EDITOR AND FAMILY ARE HOSTS TO LIONS AT COUNTRY HOME

JOLLY GROUP ENJOYS HOSPITALITY AND HEAR MUCH GOOD EATS

One of the jolliest crowds we have had the pleasure of mixing with since the budding of the leaves was the members of the Lions Club and their families and a few guests out at our country habitat Tuesday evening.

The editor prepared a real old country mulligan stew, the ladies who accompanied the Lions prepared the pastries and a real picnic luncheon was enjoyed.

Following the luncheon the Caldwell brothers, Amos, John, Jr., and Hampton, of Brownwood, entertained with several vocal numbers, with Amos at the piano.

The newly elected officers were inducted into office in simple and short form, and President W. E. Baxter announced standing committees for the ensuing year.

The editor and family were pleased beyond expression to have such a splendid bunch of our friends out with us. We have been planning ever since our move to the country to throw a little party and invite a number of friends out, but like many other things, just planned them and put it off.

Dr. R. R. Lovelady, the retiring president, presided at the meeting, and everything moved off very nicely, which is always the case with a bunch of Lions and their families.

Lion President W. E. Baxter announced the following committees for the new year:

- Membership
 - R. F. Crum, Chairman
 - Calvin Campbell
 - Geo. M. Johnson
- Moral Code and Studies in Conduct (Combined)

LETTER MAILED IN 1910 IS DELIVERED AFTER 22 YEARS

COLEMAN, (AP)—Twenty-two years ago a postcard was mailed at Coleman to Mrs. C. Y. Doucins of Pampa. It was delivered the other day. The card was mailed at the Coleman post office March 23, 1910, and when the old building was torn down recently the message was found lodged in a partition.

MERT WELLS VICTIM OF LENGTHY ILLNESS

The spirit of Mert Wells, 56, took to its flight shortly after 2 o'clock here Monday.

Mr. Wells was never married. He was making his home here with his father, Charles Wells and a brother, Sam Wells. He had been sick since February, when he suffered an attack of influenza. He had made a game fight for recovery but the deathly germs finally sapped his vitality until his strength was all gone and life ceased.

His remains were prepared and carried to his former home at Jenkins Springs, nine miles east of Brownwood for burial.

He is survived by his father, Charles Wells, and the following brothers and sisters: Ernest Wells, Winchell; Carl Wells, Kansas City; George and Sam Wells, Santa Anna; Mrs. C. M. Drake and Mrs. W. T. Pruitt, Brownwood.

LONGEST TELEGRAM EVER SENT SENATOR RECEIVED FROM HOUSTON TUESDAY

WASHINGTON, June 7.—Probably the longest telegram on record to a member of congress reached Senator Morris Shepard from Houston today, being 22,205 words. The body of the telegram was about 150 words. The remainder was signatures, numbering 770. The Houston signers urged congress to adopt an economy program and adjourn.

TEXAS EX-RANGERS TO MEET IN SANTA ANNA IN MONTH OF AUGUST

Wednesday morning of this week, citizens here were notified that Santa Anna invitation to the Texas Ex-Rangers Association to meet in Santa Anna this year had been accepted, and the dates for the convention set for August 1, 2 and 3.

The ranks of these old pioneers who paved the way to civilization and made it possible for us to live here now and enjoy our freedom, are growing thin and the number is growing smaller each year.

According to Mr. Black, these old pioneer peace officers just want a good place to camp with shade and water, and they will pay their own way, but Santa Anna would not permit those deserving old pioneers to invade our premises for a three days convention without providing a program of entertainment for them and at least one or two good feeds while here.

Let's all resolve now to make their stay in Santa Anna a very pleasant one, and begin to prepare now to do something each day they are here to make the day an enjoyable one so that when they return to their homes nothing but pleasant memories will linger in their hearts and minds.

E. P. RENDLEMAN DIES WEDNESDY, JUNE 15

Just about the time the News is going to press this week, the funeral service for Mr. E. P. Rendleman is in progress at the Rendleman home about 10 miles south of town. Interment will be made in the local cemetery.

