"He Profits Most Who Serves Best"

## SMOKE FROM THE MOUNTAIN

The Mayor and members of the Fire Department announced this week that certain families and cars have been spotted who persist in attending every fire and getting in the way of fire fighting equipment and who block passage to fire plugs. Such an offence is regarded not only as discourteous, but endangers the city as a whole, for any-thing which hinders the Fire Department in doing its best to-control or put out a fire is endangering other homes and business houses. FINES WILL BE ASSESSED TO THOSE PER-SONS WHO AT THE NEXT FIRE CONTINUE TO GET IN THE WAY OF FIRE FIGHTING EQUIPMENT, SPECTATORS IN CARS SHOULD BE AT LEAST A BLOCK FROM FIRE PLUGS. If you can't stay out of the way of workers when you attend a fire, stay at home and find out

all about it later. Your pres-ence is more of a hindrance than a help.

### Band Honored At **Banquet** Given **Tuesday** Night

Members of the Santa Anna Band, their director, Thomas F. Wallis, and members of the school faculty were honored Tuesday night at a banquet given by the local Band Mothers Club. Special honor guests were Band Director and Mrs. J. E. King of Coleman.

The banquet, given at the Woodman Hall, carried out the "Snow White" motif in decorations, favors and the menu. John Franklin Turner acted as toastmaster. Mrs. Jodie Mathews, president of the Band Mothers Club, welcomed the guests and praised them for their achievements of the year. The response was given by Mr. Wallis, who in turn expressed the band's appreciation for the support and cooperation and encouragement the club had given the musical organization. **Governor** Allred Declares

GOVERNOR JAMES V. ALLRED by special proclamation calls upon the citizens of Texas to observe the week of May 9th as TEXAS BREAD WEEK by serving bread, toast, sweet rolls, cake, and other baked wheat foods. The Governor points out that this program is important to the agricultural and industrial welfare of Texas because the increased consumption of bakery products increases the consumption of wheat, flour, milk, butter and cottonseed-oil products. These products all are important to the prosperity of Texas agriculture. Farmers, millers, bakers and grocers are cooperating to put the proclamation into effect.

Governor Allred is shown signing the proclamation. Standing back of the governor in the picture are, left to right: Granville W. Moore, Assistant Chairman, Texas Bread Week Campaign; Jake Golman, Director, Texas Bakers Association; Ed Goodman, Chairman, Allied Division: Dr. W. T. Cox. State Director of Public Health.
