## This Week in Our Town

**WINNERS.**—Tuesday noon at Lion luncheon, the three winners in the recent fire prevention poster campaign were the guests of the club and were presented the three, two and one dollar awards for the winning posters. Chubby Alice Anne Guthrie, sturdy Billy Mulroy, of the sixth grade, and bewitching little Cora Belle Biggs of the fourth grade were the recipients of the prize money put up by the Lions and Firemen.

**MUSIC.**—Another feature at Lions Club luncheon was the entertainment program put on by Lion Bowman. This week he had secured an orchestra from the school band—the Rangers—and a few well rendered selections were enjoyed.

**S' FUNNY!**—Passing the Santa Anna Gas Co office Tuesday afternoon, noticed Miss Betty Blue shivering. Not so very cold outside, but with all those gas wells hooked into the building, the stoves should have been relieved from winter storage and some heat dispensed. Other are dusting off the stoves and connecting them up with the gas mains.

**PROMOTED.**—Jack Gregg turned up the first of the week to spend a few days here before he becomes a resident of Camp Bowie. Answering the call as a sergeant, he will receive his commission as a second lieutenant in a short time, as the government increases the armed forces and expands the commissioned personnel.

**SERIOUS.**—The boys down the main drag are really becoming serious about joining a parachute unit for the duration of the war. Trying to enlist Jess Howard now to take Archie's place since he can't get lead soled shoes of proper weight to prevent drifting after pulling the rip cord. Art Turner, John Overby and John Payne are to wrestle for the three high jobs in the corps, each wanting to be the captain.

**NORTHER.**—Monday was not a red letter day in Santa Anna's history—it was a frigid one, as a norther came swooping over and around the mountain and made coats, sweaters and heavy undies popular. Wonder how long it will be cold. Last year it was cold long ere this date and in Armistice Day the heavy old army overcoat was heartily welcome.

**ENLISTS.**—Ramond Kemp, the only draftee from this county in the first call, has taken time by the forelock and decided on what he would belong to in this man's army, and has enlisted in the 36th so as to be with former friends instead of taking whatever chance threw his way. He won't regret it.

**LOST OUT.**—We would like to be in the Engineers, and there is the matter of "convenience" orders that are now three years on the wrong side of the fence—Stinson says we're too old—and only legislative power can validate them, we're out of luck—not that they could not be validated, but entry through such methods is not popular. For that reason we, and several others, must sit back and live in the past instead of the present.

**COMPASS.**—Our Congressman, Charles South, was in the city Tuesday. Most peculiarly we list among our friends Congressman West, from South Texas, and Congressman South, from West Texas. Haven't known the West Texas South long, but that long South Texas West gets our support right along. Once we opposed him strenuously, on his prior record, but after he went to Washington the boy more than made good filling John Turner's old job. Milton West and Charles South are not just representing their own districts—they are working for all Texas as well.

**JUST BAIT!**—It was cold and dry Tuesday, and it was election day. The voters were coming in from the south box. Suddenly

**H. D. C. COUNCIL MEETING.** Mrs. Fred Rollins, Mrs. J. K. Harrison, Mrs. Roy Stockard and Mrs. Jesse Moore represented Santa Anna at the Home Demonstration Council Meeting at the Agriculture building in Coleman, Saturday, November 2.

At the business hour the officers and chairmen of Committees gave their annual reports. The 1940 officers were nominated for 1941. Names were drawn for the Christmas entertainment. The Santa Anna H. D. C. is to be host to Gouldbusk and the Live-at-Home Club is to entertain the local H. D. C.

The Rae-Echo club won first place in the County wide quickbread contest exhibited in the J. C. Stevens Company window, Santa Anna took second place. Mrs. T. H. Upton will be hostess to the Santa Anna H. D. C. this afternoon at 2:30. The program will be "Christmas Around the Corner." Each member is to bring and demonstrate a homemade Christmas gift. All members are urged to bring their gifts. Visitors are always welcome.

**Distric Agricultural Meet Held at Abilene This Week.** County Agent, D. D. Steele, the Home Demonstration Agent, AAA Assistant and members of the County Committee are attending a District Agricultural meeting Thursday and Friday of this week. The object of the meeting is to discuss the 1941 AAA program as well as study problems relative to the Extension Service Program.

**Fred Turner Suffers Stroke.** Fred Turner, Sr., 70, retired ranchman and financier, suffered a stroke of paralysis Tuesday afternoon. His condition is regarded as grave. A son, Buster Turner here from Illinois where he is employed as a geologist, was preparing to return to his home when his father became ill. The elder Turner has lived in Santa Anna since 1885.

**Wallace Home Burns.** The Ed Wallace home and furnishings were severely damaged by fire Sunday afternoon about two o'clock. The origin of the fire is unknown, but it is believed to have started in an upstairs bedroom. Mrs. Judge Woodruff, a daughter, was the only member of the family at home when the fire was discovered.

