Just A Column

From Some Place In England

Dear Editor:

I would like to subscribe for the old S. A. News. It sure does get boring not knowing the town gossip. I have been intending to do this long time now, but just haven't done it. You can see my name, J. J. Horner or Oscar Horner for the money. They will give a check on me.

Little personal information. I am doing fine in England and I think it is a lovely country. I have a good job and like it fine. I am also with one of the finest groups over here. The boys are doing a fine job. I will close hoping this finds the little city on the up and up.

A friend,
William B. Horner

O. K. Bailey, we are glad to hear from you and have placed your name on our mailing list. Hope you receive the News regularly and get as much pleasure from reading it as we do in sending it to you.

At a called meeting of the Order of Business Efficiency, at the Brownwood college of business last Friday, Miss Bitha Barrington, daughter of Mr. and Mrs. C. M. Barrington graduate of the Santa Anna High School, was elected president. Miss Barrington apparently is making good in her business training.

Mrs. William R. Buse received in the mail early this week, a painted coconut in the shell, coming from her husband, Pvt. Buse, who is now stationed in the Hawaiian Islands.

Mrs. Duke Walters returned to her home in Sanderson this week, after visiting several days with her parents, Mr. and Mrs. Ed Spencer. Mrs. Walters, mother of Duke, accompanied her daughter-in-law home for an indefinite visit.

Rex L. Turney, USMS, Sheepshead Bay, Brooklyn New York, spent the weekend with his father, Bert Turney at Whon.

Aubrey Parker went to Dallas this week, where he purchased the machinery for re-capping automobile and tractor tires, to add to his already large equipped Auto Supply store. Mr. Parker succeeded in arranging for priorities, and will have his new machinery installed about June 1.

P. T. A.

Tuesday March 23, 3:10 p.m. the Ward school PTA held a called meeting at the Ward school. There was a quorum present and the following business was acted upon. The election of officers for the ensuing year. All 1942 officers were retained by popular vote for another year except a new secretary, Miss Alma Lovelady will serve for the ensuing year.

The PTA will send two or more delegates to the PTA District Conference that meets in Cleburne the 7 and 8 of April.

The PTA meets each 3rd Tuesday of the month at the Ward school. The primary grades have presented some clever programs each month, and the members have had splendid talks or lectures each meeting. We are enjoying the largest membership we've had in 10 years. There will be a very good program presented in April. Don't Miss it. A hearty welcome awaits you.

Returned Missionary Will Speak

A returned missionary, Miss Mary Dodson, will be the speaker Sunday night at the Union Service in the Presbyterian Church. Miss Dodson has been a missionary in Korea for about twenty-five years and recently returned on the Gripsholm. Don't miss her message. Many people around Santa Anna know Miss Dodson. Come and hear her.

Miss Dodson will also talk at the quarterly meeting of the Federated Missionary Society Monday afternoon.

Miss Neva Jo Steward Becomes Bride Of Lt. F. W. Haver

ELDORADO, March 22.—In a single ring ceremony read at 8 o'clock Saturday evening in the Big Spring Bombardier Post Chapel, Neva Jo Steward, daughter of Mr. and Mrs. William J. Steward of Eldorado, became the bride of Lt. Frederick W. Haver, Jr. son of Mr. and Mrs. F. W. Haver of Pueblo, Colo. Chaplain Patterson read the vows.

The bride's attendant was her sister, Mrs. Walter Weems of Big Spring. The bride is a graduate of Eldorado High School and attended T.S.C.W. at Denton. Lt. Haver is a graduate of Pueblo High School and attended Colorado University. He is stationed at the Big Spring Bombardier School as a pilot.

The couple is at home at 506 Goliad, Big Spring.

Local Cadet Killed

COLEMAN, March 24, (Sp) Richard Law, aviation cadet at Coleman Flying School was killed in a plane crash Tuesday at 11:00 A.M. while flying with his instructor, O. H. Stansel, Jr. The accident occurred about six miles northwest of Coleman, after the instructor was thrown from the plane, parachuting to the ground, receiving some injuries.

Deceased was a 23 year old cadet, a native of England. He was the son of Mr. and Mrs. James Law, of Rochester, New York. He and his wife came to Coleman about two months ago, Mrs. Law returning to Rochester last Sunday.

The J. E. Stephens company prepared the body and shipped it to his former home for burial.

MIAMI, Fla.—Among the thousands of Texans fighting with the armed forces is Vernon E. Hagar, a peacetime resident of Santa Anna, and now a seaman, first class, in the United States Navy.

The son of Mr. and Mrs. J. D. Hagar of Santa Anna, he joined the service of his choice on January 16 of last year, and currently is enrolled in the rapidly-expanding Submarine Chaser Training Center here, the only service activity of its kind in the United States.

The thousands of young men selected for this school from other training centers and from the fleet are put through an intensive, seven-day-a-week course here to make them specialists in the all vital business of anti-submarine warfare.

Hagar attended the San Saba high school in San Saba, and was active in school athletics, playing football and baseball.

He probably will see action with a sub chasing unit as soon as he is proficient in the practical application of the Sub Chaser school's motto—"Sink That Sub!"

NUMBER 13

Notice Of City Election

Notice is hereby given that an election will be held in the City Hall the first Tuesday, same being the 6th day of April 1943, for the purpose of electing a Mayor and two Commissioners, to serve for two years.

