Opportunity Drive Over The Top

For generations we Americans have looked up to the Scotch and the French in the matter of thrift and, just because somebody said so at some time or other, we have been inclined to regard ourselves as profligate spenders. This is simply not true, and no better proof of the error exists than the record in the recent Opportunity Drive for the sale of the government's Series B Savings Bonds.

The final report of the drive has just been made, showing that between May 15 and June 30 the people of Texas invested \$15,335,896.75 in these securities, and achieved 126 per cent of the state's quota. That is a lot of money any way you look at it, and the figure takes on special significance when it is understood that this is just an addition to the savings of the citizens of Texas who now own \$1,539,137,000 worth of Savings bonds which earn about \$42,372,000 in interest each year for their owners.

This represents a tremendous amount of stored up purchasing power. It is stored-up purchasing power in every hamlet, town and city of the state, and in rural communities too. It is the nest-egg for hundreds of thousands of Texans, mostly of average means, who have had the foresight to take a little of their earnings and set it aside for future use. The reasons for their savings are almost as numerous as the savers—some save against the possibility of a "rainy day", while others hope to buy a farm take a long vacation, send their children to college, go into business for themselves, or provide for old age. Whatever the reason, their savings provide just about as practical an approach as there is to personal economical security.

In addition, the total of savings owned by the people of Texas and the nation help preserve a healthy economy.

The leaders of the Opportunity drive are to be congratulated for it has been reported that this Savings bonds campaign has been the most successful since the war. But despite the unselfish work the Savings Bonds leaders have contributed to the undertaking, probably those most deserving of congratulations are the men and women, here and throughout the state, who have demonstrated the good sense to save a part of their earnings by

Coleman Airport Damaged By Wind

Extensive damage was done to the Coleman Airport Monday night by high winds.

The south end of the Feeder-Breeder Association's show barn was torn out and debris was thrown 150 feet into the Coleman Garment Company building. Most of the damage suffered by the garment company, however, was said to have been caused by a small auxiliary house which was blown from its foundation and thrust into the garment building.

Electric and telephone service was disrupted and crews were busy Tuesday making repairs in buildings that were formerly the Coleman Flying School.

No estimate was made of the extent of the damages.

Brownwood Man Dies Suddenly Here Wed. Morning

Mr. N. B. Hawlett, of Route 1, Brownwood, died here at about 9:00 a. m. Wednesday morning, a few minutes after he had fallen from a parked car, sitting in front of Dr. L. O. Garrett's dental office. Apparently he had come to Santa Anna to see a dentist.

Reports indicate that he had asked a number of towns people where the dental office was and when it opened. He was sitting on the car fender and suddenly fell over backwards, hitting his head on the pavement. Death came shortly after he was moved to the dentist office. He was dead on arrival of Dr. R. R. Lovelady, city health officer. Inquest was held by Earl Erick, Justice of the Peace. He apparently died of a cerebral hemorrhage, after a stroke.

According to information on the man's person, he was 72 years of age May 1, 1949. He had told some of the ones he had been talking to that this was the first time he had been to Santa Anna in 20 years.

The body was carried to Hosch Funeral Home, pending notification of the family.

W. T. Stewardson Named President Santa Anna National Bank, Tuesday

W. T. Stewardson, prominent stock and sheep farmer of Coleman County, was named president of the Santa Anna National Bank at a meeting of the Board of Directors Tuesday, August 9. Mr. Stewardson has served on the Board of Directors for the past year.

Mr. Stewardson is the president of the Coleman County Breeder-Feeder Association and is a director of the Sheep and Goat Raisers Association. He is the son of Mr. J. L. Stewardson, who served as director of the Santa Anna Bank for a number of years during his lifetime.

Mr. Stewardson succeeded Mr. W. R. Kelly, who died recently. Mr. Kelly was founder of the Bank.

Members of the Board of Directors are: V. L. Grady, O. L. Cheaney, Mrs. B. Weaver, Clinton Lowe, J. L. Bogus and Ozro Zubank. Mr. Zubank was recently elected to the Board to serve out the unexpired term of the late Mr. Kelly.

Mrs. Toy Post Honored In Ft. Worth

Mr. and Mrs. Toy Post and their daughter, Jeannine and Miss Owens, a friend, all of Fort Worth, are here visiting with Mrs. Post's parents, Mr. and Mrs. G. H. Diserens, and other Coleman County relatives.

Mrs. Post received a signal honor recently, by being named the most courteous saleslady in Fort Worth, where she is employed in one of the largest department stores.

The designation was made by the Zonta Club, an organization of Fort Worth business women. The honor was a surprise to Mrs. Post, as she didn't know the investigation was being made.

