Royal Service Program Monday

The W. M. S. of the First Baptist Church met at the Annex Monday afternoon at 3 p. m. in the regular meeting of the Royal

Service program. Mrs. J. L. Boggus was hostess.

"Onward, Christian Soldiers," opened the meeting and the devotional was taken from the chapters of John, Cor. and Hebrews, given by Mrs. Ola Niell.

Mrs. Seth Risinger started the topics with "Labors." Mrs. Frank Goen, Mrs. E. K. Jones and Mrs. D. R. Hill also took part in the program.

At the close of the session the hostess served iced punch to Misses, Seth Risinger, D. R. Hill, J. E. Watkins, B. A. Parker, E. K. Jones, Frank Goen, Dovie Chapman, Irwin Taber, R. W. Douglas, Ola Niell, John C. Brown, J. L. Boggus, Roscoe Hosh, Z. D. Kemp, W. V. Priddy, J. J. Gregg and Ras Bilbrey.

Mr. and Mrs. W. S. Stacy returned home recently from a stay of several months in Dallas.

Mrs. R. W. Douglas moved into her new home last week. It is located between her former residence and the Baptist parsonage. The building, brought from Camp Bowie several weeks ago, has had additions and improvements made and is a very nice and comfortable home.

Those from Santa Anna attending the all-day meeting of the Brownwood District W. S. C. S., which met in Bangs on April 29th, were Misses, Tom Hays, C. C. Myers, O. A. Etheredge, O. L. Cheaney, Rex Golston, Tom Mills, Jim Daniel, J. J. Kirkpatrick and Dan Blake.

From where I sit ... by Joe Marsh

"What's Your Opinion, Mister?"

Fellow from one of those public opinion polls was in Andy's Garden Tavern, querying Andy's patrons on everything from that "new look" to the next election.

And it occurred to me that there's nothing more typically American than collecting other folks' opinions, as well as giving out with one's own. And from where I sit, it's a mighty healthy habit.

So long as people can discuss both sides of a question that comes up—whether it concerns short skirts versus long, beer compared with cider, or the larger issues of party versus party—we're sure of the individual liberty that has made this country great.

For it isn't differences of opinion that matter. The important thing is tolerance for differences of opinion—whether they affect the right of an individual to vote, to speak his mind, or enjoy a glass of beer. They're all parts of the freedom that we cherish!

WHICH WILL YOU BE CATCHING WHEN YOU'RE 55?

MOST FOLKS dream of being able to take things easy after 55... of being able to pursue a life of leisure while they're young enough to enjoy it.

But unfortunately, many of us find ourselves at 55 still catching the bus to the job instead.

The reason: lack of enough money to retire on.

Lucky for you, however, there's a safe, sound way to protect your future financial security today—U. S. Security Bonds!

Security Bonds require only a little spare cash every week—yet return you a whopping big nest egg in ten years. For example: as little as \$3.75 invested regularly every week will bring you \$2,163.45 by 1958!

And there are two easy, automatic ways to get your Bonds.

1. If you work for wages or salary, you can get your Security Bonds through Payroll Savings—the only installment buying plan.
2. If you are in business, or in a profession, and the Payroll Savings Plan is not available, you can sign up for the Bond-A-Month Plan at your local bank.

Choose the sum you can afford and sign up today. Then, at 55 perhaps you can start catching fish—and forget about catching that bus every morning!

P. S. Your Security Bond dollars do more than give YOU security. They help you fight inflation. For wise saving means more sensible spending—fewer dollars to bid up prices on scarce goods. Also every dollar invested in Bonds retires an equal amount in inflationary credit.

BAND NEWS

Yes, the band is back from San Antonio, and with them they brought a very pretty trophy for third place. The trophy was earned Wednesday night when they marched at the Alamo Stadium before a crowd of 12 thousand spectators and three judges. They marched as a C

class band, as the classification in San Antonio differed to that in Abilene. Only three bands out of the total of forty-five participating in all classes were bands from West Texas: Santa Anna, Brownwood, and Cisco.

The band went on a tour Thursday and saw many interesting sights and places. The Alamo, San Jose Mission, Fort Sam Houston and Brackenridge Park were the main places.

The Battle of Flowers Parade began at 3:30 P. M. Friday and lasted until nearly 6:00. Mr. Martin said his band was indeed a sorry looking sight after marching several miles in the hot sun at a very rapid pace. It was work, but fun, too.

The band arrived at Santa Anna about 12:00 Friday night, tired but happy. Mr. R. K. Green, Mrs. W. B. Griffin, and Mr. J. J. Lewellen were the sponsors and guests who accompanied the band in addition to Mr. Martin.

WHOS WHO

If you have made any of the track meets or football games, this Senior boy needs no introduction. Joe Sellers is 5'10" and weighs 170 pounds. He was born at Harper, Texas. He began his education at Fredricksburg, continued it at Lakeview and moved here as a Junior.

Joe has been one of the most active men in our athletics this year. He is one of the 47 football stars and also a track man, being one of the boys in the famed mile-relay team who go to State Meet. Joe was also in the Senior Play, portraying the part of Cutey Waters.

After finishing high school Joe is going to attend Howard Payne where he has a scholarship in athletics.

Mrs. H. H. Williams of Borger is here visiting her parents, Mr. and Mrs. H. Farris.

Miss Patty Watson, Hollis Brice, Hoot Hudson of Coleman, and Mr. and Mrs. Alford England spent all-day Sunday at Lake Brownwood.

