." The judge and commissioners

bewere also reminded that Bailey County is not 30 miles from a major medical center, but is 70 miles from a metro center.

Judge Watson commented, 'The Bailey County Tax Base is not such that it can carry a 'model' service. He was reminded by the doctor, "If you want to have first class medical care, it's going to cost money. Find out the desire of the county, find out if they want an excellent service, or if they just want BLS (Basic Life Support) which means CPR (Cardiopulmonary Resuscitation) as their only service.

Although Dr. Purdy suggested running a poll, such as was done before the hospital district was voted in, his suggestion was virtually ignored by the judge reminded them the vote FOR the is decided upon. hospital district was above 93 percent.

"And, we didn't do this overnight," said Dr. Purdy. "It took four years of very hard work to get the hospital, and now I firmly believe we're going to grow. We will be adding a surgeon, different physicians, and Muleshoe will be growing again." He told of several area towns that are 'dying', but said Muleshoe will never die because

the people here care. He also talked about the personnel from the Bailey County EMS Ambulance Service who were always available in an emergency. "They weren't just standing around either," he added. "They were all doing something, monitoring patients, cleaning wounds, moving victims to x-ray, any thing to help."

He added, "We have an extremely dedicated volunteer service and you don't want to lose what you have. With the first three to five minutes 'critical' in many cases, it doesn't take our personnel three minutes to get there to start working on a patient."

Dr. Purdy concluded, "If I'm going to do it (be medical director) I'm going to do it right -- but, I'm not going to do it free again. If it hadn't been for the volunteers, we would have never made it. I surely would hate to see us lose our grade AAA ambulance service.

SO--THE BALL IS IN YOUR COURT!

Dr. Purdy agreed to continue as medical director until a decision can be reached by the Bailey County Commissioners

The judge and commissioners then discussed the possibility of joining South Plains Emergency Medical Services (SPEMS), however SPEMS does not allow paramedics to administer drugs 'in the field' and all communications would have to come from Lubbock. New radios would have to be obtained as the present EMS radios are not powerful enough to reach to Lubbock.

Also attending the meeting was Jim Fitzgerald, who operates the ambulance service at Morton. He said Dr. Chasteen is his medical director, but said the SPEMS radios were installed by a grant, and are not maintained and repaired by SPEMS. They only care for the radio tower and repeaters at Lubbock, according to Fitzgerald.

He also said he has malpractice insurance that only covers those operating his ambulances 'out in the field.

Commissioner R. L. Scott said he was against paying anything left England and came to except the \$1,000 per month to America to escape religious and commissioners. He also Dr. Purdy until a medical director

Judge Watson commented, "He (Dr. Purdy) is going to want to continue with the same paramedics we have now. If Dr. Purdy would just 'wing it' with us until Joy Harp (the new medical director) becomes ACLS certified we will be all right.

A decision was made to postpone a decision until the October 9 meeting of the Bailey

Kiwanian Talks About Austrailians

BY R.A. Bradley

September is nearly over and twelve Kiwanians, one guest, and three honorary members, met Friday morning at the Old Crrral. The new president, Jim Lutz, called the club to order. Honorary members, Lacy Morris, Jon Keith Turner and Chad Johnson, led the club in the pledge to the flag and the invocation was given by Don Martin. Treasurer, J.O. Parker, after handing out bills for the banquet, gave the friendship coin to Reggie Johnson, our new secretary who was very busy. Reggie will sure need a friend. Brad gave a report on the

Gospel Notes trip last evening to sing for a birthday dinner at the Senior Citizen Complex in Hereford. They have a million dollar building and are planing a 500,000.00 dollar expansion. They have a beautiful building and it is used every day. They serve over 400 meals per day. The Gospel Notes had a wonderful time.

James Roy Jones of James Roy's and Thersia's Meat Market gave the program. James Roy told about some of the things of Australia. James Roy told about the gentlemen who stayed with him and Thersia. His name was Crittenden and he also had a meat market in Australia. They have about six varieties of kangaroo from about the size of our rabbits to the Red Kangaroo who weighes about 600 lbs. To the people of Australia, the kangaroo is a pest. James Roy also showed a boomarang. James Roy stated that our fore fathers persecution and taxation, but the country of Australia was started

because England was over crowded with prisoners so England loaded up eleven boats of prisoners and guards and sent them to Australia. Is Australia an Island?? No it is one of the seven continents of the world. Can you name the seven continents?? North America, South America, Africa, Asia, Europe, Australia, and Anartic. We are having a Geography lesson today. So you see the Kiwanis Club is getting a lot smarter. Some of them need it, I am not saying which ones. Sorry I missed last week with a report but I was busy with some others helping cook for the Christian Athelete Association. It was good to cook for such a wonderful group of young ladies and gentlemen.

