SANTA ANNA, COLEMAN COUNTY, TEXAS, FRIDAY, OCT. 25, 1940

NUMBER 43.

This Week in Our Town

CLOSE—A majority of our merchants will close their doors this afternoon from 2:30 to 4:30. As the committee was crowded for time it was not possible to contact every business firm in town. Nevertheless, the impartial cooperation and support of the town is being solicited in this news item. At least one representative from each business firm is expected to come out for the game between the Santa Anna Mountaineers and the Brownwood team. This is Santa Anna's only afternoon game this season. Admission will be a nickel for grammar school, a dime for high school and a quarter for adults.

DOLLAR DAY—was a real success. The merchants and customers were well pleased with the results. Sales were generously increased. Not only did the bargains make a hit, but the other merchandise that was not reduced in price was sold in greater quantities. Some doubled their usual Friday and Saturday sales. Other advertisers reported that Dollar Day was just like a Christmas rush. Be on the lookout for the announcement for next month's bargains when the Chamber of Commerce will promote another Dollar Day.

SHOOT!—Mrs. Dibrell is advertising a Remington magazine shotgun which she will sell at a bargain to any nimrodly inclined denizen of these here parts of West Texas. The previous possessor-user of this piece of artillery added a home-made "detachment" or something so that only three shells could be in the gun at one time in order to keep game wardens jovial.

HOUSING?—Anent the talk of housing shortage over at the military city east of us, a big truck passed through town last week-end with a couple of those WPA reading rooms that might have been rented by the month at fifteen or twenty dollars, according to the scale of rentals now in vogue over there.

UNWISE!—The first intimation reaching us that local citizens were smoking the pipe came up Tuesday afternoon when a little girl enquired, for her mother, if there were any apartments to rent in town. There are doubtless a number of homes where a furnished or unfurnished apartment can be secured. It is decidedly unwise to raise rents here because of something 20 miles away after the town has for two years been crying for occupants of rooms and apartments. Too, the town will be better off financially at regular rates. Raise rents, start a fools gold boom and get your taxes raised. Better plenty business at regular prices than boom prices without anything to support it.

SIDEWALKS.—The City of Santa Anna has passed an ordinance to enforce the construction of sidewalks, curb and gutter along several blocks of residential and commercial properties in the city. The work is badly needed and most of the property owners agreeable, but a few objected, sufficient to prevent the carrying out of the WPA project in the city.

PARACHUTISTS.—Arch Hunter, John Payne and Art Turner are said to be preparing to "jine up" in the aviation corps of the army, seeking assignment to the new parachute section. The vets claim their knowledge of the army, flat feet and aversion to KP duties qualify them to fill the bill to perfection. Overby, Burris and Presley will probably enter marine aviation and see the world if we enter a war.

MISTAKE!—Ozro Eubank did a mile in umpteen flat Friday to get us to set him right with the "wooly"-owners of the district. By accident we had reported a wool sale by him at 24 plus, and that set the "wool farmers" on Ozro's trail. The price received for the wool was 34 plus. Wool growers be advised! We don't want to be responsible for Ozro having to dodge into alleys or (continued on page 5)

Brain Trust Estopt From Pseudo-Confiscation Activities

A Federal court decision, giving needed protection to the millions of people who have invested their savings in utilities property only to see its value endangered by threats of public ownership confiscation, recently was handed down in the State of Washington which forces payment of a fair price for any part of a utilities system taken over by government agencies. Local authorities regard it as having potentially great importance, according to news reports.

It was held by the court that a utility company is entitled to a severance damages when it is compelled to sell a portion of its system to a public utility district. In the case on which the court rendered its decision, the public ownership promoters involved must pay \$5,000,000 for properties they tried to force the private company to sell for \$3,000,000.

"It is obvious that the value of any part of an integrated utility system cannot be accurately judged by the worth of the physical property it represents," it is pointed out by the decision. "Instead, the value must be established in its relation to the whole system if it is to be fair and equitable."

In other words, "the mere money value of the distribution lines serving the city are no arbiter of their worth to the utility as a whole."

One technique of the power socialists, it was recalled, "has been to force private utilities to terms, at low prices, and without severance damages."

It is expected that, in the interest of fair play, to say nothing of the welfare of the millions of people who actually own the utility properties, that the Washington decision will do away with a gross injustice.

AGRICULTURAL ASSN. TO BE FORMED

A meeting will be held next Monday, Oct. 28, at 7:30 p. m. of all Agricultural Workers in the county for the purpose of forming an Association of the various agencies. The object of this organization will be to promote closer cooperation through a better understanding of the programs and purposes of the various groups engaged in promoting agriculture. Similar associations have proven of great benefit in other counties in unifying the work and thus making it more effective throughout the area it serves.

Coleman County is fortunate in being served by many groups who are specialists and trained to serve in their particular line of work. The many services offered to the farmer through the state and federal government are available through these agencies. Such groups as the Vocational Teaching Department, the Farm Security Administration, Soil Conservation Service, REA and Flood Control, the AAA, the Extension Service, the Production Credit Assn., the National Farm Loan Association, the Central Colorado River Authority, C. of C. and other groups are making a direct and beneficial contribution to the agricultural welfare of the county.

