Citizens Jubilant Over Fine Rain

Farmers and business men alike are jubilant over the fine rain that fell throughout this section Monday night. The precipitation measured 1.16 inches and was several hours falling. We never saw a rain fall at a more opportune time, or fall more beautiful. Most of the small grain is threshed and feed crops were beginning to suffer. Cotton apparently was not hurting, but such a fine rain adds materially to the prospects.

OLD TIME COWBOY AND RANGER VISITS SANTA ANNA

F. W. Cottrell, whose home during the past ten years has been in Columbia, S. C., was in the Mountain City Tuesday and incidentally paid the News office a short visit. Mr. Cottrell was born in Comanche county 73 years ago, and was permitted to grow up here in this country during the days of Red men, cattle thieves and buffaloes. He has had experience on just all the early day cattle trails, and well remembers most all the pioneer cattle men. He served in an official capacity with the early day stock association, did ranger service and also served for several years as deputy U. S. Marshal, and was with the Secret Service Commission during the Hogg administration. Recently Mr. Cottrell visited with a brother near Brady who he had not seen for 35 years. His baby girl generally travels with him, was born in Guadalupe, Mex., during the Pershing punitive expedition, while Mr. Cottrell was being held prisoner by General Villa and his men. He was held four and one-half months. Mr. Cottrell expects to locate some where in this section of Texas and establish himself in the monumental business.

Mr. and Mrs. H. L. Voss spent Sunday in Miles. Mrs. J. P. Spence, mother of Mrs. Voss, accompanied them home for a visit.

Mr. and Mrs. D. R. Hill are visiting in Cisco this week.

Revival Meeting Making Good Progress

The revival meeting at the Baptist church has been making good progress, and Evangelist Whatley has been doing some real Bible preaching to a well packed house.

Several have joined the church, and others are expected to join before the meeting comes to a close. Mr. and Mrs. Joe Trussell have proven themselves worthy in every respect conducting the music and at the piano. The meeting will probably close Sunday.

BAKER-STEPHENSON

Thursday of last week, Mr. Jodie Baker and Miss Ruth Stephenson, two of Santa Anna's very popular young people, drove over to Brownwood, where they were united in marriage.

Mr. and Mrs. Baker are both prominent young people, teachers by profession, and came from two well known and highly respected families. They have a host of warm friends, who will join the Santa Anna News in offering congratulations and extending best wishes for a long, prosperous and happy wedded life. The happy young couple will make their home in Santa Anna, where Mr. Baker is one of the trusted employees of the Mathews Motor Company, and Mrs. Baker is one of the teachers employed to teach in the Santa Anna public schools the coming term.

Mrs. H. W. Kingsbery left last week for an extended visit in the west. First she visited her daughter at Pampa, Texas, and will leave this week for Colorado Springs, then go on to Denver, Colorado, where she expects to spend the remainder of the summer.

Miss Effie Baker, a missionary to Japan, is enroute home for a month's visit. Miss Baker, according to a message received by her parents, Mr. and Mrs. L. L. Baker, landed in Vancouver on July 12th and plans to reach Brownwood by Sunday—Brownwood Bulletin.

Advertisers---Read This

One of the big mail-order houses voiced its policy thru its advertising manager in a recent address in a distant city, thus:

"We have a bureau whose duty it is to read each week the county newspapers from all over the country.

"There is not a paper of any consequence in our trade territory that our bureau doesn't get. This bureau looks over these papers, and when we find a town where merchants are not advertising in the paper we immediately flood that territory with our literature.

"It always brings results far in excess of the same effort put forth in territory where the local merchant use their local papers.

"An advertiser who doesn't liberally patronize his own town-builder—his newspapers—is short-sighted, to say the least of it. It has been said that a town is as good as its newspaper."—Monty's Monthly.

National Guard Co. off to Encampment

Under command of Capt. Sam H. Collier, the local unit of the Texas National Guard, Howitzer Co., 142nd Inf., left last Thursday night for Palacios, Texas, where they will spend some three weeks in the annual state encampment. The company is composed of some sixty splendid young men and boys, and it is their intention to bring back with them banners indicating their rank at the top. Last year the company was awarded the banner for being the best drilled company attending the encampment.

KIRBY BROOKS GOES THEM ONE BETTER ON OATS

Kirby Brooks, who lives on the old Blake farm a short ways out of town, reports having threshed 1373 bushels of oats from 13.1-10 acres of land, an average of about 104 bushels per acre. So far this is the best report reaching our desk.