Nursing Home News by: Joy Stancell

Tuesday afternoon Margaret Buhrman, Bonnie Green, Claudine Embry, Lula Maye Shanks, Beth Watson and Olive Cox shampooed and set the ladie's hair and gave them a lot of T.L.C. Dustie Moynihan gave manicures.

Lula Maye Shanks and Louise King made and served home made ice cream and cake to the residents Tuesday after beauty

Frances Saldana, Nina Agundez, Corena Reyna brought their class of youngsters to visit the residents Monday. We hope they will come again.

Ernest Kerr celebrated his birthday Monday. His family visited and brought gifts and a birthday party. He received many cards from his family and friends. He wishes to express his thanks to each one who sent birthday cards or came by for a visit he really appreciated each one.

We had a fun and enjoyable afternoon Friday. We were entertained by Glenda Jennings as she lead us in songs and "livened" us up with her wit and charm. Lona Embry and Joyce Turnbow served refreshments of angel food cake and punch.

Thursday morning Pastor Mike Doyle conducted a memorial service in honor of Juanita Snow in the Health Care Center's Day Room. Mrs. Snow's family and friends attended the special service.

Wednesday afternoon, The Health Care Center honored the dietary, laundry and maintenance departments with an appreciation reception. They were served angel food cake, cherries and strawberries, ice tea and coffee from a beautiful decorated table. Each employee of the honored departments were given a corsage or boutenniere and a fresh loaf of home made bread. Our thanks to our two friends who got this all together. You did a wonderful job.

Sunday afternoon the Progress Baptist Church brought the Sunday service for the residents.

R.L. Scott and Lewis Scoggins Tuesday afternoon.

Pearl Cox had Sunday dinner in the home of her daughter, Holly Milsap.

We were so pleased to see Eric Smith at the singing Wednesday afternoon. He had been confined to his room due to health problems and he was showing symptoms of "cabin fever". Glad you were able to come out Eric.

Our thanks to the AARP for their donation to our Health Care

Mr. and Mrs. J.C. Shanks sang and played gospel music for us Wednesday afternoon.

Josie Flowers visited Margaret Beard Wednesday afternoon.

Johnny Chappell is in the local hospital. Get well soon Johnny.

Thelma Stearns was visited by her daughter, Joyeline Costen, several times this week. Joyeline serves coffee to the residents at supper.

Tuesday afternoon, Jackie Johnson and Nickolas, Margaret Buhrman, Claudine Embry, Olive Cox, Bonnie Green, Lula Maye Shanks shampooed and set the ladies hair.

Ora Roberts, Effie Smith, Lois Ethridge, Guy Kendall, Pearl Cox, Thelma Stearns, Emma Schuster, Patsy Franklin, Stella Morgan, and Clara Weaver painted ceramics in the class conducted by Louise Legg of Me Ma's Ceramic Shop in Sudan.

J.E. Embry visited us Tuesday and brought us some fresh tomatoes. What a nice snack.

Inez Allgood was visited by her sister and friends from out of town last week.

West Texas Wheat Growers Should Avoid Early Planting

Wheat growers across West Texas should avoid early planting to reduce the threat of devastating wheat streak mosaic virus in this season's crop, warns a plant pathologist with the Texas Agricultural Extension Service.

Several counties on the South Plains and in the Texas Panhanddle were hit hard by the virus in 1989, said Dr. Harold Kaufman, the Extension specialist. Potential losses from the virus were overshadowed in many counties by drought and freeze injury losses, he said.

The disease is spread by a wind-borne wheat curl mite which is most active in warm weather. Symptoms of the mosaic vary with wheat cultivars, time of infection and environental conditions, the Extension Service specialist said. Infected plants are stunted, with yellowand green-streaked leaves.

"Fall infection is common and most devastating," Kaufman said, "but symptoms rarely show until temperatures increase in the spring."

The wheat curl mite is the only vector of the virus. It thrives on the tender, young growth of wheat and many grasses. Other hosts include corn, barley, rye and oats.

"Mite numbers can increase rapidly in a short time, going from egg to adult in eight to 10 days," Kaufman said.