## CONSERVATION PAYMENTS NEAR 4 MILLION MARK

Nearly \$4,000,000 already have been received by Texas farmers and ranchmen cooperating with the 1940 AAA program from an estimated \$50,000,000 to be paid. Cotton and wheat parity payments, meanwhile, neared completion. George Slaughter, chairman of the state AAA committee, announced at a committee meeting in College Station this week.

An estimated 45,000 agricultural conservation payments will be made under the 1940 program, the chairman said. To date, 25,453 payments totaling \$3,711,429 have been made. Last year at the same time only 8,000 payments had been made.

Cotton parity payments of \$21,827,802 had been made to 297,737 producers out of an estimated 350,000 totaling \$25,000,000. Wheat parity payments are 99 percent complete, \$3,475,864 having been paid to 47,858 producers.

The majority of 1940 agricultural conservation payments will be issued after December 1 because of the requirement that the total soil-building allowance must be earned if payments are to be made prior to the closing date for compliance in the program, November 30.

## Trickham News

**Trickham H. D. C. Club News.** Ms John Pentecost was elected president when the Trickham Home Demonstration Club met in a called meeting Tuesday afternoon, November 5 at the club room. Other officers elected were: vice president, Mrs. Jess York; secretary-treasurer, Mrs. Harry Wilson. Council member, Mrs. Walter Stacy.

Those present were, Meses. Oscar Boenicke, Harry Wilson, Scott Miller, Charlie Bowden, John Pentecost, Carl Sheffield, Marvin Whitley, Bud Laughlin and Jess York. The next meeting will be held Nov. 14 at the home of Mrs. Albert Dean, when Mrs. Marvin Whitley will have charge of the program: "Christmas around the Corner." Everyone is invited to be present.

There will be a cemetery working at Trickham Tuesday, November 12. A large crowd is requested. Bring your lunch and stay all day.

## WPA RECREATION NEWS

The sponsors and directors of the Recreation Department entertained with a Halloween party at the Recreation center, Wednesday night, October 30 at 7 o'clock. The room was decorated with orange and black crepe paper, witches and jack-o'-lanterns. The games were directed by Jean Irick, Virginia Byson and Herman Sheffield and Cleo Biggs.

The program consisted of bingo, several apple contests and the hall of horror. Jean Owens was selected Halloween queen of the evening and was awarded a gift by Alene Talley. Pop corn balls were served to the group by the Santa Anna Home Demonstration Club.

The W. P. A. Art Studio gives lessons from 1 to 6 week days and from 9 to 12 on Saturdays. The Studio is now located in the back of The Style Shop with entrance at the back.

## LIBRARY NOTES

A check-up on the circulation of books at the local library shows that it is filling a distinct service for the community. Santa Anna is exceptionally fortunate in having a full-time custodian of the library. The city library is sponsored by the Self Culture Club and the local chapter of the U. D. C. Mrs. J. R. Banister is president of the library board. The upkeep of the library is solely dependent upon donations from the town and surrounding territory. As next week will be National Book Week, open house will be held from 1 to 5 p. m. Friday afternoon, November 15, at which time everyone is invited to come and bring either books or money or both.

## Coleman Co. News Briefs

Total of 14,681 bales of cotton had been ginned in Coleman County up to October 18. That figure compares with 11,248 bales that had been ginned up to the same date a year ago.

Total of 602 checks for \$39,164.43 were received by the Triple-A office in Coleman for distribution to Coleman County farmers last week. Total received by that office thus far this year is \$130,814.75.

Marlin Smith, manager of the Coleman Community Gin Co-op, reports the organization's second cotton warehouse has been completed and already contains 700 bales of cotton. The organization's first warehouse, built last year, paid for itself the first year in fees. Fees have been reduced since that time, however, and it may take two years to pay for Warehouse No. 2.

Some damage was done by hail on several farms immediately west of Coleman last week. Obie Kelley reports hail fell about a mile and a half of his place and Ben Strickland said little damage was done at his place although some hail fell.

Pipeline connection is awaited before a railroad commission potential gauge is taken. The producer, flowing naturally thru tubing, is a west extension to the Echo pool northeast of Coleman. Brannon & Murray of Abilene have staked location for a south offset, on the Dibrell lease, both in J. W. Hicks survey. Anzac Oil corporation has spudded No. 8-C Morris in the Morris ranch pool north of Coleman, located 4,450 feet from the north and 7,000 feet from the west lines of David Breeding survey No. 728.

Classes in short wave radio broadcasting for young men employed by the NYA were started at Coleman Friday. There are two classes with ten students to the class and Jimmie White, radio repairman, is instructor. Classes are being held at the assembly room at the Coleman Agriculture Building.

Fred Buford, Abilene architect has been selected by the Coleman school board to complete plans for a physical education building which the board proposes to construct across the street from the high school campus.

Coleman will be host to the 21st district American Legion convention during the latter part of March or early in April.