Congratulations to Mrs. Post.

How To Get Help From The National Foundation When Polio Strikes

1. At the first sign of illness, call your own doctor. If he suspects polio he will report the case to the local Health Department and arrange for hospitalization or home care, as indicated. The National Foundation does not select physicians or hospitals. This is a family matter. If you have no family physician, call your City or County Medical Society, your Board of Health or the nearest hospital.

2. If your doctor says it is polio and requires hospitalization, the local Chapter of the National Foundation will help arrange for transportation to a treatment center. As soon as the patient goes to the hospital, or if your doctor advises the patient can be treated at home, get in touch with your Chapter of the National Foundation to arrange for any needed assistance.

a.) As we do not have a national Foundation in Santa Anna, your doctor can tell you how to get in touch with one.

b.) Your Chapter will get in touch with you as soon as it learns of the case through your physician, the hospital or the Health Department. However, late reporting or a heavy hospital load may delay this Chapter contact. If you do not hear promptly, telephone or visit your Chapter representative. You can ease your own worries sooner by making this approach yourself.

3. The Chapter representative will notify the hospital that it is arranging with you for full or partial payment of expenses for medical care. Adults are as eligible for help as are children. Discuss with your Chapter how much of the full bill the Chapter will pay.

a.) March of Dimes funds are used to help the medically indi-

Good Rains Fall Over County

Good rains fell generally over the state over the week-end and the first part of the week. Measurements ran from showers to several inches in some sections of the state.

The gage at the Coleman Gas & Oil Co. office in Santa Anna shows a total of 2.85 inches from Friday afternoon through Tuesday morning. Reports indicate that the fall was heavier in the southern part of the county. Very little water was caught in the city lakes.

The gage showed 1.1 inch Friday, .75 inch Monday morning and 1.75 inches Tuesday morning. The remainder fell on Saturday and Sunday.

Mr. and Mrs. Milton House and children are enjoying his vacation, visiting with their people at Ft. Stockton and Junction.

Liberty Baptist To Have Ten Day Revival Meeting

Rev. O. Norris announces this week that the Liberty Baptist Church will start a ten day revival meeting on Friday, August 12. The meeting will close Sunday night, August 28. Rev. Charles Conley of Abilene, is the pastor of the Liberty Baptist Church. Rev. Dee Carpenter, pastor of the First Baptist Church of Bangs will do the preaching during the revival.

A cordial invitation is extended to all to attend each of the services. The church is located on the Brownwood highway just past the Liberty store.

Mr. and Mrs. Walter Holt and Paula attended the annual Cooklin Family reunion, Sunday, which was held at the W. M. Bull farm, northwest of Bangs. About 165 persons attended.

Mrs. Byrd Arnold left last Friday for a two weeks visit with her daughters, Mrs. Prebbie Gregory and family at Albuquerque, New Mexico, and Mrs. Keith Featherston and family at El Paso.

Mr. and Mrs. Winston Conley, of Temple, visited Sunday night with his parents, Mr. and Mrs. C. T. Conley, who returned home with them for a few days visit.

Elder and Mrs. C. H. Richards returned home from Ft. Worth Sunday night, where they had been attending the Friendship Primitive Baptist Association.

Mrs. George Palmer returned home recently from a visit of several weeks with relatives in Hill County. Some of those she visited she had not seen in 43 years, and some nearer 50 years. Her trip was a very pleasant one.

Cpl. Charles Ball of San Antonio, is visiting here this week with the home folks.

Mr. and Mrs. Tom Priest, of Brownwood, were visitors in the Claude Conley home.

Miss Beverly Stockard, who is attending Draughon's Business College, Abilene, Texas, is among the high ranking students whose names appear on the Honor Roll this month.

Mr. and Mrs. Oran Henderson, of Lamesa, visited Friday and Saturday with the home folks here. They left Ora Beth here for a longer visit.

Coach Dow McBride announced this week that the Santa Anna Mountaineers will open the football season on Thursday night, September 8, in a non-conference game, with the Brownwood "B" string. The game will be played on the Santa Anna field, and will most likely be the first game of the season played in Central Texas. Several other teams have games scheduled for Friday night, Sept. 9.

This will be the second year the Santa Anna team played in the "B" string. Last year Santa Anna defeated the Brownwood "B" team, 14-0. The team is coached by Rising Star, who went on to win the Regional "B" title. The team is expected to be a strong contender for the State Championship, and Santa Anna.

