Floydada Whirlwinds Win

55-6 Over Muleshoe Mules

It was a long night for the Muleshoe Mules Friday night when they battled the Floydada Whirlwinds at Floydada. The Whirlwinds came out on top 55-6.

breeze to their backs, the Mules kicked to the Whirlwinds. The Whirlwinds returned the ball to their own 33 yard line, where it was put into play. Floydada took the ball and raced straight up the middle for a 12 yard pick up on the play.

Putting the ball into action on the Mules 49 yard line, the Whirlwinds picked up six yards on the play. After a few plays and first downs, the Whirlwinds scored from the Mules three yard line. The kick was good and with 8:14 left in the quarter, the Whirlwinds led 7-0 over the Mules.

Floydada kicked the ball to the Mules. The Mules returned the ball to the Whirlwinds 28 yard line. Being unable to move the ball, the Mules were forced to punt the ball away. Roughing the kicker was called against the Whirlwinds. The Mules kicked the ball again and the Whirlwinds put the ball to play on their own 32 yard line.

The Whirlwinds picked up a first down on the next play. Penalties hurt the Floydada Whirlwinds and they kicked the ball back to the Mules with 3:15 left in the quarter. Flags were on the play and illegal procedure was called against Floydada. Again they kicked the ball back to the Mules.

Unable to move the ball, the Mules were forced to punt the

ball away with :37 seconds left in the quarter. The score stood 7-0 at the end of the first quarter.

The Whirlwinds picked up 37 yards in four carries and with 11:02 left in the quarter, Floydada raced into the end zone. The score was 14-0 Floydada.

Again the Mules were unable to move the ball and were forced to punt the ball back to Floydada.

Floydada put the ball into action on the Mules 37 yard line, and three plays later, the Whirlwinds scored on a 11 yard touchdown. The score was 21-0 with 8:00 left in the half.

The Mules put the ball into play on their own three yard line and after picking up a little yardage, Muleshoe punted the

MISD Board

To Meet Monday Night

The Muleshoe Independent School District board will meet at 7:30 p.m. Monday, October 28 in the School Administration Building with the following items on the agenda.

Following the invocation, visitors and school officials will be recognized.

Following the approval of the minutes of the previous meeting an open forum with audience participation will be the next item of business.

A discussion on the revisions to the Board of Trustee voting districts, based upon the 1990 census, will be held and appropriate action taken.

The 1991-92 budget will be amended and a report on TEA Compliance Monitoring Visit will be given.

A tax collection report will be given along with bank balances, and fund balances will be given. Payment of current bills will be considered.

Informational reports will be given by the board president, superintendent, assistant superintendent for operations, assistant superintendent for instruction and business manager will be given.

Following these items of business the board will go into executive session.

Local Hospital Board Reviews Various Options

The Muleshoe Area Medical Center board of directors met Thursday, Oct. 24 for their regular board meeting. Richard Murphy, administrator, gave a report on the financial condition of the hospital. Murphy stated that he had talked with the Bailey County Appraisal District and found that 95.31 percent of the 1990 taxes had been collected. This was slightly above that collected one year ago.

"September cash collection was up, compared to the last three months," Murphy said. "We still have some bad debts that have been to the collection agency and now they are going to the small claims court."

A lengthy discussion was held concerning the possibility of opening a rural health clinic. It was reported that a large number of the cases going through emergency at the present time could easily be seen in this type clinic. The clinic would be staffed with either a physician assistant or a nurse practitioner. The advantages of having this type of clinic, which would be open nights and weekends was given.

"We've done a lot of stretching in September, but we are

quickly reducing our accounts payable," Murphy continued.

A report was given on Muleshoe Health Care Center. It was reported that it was almost full at this time, with only one private room available at this time and a few beds in the semi-private rooms.

Renovation of the hospital kitchen was also discussed. After being discussed at length, it was decided to postpone the new floor until spring.

The board voted to purchase a new Blood Gas machine. In the past patients have been taken to Littlefield. "If we are going to practice medicine, we must have equipment," Murphy said.

The group also discussed the

purchasing of a Colonoscope.

A Cardiac Rehab Center was also discussed. Murphy reported on the center Brownfield and Lamesa have developed. The exercise center offers aerobic style exercise. "We now have the opportunity to get a building," Murphy said. "It's an opportunity to create revenue and be a service to Muleshoe. We could use our present staff (physical therapist) and would need one RN and a receptionist. It's one way to utilize our physical therapist."

