LIONS CLUB NEGRO MINSTREL

The members of the Santa Anna Lions Club are going to put on a Negro Minstrel Monday and Tuesday night of this week. They are doing this in order to raise money to help put the Livestock Show Barn over.

A Negro Minstrel is something new to Santa Anna. So far as I know this is the first one to ever be put on here, but a number of them have been put on at different places over the state, it seems that it is one of the best forms of entertainment available.

The show is composed of home talent and here you will see some talent you never dreamed existed in Santa Anna.

The Santa Anna Lions Club is always doing something for the betterment of Santa Anna and Coleman County. The things they have done in the last few years would be too numerous to mention here. Each project takes money to get it completed and they are always offering some kind of entertainment, rather than go around and ask for donations.

This should show you that the Lions Club is really for the growth and progress of Santa Anna. The Club is not only composed of just the business men of the town, but has a lot of members who are farmers and ranchers and professional men who are also interested in the welfare of Santa Anna. Now would be a good time to show that you are also interested in the welfare of Santa Anna by attending this Lions Club Negro Minstrel.

SPRING CLEAN-UP

This week is set aside by the governor of the State of Texas as Spring Clean-Up Week. However there are a number of towns around us that are planning to have theirs a week later, but so far as this writer knows, no date has been set for ours.

It has been an annual affair that we have a spring clean-up and so far as I can see, this year should not be an exception. In fact, as dry as it seems things are going to be, this year, it seem to me to be all the more reason to clean up our town even better than ever. All fire hazards should be removed and all trash should be piled up and disposed of.

The Spring Clean-Up Drive here is usually sponsored by the Chamber of Commerce in cooperation with the city, and I am fairly sure that dates will be set for this affair within the near future.

SOFTBALL SEASON

With the approach of summer we should begin thinking of some kinds of recreation. Usually we have several softball teams to play here during the summer months. This writer has not been notified of any intentions to get a ball league of any kind other than a hard ball league, which will have only one team from this area. All of our neighboring towns are making preparations now for their softball leagues, and other forms of recreation.

OUR APPRECIATION

We appreciate the way in which most of you have turned in your news items and club meetings early this week. This is quite early in the week and as yet I can't say what kind of a paper this will be, but with your help and cooperation I think we can put out the kind of paper you want and will enjoy.

Being short a hand, which is the linotype operator, makes it hard for us to get out the kind of paper we want to, but due to conditions being as they are we are going to try to give you a

Anti-Tank Co. Receives Federal Recognition

The Anti-Tank Co. of 142nd Infantry received their federal recognition, Tuesday evening, April 6th, 1948 by the Inspecting Officer, Colonel Brant of the Inspector General's Department of the 4th Army Headquarters. The Armory, which is still being repaired passed all Federal requirements, although it will be some time before the building is completed. Fifteen enlisted men and two officers were also recognized as Charter Members of the organization.

The full strength of the unit is five officers and seventy-six enlisted men. This organization offers an excellent opportunity for men that are qualified for or want to make tank drivers, tank mechanics, automotive mechanics, radio operators, radio repairmen, linesmen, cannoneers, truck drivers, switchboard operators, gunners, inst. and recon men, cooks, clerks and non-commissioned officers. The organization is ready to enlist men now.

All interested parties, between the ages of 17 and 36, may contact Capt. Jesse K. Barton. Men over 36 years of age may enlist if they have had at least one year prior service for each year over age.

A regular drill will be held each Wednesday evening at 8:00 P. M. every week.

W. A. Johnson Seeks office of District Attorney

W. A. Johnson

W. A. Johnson, reared on a farm near Trumbull, in Ellis County, Texas, educated at Ferris Institute and Trinity University, the father of four sons and one daughter, twenty-one years in the practice of law in the City of San Angelo, and now serving his third term as County Attorney of Tom Green County, Texas, seeks election to the office of District Attorney of 119th Judicial District of Texas, embracing Coleman, Concho, Runnels and Tom Green counties.

Mr. Johnson, in submitting his candidacy for this office, makes the following statement:

"An elective office is a sacred public trust. It is a covenant between such official and the citizenry that he will do the will of the people as expressed by them in Legislative enactments.

I believe that my experience on both sides of the docket has

paper that you will appreciate. Again we ask each of you to get us the information concerning your visitors and club meetings as early as possible. The earlier we get them, the more of them we can get in the paper, and we want to get them all in.