All members of the above groups or other agricultural workers not mentioned are invited and urged to be at the meeting.

A special program is being prepared jointly by W. E. Melton of the Production Credit Association and Robt. Wood of the N. F. L. Assn. At each meeting one or more groups will be in charge of the program.

Fire Prevention Week Observed

Fire prevention week was observed here October 20-28. The Lions Club joined the fire department in arranging a program and prizes are to be awarded for best prevention posters made by students in the grade school.

D. D. Byrne, O. L. Cheaney and W. B. Griffin have been appointed by R. H. Spencer, Lions president, members of the committee to judge the posters.

Mukewater Hallow'en Carnival

The Mukewater PTA is sponsoring a Hallow'en Carnival, Wednesday night, October 30. You are cordially invited to come and join the "Spooks" in their fun. A prize will be given to the person with the best costume.

Oct. 28th Initiates 120 Day Scholastic Attendance Period

The Coleman County School Board has set Monday, October 28, as the date for the beginning of the 120 days attendance period required by law of every child in the common school districts of Coleman County. This applies to every child who is seven years and not more than sixteen years of age unless such child is exempt from the requirements by law because of the distance from school if a school bus route is within 2 1/2 miles from his home.

In part the compulsory school law is as follows: "Any parent or other person standing in parental relation upon conviction for failure to comply with the provisions of this law shall be fined for the first offense five dollars, and for the second offense ten dollars, and for each subsequent offense twenty-five dollars. Each day that said child remains out of said school after said warning has been given or after said child has been ordered in school may constitute a separate offense."

The principal or superintendent of each school is required to send the name of any family or families whose children are not enrolled in school by Monday, October 28 to the office of the county superintendent. These names will be turned over to Mr. Futch of Coleman who has been employed by Coleman County Commissioners' Court as Attendant Officer and Probation Officer for the County.

The county superintendent wishes to ask the cooperation of the teachers and patrons in seeing that all children in Coleman County be given the opportunity of attending school.

CEMETERY BOARD MEETS

The Cemetery Board met with Mrs. Clinton Lowe Monday evening and decided to call for another public working sometime during the first week in November. The date will be announced later. A good clean-up now will show its effect for a longer period as cold weather will hinder young growth.

Plans were discussed for the employment of a caretaker as soon as possible.

The following financial report was made: Balance on hand, \$3.00; payment for feeding Lions Club \$27.00; donation from Lions \$4.00; Mrs. Birdie Gehrett, \$2.50; Miss Luella Chambers, \$0.50; Durard Wilson, \$6.00; Sam Collier, \$5.00.

The copying of the ledger by Miss Dora Kirkpatrick and the material for the map from Mr. Williams of Burton-Lingo was acknowledged with thanks.

Several "old-timers" have returned half-lots which are for sale.

The Cemetery Board is depending on the support of the town in the drive for subscriptions for the Holland's Magazine.

SPORTSMEN'S CLUB NAMES FEW SPECIAL COMMITTEES

Secretary Doc Brand reports that the Sportsmen's Club executive committee met on the 10th instant and Pres. Bowman named the following special committees:

Fish—Neal Oakes, chairman. Doves—D. O. Lane, chairman. Quail—Newman Upton, chairman.

Lake Road—Vernon Parker, chairman.

A number of worthwhile propositions were discussed by the board and a meeting of the club called for Thursday night, Oct. 31st, at the city hall.

Honorary memberships were issued to Messrs. and Mesdames J. L. P. Baker and Fred Rawlins.

Turkey Co-op Sales Manager Reports 300,000 Eggs Sold

The Secretary of the local Turkey Association, recently received a report from B. T. Wyle, association's sales representative in the northern states, who reports he has secured contracts for approximately three hundred thousand turkey eggs. One contract alone was for one hundred thousand eggs.

Upon his return the latter part of this week Mr. Wyle will contact each producer personally.

Coleman Co. News Briefs

Approximately 3,000 young men marched to Coleman County voting boxes last Wednesday and registered for military service.

Total of 8,068 bales of cotton had been ginned in Coleman County up to Oct. 1 this year, according to an official report.

American Legion members are making plans to celebrate Armistice Day according to Fred Sackett, publicity director. Dr. Leslie Boone, pastor of the Methodist Church of Brownwood, has accepted the invitation of the Legionnaires to deliver the principal address which is to begin at 10:30 a. m. Nov. 11 on the courthouse lawn.

Deposits in the two Coleman banks have increased \$209,408.48 during the last 12 months while loans have increased a total of \$31,236.29 according to voluntary statements issued last week.

Actual work has started on the new Centennial High School building which will cost a total of \$78,493.

The Coleman office of the Farm Security Administration is now prepared to make water facilities loans to Coleman County, according to Leon Ransom, county supervisor.