Mr. and Mrs. J. J. Mallett and Alvin were in Brownwood Sunday afternoon.

Mrs. Stafford Baxter returned home last week from a visit of several weeks with her son, Bill Baxter and family in Waynoka, Okla.

Mr. John Smith who was quite sick recently and a patient in the Sealy Hospital for several days, is able to come up town now and is looking quite well.

Mr. and Mrs. Homer Schultz and son of Comanche were in Santa Anna Saturday.

Publisher and Wife Take Vacation

The writer and Mrs. Gregg returned last Friday from a several days visit with our children and their families at Bishop and Corpus Christi, Texas. We also spent the afternoon of Friday, the 23rd, in San Antonio, where so much was going on, we would not attempt to enumerate it. We were delighted to see our Santa Anna Band, under the instructions of our good friend, Kent Martin, walk off with third place honors, after undergoing a test and meeting in contest with several other high school bands from over the state.

We drove on to Bishop Saturday morning, where we visited until Tuesday, when we proceeded to Corpus Christi, with our daughter Eris, Mrs. J. B. Jones and two children, Mildred and Buddy, accompanying us. There we spent two days and nights in the Breakers Hotel with Burton and his little family, Marjorie and Helen. It was very nice to be with the children and their families for a few days, and we will be looking forward to another visit with them at some future date.

Thanks to the Bishop News, for the following mention: J. J. Gregg, Publisher of the Santa Anna News, and father of Mrs. J. B. Jones of this city, was a welcome visitor at the Bishop News office last Monday while he and Mrs. Gregg were enjoying a week-end visit with their daughter and family.

Mr. Gregg retired from his active duties on the Santa Anna News several years ago when his son, John C. Gregg returned from military service and took over the active management of the newspaper. The honor and pleasure of watching his son carry on newspaper work in his home town is not the only newspaper honor that the Santa Anna publisher holds through his children. His daughter, Mrs. J. B. Jones, has saved the day on many issues of the Bishop News by serving as linotype operator.

During the war, while Mr. Jones was in the armed forces, Mrs. Jones assisted her father in the publication of the Santa Anna News, and since moving with her husband and family to Bishop, faithfully serves the Bishop News as a linotype operator, and carried the full linotype load on many weeks.

How to retire in six easy lessons was the executive position on the Bishop News which was offered to the Santa Anna publisher. And if the influence of his grandchildren, little Buddy and Mildred Jones, can be secured, the Bishop News may have the pleasure of being honored with many visits from the Santa Anna publisher.

Mr. and Mrs. J. J. Gregg left Tuesday for a visit in Corpus Christi with their son, R. B. Green, and will return to their home in Santa Anna this week-end.

Ezra Leads A Revival Lesson for May 9, 1948

GLANCING for a moment at our history, we see that in 530 B. C., 50,000 Jews were returned to Jerusalem from Babylon...

Dr. Newton

HAPPY TIMES WITH THE BIBLE FOR Ezra had prepared his heart to seek the law of the Lord, and to do it, and to teach in Israel statutes and judgments.

There was great need for a revival of religion, and Ezra knew that there was no real revival until the people came back to God. He therefore read to them the statutes and judgments of the law of Moses from morning until midday, and the ears of all the people were attentive into the book of the law.

What would you think of the people being changed into some subtle slaves, to hear the Bible read? But you say, we hear it read in church, and we sometimes hear it read in the home. But do we hear it? And are our ears really attentive?

HEARING AND DOING GOD'S WORD

EZRA not only read God's word to the people, but he led them to do what they were commanded in the law. They went out to give portions to those who were in need. They came back to worship God. They began both to hear and do.

LIVING OUR RELIGION

WHAT EZRA and Nehemiah led the people to do, in the long ago was to put into practice what they heard to live their religion. The late Gandhi was reported to have said, "I might have embraced Christianity, had Christians lived what they professed."

WHAT IS A RELIGIOUS REVIVAL?

THIS lesson intends to reveal to us how a religious revival broke out in Jerusalem in the long ago, nearly 500 years before Christ was born. Well may we ask, What is a religious revival?

"Lord, send a revival, and let it begin in my heart." Revivals are prayed down, not talked up. We have fallen into the fallacy of speaking of revivals when some overnight spell-binder comes along and kicks up a big sensation. Before he leaves town, Pharisaism is more rampant than ever. It is not until the Spirit of God moves upon the hearts of his people and rekindles in them a sense of sin, bringing them to true repentance, that we can have a real religious revival.

When men are convicted of their sins, they will say with Zacchaeus, "Lord, the half of my goods I give to the poor, and if I have taken from any man by false accusation, I restore him fourfold." When men begin to feel and talk and act like that, you have a real religious revival. And I repeat, such revivals are prayed down, not talked up. Now you are ready to read Psalms 119:9-16.

Trickham H. D. Club Met April 28

It is not necessary to soak dried fruit before cooking, simply place in warm water, add two cups cold water to one cup of dried fruit, and boil in a covered pan. Mrs. Buck Mitchell told the Trickham H. D. Club when they met April 28th, in the home of Mrs. Walter Stacy.

Dried fruit offer a year round valuable source of vitamins and minerals. Mrs. Mitchell continued.

Mrs. Oscar Boenicke gave several good suggestions of using fruits as garnishes. To use a grape cluster as a garnish, dip in egg white, then sugar for a frosty look. Mrs. Boenicke told the club.