R. H. McCORMICK

Another one of the well known pioneers of this section passed away at the home of his son in the Trickham community last Friday. This was R. H. McCormick, age 81, a veteran of the war between the states, a good man and a good citizen. His remains were buried at Trickham Saturday afternoon. His wife preceded him to the grave by a few years. He leaves several children and a host of good friends of long standing. He has lived in Coleman and Brown counties, according to our information, for over 40 years. The News extends sympathy to the bereaved.

Bouchillon-Brooks

Miss Vera Brooks, accomplished daughter of Mrs. S. H. Brooks, who lives northeast of Santa Anna, was married Sunday, June 11, to Mr. Homer Bouchillon. The happy young couple left immediately for Brownwood for a short visit before returning to Santa Anna where they will make their home. Mr. Bouchillon is a promising young farmer.

The News joins their many friends in extending best wishes.

Mrs. C. W. Woodruff and two children left Wednesday for St. Louis to take a thorough examination in the McLains Sanitarium. Mrs. Woodruff was joined in Temple by Dr. T. Richard Sealy, who will accompany them on the trip.

D. M. Logan of Colorado City, and B. F. Logan of Coahoma, Texas, were visiting their brother, D. W. Logan here this week. The Logan brothers lived here in 80's and 90's, and were among the pioneer section men on the Santa Fe. D. W. returned home with his brothers for an extended visit.

Sudden Death of Allison U. Weaver

A. U. Weaver, one of the best known and most highly respected citizens of Coleman county, died at his home Thursday night, July 8, 1926, at 11:30 o'clock, after an illness of only a few hours.

The funeral services were held at the residence Saturday afternoon at 4 o'clock, Rev. Sidney F. Martin, pastor of the Baptist church, and Rev. J. Hall Bowman, pastor of the Methodist church, officiating.

In the sermon many tributes were paid to the life of the departed, whose example in this life was worthy of emulation, and who in death had the assurance of the presence of the Saviour.

Mr. Weaver was a man whom everybody liked, and his words of love and encouragement will be a comfort to loved ones and scores of friends throughout the years.

Pardon a personal reference, but we feel that we would not be satisfied without referring to an incident that came up in our own relations with A. U. Weaver. It was five years ago, when the writer of this paragraph was a stranger in Santa Anna. We moved here with pure motives and good intentions, but was discouraged over the surroundings that confronted us, however, we were making the fight of our life to get on safe footing and good standing in the community, and we well remember A. U. Weaver was one of the first business men in the town to come in and offer some real words of encouragement that has stayed with us until this good day. In his own language he said: "You are on the right road and bound to win. When a man lays the foundation you have laid and starts his building with the material you are using, success will surely crown his efforts, and I just called in to tell you that I am both with you and for you." Can we ever forget those words? We say no. They are indelibly planted in our memory and have been a source of comfort and encouragement to us every since they were spoken.

The beautiful floral offerings attested the esteem in which he was held.

Deceased was a son of the late Col. and Mrs. A. G. Weaver, and was born Dec. 3, 1874, in Leon County, Texas. In 1892 he moved with his parents to Santa Anna, where he remained until his death. On July 23, 1907 he was married to Miss Annie Morse of Brownwood.

Mr. Weaver was owner of the Telephone Exchange here for twenty years, and was considered one of the best business men in the county.

He is survived by a loving wife, five sisters and six brothers, as follows: Mrs. Alice Bennett, Eden; Mrs. R. D. Moore, Fort Worth; Mrs. E. M. Critz, Coleman; Mrs. Nettie Mitchell, Santa Anna; Mrs. A. B. Strozier, Houston; A. C. Weaver, Dallas; Norman Weaver, Wichita Falls; Dr. Thad W. Weaver, San Antonio; Burgess, Ernest and Leon Weaver, Santa Anna, all of whom were present at the funeral except Dr. Thad and Norman Weaver, who were not able to come.

Out of town relatives of Mrs. Weaver attending the funeral were Mr. and Mrs. Chas. L. Tarver, Lewis Tarver, Mrs. H. S. Tarver and Fannie Ada Tarver, all of Dallas.

The active pall bearers were V. L. Grady, J. Len Phillips, J. O. Martin, A. R. Brown, W. I. Mitchell, F. C. Woodward, P. P. Bond, Howard Kingsbery, D. J. Marshall, Roger Hunter.

