"He Profits Most Who Serves Best"

SMOKE FROM THE MOUNTAIN

The local band welcomed the TCU band last week when the Fat Stock Show boosters came through. Wonder how the Frogs appreciated the fact that one of the Santa Anna "welcome" tunes was "Peruna," SMU's pep song. And anyone knows that TCU and SMU don't get exactly patriotic over each other's songs.

We have found out the way to please R. H. Spencer. Just set him down to at least a dozen hot tamales at any time of the night or day and he is satisfied.

One of our local pastors told this sure way of helping raise contributions: He asked at a recent meeting for everyone who would donate a certain sum to a church collection to stand and then told the pianist to play "Star-Spangled Banner." The sum raised was much over the amount needed.

Several folks have asked us to explain when and why Easter comes on the day it does. Easter Sunday this year falls on April 17 and the date is determined by astronomy. English prayer books in certain London cathedrals have entries showing the Easter dates past the year 2000. Easter is the first Sunday after the full moon upon or next after March 21, which is the first official day of spring.

Jodie Mathews had quite a time Sunday trying to convince Sparks Whetstone, who has been having a desire for a motorcycle, that a certain second hand car he has on hand is every bit as rough and can travel as fast as a motorcycle. After driving him around town and even up on the sidewalk of Phillips Drug store, the stubborn Sparks still insists he prefers a two wheeled vehicle.

The crowds in town Friday afternoon and all day Saturday are the best proofs possible that business firms can draw many citizens to Santa Anna if this town offers attractions to make it worthwhile to come. With crowds in town such as we had this past week-end, business is bound to pick up. It is to the interest of every business man to cooperate in giving prospective customers enough attractions and values that they want to come to Santa Anna to trade. The fact that they will come here was proven Friday and Saturday. Both events were advertised and the crowds certainly turned out.

The following poem was submitted to the News by a local club which after reading it to their own members thought it good enough to pass on. It so happens that it fits in with recent Reader's Column contributions, but could be food for thought for all of us in any organization to which we might belong.

ARE YOU?
 Are you an active member,
 The kind that's liked so well,
 Or are you just contented
 With the button in your
 lapel?
 Do you attend the meeting,
 And mingle with the flock,
 Or do you stay at home
 And criticize and knock?
 Do you take an active part
 To help the work along,
 Or are you satisfied to be
 The kind that "just belong?"
 Do you ever go to visit
 A member that is sick?
 Or leave the work to just a few
 And talk about the clique?
 There is quite a program scheduled
 That I'm sure you've heard
 about.
 And we'll appreciate if you, too,
 Will come and help us out.
 So come to the meetings often
 And help with hand and
 heart.
 Don't be just a member,
 But take an active part.
 Think this over, member,
 You know right from wrong,
 Are you an active member,
 Or do you just belong?

Mrs. Georgia Routh and daughter, Mrs. Jack Mobley, went to Fort Worth Thursday last week to visit relatives and friends. They returned Monday night.

PTA To Sponsor Local Drive For Crippled Children

Ward School PTA met last Tuesday afternoon to make plans for the Easter Seal Sale for the benefit of Texas' crippled children. A representative of the Society for Crippled Children was present at the meeting and explained the purpose of the drive and asked the cooperation of local workers in placing several Coleman County Children in hospitals for medical care.

It was learned that at least one child in Santa Anna is in need of special treatment and that some others in this county also would benefit by treatment for a crippled condition.

Twenty-two children in this county have already been aided by the people of Texas by their contributions to the Easter Seal drive.

The local PTA bought \$50 worth of seals and will sponsor the local drive. A committee to head this campaign was appointed by the president, Mrs. J. G. Williamson. These are Mrs. C. D. Bruce, chairman; D. D. Byrne, secretary-treasurer; and Mrs. R. E. Dunham.

Officers for the next year were also elected at this meeting. Those chosen were Mrs. C. D. Bruce, president; Mrs. A. D. Pettit, vice president; Miss Ouida Casey, secretary; and Mrs. J. T. Garrett, treasurer.

Mrs. D. D. Byrne's third grade pupils entertained the members with a play, "Jack and the Bean Stalk."

New Feed Store Opened Here By Floyd Martin

Martin's Flour, Meal and Feed Store was opened this week in the Shield Building next door to the Hi-Way Cafe by Floyd Martin, formerly of Coleman.

The young business man, who is now making his home here, will handle Joy of the Kitchen Flour and will have an exchange department where he will exchange flour for wheat. He will also handle meal and feed.

Mr. Martin invites the public to visit his new store and inspect his products.

Haynes' Condition Satisfactory After Rabbit Drive Mishap

J. R. Haynes of Trickham community is in the Sealy Hospital where he was taken Monday afternoon after an accident occurring on the Trickham-Cross Roads rabbit drive. A shot hit a rock and shattered, flying up and hitting Mr. Haynes.

A total of sixteen pieces of shot entered his body, 2 in the abdomen, 2 in the chest and the remainder in arms and legs.

His condition is reported as satisfactory, however, at the last report.

M&M STORE OPENS AT COLEMAN RECENTLY

The M and M Furniture and Hardware Store which opened in Coleman last week on the corner of Concho and Pecan Streets, has given Santa Anna residents a special invitation to visit their new store.

M. L. Marrs, manager, is in charge of the furniture and hardware departments, D. E. Lane is in charge of the piano and music shop and Singer Sewing Machine Agency, and Scotty Smith is in charge of radio sales and service, both of these men having been in separate businesses in Coleman before joining in the firm opened by Mr. Marrs.

LOCAL LADIES WIN SEASON'S FINAL GAME

The final game of the ladies basketball season ended with a score of 5-6 in favor of Santa Anna when this group met the Gouldbusk team at Muzelle Monday, March 14. The team is now entering softball and volleyball and any ladies interested are asked to contact the recreation directors.