Murphy asked for the authority to pursue the matter.

With no further business, the meeting was adjourned and the board went into executive session.

Boy Scouts Receive Awards At Pack Meet

A. B. Corzine, of Center Point, last year tried planting a part of the cotton with the third row out, and was so well pleased with the results that this year he planted all the cotton with the third row out. At the present time he is picking or will pick one third bale per acre on 150 acres of cotton while one of the neighbors on the same farm will get only 25 bales off 110. Both farms are terraced and have only a turn row between the two crops. Mr. Corzine states that he will get a better yield off the land that is planted to good seed and that he is going to plant all the cotton with the good seed saved off this year's crop.

Pecos Bank Names Holt Vice President

The First National Bank board of directors has announced the appointment of a new senior vice president and lending officer, Jim Holt, who has had a 28-year career in the Production Credit Association System.

Holt started his career with Plainview Production Credit Association in Plainview, and spent time in production credit associations in La Junta, Colo.; Greenwood, Miss.; and Georgetown.

He served as president of the Greenwood and Georgetown PCA's. He is a graduate of the University of Texas at Austin.

Holt and his wife, the former Wanda Rice, have five sons, Jimmy with Bell Helicopters in Fort Worth; Lynn with Centenary College of Shreveport, La.; Glynn with Yale University of New Haven, Conn.; Tony with T.J. Cinnamon's of Austin; and Bill, a student at the University of Texas.

Bruce Duston, FNB president, in expressing his appreciation and satisfaction that Holt has accepted the position, said, "Mr. Holt brings to First National Bank, Pecos, a broad banking background with extensive livestock and agricultural lending experience. We are fortunate to find a person of his experience and background. He will help us meet the banking

needs of our livestock and agricultural related customers. Please take the opportunity to come by the bank and meet Mr. Holt at your earliest convenience."

Contestants Compete

Members of the Eastern New Mexico University speech program recently returned to campus with trophies from a tournament hosted by St. Mary's University in San Antonio, Texas. Twenty-three colleges and universities participated in the 3-day event.

Justin Savage was recognized as the fourth best speaker/debater in the open division of competition, and Jerry Stalick finished sixth in persuasive speaking.

Eastern's novice duo drama teams finished first and second. Gretchen Kelle and Cris McNeil took first, and Kayla Wilmeth and Kristina Pate finished second. Gretchen Kelle also took first in the interpretation of poetry.

The Intercollegiate Speech Activities Program is directed by Dr. Anthony B. Schroeder. He is assisted by Pamela Trhlik and Steve Herro, graduate teaching assistants in the Department of Communicative Arts and Sciences.

Tops Club

By Marian Wilson

TOPS Chapter No. 34 met at 6:30 p.m. on Thursday, October 24 at the Girl Scout Hut. Leader Laverne James called the meeting to order. The TOPS pledge was recited and the fellowship song sung.

Alene Bryant, weight recorder, called the roll with 16 members answering with the amount they had lost or gained. Minutes of the previous meeting were read by Aurora Mata, secretary, and they were approved as read.

Aurora Mata was named best loser for the week. Runners-up included: Clea Robertson, first; and Evelene Harris, second.

Evelene Harris received a gift for losing two weeks in a row.

Due to the time change next Thursday we will be meeting between 5:30 and 6 p.m. Dues will be due next Thursday night.

The meeting was adjourned with singing of the goodnight song.

Cleaning The Dishwasher Tub Can Be Element-Ary

Iron and manganese are essential to life as we know it...but when these elements build up on the interior of a dishwasher, they're nothing more than an unsightly nuisance.

If the tub, rack or inner door of your dishwasher have become filmy or discolored, the likely culprit is iron or manganese in the water, say appliance experts from Whirlpool Corporation. To restore the gleam to your dishwasher's interior, follow this simple cleaning procedure:

- Empty the dishwasher;
- Set the unit for a cycle with one wash;
- Start the dishwasher and let it run until it starts to fill with water for the wash;
- Stop the machine by opening the door;
- Add 1/4 to 1/2 cup of citric acid crystals (available at most hardware or drug stores);
- Close and latch the door to complete the wash cycle.

