Marie Blewett, Ernest Richards Exchange Vows

On Easter Sunday, April 9, 1950 at 10:00 a. m., Miss Marie Blewett of Santa Anna, became the bride of Mr. Ernest Richards, of Stambaugh, Michigan.

The impressive, single ring ceremony was performed by Rev. E. H. Wylie, pastor of the Santa Anna Christian Church, in the home of the brides brother-in-law and sister, Mr. and Mrs. S. A. Boardman, at 207 Hollywood Dr. in Coleman.

The bride wore a navy blue suit, with navy accessories, and an orchid corsage.

The only attendants of the couple were the brides sister, Mrs. Boardman, and Mr. Loyd Burris, long-time friend of the groom.

Easter lilies and fern were used in decorations throughout the receiving rooms and the mantle was decked with fern and candles.

Following the ceremony, the wedding party had dinner at the Coleman Hotel.

Immediately following, the newly weds left on a wedding trip, and will be at home in Stambaugh, Mich., after April 17.

The bride, a daughter of Mrs. E. K. Blewett, and the late Mr. Blewett, has been a resident of Santa Anna for 23 years, much of which time she has been identified with the business life of the town.

Previous to her marriage, she had been employed in Coleman as secretary to S. A. Boardman. The groom, retired, has been active in State Y. M. C. A. and Social Welfare work. He has visited here a number of times during the past three years.

HONORED AT TEA

Honoring Miss Marie Blewett of Santa Anna, bride-elect of Ernest Richards of Michigan, Mmes. L. Gene Hensley, John Wofford and T. W. Doster of Coleman entertained with a gift tea Tuesday afternoon, April 4, from 4 to 6 p. m., in the home of Mrs. Hensley.

Mrs. Hensley greeted guests at the door. Standing in line with the bride-elect were her mother, Mrs. Blewett, and her sister, Mrs. S. A. Boardman, of Coleman.

Mrs. A. D. Hunter and Miss Louise Purdy were in charge of the gift room.

The tea table was covered with an imported Irish linen cloth and centered with an arrangement of yellow dutch iris, jonquils and daisies and flanked with yellow

taper candles. The punch bowl was encircled with baby pansies and miniature wedding bells.

Mrs. W. R. Mulroy and Mrs. Preston Bailey alternated at the punch bowl and were assisted by Mrs. John Wofford.

Mrs. Lella Terry of Forney, was in charge of the register. Mrs. T. W. Doster of Coleman said good-byes.

Approximately 50 guests called during the hours.

Garden Club Gives Tea Friday

On Friday afternoon, April 7, the Mountain City Garden Club entertained with a silver tea, in one of the Homemaking rooms of the High School building.

Mrs. Maggie Culver, the president, opened the meeting, and Mrs. C. L. Eeds had charge of the program. Mrs. Ford Barnes told of many interesting places she had seen in historic Williamsburg, Va.

This was a very fitting introduction of moving pictures that were shown, entitled "Eighteenth Century Williamsburg, Va."

The pictures are a courtesy of the Eastman Kodak Co., and are sponsored by J. D. Rockefeller, who, in rather recent years, restored Williamsburg to its original status.

Mary Jane Turner gave two humorous readings.

Members of the F. H. A. Club put on a very impressive Emblem Service. Those taking part were Julia Bailey, Margaret McCaughan, Vernel Newman, Bobbie Parish, Rilda Stephenson, Bobra Garrett, Patricia Davis, and Joan West.

They also served refreshments that were prepared under the supervision of their sponsor, Mrs. Earl McQueen. A variety of decorated cookies, mints, nuts and punch were served from a lace laid table that had an arrangement of pink tulips. Pansies were plate favors.

The Garden Club will use the proceeds of the tea for the Santa Anna Cemetery entrance beautification, a worthy project which they are sponsoring.

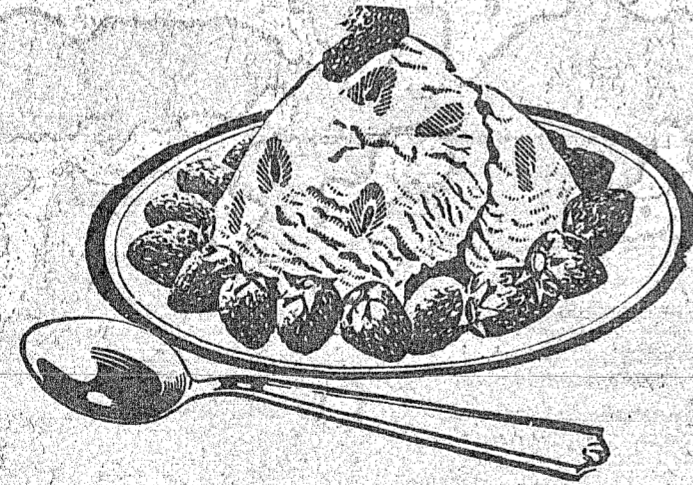

Nancy Jaehne Has Birthday Party

On Wednesday, April 5th, between the hours of 3:30 and 5:30, Mrs. H. E. Jaehne entertained at her home on South Houston Street, with a party, in honor of her daughter, Nancy's, 10th birthday.