Revival Singer

Steve Heather is directing the singing at the Gouldbusk Methodist Church meeting this week. The meeting, closing Sunday night, is led by Rev. D. A. Chisholm of Brownwood.

Gouldbusk Church Ends Revival At Sunday Night Meet

Rev. D. A. Chisholm, pastor of Central Methodist Church of Brownwood, is holding a series of special meetings this week in the Gouldbusk Methodist Church. His series began Sunday, March 13 and continues through Sunday, March 20 when the meetings will be concluded at the evening service beginning at 7:30 p. m.

Assisting in the meetings are Mr. and Mrs. Steve Heather who conduct singing and give special music at every service. The public is invited to attend.

Walter Woodward Quits Race For Lt. - Governor

Former Senator Walter Woodward issued a statement this week in which he declines to campaign for the office of Lieutenant Governor. His statement is as follows:

"A few weeks ago I announced my intentions to make the race for Lieutenant Governor. In that statement I said in substance the following: 'In making this announcement I have reasons to believe that Senator Will Pace of Tyler does not intend to run, otherwise I would not announce because of our warm personal friendship and having been colleagues in the Senate. This is also true of other colleagues whom I believe will not enter the race.' At that time I had no information of the announcement of Hon. John Lee Smith but did have what I believed to be authentic information that several potential candidates would not announce, among whom were Honorable Coke Stevenson, twice Speaker of the House, Senator W. B. Collier, Senator Frank Rawlings, Senator Geo. Purl and Senator G. H. Nelson, my warm, personal and political friends and former colleagues in the Legislature. Since my original statement Honorable Coke Stevenson and Senator Nelson have definitely announced. It is now my information and belief that some of the others may enter the contest, and in fairness to all of these gentlemen who have or may later announce, and in justice to my own integrity, I believe I should not further prosecute my candidacy, in view of my statement that I would

Preliminary Ends Thursday Night For Rodeo Queen

Four Contestants Presented At Theatre Last Tuesday Night

Four local girls, contestants for the honor of Santa Anna Rodeo Queen, were presented Tuesday night at the Queen Theatre to a large audience. The girls were Elsie Haynes, Mickie Parker, Carolyn Kingsbery and Elisabeth Morris. All were dressed in typical cow girl costume with large cowboy hats.

Votes for the four contestants are coming in fast, stated members of the Rodeo Association who are in charge of the contest. School classes are backing their class representative in the race and many local business firms as well as citizens are voting for one of the four candidates. Voting tickets, at a cent a vote, may be obtained at Phillips Drug Co., Spencer Pharmacy, or Turner Drug Store.

Next Wednesday and Thursday nights, March 23 and 24, the Queen Theatre will have a special show for the benefit of contestants and at that time purchasers of show tickets are entitled to vote as many votes as the price of admission. The preliminary contest will end Thursday night, March 24 at 8:30 and the two leading girls will stage a "run-off."

Although the final date of the run-off has not been announced, the contest will close within a short time. The winner will be recognized as the Santa Anna representative at other town's rodeos and entertainments and will preside over the local rodeo to be held in late summer or early fall. Funds derived from the contest will assist in paying the sponsor's expenses on these good-will trips.

W. C. Ford Now Tractor Dealer

W. C. Ford & Co. is now local headquarters for Minneapolis-Moline tractors and one is now on display at the garage. Others will arrive soon.

This is the first local firm to handle tractors and Mr. Ford invites all farmers to come in and inspect the machinery. In order to acquaint farmers with the MM equipment, a free movie explaining the making and operation of the tractors will be given at the W. C. Ford & Co. Garage Tuesday, March 22 at 2 p. m. at Santa Anna. All farmers and their families are especially invited.

Waco Boosters To Visit Here Next Wednesday

Waco business men, representing wholesalers, manufacturers, educational institutions and other firms will visit Santa Anna business men Wednesday, March 23 from 10:40 a. m. to 11:10 a. m. They will arrive on a special train and will visit the firms here during that time.

The general manager of the Waco Chamber of Commerce, W. V. Crawford, states that the group is very anxious that the business men of Santa Anna be in their stores or available at that hour so that they may meet and talk with them.

Miss Ruth Niell Honor Student At Teachers' College

San Marcos, Texas, March 17—Miss Ruth Niell of Santa Anna was one of the 109 students at Southwestern Texas State Teachers College to make the honor roll for the 1937-38 fall semester.

To gain the distinction of being on the honor roll, a student must make a "B" average and fall in no subject. Approximately 10 percent of the students enrolled were included in this distinctive list. The honor roll is released twice each year following the fall and spring semesters.

Lions Committee Aids Band Drive For 7 Uniforms

Tom Wallis and John Franklin Turner were appointed as a committee by the Lions Club to assist in securing funds for buying seven band uniforms which students were unable to buy. Contributions were taken Tuesday in town for that purpose.

Among guests at the club Tuesday were three high school students, representing 3 classes, who made the highest average in school work during the past six weeks. These were Willyne Ragsdale, Louise Oakes and Dorothy Sumner. Mary Feild Mathews, freshman honor student, attended the luncheon last week.

Other guests were Roy Reid and Rev. A. A. Brion of Merkel, and Morris Williams and Edward Donnell, A and M students who are practicing teaching at the high school this week. These last two were guests of Lion A. D. Pettit.

Members present were A. D. Pettit, J. T. Garrett, F. C. Woodward, Hardy Blue, Rex Colston, W. M. Bell, J. C. Scarborough, R. H. Spencer, O. A. Etheredge, Geo. M. Johnson, Chas. Berry, Claude Reid, D. Nation's Farmers Favor Quotas In Voting Saturday

Texas Approves Cotton Marketing Provisions By 8 To 1 Majority

Texas cotton farmers cast an overwhelming majority vote in favor of cotton marketing quotas Saturday in the national referendum held to get the farmers opinion on the 1938 agricultural act. State results showed that out of the 148 counties reporting, 142,395 favored the quota and 19,340 opposed them. These figures are those tabulated Monday afternoon.

