

SANTA ANNA NEWS

"He Profits Most Who Serves Best"

SMOKE FROM THE MOUNTAIN

From the exchanges we see that other towns have the same troubles we do. Last week's comment about the fire audience seems to have also found an ally at Lamesa. The Lamesa Reporter says: The city officials are warning the people of Lamesa that the habit of jumping into cars and chasing the fire trucks to fires when the alarm is sounded must be stopped. Not only that but all cars on the streets, when the fire alarm sounds, must stop immediately and pull into the curb. The local fire department will vote for the same sentiment.

Jurors For June Term of Court Now Notified

Court Opens With Grand Jury Hearing May 30

Wm. R. Murphy Announces For Representative

The Santa Anna News has been authorized to announce that Wm. R. (Bill) Murphy is candidate for State Representative from this district.

His announcement follows: I submit my name for nomination on the Democratic ticket for State Representative from the Brown and Coleman County District. I feel that I am fully qualified to perform the duties required for this important office.

I am capable and willing to cooperate with the other members of the legislature and the governor if elected, in order to avoid discord and waste of time and the people's money. With this cooperation more can be done for the interest of the people with less expense to them.

I am a young man seeking to serve the people of West Texas with their interests at heart. If elected, I promise to give you an honest and faithful service. I promise to be a true representative of West Texas and the people whom it comprises. If elected I promise to let the wishes and policies of our two counties be my guide in all matters concerning them and others.

My mother and father are long time residents of Brownwood. I was born and reared

in Brownwood, having attended the public schools and Daniel Baker College in that city, where I took an active part in debating and other oratorical works.

I have always worked for everything that I have ever had or attained. I intend to continue doing this because I know nothing else. At the age of six years I began selling papers on the streets. I continued this in one capacity or another with the Brownwood Bulletin for ten years. I attended school all the while and laid a foundation for a business experience in my spare time. I made many friends in this work whom I hope to have support me in my campaign. I was engaged in other business in Brownwood until about two years ago when I moved to Coleman to make my home. I am married to a fine Coleman girl who comes from one of Coleman's oldest families. I have bought a home in Coleman and expect to live here and raise my family.

This is my first time to ever ask for a public office and ask that you give a young man who is anxious for a chance to serve, to show his ability. I have no one to whom I owe political favors nor political enemies whom I must combat.

None of my family has ever been in a public office nor been connected in any way with politics, even through business that needed political support. Our government is only as clean as its politics. My background shows the kind of man you will have if you see fit to elect me to this office.

I intend to make an active campaign and meet as many of my friends and make as many new ones as possible. If I do not contact you personally ask my friends.

Wm. R. (Bill) Murphy

Mr. and Mrs. D. J. Weathers of Cisco visited here Wednesday. They were accompanied home by their daughter, Mrs. John Jordan.

Marvin Davis spent the weekend here visiting his parents, Rev. and Mrs. J. Virgil Davis. He returned to Southwestern University at Georgetown where he is a student.

Senator E. M. Davis Makes Announcement For A Second Term

Senator E. M. Davis announces for State Senator in this issue of the Santa Anna News for a second term.

Senator Davis was reared by farmer parents in Burnet and Lampasas Counties. In his young manhood, he taught school and later worked his way through the University of Texas, graduating in 1912. Following his graduation, he served four years as County Attorney of Lampasas County, after which he engaged in the private practice of law until the summer of 1917, when he volunteered for the Second Training Camp at Leon Springs. After his discharge from the Army, he came to Brownwood, where he has since lived.

He served two years as City Attorney of Brownwood, and six years as County Judge of Brown County. While County Judge, he was elected President of the County Judges and Commissioners Association of Texas, during which time he took a leading part in procuring legislation whereby the counties now receive the larger share of automobile license fees. During the time he was County Judge, a road program was launched which eventuated in one of the most complete road systems in Texas.

Senator Davis served as a member of the 42nd Legislature, and is now serving his first term as State Senator. During his service in the Legislature,

he has proven to be a man who has the courage of his convictions, and all of his efforts have been on constructive legislation, both local and state wide.