Mr. Rendleman is another pioneer citizen who has been in failing health for several months, and even tho, he has been able to be out most of the time, his condition has been considered serious for several weeks.

At this late hour we will not have time to prepare the customary obituary of Mr. Rendleman, but will make an effort to get one prepared for next week's issue.

JOE JONES SPEAKS HERE IN RACE FOR CONGRESS

Hon. Joe Jones, District Attorney of Eastland, and candidate for Congress in this district, spoke to quite a number of the prospective voters on the street here Saturday afternoon.

Mr. Jones is seeking the place held by Thos. L. Blanton, who has been in Congress several terms.

BILLY BAXTER IS AWARDED BOOKS IN CONTEST

During the last school year the Modern History class of the Santa Anna high school used the Scholastic Magazine in the study of current events. The magazine put on a contest in the study and gave the pupils who made the highest scores on the tests they sent out a rip to Washington, D. C. In every school where as many as fifteen students studied the magazine, the student who made the highest score was given \$5.00 worth of books. Billy Baxter made the highest score in Santa Anna and is to get the books which he chooses for himself. Billy's name appears in the May issue of the Scholastic.

JOHN DAVID HARPER'S NAME OMITTED FROM HONOR ROLL

By some error John David Harper's name was left off the high school honor roll that was published in the paper last week. He received an award for scholarship which means that he made an average of 90, or above, for the whole year.

W.B. Sparkman was in Brownwood Monday on business.

EMINENT DOCTORS TO ADDRESS GRADUATES NEXT TUESDAY NIGHT

LARGE CLASS YOUNG WOMEN COMPLETE TRAINING IN SEALY SCHOOL

The Baccalaureate Sermon for the Sealy Hospital School of Nursing will be delivered at the Baptist Church in Santa Anna next Sunday night by Dr. A. E. Prince, D. D. pastor of the First Baptist church at Brownwood.

The Commencement Exercises will be held at the High School Auditorium Tuesday night June 21st. Edward Cary, M. A. M. D. F. A. C. S. President of the American Medical Association, Dallas, will deliver the Commencement address.

This is quite a signal honor to Santa Anna and the Sealy Hospital. Dr. Cary is one of the most highly esteemed men in the medical profession, and Dr. T. Richard Sealy is gratified beyond expression in being able to procure the services of such a notable character to be here for this occasion. Such an honor may not come to Santa Anna in a century. Without being prompted by Dr. Sealy, for in his modesty he might not permit us to make such an announcement, but he will appreciate having all his friends, if possible, out to hear this notable physician and and surgeon talk to his large graduating class.

Another highly esteemed speaker for that evening is G. D. Mahon, M. D., F. A. C. S. Surgeon Baylor Hospital, Dallas, who will deliver the Diplomas to the class. The Sealy Hospital is exceedingly fortunate to have two such men here on one occasion.

Eight fine young women who have labored diligently for several long and weary years to prepare themselves for service, make up the class. They are: Vera Mae Banks, Vay Crossland, Gladys Norene Haynes, Mildred Fern McSwain, Bertie Lee Peel, Jewel Ora Smith, Sybil Vinson and Arvella Bently Vowell. Miss Marie Barker who recently passed away would have been a graduate also, if she had lived.

The program will be found elsewhere in this paper, as a general invitation to the public to attend the commencement exercise.

ANOTHER NEW TAX IN EFFECT JUNE 21

Beginning next Tuesday, June 21st, all bank checks must be taxed 2c each Federal tax. This tax, together with several others recently voted by Congress will affect most everybody.

Just remember that, when you write a check after next Monday, you must make allowance for 2c extra to pay a special tax, and the -ell of it is, the tax money don't stay in Santa Anna, the local bankers have to collect the tax and remit it to Washington, D. C. to help pay for bureaus, boards, commissions and other large appropriations made by the Government under this Republican "Prosperity" administration. The tax should be restricted to "Hoover-Crats" but they say there ain't no such animals any more.

