

GOP CONFUSED

Split On Truman's Congressional Aims

WASHINGTON, April 14. (AP)—Three Republican senators accused President Truman today of seeking the election of a Congress which would rubber-stamp his foreign policies without debate.

Senators To Visit Several Cities In Crime Investigation

WASHINGTON, April 14. (AP)—Sen. Kefauver (D-Tenn.) said today members of a proposed Senate Crime Investigation Committee will visit several cities to conduct on-the-spot surveys of criminal activities.

Kefauver, who is slated to head the \$150,000 inquiry approved by the Democratic leadership, did not identify the cities.

But he has said the investigation would not "shy away" from Kansas City, Mo., Republicans have been urging a probe of conditions there, following the murder of a Kansas City Democratic leader, Charles Binaggio.

The Tennessee lawmaker said he would do his best to keep politics out of the inquiry and stick to the main job of tracking down the operations of crime syndicates operating in interstate commerce.

Mr. Truman told a United Nations group yesterday that "this time we are trying to elect a Congress that believes in international co-operation wholeheartedly."

Sen. Ferguson (R-Mich.), a strong supporter of most of the administration's foreign program, said the remark was one of "the most unfortunate" statements Mr. Truman could have made at this time.

"I'm disappointed that the President is making foreign policy a party issue," Ferguson told a reporter. "What he really wants is a foreign policy approved with a rubber stamp."

Republican Floor Leader Wherry of Nebraska decried Mr. Truman as "making a political football" of the bipartisan foreign policy.

Sen. Knowland (R-Calif.) also used the term "rubber stamp" in his reaction to Mr. Truman's statement, adding: "I do not believe he will get that kind of co-operation from the Republicans."

It was Sen. Morse (R-Ore.) who went to the administration's defense, declaring that Republicans are being confused more and more about foreign affairs, Morse said the President appears to be trying sincerely to "re-establish a working bipartisan foreign policy."

THAT'S WHAT HE CALLED IT—PICNIC WEATHER!—News reporter Allen Brown (left) of the Council Bluffs, Ia., Nonpareil and E. F. Stapowich, chief of the Omaha, Neb., weather bureau, set a picnic lunch in the snowy outdoors. If the lunch tasted of crow there was a reason, Stapowich, predicting clear and warmer weather, suggested to Brown: "Why not have a picnic Wednesday?" Brown passed the suggestion on to his readers. Although the day brought an inch of snow and temperatures in the 30's, Stapowich and Brown refused to ignore their own suggestion and had their picnic anyway. (AP Wirephoto).

Bradley Hints U. S. Defense Changes

SAYS HE'S 'DEAD', TAUNTS THE LAW

TOKYO, April 14. (AP)—"The law can't lay its hands on me," taunted a Japanese arrested for stealing 22 kimonos and a bag of rice.

Riichi Sakuma patiently explained he had deserted his home two years ago and was given a funeral last May. "You can't do this to a dead man," Sakuma fumed, from his cell.

Fog Hampers Search For Lost Aircraft

COPENHAGEN, Denmark, April 14. (AP)—Equipment dropped by aerial searchers raised brief false hopes today of a clue to the U. S. Navy Privateer patrol plane missing with its crew of 19 since Saturday.

As 16 U. S. planes continued to comb the Baltic area, search authorities identified a piece of wood found by a fisherman as part of a smoke-flare box, dropped last Wednesday when a searching B-17 pilot observed what he thought was a life raft.

An inscription in English on the gray wooden piece, half a yard long, earlier led Swedish naval authorities at the Karlskrona base to believe it might be part of the missing plane. The inscription read: "Down or forward when launched floodlight mk 8 mod 2 lot 4-4 id d-245 gbb."

Capt. Joseph Kuhn, deputy search leader at Copenhagen, identified the wood from a radioed description of the markings as part of the smoke-flare box.

Today's search activities were hampered by thick fog rolling across the North Baltic Sea, although later in the day the misty blanket lifted slightly.

Atlantic Pact May Force Realignment

CHICAGO, April 14. (AP)—Gen. Omar Bradley said today the United States may have to drop its theory of a balanced Army, Navy and Air Force to meet the defense needs of the North Atlantic area.

The chairman of the U. S. joint chiefs of staff indicated that the Army might come off third best under such an arrangement.

In an address prepared for the Executive Club, the former chief of staff of the Army reviewed the accomplishments of the recent Hague Conference of Atlantic Pact defense chiefs.

A spokesman for a small nation, Bradley said, first raised the question of sovereignty, and thus made "the most significant suggestion" of the conference. He didn't identify the nation.

Bradley said the suggestion involved the possibility of a central body within the framework of the Atlantic treaty, to call signals on the "rate and extent" by which the armed forces of each member nation must be expanded. He didn't say what action was taken on the proposal, but commented:

"Just as the spokesman for that small nation indicated, as these defensive plans develop traditions will have to give way to reality."

"And even our own balance of United States forces—if we expand beyond the present levels—may have to give way to the theory of national specialization, which will fit into an overall balance for collective defense."

"For example, the North Atlantic treaty defensive plans might require from us a greater Air Force, or a greater Navy, than we ourselves might be willing to provide."

"With such an arrangement, of course, a small bit of sovereignty is relinquished."

"But when I think that national pride and sovereignty are often paid for with the life and blood of soldiers, I feel that we must accept the more difficult alternative which comes with this joining of hands in collective defense."

\$15 MILLION PACKAGE

U. S. Readies Arms Aid For Indo-China

WASHINGTON, April 14. (AP)—The United States is putting together a \$15 million arms package for Communist-threatened Indo-China.

The aid is expected to be made up largely of cargo planes, trucks and medical supplies. Diplomatic authorities reported that these items top the lists of supplies urgently needed by the French-led forces fighting the Communist guerrillas of Ho Chi Minh.

Preliminary shipments of a few special items may start within a month. And if the State Department has its way, deliveries will be labeled in effect "for Indo-China" rather than "to France for Indo-China."

With the French being pressed to give the three new states of Indo-China some voice in the disposition of U. S. military and economic assistance, officials hope for at least a gesture understanding the American policy of helping Asiatic peoples toward independence.

Ambassador-at-Large Philip C. Jessup stressed this policy in a broadcast report last night on his recent fact-finding tour to the Far East.

"The United States," he said, "believes that every people has the right to be independent, to govern itself, and to work out its problems in its own way."

Free peoples who are determined to maintain their independence, he added, "are entitled to military aid which will help them remain free."

This, said Jessup, is "not as big a job as it may sound."

What they need most, he said, is not large amounts of military material, but key bits of equipment, like rifles or their constabulary, or communications equipment.

President Grants Pardon To Curley

WASHINGTON, April 14. (AP)—President Truman has granted a pardon to former Mayor James M. Curley of Boston, convicted of mail fraud.

White House officials announced his action today. They said details would be given out later from the Justice Department.