If some of the club reports are not in the paper you will know that they were not turned in to us in time to get them in. We are all having to double up on our work and then we will not be able to get it all completed, but with your help in getting all news in early it will give us a much better chance to get you the paper on time.

PROCLAIMS CANCER CONTROL MONTH

Governor Beauford Jester is shown here as he signed a proclamation in behalf of The American Cancer Society, Texas Division, setting as to the month of April as Cancer Control Month. He called upon Texans to "support fully The American Cancer Society's program of research, education, and service." Shown with Governor Jester, left to right, are Frank C. Smith, Houston, president of the Texas Division; Will Mann, Richardson, III, Austin, Travis County chairman for the April campaign; Col. Ike Ashburn, Austin, District Vice Chairman of the Society; and Dr. John D. Weaver, Austin, member of the Society's executive committee.

April Proclaimed Cancer Control Month By Jester

Calling for an expansion of cancer education, research and service in Texas, Governor Beauford Jester proclaimed April Cancer Control Month in the state.

He requested that Texans support "fully the American Cancer Society's program," and detailed that program in Texas.

"Lives are being saved through the American Cancer Society's program of cancer control," the governor said. The society is the recognized organization of our state primarily devoted to these essentials," he added.

April is set by an Act of Congress as Cancer Control Month, and President Truman also has called for public support. The Texas Division campaign coincides with that in other states.

given no such grounding in the fundamentals of the Criminal Law, as well as a technique in its presentation in the trial of cases that I shall be able to represent the people in such a manner, I trust as to reflect credit on the office, and will be most conclusive to an orderly society.

My duties as County Attorney of Tom Green County will necessitate my spending most of my time in performing the duties of the office. It will be impossible for me to see each of you in the four counties, but I shall endeavor to see as many of you as possible, and ask all of you to make inquiries concerning my fitness for this office and shall be very grateful for your support and assistance in my campaign for election.

CORRECTIONS

We wish to apologize and correct two items which appeared in the News last week, April 2.

In the story concerning the gift tea honoring Mrs. Luke Pricer (Glynda Myrl Goyer) 30 guests were reported registering at the tea, instead of 130.

A technical error occurred in the write-up of a "42" party in the home of Mrs. A. E. Campbell on March 26. The occasion was her birthday which was not mentioned, and her children were acting hosts and hostesses.

Mr. and Mrs. Tommie Cockrell and son of Racine, Wisconsin came last week for a visit with his sister Mrs. F. T. McAden. On Sunday the two families visited their sister Mrs. Helen Young at Milsap. The Cockrells left Monday for a visit with his mother at Hebronville.

Negro Minstrel To Be Presented Monday & Tuesday

The much-talked about Lions Club Negro Minstrel will be held at the High School Auditorium Monday and Tuesday nights of next week. The cast is composed of about 60 people and it promised to be the best show put on in Santa Anna in a long time.

The members of the cast have really been practicing long and hard hours to get the show ready. They are now prepared to give you about two hours of the best entertainment you have witnessed.

The program is under the direction of Mrs. E. D. McDonald, and Bruce Snodgrass is the General Chairman. Almost every member of the Lions Club will have some part in the show. A very large crowd is expected to attend both showings.

Tickets are still on sale by members of the Lions Club. The Club has been divided into two teams with George Johnson heading one team and O. L. Cheaney heading the other. The sides selling the least amount of tickets will be served water and hamburgers at one of the regular meetings of the Club while the other team will have some special dinner.

Proceeds derived from this Negro Minstrel will go toward completing the Livestock Show Barn in Santa Anna.

If you do not have your ticket yet, you can get them from any member of the Lions Club. The prices are Adults 50c and children 25c.

Be sure and remember the dates, Monday night, April 12 and Tuesday night, April 13.

Investments For Livestock Barn Reach \$2721.62

Both sections of the Livestock Show Barn have arrived and are now on their cement foundation. Several other investments have been received this week, but the needed amount has not yet been reached. \$3500. was the estimate cost of the building. To date there has been \$2721.62 invested in the barn, with 5 persons and businesses being added this week.

The list to date is as follows:
S. A. National Bank \$100.00
W. T. Stewardson 50.00
Lester Newman 25.00
Emzy L. Brown 50.00

Water Situation Is Still In Critical Condition

Reports from the city officials this week indicate that our water situation is still in a very critical condition, but if all water users will help conserve what water we have, there is enough to get through the summer months.

