## PLANS ROUNDING INTO SHAPE FOR COMMUNITY FAIR

### Big Subscription Campaign And Distribution of Prizes Will Soon Be Under Way

CONTEST TO BEGIN EARLY IN OCTOBER

The announcement last week of our intentions to open a sensational drive for subscriptions and distribution of prizes, has been so well received our delight is almost overwhelming.

Men and women have been in to talk the proposition over with us, and several have been nominated to begin work as soon as the campaign starts.

We are certainly gratified with the encouragement by other business people of the town, and feel sure our campaign is going over to a successful conclusion.

Men, women and girls—talk this over with your family and your friends. Get yourselves "keyed-up" for the big drive, and be ready to go at the first announcement. The campaign will start early in October, and last for a period of ten or eleven weeks, closing Christmas Eve Day.

Where could you ever expect to receive so great a reward for such a short duration of time? Just think! A big, New, Standard Automobile for a few weeks work.

Talk to your prospective subscribers. Tell them you are working for that big car and how much you will appreciate them helping you to win it. It will not cost any extra money, for they will receive the Santa Anna News for as many years as they pay you dollars on subscription, and the more subscriptions you sell the more votes you will receive, and the one receiving the most votes by the close of the campaign, will drive that Big Chevrolet Automobile home to keep.

Turn to page three, read our full page announcement, clip the nomination coupon below, fill it out, bring or send it to this office with the name of the friend you would like to see win the Capital Prize, and we will take the matter up with them, and arrange with them to get on their way to victory.

#### NOMINATION BLANK

I hereby nominate

Mr., Mrs., Miss .....

Of P. O. Address .....

as a contestant in your subscription campaign and distribution of prizes, and you will please credit (him, her) with 10,000 free votes.

Name .....

The following names have been suggested, and some of them nominated to participate in the Big Drive, and all who have not been in to see us are invited to call at an early date and talk the matter over with us.

Miss Inez Smith, Miss Ruby Williams, Mrs. Elucian Niell, Mrs. Jim Gill, Mrs. Nora Black, Miss Tina Black, Mrs. William Sheffield, Mrs. Wayne Wiseman, Mrs. Era McClellan, Mr. V. L. Grady, Mr. John A. Smith, and Mr. Curran Pieratt, Miss Ruby Volentine, and Mrs. C. C. Bissett, Bangs.

There is plenty of time for others, and several communities should enter a contestant and help them to go after the Big Prizes. Remember—everybody wins in this campaign.

As stated in a former issue, this campaign is going to be conducted by local management, and fairness to all will prevail. There is plenty of time yet for you to enter, and if you have the matter under consideration, make up your mind and enter this Big Drive. Remember, the winner will be the happiest person in Coleman county the day this campaign closes, for you will receive a Big Handsome Reward for your services.

#### Who Will Be The Winner?

A novel and rather inexpensive plan will be submitted soon to the merchants who wish to participate in the campaign.

#### SUNRISE BREAKFAST

Members of the Young Women's Auxiliary met at the home of their counselor, Mrs. J. R. Lock Saturday morning at five-thirty and went on the mountain for a sunrise breakfast.

The sun was behind clouds almost all the time, but the group enjoyed the breakfast of bacon, eggs, bread, fruit and coffee.

The group included Mrs. Lock and little daughters, Beth and Joyce, and Misses Aurelia Tweedie, Rhea Boardman, Morean Walker, Carlene Ashmore, Frances Gregg, Rosalie Niell, Lillie Hosh, and Queente Gregg.

Mace Blanton was painfully injured at the Rose Gin last Friday evening when he accidentally got one hand badly mangled in the saws of the gin. He was rushed to the Sealy Hospital where the wounds were treated, and it is hoped that the hand will be saved.

Ragsdale's Bakery is making bread and doughnuts again.

#### HOME DEMONSTRATION CLUB

The Santa Anna Home Demonstration Club met at the home of Mrs. R. L. Todd last Friday for an all-day meeting. Mrs. Todd gave a lecture on the literature brought back from the Agricultural and Mechanical College Short Course.

A delicious lunch was served at the noon hour, and refreshments in the afternoon.

The next meeting will be held at the City Hall Friday (today) and all members are especially urged to be present. All visitors are always welcome.

Miss Eudora Garrett, who spent the summer in Santa Fe, New Mexico doing organization work for an Art School, has been visiting her mother, Mrs. W. O. Garrett. Miss Garrett, accompanied by Miss Gladys Rose left this week for Mexico City where they intend to spend the winter.