Distribution of the virus in a field is related to the dispersal of the mite. Margins of the field are the first areas affected.

"The mite is simply blown into fields by the wind," the plant pathologist said. "Since it is only active during warm weather, it is usually warm winds from the southwest that move it. Therefore, the virus usually moves across a field from southwest to northeast."

Control of wheat streak mosaic is achieved by destroying volunteer wheat, avoiding Conservation Reserve Program (CRP)

land, planting later and planting resistant varieties, Kaufman

Mites survive the summer on volunteer wheat and various grasses, many of which are used as cover on CRP acreage. Volunteer wheat should be avoided, as winds from the southwest will blow the wheat curl mite into the planted wheat," he said. If such locations must be planted to wheat, they should be planted last, he said. Early planted wheat should be placed iln safer areas, he said.

"The planting date is very important in controlling wheat streak mosaic virus," Kaufman stressed. "Volunteer wheat and CRP grasses provide the vector and virus, but early planted wheat provides the bridge to the entire new crop."

This jeopardizes not only the wheat on that land, but also the crop of downwind neighbors and the entire area, he cautioned.

Planting should be delayed to allow mite populations to decrease. "Ideally, it should be delayed until the first frost," Kaufman said.

Later planting allows the mite and the virus less time to damage the crop. "It is widely known." Kaufman said, "that the earlier the infection occurs in the fall, the more severe the impact on yield.

"Just a week's difference in the planting date can have a significant effect on the severity of wheat streak mosaic infection."

Some wheat varities have shown tolerance to the virus, he said. Among these are Tam-200, Thunderbird, Tam-105 and Triumph 64. Resistance to the mite has been reported for Century, Thunderbird, Tam-107 and Tam-200. The most susceptible varieties are Mustang, Hawk and Centurk 78.

Risky early plantings, especially near sources of the mite should be to tolerant

varieties, the Extension specia- and as far as possible from list said. More susceptible volunteer wheat CRP acreage. varieties should be planted last

October Attendance Important To School

District receives about \$1450 per student who is in attendance at school in October. It is important for every student to be present in October. For one student to be absent just one day will cost the MISD about \$72.50. Parents are asked to see that their children attend school regularly.

October is the official attendance counting period for the fall. All students need to be present during this accounting period, as funding for the school district is impacted by the attendance count during the fall and spring.

To encourage attendance in high school the district and business have joined in an award effort to reward students and classes who attend classes during the attendance period. The following awards have been established:

Students who have perfect attendance throughout the month will have their names placed in a container and a drawing will be held each week for a compact AM/FM radio with ear phones. These awards compliments of the school district.

For those students who have

Muleshoe Independent School perfect attendance during the month their name goes into the container and a drawing held at the end of the accounting period for a "Jam Box". This award compliments of the school district.

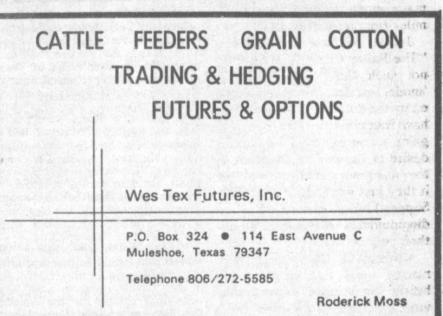

Students who have perfect attendance each week will also receive special certificates from Sonic Drive-In for food and drink.

The last award will be for the best attendance during the second period class. The high school will be treating the two top classes to coke and other refreshments for their efforts.

Students are reminded that under the new attendance laws, they are required to attend school 80 days each semester to receive credit. If they fail to attend school for the 80 days, a committee hearing will be necessary to decide if they will receive credit. This hearing is mandated for those with excused absences as well as those with unexcused absences.

would enable the legislature to provide, by general or special law, that members of a hospital district board may serve terms not to exceed four years. Currently, hospital district board members' terms are two years. The proposed amendment will ap-

pear on the ballot as follows: "Authorizing the members of a hospital district governing board to serve four-year terms."

PROPOSITION NO. 7

ON THE BALLOT

House Joint Resolution 40 proposes a constitutional amendment that would change the format of the oath of office for officeholders in this state. All elected and appointed officers would be required to take an oath or affirmation swearing to faithfully execute the duties of office and to preserve, protect, and defend the constitution and laws of the State and the United States. In addition, each elected and appointed officer would be required to sign a sworn statement that he or she had not paid, offered, or promised anything of value for a vote or to secure appointment to an office, as applicable. The written, sworn statement would be filed with the secretary of state. The information in the statement is currently contained in the oaths of office taken by elected and

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to require that a member of the legislature, the secretary of state, and an elected or appointed officer, before assuming office, sign a written oath stating that the member, the secretary of state, or the officer did not engage in bribery to obtain the office."

