"He Profits Most Who Serves Best"

County Democratic Convention Held In Coleman Tuesday

Tuesday afternoon the delegates named at the precinct conventions last Saturday attended the county convention held in the court house at Coleman. Those from the north side were A. R. Brown, Leman Brown, and L. W. Hunter. Those from the south side were J. S. Gilmore, E. P. Ewing, Bill Shields, L. P. Jennings, J. Tom Newman and the editor.

Leman Brown was elected Chairman and Robert Wood of Coleman, secretary. Delegates from various places in the county presented credentials and took part in the convention.

The following were elected delegates to the State Convention to be held in San Antonio May 26th: Walter Woodward, J. P. McCord, A. R. Brown, Wm. (Bill) Leach, A. C. Herring, J. K. Baker, Will Mathews, E. M. Critz, Leman Brown, J. J. Gregg, H. E. Jackson, F. B. Simmons, H. E. Evans, Robert V. Wood, B. Martin, C. J. Dibrell, A. K. Baker, and J. B. McCord.

The Coleman county delegation was instructed to vote as a unit, and for all things pertaining to the endorsement of the present Democratic National Administration. Also to vote for the re-election of Vice-president John N. Garner for National Committeeman from Texas.

Jim Bob Gregg spent a few days this week with his parents, Mr. and Mrs. J. J. Gregg. He returned to his work with the Bryan News Wednesday morning.

Mr. and Mrs. Loy Singleton of Bedias spent the week-end with the lady's parents, Mr. and Mrs. Jim Newman.

Firemen Take First Softball Game

The first softball game of the season was played Tuesday evening between the Santa Anna Volunteer Fire company and a team made up from among the business men of the town.

The game was snappy from beginning to end, the full nine innings being played. The score was 4 and 6 in favor of the Firemen.

The matter of a soft ball league has been discussed at the Lions Club several times, and a committee has been appointed to interview the local citizens and report their findings to the Club. In event a sufficient number appear interested, a special effort will be made to get several teams going.

The soft ball sport is a great game, and furnishes outing, recreation and good exercise for those who participate, and amusement for the onlookers. We should have several teams in Santa Anna, and by all means should have a lighted field for night games.

Arkansawyers To Meet In Bronte Sunday, May 24th

The fifth annual convention of the former residents of Arkansas will assemble at Bronte the fourth Sunday in May. All people who have resided in the state of Arkansas, and their descendants are urged to attend, and the people from over all of West Texas are invited.

Dr. J. D. Sanderfer, president of Hardin-Simmons University, Abilene, is the president of the association, and will have a part on the program. Dr. A. D. Porter, pastor of the Central Methodist church in Fort Worth will deliver the main address at 11 a. m.

The cowboy band of Hardin-Simmons will furnish music, and a number of old-time songs will be sung. Arrangements are being made to entertain five thousand people. The date is Sunday, May 24th.

Texas Negro Says Age Is 131 Years

MARLIN, May 5.—(AP)—Old age assistance was asked today by Sylvia King, negro, who claims to be 131 years old.

Sylvia says she was born in France on Christmas Day, 1804, and was brought to the United States as a slave about 1840, landing at New Orleans. Later she was taken to Fayette county, near LaGrange. She lives now on a farm 13 miles southeast of Marlin.

Married three times her last husband died 26 years ago at the age of 78. Since then she has been living with her youngest grand grandson, now 34 years old. She smokes a clay pipe and dips snuff and is able to be "up and about" part of the time. She is almost blind and deaf.

Hereford Plans Colorful Event

Hereford, Texas, May 5.—A Texas Centennial day celebration and Old Settler's program on Friday, May 8, will mark Hereford's contribution to the state-wide Centennial observance.

A full day of entertainment is planned with a parade in the afternoon and folk songs and dances in the evening as outstanding events. Leading the parade will be a man, representing Deaf Smith, for whom the Panhandle county was named. Six young men and women will represent the nation's whose flags have flown over Texas and next in line will be 20 Indians, headed by a chief in full costume. Floats will depict the buffalo hunters and trail herders. Other floats will portray the cattle industry with scouts, chuck wagon, and cowboys. Of interest in the parade will be old buckboards, freight wagons, prairie schooners, and aged motor cars.

The celebration is expected to be an outstanding Centennial event in the Panhandle section of the state.

Mrs. W. T. Wheatley of San Antonio came Sunday to look after business matters here. She returned to San Antonio Wednesday.

Rates Set On Soil Building Practices

COLLEGE STATION, May 6.—"Soil building practices, rates and conditions of payments have been officially stamped by the Soil Conservation Administrator in Washington, D. C.," A. L. Smith, state agent assigned to conservation work in Texas, announced this week.

Soil building practices have been divided into three parts: seedings, crops plowed under for green manure, and establishment of pastures, forests and terraces.

Payments for soil building practices which will be made to the producer who incurs the expense of the soil building practice consist first of seeding alfalfa, sericea, and kudzu—rate of payment from the government will be \$2 per acre when seeded on crop land between January 1, 1936 and October 31, 1936; seeding red clover, mammoth clover, sweet clover, and annual lespedeza—rate \$1.50 per acre; seeding alsike, white, bur and crimson clover, Austrian winter peas, vetch and other locally adapted legumes—rate \$1.00 per acre.