Santa Anna has a ten day schedule for the coming season. This will be the first time since before the war that the local team has had this type of schedule. Plans of the team will return to the squad this year, with 10 to 12 squadmen returning. A large number of new men are expected to be out for practice when training starts.

Coach McBride has called a meeting of all who are interested in playing football this year to meet at the gym at 10:00 a. m. Saturday morning, August 13. This meeting is to make preparations for starting training on Monday, August 15. Equipment will be issued on the 15th, and practice sessions will be held at night, starting at 8:30 p. m. Practice will be held 3 nights each week.

The schedule, as follows, includes 4 games at home and 4 on the road.

Your Church Stands For Righteousness

There are evil forces at work today to destroy the Church and all for which it stands. The Church stands for that which is right while the evil forces stand for that which is wrong.

There is no man that would want to see his daughter or his sister mistreated. There is no true mother who would want to see her daughter on the road to ruin and shame. No true father would want to see his son on the road that leads behind the bars or that leads to a life of wreck and ruin. Yet, all of these things are present today. If you NEGLECT the Church you are ad-

ing the forces of evil.

One of the tragedies of today is that so many people take Church Membership so lightly and put everything else first, while everything else should be secondary. "What Profit is it to man, if he gain the whole world and lose his soul" (Matt. 16:26) or cause the loss of the soul of his son or daughter.

Fathers and mothers should provide for the physical wants of their child but should provide for their spiritual needs first of all. The church will stand in sister community as a force for righteousness as long as you will actively help it.

Local Baptist Church News

It was noted at the First Baptist Church that it showed a little Sunday morning. They could be the decreased attendance. They are wondering if a little rain affect the Methodist, Presbyterian, Christian and other Church People alike. The Training Union Director, Miss Vivian Mitchell was pleased with the increase in the Training Union attendance. A splendid group of young people were present for the evening service.

The following men: Emzy Brown, District of Brazoshead, President; Arrie Irby, Coleman, A. S. Coleman, District of Brazoshead, President; Arrie Irby, Coleman, A. S. Coleman, District of Brazoshead, President.

dent, F. B. Hill, local Brotherhood president; Louis Newman, Glen McClure, and Harry C. Wigger, journeyed to Cisco last Friday evening to attend a Brotherhood Encampment at the Cisco Lake. Brother Emzy Brown made announcement about the coming Brotherhood Jubilee at Lake Brownwood, August 29-30. The women went along for an outing in the Cisco Lake Park.

F. B. Hill announces that Tuesday, August 16, is Ladies Night for the local Brotherhood.

The sermon subject announced for Sunday morning, 11 o'clock, to be delivered by the pastor, Harry C. Wigger, is "A Question at the Lord's Table." Following the message the church will observe the Lord's Supper. At 8 p. m. the pastor will deliver a message on "What is Sin?" The public is invited and urged to attend the services of the First Baptist Church.

Attends Gregg Reunion In Alabama

The writer returned late last Thursday from an overland trip to east Alabama, the place where we were born and grew up. The main object of the trip being to visit near relatives and attend a family reunion near the old homestead.

We have made better trips from several standpoints, but this trip was not a failure. Ten of

the family of 11, left out of 16, were present at the reunion held at the little country church where our parents lie, sleeping beneath the sod, in the country graveyard near the church. The ones still living consist of eight brothers and three sisters. The writer happens to be the middle one of those left, there being five older and five younger, the youngest one of family being 58 years old.

The pleasure of our trip was very much upset, when, upon arrival, we stopped at the home of an older brother, where we usually make headquarters while visiting there, and found him very ill with a drawn out affliction, which may end in death before a cure can be perfected. We spent ten days of our allotted time with him and his good wife, who has been his companion 59 years. This handicap greatly interrupted our plans to visit in several homes and reacquaint ourself with friends of long ago. You know, our old buddies don't have the appearance they did 44 years ago when we left there for the west! The fact is, many of them have passed on to the great beyond, and a space of 44 years duration, brings about considerable changes. It is heart-rendering, so to speak, to meet an old friend, one who manifest great pleasure in seeing us again, and after a few exchanges of reminiscence, inquire about some good friend, and be informed that they were dead. This happened several times.

Changes are more numerous than we could enumerate, without using more space than we would expect for this allotment. I believe farmers produce more per acre than they did fifty years ago, but it requires more labor and much more expense than it did in former years. Fertilizer, more scientific cultivation and then, that extra expense of poisoning for insects, all cuts a toll in the income, but some say that, unless a farmer goes all the way, it is useless to try to farm in that country.

We are back home, had a very nice trip, barring the exceptions mentioned above, glad we went, and glad to be back. Incidentally, we trust next time we make that trip it will not be in mid-summer, for the heat was almost unbearable.