From where I sit... by Joe Marsh

Gabby Enjoys Going to The Dentist

One of my molars was giving me a bad time Tuesday afternoon, so I slipped over to Doc Jones, hoping to catch him free. When I arrived, Gabby Jackson was sitting there reading a magazine. I said hello to Gabby and he nodded.

Doc comes out and says I'm next. "Wait a minute," I says. (My tooth seemed to have stopped aching.) "How about Gabby—doesn't he have an appointment?" Doc smiles and says, "Gabby? Why, he's got the finest teeth in the county. He just comes up here and reads the magazines whenever he's in town!"

As Doc went to work he told me that he's glad to have Gabby come up and read magazines... they might not all be fresh off the newsstand, but if Gabby—or anyone wants to while away some time who is he to stand in their way? From where I sit, this "live and let live" spirit helps make America what it is. If I prefer a friendly glass of beer with my supper and you prefer milk—who's to say one's right and the other wrong?

SCRIPTURE: Amos, especially 2:1-6
DEVOTIONAL READING: Psalm 118:1-8

Rugged Prophet

Lesson for April 16, 1950

DON'T MAKE the mistake of thinking that the prophets of the Old Testament were less important than the prophets of the New Testament...

Ranch-Land Preacher

AMOS WAS NO city preacher. He had no pulpit, no choir, no Sunday school, no official position, no money, no high education, no national reputation...

But the Lord had spoken to him and he knew it. He was determined that the wealthy people who crowded the temple yard in Bethel should hear him...

As his voice rang in the wide open spaces, high over the crowd, a few people may have laughed at first...

Roll-Call of Doomsday

FOR the teachers of the Doomsday roll-call, I will not be a prophet. I will not be a seer. I will not be a visionary...

Then, Amos said, "As for you, prophets, you have said, 'The night will be dark and the day will be bright...'"

Too Close Home

EVERYTHING Amos had said was true, and came true: every nation whose downfall he predicted collapsed just as he said it would...

"Thus saith the Lord: For three transgressions of ISRAEL, yea for four, I will not turn away the punishment thereof..."

Amos plunged from being the most popular sidewalk preacher of his day to being the best-hated man in Israel...

One Man With God

AMOS WROTE OUT his prophecies at some later time and they have been handed down to us, with all their fire and force...

We shall see in later lessons some of his great messages. What stands out here is this: Truth is sometimes popular.

Christian Church Easter Service The Young People and children of the First Christian Church had the leading part in the worship services for both Sunday school and church Sunday morning.

As a full choir, they led the congregational singing, and sang special numbers appropriate for Easter. They also read an appropriate scripture and offered prayer.

For several years there has been an increasing interest manifested on the part of the young people and children and their number is increasing.

The older members of the congregation are most grateful for the fine work of the group. Among the decorations were two pots of Easter lilies, given in memory of Mrs. D. C. Neal, by members of the family Mrs. Neal, a charter members and

It was recess time on Capitol Hill last week, as the House folded for the annual 10-day Easter pause. The omnibus annual appropriation bill was interrupted by the Easter delay and debate, thereon will be resumed when the House reconvenes on the 17. The resulting capitol dullness was in part off-set by the annual outburst of the cherry blossoms. This festive occasion brings around a half million visitors to the Potomac. It looked like a natural this year—the three-day blossom period coinciding with Easter Sunday.

FIBER CONSUMPTION
Of interest to raw fiber producers is the comparison of consumption during 1949 with the preceding year, just announced. The consumption of all individual fibers decreased from 1948 to 1949, with the single exception of the non-cellulosic man-made

fibers which increased by 21%. Cotton consumption declined 13.4% from 1948 to 1949, or by 596,400,000 pounds, and thus showed the greatest poundage decrease in individual textile fiber usage over the past year. Cotton consumption last year was about at its 1939-40 level.