In 1947, Mr. Truman commuted Curley's six to 18 months sentence, releasing him from the federal prison at Danbury, Conn. Curley had served five months.

The pardon serves to restore all civil rights to Curley, a former Democratic Congress member as well as mayor of Boston.

Curley, now 75, was convicted of mail fraud by a federal district court jury here in January, 1947, along with two other former officials of Engineer Group, Inc.

The government charged that through "fantastic lies" the firm obtained more than \$700,000 from clients by representing... could obtain government contracts for them.

City Still Without Deputy Sheriff

Sheriff Bob Wolf announced this morning that his office was still without a deputy sheriff but that he is making every effort to hire competent help.

Wolf Thursday accepted the resignations of three deputies, C. E. Kiser, Bill Finley and Curtis Crittendon, who quit effective at 1 p. m. Thursday. The aides turned in their badges because they said they found it difficult to live on the wages paid them by the county.

Nationalists Claim Sinking 20 Red Ships

TAIPEI, Formosa, April 14. (AP)—Chinese Nationalist warplanes sank about 20 Red craft, jammed with troops, near South China's Hainan Island, air headquarters said today.

The craft possibly were headed for Hainan, reported invasion target.

(The Chinese Reds today reported new landings on Hainan Island, 40 miles off South China, and said their forces had won "absolute superiority."

"That was not confirmed. Nationalists habitually delay their reports until they can give results. However, their report of sinking 20 Red ships, and their credence to the Red claim."

Two pro-Red Hong Kong newspapers, Ta Kung Pao and Wen Wei Pao, carried Canton dispatches saying Gen. Li Chiang-Yung "echoed the assertion by Liu Palo, commander of the Hainan invasion forces, that large contingents of our brave army landed safely in Hainan."

The Reds estimated the Nationalist defending force at 200,000 troops.

Filipino Air Force Kills 320 Guerrillas

MANILA, April 14. (AP)—The Philippines Air Force said its planes today strafed 27 boat loads of Hukbalahaps, killing 320.

Census Taker Out To Census Taker

DALLAS, April 14. (AP)—For a week, Mrs. Nell R. Short, a census taker, tried to catch some one at home at 5687 Cary Ave.

Finally she succeeded. The occupant, Mrs. Evelyn C. Cox, explained she had been out taking the census.

16 Japanese Die

YOKOSUKA, Japan, April 14. (AP)—Sixteen Japanese were burned to death and 31 were injured when a large trailer bus burned today.

Police said a passenger's cigarette ignited a can of gasoline.

GOTHAM RAINMAKER DISCLAIMS CREDIT FOR NEW YORK SNOWFALL

NEW YORK, April 14. (AP)—A freakish mid-spring snowfall swirled down on the Metropolitan area today and the rainmaker, who said whether New York City's rainmaker helped induce it.

The weather bureau wasn't sure. But Dr. Wallace E. Howell, the city's \$100-a-day rainmaker, gave the credit to mother nature. Howell said his cloud-seeding operations yesterday had nothing to do with the snowfall. There was also a light fall yesterday.

The city is trying to tickle artificial rain out of the clouds to replenish its depleted reservoirs.

The show, which began at dawn, was accompanied by 25.2 degree temperature, the lowest ever reported in the city.

Shortly after Howell made his first try at milking the clouds yesterday, snow and rain began falling all over the northeast.

"I wouldn't say definitely that he had nothing to do with it," said a weather bureau spokesman, "but I doubt it."

The spokesman conceded, however, that it was a little odd for snow to be falling in the middle of springtime.

Southwest In Greatest Industrial Expansion In Nation's History

The Southwest is in the greatest industrial expansion in the nation's history, D. Hodson Lewis, manager of the Southwestern division of the U. S. Chamber of Commerce, told the delegates to the annual convention of West Texas here this morning.

"More than 40 chemical industries have opened plants on the Texas Gulf coast since the war. Industry has invested over \$4 billion in factories and equipment in Texas cities in that time," he declared.

Lewis called the movement of industry to the Southwest "the third industrial migratory period" since colonial times. First was westward from the coast along the railroads, second was the transplanting of cotton mills from New England to the South and Southwest.

The transfer of the Chance-Vought plant from New England to Dallas was cited as illustration of the wholesale movement of industry to the new area.

The concern moved all its plant equipment and the families of 1,300 employees to Dallas, hiring 4,000 additional workers in the Texas metropolitan area, he said.

Fear of war, exhaustion of natural resources in the east, and abundance of these materials in or near the Southwest was listed as principal causes of the migration.

Lewis addressed 43 chamber of commerce officers from all sections of West Texas during the opening session of the CCMAW convention this morning. His talk followed the keynote address, "Selling the Chamber of Commerce to the Community," by H. Conger Jones, Del Rio chamber president, and welcome address by Mrs. Douglas Orme, wife of the past president of the Big Spring chamber of commerce.

The Southwestern division manager of the USCC forecast that labor difficulty would accompany the Southwest's industrial development "unless we get ready for it." He advocated a broad information program "to tell labor and the community the truth about business."

"Misunderstanding, misinformation, and dissatisfaction are leading to loss of faith in business and to the planned economy of government," he asserted. The speaker

Barkley Wields More Power Than Any Recent V-Ps

WASHINGTON, April 14. (AP)—Senate veterans said today Vice President Barkley probably is exercising more power and influence than any recent holder of his office.

The genial 72-year-old Kentuckian has taken an unusual and independent hand in several recent Senate actions. And he gives every sign of keeping that up at least during this election year session.

Most of the recent Barkley moves have brought no pleasure to Republican Leaders Wherry of Nebraska, Taft of Ohio or other GOP stalwarts in the Senate.

Under a compromise plan agreed to by the Senate Democratic Policy Committee, Barkley will have a free hand in selecting the five senators—three Democrats and two Republicans—who will stage an investigation of nationwide crime syndicates.

The compromise will set up a five-senator single group from both the Judiciary and Commerce Committees. Some Republicans who wanted to take part in the probe will lose out. So will some Democrats.

Southern senators privately credit Barkley with prevailing upon Mr. Truman to sign a farm price support bill that will aid some cotton and peanut farmers.

WHERE WRECKAGE REPORTED

AP—A German report that it had sighted what looked like a plane cabin floating in the Baltic Sea near the southern tip of Oland Island (1) spurred an intensified hunt by U. S. search craft for a Navy patrol plane missing with a crew of ten. The newly reported search area is not far from Lepaya (2) on the Latvian coast, where Russians said they had exchanged shots with an American plane. The missing craft, which took off from Wiesbaden, Germany, on a projected flight (dotted line) to Copenhagen, Denmark, is said by U. S. authorities to have been unarmed and the only American plane that could have been in the Baltic area mentioned. (AP Wirephoto).