Under the second part of soil building practices come crops plowed under for green manure. The crops and rates are: soybeans, velvet beans, cowpeas, crotalaria, beggar weed and other locally adapted summer legumes—rate \$1.50 per acre if grown on crop land in 1936 and vines or stalks left on land and seed not harvested for oil mill crushing, or \$2 per acre if plowed under green; crimson clover, bur clover, Austrian winter peas, vetch and other locally adapted winter legumes—rate \$1.50 per acre when turned under; rye, cats, barley, Italian rye grass, wheat, or mixtures of these—rate \$1 per acre when turned under as green manure after a reasonable growth, provided that such crops have not gone to the dough stage.

Any sorghum, Sudan grass, or millet seeded, solid or broadcast, by Texas farmers will bring them a rate of \$1 per acre when seeded between January 1 and July 31, 1936 and the crop left on the land or plowed under.

One other group of soil building practices pertains to the establishment of pastures or perennial grasses or grass and legume mixtures and will pay a rate of \$2 per acre.

The planting of forest trees will pay a rate of \$5 per acre if planted on crop land or pasture land between September 1, 1935 and October 31, 1936.

In the case of terracing, the government will pay the farmer 40 cents per hundred feet of completed terrace not to exceed \$2 per acre. The terraces must be constructed according to methods recommended by the State Conservation Board and the Texas Extension Service. Proof must be shown to the county soil conservation and allotment board that the terraces have been kept up as specified in the application for a grant.

CANDIDATE FOR GOVERNOR VISITS SANTA ANNA

Senator Roy Sanderford of Belton, candidate for Governor of Texas, visited several hours in the Mountain City last Friday and formed several acquaintances. Mr. Sanderford visited this office while here, but missed seeing the editor. At the time we were in Brownwood attending the funeral of a good friend, Mr. Terry Floyd, who died very suddenly at his home near Rockwood Thursday morning.

GIRL MAYOR CRIES AND 3 PRISONERS ARE OUT OF JAIL

SANTA BARBARA, Cal.—Eight-year-old Ann Duncan Morrison, temporary mayor of Santa Barbara under the National Youth Week program, burst into tears at the sight of prisoners in the city jail and won releases for three of them.

She wanted to release all of the jail's inmates, but Mayor E. O. Hanson suggested she confine her clemency to those held for misdemeanors.

So the releases were properly signed and three men were set free. On her way in a city car to get an ice cream cone and dry her tears, Miss Morrison passed the three men. They waved a vigorous greeting. She returned the salute gaily.

Mother's Day Observance

American homes are preparing to pay their annual tribute to motherhood Sunday, May 10. Various programs in all communities will emphasize the important place which she holds in the family life. Public tribute will be paid to her worth and central position in the institution of the family, which is still the basis of our social system.

And what an important job mother fulfills. The home life revolves about the mother. Usually she is the one who gives tone and direction to its activities. Father, to be sure, contributes his part, but after all it is the mother who creates the atmosphere that gives charm and cheer to the home.

To set aside a day in which the family pauses to recognize her accomplishments and her important position is a fine tribute to pay to her. Millions of mothers will be reminded of the respect and love of their husbands, and the affection of their children on Mother's Day. Many thousands of sons and daughters who have forgotten to write home for months, will send an epistle that will cheer and comfort their mothers. Others who are in close contact with their mothers, will gladden hearts with tokens of flowers, boxes of candy and other appropriate gifts.

But beautiful as the sentiment of Mother's Day may be, why single out only one day or one week of the year for the purpose of honoring and remembering her, expressing affection with a gift? Why not speak a helpful and cheering word whenever opportunity presents itself, year in and out. A wee bit of recognition of this kind, coming in the weeks in which there is no Mother's Day observance, will accomplish much more in making her happy than will the card or token that she receives because Mother's Day reminded a son or daughter of his or her negligence and forgetfulness.

Mother's Day this year can have a very special significance for those who have been forgetful and neglectful. It can serve as a good starting point for a continuous appreciation of a mother's love and affection. If the sentiment of the celebration this year arouses in all of us a keener desire to show an appreciation every day of the year, the observance will have created a fine attitude toward our mothers, which will make their lives happier and more cheerful for the manifestations of love which we are showing daily. The spontaneous words of appreciation and love that are spoken when no special occasion prompts them are much more effective and gracious than those which are conventionally uttered on Mother's Day.

All who participate in the large number of programs that have been arranged this year will receive inspiration for a better and more constant love for their mothers. The purpose of the day will be richly served if hundreds return to their homes keenly alert to fill the hearts of their mothers with happiness. A mother cares more for a cheery greeting and a kind word of appreciation that habitually comes from her sons and daughters than she does for costly gifts occasionally given.

COLEMAN BOY ELECTED EDITOR OF COLLEGLIAN

Coleman, May 4.—John T. Williamson, Jr., son of Mr. and Mrs. John T. Williamson of Coleman, freshman at Daniel Baker College, Brownwood, has been elected editor of the Collegian, college publication, of the 1936-37 term.

Young Williamson made A's in the six subjects he is taking this year at the college for the past six weeks. He is a member of the Daniel Baker band and president of the freshman class.

Maryland For FDR

BALTIMORE, May 5.—(AP)—By a ratio of slightly more than 5 to 1, President Roosevelt won Maryland's 16 national convention votes from Col. Henry Breckinridge, outspoken critic of new deal policies.

Unofficial returns from 1,347 of 1,434 precincts, gave: Roosevelt, 85,550. Breckinridge, 17,377.