Scoured wool consumption during 1949 (apparel class plus carpet class) totaling 515,500,000 pounds, was 27% or 189,000,000 pounds less than 1948 but nevertheless was still 28% above its 1939-40 averages. Of this total, apparel class wool consumption at 353,900,000 pounds was 42% below the record year 1946 and 29% lower than 1948; however this 1949 consumption was 17% larger than the 1939-40 average of 302,900,000 pounds. As regards carpet class wool, consumption in 1949 was 22% lower than the record of 207,900,000 pounds consumed in 1948, but was still 60% greater than the 1939-40 average of 101,000,000 pounds.

The 1949 consumption of rayon at 991,400,000 pounds declined from the previous year for the first time since 1936 and was 14% below the record high of 1948 at 1,149,500,000 pounds. But this 1949 consumption nevertheless was slightly greater than in 1947 and was more than double the 1939-40 average of 470,000,000 pounds.

SEGREGATION CASES ARGUED
Two history-making cases were argued before the Supreme Court here last week, dealing with segregation. The Henderson case was one and the Sweatt case (from Texas) was the other. Decisions are expected by around the first of June.

The Henderson case dealt with the right of the States to require negroes to use separate cars in railroad travel, but of equal quality, while the Sweatt case results from the denial of a negro for permission to enter the University of Texas law school. Our Attorney General, Eric Daniel, argued the case, and earlier in the week made a vigorous defense of the Texas demands claim. The later may be decided in a couple of months.

In the segregation cases, the negro appellants insist that, regardless of the relative quality of the school or railroad facilities, the segregation laws should be struck down. Sweatt, contacted

that even though Texas built and provided a negro law school, and even though it is just as good as the one attended by whites—or even better—the Court should make it mandatory that white schools admit negroes as a matter of choice and discretion on the part of the students.

The cases attracted a lot of attention in Washington and the decisions are being watched by their precedent-making significance. If the Supreme Court holds with the negroes, it appears that the same rule would apply to all schools, from primary on through high school.

CENSUS SHIFTS
Even though the counting of noses just began on April 1st, the Census bureau has already made its predictions. One thing sure is that some tremendous shifts have taken place. The biggest increase is forecast for Oregon, where since 1940 the number has jumped by 59.3%! Next is Nevada with an increase of 56%. California with 53.3%. Texas upped its total by 17%, while five states are due to show decreases. Those are Mississippi, Oklahoma, Nebraska, North Dakota and Montana. The national average gain

will be 13.4%, the Census experts predict.
A few chuckles were heard in the cloak rooms last week when old Drew Pearson whose accuracy is usually taken with a grain of salt up here, writing of Representative Gene Cox of Georgia, described him as a "poker-playing partner" who spent the week with her son W. A. Kelley of the Speaker (Sam Rayburn) and family at Elcid.

What caused the chuckles was the well-known fact that Sam Rayburn not only doesn't play poker but actually doesn't know one card from another!

Visitors in the homes of Mr. and Mrs. A. E. Gilbert and Mr. and Mrs. Luther McCreary over the week end were Mr. and Mrs. Calvin Campbell, Mrs. Zada Dixon, of Lubbock, Mr. and Mrs. J. B. Gray, Bobby and Ila Mae, Elizabeth Ann Smith of Stanton, and Mr. and Mrs. Jack Smith of Mercury, Texas.

Mrs. O. J. Albro spent the week end with her father in east Texas.

Ross Kelley of Dallas, spent Easter with his parents, Mr. and Mrs. Ross Kelley.

Mrs. C. W. Klinger of Saratoga, visited her parents in California, Mrs. Bertha Spencer of Van Nuys, and Mrs. Robert Flores at Ceres. She will also visit other relatives, including her sister, Mrs. Lena Cumpas at Tex.

Gene Cox of Georgia, described him as a "poker-playing partner" who spent the week with her son W. A. Kelley of the Speaker (Sam Rayburn) and family at Elcid.

Mr. and Mrs. Hayden Goodgoon and their two children, Grainger, Floyd Goodgoon of Clovis, New Mexico, and Ruby Goodgoon of Abilene, were Easter visitors with their parents, Mr. and Mrs. Homer Goodgoon.

Mr. and Mrs. Leroy York and their two children, Dale and Roy Bee, and Mr. York's mother, all of Abilene, visited Friday and Saturday of last week with her parents, Mr. and Mrs. G. E. Smith.

Mr. and Mrs. J. P. Hunt and Mrs. Hunt's family spent the Easter holidays with her parents, Mr. and Mrs. Lester Newman.

Mrs. C. W. Terry of Dallas, Mrs. Cemer Blue of Santa Anna, now living in Fort Worth, arrived home Monday, after a two weeks visit with Mrs. L. Gene Bentley.

Norma Jo Eubank Honored With Party

Mr. and Mrs. James Eubank gave a dinner party in their home Easter Sunday honoring their daughter, Norma Jo, on her first birthday, and her little cousin, Menoah Frank, who was two years old. He is the son of Mr. and Mrs. Floyd Franke, of Millersview.