All applicants for place on ticket must file application with City Secretary not later than April first. Applicants must be recommended by at least three qualified voters. 113t City Commission

Federated Missionary Society To Meet With Presbyterians

Miss Mary Dodson, a returned missionary from Korea, and for a while a prisoner of the Japanese, who came home on the "Gripsholm" will be the guest speaker when the women of the U. S. A. Presbyterian church entertain the members of the Federated Missionary Society Monday March 29th at 3 o'clock.

The Presbyterian women desire that all the women of the participating churches be present.

Eighth Grade

Chapel

March 16—The first, second and third grade classes offered a short play this morning. The play was entitled "Victory Gardens." The children filed to the stage each carrying a picture of some vegetable and each wearing a cap having a letter. When all were assembled the letters spelled Victory Gardens. As each character entered he or she offered a short slogan pertaining to the vegetable which he represented. After all were assembled they sang a song, "Victory Gardens" to the tune of the "Battle Hymn of the Republic." After the children left, Mr. Burgett took charge and the higher grades sang another song. Mr. Burgett offered a beautiful prayer and read six verses. He then gave a report on the schools red cross activities. Since Wednesday \$31.15 has been turned in to Mr. Burgett. He thought if our school could raise \$100.00 it would be one-tenth of Santa Anna's quota.

After the announcements several more songs were sung including the "Star Spangled Banner" and "America" Chapel was then dismissed.

We want to congratulate the smaller children on their play. They didn't show a bit of the usual timidness of smaller folks.

Mary John Wade, niece of Mrs. G. W. Myers, Santa Anna, made the fall semester honor roll at Texas Technological College with an average grade of A-. She is enrolled as a sophomore journalism student.

Mrs. Ivey Barker, Gladys and Ivey, Jr. and Mrs. McCullough all of Coleman visited Miss Luella Chambers last week.

Yes—B. J. D. E. & S.

USDA Calls Meeting

Food Production Orders 26 and 27, issued by the Food Distribution Administration under the Department of Agriculture, effects all producers of livestock, persons who buy and sell livestock and all persons who slaughter livestock for sale. The above orders are effective midnight, March 31.

Food Production Order 26 states in part: Producers, which includes any person who owns any livestock in whole or part and is engaged in dairy, wood or meat production or in the business of breeding, feeding or finishing such livestock. A dealer is a person who buys and sells livestock, keeping such livestock not to exceed a period of 30 days. An agent is a person who buys or sells livestock on a commission or agency basis, either as an employee or agent of a buyer or seller. Records are required to be kept in connection with each purchase or sale.

Food Production Order 27 states that all persons or firm who slaughter meat for sale must obtain a permit. Permits are issued to persons or firms under Local Slaughter, Butcher and Farm Slaughter. A Local Slaughter is a person who slaughters live-weight of livestock in excess of 300,000 lbs. A Butcher is any person who slaughters live-weight of livestock not in excess of 300,000 lbs. in 1941. A Farm Slaughter includes all resident farm operators who in 1941 delivered meat from the slaughter of livestock and have a total live-weight of livestock of not more than 10,000 lbs.

Application for permits have been mailed to all of the above persons whose name and address has been filed with the War Board. A meeting of all persons affected by the above order is requested by the USDA War Board, Saturday at 2:00 p.m. for dealers and agents; at 3:00 p.m. for all others. This meeting is being held for the purpose of reviewing applications and issuing permits. All applicants are requested to attend this meeting and bring the forms which they have received from the War Board so that little time will be required for issuing permits.

It will be necessary for holder's of Non-Highway gasoline coupons of R and E denominations to return or mail them to the OPA Office upon expiration. Your new ration good for six (6) months, will immediately be mailed to you. Coupons of other denominations upon expirations should also be returned to the above office.

Carroll Kingsbery, Chairman (gasoline panel), Coleman county War Price & Rationing Board, Coleman, Texas.

All cotton producers attention is called to April 1st, as that is the final date on which applications for 1943 Cotton Crop Insurance can be made.

There were 824 farms in Coleman County in 1942 covered by cotton insurance. A number of these farms collected indemnity payments. At the present there are only approximately 100 producers who have taken advantage of cotton insurance.

We urge that all producers carefully consider this privilege. Any additional information can be obtained at the County AAA office.

Sam Everett and family of San Saba, visited with his parents here Sunday.

LOST \$22.50

Every child, who will be six years old on or before August 31st and who is not 18 or over on that date, is eligible to be enumerated on the school census. If you have a child in these ages and you live in the Santa Anna School District, please notify D. D. Byrne, Supt. provided he has not yet been enumerated. The school district loses \$22.50 for every child in the school age missed. We are especially anxious to get the children who will be six on or before August 31st for they are easily missed. If the names of such children are reported it will be appreciated.

D. D. Byrne

Frank Dobie Publishes Interesting Book

Dallas, March 23—Officials of the University Press in Dallas, a subsidiary of Southern Methodist University, announced today the publication of "Guide to Life and Literature of the Southwest," by J. Frank Dobie, widely-known Texas writer, teacher, and folklorist.

His new book, Mr. Dobie says, is the product of 17 years of work in teaching a course on Southwestern life and literature. In a foreword Mr. Dobie declares, "The book is designed primarily to help people of the Southwest see significance in the features of the land to which they belong, to make their environments more interesting to them, their past more alive, to bring them to a realization of the values of their own cultural inheritance, and to stimulate them to observe."

University Press officials describe the volume as Dobie's most personal book. It contains a reading guide to material on all aspects of life in the Southwest, with notes and comment by Mr. Dobie. Jerry Bywaters, of the Southern Methodist University Art

Red Cross Drive

R. B. Thomas and his FFA boys will make a drive in the residential section for the American Red Cross this week. It has been difficult to get committees to work, and it is commendable in Mr. Thomas and his boys to volunteer for this important job.