Early last summer the city commission drilled three water wells just east of the town. Two of these wells have been pumped almost continually since that time. Naturally after the pressure head was pumped off the wells the production dropped a little, but apparently not enough to hurt.

According to Ray Morgan, city engineer, if we did not have these wells, we would have been completely out of water about 6 months ago. That would necessitate bringing the water in by rail.

Our neighboring city of Coleman has been having to haul all their water by rail for about a year now. Just to show you what we would have to pay for water under the same conditions as Coleman has, let's take a few examples. For instance, one cafe in Santa Anna used 27,125 gallons of water per month for a period of 4 months. This amount of water hauled by rail would have cost \$408 per month. The actual cost of the water here was \$5.80 per month. Another cafe used 20,000 gallons per month for the same 4 months period. If hauled by rail, the water would have cost \$300 per month. Under our rates it was \$4.75 per month.

One of our laundries used 50,000 gallons per month for the same period. This would have cost \$68.50 if hauled by rail but under our rate it was only \$10.00.

One service station used an average of 13,250 gallons per month over the same 4 months period. By rail this would have cost \$19.87 per month, under the actual rates it cost \$3.75 per month.

Another big saving to the citizens of Santa Anna is the fact that we have been able to maintain the same Key Rate for Fire Insurance. The Fire Insurance Commission is very strict concerning the Key Rate for Fire Insurance. This is a saving of hundreds of dollars to all.

It is the belief of the city officials that when the third well is put into operation, we will have enough water to carry us through the summer. If the need arises for the fourth well to be put into operation, that can be done also. However it will have to be drilled.

By the above figures you can see for your self that these wells have paid for themselves in saving to the customers, several times. We can also see that we don't want to have to pay for water that is being hauled.

It would cost the city at least \$5,000. to get ready to ship water, if we could get the cars to ship it with, and the cars are not available. The railway company does not have the cars to ship water with.

Let's all give this water situation some very serious consideration, before we go to using an unnecessary amount of water. If all water users will cooperate with our city officials, we will have enough water to get through the summer. If we don't restrict our water uses, we may not have any water to restrict. Again, let's use just as little water as we can get by on.

Mrs. Lorena Conley has gone to Lubbock to make her home and to be with her sons Dave and Billy Ray who have employment there.

The Santa Anna Lions Club celebrated its 23rd anniversary at the regular luncheon at noon, Tuesday of this week. The Club met in their regular meeting place in the club room of the Service Cafe and were served a real birthday dinner consisting of fried chicken, cream gravy, shoe string potatoes, hot rolls, salad and coffee or milk. A huge birthday cake was presented to the Lions President, W. R. Mulroy, with 23 candles burning on it. The Lions President blew all the candles out in one big blow.

When the Santa Anna Lions Club was organized on April 10, 1925 there were 44 Charter members. The late Dr. C. Johnson served as president of the Club until July, 1927. At that time the Club has a membership of 28, nine of which were charter members. George M. Johnson, Mayor, is the only member who has continued his membership for the 23 years. Other members of the Club who are charter members, but who have dropped out at some time and rejoined are Lions Ford Barnes, Lemar Brown, Sam Collier, E. O. Garrett, J. J. Gregg, J. W. Parker, Arthur Turner and F. C. Woodward.

The Club has had 22 presidents, all of whom served from July of one year until July of the next year, except for the first one, D. J. Johnson, who served from April, 1925 until 1927. The other presidents in order they served are: G. W. Faulkner, F. P. Bond, J. C. Scarborough, W. Ford Barnes, R. R. Lovelady, W. E. Baxter, C. A. Walker, George M. Johnson, J. T. Garrett, M. A. Edwards, A. D. Pettit, D. E. Pleroff, F. C. Woodward, Herman Spector, O. L. Cheaney, Roy Reid, D. D. Byrne, W. B. Griffin, Neal Oakes, Rex, Golston and the president now, W. R. Mulroy.

The primary purpose of the Lions Club is to help the needy and at the same time work toward the betterment of our city. Each year the Lions Club sends Christmas gifts to all needy families in our area and so that underprivileged children have glasses if they need them. At this time they are in the midst of putting on a Negro Minstrel to raise money for the Livestock Show Barn.