Honorary pall bearers were Jodie Mathews, Dr. R. R. Lovelady, G. W. Faulkner, Willis Ashley, Ford Barnes, O. L. Cheaney, Ben Parker, Stafford Baxter, C. W. Woodruff, H. W. Kingsbery, R. C. Gay, Leman Brown, Roy Stockard, Fred W. Turner, Sr., Dr. I. Richard Sealy, J. Frank Turner, Ben H. Melton, John West, I. Shield, F. C. T. M. Hays, S. W. Childers, J. D. Simpson, R. J. Marshall, E. G. Overby, S. D. Harper, A. E. Switzer, J. Tom Padgett, Coleman, W. T. McGra, W. R. Roberts, Brownwood.

Among the out of town friends attending the funeral were Mr. and Mrs. H. M. Thomson, Mrs. Chas. Polk, Mrs. Robert Bailey, Mr. and Mrs. J. Tom Padgett, Mrs. H. O'Hara, Mrs. Lela Johnson, Mr. and Mrs. Walter Woodward, Mrs. Leon Shield, Mrs. Karl Wallace, Mrs. Will McCulloch, Rep. and Mrs. Lancaster, all of Coleman; Mr. and Mrs. W. R. Roberts, Mr. and Mrs. R. B. Rogers, Mrs. John Brennan, Mrs. Coleman Spratt, Mrs. Arthur Bell, Mr. A. P. Jones, Misses Edith Brannan, Ruth Rogers, Pinkie and Hattie Noel, all of Brownwood; Mr. Campbell Scott of Abilene and Mrs. Striblin of Waco.

The sympathy of the entire community is extended to the devoted wife and relatives.

I. O. O. F. Visits Santa Anna Lodge

Last Thursday night about 20 members of the Bangs Lodge, I. O. O. F. attended the lodge at Santa Anna, and put on some degree work. All report a good time and heard many interesting things for the good of the order.

We now and then hear of very interesting things. In baseball circles in the east they boast of their Baby Ruth. Our Odd Fellows lodge takes pride in its Baby Smith, "Uncle Bird" 49 years and six months a member in good standing, the oldest member in the State of Texas.—Bangs Gazette.

BURNEY PHILLIPS

Burney, the little afflicted 15 year old son of Mr. and Mrs. R. W. Phillips of the Plainview community, answered the final call last Saturday, and passed on to his reward where he will never have to suffer any more pain. Burney was a paralytic, and has suffered more than any one could tell for several months. His humble parents and the good neighbors did all that were in their power, but no relief could be found. His remains were buried in the cemetery at Plainview Sunday afternoon in the presence of a large number of relatives and sympathizing friends. The News very tenderly extends sympathy to the bereaved.

Whit Hardy, Tom Wheeler and Jeff Horner went to Comanche Sunday.

THE REVIVAL AT CHRISTIAN CHURCH

The revival at the Christian Church is to begin on Friday night, July 23rd. You are cordially invited to attend this meeting. All singers are urged to enter the choir upon arrival at the church. Make yourself perfectly at home and don't wait to be invited after you arrive.

Evangelist F. W. Strong has the right name. He is one of the strongest gospel preachers in Texas. He and his singer both live in Ft. Worth, and are well known in Texas, as well as many other states. You will be well paid for your trouble if you come to the meeting.

Some commendations by well known ministers:

"F. W. Strong knows no substitute for the Gospel of our Lord, and he preaches this in fervency and love.—Chas. McPherson, Chair New Testament, Brite College, Texas Christian University.

"Brother Strong is a great soul, a Christian gentleman, humble and consecrated, a great teacher and preacher of the word. He is wonderfully successful in all of his meetings, being called back from two to five times at the same place.

"Sister Wofford is a lovely, consecrated Christian, and is one of the most inspirational singers I ever heard, lifting her audiences heavenward in an unusual way."—Evangelist John W. Tyndall, Atlanta, Ga.

"I regard F. W. Strong as one of the most unique evangelists of our age. He believes and preaches the word with unusual success."—Minister A. D. Rogers, Memphis, Texas.

"Brother Strong was our pastor for eight years, and during that time and since, has held several revivals for us. He is a powerful Gospel preacher. A tireless worker, and knows but the Book in his preaching. Miss Wofford is one of the sweetest singers it has been my privilege to hear, is a splendid personal worker, has no superior for organizing the children for singing, and is always ready to devote her talent to the Lord's work and for the benefit of humanity, when in a meeting. They are undoubtedly one of the strongest teams we have in the evangelistic field."—Matt Bradley, Togo, Texas.

These are only a few of the good things said of this great Gospel team, by men who know them. COME AND HEAR THEM! COME AND SEE!
A. L. Oder, pastor.