People generally are liberal with the Red Cross, because of what it is and what it means. Fact is, the American Red Cross is the biggest, most serviceable and most deserving organization in the world. Just now the Red Cross is represented in every country in the world where we have men in the fighting forces, on all the seven seas and on all battle fronts. You cannot put your money to better use than to turn it over to the Red Cross.

Denton, Tex. March—Wade Polk, junior of Santa Anna, has been elected president of the Industrial Arts Club at North Texas State Teachers College in Denton.

This organization is for students majoring or minor-ing in industrial arts. Membership is by invitation only. Polk is also a member of the Talons Fraternity.

O. L. Cheaney, Jr., son of Mr. and Mrs. O. L. Cheaney, Santa Anna, made the fall semester honor roll at Texas Technological College with an average grade of A-. He is enrolled as a junior electrical engineer.

Amos Caldwell of Denton, also Lt. John E. Caldwell, Jr. of Roswell, N. M. were visiting their aunt and uncle, Mr. and Mrs. Fred Shuford last weekend.

Department faculty, designed the cover, and the work of other prominent Southwestern artists is included in the list of illustrations.

Your Door Bell Will Ring Friday or Saturday

Meet the caller with a smile and your check book, for you will be given the privilege of donating to the

American Red Cross

The organization that goes with our soldiers and sailors to the fighting front in every land and on every sea.

The Red Cross does for our boys on the battle front and in prison camps the things we ourselves would like to do if we were there.

We all can't be soldiers, we at home can and will give the money that enables the Red Cross to be with them.

Santa Anna's part in this drive is \$1,000.00

DO YOUR PART—OUR MEN IN THE SERVICE ARE DOING THEIRS—DON'T LET THEM DOWN

MASS MEETING MONDAY AFTERNOON

If you don't have money to spare and can give something of some value, give it, and we will offer such as is brought in for sale at auction Monday following the mass meeting. Every man, woman and child in the Santa Anna district is invited and urged to attend the mass meeting at three o'clock Monday afternoon, in the street between the bank buildings. If weather is bad—meet in the Armory.

Gober—Wylie Nuptials

Before an altar of beautiful flowers at the First Baptist church in Santa Anna Sunday morning, March 21, the Rev. S. R. Smith read the single ring ceremony uniting in marriage Miss Lolette Gober and Mr. Eugene Wylie, in the presence of relatives and a few close friends.

Mrs. Virgil Priddy played "I Love You Truly" and the wedding march.

For her wedding the bride chose a suit of Heaven blue with fur trim with which she wore blue and black accessories. Her corsage was of pink sweet peas. For something borrowed she wore a locket of her aunt's Mrs. Elton McDonald. For something old she carried a handkerchief that her daddy sent her mother from France during World War I.

Miss Glynda Myrl Gober the bride's only attendant wore a navy blue dress with blue and black accessories. Her corsage was of sweet peas. The groom's best man was Robert Dunn.

The bride is a graduate of the 1941 class of Santa Anna high school. She attended Draughtons Business College in Wichita Falls and before her marriage was employed at Camp Barkley as clerk typist.

The groom, an ex-sailor of the U. S. Navy and also recently discharged from the U. S. Army Air Force.

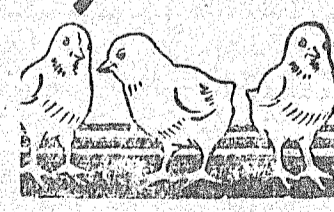

After church the Gober family including the new bride and groom drove to the Manhattan Cafe in Coleman, where a special table was prepared with a wedding dinner and decorations for their noon lunch.

The couple left Wednesday for St. Louis, Mo. where they plan to live.

Cleveland News

(Written for last week)

Those visiting Mr. and Mrs. S. A. Moore Sunday were, Mr. and Mrs. Posey Hodges of Rockwood, Mr. and Mrs. C. T. Moore and daughter, Patsy and Billy and Harold Mills.

Mr. and Mrs. R. C. Rainey and family of Eureka visited Mr. and Mrs. Joe Phillips Sunday.

Mr. and Mrs. Casey Herring and family visited Mr. and Mrs. Elmer Cupps Sunday.

Mr. and Mrs. Silas Wagner and family of Cross Roads visited Mr. and Mrs. John Perry Sunday.

Miss Elouise Callaway of Fort Worth visited with her parents Mr. and Mrs. Callaway here over the week-end.

Mr. and Mrs. Hugh Phillips visited Mr. and Mrs. T. H. Phillips of Bangs Sunday afternoon.

Mr. and Mrs. Carl Mathews visited Mrs. Minnie Callaway Sunday.

Mrs. Frances Irving of San Antonio, Texas is visiting Mrs. John Geer this week.

Mrs. John Perry and children and Mrs. C. T. Moore and daughter visited Mrs. Hugh Phillips Tuesday afternoon.

Mr. and Mrs. M. F. Blanton and family visited Mr. and Mrs. Joe Phillips Wednesday night.

Mr. and Mrs. S. H. Blanton and daughter, Faye of Owens Texas attended church at Cleveland Sunday.

Visiting Mr. and Mrs. Carl Mathews Wednesday night were: Mr. and Mrs. John Perry and family, Mr. and Mrs. Kenneth Brusenhan and Mr. and Mrs. Hugh Phillips and family.

