City Lake Project Approved

Citizens are joyous over the fact that Monday actual preliminary work on the long hoped for new city lake was started. Work on the lake should begin early in January after tests of soil are completed.

Much credit in securing the lake goes to individual citizens and members of the Lions Club whose committees spent much time assisting the city officials in making arrangements and meeting necessary requirements before governmental approval could be granted.

The new lake will give ample water supply to the city and worry over water shortage should be practically eliminated when the lake and dam are completed.

Last Week
The group attending the State BTU Convention at Wichita Falls were very happy over their experiences, as revealed in the program of opening assembly Sunday evening, presided

over by Miss Dorothy Sumner, Associate Director. Miss June Newman won first place in Junior Memory Work, having won in a competition of more than 20 other girls and boys. Third place in Senior Orations was won by Miss Dorothy Sumner in the largest competition of any division of this contest. Harley Kendall Dunham placed third in 5 year old Story Telling Contest with his story of "A Donkey That Talked." It is quite remarkable that three contestants from one church should win places in all state contests and these are to be congratulated.

This Week

The Y. W. A. girls packed a box valued at more than \$25 for the Paul Bell Baptist Mexican Orphanage at Bastrop, Texas. They were assisted by some of the WMS members who had themselves already sent a large box to Buckner Home at Dallas.

The W. M. M. is this week observing their Lottie Moon week of prayer for Foreign missions with daily services at the church, including programs from their Royal Service magazine, Book Reviews of Mission Stories and prayers for the various fields. An offering will be sent as a Christmas memorial to Miss Moon, a missionary to China who stayed by her post until starvation forced her away, and died aboard ship a few days later.

The Sunday School is gathering numerous toys and gifts for those in need locally for Christmas. Various departments will put toys in baskets Sunday morning of each week, and will co-operate with the Recreation Department of the city in repairing and distributing the toys and other gifts.

Next Week

The Men's Brotherhood has set their meeting time for this week on Tuesday, Dec. 6. The program will include a barbecue supper, three addresses by local men, and a "Brain Busters" fun period on a loud speaker hook up. Rev. Loyd Corder is the invited out-of-town guest speaker.

The Associational Baptist Workers' Conference will meet with the North Coleman Baptist Church, Thursday, Dec. 3. Several from here will attend.

We Won The Month

Every Sunday of the four contest weeks between San Saba and Santa Anna in BTU attendance was won by Santa Anna. Sometimes it was by a narrow margin, but always we were ahead. San Saba wants to go for another month, calling each Sunday by phone. They will also report Sunday School attendance as well for the next month. In this they have a slight edge on us, but we can improve here.

TEXAS FARMERS ASKED TO RAISE MORE FIGS

Texas Grown Figs Best Quality for Preparing Mentho-Mulsion - The Famous Cough Medicine
When interviewed recently, M. L. Clein, President of Mentho-Mulsion, Inc., stated, "I hope that the Texas farmers realize the value of the type of figs that can be raised here. Although these figs are really best for the manufacture of Mentho-Mulsion, it is impossible for us to obtain sufficient quantities of them to make as much Mentho-Mulsion as is necessary to supply the demand for it from all over the world. Therefore, these figs have to be purchased from other sections."
Mentho-Mulsion is the well-known cough medicine which combines beechwood creosote, menthol and five other important ingredients in a base of fig syrup, and is sold under the money-back guarantee to give complete satisfaction in the treatment of coughs due to colds. Despite its expensive ingredients, Mentho-Mulsion costs the customer less per dose than most any other cough medicine on the American market. Its action is immediate, its taste is delightful and it is guaranteed to do the work.
Mentho-Mulsion is recommended, sold and guaranteed by Spencer Pharmacy. (adv.)

Home Eco III Entertains

On Thursday evening, Nov. 17 the Home Economics III girls entertained the football boys, coaches, sponsor and manager with a banquet held in the home economics laboratory.

The tables were arranged in the shape of a U having, the main centerpiece at the head. The centerpieces consisted of three miniature football fields. On one were 22 players, eleven Santa Anna and eleven Coleman men playing the usual hard fought game. On the other two fields were the captain's and co-captain's helmets crowned with flowers.

The menu consisted of meat-balls, potato sticks, creamed peas, cranberry salad, rolls, gingerbread with bananas and whipped cream and coffee.

After the meal was finished they participated in Thanksgiving and Indian games in which they won feathers. At the end of the evening the one having the most feathers won the prize of a box of candy.

Those present were Cotton Nichols, Billy Wade, Shag Garrett, Vernon Cakes, L. V. WEEP NOT DEAR FRIEND

Weep not, dear friends, for Aubrey is at rest, God doeth all things well, He knoweth best, Long have we loved him but God loved him more And God has led Aubrey to that bright, happy shore—

Where sorrow and pain are taken away,

Be faithful and meet him again one day, During school days I met and learned to love him, He always spread sunshine where the pathway was dim.

He was always so good and kind to all,

Aubrey was true to his great All in all, Dear mother and father, weep not for your dear son For I am sure that he, the Crown of life has won.

Sister, weep not for you shall see him too, To Jesus always be faithful and true,

Dear companion and son, may God comfort you two, And lead you in everything you say and do.