PROPOSITION NO. 8 ON THE BALLOT

Senate Joint Resolution 24 proposes a constitu ional amendment that would allow he legislature to authorize the issuance of up to \$400 million in general obligation bonds. The proceeds of the bonds could be used to acquire, construct, or equip new corrections institutions, mental health and mental retardation institutions, youth corrections institutions, and statewide law enforcement for the purpose of providing loans facilities and to repair and renovate existing facilities of those institutions. The bonds would constitute a general obligation of the state. The bonds and interest on the bonds would be paid from the first money coming into the treasury that is not otherwise appropriated by the consitution, less any amount in a sinking fund at the end of the preceding fiscal year that is pledged to payment of the bonds or interest.

The proposed amendment will ap-

pear on the ballot as follows: "The constitutional amendment authorizing the issuance of general obligation bonds for projects relating to facilities of corrections institutions, youth corrections institutions, and mental health and mental retardation institutions and for the expansion of statewide law enforcement facilities."

> PROPOSITION NO. 9 ON THE BALLOT

House Joint Resolution 101 proposes a constitutional amendment that would authorize the legislature to pass laws to organize and combine state agencies that perform criminal justice functions. The legislature could combine into one or more agencies all agencies that have authority over the confinement and supervision of convicted criminals, that set standards for or distribute state funds to political subdivisions with authority over the confinement and supervision of convicted criminals, and that gather information about justice administration. Agencies that could be combined would include the Texas Department of Corrections, the Board of Pardons and Paroles, and the Texas Adult Probation Commission, The amendment would also authorize the legislature to pass laws authorizing the appointment of members of more than one department of government to serve on the governing body.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment

authorizing the legislature to organize and combine various state agencies that perform criminal justice functions."

"The constitutional amendment authorizing the legislature to require or permit courts to inform juries about the effect of good conduct time and eligibility for parole or mandatory supervision on the period of incarceration served by a defendant convicted of a criminal offense."

PROPOSITION NO. 11 ON THE BALLOT

House Joint Resolution 102 procoses a constitutional amendment that would increase the per diem of members of the Legislature. The amount of per diem allowed during a calendar year would be equal to the maximum amount allowed for federal income tax purposes as of January 1 of that same year as a deduction for living expenses incurred by a state legislator. The per diem of \$30 would increase to \$81, which is the current maximum living expense deduction.

The proposed amendment will ap-

pear on the ballot as follows: "The constitutional amendment to set the amount of per diem received by a member of the legislature at the amount allowed for federal income tax purposes as a deduction for living expenses incurred by a state legislator in connection with official business."

PROPOSITION NO. 12

ON THE BALLOT Senate Joint Resolution 53 proposes a constitutional amendment that would authorize the legislature to provide for the use of the permanent school fund and the income from the permanent school fund to guarantee bonds issued by the state or purchasing the bonds of school districts to acquire, construct, renovate, or improve instructional facilities. If the permanent school fund were required to make payment as a result of its guarantee of bonds issued by the state, the fund would have to be reimbursed immediately from the state treasury. The amount of bonds guaranteed by the permanent school fund could not exceed \$750 million unless a higher amount was authorized by a two-thirds vote of both houses of the legislature. If a school district were to become delinquent on a lean, the amount of the delinquency would be offset against other aid to which the district was entitled.

The proposed amendment will ap-

pear on the ballot as follows: "The constitutional amendment to provide for using the permanent school fund and its income to guarantee bonds issued by the state for the purpose of aiding school dis-

PROPOSITION NO. 13

ON THE BALLOT House Joint Resolution 19 proposes a constitutional amendment that would provide a bill of rights for crime victims. This constitutional amendment would give crime victims the right to be treated with fairness and respect and to be reasonably protected from the defendant. On his request, the crime victim would have the right to notification of court proceedings, the right to be present at all public court proceedings unless a court determines that the victim's testimony would be affected by hearing other testimony, the right to confer with a representative of the presecutor's office, the right to restitution, and the right to information about the conviction, sentence, imprisonment, and release of the defendant. The legislature would be authorized to enact laws to define the term "victim," to enforce the rights of crime victims, and to provide that certain public officers and agencies are not liable for a failure to protect a victim's rights

The proposed amendment will appear on the ballot as follows: "The constitutional amendment

OF PROPOSED

CONSTITUTIONAL AMENDMENTS

offered by both funds could include loan guarantees, insurance, coinsurance, loans, and indirect loans or purchases or acceptances of assignments of loans or other obligations. To carry out the Texas product development fund, the legislature could authorize loans, loan guarantees, and equity investments, and the issuance of up to \$25 million of general obligation bonds for initial funding. To carry out the Texas small business incubator fund, the legislature could authorize loans and grants of money, and the issuance of up to \$20 million of general obligation bonds for initial funding.