The managers of the Service Cafe have purchased frames for pictures of all the past presidents and have already obtained 6 of their pictures.

Several of the other pictures are expected to be in their place within the near future.

The officers for the coming year are in the process of being elected now. Due to the lack of time all of the voting could not be taken care of at one meeting, but it is expected that it will be finished at the next regular meeting.

Two visitors, Pete Cook, district scout executive of Coleman and Ted Stewardson, were in attendance.

Enumerate Your Child Now

If your child will start to school for the first time in September you are urged to phone 12 or drop a card to R. K. Green, Santa Anna Schools. Each child that is enumerated is worth fifty-five dollars to the school district and the school needs the money.

MISS LENA BOYD RETURNING HOME

Miss Lena Boyd, who for many years has served as a missionary in India, is enroute home. She sailed from Bombay, India on the 18th of March, by way of Australia, Hong Kong, Yokohama and San Francisco. She expects to reach home by May. She was vaccinated against cholera and small pox before leaving India.

Change In Whon Revival Meeting

A change in dates and preachers is announced this week by Rev. Nellie A. Hill, pastor of the Whon Church of the Nazarene, as to the revival meeting to be held at the Whon Church. The revival will begin Wednesday night, April 11 and continue through April 25. Rev. and Mrs. Mack Horn will be the special workers. Horn is a good preacher and both are very good singers. You are cordially invited to come and hear them. Mrs. Hill states she is sorry Rev. and Mrs. Cagle could not come as first announced, but the services will be as good with the other preacher.

Mr. and Mrs. John McElhan of Rockwood were shopping in Santa Anna Saturday.

Band Makes Good Showing At Abilene Meet

In the District Band Contest at Abilene last Friday, the Santa Anna Band made a good showing, in spite of two factors that hampered their best performance.

They rated 3 on concert playing, 3 on sight reading and 2 on marching, which was fully as good as the average of the other class B bands.

About a third of the group are in their first year in the band and also they were contesting with the handicap of a having a substitute director, after only a few minutes practice with him. Mr. R. N. Eaton of Sweetwater directed the band, due to the inability of Mr. Kent Martin to attend the contest. His services were very much appreciated.

School Trustees Re-Elected Saturday

W. V. Priddy and Mrs. T. B. Gilmore were re-elected Saturday to serve another term on the Board of Trustees of the Santa Anna Independent School District. There are seven Trustees for this district.

A very light vote was cast at the school Trustee Election. The two elected carried by a very large majority of the votes cast. Others serving on the School Board are Bruce Snodgrass, D. Donham, Jr., Neal Oake, Earl Hardy, and Norman Bosch.

Coleman County Committee To Study Education

Senator James E. Taylor, Chairman of the Gilmer-Aikin Committee, has notified the following persons of their appointment to membership on the Coleman County Advisory Committee to Study Education: Supt. R. K. Green, Ford Barnes, and Mrs. C. D. Bruce of Santa Anna; D. E. Loveless, W. T. Graves, Charles King, Mrs. A. G. Beach, Milton Autry, Wyndell Bedeheck, Hayden Harkell, and Cecil Home of Coleman; Mrs. Maurine Burroughs and Mike Parker of Noice; Rex Garrett, Santa Anna Route 2; Mrs. Bertha Eggerton, Coleman Route 1; E. E. Evans, Talpa; Blake Williams, Rockwood; D. H. Grounds, Fisk and W. R. Chambers, Burkett.

At the time of notification, each member was mailed a copy of the Committee handbook, let's look at our local schools in Texas as a guide to the countywide study of the public school system. The names of the persons appointed to membership on the local committee were submitted to the Gilmer-Aikin Committee by local service clubs, civic organizations, and local school officials.

These committees are being established in every county in Texas primarily for the purpose of making a careful study of the local schools to ascertain the facts concerning the local schools for the benefit of the local citizens. Through the cooperative study these facts, together with recommendations, can be transmitted to the State-wide Committee for consideration in making recommendations for improving the public school system of Texas.

Mr. and Mrs. Tom Dimbleby and Lynda Sue of Corpus Christi came last Friday, and are visiting her parents, Mr. and Mrs. A. F. Bailey.

W. L. Jones Chairman Cancer Society For 1948

W. L. Jones of Coleman has been selected as Coleman Co. chairman for the 1948 fund campaign of the American Cancer Society.