Coleman county buyers report that about one-third of the pecan crop in Coleman county has been harvested. Hallie Ray Nichols, 4 and her mother Mrs. Velma Ray of Brown county, have filed suit against the Gulf, Colorado & Santa Fe railroad for \$25,000 for alleged damages. The suit, filed in District Judge O. L. Parish's court, alleges that the woman's husband, Sam B. Nichols, was killed on August 21, 1940, near Santa Anna when the automobile in which he was riding was struck by a Santa Fe train. The girl in the case is the adopted child of the late Mr. Nichols and Mrs. Nichols.

The railroad commission office reported gauge completed on the North South Oil company producer completed in the Goldsboro pool in Coleman County in recent months at a flow of 157 barrels of oil in 24 hours. The Gill ranch of Whon has sold a polled Hereford bull to M. R. Waters of London, Tex. The ranch also made a sale to J. W. Robins of London. State Oil Corporation has just completed two oil wells in the Novice pool and two more are getting ready to drill in.

The Brooksmith P. T. A. will present a play entitled "Wild Ginger," at Trickham, Wednesday night, Nov. 13. Admission 10c and 15c.

## SANTA ANNA AND COLEMAN DRAFTEES NUMBER 16

All but four of the first 20 draft numbers affecting Coleman county draftees were for Santa Anna and Coleman men. Coleman county's No. 158—the first number drawn—is held by John William Patterson, Jr., WPA supervisor, who resides in Coleman. Others affected in this county include, local board orders numbers 2 to 20 inclusive: Dave Carroll Conley, Raymond Kemp, Walter Keeney and Richard Leonard Jennings, all of Santa Anna; James Irvin Stinson, Glen Cove; Thomas Ellison Wood, Santa Anna; John William Cox, Leonard Wright, and John Lee Warren, all of Coleman; Ralph Leroy Thigpen, Santa Anna; Clyde Richard Crenshaw, Valera. Nolley Hutch Ins, Coleman; Herman Carlton Davis, Talpa; Perchal Doyle Walker, Burkett; Aubrey Benton Smith and John Clifton McWhorter, both of Coleman; David Henry Williams, Jimmie Lee Baird and A. C. Atkins, Santa Anna.

## PROCLAMATION

WHEREAS the eleventh day of November is a day apart and venerated by our people since that day in 1918 when an Armistice between the belligerent nations was signed in the Compeigne Forest of France, and WHEREAS, by ordinances and regulations, laws and customs the nation has seen fit to observe the day by withdrawing from all pursuits not essential and by festivities and thanksgiving keep the day sacred, now I, as mayor of the city of Santa Anna, do call upon the people of the city to appropriately observe the spirit of the day and in keeping therewith to close all businesses and industries not essential, and those essential for such period of time as may be safely done, so that owners and employees may join with the others of our people in observing this day.

**LOCAL GAS OFFICE ROBBED.** Wednesday morning, November 6, between twelve and one o'clock the Coleman Gas and Oil Company office, south of the Santa Fe depot, was entered through an unlocked window. Falling in an attempt to open the safe, containing money and valuable papers, with a sledge hammer, the robbers lifted the safe through the window and rolled it several yards to a car parked in the cotton yard behind the gas office. State and local officers are working on the case.

## Growers Get Points On Turkeys

A small, but very enthusiastic crowd of turkey growers met at the Rockwood schoolhouse Tuesday evening to hear George P. McCarthy, poultry specialist of the A&M Extension Service.

In his discussion many suggestions were offered for improving the quality of Texas turkeys. In selecting the breeding stock, it was urged by Mr. McCarthy that it be selected from the well developed early maturing birds. Select for wide breasts, straight backs and breast bone and for wide deep bodies. Mr. McCarthy visited one of the local dressing plants Tuesday and was high in his praise of the quality of the birds being dressed.

Turkey egg production was discussed and it was urged to avoid hens too fat. If lights are used they should be turned on starting at about five o'clock and gradually increasing the "daylight" until their pens are lighted at four o'clock. A good commercial laying mash or well balanced home mixed ration should be kept before the birds at all times. A light grainfeed should be given in the morning and a heavier ration in the evening. It is very important to warm the water during cold weather. All birds should be wormed and preferably vaccinated against fowl pox before put in the laying pen.

## DIRECTORS OF TURKEY EGG CO-OP MEET

The directors of the Turkey Egg Co-op Association met at Rockwood Tuesday evening and made the organization permanent. The contracts have been printed and anyone desiring membership or contract may get the blank at Griffin Hatchery. Sufficient eggs have been sold at a profitable price to take care of the producers in Coleman County. Eggs from the surrounding territory will be shipped from Santa Anna.

## Heart o' Texas News Briefs

Brown County Broadcasting Co. at Brownwood has been issued a permit by the federal communications commission for construction and operation of a radio station. Work starts Monday on a new Presbyterian Church building, at Brady, the contract having been let last week Thursday to H. H. Richards, Brady contractor, for the construction of the new \$14,500 edifice.

In cooperation with men working at the army camp and Brownwood merchants, the Citizens National bank of Brownwood will open at 4 p. m. Saturday and remain open until 9 p. m. on that day to cash checks. The bank will otherwise observe its usual Saturday hours, opening at 9 a. m. and closing at 12 noon.