Tuesday Is National Hospital Day

Next Tuesday, May 12th, has been designated as National Hospital Day throughout the United States and Canada.

The Sealy Hospital has distributed a number of folders inviting friends of the institution to visit it next Tuesday.

Florence Nightingale, whose life is outstanding as a nurse and who extended mercy to thousands of suffering more than eighty years ago, during a war, is especially honored on this occasion. The hospitals throughout the country designated May 12th as Hospital Day, it being the birthday of Miss Nightingale.

"They've set aside this day to help you learn exactly what goes on inside a hospital, and the part the hospital plays in the welfare of your community."

A visit of all the citizens of Santa Anna and the surrounding communities to the Sealy Hospital next Tuesday, will be appreciated by the Hospital Staff.

A. F. L. President Favors Roosevelt

WASHINGTON, May 5.—(AP)—President William Green of the American federation of labor declared today for the re-election of President Roosevelt.

Addressing the convention of the national women's trade union league, he said "we have been inspired and thrilled by the leadership destiny has given us. We want to continue it."

Reporters inquired subsequently if he had meant advocacy of the re-election of Roosevelt. Green assented.

Old-Age Plan Payments Set For July 1st

Old age assistance payments will start not later than July 1, according to Governor James V. Alfred. Texas' plan for the assistance has been approved by the Social Security Board in Washington. The Federal Government will match Texas contributions up to \$15 for each pensioner. An average monthly grant of \$20 each is contemplated.

Some 160,000 applications have been filed in the State, but only about 60,000 will qualify. Already the State has \$1,500,000 pledged for pensions from liquor revenues and expects to have between \$3,000,000 and \$5,000,000 available when the plan is effective.

Humorous and unusual circumstances accompany the applications for assistance. A Mexican living in Hidalgo county for a long period of years did not have a birth certificate and was required to name people whom he had known for a number of years. One of those named was Vice-President John Garner as "Don Juan Garner, who used to be a Congressman, but I have lost track of him lately."

SATURDAY A BANNER DAY

Last Saturday was a banner day with Santa Anna merchants this season. The largest crowds came to town and the merchants report a fine business, especially so among those who are advertising. More local merchants should use our advertising columns to stimulate their business. When a patient is sick he needs a tonic, and when a business is dragging it needs a stimulant, and nothing will stimulate a business like consistent advertising backed up with service.

The Santa Anna News has the largest circulation it has ever had, and we feel justified in saying that a well prepared advertisement carried in our columns will prove a good investment for any business.

Our regular advertisers are reaping a splendid harvest from their investment. They are awake unto the harvest and are pushing their business with advertising and service.

Mr. and Mrs. Revis Wyatt, Will Wyatt and Miss Ruby Crawford of Troy visited Mrs. W. L. Moseley over the week-end.

Mr. and Mrs. George Ralston and little daughter of Holiday are visiting Mr. and Mrs. W. A. Standley.

Lions Entertain Visitors Tuesday

Several visitors were present at the regular luncheon of the Lions Club Tuesday. Among them were Miss Ann Randolph, teacher of Home Economics in the Santa Anna High School, and her tennis players who won first places in the county meet this spring. Misses Margaret McDonald and Elizabeth Morris were the doubles team, and Miss Ara Belle Ragsdale played singles.

Five members of the Coleman Club, headed by Judge E. M. Critz, were also visitors with the Lions Tuesday. Others in the party were R. A. Autry, publisher of the Coleman County Chronicle, Rev. W. H. Vanderpool, pastor of the First Methodist church, Rev. W. H. Woolard, pastor of the First Christian church, and Floyd Stobaugh, with the Banner Ice Company. Judge Critz made a splendid address at the close of the meeting.

Farmers Signing Work Sheet In New Farm Program

Representatives of County Agent C. V. Robinson's office are busy over the county signing up work sheets under the new farm program.

Mr. Robinson states that when the present program is perfected, in his opinion, it will be a better one than the formerly operated AAA.

The program is wide in its scope and is intended to be of service, protection and direct benefit to farmers, which in turn, will indirectly be of benefit to all. National and State directors are very busy in their routine of outline and will continue so to be until the plan is perfected.

Amarillo Prepared For WTCC Meeting

Great preparations have been going on for several months in Amarillo for the annual convention of the West Texas Chamber of Commerce. The convention meets in Amarillo next Monday, Tuesday and Wednesday, May 11-12-13.

No arrangements have been made for Santa Anna to be represented, but this will be the first convention to be held without a representation from Santa Anna.

FORMER SANTA ANNA BOY MARRIES OKLAHOMA GIRL

The Santa Anna News is in receipt of a newspaper published in Beaver, Okla., giving the account of the marriage recently of Mr. Arnold Davidson, son of Rev. and Mrs. T. W. Davidson, who formerly lived in Santa Anna. Arnold graduated from Santa Anna High School during the time his father was pastor of the U. S. A. Presbyterian Church.

The new bride was, before her marriage, Miss Edna Darby of Knowles.

Rev. Davidson officiated at the marriage, using the impressive ring ceremony. The couple will make their home near Gate, Oklahoma, where a home was prepared for them prior to their marriage.

EAGLE-KILLING AS HOBBY HAS BECOME BIG BUSINESS FOR THIS WEST TEXAN

FORT STOCTON—Ray Baumgardner started killing eagles as a hobby. Now it's a business—and a very important business, too, since lamb and kid-killing eagles are a scourge to the sheep and goat industry. Eagle-killing brings Baumgardner \$35 a day and a feeling of satisfaction. Bagging one eagle usually means two.