"THE FARMER'S PRAYER"

Atchinson, Kansas, Daily Globe

"O Lord, I am thankful I am not like other folks, and yet I am not a Pharisee. I am thankful that I own no stocks and bonds which were bought at the peak prices. I am grateful for guidance that kept me out of the speculative grain market. I have not drilled an oil well and I am thankful for that. It is a relief not to have to read the stock market quotations each morning before breakfast to learn how much poorer I am than I was the day before. I am pleased that I am not a retail merchant with a ledger of unpaid bills. I thank thee, O Lord, that I am not a laboring man without a dollar in the pocket or a loaf in the hand. I am thankful for the oil that has caused the politicians to promise us a reduction on farm taxes. Give me, O Lord, my dairy cows, hogs and chickens, my alfalfa, corn and soy beans; my health and strength and my faith. I am not making money but I am not losing so much that I face disaster and hunger. I have three good meals a day and a comfortable country home. These thou hast provided me, whatever happens. Once I looked with envy upon my fellow citizens. I thought they lived in luxury and peace. But I thought of thee, O Lord, and give them divine

trade. I am thankful that the bright lights of the city and the promise of high wages and short laboring hours have not deceived me into leaving my farm home for temporary and superficial attractions. I am only a poor farmer with 200 hundred acres of land, all paid for except seven thousand dollars on my mortgage which, however, is at a reasonable rate of interest. I also thank thee for the spirit that has caused the politicians to promise us a reduction on farm taxes. Give me, O Lord, my dairy cows, hogs and chickens, my alfalfa, corn and soy beans; my health and strength and my faith. I am not making money but I am not losing so much that I face disaster and hunger. I have three good meals a day and a comfortable country home. These thou hast provided me, whatever happens. Once I looked with envy upon my fellow citizens. I thought they lived in luxury and peace. But I thought of thee, O Lord, and give them divine

grace to face their plight. May the day soon come for better things for all of us. I am grateful to thee for all the blessings that fell upon me and mine and my land. Forgive my sins and overlook my hypocrisy and my shortcomings and believe me, O Lord, I am content that I am A FARMER".

According to the story told in Washington, a few hours after General Pershing had several of his teeth pulled he was horrified to learn that they were being sold in a novelty store at \$7.50 each. The general dispatched three aides to buy up the teeth. They returned with 125.—Ex.

Mother of 7—Still Young

THE woman who gives her organs the right stimulant need not worry about growing old. Her system doesn't stagnate; her face doesn't age. She has the health and "pep" that come from a lively liver and strong, active bowels.

When you're sluggish and the system needs help, don't take a lot of "patent medicines." There's a famous doctor's prescription for just such cases, and every druggist keeps this standard preparation. It is made from fresh laxative herbs, active salts, and pure pepsin. Just ask for Dr. Caldwell's syrup pepsin. Take a little every day or so, until every organ in your body feels the big improvement.

The next time you have a bilious headache, or feel all bound-up, take this delicious syrup instead of the usual cathartic. You'll be rid of all that poisonous waste, and you haven't weakened the bowels. You'll have a better appetite, and feel better in every way. The constant use of cathartics is often the cause of a sallow complexion and lines in the face. And so unnecessary!

Would you like to break yourself of the cathartic habit? At the same time building health and vigor that protects you from frequent sick spells, headaches, and colds? Get a big bottle of Dr. Caldwell's syrup pepsin today. Use often enough to avoid those attacks of constipation. When you feel weak and run-down or a coated tongue or bad breath warns you the bowels need to be stimulated. Give it to the children instead of strong laxatives that sap their strength. It isn't expensive.

A GOOD SUGGESTION

A good citizen, who is ever alert and always active in the interest of the community, called this office early in the week, and made the following suggestion.

There are several families who have beans, peas, corn and other field and garden products who do not have the wherewith to buy cans to preserve them. There are also several families who have the time and would be glad of the opportunity to work up and can a lot of vegetables, pickles and such the like and take their pay in a portion of the goods. Now, the great question arises, to find families who are able to furnish the cans and will take canned goods for their pay.