You can safely use citric acid crystals as often as every month on machines with plastic tubs (the material used on most new dishwashers), but no more than three or four times a year on dishwashers with porcelain tubs.

House Approves Completion Of Interstate

"By putting the brakes on the unwanted nickel-a-gallon gasoline tax increase proposed this summer and insisting that the Highway Trust Fund be spent only for transportation, we are now closer to the 20-year goal of completing Interstate 27's route to the south," said U.S. Representative Larry Combest (R-Texas). The House of Representatives Wednesday evening approved, 343 to 83 H.R. 2950, a six-year program that includes completion of the Interstate Highway System, begun in 1956.

"With plans to close the nationwide gaps in the Interstate system, this may be our one opportunity to fulfill the 1974 Texas Highway Department goal of connecting I-27 from the Panhandle down to Interstate 20 on the South Plains," said Combest. The exact route would be chosen by the Texas Department of Highways through the bill's funding of \$3.4 million in preliminary engineering and design plans. The southern route could be as long as 110 miles, depending on where the two interstates are

joined.

"In July, I objected to a proposed nickel-a-gallon gas tax at a time when Congress was hoarding \$11.4 billion in the Highway Trust Fund just so they could create the mistaken illusion that the budget deficit was manageable," said Combest. In September, highway bill sponsors dropped their proposal for a five-cent increase in the federal gas tax. Now, this new legislation promises to spend-down the massive Highway Trust Funds. This version of the bill adjusts spending for all proposed projects by 30 percent. Funding is accomplished by continuing for an additional four years a current two-and-a-half cent per gallon temporary federal gasoline tax that was to have expired in 1995.

"Texans also will receive more on their investment in the Highway Trust Fund with a new funding formula that increases our real return from the present 80 cents on the dollar to 90 cents for every dollar that the state collects for the Highway Trust Fund," said Combest.

ball back to Floydada with 6:10 left in the quarter.

Floydada put the ball into play on the Mule's 37 yard line. Five plays later, the Whirlwinds raced downfield 17 yards for a touchdown. Flags were down on the play. Clipping was called against Floydada and the touchdown was called back. With 3:45 left in the quarter, the Whirlwinds scored on a 34 yard pass and this time there were no flags on the play. The Whirlwinds led 28-0.

Once again the Mules had possession of the ball and were still unable to move the ball, and were forced to punt the ball back to Floydada. Flags were down on the play and a 15 yard penalty was called against the Mules.

With :53 seconds left on the clock, Floydada scored again, making the score 35-0.

Floydada kicked the ball to the Mules, and with :23 seconds left in the quarter, the Mules put the ball to play on their own 19 yard line.

At the beginning of the second half the score was Floydada 35 and Mules 0. The Mules received the opening kick and picked up some yardage before fumbling the ball. Floydada recovered the ball and raced into the end zone and increased their lead to 42-0.

Kiwanis News

By R.A. Bradley

Fourteen Kiwanians, three guests, four honorary Kiwanians and sweetheart, Tiffany Angeley met Friday morning at the Dairy Queen for breakfast. A beautiful brisk morning and only 61 days until Christmas.

Our guests were Bekki Bowen, daughter of Tom Bowen; Mark Morton and Dr. Barry Cowart. Our honorary members present were Dee Dee Morris, Lacy Morris, Jon Keith Turner and Robby Clapp. Our beautiful and lovely Sweetheart, Tiffany Angeley was there. It is refreshing to see these young ladies and young gentlemen each Friday morning. Glen you must be real rough on your girls. We get Lacy off of crutches and put Dee on them. If you see Robby Clapp, ask him if it gets cold early in the morning.

President Larry Parker called the meeting to order. Bryan Morris who had been looking for a friend all week stated that since Tom Bowen had been giving him a hard time all week, that Tom was going to need a friend and gave Tom the Friendship Coin.

Hugh Young was in charge of the program and introduced Mark Morton and Barry Cowart. Mark and Barry told about their trip and hunt in Gila National Forest in New Mexico. Barry stated that Gila National Forest was the oldest and largest National Forest Wilderness there is. After a certain point there are no motor vehicles, motor bikes, chainsaws or any thing like that. Just men, horses, mules, trees, underbrush and wild life. It really sounds like a beautiful place. Their camp ground was at least three hours by horse back from when they had to leave their pickup and trailer. Mark told about part of his hunt and the wondering and experience of the two and half days he was lost in the Gila Forest.

