SANTA ANNA, COLEMAN COUNTY, TEXAS, FRIDAY, JULY 29, 1949

NUMBER 30

## Two School Elections Called For Sat., July 30

### Pact Ratified With Signing By President

Washington, July 25.—(UP)—President Truman formerly ratified the North Atlantic pact today, hailing it as a "historic step toward a world of peace." The Senate gave consent to ratification last Thursday and Mr. Truman took this formal step today, as he signed the treaty. Mr. Truman issued a statement saying:

"The American people value peace and freedom above all things. Our ratification of the North Atlantic Pact with the overwhelming support of the Senate and the people shows our determination to preserve this peace and freedom.

"This treaty is a historic step toward a world of peace, a free world, free from fear, but it is only one step. We have malice toward none. With our partners in the pact and other like-minded peoples, we must, with God's help and guidance, work for peace with every means at our command.

"We must keep ourselves morally and materially strong. We must play our part in helping to strengthen freedom everywhere. We must work patiently and tirelessly to make the United Nations ever more effective of its great task. We must seek ever greater unity of purpose and of action in the cause of peace."

The ratification instrument signed by the president will be deposited without ceremony in the State Department's treaty archives. The treaty will come into effect when ratifications are deposited by France and the Netherlands. At that time, the president will officially proclaim the treaty in force.

The treaty becomes effective when ratifications of the seven original negotiating nations are deposited in Washington. The U. S. is the fifth of the seven to complete ratification. Belgium, Canada, Luxembourg and the United Kingdom have previously done so.

### Mrs. J. W. Collier's Sister Succumbs

Mrs. Fannie Huggins, 87, who made her home here for several years with her sister, Mrs. J. W. Collier, died in Wortham on Thursday, July 21, the anniversary of her wedding day. She died in the home of a son, where she had gone to live about six months ago, because of failing health.

She is survived by six sons and two daughters, also three brothers and three sisters.

Funeral services were held at Wortham on Friday afternoon.

The many friends she made while here join with relatives in regretting her passing.

### CORRECTION

Through an oversight in last week's paper, the name of Willie King was left out, as one of the pall bearers for the funeral of Mr. E. L. Hill.

Mr. and Mrs. W. D. Robertson, of Wichita Falls, visited his sisters and their husbands, Mr. and Mrs. F. A. Rollins and Mr. and Mrs. Carl Williams over the week-end.

Leon Oakes who has been working in the oil fields at Anahuac, arrived here Wednesday and after a few days here with the home folks, will return to San Delgo, Cal. where he formerly worked.

### Honor Roll Announced On Paving Project

Funds to pave the cemetery street from the end of Bowie Avenue to the south city limit, reached \$1,111.00 by Tuesday evening of this week. The main drive for funds is in the process of getting started and will soon be underway.

Plans have been made to widen the road from the present 40 foot roadway to 50 feet, and the property owners have already donated the land for this purpose. The land owners along this road have donated 10 feet of their property. The land owners who donated land are: M. M. Overby, Mr. and Mrs. J. A. Harrington, S. A. Niell, estate, Miss Louella Chambers, Mr. and Mrs. W. Preston West, Mr. and Mrs. Otto Lange and Claude and Dorothy Bible.

The paving on this road will be 18 feet wide.

Following is a list of the ones who have made donations:

W. L. Campbell	100.00
C. F. Campbell	100.00
B. A. Parker	100.00
Ozro Eubank	100.00
J. W. Riley	100.00
Sidney L. Blanton	100.00
Ralph Mathews	100.00
Hosch Brothers	100.00
E. L. Day	10.00
E. M. Hickman	10.00
J. J. Horner	10.00
J. R. Pearce	25.00
Mrs. A. D. Donham	50.00
Frank Fields	5.00
R. D. Holt	5.00
Lois Henderson	5.00
Tom Todd	1.00
G. O. Wells	70.00
Howard Kingsberry	25.00
Virgil Newman	25.00
J. L. Boggus	50.00
Sam H. Duggins	10.00
Garden Club	5.00
Will F. Holt	5.00
<b>TOTAL</b>	<b>\$1,111.00</b>

Each week we will carry an honor roll of the ones who have made donations to the paving of the cemetery street, along with the total for that week and the grand total. Remember, your donations are deductible from your income tax. Let's all put our every effort behind this drive.

### Dedication Of Trickham Union Church Sunday

Dedication Services will be held Sunday, July 31, for the Trickham Church. The dedication sermon will be delivered by the Rev. J. B. Weathers, his subject being "Strength and Beauty Are In His Sanctuary". Psa. 96:6. The program will begin at 11:00 a. m. and will continue on into the afternoon, with a basket lunch being at the noon hour, a song service at 2:00 p. m. and recognition of visitors and a sermon by the Rev. H. E. Newsome following.

Mrs. Linnie Biggs and children, Gerald D., Norman Neal, and Linnie Frances, of Bangs, were Sunday dinner guests of her mother, Mrs. B. Wagner, and Mr. Wagner. Mr. and Mrs. Jack Mobley and Jackie and Margaret Ann also visited with them.

Mr. and Mrs. J. D. Huggins and their four children, of Stratford, were week-end visitors with his grandmother, Mrs. E. D. Huggins, and with his sister, Mrs. John Perry and family.

Mrs. W. H. Zachary, who has been on the sick list for some time at her home, is improving.

### Work Progressing On Bowie Avenue

The paving of Bowie Avenue is progressing fine, with the curb and gutter forms being laid in the first section of the road and the pouring of the curb and gutter to the end of Bowie Ave. should be completed by Thursday. All the curb and gutter to the end of Bowie should be poured within two weeks.

The two culverts on this street will be extended out to cover the road bed and bar ditches will be cleaned out so that water can run off, without stopping up the culverts.

The city is also taking up a 2 inch water main from the corner of Crockett Street to the end of Bowie Avenue and replacing it with a four inch main. A two inch main will continue from the corner at the end of Bowie to the cemetery.

Recently the city has completed the laying of a 6 inch main from the corner where Mrs. T. T. Perry lives almost to where W. B. Griffin lives. There has been a one inch main carrying water to this part of town in the past. Also two fire plugs have been added on the Brady highway; one at the New Hope Baptist Church and one at the end of the new 6 inch line. During the summer months water has been hard to get in this section of town, due to the small main carrying the water.

