Coach McBride Has Meeting Of Football Boys & Dads

Tuesday night, about thirty-five boys of high school age and their dads gathered at the gym to discuss football. Coach McBride was in charge of the meeting and discussed the prospects for the Mountaineer club for the coming season.

McBride gave the boys the schedule for the 10 game season this fall. Six of these ten games will be played on the home field, the other four away from home. He also discussed some changes in the rules that will effect the local squad, and went through all the official signals that will be used in calling the games.

One of the primary changes in the rules that will be noticeable to the person in the stand watching the game, will be the eliminating of the "free catch". This has been done away with for this year. Another that will effect the local boys is the starting of the clock after a time-out. The clock will be started immediately after the referee determines that both teams are ready to play, instead of waiting until the ball has been put into play. This has been done to speed up the game.

In years past players have been injured by obstructions being placed too close to the playing field. This year a five-foot safety zone will be marked off running alongside the playing field and nothing will be allowed in this safety-zone other than the chain boys and the officials.

Parents of the boys and other visitors were called on to make suggestions concerning the boys. The coach called on all the boys to observe all the training rules and requested the parents and the citizens of the town to cooperate with the school in helping and encouraging the boys to stay in training. It is very important to the boy and to the team that each boy be in top physical condition at all times. If a boy is in good condition, his chances of getting an injury in a football game are slim. If he is not in good physical condition, he has a better chance of getting hurt, and really should not be allowed to play football.

After the discussion a movie between Howard Payne College and Abilene Christian College was shown the group. They were then served watermelon and dismissed.

The coach plans to issue equipment to all boys on Friday, September 1. They will have their first work-out on that afternoon at 5 p. m. and then again on Saturday morning at 8:30 they will have another work-out. Their first game will be at Rochelle on Friday night, September 15.

The complete schedule for the 1950 season is as follows:

- Sept. 15, Rochelle, there.
- Sept. 22, Richland Springs, there.
- Sept. 29, Baird, here.
- Oct. 6, May, here.
- Oct. 13, Cross Plains, there.
- Oct. 20, open.
- Oct. 27, Rising Star, here.
- Nov. 3, Blanket, here.
- Nov. 10, Bangs, here.
- Nov. 17, Early, there.
- Nov. 23, Gorman, here.

It's The Useable Area That Counts

An economical layout in a house is one which provides the greatest proportion of usable floor area, according to the Housing and Home Finance Agency. An excess of unusable space makes a house less desirable. If the hall area is larger than is necessary, the layout could probably be considered uneconomical. If the floor space is not readily and conveniently usable, economy probably is being sacrificed.

Mr. and Mrs. J. L. McCaughan, Mrs. W. F. Hoke, Sharon, and Margaret McCaughan have returned from a business and pleasure trip to Springfield and Hot Springs, Ark.

Billy Joe Parish

C. W. Stephenson

R. D. Hartman

R. D. Hartman, the only three year letterman on the Mountaineer squad for the 1950 season, was one of the most outstanding backs in the district last year, and should be again this year. Billy Joe (Little Beans) Parish, a two year letterman, was also outstanding in the backfield, and is expected to make a top-notch quarterback this year, and C. W. Stephenson, a two year letterman, and already a top-notch guard, will be the principals that the football team will be built around this year. Prospects for the season are good, and we are looking for a district championship this year.

Four one year lettermen who will be on the team this year are: Joe Wynn, a junior; Charles Scarborough, a sophomore, Harold Clifton, a senior; and Billy Ray Robbins, a junior.

Squadmen who were out for football last year and who will be seeing lots of action this year are: Bobby Stewart, Gary Patterson, Garland Schrader, Joe Buse, Royce McIver, Billy Jack Harris, Melvin Pollock, Alton Benge, James Vercher and Thomas Rutherford.

Several of the boys who gained a years experience in Ward School last year will also be out for High School football this year, and some of them are going to make the older boys step to maintain their positions on the regular squad.