Cotton picking was interrupted in this vicinity first of the week by rain.

### Max Baer Loses Bout to Joe Louis

One of the most sensational events of the year took place in the Yankee Stadium, New York, Tuesday night, when Max Baer, former heavyweight champion of the world lost the fight to one Joe Louis, a colored fighter from Detroit, Michigan.

Baer was knocked down in every round, but the knockout blow came in the fourth round, about two minutes and 50 seconds after the round started.

Ninety thousand fans watched the fight, and the gate receipts were upwards of a million dollars.

### Burrow-Pieratt

Wednesday evening of last week, Rev. M. L. Womack, pastor of the USA Presbyterian church, was called to the home of Mrs. J. W. Burrow, wife of a former pastor, now deceased, to perform the marriage ceremony of her son, R. L. Burrow and Miss Mary Virginia Pieratt.

The charming young bride is the daughter of Mr. and Mrs. Curran Pieratt, and was born and reared in Santa Anna, a descendant of two pioneer families. She is a graduate of the Santa Anna High School of the class of 1929, is a popular young lady among her friends, and has the well wishes of many in her marriage adventure.

Mr. Burrow, a son of Rev. J. W. Burrow, deceased, and Mrs. Burrow is not so well known in these parts, but during his stay here has created a warm friendship with his associates, who will join the Santa Anna News in wishing him and his happy young bride all the happiness and success they expect in the future.

### LIONS ARE OUT OF LUCK, PRESCOTT HAS NEW PLAYER

Coach Ross Prescott, of Santa Anna Mountaineers, has a brand new quarterback (a triple threat) to bolster his team's hopes for victory over the Lions here Thursday night. And, according to the smiling Santa Anna mentor, the new field general is a kicking demon.

The new star's first name is Joseph Phillips and the family name—you guessed it, Prescott. He weighed in at 10 pounds at 7:30 this morning on the official scales at Stump's Sanitarium, a rather husky young man, at that. "Papa" Prescott was passing out cigars and receiving congratulations this morning.

Mrs. Prescott is the daughter of Mr. and Mrs. L. D. Hillyer, 1616 Avenue D. Brownwood Daily Bulletin, Tuesday, Sept. 24.

### MRS. SIMPSON HONORED

To compliment Mrs. Mildred Simpson, who returned last week from a four months' visit in Phoenix, Arizona, Mrs. Winnie Hardy entertained on Tuesday afternoon at the home of her mother, Mrs. R. L. Todd.

Roses were used as decorations in rooms where six tables were arranged for games of contract bridge.

At the conclusion of games, a refreshment plate consisting of chicken salad, butter wafers, olives, iced tea and molded date pudding, was served to Meses. S. W. Childers, Aubrey Childers, Neal Oakes, G. A. Ragsdale, Doris McDermott, Emmett Day, Judge Woodruff, O. A. Etheredge, L. H. Fry, R. R. Lovelady, Leman Brown, C. A. Walker, J. R. Gipson, Jodie Mathews, David Jones, L. O. Garrett, Rex Golston, Jodie Baker, Othella Croft, Bill Mitchell, E. A. Lucksinger, Miss Odelle Brown, the honoree, Mrs. Mildred Simpson, the hostess and Mrs. R. L. Todd.

### TEA FOR VISITOR

Mrs. W. E. Baxter entertained Thursday afternoon of last week with a tea honoring her daughter, Mrs. H. B. Thompson of Mason, who had been visiting her for a week. Sixty-five guests called during the afternoon.

Entertainment included, besides a trio from Brownwood and readings by a lady from Brownwood, songs by Beth and Joyce, daughters of Mr. and Mrs. J. R. Lock, and readings by Mary Joyce, daughter of Mr. and Mrs. J. B. Hill, Jr.

### Reis Assessed 21-year Term

Coleman, Sept. 21.—Louis Reis, 19, was found guilty this morning of murder of Fred Brown, Talpa rancher, and assessed a 21-year penitentiary sentence by a jury in 35th district court here.

The jury returned the verdict at 8 a. m., after deliberating about six hours. There was a report that the jury took six or eight ballots, and that the highest penalty ever favored by any of the jurors was about 40 years.

The case went to the jury at 5:55 p. m. Friday and it deliberated until 10 p. m. The jury was reported to have begun deliberation about 6 o'clock this morning.

Young Reis received the verdict with the same nonchalance that he had manifested throughout his trial. Evidence showed that he had never been arrested in his life until after the body of his friend, Brown, was found in his own car at the foot of a steep hill south of Valera, which was 15 miles from the alleged scene of the slaying.