GREEK CRISIS

Venizelos Resigns As Cabinet Falls

ATHENS, Greece, April 14. (AP)—The government of Premier Sophocles Venizelos resigned today and retired Gen. Nicholas Plastiras was handed a mandate to form a new cabinet.

Plastiras, leader of the mildly leftist National Progressive Union, was expected to organize a broad center coalition desired by U. S. ambassador Henry F. Grady.

Venizelos, whose government had included only one minister outside his own liberal party, submitted his resignation to King Paul at his summer palace at Katol. He said he had suggested Plastiras, whose party ran third in the recent national elections, as premier-designate.

The king handed the cabinet mandate to Plastiras soon after.

Ambassador Grady broadly hinted early this month that Venizelos should either resign or broaden his government to include other center parties. Grady said the United States could not continue to extend economic aid to any but a broadly representative government.

Venizelos, whose liberal party held less than 50 of parliament's 250 seats, had counted on support of the rightist Populists (Royalists) led by former Premier Constantinos Tsaldaris.

Rhee Pleads For Military Aid From U. S.

SEOUL, April 14. (AP)—President Syngman Rhee said today his South Korean Republic needed U. S. military aid, particularly planes, to deal with guerrillas moving down out of Communist North Korea.

"The cold war cannot stop Communism," he told a news conference with foreign correspondents. "Please tell America to send us something now. If our boys were not fighting now you Americans here would have to pack up and go home."

Rhee said he had received no direct word from a four-man Korean mission which went to the United States last month seeking economic and military aid. The mission is due back tomorrow.

"The use of planes if he had them would cut the cost of operations against the guerrillas tremendously and hasten the cleanup," he said.

### Fire Hits Hatchery

LULING, April 14 (AP)—Fire destroyed all incubators and hatchery equipment at the Luling Foundation farm here last night. In addition, about 3,000 day-old poulets and 12,000 turkey eggs were destroyed.

Cause of the blaze was believed to be defective wiring.

## Dallas Youth Writes Note, Then Kills 3

DALLAS, April 14 (AP)—A 19-year-old discharged soldier who wrote a note on a picture frame that "tonight I'm going to kill," then shot three persons in a Dallas night club, was held in jail today.

He was captured by an off-duty detective, R. T. (Moon) Mullins. He was taken to a small downtown hotel last night.

The youth, who was discharged from the Army in the State of Washington March 27, was identified as Arthur V. Gittings of Bethlehem, Pa.

The man fired wildly into a crowd in the night club for no apparent reason. Kenneth Leon McRight, 23, of Dallas, was shot in the chest and spinal cord and may be paralyzed from the wound.

Guillermo Teixeira of Lima, Peru, a Braniff International Airways employe, was shot in the chest and Miss Vera Lee Dorris, 19, of Dallas, suffered an abdominal wound. Both were seriously but not critically wounded.

Detective Capt. Will Fritz said the youth walked up to the bar in the night club and sat down next to L. B. Deason who reported that the man spoke with a strange accent and said he was from New Zealand.

Deason related that the man moved to a table with Texira where he pulled a gun and started firing wildly. Then he ran from the place.

Police pursued and Mullins, noting the man running down the street with a gun in his hand, chased him to the hotel where he was registered. The youth fired at the detective and Mullins fired back. The youth tried to shoot again but his gun jammed. Mullins then closed in and held the man until other officers arrived.

The officers were puzzled by the note found in his hotel room. It read: "Tonight, I'm going to kill. Who? I don't know. I have communicated with my superior as a deceased individual. I can't help myself."

## UP IN ARMS AGAIN Foreign Oil Imports Upset Coal Industry

WASHINGTON, April 14 (AP)—The soft coal industry is up in arms again—but this time it is not because of John L. Lewis.

It is the importation of foreign oil which has the industry upset. Lewis' United Mine Workers also are concerned. So are the CIO Oil Workers and the Railroad Brotherhoods, many of whose jobs may be at stake.

A big session of operators and union representatives was held here yesterday to plan a major assault on the oil imports. Earlier, they sent a delegation to seek the co-operation of Secretary of Interior Chapman.

Members of the delegation were noncommittal about Chapman's attitude but they said the Truman administration had not been too cooperative up to now. The State Department is pushing the imports, said Dr. Charles J. Potter, wartime solid fuels administrator and now president of the Rochester and

Pittsburgh Coal Co.

The coal producers don't object so much to the foreign oil which can be turned into gasoline and kerosene.

What they are protesting is the import of "Bunker C" type oil—the residue which is left from crude after other products are refined from it. That can be used only for firing industrial boilers—and it's so cheap that it can permanently replace coal for industrial purposes.

Potter told a news conference that the rate of contract losses with the start of the new contract year April 1, indicated that oil imports alone would force 50,000 miners out of jobs in the next year. Another 50,000 railroad workers may lose their jobs as coal shipments fall off.

Seventy-five per cent of the foreign oil is coming from Venezuela, Potter said, with most of the balance coming from the Middle Eastern wells.

## Prosperity Doesn't Mean High Morals

Scripture—Amos  
By NEWMAN CAMPBELL

Years of prosperity in a country are not always times of high moral standards, and to say, in fact, when people have plenty of money they are often inclined to pay more attention to worldly matters—taking trips to far places, buying luxuries, etc.—than to think of God and what He wishes us to do.

In Amos' time the Northern Kingdom was prosperous. The prosperity did not work for Israel's spiritual good, however. The older system of small proprietors had gone.

Large estates worked by serf or slave labor, prevailed, and the result was bad. The needs of the mass of the people were disregarded, and immorality and judicial corruption were prevalent.

The people had forgotten Jehovah who had led them from captivity into the Promised Land.

To Amos, a man who was a herdsman and tender of sycamore trees, who was close to nature, but also a nomad—a traveler to other lands, acquainted with many peoples, the situation was ripe for disaster.

Clearly Amos heard the voice of Jehovah calling him away from his flocks and trees, from his solitary life of meditation, to go to Bethel and warn his people of their danger. This was about the year 760 B. C.

Amos had no social reforms to offer. His job, as he saw it, was to call men back to the faith of their fathers. Men could find their only safety in moral and spiritual reforms.

God was essentially law, he declared: "For, lo, He that formeth the mountains, and createth the wind, and declareth unto man what is his thought; that maketh the morning darkness, and breatheth upon the high places of the earth, Jehovah, the God of Hosts, is His name."

Again: "For thus saith Jehovah unto the house of Israel, Seek ye Me, and ye shall live."

"Seek good and not evil, that ye may live; and so the Lord, the God of Hosts, shall be with you, as ye have spoken."

To live happily, even little children can understand, is to live according to our best knowledge. Children are not happy and contented when they know they have done something wrong—when they are disagreeable, cruel to their playmates—at cross purposes with

parents, brothers and sisters, and others. They too can turn to God, the Father, and ask Him to help them to be what He would wish, and thus be joyful again, just as can their elders.