Results throughout the south showed a similar acceptance of the quotas. "Washington" officials stated that as soon as the official vote count is made, the plans for limiting the marketing of cotton would be started.

Results of the vote in several counties of Texas announced Monday were Navarro 3,737 for, 238 against; Panola County, 3,342 for, 69 against; Ellis 3,291 for, 208 against; Bandera 0 for, 1 against; three unanimous votes were cast in Moore, 3 to 0; Frio 31 to 0; Hudspeth 40 to 0; Kerr tied 3 to 3.

Rev. Dunham Is Re-Elected Head District B. T. U.

Rev. R. Elmer Dunham was re-elected president of the B. T. U. District 16 at the two-day meeting held Monday and Tuesday at Brady First Baptist Church.

Other officers of the Sunday School division and B. T. U. group elected were Walter Leach of Brownwood, president of the Sunday School division, and C. M. Oliver, vice president. Those assisting Rev. Dunham in the B. T. U. work will be Rev. J. H. McClain, Menard, vice president, and Miss Lora Hicks, Brady, secretary.

San Saba was chosen as the host city for the 1939 session on Feb. 27 and 28. It was also decided that the Menard encampment will be held July 10-17.

About 300 delegates, representing 45 churches and nine associations attended the convention. Five out-of-district churches and three associations outside District 16 were represented.

Mrs. T. K. Martin and son, Tommy Chap, and Mrs. Hill of Abilene spent last Thursday with their parents, Mr. and Mrs. Chap Eeds and Mr. and Mrs. R. E. DeRusha.

Farmers Accept Marketing Quotas

Although slightly over half of the farmers eligible to vote expressed their opinions in the March 12 referendum, cotton farmers of the south decided overwhelmingly to accept the marketing quotas provided in the new 1938 agricultural act. This acceptance was a proof that the farmers are not only realizing that they need aid in crop production but is a vote of confidence in the plans which the Federal government has to aid them.

Washington authorities, as soon as the voting results were learned, set about immediately to put the new plan in operation and office business in the Coleman County Agent's headquarters also began moving faster to get the machinery in working order as soon as possible.

Farmers, although realizing with the originators of the plan, that there is yet much to be desired before cotton production plans are perfected, are expressing the hope that the new plan will make the new year more prosperous. Results of the election should also speed up business in the farming communities at least, since the acceptance of the plan has made farming communities more optimistic.

Texas-Grown Food

(Dallas Morning News)

Both individual farm families and the State as a whole stand to gain from turning into food production much of the land released from cotton under the 1938 crop-control plan. Home-grown and home-preserved vegetables, fruit and meat represent the primary form of economic security for the rural family, and no amount of Federal beneficence can much lessen the importance of this form of self-help.

And it is not necessary to subscribe to extreme buy-at-home policies to realize the economic waste incurred when Texans buy vast quantities of potatoes from Maine and Idaho and enormous shipments of vegetables and fruit from Colorado and California—nearly all of which could be grown at home. Out-of-season shipments are justifiable, of course, but in general a State as large and as fertile as Texas should grow practically all its own food.

There is no valid reason why Texas cannot produce its own grapes, raisins and wine or why large areas of Dallas County cannot be devoted to profitable truck farming to supply the local demand for fruit, berries and vegetables. It has been demonstrated that sweet corn can be successfully grown and canned in this county, and there should be enough market in North Texas to justify much larger truck farming and canning industries.

Use of abandoned cotton land for food crops will help to raise the farmers' standard of living and to provide Texas cities with vegetables and fruit that are both fresher and cheaper.

MRS. JACK MCCLURE ANNOUNCES FOR RACE OF DISTRICT CLERK

The Santa Anna News has been authorized to announce that Mrs. Jack McClure is candidate for the office of District Clerk, subject to the Democratic primaries July 23.

Mrs. Jack McClure makes the following statement in regard to her candidacy for District Clerk:

To the voters of Coleman County:

I respectfully solicit your vote and influence for the office of District Clerk of Coleman County and assure you that I will deeply appreciate your support.

I have spent my life in Coleman County, being born near Eureka and then moving to the Brown Ranch Community where I lived for several years before coming to the town of Coleman. For a year after we married, my husband and I lived south of Santa Anna on the farm on which he grew up. My grandparents came to this county as pioneers, my maternal grandfather, the late Joe H. Green, coming to Coleman County in 1871.

I received my education in the Coleman City Schools. I was connected with the Standard Abstract Company for a year and have been employed in the county agent's office for five years. I know the county and the people of Coleman county. I am confident of my ability to attend to the duties of the District Clerk's office and to keep the records pertaining to this office and, if I should be the choice of the voters of the county, I pledge myself to the services of the office in an efficient and pleasant manner.

It is my earnest desire to see each voter in the county and personally solicit the support of every one, but if I should not have the privilege of seeing each one of you personally, I wish you to know that I will be very grateful to you for your vote and influence in this race. Respectfully yours,
Mrs. Jack McClure

The W. M. S. meets Monday at 3:00 p. m. Mrs. Tom M. Hays, President.

All visitors and friends are cordially invited to these services, and our own members and their families are urged to attend. Many are not enjoying their church affiliation because they contribute nothing to the church in any way. Those who only give their presence have a

joy in that. By thus just attendance upon the public worship, they are lending their influence to the cause of God, in helping Christ to redeem a lost world. Those who take part in any activity of the church are contributing more. They derive a larger benefit than those who go, but take no part. Those who lend their help by their presence, service and financial support get the largest benefit of course. We are taught that the way to have friends is to be a friend to others. The way to derive real and lasting benefit from the church is to benefit the church to which we pledged our allegiance. May we not expect you at your church next Sunday morning and evening? "Come thou with us and we will do thee good," was the Prophet's promise. We dare to make every one the same promise, who will cooperate with their friendly presence.