Mrs. Merrel Burkett, of Burkett, has been recommended for the position of postmaster at the town of Burkett, by Congressman Charles L. South, it has been announced.

Anzac Oil Corp. of Coleman No. 7-C Morris has been brought in as one of the best wells on the Morris ranch north of Coleman, flowing 135 barrels of oil daily through 5 1/2 inch tubing, with the total depth 2,182 feet. Owing to the good natural production, the well will not be shot now.

The three members of the Coleman County draft board are: Lemar Brown, Santa Anna, chairman; Fred Sackett and A. R. Scott, both of Coleman. An office has been set up for the board on the second floor of the Coleman City hall. Edwin Fowles has been named secretary of the board.

W. I. Glass, District Agent of the A. & M. Extension Service and Joe Matthews, Land Use Planning Specialist, were in Coleman County last week conferring with the County Agent on the Program of Work for the Committee on Land Use Planning.

The successful farmer plans his work and works his plan.

Family Suffers Loss By Fire

Late Tuesday afternoon the house on the Chap Eeds place burned to the ground. Mr. and Mrs. N. V. Elkins and their two small sons were occupying the house, but were away at the time of the fire. None of their possessions were saved.

Santa Anna Asks County To Join In Tax Suits

Following the precept and example of many another municipality afflicted with frozen tax burdens, Santa Anna people are justified in asking the County to join with the city and scold delinquent in the collection of delinquent taxes. A group of local taxpayers met with the court last week and asked the cooperation of the county.

Many Santa Anna people are burdened with heavy delinquent tax bills that, owing to general conditions the past few years, they are unable to pay. Along with these it is stated, are a goodly number who, though able to pay, have refused to because "the other fellow did not or he could not." Now the accrued delinquent taxes are "frozen" as the three taxing agencies will have to pool interests, offer the property for sale for what they can get, and divide the proceeds in the proper ratio to their interests in the matter. Tax sale seldom brings enough to cover all the taxes, but the property would be taken off the delinquent roll and put on the current.

BAPTISTS OPPOSE BEER

The Coleman County Baptist Brotherhood met in their quarterly meeting in the Baptist Church in Santa Anna, October 18, with about fifty men present from the various Baptist Churches of the county passed the following resolution unanimously:

"Whereas there is an election to be held in Coleman County Tuesday, October 29, to decide on the sale of beer in Coleman County, therefore, be it resolved that this Brotherhood declare itself opposed to the sale of beer, or intoxicants in any form in Coleman County, and that we go back to our communities and do all in our power to defeat such effort, and that a copy of this resolution be printed in every paper in the county.

Signed, Louis Newman, President.

LIBRARY NOTES

According to Mrs. Grady Adams, recently appointed custodian of the City Library, the shelves are steadily being filled with worthwhile books. Recently one hundred books have been donated to the library. Almost all of these books are suitable for children between the ages six and twelve. Magazines have also been donated for research purposes.

Among the most noticeable improvements are the included books and the record which Mrs. Adams plans to have complete within the next few weeks.

The library will be open each day except Sunday and Monday from 9 a. m. to 12 noon. It is reopened again from 2 p. m. to 5 p. m.

National Book Week will be November 10 to 16.

BAND AND JUNIORS HALLOW'EEN CARNIVAL

The band and Junior Class of Santa Anna High School are making plans for the largest and best carnival ever presented in the history of the school.

The main event of the evening will be the crowning of the queen. The carnival will consist of about four booths, among the most important are fortune telling, cake-walk, fishing, night club, shooting gallery, faculty graveyard and several others.

This carnival will provide lots of entertainment for ALL ages. Saturday night, October 26, at the High School building.

Note the date after your name on your paper. It tells when your paper is paid up to.

Beer Election Is Called For Tues. October 29th

A petition with 188 names attached was presented to the Commissioners' Court last week asking for an election to determine whether beer of not more than four per cent alcohol may be sold in the county, as well as the primary question as to sale of beer, of any strength, in the county. If the sale of beer is prohibited, the matter of 4% has no meaning.

Judge John O. Harris has set October 29 (Tuesday) as the day of omen for the thirsty.

In 1936 beer was voted down 1,625 to 1,405, despite the fact that all three of the Coleman boxes and one Santa Anna box voted wet.

Advocates of beer predict a great growth for Santa Anna if beer be legalized as this city would be first port of call for dry throats from Brownwood and the military reservation. From an economic standpoint it may be of value to this part of Coleman County, as well as to bootleggers betwixt hither and yon. But Judge Harris has, we understand, issued a manifesto that permits for beer sale will be issued to towns with regularly constituted peace officers on the job. This, it is pointed out, will obviate the evils of the road house and country dance halls.

The buyer were Emery & Conant of Boston.

Fire in the Ballinger plant of the West Texas Cottonoil company, the second last week, caused a loss estimated by T. W. Lynn, manager, of about \$15,000.