### DDT Fogging Of Town Delayed

The fogging of the town has been delayed the past few days due to the fact the city is having trouble getting DDT.

The DDT on hand was used up a little over a week ago, and more was ordered, but for some reason, the shipment has been delayed. Usually in the past, DDT has been delivered within two or three days after the order has been placed. However, some is expected to be here this week and the spraying of the town resumed.

Mrs. Nora James returned early last week, from a several weeks stay with her children, Woodie and family, in San Angelo, and Mrs. Leon Morgan, Jr. in El Paso. Woodie's wife is recovering from surgery, and Mrs. Morgan from an illness in which she was hospitalized. Mrs. James left Tuesday for Trickham, where she is employed in the Ben McIver home.

Miss Olga Neill, after visiting with her sister, Mrs. George Ubel, in New York, returned here last week, and after spending the week-end with her mother, Mrs. Ola Neill, returned to Temple to resume her work.

Mr. and Mrs. W. A. Davis and Martha and Bill, of Ft. Worth, are visiting here with relatives, Mrs. W. T. Vinson and grandchildren, Manon and Loyd Dale Evans, who had been visiting them returned home with them.

Those visiting in the Erin Day home this week were: Mr. and Mrs. Allen Gillespie, of Tyler; Mr. and Mrs. Ray Otom, Judy and Jerrie, of College Station; and Mr. and Mrs. Jack Howard of Houston.

Mr. and Mrs. C. F. Walker and Children, Freddie and Frankie, attended the Paige family reunion, which met in the park at Georgetown, Sunday. On Sunday night they visited with his brother and wife, at Llano.

### All Dogs Must Be Licensed By August First

The time is drawing near when all dogs in Santa Anna must have a license and be vaccinated for rabies. The time set for the impounding of stray dogs, and the picking up of dogs without a paid city license is August 1. After that time all dogs reported will be picked up and impounded the proper number of days, and if not claimed by that time, will be picked up and disposed of.

To get a city license for your dog, you must first have your dog vaccinated for rabies, and present a receipt, signed by whom ever administered the vaccination, to the city secretary. This is the only way the city license can be obtained.

Reports from the city hall indicate that a number have already been registered, but there are still lots of them that need to be registered.

### School Transfers Must Be Made This Month

D. E. Loveless, County School Superintendent, makes the following announcement in regard to the transferring of pupils from one school district to another:

All transfers must be made during the month of July, parents or guardians may secure the transfer blanks and file applications at the office of the County Superintendent in Coleman.

Patrons of the following school districts must file transfers for all the pupils as indicated below:

Cross Roads: Transfer all pupils above the eighth grade.

Buffalo: Transfer all pupils above the seventh grade.

Mukewater: Transfer all pupils above the sixth grade.

Trickham: Transfer all pupils above the sixth grade.

Rockwood: Transfer all pupils above the sixth grade.

The following school districts have already contracted their entire school population to some other school as indicated below. It will not be necessary for parents to file individual transfer applications from these districts as the contract executed by the local board transferred all pupils in the one blanket transfer. But if pupils plan to attend some other school other than the one to which their home district has been contracted, it will be necessary for parents to file individual transfers before the end of July. These schools have already contracted as indicated.

Liberty: Contracted by local board to Santa Anna.

Shields: Contracted by local board to Santa Anna.

Ledy: Contracted by local board to Mozelle.

The following schools have not authorized the County Superintendent to make a definite statement to date, but more than likely, all will contract as indicated below:

Cleveland: Probably will contract to Santa Anna.

Whon: Probably will contract to Santa Anna.

Glen Cove: Probably will contract to Talpa.

Mr. and Mrs. Emmet Mitchell and their three sons, of Baytown, visited from Friday until Monday with her grandmother, Mrs. W. F. Smith.

### Bond Assumption And Maintenance Tax To Be Voted On

Two elections will be held at the city hall in Santa Anna on Saturday, July 30. Both of these elections have come about as a result of the Gilmer-Akins school law that has recently been passed by the Texas legislature, and will concern the three dormant school districts that have been recently added to the Santa Anna School District and will also concern the Santa Anna School District.

The two questions to be voted on are the Maintenance Tax question and the Bond Assumption question. The questions will be stated on the ballots thusly:

1. FOR: Maintenance Tax, or AGAINST: Maintenance Tax.

2. FOR: Assumption of Indebtedness and Levying the Tax in Payment Thereof, or AGAINST: Assumption of Indebtedness and Levying the Tax in Payment Thereof.

The bond assumption election is a question as to whether the new district as made by the Gilmer-Akins bill, will assume the bonded indebtedness of all four districts and divide the indebtedness equally in the new Santa Anna Independent School District.

The question of the Maintenance Tax concerns the levying of a school tax of \$1.50 per \$100 valuation set on the State and County valuations. This will cover the entire new Santa Anna Independent School District.

In the past, the Santa Anna Independent School District valuation has been \$1,450,000 and taxed at the rate of \$1.00 per \$100 valuation. Under the State and County valuations the valuation of the new district will be \$1,300,000 and if the question carries, will be taxed at the rate of \$1.50 per \$100 valuation. Under the State and County valuation, the old Santa Anna School District was valued at \$935,000, or a little less than one-third the valuation of the old Santa Anna School District. Provided the Maintenance Tax passes, the school tax paid by the Santa Anna School District will amount to approximately the same as have been paid in the past. The only difference will be a higher tax rate, with a considerably lower valuation.

Announcement is made this week that the Arrow Mills, Inc. will begin receiving grain sorghum under the Commodity Credit Conservation loan program on Friday of this week. At present there is an unlimited amount of storage space.

Sorghum containing not over 11.5 per cent moisture content will be accepted for storage by Arrow Mills. For this reason, it is suggested that farmers may find it advisable to delay harvesting a few days, to permit the grain to dry out so that it will not exceed the moisture content restriction.

So far as it is known at the present time, Arrow Mills, Inc., is the only concern in Coleman County that will accept grain sorghum for storage under the CCC loan program. It will be remembered that they are the only ones in Coleman County who had storage for the wheat crop that has just been harvested.