This problem can be solved, and we would like to help bring the three parties together. Bulletin boards are coming into prominence and a good thing to do would be to list your needs and supplies on these bulletin boards, and if the Santa Anna News can be of service in running an exchange for the benefit of those who need work or have vegetables to let on the shares, we will be glad to cooperate.

Besides, if the Federated Clubs will take charge of the promotion and exchange of labor for vegetables and cans, we will donate the space for the bulletin board and cooperate in any way we can to further the cause.

Who will be next?

ANOTHER FREAK EGG

One day last week, while the editor was out on some errand one Oran Wallace, who lives out a few miles south of town, left an egg on our desk as large as an elephant egg should be, if there is such a thing, with the notation that, if the editor could eat three such eggs at one meal, he should be elected to the legislature, for people would know that he lived in Coleman County and possessed some kind of an augmented ability, what ever that is.

Well, we can doer, and if we had any assurance that such a deed of action would put us over we could chamber three such eggs at one meal and still look hungry. But the thing that we don't understand is, what is implied by having to eat three such products of a female fowl of some kind to either show that one lives in Coleman county, or would be qualified for the legislature? Maby friend Wallace thinks, according to the state budget and high tax rate, legislators should be kinder hogish like. If such be the case, I suggest that you let us off by eating one egg, say, about every-other day. Then go to Austin and work to reduce the overhead of this state in proportion.

All post cards and drop letters will continue to be acceptable at the present rate, but all first class letters now being recieved in the mails for 2c will require 3c postage on and after July 6.

MRS. NANCY BRANNAN BURIED LAST FRIDAY

Mrs. Nancy Brannan, who was 90 years old May 15th, one of the earliest settlers of this section of the state, died at the home of her daughter-in-law, Mrs. Carrie Brannan, 1200 Durham Street, at 6:45 o'clock Friday afternoon, June 10th.

Funeral services were held this afternoon at 2:30 o'clock at the residence and then the funeral cortege went to Santa Anna where interment was made. Dr. A. E. Prince, pastor First Baptist Church, officiated and White & London Funeral Home had charge of the arrangements.

Mrs. Brannan had lived the past 11 years in Brownwood, coming here from Santa Anna where she had lived most of her life being among the first people to settle in Coleman county. She was born May 16th 1842, in Kentucky, but came to Texas at an early age and settled at Santa Anna.

Her husband was the late W. W. Brannan and they were among the first, if not the first, couples who married in Coleman county after the county was organized. Mr. Brannan assisted in building the first Baptist church that was built at Santa Anna. The family was one of the pioneer families that helped to build this section of the state and is honored and respected by many friends. Mrs. Brannan had many friends here and at Santa Anna and her passing is deeply felt. She had been a member of the Baptist church for 75 or 80 years and was a faithful, devoted Christian woman.

She is survived by her daughter-in-law, Mrs. Carrie Brannan, three grandchildren, Miss Edith Brannan, Miss Johnnie Brannan and Mrs. Thelma Belser, and a grandchild, James Belser, all of Brownwood; several grandchildren and great grandchildren who live in Oklahoma, and one sister, Mrs. Fannie Lee, of Weatherford.

Pall bearers: Codie Smith, A. D. Frolythe, H. W. McGhee, J. H. Busbee, Wade Thomas, and Jim McCulley

The above was published in the Brownwood Daily Bulletin Saturday, June 10th.

Grand-Mother Brannan made her home in Santa Anna for more than 35 years, before moving to Brownwood to make her home. She came here when Santa Anna was only a small village and helped in many ways to build up the town and community, according to those who knew her during her active life. She moved from Santa Anna the year the present editor came here, and it never was our pleasure to know this good woman.

Another short funeral service was conducted at the cemetery here Saturday afternoon at 4:30 and the remains buried in the local cemetery.

