

Rockwood Baptist Officers-Teachers Meet For Study

Teachers and officers of the Rockwood Baptist Church met at the home of Mrs. Evan Wise Tuesday night, to study the Sunday School lesson, taught by Mrs. Arthur King.

Those present were Rev. and Mrs. Tabor, Mr. and Mrs. Ray Steward, Mrs. Lon Gray, Cecil Davis, Frank McCreary, J. T. Adian, Arthur King and Mrs. Wise.

Mr. and Mrs. Oran Henderson and Ora Beth of Lamesa were week-end visitors with their parents, Mr. and Mrs. Hardy Blue and Mr. and Mrs. J. D. Henderson. Oran returned to his work, and Mrs. Henderson and Ora Beth remained for a longer visit. Also visiting with the Hendersons at the week-end were their daughter and son-in-law, Mr. and Mrs. Tommie Orr, of Houston. The Hendersons accompanied the Orr's home for a few days visit.

Improvements—

In recent week there has been quite a bit of improvements going on in Santa Anna.

Mrs. R. C. Gay, who owns the building occupied by the Hosch Grocery has done much repair work and improvement on the front and interior of the building, which includes laying of a hardwood floor over the old one. A partition was moved back which gives much more space in the sales room.

The proprietors have rearranged their stock and fixtures and have added some fixtures to make a very nice grocery store.

The Santa Fe Railroad has also completed a fine exterior painting job in the depot, and previously the interior of the building had undergone repairs, painting, and improvements which has made the depot a more modern building.

With Your County Home Dem. Agent

Demonstrations for the Home Demonstration Club members for 1949 are centering around

Bedroom Improvement and Family Life Cooperators and demonstrators are very enthusiastic about the programs. Mrs. John Perry of Santa Anna has her plans for the next year, and maybe two years, down pretty pat. First, comes a new closet which will provide the two bedrooms with storage space. Shelves behind one door will utilize wasted space and give a place for magazines, books, etc. Mrs. Perry also expects to equip one bed to meet standard requirements.

Mrs. Joe C. Barnes of Whon has plans that include the whole house, since a new one is under construction. Storage space, doors and arrangements were under discussion the last visit I made down there. A real fire place has been built and is a very good idea in any rural home. Concrete floors will be covered with some good covering. The house is small but will be compact and very livable.

Mrs. Douglas Moore of Santa Anna is undertaking enough bedroom improvement that she will probably reach the standing of a demonstrator. She plans to add about 6 feet in her front bedroom by taking in the front porch—3 feet will be put into a closet though on an inside wall. The closet will be nice and large and by also moving a door. Mrs. Moore will also have another full closet. While talking of closets, a new one will be added in the bathroom to utilize a wasted corner. The front door will have to be moved and will be put on

the west side of the house, giving an unusual front entrance.

Mrs. Marvin Whitley of Trickham started on her landscape plan last year under the direction of Miss Alma Lewis and has much hedge and screening done. The yard has to be filled some and leveled and beds prepared for foundation shrubs. She plans to put out only a few shrubs this year so plans were made to cover about three more years. A flagstone walk is to be built. Mrs. Whitley, since building a new house, is also carrying Bedroom Improvement as demonstrator in her club.

Mrs. Jess Hinds of Coleman is off to a good start at a 1st year Landscape demonstrator. The yard has been filled and leveled and walks and drives built. The fence is under construction and foundation shrubs should be out by now as I haven't stopped by in a week or more. An outdoor living room and furnace were planned as well as a flower garden to be enjoyed from the kitchen window. Mrs. Hinds is a

member of the Gouldbusk home demonstration club.

A Silver Valley Home Demonstration club member interested in Bedroom Improvements is Mrs. Jerry Wilson, who is also a 4-H Leader at Novice and especially interested in helping her daughter, Wanda, develop a good Bedroom Improvement demonstration. Mrs. Wilson is making plans to put closets in all 3 of her bedrooms to help relieve the crowded situation. Ideas should materialize soon and we can then look forward to a stop with Mrs. Wilson on our spring tour.

Another stop should include

Mrs. Leonard Norris' at Silver Valley, for she is beginning her second year on Landscaping. Last year, only a few foundation shrubs were put out, the yard leveled and grass started. A flower and rose garden was started. The other day we made a lot more plans to last several more years and to include some fence moving, concrete work and making an outdoor living room.