"When an eagle is shot down," Baumgardner says, "his mate flies to see what has happened and is an easy victim. The eagles left in the nest thus may be killed indirectly, also."

6,419 COLEMAN SCHOLASTICS

Coleman, May 4.—Coleman County has a total of 6,419 scholastics, it was learned when census reports were turned in to the county superintendent's office. Coleman schools have 1,509, in addition to 127 negroes and 124 Mexicans. A state apportionment will be received.

J. Terry Floyd Is Victim Of Heart Attack

Joe Terry Floyd, 62, died about 11 o'clock last Thursday morning at his farm home near Rockwood. His death followed a heart attack which came after spending a morning in the fields looking after his crops. His remains were taken to Brownwood for burial and funeral services were held Friday afternoon at 3:30 o'clock at the First Baptist Church with Rev. Ed Wilson, pastor of the Comanche Baptist Church, officiating. Interment followed in the Greenleaf Cemetery with White and London making burial arrangements.

Mr. Floyd was born Feb. 18, 1874, in Marietta, Texas. He was married to Miss Minnie Shelton and they resided in Brownwood for a number of years, during which time they reared and educated their family. They moved to their farm near Rockwood about two years ago. Mr. Floyd had been a member of the Baptist Church for more than 38 years.

Survivors include Mrs. Minnie Floyd, Rockwood; and the following sons and daughters, Dr. Joe Floyd, El Paso; Earl D. Floyd, San Antonio; Mrs. G. M. Mitchell, Rockwood; Miss Velma Floyd, Austin; and Mrs. Ruth Bowden, Brownwood; one brother, John Floyd, Mt. Pleasant; and two sisters, Mrs. Mae Womack, Marietta, and Mrs. Jess Moore, Coleman.

Pallbearers included Hugh McFarland, Creel Grady, Arthur King, Hyatt Moore, Bob Steward and Carl Shannon.

Entire World Shows Interest In Centennial

DALLAS, Texas, May 5.—Interest in the state of Texas and its Centennial year celebrations is world wide, according to requests for literature and information. Several thousand inquiries are received each week as the result of the extensive advertising campaign carried on by the state organization.

Inquiries have been received from practically every foreign country. Canada leads in number with England sending in the most requests from Europe. Numerous inquiries, however, are being received from Spain, Germany, Italy, Greece, Sweden, Norway, France, Denmark, Holland, Portugal, Poland and other countries. South American countries have manifested great interest and Mexico has sent in many requests for information.

The state department answers each inquiry with a varied assortment of printed matter, descriptive of the Lone Star state and its state-wide Centennial celebrations.

Peace Essay Was Worth \$5,000 To Oregon Boy Scout

A few dozen words in which he expressed his ideas as to the maintenance of world peace worth \$5,000 to Owen W. Matthews III, of Portland, Oregon, winner of the \$5,000 Cantor essay contest.

The prize winning essay, judged by a committee of four college presidents, best of more than 200,000 submitted in the contest, is as follows:

Based on Experience "My idea how America can stay out of war is based on my personal experiences.

"I am an Eagle Scout and have been in scouting for seven years. Through scouting and other worthwhile youth movements is the way this can be accomplished.

"The spring of 1933 I heard of the coming fourth International Scout Jamboree to be held in Godollo, Hungary, and made my plans to attend. I went to the Jamboree and there found my solution for future world peace.

Correspondence Continued "The real benefits from this Jamboree are being manifested as time goes on. I am corresponding with eight scouts I met at the Jamboree, who live in the following countries: Estonia, Luxembourg, England, Persia, Austria, Syria, South Africa and Austria. We exchange stamps, songs, literature and various articles pertaining to our respective countries and thereby continue our worthwhile friendship.

"If the United States government sent picked groups of youth to these international gatherings, expenses paid, it would open the eyes of youth the world over as to the futility of war. Upon their return to America they should deliver lectures in schools and to older organizations telling the thoughts of youth in regard to war with other countries.

"Stress the movement for intelligent voting at the polls, to see that the only people sent to Congress are those who will do everything humanly possible always to vote to keep us out of war.

GENTLEMAN OF THE HOUSE

(Austin Callan) Well, some snooper has subpoenaed and read my telegrams.

I was getting ready to run for the Legislature and put a stop to bad government. I felt it was up to a statesman like myself to do it and I had already picked out the style of lobbyist who was to make up my mind on important questions.

A book did it—"Gentleman of the House," by Ida M. Darden. I admit the pages scintillate with wit, humor, and the finest of satire.

When he wakes up he realizes that he walked "slap-dab" into a trap and he crawls away sore and dejected.

Then all at once the gong sounds and the victim is pushed over a precipice.

WAR By Radio I got my daughter one of those new radio receivers for a birthday present the other day, and now the whole family sits up late—too late—listening to broadcasts from Europe.

They are all about war. Germany, France, England and Italy are filling the air with arguments or news all emphasizing the strained relations which prevail on the European continent.

It all has brought home to us as nothing in the newspaper's has done, how nervous and apprehensive all Europe is, and how the "Powers" are shaking their fists in each others' faces.

ACCIDENTS HAPPEN AT HOME, TOO Most of us think of automobiles and trains as the cause of most accidents, forgetting that over one-fourth of all the mishaps occur right in the home from various causes.

