Cut In Hagler Bond Sought

FORT WORTH (AP)—Attorneys for David Hagler, charged with murder in an Oklahoma torch slaying, said today the Fort Worth businessman would spend his 37th birthday in jail tomorrow unless the \$20,000 bond is lowered.

The bond at its present amount can't be made, said attorney Byron Matthews. He explained that Hagler's family had been unable to make necessary financial arrangements for the bond.

Boy's Leg Broken When Hit By Auto

Ten-year-old Roberto Satelo is in Cowper Hospital today receiving treatment for a leg fracture sustained when he was struck by an automobile Wednesday.

Police said that the automobile which hit Satelo was driven by Mrs. J. R. Tonn, 707 N. Scurry. The mishap occurred about 5:30 p. m. in the 290 block of Northeast Sixth, officers said.

Satelo resides at 211 NE 6th, and the accident occurred in the street next door to his home. Mrs. Tonn took the youngster to the hospital immediately.

Adenauer Begins Talks With Dulles

WASHINGTON (AP)—West German Chancellor Konrad Adenauer began the work of his U. S. visit today by conferring with Secretary of State Dulles.

Officials said the main topic would be general review of the state of Europe in the light of the new defense arrangements that would make Germany a sovereign and rearmed partner.

After talking with Dulles, Adenauer goes on to the White House for a talk with President Eisenhower, afterwards his host at lunch.

THE WEATHER

BIG SPRING AND VICINITY: Partly cloudy and warmer tonight and Friday. High today 68, low tonight 44. High tomorrow 72.

Eisenhower To Campaign On One-Day, 4-State Tour

WASHINGTON (AP)—President Eisenhower puts to the acid test tomorrow his ability to stir up the voters and to win support for Republican candidates.

The White House announced last night that Eisenhower will take off tomorrow on a one-day flying campaign trip to Cleveland, Detroit, Louisville, Ky., and Wilmington, Del., in that order.

Toll From Flood At Salerno Up

SALERNO, Italy (AP)—The wreckage of towns along the ravaged Gulf of Salerno gave up still more bodies today and the final death toll from Italy's greatest flood disaster was expected to reach or exceed 400.

The known dead numbered 288 this morning when seven more bodies were dug from wrecked homes at Molina di Vietri and Ponte Romano.

Hope was abandoned for many of the 200 or more persons listed as missing. It was believed many were swept out to sea or buried beneath their broken stone homes.

State funeral services were held in Salerno's cathedral today for victims of the flash floods and land slides which hit a 10-mile stretch of shoreline late Monday and early Tuesday.

SIXTH AMERICAN TO RECEIVE HONOR Ernest Hemingway Awarded 1954 Nobel Literature Prize

STOCKHOLM, Sweden (AP)—American novelist Ernest Hemingway today won the 1954 Nobel Prize for Literature.

The 56-year-old writer, whose hard-boiled style and violence-packed tales set a pattern for 20th century prose, will receive a gold medal and a check for 181,646 Swedish crowns (about \$25,000).

The literary prize and the annual awards in medicine, chemistry and physics will be presented by Sweden's King Gustaf Adolf VI at a traditional ceremony here Dec. 10.

Winner of the physics and chemistry prizes still are to be named. Announcement already has been made that the Nobel Peace Prize will be withheld this year.

Hemingway is the sixth American-born author to win the literary prize. The awards were set up by the will of Alfred Nobel, Swedish inventor of dynamite, who died in 1896.

Hemingway, whose adventurous life matches the exploits of many of his heroes, was picked for the honor by the Swedish Royal Academy of Literature.

He almost won the prize last year but was nosed out by perhaps the greatest phrasemaker of his time—Sir Winston Churchill, who writes, orates, paints and runs the British government.

A source close to the academy

for control of Congress, to be decided at the polls next Tuesday, some of the "crusade" spirit of the 1952 Presidential campaign.

White House Press Secretary James C. Hagerty announced that on tomorrow's trip the President will speak to airport crowds at each stop, with Republican candidates from the surrounding states on hand.

There are heated Senate contests in the four states he will visit. Hagerty, asked by a reporter whether the four states were chosen because GOP Senatorial candidates were "in trouble," replied, "I do not admit your premise."

He said they were selected because of central location and because, except for Kentucky, the President had not visited them during the campaign.

In Cleveland, Eisenhower will be trying to aid Republican Rep. George H. Bender, who is opposing Democratic Sen. Thomas A. Burke in a state that Eisenhower carried by a half million votes in 1952.

In Detroit and Louisville, the President's objective will be to help save the seats of two Republican Senators now depicted as being given strong battles by Democratic opponents.

They are Sen. Homer Ferguson, opposed by Democrat Patrick J. McNamara in Michigan, and Sen. John Sherman Cooper, opposed by Democratic former Vice President Alben W. Barkley in Kentucky.

Wilmington had a Democratic visitor yesterday—Adlai Stevenson, the party's 1952 presidential candidate. He told an estimated 10,000 persons gathered in a downtown square that GOP spokesmen have conducted a campaign of "slander, epithets, accusations and Communism in government."

He singled out for special mention Vice President Nixon, who has been carrying much of the

31 Indictments Returned Here By Grand Jury

The Howard County Grand Jury Wednesday returned 31 indictments naming 21 individuals.

Nearly half of the indictments—15—were made in connection with forgery charges. Four others allege fraud by worthless checking. Six theft indictments were returned as were two alleging second offense DWI, three on charges of burglary and one on charges of possession of marijuana.

Woodrow Weldon Dunlap was indicted on three charges under provisions of the Habitual Criminal Act which carries a penalty of up to life imprisonment. It is alleged in the indictment that he was convicted on four occasions of felony offenses.

Charges on which he was indicted allege theft of four washing machine tubs from L. R. Nichols on Oct. 17.

Ball for Dunlap was set at \$5,000. The other indictments, and offenses they allege, were returned against the following individuals:

- Ben Tyson, on charges of driving while intoxicated, second offense, bail \$1,000. Manuel Vega, charges of burglary, \$1,000 bail. Clyde Myles, burglary, \$2,000. Vedal R. Rodriguez, burglary, \$1,000. Perry Malcolm Tracy, theft of \$512 from John Gregory, \$1,000. Billie Stephens, forgery, \$1,000. Jackie Heldreth, forgery, \$1,000. Katherine Nelson, forgery, \$1,000. Jessie L. Clark, forgery, \$2,000. Jack Capps, forgery, bail not designated. C. L. McSwain, forgery. H. E. Neal, defrauding with worthless check, \$2,000. Roberto Morales, possession of marijuana, \$2,000. The grand jury investigated 10 other cases in which no indictments were returned.

Iranian Senate Okays Oil Pact

TEHRAN, Iran (AP)—The Senate approved Iran's new oil pact 41-4 today and sent it to Shah Mohammed Reza Pahlavi for final approval.

The agreement between Iran and a group of eight Western companies to get the multimillion-dollar Iranian petroleum industry back in operation passed the House (Majlis) a week ago 113-5.

The Shah's signature is expected immediately. The first tanker to take on oil under this settlement of the old dispute over nationalization of the British-owned Anglo-Iranian Oil Co. properties in Iran is due at the refinery center of Abadan Saturday.

The oil consortium to take over processing and marketing operations includes British, French, Dutch and five American companies—Standard of New Jersey, Standard of California, Gulf, Soccony-Vacuum and the Texas Co. A court source said last Sunday the Shah plans an unofficial visit to the United States for a medical checkup at Doctors Hospital in New York, and probably a vacation at Sun Valley, Idaho, after signing the pact. Queen Soraya will accompany the 34-year-old monarch, the informant said.

Honeymoon Adultery Held Divorce Grounds

MONTGOMERY, Ala. (AP)—Circuit Judge Eugene Carter granted a divorce yesterday to a disappointed wife who charged her husband with adultery during the night they were married.

Their names were withheld.

Batchelor Term Now 20 Years

Life Sentence Is Slashed On Review

PAT BULLOCK

Bullock To Seek Place In Senate

Pat Bullock, Colorado City, a veteran of service in both the Texas House and Senate, announced Thursday that he would be a candidate for the vacancy created by the death of Harley Sadler, state senator from the 24th district.

Gro. Allen Shivers is expected to call a special election in late November or early December to succeed Sen. Sadler, who was renominated to another four-year term in July.

So far there has been only one other formal candidate, Rep. David Ratliff of Stamford. Speculation had drawn in the names of Ernest Grissom, Abilene, Judge Sterling Williams, Snyder, Rep. Trautt Latimer, Abilene, C. T. McLaughlin, Snyder, and Rep. Obie Bristow, Big Spring. McLaughlin and Bristow, almost unequivocally took themselves out of consideration.

"After careful consideration and because I have had a great deal of solicitation from friends throughout the district," said Bullock, "I have decided to enter the race for State Senator of the 24th District to succeed the late Harley Sadler."

"The next session of the Texas Legislature will have many issues and problems to solve which will directly affect the people of this district and state. My friends feel my experience in the Senate in the past will be of great value in solving these problems since I have had experience on every committee in the Senate and have been chairman of several of them as well as having served as President of the Senate in 1951.

"I want to serve my district and my state and it is hard to turn down the friends in the district who think I will be able to do so in case I am returned to the Senate."

Bullock is well known here and throughout the area. He taught school for eight years before serving 10 years as Scurry County School superintendent. He left that post in January 1933 after being named by the state superintendent to head the rural school program. In 1935 he was appointed state director of emergency education, going to work the same day as U. S. Sen. Lyndon Johnson took over the public work part of the program as NYA administrator for the state.

In 1936 Bullock came within a breath of scoring a major state upset. Although virtually unknown over the state and running on a shoe string, he lacked only \$1,000 votes winning as state superintendent.

Returning to Snyder he entered the tractor business, selling it in 1940 to make a successful race for state representative. He was then renominated to a second term, but John Lee Smith was elected as lieutenant-governor and resigned as state senator. Bullock was named senator in the special election in 1943 to complete the unexpired term. He was elected to

Mountbatten Named British Naval Chief

LONDON (AP)—Adm. Earl Mountbatten, commander in chief of Allied forces in the Mediterranean, today was named Britain's first sea lord.

The appointment, the highest in the British navy, gave the handsome 54-year-old admiral the post his German-born father, Prince Louis of Battenberg, was forced to give up under public pressure in the first World War.

SAN ANTONIO (AP)—The life sentence given Cpl. Claude Batchelor, convicted of collaborating with the enemy in Korea, today was reduced to 20 years.

The announcement was made by Lt. Gen. I. D. White, commanding general of the 4th Army. A review of Batchelor's court-martial has been made. The verdict that he was guilty of collaborating with the enemy while he was a prisoner of war in Korea was upheld. The dishonorable discharge and forfeiture of all pay and allowances also were upheld.

"The reduction in the sentence of the court has been done in the hope that Corporal Batchelor may profit by the rehabilitation program in the Army institutions.

"In the hope that Corporal Batchelor today, in retrospect, appreciates that the American way of life is worth any sacrifice and privation, I have reduced this sentence."

Batchelor was convicted at Fort Sam Houston, Sept. 29 after a month-long trial. He is 22 and from Kermit, Tex. He spent 38 months as a prisoner of war in Korea.

Batchelor and Cpl. Edward Dickenson of Big Stike Gap, Va. were among 23 Americans who originally chose to stay with their Communist captors. Both changed their minds and returned. Dickenson was convicted last May on charges similar to those against Batchelor and was given 10 years at hard labor. His case is on appeal.

Sobbing Woman Ejected From Sheppard Jury

CLEVELAND (AP)—The state—in a surprise move—dismissed from the jury box today a woman who had wept and begged to be excused from trying Dr. Samuel H. Sheppard for the murder of his wife.

Reversing an announcement yesterday it was "satisfied" with the Sheppard jury list, the prosecution pointed a challenging finger at Mrs. Genevieve A. Felsey, a cookie packer.

That left a jury of six men and five women. A real estate salesman, James Roger Manning, was seated today to replace juror Thomas J. Solli who became ill.

The handsome osteopath is charged with bludgeoning his pretty, pregnant wife, Marilyn, in her bed July 4.

Testimony from a medical doctor now living in Phoenix, Ariz., may play a big role in Sheppard's defense.

This was reported yesterday by William J. Corrigan, chief defense attorney for the young Bay Village osteopath after the eighth day of the trial had passed with one jury seat still unfilled.

Corrigan, talking to reporters after the session, said he planned to call on Dr. Charles W. Elkins, former chief neurosurgeon at Lutheran Hospital here to "prove the extent of the injuries Sam Sheppard suffered at the hands of the man who killed his wife."

The defense lawyer said Elkins examined the 30-year-old Sheppard "a couple of days" after the osteopath's wife was found dead in her bed last July 4. Sheppard has insisted his wife was killed by a bushy-haired man who invaded their lakeshore home and knocked him unconscious when he tried to go to her aid.

On the afternoon of July 4, another medical doctor examined Sheppard at the direction of County Coroner Samuel H. Gerber. That doctor, Dr. Richard Hexter, later testified at a coroner's inquest that a black eye just about summed up the injuries he found on Sheppard.

Corrigan declared yesterday that Dr. Hexter "just didn't give Sam a very thorough examination."

U. S. Navy Held Best In World

LONDON (AP)—An authoritative naval publication says the fighting power of the U.S. Navy equals the combined strength of the other major navies of the world. The Americans also appear to be taking greater scientific strides than any other navy.

"Jane's Fighting Ships," a standard reference work on the world's navies, said in its latest edition yesterday the U.S. Navy of 5,000 vessels is the largest peacetime fleet ever maintained by any nation. Russia topped the United States only in numbers of submarines, Jane's said, but added that the Soviet Union is building up "substantial forces" of cruisers, destroyers and submarines.

Russia's underwater fleet was estimated at 370 to 400 vessels, as compared to 200 in the U.S. Navy.

REPORT MEET SET FRIDAY

Optimism Is In Evidence At United Fund Office

Optimism again prevailed at United Fund headquarters as reports came in today that workers in all divisions were pushing solicitation work in an effort to turn in strong reports Friday.

The next-to-last general report

Dick Simpson, campaign chairman, said today he hopes the drive can be completed by next Tuesday when another report meeting is scheduled.

Simpson and division chairmen were urging today, however, that workers complete as many contacts as possible prior to Friday's report.

The chairman also asked that firm chairmen call UF headquarters if their pledge cards and contributions haven't been picked up by a campaign worker. The United Fund number is 4-7471.

Last reports were heard on Tuesday. At that time, the campaign was lagging with but 63.7 per cent of the \$2,151 goal subscribed.

It was evident this morning that the drive was gaining new impetus, however, as division chairmen reported team captains and individual workers were attempting to complete all contacts.

A new contest was sparking the drive in its late stages. Simpson Wednesday presented a lantern to R. H. Weaver, whose General Gifts Division is trailing in the drive. Weaver will be required to carry the lantern until his group gets ahead of some other division. He says that will be Friday, when the new reports are heard.

100 PERCENTERS

meeting is set for noon Friday at the Settles Hotel. It had been hoped that the Friday meeting would conclude the campaign, but doldrums caught the drive for several days and the wind-up date was put off.

Tammany Chief May Become Demo Force

By JAMES DEVLIN
NEW YORK (AP)—A curly-haired, youthful-looking man who isn't running for office will emerge as a force on the national political scene if the Democrats win the governorship of New York Tuesday.

He is Carmine G. DeSapio, 46, leader of the political machine known as Tammany Hall.

DeSapio spearheaded the nomination of Averill Harriman as the Democratic candidate.

Should Harriman win—and newspaper polls show him leading—DeSapio will be in this position.

His organization will have the prestige of breaking the 12-year Republican grip on the nation's most populous state.

It will control the huge and influential New York delegation to the presidential nomination convention in 1956.

That would mean it might well

push Harriman for the presidency. Finally, it will be in charge of the state political machinery when New York's 45 electoral votes are at stake in the national election two years hence.

First, what is Tammany Hall? A "sinister force," says Sen. Irving M. Ives, the Republican nominee for governor.

A symbol of "enlightened democracy," says DeSapio.

In any case, it is the Democratic party organization of Manhattan, one of the five boroughs, or counties, in New York City, and it is the dominant one.

Republicans have made "Tammany" one of their chief campaign issues.

Gov. Thomas E. Dewey, retiring this year, and Ives have hammered at it as the symbol of corruption despite DeSapio's efforts to give it a new label of respectability.

As recently as four years ago, Tammany appeared to be dead after a long, checkered history.

But the Republican outcries against Tammany testify that once again it is flexing its muscles.

Friend and foe alike attribute this largely to DeSapio, virtually unknown outside New York two years ago.

As a boy of Italian descent, DeSapio grew up in the Grand Street area of the city's lower East Side.

He got into politics early on the ward and district level, fought his way up through party ranks and became Tammany leader in 1949 when the organization was in the doldrums. He is now Democratic national committeeman from New York.

He scarcely looks the part of the traditional political "boss."

With his wavy black hair combed back, he dresses with a neat flare—dark blue suit, white shirt and a white necktie decorated with small hand-painted modernist figures.

He invariably wears dark-tinted glasses—his virtual trademark. The glasses are intended to soothe an eye tenderness that gives him an aversion to bright lights and smoke-filled rooms.