Mrs. Hull Well Makes 36 Barrels Per Hour On Test; Other Locations Made

The Mrs. Bertie Hull No. 1, located on Block 11 of the Mahoney addition, blew in last Wednesday afternoon. This is apparently the best well so far located in the Breneke Sand. It tested 36 barrels per hour, indicating a potential of 864 barrels per day. The well was drilled to 1816 feet.

The H. B. Monroe location took a core Monday night. A 13 1/2 ft. core was reported to be saturated, from the Breneke Sand. This has prospects of make a good producer.

The J. W. Tabor No. 2 was shot with ten quarts of nitro, and indications are that it will make a good well. It is reported, that the Tabor No. 3 made a good producer.

The W. B. Griffin No. 3, located just south of his home, was due to start drilling in Tuesday afternoon. Prospects are good for a producer here.

The Ralph Mathews location on the Trickham road has set pipe in the lower Fry Sand and is producing some oil.

Preparations are being made to drill another well on the Hull place, and a location is being drilled on the Irving Estate, just south of the Campbell Gin.

A slush pit has been completed on the Taylor Overby place and plans are to start drilling as soon as possible.

Your Cooperation Still Needed

Again we must ask your cooperation in bringing us your news items and local happenings.

In order for us to get them in the paper, we must have them as soon after they happen as possible.

We appreciate the cooperation you have shown toward us since we have been without a linotype operator, and we assure you that your continued cooperation will be appreciated.

We though sure we would have a linotype operator by the first of this week, but we were disappointed for the third time in the past two weeks.

However, we still have hopes of hiring one, but until we are capable of doing so, we must ask your continued cooperation.

—The editor

The Fred Turner well, located on the W. R. Kelley Estate was taking a core Tuesday and another location was being made ready to drill. No report has been received on the results of the first Kelley core.

A location on the Chap Beds land was drilled to the Fry Sand and then plugged back to the Breneke, and reports indicated plans are being made to drill the well in this week.

The Glass-Norton No. 5, Copeland was shot Tuesday morning and is now being cleaned out. Prospects are good for a producer.

The White No. 1, Clebert, Willis was still drilling for the Breneke Sand Tuesday morning.

Jess Upchurch Home Destroyed By Fire Monday

Fire, that started from an oil cook-stove, destroyed the Jesse Upchurch home Monday evening. All the household belongings and furnishings were lost, except three chairs that were on the porch of the house.

The Upchurchs were living on the Mrs. W. E. Ragsdale farm, about three miles southwest of Santa Anna on the Plainview road.

The Santa Anna Fire Department was called, but were unable to save anything. The house, smoke-house and cellar were in ruins when the Fire Boys arrived.

Mrs. B. A. Parker and her mother, Mrs. W. E. Ragsdale, were visiting the Upchurchs when the fire broke out.

SHOWER TO BE HELD FOR UPCHURCH FAMILY

A miscellaneous shower will be held in the home of Mrs. J. J. Horner on Saturday afternoon, from 3 to 5 p. m., honoring Mr. and Mrs. Jesse Upchurch, who lost their home and belongings by fire Monday afternoon.

Mr. and Mrs. Joe McCrary and son, Jimmy, of Seminole, Texas, are visiting his parents, Mr. and Mrs. Sam Crary, and other relatives.

Water Line To Lake Brownwood Progress Good

The water supply line now in the process of being laid from the Santa Anna City Lakes to Lake Brownwood is making good progress and it is expected that it will be completed in record time.

Through Tuesday night 5,500 feet of pipe had been put in the ground. So far the going has been through the worst part of the terrain they will have to go through, and in a few more days they expect to be laying well over 1,000 feet of pipe per day. Tuesday the company laid over 800 feet.

All the pipe has not been received yet. Approximately 4,000 feet has not arrived, but the company has plenty pipe on hand to keep them busy for a number of days.