An increase of 64 per cent in postal receipts an unheard of record, was recorded for Brownwood during last month, it was announced Saturday.

Pay checks totaling \$210,000 were issued last week to 7,200 persons at Camp Bowie—as construction work on the huge military training center entered the home stretch. Less than a month remains before the 36th Division camp must be completed.

More than 150 water connections have been made by the City of Brownwood at homes and places of business of new people coming to Brownwood within the last two months, a check of water department records at the city hall reveals.

The Walco Construction Co. of Tulsa has been awarded contract for construction of an additional 276 miles of rural electrification lines for McCulloch County Rural Electric Cooperative on a bid of \$142,000. A total of 10,494 bales of cotton had been ginned in McCulloch county prior to October 15, this year, according to government figures. (Continued on Page 2)

DECEMBER 2 TO 6 DESIGNATED AS HIGHWAY WEEK

A front-row seat will be provided Texans interested in seeing and studying the inner workings of the state's highway transportation show when it is spotlighted during Highway Week, December 2 to 6, inclusive. The main point of emphasis, during the week, according to an article in the November issue of Texas Parade, will be on the state highway financial picture with efforts concentrated on portraying to the public the vast amount of work that needs to be done on the highway system before it can be called "completed."

Through the press, public meetings and other agencies The Texas Good Roads Association will inaugurate a campaign to educate the people on the needs of Texas' highway system," the article reports and draws attention to the fact that "this highway system now holds the spotlight as one of the key links in the chain of national defense that is being forged. Texas highways will be called upon for heavy service when the rearmament program gets into full swing and the thousands of motor vehicles, motorized guns and infantry and supply lorries begin moving in large numbers."

Estimates recently prepared by the Texas Highway Commission, the article suggests pointedly, "disclose that it will require the expenditure of \$498,000,000 to complete work on the existing state highway system and on extensions of the system now on file with the Commission. The average annual income to the Highway Department available from all sources for construction purposes for the past 10 years has been about \$30,000,000. On this basis, it will require 16 years to do the job that needs to be done today to adequately serve Texas' growing needs in the motor transportation field. Because of these facts the spotlight will be turned on the financial picture to provide a backlog of public sentiment in favor of submission by the next legislature of a constitutional amendment that will end, once and for all, the constant threat of further diversion of motor-ists' taxes to purposes of government which, although worthy in themselves, have no relation to highway construction and maintenance. The Texas Good Roads Association has made this the No. 1 project on its legislative program. A similar amendment has been adopted by eight other states and planks against diversion of highway taxes have been included other in party platforms of gubernatorial candidates in

**NOTICE TO THE REAL AND TRUE OWNERS OF THE PROPERTY HEREINAFTER DESCRIBED IN THE CITY OF SANTA ANNA, OWNING PROPERTY ON THE STREETS HEREINAFTER NAMED**

Notice is hereby given to the real and true owners whether hereinafter named or correctly named or not of property abutting upon Second Street, Bowie Street, First Street, Avenue C, Avenue B and Wallis Avenue in the City of Santa Anna within the limits hereinafter defined and to all persons owning or claiming a ny such property abutting on said streets or any interest therein or liens thereon, and to all others owning or claiming or interested in any of the proceedings, contracts and matters hereinafter mentioned, that:

The City Commission of the City of Santa Anna, Texas, by duly enacted ordinance dated October 23, 1940, has determined the necessity for and ordered the improvements of the following streets and portions thereof in the limits of said City, to wit:

Second Street from the South line of Wallis Avenue to the north line of Bowie Street, being the street in said City running east and west and lying one block south of Avenue D.

Bowie Street from the east line of Third Street to the west line of Houston Street.

First Street from the north line of Bowie Street to the south line right of way of the G. C. & S. F. Ry. Co.

Avenue C from the east line of First Street to the west line of Lee Street, said Lee Street being the street running north and south along the east lines of Blocks 46 and 63 in the town of Santa Anna as shown on the map of said town of record in Vol. 87, pages 434 and 435, Coleman County Deed Records; from the east line of Lee Street to the west line of Houston Street, said Houston Street being the next street east of Lee Street.

Avenue B from the east line of Eighth Street to the west line of Second Street. Wallis Avenue from the east line of Sealy Street to the west line of Fourth Street, said Sealy Street being the street running north and south and running up to and immediately east of what is known as the Sealy Hospital.

The improvements so determined upon by said City Commission of said streets being as follows, to-wit:

It is hereby determined that it is necessary to improve said streets hereinabove named and the portions of same hereinabove set out.

That each of said streets shall be improved with a concrete sidewalk on each side of the same, said concrete sidewalk to be four feet in width and four inches in thickness, running parallel to each of said streets and on either side thereof.

That each of said streets shall be improved with a monolithic concrete curb and gutter twelve inches in height on the outside and eighteen inches wide.

That each of said streets with exception of Wallis Avenue shall be improved with a caliche gravel base eight inches thick.