Mr. and Mrs. George Kelley, from Universal Mills in Fort Worth, were attending to business Monday, and visiting Mr. and Mrs. Bill Griffin. Mr. Kelley is the editor of the Universal Farmer.

New Plymouth on Display

Plymouth's new special deluxe four-door sedan (above). Throughout the new Plymouth line beautifully streamlined bodies are lower and narrower, seats are wider and headroom greater. At the same time overall exterior dimensions are reduced, but wheelbase has been lengthened to 118 inches and glass area is increased. Horsepower is raised to 97. Although fenders flow gracefully into the body they are detachable for ease in repair.

**New Plymouth Features Beauty,
Performance, Safety and Comfort**

Brilliant new styling is combined with outstanding riding comfort, increased roominess, and sweeping mechanical improvements in the new line of Plymouth automobiles.

Completely redesigned, the new Plymouth has a longer wheelbase for a better ride and more road stability, but less front and rear overhang for easier parking and garaging. While the silhouette has been lowered and the width decreased, there is more head and leg room and seats are wider. Typical of Plymouth's many refinements is the ignition-starter combination, with which a turn of the key starts the engine.

The new Plymouths are sleek in appearance. New rear-end styling provides a graceful balance with the horizontal grille lines which empha-

size the broadness of the front. Fenders which blend perfectly into body lines are nevertheless separate and detachable, thus avoiding sheet metal panels so costly to repair or replace.

The new Plymouth line includes nine distinct automobiles. Special deluxe and deluxe types are on a 118-inch wheelbase, one inch longer than last year's. Special deluxe models are: four-door sedan, club coupe, convertible club coupe and station wagon. In the deluxe group are the four-door sedan and the club coupe. In addition, Plymouth will build three deluxe models on a brand new 111-inch wheelbase, a two-door sedan, a three-passenger coupe, and a new body type, the Suburban.

The 97-horsepower engine has im-

proved performance and efficiency with a new design cylinder head which increases compression ratio to 7 to 1. A new chrome plated compression piston ring reduces cylinder wear and provides greater protection during the break-in period. There are improved oil rings for greater oil economy, while a newly-designed intake manifold induces quicker, smoother engine warm-up and produces faster throttle response.

Body styling which produces greater passenger room without excessive bulk also increases visibility. V-type windshields have 37 percent more area and provide excellent vision without distortion. Windshield wipers clear 61.5 percent greater area and the rear window is 35.4 percent larger.

Leadership School

Lesson for March 20, 1949

IT TAKES more than a call of God to be a Christian leader. It takes study, it takes work. The call is necessary, of course, but it is not all. Jesus set the church an example here as always. He called his Twelve; but he was not so foolish as to think that just because he had called them they were all ready to go out and take the lead. Jesus put them through what Dr. Foreman may be called the first Leadership Training School in the history of the Christian church.

Dr. Foreman

Who Was Enrolled?

THE TWELVE disciples were the training class. Not all Jesus' disciples were equal to it, perhaps some of them actually did not have the time. But the Twelve had already been set off from the others, not because they were better men, but in order to receive direct service in Christ's agency. There was nothing formal about Jesus' training school.

It met wherever he was at the time—in a house, or by the roadside, or on a hill-top. There were no set hours, no textbooks, credits or diplomas.

Jesus kept it going to the very end, for even after the Resurrection, as Luke tells us in Acts 1 he was still teaching his Twelve.

What Did They Study?

THERE WAS no printed circular, no bulletin, no prospectus or catalogue. All the "courses" amounted to just one thing: learning to do what Jesus was doing. To this day, that is the aim of all Christian training. Mark and Luke mention at least four things Jesus' training school students learned from him: preaching, healing the sick, feeding the hungry, and praying. It would not be quite true to say that part of what they learned was spiritual and part practical; for there is nothing more practical than praying as Jesus taught it, and Jesus never transferred to people's physical needs without teaching their spirits too.

Many a person now in some hospital for the insane need not have gone there, if he had had the help that a well-trained minister can give.