SLUMBER PARTY

Miss Mary Alice Mitchell was hostess to a slumber party last Thursday night. The girls began arriving about 7:30, and the group enjoyed bridge, dancing, and all sorts of games practically the entire night. At 12:00, a mid-night feast was served consisting of pork and beans, tuna fish sandwiches, coffee, ice cream, and cake.

At 5:30, the wide-awake (?) bunch were served with a very appetizing breakfast. Some one then observed that it had rained and immediately went wading in the mud. By 7:30, the girls decided that it was high-time everyone "be off," and after bidding their hostess "au revoir," they were "off".

Those who enjoyed this gala affair were: Misses Mary Harriet Simpson, Mildred Boardman, Helen Turner, Rebecca Turner, Maurice Kirkpatrick, Frances Louise Adams, Besse Evans, Cathryn Rollins, Hettie Fae Todd, Aletha Blewett, and Miss Mary Sackett of Coleman and the hostess.

BRIDGE PARTIES FOR THE YOUNGER SET

Misses Mary Alice Mitchell and Hettie Fae Todd entertained last Wednesday and Thursday afternoon at the home of the former, with bridge parties for girls of the younger social set.

The home was attractively decorated with sweet peas and roses. Misses Aline Harper and Mary Harriet Simpson entertained with musical numbers. Ice cream and cake were served

to the guests after two hours of bridge. Wednesday afternoon, Helen Turner won high and Bess Inez Shield won low. Thursday afternoon, high score went to Irene McCreary and low to Mary Harriet Simpson.

Guests Wednesday afternoon were: Misses Beth Barnes, Reba Boardman, Era Hill, Bessie Evans, Helen Turner, Mildred Boardman, Annie Louise Watkins, Aletha Blewett, and the hostess. Those attending Thursday evening were: Misses Catharine Rollins, Kathryn Rose

Pinney, June Bond, Maurice Kirkpatrick, Frances Louise Louise Adams, Mary Harriet Simpson, Bessie Evans, Mildred Boardman, Aletha Blewett, Rebecca Turner, Helen Turner, Irene McCreary, June Bond, Annie Wilson, Frances Jones, all of Santa Anna, and Miss Mary Sackett of Coleman.

Jim Bob Gregg spent the week end in Rising Star, going home with Mr. W. M. Ghormley, who is selling the W. T. Rawleigh products in the southern part of this county.

Butterfly Nets Can Not Hold Dollars

The catch-as-catch-can scheme of acquiring quick wealth holds dramatic possibilities, but little promise when held in the light of past experience. Thru years of carefully planned guidance regardless of storms or calms, the First National Bank directors have safeguarded the interests of the depositors whose number has grown from a mere handful to the large number they now accommodate. Consultation is always gladly given.

We Have All Helped to Make ELECTRICITY your most inexpensive servant

The West Texas Utilities Company strives constantly to provide electric service more economically. That's one reason why your electricity is so inexpensive today.

There is another reason. With the rate schedule arranged so that the unit price is less with each additional use, our customers have reduced their own average rates by applying electricity to more and more of their household tasks.

This working arrangement between customer and company makes electric service constantly more useful and constantly lower in cost. As you make fuller use of the service, your rate is always going down.

ASSOCIATIONAL B. T. S.

Last Sunday afternoon the Coleman County Associational B. T. S. met in the First Baptist Church at Rockwood. Byron Holland had charge of the song service, with Amos Caldwell at the piano.

In the business session which was in charge of President Glen Gill of Whon, resignations of the Chorister, Junior Department Leader, and Intermediate Department were accepted, and others elected as follows: Chorister, S. W. Cooper of Coleman; Junior Department Leader, Mrs. U. Lewis of Coleman; Intermediate Department Leader, Lester Newman of Santa Anna.

Miss Letha Saunders of Coleman will make the new banners, one for each department.

The Banner Committee, composed of Lester Newman, Boss Estes, Kathryn Squyres, and the secretary, made the following awards: Primary, First Coleman;

Junior, Rockwood; Intermediate, First Coleman; Senior Coleman Junction; Young People, First Coleman; Adult, First Coleman.