Now, Amaziah, priest of Bethel, sent a message to Jeroboam, the king, to tell him that Amos had conspired against him (which was a lie) "in the midst of the house of Israel; the land is not able to bear his words, for thus Amos saith, and Israel shall surely be laid away captive out of their own land."

Apparently, King Jeroboam paid no attention to Amaziah's message (possibly he like this prophet of disaster), so Amaziah spoke to Amos himself—and not too gently: "O, thou seer, go, flee thee away unto the land of Judah, and there eat bread, and prophesy; but prophesy not again any more at Bethel; for it is the king's chapel, and it is the king's court."

"Then answered Amos, and said to Amaziah, I was no prophet, neither was I a prophet's son; but I was an herdsman, and a gatherer of sycamore fruit: And the Lord took me as I followed the flock, and the Lord said unto me, Go, prophesy unto My people Israel."

Amos told how God showed him a basket of summer fruit. "And He said, Amos, what seest thou? And I said, A basket of summer fruit. Then said the Lord unto me, the end is come upon My people of Israel; I will not again pass by them any more."

"And the songs of the temple shall be howlings in that day, saith the Lord God; there shall be many dead bodies in every place; they shall cast them forth with silence."

With this said prophecy we close. I think, our men and women, however, will be on this same book of Amos, and his words to his people.

### Charm School Slated For Philly Teachers

PHILADELPHIA, April 14 (AP)—A charm school designed to make teachers prettier and their pay checks fatter was announced today in Philadelphia.

The board of education thought it up and printed a sales talk in its sedate and scholarly publication in which it asked:

"Would you care to glimpse some of the newest fashions in clothes? Would you like to know some of the hair-dos becoming to different types?"

"Does your voice have that quality which makes pupils want to listen? If not, join the class in voice culture."

The school will begin next Monday, be in session after school classes are completed and on Saturdays, and continue for six weeks.

## Sweet Spring Out, Winter Weather In

By The Associated Press  
It's mid-April and spring, sweet, gentle, spring, is three weeks old, and acting like old man winter.

The season of light showers, soft winds, budding trees and flowers and green grass is 'way off the climatic beam over many parts of the country.

In the Midwest, it might as well be winter. The eastern states don't feel too hot about their brand of spring weather, either. There's too much sng and sting in the air; much like the winter season variety.

There's not much, if any, spring fever in the belt hit by the unseasonable cold—from the Northern Plains, across the Great Lakes region and into the Middle and North Atlantic region. Some of the chilly air has seeped into southern states, too.

Temperatures are far off normal. Snow is on the ground in many areas. Furnace fires are getting the same back-breaking attention as in midwinter. Kids are following the calendar and playing baseball dressed like ski-riders. Snowplows remained necessary equipment in the Dakotas and sections of New England.

Oldest pitcher ever to start a World Series game was John P. Quinn, 64, who went to the mound for the Philadelphia A's in 1929.

# First Baptists Will Open Week-Long Evangelistic Services This Sunday

In keeping with other Baptist churches throughout the Southern Baptist convention, Dr. P. D. O'Brien will launch simultaneous evangelistic services at the First Baptist church Sunday morning. Services will continue throughout

the week. J. B. Langston, educational director, will be in charge of the special music. Coffee, hot chocolate and doughnuts will be served at 6:45 each morning. Services will be held from 7 to 7:45 a. m. each weekday for those who work and cannot attend regular morning meetings. Other services are scheduled at 10:30 a. m. and at 8 p. m. Sunday morning. Dr. O'Brien will speak on the subject, "Why, How and When To Be Saved," from Luke 19:10. The sermon will be broadcast over KTXC. A religious moving picture will be projected at 4 p. m. During the evening worship hour, Dr. O'Brien will be heard on the topic, "The Universal and Eternal Quest." Scriptural references may be found in Job 23:2.

Dr. Duke K. McCall of Nashville, Tenn., will serve as the Baptist Hour speaker during the months of April, May and June. Theme for the sermons during these months will be "Avenues To Abundant Living." Dr. McCall is employed as the Executive Secretary of the Southern Baptist convention. He is a member of the Baptist World Alliance Executive committee, and treasurer of the Southern Baptist Foundation.

ginning Monday and continuing throughout the week.

The Rev. Parks will speak on "The Quickest Way To Get To Hell," from Heb. 1:1-3 and Heb. 2:1-3. Sunday evening, he will discuss, "We Must Stand Judgement." Scriptural references are based on Romans 14:10-12 and II Cor. 5:9-10.

"I Love Thy Church, O God," will serve as the sermon-subject to be discussed by the Rev. R. Gage Lloyd at the First Presbyterian church Sunday morning. Susan Houser, guest soloist, will sing a musical arrangement. During the evening, the Rev. Lloyd will speak on "Leading and Following," a sermon based on the ordination and installation of the officers of the church. Services will be held for the new elders and deacons. Mrs. L. B. Edwards will sing, "How Beautiful Upon the Mountain."

Dr. O. P. Clark, district superintendent, will be guest speaker at the Wesley Methodist church Sunday morning. The Rev. Clark is from Sweetwater. The fourth quarterly conference will be held following the morning services. Sunday evening, the Rev. C. C. Hardaway will discuss, "Steps For Troubled Hearts," from John 14.

Revival services at the Church of the Nazarene will be continued throughout the week, with the Rev. Haley Messer of Tulsa, Okla. in charge of the services. Sunday morning, he will speak on "Sanctification." Morning services will be at 10 o'clock, and evening services will be at 8 o'clock.

Lay reader, R. L. Tollett, will bring the morning prayer and sermon at St. Mary's Episcopal church Sunday morning. Sunday school will meet at 9:45 a. m. under the direction of Otto Peters, Jr.

"Jesus, the Greatest Of Them All," will be discussed by the Rev. Lloyd Thompson at the morning service at the First Christian church. Mrs. Bernie Freeman will be featured in the solo, "If Christ Came Back." During the evening, the Rev. Thompson will speak on the subject, "All Have Sinned."

Pastor Marvin H. Clark will be heard on the subject, "Made Free By the Truth," at the Trinity Baptist church Sunday morning. Scriptural references may be found in John 8:30-45. Prayer groups will meet at the church Sunday evening at 7 o'clock. The evening sermon will be broadcast over KTXC at 8 o'clock. Sunday school will meet at 9:45 a. m. Classes will study the 19th and 20th chapters of Numbers. Pastor Clark will teach another lesson from the Gospel of Matthew at the mid-week prayer meeting Wednesday evening at 8 o'clock.

