"He Profits Most Who Serves Best"

VOLUME LV.

SANTA ANNA, COLEMAN COUNTY, TEXAS, FRIDAY, JULY 26, 1940

NUMBER 30

Coming To Santa Anna Rodeo, Aug. 20-21-22

This Week in Our Town

"Getting ready to move into our new home," explained Mrs.urdy the other day, accounting for Ed's absence. They will be in their new home by the time this appears in print. Ed and his better leventy-sevenths should be contented from now on out with the place they got. They have not only fixed it up nice, but to suit their own carefully developed plans.

"Why can't I put my specials on the Home Trade Page?" enquired one of those who signed up for the campaign and who has been using institutional instead of personal copy in the space. Informed it was not only permissible, but a good idea, it didn't take long to get copy for this week's specials. Two others followed suit. Look up the page and see the specials advertised. It will pay you.

"We will get all of the election returns and want everyone that is interested to turn out and watch," said Lee Hunter, referring to the big board the Lions Club ordered a committee to ready for Saturday night so our people could enjoy the election returns without taking out for distant points.

"Next Sunday is the big day," was O. A. Etheredge's comment on attendance contest waged between Baptist and Methodist men's Sunday School classes. Etheredge is one of the active Methodist members and to date his class has a lead of four in attendance. There will be a lot of stirring around this week end, with each side trying to make the others supply the fish and serve the supper.

"The 35th Judicial District is fifty-three years old now," said County Judge Howell E. Cobb of McCulloch County, "and in all that time our county has never supplied an official to the District." No wonder Cobb is being given good backing in our sister county.

"Correct age limit for youth who are eligible for NYA employment is 17 to 25," said Area Supervisor E. M. Treadwell in a letter referring to an article in The News of July 5. We had given the ages as up to 27. According to Mr. Treadwell's letter the youth must complete his 17th year before he can secure NYA employment, and his eligibility ceases on his 25th birthday. Youths receive up to 18 months of employment between these age limits.

"Go down to Banner Ice and get one of the strings of fish I left there," urged Doc Brand, the fishing enthusiast (He's more interested in catching fish than Johnnie Payne.) last week-end. Four nice strings were hung up there for Docs' friends. We had a short string picked out, but someone else who was afraid he'd have to de-scale them took it and left us the longest of the four. We had a big fish fry and passed on half the string to a (Continued on Page 3)

TRENCH SILOS AND CONSERVATION OF FEED

With a bumper crop at hand, the question of saving it and utilizing it to the best advantage is uppermost in the minds of the farmers and ranchmen of Coleman County. The trench silo is probably the most economical and satisfactory way of storing the feed crop. It is a safe and easily constructed means of saving the feed crop. It is wind proof, fire proof, frost proof and the feed is safe from rats, weevils and other enemies. Silage is the substitute for green pasture and should not be considered a balanced ration.

The size of the trench will depend on the amount of feed to be stored. Do not make it too wide at first as the width must be increased each year as the sides are worked down. Multiply the average width by depth by length to get the cubic feet of feed. Multiply this by 45 to get the total pounds of feed in the trench, and then divide by 2000 to ascertain the tonnage. A crop of grain sorghum will average five to six tons to the acre. In figuring the number of cattle to be fed over a period, thirty pounds of silage per animal per day is usually used in the calculation.

In filling the silo, be sure to pack the feed thoroughly, and distribute evenly to prevent uneven settling. Use plenty of water, especially near the walls of the trench if the dirt is dry. One to five barrels to the ton should be used, depending on the dryness of the feed. In covering the silo, use about twelve inches of dirt, be sure to have it well packed around the sides. If dry and cloddy the dirt should be wetted and harrowed to get a good tight covering.

The time of cutting the feed crop for the trench silo is of utmost importance. If cut too green, especially the sweet sorghums, the immature feed will make sour silage. Be sure the heads are ripe, even though the leaves may be dry. A mixture of sweet and grain sorghum will help to prevent the souring of the feed.

In cases where the trench silo is not possible, the stack silo is sometimes used. The feed is stacked with the butts to the outside and water is added as in the trench silo. A greater amount of spoilage usually occurs in the stack silo. Some farmers have stacked bundles of feed upright on the outside and filling the inside with chopped feed and covered over with hay.

For further information on the trench silo get a copy of Extension Bulletin No. B-84 at the office of the County Agent or AAA office.

Taxes now take twenty-one per cent of the national income, whereas they took just six per cent in 1913 according to latest statistical study.

The average man reaches the peak of his physical strength at the age of 30.

Taking it easy doesn't lead to Easy Street.

Brady's Airport Studied

Preliminary plans have been submitted to the U. S. Air Corps Field, San Antonio, by Mayor Harry L. Curtis, of Brady for the proposed auxiliary airport project. Air corps officials are expected to approve them and forward them to Washington, D. C., for approval by the chief of the air corps.

The project, involving the expenditure of \$311,190 for improvement purposes, will serve as a part of the national defense setup, and will be an important link in the route between Midland, San Angelo and San Antonio. Auxiliary training centers are being established at both Midland and San Angelo.

The improvements will include the construction of an administration building, hangar 120 by 200 feet, two runways, one 5,000 feet and the other 3,000 feet, gas pumps, roads, boundary lights, floodlights and radio marker.

A total of 330 men per day will be employed on the project, contingent upon approval by the chief of the U. S. Air Corps and the WPA at Washington, D. C., and the workmen will be divided into three shifts of eight hours each, the work to continue, day and night until the project is finished.

FINAL PLANS FOR EDEN RAIN SHOW AND SALE COMPLETED

The sales committee of the West Texas Rain Sale to be held at Eden, Aug. 6, 7, 8, met Monday to make final arrangements for the event.