He holds a \$12,000-a-year post as a commissioner on the Board of Elections. He has an insurance business, but gives it little attention because he polities day and night.

British Film Star Shuns Royal Show

LONDON (AP)—British movie star Susan Stephen stunned the theatrical world today by announcing that she has withdrawn from the annual royal variety show.

Too busy making a movie, she explained.

The yearly extravaganza staged especially for Queen Elizabeth II is to be held next Monday at the Palladium Theater. Bids to take part are treasured by the grease-paint set. Comedian Bob Hope, for instance, has flown here all the way from Hollywood.

"It is not really correct to say that I refused to appear," the 22-year-old Miss Stephen told newsmen. "I just felt I could not do justice to the occasion by going on unprepared."

Bright Star In New Pontiac Line

"Vogue" two-toning and new panoramic body styling enhance the long sleek look of the all-new 1955 Pontiac Star Chief Custom Catalina, shown here as one of the models in the distinctive new Pontiac line. Powered with Pontiac's new 180 horsepower Strato-Streak V-8 overhead valve engine, the popular Catalina is offered in two models. The new Pontiacs go on display locally Friday at Marvin Wood Pontiac, 504 East Third.

109 NEW FEATURES

Pontiac For 1955, With Many Changes, Now Being Displayed

"All new" describes the Pontiac for 1955 with which this car makes its biggest bid for the medium price market. There's an all-new body and 180 horsepower overhead valve V-8 engine. Included in the long list of refinements to be noted in the new line.

The '55 Pontiacs are to be shown to the public Friday, and the local dealer, Marvin Wood Pontiac, 504 East Third, joins in the gala presentation.

The Strato-Streak V-8 engine and new bodies head an impressive list of new features. The 1955 Pontiacs have an exciting range of modern colors and "Vogue" two-toning; exquisite interior styling; panoramic windshield and increased glass area; functional, jewel-like instrument panel; powerful 12-volt electrical system; newly designed frame; new vertical king-pin front suspension; larger brakes improved ride and handling and attractive accessories combined with

a tremendous number of mechanical refinements.

The Pontiac for 1955 incorporates more engineering innovations than any model since Pontiac was first produced in 1926. The new car has 109 outstanding new features.

The fleet new bodies have a low, streamlined silhouette. The front end, accentuated by the massive dual impact bars and grill bar has the modern appearance of a jet plane air scoop. The headlamps display a bold new treatment with futuristic air crescents above them. Twin silver streaks, a popular feature of Pontiac's "dream cars," the Bonneville Special and the Parlatone, sweep back from the radiator grille of the 1955 Pontiacs, terminating at the cowli-wide passenger compartment air intake.

The silver streak motif is continued with chrome streaks that run along the crown of each rear fender fin and terminate at the mas-

sive tail lamps. Dual bumper impact bars combined with the graceful wing-and-circle emblem on the trunk lid give new beauty and distinction to the back of the 1955 Pontiac.

Pontiac colors for 1955 show the influence of the public's taste for "Vogue" two-toning which brings the color of the top of the car down to the middle of the car body, adds greatly to the streamlined appearance of the new Pontiacs.

Body interiors, luxuriously color-keyed to the new exterior paints, reach new heights of comfort, roominess and safety. The graceful instrument panel mounts aircraft-type instruments at 90 degrees to the driver's vision and control knobs recessed for added safety. Pontiac's exclusive safety-arc speedometer indicates speed with a continuous red curve.

The glove compartment, centrally located within easy reach of both driver and front seat passengers, has been designed with an additional function. When open the compartment door acts as a tray with recesses for cups.

The 1955 Pontiacs will be available in two new series, the Star Chief Series, having a 124-inch wheelbase and the Chieftain Series with a wheelbase of 122 inches. Dimensionally, sedan and coupe models are 2 1/4 inches lower in overall height. A two-door station wagon has been added to the line of Pontiac body styles this year. Station wagons are as much as 6 inches lower. All models have lower hood lines exposing both front fenders to the driver's vision. Hip and shoulder room have been substantially increased by redesigning the car interior.

The new bodies with panoramic windshield, and increased glass at side and back have 26 per cent more "see through" area. Station Wagons have wrap-around rear windows.

In all, 12 body styles are offered this year by Pontiac.

The new Strato-Streak V-8 engine represents Pontiac's answer to the automotive industry's goal of developing an engine with durability and low-cost dependability and with the power and quick response that modern drivers demand.

The Strato-Streak released this year, after years of developmental work and over 3 million miles of testing on dynamometers and under all types of road conditions, has a displacement of 287 cubic inches. Its displacement and high compression ratio of 8:1 give it high power output especially at traffic speeds where instant response is needed.

The engine develops 180 horsepower, reaching maximum torque at low engine speed.

Anti-Reds Win Battle Of Posters In Mexico City

MEXICO CITY (AP)—The anti-Communists have an edge in the battle of the posters here.

The battle, between anti-Communist posters and the leftists who tear them down, is fought over the Guatemalan question. Hundreds of posters, purporting to depict Guatemalan atrocities in the time of the Red-tinged government there, have been appearing daily. By the following morning they may be mutilated and illegible. But the next day fresh ones are up.

By now the Communists have abandoned efforts to tear them all down. Occasionally they will scrawl "Falsqui propaganda" in blue pencil on the posters, but it is a weak effort. The posters now go up and stay up until they are covered by a new crop.

Silver Coins Shipped From Mint In Denver

DENVER (AP)—Mrs. Alma Schneider, director of the U.S. Mint here, announced about 2 1/2 million dollars worth of silver coins were shipped out yesterday in a heavily guarded truck convoy.

The destination was secret because "we certainly don't want to take any chances on hijacking," she said.

Demo Edge Apparent In Mountain States

By JACK BELL

DENVER (U)—President Eisenhower's popularity and campaign effectiveness are matched against apparent economic discontent in what now looks like an uphill Republican battle for Senate and House seats in eight Southwestern and Rocky Mountain states.

Unless intensified appeals by Eisenhower for a Republican Congress change voter sentiment in the few days before the Nov. 2 election, Democrats could gain two Senate and four House seats in these states Eisenhower carried handily two years ago.

The eight states are Oklahoma, New Mexico, Arizona, Colorado, Wyoming, Utah, Idaho and Montana. All except Utah and Arizona are electing senators this year, with four Democratic and two GOP seats at stake.

Twelve Democratic and nine Republican House seats are being contested as are five governorships held by Republicans and one by a Democrat. Democrats now are reported leading in all but one of the governor contests.

Eisenhower evidently retains

most of the strength he demonstrated in this area in 1952 when he swept all eight states by a margin of 520,000 votes over his Democratic opponent, Adlai E. Stevenson.

But it remains doubtful whether the continued high-tide prestige of the President which isn't disputed seriously by the Democrats—can offset what seems on the surface to be a Democratic trend.

Democrats on the whole have candidates with better known names than the Republicans, and many of the races are revolving around personalities and local issues.

Without openly forecasting an economic downturn, Democrats in all the states have been talking about what they claim is a somewhat lower level of business, employment and farm income this year than last. As one politician put it in talking to this reporter: "Everybody seems to be getting along pretty well but thinks he ought to be doing better."

Generally, voters appear apathetic.

At this reading, five days before the election, here is the consensus of professional political opinion in the eight states:

Three At Webb Complete Course

Two civilian employees and a non-commissioned officer at Webb Air Force Base were recently awarded diplomas by the United States Army for completing the supply officer course at Webb.

The diplomas went to S. Sgt. Edsel R. Ward, 504 Bell; Lyda L. Wise, Box 511; and Barbara J. Daniel, Box 762. All successfully completed the supply officer course offered by ECI.

All work in the consolidated supply section at Webb, and the course they took is one in a series of special correspondence courses designed to clarify work of the Air Force. Qualified members of Armed Forces, the Civil Air Patrol and civilian employees of the Air Force may enroll.

Speakeasy Found In Soviet Capital

MOSCOW (U)—A basement speakeasy is doing a roaring business with the full connivance of local authorities in Moscow's Kirovsky district, according to the newspaper Soviet Trade. The paper printed the full address of the underground establishment.

Such speakeasies are appearing here and there throughout the city since many "drink and run" stalls and other drinking establishments were closed because of the current anti-alcohol campaign.

Soviet Trade said the speakeasy was formerly a good public dining room. A few months ago, however, it "closed for repairs" and when it reopened took to selling only liquor. Soviet Trade said this was because "the heads of the trust for running public houses in the Kirovsky region wanted to make more profits."

Eight Inducted During October

Eight people were inducted into the Armed Forces through the local draft board during October, and 25 others took pre-induction physical examinations.

Those inducted included Richard Franklin Cook, Joseph Young Jr., Edgar Phillip Conaway, Gordon Willis Mathon, Deryl Dean Bennett, Pablo Martinez, Jack Rogers Wells and Donald Wayne Boatler.

The next draft call will be on Nov. 23, and five individuals will be inducted at that time. Twenty are to take their pre-induction physical examinations during November.

Those inducted included Richard Franklin Cook, Joseph Young Jr., Edgar Phillip Conaway, Gordon Willis Mathon, Deryl Dean Bennett, Pablo Martinez, Jack Rogers Wells and Donald Wayne Boatler.

The next draft call will be on Nov. 23, and five individuals will be inducted at that time. Twenty are to take their pre-induction physical examinations during November.

DATE DATA

By Beverly Brandow

The Constant Lover

With enthusiasm the phone rang hysterically for a couple of weeks, and then went dumb. You didn't have a fight, you know he's not sick, and he didn't give any indication of losing interest. Still, he doesn't call for dates anymore and there must be a reason why.

Usually when a boy or girl doesn't appear to be gradually getting bored, but instead breaks off the relationship while it is going strong, he or she may be labeled fickle.

Boys insist being fickle is just part of being female, while the girls contend that it's the boys who deserve the medal. Probably this is because the member of both sexes who know their own minds have had the unfortunate experience of dating those who do not.

Moms and Dads are great ones to insist that in their day boys and girls knew whom they like and whom they did not, and when a couple quit going together there was a valid reason like a fight or another girl.

Personally I have my doubts that boys and girls were any more stable then than now. In the 1600's Sir John Suckling wrote a poem entitled "The Constant Lover," which begins:

Out upon it, I have loved
Three whole days together!
And am like to love three more,
If it prove fair weather.
The weather is the catch. It takes a great deal of mighty fair

weather to keep the fickle heart in tune.

A boy can pursue the illusive lady of his dreams with telephone calls, flowers, candy, poetry, and letters and be perfectly proper in doing it. In fact, the extra attention may be all that is needed to win her over.

On the other hand, there is little a girl can do except pray, and hope her prayers will be answered. Chasing him would do little good because the male ego abhors it. Once the spell is broken only a miracle can cast it again. A girl's reaction is always hopeful, fighting, anything that was said between them, she wants to do something. If it is her first love affair, before it is over she usually has not only lost the boy, but after galloping out on a limb by chasing him, her pride as well.

Yet, who is there who does not understand? Where there is love there is hope, and "hope springs eternal in the human breast."

Those emotionally involved can scarcely be expected to act with their normal amount of common sense. As Antoine Bret said, "The first sign of love is the last of wisdom." When you come to, though, your pride may be badly wounded.

(Want to be more popular? Write for "Prescription for Popularity," Beverly Brandow's free booklet, in care of The Herald.

UNCLE RAY'S CORNER

A view of the "polar bear fountain" contributed to the Peace Palace by Denmark.

its place. The plan, as worked out, was this:

When two nations fall into a dispute, they should arbitrate the quarrel instead of going to war. Judges should decide each case on the basis of justice.

This was an excellent idea, and it remains the hope of the world. The plan has been tried time and again, and many quarrels between nations have been settled peacefully. If it had been followed in 1914, millions of human lives would have been saved. Probably the Hitler war never would have come about.

As it is, we have had two world wars. Let us hope that the leaders of governments never will start a third conflict of the kind. If leaders with cool heads are chosen, mankind can enjoy amazing progress and widespread happiness.

Carnegie, an American of Scottish descent, felt strongly in favor of world peace. He provided a large sum of money to build the Peace Palace.

While the work of building was going on, many nations came forward with gifts. Denmark provided a fountain adorned with polar bears and seals. Great Britain

supplied beautiful stained-glass windows; on these windows are scenes which illustrate the slow rise of the human race from war to a future of peace.

France contributed a beautiful painting with the title: "Peace Through Justice." Japan gave an enormous tapestry made by 300 Japanese women and girls.

Tomorrow: Dutch Puzzle.

The first successful beet sugar factory in the United States was in 1879 in California.

To Sing At District Club Meeting

Orland Johnson, music instructor at Howard County Junior College, rehearses the college choir in preparation for their appearance at the District Convention of the Texas Federation of Music Clubs.

This will be held in Pecos Friday and Saturday. Mrs. H. M. Jarrath, district president, will preside at this, the 18th annual meeting of the district.

Mrs. DeVaney Goes To OES Convention

COAHOMA — Mrs. A. J. Wirth was called to Oklahoma City, Okla., to be at the bedside of her daughter, who is ill.

Mrs. C. H. DeVaney, worthy matron of the local OES chapter, is in Houston where she will attend the grand chapter OES convention.

Mr. and Mrs. Earnest Pendley are on a week's vacation in Oklahoma.

Mr. and Mrs. J. B. Martin, David and Mike of Gatesville were here visiting her brother and sister-in-law, Mr. and Mrs. Carl Bales.

Mr. and Mrs. R. D. Arthur and family of Colorado City visited here with her parents, Mr. and Mrs. Earl Reid.

Mrs. W. J. Jackson and Mrs. Virgil McGregor of Big Spring visited several days in Hamlin with relatives.

Mrs. Burrell Cramer visited her daughter and son-in-law, Mr. and Mrs. Harold House in Midland.

Mrs. E. T. O'Daniel spent several days in Snyder visiting her daughter and son-in-law, Mr. and Mrs. Ray Fleeman.

WSCS Lists Prayer Week Activities

STANTON (Sp) — The WSCS of the First Methodist Church is observing Week of Prayer and Self-Denial this week.

Members met at the church Monday for the yearbook program. Mrs. Phil Berry gave the devotion, the theme being "In Street and Shop and Tenement."

Mrs. O. B. Bryan led the program and Mrs. Hugh Hunt gave additional information in preparation for the new study, "Man and God in the City," by Kenneth D. Miller.

The program featured a worship center. Wine velvet draperies hanging from an oak cornice with the inscription, "Except the Lord Keep the City," in gold letters on white made a background for a picture of Christ portraying Him sitting on a hill overlooking the city.

The picture was framed by two white candles set in gold holders. Above the picture, a golden cross was suspended.

Tuesday was spent as Quiet Day, the theme being "Christ Our All Sufficient Help." Mrs. Berry led the program with Mrs. Morgan Hall, Mrs. Aaron Donaldson, Mrs. Bryan, Mrs. Cecil Bridges, Mrs. B. F. Smith and Mrs. Edmund Morrow giving the needs of India, Pakistan and the home for retired deaconesses in the United States.

After the program a sacrificial offering was taken for these places.

A light lunch was prepared by the president, Mrs. Bridges, and during the lunch period, Mrs. Bridges and Mrs. Berry read "The Sermon on the Mount." After lunch, Mrs. Berry gave the devotion, using the same theme "Christ Our All." The remainder of the

Garden Club Alters Date Of Meeting

A change in the meeting date was made for the Big Spring Garden Club when they met in the home of Mrs. A. A. Marchant Wednesday afternoon.

Mrs. J. P. Dodge was co-hostess. From now on, the club will meet on the first Wednesday of the month at 9:30 a.m.

This means that the group will meet again next Wednesday. Hostesses will be Mrs. D. S. Riley, Mrs. George White and Mrs. H. M. Compton in the home of Mrs. Riley.

The program was given by Mrs. Riley and Mrs. Cliff Wiley on "The Propagation of Horticultural Plants" from the book of the same name by Adriance and Drison. Refreshments were served to 15 members.

Knott HD Club

Bracelets were made at the meeting of Knott HD Club in the home of Mrs. J. L. Metcalf. The devotion was given by the hostess.

Refreshments were served to six members. The next meeting will be in the home of Mrs. Joe Mac Gaskin.

Afternoon was spent in quiet meditation. Wednesday the women met at the church, organized into groups and visited "shuttins." Private meditations will be observed throughout the week.

Read How Mothers Praise ST. JOSEPH ASPIRIN FOR CHILDREN

"I don't upset my child with medication he doesn't like. I give St. Joseph Aspirin For Children. He likes its orange flavor, takes it willingly." Mrs. Mrs. Moore, Boston, Mass.

Servicemen's Center

Serving pie at the Servicemen's Center this week were Women of the Presbyterian Church. Mrs. J. E. Brown and Mrs. A. C. Bass of the Big Spring Garden Club served at the bingo party and Halloween party held Monday.

Fast-Setting Gelatin

There is a "quick-set" method for a flavored gelatin salad if you're interested in a real fast preparation. After the gelatin has been dissolved completely in one cup boiling water, add 8 to 12 ice cubes or cubes and stir constantly until it begins to thicken. Remove the unmelted ice, pop in to the refrigerator and chill until firm.