Cleveland Women Organize Home Demonstration Club

A Home Demonstration Club was organized in the Cleveland community Tuesday, March 19 with the following officers being elected: President—Mrs. Driscoll Wood; Vice-President—Mrs. M. F. Blanton, Secretary-Treasurer, Mrs. John Perry. Other officers are to be elected at a later date.

Miss Jewell Hipp, CHDA, gave a demonstration on Spring gardens.

There were nine women and the Agent present.

Rockwood News

(Mrs. Ray Caldwell)

We had a good crowd but not too many at church and Sunday School Sunday. Bro. Harrell brought a good message.

The cold weather continues. We had ice here this morning (Sunday).

Misses Edna Arnold and Janie Stafford of Ft. Worth visited their parents here over the week-end.

Pvt. J. L. (Chick) Rhem is shaking hands with old friends. Chick has been stationed at Madison, Wisconsin, where he contracted pneumonia. He was in the hospital eight weeks, but is looking better since getting back to West Texas and home.

Lt. John Caldwell of Roswell, N. M. and Amos Caldwell of Houston visited their aunt, Mrs. Fred Shufford last week.

Miss Thelma Howard of Coleman spent Saturday night and Sunday with Bro. and Mrs. Jess Throgmorton.

Those attending the Brotherhood meeting at Santa Anna Thursday night included Boss Estes, Fred Sparks, Ray Steward, Dink Snider, Jess Throgmorton and Rev. Harrell.

Mrs. Claud Box and Mrs. Boss Estes received a telegram Tuesday night telling them that their mother, Mrs. J. O. Harkey of Los Angeles, Calif., had undergone an emergency appendectomy. We are happy to report that she is doing nicely.

Mrs. Jack Bostick and sons, Alvin and Edd, and little Miss Patsy Bryan spent the week-

A Week of The War

The Navy's announcement of a recent conference of American, British, and Canadian officers to discuss the protection of allied shipping in the Atlantic revealed that this was only one of a series. Conferences of this sort have been and will continue to be held, the announcement said, to review all phases of the anti-submarine campaign and to determine the most effective uses of allied escort vessels, anti-submarine craft and aircraft. According to OWI Director Davis, the agreement between the U. S., Great Britain and Canada for a concerted war against the submarines gives us reason to look for increased efficiency in this sphere, although the U-boats are still a considerable problem. March, he said, looks like a bad month for allied shipping, but although sinkings so far have been serious it is still too early to tell what the month's total may be January, which also started out badly, eventually proved one of our best months so far.

U. S. Submarines Also A Menace

A late report from the Navy gives the other side of the story. American submarines operating in the Pacific recently sank 4 Japanese vessels (a destroyer, a large transport and 2 cargo vessels) and damaged 3 others. Earlier in the week the Navy reported ship losses for the entire Solomon campaign so far: 64 Japanese ships sunk against 32 U. S. vessels sunk. Japanese ship losses in that area since the campaign began August 7, 1942, included 10 vessels probably sunk and 108 damaged, in addition to the 64 sunk, and thus came to a total of 182. Our losses, according to the report totaled 39; the 32 sunk plus 7 others.

Watts Creek

Mr. and Mrs. W. B. Lunsford of Coleman visited Mr. and Mrs. Fred Brusenhan Saturday night.

Mr. and Mrs. Artie Irby visited Mr. and Mrs. Loren Seals Sunday night.

Mr. and Mrs. Buster Woodward and children, Mr. and Mrs. T. A. Mills and Mrs. Lois Henderson and Bob attended the birthday dinner of Mrs. John Price of Shields Friday night.

Mrs. Raymond Teague and children returned to their home in Grapevine Friday. Mrs. Teague has been visiting her mother, Mrs. Lois Henderson in Fort Worth.

Mrs. Payne Henderson and Doris Jane spent the week-end with Mr. and Mrs. Charles Henderson in Fort Worth.

W.M.S. Activities For March

First week in March the WMS observed the week of prayer for missions. The collection amounted to something over 50 dollars.

Second Monday was Bible Study. There were 13 ladies present, interesting lesson and two 100% Bible readers.

Third Monday—Royal Service Program. This was an unusually interesting and instructive program.

Fourth Monday was the regular business meeting, followed by "A Kitchen Shower" for the church. This shower was sponsored by the WMS, and was quite a success.

Hot Russian tea and cookies were served: Mmes. J. L. Boggus, J. E. Walker, J. E. Watkins, W. V. Priddy, Albert Stephenson, S. R. Smith, D. R. Hill, T. P. Sumner, Aubrey Parker, Reba McCreary R. W. Douglas, Dennis Kelley, Seth Risinger, Frank Goen, Misses Luella Chambers and Mollie Lowe.

A vote of thanks was given Mrs. Seth Risinger, Social Chairman and her able assistants, Mmes. Frank Goen, J. E. Walker and Mrs. W. V. Priddy.

Mrs. Sam Story and her father, J. H. Bingham, went to Fort Worth recently to visit relatives.

Some estimates on the Japanese merchant ship position were given last week by Secretary of the Navy Knox. At the beginning of the war, he said, Japan's merchant tonnage was estimated at 6,369,000 gross tons, and by March 1 of this year her estimated losses had totaled 1,857,000 tons or almost one third of her entire merchant fleet. Mr. Knox admitted that perhaps half of this has been replaced by the seizure of foreign vessels in Asiatic waters and by new building and salvage, but declared that Japan's total tonnage today is probably 14 per cent less than that with which she set out to establish her grandiose "greater East Asia co-prosperity sphere." Japan, he said, is just as dependent on shipping as we are, and in the long run perhaps far more so because of her limited resources of raw material at home.