Approximately 500 head of Rambouillet and Delaine sheep have been entered, according to Minor McVay, secretary. Competition for the \$150 first prize in the Rambouillet yearling ram class is expected to be keen this year. Wallace Dameron of the Ranch Experiment Station is to judge the show.

Arrangements for a tent to shelter the additional entries have been made and all consignors are promised adequate shelter for their sheep. All sheep entered are registered and include some of the best of their respective breeds.

WOODS ANNOUNCES TUITION PAYMENT

State Superintendent L. A. Woods announced today that the first payment on High School Tuition will be made in a few days and that the payment will be approximately 90% of the approved claims.

Superintendent Woods also announced that Rural Aid Schools can expect 100% payment on Salary Aid grants for the coming year on the same basis as was paid for the past year. Thus, the 4023 schools participating in this fund will be able to determine before the opening of the 1940-41 term how much to budget for the approved items of expense in order to pay the teachers in full. The forms used in making application for Equalization Funds will reach the schools this week.

GUARD COMPANY GOING TO CRAVENS, LA., AUGUST 3RD.

Santa Anna national guard unit will leave for Cravens, La., for the summer maneuvers with the Third Army at 4:30 p. m., August 3, transportation having been supplied for that date. The train will be made up at Ballinger, and will contain ten coaches.

Ballinger, Coleman, Santa Anna, Brownwood, Belton, Temple and Somerville units will be transported on this special.

In a village near Covington, Kentucky, is the smallest church in the world—seating only three.

The weight of the human heart is from 8 to 12 ounces. It beats 100,000 times in 24 hours.

Coleman Co. News Briefs

Members of the Chamber of Commerce board of directors in a recent meeting voted to create a defense council in Coleman. A committee will study plans for such an organization.

A special meeting of all lumber and material dealers, realtors, architects, contractors and representatives of financial institutions, newspapers and utilities of Coleman and immediate territory was held last week at the chamber of commerce office. A discussion and explanation of all recent changes in the FHA program, particularly as applied to construction and financing of small homes, was held.

The annual Blanton family reunion will be held at the city park at Ballinger, Saturday and Sunday. It has been announced by Jesse T. Blanton, president. Approximately 200 persons attended the reunion last year and 300 or more are expected this time, according to Blanton.

Tentative date for a meeting of the Coleman County Pioneer's association was agreed upon at a meeting of officials of the organization at Coleman last week. It will be held at Coleman August 16.

Between 50 and 75 Coleman County 4H Club boys will attend the Extension Service District 7 encampment to be held at Lake Brownwood this week. The encampment will be held on July 25, 26, and 27. Clubs in Coleman County include those at Shields, Trickham, Whont, two at Rockwood, Leaday, Burkett, Gouldbusk, Brown Ranch, Cross Roads and Anderson.

M. B. Wardlow, Ballinger, director and vice-president of the Coleman Production Credit Association, was elected representative of production Credit interests in the 32 counties served by the Coleman, Midland, Sweetwater, and Stamford Production Credit Associations.

Mr. Wardlow was elected to the position at a group meeting of directors and secretaries in Abilene on July 18 and 19. He will meet semi-annually with the directors of the Production Credit Corporation of Houston for a discussion of problems of Production Credit borrowers. He authorizes the statement that he will be glad to discuss the operations of production credits, with any member borrower or a prospective borrower.

Two changes are announced in the Coleman National Youth Administration area office. Rod Merritt, who has been serving as district counselor, is being transferred to the district office at San Angelo and will assume the title of director of the employment division. Karl Steffins (continued from page two)

Age For NYA is Set at 17

Unemployed boys and girls in Texas who are 17 years of age and need the work experience and training provided on National Youth Administration projects are now eligible for such employment, J. C. Kellam State NYA Administrator said. With the announcement that the minimum age requirement for work on NYA projects has been reduced from 18 to 17 years, approximately 113,000 Texas boys and girls automatically become eligible for NYA employment, provided they are out of school and need a job, Kellam pointed out.

With funds made available, the National Youth Administration in Texas will be able to provide employment for 15,000 young persons at any time, it was explained.

Public's Work Is Noticed

A great improvement in the looks of the Santa Anna Cemetery can be noted as a result of clean-up work Thursday of last week. A large crowd of people, including the WPA director in this division, J. A. Dunlap, and eighteen of his employees worked the entire day without pay. At noon a basket lunch was spread.

Mayor Geo. M. Johnson secured the two city graders, two city trucks and a city pick-up, John A. Williams secured a county grader, and Emzy Brown donated his pick-up for the day's work. The broken water pipe that had been a menace for some weeks was mended by Henry Simmons and J. E. Bolton.

A date will be set for another cemetery working soon. It is hoped that the people in the rural communities who have an interest in the cemetery will be less rushed with the work on their farms and ranches so they will be able to take a part in the work.

Men in WPA employment who gave their services last week Thursday were: Roy Bible, R. A. Modawell, Arthur Vinson, Elmer Simmons, Elmer Hamons, A. C. Hefner, Mr. Warren, Ben Parish Edger Parish, Mr. Carpenter, Frank McCary, Willie Hum, Blackie Hoyt, Dan Wristen, Willie French, Edd Spencer, Oscar Rutherford and Frank Fields (colored).

THIRTY-ONE COLEMAN COUNTY BOYS TO CCC CAMPS

Thirty-one Coleman County boys were taken to Brownwood last Thursday, where they will be sent to CCC camps either at Brownwood lake, Gatesville or Arizona. This makes a total of 170 from this county who are now in CCC camps.