NEWSPAPER INFLUENCE

(By Jeff D. Ray) It seems as if all the great men of this generation began their careers by selling newspapers on the streets.

Having more or less tenuous connection with newspapers all my life, let me say a word on that subject.

When Gutenberg invented printing he laid the foundation for what has become the mightiest single human influence on earth. More than the college, more than the public school, more than the movie, more than the pulpit, the press colors the thinking of the people.

Confessedly paradoxical it is true, nevertheless, that public sentiment sets the standard for the newspapers and the newspapers set the standard for public sentiment.

In the first place we plain people who make, or shall I say who are, public sentiment owe it to our day and generation and to our posterity to create, in the fear of God, such high ideals of thinking and living that our newspapers will have to do better or quit.

But in the second place a word to the newspaper. You can shape public opinion any way you please.

Make A General Health Round-up During Summer

AUSTIN, May 6.—One of the most interesting round-ups of Centennial Year in Texas, is the summer round-up of the children who will enter school next fall.

The local parent-teacher group of each community endeavors to have parents who have children ready to enter school next fall, take these children to their family physician for a physical examination so that any defects they might have may be corrected during the summer months.

It is a most essential factor in the life of each child that he be free from all physical defects in order that he may do his best work when in school.

The health and well-being of our nation rests upon the opportunities given the children of today.

Max Price was unable, through illness, to go to work on pay day, so asked his workmate to get his wages and bring them along to his house.

Late that night Sam F. arrived at Max's house, looking rather serious.

"I've lost your wages, Max," he said.

"Lost my wages?" began Max. But Sam interrupted him.

"Aye," he blurted, "and I believe if I had gone on playing I should have lost my own."

LET'S MAKE SANTA ANNA GROW!

The following merchants and business interests of Santa Anna want you to join us in making Santa Anna one of the most outstanding business and trading centers in Central Texas. MONEY SPENT IN YOUR HOME TOWN helps to develop greater industries, pay wages, pay taxes, support churches and schools, and create business volume upon which communities prosper. These Santa Anna merchants offer standard goods and courteous services at reasonable prices. Besides, they offer to share the profits with their customers on the second and fourth Wednesdays of each month, our designated Trades Days for 1936. Every dollar spent away from Santa Anna for Dry Goods, Bread, Meats, Groceries, Drugs, Gasoline, Tires, Tubes, Furniture, Hardware, Notions, and suchlike decreases the opportunities of Santa Anna merchants and other industries to grow and better serve you; causes the depreciation of stocks and industries in your home town and community; also lowers your property values and lessens your opportunities. The following Santa Anna merchants and other business people entreat you to join us in promoting a bigger and better community.

WOODMEN of the World Life Insurance Association will pay tribute to its Sovereigns who have been members of the organization for twenty-five years or more, at impressive Mother's Day ceremonies to be held May 10 on the grounds of the Association's tuberculosis hospital at San Antonio, Texas.

Do E. Bradshaw, president of the Woodmen of the World will come from national headquarters at Omaha to the ceremonies. Dr. Herbert B. Kennedy, of the Association's Medical Department, will also attend.

DEMONSTRATORS STORIES

By separating the front yard from the back with screen planting of Amur River Privet, Mrs. Clyde Crenshaw, yard demonstrator of the Valera Home Demonstration Club, is able to have a desired privacy for her work area.

Mrs. Jess York, yard demonstrator of the Trickham Home Demonstration Club, is setting her yard fence back several feet to enlarge her yard. By moving the fence back this part of the yard will be nearer the size of the front yard.

Planning and making one's own wardrobe is such a unit, states Leona McClatchey, yard demonstrator of the Trickham 4-H club. She first took an inventory of all the clothing on hand before making a clothing plan for this year's needs.

"I am painting the woodwork ivory to give my bedroom a brighter, cleaner, and lighter appearance," said Mrs. Jimmie Gill, bedroom demonstrator of the Whom Home Demonstration Club.

First Mrs. Gill will sandpaper the surface of all the woodwork until it is nice and smooth. Then two coats of white flat paint will be used, put on 24 hours apart to fill in any cracks and make a good foundation for the enamel.

Every home should have a lawn to make the house and yard as attractive as possible, says Miss Net Hagler, yard demonstrator of the Watts' Creek Home Demonstration Club.

After the shrubs and roses were moved the front yard was filled in with good soil so as to be level with the back yard. Then Miss Hagler spaded part of the lawn with Bermuda grass and planted the rest of it with Bermuda grass seed.

this to see which makes the quickest growth and the best lawn. She feels that the grass will keep down dust, keep out weeds, and make her home more attractive.

By refinishing her bedroom furniture with old Ivory enamel, Mrs. George Cobb, bedroom demonstrator of the Gouldbusk Home Demonstration club, obtained pleasing and satisfactory results.

To have an attractive yard, Mrs. T. O. Nalley, yard demonstrator of the New Central Home Demonstration club feels that the first of all it should be level. Her yard was high in some places and low in others, thus giving the water a chance to run off and carry the good top soil with it.

Mrs. Jess York, yard demonstrator of the Trickham Home Demonstration club, is setting her yard fence back several feet to enlarge her yard. By moving the fence back this part of the yard will be nearer the size of the front yard.

Mary Lou Melver, garden demonstrator of the Trickham 4-H club, made her garden plan to include leafy, green or yellow vegetables such as spinach, cabbage, mustard, lettuce, string beans, and English peas.