Luther Folks Travel And Entertain

LUTHER — Mr. and Mrs. W. D. Anderson were in Dallas recently, where Mr. Anderson had a medical check up. Recent guests in the Anderson home have been their daughter, Mrs. Roy Eastland and Rebecca.

Mr. and Mrs. Nell Spencer and Skipper visited the State Fair at Dallas recently.

Mr. and Mrs. Carl Lockhart, Jimmy and Sue, Mr. and Mrs. James Foster and children visited Mr. and Mrs. James Malone and other relatives in Louisiana recently. On the return trip they visited a sister of Mrs. Lockhart, Mrs. M. H. Reynolds in Fort Worth.

Sonny Foster is visiting his brother and family, Mr. and Mrs. James Foster.

Mr. and Mrs. Donald Simpson and children visited with his parents, Mr. and Mrs. Edward Simpson. Donald was being transferred from Fort Bliss to Fort Belvoir, Va.

Mr. and Mrs. Grace Blanchard of Fullerton, Mr. and Mrs. Johnnie Hinkle and son of Andrews, Mr. and Mrs. Charles Lassiter of Odessa were recent guests of Mr. and Mrs. Bonnie Puckett.

Sally Graves of Big Spring was a recent visitor of Mr. and Mrs. Bus Lloyd.

Mr. and Mrs. Walker Reed of Big Spring and Loyd Underwood were recent guests of Mr. and Mrs. O. E. Hamlin and boys.

Mr. and Mrs. R. G. Lloyd, who have been in New Mexico for several months are back at Luther.

Farrar School Has Party For Students

A birthday party Wednesday morning at the Farrar Private School honored all morning kindergarten class and first grade pupils who had birthdays in October.

A Halloween motif was used in decorations, which featured a pumpkin mobile sculpture over the refreshment tables. An interpretive dance game "The Brownie's Halloween" was entertainment. Horns were favored.

Honorees were Janetta Douglas, 4, daughter of Capt. and Mrs. Jackie R. Douglas; Mike Hagins, 4, son of Col. and Mrs. Newton D. Hagins; Jessie Lee Haynes, 6, son of Mrs. Jessie Haynes and the late Major Haynes; Barbara Foster, 6, daughter of Capt. and Mrs. Ivan L. Foster; Wanda Porter, 6, daughter of Mrs. Gladys Porter.

Gifts were presented and cake and ice cream were served to the honorees and their classmates, including Martha Tidwell, Kathy Gilliland, Diana Ryan, Ray Tollett, Bobby Inghram, Cathy Thomas, Mike Weaver, Sandy Tonn, George Hethcoat, Connie Carlton, Cheryl Stone, Cecelia Dahlstrom, Nikki Jane Thomas, Michael Clark, Terry Jo O'Brien, Richard Cauley, Tommy Ehrlich, Michele Graff, Glenn Sholte.

Jackie Griffin, Ginger Claud, Terry Cheatham, Helena Wozencraft, Burr Lea Settles Jr., Sara Whittington, Vicki Zodin, Cynthia Hebert, Diane Price, Ann Sanders, Jackie Cook, Mike Burk, Jeanie Johnson, Lynn Green, Cathy Carpenter, Virginia Custer, Bob Purser, Kathy Webb, Patty Pruitt, Lee Harris, Glen Allen Lloyd, Debbie Duncan, John Laakman.

Mr. and Mrs. Charles Candler and children, Bruce and Judy, returned home recently.

R. E. Schrimshire was a patient in Big Spring Hospital recently.

Mrs. Jewel Brewer, assistant postmistress, is a patient in Root Memorial Hospital at Colorado City.

Mr. and Mrs. Bill Standfield have returned from a three weeks visit with relatives in Rising Star, Gorman, Fort Worth, Pecos and Grandfalls.

Westbrook To Have Festival

WESTBROOK — Carr Home Demonstration Club will sponsor a fun festival at the Community Center Saturday beginning at 7:30 p.m.

Games will be conducted for adults and children and refreshments will be served.

Plans for the festival were discussed at a meeting recently in the home of Mrs. T. A. Rees.

Program for the meeting, "Highway Safety," was led by Mrs. Tom Jackson and Mrs. Tom Elliott. Mrs. F. A. Laughley conducted a parliamentary drill.

Club members voted to meet the second Friday of each month for drills and to study parliamentary law. First study will be in the home of Mrs. Rees Nov. 19.

An invitation was extended not only to club members but to anyone wishing to learn parliamentary procedure.

Refreshments were served to seven members and one guest, Mrs. C. A. Rees of Dublin. Next meeting will be Nov. 5.

Mrs. Charles Candler and children, Bruce and Judy, returned home recently.

R. E. Schrimshire was a patient in Big Spring Hospital recently.

Mrs. Jewel Brewer, assistant postmistress, is a patient in Root Memorial Hospital at Colorado City.

Mr. and Mrs. Bill Standfield have returned from a three weeks visit with relatives in Rising Star, Gorman, Fort Worth, Pecos and Grandfalls.

Tommy Seward Is Birthday Honoree

FORSAN — Tommy Seward was honored with a party on his ninth birthday by his mother, Mrs. J. N. Seward. She was assisted by Mrs. R. D. Anderson.

Halloween decorations were used and favors were balloons and bubble gum. Winning prizes in games were Harry King and Betty Conger. Guests were Sharon and San-

Virgil Bennett Jr. Weds Miss Patterson

FORSAN—The Hereford Church of Christ was the scene Oct. 24 at 4:30 p.m. of the wedding of Geraldine Patterson to Virgil L. Bennett Jr. of Forsan.

Parents of the couple are Mr. and Mrs. Elmer Patterson of Hereford and Mr. and Mrs. Virgil L. Bennett Sr. of Forsan.

Double ring vows were exchanged before Bob Wear, minister, before an altar decorated with two pairs of candelabra and two baskets of bronze chrysanthemums and pompons arranged with greenery.

Nancy Patterson, sister of the bride, was vocalist. Other wedding music was by the Broadway Church of Christ wedding chorus, who also hummed the background accompaniment for Miss Patterson.

The bride was given in marriage by her father. Her gown was

of white satin and Chantilly lace. A redingote of satin was fastened to the waist with satin covered buttons. The redingote opened from the waist to reveal a full lace skirt. The gown featured pointed sleeves and a scalloped lace yoke. The fingertip veil of illusion was fastened to a lace hat accented with seed pearls. The veil was bordered with lace. The bride carried a white orchid on a white Bible showered with stephanotis.

Matron of honor was Mrs. Clifford Galley of Canyon. Bridesmaids were Jackie Wooley of Dallas and Nancy Patterson. They were gowned alike in hunter green antique taffeta made empire style with scalloped necklines and sleeves. They wore matching head-dresses and carried natural straw cornucopias decorated with bronze chrysanthemums, pompons and gold laceron.

The bridegroom's best man was E. J. Moore of Snyder. Groomsmen were Buddy Garner of Tulsa, Okla., and Mack Clark of Rochester. Ushers were Don Hood of Tulare, Calif., Tom Bell of Pueblo, Colo., Jerry Trenary of Denver City and Bill Waits of Hereford.

Nancy Hallmark of Hobbs, N. M. was flower girl and Jackie Kimbler of Jal, N. M., was ring bearer. Pat Gatewood of Vernon and Sheryl Patterson, sister of the bride, lit the tapers.

A reception was held at Hotel Jim Hill. The bride's table was covered with a green linen cloth and held a wedding cake. Forming a centerpiece were the cornucopias

carried by the attendants in the wedding. This was flanked with white candles in gold holders. Serving were Mrs. Lee Ragan of Amarillo and Metta Dean Smith of Abilene. Mrs. Don Morgan kept the bride's book.

A large number of out-of-town guests was present.

For a brief wedding trip to Colorado, the bride chose a navy woolen suit and white and gunmetal accessories. The couple will make their home in El Paso where the

bridegroom is assigned to Fort Bliss.

The bride attended Abilene Christian College for three years and was a member of Kappa Kappa Gamma, F.T.A., Panhandle Club and Kitten Klub. This past

summer she attended West Texas State College at Canyon. The bridegroom is a graduate of Abilene Christian College where he was a member of the C-Club and was active in football, basketball and track.

MR. AND MRS. VIRGIL L. BENNETT JR.

Forsan Halloween Carnival Is Set For Saturday Night

FORSAN—A Halloween carnival will be held at the Forsan Country Club Saturday at 7 p.m. Bingo, a cake walk, food, prizes and games will be available. The public is invited.

In charge will be Mrs. W. Gressett, Mrs. W. O. Averett, Mrs. J. R. Asbury, Mrs. Glenn Whittenberg, Mrs. Ed Hansen, Mrs. M. M. Hines, Mrs. F. P. Honeycutt, Mrs. O. W. Scudday, Mrs. W. E. Stockton, Mrs. Hamlin Elrod, D. M. Bardwell, Bob Asbury, Mr. Elrod, C. B. Long, Mrs. Joe T. Holliday, W. B. Dunn, Mr. Hines, C. C. Brunton and Mrs. Bardwell.

Mr. and Mrs. Bill Conger, William and Betty were in Breckenridge recently.

Filling the pulpit recently at the Church of Christ was Gary Nichols, a student at Abilene Christian College.

Rosebud Club Hears Mrs. Bristow Speak On Flower Shows

Mrs. Oble Bristow spoke on "Flower Show Practice" at the meeting of Rosebud Garden Club Tuesday morning in the home of Mrs. W. B. Younger with Mrs. Roy Cornelison and Mrs. Dick Lane as co-hostesses.

Mrs. Bristow said the purpose of flower shows is educational; one learns what to grow and what to do with flowers after they're grown. Shows also create friendly rivalry, she said.

She added that two of the newer strains of Iris, which bloom all summer are Eleanor Roosevelt and autumn sunset.

New members present were Mrs. John Berkey, Mrs. Robert McKenzie and Mrs. Robert A. Pondrom.

New officers installed were Mrs. Tip Anderson Sr., president; Mrs. Toota Mansfield, second vice president; and Mrs. Walter Ross, secretary.

Mrs. C. M. Boles was named flower show chairman for the show which is to be held Nov. 23.

Floral arrangements were placed at vantage points throughout the house.

E. A. Grissom Is Honored At Dinner

FORSAN—An oyster dinner given by members of the school board honored E. A. Grissom recently. Grissom was formerly president of the board, but has been transferred.

Patricia Edmonds attended the football game in Waco recently and also visited in Wichita Falls. Barbara Blair was a weekend visitor in Fort Worth.

Guests of Mr. and Mrs. Bob Honeycutt were Mrs. Pat Etheridge of Iraan; Mr. and Mrs. Neal Honeycutt and children of McCamey and Mr. and Mrs. Jim Kennedy of Carlsbad, N. M. Mrs. Honeycutt's mother, Mrs. I. S. Kennedy of Abbott, is presently a guest in their home.

Hunters Back From Trip To Colorado

FORSAN — Men who have returned from a deer-hunting trip to Pagosa Springs, Colo., are Elroy Scudday and Bill Skiles.

Visiting in Goldsmith were Mr. and Mrs. E. O. Bassinger and Vicky. They were guests of Mr. and Mrs. Vernon Mitchell and Mr. and Mrs. Freddie Tankersley.

Glenn Whittenberg has returned from Galveston where he attended a school principals' meeting.

Butch Padgett, local high school student, received a badly cut finger.

Mr. and Mrs. Frank Swiger were in San Angelo Monday.

Mrs. Mattie Shoults has had as her guests, her sisters, Mrs. Mollie

Walden and Mrs. Sally Williams of Spur.

Guests of Mr. and Mrs. Cliff Fowler are Mr. and Mrs. J. D. Fowler and their children of Sherman. Pic. Jerry Hood after visiting his parents here.

Return From Vacation
Dr. and Mrs. T. M. Collins have returned from a three-weeks vacation trip to Lafayette, La., where they visited their son, M. D. Collins, and to Baton Rouge, La., where they were guests of their cousins, Mr. and Mrs. Hampton Cooper and his sister, Octavine Cooper. They visited with relatives in other Louisiana towns, in Dallas and in Abilene. In the latter city, they were guests in the home of Mr. and Mrs. E. L. Haag and of their son, Mr. and Mrs. J. B. Collins.

Suggests Exercises

Audrey Dalton, who came to Hollywood from Dublin and is now starring with Alan Ladd in "Drum Beat" for Warner's, talks to Lydia Lane about her exercise routine.

HOLLYWOOD BEAUTY

Player Lists Exercises That Will Help Figure

By LYDIA LANE
HOLLYWOOD—"When I was chosen as one of the three girls in "Treasure Island" I thought I was coming to the U. S. for just a few months," Audrey Dalton told me on the "Drum Beat" set at Warner Bros., "but it has been two and a half years!"

"I love the United States and I've taken out my citizenship papers, but as soon as I finish this picture, I'm going to take my baby to Dublin to visit my family."

"I'm going to take my mother lots of American recipes to try out—she'll love the cake-mixes and corn bread to them. It's very tempting for a foreigner to find baking so easy but also very dangerous because one gains weight so quickly with this type of food."

"In London I seemed to eat everything without getting fat, but here it has become a problem. I know that one does not gain unless one eats more than the body needs but what is a mystery to me is that I seem to need less here than elsewhere."

"You have your figure back nicely for having had a baby so young," I commented.

"I worked at it," Audrey confessed. "I exercise every single morning. I don't allow myself to

have a cup of coffee until I have done my setting-up exercises."

I asked Audrey to tell me more about her routine.

"It is best to begin with a stretching and limbering exercise so I take a book in my hand and lift it as high as I can and then fall over, rag doll fashion, until my head is between my legs. I swing up again slowly until I feel loosened up."

"Next I lie on the floor and try to lift my legs just a little way up from the floor and bring them up and down without touching. This gives your muscles a good pull and helps to keep your stomach flat."