WHAT'S DOING IN WEST TEXAS

Littlefield—Captain Arthur P. Duggan, president of the West Texas Chamber of Commerce will make his first tour of West Texas territory during the month of August. As planned at present he will open his tour at Big Spring August 9th and will visit the recreational sections of West Texas and eastern New Mexico. He will visit the Davis Mountain section and attend the district convention in Marfa August 12th, then will swing west to El Paso and go into eastern New Mexico to attend the district convention of the West Texas Chamber of Commerce in that district August 16. It is expected that he will open his campaign for equalization of taxes on this tour. He will be accompanied by Mrs. Duggan also manager and Mrs. Wade.

Washington, D. C.—The West Texas Chamber of Commerce intervened in the recent hearing of the Department of Agriculture relative to control of the Thurberia weevil which is ravaging the cotton fields of Arizona. The West Texas organization strongly urged regulatory measures to prevent spread of the pest to West Texas and was instrumental in getting measures passed which it is believed will control the weevil.

Colorado—Work has started on a new five-story hotel for Colorado.

Marfa—The Davis Mountain Big Bend district convention of the West Texas Chamber of Commerce will be held here August 11. Arrangements have been made to care for a large attendance. High officials of the West Texas Chamber including president Arthur P. Duggan will attend.

Pecos—The Pecos Valley will celebrate here July 20 with a big all day jollification. The celebration is in honor of the successful fight for the appropriation for Red Bluff Dam on the Pecos River. Congress recently appropriated two million dollars for the project and President Coolidge has signed the bill. This project will reclaim half a million acres of land and is expected to bring a big period of development to the Trans-Pecos country. A barbecue will be prepared for twenty thousand persons and it is expected that many will be here on July 20. Pecos invites West Texas to join in the celebration.

Lubbock—Lubbock will be host to the Texas Commercial Executives Association July 22-23-24 when more than one hundred commercial executives from all over Texas will hold here their three day convention and school.

Artesia, N. M.—The eastern New Mexico district of the West Texas Chamber of Commerce will hold their annual meeting here August 16. Artesia is planning a big event and heavy attendance is anticipated.

Lamesa—William A. Wilson former secretary of the Munday Chamber of Commerce has assumed his duties as secretary of the Lamesa Chamber to succeed C. T. Watson resigned.

San Antonio—Porter A. Whaley former manager of the West Texas Chamber of Commerce has arrived in San Antonio to assume his duties as secretary of the local organization.

Amarillo—The greatest wheat crop in years is now being threshed on the plains. The Santa Fe Railway reports that there is a great scarcity of cars to handle the crop despite the fact that they had concentrated eight thousand cars in anticipation of the needs. Increasing use of combine harvesters and threshers has sped up the movement of grain and swamped the railway service.

Plainview—Work is progressing rapidly on the new elevators of the Harvest Queen Mill here. When completed this mill will have storage capacity ranking with the largest in the entire country.

Alpine—A determined effort to exterminate wolves in this section of the state is bearing fruit. A comprehensive system of poisoning is under way with 11 stockmen co-operating. Literally hundreds of coyotes and number of lobo wolves have been killed.

A WISE JUDGE

A Chicago, Ill. judge sentences a bad boy to stay in the company of good books. He will work on schedule. His reading will be supervised and he will have to report regularly on the things he has learned. That judge shows an understanding mind and heart; his plan is worth watching. Bad companions spoil many boys; good books are the best companions a growing boy can have; and they never will lead him into mischief or worse. Entertainment, instruction, inspiration—these come from comradeship with the best books; and every boy needs all three.

Good morning, judge, and good luck!

Mr. Theodore McCaughan entertained a group of young men with a theatre party Tuesday evening. Those present were Theodore (Teddy) McCaughan, G. A. (Rip) Ragsdale, J. A. (Jack) Allen, W. B. Later light refreshments were served at Walker's Pharmacy, one course of ice water. It was Mr. Theodore's birthday, July 18, 1926. All reported an enjoyable evening.

RESPECT FOR THE FLAG

The effort to teach people to show respect and courtesy to the flag, is something more than a superficial point of good manners. People should be made to see that it shows lack of intelligence and fine sentiment to fail to make this manifestation of loyalty.

The people owe an incalculable debt to their country. It is our country which gives us our freedom, our education, the chance to make something of ourselves. Not to acknowledge this debt by a simple and graceful respect to the flag, is like failing to be courteous to one's parents.

Mrs. Grady Atkins is visiting her parents, Mr. and Mrs. H. L. Lackey, enroute home to Winters from Hillsboro where she has been visiting.