Senator Davis is an Elder in the Presbyterian Church, a Member of the American Legion, is Captain of Company A, 142nd Infantry, Texas National Guard, and has been active for many years in civic work in town and country. He has taken a special interest in 4-H and FFA work.

In making his announcement Senator Davis submitted the following statement:

In these perplexing times, the Legislature is confronted with many problems, some new and some old. Space forbids the discussion of all of them, but I submit the following as my attitude on some of the questions that will confront the next Legislature:

Governmental Expenses
During the past 24 years, the cost of State Government has mounted from \$14,000,000.00 per year to \$160,000,000.00, and during the past four years the cost of government has increased some \$70,000,000.00 per year. It is true that highway work, increased school appropriations and our social security program accounts for much of this increase; but I am convinced that the cost of government is too high and can be reduced materially without impairing the efficiency of any department, by reducing the number of employees, and by the elimination of several boards and combining their duties with other boards, and thereby effect a saving of six to ten million dollars.

It is my judgment that the Legislature should spend more time in seeking to simplify and reduce governmental expenses, and less time in hunting new resources for taxation. Already the various governmental agencies of this country are costing more than 25 per cent of the total annual income.

Schools
I favor liberal support of our public school system. I favor keeping the apportionment at the present amount of \$22.00 per capita, and higher if receipts from present taxes will permit it. I also favor an increase in the State equalization fund, and particularly that portion of the fund which has to do with transportation.

Texas has made a good start toward furnishing equal educational opportunity for all children, both rural and urban, and this work should be carried on until we ultimately reach our goal. I favor the establishment and development of a state wide system of vocational training. Only 8 percent of the students of high school age ever attend college, and most of them leave school at the age of 17 or 18 years, with a smattering of academic knowledge, and with no practical training for their life work. It is my judgment that the burden is on the State to see that this 92 per cent of students are given an opportunity. Vocational training, like all technical training, will be expensive, but it will be worth while, and is but just to the 92 per cent who will never have the opportunity to attend our State supported colleges.

Social Security
I favor legislation which will put into effect and adequately support all phases of the Social Security Program, and will give my best thought to those matters at the next session of the Legislature.

I favor broadening the base and liberalizing the Old Age Assistance Program, and my record in the Senate will show that I have uniformly fought for such a program. So long as such assistance is based on need, that need should be determined by the net income of the applicant, rather than on his folks or on the fact that he happens to own a little home in town or the country, or other non-revenue bearing property. If governmental expenses cannot be reduced sufficient to take care of the Social Security Program, I will favor any reasonable tax to give adequate support to the Old Age Assistance and other social security.

Soil Conservation
I am convinced that the greatest need of the State of Texas is comprehensive soil conservation program. It is estimated that we are losing \$200,000,000.00 worth of rich alluvial soil each year. A recent survey of Brown County shows that 60,000 acres of land,

once productive, has been abandoned in the last 20 years, due to erosion, and this is but typical of all this section of the State. The very existence of the urban as well as the rural population depends upon the conservation of the soil.

During the 42nd Legislature I assisted in the passage of House Bill No. 17, which authorized the Commissioners' Court to rent the road machinery for terracing purposes when not in use for road building. During the 44th Legislature I sponsored Senate Bill No. 227, which authorizes the Commissioners' Court to allocate not to exceed one-fourth of the automobile license fees for terracing purposes, and during the 45th Legislature I sponsored the passage of what I thought was a

comprehensive bill, and one which would have hastened the conservation of our pastures and farms. This bill was passed by an overwhelming majority in both houses, but was vetoed by the governor, principally because it provided tax diversion for purchasing machinery and running contour lines. I expect to continue my fight in the next Legislature for a practical, comprehensive conservation bill.