Bonds authorized under this amendment would be paid out of the first money coming into the treasury in each fiscal year that is not otherwise appropriated by the constitution, less any amount in any interest and sinking account at the end of the to payment of the bonds or interest.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the legislature to provide for the recovery and further development of the state's economy, with goals of increasing job opportunities and other benefits for Texas residents, through state financing of the development and

businesses."

production of Texas products and

House Joint Resolution 13 proposes a constitutional amendment that would authorize the legislature, by general law, to exempt from ad valorem taxes property owned by nonprofit veterans organizations that are chartered or incorporated by the United States Congress.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to authorize the legislature to exempt property of nonprofit veterans organizations from ad

valorem taxation." PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 11 proposes a constitutional amendment that would provide an exemption from ad valorem taxation for goods, wares, merchandise, other tangible personal property (including aircraft), and ores (other than oil, gas, and petroleum products) if the property is acquired in or imported into the state and is destined to be forwarded out of the state, regardless of whether the intention to forward the property existed when the property was acquired or imported into the state, if it remains in Texas for 175 days or less for assembly, storage, manufacture, processing, or fabrication. The proposed amendment would authorize the governing body of a county, municipality, school district, or junior college district to prevent the exemption of this tangible personal property from taxation by taking official action before April 1, 1990. A county, municipality, school district, or junior college district could rescind a decision to tax the property, in which case the exemption would become effective in the year of the rescission and the property could not thereafter be

The proposed amendment will ap-

pear on the ballot as follows: "The constitutional amendment promoting economic growth, job creation, and fair tax treatment for Texans who export goods to other states and nations by restoring and allowing, on a local option basis, an ad valorem tax exemption for certain personal property that is in Texas only temporarily for the purpose of assembling, storing, manufacturing, processing or fabricating."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 4 proposes constitutional amendment that

Sudan News by: Evelyn Ritchie

Mr. and Mrs. Curtis Knox of Utah visited during the weekend with his parents, Mr. and Mrs. R.B. Knox and also his sister, Mr. and Mrs. Bill Kuykendall and family, and grandmother, Mrs. Daisy Ford.

Juanda Fields and Gary visited friends and relatives in Stephenville and Baird during the weekend. They returned home late Monday evening.

Gill Rogers and Mae White's names were omitted from those attending the U.M.W. salad supper at the Methodist Church last week. Our apologies.

Mr. and Mrs. Wayne Rogers were in Melrose, N.M.Sunday to visit his aunt, Mrs. Nellie Simons.

Stephanie Bickett was home from Texas Tech during the weekend with her mother, Patty Miller and Misty.

Mr. and Mrs. Billy Baker of Spearman have been Sudan visitors recently with his mother, Mrs. Mae Baker and other relatives.

JV Longhorns Now At 3-0: Down Amherst

It's 3-0 now for Lazbuddie JV Coach Mark Scisson's team, following their 46-34 victory over Amherst Thursday evening.

In the first quarter, Chris Cozbey put the first 'Horn points on the scoreboard on a 30-yard scamper, with Jonas Hernandez adding the extra point.

Also in the first Brett Thomas connected with Jody Copp for a 13-yarder and paydirt. Cozbey came back in the first, and returned a kickoff for 60 yards for a third TD, with A Brett Thomas-Jody Copp pass adding the PAT.

Coming back in the second, Brett lobbed a 15 yarder to Jody, who turned it into a successful TD, followed by successful extra point try by Jon Colby Miller.

QB Brett then completed a 10 yard TD pass to Chris Cozbey, with Jon Colby Miller again adding the extra point.

Winding up third quarter scoring, it was a 25-yarder from

Brett to Jody. In the third, Chris Cozbey added six more with a 60 yard

ramble downfield. Also in the third quarter, Longhorn Quarterback Brett Thomas, broke his foot, and Amherst scored 22 points in the second

Next Thursday, the JV Longhorns will play Whitharral.

half.