Mrs. Will Haynes said the three most important fruits in our daily diet containing vitamin C are tomatoes, oranges and grapefruit.

Several members brought a dish of their favorite salad, which was served with refreshment. Plans were discussed for a candidate rally in June. The date will be announced later.

Little Bo-Peep had lost much sleep. And could hardly see to drive; When lights came at her, There was a terrible clatter. Now she's lucky to be alive!

Yes—night-driving Bo-Peep is lucky! Drowsy driving can be fatal. Fatigue lack of sleep—too many hours behind the wheel will dull any driver's senses. And three out of every five highway deaths happen after dark. When you drive at night, be alert—always able to stop within your headlight range. Keep your windshield clear—never look directly into blinding headlight glare. If you are over-tired, pull off the road and rest. Spare a few seconds to save your life! Womans Council Meets At Church

The Womans Council of the Christian Church met for the missionary study Monday afternoon, May 3rd at 2:30 at the church. The song "Wonderful Story of Love" was sung, followed by a circle of sentence prayers. Mrs. J. R. Gipson, the new president, presided over the business session, in which announcement was made that a good friend of

the Council, not a member of the church, had again deposited a liberal donation in the bank for the Council. This has been happening for a number of years. The Council members greatly appreciate the money which helps them in the good work they are doing.

Mrs. Preston Bailey, Missionary program chairman, read several letters from Dr. and Mrs. Kenneth Bonham whom she knew at Texas Christian Uni-

versity. They are now stationed at Pendra Road, India, where he is a medical missionary. Mrs. E. H. Wylie read a magazine article from the Bonhams telling of the caste system in India and its effect on missionary work. Mrs. Gipson told of missionary work among the Indians in America. General discussion followed.

It was decided to quilt at the next meeting Monday afternoon, May 17th, at which time the second lesson on The Holy Spirit will be given. Those present were Mrs. J. R. Gipson, Mrs. E. H. Wylie, Mrs. Ed Baxter, Mrs. L. O. Garrett, Mrs. J. B. Scott, Mrs. Alice Daniel, Mrs. Preston Bailey, Mrs. Tom Simpson, Mrs. C. W. Stephenson and Mrs. A. L. Oeder.

LOADING WHEAT FOR FRANCE—The Marshall Plan, known as ERP, has begun to function. This ship is taking on cargo of wheat at Houston, Texas, destined to feed hungry millions of French people. Two other ships are also loading wheat at Houston. These are the first shiploads of grain to be shipped to hungry Europeans from a Texas port.

BEWHISKERED FOR LELLDORADO—Even the welcoming signboards for cowboys at Las Vegas, Nev., must wear whiskers for the Helldorado, annual western festival to be held at Las Vegas May 13-16. San Kurtz, who got his whiskers the hard way, puts whiskers on the signboard, while Gerri Solomon selects next victim.

U. S. CARRIER LEYTE AT NEW YORK—On her way to the Brooklyn Navy Yard for overhauling, wartime Carrier Leyte passes under Brooklyn Bridge. The Leyte has just returned from a cruise of the Mediterranean. The skyline of New York in the background provides adequate setting for the giant carrier.

HELD GUILTY OF CONTEMPT—John L. Lewis, United Mine Workers' President, (left) and Ezra Van Horn, coal operator spokesman (right). Lewis was fined \$20,000 and his union \$1,400,000 because he did not order coal miners back to work.

STRATOJET BORDER TAKES OFF—New Boeing XB-47, stratojet bomber, in first rocket-assisted takeoff test at Seattle, Wash. Smoke trails made by six turbo-jet engines and 18 rockets units make the 42,000-pound bomber look like a missile in flight. The turbo-jet engines and the rocket units gave the giant ship a thrust equal to 42,000 horsepower. The bomber can develop speed of over 420 miles an hour.

Miss Bonnie Jean Odom Honored

Miss Bonnie Jean Odom, bride elect of Henry Walker Tatum was guest of honor when Mrs. Sam Cobb, Mrs. W. L. Stewardson and Mrs. Clyde Vance entertained with a miscellaneous shower at the lovely ranch home of Mrs. Stewardson, on Tuesday, May 27th at 3 o'clock.

Guests were greeted by Mrs. Vance and registered in the beautiful Brides Book, presided over by Mrs. Vern Vance. About 60 guests registered.

Spring flowers were used throughout the rooms and the table was covered with a beautiful lace cloth and the centerpiece was of pink carnations. Punch was poured by Mrs. Cobb, assisted by Misses Theola Stewardson, Ann Tatum and Mrs. Stewardson. The refreshment plate consisted of punch, nuts, mints, dainty sandwiches and cookies. The names of Bonnie and Walker, May 2 were printed on the napkins.

Mrs. Vance directed the various games of the afternoon, after which the many gifts were brought in. The gifts in grocery carts were opened by Miss Odom.

On Wednesday afternoon April 28th, Mrs. J. D. Henderson, Mrs. Roy West, Mrs. Luther McCrary and Mrs. Payne Henderson entertained in the home of the former, from 4 until 6 o'clock with a gift tea honoring Miss Bonnie Jean Odom, bride elect of Henry Walker Tatum.

Mrs. J. D. Henderson, Miss Odom, Mrs. C. T. Parker, and Mrs. Lee Tatum were in the receiving line.

Miss Doris Jane Henderson presided at the brides book in which 29 ladies registered.

Punch was ladled by Mrs. Roy West and white cake served from a refreshment table which was covered with a lace cloth and had a central arrangement of pink roses.