Civil Service Examinations
The United States Civil Service Commission has announced open competitive examinations for the following positions in the Department of Agriculture:

Marketing specialist, a principal, senior, associate, and assistant marketing specialists, \$2,600 to \$5,600 a year, Bureau of Agricultural Economics.
Junior veterinarian, \$2,000 a year, Bureau of Animal Industry.

Associate agronomist and superintendent, \$3,200 a year; assistant agronomist (sugar beet investigations), \$2,600 a year; assistant plant physiologist (sugar beet investigations), \$2,600 a year; Bureau of Plant Industry.

Full information may be obtained from the Secretary of the United States Civil Service Board of Examiners at the post office, or from the United States Civil Service Commission, Washington, D. C.

also begins Sunday. Rev. J. M. Cooper of Brownwood will arrive Monday night to bring the inspirational messages each evening thru Friday. Classes in Soul-winning methods will be taught by Rev. Gerald Riddle, Rev. A. B. Lightfoot as well as Rev. Cooper. The schedule of services will be classes from 7 to 7:45, inspirational sermon message 7:45 to 8:05 followed by another class period of 45 minutes. A LOT OF CAR
for a VERY LOW PRICE

The Ford effort to make your dollars buy a constantly better car is well illustrated in the Standard Ford V-8. It has all the basic Ford advantages. It is built on the same chassis as the De Luxe Ford V-8. It gives you a choice of smooth 85-horsepower or 60-horsepower V-8 engines. But it sells at low prices, and includes bumpers, spare tire, cigar lighter, twin horns and other equipment that make it a still bigger bargain. With the thrifty 60-horsepower engine, the Standard Ford V-8 is priced especially low and gives the greatest gas mileage in Ford history. Hundreds of owners report averages of 22 to 27 miles a gallon—or even more. Your pocketbook will approve of the Standard Ford in every way. And so will you when you drive it!

A refreshment plate was served to Mrs. A. L. Oder and Mrs. E. K. Thompson of Coleman who were guests and to the following club members: Mesdames J. R. Banister, W. E. Baxter, Alpheus Boardman, A. R. Brown, R. C. Gay, W. R.

One Man Starts Redbud Fever

"Redbud Fever" has swept over the city of Denton, Texas, and thousands of the delicate flowers are now in bloom throughout the town. The man behind it all is Dr. L. H. Hubbard, who started the movement by having over a thousand redbud trees planted on the campus of Texas State College for Women.

With "A Redbud in Every Yard" as their slogan, the Civic Bureau has marked out U. S. Highway 77 as a "Redbud Trail," along which trees are planted at 25-foot intervals within the city limits.

Kelley, J. J. Kirkpatrick, John Pearce, W. E. Wallace, Fred Turner and the hostess, Mrs. Bruce.

Home Demonstration Notes

The Second Rug School of this year for home demonstration club representatives was held Saturday afternoon, March 12, at the Camp Colorado Replica, with an attendance of 46 club women. One representative from each club attended the training school, conducted by Miss Chrystene Trowbridge, county home demonstration agent, and the other representatives copied rug patterns for their home demonstration clubs.

Miss Trowbridge, in conducting the training school, stressed that club representatives urge their club members to make a hooked rug or mat to exhibit at the Hooked Rug and Mat Show to be held in the Fall this year. Information was given on the actual hooking, completion, and care of hooked rugs and mats.

Club representatives exhibited rugs and mats in frames, materials and needles for making their rugs. An unusual hooked rug made of woolen thread of a good design and well blended colors was shown to the group by Mrs. Walter Woodward.

Club members attending the Rug School included: Mesdames R. E. West, M. F. Reasoner, T. M. Reddell, Esther Burkett, H. O. Norris, J. W. Hunter, Jr., W. L. Thigpen, W. M. Cathey, Vernon Close, W. C. Norwood, Clyde Crenshaw, Tom Forman, Jess York, R. D. Strickland, Lee W. Tabor, Clyde Larence, Geo. Sparkman, A. B. Carroll, Carl Williams, Geo. Hanke, C. A. Seal, Will Hambricht, Ray Jameson, L. H. Edens, Vernon Spruiell, Joe Mathews, A. V. Vickers, J. T. Holder, Paul Gorman, J. H. Close, John Tabor, J. H. Harrison, Chick Watson, Charlie Bowden, Estelle Flippen, J. E. Richardson, J. W. Taylor, W. D. Craig, Carl Sheffield, Bud Laughlin, W. D. Mullis, and Misses Anetta Paris, Ina Mae Siddall and Doreen Tucker.

Mrs. J. D. Kuykendall, home food supply demonstrator in the White Chapel Home Demonstration Club, is now working to produce the vegetables for this year for her family. Mrs. Kuykendall has planted a large variety of vegetables in order that the meals for her family will be more appetizing and palatable. She is also planting enough vegetables so that she may supply her family needs for the year, both in fresh and canned vegetables.

Mrs. Kuykendall is working over her storage space in the cellar to prepare for the products to be earned this summer. Convenient shelves for each product and well-labeled canned goods will help to make an orderly storage unit.

TCU Band Gains National Fame By Long Trips

The Horned Frog Band of Texas Christian University has gained national fame for itself and T. C. U. accompanying the fighting frogs on trips during the past three years. It has traveled over 25,000 miles, going to San Francisco, twice; Columbia, Ohio; New Orleans, La.; and New York City. Also, each year the Band makes trips to other Southwest schools, Chamber of Commerce Conventions, and the annual Fort Worth Fat Stock Show Booster Trips.

Although the Band has been widely known for its "swing," a concert band also is maintained for an attractive concert series each year.

The value of the Band is over \$15,000. In this is included: The music library, which contains many great classics as well as "hot swing," musical instruction taken by members, musical instruments, and the Band house.

Each year the University offers several types of scholarships. They may be obtained both in orchestra and band. N. Y. A. jobs are given needy students. Musicians may find employment in dance bands, the symphony, and other musical organizations.