Reisa and Stanley Wood, 31, were accused of killing Brown by beating him over the head with iron pipes for the purpose of obtaining a large sum of money he was carrying. The state contended they got \$267 and failed to find \$1,750 Brown carried in his shirt pocket.

Wood was tried at Brownwood late in June on a charge of venue and received a 10-year sentence. When he filed notice of appeal the state moved for a new trial, which was granted. Wood announced he would appeal from the decision but District Judge E. J. Miller said that insofar as he knew the appeal had not been perfected.

### BROWNWOOD RESIDENTS IN WRECK SUNDAY

Mr. Albert Sears of Brownwood is in the Sealy Hospital, and his sister, Mrs. Fannette Cooley, and Mr. Charlie Davidson, all of Brownwood, were injured Sunday afternoon about 2:30 when the Model A Coupe in which they were riding turned completely over twice. A beam from the car top was rammed through Mr. Sears' left arm, between the muscle and the bone. Mr. Davidson sustained a fractured collar bone, and Mrs. Cooley suffered severe bruises. Both the men were also severely bruised.

The three were going to a farm near Whon owned by Mrs. Cooley and were about ten miles from Santa Anna when Mr. Sears lost control of the car. The three were brought to the hospital by passing motorists, and Mrs. Cooley and Mr. Davidson were permitted to be carried to their homes following first aid treatment.

### ATTEND RALLY

The Fall Rally of District Sixteen was held in Coleman Monday and Tuesday of this week, and Rev. Hal C. Wingo, pastor of the First Baptist Church, attended both days. Tuesday Mrs. J. R. Lock and children, Miss Lillie Hosh, Mrs. J. L. Boggus, Mrs. J. Ed Bartlett, and Miss Queente Gregg were present.

Monday's program was in charge of residents of this district, and State Men spoke Tuesday. W. Marshall Clark, J. F. Murrell, and John L. Whorton were Tuesday's speakers.

The Legislature is now in the second week of the Special called session to find a way to legally sell spirits of fermented hard liquor, without the use of an open saloon. Several bills have been drawn and submitted to the committees, but none have been reported out so far. Old Age Pensions seem to be a hard question for our solons to solve. According to published reports, there are 263,000 persons in Texas over 65 years of age, 41,787 of them on relief, \$7,500,000 would provide for those now on relief, provided no others qualify, but if the entire number should be pensioned, \$56,000,000 annually would be required.

Last Saturday, following a week of pretty weather, business in Santa Anna reminded one of old times. It was a banner day for this year with the merchant

### Postmaster at Glen Cove Shot

COLEMAN, Sept. 25.—Verdict of death by self-inflicted bullet wound was returned today in the shooting of J. B. Allen, 78, Glen Cove merchant and postmaster, and termed "one of the best-liked men in Coleman county."

E. C. Simmons, mail carrier, found the body at 7:20 o'clock this morning in a barn to the rear of Allen's home. Allen had left a note for Simmons, instructing him to deliver the outgoing Glen Cove mail to Pat Warren, assistant postmaster at Coleman. He also left a note to Mrs. Allen.

Funeral services will be held Thursday afternoon, it was tentatively announced. A large crowd of Coleman people is expected to attend to pay tribute to a pioneer who had taken an active part in the up-building of Coleman County. Surviving are the widow and three sons, Clarence, Irwin and J. B. Allen, Jr. Mr. Allen had been in the general mercantile business at Glen Cove for nearly 40 years. His store was a meeting place for community rallies. He had been in ill health for about two years.

### HORNBERG SPEAKS TO SPECIAL MEETING OF LIONS CLUB TUESDAY

Approximately 75 Lions and ladies, representing seven clubs, attended a group meeting at Hotel Brownwood Tuesday night. The session was a regular meeting of Group 2E, of which Brownwood has recently been made a part, and ladies' night for the local club was also observed.

Rev. W. R. Hornberg spoke on the theme of co-operation. He used as his subject, "Together." He said that only by co-operation could a club, group of clubs or any other group or organization accomplish any movement which they undertook.

Ben Critz of Coleman and Mr. Boles of Breckenridge, past district governor of group 2E, made short talks. Representatives of other clubs present also spoke briefly. Musical numbers were given by a trio, Misses Bobbie Ruth Hornburg, Annie Sue and Eddie Lake Tate. Billie Davis with a harmonica and A. J. Barron with a guitar furnished numbers.

Clubs represented were Coleman, Brownwood, Goldthwaite, Santa Anna, Comanche, Breckenridge and Cisco.