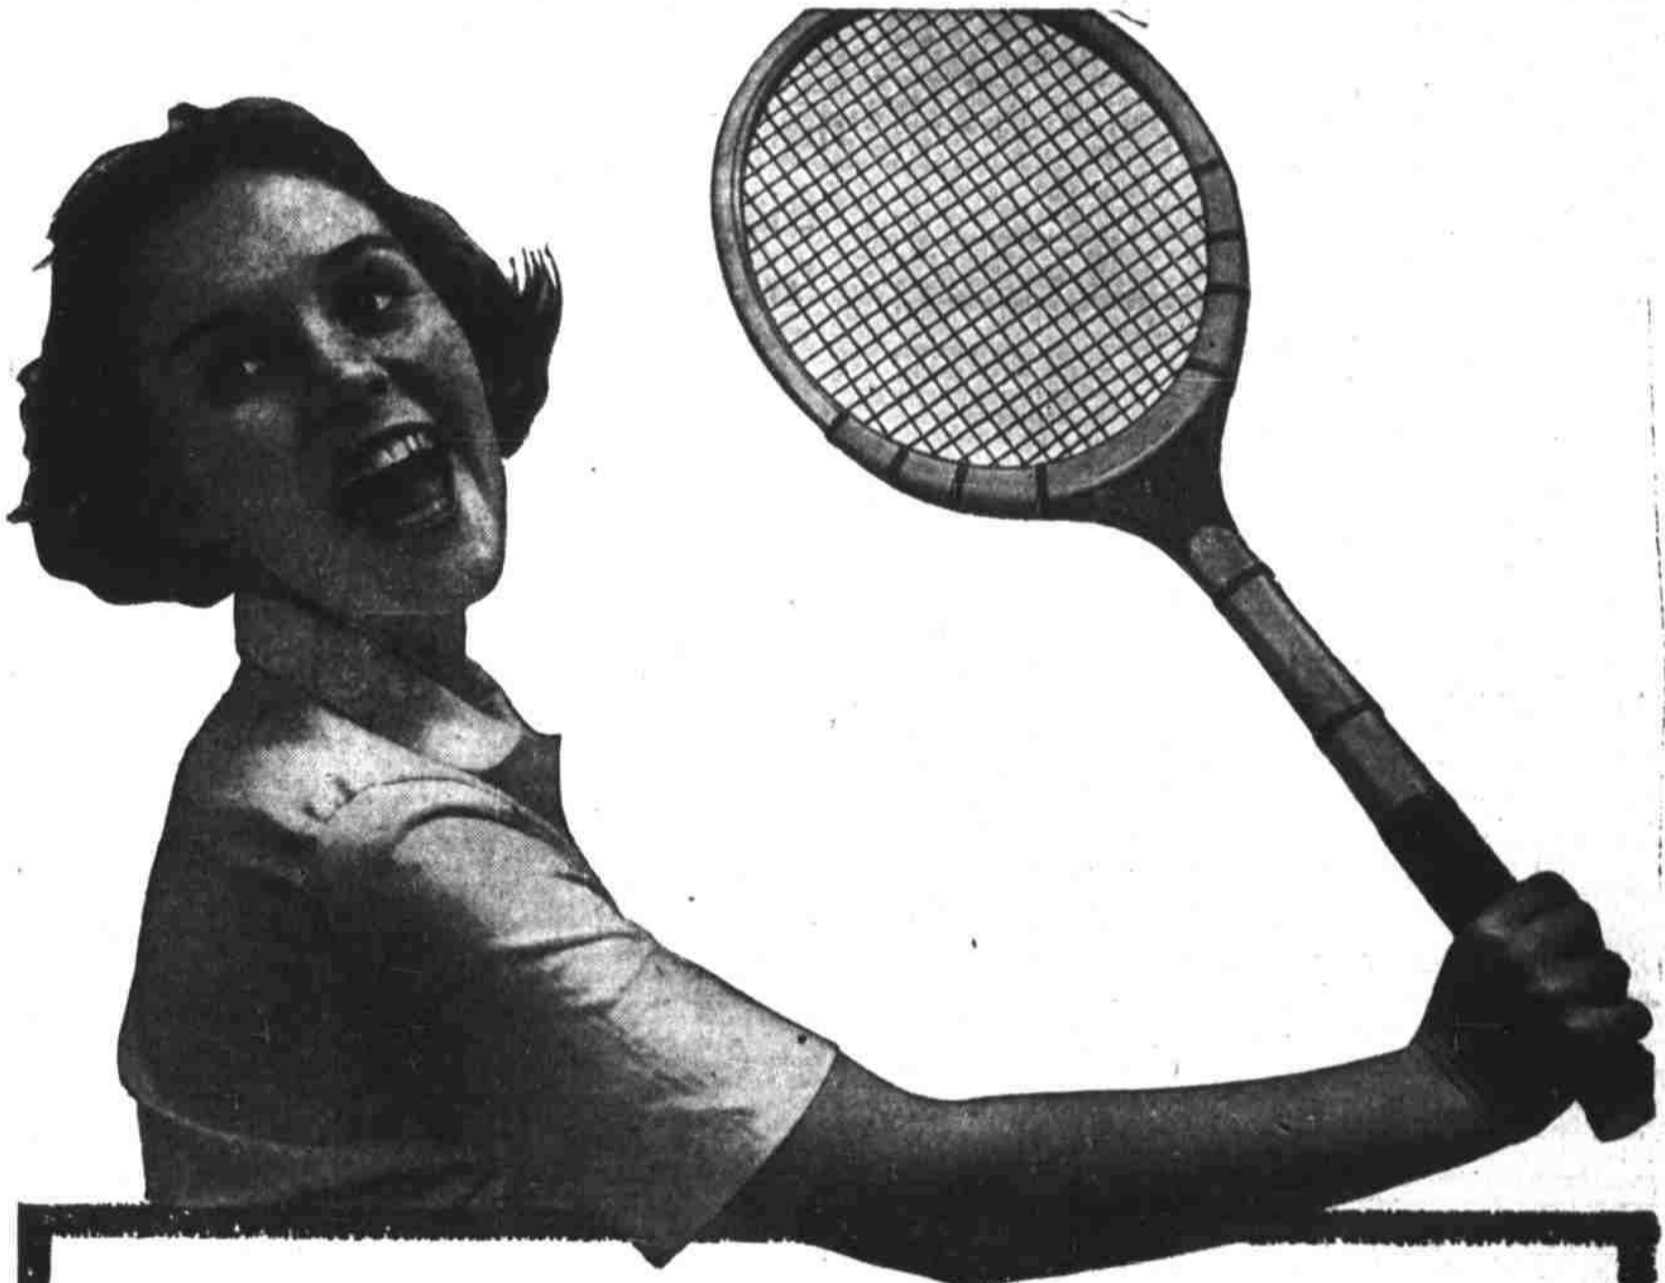

"For my waist I stand with my arms out-stretched and stretch as far as I can to one side, feeling a pull on the opposite side, then I reverse. For a strong pull you have to keep the lower part of your body as still as possible. Try this in front of a mirror the first few times so that you can check your posture because this exercise won't reduce you unless it is done right."

"I think it is a good idea to vary your exercises from time to time," Audrey said as she was called before the cameras, "but I can recommend these three for a start."

Ohio Siamese Twins Doing Well At Age 3

By RICHARD J. BROWN
DAYTON, Ohio (AP) — Nature winked at the little Galyon boys and they came back smiling. For them, life is a cumbersome shift of taking turns walking backward because Donnie and Ronnie are Siamese twins, joined at the abdomen. Somebody has to sleep on the bottom when they get tucked in at night. But the boys were laughing today as they celebrated their third birthday with an ice cream and cake party for the family. Cowboy shirts and cap guns brought grins to faces as clean and bright as milk. "They're just plain boys," their mother, Mrs. Wesley Galyon, says. The blond, blue-eyed brothers started to walk last March and carry themselves to the television set, Mrs. Galyon said. "They raise an awful fuss if it's time to eat and a pet program is on. They have wonderful appetites and eat just about everything."

Physicians said last year surgery would mean death for one of the boys because they share vital internal organs. Not enough vital organs for both have been detected yet to make separation advisable. But their father said, "We'll never separate them. We don't even talk about it any more." This birthday Ronnie is the taller but it was Donnie who once was the big one. Donnie is the "wriggliest" too, Mrs. Galyon said, "so we have to put him on the bottom when they sleep at night. Otherwise he squirms around and they fall out of bed." Mrs. Galyon recalls: "Everything in their development happened at once. Donnie was first in everything, but it didn't take Ronnie long to catch up. In fact, Ronnie can say sentences now. Donnie's still at the single word stage." And so the balance of nature swings back and forth between the bright-eyed brothers, first favoring one and then the other.

Lynne Baggett Faces Sentence On Nov. 17

LOS ANGELES (AP) — Actress Lynne Baggett faces a probation hearing and sentence Nov. 17 on a felony charge of hit-run driving in the death of a 9-year-old boy. A jury convicted her yesterday of that charge but acquitted her of a second felony count of manslaughter. The hit-run charge carries a maximum penalty of five years in prison and a \$5,000 fine.

Marge And Gower Champion To Open 77-City Show Tour

By BOB THOMAS
HOLLYWOOD (AP) — Tonight at Pomona College in nearby Claremont, Marge and Gower Champion begin a tour that will send them dancing to 77 cities across the land. The personable pair is starring in "Three for Tonight" with singer Harry Belafonte, actor Don Beddoe and 20 Walter Schumann singers. The show is presented by the show business phenomenon Paul Gregory. If it is as successful as his "Don Juan in Hell," "John Brown's Body" and "Caine Mutiny Court Martial," "Three for Tonight" may be lighting up the marquee much longer than its present 90-day schedule. I visited the Champs at their Hollywood hillside home as they were winding up details for the tour. They were conferring with their musical director, Dick Friebor, and writer Bob Wells, who dreamed up the show with Gower. Marge was enthused about a n balm she had discovered to soothe Charley horses and other dancer's ailments. She is taking a large quantity along. "I'll need it," she sighed. "Im-

agine 77 different stands in 90 performances!" "It's not so much the dancing that might wear us down," added Gower. "It's the traveling. We have worked harder in night clubs, doing two shows a night. We've been on the road as much as four months at a crack, with no time off." "But those dates were never less than two-week stands," Marge remarked. "We've got to stay in shape. We have no understudies to go on for us." Health officials estimate there are about 2 1/2 million cases of tuberculosis in India. **Nagging Backache Sleepless Nights** Often Due to Kidney Slow-down When kidney function slows down, many take complete of nagging backache, head-aches, dizziness and loss of pep and energy. Don't suffer restless nights with these discomforts if reduced kidney function is getting you down—due to such common causes as stress and strain, over-exertion or exposure to cold. Minor bladder irritations due to acid or wrong diet may cause passing up nights or frequent awakenings. Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a solid diuretic. Used successfully by millions for over 40 years. It's containing low-salt Doan's Pills give happy relief from these discomforts—help the 15 million of kidney tubes and filters flush out waste. To Light His Way

When you see County Judge R. H. Weaver, right, running around town with a lantern in his hand, he'll be looking for contributions for the General Gifts Division of the United Fund Campaign. Weaver must carry the lantern as long as his division trails in the solicitation of funds in the UF drive. He says he will get rid of it Friday at the general report meeting. His workers are beating the bushes for additional gifts. The division chairman who turns in the low report Friday will receive the lantern, to carry until he can climb back up in standings. Presenting the lantern to the judge is Dick Simpson, general campaign chairman. Weaver's team captains, J. B. Apple, left, and Grover Cunningham Jr., center, grin, but they promised to help get rid of the lamp.

Three Completions Reported In Vicinity; Six Locations Logged

Three completions and six locations were logged today in the immediate area, and it is reported that small amounts of oil are being bailed at Blackwood and Nichols No. 1, Davis, wildcat in Sterling County. Three of the locations are in Howard County, two are in Sterling County, and one is in Dawson. Western Drilling Company No. 1 Helen Roberts is one of the completions, having finished in the Welch field of Dawson County for 71.76 barrels of oil. The other new wells are in the Howard-Glasscock field, both Continental projects.

Borden
Tide Water No. 2 Clayton and Johnson, C SE NE, 46-31-4n, T&P survey, is building derricks. This wildcat is 12 miles south of Gall. Shell No. 1 Clayton and Johnson, C SE SE, 44-32-4n, T&P survey, is preparing to spud in today. This wildcat is 14 miles southwest of Gall.

Dawson
Stanford Oil and Gas Company spotted location for its No. 3 J. W. Classen, 1,300 from north and 990 from east lines, 95-M-EL&RR survey. It will be 1 1/2 miles northwest of Lamesa in the Mungerville (Pennsylvanian) field on a 160-acre lease. Projected drilling depth is 8,800 feet. Western Drilling Company completed its No. 1 Helen Roberts in the Welch field for a 24-hour pumping potential of 71.76 barrels of oil. There was no water. Gravity measured 31.2 degrees, and the gas-oil ratio was 122-1. Operator acidized with 10,000 gallons in open hole from 4,815, pay top, to 4,905, total depth. The 5/8-inch casing is bottomed at 4,815 feet, and elevation is 3,128.9. Ray Albright No. 1 R. B. Adams, wildcat in Southeast Dawson, has lost circulation at 8,920 feet. This prospector is practically on the Borden County line just one and three-quarters of a mile northeast of Ackerly. It is on a 320-acre lease, drillete being C NW NE, 1-34-3n, T&P survey. Projected drilling depth is 9,300 feet.

Glasscock
Continental No. 7 Hart Phillips, project in the Howard-Glasscock field, was finished for a 24-hour pumping potential of 84.2 barrels of 30 gravity oil. Completion was from perforations between 2,118 to 2,134 and from 2,148 to 2,168 feet after treatment was effected with 4,000 gallons of acid. The 5/8-inch casing is bottomed at 2,320 feet, total depth. Location is 330 from north and west lines, 24-33-2s, T&P survey. Lion Oil Company staked its No. 7 Hart Phillips as a Howard-Glasscock venture about 15 miles southwest of Big Spring. It will be drilled to 2,600 feet, starting at once. This location was originally filed with the Railroad Commission on May 27, 1933, but was never drilled.

Hit-And-Run Crash Reported To Police
Lt. John Edmondson of Webb Air Force Base reported to police last night that approximately \$40 damage was inflicted to his car by a hit-and-run driver. He stated that his 1931 Chevrolet was parked in the 300 block of Main when the car next to him backed into his vehicle. Driver of the other car did not stop, he said. A license number was presented to officers. A collision was reported this morning at Fourth and Main Streets about 8:50 a. m. Drivers involved were Jeff Davis Jenkins, 407 Benton, and Robert Wayne Broughton, route 1.

Rites Held For Crash Victim
Rites were said at 11 a. m. Thursday in the St. Thomas Catholic Church for Francisco Vasquez, 30, victim of a car wreck in Borden County on Wednesday afternoon. Burial was in the Catholic section of the City Cemetery under direction of Eberley-River Funeral Home. Survivors include his wife; a daughter and two sons; his parents, Mr. and Mrs. Vicente Vasquez, Abilene; four brothers, Crislahol and Joe of Lamesa, Raul of Sinton and Tiofilo of Sweetwater; four sisters, Mrs. Antonio Rodriguez, Abilene; Mrs. Juana Garcia, Phoenix, Ariz.; Mrs. Atalora Valencia, Abilene; Mrs. Tiodora Losano, Lamesa.

Easter Seal Group Plans For 'B Day'
Crippled Children's Society directors met Wednesday in the Chamber of Commerce to hear plans for "B Day." This is to be Nov. 17 in Texas and is the day in which union barbers will give a day's wages for the society. M. M. Ricker of Dallas and Mrs. Robert Hale of Midland met with the group and explained the movement. It is planned to be nationwide, and next year will be on the same date in all states. It was announced that the next Easter Seal campaign will be held from March 10, to April 10.

Sheep: 100; unweaned; slaughter lambs weak to 50 or more lower; aged weathers steady; butcher lambs steady. Good and choice slaughter lambs with 2 1/2 to 3 1/2 points 18-20; utility to good wooled slaughter lambs 12-14; ewes down to 11.00; utility aged weathers with wet faces 11.50; few tender lambs 12.00-12.50, including shorn feeders at 13.00.

WALL STREET
NEW YORK (W)— The stock market was higher today in easy trading with the stocks and averages in front of the rise. The oil stocks also did well together with the railroads, airlines, radio-telegraph, and the copper.
Some gains went to around a point. Losses were usually small and scattered.

Webb Graduates Hear Col. Baer

Lt. Col. Reuben A. Baer, in addressing 43 graduating officers at Webb Air Force Base shortly before they received their pilot's wings Wednesday stated that the citizens of this country have the right to be assured that their security is in good hands and that the responsibility for this assurance rests upon the country's commissioned officers. Col. Baer, in discussing the meaning of being a commissioned officer, said that today's officers must have a "sense of mission" which always compels them to perform in the best interests of the nation. Not only is it essential that each officer have this "sense of mission," but he must be able to instill it into the work of the men under his charge. "One of the greatest challenges to the officer of today is to resolve the apparent conflict between the need for establishing strict military procedures to assure that his men are rugged, disciplined, and obedient while at the same time, he must assure each man his dignity and his freedom. Many of the men under his command are civilians at heart. The good officer of today will understand this. "He will, in a sense, be a 'Rhodes Scholar' of the American way," Col. Baer added, "and he will learn to get the most out of his men even though they are often serving against their will, in places where they do not want to be and in jobs they do not like."

Col. Baer, who holds a Ph. D. in psychology from Johns Hopkins University, is the author of a book "Principles of Leadership and Management." He is engaged at Lackland AFB in San Antonio in the development of new methods of leadership training.

Fire Damages Small House

A small three-room house located on the back lot at 405 Donley Street was badly damaged by fire about 9:30 p. m. Wednesday. Firemen said this morning that the front room was charred by flames, and that paint and wall paper in the rest of the building was burned. Approximately 25 per cent of the structure burned, while more than half the furnishings were destroyed. Fire Capt. A. D. Meador stated that the fire started as a result of a cigarette on the divan. Flames had spread through the entire building before neighbors noticed. The house belongs to B. F. Tubb, and Tubb's tenants were not home at the time of fire.

Mrs. Cheek Rites Held At Loraine

COLORADO CITY — Funeral services for Mrs. James M. Cheek, 47, of Midland, were to be held at 2 p. m. today in the First Baptist Church in Loraine. Rev. Leonard Hartley, pastor, will officiate. Burial will be in the Loraine Cemetery under direction of Kiker and Son Funeral Home. Mrs. Cheek died in Midland Tuesday night. She had lived in Loraine a number of years moving to Midland a year and a half ago. She was a member of the Baptist Church in Loraine. She was born Sept. 2, 1907, in Oklahoma and married James Cheek April 30, 1924, in La Flore, Okla. Survivors include her husband, of Midland; her parents, Mr. and Mrs. J. C. Newby of Fanshaw, Okla.; one son, James Cheek Jr., and one daughter, Geraldine both of Midland; two sisters, Mrs. Pearl Holdenfield and Mrs. Loraine Bullard; and one brother, Lowell Newby all of Fanshaw, Okla.

Truck, Automobile Collide On U. S. 87

No injuries resulted Wednesday when a truck and automobile were in collision at the entrance to Big Spring State Hospital on Highway 87. A car operated by Veva Smith Strom, 501 Westover, and a truck driven by J. C. Watkins, 511 Benton, were involved. Highway Patrol officers said The mishap occurred about 3:45 p. m.

Steer Slogans Being Stenciled On Autos

Steer booster slogans are being stenciled by Quarterback Club members on Big Spring automobiles which will be driven to Levelland Friday for the Big Spring-Levelland football game. No charge is made for the signs. Motorists desiring the slogans should report to Jones & Jones Service Station, 18th and Gregg, after 6:30 p. m. today. Quarterback Clubbers will apply them speedily and neatly, said Co-Capt. R. H. Weaver.

IKK

(Continued From Page 1)
Republican campaign lead in speeches all across the nation. He accused Nixon of playing a " cynical numbers game designed to suggest that thousands of our public servants were disloyal." He also criticized Atty. Gen. Brownell, who he said "sought political profit by impugning the . . . loyalty" of former President Truman.