Livestock
The raising of livestock is one of the leading industries in this district. I have always followed the legislative programs sponsored by the Cattle Raisers' and the Sheep and Goat Raisers' Associations; and I

(continued on page three)

do with transportation. Texas has made a good start toward furnishing equal educational opportunity for all children, both rural and urban, and this work should be carried on until we ultimately reach our goal. I favor the establishment and development of a state wide system of vocational training. Only 8 percent of the students of high school age ever attend college, and most of them leave school at the age of 17 or 18 years, with a smattering of academic knowledge, and with no practical training for their life work. It is my judgment that the burden is on the State to see that this 92 per cent of students are given an opportunity. Vocational training, like all technical training, will be expensive, but it will be worth while, and is but just to the 92 per cent who will never have the opportunity to attend our State supported colleges.

I also favor making provision, at the next session of the Legislature, for the full payment by the State into the Teacher's Retirement fund.

Social Security
I favor legislation which will put into effect and adequately support all phases of the Social Security Program, and will give my best thought to those matters at the next session of the Legislature.

I favor broadening the base and liberalizing the Old Age Assistance Program, and my record in the Senate will show that I have uniformly fought for such a program. So long as such assistance is based on need, that need should be determined by the net income of the applicant, rather than on his folks or on the fact that he happens to own a little home in town or the country, or other non-revenue bearing property. If governmental expenses cannot be reduced sufficient to take care of the Social Security Program, I will favor any reasonable tax to give adequate support to the Old Age Assistance and other social security.

Soil Conservation

Torn From Homes by Tornado, Electric Refrigerators Still Provide Ice, Food Protection

FOLKS who spend good money for a refrigerator are should give them a guarantee of Safety. The folks who many years ago bought the two electric refrigerators pictured above bought both Service and Safety. A recent tornado in a small West Texas community proved this point. Buildings crumbled around them and the wind tossed them into the street like a fretful child discarding a toy. But—these electric refrigerators operated perfectly when picked up and connected to an electric socket the following day. That IS Service! There was no damage resulting from refrigerant fumes. That IS Safety!

Sen. E. M. Davis -

(continued from page two)

pledge my continued and unstinted support of their legislative programs.

Local Legislation
During my service in the Senate, I have been active in looking after the local interests of our District. I sponsored the Upper Colorado River Authority bill, leaving out those counties that did not care to participate. I also sponsored the Central Colorado River Authority bill; and, in my judgment, this set-up has done some very effective work in Coleman County. I also procured the passage of a law which will establish an Experiment Station in the Sandland Belt of Central Texas. I sponsored two bills which made it possible for the Brown County Water Improvement District to complete its irrigation project, and have tried to be on the alert and look out for the interest of this District when and as the needs arose.

I am a poor man, with heavy responsibilities, and am unable to make an expensive campaign; but if the people of this District see fit to return me for a second term, I pledge them continued untiring and unselfish service.

J. F. Doggett, Goldthwaite, is a patient.

MRS. D. B. GUTHRIE ANNOUNCES FOR TAX ASSESSOR-COLLECTOR

The Santa Anna News was authorized this week to announce that Mrs. D. B. Guthrie is a candidate for the office of County Tax Assessor-Collector. Her announcement is as follows:

"I wish to announce for the office of Tax Assessor-Collector of Coleman County subject to the action of the Democratic Primary.

"I have lived in Coleman County the past eleven and half years. I have never done any public work since I've been here. I have worked in some of the civic organizations. Before I came here I taught school in Taylor and Jones counties for three years.

"I am asking for the office because I want the work. I realize that this is a very responsible place, but I am sure that I am capable of handling it efficiently, and will do so, if elected to the place. I know that I am new, but isn't a new person entitled to a chance to prove their worth?"

"I plan on making a canvas of the county before the election. If I fail to see you, won't you please give me your consideration.

Sincerely
Mrs. D. B. Guthrie"

Camp Colorado

By Audrey M. Parsons
Rev. Collins Webb filled his regular appointment at the Baptist Church here Saturday night, Sunday morning and Sunday night.

A much needed rain fell here Thursday.
Little Bobby Louise Parsons spent Wednesday night in the home of her grandparents, Mr. and Mrs. F. A. Parsons.