Dinner guests besides the ones mentioned above were Dr. and Mrs. Cheatham of Millersview, and Mr. and Mrs. Charles Bengel and family, of Whon.

Afternoon callers were Mrs. David Eubank and son Ronald, of Brownwood and Miss Pauline Eubank, Mrs. Jim Daniell and Mrs. Chester Galloway, all of Santa Anna.

250 Attend Sunrise Easter Services

Around 250 people attended the Easter Sunrise Service at the Ranger Park on Santa Anna Mountain. No registration was made of those in attendance but it was noted that people from Abilene, Hamlin, Brownwood, Coleman, Bangs, and Rockwood were present. The state of Oklahoma was represented by a lady from Ardmore. Perhaps residents from other states were there also.

The sentiment was expressed for this to be an annual affair. By planning ahead and advertising, this could be made a great annual service with people coming a great distance.

It was regretted that the site for the service had to be changed at the last minute. It was felt best to change because of the loose condition of the sand around the sand pit on the west mountain. The work that the men did in preparing the road to be used if possible on the west side was greatly appreciated. An expression of gratitude is due the Boy Scouts who helped to re-route the traffic. The hot coffee and doughnuts could not have been better. The Santa Anna National Guard Unit is due a word of thanks for this service.

Local Methodist Church News

With the presence of some visitors Easter Sunday, record-breaking attendances were noted at all services. The Beginners and Primaries enjoyed an Easter egg hunt following their usual assembly and then a talk on the meaning of Easter and the significance of the Easter Egg.

At the morning hour a message in keeping with the Day was brought by the pastor and the evening hour a beautiful Cantata was ably rendered by the choir, enhanced by a lovely setting of Easter lilies, hydranges, and ferns.

The Juniors enjoyed an Easter Party at the parsonage Saturday afternoon. Following their classes on church membership, they enjoyed appropriate games. Punch and cookies were served, also individual cakes topped with picturesque Easter nests.

The services Sunday concluded a week's revival lead by the pastor, during which time seven new members were received. Attendance throughout the week was most unusual. An outstanding service was the candle-light communion on Thursday evening, a long table having been arranged about which twelve were served at a time. The early morning breakfast services for the men shall ever be remembered by the sixty-five who attended. The presence of the Lord was felt at all times and to Him we give the praise and glory for all blessings received.

The W. S. C. S. met for a business session Monday afternoon. Mrs. Blake, spiritual life chairman, lead the devotional. Plans are being made to re-do the parsonage kitchen and complete the cabinet that was started several years ago. Wednesday, April 19, has been set for beginning the third mission study for the year with Mrs. Crews as director.

Let us not forget that we are to have our monthly fellowship supper Wednesday evening, April 19, at 7:30. Reserved places are to be provided for the men and young people since they are sharing honors as a result of efforts put forth during the three

months attendance period. The program is to include other features.

For next Sunday's services please notice announcements appearing elsewhere in this paper.

Trickham Trip

Mrs. A. L. Oder For some time I had been looking forward to attending the annual meeting of the Trickham Cemetery Association, which met Tuesday, but I failed to make connection with any one going Tuesday morning.

In the afternoon Clyde Haynes and Kenneth, came by for me, as they were going to bring Mrs. Haynes home.

She had been in the home of her parents, Mr. and Mrs. R. S. Stearns, for a week, helping to care for them in their illness.

I was glad to visit, in the home of these fine elderly people, who have lived in the Trickham community for 46 years, where they have reared a large family.

Considering their long illnesses they seem to be getting along fairly well, Mr. Stearns, 82, had 4 operations last year and Mrs. Stearns was hospitalized for 4 weeks recently. Other Santa Anna visitors with them Tuesday afternoon were Mrs. Walter Sharp, Mrs. Paul Pembroke and Lowell.

With Mrs. Haynes, I also got to visit with Mrs. Mollie Shield, another old friend, who has not been very well of late. She was up, and, as usual, has lots of pretty flowers blooming in her yard. We also planned to visit Mrs. Beula Kingston, but she was at Mrs. Shield's and so we visited with her there. Glad to see she has about recovered from her recent illness.

I heard that the meeting of the Cemetery Association was largely attended with many present from distant places. Following the program, and business session, a fine dinner was served by the women of the community, who are widely known for their good cooking.

Returning home by the cemetery it was seen to be in perfect condition, surrounded by good fences, shrubbery trimmed and weeds and grass kept down by the power mower from corner to corner.

I believe the Trickham cemetery is the oldest one in the county.