Runnels County continued to lead this section of West Texas in cotton ginnings according to official government report as of Oct. 1. The county on the Colorado River to Oct. 1 had ginned 19,711 bales of cotton, compared with 7,653 to the same late last year. Running second was Tom Green County, with 8,422 bales compared with 2,004 to the same date in 1931. Coleman was in third place with 8,086 bales, compared with 9,287 for Oct. 1 in 1936.

The total raised in the United Charities campaign went to \$15,298.85 Saturday at San Angelo as workers reported \$3,081.50 in the day's contributions.

The American Colleges of Surgeons has again placed the Medical Arts hospital in Brownwood on its list of approved hospitals.

LEGALS

NOTICE TO THE REAL AND TRUE OWNERS OF THE PROPERTY HERINAFTER DESCRIBED IN THE CITY OF SANTA ANNA, OWNING PROPERTY ON THE STREETS HERINAFTER NAMED

Notice is hereby given to the real and true owners whether hereinafter named or correctly named or not of property abutting upon Second Street, Bowie Street, First Street, Avenue C, Avenue B and Wallis Avenue in the City of Santa Anna within the limits hereinafter defined and to all persons owning or claiming any such property abutting on said streets or any interest therein or liens thereon, and to all others owning or claiming or interested in any of the proceedings, contracts and matters hereinafter mentioned, that:

The City Commission of the City of Santa Anna, Texas, by duly enacted ordinance dated October 23, 1946, has determined the necessity for and ordered the improvements of the following streets and portions thereof in the limits of said City, to-wit:

Second Street from the South line of Wallis Avenue to the North line of Bowie Street, being the street in said City running east and west and lying one block south of Avenue D.

Bowie Street from the east line of Third Street to the west line of Houston Street.

First Street from the north line of Bowie Street to the south line right of way of the G. C. & S. F. Ry. Co.

Avenue C from the east line of First Street to the west line of Lee Street, said Lee Street being the street running north and south along the east lines of Blocks 46 and 63 in the town of Santa Anna as shown on the map of said town of record in Vol. 67, pages 434 and 435, Coleman County Deed Records; from the east line of Lee Street to the west line of Houston Street, said Houston Street being the next street east of Lee Street.

Avenue B from the east line of Eighth Street to the west line of Second Street.

Wallis Avenue from the east line of Sealy Street to the west line of Fourth Street, said Sealy Street being the street running north and south and running up to and immediately east of what is known as the Sealy Hospital.

The improvements so determined upon by said City Commission of said streets being as follows, to-wit:

It is hereby determined that it is necessary to improve said streets hereinafter named and the portions of same hereinafter set out.

That each of said streets shall be improved with a concrete sidewalk on each side of the same, said concrete sidewalk to be four feet in width and four inches in thickness, running parallel to each of said streets and on either side thereof.

That each of said streets shall be improved with a monolithic concrete curb and gutter twelve inches in height on the outside and eighteen inches wide.

That each of said streets with exception of Wallis Avenue shall be improved with a caliche gravel base eight inches thick.

That said caliche base shall be of the following width between said curbs: on Second Street 54 feet in width, on Bowie Street 36 feet in width, on First Street 42 feet in width, on Avenue C between First and Lee Streets 52 feet in width, and between Lee and Houston Streets 23 feet in width, and on Avenue B 48 feet in width.

That concrete curbs shall be constructed on each side of said streets where adequate and sufficient curbs and sidewalk are not now installed along curb lines so fixed.

That said streets with exception of Wallis Avenue shall be improved from curb to curb by providing thereon the caliche base as hereinabove referred to and as deemed adequate by the City Engineer either by reconstruction or repair as may be necessary and proper.

The said City Commission has caused said City Engineer

to prepare and file the hereinafter set out estimates of the cost of such improvements and has heretofore by duly enacted ordinance dated October 23, 1946, determined the necessity of levying an assessment against the property abutting upon said street within the limits defined, and the real and true owner or owners thereof, and did adopt and determine the hereinafter set out proposed apportionment of the costs of said improvements between said city and the abutting property and the real and true owners thereof, and that the portion of said costs proposed to be assessed against the abutting property and the real and true owners thereof will be in accordance with the FRONT FOOT RULE OR PLAN and did further adopt the following proposed rates and estimates of said costs:

That the estimated cost per front foot to be assessed against each abutting property and the real and true owner or owners thereof for curbs and gutters is \$635 per lineal foot; and for side-walk \$637 per lineal foot; and for base \$112 per cubic yard.

The total estimated cost for each of said streets being as follows, to-wit:

UNIT 1 FIRST STREET FROM THE SOUTH LINE OF WALLIS AVENUE TO THE NORTH LINE OF BOWIE STREET.

TOTAL ESTIMATED COST OF IMPROVEMENTS: \$4986.24

A hearing will be given and held by and before the City Commission of the City of Santa Anna at the City Hall in said City beginning at 2:30 P. M. on the 12th day of November 1946 at which time the real and true owners whether named or correctly named herein or not of the property abutting upon said streets and all persons owning or claiming any such property or interest therein or lien thereon will be given an opportunity to be heard with respect thereto.

