Angle Parking Authorized - No Double Parking

Looking
'round

BY THE EDITOR

TOWN WILL NOT CLOSE LABOR DAY

According to the Chamber of Commerce the town will not close on Labor Day. The neighboring towns are not going to close, so the majority of the business men have decided to open as usual on Monday morning.

FIX UP AND PAINT UP

The Chamber of Commerce is wondering just how many citizens here would be interested in a "Fix Up-Paint Up" campaign. The secretary of the Chamber of Commerce has already contacted several of the business men about the fronts of their buildings and most of them seem interested. In fact we have just recently had a new awning put on our building and plans are being made to paint it. There are a few other places in town who have done the same thing, but there are several other places of business that need new fronts on their buildings.

After some discussion on this matter it has been decided to try to make it a city wide "Fix Up-Paint Up" program. There are lots of homes in Santa Anna that need to be fixed up and painted. When buildings start to deteriorate they seem to go in a hurry unless something is done toward repairing them. We could plan and put over a big city wide campaign if the citizens of the town would cooperate. If all the improvements that the Chamber of Commerce and the Lions Club have taken on themselves are put over, this "Fix Up-Paint Up" campaign would make this the most attractive city in Central Texas.

Of course it costs money to have repairs done, but have you ever thought that it costs more money to let your homes get in a rundown condition and then try to get them repaired. The cheapest way is to keep buildings in good repair at all times and if enough citizens will cooperate we can get this city cleaned up and make it a lot more inviting to new comers who might be interested in coming to Santa Anna to live.

If you are interested in this sort of a program call the Chamber of Commerce and let them know it.

Farm Bureau Sponsors Farm To Market Roads

A farm to market roads bill, that is being planned by the Texas Farm Bureau and will be sponsored by them at the next session of the Texas legislature, was discussed at a directors meeting of the Coleman County Farm Bureau at the McElrath Pleasant Valley Park, Saturday, August 23 at 7:30 p. m. Hosts for the covered dish supper, that preceded the business session were Mr. and Mrs. Luther Holder, Frank Gillespie and Raymond McElrath.

The county group gave their ideas on this proposed bill and McElrath and Gillespie, who met with the Texas Farm Bureau directors in Waco, Tuesday and Wednesday of this week, were instructed to present this county's views to be incorporated in the bill. Directors present were very pleased to know that at last, there was going to be some definite plan made by the state organization to get some legis-

Bap. Brotherhood Meets AT Lake Brownwood

The 16th district of the Baptist Brotherhood of Texas met in their 17th annual jubilee Monday and Tuesday at their recently acquired 26 acre park on the waters of Lake Brownwood, in one of the greatest and most interesting meetings they have ever held.

President Bert Low of Brownwood, who was backed up by the two Brotherhoods of Brownwood, the Chamber of Commerce and others interested in the improvement of Brownwood and the entire 16th district, very ably put the meeting over in a dignified and righteous manner.

Not having a roster of all those who attended from here, we cannot give the names of all who attended, but the members of the Brotherhood of the Baptist church here and a few friends were very much in the limelight during the two day meet. Santa Anna men prepared the barbecue for the opening meal Monday evening, and take it from one who was there, everything was done up in apple pie order. When Louis Newman, Emzy Brown, Bert Howington and the large number of others who always accompany them on such missions, undertake an ordeal, you can bet your boots nothing will be lacking to make it a real success. Pastor Smith was among those doing the work, and he knows his stuff, too, even though he has not been in West Texas as long as some of the others, he knows a good thing when he sees it.

The slogan for the 1947 jubilee was, "It is later than you think; I will reconsecrate my life, tithing, pray, be more faithful, accept Christ as my Savior."

Dr. Robert G. Lee, pastor of the Bellevue Baptist church of Memphis, Tenn., was among the speakers, and he was worth the entire cost of the jubilee.

Several other districts were represented, recognizing that District 16 is the original district to organize an encampment and start the Brotherhood off on such a wonderful mission, and it is said that this district is still the leader in its activities and magnitude of doing things, thus a number of visitors were here to see how it was done. They saw, now let them try to trump us and see what further steps we take toward other forward movements. District 16 is still the big boy bell weather or whatever you want to call us in leading out the brotherhood way, but we are not copyrighting our stuff, and if others can use it, or even improve upon it, they are welcome to it, and if they surpass us, we will not cry on their shoulders, instead, we will rejoice with them in prayer for further inspiration that we may do still greater things for the Lord and his kingdom here upon the earth.

There are eight Baptist Associations in this district, situated

Football Boys To Meet At High School 10:30 Sat. Morning; Very Important

Dowell McBride has been elected by the school board to succeed Scott Whitaker, who resigned last week, as head coach in the Santa Anna school system. Football boys and all boys who are interested in football are urged to meet at the high school building at 10:30 Saturday morning to meet the new coach and make preparations for a football training program and encampment. Besides being the head coach, Mr. McBride will teach history.

Santa Anna Bank To Cash Terminal Leave Pay Bonds

The Santa Anna National Bank has received its authority to cash terminal leave bonds that have been issued to veterans. The U. S. Government has authorized banks to start cashing them Monday, September 1.

There have been approximately 8,900,000 bonds worth about \$1,800,000,000 already issued with about 5,000,000 more veterans eligible to apply for their leave bonds. They have until September 1, 1948 to apply for these bonds.

In Texas 445,730 have applied for terminal leave bonds. It is expected that 50 per cent or more will cash their bonds as soon as possible. Some estimate that up to 75 per cent will cash their bonds.

Mr. O. L. Cheaney, cashier of the Santa Anna National Bank, states, "All veterans who do not need to cash these bonds should hold them until their five years is matured. The bonds draw 2 1/2 per cent interest and this is a good rate. However, the ones that do cash their bonds will receive the base value of their bonds plus the accrued interest."

County 4-H Club Boys Hold Their Annual Camp

The Coleman County 4-H Club boys, under the leadership of Herman E. Jenkins, County Agricultural Agent, held their county-wide encampment at the Breeder-Feeder show barns, located at the Coleman Flying School, August 22 and 23. Friday afternoon registration was in charge of Mr. Claude Bevil. After registering, the boys played softball, pitched horseshoes and dollars, under the supervision of Mr. E. L. Pate and Mr. C. D. Barnes.

After supper the boys and their fathers saw the following film strips: Junior Cattleman, Feeding Farm Animals, Tomorrow's Leaders and Treasure Land.

Saturday morning, Charles Ray Abbey of the County-Wide 4-H Club gave a demonstration of washing and dressing a calf.

MRS. MINNIE B. PINNEY BURIED WEDNESDAY

Funeral services were held here Wednesday afternoon, August 27 at 4 o'clock for Mrs. Minnie B. Pinney, who died Tuesday night in Graham, where she was visiting with her daughter. A more detailed obituary will appear next week.

right in the heart of Texas, and they are not trying to close any doors to keep others from seeing our good works, intended to glorify God here upon the earth. Selah, J.G.

1947 Cotton Loan Plan Announced By AAA Office

The local AAA office has received regulations and instructions for the operation of the 1947 cotton loan program. The basic loan price for Coleman county is set at 27.74 per pound for 15-16 middling white and extra white. Premiums and discounts for grades and staples may be had from your approved lending agency or the AAA office.

Persons who can be approved as clerks to witness loan agreements are employees of the County AAA office, Production Credit Association, banks and other agencies which have been approved by the Commodity Credit Corporation as lending agencies. All other person approved must be recommended by the county and state committee of the P. & M. A.

The clerk's service fee is as follows:

1- 6 bales on the note	25c
7- 8 bales on the note	30c
9-10 bales on the note	35c
11-22 bales on the note, 35 cents plus 2c for each bale over 10.	

Approved clerks will be furnished the following forms and instructions by the county office: CCC Cotton Form 1, 1947 Cotton Loan Instructions.

Cotton Memorandum 21, Instructions on 1947 Cotton Loan Program.

CCC Cotton Form A, 1947 Cotton Producer's Note and Loan Agreement.

CCC Cotton Form B, Producer's Letter of Transmittal.

1947 CCC Instructions to Warehousemen.

The Commodity Credit Corporation, Masonic Temple Building, New Orleans 12, Louisiana, will supply CCC Cotton Form I and CCC Cotton Form A to warehouses approved for storing loan cotton.

A supply of the above forms has not reached the local county office.