At the Main Street Church of God, Corner Tenth and Main, the Rev. John E. Kolar will discuss, "Seducing Spirits of the Latter Day," during the morning worship period. Text for the sermon may be found in I Tim. 4:1 and II Tim. 3:13. During the evening, the Rev. Kolar will speak on "Sowing and Reaping," from Gal. 6:7-8. Sunday school is at 9:45 a. m. and Youth Fellowship meets at 6:45 o'clock, under the direction of Eddis Hickson. The transcribed radio broadcast, "Christian Brotherhood cast," which originates in Anderson, Ind., will be heard over KBST Sunday morning at 8:30 o'clock.

Revival services will begin at the Church of God, Fourth and Galveston, Sunday morning. The Rev. J. M. Foshe, pastor of the church and district minister, will conduct the services. Meetings will be held at 10 a. m. and 7:30 p. m. on Sundays, and at 7:30 o'clock each weekday evening.

Sunday masses at St. Thomas Catholic church, 208 North Main, will be held at 8:45 and 9 a. m. and week day masses are at 7 a. m. Confessions are heard before the daily mass and from 7 to 8:30 p. m. Saturdays. At the Sacred Heart Catholic church (L-See Service Page 5 Column 5

## ROCKY ROAD TO KNOWLEDGE

Education comes much easier today than it did a generation ago. Before the advent of the school bus and other modern facilities, rural children often walked several miles to a little country schoolhouse where they acquired the rudiments of knowledge.

Conditions in the cities and towns were some better, but were far below present standards. Vast strides have been made in the field of education, both urban and rural.

But hard work and diligent application are just as essential in the acquisition of learning today as they were a generation ago. There is no royal road to knowledge. The path to learning is through rugged areas and over crude, rocky roads.

The basis of true education is spiritual, not material. Schools that fail to inculcate a knowledge of God and a spiritual interpretation of life are failing in their highest purpose. The Church and the school are co-workers in the field of human knowledge. We must give them our support.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Houston Tops Texas League
By HAROLD V. RATLIFF
Associated Press Sports Editor
The weather and a couple of incidents in Oklahoma combined today to put lightly regarded Houston on top of the Texas League.
The Buffs boasted the only unbeaten record in the circuit after three night in which they got in only one game.
Last evening rain postponed their contest with Shreveport. Meanwhile both Tulsa and Oklahoma City were taking lickings.
Fort Worth turned on Tulsa after a couple of whippings from Oklahoma City and won a thriller, 2-1. As Manager Bobb Bragan singled to score Frank Brown with the deciding tally in the ninth.
Oklahoma City meanwhile was being toppled by Dallas which finally got its siege guns operating. The Eagles roared back for nine runs in the seventh and eighth innings to hand the Indians their first defeat of the youthful season.
Beaumont's young upstarts had two four-run innings to nose out San Antonio, 8-7, with Bob Courtney personally batting four of the tallies across. San Antonio, however, furnished the

# Broncs, Tribe Try Again At Steer Park Tonight

Midland's Indians and the resident Broncs will try again tonight to get Big Spring's home baseball opener out of the way. Starting time, in event the weather doesn't interfere as it did yesterday, is to be 8:15 o'clock, scene of action Steer park.

The co-owners of the local ball club, Pat Stacey and Al Atton, were happy as any farmer in the county to see Wednesday night's rain, even though it led to a postponement of the first game here. It can but help business later on, all principals agree. Too, the downpour should be very beneficial to the grass infield and outfield at Steer park.

Stacey said this morning either Bert Garcia or Carlos (Potato) Pascual will pitch against Midland.

Both are ready. Garcia has had ample rest after the long trip from Havana this week. Pascual is a regular third sacker who pitches on occasions.

If Potato goes to the box, Julio Delatorra, who came here with Garcia, will go to third. If Garcia throws, Delatorra will probably be assigned to the shortstop's berth.

Harold Webb, the Midland skipper, hasn't indicated who he'll pitch but it could be either LeRoy Jari or Harold Wearne.

Midland is one up on the locals, having turned back the locals, 14-6, in the season's opener last Tuesday.

After tonight's contest the Broncs head for Ballinger for two games, then check in here Monday night with that same Ballinger outfit.

## Tennis, Volley Ball Brigades Enter Tournaments

Big Spring high school volleyball girls were to play San Angelo at 1:30 p. m. today in the opening round of the district 5AA tournament at Abilene.

Winner of the Big Spring-San Angelo clash is to meet the victor of a tilt between Sweetwater and Abilene in the finals of the district meet at 8 p. m. today. All games of the tournament are being played in the Abilene high school gymnasium.

Abilene and Sweetwater were to play at 3 p. m. today.

Big Spring also has teams entered in tennis and golf events of the district meet, in addition to fielding a team in the boys' track and field tourney being held Saturday.

Joan Smith and Beth McGinnis are members of the Big Spring junior girls tennis team which was to meet San Angelo at 1:30 a. m. today. Other local teams and the golf team are to play Saturday.

The senior girls tennis team, made up of Susan Houser and Ann Crocker is to play San Angelo at 10:30 a. m. tomorrow.

Kitty Roberts, senior singles, is to play a Brownwood representative at 10:30 Saturday morning also.

Diana Farquhar, Big Spring junior singles player, is to meet San Angelo's representative at 9 a. m.

In the senior boys' singles play, Fritz Smith of Big Spring is to play a San Angelo at 9 a. m. while the Big Spring doubles team, made up of Hollis Harper and Jimmy Harper is to play the winner of the Sweetwater-San Angelo team which will also compete in clash at 9 o'clock.

Members of the Big Spring golf team which will also compete in the district tournament Saturday are Luke Thompson, Jimmy Newsum, Kenneth Phillips, Billy Swindell and Gerald Scott.

On the volleyball squad are Sue Craig, Pearl Mae Clanton, Barbara Dehlinger, Joy Jordan, Patsy Kiser, Rosemary Rice, Mona Lee Walker, Jo Nell West, Charlene Wilson, Maxie Dee Younger.

### LOOKING 'EM OVER

With Tommy Hart

If he attains anywhere near the form he enjoyed a year ago, Bert Garcia should have no trouble chalking up 20 victories for the Big Spring Broncs.

The handsome righthander joined the Hooses after the 1948 campaign got underway and, for a long time, couldn't register a win. However, once he got started, there was no stopping him.

He won 14 decisions, lost only three and put his name in the record book when he whittled his earned-run-average down to 1.77. Gerald (Red) Fahr, now with Shreveport and then with Vernon, had established the old mark of 1.90 back in 1948 and many fans had thought that mark would never be broken in this bit-crazy circuit.

Garcia reported here a little underweight but the porterhouse steaks and hominy grits he'll feast on here should put him in tiptop shape before long.

All local fans will agree he's a sight for sore eyes.

**ENSEY BOASTED WITHOUT CHECKING RECORDS**  
Without taking the trouble to check the records, A. D. (Shadow) Ensey has stated for publication that Odessa may not boast the best won-and-lost record of any team in the Longhorn league (who cares to argue with him on that score) but his village "is the champion in attendance."