Prior to the JV game, the Lazbuddie seventh grade won Tony Gonzales.

Tanya Ray and family of Seminole visited during the weekend with her parents, Mr. and Mrs. Jerry Ray and other family members.

Mr. and Mrs. Eddie Bond and daughter of Vega were in Sudan Monday to attend funeral services for Norma Poe.

More than 100 students piled into the Church of Christ fellowship hall, Friday night, Sept. 15, after the Hornets' victory over Anton. Excitement filled the air as everyone chatted about the game and "pigged out" on cookies, sandwiches and drinks.

Pudd and Kay Wiseman recently attended opening day ceremonies at ACU where their daughter, Linda, is enrolled as a junior. During the ceremonies the Big Purple Band and a combined chorus sang and played patriotic songs. A parade of 50 state flags and 45 flags of nations represented by students enrolled at ACU marched around Moody Coliseum at these ceremonies.

Linda Wiseman, a junior at Abilene Christian University, recently served as an Inter-G leader for the freshman students during Welcome Week. Linda also is a member of the Big Purple Band, where she serves as a squad leader.

In a 62-8 romp over the Muleshoe Mules, the JV Hornets gained their first win making the record 1-0. Darren Collins started the Hornet domination with a touchdown early in the first quarter. Collins also led the scoring with three touchdowns. Ricky Weaver and Gabe Narramore came in close behind with two touchdowns each.

Also scoring touchdowns were Andy Roberts and Shannon Fisher. Two point conversions were made by Clint Humphreys, Fisher, Narramore, and Weaver. The Hornet's defense didn't allow the Mules to score until the third quarter.

The Band Booster organization sponsored a Stew Supper Friday, Sept. 15, prior to the Sudan VS Anton game. "This has turned out to be one of the biggest fund raisers we could have hoped for" said Mrs. Paula Ford.

Visiting this week with Mr. and Mrs. Billy Chester were his mother, Mrs. Stella Chester and aunt, Mrs. Frances Gage of Hereford. They also visited other friends and relatives while here including Stella's daughter, Mr. and Mrs. Dick West.

Donald Doty of Lubbock has been visiting his parents, Mr. and Mrs. Wayne Doty.

Billy Dale Williams of Lubbock visited during the weekend with his parents, Mr. and Mrs. Lee Williams.

Cindy Nichols and girls of El against Amherst, 12-0. Scores were by Brandon Walker and Paso plan to arrive for a visit with her parents, Mr. and Mrs. U.S. POSTAL SERVICE

Dwayne Powell and family.

Jayson Vincent of Cannon AFB was home during the weekend with his parents, Mr. and Mrs. Kenneth Vincent and other friends and relatives.

Weekend visitors with Mr. and Mrs. Jerry Ray were their daughter, Tanya Bell, and family of Seminole. Tlhey also visited her sister, Mr. and Mrs. Roby Lynn, and girls and her grandmother, Mabel Reed. Also visiting with them was Georgia Newcomer of Lubbock.

On September 13 and 14 the following members of the Sudan Fire Department attended the 16th Annual Cannon Area Control Fire School: Fire Marshal-Carl Burnett, training officer-Bobby Phillips, Fireman-Sam DeLariva, Fireman-Rick

Also attending the school as instructors of the smokehouse, 2nd Assistant Fire Chief-Rick Hill and 1st Assistant Fire Marshal-Mike Hill.

Dr. Karen Rich of Canyon visited during the weekend with her parents, Mr. and Mrs. Jack Engram.

Jay Harrison of Canon was among those from out of town that were here to attend the football game Friday night when Sudan defeated Anton.

Among college students home Friday to attend the game were Eddy Boyles, Eddie and Gorge Salinas, Dawn Gaston, Stephanie Bickett, Karen and Kendra Whitten, Shannon and Melanie

Mr. and Mrs. Bobby Jack Markham were in San Angelo during the weekend for an art show and sale.

The Fireman's Auxiliary met recently for the annual "New Members Salad Supper". One new member, Pam Richards, was

The Auxiliary will again work all the concessions stands on the visiting side with lots of homemade goodies. Also Fire Prevention Week will be Oct. 9-13. Posters will be judged again this year and poster boards will be given to the students in the near future.