Following a song by the First Coleman Primary Union, Mrs. W. W. Williams discussed the Oratorical contest. Queenie Gregg had charge of the devotional which was followed by the songs, "Jesus is Real and Precious to Me" and "He Whispers His Love to Me" by John and Hampton Caldwell with Amos Caldwell at the piano, and a duet, "When I Remember He Died for Me" by Andy Snyder and Mrs. Lillie Box. Amos Caldwell gave a special piano number, followed by a song, "Whisper a Prayer" by John and Hampton Caldwell.

The next meeting will be held in the first Baptist church of Coleman on July 10 at three o'clock.

Boss Estes led the prayer of dismissal.

THIS WEEK IN WASHINGTON

Washington, D. C. June 15.—If there was any question left in anybody's mind that both the Republic and Democrat National Conventions would declare for the submission to the people of a constitutional amendment repealing prohibition, that doubt was swept away when the foremost and most influential backer of the prohibition movement came out with a declaration in favor of repeal.

John D. Rockefeller, Jr., who with his father gave over \$350,000 to the Anti-Saloon League campaign, and who has been a constant prohibitionist, threw a political bombshell when in an open letter to President Nicholas Murray Butler, of Columbia University, he endorsed Mr. Butler's proposed resolution for the Republican Convention.

In conferences at the White House between James R. Garfield, son of the former President, who is to be chairman of the Resolutions Committee, of the Republican Convention, and others of President Hoover's political advisers, the prohibition plank has been shaped up almost exactly along the lines proposed by Mr. Butler and endorsed by Mr. Rockefeller. It will, in effect, declare the party's adherence to the Constitution, and point out that under the Constitution, while there can be no popular national referendum, there can be a submission to the various states for their ratification or rejection, of a new amendment authorizing states who desire to do so to legalize the liquor traffic, and guaranteeing to the states that want to remain dry the full protection of the Federal government in that effort. At the same time, it will distinctly oppose the reestablishment of the old-fashioned saloon.

The object toward which a

good many leaders in both the parties have been working, of taking the prohibition question out of the Presidential campaign by getting both parties to adopt identical planks, seems from this point of view to be gaining headway, although it is always unsafe to predict what a Democratic Convention will do. Having this outline of the Republican prohibition plank before them, Democratic leaders are between the devil and the deep sea. They can either follow the Republican lead, or they can make a gesture toward something broader and more popular. In other words, they can declare for a popular referendum. But that would be a mere gesture, designed to catch votes, because it would be necessary before such a referendum could be of any force whatever, for another amendment to the Constitution to be adopted, authorizing changes in that document by that means.

With all of the talk and excitement over the proposal to lend Federal funds to the states for use in productive or self-repaying public works, the intelligent leaders of both parties here do not expect very much to come out of it. One reason why the Administration was reluctant to advocate that policy was because of very definite information that most of the states don't want to borrow any money for such purposes. It was just one of those things done in a Presidential year for political effect, like a great many of the rest of the things done by this Congress.

A lot of the things that special interests were demanding of Congress, some of which might have got through if it had not been for the political conventions breaking up the session, will come up again when Congress meets next winter. Some of them will die in the meantime, but there are some proposals which will make headway and probably become law before this time next year. One of these is the general manufacturers' sales tax. It is the belief not only of its friends, but its opponents, that the public has heard so much and shown

so much approval of this proposal that it is certain to be put into the laws next winter. A good many of the taxes in the revenue bill that just got through are limited to terms of one or two years. Keep an eye out for the national sales tax as a fixed permanent government policy, after the election is over, no matter which party wins.

There is little likelihood, those closest in touch with such things say, of any kind of an additional bonus or other cash payment to veterans of the World War getting through. The indications are the other way. It is being brought sharply home to Congressmen and Senators that the demand for larger pensions and putting every man who was drafted or volunteered on the Federal payroll is limited to a noisy minority of the veterans. The conservative element among them, headed by Archie Roosevelt and his National Economy League, is demanding that so-called veterans' relief should be cut down rather than increased.