Man Held In Jail For Ector Officers

Big Spring police were holding Howard Sigman in jail today for Odessa authorities, who say he is charged in that city by warrant for theft by baillee. Sigman was arrested here during pre-dawn hours today at the Jet Tavern on West Highway 80 along with two other men. They were apprehended on charges of disturbance alleged by the management of the establishment. Testimony revealed that Sigman invited two others to eat with him at the cafe, but that Sigman and the other two refused to pay for their orders. One of the men was found not guilty on a disturbance charge after he testified that Sigman said he would pay before orders were made. The third man was fined \$15 on a charge of drunkenness. Sigman was fined \$15 for drunkenness and \$10 for disturbance. Sigman paid both his fines and was waiting on Odessa lawmen this morning.

Hearing Scheduled On Man's Probation

Hearing is set for 9 a. m. Friday in 118th District Court on the probation of Herman Lee Johnson. Johnson pleaded guilty to charges of burglary and received a two-year probation sentence. He again was charged with burglary on Oct. 11.

Current Tax Collections In County Hit \$1-Million

More than a million dollars in current collections have been reported with the traditional maximum discount deadline looming Saturday. Through Wednesday all local collecting agencies had reported an aggregate of \$1,128,771.83 received on the current rolls. There was no immediate way to ascertain the percentage but it probably approximated from 55 to 60 per cent. Except for Forsan, which offers only one per cent for October payments, other agencies offer a three per cent discount for current payments in October. The county and state discount period runs out 90 days prior to Jan. 31, 1935. Schools and others expire with October. Taxes postmarked before midnight Sunday will be accepted by all agencies. The collection picture by agencies showed:
CITY OF BIG SPRING — Total valuations \$17,710,440; total tax levy \$27,643.14; collections through Wednesday \$1,914,852.23 gross or \$1,874,740.60 net (the difference being the 3 per cent discount). November collections will bring a two per cent discount and then in December one.
CITY OF COAHOMA — Total valuations \$294,990; total levy \$4,424.85; total collections through Wednesday \$1,590.82 (after allowing \$45.39 discounts). The city also has collected \$111.90 in delinquent taxes.
COAHOMA INDEPENDENT SCHOOL DIST. — Total valuations \$6,668,021; total levy \$100,020.30; gross collected \$69,335.18 (less \$2,048.92 discount) or a net of \$67,286.26; delinquent collections \$453.71.
FORSAN INDEPENDENT SCHOOL DIST. — Total valuations \$7,007,352; total levy \$105,110.28; collected through Wednesday \$79,046.18, or about 75 per cent of the roll. Forsan schools allow a one per cent discount for October payment, none after Oct. 31.
BIG SPRING INDEPENDENT SCHOOL DIST. — Total valuations \$31,871,588; total levy \$478,097.63; gross current collections through

Man Held After Missing Car Is Found Wrecked

A man was arrested in Midland early this morning after a car which was reported stolen at Webb Air Force Base had been wrecked near that city. Big Spring police said that the name of the man arrested had not been obtained here at noon. It was not known whether or not the individual was injured in the automobile mishap. Johnny Lee Bates, photo thief at Webb, reported the theft of his 1948 Oldsmobile about 4:45 p. m. Wednesday. The local police department immediately broadcasting a pick-up alert to surrounding cities. At 6:45 a. m. today Midland authorities notified the Big Spring department that the vehicle had been hauled into a wrecking yard there following a mishap. The Oldsmobile was a total wreck, according to the report.

Papers Are Missing

R. J. Duty, Douglass Hotel, told police this morning that some insurance papers were stolen from his car sometime last night. The car was parked on the hotel parking lot at the time and was unlocked, he said.

Lions Club Sets Its Sights Ahead

Lions are looking ahead. At the regular meeting of the club Wednesday, President Gil Jones announced that the club would sponsor, as usual, the annual football banquet for members of the Big Spring High School squad. He also announced that Louis Carothers would repeat as the director of the annual minstrel show staged traditionally in February or March by the club. The Stalwart Quartet, composed of Mrs. Bob Spears, Mrs. Bob Clark, Mrs. Bernie Freeman and Mrs. V. E. Sorrells, drew robust applause with a number of barbershop type selections. Inducted into the membership of the club was Glen Allen, with C. O. Hitt, Lontamer, doing the honors. Dr. R. Gage Lloyd made the presentation of the baby blanket to Elbert Boullion Jr. as the club's newest father. Lions will meet jointly Nov. 15 with the Jaycees and other clubs of the city to hear Rep. George Mahon speak. Jones announced a zone meeting in Andrews on Nov. 2. He also said that the club had authorized the purchase of two recordings for the blind. These will be given to the Howard County Free Library.

Dr. Hunt Returns From Conference

Dr. Anthony Hunt, president of Howard County Junior College, has returned from Mineral Wells where he participated in a teacher training conference. The meeting of the group assigned to fix curriculum requirements for training of teachers climaxed a two-year study in the field. The recommendations are being published and within the next five years all colleges in Texas will be evaluated against these standards. The training standards group is a committee operating under the framework of the Texas Association of Colleges.

CRMWD Board Adopts \$1-Million Budget For '55

A million dollar budget was adopted here Wednesday for what promises to be the first normal year of operation for the Colorado River Municipal Water District.

In submitting an estimate of \$1,068,785 for revenues, E. V. Spence, general manager, reminded the board of directors that the district did not yet have a complete year with all facilities operating by which he could gauge revenues. Within a month Big Spring is due to receive water from Lake Thomas, completing the original phases of the project.

Operating costs for the year beginning Jan. 1, 1955, were pegged at \$323,185 and debt requirements at \$306,158. This would leave a surplus of \$439,442 to be applied to reserves, contingencies, improvement and extension, and retirement funds.

The budget, which under terms of the indenture must be approved prior to Nov. 1 each year, anticipated \$362,440 from the City of Odessa, \$224,140 from the City of Big Spring, and \$108,143 from the City of Snyder, or a total of \$694,723 from the member cities which comprise the CRMWD.

Other sources of income are estimated at \$350,400 from The Scurry Area Canyon Reef Operators Committee utilized repressuring project; \$9,812 from Texas Gulf Producing plant near Odessa; \$2,100 from rural users, which would run the aggregate water revenues to \$1,057,035. Anticipated revenues in the recreational fund would run the district's total for all purposes to the estimated \$1,068,785. Total water requirements for the year were put at 7 billion gallons.

Spence pointed out that there was a strong possibility of additional surplus surface water being sold for secondary recovery purposes. Since this is not included in the budget, its materialization would provide further revenue cushion.

Breakdown on the proposed expenditures included \$39,600 for royalties on water, \$5,575 for operating city production systems for peaking purposes, \$189,400 for system operation (\$38,150 for labor, \$141,250 for electric power, \$10,000 for repairs and supplies), \$33,115 for administration, \$11,700 for recreational facilities, \$1,725 for lease

rentals and \$2,500 for capital expenditures. Total of all salaries and wages for the district for the year would be \$82,760.

At the meeting of the board, authorization and ratification was voted on a number of routine easements and right-of-way requirements and on one minor land exchange for road purposes. The president, R. T. Piner, also was authorized to execute an operating agreement with several private firms for operation of a radio antenna tower at Big Spring.

Spence reported that the level of Lake J. B. Thomas is now 2,236.7 feet, which represents approximately 80,000 acre feet of water, or approximately 40 per cent of capacity in volume. S. C. Freese, member of Freese and Nichols the district's engineers, said that the \$138,000 cash in the construction fund should be adequate to complete pending work, including 15 million gallons storage at SACRO's filtration unit and at the Big Spring gate. He recommended that the remaining \$800,000 in securities be held in reserve for other construction as might be needed, including instal-

lation of pumping stations to boost lake water to Odessa.

Big Spring directors attending included Piner, George White, R. L. Cook, and H. W. Wright. Weather forced cancellation of a projected tour of Lake J. B. Thomas by the board.

Southeast Asia has a tuberculosis rate of about 300 per 100,000 population compared with 12 for Denmark and 30 for England.

Wife Carries Mate Home From Session With Divorce Judge

LOS ANGELES (AP) — Actress Sonia Sorel, celebrating their decision to reconcile, picked up actor John Carradine yesterday and carried him out of a courthouse building.

The display of exuberance occurred as the couple left a half-hour session with Superior Judge Elmer D. Doyle of the Domestic Relations Court.

Carradine and his wife announced they would resume their marriage on a 90-days-or-longer basis. Carradine agreed to drop his charges of misconduct, but his divorce complaint alleging cruelty

will not be withdrawn until the reconciliation period ends. The gaunt Shakespearean actor's exit line as he left the courtroom in the arms of his lithe and strong-armed wife was, of course, "All's well that ends well."

Search For Fire Dead

A search crew is going through the rubbish of the burned Colorado Hotel in an attempt to find bodies of individuals who might have been killed in the Colorado City fire disaster early Wednesday morning. Four individuals were killed so far as is now known. The 54-room, three-story hotel was destroyed by flames which apparently resulted when the structure was struck by lightning. Thirteen patrons of the hotel escaped.

Bodies Of Four Men Found In Colorado City Hotel Ruins

COLORADO CITY — Bodies of four men, missing since the destruction of the Colorado Hotel by fire Tuesday night, were found Wednesday by crews of searchers who sifted the wreckage.

Those dead are Albert Clary Cates, about 52, Colorado City cafe operator; James Lonnie Mize, 34, windmill repairman; Albert Rufus Trice, 76; and Hiram Edward Ladd, 78, born in Lamar County.

Cates' body is being held at the Kiker and Son Funeral Home pending arrival of relatives who could not be contacted immediately. Cates has a sister and daughter in North Carolina, but efforts to find them have been futile.

Services for Mize are pending word from a brother in Korea.

He is survived by his father, J. R. Mize Sr., San Angelo; three brothers, Jack Mize, Amarillo, Lloyd Mize, Odessa and J. R. Mize, in the Marine Corps in Korea; two sisters, Mrs. Vada Marie Norton, Odessa; and Mrs. Jim Beard, East St. Louis, Illinois. He is a nephew to Kelly M. Mize and Jeff Mize both of Big Spring.

Services for Trice will be held Friday at 2 p.m. with Rev. Bill Austin, Oak Street Baptist pastor, officiating. Burial will be in the Colorado City cemetery.

Trice was born Aug. 9, 1878, in Arkansas and lived 34 years in Mitchell County. He is survived by a son, E. C. Trice of Midland, three daughters, Mrs. Porter Hammons, Midland; Mrs. M. C. Morris,

Lamesa and Mrs. R. E. Geiger of Colorado City; two brothers W. W. Trice of Old Glory and C. D. Trice of Bangs; two sisters, Hattie Trice, and Lucy Trice, both of Comanche.

Hiram E. Ladd, operator of a small store, had lived in Colorado City for 24 years.

Funeral was held at 11 a.m. today at the Colorado City Cemetery, with Floyd J. Spivey, Church of Christ minister, officiating.

He is survived by his wife, of Bogata; a sister, Mrs. Mattie Collier of Colorado City; six daughters, Mrs. Gene Burns, Mrs. Garvin Anderson, Mrs. Juarez Jordan

and Mrs. Hester Robert, all of Bogata, Mrs. Carl Williams of Boyd and Mrs. Robert Landrum of Hooks, Texas.

All four bodies were found in piles wreckage left after the destruction of the Colorado Hotel by fire Tuesday night. Thirteen other guests escaped, as did Mrs. M. L. Bebout, owner of the hotel. Many of the guests dropped from second story windows to the rooftops of adjoining buildings. Some escaped with filmy nightgowns or pajamas and no other clothing and were peppered by rain and hail as they awaited rescue.

Destruction to the hotel and nearby buildings may run in excess of \$50,000. The hotel was not fully covered by insurance, according to Mrs. Bebout.

T. L. Sipes Dies On Anniversary

Thomas Lee Sipes, 79, died in a hospital here Thursday morning on his 60th wedding anniversary.

Mr. Sipes, who had operated a battery service in Big Spring for nearly three decades, had been seriously ill for four days. However, he had been in ill health for a long time prior to his death.

Services will be held at 2 p.m. Friday in the Eberley-River Chapel with the Rev. Maple Avery, East Fourth Baptist Church, officiating. Interment will be in the City Cemetery.

Mr. Sipes was married in Burkett, Coleman County, on Oct. 28, 1894, to Miss Ollie Worthan. Before coming to Big Spring 28 years ago, they had lived in Lamesa for 10 years.

Besides his wife, he leaves three sons, Alvin Sipes, Oklahoma City, Elmer Sipes, Snyder, and L. D. Sipes, Rankin; three daughters, Mrs. Alfred Parr and Mrs. Jack Redmon, Big Spring, and Mrs. M. E. Cheek, North Cowden.

He also leaves 11 grandchildren; 10 great-grandchildren; a half brother, Sam Sipes, Cross Plains; and one sister, Mrs. Ed Gotcher, Midland.

Three Firemen Die In Philadelphia Blast

PHILADELPHIA (AP) — Three ranking fire department officers were killed and 24 other firemen and policemen injured today in an explosion confined entirely to the rear yard of a north Philadelphia chemical manufacturing plant.

The violent blast, without any fire, occurred minutes after a telephoned warning summoned the fire company to investigate the source of escaping fumes, thought to be ammonia.

A 15-foot-high steel tank mounted on a wooden platform in one corner of the yard exploded as firemen searched for the source of the fumes.

Farm Share Of Food Dollar Forecast Same

WASHINGTON (AP) — The Agricultural Department predicted today costs of processing and distributing food next year will continue to exceed the costs of the food raw materials.

But efforts of the food industry to increase its efficiency should reduce some of the marketing costs, the agency said.

The department said that out of each dollar spent for food in 1955, the farmer is expected to get 43 cents and processing and distributing agencies 57 cents. This is the same way this year's food dollar is being divided.

During the war period, the farm share rose to 52 cents. It has declined steadily since 1947.

Here's the 3-Way Bonus

that's sweeping Buick to record sales in October!

BUICK BONUS Record-making Allowance in October

One look at the national sales figures tells you this: Buick is outselling every other car in America—regardless of price class—except two of the "low-priced three." And just to keep sales soaring—we're willing to give a whole lot of an allowance this month—to keep success rolling in high. So come in—get a car and a deal that are too good to miss.

BUICK BONUS Higher Resale Value

Year after year, Buicks have always carried a high resale value. But the 1954 Buick has an even bigger edge in its year-ahead styling. It will still be fresh and new-looking when other '55 models come out. So the new Buick you buy today will keep you plenty of dollars ahead when you trade it in.

BUICK BONUS Tomorrow's Styling Today

You can see it on every new Buick on the road—glamorous, new-day styling keynoted by that broad panoramic windshield that most other cars won't have till 1955 or later. And with this advanced styling, you get Buick's record-high V8 power, luxurious room and comfort, that famed Million Dollar Ride—and all for prices that start just a few dollars above those of the so-called "low-price three." Result: Buick is now outselling all other cars in America except two of these "low-price three!"

Buick Sales are Soaring so Buick "deals" are bigger than ever right now!

Babe To Visit The President

PORT WORTH, Tex. (AP)—The mighty Babe, caught here by an unexpected White House invitation minus her \$10,000 wardrobe, had a dinner date with Ike and the Misses today.

But Mrs. Babe Diddrikson Zaharias boarded an American Airlines plane Wednesday night with a hurriedly-bought bag of clothes and a claim she had no idea why President Eisenhower asked her to Washington.

The Associated Press' Woman Athlete of the Half-Century added: "I'm taking along my golf clubs, though."

Speculation here is that the President is either to give her an award or just wants to play a round of golf with his friend, the Babe.

Mrs. Zaharias' courageous comeback in golf after an operation for cancer was one of 1953's most heart-warming stories. Last April she helped the President open a drive against cancer.

She withdrew from the Women's Texas Open golf tournament here when she got the President's engraved invitation. Talking like any thrilled housewife she vaulted over an airplane counter like a teen-ager at International Airport here to pose for a picture with her golf clubs.

She said she had \$10,000 worth of new dresses at her Tampa, Fla., home but had to do some quick shopping in Fort Worth for her Washington trip.

"I got two or three things," she said. "One is a real pretty black dress with a pink bodice that goes down like this, and with pink bows. And I got me one of them crinoline petticoats. And some shoes that really aren't shoes, just soles and comfortable as house slippers. And a smoky-gray cashmere stole."

"I'll give him a golf lesson if he wants it," she said of the President. Then she went to the plane to answer that engraved summons from Mr. Eisenhower.

Ten of Bob Lemon's 23 victories were against first division teams.

Longhorns Taper Off In Grid Workouts

The Big Spring Steers went through a relatively light workout Wednesday in preparation for their crucial Friday night test in Levelland.

Coaches Carl Coleman and Wayne Bonner did not want to risk the threat of additional injury. Chances for mishap were increased due to the cold weather.

The team is in fairly good physical trim now and all players appear ready to go. Back Brick Johnson, on whom much depends Friday, has been running with the team in practice all week and apparently will start. His knees, a source of trouble earlier in the season, apparently are not bothering him now.

Guard Dickie Milam still has his hand in a cast but he's ready to play 48 minutes, if necessary.

The team went through extended passing and kicking drills Wednesday afternoon. The rough work was concentrated into a few minutes.

The coaches appear satisfied with their team's attitude, as well as its condition. The Steers appear to really "want" this one, figuring that a win over Levelland would elevate them over Breckenridge in the eyes of observers over the state.