Ministers today are not taught how to perform miracles like the feeding of the 5,000, but knowing that people's physical well-being has a great deal to do with their spiritual welfare, the alert young Christian minister of today will be keenly interested in Christian social action.

How Did They Learn?

THE TWELVE learned by doing. It is the only way you learn anything of a practical nature. Memorizing a textbook, memorizing rules, is not learning. You have learned how to do a thing only when you can do it. Of course you have to see it done, first. A boy on the farm learns to be a farmer by watching his father and helping him, more than from school courses in agriculture, useful as they are. There is nothing to take the place of apprenticeship under one who knows. So Jesus' Twelve watched him, listened to him, helped him, before they were trusted on their own.

Will It Still Work?

THE METHODS Jesus taught are just as effective today as they ever were. Not all churches nowadays follow his line to the letter; in fact, most churches do not. But the basic principles which Jesus drilled into his first traveling representatives are still good. One is faith.

Missionaries in the 20th Century are required to take a great deal more equipment with them to their fields than one pair of shoes, one cane and an empty purse. Yet who can deny that any missionary of any church, in China or in Korea today, must live by faith from day to day?

Another of Jesus' principles was

direct contact. People are not won to Christ chiefly by sermons from pulpits, but by in-the-home contacts. Ministers know this, missionaries know it; Sunday school teachers ought to know it too. Getting acquainted with your boys and girls at their homes, and being a friend to them there, is what will give your Sunday teaching its greatest force and success.

Dorcus Class Has Regular Social Meet

The Dorcus Class of the First Baptist Church had their regular social meeting Wednesday, March 9 at 2:30 in the beautiful new home of Mrs. Elton McDonald, which was made more attractive for the occasion with arrangements of spring flowers for rooms of the house.

The meeting was opened with a prayer by Mrs. M. R. Pellock. The devotional was given by Mrs. Frank Leady. The president, Mrs. Jess Howard, conducted the busi-

ness session. An exchange of gifts followed the business meeting. Each member drew a name to be a good neighbor to for the next quarter.

During the social hour the class peiced on a quilt, when finished, to be given to some needy family.

Refreshments of chicken salad sandwiches, potatoe chips, Gherkins' cake, coffee and tea was served to 25 members present.

Mr. and Mrs. Alford England, of Abilene, were here over the week-end visiting with her parents, Mr. and Mrs. Collin Price.

From where I sit... by Joe Marsh

Never Too Late To Learn

Cappy Miller's young son, Squint, is forever coming up with new ideas. Now they're not all world heaters, but Cappy is usually willing to give them a try.

Seems Squint found a new way to clean dishes. There's the water, the suds, about thirty feet apart, and connect them with a heavy chain weighted down on the ground with (it) him. First they both go in all in one direction, then they check over the same stretch in the opposite direction and up come the best—clean and all. Works fine and saves time.

That's why things go so well at the Miller farm. Cappy is open-minded, tolerant of new ideas and new ways of doing. He doesn't think the way is the only way.

From where I sit, a little tolerance will make things go better for all of us. You respect my views and I'll respect yours—whether it's on politics, or choosing between vanilla cream soda or a temporary glass of beer.

By having our well supply of water, the City has not been forced to have water shipped into town from Brownwood. If we had shipped the same amount of water from Brownwood that these wells have produced in fifteen months the freight alone would have been \$42,316.70 or at a rate of \$1.56 3/4 per 1,000 gallons.

This freight cost plus equipment to load and unload cars would have made it necessary to charge a water rate in excess of \$2.00 per 1,000 gallons to the consumers. The total cost of our wells pipe line to the plant and lease of water rights, and right-of-way for pipe line has been \$25,486.00

P-T. A. Has Regular Meeting

The Santa Anna P-T. A. had an interesting and well attended meeting Tuesday afternoon in the Ward School auditorium, with Mrs. Kent Martin presiding.

The pledge to the flag was given. Mrs. Jack Shields, program chairman, introduced Mrs. Frank Tomer and Mrs. Jim Harris, who presented a program of songs and dances. The boys dressed in cowboy costumes sang two cowboy songs, and some of the boys and a group of girls in costume gave two dance numbers.

Mrs. T. M. Gilliam, speaker for the afternoon, made a splendid talk on "The Home, A Place to Develop Citizenship."