J. B. Chambers Tells Of Experiment With Mexican Fruit-Fly

A letter from J. B. Chambers of Harlingen was received this week by Elvister. Miss Luella Chambers, stating that fruit trees in that section of Texas were receiving more protection from the Mexican fruit fly this year than ever before. Experiments have been tried to destroy these pests.

Portions of the letter state: "I think they will allow us to leave the fruit on the trees longer in the spring now because they sent up a plane with a net several thousand feet high where the current of air is much above the earth and caught the Mexican fruit fly in it which showed that these flies come from a long way off and not from this county or Northern Mexico as had been believed. They found that they traveled many miles high above the earth and lived."

Why Newspapers

Lead All Other

Advertising Media!

- 1 Newspaper reading is a universal habit. Newspaper advertising, therefore, reaches virtually all who read and buy.
2 A newspaper advertisement can always be seen by the reader.
3 The newspaper advertisement, as part of the complete paper, goes into the home as a welcome guest.
4 The newspaper advertisement can have as much reader interest and news value as the news item.
5 Newspaper advertising enables manufacturers and dealers to state where their products may be bought.
6 Newspaper advertising is inexpensive. Merchants have learned that it covers more families for less money than any other form of advertising.
7 Newspaper advertising results may be checked.
8 Newspaper circulation is known and is comparatively unaffected by daily change.
9 Nearly all of a newspaper's circulation is concentrated in its own market.
10 Newspaper advertising reduces selling costs because it entails no waste of circulation. This helps reduce cost for the consumer.
11 NEWSPAPER ADVERTISING BUILDS CONFIDENCE AND GOOD WILL... ATTRACTS NEW CUSTOMERS... INCREASES SALES... AND STABILIZES MERCHANDISE, METHODS AND PRICES.
12 The Santa Anna News affords full circulation coverage of the city of Santa Anna and the Santa Anna Retail Market that is made up of this trade territory.
13 Advertising rates of The Santa Anna News are low because to the average family there are four readers of each paper.

Apron and Overall Party

The apron and overall party sponsored by the Home Economics Girls was attended by a large crowd Wednesday night in the Buffalo Gymnasium.

The girls wore aprons and the boys wore overalls. They were entertained by playing ring games. The thing enjoyed most was the boys hemming the girls aprons.

Hot chocolate and cookies were served for refreshments.

Baseball, Volley Ball Teams Go To Bangs

The Buffalo Baseball boys' and junior girls' teams played Bangs at Bangs Friday afternoon. The senior girls' volleyball team also played.

The senior boys won over Bangs by a score of 12-29. The junior boys lost their game. The junior girls won by a score of 25-12. The junior girls lost by a score of 12-20.

The senior girls' volleyball team lost three games out of five.

We hope to have a much stronger team than ever before.

News

An Aldersgate meeting is being held at the Buffalo-Salem Church. It began Sunday Mar. 13, and will continue until Sunday, Mar. 20.

Rev. Pat Brown is conducting the meeting. Everyone is cordially invited to attend the meeting.

A blind man from the State Institution for the Blind at Austin, accompanied by some friends gave a forty-five minute concert in the Buffalo Gymnasium last Tuesday from 1:20 to 2:05 p. m.

It was revealed to the students much that blind can learn, do and enjoy. Everyone enjoyed the program exceedingly.

Dale Schofield spent the week-end with Elsie Lee Polk.

P. T. A. Organized

Thursday afternoon, March 3 immediately after a short assembly program given by students of Buffalo, a number of parents and teachers met to organize a Parent-Teachers' Association. The officers elected were Mrs. G. R. Bivins, president; Mrs. George Green, vice president; and Miss Thelma Long, secretary-treasurer. The date on which each meeting is to be held was not decided but another meeting held Tuesday night, March 8, directly after the singing program, was planned for the purpose of deciding a meeting date.

Although the Association was organized late, it will be a great aid to the school and community because it gives the teachers and patrons of the community a better understanding of each other. There are few things more important to a school and community than the cooperation of parents and teachers and pupils.

School News

One day last week the fourth grade class went on a picnic. They took their lunches and went to the Mud Creek and ate. Miss Imogene Grady, the fourth grade teacher, went as chaperone. Each member of the class had a most enjoyable time and returned happier than ever.

The ninth grade history class left school about twelve o'clock Thursday to see "Conquest," which was being featured in Brownwood at the Lyric Theatre. Mr. and Mrs. Perry chaperoned the class. Each class member enjoyed the show exceedingly. It dealt with the life of Napoleon.

Radio Program

The Buffalo F. F. A. Boys gave a radio program from KNEL, Brady, Tuesday, March 8.

Those on the program were Ford Peyton, Dave Banks, Jr., Carlton Crawford, Wayne Holland, Dillard Holland, Leon Earles, Mike Earles, Garland Armstrong and Eugene Stuard as the announcer.

This was one of the regular programs given by the F. F. A. Chapters of this district.

U. S. CIVIL SERVICE COMMISSION ISSUES WARNING TO PUBLIC

Washington, D. C., March 15, 1938 — The United States Civil Service Commission today issued the following statement:

The public should not be misled by promises of Government positions by so-called "civil-service schools," their agents or their advertisements. No school is able to fulfill any such promises. The public is also warned against schools or agents that would lead one to believe that they represent the Government or are connected with the Government in any way, or that give assurance of success in passing civil-service examinations on the completion of their courses.

Extravagant claims of this type are bringing some such schools under Government investigation. Recently the Post Office Department issued fraud orders against a number of these schools denying them further use of the mails after evidence had been submitted that they had used the mails to defraud. In one of these cases prosecuted by the Government, the promoters of the school were later tried in criminal court and given jail sentences. The Federal Trade Commission also investigates complaints.