Local Scouts Win Chisholm Trail Swimming Meet

The Eagle patrol of Troop 86, Santa Anna Boy Scouts won top honors at the Chisholm Trail Council Swim meet held at Camp Tonkawa, near Abilene, Wednesday, August 20. In order to be eligible to compete in this contest the boys had to win enough points at the district meeting held in Coleman August 11 to be classed as an 'A' patrol. About 20 teams participated in this contest. The bronze trophy that was awarded to the boys is on display at the Santa Anna National Bank.

Bill McDavid, local Scoutmaster, and Rev. Henry Price, assistant Scoutmaster, have been doing some very good work with the Boy Scouts. Winning this trophy over all the other Scout patrols in the Chisholm Trail Council shows the effort that has been put out by the leaders as well as the boys. To be able to keep this trophy, the boys must win it for two consecutive years.

The Scout leaders have had a number of outings for the boys and have matched several softball games for them. The boys have won all their softball games this summer.

Members of Troop 86 are Harold Horton, Duane Moredock, Billy Joe Parish, Douglas Moore, Billy Joe Scott, Clovis Revile, Charles Hosch, Joe England, David Hunter and Dick Humphries. All these boys participated in the swim meet.

Lions Club Hears Talk On Russia

Rev. John Muller, pastor of the Presbyterian church of Coleman delivered one of the most enlightening speeches the Lions Club here has heard in a long time, at the regular meeting Tuesday. His subject was Russia and what communism is doing in the U. S. The talk was one of the main speeches delivered at the Lions International Convention in San Francisco a short time ago. Rev. Muller was a guest of Lion W. F. Barnes and had charge of the program for the day.

Three other guests were at the Club this week and 38 members were present. The guests were J. L. King of Floydada, father-in-law of Lion J. W. Burgett, Ed Bartlett, city water commissioner and Hal Martin of Trickham were guests of W. F. Barnes.

A report by the president said that we had netted \$43.90 from the ball game last Friday night and this will go to help repair the football stadium. A report from the committee to repair the stadium said that plans for the repairing were under way and work would start by next week.

All Lions are asked to make a special attempt to attend the meeting next week. A very special program of interest to all farmers and members of the Club will be presented by Mr. Bob Nelson of Texas A. & M. College. Mr. Nelson will show two rolls of film that were made in Comanche and Mills counties concerning Soil Conservation and Soil Building Legumes. Each member of the Lions Club is asked to bring at least one farmer as his guest for the day.

Third Water Well Completed For City Supply

The third of a series of water wells to be drilled for the city has been completed and from general appearances all three of the wells are of about the same size. It will not be known just how much water the wells will produce until they have been pumped for about two weeks.

All the pipe to lay the 6 inch line from the wells to the city treating plant has arrived and the connecting of the pipe should be completed within the next few days. An electric line running to the wells will be completed in the near future to furnish power to pump the wells. It is estimated that within two weeks water from the wells will be running directly into the treating plant.

For the present water users are requested to conserve all the water possible. The supply in the lakes now is going rapidly, but there is water enough to last into next month if users will conserve all they can.

Singing

The singing at the Cumberland Presbyterian church Sunday afternoon was quite well attended and some good singing was enjoyed. Mr. Dan Wheatley presided in the absence of the president. It is hoped that with the coming of autumn a greater interest may be manifested in these gatherings. The next singing will be held at the Christian church Sunday afternoon, September 28th.

Mrs. Raymond Bouchillon and son of Brady and her daughter, Mrs. J. P. Richardson and son of Rockwood were here visiting and attending to business in Santa Anna Tuesday.

The State Highway Engineer of this District, Mr. Leo Ellinger, of Brownwood has authorized angle parking on the east to west highway through Santa Anna, provided there is no double parking permitted and no trucks park on the main thoroughfare. After Mr. Ellinger made his survey he said the street was wide enough to allow traffic to pass safely as long as there was no double parking and no trucks were parked on the main highway.

The Uniform Traffic Code becomes effective throughout Texas on September 5, 1947. Its provisions establish uniform traffic regulations which conform to those of a majority of the states. Under article XII, paragraph 96, The Uniform Traffic Code reads:

"Sec. 96. Additional Parking Regulations. (a) Except as otherwise provided in this section, every vehicle stopped or parked upon a roadway where there are adjacent curbs shall be stopped or parked with the right hand wheels of such vehicle parallel to and within eighteen (18) inches of the right hand curb.

(c) Local authorities may, by ordinance, permit angle parking on any roadway, except that angle parking shall not be permitted on any Federal Aid or State highway unless the State Highway Engineer has determined that the roadway is of sufficient width to permit angle parking without interfering with the free movement of traffic."

According to Mayor George Johnson, no trucks of any description will be allowed to park on the main highway at any time. All delivery trucks will have to make deliveries to the rear of businesses. This includes out of town delivery wagons as well as local ones. There will be no double parking at any time either, and violators of these regulations will be given tickets and punished. Mayor Johnson further states that he has personally made a check on each business and that all can be delivered to from the rear without any difficulty except one. The only one that is hard to get to now can be fixed where it can be gotten to.

An article by Col. Homer Garrison, Director Department of Public Safety, states that the new traffic law is just good sense. The article follows:

There is no reason why anyone should be confused by the new traffic safety law that goes into effect September 5. The law itself is long and legal-sounding, but it boils down to good, sound horse sense.

We're just getting rid of the old regulations, passed back in 1917 in the Model T days and bringing them up to date. Ninety per cent of the things required by the new law are already being done by the average good driver — and the other ten per cent are things he knows he ought to be doing but isn't.

In the fewest possible words, here are the highlights of the Uniform Traffic Code, as the law is called:

People walking are required to cross streets and highways at designated cross-walks where these are provided; to use sidewalks where they can, or to walk facing the traffic, on the left side of the road, where there is no sidewalk. A pedestrian in a cross-walk has the right-of-way over all vehicles. These are the first real pedestrian regulations we have ever had in Texas, and the observance of them will keep a lot of people from "walking themselves to death."

Drivers are required to stay on the right side of the road, with certain sensible exceptions; dangerous maneuvers in passing are outlawed; right-of-way rules are set out; teeth are put into the stop-sign law; the safe man-

(Continued on page six)

It's A Bad Day For Road Hogs Garrison Says

By Col. Homer Garrison, Director Department of Public Safety

The new Texas traffic law, going into effect September 5, will make things rough for those people who think they are the only ones on the road.

The person who drives up in the middle of the road, or wanders from one side to the other, will now be liable to arrest. So will the person who passes one vehicle when another is coming to meet him.

A driver must stay on the right except when passing, when driving on a one-way thoroughfare,

or when the right side of the road is blocked.

The middle lane of a three-lane highway is to be used only for passing and for making left turns, and then only when nobody is using it from the other direction.

One vehicle may not pass another when they are at, or approaching, an intersection or a railroad crossing; when approaching a bridge, viaduct or tunnel; or when in a designated "No Passing" zone, marked by a broken stripe or by any other means.

The question of right-of-way is clearly defined in the new law. The vehicle that gets into an intersection first has the right-of-way. If two vehicles get there at the same time, the one on the right has the right-of-way. In other words, if the other car is

on your right, you must let it go ahead. If the other car is on your left, it should let you go ahead.

When you are making a left turn at an intersection, you must not cut in front of other vehicles so as to create a hazard. But you may turn ahead of opposing traffic after you have signalled for your turn and let the cars by that are in, or right at, the intersection.

Observance of rural stop signs—whether on highways or county roads—has never been enforced, because the old law did not actually make it a violation to run a rural stop sign. But it's a different story under the new law. These stop signs now mean STOP. Furthermore, after stopping, you must be careful not to start up again in such a way as to interfere with other traffic, thereby creating a hazard.

Hay-wagon turns are outlawed. To make a left turn, you must start the turn from the position nearest the center of the street or road. A right turn must be made only from the lane nearest the right side of the street or road. Turns should be short, not on a wide angle such as one must make when he's driving a hay wagon with a double span of horses.

Definite signals must be given before a driver turns, slows down or stops.

Most of us will use the prescribed hand-and-arm signals. But buses and trucks will have to be equipped with electrical or mechanical signalling devices if they are built so that hand-and-arm signals cannot readily be seen. Owners of farm trucks with wide, blind bodies or narrow cabs should check up on this matter right away.