Barry told of all of the looking and concern they went through looking and getting ready to search for Mark. Since all turned out well, it seems they had a wonderful trip. It is real good to see people who are concerned and care about one another. Mark stated that since the hunt and all the work and concern that Barry went through, that they were blood brothers now.

Mark, Barry, thanks for a wonderful and enjoyable program. We are sure glad it all turned out good and hope you have good hunts in the future. Mark, be sure you have your map, compass and also a mirror. Thanks again.

kicked the ball to the Mules. Muleshoe picked up some yardage before fumbling the ball, with 8:32 left in the quarter. Floydada recovered the fumble and after a few plays added more points to the scoreboard. The game now stood at 49-0 Floydada.

With 6:23 left in the quarter, the Mules had control of the ball, and picked up some yardage. With 2:29 left in the quarter the Mules had to punt the ball back to Floydada.

Floydada took over with 1:43 left in the quarter. They were unable to move the ball and had to punt it back to the Mules.

The Mules had a change in quarter backs, Brian Rasco went into the game replacing Galin Latham. Muleshoe took over on their own 20 yard line and illegal procedure was called against the Mules, costing them a five yard penalty.

Muleshoe picked up some good yardage and first downs before the ball was intercepted by Floydada. The Whirlwinds returned the ball to the 42 yard line. Rasco was shaken up on the play.

Again Floydada was unable to move the ball and punted back to the Mules, with 4:42 left in the game.

Latham came back into the game, replacing Rasco. With 4:02 left in the game, Latham raced down the field 59 yards into the end zone, for the Mules big play of the game and their only score. The kick failed and the score was 49-6, Floydada.

With 4:00 left on the clock, the Mules kicked to the Whirlwinds. Once again penalties hurt the Whirlwinds. They had a 25 yard run called back with 3:48 left in the game.

Floydada made their final touchdown of the game with :28 left on the time clock.

The game ended Floydada Whirlwinds 55, Muleshoe Mules 6. Muleshoe stands 0-8 and

Floydada 7-1. Their only loss was to Canyon, 15-14. The Muleshoe Mules will play

Littlefield next week at 7:30 p.m. in Benny Douglas Stadium.

Hughes, Henderson Attend Chicago Market

Lee Roy Hughes and Jim Henderson of Fry & Cox True Value recently attended the "True Value Hardware Fall Red Carpet Market" in Chicago. The buying market is held each spring and fall at Cotton and Company, national headquarters for True Value Hardware stores.

The week-long market offered Fry & Cox the opportunity to meet and place merchandise orders with any of the 900 supplying manufacturers whose products were on display. The manufacturers of housewares provides some excellent buys for the newly added housewares at Fry & Cox, along with the savings on lumber and building materials for the True Value customers, according to a spokesperson from the local store.

This fall's market reinforced True Value's national commitment to remaining competitive in the 1990's---competitive in pricing, selection, and by offering new services for our customers," said Hughes. "It's exciting to be a part of it."

True Value is the world's largest group of independent

locally owned hardware stores. The group's combined buying power of more than \$2 billion gives each local store the opportunity to offer its customers low prices along with personalized services. More than 8700 True Value Hardware and Lumber Stores serve customers nationwide.

James Beaver

Funeral Services

Held Friday

Funeral services for James C. Beaver, 84, of Farwell were at 1 p.m. Friday in W. W. Rix Chapel in Lubbock with the Rev. John Donnerberg, pastor of First Church of the Nazarene in Lubbock, and Randy McGuire officiating.

Graveside services were at 4:30 p.m. in Farwell Cemetery with Bret McCasland officiating. Burial was directed by Rix Funeral Home.

Beaver died at 11:51 a.m. Wednesday at St. Mary of the Plains Hospital in Lubbock after a lengthy illness.

He was born in Leeper, Mo. and moved from Cortez, Colo., to Farwell in 1975. He married Helen Leech on November 27, 1929 in Cushing, Okla. He was employed as a cross-country pipeline welder for 22 years and worked in 37 states. From 1960 to 1975 he owned and operated Beaver Welding Shop in Cortez, retiring in 1969. From 1975 to present he owned and operated the Beaver Lawn Mower Shop in Farwell.