May God bless and comfort everyone of you As He alone has power this to do.

If you are not ready to meet him above Just confess your sins to the Savior of love.

November 28, 1938 Dedicated to the loved ones of Aubrey Childers, who was called to his heavenly reward Sunday, Nov. 27, 1938. Composed by his friend and classmate in Ward School. With love and sympathy, Ora Lee Niell, Santa Anna, Texas

WITH OUR WILDLIFE

BY JOHN R. WOOD State Game Warden

Fur Season Opens December 1

The boys of this section as well as in other sections of Texas will get their steel traps out and start on their regular trap lines on December 1. The boy who has not taken his dog and gone out into the woods for the purpose of catching the fur-bearing animals to sell to make his Christmas money does not know what real fun is. The average country boy will make several dollars during the months of open season—December and January. Every boy, or man, or person who traps the fur-bearing animals this year will have to purchase a trapper's license before he can sell his furs to the fur dealers. So this is to remind every one who traps or takes furs for the market will have to have a license regardless of the age.

Hunting or Trapping on Land Other Than Your Own

The trespass law of Texas states that any person who traps, hunts or fishes or in any manner degrades on land other than his own without the permission of the owner or agent-in-charge thereof will be guilty of trespassing. So, boys, get permission from the land owners before you set your traps and be on the safe side. It would be impossible to list the special county fur laws here, so I suggest that you get a digest of the game laws and find out what laws apply to the county in which you are going to take fur-bearing animals.

Fur-Bearing Animals of Texas Listed

The following animals of Texas are listed as fur-bearing animals in this state: Wild beaver, wild otter, wild mink, wild ringtail cat, wild badger, wild polecat, or skunk, wild raccoon, wild opossum, wild civit cat and wild fox. It is required by law that every person who traps must have his trapper's license on his person at the time such operations are being carried on. These licenses cost \$1 and may be purchased at most hardware stores, county clerk and some drug stores, and game wardens.

Rufe Davis to Be At Lyric Monday

Rufe Davis, the screen's leading comedy sensation of 1938, comes in person to the Lyric Theatre, Brownwood on Monday, Dec. 5th, through arrangement with Music Corporation of America.

Having recently finished a series of successful screen hits, the "Radio Rufe" will entertain with his songs and guitar playing. The highlights of his offering are the imitations he gives of animals, persons and other objects.

Born in Oklahoma and still possessing the drawl peculiar to that country, Rufe is certain to convulse young and old alike, once he starts his presentation. Some of the pictures in which Rufe Davis appeared are: "Mountain Music," "This Way Please," "Big Broadcast of 1938," "Blossoms On Broadway," "Dr. Rhythm" and "Coconut Grove."

He will be at the Lyric one day only on the stage. The screen attraction is the Marx Brothers in "Room Service." The management has announced that there will be no advance in prices and urge you to attend the matinee and avoid the rush.

The Farmers Get A Vote

Every farmer who raised cotton in 1938 is entitled to cast a ballot Saturday in this county and over the south to see if the majority of them desire to have cotton marketing quotas next year. A favorable vote on the marketing quotas will also approve government loans.

Poll tax payment has nothing to do with eligibility to vote in the Dec. 10 referendum and it is hoped that 1938 cotton farmers in this county will take advantage of the choice they have in voting for or against marketing quotas. To approve the quotas two-thirds of the farmers voting throughout the entire south must favor it. Over one-third rejecting the plan will eliminate the plan from the entire south.

No matter what the farmer wishes he should express himself Saturday. He has been thoroughly enough informed as to the meaning of the plan through county meetings so that he can cast his vote wisely.

Conduct

Temple has said that "a true genius will never try to distinguish himself by whimsical peculiarities." This may be applied to our own surroundings in the school. The person who tries to distinguish himself by his behavior hurts himself and gains nothing by it.

It is impossible to follow set rules for conduct at all times so you must use your own judgment in many cases. Greville expresses this with the words, "It is not enough that you form and even follow the most excellent rules for conducting yourself in the world; you must also know when to deviate from them and where lies the exception."

Rev. Womack Speaks In Chapel

Friday, Dec. 8, the student body had the pleasure of having Rev. M. L. Womack of the local Presbyterian Church speak in chapel.

The subject of his discourse was "Courage." He discussed the fineness of physical courage and compared it with the greatness of moral courage. He gave several stories to illustrate his points.

The students enjoyed his speech immensely and wish to welcome him back in the near future.

"High Pressure Homer" To Be Presented

The senior class will present the latest and gayest comedy, "High Pressure Homer" Friday night, Dec. 9 at 7:45 p. m. in the high school auditorium. The cast is rehearsing under the direction of Mr. John E. Little.

If you've never attended a "laugh fest" here is your opportunity because "High Pressure Homer" is just that—a clean, entertaining and screamingly funny comedy that has broken attendance records everywhere. You will be greatly amused at the character of Homer Hampton Haywood, a young show-off, who in spite of his high opinion of himself only succeeds in making a hopeless mess of everything he tackles. This is played by Jake Barnes. The entire Woodruff family are given to mad pranks.

Tickets may be purchased in advance from members of the senior class.