Hand-and-arm signals are given in this manner: the hand and arm are extended out and up for a right turn; straight out and pointing to the left for a left turn; and out and down toward the ground for slow or stop.

Another article next week will discuss the equipment required for cars, trucks and buses under the new law.

Bob and Bobbie Henderson left last week for Bisbee, Arizona. They will join Mrs. Lois H. Niell, Bob's mother who is visiting there.

Mr. and Mrs. F. T. McAden and Winston and Sylvia visited Sunday with friends at Mullin.

Rites For Mrs. W. M. McCary Held At May

Mrs. Gertrude Lane McCary, 61, of Route 1, May, died at 9:25 a. m., Sunday in the Chambers Memorial Hospital, May. She had been in ill health for 14 months.

A native of Paris, Mrs. McCary was born September 19, 1885. She had lived in Brown county for 12 years and was a member of the Baptist church.

Funeral services were held from the First Baptist church at May with Rev. Redfern officiating. Burial was in the May Cemetery.

Surviving are her husband, Wylie M. McCary; four sons, H. R. McCary and Calvin McCary of May, Frank W. McCary of Santa Anna and Elmer O. McCary of Vallejo, California; three daughters, Mrs. Ethel Degman of May, Mrs. Lillie Mae Robbins of Ft. Knox, Kentucky, and Mrs. Leta Gay Faulkner of Dallas; 23 grandchildren, one great grandchild, two sisters and three brothers.

Farm Bureau—

Continued from page 1
lation done in regard to rural roads.

R. S. Adian, Fish; Mike Parker, Novice; Garland Powell, Buffalo; George Cobb, Rockwood, were elected as directors in the county federation.

Jesse Lewellen, Santa Anna, was elected to assist Ben Wilson, membership chairman, in the coming membership drive, which will get under way in October.

Those attending were: Mr. and Mrs. Herman E. Jenkins, Mr. and Mrs. Hardy Parrott, S. C. Edmundson, Garland Abbey, M. D. Van Dalseun, A. B. Bullard, S. D. Wilson, Oscar Boenicke, Ed Bryson, Lee Scarborough, M. C. Switzer, Jesse Lewellen, Claude Beverly, George Cobb, W. D. Terry, Ben Wilson, Miss Doisey Edmundson, Glenda and Edward Van Dalseun and Wanda and Charles Abbey.

Plans will be formulated at the next monthly directors meeting, which will be at the home of Mr. and Mrs. Roy Jameson, September 22.

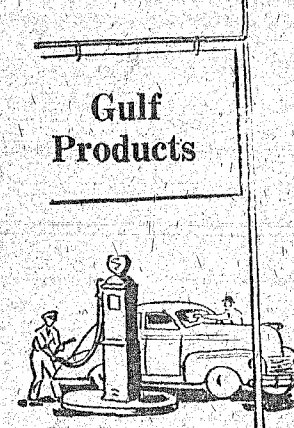

Mr. and Mrs. Paul Wilburn and Carolyn left last week for a two week vacation visit with their relatives at Eutaw, Alabama.

Trickham News
(By Mrs. Beula Kingston)

We are all rejoicing over the half inch of rain received last Saturday afternoon. The weather is cooler and dust not blowing so much.

Let's not forget that our revival meeting is to begin here Friday night with Rev. Chester Wilkerson doing the preaching, and if all of you feel as I do, we certainly do need a revival. If we Christians can get revived, it won't be hard to get sinners to come to the Lord. Work on the church is almost completed on the inside and will be ready to hold the meeting in. But there is quite a lot of outside work to be done yet. The front porch is needed so much to keep the rain from blowing against the doors and running in on the floor. I wonder if we have done our part to help with the funds. Last night I was at a revival meeting in a nearby community and as the pastor gave the church vows to one who was

uniting with the church, he said "Do you promise to support the church?" That thought struck me. I made that promise years ago and am I true to my vows? How do you feel about your pledge?

A group of men and women worked all day Thursday cleaning up the old church ground, re-varnishing the old furniture, washing windows, etc. Today, Monday, they are out there again, working like a swarm of bees. The road grader will level off the ground all around the church building and I believe if going to really look nice out there. If you should drive by, stop and go in and take a look at the building. I wasn't able to give much but when we do what we can it makes us feel good.

Mrs. C. F. Shield returned home Sunday after being away three weeks for treatment. She seems to think maybe she is some better and is so glad to get home. Her daughter, Mr. and Mrs. Raeburn Cawdle, Lanna Lee and Herbert brought her home. Sorry to hear that Mrs. Pearl Ford of Brownwood got hurt in some way while riding in a taxi some two weeks ago and is having to go on crutches.

Mrs. May Rutherford, who was doing so nicely last week from a major operation, took a turn for the worse Friday night. Her children were alarmed over her condition but today, Monday, she seems to be much better.

I have just heard that Mrs. John (Emma) Wells has been sick. Not dangerous, we hope, taken to the hospital and is very Mrs. Hattie Loving spent last Wednesday with Mrs. Kingston and enjoyed the meeting up with old friends out at the church.

working Thursday. Her health is not so good and her eyes are failing so that she can't see to read her letters any more. Yet she enjoys life and loves to meet her friends. She returned to her home at Round Rock Sunday.

Mrs. Zona Stacy was surprised when her children came in Sunday afternoon. Mrs. Tom Babbley and daughters, Tomi and Tricia, of Brownwood, Mr. and Mrs. Noah Stacy of Santa Anna, Joe Stacy and family of Brooksmith and Marian Ford's family.

Several from here have been attending the revival meeting at Mt. View.

Miss Myrtle Beaird of San Angelo is here visiting with Mr. and Mrs. Wiley McClatchy and other friends of the yesterdays.

Mr. and Mrs. Luther Weathers of Fresno, California, are here today visiting Mrs. Shields, Oscar and Mary, Mrs. Laughlin and Minnie, Mr. and Mrs. R. S. Stearns and others. They spent the night with Mr. and Mrs. Etoile Cozart. Would you believe it? They are now grandparents. Luther has not been here in 12 years and the top of his head shows the years are telling on him.

I got mixed up in my news last week and did not mention about Mr. and Mrs. Curtis' grandson, born to Mr. and Mrs. Eugene Talley on the 12th.

Mr. and Mrs. Hallie Stearns are the proud parents of an 8½ pound son, Harlie Willard.

Rumors are that we are to have another wedding here this week but I had better wait a while before I tell who it is.

Mr. Veal's singing school started here this afternoon with 24 pupils enrolled.

Mr. Izzie Proler of Houston

spent the week-end here with his wife and son, who have been here with her mother and grandmother for the past 10 days.

We hear that Mr. and Mrs. Walter Sharp have leased their place to Mr. Albert Dean and sons and will move to Santa Anna. As you know, Mr. Sharp is in very ill health.

Mrs. Ben McIver was taken to see a doctor today. Sorry to hear she isn't so well of late.

Mr. and Mrs. O. J. Martin spent Sunday with their daughter, Mrs. Jack Dockery and family.

Mr. and Mrs. Joe Standlee of Brownwood were bedtime visitors with her brother, Key Bradley and family, Friday night. Winona and Wilma went home with them and spent the night there.

The Joe Brown family, who have lived on the Taylor ranch for the past two years, are moving to Monahans. They and Mr.

and Mrs. Sam Craig were supper guests of the Key Bradleys Sunday night.

Mr. C. A. Thompson and his sister, Mrs. Pearl Purl, spent Friday in Santa Anna with their aunt, Mrs. S. P. Wilbourn and daughters, Miss Pearl Wilbourn and Mrs. Eula Weaver.

Mrs. Lewis Burney visited Mrs. Kingston Sunday afternoon.

Fred Hayes and family report a very nice trip while they were away, going first to visit his brother, George. Later they went to Galveston and Texas City, going through the capital at Austin, San Jacinto Monument, Buchanan Dam and then back to visit her parents,

Mr. and Mrs. Carroll Bowden of Cherokee.

Mr. and Mrs. Bob Sullivan returned home Sunday after spending their vacation here with Del Ray while her parents were away on their trip to Cooper.

Buck Mitchell and Chleo James and families report a wonderful time on their vacation trip.

Mr. and Mrs. John McClatchy of Coleman spent Tuesday and Wednesday with their daughter, Mr. and Mrs. O. J. Martin.