The group from here included Dr. and Mrs. R. R. Lovelady, Mr. and Mrs. Cecil Walker, Mr. and Mrs. J. R. Lock, Rex Golston, Anthony Young, W. R. Mulroy and the president, J. T. Garrett.

### MORNING COFFEE

Mrs. T. M. Hays, Sr. opened her home to the W. M. S. of the Methodist Church Monday, September 23 at 9:30 a. m. when Mrs. T. M. Hays, Jr. and her committee on Study entertained the members of the auxiliary with morning coffee. Beautiful bouquets in Spanish vessels, Spanish scarves, pillows and rugs adorned the spacious rooms of the Hays home. The guests were greeted by Mrs. Hays, study superintendent, and Mrs. T. R. Sealy, auxiliary president, after which, Miss Alice Hays, Miss Velma Sealy and Mrs. Doris McDermott, dressed as Spanish ladies, conducted the guests to tables daintily laid with Maderia linens and Spanish glass ware from Old Mexico. Mrs. E. D. McDonald entertained with Spanish music while breakfast was served.

After breakfast Mrs. S. L. Weaver gave a short History of Mexico. Mrs. T. M. Hays, Jr. gave a Resume of the Study book "That other America" and outlined an interesting course. Mrs. W. H. Thate gave 13 Believe It or Not's on South America. A majority of the guests enrolled for the course.

A two course Spanish Breakfast was served to twenty-six guests.

Mr. and Mrs. Roy Golston and children spent the weekend here and in Coleman visiting relatives. They were enroute to their home in Tyler after spending the summer in their summer home in Colorado.

### ARRANGEMENTS FOR BUILDINGS AND SITES BEING COMPLETED; BOOTHS AND LIVESTOCK PENS WILL BE ARRANGED

Committees for the grounds and building for Santa Anna and Community Free Fall Fair are completing arrangements this week, and the Premium list will be found in this issue of the paper.

Much time and effort has been required in preparing for this event, and several hundred dollars in expenses has also been incurred. Those promoting the Fair feel it is a good investment for the community and county, therefore but little regard for time, effort, and expenses have been considered.

### Ward School PTA Begins New Year

The new year of the Ward School Parent Teacher Association began with the first regular meeting held at the ward school auditorium Tuesday, September 17 at 3:30 o'clock. There were 53 present.

The meeting was opened with all singing "America." The devotional was led by Rev. Homer Vanderpool. Reports were given by the committee chairmen. Mrs. Lawrence Smith read a very interesting and educational paper on "Founding a Family," in which she discussed some of the qualities of a happy, congenial family. Mrs. J. T. Garrett read a paper on "Feeding the School Child," which was of special interest to the mothers. Mrs. Garrett discussed the well balanced meal served at home and an appetizing and wholesome lunch to be brought to school.

After a brief business session the association adjourned until the next regular meeting to be held in October.

### Neal-Carr

Friends will be glad to learn of the wedding Saturday evening in Brownwood of Woodrow Neal, son of Mr. and Mrs. D. C. Neal, and Miss Modine Carr. Mr. Neal is employed in Frier, and Mrs. Neal was living there at the time of her marriage. Both came Thursday of last week to visit in the D. C. Neal home. They plan to return to Frier Sunday, where they will make their home.

### BUFFALO P. T. A. MEETING

The Buffalo P. T. A. met in the first session of the new school year last Tuesday evening, September 17. After a business meeting in which some re-organizing was done, we had a very interesting program given by a group from Brownwood. Those from Brownwood were the Howard Payne trio of boys consisting of James C. Bunton and the two Forrester boys, Miss Eddie Lake Tate and Miss Elizabeth Britton. Besides the group of musical selections by Miss Tate and the trio, Miss Britton favored us with several entertaining readings.

Our next meeting date is Friday night, October 4, at which time a program on Home Play Interest will be rendered. A short period of actual play by the children will precede the talk on modes of desirable use of leisure time. Parents, we feel that it will be well worth your while to attend the program.

### EUROPA BRINGING \$23,000,000 GOLD

PARIS, Sept. 21. (AP)—The S. S. Europa was sailing today for the United States with 18 tons of gold, valued at more than \$23,000,000.

The shipment, part of the strong gold flow from Europe to America as the result of uncertainty over international developments, is the largest in years. The ship was loading \$10,000,000 of gold in Southampton and more than \$13,000,000 in Cherbourg.

