"He Profits Most Who Serves Best"

SMOKE

FROM THE MOUNTAIN

Political talk started off with hang this week, not so much s a result of state and local elections, but because of the President's radio speech the other afternoon. We have heard more comment on that speech from local people than on all the rest of the Presi-Anna, but owing to rainy weapeople interested in governmental affairs. No matter whose side you are on, it is always a good sign to get interested in your own government because you are supposed to help choose

rett is serving as secretary of the Chamber of Commerce office here and is doing it gratis and is doing a fine job. But no one who has to make a living can donate a great deal of time to boosting Santa Anna free of charge and without an organization to back him. Let us hear from you.

Many Candidates Expected to Run In Office Races

The New Year will bring a round of politics for the city, county and state and it seems evident that many will enter races for public offices this

Unofficial indications show that unless something unforeseen happens, all present office lichers in the courthouse will run for re-election. It is expected that many not now in office will also announce soon.

Tax Assessor-Collector Frank Lewis expects a rush of poll tax payers before the dead line January 31.