Miss Delma Martin has returned from Seattle and is now here for a few days with her parents. (Continued on page 5)

Will you be the GOAT —ten years from now?

Why should you be the goat, and risk your present and future reputation, when it's a demonstrated fact that unless new homes are wired for ELECTRIC RANGES they're not modern now and will be even farther behind the times ten years from now. Survey after survey proves that!

Protect your reputation by building houses that are truly modern. Avoid kick-backs by including wiring for an Electric Range.

An Electric Range requires only: 3-wire service from point of cut-in to the distribution panel; a minimum of two No. 6 wires and one No. 8 wire; a 60-amp. switch with overload protection and a 3-wire circuit from the distribution panel to the range outlet in the kitchen. Make this your minimum wiring specification.

TO KEEP THEM MODERN . . .

wire your houses

Dublin, Texas, Ticket Chmn.

Thavis L. Lowe and wife of Brownfield, his two daughters, Mrs. Oran Elmore, Abilene and Mrs. Zora Moore of Dallas and Virginia Moore visited Monday in the home of his sister, Mrs. Kit Casey.

James England left on last Thursday for Abilene, where he enlisted in the U. S. Navy. He passed the Combat Air Crew examination and was sent to San Diego, Cal., where he will receive his primary training.

Mrs. L. P. Jennings, Jr., left for her home in Delano, Cal., last week after visiting here with her parents, Mr. and Mrs. George England and with his parents, Mr. and Mrs. Leonard Jennings in the Cleveland community.

Telegram Service Added To Regular Telephone Service

Elsewhere in this issue of the News is an announcement that the Santa Anna Telephone Company will accept Western Union Telegrams in the hours that the regular office at the depot is closed.

This will be a big help when it becomes necessary to send a telegram at night or on Sunday. Heretofore, it has been necessary to drive to Coleman or to Brownwood when the office here was closed. Beginning September 1 all you have to do is call 500 and the telegram will be charged to your telephone bill.

Trickham News

(continued from page four) rents and says she had a wonderful trip.

Mr. and Mrs. Jake Walters of O'Donnell visited with Mr. and Mrs. Glenn Haynes and Nancy Jo one day last week.

Mrs. Inez Miller of Coleman, Miss Myrtle Beard of San Angelo and Mrs. Ethel Johnson visited Mrs. C. F. Shield Monday afternoon.

Rockwood News

(Mrs. Ray Caldwell)

We have had showers that cooled the air and settled the dust, but we are in need of a general rain.

Mr. and Mrs. John Straughan of Houston spent the week-end here with his parents, Mr. and Mrs. R. H. Straughan and his brothers, Clifton and Harold and their families.

Mrs. Claud Box is visiting in Lubbock with her sister and her family, Mr. and Mrs. Garnett Reeves. The Reeves are the proud parents of a baby son.

Mr. and Mrs. Cummins Arnold of Lubbock are visiting her parents, Mr. and Mrs. A. L. King and grandparents, Mr. and Mrs. J. C. King and his sister, Mr. and Mrs. Marcus Johnson and boys.

Mr. and Mrs. Denver Ellis of Dallas visited here over the week-end with relatives.

Mrs. Lon Gray has returned home after a visit with her sister, Mrs. Irene Routh and family in Temple.

Mrs. Robert Russ and children of Coleman spent several days here last week with her grandmother, Mrs. Box, who is confined to her bed following a spider bite.

The sons and daughters of Mrs. J. W. Wise honored her on her birthday with a picnic lunch on the river on her son, Oren's, place. I do not have the complete details of this enjoyable affair.

Mr. and Mrs. Lee Miller had as their guests this week-end her daughter, Mr. and Mrs. Selke of Big Spring and her sister and husband. I failed to get their names or where they are from.

Mr. and Mrs. Dick Fondreu had as their guests Sunday evening Mr. and Mrs. O. O. Chaffin and Anita of Waldrip, Mrs. Claud

Box, Mrs. Ray Caldwell and Rev. R. V. Cotten.

Mrs. Ray Caldwell visited in Brownwood this past week-end with her niece, Mr. and Mrs. L. L. Stubblefield and baby.

Mrs. Wm. Ashmore and Aunt Rosa, Mrs. J. D. Ashmore and Mrs. Edgar Spencer and two children of Eldorado are visiting here. They spent Tuesday with Mr. and Mrs. R. L. Steward.

Mr. and Mrs. Sam Grant and boys have returned home after a visit in Cooper with relatives.

Mr. and Mrs. Uless Maness attended the funeral services of their nephew, Silas Drake at Brownwood last Wednesday.

Mrs. Ray Caldwell, Mrs. Claud Box, Mrs. A. S. Hall, Mr. and Mrs. Jack Cooper and Jim Steward attended the funeral of Mrs. Jeff Bratton at Waldrip Friday afternoon of last week.

Please hand your news to me so it will be more specific and interesting. I am trying to get a telephone so it will be more convenient for each of you.

Mrs. R. W. Douglas returned last week from a visit with relatives at Hillsboro.

Mr. and Mrs. Luther McCrary and her parents, Mr. and Mrs. Ed Gilbert visited over the week-end with relatives at Lubbock.

Mrs. J. R. Banister and Grady went to Rock Springs and Barsdale last week. Grady went on to the Rio Grande to fish and Mrs. Banister visited with Mr. and Mrs. Enoch Bruce.

Mr. and Mrs. Jesse Wellen and Virginia made a business trip to Austin last week.

Work Is Good

LESSON TEXT FOR AUGUST 31—Proverbs 6:6-11; 13:9; 24:30-32; Ecclesiastes 5:12.

MEMORY SELECTION—Whosoever thy hand findeth to do, do it with thy might.—Ecclesiastes 9:10.

EDITORS NOTE: Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education, used by permission.

By WILLIAM CULBERTSON, D. D., Of The Moody Bible Institute, Chicago.

WISE indeed is that legislator who understands that there are two extremes to be avoided in dealing with the problems of the working man. The one extreme is that heartless, cruel exploitation of labor which grinds men to powder, which deals with individuals as chattel. The other extreme is to provide such an amount of free time for the individual that both his personal life and economic prosperity are in danger.

Work is good. It is well to keep in mind that before the fall man was commanded to tend the garden. Perhaps to some of us that command is not a command to work, because the evidences of sin in a cursed creation were not present!

Life without purpose, life without activity for good, would be vain and actually intolerable.

I. An Illustration of Prudence and a Warning Against Indolence (Prov. 6:6-11; 13:9).

THE illustration from the creature world is apt. Ants, as this scripture states, have no overseer, and yet they are diligent in providing for the time of need.

It would seem as though they are constantly active in caring for present and future needs. In Palestine, where they may be active throughout the year, there is still the need of stored provisions for the rainy season, and so it is true that the ant gathers food in the harvest for future need.

Anyone who is tempted to be indolent would be wise to consider the ways of the ant, and to manifest as much concern for present and future needs.

The sluggard is described as one asleep, as one who is never satisfied, but constantly wants more slumber. Such folding of the hands, such indolence, brings poverty, and that poverty comes as a robber.

Indolence is not mere passivity. The man who fails to work is not guilty of omitting to do what he should do, but he is actually a robber of society. There is an active element involved in indolence; not only has the man failed to contribute, but, in addition, the good that he might have done has remained undone. The sluggard is therefore a brother to the destroyer (Prov. 18:9).

II. An Illustration of Indolence and a Lesson in Prudence (Prov. 24:30-32).

IT IS striking that the Word of God presents the ant as the illustration of prudence, but when it comes to an illustration of indolence it directs our attention to man.

The illustration is that of the man who is lazy, who is void of understanding. The Preacher visits him. Going to his field and vineyard, he finds it grown over with thorns, covered with vetches, and the stone wall broken down.

Instead of citing the particular lessons learned, the Preacher simply observes that he looked on, thought deeply, and received instruction. Perhaps the best antidote to laziness is to see it in its inaction. The squalid conditions, the inability to cope with emergencies that we normally see in the life of the man who wants only ease are sufficient to warn most of us against it.

Entirely apart from the dignity of labor, the homely recompense of being able to meet our own needs is the compensation of self-respect that initiative and resourcefulness bring. May we have a higher goal as we labor than merely providing for our own needs, though this is certainly important. Beyond it, of course, is the ability to help others also (cf. Eph. 4:28).