GETTING AN EDUCATION

In the matter of acquiring an education, a bank account may be a material help, or it may defeat its object. One thing is reasonably certain—if a boy wants an education he will get it regardless of money. If his aspiration is for sport and a good time, the more money he has, the poorer his prospects for an education. All the endowments can't put a boy over unless he wants to go.

TRICKHAM CANNING CLUB

On Tuesday, July 6, our club met at the home of Mrs. Lewis Newman. The afternoon was spent in canning the following vegetables: Corn, peas, cucumbers, squash, beans and okra. One hundred and thirteen cans were canned.

As our old canner was beyond repair, a new one was purchased. Over three hundred cans have been canned, mainly corn and peas, by various members of the club since our last meeting.

Our next meeting will be on July 20, at our club room. We would like to have more new members.—Reporter.

MRS. C. L. LAYMAN

Mrs. Mary Lula Layman was born Jan. 7th, 1885; departed this life July 10th, 1926. Born at Cherokee, Texas, and moved to Grosvenor, Texas, when a small girl. Professed faith in Christ in 1900, and has lived a consistent Christian life. She was married to C. L. Layman December 21st, 1903. To this union was born two children, Dellon and Allie, which together with her husband survives her.

It seems to us that her stay on earth was short, but we thank the good God above for the sweet memories of her beautiful character, and especially for her Christian fortitude during the years of illness. She is gone, but will never be forgotten.

A Friend.

The above remarks were contributed by a good friend and we are proud to give them space in our paper. The remains of Mrs. Layman were carried to Grosvenor Sunday for burial. The Santa Anna News joins other friends in extending sympathy to the bereaved.

Thursday of last week Mrs. H. A. Schroeder entertained with a bridge party. Mrs. O. C. Petty won high score and received a silver butter knife and Mrs. G. W. Faulkner won low score and was awarded a handkerchief. Shrimp salad, olives, potato chips, ginger ale and cake were served to three tables.

Tax Collector J. C. Lewis Makes Statement to Coleman County Voters

Since the duties of the Tax Collector's office are such that it requires practically all of my time to attend to them, I will be unable to see each and every voter of the county, as I should like to do. This is especially true of the lady voters, as I have had occasion to meet the men in the office and on the streets. Please bear in mind that I am trying to give you the kind of service that I think you are entitled to, even though I am deprived of the privilege of seeing you personally, as many other candidates are doing and I should like to do were it possible.

I am asking for re-election strictly on the record which I have made in this office and I respectfully request that those of you who are not familiar with my work make an investigation of my record before casting your vote.

Yours truly,
J. C. LEWIS.

JOHN L. DODGEN

John L. Dodgen, 79, died at his home 5 miles northeast of town Tuesday night after a brief confinement. Mr. Dodgen has lived here for 35 years and was a good citizen, honest in his dealings, honorable in his conduct and in every way a respectable citizen. His remains were buried in the West cemetery Wednesday, following an impressive funeral service at the Baptist church, held at 3:30 in the afternoon. Pastor Sidney F. Martin conducted the funeral, assisted by Evangelist H. R. Whitley and Joe Trussell. The following paper was read at the funeral, which speaks well of Mr. Dodgen as having lived a life of service.

John Lewis Dodgen was born May 25, 1847, at Rome, Floyd County, Ga. April 2, 1861, at the age of 14, he entered into Company D, 29th Georgia Volunteers of the Confederate Army. He served under Joseph E. Johnston the latter part of '60 and '64, then under M. B. Forest in the Cavalry. During his four years of service, which was to the end of the war, he was wounded twice. In the battle of Chickamauga and Pulaska, Tenn.

Feb. 2, 1868 he was married to Patteness Ann Pope, in their home town. In the latter part of '69 they moved to Arkansas, and lived there until Oct. 1, 1876; moved to Washington County, Texas, and lived there for 16 years. While there in 1878 he joined the First Baptist Church at Clinton, Texas. In 1891 he moved to Coleman County and resided here until his death July 13, 1926.

He and his wife had 8 children, of whom 5 are living: Mrs. J. P. Newman, Santa Anna; Mrs. I. C.

Cooper, Ft. Worth; Mrs. E. R. Cammack, Sulphur, Okla.; Mrs. W. H. Pruitt, Roscoe, Texas; Mr. J. W. Dodgen, Coleman; Mrs. D. E. Whitaker, Seminole, Texas. He also leaves five brothers, one sister, and his companion of 58 years. Two of his brothers and their wives were here for the funeral.