Before beginning her wardrobe work, Georgie Sparkman, wardrobe demonstrator of the Happy Home Makers 4-H club, took a complete inventory of all clothing on hand. With this information in mind she is making out her clothing plan of all articles that she will need to buy during the year.

WHAT OF THE PEDESTRIAN?

The man or woman who walks, casts a formidable shadow on the horizon of those who are working on the problem of automobile traffic regulations. The conflict between the automobile and the pedestrian is an unequal one.

Some day we shall probably have separate crossings or complete traffic signal protection on all streets and highways where traffic is allowed to move at high speed.

In some places and circumstances it is safe to go 20 or 30 miles an hour, but in others even 10 or 15 miles is too fast. The greatest number of accidents occur because people drive faster than the conditions warrant.

Over \$141,000,000 is spent annually in this country for beautifiers, a large per cent of which is wasted.

A man in a neighboring state has never seen a moving picture. Opinions will differ as to how much he has missed.

Annual District M. E. Conference A Great Success

Record Crowd In Attendance

The Annual District Conference of M. E. Churches held here Wednesday was an excellent meeting with a record breaking crowd in attendance.

Because of the foresight and organization of preliminary work by the Presiding Elder, Rev. J. T. McClure of Brownwood, the conference was able to carry out in one day the work that usually requires two days.

M. A. Edwards gave the welcoming address and was responded to by Rev. C. H. Cole, pastor of the church at Comanche. Reports of pastors and church officials showed a decided increase in membership in their organizations over the reports made last year.

Other District officers reported, among them being Rev. H. H. Cherry, District Lay Leader, and pastor of the Methodist Central Church at Brownwood.

Rev. Roy Crawford of May was elected District Secretary and M. A. Edwards was elected Assistant District Lay Leader.

Funds were raised to send four young pastors to Summer Pastors' School at S. M. U. Dallas, and Southwestern University at Georgetown.

The local report was complimented by the Presiding Elder because of the increase in church membership and because the Sunday School Benevolences have been paid in full for the first half of the year.

The church was filled to capacity and over. There was not room to serve all who came—many took lunches to the park and restaurants were crowded. There were a number of visitors from other conferences.

The conference passed a resolution of appreciation to the local church and the publicity of the Santa Anna News.

The conference voted to go to Blanket for the next meeting, because everyone was so well pleased with the meeting, the conference voted to continue the one day program.

The Lay Delegates to the Central Texas Annual conference, which meets at Houston November 6, in simultaneous session of five other annual conferences of M. E. Churches, are as follows: Mrs. J. F. Currie, C. C. Sessions, Hal H. Cherry, P. C. Ragdale, Mrs. C. H. Cole, Elmer Simpson, Mrs. W. H. Vanderpool, J. B. Pace, Mrs. Roy L. Crawford, M. A. Edwards, Miss Ruby Harper, and J. M. Skaggs.

Chicks From Hen's Eggs Are More Valuable Than Chicks From Pullet's Eggs

Eggs laid by pullets during the first year of egg production, even though the percentage of hatch is better, are not worth nearly so much for hatching as the eggs laid by hens after the first year of egg production has been completed.

It was found that fewer chicks from pullets survive to laying age as compared with those from hens. And, during the first laying year, losses from death were 10 percent greater among the pullets from pullets than among the pullets from hens.

Most valuable, perhaps, of all the advantages that might be ascribed to club work is the fact that it provides a job with pay for farm boys and girls during the vacation season.

HOW DO THEY DO IT?

Some people possess the faculty of "getting next" to almost every good proposition that comes along. This is especially true with regard to chickens.

The persistent ad reader knows these things—and gets them.

Keep your bargain eye on the news of the home merchant. If he says it is good, or of especially good value, you may be sure it is as good as a bargain. He can't afford to be wrong.

RURAL CLUB WORK

There is reason why rural as well as town and city business men should support club work among boys and girls who will be the men and women in a very short space of time.

The members of the clubs are of school age and are easily taught valuable lessons. The club develops the best efforts of the members through co-operation, and it teaches co-operation and organization, which will be valuable to the farmers of the future.

Club work also develops leadership that will likewise prove of great benefit to agriculture in the next generation, and introduces bookkeeping and better business methods.

Club work also supports a community interest that is invaluable in keeping boys and girls on the farm and the meetings held by the clubs produce a sense of expression and self-possession.

WACO BUSINESS MEN VISIT SANTA ANNA

Thursday morning a special train carrying a number of business men from Waco, on a western goodwill trade trip, stopped for 30 minutes in Santa Anna. The Waco Chamber of Commerce, under the personal supervision of the secretary W. V. Crawford, was sponsoring the trip, and most every interest in the city was represented. Apparently the party was a fine bunch of fellows, and had some nice things to say about Santa Anna, in connection with boosting their home town of Waco.

CARD OF THANKS

We want to take this means of expressing our appreciation and thanks for the help and many kind words rendered us in the death and burial of our father and grandfather, Mr. W. W. Hunter. We also want to express our thanks for the many beautiful floral offerings. Mr. and Mrs. W. M. Hunter and family.