Americans Occupy Gafsa

The news from Tunisia shows heavy allied air attacks against the Axis base of Gafes in what may be the start of the offensive against Marshal Rommel's Afrika Korps. Bad weather, however, has been restricting operations. Allied forces in Central Tunisia have occupied Gafsa, after a 30-mile advance encountering little enemy opposition. The Axis seems to be withdrawing southeast, in the direction of Gafes, leaving behind mines and bobby traps to impede the American advance, but Allied forces are still pushing ahead, following the retreat.

A communique from Allied headquarters announced that Lieut. Gen. George S. Patton, Jr. who is recognized as one of America's leading exponents of tank warfare, has been named to succeed Maj. Gen. Lloyd R. Fredenhall, who commanded American troops on the Southern Tunisian front during the recent battles of Faid Pass and Kasserine. Gen.

Electricity helps make his "tin hat" TOUGH!

No soldier in the world today has a better, tougher helmet than our own fighting men. It's made of manganese steel—the toughest, strongest protective steel that science and industry together can produce. And it's made in electric furnaces at 3,000 degrees Fahrenheit!

By helping make steel strong, electric power makes West Texas and Uncle Sam strong, too.

One big basic reason for Uncle Sam's matchless war production is America's abundant power supply, over 90 per cent of which is supplied by electric companies like the West Texas Utilities... operating under well-balanced business management and manned by men and women with training and experience in production problems.

This power was ready when war came because these men and women already had the "know-how" and the freedom to plan and create—the initiative to invent and improve—for everybody's benefit.

This, too, is why the average West Texas home today gets twice or three times as much electricity for its money as just ten or fifteen years ago!

It's the reason why electricity will be on the job to help rebuild a battered world—after we have won the victory and the peace.

Shields 4-H Club

Tin cans can successfully be used for tiling. Both ends of the can are to be cut out, stated Miss Jewell Hipp, at a meeting of the Shields 4-H girls club March 10. These cans are laid end to end with the one at the beginning turned upright. These must be placed over 3 to 5 feet. The only difficulty with using tin cans is that they rust out in 10 to 12 years, however, a garden plot should be changed often to insure the best results.

Virginia Lee Lewellan exhibited her doll dress. Kathryn Lou Stewardson and Sue Milligan directed recreation. Reports by the girls indicate that a large number of girls have their poultry work started as well as gardens. The next meeting will be on Native Texas Wild Flowers.

Mrs. J. J. Lewellan and Mrs. C. F. Blanton and 11 girls were present. Lannetta Watson, Linda Lou Stewardson and Billy Fay Newton are new members.

SUNDAY SCHOOL LESSON

THE APPEARANCES AFTER THE RESURRECTION

LESSON TEXT—John 20:19-31.
GOLDEN TEXT—I am alive for evermore.—Revelation 1:10.

The most important day in all history was the first day of the week following the crucifixion of Christ. Then He appeared to His disciples as their risen Lord. All the hope of mankind for all eternity depends on His victory over death.

By evening news had come to the disciples of His resurrection, and half in hope and half in uncertainty they had gathered to talk over these matters. Fearful of the Jews, they met behind closed doors. All at once He was there—the Lord Himself. What a wonderful change came over them as He made Himself known to them. They went

I. From Fear to Gladness (vv. 19, 20).

Their eyes had been upon their enemies and they were afraid. Now they "were glad, when they saw the Lord." We need to learn that lesson. If we look within we are ashamed and discouraged. If we look around us we are confused and fearful. If we look to Christ we are glad and strong.

Notice that their joy was not based only on an emotional impulse. They saw Christ in His resurrection body—the very One who had died. The evidence was there before them. Now they could understand the things He had said to them. The whole realm of spiritual truth was now in focus again, and they were glad. So are we when we really see Christ.

II. From Weakness to Strength (vv. 21-23).

The disciples who were called to be witnesses for Christ had lost their testimony when He died on the cross. Unbelief and discouragement had so weakened them that they were in hiding instead of being out proclaiming His truth.

Now the risen and victorious One sent them forth with the Father's blessing. They were empowered by the Holy Spirit, and given great authority (v. 23). Note that it was given not to one man or to the leaders, but to all the disciples. It was "a declarative right, and it belongs to every true disciple. Those who have received the gift of the Holy Spirit are in a position to declare to men that their sincere repentance brings forgiveness" (Douglass). The opposite is also true.

III. From Doubt to Faith (vv. 24-26).

Thomas, who had doubts and who cultivated them by his stubborn attitude (v. 25), did himself and his brethren a serious disservice by being absent from the meeting on the evening of the first Easter Day. When he did appear he had only doubts to contribute. Let those who make a custom of absenting themselves from the place and hour of service beware lest they do likewise.

His doubts were honest ones—and God always meets such questions, honestly and intelligently. When the evidence was before him, the heart of Thomas leaped the chasm from doubt to faith in one cry of complete devotion (v. 28).

It is significant that down through the ages many doubters have been won to Christ by the proof of the resurrection of Christ, which is by the testimony of historical scholars "the best authenticated fact in all history." The risen Christ stands before men today and says, "Be not faithless but believing." May many respond with Thomas, "My Lord and my God."

IV. From Death to Life (vv. 29-31).

Christ arose from the dead not just to show that He had power to do so, but, as Paul puts it, "for our justification" (Rom. 4:25). The reality and dependability of the entire plan of salvation hinged on the return of Christ from the dead. Had the grave held Him, His claims of deity and of the ability to forgive sin would have been entirely discredited. Because He lives we shall live.