In his passing the Santa Anna News loses a good friend and supporter, and we very tenderly extend our sympathy to the bereaved.

Marlin Smith of Silver Valley will appreciate your vote and influence for Tax Collector of Coleman County. Why not vote for me? I have never held office. Consider myself qualified and received nearly 2000 votes for this office in 1922.

Could You Save a Life?

This is the time of the year when the old swimmin' hole is at the height of its popularity. There is nothing quite so refreshing as a plunge into cool water in the heat of the dog days. It is great sport. But, like most other sports, swimming is fraught with danger. And in your newspaper nearly every day at this season of the year you may read where some life has been lost through carelessness or mischance in the water.

Many, many of those who are lost in this manner every year could and would be saved if prompt and intelligent rescue and first aid were at hand.

Every boy and girl, every man and woman should know first of all how to swim. And in addition every one of them should know how to rescue others from the water and what to do to revive a drowned person.

If you do not know how to go about reviving a victim of drowning, learn how. Learn how by all means! On your knowledge may depend some day the life of a friend or a brother or a little child.

Every regular employee of this company knows how to apply the prone pressure method of artificial respiration. And that method will save a victim of electric shock, drowning, or gas asphyxiation if anything can save him. Ask any of them to show you how it is done. You can learn it in five minutes so that you will never forget. Then practice until you are expert.

Lesson for July 18

THE CALL OF MOSES

LESSON TEXT—Exodus 3:1-12.
GOLDEN TEXT—Certainly I will be with thee.—Ex. 3:12.
PRIMARY TOPIC—Moses at the Burning Bush.
JUNIOR TOPIC—Moses, the Shepherd.
INTERMEDIATE AND SENIOR TOPIC—Facing a Great Opportunity.

I. The Lord Speaks to Moses From the Burning Bush (3:1-6).
It was while keeping the flock of his father-in-law in the desert that the Lord appeared to Moses in the vision of the burning bush. Moses stepped aside to behold this strange sight and was taught the essential lesson of the proper approach to God. The Lord did not leave him long in suspense. He told him that He was the God of his fathers, the covenant God. As soon as he knew that it was God that was speaking to him, he hid his face.

II. Moses' Commission as the Deliverer of His People (3:7-10).
Observe:
1. God's active interest in His people (v. 7).
In a preamble of this commission God declared:

(1) "I have seen the affliction of my people." So keenly conscious is God of all that goes on in the world that not one of His chosen ones can be touched without His notice.

(2) "I have heard their cries." We sometimes feel that God does not hear, but no cry ever goes up from the heart of His covenant child unheard.

(3) "I know their sorrows." Many indeed are the sorrows of God's children. They are so diverse, but He knows all about them and will adapt Himself in grace to their need.

2. God's gracious obligation to His people (vv. 8, 9).
(1) To deliver them out of the hand of the Egyptians.
(2) "To bring them up out of the land."
(3) "To bring them into a good land and large—unto a land flowing with milk and honey."

3. God's commission to Moses (v. 10).
"Come now, therefore, and I will send thee unto Pharaoh that thou mayest bring forth my people, the children of Israel out of Egypt."

III. Moses' Objections Patiently Heard and Removed (3:11-14:10).
1. His personal unworthiness (v. 11).
He said, "Who am I that I should go unto Pharaoh?" He realized his insufficiency for this task. Moses did not refuse to go, but laid his difficulty before the Lord. God answered this difficulty by assuring him that He would be with him.

2. The difficulty of the people to understand Moses' relationship to God (vv. 13, 14).
Moses knew how unwilling they were to acknowledge him as their deliverer forty years before. Since God changes his name as he assumes a new relationship to his people, Moses inquired as to what that new relationship would be and his corresponding name. The Lord promptly met this difficulty by showing a name differing in many respects from all others previously given. This new name is "I am." This name is from the Hebrew "to be." It indicates:

1. God's self-existence.
It sets forth the idea that God is the self-existent one and the source of all existence. There is no existence apart from Him.

(2) His self-sufficiency.
He said, "I am that I am." God is the unique one. He is not dependent upon any other existence.

(3) His unchangeableness.
"I am that I am" may be expanded to mean, I am what I always was. What I always was and am I always will be. The "I AM" of this passage is the Jesus Christ of the New Testament. Therefore the apostle could say, "Jesus Christ the same yesterday, today and forever."

3. Unbelief on the part of the people (4:1).
This difficulty the Lord met by supplying him with credentials which could not be gainsaid. He was given the power to perform supernatural wonders (4:2).