III. A God-Given Reward for Labor (Eccles. 5:12).

ONE of the great compensations of faithful labor is sleep. This passage speaks of the sleep of the laboring man as sweet. When as Christians we have fulfilled our duty, when we have given an honest day's work, the recompense of the Lord is surcease from labor.

The great stress of the Word of God is similarly on the man who

Parking—

Continued from page 1

ner of making turns and stops is designated, and uniform hand-and-arm signals are required for these maneuvers.

Following radiator-to-bumper is forbidden, and so is racing trains to crossings. Parking on a highway is outlawed except when the vehicle is out of order and can't be moved. Drivers are required to dim their lights 500 feet from an approaching vehicle at night.

Driving while under the influence of drugs is about the same as driving while drunk under the new law, even if the drugs were given by a dentist or a doctor.

One part of the law that will make it rough on deliberately dangerous drivers is the new reckless driving clause. As it is now, a man can drive recklessly without violating any specific law, such as speeding, and the officers can't do anything with him. But under this new clause the reckless driver has a special noose to stick his head into.

The code requires every vehicle to have good lights and brakes and a horn. Trucks and buses must also have mechanical signaling devices when they are so built that hand-and-arm signals can't readily be seen.

Anyone who has a highway accident must stop and identify himself, give any help that is needed, and immediately notify the nearest Highway Patrol or Sheriff's office. The driver must

also make a written report to the Department of Public Safety within 24 hours if anyone is killed or hurt or if the damage amounts to \$25 or more.

These accident reports are very important. They are confidential, and are not used to get evidence against a driver, but to help us figure out where and when and why accidents are happening, so that whatever is necessary can be done to prevent future accidents—whether the remedy be engineering, education or enforcement.

All traffic control signs and signals put up hereafter by any city or county or state highway department will have to be like those used in most other states. This is to make it so that a person driving from one city to another or from one state to another can find his way around without being confused.

These are the briefest possible highlights of the law.

Whon News

Mrs. Tom Rutherford

Mr. and Mrs. Bob Averett and children, spent last week vacationing in San Antonio and Corpus Christi and other points of interest on the coast. They reported a wonderful trip. They were accompanied by their brother and sister of Big Lake.

Mr. and Mrs. Homer Schulze are sporting a new Plymouth, which arrived Monday.

Mr. and Mrs. Buster Wynn and boys spent the week-end near Rotan with Mr. Wynn's sister, Mr. and Mrs. Gaines Smith and children.

Mr. and Mrs. Vernon Fiveash of Santa Anna were Sunday dinner guests with their parents, Mr. and Mrs. Gus Fiveash.

Mrs. Jack Haney of Santa Anna spent last week with her parents, Mr. and Mrs. George Rutherford.

Mr. Bill Rutherford left for California last week where his wife and daughter are living.

Mr. and Mrs. Buster Wallace had as dinner guests Sunday his sister and family of Concord. Also his brother, Mr. and Mrs. Lese Wallace and children.

Eveion Averett spent Sunday with Mr. and Mrs. Everett Baker and son.

Rev. Nellie Hill was called to Midland Tuesday to attend the funeral of a brother-in-law, Edgar Branham, who was injured in a car wreck late Sunday afternoon and died 36 hours later. She also visited her sister, Mrs. Ella Seals near Winters, who is seriously ill with a heart ailment.

Mr. and Mrs. Granvill Hert and children were Sunday dinner guests with Mr. and Mrs. Homer Schulze and son.

Ann Averett spent Sunday with Patsy June Rutherford. Mrs. Etolle Cozart and son returned home from Georgetown Thursday, after spending a week visiting her mother. She reported a nice time.

A large crowd enjoyed watermelon in the home of Mr. and Mrs. Buster Wallace Friday night after preaching. Saturday afternoon, Mrs. Wallace entertained the Boosters with a social hour at the church.

Mrs. Tom Rutherford and children and Sammie Shields visited Mr. and Mrs. Morgan French a short time Monday afternoon. Mr. and Mrs. Oscar Lovelady enjoyed a few minutes

Madison Square Garden Rodeo To Be Held At Dublin Next Week-End

The rodeo that has become famous as the Pre-Madison Square Garden Rodeo will begin Thursday night of next week at Dublin for four days, September 4, 5, 6 and 7th. Reports received from officials are that this year's show will be even bigger and better than in past years. Dublin is so enthusiastic over the approaching date that they have established a jail cell on their main street and are locking up any local citizens that appear without some kind of rodeo clothing or advertising on. The results are that the rodeo is receiving the full support of the citizens.

Everett Colburn, the New York arena director, announces that the cowboys, cowgirls and spectators in the home Monday morning.

Mr. and Mrs. Lige Lancaster visited Mr. and Mrs. Homer Schulze and son Sunday night.

Mrs. Mae Rutherford and daughters of Velasco and Mrs. Jack Cooper and daughters of Rockwood spent last Tuesday with Mrs. George Rutherford and daughters, Wagie and Alpha.

George Rutherford, Leon Carter and Jim Carter made a business trip to Abilene one day last week.

ality acts for his New York and Boston shows are assembling at Dublin for the Dublin rodeo before departing by special train from that city for the easter rodeos. The same stock and equipment is also used, as the Lightning C ranch is near Dublin.

An added attraction has also been scheduled, which is the appearance of the world renowned Hardin-Simmons Cowboy Band that will play for this rodeo for all three nights. This, alone will make the rodeo much better in every respect. Some 15 high school bands have also been invited to participate.

Former Governor Coke Stevenson has announced by letter that he will lead the parade and appear in the grand entry for the first day, which is Thursday.

Over 9,000 seats will be available at the same prices as last year. The parades will be held each day at 5:30 o'clock and on Sunday at 12:30. The big show starts each night at 8:00 o'clock and at 2:00 on Sunday afternoon.

Those from this section who have seen this outstanding rodeo state that it is the best one of them all.

State Dept. Of Health Letter

From a health standpoint, life after forty generally begins to be more complicated for the average individual, than it was in his earlier years. According to Dr. Geo. W. Cox, State Health Officer, the principal health foes confronting people in middle life are heart disease, cancer, kidney disease, high blood pressure, hardening of the arteries, apoplexy, diabetes and arthritis.

Middle aged people of today are healthier than were those of preceding generations, and the present generation, when they reach middle age, should enjoy even better health than their parents of today.

"Medical care in middle life has two important phases," Dr. Cox asserts. "The first is going to the doctor at regular intervals for a complete checkup, whether or not there have been symptoms that suggest the need for medical attention. The second is prompt attention to any illness, since this may mean the difference between complete recovery and prolonged invalidism. It is difficult to say which of these phases is the more important."

It has been found that men and women who faithfully pursue the habit of regular health examinations and who follow

'I Give You Texas' Boyce House

Ah, for the good old days! The good old days when you got up at 5 a. m. in January with the tail of your nightshirt flapping around your chilled ankles and built a fire. But first you had to shake down the stove.

For the benefit of the younger members of our audience, it should be explained that, when ashes accumulated, the stove wouldn't draw, so the stove had to be shaken down and it took so much energy that the house was almost shaken down, too.

Then came the task of setting fire to paper and shavings and kindling and coaxing a chunk of wood to burn. Of course there was a quicker way: a teacupful of kerosene could be used but this had a way of blowing the user through the roof.

Ah, the good old days! Did you ever take a bath in a wash tub? And the fireplace with the log fire — you roasted on one side and froze on the other.

But there is nothing finer than

a fireplace with a log fire, provided the fireplace is also equipped with gas.

Guess you noticed where Fred Allen, Red Skelton and Bob Hope were faded off the air when they said something that a network president didn't like. Well I'm on the air — in fact, have two programs a week, the newest one being at 12:15 noon each Tuesday over KFJZ, Ft. Worth. I wish some vice president would fade me off the air; I need the publicity. Fred, Red and Bob don't.

I noticed a sign the other day, "Dirt for sale." I suppose it is "dirt cheap." Or has inflation raiser the price there, too?

OPPORTUNITIES IN U. S. ARMY FOR NURSES

Ex-Service Nurses under 35 years of age, unmarried and with no dependents under 14 years of age, may apply for the Regular Army until September 30, 1947. And Ex-Service Nurses under 45 years of age may apply for the Reserve Corps either for active or inactive duty.