At said time and place all such persons, firms, corporations, and estates, and their agents and attorneys, shall have the right to appear and be heard and offer testimony as to the said assessments and the amount thereof proposed to be assessed against said abutting property and the real and true owner or owners thereof, the lien and charge of personal liability to secure payment of said assessments, the special benefits to accrue to each such abutting property and the owner or owners thereof by virtue of said improvements, if any, or concerning any error, invalidity, irregularity or deficiency in any proceedings or contracts in reference to said improvements, and said proposed assessments, and concerning any other matter or thing as to which hearing is a Constitutional prerequisite to the validity of said

assessments, proceedings and improvements, to which they are entitled to a hearing under the laws of the State of Texas.

Following such hearing assessments will be levied against each and every parcel of property abutting upon said street, within the limits herein defined and the real and true owners thereof for that portion of the costs of said improvements determined by said City Commission to be payable by such abutting properties and the real and true owners thereof, and said assessments shall be and constitute a first and prior lien upon said abutting property from the date said improvements were ordered by said City Commission, and shall be a personal liability and charge against the real and true owners of such abutting properties, as of said date, whether such true owners be named, or correctly named, in said proceedings or not, and no error or mistake or discrepancy in the names of such owner or owners or in describing said property in this notice or in any of said proceedings with reference to said improvements shall invalidate any assessment or certificate issued in evidence thereof, but nevertheless each parcel of property abutting upon said street within the limits defined, and the real and true owner or owners thereof,

shall be charged with, and be liable for, said assessment which shall be valid whether or not such owner or owners be named or correctly named, all as provided for and under the Acts of 1927, 40th Legislature of the State of Texas, First Called Session, Chapter 106, commonly known as Article 1105-b, Revised Statutes of Texas, under which said improvements, proceedings and assessments are being constructed, performed and levied.

The following is a list of the apparent owners and description of said abutting property, which list is included herein merely as an aid to assist in giving notice to the said real and true owners of said abutting property, and is cumulative of, and in addition to, the requisites of the foregoing notice as provided for by said Acts, above identified, which notice is itself valid and sufficient, and the following list shall not be conclusive as the real and true owner or owners, and the descriptions of said abutting property nor shall said list limit said notice to such owners named or property described, but this said notice shall nevertheless be directed to the real and true owner or owners of said abutting property, whether named or correctly named herein or not.

HALLOWE'EN

Hallowe'en, the evening of October 31, for young people, a time for gaiety and pranks, a night to play being witches, ghosts and fairies. The evening is so called because it is the eve of the Christian festival of All Saints. The name means, "Holy Eve" a time originally set apart to honor the memory of all saints. The building of bonfires, the cracking of nuts, bobbing for apples floating in tubs of water, telling of fortunes and ghost stories, which are now Hallowe'en customs, are all relics of pagans. About thirteen centuries ago, pagans celebrated November 1 as all spirits day, when spirits, both good and evil, were believed to be on this earth. The Druids also celebrated their harvest festival about that time, and many strange ceremonies were performed. Even after the pagans adopted Christianity, they still observed many of their old customs, including those which have survived as the hallowe'en diversions of today. In past years the ceremonies peculiar to the occasion in Scotland were of a highly superstitious nature.

FOOTBALL GAME FRIDAY

Friday, October 25, is supposed to be an open date but Santa Anna's Mountaineers will tackle Brownwood's Lions on the Santa Anna field.

The game is scheduled for 2:15, Friday afternoon.

Back those Mountaineers and they'll show you what real football is.

SENIORS RECEIVE RINGS

If you see a senior flashing the third finger of his right hand he is only trying to show off his class ring.

The Seniors received their rings last Thursday. They are gold with gold 'S' mounted on black bearing the date of 1941.

Spanish Class Has Foreign Correspondents

The Spanish Class has received the addresses of students in Latin America. Eight members of the class have started a correspondence with foreign boys and girls. They are writing in both languages, English and Spanish.

Yea, Team Fight.

Santa Anna is going to win a football game Friday afternoon! The time is ripe and everyone, even the football boys, is in a mood for victory. We have to have it to get in the mood for next week's game! We've got to have one more win!

Santa Anna has lost the past two games by a second-half let down. Due to lack of reserves most of the boys have to play four quarters. If we win any more games the boys will have to nerve themselves to take it! Everyone believes we'll win! Come on boys, win or lose we're with you! Yea, team fight!

School Has Chapel Friday

Last Friday, October 18, the students and teachers of Santa Anna High School gathered in the auditorium and had a special service that fairly raised the roof of the house. With the help of the band they sang school songs and boosted the football team.

Junior Class News

The Juniors reported a very successful rummage sale held last Saturday. Altogether they made about \$19.15. The Juniors and the band, to share profits, are still making plans for the bigger

H. E. DELEGATION

ATTENDS RALLY Santa Anna had a large delegation at the Future Homemakers of Texas of Area 111 rally in Sweetwater recently. Girls going, accompanied by Mrs. Stewardson and Mrs. Hill, the sponsor, were Marie Harris, Edna White, Frances Moore, Patricia Turney, LaVerne Martin, Carolyn Kingsbery, Corrine Densman, Lucille Newman, Frances Stewardson, Velma Stewardson, Maxine Williams, Christine Leady and Mary Ellen Mitchell.