That said caliche base shall be of the following width between said curbs: on Second Street 54 feet in width, on Bowie Street 36 feet in width, on First Street 42 feet in width, on Avenue C between First and Lee Streets 52 feet in width, and on Avenue B 48 feet in width.

That concrete curbs shall be constructed on each side of said streets where adequate and sufficient curbs and sidewalk are not now installed along curb lines so fixed.

That said streets with exception of Wallis Avenue shall be improved from curb to curb by providing thereon the caliche base as hereinabove referred to and as deemed adequate by the City Engineer either by reconstruction or repair as may be necessary and proper.

The said City Engineer has caused said City Engineer

to prepare and file the hereinafter set out estimates of the cost of such improvements and has heretofore by duly enacted ordinance dated October 23, 1940, determined the necessity of levying an assessment against the property abutting upon said street within the limits defined, and the real and true owner or owners thereof, and did adopt and determine the hereinafter set out proposed apportionment of the costs of said improvements between said city and the abutting property and the real and true owners thereof, and that the portion of said costs proposed to be assessed against the abutting property and the real and true owners thereof will be in accordance with the FRONT FOOT RULE OR PLAN and did further adopt the following proposed rates and estimates of said costs:

That the estimated cost per front foot to be assessed against each abutting property and the real and true owner or owners thereof for curbs and gutters is \$.635 per lineal foot; and for sidewalk \$.637 per lineal foot; and for base \$1.12 per cubic yard.

The total estimated cost for each of said streets being as follows, to-wit:

**UNIT 1**  
FIRST STREET from the South Line of Wallis Avenue to the North Line of Bowie Street.  
TOTAL ESTIMATED COST OF IMPROVEMENTS: \$5385.44

**UNIT 2**  
BOWIE STREET from the East Line of Third Street to the West Line of Houston Street.  
TOTAL ESTIMATED COST OF IMPROVEMENTS: 5143.20

**UNIT 3**  
SECOND STREET from the North Line of Bowie Street to the South right of way line of G. C. & S. F. Ry. Co.:  
TOTAL ESTIMATED COST OF IMPROVEMENTS: \$4500.48

**UNIT 4**  
AVENUE C from the East Line of First Street to the West Line of Lee Street, and from the East Line of Lee Street to the West Line of Houston Street:  
TOTAL ESTIMATED COST OF IMPROVEMENTS: \$2899.07

**UNIT 5**  
AVENUE B from the East Line of Eighth Street to the West Line of Second Street.  
TOTAL ESTIMATED COST OF IMPROVEMENTS: \$3644.51

**UNIT 6**  
WALLIS AVENUE from the East Line of Sealy Street to the West Line of Fourth Street:  
TOTAL ESTIMATED COST OF IMPROVEMENTS: \$4986.24

A hearing will be given and held by and before the City Commission of the City of Santa Anna at the City Hall in said City beginning at 2:30 P. M. on the 12th day of November 1940 at which time the real and true owners whether named or correctly named herein or not of the property abutting upon said streets and all persons owning or claiming any such property or interest therein or lien thereon will be given an opportunity to be heard with respect thereto.

At said time and place all such persons, firms, corporations, and estates, and their agents and attorneys, shall have the right to appear and be heard and offer testimony as to the said assessments and the amount thereof proposed to be assessed against said abutting property and the real and true owner or owners thereof, the lien and charge of personal liability to secure payment of said assessments, the special benefits to accrue to each such abutting property and the owner or owners thereof by virtue of said improvements, if any, or concerning any error, irregularity or deficiency in any proceedings or contracts in reference to said improvements, and said proposed assessments, and concerning any other matter or thing as to which hearing is a Constitutional prerequisite to the validity of said

assessments, proceedings and improvements, to which they are entitled to a hearing under the laws of the State of Texas.

Following such hearing assessments will be levied against each and every parcel of property abutting upon said street, within the limits herein defined and the real and true owners thereof for that portion of the costs of said improvements determined by said City Commission to be payable by such abutting properties and the real and true owners thereof, and said assessments shall be and constitute a first and prior lien upon said abutting property from the date said improvements were ordered by said City Commission, and shall be a personal liability and charge against the real and true owners of such abutting properties, as of said date, whether such true owners be named, or correctly named, in said proceedings or not, and no error or mistake or discrepancy in the names of such owner or owners or in describing said property in this notice or in any of said proceedings with reference to said improvements shall invalidate any assessment or certificate issued in evidence thereof, but nevertheless each parcel of property abutting upon said street within the limits defined, and the real and true owner or owners thereof,

shall be charged with, and be liable for, said assessment which shall be valid whether or not such owner or owners be named or correctly named, all as provided for and under the Acts of 1927, 40th Legislature of the State of Texas, First Called Session, Chapter 106, commonly known as Article 1105-b, Revised Statutes of Texas, under which said improvements, proceedings and assessments are being constructed, performed and levied.