The honoree received a large number of gifts, many not attending sending gifts, besides those that were brought by those present.

W. A. Johnson of San Angelo was a guest in the home of Mr. and Mrs. J. B. Scott on Thursday evening of last week. Mr. Johnson is a candidate for District Attorney.

Odom - Tatum

On Sunday afternoon, May 2, at 3 P. M., Miss Bonnie Jean Odom became the bride of Walker Tatum, in a double ring ceremony in the home of the brides uncle and aunt, Mr. and Mrs. C. F. Parker, with the Rev. G. L. Carroll of Talpa officiating.

As the wedding party took their places before an altar space decorated with white lilies, Miss Doris Jane Henderson sang, "Always," accompanied by Mrs. Payne Henderson at the piano.

The bride wore a street-length dress of blue crepe. Her accessories were white and her corsage was fashioned of gardenias. For something old, she carried a white lace handkerchief, belonging to her aunt, Miss Lou Annie Odom; for something borrowed she carried a white Bible belonging to a friend.

The maid of honor, Miss Dorothy Seals wore a pink linen frock with white and brown accessories. Her corsage was fashioned of pink and white carnations.

Byron McDonald attended the groom as best man.

Following the ceremony, a reception was held. Miss Doris Jane Henderson and Miss Dorothy Seals ladled punch. Miss Dorothy Davis and Miss Joyce Davis of Wellington, Kansas, served the traditional three-tiered wedding cake, topped with a miniature bride and groom to the following guests: Mr. and Mrs. A. L. Dunn, Abilene, Mrs. W. J. Davis and daughter, Mr. and Mrs. Rector Davis, all of Wellington, Kansas; Mr. and Mrs. J. C. Kinney and children, Mr. and Mrs. Haryey Odom of Hamilton, Mrs. Luther Odom, Mr. Roy Parker, Ed Odom, Mr. and Mrs. Clyde Vance and children, Mrs. H. A. Hasler, all of Coleman, Mr. and Mrs. M. W. Vance, Mr. and Mrs. Ellis Tatum, and children, Mrs. Lee Tatum, and Ben Gene and Mrs. J. H. Tatum, all of Shields, and Mr. and Mrs. C. F. Parker, Mrs. Payne Henderson and Miss Lou Annie Odom.

Immediately after the reception the couple left on a wedding trip.

On their return they will be at home in Santa Anna, in their new home, formerly Scott Whitaker's. The groom is employed at the Piggly Wiggly store in Santa Anna. Mrs. Tatum has been employed at Stevens and Co. in Coleman.

H. D. Club Met With Mrs. W. A. Stanley

The Santa Anna Home Demonstration Club had a very interesting program, and a better attendance than usual when it met Friday afternoon in the home of Mrs. W. A. Stanley. A variety of spring flowers were

used in the decorations. Upon entering, guests registered and were served tea sandwiches and punch.

Roll call was answered by "A 25th, or 50th Wedding Anniversary I've attended."

Mrs. C. T. Conley presided over the business session. Announcement was made that the Club had given \$15.00 to the Livestock Show Barn.

The group sang "America The Beautiful."

A Parents Day Program was rendered.

A brief history of Mothers Day was given by Mrs. Frank Goen, and a brief history of Fathers Day was given by Mrs. W. E. Vanderford.

Parents Cooperation for a Happy Home was Mrs. C. W. Stephenson's subject.

The H. D. Quartette, consisting of Mrs. Louis Zackary, Mrs. E. K. Jones, Mrs. L. W. Campbell and Mrs. Arthur Talley, sang "Mother and Home," a poem, "To Mother" was read by Mrs. A. L. Odom.

A poem "To Father" was read by Mrs. Talley.

A tribute to grandparents was given by Mrs. D. H. Moore.

The Old Rocking Chair was sung by the quartette.

The Club presented Mrs. A. L. Odom, the Club Mother with an elegant hand-bag for which she expressed appreciation.

Refreshments of angel food cake and rainbow gelatine were served.

Those present were: visitors, Mrs. Sam Moore, Mrs. Lee Boardman, Mrs. L. D. Sides, Mrs. Ben Parker, Mrs. Dan Blake, and

Louise McCain, and the following members, Mesdames Stanley, Vanderford, Talley, Goen, Odom, Holman, Stockard, C. T. Conley, C. W. Stephenson, L. W. Campbell, Louis Zackary, Doug Moore, Ola Niell, E. K. Jones, John Lowe and G. C. Daniels.

TEXAS BRIEF NEWS ---from Over the State

MAN KILLED BY TIRE BLAST
Charles Lafleur, 21, employed by the Southern Pacific Railroad at Houston, was fatally hurt when a steel rim of a truck tire, thrown into the air when the tire burst, struck him on the head. His skull was fractured.

RECORD INHERITANCE TAX
Largest State inheritance tax ever paid in Texas—\$1,105,602.96—has been paid on the estate of the late Thomas O'Connor of Victoria by the widow, two sons and a daughter who inherited the vast properties. Gross value of the O'Connor estate was placed at \$20,317,340.

CIVIL WAR VETERAN IS 103
Stephen Dupuis of Brownfield, a dispatch carrier for the Confederate Army during the War Between the States, recently celebrated his 103rd birthday at his home in Brownfield. He was born on March 9, 1945, in Avoyelles Parish, La., and joined the Confederate Army as a volunteer when he was 16 years old.