This was announced here by former Governor W. P. Hobby, state chairman for the campaign, which will be held throughout the state and nation during the month of April.

As county chairman he will serve the Texas Division of the Society as its head in the community as well as director of the fund drive.

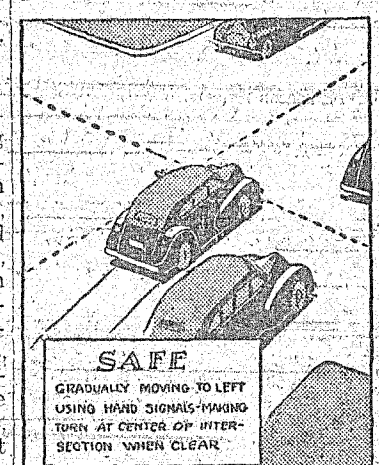

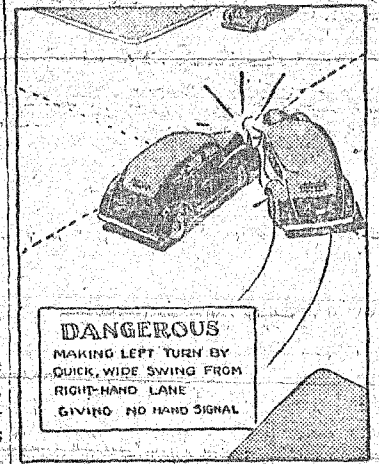

The April campaign is part of Cancer Control Month, designated by an Act of Congress and proclaimed by President Truman and Governor Beauford Jester as the official time for the Society's drive.

A three-fold program is supported by funds gathered during April. This is for education

After You, Mr. Motorist!

The facts that so many traffic accidents happen at intersections brings to light an unattractive, though fairly prevalent human characteristic the urge to push in ahead of the other fellow.

Most of us have laughed at those classic comedians, Gaston and Alphonse, who stand eternally bowing and scraping before a doorway, murmuring, "After you, Alphonse!" "No after you, dear Gaston!"

Nothing like that happens on the highway and it might be a healthy sign if it did. Sounds ridiculous, perhaps, but think about it a moment and it makes sense. Compare the daily scene at intersections when two motorists try to beat each other to the crossing or occupy a space where there is room for only one. When they fail, nobody laughs. The result is death, injury, property destruction and tragedy.

Safety authorities emphasize that discourtesy and disregard for the rights of others are leading causes of highway accidents. That is not a very admirable state of affairs; the best cure for it is law-enforcement. Explicit rules for precedence and right of way have been formulated by traffic specialists. It remains for drivers to learn them thoroughly and observe them meticulously. Those who won't must be made to. It is worth nothing, too, that the first commandment of these safety rules is based on simple courtesy: when in doubt, yield the right of way.

Driving conditions are becoming increasingly hectic every year. That makes courtesy on the highway even more of a "must" than it is a home literally a matter of life and death. No motorist is even slightly ridiculous when he says, "After you, Mr. Motorist, I want to live."

POEM

Talking about talent, here is a poem written by a Senior boy, James Medcalf, called "Stealing Chickens."

From this day on I'll never, know, what made that darn rooster crow.

The noise this rooster made was shrill-shriek, and through a window a head did peak.

And with this head a gun did appear.

I dropped that chicken for bullets were to pierce.

With just one mile left, I would be through the gate, but I was only a mile to late.

Something like some lead hit me in the head leaving me lying there feeling mighty dead.

And I died that very night, For stealing chickens without a light.

BAND NEWS

April 2 was a very exciting day for the members of the Santa Anna Band. At 8:30 a. m. the band left for Abilene on an Arrow chartered bus provided by the Band Mothers, Mesdms. Priddy, Davis, and Burgett accompanied the band as did our superintendent, Mr. Green. Due to the death of his brother, the director, Mr. Martin was unable to go with his band. This was a great disappointment to all, but the members decided to go on and do the best possible as they had been planning and working for this contest so long.

The contest was held at Abilene High School and the band arrived there about 9:45. After becoming acquainted with the building and the contest procedure, the band went to town for lunch.

At 1:00 the members gathered in one of the school rooms to meet Mr. Roger Eaton from Sweetwater, who directed them

in their concert playing. At 2:30, the band went to the auditorium where they played, "Hall of Fame," "Carnival of Roses," and "Fable" as their numbers in the playing contest.