The following is a list of the apparent owners and description of said abutting property, which list is included herein merely as an aid to assist in giving notice to the said real and true owners of said abutting property, and is cumulative of, and in addition to, the requisites of the foregoing notice as provided for by said Acts, above identified, which notice is itself valid and sufficient, and the following list shall not be conclusive as the real and true owner or owners, and the descriptions of said abutting property nor shall said list limit said notice to such owners named or property described, but this said notice shall nevertheless be directed to be real and true owner or owners of said abutting property, whether named or correctly named herein or not:

THREE HUNDRED F. F. A. BOYS FROM TEXAS GO TO KANSAS CITY THIS MONTH

Approximately three hundred farm boys will be in Kansas City, November 10-13, to represent Texas Association of Future Farmers of America at the 13th Annual F. F. A. Convention.

At the last National Convention, the Texas Association was awarded first place among all state, territorial, and insular organizations of Future Farmers of America. The boys from Texas like this "top spot" and plan to keep it. Chapters have done some outstanding work during the past year in accomplishment of objectives in conservation of soil, water, trees and wildlife, rural recreation, leadership, home improvement, pest eradication, and many other individual and cooperative projects.

A large number of the Texas boys will make the trip to Kansas City on the Santa Fe Special F. F. A. train which will leave Fort Worth at 7:45 A. M. Sunday, November 10, and will arrive in Kansas City at 8:45 P. M. The American Farmer Degree is conferred upon F. F. A. members who have met requirements in farming ability, scholarship, and leadership. There are twenty-seven Texas boys who are candidates for this degree and will attend the Convention. Among the twenty-seven boys is H. W. Norris, Jr. of Santa Anna.

DANGERS OF CARBON MONOXIDE CITED

To minimize the danger of carbon monoxide poisoning during winter weather, motorists are urged by Dr. Geo. W. Cox, State Health Officer, to check up now on the exhaust systems of their automobiles for defective connections and leaks.

"Colder weather will soon be here, and it will be necessary to drive in closed cars. Carbon monoxide may seep inside from leaky connections and overwhelm occupants of the car," Doctor Cox warned.

The State Health Officer said that headaches which occur during long drives may be an indication that carbon monoxide is leaking into the car. "Sleepiness, dizziness, fatigue and in extreme cases, paralysis, are other symptoms of carbon monoxide poisoning. Truck drivers on long drives are particularly vulnerable," Doctor Cox stated.

Carbon monoxide is colorless, odorless, and tasteless. When it is in the air it gives no sign of its presence and is taken into the blood instead of oxygen. Suffering or collapse result from lack of oxygen.

The same carbon monoxide produced from exhaust gas of cars may also be a by-product of the incomplete combustion of fuel in homes, whether the fuel be gasoline, wood, coal, gas or oil. Such incomplete combustion is usually brought about by using heating apparatus improperly adjusted or constructed. Periodical check-ups of heating equipment and connections should be made to forestall any possibility of carbon monoxide poisoning.

Topography and geography of Texas make rural line construction much less expensive than had been expected in early surveys at the time the REA was created.

Our Wildlife

BY JOHN R. WOOD State Game Warden TEXAS GAME, FISH AND OYSTER NEWS

Texas is the sixth leading duck hunting state, figures released by the U. S. Fish and Wildlife Service show. Texas sold a total of 63,460 migratory waterfowl stamps last year. Minnesota was the leading state with a total of 120,034 stamps being sold, according to word received by the Texas Game, Fish and Oyster Commission at Austin.

More than 1,000 gar, 1,098 to be exact, have been seized from Medina Lake by the Texas Game Department during the last fortnight. Medina Lake, lower than it has been at any time since it was created, has given up some huge gars, many of them five and six feet long, but there were not as many gars in the lake as sportsmen of that section believed. Medina Lake is in danger of going completely dry. Should that occur, the Texas Game Department will restock the lake and should it be closed to fishing for a year it is expected to once again become one of the best fishing lakes in Texas. Probably more bass weighing over seven pounds have been taken from Medina Lake than any other one body of water in the state.

A Newton, Texas, resident recently struck at a snake on a log and before he left the spot had killed fifteen rattlers, some of them with as many as twenty-three rattles. When he struck at the snake on the log a larger one emerged. He got his gun and cleaned out fifteen rattlers. While he was concentrating on the rattlers a wildcat ran out of the other end of the same log, believe it or not!

A fisherman on Eagle Mountain Lake paid for the members of the Finny tribe he caught at the rate of \$1.25 per pound. The Fort Worth state game warden recently caught him with 75 pounds of fish in two illegal traps. His fine was \$100. Some fish nets are legal, but fish traps of the type used by the Fort Worth man are illegal. Sportsmen finding such traps in lakes or streams would be doing themselves and fellow fishermen considerable benefit if they reported the traps to the nearest game warden.

VARIOUS INSURANCE RATES GREATLY REDUCED

Sweeping reductions in some classes of commercial and other vehicle insurance rates announced by the Texas Board of Insurance Commissioners was heartening news to truck operators.

ators, Lyon Shaw, manager of the Texas Motor Transportation Association, reported today.