The next enrollment date is set for October. All boys who are interested should call at the office of Frankie Sedwick, Coleman, welfare head, in charge of enrollment. The quota for the enrollment is proportional to the number of boys on the waiting list.

ELECTION RETURNS TO BE POSTED SATURDAY NIGHT

For those interested in receiving election returns Saturday night, the business people of Santa Anna have donated funds for erecting a board on the outside east wall of the State Bank Building.

A room in the Bank Hotel will be equipped for receiving the returns and the information will be posted on the board as received.

LAST CALL FOR SCHOOL TRANSFERS

There are still a large number for scholastics whose grades will not be taught in the home school next year that have not been transferred. If the child is to attend school in another district other than the one in which he was enumerated, the parent or guardian of the child must make application for the transfer at the office of the County Superintendent not later than Wednesday, July 31.

In case a school board is not pleased with the transfer, they may make a written protest to the County School Board not later than August 5. The County School Board will meet Thursday, August 8 to consider protests on transfers. Not only does the Board give a hearing to local school boards, but also to any parent or guardian who wishes to discuss their reason for transferring their children.

Bruce Calvert, commentator: "The earth is our workshop, Universe is our exercise grounds, Life is our opportunity. Let us get busy."

One of the world's greatest uplifters is the alarm clock.

CONSERVATION DISTRICT IS FORMED

Mr. Luke L. Ballard, Chief Field Supervisor of the State Soil Conservation Board, met with the Supervisors of the Central Colorado Soil Conservation District, and completed the organization. Mr. B. B. Fowler, Rockwood, was elected Chairman and Mr. Andy Broyles, Talpa, Vice-Chairman. The Board passed an order making Coleman headquarters of the District, and requested S. W. Cooper to act as secretary. Mr. Ballard discussed the set-up as approved by the State Soil Conservation Board in conjunction with various Federal and State Agencies for operation and development of the district. The Board accepted these outlines as its tentative program. The District Supervisors made request for Water Facilities, technical and other assistance of Soil Conservation Service. They plan to secure reports from the County Land Use Planning Committees of the various counties in the District and have tentatively planned for all day meeting August 19 at which time it is expected that a number of Federal and State agencies will participate with the supervisors in discussion of the program. It was emphasized that the district is a farmers and landowners organization and that they will be called on to formulate and decide upon final program.

Those attending the meeting were: B. B. Fowler, Rockwood; Andy Broyles, Talpa; S. W. Cooper, Cross Plains; M. A. Patterson, Lawn; A. E. Young, Baird; and County Agents present were: Ross H. Brison, Callahan County and D. D. Steele, Coleman county. Others present were: A. F. Vandergriff, vocational teacher, Lawn; L. W. Harvel, head of flood control survey of department of agriculture, Coleman; R. G. Hollingsworth and S. W. Cooper, Coleman.

Eight new Dodge trucks, assigned as permanent equipment to the Service company 142nd infantry, by the quartermaster corps of the army, have arrived in Brownwood and will be unloaded soon, Captain Bland Harper, commanding officer of the service company, said. The trucks are the first received by a local national guard company, although the service company already had a station wagon as part of its equipment.

RECREATION NEWS

For the past week classes in handcraft, under the supervision of Mrs. Rena Dibrell of the Recreation Department, have been very large. Crystal painting for the youngsters never grows dull. All shapes and sizes of glass are brought to the building, where Arthur Shuffield cuts it for pictures. Glass from broken windshields and various other sources is used.

A. L. Lewellen, supervisor on Weaver Park from 9 to 2 each day, usually has chiefly boys on the grounds, but recently a group of small girls brought their dolls and Lewellen played a new part on the program supervising a doll party. Mrs. Vestal Wilson, supervisor of the park this week from 2 to 5, has a nice mixed group. Parents are urged to bring their children to the parks where they will be carefully watched at all times. The parks are open.

Children are really enjoying the wading pool during warm weather. Mrs. Virginia Bryson and Reynold Buse supervise the park during the hours of 1 to 6 o'clock. We hope all the children come out and enjoy the play at the wading pool park.

The croquet team from the wading pool park has been losing points to the Weaver Park team. The last game of the three-weeks tournament between the two teams will be played Saturday.

Mrs. Chas. Oakes, art teacher, has been added to the Recreation Staff. The public is invited to take this opportunity to learn art. Mrs. Oakes will have her classes at Mrs. Luther Abernathy's home, one block west of the Presbyterian church, each afternoon from 1 to 7, Monday through Friday. If interested in art, please see Jean Irick, manager, or report to the studio.

Guitar classes are held Wednesday mornings, 9 to 12.

MISS JETTIE KIRKPATRICK MADE CITY CLERK

At a meeting of the city council last week, Miss Jettie Kirkpatrick was elected city clerk to fill the vacancy caused by the death of Miss Grace Mitchell. She started her duties Monday of this week.

Construction work on a new \$10,000 building for the Southwestern States Telephone Company is scheduled to begin this week. O. V. Lemmons of Brownwood (continued from page three)

Heart o' Texas News Briefs

Brownwood's life-and-death struggle maintained a good balance in favor of life over death during the first seven months of 1940. In fact the odds were slightly more than 2 to 1 for living.

Here in the heart of Texas far from war-shattered England, two English boys may find a home. A refuge has been offered the lads; 10 and 12 year old sons of Mr. and Mrs. Cyril Peasegood of Ferring-on-Sea, Sussex, England, by Mr. and Mrs. Frank E. Noad of Brownwood. The Noads, natives of England and friends of the Peasegoods, offered to take the boys in when their father wrote asking if they could be taken care of, provided passage was arranged to the United States.