For Ensey's information, the Big Spring Broncs have attracted more paying fans since the league was opened than any other team, and that includes Odessa.

Big Spring led the circuit in home turnouts three years ago, while Odessa was third. In 1948, Odessa was tops but Big Spring was with in a few hundred of the Oilers. Last year, the two towns were neck and neck but far behind San Angelo, which set a torrid pace at the turnstiles.

In those three seasons, Big Spring has attracted nearly 1,000 more customers than Ensey's "champs" in regular games alone. When one considers playoff games, too, it isn't even close, for the Broncs have played a lot more post-season contests than the Oilers, or any other team in the league.

#### MATULA OPINES BRONCS WILL FINISH FIRST

Andy Matula, the Odessa scribe, has predicted that the Oilers will finish second behind Big Spring in the regular season flag chase.

He thinks San Angelo, Midland, Roswell, Ballinger, Sweetwater and Vernon will trail in that order.

Big Spring may wind up on top but will have to have more mound strength. Right now, Harold Webb's Midland gang looks as tough as anything the league has to offer. The incentive to win is there with the Indians, too.

Matula goes further in predicting the results of the playoffs. He opines the Oilers will oppose the Broncs in the final round and win, four games to three. According to his calculations, the Hooses will lick Midland in the semifinals, while Odessa is taking care of San Angelo.

### Steers Enter Full Team In 5AA Track And Field Meet Saturday

Big Spring high school will send a full track and field team to Abilene Saturday for the annual District 5AA meet.

The Longhorn hopefuls, who are coached by Bert Brewer, may accumulate quite a few points but Abilene and Brownwood rate as co-favorites to cop the team title.

San Angelo, which will also field a strong team, and Sweetwater will also be represented at the meet.

Brewer has announced his team will be composed of:  
120 yard high hurdles—Bobby Wheeler, Kenneth Williams and Bobby Leonard.  
100 yard dash—Aurty Burke, and

#### U. S. Recalls 10 From Poland Embassy

WARSAW, Poland, April 14. (U.S. News Service)—The United States embassy today sent 10 of its military staff personnel out of the country in accordance with a demand by the Polish Government.

Included in the reduction, demanded in a note by Poland March 15, were the naval attaché, other officers and enlisted men and two stenographers in the military attaché's office.

### Frigid Weather Greet's Players In Home Parks

By FRED HAYDEN

Associated Press Sports Writer

Major league teams, back from the sunny South, hoped today they wouldn't have to play with snowballs instead of baseballs.

You couldn't blame a lot of the lads who returned to home surroundings, nicely toasted, for griping about the frigid welcome they received from the weather man.

Two games had to be called off yesterday because of snow, and, for the same reason, the Brooklyn Dodgers had to skip a scheduled workout at Ebbets Field. Snowed out were the New York Yankees at Pittsburgh and the Philadelphia Phillies at Cincinnati.

Some teams played despite chilly weather. The Chicago Cubs' office announced today's game with the White Sox at Wrigley Field wouldn't be played because of cold weather.

Elements permitting, New York fans got a chance today to see a "replay" of the 1949 World Series, with the Yankees and Dodgers clashing in the first of a three-game series.

Ed Lopat was slated to take the mound for the Yankees, with Joe Page around for his customary finishing-up chores. The National League champs, however, weren't certain about their mound choice.

Don Newcombe was to open if his back and arm felt okay. Otherwise Clarence Podbielan was to get the nod.

Both Boston teams were scheduled to clash in Beantown, while the two Philadelphia clubs were slated to meet in their home town.

Brooklyn Pitcher Ralph Branca returned from Johns Hopkins Hospital in Baltimore feeling much happier. Dr. George Bennett examined his ailing pitching arm and eight X-rays were taken, and Ralph was told his trouble was "nothing to worry about—mostly muscular."

The Cleveland Indians had contrasting fortunes. Bob Lemon, who is to open the season, let the Giants down with five hits as the Tribe won, 4-2. But another Indian pitcher, Sam Zolack, was hit on the right knee by a batted ball during practice and taken to a hospital for X-rays. No fracture, but severe bruises, skin abrasions and swelling.

"Old Luke" Appling of the Chicago White Sox squashed some of those rumors about a squabble with the club. The veteran went the route at shortstop, getting two hits and fielding deftly in a game won by Detroit, 7-6. The Boon Red Sox smothered the Richmond Colts, 16-7, getting 21 hits. The Cubs beat St. Louis' Cards, 7-4, making it three out of four in their series.

The game, played in Little Rock, Ark., was cut to eight innings for train connections.

Washington was held to a 7-7 tie by Reidsville of the Carolina League, the game being called after nine innings as the Senators could catch a train. The St. Louis Browns visited Pine Bluff, Ark., and beat the Cotton States League outfit, 3-0.

The Naval Academy baseball team will play 23 games during the 1950 season, closing against Army on May 27.

### Rain Curtails C Loop Play

By The Associated Press  
Cold and rain curtailed action in the Gulf Coast League's second night of play which saw Jacksonville back into the lead when its game with Lufkin was rained out and both Galveston and Crowley met defeat.

The game between Port Arthur and Galveston was called at the end of eight and one-half innings of play with Port Arthur on the long end of the score 4-3.

A crowd of only 1,150 saw pinch hitter Byron Ward come through with a single in the seventh to tie the score for Port Arthur; then Hal Palmer's one-batter followed for the winning marber.

George Reichel's two-run wallop in the bottom of the ninth gave Lake Charles a hard-fought win over Crowley, 6-3.

The game-winning rally came after two were out in the ninth. Crowley drove Lake Charles' pitcher-manager, George Milstead, in the showers in a four-run seventh inning, topped by Ray Smereck's two-run homer.

# John Palmer, Lloyd Mangrum Are Tied

Veterans Fire Sub-Par 69's

ATLANTA, April 14. (U.S. News Service)—Two of America's finest professionals—John Palmer and Lloyd Mangrum—haven't won a golf tournament this year but they're off in the lead of the \$10,000 North Fulton Open.

The brace of veterans shot 69's in the first round yesterday and hold one stroke leads over five other golfers.

Strong, chilling winds ripped across the 6,762-yard, par 71 North Fulton Park course, and the golfers who hit the highest drives suffered the most.

Well seasoned Mangrum, Palmer and the other stars who play from California to Florida on the winter tournament circuit kept their wood shots out of the wind and low along the ground.

Two other publicized professionals, an amateur and two comparative unknowns had to settle for one-under par 70's.

The 70 shooters were Henry Ransom at St. Andrews, Ill.; Clayton Heafner of Charlotte, N. C.; Amateur Frank Stranahan of Toledo, Ohio; Avery Beck of Raleigh, N. C.; and Harold Williams of Tuscaloosa, Ala.

### Crosby, A Real Simon-Pure, On Way To Tourney

By FRED HAYDEN

Associated Press Sports Writer

NEW YORK, April 14. (U.S. News Service)—The most amateur of American athletes, a chap named Bing Crosby, departed today for the British golfing wars.