Reductions amounting to almost thirty per cent were made in the bodily injury and property damage rates on classes III and IV of commercial vehicles, and certain types of privately owned vehicles were given bodily injury rate reductions amounting to about 25 per cent. Classes III and IV, in which are included ambulances, armored cars, local transfer trucks, brewers' trucks, local contract trucks, local express and freight forwarding trucks, fuel tank trucks, mail trucks, R. F. D. trucks, moving vans, newspaper delivery trucks, parcel delivery trucks, produce dealers' trucks, railroad company's local trucks, service cars, local steam and stevedore company's trucks, were given reductions of almost 30 per cent by the new order which goes into effect November 15.

Passenger car bodily injury rates were reduced about 25 per cent, as were farm and ranch trucks and pick-ups. Further reduction was given to several special vehicles by reclassification.

400 Year-Old Chaucer's Edition In University Of Texas Library

Still in its original binding of oak slabs and leather, a 400-year old "omnibus" edition of Geoffrey Chaucer's works is currently being shown in the rare books room of the University of Texas Library.

Two large exhibition cases are filled with Chaucer editions dating as far back as 14 years before Columbus discovered America, and may be seen at the Library Open House, Sunday afternoon, November 10. Oldest item in the Chaucer group is a leaf from the first Centurury Tales, dated 1478.

U. of T. Engineering Dean Returns From Washington

University of Texas engineering dean, W. R. Woolrich, has returned from Washington, D. C., where he conferred with national heads on a newly inaugurated \$9,000,000 defense program in the nation's engineering colleges.

Instituted by Congress two weeks ago, the program divided 155 American engineering schools into 22 districts under the supervision of the U. S. Department of Education. Purpose is to coordinate technical defense training with industrial needs, Woolrich said. The Texas engineer is advisor of region 18, which includes Louisiana and all of Texas east of the Pecos River.

SANTA ANNA LOOSES TO COLEMAN 7 TO 13

The Santa Anna Mountaineers lost to the Coleman Blue-cats in a hard fought game packed with many thrills, Friday night.

The starting line-up was as follows: L. S. Box; L. T. White. L. G. Watson; C. Wet; R. G. Turney; R. T. Cupps; R. E. Shelton; Full, Pope; Half, Speck; half, Horner; Q, McClain. The substitute was Hartman for Turney at R. G.

The Mountaineers kicked to Coleman but neither side was able to threaten to score the first quarter. Coleman made a threat early in the second quarter in reaching the eight yard line before they lost the ball on downs.

This left the Mountaineers in a rather difficult position, but the situation was solved when Pope standing behind his goal line boosted the ball 63 yards and well over the Coleman safety's head. That ended the threat of the first half.

Coleman kicked off at the half but the Mountaineers were unable to score before losing the ball. The third quarter was scoreless with neither side getting within in scoring territory.

The fourth quarter started off with plenty of fire. Coleman went across the goal line twice before the Mountaineers could rally, making the score 13-0 in favor of Coleman.

The Mountaineers then came back and after a long gain by Speck on a fake punt came within scoring territory. McClain, who was calling signals was injured so the quarterback post went to Speck. On the third play Horner threw left end Box a pass for Santa Anna's lone score. Pope made the extra point through center.

The Mountaineers were again in position to score when the game ended.

The star players were Speck, Pope, Box, Horner and West.

MOUNTAIN SNOOPERS

Hi Ther Mountaineers! We are back again this week to let more people know about the going ons in this here school.

This rumor about the West-Mathews case is getting serious. I'm afraid. Watch out West, when you take this hear girl to church and meet the ex-boy friend. I don't know what to tell you to do next. Dear me.

Sarie tells me she had a dream and there was that thor black and gold bird again. He told her that Helen Cruger and Bobby, the editor's son, have a romance too. Maybe I'm just an old maid, but thar are just too many puppy lovers in this S. A. H. S.

It is really a shame when Jimmy Sue and Tom write notes in the S H. and then are punished for it (I would like to read one).

This bird flew into the Howell Theatre Saturday night and he saw more of them Mountaineers. Over in our corner was Fannie and Bulldog and then to my surprise the bird told me that Richard and Oma Dean, H. K. and Fredna were there too. My! My! We will have less of this.

If you ever want to get the low down on Coleman boys just ask Wilma Jo, Maude, Johnnie Ellen, Rachal and Marie Harris. Ask them about Forrest, Charlie Mutt, Johnny and E. S.

Watch out girls. Just because we have two goodlooking agriculture teachers in school this week, don't let your heart skip too many beats, it may become serious.

Ruth, you kniw you aren't so popular that you have telephone calls, especially the 7th period. Is it because of the "boxes" in the office? Oh yeah. Why were you and Kathryn late for B. P.?

As it true that Lois Blanton, Ruby Mae Blanton and Eriene Brooks will cause Mr. Myrick to turn gray haired before the year is up because they don't read their history? What about it, Mr. Myrick?