FFA NEWS

The remainder of the first year boys in agriculture were initiated to the degree of Green Hand. They were George Howard, J. G. Williamson, Roy England, Otto Farris, J. P. Richardson and Theibert Seales.

George Wheathy was selected as Duke and the FFA Sweetheart, Virginia Pettit, as Duchess for the FFA Club.

The FFA Club is working to score a "Lone Star Chapter," a very high honor, since no chapter in this area has scored as a "Lone Star Chapter."

Dorothy Ross Visits School

Dorothy Ross, a graduate of 1940, visited school Monday afternoon. While she attended school here she served as drum major. She is now serving in that capacity at Daniel Baker College.

OFFICIALS FOR 1940-41 TERM OF INTERSCHOLASTIC LEAGUE CHOSEN

Coleman County Interscholastic League officials were selected at a meeting of Coleman County recently as follows:

A. D. Pettit, principal of Santa Anna High School, director general; declamation, O. C. Cook, Mozelle; debate, W. R. Chambers, Burkett; extemporaneous speech, Mrs. Mary Mitchell, Buffalo; spelling, Glynn Mitchell, Talpa.

Ready Writers, W. T. Bowers, Rockwood; athletics, Jimmy Cloyd, Coleman; rural schools, County Supt. W. T. Graves, Coleman; music, Mrs. Jessie Martin, Coleman South Ward; picture memory, Mrs. J. Frank Turner, Santa Anna.

Three R's, A. B. Carroll, Shields; story telling, Mrs. Joe LeMay, Valera; arithmetic, A. L. Stewart, Centennial; shorthand and typing, Miss Maurine Stevens, Coleman; choral singing, Miss Edith Tombs, Talpa; girl's athletics, Mrs. Maurine Burroughs, Novice; and one act play, Miss Francine Merritt, Santa Anna.

The first eight named directors are included on the executive committee and will meet in the near future to set dates for interscholastic league contests in Coleman County.

If all the boys and girls in the United States who were members of 4-H Clubs in 1939 were to join hands and form a circle it would have a diameter of about 500 miles. Texas was second among the 48 states in enrollment.

Contrary to popular belief, no sum of money is to be paid. Around 33 million pounds went to market in 1939.

Rockwood News

The Rockwood Boy Scout Troop took a weekend hike on Home Creek Saturday for the purpose of passing the requirements for Second Class Scout.

The troop was organized by Mr. Mefferd, teacher of Vocational Agriculture at Rockwood, and has eight members: Travis King, patrol leader; Kenneth Bates, patrol leader; Dick Stafford, Bennie Cecil Estes, Pete Rutherford, Tom Johnson, Alvin Bostick and Buford Peel.

Mr. Mefferd is a former Eagle Scout and has served as Junior Assistant Scoutmaster at Walnut Springs and as Assistant Scoutmaster of one of the troops at Stephenville and has had the Scoutmaster's Training Course at Texas A&M College.

The troop has plans for a year of accomplishment and also for an increase in membership.

The Rockwood Methodist Women's Society of Christian Service will meet at two o'clock, Monday, October 28th. A new study will be begun on "Investing Our Heritage." Mrs. Jack Bostick, Mrs. Tom Bryan, Mrs. J. C. Ferguson, Mrs. J. C. Hunter, Mrs. Wilma Williams, Mrs. W. T. Bowers, Mrs. Fox Johnson, Mrs. M. A. Richardson, Mrs. Eula Williams, Mrs. Roy B. Mefferd and Miss Bernice Johnson will all speak on the new subject.

Rockwood's last-charging Yellow Jackets overpowered the Melvin Bulldogs for a 25 to 7 win Friday afternoon. Melvin's lone score came on a long pass in the third period. Try for the extra point was good. Fowler and Ashmore did their bit toward gaining the victory. Ashmore scored twice in the first period. Fowler tallied in the first period, and Ashmore plunged the line for one extra point. In the final period, Ashmore counted again. Fowler, playing at the quarter slot, heaved passes which put the club in scoring position on almost every occasion. On the receiving end of these passes were Wise, left end; Ashmore, fullback; and Estes, halfback; Outstanding in the forward wall of the alert team was Hodges. Rockwood tackle.

Nancy Lee McCreary, student in Draughan's Business College, Abilene, spent the week-end with her parents, Mr. and Mrs. Cecil McCreary.