Survivors include his wife; three daughters, Ruth Louise Williams of Lubbock, JoAnn McGuire of Muleshoe and Donna May Beaver of Farwell; a brother, Leonard Purl Beaver of Ceres, Calif.; five grandchildren and 13 great-grandchildren.

Florene West

Funeral Services

Held Saturday

Funeral services for Florene West, 64, of Tatum, N.M. were held at 1 p.m. MDT Saturday in the First Baptist Church of Tatum with the Rev. O. J. Welch, a retired minister, officiating.

The Rev. Casey Borger, pastor of the church, will assist. Burial was in Enochs Cemetery under direction of Ellis Funeral Home of Morton.

Mrs. West died Thursday at 1:10 a.m. in St. Mary of the Plains Hospital in Lubbock after a lengthy illness.

She was born March 14, 1927 in Frederick, Okla., and moved from Sublette, Kansas to Tatum in 1979. She married Billy West on November 20, 1956, in Levelland. She was a homemaker and a member of the Church of Christ.

Survivors include her husband, two sons, Murry West of Panhandle and Allen Jones of Tatum; three daughters, Rhonda Welch of Girard, Marviline Taylor of Lubbock and Tammy Jo Harrison of Jayton; two sisters, Myrna Turney of Enochs and Juanita Jackson of Clovis, N.M.; three brothers, George Autry of Pep, N.M., John Autry of Falcon Heights and Gene Autry of Angleton; 11 grandchildren; and a great-grandchild.

The family suggests memorials to the Enochs Cemetery Association.

I wish to thank Sonya Williams, Mandy Edward and a host of volunteers for coming and ministering to the residents while I was on vacation.

We have a new resident. She is Helen Pruitt. She is in room 62. Please help us make Mrs. Pruitt welcome to our nursing home "family."

Friday afternoon Rev. Reid and members of the First Assembly of God directed our devotional.

Mary Ann Ramirez and Girl Scout troop No. 300 came Monday to visit and bring halloween decorations. The little drapes ghost look adorable on the dining tables and displayed around the Healthcare Center.

Lillie Bell Barker went out this week. Visiting in the home of her sister Alda Odom. Joe Baker, Mrs. Baker and her two sisters spent a "most enjoyable day" Mrs. Baker stated.

Rev. and Mrs. Terry Taylor and Jordan visited the Healthcare Center Tuesday. Among those they visited were Mrs.

Pruitt, Robert Kimbrough, Buck Ragsdale.

We wish to express our heartfelt sympathy to the family and friends of Effie Smith.

Argumentative souls, short of facts, are very argumentative.

We haven't read all the good books, much less the worse ones.

Thank You

The family of Roy Moran would like to thank everyone for the flowers, prayers, cards, food, visits and for all the support we got from each and everyone of you.

In all ways of life, keep him swinging in the proper

STRIKE ZONE

PLAY BALL... is a familiar cry in the spring and summer. This is a time that parents and coaches, alike, encourage the boy not to swing unless the ball is in the strike zone... for in the early years of playing the game, the tendency is to swing at every pitch. This holds true in all of life, so it is up to wiser and older heads to train and encourage him in the better things. Bringing up a child is a serious matter and all can use help. Let the church help you to teach him the right ways.

EVERYONE IN THE CHURCH THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

Texas Tech Rodeo Scheduled For Oct. 31-Nov. 2

The Texas Tech Intercollegiate Rodeo will be held October 31 through November 2. The rodeo is the world's largest indoor collegiate rodeo with 350 to 400 students competing in the various events.

Students will compete in steer wrestling, saddle bronc riding, calf roping, team roping, bull riding, barrel racing, breakaway roping, goat tying and bareback bronc riding. The Tech Rodeo is an NIRA sanctioned collegiate event. Students from the Southwest Region will participate in approximately 10 rodeos, accumulate points, and those with the most points will be invited to participate in the National College Rodeo Finals.

Performances are scheduled each evening, Thursday, Friday, and Saturday at 7:30 p.m. The slack performance is Saturday morning and is free to the public. All performances will be held in the Lubbock Municipal Coliseum. Ticket prices range from \$5 to \$7 and can be purchased at Luskey's, Ridge Range, Boot City and Boot City Too and Bill Price Western Wear. There will be a Halloween Costume contest on October 31 for children twelve and under with cash prizes awarded for the best costumes. All children under twelve wearing

Halloween costumes will get in free.