The experience of regeneration is therefore likened in Scripture to a passing from death to life (John 5:24). Thomas saw the Lord, and believing, passed from doubt to faith. We cannot see Him now, but we have the blessed privilege of believing and thus receiving life (vv. 29, 31).

This was the message which the now radiant and empowered disciples went out to preach. The book of Acts tells us how effectively they did it, and shows how much of their preaching centered on the fact of the resurrection.

The command and the commission was not to them alone, but also to all of us who believe in Christ. May God take out of us the fear of men, overcome our weakness, and send us out with renewed faith to make this life-giving message known to our fellow men.

DO YOU HAVE SPRING FEVER?

Do you have spring fever? Do you sit idle, stalling into space when you know that quiz in English, History, Geometry or some other subject is coming up next period? Do you feel as though you had rather be out playing tennis or some other sport when you should be attending your classes? Do you feel you had rather be out playing tennis or some other sport when you should be in the study hall? Then you do.

This is the time of year when we all feel lazy and idolent, but this is no time to feel that way. We all have our job to do and we must do it. Do the factory workers get to get off when they want to just because they feel a little lazy or have spring fever. Of course they don't! We should not slack on our job either. It is as much our duty to go to school and try to learn as much as we can, as it is for the factory worker to go to her job each day and make munitions. Many of our students will be in this war before long and they need to know all they can. The Air Corps doesn't want men who doesn't try or who doesn't want to study. There isn't a branch of the service who wants idlers, so it is our duty to stay in there and study so that when it comes our time we will be prepared to do our part.

Who's Who in The Senior Class

Quote: "I'm only three and a half years old." Unquote. That very original answer came from vivacious little Mary Joyce Hill when asked why she couldn't spell. "Besides I don't like it," we received the real answer to our question. Ranking high above the rest of her pet peeves are peanuts and tight shoes. Rainy days also "curdle" her. However with a bow in her hair and her beau by her side, with the scent of lilacs floating about, and a canary singing somewhere near, Joyce is in "seventh heaven." She has gone to Santa Anna schools for eleven years and still likes 'em. She has been in the FHT four years and was president in her junior year and social chairman this year. She has been in Band four years and is reporter at present. In her freshmen and sophomore years she came out for declamation, easily winning second. After that wonderful day in May Joyce plans to go to Marshall to college—lucky Marshall!!!

It seems they grow them that way out in Rockwood—"sweet" like our Travis King. Breaking the tape for first on his list of pet likes are candy, girls, ice cream, girls, cake, girls, cookies, and girls. Travis explains this phenomenon by sayin, "you see, I have a sweet tooth!" Travis came to Santa Anna Hi for his senior year after attending the Rockwood school for ten. In

Rockwood he was treasurer of the sophomore class and secretary during his junior year. He was also reporter of the FFA. Here, he is an active member of the Press club and as reporter he is one of the few boy sponsors of the FHT to ever hold an office. Travis is planning to become an aviation mechanic after a few years in college.

One of the prettiest victory bobs in school, a love of birds and so a natural dislike of cats—we give you, students, Christene Douglas who is one of the previously mentioned students minus the question marks. A demure lass with blue eyes and curly, brown hair, nuts about swimming, math, and ripe red tomatoes, a lover of Tommy Dorsey's dreamy waltzes (the "Blue Danube" to be specific), Christene makes a swell person to have around. Christene plans to go to TSCW and major in home economics when she graduates from SAHS.

Maxine, "Mickey," Rushing would shout from any housetop that puppies—just any kind, are her pet likes. But this 17 year old red head "fem" plans to go much higher than a mere housetop, for her ambition is to be the best nurse in the Marine Corp. After going to Coleman Hi a half semester, Mickey decided to come to Santa Anna—naturally! This all happened in her junior year, and she has been with us ever since. She is now president of the Home Making club, and is a member of the Press club. Sport reports that Mickey is wild about football (and football players). Many people will long remember the starring role she played as Mrs. McLean in the Pep Squad play. So with this last reminder—her ideal man, Lou Costello, and her favorite song—"I've Got Those Mad About Him, Sad Without Him, How Can I Be Glad Without Him Blues" we proudly give you this true "Mountaineer"—Mickey!

At this time we present the girl whose two main attractions are perfect grades and khaki uniforms! Can't guess? Well, you should—because it's Edwina Schrader—star pupil of the class of '43. Edwina is not yet sixteen, another merit for her astounding record. She attended Line school up to the seventh grade when she started to Santa Anna. This girlie—whose hobbies are reading, picking on the piano, writing letters, making scrap books, and collecting recipes, has made the honor roll every six weeks in high school, and has had straight A report cards her sophomore and junior years. As a result of her good grades, pep, and ever-ready smile, we are certain that this lady will be an excellent worker in the business course she plans to take on retiring from SAHS.

Students Vote Ray McSwain Most Beautiful Baby

In a clever program presented by the freshmen class in assembly Friday introducing the babies of the class, Ray McSwain, thirteen year old bouncing boy of Mr. and Mrs. A. B. McSwain, was acclaimed the most beautiful. Baby Alice Ann Guthrie was runner-up for the coveted title. Each baby contributed to the program by reading, singing or otherwise. The following babies took part: "Smiling" Wanda Henderson; "alluring" Sybil Simpson; "quizzical" James England; "Rach-e!" Artie King; "Rockwood's beautiful" Billie Velma Wise; "heart breaker" Mary Lois Leady; "Rah Rah" Tom Johnson; "mixer upper" W. H. Blake; "Lay-me-down - to-sleep" Joyce Hunter, and "lovely" Ray McSwain. Geneva West was master of ceremonies.