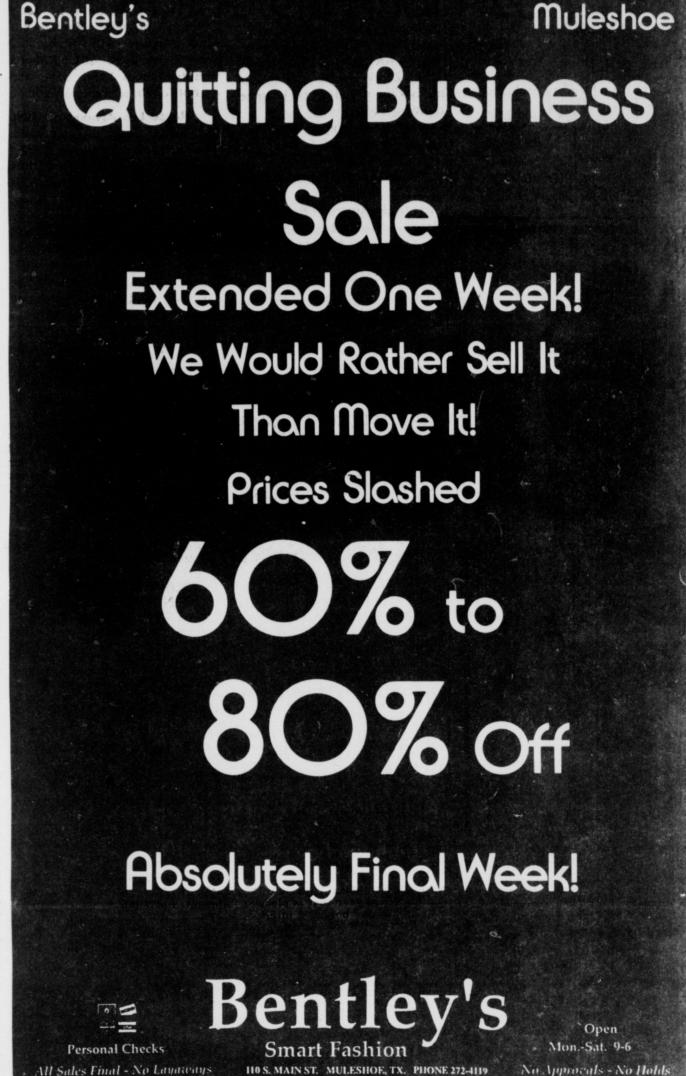

Members present were Norma Burnett, LaRhonda Hill, Ginger Ritchie, Shonda Hill, Ann Carson, Louise DeLaRiva, Joyce Conn and the new member, Pam.

Wayland Baptist University Sets Career Day

Wayland Baptist University has scheduled a Career Day for Tuesday, Oct. 3 from 1 to 4 p.m. and would like to encourage all high seniors to participate.

This is to provide an opportunity for high school seniors and college students to explore the possibilities of a number of careers. They have arranged to have professionals on campus to visit with students and answer any questions they might have. Representatives from many beneficial to all who attend."

fields will be present including engineering, military, medical, social sciences, management and many more. "This would be good time to encourage students to begin thinking about their futures" said Ellen Masten, Assistant in Placement in Career Planning. "We feel this will be

A special thanks to: Harvey Bass, Harvey Bass Appliance; Joella Flowers, Keepsake Video; Diane Alison, Decorator's Floral; Dani Heathington, Blue Goose; Susan Copeland, KMUL; Judy Watson, Ranger; Magann Rennels, Channel 6; Cleta Williams, Muleshoe Journal; Nancy Kidd, manager, Muleshoe Chamber of Commerce and Agriculture; Darrell Turner, Muleshoe Mayor; Norene Pearson, Trophies and More; Joyce Holmes, Bailey County Coliseum and Hubert Kidd/Hugh Young, Five Area Telephone.

Also, Cara Juan Schuster, Mary Moore, Jackie Carlan, Marsha Lewis, Pat and Tisha Young, Norma Bruce, Louvenia Garlington, Hellen Adrian, Beth Gandy, James Wedel, Sam Harlan, IOOF Lodge, Holly Huckaby, Heather Huton, Ana Mendoza, Amy Montgomery and Christi Pena, Ambassadorettes; and to all JENNYSLIPPERS who worked with committees to make this regional meeting successful my personal thanks for a job well done!!!!

Pat Langfitt Regional Conference Chairman

September 25, 1989 Muleshoe Publishing Co Inc 304 West 2nd Muleshoe TX 79347

Dear Taxpayer:

The Texas Legislture passed a new law which allows certain corporations to compute their Texas franchise tax on the same basis as they use to determine their federal income tax liability.