Mrs. O. H. Terry and little daughter of Comanche visited from Wednesday until Saturday in the home of her parents, Mr. and Mrs. L. W. Stevens.

The Cross Roads P. T. A. had supper on the grounds Thursday night.

Mr. and Mrs. N. A. Parsons and family spent Sunday afternoon in the home of his parents, Mr. and Mrs. F. A. Parsons. Henry Sackett was also a visitor there.

A large crowd enjoyed the party given by Miss Maggie Lou Jones Saturday night.

Closing exercises for Cross Roads School will be held the latter part of this week.

Mr. and Mrs. Coy Brooke of Santa Anna and Mr. and Mrs. Joe C. Brooke and little son, John Ray of Echo, spent the week-end with their parents, Mr. and Mrs. J. R. Brooke.

Miss Esther Sides of Coleman attended church here and took dinner with Mrs. Pearl Sackett.

Misses Marie Byrd, Christine, Fay and Glendie Johnson, and Maggie Lou Jones spent Sunday with Mrs. J. B. Brooke.

Members of the jury commission, which met last January to select these jurors, were Hayden Hargett, W. H. Thase, and D. Smith.
The Colorado Record also hit the mark for all West Texas at this time of the year. The Record says: "There's lots of fever going on in town now. About the only thing killed so far is time but work is suffering something awful. It starts in with a light case of spring fever—gets worse and finally when complications set in there is only one thing to do. That's to get out the old line, poke and snikers and go fishing for two or three days. That's the only relief I know of."
Mr. and Mrs. Harry Caton spent last week-end in Fort Worth.

O. E. S. Regular meeting, 8 p. m.

THURSDAY
Needlecraft Club, 2:30 p. m. with Mrs. W. E. Wallace.

Miss Trowbridge Is Speaker At Whon

Miss Christene Trowbridge gave a most interesting demonstration on Vegetable Cookery at the home of Mrs. O. O. Simpson at 2:30 Tuesday afternoon for the Whon Demonstration Club. Twelve club members were present.

"Stirred, flavored vegetables, such as cabbage, onions and cauliflower should be cooked quickly in a large amount of boiling, salted water in an uncovered pan," Miss Trowbridge said. "Mild flavored vegetables such as potatoes, carrots and beans should be cooked in a small amount of boiling salted water in a covered pan."

All vegetables should be cooked only until tender and served immediately to obtain the largest amount of vitamins, she added.

Cabbage with cheese sauce, glazed carrot slivers, swiss chard and a swiss chard salad were the vegetables demonstrated.

The club will meet May 31 at Mrs. Morgan French's home for a demonstration of "The One-Dish Meal."

Mrs. Fred Rollins Is H. D. Club Hostess

"Vegetables should be cooked to retain food values and should be attractively served to appeal to the appetite," Miss Christene Trowbridge, county home demonstration agent stated when she spoke to the local Home Demonstration Club when it met at the home of Mrs. Fred Rollins last Friday, May 13.

The subject for the afternoon was "Vegetable Cookery."

Miss Trowbridge demonstrated the cooking of three common vegetables, cabbage, carrots and spinach. These were sampled by members of the club at the close of the demonstration.

The hostess, Mrs. Rollins, served angel food cake to nine members and two visitors, Miss Trowbridge and Mrs. Charles Trowbridge of Floydada, at the close of the program.

The next meeting of the club will be on June 10.

MRS. CATON HAS BIRTHDAY

Mrs. Lester Newman entertained her mother, Mrs. S. G. Caton, at a birthday party Monday afternoon, May 16. Refreshments of cake and ice cream were served during the afternoon to members of Mrs. Caton's family who attended the surprise party.

Mrs. McCaughan Is Needlecraft Club Hostess Thursday

Mrs. Theodore McCaughan was hostess Thursday, May 12 to the Needlecraft Club at her home.