SENIOR PLAY

There is a perfectly good reason for everyone to see "The Bright Penny," a play

to be presented by the senior class at the high school on April 2. Are your creditors closing in on you? Is your car a wreck? Is your family unmanageable? Does the plumbing leak? Or is your house overrun with livestock? Is your life too dull? Or too exciting? Have you too many enemies? Or too many friends? Are the children dopey with puppy love? Is mamma thinking of marrying again? Is that a cyclone? Or is it just the children expressing themselves?

If any or all of these plagues have come upon you, come to see "The Bright Penny" and learn how to solve your problems. And should your life be filled with peace and serenity, it will do you good to learn how the other half lives. In any case, no one has the slightest excuse for missing the most amusing play of the season!

WHAT IF

Vance Cobb and W. H. Blake weren't two cute "fish" Mary Jo Harris were a brunette?

James England didn't have cute ways? Doris Jane Henderson were six feet tall?

Elizabeth Ann didn't wear combs? Bettye Blanton had red hair?

Mrs. Evans weren't a good teacher? Hazel Genz came to school every day?

Carroll Holt didn't go with Mavice Box? Edwin asked Doris Jane for a date?

Darrell Phillips made good in his subjects? Laverne and Margie were with two boys from Coleman last week?

Miss Lewis weren't a friendly teacher? Lenora Young didn't go with a certain Rockwood boy? Could be a Box you know.

Spring Training Begins

Spring football training will begin Monday under the direction of the new coach, A. D. Donham. Since equipment has been issued to about twenty-five boys, there is good promise of a strong team for next season. Five lettermen are eligible for next season: Wayne Haynes, Garland McCarroll, Tom Johnson, Douglas Avants, and Tommy Upton.

There are several other boys who are big enough to fill the gap left by the boys who are leaving school this year. Lots of work will be required to build a winning team but we believe that our coach and boys are capable of doing it.

—Roy England

Alumni Visit Assembly

Glen Pope and Tom Robin were welcome visitors at assembly last Friday morning. Glen, a private in the U. S. Army Air Corps stationed at El Paso, Texas, was home on a six day pass. Tom, formerly employed in Big Spring, is visiting his father before being inducted into service.

Alice Louise Hays, visited school Monday. She has been attending San Marcos Teach-

Santa Fe gives right-of-way to Victory Gardens

Now Santa Fe employees do work in their hours off duty too! They're grabbing spades and tilling fertile stretches near their homes, along their railroad's 13,199 miles of right-of-way. They're raising fresh, vitamin-packed vegetables their nation needs to win a war. Santa Fe—all out to win—gives right-of-way to troops and victory-winning freight... moving millions of men, and tens of millions of tons of vital food, raw materials and finished products—swiftly and surely to where they're needed now.

Santa Fe locomotives, cars, tracks and men are all working in their country's service. And now the Santa Fe right-of-way itself steps into victory uniform! And Santa Fe people—already working hard, and buying war bonds—like this Victory Garden scheme—this chance to do one more thing for victory! Santa Fe goes all the way, for the U. S. A!

Your local Santa Fe Agent will gladly help with your travel or shipping problems.

Red Stamp Rationing Reminder

Red stamps from War Week Beginning Red Stamps Bearing Letter Stamps Expire

March 29	A-(16 points)	April 30
April 4	B-(16 points)	April 30
April 11	C-(16 points)	April 30
April 18	D-(16 points)	April 30
April 25	E-(16 points)	(To be announced)

Blue Ration Stamp Calendar
Blue stamps D, E, and F in War Ration Book Two, totaling 48 points, will be good from March 25 through April 30. Stamps A, B, and C will be valid only through March 31. Consequently, between March 25 and March 31, blue stamps A through F may be used to buy rationed canned foods.

Plenty of Canning Supplies
Plenty of metal closures and rubber jar rings will be available for American housewives who will be doing an increased amount of canning this year. The War Production Board has removed all quota restrictions on the manufacture of certain types of metal lids used to seal the jars. Prohibition of the use of zinc is continued.

More Turkeys This Year
Turkey growers plan to raise about 37 million turkeys this year, according to February returns from over 5,000 farmers throughout the U.S. This would be the largest crop of turkeys ever pro-

duced in this country—12 per cent larger than the 1942 crop.

Recap Rules Changed
Farm tractor and implement tires now will be recapped only with a material made almost entirely of reclaimed rubber, and replacements will not be issued for tires that are recappable, OPA announced. A rationing certificate is not necessary in order to have a farm tractor or implement tire recapped with the Grade F comeback.

Farmers Get Needed Gas
Pointing out that ODT's mileage control program for commercial motor vehicles is completely flexible, ODT Director Joseph E. Eastman stated that farmers may request adjustment of their certificates of war necessity to get additional gasoline whenever necessary. Such requests should be made to the farm transportation committees of the USDA county war boards. Emergency gasoline rations may be obtained from local

war price and rationing boards while requests for adjustment are being considered.

Modifications of Shoe Ration Order

Three modifications of Shoe Ration Order 17 have been authorized by OPA. They are: (1) An additional ration for "safety" shoes, used for health protection in special work, may be acquired from the local board by any person who has spent his Ration Stamp 17, even though a member of his family has an unspent stamp, (2) sandals which can be sold ration-free are re-defined to include all sandals with an open back and a heel height of 1 1/4 inches or less, regardless of the material used in the upper, (3) certain shoes with soles made principally of rope, wood, or other non-strategic materials may be sold ration-free, regardless of the material used in the upper.