4. Lack of eloquence (4:10).
He confessed that he was slow of speech and of a slow tongue. His ability to speak had not been improved by the Lord's message to him. The Lord's reply (v. 11) carried a real rebuke. He assured him that the God who had made man's mouth could give man the ability to use it. This difficulty the Lord in His infinite patience met by providing an assistant in the person of his brother Aaron.

The Truth

Next to the Crucifixion of the Lord Jesus Christ there is no truth that you and I need more to lay hold of than the truth of the living Christ—alive today, and personally present with all who trust in Him.—C. A. R. Janvier.

Need of Prayer

LETTER FROM NEW YORK

(Miss Adaline Parker composed the following letter while enroute and shortly upon her arrival in New York City, addressed to her father, H. J. Parker of this city.)
Dear Dad:

Am now on the train bound for New York City. I don't have to change any more until I get there. I got into Chicago this morning about 8:15 and the through train left at 10:45. So I am now out on Lake Michigan. It certainly is a beautiful place. We just passed a place where there were lots and lots of rock out in the lake. I guess that is what you would call a Rock Island. We are now passing the Portland Cement Co. Gee, but it is a big place and everything around here is covered with dry cement. I saw about fifteen or twenty large steamships. There are lots of ducks or birds of some kind flying over the lake and it sure is pretty. I passed over the Missouri River yesterday evening about 8:00, and over the Mississippi about 1:30 a. m., Friday. Gee, I never saw so much smoke in all my life as these steel and tin plate mills make. It looks heavy enough to walk on. I will get into N. Y. Saturday at 3:30 p. m. I wired Aunt Lida, just as soon as I found out. Did you get the package I sent you? How did you like it?

I surely have been seeing lots of beautiful scenery. I saw a place in Crusher, Okla., which reminded me of N. M. We followed the river in between the mountains. We passed a large abandoned coal mine this morning and the waste was piled up as high as our mountain.

They certainly have had the fires in Chicago, about four or five blocks have a few of the walls left, but very few.

Sunday in N. Y.
Well Pops I have seen some of N. Y. now and I haven't moved my specks. I went all up in Northern New York and came down the Barge Canal through the Adirondack Mountains along the Hudson, by the Catskill Mountains, and straight to New York City. I didn't get off the train from the time I left Chicago Friday morning at 10:45 until I got to New York City Saturday evening at 3:30. I wasn't a bit afraid when we got into Grand Central station so I just walked out with the rest of the people to the upstairs and I heard some one call "Adaline" and I looked around and there was Aunt Lida and John Gilbert. Then we left the Grand Central Station and took the subway over to the Penn. Station to see about my trunk but it had gone back to Asbury Park, N. J. so then we took the subway and came home.

Last night we walked around a little while. Aunt Lida lives on the heights which is above the rest of N. Y. It is a new part of the city, and she lives just over a park, gee but it is pretty. She lives about four or five blocks from the Hudson River; New Jersey is just across the river. John Albert just asked me if I craved nourishment, so I guess I had better quit.

We went down to the docks to meet Uncle Albert this morning; he had been to Jacksonville, Florida on a two weeks vacation. I surely do like him. He is a real small man, not but just about an inch taller than I am, and has a small red mustache, and light red hair, he is mostly bald on top, but is a real nice looking man. J. A. certainly is a funny kid. Aunt Lida and Uncle Albert surely do seem crazy about him. His school is out about the last of June. He doesn't favor Aunt Lida in any way.

Aunt Lida has been begging me to stay here this winter and go to school. I have a small room, to myself and she hasn't any other people living here now.

We rode down to the docks on the elevated railways. I like them—lots better than I like the subways because you can see lots above ground.

I saw the Woolworth building this morning on our way to the docks. It occupies a plot 152x197 feet at Broadway and Barclay Streets. It is 730 feet high and 55 stories above the ground. The foundation consists of caissons 19 feet in diameter sunk to bedrock, 110 to 130 feet below the ground. The total cost of \$15,000,000. The Singer Tower is a pretty building too.

I wish you could come to N. Y. the same way I did. The Adirondack Mountains and Catskills are beautiful. The Hudson and the Barge Canal run right at the foot of the mountains. The Barge Canal begins way up in Northern N. Y. and comes to Albany then it runs into the Hudson. They have some beautiful large buildings over the river. Tell Bonnie she should go to the Catskill mountains to get her some ferns. The ferns there just cover large tracks of the mountain side and water lilies all over the water. The tall pine, fir and white elm all over the mountain side, nothing but ferns under them make a beautiful scene.