During the business session routine business was attended to and upon the recommendation of the nominating committee composed of Mrs. Tom Simpson, Mrs. Bud Spurgeon and Mrs. A. D. Doham, Jr., Mrs. Jack Shields was elected president for the next year.

Mrs. Bell Vinton made a good financial report, stating the 42 party was a success and that the movie projector has been paid for, and there is a balance in the treasury.

In the room count Mrs. Harris gave the attendance as 42.

Following adjournment a social period was enjoyed in the lunch room, during which time refreshments of dainty sandwiches and hot tea were served by mothers of the 5th and 6th grade pupils.

The newly elected officers will be installed at the officers meeting.

Announcement was made that the 42 party scheduled for March 24th has been postponed.

APRIL 9, '49 IS AN IMPORTANT DAY AT PIGGLY WIGGLY

World Day of Prayer Observed At Church

There was a large attendance of women at the Methodist Church on Friday morning, March 4, when the World Day of Prayer was observed, which was sponsored locally by the Federated Missionary Societies.

The general theme for the service was "The Lord is Thy Keeper."

Mrs. J. R. Clipson was leader for the responsive readings, in which all participated.

Appropriate hymns were sung and many prayers offered.

A liberal offering was taken for the World Council of Church Women, for its many agencies of service in this and foreign countries.

Last year 74 countries took part in the World Day of Prayer, as groups met first in the Philippines, and the day closed with worshippers in Alaska.

An interesting feature of the service here, and very reverent, was a part in song by our colored people.

Pearl Collins Wilson sang "Lord, I Want to be a Christian," and a group of girls and young women sang a number, with Miss Elsie Lee Harper playing the organ accompaniment.

Trickham Home Dem. Has Regular Meeting

The Trickham Home Demonstration club met at the club room Wednesday, March 9, with seven members present. The vice president, Mrs. Lige Lancaster, was in charge, who also led the club motto and prayer. Mrs. Oscar Boenike led the songs and Ruth Dean, secretary, read the minutes. Mrs. A. H. Dean, Council Delegate, gave a council report.

The topic for the day was "Use of Proper Introductions." Five rules of introducing were given by Mrs. Linton Oakes.

A game led by Mrs. Oscar Boenike was enjoyed very much.

The club made plans to entertain the 4-H club girls Friday night, March 18.

Mr. and Mrs. S. L. York, of Abilene, were week-end visitors with her parents, Mr. and Mrs. B. Smith.

Calendar Of Coming Events

FRIDAY, MARCH 18 The Home Demonstration club meets at 2 p. m. in the home of Mrs. Louis Zachary. The Self Culture Club meeting will be held at Mrs. F. Z. Paynes at 3:30 p. m.

Miss M. Lawrence Speaks On China

When Miss Margaret Lawrence, home on furlough from China, spoke at the Christian Church on Friday afternoon, there was a fine attendance.

Mrs. E. H. Wylie conducted the devotional, Miss Lena Boyd led in prayer and Mrs. Preston Bailey introduced the speaker.

Miss Lawrence is a fluent speaker and well informed.

She told of the faithfulness and perseverance of Chinese Christians under Japanese occupation and hindrance.

She said that when the Japanese took the seats out of the churches, the members continued to attend faithfully, taking something with them to sit on. Many of them had to walk long distances.

In spite of the poverty of most of the Chinese people, many of the churches are working toward full self support.

It remains to be seen what Communist occupation may do for China, but the Christians have declared that if their churches are confiscated, or public assembly is forbidden, they will carry on faithfully in their homes.

Miss Lawrence hopes to return to her work as a high school teacher in the Gungling School for girls, at Nanking, China, this year, if she can get under the Iron Curtain. When one of her high school girls was asked about Buddha and Christ, she replied "Buddha is for the old people, its Christ for the young people."

Rockwood W. S. C. S. Has Regular Meeting

The women of the W. S. C. S. met at the Methodist Church Monday, at 2 o'clock in study of "America's Geographical Frontiers," with Mrs. C. H. Porter, leader. Topics discussed were Alaska, Panama Canal Zone and the Virgin Islands.

Plans were made for the Easter Social to be April 11, at the home of Mrs. Marcus Johnson, with Mrs. J. P. Richardson as co-hostess.

Members present were Mmes.