An amateur, says the dictionary, is one who practices an art (or sport) not as a livelihood or profession, but for the love of it.

That's Bing. He is competing in the British Amateur Golf Tournament at St. Andrews, May 22-27.

"I've played in the American Amateur," said Bing by way of explanation.

"How far did you get?" he was asked.

"Got beat in the first round."

"How far do you expect to get in the British Amateur?"

"Same thing—but I want to watch the tournament."

That is not being fair to Bing. Actually he's a pretty good golfer. In between being a movie star and a crooner.

"I'm just a three handicap man," he said. "Anyone can play in the British Amateur with a three handicap or better. It's a great honor."

That means, he said, that he shoots three over par, by and large. Say 75 on a 72 par course.

To tell the truth he had a couple of 68's this year.

"That's on businessmen's courses," he said. "St. Andrews is a back-breaker—the real shrine of golf."

Bing sailed shortly after midnight on the Queen Elizabeth. As befitted "the most famous amateur golfer of Hollywood" he was given a regal sendoff, champagne and caviar, by Barney Balaban, president of Paramount Pictures, at the Stork Club last night.

Bing heads for Europe at something of a disadvantage. He was operated on three weeks ago for appendicitis.

"Haven't had a club in my hands since then," he said. "But the doctor says I can start swinging now."

He plans to go first to Southern France, then perhaps to Rome, and would like to do Belgium and Holland before heading for England and the big tournament.

"I expect to start playing again when I get to France," he said. He has no illusions as to what he might do in the British Amateur.

The appendectomy, he insisted, won't affect his game one way or another.

Bing's European tour—on which he will make no stage or movie appearances—will last eight weeks.

"Can you afford it?" someone asked.

"I couldn't afford to miss it," he said.

### FUTURITY PERSONALITIES

## Taylor Once Ran For Ace Hudkins

(Following is another in a series of articles on trainers of horses entered in the April 16-23 Big Spring Futurity.)

Truett Taylor, trainer of three Futurity winners, was born on a ranch near Abilene and his association with race horses began at the age of 13, when he started riding.

Weighting but 75 pounds and exhibiting a know-how with horses acquired at his ranch home, Taylor quickly became popular with the owners and was much in demand as a rider.

At 15, Truett accepted a riding contract with T. T. Woods, owner of a string of thoroughbreds and began campaigning on the South Texas circuit. His success on those tracks attracted the attention of Ace Hudkins, former welterweight boxing champion and owner of a string of major track competitors, who bought Taylor's riding contract.

Riding under Hudkins' silks, he appeared on major tracks in 17 states, Canada and Cuba. He once spent six months on Cuba tracks. Riding good horses constantly, Truett made many trips to the winner's circle.

Taylor absorbed much of his know-how with horses from L. I. Stewart of Big Spring, his cousin. He assisted Stewart with Silver, a white Arabian stallion who died in 1947 at the age of 16 after having appeared at every major show in the south. Silver is regarded by many as the best trained trick horse ever to appear in Texas.

Taylor started training after becoming too heavy to ride. His first job was back in his native area where he took over the thoroughbred string of Sheriff Tom Wade of Sweetwater. He later trained for B. E. Brooks at San Angelo, coming here as a free lance trainer preceding the 1949 Futurity.

Among the nominees he conditioned for last year's show was Lone D, winner of his trial heat and one of the finalists. He is currently handling Tet Blitzen, the rangy grey son of Blue Blitzen, and a nominee in the 3 1/2 furlong division. Texas Dick, son of My Texas Dandy, sire of last year's winner, and Wonder Boy, both entered in the quarter mile run.

Taylor also has several mature horses under his wing. He calls Big Spring home and has maintained his training activities here throughout the past year.

### Jaycees Enter Meet At A & I

KINGSVILLE, April 14. (U.S. News Service)—Track teams from three senior colleges and eight junior colleges will meet here Saturday in the first intercollegiate track meet to be held at Texas A&I College since the war.

Trinity University, Southwest Texas State College and A&I are matched in a triangular affair that was originally slated to be held at San Antonio but had to be moved because no track was available at this time.

Athletic Director Dewey A. Mayhew is staging the junior college events at the same time at the request of the coaches, whose teams were idle during the Easter holidays and had no competition slated for this weekend.

Schools that have entered are Texas Southmost (Brownsville), Victoria College, Wharton Junior College, Schreiner Institute, Edinburg Regional College, Laredo Junior College and San Antonio Junior College. Del Mar College of Corpus Christi has also been invited to send entries.

THE MAN WAS A HOT-HEAD

PENZANCE, Cornwall, Eng., April 14. (U.S. News Service)—The witness in county court today, sniffed, then demanded: "Are you smoking?"

"No, sir," said the man. "Then your head must be on fire," said the judge judiciously.

It was. Smoke was pouring from the top of the witness' head.

A splinter of red-hot glass had fallen from a lighted gas bracket above him and set fire to his hair. The witness patted out the fire and the trial went ahead.

## Race Drawings Slated Tonight

Speculation of the racing crowd moving in on Big Spring for the Futurity trials Sunday centered around E. H. Lane's two speed merchants, La Marga and Reticule, who have been on the grounds here for the past several days.

La Marga and Reticule, the most sensational two-year-olds of the Fair Grounds, New Orleans, meeting last month, are entered in both the quarter-mile and 3/4 furlong sprint.

Lane will probably run one in the shorter race and the other in the 7/8-yard event but hasn't betrayed his plans to any date.

A lot of the mystery will be cleared up when owners and trainers gather at the Settles hotel at 7:30 o'clock tonight to hold the drawings for the trial runs. Lane will probably make his plans known at that time.

All but five of the 52 horses nominated for the two big races are on hand and others may be here by Saturday.

?? -- AH DON'T BLAME HIM FO' LEAVIN' THIS PLANE HIS PILOT'S LICENSE DONE RUN OUT. IT WOULD OF SHIN ILLEGA' TO HIM TO GO ON DRIVIN' ME -- CHUCKLE? OH, WAL -- BACK T' TH' MAGAZINE NOW -- WHAR WAS AH P? HEY!! HALD!! STRANGELY ENOUGH, I WAS THERE, TOO, WHEN YOU HEARD IT? SO DO I? KNOW THAT EARTH WORDS?

**BLONDIE**

LOOK, DEAR! I JUST FOUND SIX DOLLARS I HID BACK IN THE CLOSET IN THIS BOX FOUR YEARS AGO. I FORGOT ALL ABOUT IT UNTIL TODAY -- OH, DEAR, THIS IS WONDERFUL. COME TO THINK -- THERE SHOULD BE MORE THAN SIX DOLLARS. NOT IF YOU JUST PUT SIX DOLLARS IN THE BOX. WELL, WHERE'S THE INTEREST THAT SHOULD HAVE ACCUMULATED IN ALL THOSE YEARS?