Nurses with no previous service, between the ages of 21 and 27, inclusive, unmarried, professionally and physically qualified may apply for the Reserve Corps, active or inactive duty. Upon satisfactory completion of a period of active service, application may be made for a Regular Army Commission.

The first class will report to Brooke Army Medical Center at Ft. Sam Houston, Texas in November, 1947 for eight weeks of orientation and indoctrination. Further information can be secured from Lt. Col. A. L. Short, ANC, Office of the Surgeon, Headquarters Fourth Army, Ft. Sam Houston, Texas.

Rev. and Mrs. Henry Jongema and Robert of Ulysses, Kansas, are here visiting her sisters, Mrs. T. J. McCaughan, Mrs. Charles Oakes, Mrs. Paul Van Dalsen and Miss Blanche Boyd. They are en route home from Philadelphia where they met Rev. Jongema's nephew, Stuart De Roest from Sraneken, Holland, who after visiting with them, will attend a university in New Jersey for a year.

Gouldbusk News

(Alene Menges)

I am sorry I failed to get the news in last week's paper but we received a message from Eldorado telling us that my great grandmother, Mrs. B. V. Loggins had passed away. She was buried in the Eldorado cemetery at 4:30 Monday. We didn't get home until Tuesday afternoon. Too late for the news to be published. Grandmother lived in Santa Anna many years and had lots of friends there. She also lived here several years with her daughter who was then, Mrs. W. J. Cotes. Most everyone around Gouldbusk knew her.

There is a Baptist revival meeting going on here this week with Rev. Jack Howard and Rev. Couch doing the preaching.

There have been several received rain around Busk but we are still dry near the river. We are still living in hopes.

Mr. and Mrs. John Coffee of Lubbock are visiting their parents, Mr. and Mrs. Sam Smith and Mrs. Coffee.

Guests in the William L. Livingston home Sunday were Mr. and Mrs. Sam Baker, Mr. and Mrs. Wilton Baker and Mr. and Mrs. John Coffee and family.

Visitors in the Floyd Henry home last week were Mr. and Mrs. Bill Cornelious, Miss Nora Knight, Mrs. Sam Baker, Murrel and Winston Menges of Santa Anna, Mrs. Henry's mother, Mrs. J. H. Hennesey and Grandson, Joe Edward Westhall of California.

Mr. and Mrs. Elgean Talley were guests in the Joe Burleson home Sunday.

Rev. and Mrs. J. W. Burgett and Elaine and La Juana returned home last Friday from Floydada where they had visited his parents and hers. They were present for the 50th wedding anniversary observance of Mrs. Burgett's parents, Mr. and Mrs. J. L. King, who came home with them for a visit. Mrs. Burgett's sister, Mrs. Billie Pace and husband, returning to their home in Beaumont, spent Friday night with them.

Mrs. Paul Bivins went to Denton Monday to attend graduation exercises for her niece, Miss Veta Merle Watson at N. T. S. C.

Betty Sue Todd, who has been attending N. T. S. C. at Denton came home this week and is visiting between semesters with her parents, Mr. and Mrs. Tom Todd.

Mrs. Annie See, who has been a patient and very sick in the Sealy Hospital, is able to be brought home this week.

MAYBE it's travel you want—in exotic foreign lands. Or thrilling adventure along new frontiers in electronics, aviation, medical science. Perhaps the chance to learn a useful, modern skill.

If you are 18 to 34 (17 with parents' consent) and otherwise qualified, you can get them all in the Regular Army. Yes, it's true: only 3 out of 5 applicants are good enough to make it. That means you'll serve your country with an outfit you can be proud of.

Study the pay chart below. That pay is clear. You don't pay a cent for food, lodging, clothing. Sound good? Then — get the full facts today at your nearest U. S. Army Recruiting Station.

NEW, HIGHER PAY

FOR	Starting Base Pay For Month	MONTHLY RETIREMENT INCOME AFTER:	
		20 Years' Service	30 Years' Service
Master Sergeant or First Sergeant	\$165.00	\$107.25	\$185.63
Technical Sergeant	135.00	87.75	151.88
Staff Sergeant	115.00	74.75	129.38
Sergeant	100.00	65.00	112.50
Corporal	90.00	58.50	101.25
Private First Class	80.00	52.00	90.00
Private	75.00	48.75	84.38

In addition to column one of the above: 20% increase for service overseas. 50% increase, if member of flying crew. 50% increase, up to \$50 maximum per month, if member of glider crew. \$50 per month for parachutists (not in flying-pay status) while engaged upon parachute duty. 5% increase in pay for each 3 years of service.

Weekly WAA Surplus News

More than 160 automobiles, busses, trucks and other machines at eight locations in Texas will go on high bid sale at the Grand Prairie warehouse of War Assets Administration Thursday and Friday, September 4 and 5. The vehicles consist of units in need of repair plus any remaining vehicles from a previous fixed price sale to priority buyers. Some farm tractors, trailers and construction machines also will be included in the floor bidding. World War II veterans are scheduled to buy from 9 a. m. to 4 p. m., September 4, with dealers and commercial buyers slated for the same hours on the following day. Inspection has been set from August 25 through September 2.

Schools, colleges and other public institutions will have another opportunity to acquire surplus machine tools without cost as the result of WAA's latest donation program. Lathes, reamers, magnaflux inspection units and other special purpose machines suitable for shop training and vocational education totaling 83 items have been set aside as gift items for eligible institutions who apply. A complete listing and application instructions will be furnished on request from the Priority Claimants Division, Grand Prairie Office. The program opens August 29 and closes September 20.

Six crawler type tractors, all used and some in need of repair, are being offered at fixed prices to veterans of World War II and federal agencies through the Grand Prairie office of War Assets Administration until September 15. Five of the machines are at Amarillo Army Air Field and the other is at Red River Arsenal near Texarkana. In addition, a self propelled road roller at Red River Arsenal and a crawler type ditcher at Amarillo are included in the offering.

Men's coverall suits by the thousands, combat boots by the hundreds and men's high shoes by the dozens, all located at North Camp Hood, Killeen, are for sale currently through the Grand Prairie office of WAA. There has been a heavy demand for army used clothing. These items are listed at fixed prices and may be purchased concurrently by World War II veterans and priority claimants, according to an announcement made at Grand Prairie.

Over half a million blasting caps of various kinds can be pur-

Central Colorado Soil Conservation

Sixty three miles of terrace lines were run during the six weeks period from July 1 to August 15 on cooperating farms and ranches. These lines were requested by district cooperators who wished to have a backlog of work ready for immediate construction as soon as sufficient rainfall would enable them to start. Also, 33,800 feet of diversion terraces have been run during this period. Of this amount, 28,200 feet have been constructed.

Solon Wilson has bought 500 pounds of hairy vetch for a 50 acre fall planting from W. H. (Bill) Thate. Both are in the Eureka conservation group northeast of Santa Anna.

Luther Boyd has bought hairy vetch and combine oats for a 15 acre planting. Also he has requested five miles of terrace lines to be run this week for immediate construction with his farm tractor and plow, on his ranch in the Glen Cove conservation group.

S. E. Weaver and Charley Armstrong have completed leveling a 25 acre field for irrigation in the Eureka conservation group northeast of Santa Anna.

T. N. Evans in the Buffalo conservation group north of Santa Anna has a two acre field of weeping lovegrass which is ready for seed harvest. He expects to cut the heads by hand and sack for further drying and then hand thresh the seed.

The equivalent of one five section ranch is lost each year by

erosion from the watershed of the Colorado river above San Saba. This information was released last month in a progress report of the silt load of Texas streams, published by the Texas Board of Water Engineers in cooperation with the U. S. Department of Agriculture, Soil Conservation Service. The report shows an average of 3,239 acre feet of silt is carried each year by the flood waters of the Colorado river at the testing station near San Saba. This amount of silt is lost each year from an area equal in size to approximately 18 counties. This amount of silt will cover a five section ranch to a depth of one foot. These figures do not represent the total soil loss from the fields and ranges of this watershed area as much of the silt is deposited before it reaches the testing station.

15,000 CHILDREN TO ATTEND OVERSEAS DEPENDENTS SCHOOLS

Approximately 15,000 dependents of school age will attend Army sponsored "Overseas Dependents Schools" in occupied areas during the next school term, the War Department has announced. These schools are operated on a basis to meet requirements of those states in the U. S. having the highest standards. The high school academic curriculum includes English, Science, Mathematics, Social Subjects and Languages. All schools are financed by monthly tuition charges levied against the service personnel benefitting from the schooling.