The club will go through a snappy workout in full battle dress this afternoon, rehearsing plays and unlimbering passing arms before calling it quits.

Gary Lawhon, an end, and Quarterback Mack Freeman are the chief threats in the Levelland attack, local scouts have reported.

Lawhon, a 190-pounder with a trigger temper, was the target of most of Freeman's 19 passes last week against Breckenridge.

He scored the first touchdown when he intercepted a pitchout thrown by Bennett Watts and raced 35 yards untouched. He then added the extra point.

Don Moreland, Leroy Williamson and Guy Ballew were among those who played tremendous defensive ball for the Lobos.

Three former Notre Dame grid men — Johnny Latner, Frank Palmisano and Bill Walsh — are with the Pittsburgh Steelers.

Ask Them. They're Ready

More, perhaps, is going to be asked of the Big Spring Steers this weekend than at any time this season but the boys say they're ready. The Steers played rugged Levelland, which tied Breckenridge last week, 13-13. In the above photo, left to right, front row, are Freddy Simpson, Roy Hughes and J. D. Adams. Back row, Ed Faubion and Truett Newell. Simpson is now a member of the B team and will see action against Snyder there Saturday.

AMONG THE ACTIVE

Williams, Musial Leading Hitters

NEW YORK (AP)—Eighteen major league baseball players headed by Ted Williams of the Boston Red Sox and Stan Musial of the St. Louis Cardinals finished the 1954 campaign with a lifetime batting average of .300 or better.

Williams, who completed his 13th year in the big time, hit .345 in 1954 and his lifetime average remained at .348, tops in both circuits.

Musial, a .300 batter this past season, lost a single point off his lifetime figure, but his .344 mark for 13 campaigns still is the best in the National League.

In addition to Williams, the other

American Leaguers in the select 300 lifetime group are Dale Mitchell, Cleveland, .315; Billy Goodman, Boston, .310; George Kell, and Minnie Minoso, Chicago, .309; Harvey Kuenn, Detroit, .308; Johnny Pesky, Washington, .307; Bobby Avila, Cleveland, .306; and Enos Slaughter, New York, .304.

National Leaguers, besides Musial, at .300 or higher are Jackie Robinson, Brooklyn, .319; Richie Ashburn, Philadelphia, .312; Duke Snider, Brooklyn, and Don Mueller, New York, .307; Smokey Burgess, Philadelphia, .305; Willie Mays, New York, .304; Ted Kluszewski, Cincinnati, .301 and Carl Furillo, Brooklyn, .300.

Big Spring Ranked Seventh In Dallas News' Grid Poll

DALLAS (AP)—Lufkin's 53-0 victory over Marshall and Breckenridge's 13-13 tie with Levelland last week added up to a new leader

in the Dallas Morning News' poll of Class AAA schoolboy football teams.

The state's sportswriters gave Lufkin the widest first-place margin in the history of the voting when the Panthers' rout of Marshall gave them the best record and highest point total in the state.

Breckenridge, a 111 unbeaten, took second place, while Port Neches, defeated in the AAA state championship, was third.

The top ten, with records in parentheses:

1. Lufkin (6-0)
2. Breckenridge (4-0-1)
3. Port Neches (5-1)
4. Garland (5-0)
5. McAllen (5-1)
6. Palestine (4-1-1)
7. Big Spring (5-0-1)
8. Kilgore (4-1)
9. Levelland (4-1-1)
10. Pharr-San Juan-Alamo (5-0) and Sweetwater (2-2-1) (tie).

In the second ten were Austin McCallum (5-1); Texarkana (4-2); Nacogdoches (4-1); Alice (5-1-1); San Antonio Alamo Heights (5-1-1); Corsicana (3-1-2); Sherman (3-2); Harlingen (4-2); Vernon 3-2-1; Snyder (2-3).

Both Lufkin and Port Neches had easy triumphs last week while Breckenridge was deadlocked with Levelland in a left-handed upset. Lufkin's romp gave the Panthers 261 points for the year, while Port Neches reached 226 with a 33-0 whitewashing of Beaumont South Park.

AMERICAN LOOP HOUSE DIVIDED OVER PHILADELPHIA PROBLEM

NEW YORK (AP)—The American League became a house divided today as the club owners met for the second time in two weeks to decide the fate of their white elephant, the Philadelphia Athletics.

Ostensibly the meeting was called by League President Will Harridge to vote on acceptance or disapproval of the Athletics' sale to an eight-man Philadelphia syndicate.

It was learned, however, that Harridge probably first would call for a vote on whether to shift the beleaguered franchise to Kansas City.

Six of the eight clubs must approve a new owner. Any three can block approval.

As the meeting got under way, it was known that at least two clubs favored the sale of the A's to the Philadelphia group and two wanted the Philadelphia franchise moved to Kansas City.

Here is the way the clubs are believed to be lined up:

Those definitely for the sale of the Philadelphia group — Detroit and Washington.

Those probably for the sale to the Philadelphia group — Chicago and Boston.

Those definitely for the transfer to Kansas City — New York and Baltimore.

On the fence — Cleveland.

On the spot — Philadelphia.

Texas Plays Click Against Mustangs

By JOE BENHAM
Associated Press Staff

University of Texas pass plays clicked for Southern Methodist scrubs Wednesday with more success than the Mustangs coaches liked and with a good bit more finesse than for Texas in the Longhorns' first six games.

The Texas pass plays, as run by reserve quarterbacks Jimmy Haynie and Hayes Gilliam in the SMU practice, drew very praise from Mustang Coach Chalmer Woodard when they completed 85 per cent of their tosses. Woodard scheduled more work on pass defense Thursday.

At Austin, the principal worry seemed to be who would play against SMU Saturday rather than what strategy would be used. An almost unfamiliar first string was tabbed by Coach Ed Price for starting duty after a combination of injuries, disciplinary action and demotions robbed the squad of most of its first-string players.

Largest changes in the series which began Monday were fullback Dan Maroney's elevation to the number one spot in place of Bill Long, confined to his bed with chills and fever, and end Mennan Schriever's move to the sidelines with an ankle injury. His replacement hasn't been named yet, since sophomore wingman Morton Moriarity is also out with an injury. Tackles Buck Lansford and Langford Snead also are injured.

Edward Hawkins will replace Billy Quinn at right halfback and Chester Simcik will move into Delano Womack's starting left half post, leaving quarterback Brewer as the only holdover from Texas' starting backfield of previous games.

Seven of the nine players ordered to move from Hill Hall, the Texas athletic dormitory, in a disciplinary movement Tuesday, missed Wednesday's drill while hunting apartments.

At the same time, Longhorn Coach Ed Price issued a statement in which he said he wanted to accept a "full share" of the blame for the team's disappointing 2-6 record. Price emphasized that Tuesday's eviction notices were not meant to be a "smokescreen" for overall failures. The players involved were ordered out of the dorm for "misconduct and breaking training." They retained their scholarships.

Injuries were also reported from the Rice and Texas A&M camps, although not in the carload lots revealed by Texas.

Rice Halfback Dicky Moegle was slowed by a bruised heel but put on full pads for a scrimmage cut short by rain. Moegle is expected to be ready to go Saturday against Vanderbilt.

Don Kachtk was out of the Texas A&M lineup with a broken nose.

Leads Backs

Art Lupino, 180-pound University of Arizona tailback who quit his first love, baseball, for football, now leads the nation in rushing with 713 yards and in scoring with an even 100 points, with five games played. If he keeps that pace he will break the national rushing record of 1,570 yards and the scoring record of 157 points. (AP Wirephoto).

Snyder Teams Here Tonight

Snyder sends its rugged Seventh and Eighth Grade football teams to Big Spring this evening to do battle with local elevens.

The Eighth Grade game begins at 6:30 p.m. while the Seventh Graders take the field immediately upon completion of the first contest.

The two Snyder teams are undefeated this year and hold victories over the Big Spring elevens. Dan Lewis' Seventh Graders played fine ball against Snyder but lost, 14-0, in the previous engagement.

Snyder's Eighth Graders unbeaten in two seasons as a unit now, blasted Big Spring in the previous go, 35-0, but the locals are probably much better equipped to handle the situation now.

The Big Spring Seventh Graders have yet to win a game, having yielded to Coahoma twice and Snyder once.

Charles Caraway's Eighth Graders have defeated Bowie of Odessa, Crockett of Odessa (twice) and Colorado City twice. Their losses have been at the hands of Bowie and Snyder.

The Ninth Graders do not see action this week. They return to competition against Snyder here Nov. 11.

In Cross-Country

COLLEGE STATION (AP)—Texas A&M and Arkansas will duel in cross-country here Saturday afternoon. The Aggies have won three and lost two meets this fall.

TONIGHT AT 8 O'CLOCK

Knott Hosts Ackerly Eagles In District 6 Six-Man Tilt

KNOTT (SC) — The state is set for the most important District Six six-man football game of the season here tonight, an 8 o'clock clash between Bill Bolin's Knott Billies and the Ackerly Eagles.

All indications point to the fact that the conference title will hinge on the outcome of the clash, although Knott has yet to play powerful Gall.

Ackerly has been beaten twice but each time in non-conference competition. The Eagles tied Loop but won the game on penetrations, 3-2.

Forsan measured the War Birds, 32-6; while Sterling City bounced them, 30-20.

In conference activity, the Flock trounced Klondike, 42-13; and Courtney, 44-0. The score of the Gall-Ackerly was 14-14.

Knott will carry an unbeaten, untied record into the clash. The Billies opened the season with New Home, winning, 40-19; then shaded Divide, 44-0; Dawson, 34-6; Klondike, 42-7; and Loop, 26-0, in that order.

Ed Gill, star Ackerly back, reportedly was on crutches with an ankle injury Monday but he is due to play tonight. Gill weighs 205 pounds.

The Eagles will have a considerable weight advantage over Knott, principally because of Gill. Knott's average weight per man is 154 pounds.

Probable starters for Knott are Don Roman at center, Roosevelt Shaw and John Shanks at ends, Woody Long at quarterback, Toby Metcalf at halfback and Richard Parker at fullback.

Lee Lemon and Paul Alexander will probably open at ends for Ackerly. Jerry Hall will be at center, Ray Weaver at quarterback, Dub Grigg at halfback and Gill at fullback.

At 180 pounds, Alexander is five pounds heavier than the biggest Knott player, Shanks.

Knott has depended mainly on its great defense to win its games. The Billies have given up 32 points in five games, considered good in six-man ball. Since the opening game, the Billies have yielded only 13 points.

Champ In Action

SAN ANTONIO (AP)—Chino Saavedra, Texas lightweight champion, will meet Forrest (Babe) Mathis of Phoenix, Ariz., in the main event of a boxing show here Nov. 8.

The two scrappy guards pictured above are members of the Big Spring High School B team, which plays in Snyder Saturday. They are Johnny Jank (left) and Randall Hamby. Both are due to be playing with the A team in 1955. Jank is one of the fastest players wearing a grid suit here.

Bufs, Bulldogs At Home To 4-A Foes This Week

Both Stanton and Coahoma will be at home to District 4-A football opponents this weekend.

Stanton, unbeaten in conference competition and one of the big favorites to take it all, hosts Denver City. Coahoma will be at home to Seagraves.

Other conference games will send Sundown to Morton and O'Donnell to Whiteface.

Stanton has won three straight conference games but in Denver City will be meeting a team it has never been able to defeat in 4-A competition.

Denver City has a 2-1 win-loss record in the district and only last week upset a favored Coahoma team, 20-13. Mike Tinley will lead the Denver City club against the Buffaloes.

Stanton will again depend upon a well-rounded attack, which has Jimmy Henson as the quarterback, Reggie Myrick and Conrad McCaskie as the halfbacks and Jimmy Butcher as the fullback. Sundown owns the best record

in the conference but the Buffaloes have played the toughest opponents. Stanton's only loss was a 7-4 reversal at the hands of AA McCreary.

Coahoma has won two of six starts this year, one in conference

Seven-Foot Cager Now At Houston

HOUSTON (AP) — A basketball player who can lay the ball against the basket rim while standing flat-footed has given punch to University of Houston's prospects this season.

He's the first 7-foot basketballer to appear in Texas colleges and his name is Don Boldebeck, who played two years with Nebraska Wesleyan College where he was an outstanding star.

Boldebeck, who scored 1,750 points and led his team to the NAIA tournament twice—1952 and 1953—waited a year here to establish his eligibility under the transfer rule.

He came to University of Houston to see what he could do in stiffer competition and he will get it. Houston is in the Missouri Valley Conference that has such powers as Oklahoma A&M, St. Louis, Tulsa and Wichita. He also will play against Bradley and Murray State in nonconference games.

Boldebeck weighs 216 pounds and has speed. He can leap from a dead standstill and reach six to eight inches above the hoop. Houston opens practice Monday with seven lettermen to go with the giant Boldebeck.

Forsan Hosts Blackwell 6

FORSAN, (SC) — The Forsan Buffaloes go after their fourth District Seven six-man football victory here tonight, when they host Blackwell in an 8 o'clock engagement.

The game was moved up from Friday on the suggestion of the Blackwell coach.

The Bison, headed only by Sterling City in conference activity this year, warmed up for the go last week by thrashing Divide, 63-13.

Pinkie's advertisement featuring a list of football ratings for various teams across different districts, including 'Among Top 150' and 'National Leaders'.

Betsy Rawls Is First With 71

FORT WORTH, Tex. (AP) — Defending champion and medalist Betsy Rawls was rated the player to beat Thursday as the 19th annual Women's Texas Open golf tournament moved into its second day of match play.

The Spartanburg, S.C., entry carded a decisive 6-4 victory over Dallas' Mary Nell Weatherford Wednesday in first-round play to establish herself as favorite among the play-for-pay golfers.

Miss Rawls moved ahead on the third hole and stayed on top all the way in taking the match.

Other pros taking easy decisions included three who won by 8-8 scores—Betty McKinnon of Savannah, Ga., who beat Mrs. Charles True of Dallas; Betty Dodd of San Antonio, who defeated Mrs. A.R. Hancock of Gladwater, Tex., and Betty Hicks of Manhattan Beach, Calif., who downed Mrs. Gene Harding of El Paso, Tex.

Betty Jameson of San Antonio defeated Mrs. H. D. Wyong of McKinney, Tex., 6-5 and Betty Mims Danoff of Dallas eliminated Mrs. Dave Gout of Memphis, Tenn., 6-4 in other pro matches.

Patty Riley's 7-6 victory over Peggy Springer of Lubbock, Tex., gave the Fort Worth woman the favorite's rating among the amateurs. Miss Riley was the low amateur in qualifying rounds with a two-over-women's-par 77.

Rampaging Sabine River Rolls Through Mineola Bottomlands

By The Associated Press The rampaging Sabine River rolled its flood through bottomlands past Mineola in East Texas Thursday. James Honeywell, editor of the Mineola Monitor, said there was no danger—"this happens about every year and the people have learned not to live down there in the bottomlands. We're on a hill and in no danger." Honeywell said "that river is really on a rampage down there; in places it's a mile wide and it's still rising at mid-morning." All cattle had been moved out of danger. The crest of the Sabine is due in Gladewater, 30 miles down stream from Mineola, the end of this week or early next week. Good soil soaking rains continued over a wide section of Texas but the Panhandle and far West Texas remained dry. The Sabine flood came from rains in the past week. A small temporary dam thrown up by highway workers south of Mineola washed away but all road machinery had been moved. About a mile of roadbed on a new section of U.S. Highway 69 from Mineola to Lindale will have to be redone. At Gladewater, the Sabine stood at 22 feet—a rise of 2 feet overnight. Flood stage there is 25 feet. A crest of 36 feet is expected the first of next week. However, Gladewater citizens weren't worried. A natural levee about 18 feet high stands between the river and the city. There are oil wells in the danger area, but their machinery is built on stilts. Rain fell at Gladewater. Thursday rains hit Austin, San Antonio, Waco, Dallas and Fort Worth. East and South Texas points reported cloudiness while clear skies were reported at Amarillo, Wink, Salt Flat, El Paso and over the top of the Panhandle. Rain fell Wednesday in the parched area around Menard, Brady and Melvin with an unofficial 5 inches reported in Texas Hill Country in the Kerrville and Rock Springs areas. Lesser amounts of rain fell at Brownsville, Waco, Fort Worth, Dallas, Austin, Midland, Tyler, Corpus Christi, Beaumont, Junction, San Antonio, Galveston, San Angelo, Lufkin, Mineral Wells, Palacios, and College Station.