Mr. and Mrs. Frank Mills, of San Benita, are here visiting with his brother-in-law and sister, Mr. and Mrs. Paul Arnold. Tuesday, Mr. and Mrs. Mills took his mother, Mrs. Callie Mills, and Mrs. Arnold to San Angelo, where both are taking treatments from an Eye Specialist.

Mr. and Mrs. Ralph Conley and son, of Odessa, visited a part of last week with his parents, Mr. and Mrs. C. T. Conley.

Mrs. W. E. Wallace left last Friday, for a weeks visit with her son, Scott Wallace and family, at Plainview.

Mr. and Mrs. Wm. C. Smith are parents of a son born at 1:25 p. m. July 20, 1949. The baby weighed 8 lb. 2 oz. and has been named William Clyde. The baby has two sisters, Barbara Jean, age 8 and Shirley Lee, age 5.

A son born to Mrs. Wayne Kile of Coleman at 12:10 a. m. July 22, 1949, has been named James Preston. The baby weighed 7 lb. Grandparents are Mr. and Mrs. L. A. Kile and Mr. and Mrs. E. D. Stoupe, all of Coleman.

Mr. and Mrs. A. D. Donham Jr. are parents of a son born July 21 at 6:00 p. m. The baby has been named Martin Lewis. The Donhams have two other children, Janice age 11 and Larry, age 10.

A son, weighing 7 lbs. 6 oz. was born to Mr. and Mrs. Johnnie V. Gilbert at 4:12 a. m. July 25. The baby has been named Britton Langford. Grandparents are Mr. and Mrs. C. C. Gilbert and Mrs. M. A. Pritchard.

The following patients have been admitted to the Sealy Hospital within the last week:

Mrs. Wm. C. Smith, City  
Mrs. A. D. Donham, Jr., City  
Mrs. Wayne Kile, Coleman, Texas.

Mrs. Jo Dixon, Coleman, Texas  
Dorris McDonald, City  
Mr. Wayne Clevenger, Coleman, Texas.

Mrs. Johnnie V. Gilbert, City  
Mr. Chas. Evans, City  
Mr. Lester Guthrie, City

Mr. and Mrs. Wm. C. Smith are parents of a son born at 1:25 p. m. July 20, 1949. The baby weighed 8 lb. 2 oz. and has been named William Clyde. The baby has two sisters, Barbara Jean, age 8 and Shirley Lee, age 5.

A son born to Mrs. Wayne Kile of Coleman at 12:10 a. m. July 22, 1949, has been named James Preston. The baby weighed 7 lb. Grandparents are Mr. and Mrs. L. A. Kile and Mr. and Mrs. E. D. Stoupe, all of Coleman.

Mr. and Mrs. A. D. Donham Jr. are parents of a son born July 21 at 6:00 p. m. The baby has been named Martin Lewis. The Donhams have two other children, Janice age 11 and Larry, age 10.

A son, weighing 7 lbs. 6 oz. was born to Mr. and Mrs. Johnnie V. Gilbert at 4:12 a. m. July 25. The baby has been named Britton Langford. Grandparents are Mr. and Mrs. C. C. Gilbert and Mrs. M. A. Pritchard.

## Vote "For" On Both Questions Saturday

# Announcing . . . ARROW MILLS, INC.

Will Begin Receiving Grain Sorghum Friday, July 29th, For Storage Under The Commodity Credit Conservation Loan Program.

Only Sorghums Containing Not Over 11.5 Per Cent Moisture Content Will Be Accepted For Storage.

WE SUGGEST THAT FARMERS MAY FIND IT ADVISABLE TO DELAY HARVESTING A LITTLE TO PERMIT THE GRAIN TO DRY OUT SO THAT IT WILL NOT EXCEED THE MOISTURE CONTENT RESTRICTION.

USE ARROW FEEDS — THEY ARE THE BEST

**Keep Those PULLETS GROWING**

with **ARROW GRO MASH**

This is no time to check out! You've got your chicks started right—now keep them going that way. Depend on Arrow Gro Mash to continue development of your pullets right up to egg production time.

Start feeding Arrow Gro Mash when your chicks are 6-8 weeks old. It's highly fortified and balanced right to keep them growing at low cost to you.

**ARROW GRO MASH**

It won't be long until your pullets are ready to lay. So stop in today for your free supply of poultry record sheets. Ask for them at the same time you get your Arrow Gro Mash.

We carry the full line of Arrow Poultry Feeds. Come see us soon.

**GALLONS TURN INTO DOLLARS**

WITH **ARROW 18% DAIRY RATION**

High quality milk and lots of it—your success starts when you feed Arrow 18% Protein Dairy Ration. Contains a variety of proteins. Resists summer milk production and keeps it high. That extra milk will more than pay the difference of buying top feed for your 18% Protein Dairy Ration. Visit us today.

**ARROW TURKEY GRO MASH**

**ARROW BROILER FEED**

Whether you're raising fryers and broilers to eat yourself, or whether you're raising them for market, start them from the beginning with Arrow Broiler Feed . . . It helps put on those tender, juicy pounds in a hurry. . . . We Carry The Complete Line of ARROW POULTRY FEEDS. . . . Free poultry record sheets, too.

**ARROW TURKEY GRO MASH**

## Trickham News

(By Lea Mitchell and Mary Catherine Fellers)

Pat McClatchey, son of Mr. and Mrs. Wiley McClatchey, preached here last Sunday. No church Sunday evening. There was a singing by the young people Sunday night.

Everyone is invited to attend the dedication of the Trickham Union Church July 31, 1949. Program: Sunday School 10:00 a. m. Dedication Service 11:00 a. m. Basket lunch and Get-together 12:00 noon; Sing Song and Service, 2:00 p. m.

Mr. and Mrs. Marvin Whitley visited with Mr. and Mrs. Chleo James Saturday night.

Roberta James is visiting with Loretta Jenkins, of Fort Worth, this week.

Visitors with Mr. and Mrs. A. J. Martin Sunday were: Mr. and Mrs. Chleo James, Mrs. Lyndall Moore and Carol, and Mr. and Mrs. Ray McSwain and Mike.