Army wives, War Department civilians on off duty time, civilians hired by contract in the U. S., and some local nationals to aid in the language course, will comprise the faculties in these schools.

SIGNAL CORPS ROTC

The first Signal Corps ROTC camp since 1942 is now in operation at Camp Wood, N. J., with 114 cadets representing 19 colleges in attendance. A training course of six weeks is scheduled.

Miss Myrtle Beard of San Angelo has been visiting lately with the Walter Holt family.

TERMINATION OF WAC RE-ENTRY PROGRAM

On September 30, 1947, the WAC re-entry program will be terminated in anticipation of the termination of the WAC in the AUS and of its integration into the Regular Army.

A critical need is still in existence for Laboratory X-Ray, Medical, Surgical Technicians, Cooks, Stenographers and Clerks-Typists. Applications from former honorably discharged WACS will be accepted up until September 30, 1947. The Local Recruiting Officer can furnish further details.

STILL WORKING AT IT

You never know where you'll run into (literally) a reckless driver, say safety experts of the National Conservation Bureau. They even point to Japan for examples.

When a noted American police official recently went to Tokio to advise the police there, the Bureau reports, he was treated to a particularly hair raising ride through the city's streets by a Japanese civilian hired to drive an Army jeep. After one incident in which three pedestrians narrowly escaped with their lives, the American official inquired about the driver's training.

He had been a kamikaze pilot was the polite reply!

Mr. and Mrs. Nye Reid and Maurine and Aline Jones of Austin visited from Friday until Sunday with their parents, Mr. and Mrs. Edd Jones. Maurine remained for a longer visit with the grandparents.

ARE YOU SUFFERING FROM PAINFUL ARTHRITIS AND RHEUMATISM?

NUE-OVO literature is free to sufferers of painful Arthritis and Rheumatism. When Your Back Hurts -

And Your Strength and Energy Is Below Par

It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.

You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes a frequent and acrid urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won countrywide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today.

DOAN'S PILLS

NATIONAL GUARD TO PARTICIPATE IN SELECTIVE TRAINING

It has been announced by the chief of the National Guard Bureau that in any future emergency the National Guard will take a leading part in the training of key personnel to staff any future selective service system needed to mobilize the manpower of the nation. Tables of organization of Guard Staffs have been expanded to include selective service section.

Mr. J. E. McClellan, who has been making his home with his daughter, Mrs. Otis Miller and family at Anson, came last week to make his home with his son, Jasper McClellan and family. The Millers are moving to College Station where he has an associate professorship at A. & M. College.

Advertising doesn't cost—it pays

Mr. Tom Bell came from California last week and visited with his brother, Will Bell and wife. It was the first time he had been here in 12 years. His children of Dallas came and visited with him and Mr. and Mrs. Bell and took their father home with them for a visit.

Mr. and Mrs. Everett Waldrum of Alpine are here on a visit until September 15 with her parents, Mr. and Mrs. Calvin Fuller. Mr. and Mrs. Waldrum made a week-end trip to San Antonio.

Mr. and Mrs. Bill Baxter and Pamela of Alva, Oklahoma came Sunday night and are visiting his parents, Mr. and Mrs. Stafford Baxter.

Mrs. Amelia Hunter and her grandson, James of Waco are visiting here with Mr. and Mrs. Dennis Kelley and with her brother, Harry Thompson in Coleman.

AMERICANISM

TYPICAL of millions of young Americans is this young fisherman . . . healthy, energetic and craving action. Whether in the sandlot, bull pen warming up for his chance to hold under control the bats of the opposing team, rounding up the herd on branding day at the ranch, or on the bank of a quiet river anxiously waiting for a "big un" to strike . . . he is young America! The blood in his veins is genuinely red. He welcomes a tattered hat and looks ambitiously for tomorrow to bring his portion of responsibility. His conception of morality is well grounded . . . he claims to be his brother's keeper. He fishes for men and his boyfriends on Sunday and takes to the river for scaley ones on week days.

HE is exactly like millions of other young Americans who had a christian home, parents who cared enough to help in planning his program . . . his life. His parents regularly took him to Sunday school. They NEVER SENT him. Don't neglect your youngster. Accompany him every Lords day to the church of your choice.

YOU IN THE CHURCH
THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old alike are showered with love, fellowship and a stronger influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. Students today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we wish our children should go to the church of our choice on Sunday. You in the Church and the Church in you. — Tom Washington

Shield News

(Mrs. J. B. Weathers)

Music was enjoyed Friday night in the home of Homer Versher by Mr. and Mrs. Clyde Versher and children, Mr. Johnnie Versher, Mr. and Mrs. Leonard Williams and children, Mr. and Mrs. Herman Gilbreth, Mr. and Mrs. J. B. Weathers, Mr. and Mrs. Otis Powers, Grady Williams, Willie Mae, Ernestine and Otis Elliott, Pauline Lowe, Mr. and Mrs. Jack Banta, Miss Rosa Evelyn Ray and Ira Newton.

Mrs. Johnnie Versher and James Donald left Thursday for a visit with their daughter and sister, Mrs. Dale Nolan and family in South Texas.

The nice showers we have been having the past few days have been appreciated by all.

Mrs. Elton Jones and Karen visited in Cisco from Thursday to Sunday with her sister who lives there.

Mr. and Mrs. J. B. Weathers visited over the week-end with relatives in Cisco. Mrs. J. M. Weathers went with them and remained for a visit of a few days.

Mrs. Hollis Watson and Mrs. Elton Jones were shopping in Brownwood Saturday.

Mr. and Mrs. J. R. Lane and children visited several days with relatives, her brother, Ben Kyle in Waco, his aunt, Mrs. Anna Cowart of Marlin, and his father, W. S. Lane of Robison.

Mr. and Mrs. Elton Jones had as their guests on Monday, her father, Mr. Charles Barton of Brownwood and a sister, Mrs. Roy Lynch and son of Cisco.

Mr. and Mrs. Green McClure, and Mrs. Ed Schrader and Edwina visited in the B. L. Murrell home at Doole on Friday afternoon.

Mr. and Mrs. Louis Newman were in San Angelo of business Friday.

Mr. and Mrs. L. T. Watson visited Friday and Saturday with her sister near Hamilton.

Mr. and Mrs. C. F. Blanton of Coleman were seeing after business and visiting here Saturday morning.

Mr. and Mrs. J. K. McClain of Big Spring visited in our community Saturday.

Mr. and Mrs. C. E. Evans, Mr. and Mrs. R. G. Evans and Jim spent Monday at Stephenville with Mrs. Evans' parents, Mr. and Mrs. Foster.

Callers in the O. E. Shelton home Sunday were Mr. and Mrs. J. W. Barton, Mrs. Bessie Stewardson, Mrs. Eva Dillingham and Richard, Mr. and Mrs. G. C. McDonald and Mrs. Virgie Arrant.

Mrs. J. W. Vance went to Floydada Friday and will return on Monday. Her mother, Mrs. Chas. Trobridge will come home with her. They will come by way of Abilene and bring Mr. Vance's mother home. She has been visiting with her niece, Mrs. Terrell Ferguson.

Mr. and Mrs. James Little and daughter of Pasadena, Cal., are visiting with Mrs. Tom Stewardson and family.

Mr. and Mrs. W. T. Stewardson and Mr. and Mrs. Carl Williams went to Ballinger Sunday afternoon.

Mr. Alvis Newton and four children and Jim Elliott of Loveland are visiting relatives here for a few days.

Mr. and Mrs. Noble Carpenter and children and Mr. and Mrs. Jesse Upchurch and son visited from Wednesday to Sunday with relatives in East Texas.

Mrs. E. L. Hornsby and Mrs. Eula Hardy visited with Mr. and Mrs. G. R. McClure Sunday afternoon.

SINGING AT TRICKHAM
There will be a singing at the Trickham church next Sunday afternoon at 2:30.

Everett Veal, who is teaching a class in singing there this week, has promised to be present with the class and assist in the singing. All others are invited, especially singers.

Visitors in the home of Mrs. R. L. Hamiter last Sunday were her daughter, Mrs. J. H. McCoy and husband of Abilene, and grandson, Grady Ball and wife and granddaughter, Mrs. Mary Roberts and brother, David Ball of Los Angeles.