Mrs. Lillie King, and her son and daughter-in-law, Mr. and Mrs. Finis King, all of Ranger visited in the home of Mrs. King's parents, Mr. and Mrs. H. Brown, and her uncle, A. R. Brown and family of Santa Anna, Wednesday.

Ragsdale's Bakery has Raisin bread Wednesday of each week.

Let's all join in one united effort to make this, Santa Anna's First Annual Community Fair a worthwhile event; one to look forward to from year to year with increased zeal and encouragement.

The real benefits to be derived from a Community Fair can never be truly estimated, for its benefits are too far-reaching. The educational values are far reaching, and the social aspects have an augmented value in bringing neighbors and friends together and reuniting them for friendship's sake.

Plan now to bring something with you and come to the fair. It will last three days, and we hope there will not be a dull moment during the entire time. If you have nothing to place on exhibition, bring your family and spend the day viewing what your neighbors have furnished for exhibition, then make up your mind to prepare and bring something to future fairs.

Over 300 entries will be made if plans now being made are carried out. No one can accurately estimate the value of such a Fair to the community. May we have the full cooperation of all in our efforts to make this first event a big success.

The County Agent, Home Demonstration Agent and the FFA are cooperating, as well as a number of Home Demonstration Clubs. Special arrangements and prizes have been and will be provided for community booths and others. If you have something interesting that is not listed in the published list, bring it on, and space will be provided for it, and you will be credited for your interest.

### SPECIAL SCHOOL DAY

Wednesday, October 9th has been designated especially for school children, and we hope every school in the Santa Anna trade territory in progress at that time attends in mass, and the school bringing the greatest percentage of its enrollment will be awarded a prize as will be observed in the printed list. Those not in progress should see to it that the prospective students have an opportunity to attend the Fair.

Wednesday will also be livestock day, and we anticipate a large number of the best livestock in the county here for that occasion. Splendid prizes have been arranged, and it will be worth your time to be here for that special day.

### Special Edition Next Week

The Santa Anna News will publish a Special Fair Edition next week and we hope to have every merchant and other business place in Santa Anna represented. Out of town merchants are not barred, but no special effort will be made on our part to enlist out of town advertising. As soon as this paper is off the press, we will pass among you, and all who wish to be represented in an advertising way will have opportunity to do so. Please prepare your ad copy early as we will not have the time to make several calls.

Advertising doesn't cost—it pays.

POLITICAL HIGHLIGHTS

Congress has adjourned, and a great quiet has come over Washington. Theoretically, the political "open season" has ended, and will not begin again until the next Congress, which will convene with the start of the new year.

Principal question at issue is this: "What changes, if any, have occurred in the status of Roosevelt popularity since 1932?" By way of answer, you can get almost anything you want. It is a human frailty, shared alike by Republicans and Democrats, to regard a thing as being true simply because you wish it were true.

One of the best obtainable gauges for measuring the popularity or lack of it of any Administration, is newspaper editorial opinion. And in this, according to an article by Theodore C. Wallen, of the New York Herald-Tribune, a very interesting change has taken place during the past turbulent year.

says, went from 67 per cent to 58, back to 62, then to 47, then to 66, then to 42 and finally to 61 on April 29. The greatest decline followed, when, on the occasion of the President's attack on the Chamber of Commerce of the United States, principal representative organization of American industry, it tall-splinned to 21.

Papers which were once highly favorable to Mr. Roosevelt and his policies, have become cold and non-committal. Papers which once were uncertain and said little, have taken to denouncing Administration acts. And some very important papers, which normally back Democratic administrations—such as the New York Times and the Baltimore Sun—find much to criticize in the President's program.

In his article, Mr. Wallen makes another very important observation. At the beginning of the Roosevelt administration, many persons backed the President and at the same time were against Administration measures in general. In other words, they liked the President, and they blamed others for Administration acts and policies they believed inimical to the national welfare.

The drop in the President's popularity as a statesman—which is a very different matter than his popularity as an individual—has given unbiased writers the belief that the GOP has a chance—even though remote—to win in 1936, if it puts the right man forward.

One of the best obtainable gauges for measuring the popularity or lack of it of any Administration, is newspaper editorial opinion. And in this, according to an article by Theodore C. Wallen, of the New York Herald-Tribune, a very interesting change has taken place during the past turbulent year.

coldness within his party. Senator McNary has influence as Republican leader in the Senate—but he comes from a small and remote state.

A few think that the Republican campaign of 1936 should be only formal—that the party should work toward 1940. They point to Mr. Roosevelt's electoral victory over Mr. Hoover, and say that shift enough to elect a Republican cannot occur in four years.