The aim of the Government is to protect the public against misrepresentation by any of these schools. It is of course impossible for the Government to secure or aid in securing the refund of money paid into the

Reconstruction Of Local Store Near Completion

The new store building, owned by the Hays estate, which was partially destroyed by fire several months ago, is nearly completed. The building has been reconstructed and repaired and an entirely new, modernistic front has been built with large plate glass windows and decorated with black coral glass. Pillars have been removed in the front of the old building.

The store was formerly operated by D. R. Hill and Bro.

schools. The public is therefore urged to heed this warning and to cooperate with the Government by making inquiry in every case concerning such claims by civil-service schools or agents before enrolling for courses.

Caution is particularly made against claims by schools that their courses are required in order to take the examinations of the U. S. Civil Service Commission; that they are given advance information regarding civil-service examinations; that they have influence with the Federal Government to procure employment for applicants; that they can secure special advantages for those taking their courses; that they have been authorized by the Federal Government to give examinations. Such claims are false.

Anyone can obtain civil-service information free from the Secretary of the U. S. Civil Service Board at any first or second-class post office or from the office of the U. S. Civil Service Commission at Washington, D. C.

Upon request, the Commission will place a person's name upon a mailing list to send him notice, without cost, of the next examination held for any particular position in which he is interested. The Commission will furnish upon request sample announcements of any examination.

Health Officer

Advises Birth Registrations

Austin, Texas, March 17—If unexpectedly faced with the necessity of legally establishing the date of their birth, their age, their American citizenship, thousands of Texans would not know whether or not their births were registered with the proper authorities. Great embarrassment, inconvenience, or even serious loss of property could conceivably result from either an absence of registration or an error made in filing it with the State.

Dr. Geo. W. Cox, State Health Officer, cited an unnamed but prominent Texas citizen who upon investigation found that his son had been registered for more than 20 years as illegitimate. Another instance the health official related concerned a Veteran of the World War who, after rearing a family of three children, found that he had been registered at birth as a girl child. The experiences of workers with vital statistics are rich with stories of persons vainly seeking to establish their rights to property because of neglect of their parents or attending physicians to register them properly at time of birth.

The law requires the births of all Texas babies to be registered with the local registrar, who is the Justice of the Peace in rural areas, and City Secretary in incorporated towns, within five days after the blessed event takes place, and forms are furnished physicians and midwives for this purpose. A copy of the registration is returned for permanent filing. These records are "vital" not only to the individual from a legal standpoint, Doctor Cox said, but to the State as well.

"We must know how many babies are born; how many die and from what causes mortality occurs if we are to accomplish the best results from a public health standpoint. Such a program obviously needs the interested support of every Texan. Our Bureau of Vital Statistics is only too glad to cooperate in 'getting the record straight.'"

STURGES - GIBBS COLEMAN

POLITICAL CALENDAR FOR 1938

The year 1938 is studded with many important political dates. The subjoined calendar, compiled by Vann M. Kennedy, Secretary of the State Democratic Executive Committee, lists the most important dates and events.

The time for holding the next State Democratic Convention is uncertain because of conflicting election laws, Kennedy explained.

The calendar:—
 Jan. 31: Last day for obtaining poll tax receipts.
 June 6th: Last day upon which State office candidates and district office candidates (in districts containing more than one county) may file applications to have their names listed on the Democratic Primary ballot.
 June 13th: State Democratic Executive Committee meets to make up ballot for Primary Election. Committee also designates place where State Democratic convention will meet in September.

June 18th: Last day upon which county and precinct office candidates (in districts composed of only one county) may file applications to have their names listed on the primary election ballot.

June 20th: County Democratic executive committee meets to determine, by lot, the order of names listed on the ballot, to estimate expenses of the Primary Election; to assess costs against candidates.

July 23rd: First Primary Election Day. In counties of 150,000 and more population, polls open from 7:00 a. m. to 7:00 p. m. Precinct conventions meet and elect delegates to county conventions.

July 30: Democratic county executive committees meet to canvass results of First Primary Election. Democratic county conventions meet to select delegates to district and state conventions.

August 6th: State Democratic Executive Committee meets at Primary Election in all state and district office races. Committee lists names to go on official ballot for Second Primary Election. Certification of Democratic candidates nominated in First Primary made for General Election ballot.

August 27th: Second Primary Election Day.

Sept. 6th (Sept. 13th): Meeting of State Democratic Convention to adopt a platform of principles, to declare nominations for state offices, to elect State Chairman and new State Democratic Executive Committee of 31 men and 31 women.

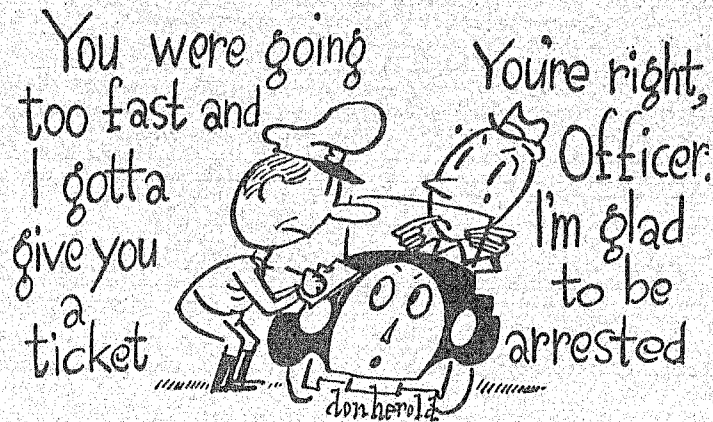

Note: Because of an error in a bill enacted by the 45th Legislature, the convention date was fixed for one week in advance of the time when the State Democratic Executive Committee can meet to canvass election returns. Unless this date is changed, the convention, presumably, will be unable to announce official nominations for state offices. Properly, the State Convention should meet on September 13th.

Sept. 12th: State Democratic Executive Committee holds session in the city selected for the meeting of the State Democratic Convention, canvasses returns of the Second Primary Election; prescribes the order of business for the Convention, and prepares list of convention delegates.