The first clothing quota of the production committee of the Brown county Red Cross chapter has been finished and is being packed for shipment to headquarters in St. Louis. The quota consisted of 23 women's dresses, ten girls dresses, ten boys shirts, ten small boys suits, twenty baby layettes, twenty doctors garments and ten hospital bed jackets.

Eight new Dodge trucks, assigned as permanent equipment to the Service company 142nd infantry, by the quartermaster corps of the army, have arrived in Brownwood and will be unloaded soon, Captain Bland Harper, commanding officer of the service company, said. The trucks are the first received by a local national guard company, although the service company already had a station wagon as part of its equipment.

Brown county tax collections for the calendar year 1939 exceeded those for the calendar year 1938 by \$12,944.88, insofar as collections for county purposes were concerned.

With presidential approval given this week for construction of a new school building at Rochelle school officials in the district this week were awaiting work order for beginning of actual construction on the project. The grant is for \$38,281, including a new building, a heating plant and other improvements. The school district last spring voted a \$26,000 bond issue to match the WPA funds. The proposed new building, on which it is hoped work can be started immediately, will be one of the finest in this section of the state.

Contributions by Brown County people to the war relief fund of the national Red Cross now total \$1,635.25. This amount is \$605 under the doubled quota of the county organization, but is \$615 more than the original quota of \$1,220 set by the national organization when the war relief drive began several months ago. It is expected that with the coming of winter the need for Red Cross funds will be increased, due to conditions in war-torn Europe.

The city of Brady tax rate for 1940 was levied at \$1 per \$100 valuation at the meeting of the Brady City Council. The rate is the same as that of the past three years. The city council announced that a list of the delinquent taxpayers and the amounts due the City of Brady in back taxes, will be published the last week in July.

Three members of the Rochelle Future Farmers chapter received their Lone Star Farmer degrees and gold keys at the annual convention of Texas Association of Future Farmers held at Houston last week.

To date, McCulloch county residents have contributed a total of \$1,256.40 toward American Red Cross war relief.

Construction work on a new \$10,000 building for the Southwestern States Telephone Company is scheduled to begin this week. O. V. Lemmons of Brownwood (continued from page three)

LOOKS LIKE FOR IS SLATED for a third term if Willie is unable to whip the U. S. Treasury. For the past four or five years every effort has been bent to line up a Treasury-supported vote that would enable the New Deal to take over the government a la totalitarianism.

THE ROLE OF LABOR IN national defense is a topic which is causing much thoughtful discussion these days. And labor's best friends have come to the conclusion that it, no less than capital, must make sacrifices in the interest of liberty.

IN A RECENT EDITORIAL, the Lansing, Michigan, Journal, said: "Public attention has been directed to the disbursement of what is termed the primary school money. That money is chiefly derived from taxation of railroads. Not so many years ago there was a popular fiction to the effect that the railroads could pay anything the state demanded."

Delicious Nourishment

Milk from Todd's Dairy is tasty and nourishing in its natural state - but sometimes there are "rebels" among children and grown-ups who object to being served milk as a drink. To these rebels we recommend strawberries with milk or cream as one of the many ways to include Milk in the diet. Try it today. Grownups who object to being

Todd's Dairy Santa Anna

But "The Masses" were not so foolish, after all!

LESS LOUDLY NOW, you may still hear an occasional agitator blasting away at the American system of business—which depends on big factories, big networks of dealers, trade-marked goods, heavy advertising, and low prices.

Agitators complained for years that "the masses" were injured by this system, and that we'd all be richer if we went back to the old cracker-barrel days.

But in spite of the complaints, little factories which have made dependable goods grew into big factories. Dealers insisted on having trade-marked goods which their customers could recognize. And the heavy advertising helped to give us our modern newspapers, magazines and radio.

Who built this system? The masses built it, by insisting on crackers they could recognize in the package, on automobiles, soups, soaps, chewing gum, cigarettes, and all other articles that carried well-known trade names. So the agitators have had to pipe down. They have discovered that "the masses" were not so easy to lead astray after all. Courtesy Nation's Business

Mrs. Roy West and Mrs. Loyd Bronning were visitors in the W. S. Wright home Sunday evening.

Mr. and Mrs. D. C. Neal held open house to their friends Tuesday afternoon. This was their golden wedding anniversary.

Men who have been too proud to beg and too honest to steal, have been known to borrow and forget to pay.

BROWNWOOD BRICKS ARE RUSHED TO NEW FACTORY ON COAST

Up to last week end, 1,302,000 bricks made in Brownwood had been shipped out for use in constructing facilities of the huge Dow Chemical company plant to be erected on the Texas Gulf coast near Velasco. The order was for 8,000,000 bricks—largest ever given a Texas firm.

The Texas Brick Company of Brownwood is also furnishing bricks for a great plant of the American Smelting company at Amarillo. This plant is taking more than its regular quota of bricks during the present year. The firm has been serving the smelting company for a number of years.

Judge E. J. MILLER

ASKS RE-ELECTION TO THE OFFICE OF DISTRICT JUDGE

35TH JUDICIAL DISTRICT OF TEXAS

TO THE VOTERS OF THE 35TH JUDICIAL DISTRICT

Official duties kept me in Court until July 15th and denied me the opportunity of seeing many voters. Since my ideals of service and my record are well known, I am sure your vote will not be influenced by my inability to personally solicit your support.

The office of District Judge is too important, its requirements too exacting, and its responsibilities too great, for you to determine your vote upon matters of minor importance. I have had 35 years of close study, successful practice, and judicial experience since I began the practice of law, and no one has questioned my qualification, adaptability to the work, or my devotion to duty. I have expedited business, cleared the dockets, and materially reduced court expense. Lack of criticism indicates that my services have been satisfactory, and my record is much above the average.