Under any circumstances, the next campaign will be bitterly fought. The issues are many, but the outstanding question for the voters to consider is whether to continue the swing to the left or turn back to the right. There will be no quarter given by either side.

CHON SHU

(By Austin Callan)
I, too, wonder why an Irishman will pause to say a word about a Chinaman who died in Mexico.

I think I know. There is some sort of a reciprocal beat in certain hearts that knows neither territorial nor race nor religious bounds. It pervades the earth like a fragrance from some mystic vale, and Chon Shu, a son of the most backward nation in the world, possessed that beauty.

He was kind, accommodating, charitable. He wore a smile from the heathers of Cathay.

I am not exalting a cabaret owner, a successful business man nor a citizen who faithfully met his civic obligations, though he was that and did that. But I would glorify if I knew how the principle which makes a man meet his fellows on the level. It bloomed beautifully in Chon's pagan heart.

DISEASED MOUTH AFFECTS THE HEART

Austin, Texas, Sept. 15. "Heart disease ranks first in the list of killers today. During the past thirty years it has been steadily increasing. Few people ever associate impairment of this vital organ with diseased mouth conditions.

While, of course, there are many other causes for heart impairments than diseased teeth, gums, or tonsils, there certainly is every good reason to establish and maintain daily and periodical prophylactic measures as far as the mouth and teeth are concerned. Not to do so is merely adding another menace to the heart already beset with disease potentials that seem to be a part of present-day life.

"If the individual will assume his responsibility by consuming a nourishing diet, keeping his mouth clean through daily brushing, and have a regular inspection by his dentist and physician, undoubtedly a fair proportion of heart disease, not to mention many minor ailments, could be eliminated that have their origin in diseased mouth conditions.

"Unlike public health control measures, dental supervision is a highly personal matter. There is no legislation covering the situation, nor is there any enforcement officer to keep one in line. Therefore, common sense and reasonable concern for one's heart should prompt interest in teeth, mouth, and throat.

"As an authority tersely puts it, 'Keep your heart out of your mouth and your mouth germs out of your heart.'

One of the main problems of readjustment is that every man wants to go on undisturbed in the way he is going, make no changes and give nothing up. It is quite obvious that improvement of any kind will never come in this way. It is equally obvious that if improved conditions come about permanently many changes and many radical adjustments will have to be made. It should be clear to all, that when better times return, as they eventually will, that if we continue with the same practices in which we have indulged in the past, and which are directly responsible for present conditions, we are going to wake up one of these fine days and find ourselves in another depression even worse than this. Like causes always produce like results. The marvel of it is that an intelligent race can't see it.

With some a moratorium is always on.

HIGH SCHOOL PTA MEMBERSHIP DRIVE IS NOW ON

When Santa Anna Parents and Teachers fall in line; They're going to play a game that's mighty fine, From raising money down to serving milk, To helping boys and girls grow big and strong and fit, And yet it all means work for everyone.

So join the group and lend a helping hand, Willing hand, to the P. T. A.

In carrying out the things we have planned to do, We need the daddies working with us, too; Because there's lots of work that must be done, And dad's strong hand just makes it more and more like fun;

With help from mothers, dads and teachers three, We'll climb the hill and then we all can see; That it's a game for all and not for one, It's for you and me.

The game we play is not a selfish one, It's based on service and love for every one; With special emphasis on girls and boys,

In serving them our lives are filled with sweetest joy; So if you're interested in such a game, And wish to help us onward up to fame; Come join our band and start right in to work and never shirk, Our little P. T. A.

POTPOURRI

(By Polk Daniels)
It is not in the least likely that any life has ever been lived which was not a failure in the secret judgment of the person who lived it.

A prominent New York "Doctor" says when a woman seeks friendships, 75 per cent fail to find the real thing—the mutual kind. Men fare a little better, but not much better.

But after all, is it important?—even if true.

I know a man who has failed in business several times, and who never managed a deal that made him a dollar but who finally settled down to a job at modest wage, saved his money and is now in comparatively easy circumstances. He is honest and industrious, but he has no "business sense."

How many of you can remember the last time the sun had a total eclipse, as viewed from this part of the United States? I can remember it well and distinctly.

A reader of this paper exclaims the expression the zero hour as "meaning the hour when a man goes home very late or very early and finds his wife up waiting for him and he has no explanation he can make.

Every community has one of them. The fellow who attends a meeting called to consider a community matter and at which each one present is invited to express himself but who takes no part in the discussion until after the meeting is over when he goes about telling how they messed things up. This thing should have been done this way and that thing should have been that way.