Galveston And Jackets Meet

By HAROLD V. RATLIFF Associated Press Sports Editor Galveston, not often in the forefront of Texas schoolboy football and forced to show its best early, tries for the miracle this week—a victory over mighty Fort Arthur, the team that's supposed to be the finest of all. This game, matching undefeated outcasts with the District 8 championship in Class AAAA on the line, headlines a weekend in which the dwindling supply of unbeaten teams—now resting at 54—is fearful of vast inroads. It's one of three games matching unbeaten teams in the state. The spotlight also rests on Class AA where Stamford and Colorado City hook up in a game that's likely to decide the District 4 title and send one of division's most powerful teams forth to contest for the state crown. In the same division, Ennis, unbeaten and untied, plays once-tied Waxahachie in the melee that's due to determine the District 19 flag. There are important games from top to bottom as the field rolls down the stretch toward district championships that will be decided all the way around within the next three weeks. Four games stand out in Class AAAA with the Galveston-Port Arthur clash the headliner, Tyler, undefeated but once tied, plays powerful Waco. Forest of Dallas Sunset team and San Antonio Brackenridge tussle into all sorts of trouble with Ray of Corpus Christi. Brackenridge is one of the undefeated and untied. In Class AAA, Big Spring and Levelland play an important game in District 1 where Big Spring, unbeaten but once tied, meets the outfit that tied highly rated Brackenridge, while down in the Valley Pharr-San Juan-Alamo is shaky over its prospects against Kingsville.

U. S. Wool Output Decline Forecast

WASHINGTON (U-P)—The Agriculture Department predicted today production of domestic wool next year will be smaller than this year despite a recent boost of 16 1/2 percent in the government price guarantee. The reason, the department said, is the fact that more sheep and lambs are being slaughtered this year than are being raised. This year's production of shorn wool has been estimated at 229 million pounds, grease basis. The department said that with economic activity and consumer buying power likely to continue at least at present levels, use of apparel wool by domestic mills next year is likely to be a little higher than this year. Mill use of such wool has been running about a third lower than last year.

REAL ESTATE M FARMS & RANCHES M5 1/2-section fine land, 15 miles Big Spring, 260 acres in farm. Well, plenty water, 5-room home. Possession January 1st. Would you consider free trip to Lower Rio Grande Valley? Almost free, that is. See me for details.

Disciples Of Christ Delegates Hold Meet

MIAMI, Fla. (U-P)—Denominational-controlled colleges cannot allow freedom of mind or spirit, says Dr. Theodore A. Distler, president of Franklin and Marshall College and executive director of the Assn. of American Colleges. "But if the secular spirit should triumph and religion be excluded from education, we should be on our way to national disaster," Dr. Distler told the 8,000 delegates to the international convention of Disciples of Christ last night. The government of Chile has arranged for feeding school children with bread which is 10 percent odorless fish flour.

SCS Tour Made Of 3 Ranches In Coahoma Sector

A Soil Conservation District-sponsored tour of the Marion Edwards, D. H. Snyder and Oscar O'Daniel ranches, southeast of Coahoma, was made Wednesday afternoon under the leadership of Marion Everhart of the Soil Conservation Service assisted by Olin Mitchell.

On Tuesday afternoon Everhart and Mitchell had headed a tour of the Joe B. Calverly and Son Powell ranches in Glasscock County.

Yesterday afternoon's tour started at the Edwards Ranch gate at 1:30 p.m. and included studies and discussions of the various range grasses found at the stops, both as concerned the quantity and quality of these grasses, and their degree of importance on the livestock feeding scale. Stops were made to examine the condition of rangeland on both levels and slopes.

Also closely studied for range improvement were areas on the O'Daniel Ranch where cedar has been dozed, and areas on the Edwards Ranch where a mesquite kill has been gotten from aerial spraying. The tour studied pastures on the Snyder Ranch that have been rested for the past two years.

The purpose of both tours, Everhart explained, was to get firsthand information on the effects of the drought on pastures that have been normally grazed, pastures that have been but lightly grazed, and pastures that have been deferred.

The tours also presented an opportunity for those making them, he said, to see for themselves just which grasses on various types of rangeland soil, on both slopes and levels, are best able to survive the drought under varying conditions.

"We feel we have learned a whole lot from these visits to the different types of rangeland," Everhart said, "about the grass problems that have been presented by the drought."

Everhart said he and other SCS specialists will be glad to meet with any rancher on his range and go over his own peculiar problems with him and assist him in any way possible.

Those making the Wednesday afternoon tour included Rexie Caudle, Oscar O'Daniel, Jess Slaughter Jr., Bruce Frazier, Roy Loudamy, Loy Loudamy, Henry Hicky, Donald Denton and Everhart and Mitchell.

Chevrolet Prices On V-8's Revealed

DETROIT (AP)—Chevrolet's new V-8 model cars will have list prices ranging from \$1,542 to \$2,162.

The General Motors division announced the list prices yesterday while also announcing list prices for its 1955 line of six-cylinder cars and a sharp cut in the Corvette sports model list price.

The list price does not include taxes, dealer delivery and handling, and other charges which the car buyer must bear.

Chevrolet's list prices for its restyled and re-engineered 1955 six-cylinder cars were described as showing decreases from 1954 on some and increases on others.

The list price of the Corvette was cut to \$2,575. Formerly it was \$3,250.

Trinity Authority Legislation Urged

DALLAS (AP)—Complete development of the Trinity River within the next decade was pictured here by directors of the Trinity Improvement Assn. yesterday.

The directors also announced plans for a dedication program tentatively set for spring, at Garza-Little Elm Lake, and a Trinity River Authority of Texas.

Ben H. Carpenter, chairman of the association's legislative committee, and President Eisenhower would be invited to the planned 3-day celebration.

He said a bill for creation of the Trinity River Authority would be ready for submission to the 54th Legislature.

Chairmen Chosen For Church Fund Drive

Dr. M. W. Talbot Jr. and Maj. John A. Thomas Jr. have been named co-chairmen for the general solicitation campaign to be conducted in Big Spring as a part of the Diocesan Status Fund campaign of the Episcopal Missionary District of North Texas.

The general solicitation is expected to start early in November. The Advance Gifts Division is completing its phase of the campaign.

Goal of the campaign is a minimum of \$500,000 which would represent the capital of an endowment fund for the support of an independent Diocese to be created from the district. The district has a membership of 5,377 communicants in 25 churches.

Briefing sessions for general solicitation workers will be in Lubbock, Midland, Abilene and Amarillo prior to start of their work. Plans call for campaign workers to visit each member family in the district by Dec. 1. A. T. Barrett Jr., Midland, is general solicitation chairman, and Dr. Talbot and Maj. Thomas are chairmen for St. Mary's Episcopal Church here.

EVEN RUSSIA JOINS IN U. N. Committee Issues Call For Disarming Conference

UNITED NATIONS, N. Y. (AP)—The U.N. Political Committee took a day off today after unanimously approving a call for five-power talks on disarmament. The resolution was supported by both Russia and the West but veteran diplomats warned any real arms agreement was a long way off.

The vote, taken after two weeks of debate on the arms issue, came last night. It brought expressions of hope that the rare Soviet decision to join with the West in backing a common proposal might indicate a new era of cooperation.

The general air of satisfaction was marred somewhat by Soviet Delegate Andrei Vishinsky's statement that the disarmament talks might be doomed if the West insisted on using American proposals as a basis for discussion by the five powers.

Vishinsky wants the British-French proposal on which his own disarmament plan is based to serve as the foundation for negotiations. The Soviet warning served as a

reminder that East and West are still sharply split on fundamental points of disarmament. There is no indication the Soviets intend to relax their position despite recent gestures of cooperation.

The committee-approved resolution, which is certain to receive an okay from the General Assembly, has three main points:

1. It authorizes the U.N. Disarmament Commission to place the whole arms problem before a sub-

committee consisting of Russia, Britain, France, the United States and Canada—the five sponsors of the resolution.

2. It calls on the subcommittee—which failed to reach any agreement in a series of meetings in London last spring—to make new efforts to agree on regulation, limitation and major reduction of armed forces and conventional armaments.

3. It calls on the committee to consider all arms proposals within its terms of reference.

20 Attend Forsan Cub Pack Meeting

FORSAN—Around 20 Cub Scouts attended the first monthly meeting of Cub Scout Pack 11 here Monday evening at the school. Den mothers were present, and Bob Honeycutt presided as master of ceremonies.

Den Number one was 100 per cent present, and members presented a skit. Awards went to Paul Brunton, Danny Henry, Jamie Huchton, Phil Moore, and Larry Stroud, all of Den 2.

Den 1 Cub Scouts present were Eddie Everett, Danny Wash, and Pat Honeycutt, Explorer Scouts who work with the Cubs were Keith Gibson, George White and Leon Calley. Around 20 parents were also present.

Big Spring To Host Business Teachers' Convention In 1955

Big Spring is to be the host city in late October or early November of 1955 for the West Texas Business Teachers Association.

At the annual meeting—the past weekend in Lubbock Harold Vial, chairman of the business administration department of Howard County Junior College, was elected president of the association.

Mildred Willig, Big Spring instructor in typing and accounting at HGJC, was named vice president, and Betty Ratliff, business instructor at Big Spring High School, secretary-treasurer.

Among those who addressed the fifth annual session in Lubbock were Dr. Howard E. Golden, professor of marketing, Texas Tech; A. B. Watkins, assistant manager of Dunlap's department store in Lubbock; Mrs. Luta P. Eaves, assistant professor of accounting, Texas Tech; L. Edwin Smith, CPA; Velda Anderson, Dumas High School teacher; and Dr. John Rowe, Northern Illinois State Teachers College at DeKalb, Ill.

Normally more than 200 business teachers in the region participate in the annual gathering.

Latest Incident Concerning U. S. Envoys One Of Series

By JOHN M. HIGHTOWER

WASHINGTON (AP)—U. S. diplomats in Moscow are reported to have been subjected to a series of "personal indignities" by Soviet police prior to the latest incident involving two American Embassy wives.

State Department officials declined to discuss previous incidents involving diplomatic immunity but

Provoe Reindicted On Treason Counts

BALTIMORE (AP)—John David Provoe, once a clerk in a San Francisco bank, has been reindicted on seven charges of "overt acts" of treason in World War II by collaboration with the Japanese.

A onetime Army staff sergeant, Provoe was convicted of treason in New York in February 1953 and sentenced to life. Then a federal appeals court upset the conviction on the grounds that he should have been tried in Maryland, because he was a prisoner at Ft. Meade at the time of his original indictment.

Mrs. Houston Stiff, wife of the assistant naval attaché, carried a camera on a walk near the U.S. Embassy in Moscow.

They had a joyful reunion in Denver, Colo., after Skoshee, who disappeared a week before, was found by a veterinarian, Thormahlen, stationed at Lowry Air Force Base, bought the dog in Seoul. (AP Wirephoto).

Edison Wrecked Gas Light Stocks Over 75 Years Ago

By CHARLES F. CAPALDO

MENLO PARK, N. J. (AP)—The holders of gas shares may sleep quietly. The invention that will destroy the value of their property has not yet been conceived.

Those words appeared in the Gas Light Journal of April 25, 1879.

Five months later a 32-year-old inventor whose experiments had prompted the reassuring report to gas industry investors proved it to be among the most shortsighted ever published.

On Oct. 21, 1879, Thomas Alva Edison perfected the first practical incandescent lamp in a dusty laboratory in this town about midway between Philadelphia and New York.

The lamp, together with the electrical system Edison created to make it a commercial success, made practical the mass use of electric light and power and sounded the death knell of gas for lighting purposes.

Old records and manuscripts indicate that Edison first worked on

the idea in 1877.

By that time he had become an established inventor. He had created the electrical vote recorder.

"Universal" stock ticker, improved telegraph system, paraffin paper, the carbon rheostat, microphone, phonograph and the forerunners of the mimeograph and wireless telegraph.

Edison realized that the light would only be practical if it could compete commercially with gas light and, to do this, he would have to devise a complete electrical system from scratch.

He worked with a team of skilled associates and with funds supplied by a group of private investors, a development method essentially the same as that used in industry today.

With characteristic confidence, he predicted the job would take six months. Actually it took three to four years, but before he was through, he not only lighted the lamps of industry but turned its wheels as well.

Bible Distribution Effort Reaches 1,500 Area Pupils

Big Spring Gideons think Texas school children will be permitted to accept Bibles for a long time yet.

They don't look for recent Supreme Court action to have any effect in this section of the country on the Gideon program of providing New Testaments for elementary school pupils. Consequently, local Gideons plan to go right ahead with their work of distributing the Scriptures through schools in this area.

Members of the Big Spring Gideon Camp have placed approximately 1,500 Bibles in schools in Big Spring, Snyder, Sterling City, Canton, Garden City, Fortson, Stanton, Andrews and other areas since the fall semester started at the various points in September.

"We don't expect anyone to object to the program," said G. G. (Gibby) Morehead, a leader in the Big Spring camp. "We don't force children to take the Testaments. We don't even ask that they be taken. We just explain that the books are there for them, and that any student can take one if he wants to."

Most pupils accept the books readily, Morehead added. He could recall only six students who declined to take the Bibles, while nearly 1,500 are distributed each fall.

Morehead said that the superintendent of one school, not now in the Big Spring Gideon area, once refused to permit the organization to distribute Bibles in the classrooms. He changed his policy the next year, however, and Gideons resumed the placing of the New Testaments in that school.

The Gideons distribute the books to fifth graders each year. A brief ceremony is held, with a Gideon member explaining that the volumes are being made available but that no student is under any compulsion to accept one.

The Testaments then are placed on a table at the front of a room. Students are permitted to march

past the table and take the volumes if they desire them.

The Gideon program for distribution of Bibles in New Jersey schools was halted several months ago because of objections raised in one of the schools. The New Jersey Supreme Court held that the Bibles should not be placed in schools on grounds that such action was prohibited by the doctrine of separation of church and state.

The U. S. Supreme Court recently let this ruling stand, at least insofar as New Jersey is concerned, by refusing to review the decision. The Gideon Camp is composed of Christian laymen whose principal objective is the distribution of Bibles. In addition to schools, Gideons place Bibles in hotel and motel rooms, hospitals, jails, and distribute them to armed forces personnel and others.

In addition to the 1,500 Testaments given to students, local Gideons last year placed 373 Bibles in hotel and motel rooms and other public places, distributed 105 Testaments to hospital rooms, gave out 50 servicemen's volumes, and passed out 300 personal worker Testaments to prisoners and to other contacts.

Gideons also conducted 104 religious services in jails and filled assignments in 58 churches where they conducted regular Sunday services.

The total number of Bibles and New Testaments distributed in this area last year was approximately 2,500. A survey committee determines the quantity needed at the various places.

The Gideon's work is financed solely by contributions received through the churches. Virtually all Protestant denominations are represented in the organization. Individual Gideons pay for the personal worker Testaments they distribute.

Big Spring Gideons meet at 7 a.m. each Thursday at the First Methodist Church for devotional, prayer and breakfast. The Big Spring Camp consists of 32 members. The officers are Mack Alexander, president; George O'Brien, vice president; T. B. Atkins, Bible secretary; Jerry Metcalf, chaplain; and T. H. McCann Jr., secretary and treasurer.

News From Webb Air Force Base
By JAMES F. KRUEGER

CAFETERIA OPENS ON FLIGHT LINE

A cake-cutting ceremony opened Webb's remodeled Flight Line Cafeteria Wednesday morning. Decorated to resemble a telegram, the cake was made by civilian employees of the cafeteria and bore a welcoming message to the military and civilian personnel present.

Remodeled at a cost of \$35,000, the cafeteria can now accommodate up to 200 people, and full dinners can be added to the menu. Base Exchange officer L. L. Willard P. Stone, said funds for the work came through profits of base exchanges and other non-appropriated fund sources.

WEBB CHAPEL DEDICATED

The Webb AFB Chapel was dedicated during ceremonies last Sunday afternoon. Military and civilian clergyman of all faiths were present for the inter-denominational ceremony.

Special music was provided by the 509th AF Band and the Protestant Chapel Choir. Chaplain Charles Fix, Wing Chaplain, accepted the chapel from Webb Commander Col. Fred Dean.

ANOTHER HOBBY SHOP?

Another hobby shop, for the use of military personnel may be added at Webb if Personnel Services Officer L. L. John Kenahan gets enough requests.

He asked this week for all airmen interested in an electronics, TV, or radio hobby shop to contact him so that he might plan accordingly.

BENDIX TROPHY RACE WINNER VISITS

Capt. Edward W. Kenny, winner of the 1954 Bendix Trophy Race, spoke to aviation cadet and student officer classes at Webb last week. He discussed the training program at Luke AFB where he is Director of Academic Training.

BASE HOSPITAL UNDERGOES "OPERATION"

Webb's USAF Hospital is undergoing an "operation" under the hands of Hospital Commander Col. Robert D. Whittington Jr., and his medical services administrator Lt. Marion Furr.

Included in the remodeling and expansion is an enlarged maternity ward with new facilities and space for several more beds in the ward.

The hospital dining hall kitchen will be enlarged, and plans are being made to add more space to the "waiting room." Also, offices most frequently visited in the dispensary will be re-located to be closer to the waiting room for the convenience of personnel.

FLYTAF NCO CLUB CHIEFS MEET HERE

Representatives from several FLYTAF NCO Clubs were at Webb last Saturday for the first of a FLYTAF NCO Club Secretaries Conference.

Meetings of club secretaries is the idea of M-Sgt. Ed Landau, secretary of Webb's NCO Club. Purpose of the meetings is to discuss club operations, exchange ideas on methods of operations and to familiarize all FLYTAF club secretaries with techniques peculiar to certain phases of club activities.