The constitution, statutes, and experience all favor long terms in judicial office. The average in Texas is about 20 years, and in this district only two men hold office of the 30 years' immediately before my election. It is a waste of time to throw out a judge, who is so far ahead and will continue to give to the one with less than half the training, study, practice, and experience. The only reason to change the incumbent is to PASS THE OFFICE AROUND to a younger man, who will give me a trial.

My opponent has held, in succession, the offices of City Attorney of Santa Anna, City Attorney of Coleman, County Judge for two terms, and district attorney for three terms. Is not this a rather liberal PASSING AROUND of official favors to him? He could have continued in the latter office without opposition, and his 6 years experience qualified him to render valuable service in that capacity. That office pays four-fifths as much salary as that of district judge, and leaves free one-half the time for private practice, while the judge is not permitted to engage in, and has no time for, private practice. My opponent has refused this opportunity for further good service.

I hope my qualifications and record may appeal to your good judgment. You owe me nothing, but I owe you a debt of gratitude for past consideration and support. Under the above facts are you under any obligation to my opponent?

In a democracy every voter owes it to himself and his country to vote for the person whom he thinks qualified and fitted to render the best service. When you have done this no one will have cause for complaint, and I will continue,

Gratefully Yours,
E. J. MILLER

Oil Briefs

Robertson & Bradford of No. 1 J. P. Morris in the northwestern Coleman County has been completed for a flow of 365 barrels of oil in 18 hours following a 30-quart nitroglycerin shot from 3,500-81 feet. It is 467 from the south, 18 feet from the east line to J. N. Ratliff survey 4.

The same operators' No. 1 Mrs. L. C. Gillispie, 467 feet out of northwest corner of F. M. Taylor survey 116, topped the Gardner sand at 3,655 feet, seven feet higher than in Robert McKissick's No. 3 Morris, which it offsets. Robertson & Bradford No. 2 J. P. Morris, 467 feet out of the southwest corner of J. N. Ratliff survey 4, had drilled to 1,400 feet.

States Oil Corp. No. 3 J. P. Morris, 1,357 from the north, 955 feet from the west line of section 176-2-GH&H, had reached 3,350 feet. Robert McKissick No. 4 J. P. Morris, 1,027 from the north, 3,107 feet from the east line of section 176, had drilled to around 3,500 feet.

Robertson & Bradford staked No. 2 Mrs. L. C. Gillispie, 467 feet out of the southwest corner of F. M. Taylor survey 116.

TEXAS SOIL HAS ABOUT 550 KINDS OF NATIVE GRASS

Excellent fertility of Texas soil and the wide variety of palatable grasses have provided one of the most economical livestock producing regions in the world, according to State AAA office.

About 555 species of native grasses are found in Texas, approximately one-half the total of 1,200 species found in the United States. There are within the bounds of Texas, representatives of the 13 of the 14 great tribes of grasses found in the nation, indicating the large variety resulting from the wide range of climate and range conditions.

Three-fourths of all species of grasses found East of the Rocky Mountains are found in Texas. The mesquite and grama tribes of grasses have probably been the greatest economic consequence among the native wild

Trickham News

The revival meeting, which is progressing nicely, will end July 28, with dinner on the grounds. Everyone is invited to attend the rest of the services and prayer groups.

There were 146 present at Sunday School Sunday. The goal for next Sunday is 175.

O. L. Stacy is visiting with his parents, Mr. and Mrs. Walter Stacy. O. L. is from Virginia.

Mrs. J. H. Martin gave a birthday dinner Sunday in honor of her son, Felton. A group from his Sunday School class attended and reported a nice time.

Guests of Pat and Garner McClatchy Sunday were five small boys.

Frances James and cousins visited Vada Talley Sunday.

Edith Goodgold and Mydena Talley visited Jessie and Pearl Geick.

Mrs. W. D. James was called to her sisters at Brownwood Tuesday. Her sister passed away

grasses covering North-western Western and South Central Texas. They have been of inestimable value to the livestock men.

The ranchmen in some sections of Texas today are confronted with the encroachment of noxious plants and weeds, many of which are of little value, and some of which are even poisonous to livestock.

The AAA program, through its numerous practices, is designed specifically to assist the ranchmen of the country in their efforts to control erosion and obtain the greatest degree of conservation.

before Mrs. James reached Brownwood.

Visiting Mrs. W. D. James Sunday were Mr. and Mrs. Harley Starnes and family, Mr. and Mrs. Charles Bowden and Ruby Mae, Mr. and Mrs. Gene James and family, Wayne Mathews Brownwood, Mr. and Mrs. Ben James and family and Mr. and Mrs. Holden of Colorado City.

Mrs. Jess York who has been ill is now reported doing nicely.

Visiting Mr. and Mrs. Whitley and son this week is Mary Frances Releford of Coleman.

Wilma Tee Bryce of Brownwood is visiting her grandparents, Mr. and Mrs. Reed and aunt, Mrs. Jess York.

Guests of Julian Whitley Sunday were Mary Frances Releford, Joan McOver, Darrel Downs, Wilma Tee Bryce and Dayle Nolan.

Willie Norman Cozart visited Eugene Talley Tuesday.

Mrs. J. V. Kingston visited in the L. H. Geick home Tuesday evening.

Visiting Mydena and Vada Talley Tuesday evening was Jessie, Pearl, and Alton Geick.

The following are pastors represented in the meeting, J. H. Martin, Trickham, Bro. Wylie Santa Anna; Bro. Burgett, Santa Anna and Bro Sanders of Mt. Vem, who is leading the singing. Brother Smith, Baptist pastor of Santa Anna is conducting the meeting.