MARSHALL WOMAN IS 97
Miss Sara Jane Wilson celebrated her 97th birthday at the home of her niece, Mrs. R. L. Long, Karnack Road, Marshall, recently. The 97-year-old native of Georgia, who moved to Texas in early childhood, says she remembers well the Civil War, which started when she was 9 years old.

2,000 PLAY IN MASSES BAND CONCERT
Twenty-nine high school bands, composed of more than 2,000 high school students, marched in a parade at Conroe and played in a massed band concert on the courthouse plaza during the Conroe Festival. It is the largest massed band concert to be given in this part of Texas.

CLEBURNE WOMAN DIES AT 99
Mrs. Elizabeth Dillon of Cleburne, affectionately known as "Granny" to many residents of Johnson county, died but a few months after realizing her wish to live to be 100. She died at her home in Cleburne. She would have been 100 years old on May 13. The Dillon family moved to Cleburne in 1872.

USE FOR CEDAR TREES
Until recently cedar trees have been of little use in Texas except for fence posts. The cedar is not native to Texas, but was introduced after the white man arrived. Cedar now covers an estimated 5 million acres in Texas. The cedar causes damage estimated at \$20,000,000 a year by preventing grass from growing under its branches. Four plants have been established in Texas for extracting valuable cedar oil and other important by-products from cedar trees.

DYNAMITE BLENDS CROWS
Using dynamite bombs, seven Texas game wardens blasted to death an estimated 10,000 crows from roosts near Leonard, Fannin county. A. W. Lewis, State Game Supervisor of the North Texas Region, in charge of the work, said this was the first successful shoot of its kind in North Texas. Lewis said about 50,000 crows roost in a small timbered tract a mile west of Leonard. Wardens placed 71 dynamite bombs in trees near the center of the roosting place. The bombs, loaded with steel shavings and other machine shop waste, were wired to 12 six-volt batteries through a detonator switch. Each bomb weighed seven pounds and was ten inches long with a stick of dynamite in its center. When the crows settled down to roost for the night, the bombs were exploded. Fannin county farmers hope to grow corn this season. Crows eat their corn.

BUSK COUNTY MAN IS 96
John Crow, 96, reported to be the oldest resident of Rusk county, observed his 96th birthday at Henderson recently. His only complaint was that the prolonged winter weather had hindered him in his garden work. "I don't feel natural unless I am working," he said, "and I haven't been able to do much digging in my garden because the ground has been too wet."

MARLIN CLOTHES TO GERMANY
Mrs. Dunn Emmerson of Marlin enlisted other Marlin women in a project to send clothing to Germany for distribution among German girls. Mrs. Emmerson has been advised by her daughter, Mrs. Louis Smith, employed by the United States Army at Heidelberg, Germany, that the clothing from Marlin was distributed among 40 German teen-age girls at a party sponsored by American women assisting in a German youth program.

MOTHER EWE HAS TRIPLETS
D. C. Perry, living on Fredericksburg Road, Austin, has his hands full at this lambing season. One of his ewes gave birth to triplets and Perry has been busy making sure that the three little lambs had enough milk. County Agent T. H. Royder of Travis county says the birth of triplets in a flock of ewes is not as rare as some persons might think, although the birth of more than one set of triplet lambs in one flock rarely takes place.

WACO COPS EAT RATTLESNAKES
City Comptroller J. Ed Johnson of Waco was host to members of the Waco Police Department at a rattlesnake dinner. Johnson hunts rattlers for sport when he is not busy writing checks for the city. The crop of snakes is large this year and he promised the Waco policemen that he would get the snakes for a real feast. The cops ate the snakes, fried to a golden brown, but Johnson declined the delicious tidbits. "I just catch 'em," he said. "I don't eat 'em."

LOSES \$1,000 BILL IN TOILET
C. W. Gray of San Antonio dropped some money as he flushed the drain in a corporation court rest room in San Antonio and one of the bills fell into the water and was washed down the sewer. Gray, flight engineer at Kelly Field, near San Antonio, told police it was a \$1,000 bill that was washed away. He said the money was in his shirt pocket and fell into the water as he stooped to pick up a pencil.

MAD FOX CHASES CHILDREN
Two negro school children were chased up a tree by a fox believed to have had rabies in the Easton community northeast of Henderson. Guy Hale, public utility manager at Henderson, said the mad fox later bit a hog and a cow in the Easton community. Mad foxes have been reported in several sections in Rusk and other East Texas counties.

BIGGEST DUDE RANCH IN TEXAS
Texas soon will have another "biggest" to brag about. This will be the "biggest dude ranch in the world." On recommendation of its president, F. L. Dahlstrom, the Texas Railway Equipment Company of Houston has bought for \$411,250 the 4,000 acres that for nearly a century comprised the old U. S. Cavalry post of Fort Clark near Brackettville. The old army post will be turned into one of the finest dude ranches in this country.

FLYER'S WAGE \$128,000,000
Johnny Plank, sophomore at Texas Christian University, has withdrawn from school to become a multi-millionaire. He is going to China to fly for former Major-General Claire L. Chennault, now operating a commercial airline there. Plank's salary will be \$128,000,000 a month. But there is a joker in the deal—his salary will be paid in Chinese dollars. In United States coin, his pay will amount to about \$850 a month, and he will get a bonus for extra flying time. Plank served with the Marines and flew military planes in China after the fighting ended.