Baptist Church

R. Elmer Danham, Pastor. Sunday School 9:45 a. m. (15 minutes earlier than old schedule) J. R. Lock, Supt. Preaching services 11 a. m. and 8:15 p. m. Special Mother's Day Sermon and programs. B. T. U. 7:15 p. m. A. B. Lightfoot, General Director. There will be a Mother's Day program in the opening exercises of the B. T. U. Our Sunday school is growing. In the rain last Sunday, 178 people attended, and the Sunday before, 207 came. We will in all probability go far beyond the 200 mark this week. More than two dozen new officers and teachers have been added, and all are on the job for new pupils. The Beginners Department, under the leadership of Mrs. Lock, has visited every prospective pupil on their list, and thus have turned in their "Crutch." Every class and department has a crutch hanging on their walls until all have been visited. They then receive a walking stick which they must carry until 75 percent of their prospective pupils have been enrolled. In the school, and then they are free to walk "on their own." Extensive improvements are being made in equipment. Eight classrooms with new curtains are in the Intermediate department. The juniors have new curtains for all of their eight classes. The Beginners have a piano, loaned by Mrs. R. C. Gay, new floor covering, and proper height chair instead of benches. These have all been freshly painted in ivory. The Nursery has new floor covering, screens and a stairway leading out at the rear of the building so they can get to the lawn, thru a large window, for relaxation exercises. Mrs. Bartlett's class has completely renovated their room and it is one of the very nicest of all. The art glass windows have been completely repaired under the supervision of Mr. Bartlett, and the illuminated sign is to be repaired as soon as the glass arrives. Mr. Grady plans to have the auditorium fans installed right away as plans are complete and the money is at hand. Everyone is invited to come and see us.

TRICKHAM H. D. C.

The Trickham Home Demonstration Club met last Thursday afternoon at 2:30 in the home of Mrs. Joe Stacy with fifteen members present. The song "Dixie" was sung to open the meeting. Games of Crambo, Peanut Race, and What Your Face Looks Like, were cleverly arranged by Mrs. Drate Mathews. The program was on "Texas Today." We live in Texas, hear about Texas, and know something about Texas, but some of the facts, interesting men and women, points of special interest, and what in Texas interests you most, were discussed. Chicken sandwiches, pecan cake, and lemonade were served. The next meeting will be with Mrs. B. W. McIver on Thursday, May 14.

Methodist Church

As it is Mother's Day there will be a special program in honor of the mothers. The morning services will be dedicated to them. A bouquet of flowers will be presented to the oldest mother present. Evangelistic sermon by the pastor at the evening services. 10 a. m. Sunday School. C. B. Presby'rian Church

Next Sunday is Mother's Day. Fathers, mothers and children are invited. This will be a good day for the whole family to attend church. The service will not be sentimental. If you are away from home, come to church. If you are homeless you have a special invitation. The subject for Sunday morning will be: "The Home in Danger." Come to all the services. Come and hear the old time organ (not pipe organ). Its tones are tender. You will like it. Sunday school at ten, preaching at eleven and eight. Christian Endeavor at seven-thirty. Be a church goer. M. L. Womack, Minister.

METHODIST REVIVAL CLOSES SUNDAY NIGHT

The Methodist E. South Church closed a two weeks revival Sunday night with a packed house. Rev. W. S. Fisher filled his appointment with the Echo Church Sunday morning, and Pastor W. E. Fisher filled the pulpit here Sunday morning. Large numbers were present for both services Sunday. The First Baptist Church called off its regular evening services to participate in the meeting. During the meeting there were twenty-five conversions, some who will join other churches as their preference. A number was entered for church membership Sunday and others will be received later. At the services Sunday, the audience showed their appreciation for Evangelist W. S. Fisher's two weeks work by responding with a good free will offering. As a result of the Young People's meetings during the Revival, the Red side won by a mere five points. The Blues entertained with a picnic at the Ex-Rangers Park Monday evening. A delightful time was enjoyed by Rhea Boardman, Morean Walker, Mary Lee Combs, Mary Louise Curry, Hazel Gilbert, LaRue Curry, Elsie Lee Polk, Mary Frances Talley, Dixie West, Georgia Frances Barlett, Marilyn Baxter, E. W. Polk, Jr., Bill Early, Roy Richardson, P. B. Lightfoot, A. L. McGahey, Jr., Damon Wade Polk, John Sidney West, Rev. W. E. Fisher, Mrs. Ed Gilbert, Mrs. Tabor, and Mrs. R. C. West. Miss Rhea Boardman was captain of the Red Side and Miss Hazel Gilbert captain of the Blue side.

FIFTY YEARS AGO

The following article was clipped from Tuesday's Dallas Morning News under the heading "Fifty Years Ago": In a sale of town lots at Santa Anna yesterday the auctioneer disposed of over 365 lots for a total of \$22,500. The sale was conducted by R. F. Panocest of Galveston. Our little town was established just fifty years ago and this relates the sale of the first lots for the town site. One lot of \$195 wash dresses for 85c at Mrs. Shockley's store. Mr. E. M. Vinson of Zephyr, formerly of the Rockwood community, was a pleasant caller at this office Tuesday.

B. T. U. TO BE REORGANIZED

Monday night the B. T. U. General Director, Augustus Lightfoot, called an executive meeting of the organization and a meeting of the program planning committees. In the executive meeting a number of business affairs were discussed and it was decided that the organization should, and will be, completely reorganized. A committee comprised of Rev. Dunham, Augustus Lightfoot, Mrs. J. F. Goen, Mrs. Seth Richey, and Miss Frances Gregg, is to meet Sunday afternoon to classify and nominate workers for the unoccupied offices. Plans have been made for a special program to be dedicated to the mothers in the General Assembly, then many of the separate unions are planning special programs in honor of their mothers. The County Association B. T. U. will meet at the Eureka Baptist Church Sunday afternoon at 2:30. Rev. and Mrs. R. Elmer Dunham and Miss Ruby Davis spent Tuesday and Wednesday in Dallas attending a conference on Associational Sunday School work.