Mary Burney of Mukewater visited in the L. E. Page home Tuesday morning.

O. L. Stacy spent Sunday night in the Tom Stacy home and with Mr. and Mrs. M. Ford Saturday morning.

FOR DISTRICT ATTORNEY, 35th District of Texas

HOWELL E. COBB

Of McCulloch County

The 35th Judicial District has been organized for 53 years. During the course of these more than fifty years McCulloch County has never had an officer in this district. Judge Cobb now has the same legal training and experience as the past two district attorneys, who have served the district, both of whom were elected to this office while serving the second term as county judge of Coleman County, the same capacity in which Judge Cobb now serves in McCulloch County. If you believe this training qualifies Judge Cobb to hold the office of District Attorney, he will appreciate your vote in the election.

FOR SALE: GOOD HOME IN A POOR TOWN!

ACTUAL VALUE \$6,000.00; WILL SELL FOR \$3,000.00!

Did you ever see an advertisement like this? No. Not exactly, but some advertisements mean as much. Your attractive, comfortable home, that you have probably spent years in efforts of labor and savings to build has a valuation, that valuation is derived from its location and depends on the wealth of its location. A nice home costing \$6,000.00, constructed and erected in a desert away from any center of business or wealth, would be of very little value to anyone; on the other hand, the same home in a progressive community, with good business will be worth many times its cost to the owner. So if your home is in a dead town its valuation is smaller, but if your home is located in a live town with good business supported by its local citizens its value is greater. This case does not only apply to city properties, it is an established fact that it effects rural sections in the same manner. Trade with your local firms—make business good for them and you make business good for yourself as well as benefiting from the full value of your investments.

Church Societies

COLEMAN COUNTY BAPTIST W.M.U. TO MEET HERE

The Coleman County W. M. U. will meet in Santa Anna, at the First Baptist Church, August 1, in a Stewardship and Young People's meeting. The meeting will begin at 9:30 a. m. and continue throughout the day.

Mrs. J. H. McClain, State Stewardship Chairman, will be with us and will teach a book on "Stewardship" and Mrs. Chas. Sivells, district W. M. U. president will bring an inspirational address. An interesting program has been arranged. It is desired that each W. M. U. in the association be represented with a large number of ladies and young people of all ages. If you do not have any Young People's organization, bring young people anyway.

Signed—Mrs. S. R. Smith, Director of Young People's work.

GLAD HAND CLASS

Fourteen ladies were present last Sunday morning in the Glad Hand Class with Mrs. Chap Eeds teaching the lesson. We were glad to have Mrs. Tom DeArmon and Mrs. Sam Eddington with us after an absence of several weeks because of illness. Mrs. Curtis Collins, Mrs. L. F. Harding of Coleman and Mrs. Robert Smith of McCamey were welcome visitors.

We are glad to report to our members that Jib Bob Gregg's condition has been steadily improving for several days.

Baptist Revival At Liberty Begins Friday

Rev. J. C. Masseege announces that a ten-day revival will be held at the Liberty Baptist Church, beginning Friday night, July 26. Services will start at 8:15 each evening. Mr. Robert Barnett of Brownwood will direct the song services. The Rev. Masseege will speak on, "A Bible Kind of Revival and How To Have It," Friday night. The public is invited to attend all of the services.

Deaths

MRS. G. P. ENGLAND

Funeral services for Mrs. G. P. England, who died Monday morning, July 22, were held at the first Baptist Church at 3:30 Tuesday afternoon with the pastor, Rev. S. R. Smith, officiating.

Mrs. England, nee Leona McGahey, was born, Oct. 17, 1875 in Pickens County, Alabama and moved to Texas in December 1884. She was married to G. P. England Feb. 27, 1900. To this union six children were born, one daughter, Miriam, having

ELECT W. A. (Bill)

STROMAN 119th. District Attorney

His Aim: Constantly on the job to render fair and impartial service in an efficient and vigorous manner to the end that justice will prevail and the laws be respected.

preceded her mother in death. At an early age Mrs. England became a member of the Presbyterian church. Later she joined the Baptist church and remained a consecrated member until her death.

She is survived by her husband and the following children: Ralph, Melvin and Robert Logue, sons by a former marriage; Fred England, Ernest England, Miss Pauline England, Santa Anna; Mrs. Roy Newman Dallas; and Byron England, Galveston. Four step-children, Mrs. Myrtle Knight, Mrs. Giff Boyd, George England and Nick England, two brothers, a sister, Mrs. Sallie Langston, and a half sister, also survive.

Pall bearers were Ozro Eubanks, Oscar Cheaney, Emzy Brown, Will Ragsdale, E. M. Hickman and John A. Williams. Honorary pall bearers included V. L. Grady, Ed Traylor, A. L. Rowe, Jim Newman, B. T. Vinson and W. T. Verner. Flowers were handled by Mesdames Loyell Richardson, B. A. Parker, Jimmie Daniel, Ofis Bivins, Pierre Rowe, Dinnis Smith, J. P. Williamson, Homer Vinson and Miss Vera Horner. Burial was in the Santa Anna cemetery, with Hoshch Funeral Directors in charge of arrangements.

CARD OF THANKS

We wish to express our sincere gratitude to friends and neighbors for their sympathy and help during the illness and at the death of our loved one, J. W. Dillingham.