Last Friday night Mr. and Mrs. Oscar Boenicke honored Charlie Shield, of Anchorage, Alaska, and Mrs. Ethel Johnson, of Corpus Christi, Texas, with a picnic supper. Others that attended were: Mr. and Mrs. Rankin McIver, Mrs. Shield and Mary Ora Driskill.

Lou and John Featherston attended the National Sheep Raisers Show and Sale held in San Angelo last Thursday and Friday. They purchased several of the blue ribbon winners.

Mr. and Mrs. Bill Ranne and son, of Brady, visited with Mr. and Mrs. H. B. James, Mrs. Vernon and Frank last week.

Sunday visitors of Mr. and Mrs. Oscar Boenicke were: Mrs. Shields, Charlie Shields, Mary Ora Driskill, Mr. and Mrs. Reburn Caudle and children and Mr. and Mrs. Carl Sheffield.

Mr. and Mrs. Dick Ford and children, of Spur, visited Mr. and Mrs. Marion Ford and family and other relatives here last week.

Peggy Ford spent a few days with her brother and sister-in-law, Mr. and Mrs. James Ford, of the Cleveland community.

Mr. and Mrs. Warren Colvin and children, of Richland Spring, are visiting with Mr. and Mrs. Marvin Whitley and other friends this week.

Mrs. Ethel Johnson and daughter, Joyce, of Corpus Christi, are visiting her parents, Mr. and Mrs. Ben McIver, and other relatives.

Visitors of Mr. and Mrs. S. M. Fellers Sunday were: Mr. and Mrs. DeWitt Wells, of Santa Anna, and Mr. and Mrs. Edward Leonard and children.

Guests of Mr. and Mrs. Otis Calcote Sunday were: Peggy Ford, Lea and Betty Mitchell, Lois Haynes, Mary Catherine, Sybil, Byrl and Donald Fellers, Wilma and Winona Bradley, and Mr. and Mrs. Darwin Lovelady, of Whon.

Mr. and Mrs. D. A. Ford, of Pear Valley, were brief callers of Mr. and Mrs. Leston Cozart Sunday.

Ollie Elva Fellers visited Patsy McIver last Sunday.

Mr. and Mrs. Marvin Spears visited with Mr. and Mrs. Bernice McIver Sunday.

Royace McIver spent Sunday with Burney Roy McIver.

Mr. and Mrs. Cliff Herndon left Saturday night on a vacation trip, visiting with relatives. They will visit with members of their families at Orlando, Fla., and Tuscaloosa, Ala. Mr. and Mrs. Paul Wilburn and Carolyn, of Big Lake, accompanied them on the trip.

Barbara Schmidt, of Brownsville, who has been spending the summer with her grandparents, Mr. and Mrs. B. W. Newman, left last Friday for San Antonio, where she had been called by the death of a grandfather. Mrs. Newman accompanied her and after spending the week-end with members of her family in San Antonio, returned home Monday.

J. Ross Kelley is here from Dallas, where he is employed, and is spending his two weeks vacation with his mother and dad, Mr. and Mrs. W. Ross Kelley.

For the past week Velton and Nelda Evans, from Granbury, have been visiting Mrs. T. E. Horton and family.

Radar Seaman Pat Gilmore, who is in the Navy, and stationed aboard a deystroyer, based at San Diego, Calif., arrived early last week on an 18 day leave, and is visiting with his parents, Mr. and Mrs. Basil Gilmore and Tom.

Cpl. Duane Rasberry is here on a 30 day furlough, visiting with his mother. He is from Switzen-gen, Germany, where he is serving with the Army Engineers. He has served 5 years in the Army, and is now signed up for 3 more.

Miss Betty Sue Todd returned to Denton, Monday, where she is a student at N. T. S. C., after a week-end spent with her parents, Mr. and Mrs. Tom Todd. Bettie Sue is majoring in Library Science.

## Is there one in your hand?

FROM ALL outward appearances your hand may appear normal, but—

—there may be a big hole in it just the same.

And through it, week after week, falls all the money that comes your way . . . including that part of your earnings that you ought to be saving.

If you, like so many other people, find it difficult to lay aside money these days, then by all means invest in U. S. Savings Bonds through the Payroll Savings Plan where you work—or, if this plan is not available to you, through the Payroll Savings Plan where you bank.

Week after week, month after month, your savings will grow. Furthermore, in ten short years, you get back \$4 for every \$3 you set aside!

Why not start plugging that hole in your hand right now with U. S. Savings Bonds?

### Expired Drivers License May Be Renewed Now

Austin.—Colonel Homer Garrison, Jr., Director of the Texas Department of Public Safety announced today a temporary relaxation in the policy of renewing expired drivers licenses. Pointing out that the action is being taken because of inadequate field and office personnel to handle the procedure in the normal manner, Colonel Garrison stated that the temporary measure, which becomes effective

immediately, will preclude excuses on the part of motorists for not having obtained a renewal of their licenses. This should come as good news to a half million Texas motorists since the records indicate that there are 3 1/2 million drivers in the State and only 2 1/2 million current licenses are on file. Estimates show that of the one million drivers who do not hold presently valid drivers licenses about half have had one at some time but have failed to renew them. The other half million have either moved from the State, ceased driving or died since the records were compiled or have never possessed a license to drive.

Under the new program, Colonel Garrison briefly outlines the following steps for obtaining a renewal of expired Texas drivers licenses. First: if you have a license that was issued since January 1, 1944, you may secure a renewal of same by mail from the Department of Public Safety, without examination. Second: if you have a license that was issued prior to January 1, 1944, you may renew same by presenting the old license to a Drivers License Examiner in your locality and executing an original application. License in the latter case will also be issued without examination.

Formerly, these applicants for renewal who had allowed their licenses to expire were required to stand a re-examination. Now, under the temporary set-up, you may restate your permit to drive without taking the test, regardless of how long it has expired, provided it is not suspended or revoked.

### Local Methodist Church News

Following choir practice on last Thursday evening, the Wesleyan Church Guild met in the church parlor for their monthly business and program meeting. Mrs. Cliff Herndon was leader and after the devotional directed by Miss Ruby Harper, she gave a most interesting review of the United Nations, the organization, purpose, and efforts in maintaining peace. Mrs. Herndon had also prepared delicious refreshments, favors being miniature flags of nations.