Nov. 8th: General Election Day.

1-MINUTE SAFETY TALKS

By Don Herold

Take—and Like—Your Medicine

I burn when I see somebody driving a car down our street faster than he should.

Yet, I'd burn if I were doing the same thing and a cop caught me and gave me a ticket.

But I oughtn't to.

I ought to remember that my little Hildegarde crosses that street several times a day and plays on the other side, and that traffic regulation and enforcement are for her protection.

I ought for her sake, to be so loyal to traffic regulations that I would feel good about getting a ticket.

There is always injustice in any ticket WE get for a traffic violation. Let's just have sense enough or sense of humor enough to remember that our own ticket is invariably going to seem unjust....and let's have sports-

manship enough to take our medicine in the name of a good cause.

At the present rate, according to estimates made by The Travelers Insurance Company, one out of every three children faces the PROBABILITY of death or maiming from motor accidents in the course of a lifetime.

So what we need is more tickets, not fewer tickets. And no "FIXING".

I like the spirit of that wife of a New York magistrate who some time ago appeared in traffic court and paid a fine.

I think some types of patriotism and public spirit are apt to be the bunk, but I believe we should all lean over backwards to take what's coming to us for traffic rule violations.

21st District Cotton Crop Shows Increase

178,000 Bales Produced Last Year in Sector

An increase of 33,832 bales of cotton in the 21st congressional district of West Texas is revealed for 1937, in comparison with the previous year, according to the report of the United States Department of Commerce, bureau of the census, showing 178,851 bales ginned prior to Jan. 16.

This is the total for 14 of the 27 counties in the congressional district, ginnings of the 13 other counties being included in the "all others" reported.

The state total on Jan. 16 stood at 4,825,213, compared with 2,808,365 at the same time the previous year.

Counties in which ginnings were not listed in the 21st congressional district include Sterling, Irion, Llano, Kimble, Kerr, Real, Kendall, Bandera, Sutton, Edwards, Kinney, Uvalde and Val Verde. While no cotton is grown in some of the counties, it is produced in others and the ginning total withheld to prevent disclosure of individual operations.

Ginnings in the other 14 counties of the district, as of Jan. 16, are as follows:

| | | |
|------------|--------|--------|
| County | 1937 | 1936 |
| Brown | 6,144 | 6,851 |
| Coke | 5,314 | 3,578 |
| Coleman | 26,009 | 23,168 |
| Concho | 17,513 | 12,190 |
| Gillespie | 699 | 1,112 |
| Lampasas | 3,160 | 4,463 |
| McCulloch | 17,484 | 15,803 |
| Mason | 685 | 746 |
| Menard | 930 | 709 |
| Mills | 3,025 | 3,795 |
| Runnels | 60,893 | 49,478 |
| San Saba | 6,228 | 5,385 |
| Schleicher | 5,370 | 4,436 |
| Tom Green | 25,397 | 13,305 |

Total 178,851 145,019

While this congressional district represented in Washington by Charles L. South of Coleman, shows a large cotton production increase over the previous year, Rep. George H. Mahon of Colorado, of the 19th congressional district, claims the record with 1,133,531 bales.

This record output was produced this season in his district of 25 counties, including Lubbock, which led the state in 1937 production.

The congressional district covering the rich Mississippi delta region shows a total of 1,077,306 bales, while the dis-

trict ranking third in the nation is an Arkansas area in which 791,176 bales were grown in 1937.

The nearest Texas congressional district to that of Mahon in cotton production was that of Majority Leader Sam Rayburn of Bomham, which produced 389,359 bales.

First among all counties in the country was Mississippi county, Ark., with 233,771 bales; Bolivar county, Miss., was second with 187,843; Sunflower county, Miss., third with 186,343; Tulane county, Calif., fourth with 156,777, and Maricopa county, Ariz., fifth with 153,766. Lubbock county ranked sixth in the nation.

With the aid of experts of the Department of Agriculture, Mahon estimated that if all the cotton produced in his district was manufactured into bed sheeting 81 inches in width it would reach around the

earth 16 times. It would be adequate to supply every woman in the district with 100 dresses, every man with 100 shirts and every household with 100 bed sheets.

I have no special ambition to hold public office. Nothing has happened to discourage me as to the result. I am not relinquishing my interest in the welfare of the people. I am vitally concerned over their economic security. I am anxious to see a program of economy adopted such as has never been known. I am concerned about the reduction of expenses and for proper provisions being made for our old people who are in need, the teachers' retirement fund, and our needy, blind and underprivileged children. As a native Texan I have a deep and aviding concern for the security of our sacred institutions, a lasting pride in our romantic history, and the honored traditions of our State. These things being dear to me, I shall ever maintain an active interest in public affairs.

I am under lasting obligations to the multiplied hundreds who have by letter and in person pledged me their vote and influence; and to them I extend my sincere thanks and appreciation, but to break faith with those friends of mine with whom I have served in the Legislature and with whom I have served in political campaigns, I simply cannot, in view of the situation which has arisen, further prosecute a campaign for an office I really do not want and only thought of seeking for the reasons above explained.

Aside from the reasons above given, I have taken into consideration the fact that to remain in the race will require an all summer campaign, and if successful, the loss of about eight months out of my office next year and each year following and I should not neglect my law practice for an office which can be ably filled by others who have announced or may announce in the near future. My life's work commenced and will end in the county of my birth. Here I expect to remain and enjoy the friendship and confidence of those who know me best. I am looking forward to a period of political rest, except, perhaps, for what I may be able to do for some friends whom I think best qualified for the offices they seek.

To my many Coleman County friends who have expressed themselves as willing to help me, I extend to them my appreciation. I know they will be disappointed but will understand my position and approve the conclusion I have reached.

Walter Woodward

Walter Woodward -

not run against my former colleagues and personal friends.