AN INITIATIVE MEASURE UP
In Washington is to require Public Utility District (PUD) bond issues to be submitted to the people for approval or disapproval. This would amend the present wide-open law under which three PUD commissioners have practically unlimited authority to issue bonds and incur debt merely by their own resolution. If people want to use power from these great tax-exempt sources instead of from existing tax-paying enterprises, they naturally have a right to do so. But the remarkable situation is that those favoring Federal socialization of the power industry, object strenuously to this simple amendment to the Washington PUD law. They say it would make it extremely difficult for the PUDs and damaging to the marketing of the Federal power. When promoters of Federal plant raise objections to local people voting on whether they wish to issue bonds to use Federal power, a thoughtful person is rather dumfounded. If we have reached the point where appointed or

ALFALFA GROWING
It may be cultivated. It is important to inoculate alfalfa seed. The culture is cheap and easily used. As for the best variety the region, alfalfa is more of the central and northern Texas. The Hairy Peruvian is more suitable to the Rio Grande Valley. In the Coleman area best results will be obtained when alfalfa is grown under irrigation. Water from creeks, tanks, or even run-off water may be used. The land to be irrigated should be properly furrowed and ditched before planting. Careful use of irrigation water is very important. Water the plants to determine their need for water. When growth is checked the leaves of the plant become darker in color or wilt following mid-day heat. Those interested in further information or help in alfalfa growing should consult your County Agent.

Land preparation is of vital importance in getting a good stand of alfalfa. The seed should be prepared some time in advance of planting. At planting time it should be smooth and firm. Soil for alfalfa should show an alkaline reaction. Acid soils should be avoided or treated with ground lime stone. On land that is low in plant food, either barnyard fertilizer or commercial fertilizer should be used. About 200 pounds per acre of 20% super phosphate. In planting, only high grade seed should be selected. Fall sowing is preferred as it will afford heavier yield and earlier first cutting. Less trouble will be had with weeds and grass at this time. Moisture conditions, of course, will determine the planting time to a large extent. Alfalfa is usually planted at the rate of 15 to 20 pounds per acre with an alfalfa drill or broadcast seeded. If planted in spring, it is usually planted in rows at the rate of 5 to 10 pounds of seed per acre so that

TURKEY RATIONS
Most of the turkeys for the early market are now on a fattening ration. Some are using home grown grain and balancing this ration with commercial protein supplement, using about three parts mixed grain to one part supplement. For those who wish to feed a home mixed ration, the following is recommended by a special feed committee of A & M College.
Finely ground corn 30 lbs.
Finely ground milo 19 lbs.
Wheat gray shorts 20 lbs.
Pulverized whole oats 15 lbs.
Meat and bone scraps 5 lbs.
Dried milk 10 lbs.
Salt 1 lb.

KIDNEY STAGNATION IS WORSE THAN CONSTIPATION!
Because We Trust Constipation at The Onset, While We Neglect Our Kidneys Indefinitely
In many cases when the turkey hens are to be kept for the following laying mash

is recommended:
Meat and bone scraps 25 lbs
Pulverized whole oats 15 lbs
Wheat bran 12 1/2 lbs
Dehyd. alfalfa leaf meal 10 lbs
Wheat gray shorts 15 lbs
Ground milo, kafir or corn 22 1/2 lbs
Salt 1/2 lb
Hatchability would be improved if 3 pounds of dried whey was used.
Sanitation is important in keeping the birds healthy. Keep yards and roost clean. Plenty of clean fresh water is essential. See your County Agent for further information.
Extension Bulletin 3-72 "Turkeys" is now available.

CORPS AREA OFFICE TO BROWNWOOD
Headquarters of the Eighth corps, Maj. Gen. Walter Kruger commanding, will be at Camp Brownwood. It was announced last Friday.
The decision to locate headquarters at Camp Brownwood will mean 7500 additional troops will be quartered there. Included will be the headquarters detachment, general hospital, a regiment of combat engineers, a regiment of general service engineers, a battalion of medium tanks, a battalion of light tanks, a signal battalion, one company of military police and four battalions of service troops (colored).
Previously assigned to Camp Brownwood were the Thirty-sixth division (Texas national guard), One Hundred Thirtieth cavalry (Iowa national guard) and One Hundred Eleventh Observation squadron (Texas National Guard).

INCREASED INTEREST IN GAME CONSERVATION
With the fall hunting season already started, increased interest is being shown in game conservation. Various associations over the county have been formed for the protection and propagation of game. Those interested in such a move should get in touch with the County Agent. Appropriate gains may be secured and assistance secured through the A & M Extension Service as well as the Texas Game, Fish and Oyster Commission. A number of bulletins dealing with game production are available now at

the office of the County Agent. Special interest is being shown in several of the 4H groups over the county. Club members are taking active part in protecting their game on their respective farms and ranches.

GOULDBUSK 4-H CLUB ORGANIZED
At the first meeting of the Gouldbusk 4-H group, a large number of boys were present, including several new members. The new 4-H Hand Book was reviewed by the County Agent. A special record is to be kept on the clubs this year and prizes given to the clubs with the highest record of achievement. The following officers were elected for the 1940-41 school year: President, Robert Smedley; vice president, Edmon Blanton; secretary, Gene Brown.
Members of the club this year will have as their demonstrations: hogs, poultry, calves, gardens and field crops.