The Young Adult Class reported a most enjoyable evening when they went to Coleman park on last Friday for a picnic.

Several were away the fourth Sunday on vacations while a number were back so the attendance was good. "A Vacation with God" was the subject of the pastor's message.

A few members of the M. Y. F. met an hour early Sunday evening to work out plans for the near future. Following the evening worship service they were joined by several other young people with whom they shared their plans. Refreshments of sandwiches, pickles, cookies and punch were enjoyed. Plate favors were the M. Y. F. emblem mounted on colored tooth picks in multi-shaped gum candies. Beginning in August regular meetings are to be held.

"The Autobiography of a Church Pew" was presented by Mrs. Smith at the Sunday evening worship hour. Loyalty of parents and importance of church attendance were some of the lessons revealed.

A splendid attendance was reported when the W. S. C. S. met at the home of Mrs. Colston Monday afternoon with Mrs. Riley as co-hostess. The devotional was led by Mrs. Tom Hays. Miss Florence Harper was guest speaker, bringing a most enlightening speech on the United Nations. Refreshments consisting of lime sherbet and cake were served.

Our Children's Workers are formulating definite plans for carrying forward their work. The future holds so much for our boys and girls.

Miss Sandra Shields is to receive the gift copy of the Methodist Hymnal, a leather bound edition, with her name stamped in gold, as a result of the recent effort to secure new hymnals for the church.

Our Youth Choir meets each Wednesday morning and our Adult Choir each Thursday evening. Our music department is making an outstanding contribution to our worship services. All members are urged to be present for each rehearsal.

The pastor and his wife are attending Pastor's School at Georgetown three days this week.

### Rural Youth To Be Honored At State Fair Oct. 15

Post-war rural youth activity in the state will reach its high point this year when the largest single gathering of farm boys and girls in the nation's history will be honored by the State Fair of Texas on Rural Youth Day, Oct. 15, James W. Aston, chairman of the Fair's rural youth day committee, has announced.

"At least 75,000 4-H Club boys and girls, Future Farmers and Future Homemakers from farms and ranches in every corner of the state, will make the trip to the Fair," Aston said. "Last year's attendance of 60,000 was considered phenomenal, but all indications point to a 25 per cent increase for this year."

The youngsters are traditionally given free admission to the Fair, and a free lunch which is provided by Dallas business leaders.

"Purpose of Rural Youth Day is primarily to help youngsters become better citizens," Aston said. "The sights they see broaden their vision, and their knowledge of trends in agriculture, livestock, poultry, and modern life in general. They find out what is going on, gain valuable 'know-how,' learn how to profit from the experience of others and, as a result they become better business men, homemakers, farmers, ranchers, and citizens."

Rural Youth Day was inaugurated at the Fair in 1946. Through the cooperation of the Texas A&M College Extension Service, state Vocational Agriculture and Homemaking departments, the event has grown from an initial attendance of 30,000 to 75,000 which is the goal for 1949.

Attendance prizes of \$100 each will be awarded the county 4-H Club delegation and the Future Farmer and Future Homemaker chapters which have the highest score, based on the number

### Classified

NOTICE: Peaches that have been engaged will be ready Monday. Indian Reds will also be ready Monday. A. F. Ganz, 4 miles northwest of Bangs. 20ffc

FOUND: Pair gold rim glasses Monday afternoon on Bowle Ave. Owner may have same by identifying and paying for this ad.

of members present multiplied by the number of miles traveled to the Fair.

A banquet honoring the 50 outstanding Future Farmers, Future Homemakers, and 4-H Club boys and girls in the state during 1949, will be held in the Texas Room of the Baker Hotel at 7 p. m. October 11.

Other junior events planned for the 1949 State Fair are Junior Livestock Show, Oct. 17-22; Junior Market Turkey Show, Oct. 8-13; Junior Market Broker Show, Oct. 14-20; Junior Grass Judging Contest, Oct. 13; and State Junior Livestock Judging Contest, Oct. 11.

Mrs. D. C. Neal who has been quite sick for several weeks, at her home north-east of town is reported to be some what improved.

Mr. and Mrs. Stark Walters of Secaucus, New Jersey, are here for a visit with his sister, Mrs. E. F. Reynolds and Mr. Reynolds and a brother-in-law, Mr. B. T. Vinson. Mr. Walters was reared in this vicinity a son of pioneer parents.

Mrs. G. S. Shipps of Moody is here for a visit with her daughter, Mrs. W. V. Priddy and family.

Mr. and Mrs. Jack Allen, who have been living in Brownwood, have moved to Big Spring. En route there on Saturday, they visited for awhile with her parents, Mr. and Mrs. Sam Coffey.

Entered at the Post Office at Santa Anna, Texas, as second class mail matter under the Act of Congress of March 3, 1879 Advertising Rates on Request

A two-year "trial run" on three farm products—wool, eggs and potatoes—of the controversial new Brannan farm program was voted down by the House last week. Instead, the present farm price support program was continued for a year, with cottonseed and mohair added.

At the same time the House voted to amend the Aiken mohair price support program scheduled to go into effect in January.

The bill goes to the Senate Committee on Agriculture where hearings on a future program have been scheduled. The question of whether a new mohair program should be enacted this season will be heard in the Senate on about July 31.

Of particular importance...

THE AMERICAN WAY

Putting the Boot to Prosperity

...district was the addition of last week, and the Gore substitute was adopted, continuing the list of commodities for which the Secretary of the present laws for another year. But I offered an amendment to have mohair included in the present program, and it was unanimously adopted.

It is impossible to know at what price mohair will be supported, if the bill is finally enacted. Under the bill passed by the House, the ceiling price would be 90% of parity, or about 60¢ per pound average. The exact figure would have to be set by the Secretary of Agriculture and would undoubtedly be considerably lower than the 90% ceiling.

Several months ago Ernest Williams and Jake Mayfield, Secretary and First Vice President, respectively, of the Sheep and Goat Raisers Assn. came to Washington and we made an appeal to the Committee on Agriculture to include mohair in any new legislation to be reported. Largely through the efforts of Rep. Bob Boage, a member of the Committee, a hearing was held and was included in a new bill. The new bill, however, was defeated on the floor of the House.