The band then went directly to the sight reading contest which is the playing of numbers never seen before, the beginning of the contest. As this gives no chance to practice, it is a test of their knowledge of music.

Most of the members then listened to the rest of the class B bands until 5:00 when they went into Abilene for supper.

At 7:30 the band marched into position for inspection and at about 8:15 they marched onto the field for their marching contest.

The band arrived back in Santa Anna about 10:30, very tired but also very well pleased with the results of the contest.

The ratings were: II in marching, III in sight reading and III in playing. These ratings are above average. The were not in competition but were all given rates as to their execution in playing and marching.

The band has now begun preparation for their trip to San Antonio beginning Apr. 21, when they will take part in the Battle of Flowers.

Carried over from last week

ASSEMBLY

Wednesday morning as the assembly bells sounded, the students of Santa Anna high school rushed down the stairs into the auditorium. Why they were in such a rush is still a mystery—maybe they thought the freshmen were going to have another wedding.

After everyone had finally sat down and got comfortable, Mr. Chambers arose, looking very important, faced the student body, smiled and said happily, "All of the girls have turned in their basketball suits." For some reason, he looked relieved.

After the announcements from the students and faculty mem-

bers, a senior girl, carrying a large white package with a huge yellow bow, marched down the aisle and came to a stop in front of the astonished Mr. Chambers. Looking way up at the principal, Ruby Humphries began her presentation speech. Mr. Chambers stood there and listened to Miss Humphries as she rattled off her speech, turned around and went back to her seat. Mr. Chambers was so surprised he was speechless. A motion was made and seconded that he open the gift. Removing the wrapping, he found a white shirt and a lovely tie. It was easy to see he was immensely proud of his gift.

After he thanked the girls' basketball club, we were dismissed to our classes.

TRACK MEET

The Santa Anna high school boys made an excellent showing in their first track meet which was held at Bangs on Wednesday afternoon, March 17. Other schools entering in this contest were: Early, Bangs, Zephyr, and May. Results were as follows:

100 yard dash, Sellers, Santa Anna, 10.9 seconds.
220 yard dash, Sellers, Santa Anna.
440 yard dash, Jonie Hartman, Santa Anna, 56.6 seconds.
880 yard run, Curry, Bangs, 2.18 minutes.

1 Mile, Stacy, Santa Anna 5:03.8 minutes.

1 Mile relay, Estes, Stacy, Sellers and J. Hartman, Santa Anna 3:51.6 Minutes.

High hurdles, Putman, Bangs, 19.4.

Low hurdles, Fambrough, Early, 27.7.

Shot put, Crears, Early, 36.6 ft.

Discus, Cobb, Santa Anna 101 feet.

Broad jump, J. Hartman, Santa Anna, 19 feet 6 inches.

High jump, Cox, Bangs.

Pole vault, Early 9 ft. 6 in.

440 relay, Milligan, R. D. Hartman, C. Douglas and J. Parker, Santa Anna junior relay team, 50.5.

Points earned by each school were:

Santa Anna 59.5
Bangs 41.5
Early 40.5
May 3.0
Zephyr 5.0

The track team is composed of Joe Sellers, Johnny Parker, Albrus Little, Craig Douglas, Jonie Hartman, R. L. Mackey, Duane Moredock, Donnie Estes, R. D. Hartman, Dewey Dunn, Olin Horton, Del Ray Stacy, Gene Rice, David Hunter, Dick Humphries, Brit Brown, James Goodwin, Stanley Cobb and James Milligan. Several boys, who were not in shape for this meet, will enter the Brady meet Saturday, March 20th. Some of the fastest teams in Texas, B, A and AA schools will enter this meet.

The Texas Safety Association asks motorists to be on the alert for the pedestrian who leaves his own shroud through traffic, ducks out from cars and crosses against the lights. You may save a life.

Scotland's population now is 5,138,700, the highest on record.

Dublin has a big tourist invasion. John Masfield is the present poet laureate of England.

His Message to Exiles

Lesson for April 11, 1948

Dr. Newton

GOD'S LOVE AND CARE

ALL the things that are in the Bible...

This truth of these truths, I should say, are equally applicable for us today...

WHAT GOD IS LIKE

Nowhere in the Old Testament is the love of God more fully revealed...