We greatly enjoyed visiting in several homes these good housewives have wonderful memories, and many of them still remember our favorite dishes, among them being good old chicken pie or chicken and dumplings. To me they taste as delicious as when we were a boy, and that has been a long time ago. Good-night.

J. J. Gregg

Mr. and Mrs. H. W. Norris, of Temple, were visitors with his parents, Mr. and Mrs. H. O. Norris.

Mr. and Mrs. George Justice, from Dallas, have moved back to Santa Anna to make their home. They now occupy the Monroe house where they lived before. They are doing quite a bit of interior decorating.

Mrs. Chas. Ball and Charles Jr. spent the day in Coleman, Saturday, visiting Mr. and Mrs. J. W. Barton. Mr. and Mrs. Barton Jr., from Rice, brought them home and had dinner with them.

Mrs. R. L. Jongema and Ronnie, of Lawrence, Kansas, are visiting her parents, Mr. and Mrs. Homer Goodgoin. They arrived on Thursday in Dallas, and visited her sister, Mrs. Winfred Shaw until Saturday, when Mr. and Mrs. Shaw brought them here, and returned home after a short visit in the Goodgoin home.

What causes most family arguments?

Is it Junior's report card? Father's unemployment? Mother's Club activities?

Oddly enough, these are not the causes of most family arguments!

Sociologists tell us, "Temper are shortest and arguments longest when the subject is money—or the lack of it."

That's why the head of every family should realize the necessity for a safe, sure automatic savings plan. For peace and harmony in the home, as well as that important feeling of security!

And what could be a safer, surer, more automatic savings plan than this?

New Buick Special Being Shown By Jobe Buick Co.

Detroit, Mich.—The latest creation in automobile body engineering and safety is unveiled in the Body by Fisher on the new Buick "Special," which greets the public today.

Called a "Designer's Dream," the new Body by Fisher introduces an eye-catching streamlined fender line, 48 per cent greater windshield area than the former "Special" body, and a rear seat that in one model is 12 inches wider.

Additional improvements over its predecessor, according to J. J. Cronin, vice president of General Motors and general manager of Fisher Body, include refinements in trunk lid operation, front seat adjustment, and the introduction on this model of push button door handles.

Offered in two body styles a two door and a four door—both models offer expanded curved safety-glass windshields which have nearly doubled the previous vision area while the rear windows have been increased 56 per cent in area.

With an increase of 314 square inches in the vision area, drivers will find increased safety in the greater driving view. Overhead stop lights will be more readily seen, as will traffic from the side streets and darting children.

The new safety glass windshield follows a scientifically plotted curve, so the drivers line

of vision passes through the glass at approximately the same angle at either end as it does straight ahead. The front pillars have slenderized and set back appreciably, with the narrowest profile in line with the driver's angle of vision.

The seat widths in both models have been increased 12 inches in the rear seat of the four door model. The front seat width in that model has been increased nearly three inches.

Humble To Spend \$18 Million On New Pipe Line From W. Texas

Houston.—An \$18 million pipe line from West Texas to the Gulf Coast will be started by Humble Pipe Line Company toward the end of 1949 and completed around the middle of 1950. The new line will be of 18-inch pipe, extending 375 miles in a direct route from Kemper in Reagan County to Satsuma, 20 miles north of Houston, where it will connect with Humble's existing lines to Baytown. It is being built to provide a more economical transportation system for Humble from West Texas. Upon completion, Humble plans to take take up a part of its old system from West Texas to Baytown by way of West Central Texas which has a capacity of 50,000 barrels per day. No changes are contemplated in Humble's other line from West Texas with a capacity of 70,000

barrels per day to Corpus Christi. The new line will have an initial capacity of 95,000 barrels with one intermediate station between Kemper and Satsuma. The capacity can be increased to 120,000 barrels per day by the addition of a second intermediate station.

The direct route to be followed by the new line from Kemper to Satsuma will pass through sixteen counties: Reagan, Crockett, Schleicher, Menard, Kimble, Gillespie, Mason, Blanco, Hays, Travis, Bastrop, Lee, Fayette, Austin, Waller, and Harris. Kemper is a central point on Humble's extensive pipe line system serving West Texas and New Mexico.

Fishing Report

Prepared by State game warden John R. Wood in cooperation with the Brownwood Chamber of Commerce and the Brown County Sportsmen Club. Good catches of Crappie at Lake Brownwood featured the fishing report issued today by State Game Warden John R. Wood.

The lake is now three feet below spillway level and clear on both channels.