Mrs. J. D. Henderson of Crosscut was visiting her mother, Mrs. S. L. Cameron here Tuesday.

Mr. and Mrs. Joe McCreary and Jimmy of Seminole visited last week-end here with his parents, Mr. and Mrs. Sam McCrary.

Helen L. Payne Edwin L. Hunter Married Sunday

A wedding of much interest here took place in a beautiful setting when on Sunday morning, August 24, at 8 o'clock, Helen Lillis Payne, daughter of Mr. and Mrs. F. Z. Payne, became the bride of Edwin Lamar Hunter, son of Mr. and Mrs. Lee Hunter at the home of the bride's parents.

Rev. S. R. Smith read the double ring ceremony before the fireplace before which was a screen of evergreens, fern and white asters. At ends of the mantel were crystal bowls of the fern and asters. White candles in candelabra flanked the arrangement on either side.

Preceding the ceremony, Mrs. I. L. Bowen of Ft. Sumner, N. M., and Doris Belle Turner lighted the candles. Helen Joy Boren of Denton played the piano accompaniment when Mrs. A. D. Hunter sang the "Wedding Prayer" and Nina Beth Watkins sang "Always" and also the Wedding March.

The bride, who was given in marriage by her father, wore a dress of white crepe, the new longer street length, which had a sweetheart neckline. She wore a fingertip veil, with seed pearls adorning the front of the crown and white carnations surrounding. She carried a white Bible topped with white carnations and showers of blue aster buds. The Bible, given her by her grandmother, Mrs. E. A. Boren, in 1942 when she was a grand officer in the Rainbow Girls of Arizona, was carried on a handkerchief that was used by the groom's mother and grandmother at her weddings.

The bride wore a bracelet that had been given to her grandmother in 1880 and a brooch that had belonged to the groom's grandmother.

The couple were attended by Miss Mary Mills as bridesmaid and Zeb Payne as best man. Miss Mills wore a street dress of pink crepe and a corsage of white gladiolus. The bride's mother wore an ashes of roses crepe, and the groom's mother was dressed in black satin backed crepe and both wore white glad-

lola corsages. Following the ceremony, the three tiered white wedding cake, topped with a miniature bride and groom (these were dolls the bride had played with as a child) after the bride had cut the first slice, was served by Mrs. I. J. Boren with coffee poured by Mrs. I. V. Boren.

When the rice showered couple left on a honeymoon trip to San Antonio the bride was wearing a bottlegreen suit of wool gabardine with brown accessories.

The couple will make their home in Austin where both will resume their studies at the University of T.

Persons from out of town here for the wedding were: Mr. and Mrs. I. L. Boren and son of Ft. Sumner, N. M., Mr. and Mrs. I. V. Boren and Helen Joy, Joyce Hunter and Milton Buse of Denton; Louise Scott, Wylie, Texas; Harold Watkins of Lavon; Nina Beth Watkins of Houston, who has been spending the summer with the Paynes and has returned home; Mr. and Mrs. Brownlee Hunter of Austin, Mr. E. L. Brown of Goodlett and Mr. and Mrs. W. R. Boyls of Coleman.

Irma Barton, Weldon Spence Wed In Calif.

In the chapel of the Country Church in Hollywood, August 20, Irma Barton became the bride of Weldon Spence of Van Nuys, California.

The double ring ceremony was witnessed by members of both families. Palms and candelabra were used in decoration.

For her wedding the bride wore a suit of tan with a corsage of white orchids.

Following the wedding a reception was held at the home of the bride's mother, where giant asters, roses and chrysanthemums were used in decoration. The three-tiered wedding cake was served with ice cream and punch.

Immediately following the reception the newly-weds left on a honeymoon trip to the high Sierras. Upon returning they will make their home in Burdick, Cal.

The groom is well known in this vicinity, being a graduate of the 1935 class of Santa Anna High School.

He was a sergeant in the U. S. Air Forces, is a survivor of the Death March and for 3½ years was a prisoner of the Japs. He is a grandson of Mrs. W. A. Featherstone of Trickham and Mrs. C. A. Kilmer of Santa Anna.

T. E. L. Class Has Social

The T. E. L. Class of the Baptist Sunday School had a very enjoyable all day meeting Monday in the home of Mrs. Wesley Evans. The meeting combined business and social features. A bountiful covered dish luncheon was served at the noon hour.

Those attending besides the hostess were Mrs. S. R. Smith, Mrs. Carl Ashmore, Mrs. Callie Gray, Mrs. W. E. Ferguson, Mrs. Edd Moore, Mrs. John Brown, Mrs. Ola Niell, Mrs. W. S. Stacy, Mrs. Louis Newman, Mrs. George Wells, Mrs. Clarence Gray, Mrs. W. B. Sparkman and Mrs. W. B. Newman.

Mary Circle Has Book Study

The Mary Circle of the First Baptist church met Monday afternoon at 4 o'clock in the home of Mrs. J. C. Lovelady to study the book "America Must Be Christian."

Ten members were present. After the study period, members discussed plans for a picnic supper next Monday afternoon, September 1, following the regular Royal Service program. All members of the W. M. S. are urged to make plans to attend this outing.

At the close of the meeting, Miss Alta Lovelady, hostess, served a refreshing grape punch to Mesdames Ola Niell, A. B. Parker, S. R. Smith, Seth Risinger, J. L. Boggus, R. W. Douglas, Jess Howard, A. Holman, and J. C. Lovelady.

Tommy Bailey returned last week from a visit of several days with his grandparents, Mr and Mrs. A. P. Bailey and other relatives at Eldorado. Tommy and his grandfather and two other men went on a fishing trip near Del Rio and plenty of fish were caught, Tommy catching more than the others.

A Reminder To Consumers

"Read directions before using" is an old rule — often neglected — for getting your money's worth in service and satisfaction from any new household equipment, reminds Miss Jo Garland, our county home demonstration agent.

A few minutes of reading every word in print that comes with a new article, large or small, is well worth the homemaker's time and may save costly repairs and poor service.

The printed advice is part of what you pay for when you buy the article, for the manufacturers go to much trouble to print advice on the proper care and use of their products.

Here's another reminder — after reading all labels, cards of booklets that come with any new equipment, put away in a safe place, with a record of the purchase date, price, store, manufacturer, etc. (And don't forget where you put the information).

Bonnie and Cleo Rushing visited with relatives last week in Kerrville, returning home Sunday.

ITINERARY OF COUNTY HOME DEM. AGENT MARY JO GARLAND

Aug. 29 to Sept. 6
Friday, August 29 — Meeting of 4-H leaders and Club presidents to plan next year's work.
Saturday, August 30 — Office, Monthly reports.
Monday, September 1 to Saturday, September 6 — Agent will be at College Station attending the Agents Conference and 4-H Round-Up. The office will be open and any information or bulletins may be secured from the secretary, Miss Cleo Thompson.

Garden Club To Begin 1947-48 Year With Breakfast

The Mountain City Garden Club will begin their 1947-48 year with a breakfast at 9 a. m. Friday with Mrs. J. R. Gipson as hostess. All members are urged to attend.

Officers for the coming year are Mrs. A. D. Donham, Jr., president; Mrs. Rex Golston, vice president; Mrs. Hardy Blue, secretary-treasurer, and Mrs. J. R. Gipson, librarian.

Standing committees are: program, Mrs. S. R. Smith, chairman, Mrs. Chap Eeds, Mrs. Maggie Culver and Mrs. Sam Collier; civic, Mrs. J. R. Banister, chairman, Mrs. R. C. Gay and Mrs. Frank Crum; exhibit, Mrs. Neal Oakes, chairman, Mrs. T. M. Hayes, Jr., Mrs. F. Z. Payne and Mrs. R. R. Lovelady; social, Mrs. M. D. Pinkerton, chairman, Mrs. T. K. Martin, Mrs. O. A. Etheredge and Mrs. J. C. Mathews.

BACK TO SCHOOL

WITH CLEAN CLOTHES!

Yes, right now is THE time to gather up all the school clothes and have them dry cleaned. Get your bundle of clothes together, bring them by, and we'll complete the job, and send your children back to school in CLEAN clothes!

Get Them To Us Now . . . So We'll Have The Proper Time To Do A Better Cleaning Job!