The poorest employee about a business institution is the employee who insists on doing things his own way. This is the reason older persons are not looked upon with favor by most employers. They are too set in their ways. They have their own way of doing things and dislike to change to their employer's way. Right or wrong, most employers want things done the way they want them done.

# GIVEN AWAY **\$1,000.00** IN PRIZES

## IN AN EFFORT TO INCREASE OUR CIRCULATION

The Biggest offer of a lifetime will be open to men and women of Santa Anna and surrounding country early in October, when the Santa Anna News throws open to the people of this community one of the most striking and sensational prize winning subscription campaigns ever heard of in Santa Anna.

### The Capital Prize

We have purchased a brand-new 1935 Standard Chevrolet Coach Automobile, retail value \$622.00 something that everybody wants and many would be proud to possess, and intend to give it to some one for a Christmas present at the close of this campaign. This Big Automobile was purchased from the Schreiber Chevrolet Company and is now on display in their sales room for your inspection. We expect some real live persons to enter this contest and do some active and effective soliciting, and as a reward for your services, the one who turns in the largest number of votes, according to the schedule, will get this big automobile for their services.

### The Other Prizes

We have also purchased for a second prize a very beautiful \$125.00 Diamond ring, one that any lady would appreciate having to be all her own, purchased from Emmett Day, Jeweler, and the ring is now on display in his showcase for your inspection.

Third prize is a beautiful \$70.00 Radio Set, purchased from Geo. M. Johnson, and it will soon be on exhibition at his Radio Electric Shop for your inspection.

Fourth prize is a beautiful Coleman, instant light, kitchen range purchased from the Coleman Manufacturing Company, and is now in this office for inspection. The retail value would be above \$50.00.

Extra to the above prizes all who enter the campaign and remain active to the close and fail to win a prize will be paid ten per cent of the gross amount of cash you turn in.

This makes it a sure winner for all who enter and remain active until the close of the contest. Everybody wins. Make up your mind and get ready to start to work soon. Further announcement will be made next week.

### Rules and Regulations

The Campaign will officially open at an early date and will continue in force until Tuesday, December 24, Christmas Eve Day, at 6 o'clock in the evening. Any white person over fifteen years of age of good character, living in Coleman county or any point on the eastern border of the county in the Santa Anna trade territory, is eligible to enter this campaign. Younger children can enter only with the consent of their parents or guardians.

No salaried employe of the News or members of their families will be allowed to enter or give out any information concerning the contest to contestants, or their friends, but the standing of contestants will be published from time to time for their benefit and information.

Candidates nominated who do not wish to remain in the contest can withdraw at any time, but there will be no trading or transferring of votes.

Votes are issued on both new and renewal subscriptions, but no votes will be issued until the cash has been received at this office.

All contestants who remain actively engaged throughout the campaign, making weekly cash reports, who fail to win one of the prizes offered, will be paid in cash, ten per cent of the amount they collect during the contest, but failure to comply with this restriction, he or she, will, at the discretion of the management, become disqualified and thereby forfeit all right to a prize or a commission.

The subscription price of the Santa Anna News in Coleman county is \$1.00 a year, and no subscriptions will be accepted at this price outside of Coleman county except at Bangs post office just over the line in Brown county, where several people receive their mail who trade in Santa Anna. Votes will be given

on foreign subscriptions when received at the regular price of \$1.50 a year.

We reserve the privilege of amending or changing these rules any time during the campaign if we deem it advisable and prudent for the benefit of the News and the contestant's, but no material changes will be made.

The main object of this campaign is to increase our circulation and we expect to use our every effort to do so.

This contest will be conducted honorably in every respect, each contestant receiving the same fairness of all others, for we personally will see to it that no unfair means will be used. We want you to enter this contest feeling you are going to get a square deal and after it is over we expect you to feel the same way about it.

Any erroneous statements made without foundation by any contestant to the detriment of other contestants will be sufficient grounds for the management to declare such contestant disqualified and have them withdrawn from the contest.

Special inducements will be offered for long term subscriptions and the contestants will do well to bear this in mind, as one long term subscription will mean many more votes per dollar than will the short term subscriptions. No subscription will be accepted for a shorter term than one year or a longer term than ten years, but one ten year subscription will equal forty one year subscriptions, so it will be well for contestants to begin planning early to get a few of their close friends to consider long term subscriptions. Extra copies of the paper will be furnished free and contestants should keep themselves well supplied with copies of the paper.