Wood said the Jim Ned channel in the vicinity of Hallford's Docks is about the best spot on the lake for crappie.

His reports from various docks and camps includes:

WILKIN'S BOAT DOCKS: Mr. and Mrs. Milton M. Johnson and Mr. and Mrs. O. W. Williams landed a three-pound black bass and three channel cat. Ely Dameron in one evening of fishing brought in five channel cat, a five-pound blue cat, 15 crappie and five white bass.

Veterans Housing At U. of T. Eased Some

Austin, Texas.—Housing for the married veteran at the University of Texas is a little easier to obtain now, but there is still a 10 month waiting period.

Veterans Housing Director F. C. McConnell who oversees University-sponsored low-cost housing says the waiting period for housing has been cut from 12 months to 10 months in the past year.

He hopes the period will be reduced to zero by June, 1950 and the enrolling veteran can be furnished housing immediately upon application for it.

Mr. and Mrs. Carl Ashmore had as visitors last week their daughter, Mrs. Maudie Catherine Carroll, and children, Ronnie and Chris, of Abilene. They returned home on Friday and another daughter, Mrs. Carlene Terrell, and her children, Buford Carl and Frances Ethel, were here from Lubbock. They returned home Sunday.

Mrs. W. J. Hyatt of San Saba spent last week with her son, Bill Hyatt and family. Mr. and Mrs. Roy Hyatt and family and Claude Hyatt came last week and she returned home with them.

Mr. and Mrs. Roy Pichan and her mother, Mrs. John Moore of Weatherford, arrived at noon for a visit in the J. J. Green home. They brought Mrs. Moore's sister, Mrs. Junnie Clark, of Glen Allen, Alabama for a visit here in the Green home. Mrs. Clark accompanied Mr. Green to Weatherford on his recent return from Alabama.

Mrs. Annalee DeWolf, who has been quite ill for some time, has been moved back to Santa Anna Monday. She is now at the home of her mother, Mrs. M. D. DeWolf, where she is reported to be resting very well.

Mr. and Mrs. N. C. Mills and daughter, Polly, and Mrs. O. G. Doney, of Lubbock, came Tuesday for a visit of several days with Mrs. Mills' mother, Mrs. E. Goodson and family.

Mr. Luther Mey of Faber spent the week-end with his family. Mr. and Mrs. Patterson

12th Annual Soap Box Derby To Be Held August 14

Akron, Ohio—The twelfth annual All-American Soap Box Derby, the great racing classic of the boys' world, will be held here on August 14. It was announced today by the Chevrolet Motor Division, national cosponsor of the event. More than 55,000 people are expected to draw every year from all parts of the country to see the youthful contestants race for the championship from Lakewood, Ohio, to Akron. Their grandstand, hand-made racing cars, and specially constructed track at the Derby Downs. Since early June local Derby races have been held in 150 participating communities, each sponsored by a local newspaper or civic organization. During the week before the race, Akron is transformed into "Derbytown" as merchants, industrialists and civic organizations participate in some phase of the work of entertaining the champions and guests. The national champion will win a \$5,000 scholarship to the college of his choice. Second prize is a Chevrolet automobile. Other trophies go to the top five place winners, and to the drivers whose cars win special awards for construction and design.

February and August graduates will receive their diplomas at that time, but they will be invited to attend the formal June commencement program, which may be extended to a two-day-long celebration. Announcing the contemplated new plan, C. Reed Granberry, assistant to President T. S. Paine, said: "This new plan is to provide the student with a follow-up program in the form of a scholarship program. Mrs. O. B. Foy and her son, Max, of Brownwood, visited Tuesday with her parents, Mr. and Mrs. J. T. Baird. Mrs. Foy recently completed her term with the service in the Army. Mrs. M. C. Mrs. Granberry, of Brownwood, spent the week-end with her parents, Mr. and Mrs. Chleo James.

From where I sit... by Joe Marsh

Specs And I See Eye To Eye

Asked Specs Allen to go hunting last week. Known him all my life, so I wasn't surprised when he showed up with no gun. Specs doesn't like to kill anything. Couldn't ask for a better hunting companion, though. We tramp around the woods, and whenever the dogs flush a bird, I blaze away while Specs just watches. Told him once I was surprised he went along... feeling the way he does about shooting anything. "Well, Joe," he says, "you do what you think is right and I'll stick to what I think is right. I've no call to dislike you for not seeing everything the way I see it." From where I sit, open-mindedness is a wonderful quality. There are plenty of things Specs admires that I don't care for. Like his fondness for buttermilk. I'd rather have a glass of beer anytime... but Specs Allen and I don't let little differences get in the way of something big like friendship.