Climaxing the efforts that have been going on for two years, the agreement whereby the Pedernales Electric Cooperative will be divided and made into two coops, was finally approved the other day by Claude Wickard, the RFA Administrator. The dividing line between the

two will follow in general the division line of the 21st Congressional district—with the Pedernales group operating principally in the district formerly represented by Lyndon Johnson and now by Homer Thornberry of Austin.

The Pedernales coop had simply grown so big it was unwieldy. Until the division was made, it was the biggest REA coop in the Nation. Much of the credit for finally getting the split concluded is due to Arthur Stehling, of Fredericksburg, Attorney for the Pedernales.

It is believed that the new Central Texas organization will be able to serve better in the area it will cover, and more attention can be given to expansion to provide added service at reasonable rates to more and more farm and ranch families. The headquarters of the Central Texas unit will be at Fredericksburg.

Of interest to farmers are two new bulletins the Department of Agriculture has recently published dealing with grain storage. One bulletin, No. 2009, is entitled "Storage of small grains and Shelled Corn on the Farm," and the other, "Farmers' Bulletin 2010, "Storage of Ear Corn on the Farm." These two bulletins contain the latest information on storage structures and storage and conditioning of grain, and will be sent by me to any who request

them.

My thanks go to John Rowland & Sons, who operate Men's stores in Del Rio and Uvalde, for the Tex-Air summer suit which contains 50 per cent mohair and 50 per cent virgin wool. It is not only a cool, crease-resistant and attractive product, but it is a mighty good thing for the mohair growers to know that a high-mohair content suit is being featured. More and more of that over the country would solve the mohair problem in a hurry.

Mr. and Mrs. Norval Wylie and Nancy, Edward and Pete, of Lamesa, were here for the weekend.

Mr. and Mrs. Leroy Curry and sons, and his parents, Mr. and Mrs. J. W. Curry, spent several days recently with their sister and daughter, Mrs. Crist Brimer, and family at Robstown. The men spent most of their time fishing at Corpus Christi with considerable success.

Mr. and Mrs. George Wells visited Sunday with their son, J. C. Wells and family, at Roscoe. Their granddaughter, Wanda Lee Wells, aged 10, who recently had eye surgery, is getting along quite well.

Mrs. H. B. Thompson, of Dallas, is here visiting with her mother, Mrs. Ed Baxter.

### Application Forms For Veterans Life Insurance Dividends Due Aug. 29

Application blanks for the \$2,800,000,000 National Service Life Insurance special dividend to be paid to some 16,000,000 present and former policy holders will be available for veterans August 29, Carl R. Gray, Jr., Administrator of Veterans Affairs, announced Saturday.

The government printing office currently is running off 70,000,000 of the forms, advance samples of which were released to the press and radio yesterday by Mr. Gray. The forms will be available in every postoffice, VA office and at veterans' service organizations beginning August 29, which is the earliest date the government printing office can complete distribution of the huge order.

At the same time, Mr. Gray announced that the first phase of the huge insurance dividend operation is virtually completed. This past week-end in Washington, highspeed microfilming machines were completing the job of photographing the last group of more than 22,000,000 premium record cards. Only the V-Mail

program during the war topped the VA project in volume.

In making samples of the application card available, Mr. Gray said the cards may not be reproduced for distribution, since they become part of the permanent records of VA, and must be on a special paper and of a correct size to fit computing and recording machines. Any off-standard or off-sized paper, he said, would only serve to delay processing, as the cards would have to be thrown out of the production line.

As official forms will not be available, any dividend applications received prior to August 29, VA emphasized will be discarded and no attempt will be made to process them.

Mr. Gray said that all the veteran needs to do is to obtain the application which is a three-fold card containing all the instructions necessary to get the dividend, then fill it out and mail it to VA. In event the veteran does not know the number of his insurance policy, the application can readily be identified by ser-

vice number, rank and exact name used during service with the armed forces.

"It will not be necessary to write about your insurance number," Mr. Gray said, or about the status of your dividend application, since VA will mail you part of your application to show that it has been received and is being processed. If you do write in, you only delay your own payment, because it will be necessary to withdraw your application and thus delay the production line. Just mail in your application filled out as completely as you possibly can, then wait until the checks start out sometime in January of next year.

The microfilming operation made necessary for two reasons, was a tremendous task and was proceeded by a vast clerical job consisting of a physical check of each premium record account to assure completeness of the data on each card.

First reasons for microfilming the cards was that the insurance records are maintained in 14 cities across the United States, and the information on the cards had to be assembled at a central location. Second, the active premium payments are posted, are in daily use in the various District Offices, which could not function without the cards.

Mr. Gray said the dividend payment prospects now enters into the phase of setting up master files and records so that the files and records so that the applications may be handled promptly when received by VA. In temporary buildings in Washington, hundreds of employees are working staggered shifts to produce and process millions of punched cards from which late will be computed the amount of dividend to which each veteran is entitled.

The entire operation is a mechanical one, with more than 3,200 intricate machines being used in one of the largest single concentrations of such machines in the country.

When checks start flowing out sometime in January, 1950, the mailing is expected to reach a maximum of 200,000 daily.

### Texas State Dept. Of Health Letter

Austin, Texas.—There is no more emphatic proof of the power of ignorance and carelessness to spread disease than is shown by the continual ravages of tuberculosis, which is responsible for more deaths between the ages of fifteen and forty-five than any other disease.

Despite the knowledge of its cause, spread, and curative procedures, tuberculosis continues to be a grave public health problem, and today it holds fifth place among the killing diseases of this State. This fact exists even though the majority of tuberculosis patients could have their condition arrested, if they were recognized early and proper treatment applied.

These facts are disclosed by Dr. Geo. M. Cox, State Health Officer, who says, "Treatment of the early recognized case is essential to recovery. It is of equal importance, from a public health viewpoint, that when the spread of this devastating infection is prevented. A more widespread appreciation of this fact would result in the saving of thousands of lives."