#### SCHEDULE OF VOTES

1 year \$1.00	1000 votes
2 years \$2.00	3000 votes
3 years \$3.00	6000 votes
4 years \$4.00	10000 votes
5 years \$5.00	15000 votes
10 years \$10.00	40000 votes

For subscriptions outside of territory add 50 per cent to above in cash and the same number of votes will apply.

**Men and Ladies, Listen; do you ever expect such another opportunity? Think it over, make up your mind, it means big values. When do you expect another such opportunity, where you can get out and work only a few weeks and earn a Big Automobile worth \$622. in cash. It is worth working for, and who is going out after it?**

### Walker's Pharmacy

Santa Anna, Texas

Hill, J. T. Oakes and Alton Dis-orens, with Miss McCreary, assembled in the office Wednesday afternoon to select the senior rings and invitations.

The rings were ordered last Friday and Monday, and will arrive five weeks from the date they were ordered.

The invitations chosen are white and have the 1936 senior ring seal on them.

## JUNIOR NEWS

Each and every one of the forty-seven energetic juniors seems to be ready and eager to make this a record year. Much should be accomplished with the aid of the two capable sponsors, Miss Harvey and Mr. Womack.

Tuesday plans for a Junior-Senior Banquet were suggested. Several novel ideas were discussed.

Wednesday at noon class officers were elected with Jack Price, loyal sophomore president, acting as chairman. William Mitchell was elected president; Doris Spencer, vice president; Carlene Ashmore, secretary and treasurer; and Marilyn Baxter, reporter.

The junior class is also responsible for the selection of an assistant editor-in-chief for the Mountaineer. Doris Rollins was elected to fill that office.

The students of last year wish their new classmates a hearty welcome and an unusually good year in SAHS.

## TENNIS CLUB ORGANIZED

The tennis club met Thursday morning at club period with Mr. Lock as sponsor. Everyone drew a number to get his or her ranking. Each member will challenge another member not more than three above to determine who is the better player; by this the best member of the club can be first.

The club regrets very much the loss of its best players, Bess Inez Shield, Evelyn Kirkpatrick, Scott Wallace and Dosh T. McCreary. The teams will be entirely new this year.

## PEP SQUAD HAS MEETING

Thursday afternoon a group of enthusiastic girls met in the auditorium to elect a reporter for the pep squad. Anita Kirkpatrick was elected.

A hat was decided upon and ordered. Black socks were chosen. The pep squad will wear black skirts, gold blouses and black berets with SAHS printed across the front of them.

Helen Oakes and Claudia Cain were elected drummers. After the meeting the girls practiced some yell.

## High School Band Organized

Santa Anna is very fortunate this year in having a school band.

Mrs. Leach of Coleman, director of the band, came Wednesday, September 18 and organized. There are about fifteen members in the band now but more are expected to join.

## MANY STUDENTS FROM OTHER DISTRICTS

Out of fifty-four pupils in the freshman class, fifteen are new pupils or pupils from other districts besides Santa Anna. Out of forty-five in the sophomore class, twenty-two are new. Out of forty-seven in the junior class, nineteen are new, and out of forty-eight in the senior class, twenty-three are new.

Out of the total of 206 pupils in the student body, eighty-one are new pupils. This makes forty-two plus percent of the children new or from some other districts.

## FOOTBALL SPONSOR ELECTED

The football boys had a meeting Friday afternoon and elected Beulah Tisdell football sponsor for this year.

Beulah is a member of the senior class.

## TICKINGS FROM THE CLOCK

The answer to the question, the football sponsor? — Beulah Tisdell — Beulah, the golden blond of Santa Anna High School captured the heart of the football team thereby winning the election of their sponsor. The ever winning smile of the new sponsor scored a touchdown play with the Mountaineers. The qualities set forth in this column last week were the standards used by our team when selecting the "Princess Charming."

Current Comment — There is too much of the air of abuse of liberty when students pass from class to class. Running, shouting, loud talking and banging of lockers disturb the atmosphere of scholarship that abides in a place of learning. One simple way of eliminating such is by remembering politeness, courtesy, and good manners. A wise student is one who considers the welfare of his associates.

Spotlight: Puzzling question, is it Gene or Lenora with J. T. Over-flow class, Bookkeeping, Smallest class, Latin I. — Most watched place, the study hall clock. — One goal in SAHS, no paper on the floor at four o'clock. — Veteran debator, Emma John Blake. — Stick together, Mary Dellinger, Mary Garrett. — Small but mighty, H. L. Lackey. — Additional sounds, practice for the band — Most used magazine among boys — Popular Science.