Extra Food For Temporary Workers

An employer who temporarily hired workmen for periods of less than 30 days may obtain rationed foods for them by applying to his local war price and ration board. This is of special importance to farmers who hire labor during the planting and harvesting season, to employers of construction workers on temporary jobs, lumber camp operators, and other seasonal employers.

Higher Prices For Canning Crops

A price-support program which assures farmers 20 to 50 percent higher prices for their canning crops than last year was announced by the U. S. Department of Agriculture and the OPA. Crops for which support prices are established include tomatoes, sweet corn, snap beans, green peas, lima beans, beets, carrots, and cabbage for kraut.

Second War Loan Drive

During April the U. S. Treasury will borrow the sum of \$13,000,000,000 in its second war loan drive. "This money, which is needed to back up our armed forces, will be raised through the continuing sale of war savings bonds and tax savings notes, Treasury bills, and the offering of a number of new Treasury issues designed for every class and type of investor," said Secretary Morgenthau. "As we move forward into full production in the war effort, it is increasingly important that every American invest in his government's securities to the limit of his or her ability."

Can Sell Butter Below Ceiling

There is nothing in any OPA regulation preventing sales of butter or other commodities at lower than ceiling prices set recently at the creamery and wholesaler levels. Ceilings represent the maximum prices at which this commodity may be sold.

Damaged Shoes "Non-Rationed"

Shoe dealers whose stocks have been damaged by fire, water, steam or other accidental cause to the extent that they cannot be exchanged for ration currency may be authorized by district OPA offices to mark these shoes "non-rationed."

Deferral Appeals Handled Locally

All appeals involving claims for occupational deferral are now being handled by the Selective Service Board of Appeal in the area of the worker's employment. Formerly these appeals were handled in the area in which the worker was registered.

War Expenditures

The average daily rate of U. S. war expenditures reached a new high of \$253,400,000 in February. The previous high in November, 1942, was surpassed by 3.6 percent, or \$8,900,000. Expenditures for war purposes totaled \$6,081,000,000 in February. This was \$178,000,000 or 2.8 percent

Mrs. J. W. Price Honored On Birthday

Mrs. Price was honored with a surprise birthday supper Friday, March 19, when a group of her friends and children gathered at her home near Shield.

The children and friends carried food and had the table set and the gifts arranged, when Mrs. Price was called in the dining room. The lovely birthday cake was baked by her daughter, Mrs. Buster Woodard.

After a much enjoyed supper forty-two was enjoyed by everyone. Mrs. Price expressed her thanks for a very happy surprised birthday.

Those attending were: Mr. and Mrs. E. C. Woodard and children, Mr. and Mrs. A. L. Woodard and children, Mr. and Mrs. Bill Price and Wanda Mr. and Mrs. Tom Mills and Mary, Mrs. R. W. Campbell and Rita, Mrs. Lois Henderson and Bob, Mr. and Mrs. Roy West and the honoree and Mr. Price.

Birthday Anniversary Celebration

M. D. Eubank celebrated his birthday anniversary Sunday, March 21. He was given a surprise dinner and party by the members of his family. The birthday cake was three tiered white with candles.

Mr. Eubank and family have been residents of Coleman County for twenty-nine years. During this time he has made a host of friends who join in wishing him many more happy birthdays.

The children and grandchildren who surprised him were: Mr. and Mrs. Ozro Eubank and sons James and Max Mr. and Mrs. Elmo Eubank, Elmo, Jr., Edwin, Kenneth and Bettie Jeanette, Mr. and Mrs. Jim Daniell and Pauline Eubank all of Santa Anna, Mr. and Mrs. David Eubank and son Roland of Brownwood. The two children who were not there were: Mrs. Ira Huddler of Monahans and Mrs. Chester Galloway of Beaumont.

less than in January and 2 1/2 times expenditures a year ago February.

Gas For Car Clubs

Regardless of full car clubs, no supplemental gasoline rations are to be allowed if other means of transportation in a specified area are deemed adequate by the OPA regional administrator or the OPA deputy administrator in charge of rationing.

A Tablespoon Will Help

COLLEGE STATION, Mar. If every American rural family saved one tablespoon of fat a day, more than half a million pounds would be available for the making of glycerin, a badly needed war material. Mildred Horton of the A. and M. College Extension Service said in a recent radio talk addressed to farm homemakers of the state. Miss Horton is a member of the Texas Salvage Committee.

Miss Horton calls attention to a Washington report that unless homemakers can swell current fat collections, a further cut will be necessary in civilian uses of glycerin. At present glycerin is being used in the manufacture of cellophane, leather and textiles, tooth paste, drugs and pharmaceuticals, and other articles for civilian use.

Approximately 85 per cent of the current glycerin output is going into war production and the remaining 15 per cent of the current glycerin output is going into essential civilian uses.

Kitchen fats have their first as food and second as a source of glycerin. Miss Horton says. It is common sense for homemakers to use bacon drippings or other fat for seasoning as long as it is edible, and those who have more than they need can share it with their neighbors. That is economical as well as neighborly, she explains. Then when fat ceases to be good food, it should be strained into a clean, wide-mouthed, one-pound can, and kept in a cool place. It can be sold to most butchers at four cents per pound.

Only five pounds of salvaged fat are required in the manufacture of one pound of nitro-glycerin, Miss Horton says.