Mrs. John W. Dillingham Mrs. Martin West Richard Dillingham Edward Dillingham Jack Dillingham

CARD OF THANKS

May God's richest blessings be bestowed upon the many friends for their kind deeds, words of sympathy and floral tributes during the illness and loss of our dear wife and mother, is the sincere prayer of G. P. England and Children

H. D. C. News

Santa Anna H. D. Club News

"The successful family is a cooperative group where each is interested in all and all in each," stated Mrs. John Newman when she gave the program on "Living Together in The Family" in a meeting of the Santa Anna Home Demonstration Club, Friday afternoon, July 19, with Mrs. H. L. Lackey, hostess. The child deserves an opportunity to learn about and to share in all the plans for running and maintaining the home. This will develop self confidence, responsibility, pride and independence. Mrs. Newman pointed out.

Mrs. J. K. Harrison presided during business session in the absence of the president, Mrs. L. V. Stockard.

Mrs. Fred Rollins was made chairman of the food committee for picnic supper entertainment night August 9, to be held at Coleman Park. Mrs. John Newman is committee chairman for the parade exhibit during the Santa Anna rodeo.

Mrs. J. K. Harrison reported

59 mattresses made to present date. Splendid cooperation has been shown by each group participating.

Mrs. R. F. Watson gave as a part of the report from the trip to A&M short course, "The needs of a people in a democracy" She also gave interesting facts on "Land Use Planning Program." At the August meeting she will comment on "Frozen Foods and Freezer Lockers, Landscaping Programs and other work the extension service is doing.

Ten members were present for the meeting. The hostess served iced melon for the social hour. Mrs. Fred Rollins will entertain the club at her home on Friday, August 16.

Buffalo H. D. Club News

Mrs. Marvin Williams was hostess to the Buffalo Home Demonstration Club Friday, July 19 at the Home Making Cottage.

Mrs. Gladys Harding recently returned delegate from Short Course gave a report on her trip and displayed leaflets, bulletins and illustrated material. Members arranged to order some of the leaflets as the ones on "Window Curtains" "Make Your Own Rugs" and "Frozen Deserts."

Beatrice Williams, Buffalo 4-H Club girl who went to Short Course, gave an outline of her trip and sang the 4-H Club song.

Erline Coker led the group in recreation. Sliced watermelon was served to nine members.

On August 2 the club will meet at the cottage for a series of programs on "Family Relationship." Visitors are always welcome.

KIDNEY STAGNATION IS WORSE THAN CONSTIPATION!

Because We Treat Constipation at The Caset, While We Neglect Our Kidneys Indefinitely

No other organ in your body is of more importance than your kidneys. For in your kidneys there are nine million tubes which must work day and night to filter the fluids and keep the system free from wastes, acids, poisons which, if permitted to remain, may cause serious kidney and bladder troubles.

It is no wonder then that Nature offers calls for help to clean out the kidneys. So if you are troubled with Getting-Up-Nights, Leg Pains, Backache, Nervous Headache, Dizziness or Loss of Energy, due to functional kidney disorders, try KIDANS, the famous kidney remedy, which aids Nature to flush out the kidneys, to filter all wastes, to prevent kidney stagnation.

KIDANS is Safe and Reliable. Thousands report entire satisfaction. Taken according to directions, KIDANS will give you quick results. Try KIDANS. Buy it at our Special Price Offer on two boxes. Use the bottle. If not satisfied, return unopened box and GET YOUR MONEY BACK.

READ THEN ACT YOUNG WOMAN, YOUNG MAN,

Our National Defense Program is getting under way and it is causing our young people to not only think about their patriotic duty but to think of their self protection. The younger boys and girls will be needed in offices just as soon as they can thoroughly train. The older ones, if drafted will, if properly trained for business, be used in offices of the War Department and in officers headquarters of the Army and Navy. This to most young men is far more satisfactory than having to go out on the firing line to eat machine gun bullets. Many of our young men who had trained for business prior to the World War came back thankful they had attended Byrne College and qualified themselves to do secretarial and clerical work. It will require thousands of young men and women to train immediately in commercial work to help round out our National Preparedness Program, but regardless of this gigantic program, business now demands more of our graduates than we are able to supply. We do not have a single young man or young woman who has recently graduated on our employment files.

Under present conditions you cannot make a mistake in attending Byrne College and School of Commerce and thoroughly qualify for a good position in business or with the government in Civil Service or in the new Defense Program.

Our College, in order to show its patriotism is offering a more extended credit plan than usual to those who are not in a position to take advantage of our cash discount plan. Our cash and credit plans are so worked out there is but little need of any ambitious boy or girl neglecting their patriotic duty or their duty to themselves in winning their future independence in business regardless of the Preparedness Program.

Write for our special plan to meet the National Preparedness Program. Give us the facts about yourself and ask for facts about our courses of study, our ability to place you, the time it will take to complete and our cash discount and time-payment plan. In the meantime, come to our office if possible, have a friendly visit and let us talk over the whole matter of your future plans. Your coming will place you under no obligations to make an enrollment. Our vocational consultations are free. You will be well repaid for your visit if in no other way but to learn just what our streamlined, Audio-Classified Unit System of teaching is and why it enables us to give the most thorough courses possible in about one half the usual time and at less cost.

Fill in and mail for particulars. Your Name Address

Byrne College and School of Commerce, Dallas, Texas.

Miss Beth Barnes Wins Vassar Scholarship

Miss Beth Barnes, summer student in Vassar College at Poughkeepsie, N. Y., this week was granted a scholarship for work done in the last session, which takes in one full week's work. To receive the honor, she was selected by the faculty for having the highest number of grade points and for being the most outstanding student of the campus.

Miss Barnes is taking the full course in Euthenics offered by the college this summer. Each week one phase of the course covering personality development, dressing according to type of personality, home decoration, household budgeting, etc., is studied and completed.