The State Health Officer added: "When a diagnosis of active

tuberculosis has been made, examination of all other members of the family should follow as a matter of course. Tuberculosis runs in families, not because of any special susceptibility, but because it is communicable and easily transmitted from one member of the family to others. To reduce the number of deaths caused by tuberculosis, Dr. Cox urges periodic examinations of all adults, including school teachers. Frequent check-ups by physicians where a few cases and their contacts are known, isolation or hospitalization of active tuberculosis cases, and a more intelligent application of hygienic living principles

### Brown And Coleman County Officers Catch Burglar

Brown and Coleman county officers, cooperating Saturday caught a burglar suspect in short order.

A Santa Fe bridge and building department car was broken into during the morning. The burglary occurred after workmen using the car went to work around 7:30 a. m. It was discovered a short time later.

A window screen had been torn off and a suitcase containing clothing had been taken, together with a Waltham watch, men's glasses and other items.

The workmen notified Wayne O. Weems, Santa Fe special officer. Weems and Deputy Sheriff Jack Pike learned shortly after 10 a. m. that a Mexican had boarded an outbound freight train which departed at 9:45 a. m.

The two officers headed for Coleman and radioed the sheriff's office enroute to telephone Coleman's officers.

When Pike and Weems reached Coleman, the Mexican had already been taken off the train here by County Sheriff Raymond Graves, Police Chief Leo Taylor and George Robey, former Coleman sheriff, now employed as a patrol officer for an oil company.

By 1 o'clock the officers were ready to return to Brownwood with the prisoner who was said to have been wearing the stolen belt and hat and carrying the glasses taken from the B & B car.

The suspect showed the officers

on arrival here where he had left the suitcase in an alfalfa field near the east yards.

Believed to be a "Wetback," the suspect identified himself as Ralph Hernandez, 17, of Nuevo Laredo, Mexico. Charges of burglary and theft over \$50 will be filed, Pike said.

—Brownwood Bulletin

### Jerry Fulton Now At Holloman Base

Pvt. Jerry D. Fulton, son of Mr. R. J. Fulton, Santa Anna, Texas, has been promoted to the grade of Corporal, according to the Public Information Office. Corporal Fulton has been assigned to the Ground Powered Equipment. He arrived at the Holloman Air Force Base, New Mexico, January 1, 1949.

Corporal Fulton attended Santa Anna High School, Santa Anna, Texas, and graduated with the class of '47. He entered the Service on April 14, 1948, and was assigned to Lackland AF Base "Basic" Training, then was transferred to Ft. Warran, Wyo-

to attend Diesel Mech School.

Mrs. J. F. Goen spent the week-end in Austin, with her son, Jesse Goen, and family, where she went to take her granddaughters, Martha and Joan, home from a visit here. Betty Lois Scott returned home with her, after a visit with the other Goen girls.

Mr. and Mrs. George Ralston and Chiquita, of Dallas, and their son-in-law and daughter, Mr. and Mrs. Jack Scott, of Brady, were week-end visitors with Mr. and Mrs. W. A. Standly.

Mr. and Mrs. Bill Hyatt and children and her mother, Mrs. Walter Farris, visited last week with Mr. and Mrs. Roy Townsley, at Lubbock.

Rev. M. L. Womack will supply the pulpit of the Austin Ave. Presbyterian Church in Brownwood for three Sundays beginning July 31. During the pastors absence.

From where I sit... by Joe Marsh

For The Ladies:  
A Diet That Really Works

We went out visiting the other night and the ladies were talking away about weight-reducing diets. One of them had a special "Hollywood diet" arranged to take her down fifteen pounds, and she was living on bananas and milk!

I thought back then and thought I would see the ladies who had been through the dieting process. And what kind of diet was it? Well, I can tell you that.

"Mother," I says, "the diet I would ever recommend is a diet that is simply *undisturbed*."

SCRIPTURE: Psalms 34: 27, 46, 61; 138: 1, 2, 13; 143: 8. DEVOTIONAL READING: Isaiah 26: 1-6.

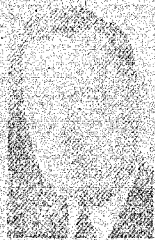

God Can Be Trusted

Lesson for July 31, 1949

EVEN if you do nothing else with this lesson, it will be a good thing to learn by heart some of the Psalms of Trust which have been selected for your study this week. They are far too rich to be treated in one column.

Who Can Trust in God?

PSALM 34: 1-22. No every one has a right to trust in God. Those who are hypocrites in mind, do not love God, and cannot trust in him. They are like a tree without roots and a house without a foundation. They will fall when the wind blows and the floods come.

Dr. Foreman

Who can trust in God? Only those who are sincere in heart, who love God with all their heart, mind, and strength, and who love their neighbors as themselves. Only those who are broken-hearted and who have put their trust in God for help and strength. Only those who are honest and who have no guile in their hearts. Only those who are pure in heart and who have no double-mindedness. Only those who are simple and who have no guile. Only those who are meek and lowly in heart. Only those who are merciful and kind. Only those who are peace-loving and who are at peace with all men.

If that word means only the perfectly and altogether good people, it would leave all of us out. But in the light of the Bible as a whole, the righteous are those whose dominant desire is to love and serve God.

Their service is imperfect, their love is far from perfect, and no man is without sin. But if you can say with Peter, "I know that I have sinned, but I trust in God," then you have a right to trust in God. Also the broken-hearted can safely trust in him. Who else may trust in God? Only those who are honest and who have no guile in their hearts. Only those who are pure in heart and who have no double-mindedness. Only those who are simple and who have no guile. Only those who are meek and lowly in heart. Only those who are merciful and kind. Only those who are peace-loving and who are at peace with all men.

Why Trust God? PSALM 37 gives one answer. The opposite of trust is worry, and worry never did any good at all. Worry eats into the mind, casts no light, gives no strength, solves no problems, worry makes any trouble worse. Then the writer of Psalm 37 gives another reason for trust: he had tried it. If trust in God were simply a doctrine of theology or a theory of preachers, not many people would take it seriously.

Trust is really passed on by a kind of contagion from heart to heart. If there are not more people who know what trust means, it is because those who have known have kept it too much to themselves.

It would be a wonderful stimulus to most churches to have a little "result of peace" who would really agree to trust God every day.