"I will both search my sheep, and seek them out. As a shepherd seeketh out his flock in the day that he is among his sheep...

A NEW HEART

"A new heart, also, will I give you, and a new spirit will I put within you..."

Ezekiel has faithfully declared that each individual is responsible unto God...

A new heart and a new spirit. That is what the Jews needed. That is what the world needs today...

EZKIEL'S MESSAGE FOR US

WOULD we listen to Ezekiel today? He has the message we need above all other words that may be spoken...

There's No Substitute

"I thoroughly believe in a university education for both men and women, but I believe that a knowledge of the Bible without a college course is more valuable than a college course without the Bible..."

The European Assistance measure will soon go to the White House after passing the House the other day by a vote of 329 to 7.

The aid bill involves a cost in money, credits and goods that will total around \$6 billion during the next year.

The fact is that the program will involve a considerable amount of money flowing back into this country in the form of trade and purchases.

More Care At Intersections Urged to Cut Down Annual Traffic Fatalities

(This is the fourth of a series of 10 articles on street and highway safety, written by nationally recognized accident prevention specialists and published by this newspaper in the interests of greater traffic safety.)

One of most danger zones where a large number of accidents constantly occur is at highway intersections. Often unnoticed, or unheeded, the intersection of highways is the daily scene of death and destruction by motor vehicle collision.

of way for safety. depends upon the alertness and skill of the driver and the observance of a few simple rules.

At highway intersections, the vehicle on the right usually has the right of way if both reaches the intersection at the same time and driving at a lawful rate of speed, but a safe driver never demands the right of way if an accident appears imminent.

Safety specialists recommend the following precautions at intersections:

- 1. Always sacrifice the right

- 2. When entering or crossing a main highway, give the right of way to all vehicles on that highway, whether approaching from the right or left.
- 3. Always give the right of way to pedestrians.
- 4. Come to a full stop and yield the right of way whenever approaching a "stop" sign. Stop at a point where there is a clear view of the main highway.
- 5. Give the right of way to all police cars, fire apparatus, ambulances and other vehicles signaling with a gong, siren or flashing light, notwithstanding traffic lights, stop signs, etc. Drive to the curb if practicable, or if required by law.
- 6. Give the right of way to funeral processions.
- 7. Yielding the right of way to bicycle riders is a safe and considerate practice.

Before making a right or left turn the driver should observe the following:

- 1. Give hand signals or use mechanical signal device. (In some states both are required.)
- 2. Slow at a safe distance from where a turn is to be made; give appropriate signals and ease over into the proper lane.
- 3. Look both ways at an intersecting highway before entering into it.
- 4. When making a right turn, stay as close to the right as possible until turn is completed. When making a left turn, get into position on, or near as practicable to, the center of the highway so that motorists behind will not pass you on the left.
- 5. Yield the right of way to all motorists coming from the opposite direction whom the turn might block or hinder.

These rules of the road are necessary to insure safe, comfortable and efficient transportation. Some of them may, at times, seem over-stressed or unnecessary, but experience has proved that motorists who observe them

who respect the law, and who have a genuine sense of responsibility, have far greater chances to avoid serious accidents. The privilege of driving an automobile carries with it the obligation to observe safe driving practices, to show courtesy to other users of the highway and to cooperate with law enforcement authorities at all times.

Womans Council Has Treat

The Womans Council of the Christian Church met Monday afternoon at the church for the usual meeting but which turned out to be unusual. Mrs. Preston Bailey as program chairman had in store a treat for those present. She presented her house guest and her husbands aunt, Mrs. Nora Gee of El Paso in a talk on the Holy Land, which Mrs. Gee had visited a number of years ago.

She told of their first stop which was at Mt. Sinai, and in a most interesting way of the many places visited; Jerusalem, Jericho, Nazerath, Bethlehem, Damascus, Bethany, The Sea of Galilee, of standing by Jacobs well, Josephs and Rachels Tomb. The address was spiritual as well

as factual. In a short business session presided over by Mrs. Gipson, the new president, it was agreed to meet twice a month, the first and third Monday at 2:30 p. m. with special meetings for work or other reasons called as needed.

All women of the church are automatically members of the Council, and all are urged to make their plans and arrange their work so as to attend all Council meetings.