In making my original statement, I did so believing those who have announced or might later announce would not be candidates and I had in mind one purpose, to-wit: To prevent, if I could, the election of some radical, irresponsible and inexperienced individual who might not be qualified by experience and otherwise to properly handle important matters of state which I anticipate will confront the Senate at the next Regular Session of the Legislature and one who might plunge Texas into a maelstrom of political strife, discord and confusion which would lead the State into financial difficulties disastrous to the taxpayers. In view of the announcement of the Honorable Coke Stevenson and Senator Nelson and others who perhaps will enter the contest, it is certain the voters will have an opportunity to elect a Lieutenant Governor who is conservative and experienced and one who will give the people an administration to which they can point with pride.

Spring

Did you know Spring is just around the corner?

Soon the heavy lidded eyes will assume a far-away look and the shameless yawn will be very much in evidence. The moth ball will be put in the winter clothes, shirt collars will fly open, dainty dresses will be seen and several sparrows are even now appearing—chirping and fluttering their wings! Even the good king, Ahasuerus, has slipped out of his long-handles.

You hear the children asking for the tenth time, "Mommy, kin I pull off these ole' shoes now?" And her immediate reply is "No, not until the mesquites begin to leaf."

Ho-ho-hum. I'd certainly like to see an earthworm now.

Scribblers Enjoy Picnic

A group of Scribblers met in town last Friday afternoon and hiked to Ruth Vanderford's for a picnic. When they arrived an exciting game of base ball was played.

After the game the hostess served a picnic supper consisting of sandwiches, potato chips, cookies, fruit, lemonade and ice cream.

Those who enjoyed the supper and also the hay ride back to town were Gale Collier, Dot Pettit, June Kirkpatrick, Elsie Haynes, Mary Feild Mathews, Ruth and Alice Jane Lovelady, Mary Louise Curry, Dorothy Ross, Billie Burk Pope, Mickle Parker, Rachel Parker, Ima Nell, Lilly Niell, Dorothy Sumner, Margaret Mobley, Mary John Wade, Emma Sue McCain, Roxie Lane, Willyne Ragsdale, Miss Lula Jo Harvey, Miss Olene George of Bangs, Miss Mattie Ella McCreary, Mr. and Mrs. Vanderford and the hostess, Ruth Vanderford.

The members of the Spanish I class enjoyed a very delicious luncheon Friday, March 4. The purpose of this luncheon was to teach the members dishes on the menu in Spanish.

The members enjoying the luncheon were: Ruth Blue, Dorothy Pettit, Annie B. Conley, Elva Ashmore, Clem Shelton, Bill Williamson, Louise Holland, Willyne Ragsdale, Dorothy Sumner and Miss Harvey. The menu consisted of the following: fruit cocktail, fried chicken, gravy, potato salad, cream peas, tomatoes, lettuce, olives, pickles, rolls, butter, ice cream and cake.

Never Quit

Spring is here. It is now that glorious season of the year when students are inclined to be lazy. Most of them had rather take the day off and get out in the open air than stay in school and study. Let's be one of the few schools to keep its honor roll and attendance at the top, students! And remember that it all depends on you. Let's don't be quitters; let's keep our school in the top ranks. A good motto for everyone to keep in mind is "A quitter never wins, and a winner never quits."

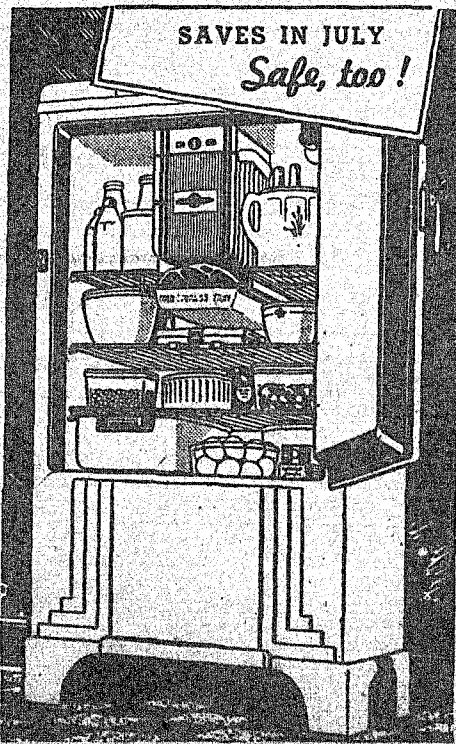

SICKNESS takes a Holiday!

Their Health is Protected by Electric Refrigeration

Hospital Obstetrics Supervisor Says: "It's Safest"

Economy in operation and safety from food spoilage are as important in your home as in any hospital! Therefore, it seems amazingly significant that most all hospitals, including Hendrick Memorial Hospital in Abilene (see photos), depend largely on Electric Refrigeration for these two necessary performances. Miss Vera Smith, obstetrics supervisor, says: "We now have eight Frigidaires in use, one of which is in the maternity ward. I know of no better method than electric refrigeration as a means of providing one of many safeguards for the health of these babies." So when buying a refrigerator, please bear in mind that responsible persons, qualified to exert expert choice, everywhere are choosing Electric Refrigeration. Especially is this true in West Texas, where torrid summer heat makes it impossible for other types to maintain 40- to 45-degree temperatures—necessary for complete food protection. Electric service for refrigeration costs as little as 2 1/4 cents a day!

IN THE PICTURES
 Snoozing peacefully are these youngsters, undisturbed by the electric refrigerator which protects their liquids. One yawns, another blinks big, blue eyes as Nurse Vera Smith makes a routine inspection. Below: Miss Smith stands at the Frigidaire, whose silent operation is essential; in foreground beyond the baby cribs is the hospital's new "incubator."

There is quite a lot of work that needs to be done at this time. All come and bring tools to work with. There will be lunch at the Cemetery.

Committee

Think of all the labor the machine age has saved us by slicing our bread and baloney.

There may be plenty of ways to make a living without working, but most of them won't work.