Sponsors for this year's Texas Tech Rodeo are Scoggin Dickey, Southwest Coca-Cola, Dr. Pepper and 7 Up, Luskey's Western Stores, Inc., Boot City, Boot City Too and KLLL.

GOVERNOR'S REPORT

Ann D. Richards

Locking up Texas' violent offenders

Texasans are fed up with the spectacle of violent criminals being released from prison after serving only a fraction of their sentence. They are frustrated and angry with the revolving doors in our prison system.

And they should be. Because the first responsibility of any government is to insure the safety of its citizens.

On August 25, 1991, however, Texas' state government took a historic step toward fulfilling its fundamental responsibility to the people of this state. The Legislature passed a criminal justice package on that date which I am honored to sign into law.

For the first time -- not just in Texas, but in the nation -- we have enacted legislation that will keep violent criminals locked up and will attack the root cause of crime: addiction to drugs and alcohol.

It is impossible to overstate the importance of this legislation. No longer will Texas be ranked 50th in the nation when it comes to dealing with crime. Senator Ted Lyon said it best when he noted that, in the future, other states will follow "the Texas plan" as they try to come to grips with their own crime problems.

This "Texas plan" works by simply addressing what law enforcement officers have always known, but politicians have been reluctant to acknowledge. And that is this basic formula that continues to drive our crime rates upward:

- Addicts commit crimes.
- Addicts go to prison.
- Addicts come out of prison.
- Addicts commit crimes again.

It is this vicious cycle that must be halted. Since it is an addiction to drugs and alcohol that is at the core of many of our crime problems, it is this addiction that we must combat.

And this legislation does that.

At least 15 new prison facilities will be constructed under this legislation (House Bill 93) which is designed to allow our prisons to hold an additional 25,300 inmates. These new facilities will be built in the next two years to four years.

Almost half of the new cells (12,000) will be utilized to deal with those prisoners who have drug and alcohol addictions. That's four times as many as the next closest state in the country -- and a thousand times more than had previously existed in Texas.

But new prisons and treating addictions aren't the only aspects to this legislation. H.B. 93 will also get the state out of court, keep violent offenders locked up for longer periods of time, clear the backlog of state prisoners currently being held in county jails and make Texas communities safer.

It does this in several ways. The legislation:

- Establishes 13,300 maximum security beds, ensuring that the worst criminals will remain incarcerated as long as possible.
- Creates a "substance abuse felony punishment" and provides space for 12,000 inmates punished under this provision.
- Settles the Harris County and Nueces County lawsuits (which included 13 counties) against the state and provides a mechanism to reimburse counties for keeping state prisoners -- thus reducing the tax load on local taxpayers.
- Expands the use of private prisons from 2,000 to 4,000 beds.
- Adopts the recommendation of Comptroller John Sharp to facilitate the release of elderly and seriously ill prisoners who are no longer a threat to our safety.

Our focus must be on reserving maximum security beds for violent offenders. When we work together -- state, county and local officials, along with law enforcement officers and judges -- I am confident that we will be able to achieve this goal.

With the adoption of this progressive legislative package, I believe this government has taken a big step toward fulfilling its responsibility to the people of Texas.

But this is only the first step. We must continue to work together on both the local and statewide level to keep our communities safe.

Only Way?

Another good way to attract a politician's attention is to make a noise like the voice of the people.

Letter To The Editor

Dear Editor

I am writing you for your 50 year Journal Files.

I enlisted in the U.S. Navy for a six year hitch in November 1940--Yes I know this is 51 years ago; but here is the 50 year file. At 0755 am. Hawaii time on December 7th 1941 we received a devastating sneak attack on Pearl Harbor by Japan.

Muleshoe, Texas was my home town on this day of infamy so called by Franklin D. Roosevelt our President at the time. This plunged us into war.

I was serving on board the U.S. Dobbin (AD-3) which was a repair ship for Destroyers. We had five of them moved along side our ship moored in the harbor.

We received a near miss by one of Japan's planes and lost three men this day.

I saw a lot of destruction in the harbor as I had an opportunity to see the action all around where we were. I was carrying 30 and 50 caliber machine guns and ammo to our gunners on our upper decks.

I would like to hear from any men and women who were at Pearl Harbor on this day--Military or on vacation or for any other reason. I am retired from the Navy and my wife and I are planning on returning to Pearl Harbor, Hawaii for the 50th Anniversary.