Visitors and Council members present Monday afternoon were, Mrs. Nora Gee, Mrs. E. H. Wylie, Mrs. J. R. Gipson, Mrs. G. T. Barlett, Mrs. Alice Daniel, Mrs. Clifford Stephenson, Mrs. A. L. Grier, Mrs. Oscar Boenieke, Mrs. G. W. Bowman, Mrs. Preston Bailey, Mrs. Norval Wylie and Mrs. Tom Simpson.

Mountain City Garden Club Meets Friday

The Mountain City Garden Club had a very interesting meeting Friday afternoon, April 2nd, when it met with Mrs. A. D. Donham, Jr. Roll was answered by 21 members, giving their favorite perfume from the garden.

The annual April hat parade was the project of the day and some very beautiful and smart hats were displayed. The hats were all decorated with flowers grown in Santa Anna, by the club members.

Mrs. Maggie Culver was voted first choice with her basket-top trimmed with members of the cacti family. Mrs. Hardy won second with her lilac and iris foliage trimming.

Mrs. J. L. Harris read a paper on the care and culture of lilac, and Mrs. Sam Collier told of her recent trip through the Azalea Trail.

The Santa Anna Flower Show which will be sponsored by the club, was the main topic of discussion. It is to be held in May. A nominating committee to suggest officers for the coming year was appointed as follows: Mrs. Ford Barnes, Mrs. Hardy Blue and Mrs. F. Z. Payne.

Mrs. Charles Iff was unanimously elected as a new member. An arrangement of daisies, irises, carnations, purple violets and lilacs decorated the dining room.

The May meeting for the election of officers will be on the first Friday in May. The time and place will be announced later.

Mary had a little Lamb, And as they went to school; They walked to the LEFT— Instead of the right, For that's the SAFETY RULE.

Even Mary's lamb can learn that easy safety rule! Best rule of all—for school children and everyone else—is: Don't walk on the highway. But if you must, then walk to the left, facing oncoming cars. Your chances of avoiding accident are three times better when you observe this rule.

Use special care at night and when roads are slippery. Even at moderate driving speeds, motorists often can't see pedestrians in time to stop. At 40 miles an hour, a safe stopping distance may be as much as 164 feet—much more at higher speeds.

When you walk on the highway, your life is your lookout. So—look out!

Mrs. Eli Leon Rollins, Jr.

Former Santa Anna Girl Married In Corpus Christi

Miss Marion Nell Dumbleby, daughter of Mr. and Mrs. Claude H. Dumbleby of Corpus Christi, formerly of Santa Anna, became the bride of Eli Leon Rollins, Jr., son of Mr. and Mrs. E. L. Rollins, Sr., of Portland, Texas, Friday evening, March 26, in a candle-light ceremony at the First Baptist Church in Corpus Christi.

Dr. C. F. Herford read the vows before an altar space decorated with white stock, carnations and gladioli, surrounded in turn, in tall, taper baskets, flanked by candelabra on either side.

Mrs. R. L. Allen, who played the traditional wedding marches, accompanied Keith Forney who sang, "Because."

The bride, who was given in marriage by her father, wore a white, two-piece, street-length gown of chambray lace and satin. Her hair, of matching satin flower, and lace held her shoulders length veil of illusion. She carried a white Bible topped with an orchid and stephanotis.

Miss Lorraine Rozels, maid of honor, wore a blue gown with matching hat, and carried a colonial bouquet of mixed spring flowers. Linda Dumbleby, sister of the bride, and flower girl, wore peach tulle and carried a posy of pink carnations centered with a pink rose.

A reception was held immediately following the ceremony at the Princess Louise Hotel. A wedding cake, made to represent an open Bible, centered the ladies' table.

Mr. and Mrs. A. E. Bailey, of Santa Anna, grandparents of the bride, attended the wedding.

FIVE GENERATIONS

Susan Lynn Tribuzio, weight 7 lbs., 13 oz., was born at 10:00 p. m., March 25th, 1948, to Mr. and Mrs. John Tribuzio in Oakland, Calif. Susan Lynn is the fifth generation of maternal relatives. Mrs. Tribuzio is the former Helen Norris, and her mother, Mrs. Arner Norris, also of Oakland, is the daughter of Mrs. Bertha McCain of Santa Anna. Mrs. McCain is the daughter of Mrs. L. C. Peoples of Brownwood, great-great-grandmother of the new arrival.

Mrs. Peoples will be 92 years on April 14th.