During weekends she has visited a number of places of interest. One week she went to Hyde Park and attended church at the Roosevelt church and last weekend she visited Coney Island.

Let's elect John Williamson county attorney. It is his time to be given a chance to serve. He will appreciate it. Adv.

AMERICAN BOY MAGAZINE COMPANION TO THOUSANDS

Hundreds of thousands of boys and young men read THE AMERICAN BOY Magazine every month and consider it more as a living companion than as a magazine.

"It's as much a buddy to me as my neighborhood chum," writes one high school senior. "THE AMERICAN BOY seems to understand a boy's problems and considers them in such a sympathetic and helpful way. It gives advice and entertaining reading on every subject in which a young fellow is inter-

ested. It is particularly helpful in sports. I made our school basketball team because of playing tips I read in THE AMERICAN BOY."

Many famous athletes in all sports credit much of their success to helpful suggestions received from sport articles carried in THE AMERICAN BOY Magazine. Virtually every issue offers advice from a famous coach or player. Football, basketball, track, tennis, in fact every major sport is covered in fiction and fact articles.

Teachers, librarians, parents and leaders of boys clubs also recommend THE AMERICAN BOY enthusiastically. They have found that as a general rule regular readers of THE AMERICAN BOY advance more rapidly and develop more worthwhile characteristics than do boys who do not read it.

Trained writers and artists, famous coaches and athletes, explorers, scientists and men successful in business and industry join with an experienced staff to produce in THE AMERICAN BOY, the sort of reading matter boys like best.

THE AMERICAN BOY sells on

most newsstands at 20c a copy. Subscription prices are \$2.00 for one year or \$3.50 for three years. Foreign rates, 50c a year extra. To subscribe simply send your name, address and remittance direct to THE AMERICAN BOY, 7430 Second Blvd., Detroit, Michigan.

The reason poor Adam never got very far in society was because he had no ancestors.

When a man gets too old to get a bad example, he starts giving good advice.

Golden Wedding Anniversary Observed By Mr. and Mrs. D. C. Neal

Celebrating their fiftieth wedding anniversary, Mr. and Mrs. D. C. Neal entertained with open house at their home a few miles north of Santa Anna Tuesday afternoon, July 23, from three to six o'clock.

A large canopy was erected on the lawn where guests registered and were served tea and cake during the afternoon by Mrs. Jack Casey, assisted by Mrs. Francis Freeman, Catherine Brannon and Dorothy Freeman.

Old-fashioned flowers were used attractively and the Farnen twins entertained with southern melodies.

Guests who called during the afternoon were: Mrs. Jack Casey and son, Larry, Fullerton, Texas; Mr. and Mrs. Bob T. Shelton, Cornersville, Tenn.; Mr. Phillip Shelton, Athens, Ala.; Mr. William Shelton, Pulaski, Tenn.; Mrs. Mollie Odneal, Pulaski, Tenn.; Mrs. Will Butler, Howe, Texas; all brothers and sisters of Mrs. Neal, Mr. and Mrs. Geo. Butler, Ardmore, Okla. Mr. and Mrs. Otis Butler, Mr. Gordon Butler, Mrs. Nina Davis and daughters, Geraldine and Billy, all of Howe, Texas; Mr. and Mrs. C. H. Hurt and daughter, Kay, Francis, Decatur, Ala.; Miss Josephine Shelton, Pulaski, Tenn.; Mrs. A. A. Davenport, Gainesville, Texas; David Neal, Mr. and Mrs. Neal Oakes, Leon Oakes, Kathryn Brannon, Mrs. J. S. Oakes, Fra McClellan, Mother Garrett, Mrs. J. R. Gibson, Mrs. Kit Casey, Thelma Casey, Ouida Casey, Mrs. Alpheus Boardman and Nita Marie, Mrs. E. K. Blewett, Rev. and Mrs. E. H. Wylie, J. M. Oakes, Mrs. A. K. Grimes, Mrs. Jao H. Burden, Mrs. W. W.

Stephenson and Vernetta, Mr. and Mrs. G. O. Herring, Miss Ola Roberts, Mrs. Sam McCrary and Jane, F. P. Brussenhan, Mr. and Mrs. George Richardson, Mrs. Payne Henderson and Doris Mrs. Roy West, Mrs. R. L. Freeman and Dorothy, Mrs. S. W. Childers, Mr. and Mrs. Curtis Collins, Mrs. J. W. Johnson, Miss Mamie Turner, Mr. and Mrs. Albert Dean, Ruth and Ray, Mrs. Eula Allen and Don, Mrs. R. B. Archer, Mrs. J. B. Craig, Lucy Price, Mrs. Lester Newman, Mrs. Emzy Brown, J. J. Gregg, Jimmy and Eddy Farren, Santa Anna.

Mrs. R. C. Rainey Honored

Mrs. J. V. Griffith entertained with a gift party, honoring Mrs. R. C. Rainey, at her home Thursday afternoon of last week. Assisting the hostess were, Mesdames William Price and Odie Griffith.

Zinnias, roses and other summer flowers formed attractive floral decorations for the home. After a series of games and contests, gifts were presented the honoree which she graciously accepted.

During the refreshment hour the hostesses served punch and chocolate cake to Mesdames Fred Brussenhan, Willie Wheat, Neely Evans, Manly Blanton, Sid Blanton, John Perry, Sam McCreary, Elliott Earl Woodward, Buster Woodward, Loyd Price, Roy West, Dood Henderson, son, Kit Casey, M. M. Sheffield, Mary Rainey Versher, Misses Dorothy Wheat Ouida and Thelma Casey, Jimmie Sue Henderson, Deanna West, Billie Joyce Woodward and the honoree.