Refreshments were served at the close of the evening to the following club members, Mesdames R. C. Gay, I. O. Shield, A. Preston Bailey, C. D. Bruce, W. E. Baxter, W. E. Wallace, W. R. Kelley, John R. Pearce, A. R. Brown and the following guests, Mesdames Chap Eeds and J. T. McCaughan and Barbara Bruce, Elizabeth Eeds, Julia Ann and Thomas Carl Bailey, Tommy Chap Martin and Betty Ann and Margaret McCaughan.

Bulletin News: Mrs. W. B. Griffin.

Mrs. Sheffield Weds Mr. Martin of Eden

Mr. and Mrs. M. R. Martin of Eden visited in Santa Anna Monday with her sisters, Mrs. Fred A. Rollins and Mrs. Hallie Bissett and families.

Mrs. Martin is the former Mrs. Josephine Sheffield who will be remembered here by many friends. The marriage of Mrs. Sheffield and Mr. Martin took place last Sunday at Eden with Mr. Knight, pastor of the Eden Church of Christ officiating.

Mrs. Martin has lived in Brownwood for several years and is a former Howard Payne College student.

Mr. Martin is an engineer for the Santa Fe Railroad. At the present time he works between Eden and Lometa. Mr. and Mrs. Martin will make their home at the Plaza Hotel in Eden.

Rockwood News

By Hearthal King
Travis Box, Horace Douglas, Weldon Smith of Abilene visited with A. W. Box this weekend.

Mr. and Mrs. M. T. Cornelius and family of Abilene and Mrs. R. F. Miller of Santa Anna spent Saturday night and Sunday with Mr. and Mrs. Cecil McCreary and family.

Misses Margaret Bryan, Mabelene Holland, Dalton Rutherford, Anita Sue McCreary, Nancy McCreary and Joyce Wise spent Sunday with Claudia McCreary.

Miss Joyce Wise entertained the Juniors and Seniors with a tacky party Friday night. Prizes were awarded Dalton Rutherford and Lawrence Brusenhan Jr. for being the tackiest.

The Rockwood Baseball team played Shield Saturday and were defeated by two points.

The Baccalaureate Sermon will be delivered Sunday, May 22 by Rev. Sam Williams of Brownwood.

The Seventh Grade graduation exercises will be held Tuesday night, May 24. Valedictorian is Lillian French. Salutatorian is Joe Fred Estes.

The Senior Commencement Exercises will be held Wednesday night, May 25 with 21 seniors graduating. Senator E. M. Davis of Brownwood will deliver the address. H. F. Holland is valedictorian and Lawrence Brusenhan Jr. is salutatorian.

Word has been received here that Miss Marie McCreary, daughter of Mr. and Mrs. F. E. McCreary has been selected to act as a page in the annual Texas Technological College Women's Recognition services May 17.

Word has been received here of the death of G. W. Queen, who has been employed in a CCC camp in California. He is the son of Mr. and Mrs. B. Queen of Bastrop, but interment will be made at Rockwood Cemetery.

Mrs. J. O. Harkey of Spur and Mrs. Garnet Reeves and son of Tampa visited relatives here the first of the week.

Mr. and Mrs. Robbie Livingston of Coleman visited Mr. and Mrs. J. C. King.

Whon News

By Mrs. Warren Gill
Earl Gilmore of the U. S. Navy is home for a three weeks furlough ending June 3.

Mr. and Mrs. Floyd Miller and son, Roland of Abilene visited Mr. and Mrs. Bert Turney last Friday and Saturday.

Mrs. Charlie Gill has returned home from an extended visit with her sister, Mrs. Charles Standifer in Lowell, Arizona.

Mr. and Mrs. Gordon Lansford, Carl and Wanda Lansford left last week for Los Angeles.

The Whon school board met Tuesday night and re-elected Mr. J. B. Shannon as principal. Business visitors last week on the Gill Ranch were Classen Bros. of San Antonio who bought two heifer calves, Fulton Fuller of Martinville who bought eight bull calves and J. J. Newman, Bude, Miss. purchased a mixed carload.

Miss Nella Derrington is home from school. Shield school was out Monday.

Benny J. Wilson of May spent uncle and aunt, Mr. and Mrs. last weekend here with his J. B. Jones.