**ANNIE ROONEY**

DON'T BE FOOLISH -- JUST BECAUSE THAT LITTLE ORPHAN MADE YOU LOOK LIKE A FOOL, YOU HAVEN'T SLEPT A WINK OR EATEN -- A BITE FOR DAYS. OH, GO WAY -- DON'T BOTHER ME -- I'LL GET EVEN WITH THAT LITTLE BRAT IF IT'S THE LAST THING I DO -- I'LL -- I'LL -- PLEASE HURRY, DOCTOR -- YES, SHE'S UNCONSCIOUS -- JUST KEELER OVER LIKE A RAG DOLL -- PLEASE HURRY. I AIN'T SCOLDIN' YOU, ZERO -- I'M JUST TELLIN' YOU -- DON'T GO ANYWHERE THAT I CAN'T SEE YOU, 'CAUSE WHEN I DON'T SEE YOU I'M SCARED SOMETHIN' HAS HAPPENED TO YOU.

**To Offer Plans For Reservoir Project**  
STAMFORD, April 14 (AP) — A U. S. reclamation bureau official was to present plans for the \$7,800,000 reservoir project on Paint Creek at a meeting here today.  
Representatives from nine towns along the Upper Brazos water shed were to attend the meeting.  
The project proposes to supply the towns with municipal water. Towns expected to be represented are Stamford, Haskell, Rotan, Benjamin, Hamlin, Throckmorton, Avoca, Roby and Anson.

**TOT'S IMITATION DOES NOT WORK**  
MALONE, N. Y., April 14 (AP) — Two-year-old Michael Moutz watched his father grind hamburger, then tried to imitate him.  
The toddler visited the meat market yesterday. When his father, Robert, turned his back, the child climbed on a chair and thrust his hand into the top of the meat grinder.  
Surgeons had to amputate his hand.

**Civil War Widow Is Governor Candidate**  
MARIETTA, Ga., April 14 (AP) — The 88-year-old widow of Confederate Gen. James Longstreet says she's a candidate for governor and she wants Gov. Herman Talmadge to be "gallant enough to step out of the race."  
Said the pert, spry Mrs. Helen Dorch Longstreet last night: "It is conceded that Gov. Talmadge cannot be defeated by anyone in sight. I feel the obligation now falls on Georgia's women to furnish the type of governor the state deserves."

**Jaycees Will Take In Five New Clubs**  
FORT WORTH, April 14 (AP) — The general assembly of the Texas Junior Chamber of Commerce was to act today on acceptance of five new clubs into membership.  
The organization is holding its 23rd annual state Jaycees convention here.  
The five clubs, Burk Burnett, Hamlin, Ralls, Snyder and McAllen, were accepted by directors of the organization yesterday.

**142-YEAR-OLD LAW**  
**Army Vet Gets Out From Under Old Law**

RUTLAND, Vt., April 14 (AP) — A young Army combat veteran jailed for more than a year under a 142-year-old Vermont law planned today to "try and get that job I was promised in 1948."  
Bernard J. Smith, Jr., 24 of Fair Haven, was set free by a three-man jail commission yesterday after he swore his personal attachable property was less than \$20. He was allowed to take a poor debtor's oath.

**Suicide Added To Skeleton Mystery**  
BALTIMORE, April 14 (AP) — A suicide has been added to the mystery of the three skeletons uncovered in an old Baltimore row house.  
The skeleton remains of three babies were found in a boarded-up fireplace Wednesday night. Two were wrapped in newspapers dated 1921 and 1923.  
Police, checking to see who lived in the house then, found 43-year-old Charles Schaub. He lived there from 1912 until May of last year.  
Schaub told police his step-mother, Anna, killed herself by gas in 1928. She had tried it before, he said, and frequently complained of being in poor health.  
The skeletons were turned over to state medical examiners who are trying to determine what caused the death of the infants and how old they were.

**Long Chrysler Meet Is Unsuccessful**  
DETROIT, April 14 (AP) — Negotiators in the Chrysler strike adjourned an unprecedented night-long session at 4 o'clock this morning.  
Another meeting was scheduled for 1 o'clock this afternoon.  
Neither side made any comment as to prospects of early settlement of the strike, now going into its 80th day.  
However, one source in the negotiating group said the situation looked "hopeful."

**Census Taker Chased**  
ATLANTA, April 14 (AP) — An \$18 fine was assessed against Sanborn Cooper yesterday after a woman testified in police court that she chased him from her home during a census-taking row.  
Mrs. L. G. Barnett said that when Cooper shouted at her because she was unable to answer some of his questions, she seized an umbrella and chased him off. Cooper was charged with disorderly conduct.  
Police Judge A. W. Callaway withdrew the fine when relatives told him Cooper recently suffered a nervous breakdown.

**Jerry Currie Has 100 Pct. Lamb Crop**  
GARDEN CITY, April 14—For a year that has been dry until now, Jerry Currie has tagged up one of the best lamb crops in Glasscock county.  
The county shows about a 100 per cent crop. Several operators have felt the effects of drought in tagging up 85 per cent.  
Showers covering the county are expected to be of great help in providing weeds and grass. Practically all flocks in the county have been on feed for several weeks.

**FLYING 'UNEVENTFUL' AT AGE 102; SHE HAS TO TAKE PLANE CONTROLS**  
NATICK, Mass., April 14 (AP) — Lively Mrs. Lydia Stevens is celebrating her coming 102nd birthday in the air.  
She took a plane ride over scenic north shore area yesterday—but didn't think much of it until she took over the controls.  
Then she said, "I loved it."  
And Mrs. Stevens, who last flew on her 90th birthday, said she intends to do a great deal more flying.  
She told the pilot of the dual control plane that the trip was "uneventful" so he turned over operation of the ship to her for a few minutes.

**Dallas Luxury Hotel Planned**  
DALLAS, April 14 (AP) — A corporation is being formed to build a 500-room, \$8 million luxury hotel here.  
Hotel Owner Conrad Hilton and Dallas business leaders agreed yesterday to raise the corporation at once to raise 50 per cent of the money. Hilton agreed to invest a "substantial amount."  
Hilton predicted that the hotel should be ready to open by October, 1951.

**Dr. Houser Takes Assignment With N. Mexico Hospital**  
Dr. John P. Houser, assistant superintendent at the Big Spring State hospital, is to become clinical director of a state hospital in New Mexico.  
Dr. Houser will assume his duties at the Las Vegas (N. M.) State hospital shortly after May 1.  
He and Mrs. Houser will leave on that date, ending several year's association with the community and the hospital here. Mrs. Houser has served as librarian at the Big Spring State hospital for the past three and a half years.  
Dr. Houser was due to have retired June 30 from the state hospital system, but instead has accepted a new assignment.