WEBB AIRMEN TO SEE AF STORY

Reel one of the eight reel "Air Force Story" on film, will be shown to Webb personnel Friday

and Saturday. The film series starts with the first flight at Kitty Hawk, covers both world wars and ends with coverage of the years immediately following World War II.

Included in the film is a combat scene in which the sky is incredibly crowded with bi-planes. Although the scene appears to be a hopeless melee of ancient aircraft, it is actually a true record of a "dogfight" in the original Air Force meaning of the word.

LIBRARY GETS MORE SPACE

An expansion of the Base Library recently added two new rooms to the facility. Supervised by Mrs. Frances Doll, the move has provided a "magazine room" where browsers will not disturb readers in the main library where a majority of books for selection are shelved. Another room has been set aside to house books for which there was no room previously. Mrs. Doll selected modern chairs and other furnishings for the magazine room and spent many hours papering the walls with maps of states and Chamber of Commerce scenic posters. The other room is papered with the dust covers of books available to Webb personnel in the Base Library.

Judge Says Latest Wedding Of Star Looks Questionable

MIAMI, Fla. (AP)—Actor Guy Madison was having too much fun on his honeymoon today to be concerned over a Mexican judge's statement that his marriage to Sheila Connolly might be open to contest.

Judge Raul Orozco of Juarez, Mexico, who married Madison and the television star Monday, said he performed the ceremony under the

impression that Madison's name was Robert Ozell Moseley.

"The impression was correct," Madison said. "That's my legal name."

Madison and Miss Connolly were married a few hours after he obtained a quickie Mexican divorce from actress Gail Russell.

Orozco said Madison listed his occupation as a merchant and his marital status as single, when actually he was divorced.

The cubit, a measurement used by ancient peoples, was supposed to represent the distance from a man's elbow to the tip of his middle finger.

Bank Begins Water Haul In Dry Georgia

VALDOSTA, Ga. (AP)—So acute has the drought become in south-east Georgia that a bank has begun to distribute water by truck to parched farms in a five-county area.

The Valdosta branch of the Citizens & Southern National Bank dispatched the water primarily for the relief of cattle. Some also may be used by tobacco farmers who have just begun treating seedbeds for the 1955 crop.

MRS. F. D. ROGERS

Goblins Will Gobble This Halloween Treat

Spooks and goblins at her door won't frighten Mrs. F. D. Rogers, 1201 Wood, on Halloween night. She'll be prepared for them with some spook bait that is really a treat.

Even a real live witch would be won over with Mrs. Rogers' jack o' lantern chocolate cupcakes which are iced with orange.

Mrs. Rogers has had lots of experience working with young folks and she knows what they like in the way of goodies. She does lots of church work at Baptist Temple where she teaches a class of 12-year-old girls. She's a active in school projects, too. Her daughter, Rita Kay, is in junior high.

Mrs. Rogers says she doesn't have time for club work what with her other activities. Sometimes she helps out at her husband's hardware store.

Another recipe that would be good at Halloween or at any time is Mrs. Rogers' fresh apple preserves. It's an easy recipe that was first used by her mother.

CHOCOLATE CUP CAKES

Ingredients:

- 2-3 cup sugar
- 1/4 cup shortening
- 2 eggs
- 1/4 teaspoon salt
- 1 1/2 cups flour

2 teaspoons baking powder
1/2 cup milk
1 square unsweetened chocolate (melted)

Method:
Cream shortening, sugar, add unbeaten egg yolks and melted chocolate. Beat well. Sift flour, salt and baking powder, add to creamed mixture alternately with milk. Beat well. Pour into baking cups and bake at 375 degrees.

ORANGE ICING

Ingredients:

- 3 cups confectioners' sugar
- 1-3 cup shortening
- 3 tablespoons orange juice

Method:
Add grated rind for extra flavor. Add few drops of yellow food coloring. Beat until smooth. Ice cupcakes and outline jack o' lantern face on each with melted chocolate.

FRESH APPLE PRESERVES

Ingredients:

- 4 quarts fresh apples
- 6 cups sugar
- 1 lemon cut in slices

Method:
Wash apples (leave peeling on for color). Then slice apples into large pan. Add sugar and slices of lemon. Cook over low heat until sugar has dissolved and makes own syrup. Then cook on medium

Here Are Muffins With A Party Air

A party version of a favorite, honey-walnut muffins, adds extra zip to the basic bran muffin. There is also a faint flavor of orange.

HONEY-WALNUT MUFFINS

Ingredients:

- 2 cups sifted all purpose flour
- 4 teaspoons baking powder
- 1/4 teaspoon salt
- 2 cups whole bran
- 1/4 cup chopped walnuts
- 1 tablespoon grated orange rind
- 1 egg, well beaten
- 1/4 cup honey
- 1 1/4 cups milk
- 1 tablespoon cooking oil or melted fat

Method:
Sift together flour, baking powder, and salt; stir in bran, nuts

beat until apples are done and juice has jelled. Fill sterilized jars and seal. Store in dark place.

and orange rind. Combine egg, honey, milk and oil or melted fat and add to first mixture. Stir only enough to moisten dry ingredients. Batter should not be smooth. Fill greased muffin pans 2-3 full and bake in hot oven (400 degrees F.) 25 to 35 minutes. Yields 16 large muffins.

Sweet Potato Balls Are A Favorite

Marshmallows are a very favorite accompaniment for sweet potatoes, usually topping them in a casserole. But this recipe calls for wrapping the sweet potatoes around the marshmallows.

MARSHMALLOW SWEET POTATO BALLS

Ingredients:

- 2 cups cooked mashed sweet potatoes
- 1 egg yolk
- 1/4 teaspoon salt
- 2 tablespoons melted butter or margarine
- 6 marshmallows
- 1 cup crushed cereal crumbs
- 2 tablespoons melted butter or margarine

Method:
In a bowl combine sweet potatoes, egg yolk, salt and 2 tablespoons of butter. Divide mixture

into six portions. Flatten portions; place a marshmallow in center of each. Shape potato mixture around marshmallow, leaving small opening in top. Combine crushed cereal crumbs with 2 tablespoons butter. Roll each sweet potato ball in buttered crumbs; place on greased cookie sheet. Bake in hot oven (400 degrees F.) 10 to 15 minutes. Serve immediately.

Interesting Flavor

Give interesting flavor to glazed sweet potatoes by adding a little ground ginger to the syrup in which the potatoes are simmered.

Vary these breakfast pancakes! Add chopped apples or pecans to the batter. Serve with honey or maple syrup.

'Poptail Party' For The Goblins

Come sundown on Halloween you'll hear the doorbell ring. Then you'll hear that familiar cry of "Trick or treat!" Here's one treat idea. Throw a "poptail" party. Treat each nocturnal visitor to some buttery, crunchy popcorn. Twist a portion of popcorn in a paper Halloween napkin, or make popcorn balls. Little goblins love popcorn in any form. It's a Halloween treat that's different, and inexpensive. You can pop the corn as you need it, since your grocer has popcorn that completely pops in 3 minutes.

Black Cat Cake A Howl For Halloween

By CECILY BROWNSTONE
Associated Press Food Editor

This Halloween Party Cake is fun to make because it is so simple—as you will see when you read our directions for shaping it. No reason why the oldest in the family shouldn't have some fun on All Saints' Eve, so serve the cake with coffee and candy corn at a get-together while youngsters are out for tricks or treats.

Ice cream might also be offered with the cake—especially if you can order it in Halloween forms. Even the blase won't spurn a frozen pumpkin, witch or ear of corn! If you can't get the Halloween ice-cream forms, you usually can buy orange sherbet. Or you can try your hand at making the sherbet or pumpkin ice cream.

If you want to give a more elaborate party on Halloween you can ask friends for a buffet supper. In this case, fully-cooked ham that only needs re-heating would be a good choice, and it could be served with mashed sweet potatoes and fried apple rings. The potatoes can be mashed and seasoned ahead and the apples cooked, too. Then the potatoes can be piled into a shallow baking dish, topped with the

apples, and the whole thing heated in the oven toward the end of the ham's baking. A big tossed green salad and rolls can complete this main course. Our Black Cat Cake will make a fine dessert.

BLACK CAT CAKE

Ingredients:
2 cups sifted cake flour
1 1-3 cups sugar
1 1/4 teaspoons baking soda
1 teaspoon salt
1/4 cup shortening
1 cup plus 2 tablespoons milk
2 eggs
3 squares (3 ounces) unsweetened chocolate (melted)

Method:
Grease bottom and sides of two round layer cake pans (8 by 1 1/4 inches). Line bottom of pans with waxed paper; grease paper. Put flour, sugar, baking soda and salt in sifter. Stir shortening in mixing bowl just enough to soften; sift in dry ingredients. Add 1/4 cup milk; mix until flour is dampened. Beat 2 minutes at low speed of electric mixer or 300 vigorous strokes by hand. Add eggs, chocolate, vanilla and remaining 1/4 cup plus 2 tablespoons milk. Beat 1 minute longer in mixer or 150 strokes by hand. Turn into prepared pans. Bake in low baking dish, topped with the

35 minutes or until cake tester inserted in center comes out clean. Turn out on cake racks; strip off paper; cool.

To Make Cat

Spread Chocolate Frosting over top and sides of each cake. Place one frosted layer on large flat tray or board to use as body of cat. From center of second layer cut a circle, 3 1/4 to 4 inches in diameter, and place this circle at one end of body for head. Cut remaining ring of cake in two pieces. Use one piece for tail, placing against lower end of body. From other piece cut two elongated triangles to use as ears. Fasten ears to head with toothpicks. Cut remainder of ring in two and place against lower end of body or front paws. Make cat face using Halloween candies for eyes, nose and mouth, and licorice strips for whiskers.

Chocolate Frosting:

Melt 3 to 4 squares (3 to 4 ounces) unsweetened chocolate and 3 tablespoons butter or margarine over hot water. Blend 3 cups sifted

confectioners' sugar, 1/2 teaspoon salt, 7 tablespoons milk and 1 teaspoon vanilla. Add melted chocolate-butter and mix well. Let stand, stirring occasionally, until right consistency to spread. If necessary, place bowl in pan of ice and water to hasten thickening.

Spooky Treats Are Hobgoblin Apples

By CECILY BROWNSTONE
Associated Press Food Editor

What's Halloween without candy apples? Especially if they are glazed with a red cinnamon-flavored syrup and decorated to look like hobgoblins. Spooky is the word for these treats.

Teen-age youngsters can make these candy apples themselves; but it would not be wise for little folk to work with the hot syrup into which the apples are dipped. So while the older children are going about their handiwork for All Hallow's Eve, have some graham crackers and orange-colored confectioners' sugar frosting on hand. Small fry can frost the crackers and make hob goblins of their own with some of the decorations bought for the apples, plus raisins and semi-sweet chocolate pieces.

Crisp red apples are best for candying. For the sticks, use the short wooden skewers meatmen usually have on hand. Or tongue depressors, bought at a drugstore, may be used.

ROSY CANDY APPLES

Ingredients:
8 medium-sized red apples
8 wooden sticks
2 cups sugar
2-3 cup light corn syrup
1 cup water
Red pure food colorings.
2 long sticks cinnamon

Method:
Wash apples; dry; remove stems; insert wooden sticks firmly in stem ends. Stir sugar, corn syrup and water together in a medium-sized saucepan until sugar almost dissolves. Add enough red

coloring to color syrup bright red; add cinnamon sticks. Cover; bring slowly to boiling. Remove cover; boil rapidly, without stirring, until 1 teaspoonful of the syrup separates into hard brittle threads when dropped into cold water — 300 degrees on a candy thermometer. During cooking, wipe inner sides of pan often with wet cheesecloth wrapped around a fork to remove crystals that may form. Remove from heat. Dip saucepan; dip apples, twisting in syrup until covered. Let any extra syrup on apples drain back into saucepan. Work quickly, placing saucepan over low heat or boiling water if necessary to keep syrup thin enough to coat apples easily. Save extra syrup to help stick on decorations. Place coated apples, stick up, on lightly buttered cookie sheet to harden. Decorate.

Notes:

For decorations use some of the following: gumdrops, marshmallows, doughnut-shaped hard candies, licorice strips.

Broiled Lamb Chops

Have rib, loin or shoulder chops cut 1 to 2 inches thick. Set regulator to broil. Place chops on broiler rack. Insert broiler pan and rack so the top of 1-inch chops is 2 inches from the heat and 2-inch chops is 3 inches from heat. When one side is browned, season, turn and finish cooking on the second side. Season. Chops cut 1 inch thick require 10 to 12 minutes. Chops cut 2 inches thick require 20 to 22 minutes.

Ex-Houston Chief Seeks Retirement
HOUSTON (U)—Former Houston Police Chief L. D. Morrison, relieved of duty last Friday, has requested disability retirement from the force.
Morrison had held the rank of inspector since resigning as chief of police last summer while a federal grand jury conducted a probe of a police department narcotics scandal.

Riding
THE GRUB LINE
With Franklin Reynolds

Joe B. Calverly and E. L. (Son) Powell were discussing the march of the mesquite across Glasscock County rangeland, most of which has taken place in the last 25 years.
Both of them can well remember when there wasn't any such infestation.
Mr. Powell recalled that when he went on his ranch about 25 years ago there was a particular point at which he could stand and see a man on a horse two miles away.
Now, he says, a man on a horse can't be seen 200 yards.
At this point Mr. Calverly recalled there are places where, because of the mesquite, a man can't even ride a horse.
Then they asked the question: "Where did all this mesquite come from anyway?"
Bert Badger, field inspector for the pink bollworm control service of the Texas State Department of Agriculture has some alarming figures on this year's infestation.
Recently the U. S. Department of Agriculture had a gin trash machine in this area. This machine beats up the trash and then blows it away leaving the pink bollworms in a tray where they can be counted.
This year the machine was in Big Spring three weeks earlier than last year. He says that if the machine had been used here on the same dates as last year, with ginning as far along as it was when the machine was here last year, that this year's infestation would have shown up much heavier.
Last year 111 bushels of Howard County gin trash were run through the machine and 4,314 pink bollworms were found, or an average of 38.9 worms to the bushel of trash. This year 108 bushels of trash from Howard County were run through the machine, turning up a total of 7,827 pink bollworms or an average of 74.5 to the bushel.
No trash from the north part of Martin County was run through the machine this year. Last year 105 bushels of trash were examined and 4,984 pink bollworms, an average of 47.5 to the bushel, were found. This year 98 bushels of trash were examined and 8,161 of the bollworms were found, an average of 83.3 to the bushel.
Last year an examination of 45 bushels of Mitchell County trash produced 904 of the pink bollworms, an average of 20.1 to the bushel. This year 46 bushels of trash from Mitchell County showed up 2,244 pinks or an average of 48.7 to the bushel.
Thirty bushels of Glasscock County gin trash turned up 15,338 pinks last year, an average of 511.3 to the bushel, while this year 11,403 of the harmful insects were found in 48 bushels of trash for an average of 237.5 to the bushel.
Badger says actually the Glasscock infestation is heavier than last year, as would have been shown by a later visit of the machine.
No reliable records are available on the pink bollworm count in Reagan County cotton last year, but this year nine bushels of trash averaged 186 for a total of 2,575 pinks.
Two bushels of trash from one Midland County field produced 1,375 pink bollworms. Sixty green bolls from this field have been examined and 57 of them have been found to be infested with a total of 275 pink bollworms. Badger explains that this field is in the southeast corner of Midland, sev-

eral miles from any other cotton, and that the infestation is concentrated. In single bolls from this field he has found as many as 12 of the insects.
He says the irrigated sections of Martin and Midland counties show an increase this year over last year, and that the good cotton around Fairview, Elbow and Coahoma is pretty heavily infested.
Sorry cotton doesn't appeal to the pink bollworms, he explains, and says that if a man will grow cotton sorry enough he won't have to worry about these insects at all.
Careless weeds aren't making seed as fast as they appear.
In fact some of them that appear to be making seed are not making seed at all. It's true that a careless weed no taller than a pencil will put on blooms, and form what looks like a million seed. However, in most cases if these heads are carefully examined they will be found to be husks only with no seed in them, depending on whether or not the rains came just right for them. Only a few of these husks, generany speaking, contain ripe seed.
Mrs. Asta Allen of Garden City, ASC office manager there, reports 147,000 acres of rangeland enrolled in the deferred grazing program.
Much of this deferred rangeland looks better now than at any time in the last three years.
Joe B. Calverly says he believes more grass was lost to the drought last year than in any of the preceding dry years. He has one pasture that he says he doesn't believe ever has had any rain on it.
Earth's earliest standard measure probably was the Egyptian cubit, 20.62 inches long, says the National Geographic Society.

"MY BAKING and COOKING Always Looks Good and Tastes Good ... Because I Use

GANDY'S HOMOGENIZED MILK

Gandy's

"The Sign of Good Health"

The advertisement features a large carton of Gandy's Homogenized Milk on the left. The carton is labeled "GANDY'S" and "GRADE 'A' PASTEURIZED VITAMIN D HOMOGENIZED MILK". It also includes the slogan "It's Sure Good" and a row of "G" characters at the bottom. On the right, a woman in a dark dress and light apron is smiling and holding a round cake on a platter. The background is a simple, light-colored wall.