FINDS LOST WATCH IN SHOE
Mrs. J. L. Miller of Mineral Wells lost her wrist watch. She advertised for it; had the police on the lookout about the pawn shops; she sought it everywhere. After giving up all hope of recovering the treasured timepiece, she decided to wear a pair of slippers she had not worn for weeks. It was the pair she had worn when she had attended a program at Convention Hall and had kicked off her feet as soon as she reached her home. As she pulled one of the slippers on, her toes hit something. She looked. It was her watch. Then she remembered. She had taken the watch off her wrist and had kicked off her shoes as she sat beside her radio. The watch had fallen into the shoe.

FREEDOM TRAIN DOCUMENT. One, ten by Benjamin Franklin. Dated August of the most interesting documents carried, 31, 1776. This copy was written by the Freedom Train, which made several Franklin in his own handwriting and given strips in Texas and then passed on to other parts of the country. was the original writing. The original (reproduced above) reads:
The Body of

Underneath the epitaph, also in Franklin's own handwriting, are the words:
Given by B. Franklin to Sam Morris
August 31, 1776.
N. B. It is his own handwriting.

The notation "N. B. It is his own handwriting" is the equivalent of the attestation of a Notary Public to a document today. For the benefit of the thousands of persons in Texas who were not able to visit the Freedom Train and view the "Treasured Documents of Our American Heritage," enlarged photographic reproductions of the most important documents carried on the Freedom Train are being brought to Texas for display in banks and other institutions and for showing in the schools. These large photographic reproductions will be shown in many banks and schools all over the State as a public service.

U. T. GETS STONE FROM LONDON
The American and British Commonwealth Association, a stone from the British House of Commons has been presented to the University of Texas and placed in the Texas Memorial Museum. Each State capitol in the Union is receiving a memorial stone as a souvenir from the British people.

COOKE COUNTY CENTURY OLD
Cooke county, created by act of the Texas Legislature on March 20, 1848, observed its century-old birthday in fitting manner. On the county's birthday began a series of commemorative events that will continue through the summer and include the Cooke County Fair in September.

ROPE SAVES SNAKE VICTIM
Sherman Randall of the Lamkin community 12 miles west of Hamlin, luckily carried a rope while out hunting. A large rattlesnake struck him three times, sinking its fangs into the calf of his leg. Taking the rope he made a tourniquet on his leg and walked a mile to the highway. He hailed a passing motorist who took him to a sanitarium in Hamilton. He will recover.

BOY SCOUTS ON BOBCAT HUNT
Senior Scouts of ten Central Texas Boy Scout Troops, including Rockdale and other towns in that part of Texas, were guests on a cat hunt on the ranch of H. H. Coffield in Dimmitt county near the town of Catarina. The Diamond H. Ranch, owned by Coffield, is well populated with mountain lions, javelinas, deer, coyotes and other animals. Eleven bobcats, two coyotes, and about 20 rattlesnakes were killed by members of the party.

FINDS BROTHERS IN 30-YEAR HUNT
Mrs. Mary Bacher of Atlantic Heights, N. J., found two brothers in Texas who didn't know she existed and didn't know they had another brother and sister living in Pennsylvania. The story begins in Greenville, S. C., in 1918, when their father, Sam Daderio, took two of his sons, Sam Jr., 5, and John, 3, for a walk. The father and boys did not return and were never heard from until their sister, Mrs. Bacher, located them through War Department records. Both had served in the war. John lives in San Antonio and Sam lives in Dallas.

NEW BUFFALO PITCHER MEETS HIS MANAGER
A salesman in the athletic goods department of Oshman's store in Houston greeted a customer with "What can I do for you?" "I want to see some baseball shoes," replied the athletic appearing customer. The sale was made and the customer asked, "How about a toe plate?" "Are you a pitcher?" asked the salesman. "What's your name?" The customer was a pitcher. His name was Ross Grimsley, who has reported to the Houston Buffaloes for training. The salesman was Johnny Keane, manager of the Buffs. Thus the Buff Manager met his new pitcher for the first time. Grimsley was passing through Houston on his way to St. Petersburg, Fla., to report to the St. Louis Cardinals. He has since joined the Buffs.

JUST CHANGE IN DIRECTIONS, NORTH INSTEAD OF SOUTH
L. W. McConachie, secretary of the Texas High School Coaches Association, earlier announced that Bobby Dodd of Georgia would coach the South and Matty Bell of Southern Methodist University would coach the North at the Texas Coaching School to be held at Abilene August 2-6. Now it develops that Matty Bell will coach the South and Bobby Dodd will coach the North at the Abilene school. "Just a change in directions," remarked McConachie.

CARDINALS FIRST PICK: THEN DODGERS AND GIANTS
Manager Billy Southworth of the Boston Braves has warned the National League bosses that the St. Louis Cardinals will be the team to beat this season in the pennant race. The Cards have pitchers and everything needed to win, he said. The Brooklyn Dodgers have a team good enough to win, he admitted, as he placed them second and the New York Giants third.

DUCK FLIES 1500 MILES IN ONLY THREE DAYS
Arthur M. Bartley, executive director of Ducks Unlimited, gave a crowd attending the annual dinner of the Missouri Duck Hunters Association some interesting information about ducks. In response to a question, "How fast do ducks fly?" Bartley said his organization banded a duck in Canada last Nov. 25.