This new law covers those companies organized under the Texas Close Corporation law, or under a similar law of another state, and corporations which have elected to be treated as "S corporatrions" for federal income tax purposes.

The legislation applies to reports due after December 31, 1989. Guidelines for this new provision are:

For intial reports, the corporation must be eligible before the original due date of the return.

For annual reports, the corporation must be eligible before May \$1 of the reporting year.

This reporting method does not apply to any subsidiary corporation if its parent is not also eligible

For tax assistance call 1-800-252-5555 toll free nationwide, or call 512/463-4600.

Sincerely, **Bob Bullock** Comptroller of Public Accounts

Texas A&M psychologist says depressed need guidance and therapy

COLLEGE STATION - The most soft-hearted psychological therapist is the one who gets patients back on their feet and coping right away, says a Texas A&M University clinical psychologist.

It may sound like the hard-hearted approach, but saying There, there, baby, can often make a depressed person's problem worse," says Dr. Albert Casey, a psychologist specializing in be-

havior modification. One of the main aims of behavior modification, what Casey terms "B-Mod," is to restructure behavior to maximize the individual's potential for receiving rewards from the environment.

"We first look at the environmental factors, such as a major family change, a major financial loss, or demands beyond the level of competence," Casey explains. "We also look at the person's skills and emotional resources, then do whatever it takes to get the patient moving. Involvement in the world can preempt depression.

The mood disorder is real, and the pain is there," Casey says. "Occasionally they just need someone to listen and understand, but often a depressed person needs guidance as much as 'therapy," he says. People should look at their own resources and strengths and use them. If there is a deficit, they

can be taught them. B-Mod has been successful in treating children's learning and behavioral problems, and adult and youth anxiety. phobias, compulsive/obsessive behav-iors, mood disorders, and various stress-related disorders.

Loie Precure **Funeral Services** Held Friday

Funeral services for Loie Ethel Precure, 87, were held at 2 p.m. Friday, Sept. 29 in the First Baptist Church with the Rev. Barry Bradley, pastor, officiat-

Burial was in Muleshoe Memorial Park Cemetery under the direction of Ellis Funeral Home. Justice of the Peace Jack Bates pronounced her dead of natural causes at 4 p.m. Wednesday.

Born July 13, 1902, in Bokchito, Okla., she had been a resident of Bailey County since 1933, moving here from Oklahoma City, Okla. She was a homemaker and a member of the Muleshoe First Baptist Church. She married R.D. Precure on Feb. 9, 1919, in Cordell, Okla. He died May 14, 1988.

Junior, Senior Day Set At E.N.M.U.

Junior-Senior Saturday, a special day for high school juniors and seniors to visit Eastern New Mexico University is scheduled for October 21, 1989. This event is being held in conjunction with the 16th annual Peanut Valley Festival, the largest arts and crafts fair in Roosevelt County.

A variety of activities have been scheduled to help juniors and seniors get more familiar with Eastern, and to give them a head start in knowing what they want to do after graduation.

SPECIALIZING IN CROP. LIFE & HEALTH INSURANCE **Ronnie Holt**

P.O. Box 304 Western 66 Office Building Muleshoe, Texas 79347 Office: (806) 272-3614 Residence: (806) 965-2842

Throughout the morning they will be able to meet with deans and faculty members who will provide career information and discuss programs available here at Eastern. Areas to be discussed include fine arts, education and technology, liberal arts and sciences, and business. They will also have the opportunity to meet with ENMU students, various student organizations, and receive an overview on financial

Pizza will be served on campus at two dollars per person. After lunch students are invited to participate in the "Peanut Olympics" and will also have

time to look through the arts and crafts fair. Junior-Senior Saturday participants will also receive a free ENMU t-shirt.

Additional information about Junior-Senior day may be obtained by contacting Linda Marr at the high school.

... a famous and well known quotation, and a good rule to follow. Any doctor will agree that eating some fruit every day is beneficial to health. Eating fruit is an aid to health and also gives us great pleasure, for instance how about one of mother's delicious apple pies, or what joy comes from biting into a nice juicy apple, or orange. Spiritually, attending church is of great benefit to us. The soul needs the nourishment provided by a good sermon or the encouragement of fellow worshippers. Not only do we need the things that the church offers, but there are many pleasures to be derived there. The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from

a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