AMERICAN BOY MAGAZINE COMPANION TO THOUSANDS
Hundreds of thousands of boys and young men read THE AMERICAN BOY Magazine every month and consider it more as a living companion than as a magazine.
"It's as much a buddy to me as my neighborhood chum," writes one high school senior. "THE AMERICAN BOY seems to understand a boy's problems and considers them in such a sympathetic and helpful way. It gives advise and entertaining

reading on every subject in which a young fellow is interested. It is particularly helpful in sports. I made our school basketball team because of playing tips I read in THE AMERICAN BOY."
Many famous athletes in all sports credit much of their success to helpful suggestions received from sport articles carried in THE AMERICAN BOY Magazine. Virtually every issue offers advice from a famous coach or player. Football, basketball, track, tennis, in fact every major sport is covered in fiction and fact articles.
Teachers, librarians, parents and leaders of boys clubs also recommend THE AMERICAN BOY enthusiastically. They have found that as a general rule regular readers of THE AMERICAN BOY advance more rapidly and develop more worthwhile characteristics than do boys who do not read it.
Trained writers and artists, famous coaches and athletes, explorers, scientists and men successful in business and industry join with an experienced

POPULAR.—The News is quite popular in one section of town. One of our readers reports she has an awful time getting to read her paper, as all the neighbors borrow it. We are considering sending a subscription crew over her way and register every one in her neighborhood so the good lady can read her paper in peace instead of pieces.

BUILD.—Santa Anna can grow normally and prosper "all over" if someone with money will jar lose and build a few low rent houses for families of small income. We can bring a lot of families to town thereby and increase trade enormously. That's better than being a penny-digger rent-raiser. The town is not doing anything to justify rent chiseling and few houses for rent are worth more than they are bringing in under the present local economic set-up.

LOAFERS?—One of our amusement club owners remarked his business was suffering because everyone was going to work and there were no one forced to loaf and thereby be in need of transient amusements like pool or dominoes. Let the town catch up with itself and amusements will again flourish. Folks are just now catching up on the numerous dull months preceding.

FLAGS.—Once again we implore anyone who has any information about where the Legion's flags were last seen, or are now, to come forward and speak up. The Legionnaires need their flags, and to replace them will cost the boys about \$75. Somebody saw those flags a few years or months ago. You who saw the—where did YOU see them last? Help us locate them.

ARMISTICE.—Only a few days intervene between now and the Armistice Day. Santa Anna's Legion Post not yet ready to initiate a formal observance, the boys are invited to join all the other diffident posts at Coleman, according to the Commanding Officer there. Appropriate ceremonies, etc. Be sure to attend. Next year the local post hopes to be ready to handle an Armistice Day program here at home.

AREA 1 HDC TOUR SUCCESS

The day to which most Home Demonstration Club women have looked forward to, has come and gone for those of Area 1.

After meeting Wednesday October 23, at 9 a. m. at the County Agricultural Building in Coleman the group went to the Dowty Nursery, where they secured information on raising flowers and shrubbery as well as landscaping.

The next stop was at the home of Mrs. Estelle Flippen. Many canned products and handcrafts were on display. Coffee and orange bread, which the club women had learned to make this year, were served. There was also a demonstration of this bread, made by Mrs. Sanford Tune.

The home of Mrs. Frank Goen of Santa Anna, was next in line of advance. Here another display of hand work was given and most important were the improvements in Mrs. Goen's kitchen.

Very eagerly the group gathered at the Ranger Park at the noon hour, where a bountiful repast had been provided by the four clubs of the area.

Preceding luncheon a sing song and music furnished by the Santa Anna recreation group was provided for entertainment.

From the park, the group went to the home of Mrs. Fred Rollins, home food supply demonstrator of the Santa Anna Club.

At Buffalo games and punch were provided in the Home Economics Department of the school.

Upon arriving at Liberty the visitors were treated to a program of local talent and inspected the lunch project.

Mrs. Pillard's home was the last stop of the successful trip. Here more hand work and art were displayed. Iced tea and cookies were served after several games had been played.

The Mountaineer line-up was as follows: Shelton, R. E.; Cupps, R. T.; Turney, R. G.; West, Center; Watson, L. G.; Whitley, L. T.; Box, L. E.; Pope, Full-back; Speck, R. H.; Horner, L. H.; and McClain, Quarter.

The Bearcats of Ballinger won the choice, and chose to receive, and after carrying the ball into scoring territory, attempted a pass which was intercepted by Speck. Speck shook off several tacklers and ran about 50 yards, n attempting to go around the last Bearcat, he fumbled but managed to recover. The Mountaineers were unable to score until the second quarter when Speck slipped through tackle to run 80 yards for the score. Try for extra point was by McClain through tackle, but failed.

The Mountaineers threatened to score several more times, but failed to do so during the second quarter. The half score was Santa Anna 6, Ballinger 0.

The Ballinger Bearcats came back in the third quarter and scored twice before they could be stopped. Both scores were on end runs, with Bell of Ballinger carrying the ball. The Mountaineers held Ballinger and got within scoring territory three times before the game ended.

The outstanding players were Speck, Pope, Watson and Turney.