The presence in Washington of some eight thousand unemployed calling themselves veterans and demanding the immediate passage of a huge bonus bill hampered rather than advanced the efforts of those who would put this added burden on the taxpayers.

The Supreme Court did Mr. Hoover and his successors in the White House a good turn when it decided, for the first time, that the provision in the Constitution which gives the President ten days to consider any bill submitted to him by Congress applies to bills which may come into his hands on the very day of adjournment, as well as to those passed ten days before.

For 143 years it has been the custom for the President of the United States to go to the Capitol on the day when Congress was to adjourn and sit in the "President's room," signing bills, while the sergeant-at-arms kept moving the hands of the clock back to give time to have them all signed or vetoed before the hour set for adjournment. Last year Mr. Hoover had 173 bills to consider in half a day, and the number has sometimes been

greater than that. Now he has ten days after adjournment to make up his mind, and if he fails to sign any of them he doesn't have to give any explanation—it is just naturally dead.

THE PEOPLE OF TEXAS MUST DECIDE THE FATE OF TEXAS RAILROADS

THE WELFARE of Texas and Texans has gone and will always go hand in hand with the welfare of Texas railroads. Their dependency upon each other is absolute.

In 1929 Texas railroads gave employment to 82,956 employes, to whom they paid annually \$126,674,543 in salaries and wages. In 1930 this number decreased to 70,739 while the payroll declined to \$109,892,226. In 1931 the number of employes fell to 57,098 and the payroll to \$89,505,918.

This represents a decrease of more than \$37,000,000 in purchasing power in Texas communities. There has been a corresponding decrease in purchase of materials and supplies by Texas railroads. The ability to have maintained railroad payrolls and purchases would have been a very important factor in overcoming the present trying economic condition.

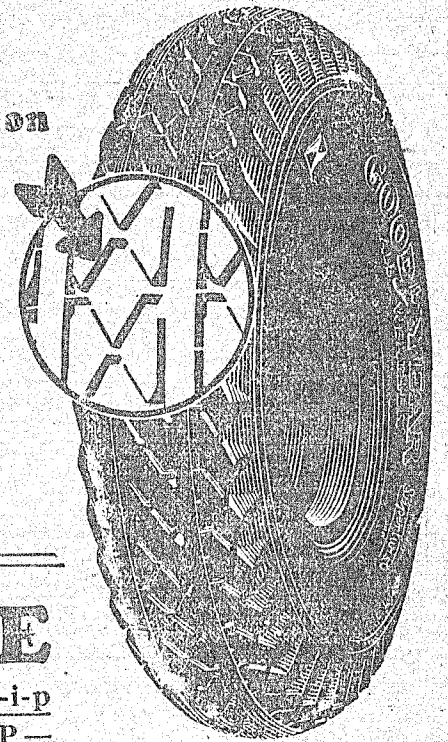

The decline in railroad payrolls and purchases is due only in part to economic conditions. The revenues of the railroads have been affected not only by business conditions but to a very large extent by loss of traffic to trucks and buses using the public highways in competition with the railroads.

The time has come when the people of Texas must decide whether the traffic of this state can best be carried by the railroads, using facilities which they built and maintain at their own expense, or by trucks and buses using the highways built and maintained at the taxpayers' expense.

Fat Man Reduces 53 Pounds—Oh Boy

Don't be stubborn, you big and fat men—throw off your fat before your fat throws you into the discard. Do as Mr. S. A. Lanier of Sawtelle, Calif., did—read his letter:

"I have used two reducing belts to no benefit but since using Kruschen Salts each morning in my coffee I have taken off 7 lbs. in a week and eat most anything I like. I weighed 243 lbs. 6 months ago and now I weigh 190 lbs."

Take one half teaspoonful of Kruschens Salts in a glass of hot water every morning—cut down on fatty meats, potatoes and sweets—now you know the safe way to lose unsightly fat.

For a trifling sum you can get a jar of Kruschen Salts that lasts four weeks at any drug-store in the world—but be sure and get Kruschen—your health comes first.