When to Trust in God ONE of Dickens' famous characters used to make a great point of being cheerful under the most uncheerful circumstances. Anybody can be jolly when everything is lovely, he said. There's no credit in not worrying when there's nothing to worry about. Although the writers of the Bible, one and all, trusted in God, not one had an easy life. Read Psalm 46, for example; it gives a picture of a world much like ours of today, shaken to its foundations, torn by wars, a desolate, discouraged world. If it made sense to trust only under bright skies, religion would have perished long ago.

For What Shall We Trust God? NO ONE PSALM puts the whole truth in one nutshell. If you read Psalm 91, for example, by itself, it would seem to prove that if you trust in God, you will never die a violent death, nor an early one; but too many saints (and indeed our Lord himself) had died early and violent deaths, for us to take Psalm 91 in that way. Trusting in God does not mean he will give us long life. It means he will give us strength to match our days.

It does mean he will give us all we need. It does not mean we shall be shielded from troubles. It does mean he will save us from troubles greater than we can bear. It does not mean

Mr. and Mrs. Cleby Stearns of Brownwood, visited with Mr. and Mrs. Charley Fleming Monday night.

Miss Lena Boyd Reaches India

From Miss Lena Boyd's diary, enroute to India. Bantam, April 23rd About noon today we leave the Red Sea, due at Bahrain Island, in the Persian Gulf. Bahrain is an English possession.

April 23: Weather is fine since leaving Port Said, on the 19th. April on the 21st we stored winter clothing.

Monday, April 25: We are now in the Arabian Sea. Yesterday and today we are out of sight of land. Occasionally a dim outline of some coast projection is seen. We passed Aden at sunset on Saturday.

Before reaching Port Said, we had radio news daily, now only unsatisfactory snatches. We can get a newspaper at Bahrain.

One passenger is to be in the American Embassy at Karachi, for the next two weeks. He is here for some knowledge of the language spoken there, so, for an hour daily, I help him write words, as we have no primer.

April 28: We reached the Persian Gulf yesterday. There is no harbor or docks at Bahrain, so the American-Arabian Oil Co. unloads oil field equipment from a pier in the bay, and a causeway more than a mile long, over which trucks come to the pier to take off supplies.

About sixty Arabs are employed four holds by huge cranes. These men are paid only 75c and food daily. Food is abundant, for we see they don't eat all of it.

Their hours are from 7:00 a. m. to 1:00 a. m., with one hour at noon and two hours off at 6 p. m. Seems like slavery. They need a John L. Lewis over here. They sleep anywhere on board and here they work.

So far, we are not allowed to disembark, but the oil company's agent, a refined and accommodating Arab, will try to get for us a special permit; he secured our names, and if we go, there will be five of us in each car.

At Port Said, an Egyptian looked at our passports, asked religion and denomination, keeping passports during our time off the boat. We were away for an hour and a half.

April 30th Officers and crew say we will be here for two weeks! Most of us have made up our minds to call this a vacation and enjoy it. The weather is pleasant.

Bahrain Island, May 8: Across the pier is a Panamanian tanker taking on oil for India. They will carry 33,000 drums of lubricating oil and 6,000 drums of gasoline. India has no facilities for storing great quantities of oil. Much is shipped to England.

May 11: We sail tonight for Kehlavi, another British possession, and are encouraged. This is eighteen hours sail from Bahrain, and we are to be there for eight hours. We are three days run from Karachi, but may be several weeks making it.

One passenger was due on May 5th, to serve as secretary in the U. S. A. Embassy, so he plans to abandon sea travel tomorrow and complete the journey by plane.

Two parties employed by General Motors Company in Bombay became discouraged and took

a plane at the extra expense of \$131.00 each.

American money is wanted in these British possessions, and the exchange is good. I exchanged American money at a 20% profit.

I plan to buy ten pounds of Persian dates, best in the world, along with Arabian dates, which are cheaper than bread.

One day at breakfast a passenger ordered bacon and eggs; his wife said, "But Joe this is Friday," to which he explained that he forgot and said, "I'll take eggs." Yet, smoking, gambling, drinking and taking the name of the Lord in vain are daily indulgences. We are all queer creatures.

When we were passing through the Gulf of Suez, we could almost point out Mount Sinai, where the children of Israel were given God's Law from Moses.

The weather is pleasant and nights beautiful in moonlight.

In addition to oil field supplies, this boat carries cars, refrigerators, electric generators, three large asphalt mixers, rice, wheat pyrex ware, cloth, and asbestos powder, the latter for use in oil fields.

Friends will be glad to learn Miss Lena has arrived at her destination, and assumed her new duties.

Local Baptist Church News

A good number was present last Sunday for both services and an increase in Sunday School attendance with a number present from Arkansas, Oklahoma and points in Texas.

The first Baptist Church endeavors to make all visitors, whether from Santa Anna or else where, feel at home.

The following united with the church by letter last Sunday: Mr. and Mrs. B. J. Adams, Mr. and Mrs. Lee Wade Wallace, Lillian Mae Wallace and Mrs. O. L. Oakes.

So-o-o GOOD

It is in a moment of perfect contentment, one of the children of the "Land of Child City" - Meigs County, Illinois - mastered the great Order of Mouse, shows the rest of the world how to eat the Land of Child City. He also knows that one delightful way to get more vitamins in the diet is to eat ice cream made from fresh cream. A recent report from the National Dairy Council, Chicago, ice cream has the vitamins, calcium, and basic food elements to make strong bones and teeth, to expand the skin and eyes, and to build and maintain healthy nerves and muscles.

Leon Carter will leave Tuesday evening for Waco, where he will be transacting business.

Mr. and Mrs. Bill Griffin and Mrs. Covita and Mrs. Griffin's mother, Mrs. Arch Hull, returned Sunday night from a 10 day and son, Jerry, spent one night vacation and sightseeing trip last week with Mr. and Mrs. T. J. Adkins and Vonnice. The journey was enjoyed a chicken supper on the River.

We always regret having the way. As the Y. M. C. A. neighbors move from our community, Mr. and Mrs. Douglas and the Schraders have moved to the child community. We trust they will gain from our loss.

Miss Betty Blue, they had a very pleasant time, but were glad to get back home.

Miss Betty Blue, they had a very pleasant time, but were glad to get back home.

Miss Ann Priddy is home from Denton, where she has been attending T. S. C. W. this summer and where she will enroll again this fall.