Rockwood News

By Hearthal King Mrs. R. E. Johnson was called to the bedside of her mother, Mrs. Dick Cheatham of Whon, last week. Mrs. Cheatham is critically ill. Rev. Kirkpatrick filled his regular appointments here last Sunday. Mrs. A. F. Rothermel and son of Fort Worth spent the weekend with her parents, Mr. and Mrs. J. C. King. This community was saddened Thursday morning by the death of Terry Floyd. Mr. Floyd died of heart failure. Those who survive are his wife, Mrs. Minnie Floyd, and the following children: Mrs. Buster Mitchell of Rockwood, Mrs. Ruth Bowden of Brownwood, Miss Velma Floyd of Austin, Dr. Joe Floyd of El Paso, Mr. Earl Floyd of San Antonio, and one grandson, Opie T. Bowden. Miss Georgia King has returned home after a visit in Ellenville, Texas. A Centennial Pageant was presented at the school building last Tuesday night. "Blue Bonnet Land" was the name of it. The General Science class of the Rockwood school went through the Knappe-Coleman glass factory Tuesday morning. SANTA ANNA H. D. CLUB A meeting was called Friday, May the first, for a demonstration to be given by Miss Alice Glenn Young, our county demonstrator. In her demonstration she showed how to remove enamel or varnish from woodwork and furniture, also how to apply varnish and enamel to make a smooth finish. Thirteen members and two visitors were present. The visitors were Mrs. R. W. Balke of Santa Anna and Mrs. George Ralston of Holiday, Texas. Our next meeting will be May the sixteenth. The program for that day will be on upholstery. All members are expected to be present. See the NATIONAL DANCE of MEXICO at the play "CLAVELITO" to be presented May 9 at the high school auditorium—admission 5c & 10c. When it comes to the question of survival of the fittest, the pedestrian is suffering under the handicap of heavy odds.

MAY 15 FINAL DATE FOR FILING WORK SHEETS

COLLEGE STATION, May 6.—May 15 has been set as the final date for filing all work sheets on application for cooperating in the Soil Conservation program, it was announced by A. L. Smith, state agent assigned to conservation work in Texas.

COSTUMES! ROMANCE! GLAMOR! DANCING! SINGING. See "CLAVELITO" Saturday Night, May 9.

Mrs. Marcus Weathered and Mrs. C. W. Woodruff of Coleman visited Grandma and Miss Louella Chambers Tuesday afternoon.

CHRISTIAN CHURCH NOTES

There was another fine increase in attendance at Sunday School last Sunday, and large audiences heard Bro. Bailey at both preaching hours. There was one confession and baptism at the evening hour. Bro. Bailey will preach for us again on the 4th Sunday in May. On Monday our Aid Society was hostess to the Missionary Society of the Coleman Church. Among the special features were two songs by Mrs. Holman and an inspirational talk and humorous reading by Mrs. Woolard, both of Coleman. Mrs. Garrett, representing the local organization, pressed the claims and stressed the need of "Christian Action." Lovely refreshments of angel food cake and fruit punch were served with mock orange blossoms as plate favors. There were forty ladies present. On Tuesday afternoon the younger married ladies Sunday School class had a very enjoyable meeting with Mrs. Will Bell.

BENEFIT SUPPER AT METHODIST CHURCH TUESDAY EVENING

Members of the Methodist church gave a Benefit supper in the basement of the church Tuesday evening, which proved a success. The home cooked meals were served cafeteria style, each one selecting a meal according to his taste and appetite. Several dollars went into the fund, and the social hour was very pleasantly spent. We like the loyalty of brotherhood manifested in the church and auxiliary work in the local Methodist church. Some fine people constitute the membership of the Methodist church and we are proud of them and the simplified manner they use in going about things. Why not make the supper a monthly affair? BOX SUPPER AT WHON The Home Demonstration Club of Whon is sponsoring a box supper at the Baptist Church Tuesday night. The public is invited to attend, and candidates are especially invited as they will be given a chance to speak. A cake will be given to the prettiest girl present and a pie will be given to the ugliest man present. Everybody come.

WHON H. D. C.

The Whon Home Demonstration Club met at the home of Mrs. Nelson Griffin with seven members and a visitor, Mrs. R. J. Smith, present. Plans were made for the box supper, Tuesday, May 12. All ladies and girls bring boxes. Everyone is invited, and candidates will be given an opportunity to make speeches. The club had planned to have the box supper at an earlier date, but postponement was made because of the death of one of our member's husband, Mr. Terry Floyd. The program scheduled for Tuesday was not rendered. Every member should be present at Mrs. Homer Hill's on May 19, as there is important business to transact. A delegate will be selected to go to the short course at the State Agricultural and Mechanical College at College Station. Study carefully the qualities of the lady you select, so that our club will be greatly benefited. Bring a grab bag and a dime, because it is grab box time. A refreshment plate of fruit punch and cake was served.

Rev. and Mrs. A. L. Oder left Wednesday morning for San Antonio where they will visit with their son, Javan Oder, and other relatives. They plan to return Saturday.

Mrs. Ed Sewell and Mrs. Chas. Hale were Brownwood visitors Wednesday morning.