Love to All, Sarie and Sally P. S. We again repeat! If we write something you don't like just write Sarie and me cause we ain't aiming to hurt nobody

BLAST THOSE BUFFALOES!

Have we a football team?? Yeah man!" This is heard quite often around S. A. H. S. and we believe it.

We have lost only three games and won four. Tonight the Mountaineers play a real team. The Cross Plains Buffaloes have lost only a few games. They tied Coleman and lost to Ballinger and Brady. Therefore they must be pretty good.

Santa Anna is pretty good too! The game should be good. The Mountaineers are going out fighting. The can and will. We need another victory or we'll help Mozelle hold down the cellar! We're along to get one. Come on boys!

Blast those Buffaloes!!!

Mrs. R. C. Straughan, Mrs. Sam Rutherford and Mrs. Roy Blackwell spent Tuesday in the home of Mrs. George Ryan of Waldrip.

Mrs. Jack Rutherford and little daughter, Hazel, spent Wednesday with their mother and grandmother, Mrs. J. O. Chapin, of Waldrip.

Mrs. Boss Estes and Douglas Fannie Mae Rutherford and Bobbie Wise shopped in Brownwood Wednesday of last week. Jack Fore of Ranger is visiting his sister, Mrs. Emmett Woods.

Wanda Woods, Mary Frances Herring, Warnell Avant and Curtis Bryan were in Santa Anna Sunday afternoon.

H. L. Hill of Grosvenor is visiting his brother, E. L. Hill. Mrs. Lucy Shamblin and Bill of Fort Worth are spending the week with the Herman Estes family.

Besides being mascots of the Yellow Jacket team, little Kenneth Estes and Patsy Bryan have something else in common. That something else is a disagreeable sore throat. Kenneth came home from the Brady hospital Sunday and Patsy returned from the hospital later in the week.

George P. McCarthy, poultry specialist from the Extension Service, was the principal speaker at a turkey owner's meeting Tuesday evening at the Rockwood school building. Much interest is being shown in the turkeys in the Rockwood area.

Mr. and Mrs. Boss Estes were in Brady Sunday. Nora Beth Hill, Margaret Bryan and S. H. Estes went to Brady Sunday.

Nancy McCreary of Abilene who was visiting her parents last week-end had Loraine Parsons and Katherine Wiley of Santa Anna as her guests Sunday.

E. L. Hill visited in Brady Sunday with Mr. and Mrs. Britton Embry. Mr. and Mrs. Clyde Box and family of San Angelo spent Sunday with Rockwood relatives.

Miss Myrtle McGregor and Miss Curtis Gregory were in Santa Anna Saturday. Doug Estes was a business visitor in Coleman Saturday.

Maxine McCreary visited in Coleman Friday and Saturday. The 1500 mark for cotton ginning this season is just over the horizon. Monday's count was 1417 bales.

Eden is still ahead of the rest of the district 10-B football teams. The following is a thumbnail sketch of Rockwood's games:

Rockwood 0; Santa Anna, 19. Rockwood, 19; Mozelle, 0. Rockwood, 0; Eden, 12. Rockwood, 18; Bangs, 0. Rockwood, 25; Melvin, 7. Rockwood, 6; Paint Rock, 0. Rockwood, 20; Eola, 0. A game is scheduled for Rockwood in Mason to-night.

During this time I have passed through many hard places; suffered many sore afflictions, but through them all the Lord brought me safe thus far, thank God. He has been good to me; He is still my support, in Him I trust; He has never left nor forsaken me; I have always found him a present help in time of need. He gave me ten children, four of them He has taken with their mother to Heaven, the other six He has permitted me to see on their way, all members of the church with their families. Now with one of old, I am ready to say mine eyes have seen Thy salvation and I am ready to be offered up. I am waiting, only waiting Thy will, not mine be done, O Lord.

KIDNEY STAGNATION IS WORSE THAN CONSTIPATION!

Because We Treat Constipation at The Onset, While We Neglect Our Kidneys Indefinitely

More other organ in your body is of more importance than your kidneys. For in your kidneys there are nine million tubes which must work day and night to filter the fluids and keep the system free from wastes, acids, poisons which, if permitted to remain, may cause serious kidney and bladder troubles.

It is no wonder then that Nature often calls for help to clean out the kidneys. So if you are troubled with Getting-Up-Nights, Leg Pains, Backache, Nervous Headache, Pains of Loss of Energy, due to functional kidney disorders, try KIDANS, the famous kidney remedy, which aids Nature to flush out the kidneys, to filter all wastes, to prevent kidney stagnation.

KIDANS is Safe and Reliable. Thousands report entire satisfaction. Taken according to directions, KIDANS will give you rapid results. Try KIDANS. Buy it at our Special Price Offer on two boxes. Use one box. If not satisfied, return unopened box and GET YOUR MONEY BACK.

If your local druggist cannot supply you, send \$1.00 to The Kiddans Company, Atlanta, Ga., for two full size boxes on a money back guarantee.