Three days later the duck was killed in Missouri. It had flown approximately 1,300 miles. Bartley also told how ducks are being slaughtered in Mexico by "armadas." These armadas consist of a row of hundreds of muzzled loading guns that are fired in concert into a flight of ducks, killing hundreds. Ducks so killed are sold openly before the hunting season legally begins, he said.

SPORTS WRITER PREDICTS TEXAS LEAGUE OUTCOME
George White, Sports Editor of The Dallas News, says a lot of crystal gazing is needed to forecast the final outcome of the Texas League this year. The many youngsters already in the team line-ups and plans of managers to acquire many additional players during the season, the identity of whom is now unknown make any forecast a matter of guess. But the veteran sports writer predicts the eight teams will finish in this order:
1. Fort Worth 5. Houston
2. San Antonio 6. Shreveport
3. Dallas 7. Tulsa
4. Oklahoma City 8. Beaumont
Clip this and save it until the final game is played and see how nearly correct the forecast is.

TEXAS Farm News

An all-day pecan school to give instruction in pecan culture to orchardists was held on the Henry Freeman farm near Bay City by J. F. Roseborough, Extension Horticulturist, and Paul Gregg, Extension Entomologist of the Texas A. & M. College. The instruction included culture and care of trees from the planting to the spraying and gathering of nuts.

The Rio Grande Horticultural Club is planning to sponsor the organization of the Texas Avocado Association. The organization will improve, promote and advance the growing and marketing of avocados in Texas. Dr. W. C. Cooper of the Valley Experiment Station said that 40,000 avocado seedlings are being propagated in the Valley now. Headquarters for the association will be at Weslaco.

Water hemlock poisoning recently threatened livestock in Kent county. Treatment was given by local veterinarians, but no favorable results were shown on animals that had consumed large quantities of the plant. Complete eradication of water hemlock from pastures is necessary for complete control, according to entomologists of the Texas A. & M. College.

Bang's disease is reported in Refugio county, where cattlemen are battling to get the disease under control. Fifty herd owners have signed Bang's disease agreements with the Bureau of Animal Husbandry to have their herds tested by Federal veterinarians. All heifers used in breeding are being vaccinated with strain No. 19.

The Junior Livestock Association has been organized at Canyon, Randall county, to sponsor a Junior Livestock Show for members of the 4-H Clubs and Future Farmers of America.

The agricultural bulletin issued by the Rock Island Railroad estimates the Texas Panhandle wheat crop at between 30,000,000 and 40,000,000 bushels this year. The Panhandle has approximately 4,800,000 acres in wheat. This is 70 per cent of the total wheat acreage in Texas this year. Of the total Panhandle wheat crop, it is estimated that 60 per cent of the acreage was seeded and that 40 per cent of the crop is volunteer.

Truck gardeners in the Yoakum section of Texas have planted more than 2,500,000 tomato plants to replace those killed by the late March freeze. The acreage planted to tomatoes will be the largest in 20 years.

Ted L. Spencer of Gilmer has arrived in Saudi Arabia where he will be employed as an agricultural agent by the Arab Government. Prior to the war Spencer was County Farm Demonstration Agent in Morris county, living in Daingerfield. He enlisted at the outbreak of war and saw service as an officer in Italy, Sicily and Corsica.

Cash prizes totaling \$325 were presented to Future Farmers of America boys at Hearne at a meeting of the Hearne Chamber of Commerce and Robertson County Farm Bureau, joint sponsors of the contest. L. C. Degelia won first prize of \$132. He gathered 702.6 pounds of lint cotton per acre from 6 acres. Joe Reistino Jr. won second prize of \$81 by a yield of 662.4 pounds of lint cotton per acre from 9 acres.

L. G. Gregory, district soil conservationist, cites Edwin A. Meyer, who farms near Tynam in Bee county, as an ideal conservation cooperator. Meyer grows corn. He plants two rows of corn with two rows of Chinese red cow peas between. After he harvests corn in August, he runs a stalk cutter over the field to scatter corn stalks and pea vines over the ground. This is followed with disc plows and the stalks and pea vines are plowed under. A volunteer crop of cow peas soon comes up as a winter cover crop. This crop is turned under at spring plowing. Increased corn yield is the result.

Texas farmers should prepare now to combat a heavy 1948 crop of grasshoppers. Paul Gregg of Texas A. & M. College, self-styled "grasshopper leader," warns. He is in charge of the grasshopper control division of the Bu-

reau of Entomology and plant quarantine, a joint undertaking of the Texas Extension Service and the United States Department of Agriculture. Each fall his operatives take a census over the State of grasshopper eggs. The census last fall showed a larger number of hopper eggs than in normal years and indicates a heavy infestation of grasshoppers in the cotton and corn belts.

The Humble Future Farmers of America in Harris county are getting ready for their second annual poultry show. In less than two years this chapter has acquired assets of approximately \$35,000, according to Justus Smith, vocational agriculture teacher and sponsor of the chapter. Value of individual poultry and livestock being made ready for the show is more than \$35,000. R. E. Carson, a member of the chapter, entered the champion calf in the Waller County Fair, and Fred (Sonny) Johnson, another member, fed two Brahma bulls for Pete Frost of Houston, one of which sold for \$5,000 at the Houston Fat Stock Show.

The 1949 Chamber of Commerce Junior Livestock Show and Sale will be held in Waco in January ahead of the livestock shows to be held in Fort Worth and Houston. Exact dates will be determined later, but the directors have decided that the show at Waco should be held well in advance of the large shows at Fort Worth and Houston.