Aunt Lida's Persian Cats are beautiful. Solid white and their mother "Topsy" is a large black cat with white legs. She is an awful timid cat, but she came right up to me and began purring and crawled under my arm. Aunt Lida and Uncle Albert said I should feel honored because she took up with me so quickly. When we came back from the docks the cats had the large table lamp off of the table, waste baskets turned over and Uncle Albert's house shoes dragged out in the middle of the room.

When I got to Chicago the man told me I didn't have to come by Asbury Park, N. Y., that it was just a side trip and that I could come on to N. Y. state, then down through it and that I could go from here to Asbury Park any time I wanted to.

I sure did wish for the kodak, coming down the Hudson. Will you send it to me? I want to take lots and lots of pictures. Do you want me to send you lots of post cards or had you rather have letters?

It is like night in the apartments here, we have to keep electric lights burning all day and night to see how to get around. It is 4:30 here now, but it is about 1 there. They have daylight saving time here.

Well, guess I had better quit for this time. Lots of love.
Adaline.

STAR PARASITE REMOVER

GIVEN FOR IN DRINKING WATER OR MIXED IN FEED THOROUGHLY

It kills all mites, fleas and blue bugs, destroys lice, ticks, and all insects that infest the system and prevent disease. Better than any other remedy for improving the appetite, purifying the blood, toning the system and preventing disease. Better than any other remedy for curing cholera or polio. Can be given to all ages of chicks, old fowls and turkeys, any kind of weather with good results.

Its cost is very small—only one dollar bottle will last 100 fowls more than 120 days. The manufacturers are anxious for all poultry raisers to try it 60 days at their risk on the following conditions: After using 60 days if your flock has not improved in health, produced more eggs—can that hatch stronger and thrifter young chicks—come back to your dealer to be authorized to refund your money.

How Concrete Streets Met Severe Conditions in Greenville

Who in Texas has not heard of Greenville's slogan "The Town with the Blackest Land and the Whitest People."

Black land, which has made Hunt County and Greenville one of the wealthiest sections in Texas, also has its disadvantages. Gravel and macadam surfacing placed on streets with such a foundation will not meet the needs of present day traffic. Any but the best of pavement under such unfavorable conditions is false economy.

The city officials of Greenville met this vexing problem by adopting portland cement concrete for their streets. More than 95,000 square yards of business and residential streets have been paved with rigid, skidproof concrete. Street paving expense has been met in the first cost and now the property owners will receive dividends in satisfaction and service.

No matter how difficult your paving problems, they can be solved with concrete. The service of our field engineers is at your disposal.

All of the facts are in our free booklet "Concrete Streets." Ask for your copy.

"Sally, Irene and Mary"
Story of Stage

"An expose of Broadway, as it is," is the way Edmund Goulding describes "Sally, Irene and Mary," his production which will be shown at the Queen Theatre Monday and Tuesday. "I believe this is the first true story of the stage," he continues. Goulding was brought up on the stage, having toured with "Alice in Wonderland" when he was a child, later continuing his theatrical career in London, Paris, New York, Seville, Florence and Marseilles. Naturally, he is able to give real atmosphere to his production. Constance Bennett, Joan Crawford and Sally O'Neil have the three title roles with William Haines featured as Jimmy Dugan. This is a screen story by Goulding based on the play by Ed Dowling.

CARD OF THANKS

We wish it were possible for us to go in person to each of our friends who comforted and in any way aided us during our long months of trials while our little boy, Burney, lingered with us in his afflictions, and during our bereavement in his passing away, but it is not. Our hearts are filled to overflowing with gratitude, and our love for our neighbors has been greatly augmented. Words are inadequate to half way express our appreciation. May God, through His goodness and mercy richly reward you all.

Pains disappeared
"SEVERAL years ago I was badly run-down," says Mrs. John Bunch, R. F. D. 3, Columbia, S. C. "I could not do any of my work. I was so weak I could not wash a dish. My back and sides hurt me at times dreadfully. I dragged around until I finally got down in bed." Then, explains Mrs. Bunch, she happened to read about Cardui, the woman's tonic, and decided to give it a thorough trial, the results of which she describes below:
"It seemed to reach the cause of my trouble at once. I did not take it long before my appetite began to improve. I gained in weight from 114 pounds until now I weigh 125 pounds. I soon was able to be up around the house. I took up my household duties and was delighted with my returning strength.
"I now do all my own work. The pains in my sides and back have disappeared and I feel like a different person."
Cardui has been helping suffering women for nearly 50 years. Sold by all druggists.