More than one-half of the area of East Texas consists of forest lands. In 36 counties in the commercial timber belt, trees of value for industrial purposes grow on 57 per cent of the total land area; from these forests come lumber, paper, ties, poles, arbutine, resin, and many other valuable products.

Progressive, modern farm practices have built for Gilbert W. Liestman of Alief, Harris county, one of the outstanding dairy farms of South Texas. Pasture improvement programs adopted in 1935 have gone far in making the Liestman Dairy a South Texas leader. By carefully following this program, Liestman now has what is regarded as the best dairy pasture in Harris county. The pasture has been given application of 200 pounds of 20 per cent super phosphate every two years since 1935, and the 59 acres of grass will support 65 dairy cows the year round.

Deaf Smith county has harvested its first commercial sugar beet crop. The average yield is estimated at 13 1/2 tons per acre and sugar content in samples tested runs as high as 19 per cent. All producers in the sugar belt contracted to sell their beets to the American Crystal Sugar Company of Rocky Ford, Colo. Growers were guaranteed a price of \$14.50 per ton based on 16 per cent sugar content.

Seven of the ten Jersey calves born in Hunt county as result of artificial breeding are heifers, according to J. E. Spradlin, technician for the Hunt County Artificial Breeding Association. All of the calves were sturdy and strong at birth, but two of them have been lost because of scours. The calves have developed rapidly and are classed by Spradlin as some of the best heifer calves he has ever seen.

Upshur county farmers, 4-H Club members and boys in the F.F.A. are being offered more than \$200 in prizes by the Gilmer Chamber of Commerce for the best yield in corn this year.

In 1944 W. R. Booth, 48, earned a moderate salary as an employe of the United Gas Company in Houston. Today he is owner of one of the best hog ranches in Harris county located on a 46-acre tract near Spring. He bought the farm in 1944 for \$12,500. Last year he showed profit of \$20,000 by feeding hogs for the Houston market.

In 1919 a cattle raiser of the Texas Panhandle inserted an ad in the Amarillo News offering 520 cattle for sale. "Mostly long yearling white-face steers and heifers of which about 60 head are over 2 years old" at \$55 per head. The price included 12 1/2 sections of grass that would take care of 1,000 head of cattle to April 1. W. W. Anthony of Amarillo has the clipping and displayed it during the annual show of the Panhandle Livestock Association in Amarillo.

J. M. Huffington, owner of the Huffington Ranch near Hockley, on the Texas Gulf Coast, has exploded an old theory that rice products can not be fed successfully to cattle and horses. Huffington fed a mixture of rice bran and peanut hay to steers on his ranch and demonstrated that this is good for fattening livestock. The mixture costs him 2 cents a pound.

Here's what the **FARMALL SYSTEM** means to **YOU!**
For handling two 14-inch plow bottoms and comparable work, FARMALL H (above) is the choice.

The Farmall System of Farming is an American institution. Its roots are in the soil... on your farm, on the farms of your neighbors.
To increase productivity and speed field work, look to the Farmall System for the answer. A Farmall Tractor and matched machines can mean greater operating economy and efficiency on the family farm — and that brings better living!
Five basic models make up the Farmall lineup. There's a size for every farm, an endless selection of Farmall equipment to work in every crop and soil condition.
The answer to the power problem on your farm can be found in the Farmall System. Your nearest International Harvester dealer can give you full details on the model that fits your farm.

FARMALL Leads the Way!

Spinach shipments from the Uvalde section are late because of the severely cold weather. J. B. Williams, Southern Pacific Railway agent, reports only 289 carloads shipped up to March 15.
C. C. Smith of Uvalde county has 150 acres of oats on which he is fattening 206 yearling heifers. The oat crop is on irrigated land and makes a fine pasture. Smith says he has found it more profitable to fatten heifers than steers because the heifers fatten faster and can be finished for market in a shorter time. In addition to the grazing on oats, the cattle are being fed ground begari with 15 per cent cotton seed meal added. A home-made self-feeder, 54 feet long, built so that the cattle can feed from both sides, and holding 14 tons of feed, keeps food before the heifers at all times.
About 700 acres of irrigated land near Uvalde has been planted to spinach. This tract last year produced about 250 baskets of spinach to the acre. The spinach sold for about \$1.40 per basket.

Arrival of a shipment of cork tree acorns in Eagle Pass marks a forward step in the project of the Crown Cork & Seal Company to develop a domestic cork supply capable of meeting the present import demand for 160,000 tons of cork. Maverick county is a part of this project.

Twenty-two different varieties of cotton were planted about the end of March on a test plot on the Carl Richardson farm in the West Oslo Community in Nueces county. The cotton was planted by Richardson and Henry L. Alsmeyer, Nueces County Farm agent. Each variety was carefully marked as to location and careful check will be kept on yield, date of maturity, etc.

The changing picture of farm operations in Texas, from horse-drawn to mechanized implements, is clearly shown in statistics of the farm census taken by the Census Bureau. In 1920 Texas had 1,199,000 horses, 784,000 mules and only 9,048 tractors. In 1946 the State had 468,000 horses, 230,000 mules and 162,381 tractors. Since 1946 the trend has been more marked as the number of horses and mules has declined at a more rapid rate and the number of tractors has increased.

A calf with eight legs was born on the Rufe Oliver farm near Groesbeck. The calf also had three ears, but only two eyes. Dr. George Ragan said the calf was of mixed Jersey and Brahman breed and had two spinal columns and two intestinal tracts.