Construction of the pump station on the shores of Lake Brownwood is having to be held up, at least for the present, because there is no steel available. It is not known when the steel will be available and the Frank Butcher Company, contractors, are doing everything possible to get the steel. They still have hopes of getting it in time for the job to be completed in October, but right now it is rather uncertain.

Rev. C. L. Carroll To Preach Here Sunday, Aug. 27

Bro. C. L. Carroll, pastor of the First Baptist Church at Itasca, Texas, will preach at the Cumberland Presbyterian Church, located at the corner of Avenue B and 2nd Streets, in Santa Anna, Sunday, August 27.

Sunday school will be at 10:00 a. m. and preaching services will be at 11:00 o'clock.

The church extends an invitation to the general public to join them in their services.

Mr. and Mrs. A. J. Baker and daughter, Nancy Sue, of San Angelo, spent the week-end in the home of his parents, Mr. and Mrs. S. S. Baker.

Saturday, August 26, Set For Run-off Election; Only 5 Names On Co. Ballot

Although state offices will be the only ones on the ballot in Coleman County, an election will be held in the county on August 26. Some counties in Texas do not plan to hold the run-off election because they have no county or district offices on their ballots.

Names on the ballot will be as follows:

For Lieutenant Governor
Ben Ramsey of San Augustine County

For Associate Justice Supreme Court (Place 1)
Pierce Brooks of Dallas County.

For Associate Justice Supreme Court (Place 3)
Will Wilson of Dallas County.
Fagan Dickson of Bexar Co.

For Associate Justice Supreme Court (Place 3)
Geo. W. Harwood of Dallas Co.
Meade F. Griffin of Hale Co.

For Judge of Court of Criminal Appeals

Robert L. (Bob) Lattimore of Dallas County.

W. A. Morrison of Milam Co.

For Commissioner of Agriculture
John C. White of Wichita Co.

J. E. McDonald of Travis Co.

The race for lieutenant governor has taken most of the limelight the past three weeks. Both Ramsey and Brooks are campaigning at top speed all over the state and both seem to have all the confidence in the world that they will win the race. Brooks stresses economy in government as his main point, while Ramsey seems to have a variety of points such as farm-to-market roads and other highly controversial issues as his talking point.

We have not heard but very little on any of the other races, but will pass on some of what we have heard.

Most of the Precinct and County Democratic Conventions in Texas took a definite stand against J. E. McDonald for Commissioner of Agriculture. He has held the office for such a length of time that it seems to us that someone else should be given the opportunity to serve in this capacity. He has been involved in a number of matters that would make us wonder if he is a Democrat or not.

A recent article in a Houston newspaper seemed to indicate that Robert L. Lattimore of Dallas County, a candidate for the office of Judge of Court of Criminal Appeals, has a jail record and that he was running for office on the political strength of his name alone. The name of Lattimore has long been connected with the political life of Texas, and so far as politics goes, it is a good name on the ballot.

A Mr. Alexander of Marble Falls, Texas, along with a number of other Texans, has started a "scratch Dallas" campaign, meaning they are wanting all the four candidates on the ballot from Dallas county scratched in favor of their opponents. They apparently have nothing against any of the candidates, other than the fact that they are from Dallas County, and as it seems Dallas County does have a large number of men holding state offices.

A very light vote is expected in all Texas counties that do not have county candidates in the ballot. Let us suggest that you give each candidate the proper consideration, and GO TO THE POLLS AND CAST YOUR VOTE IN THE SATURDAY, AUGUST 26 ELECTION.

Clois H. Reveile Wounded In Korea

Pfc. Clois H. Reveile

Mrs. Pearl Reveile of Santa Anna, received a telegram August 9, stating that her son, Pfc. Clois Hollis Reveile, was wounded in action in Korea on August 7. Since that time Mrs. Reveile has received a letter from Clois, stating that he was wounded in his left leg.

He stated that he was in a hospital in Japan and that he most likely would be there about two more weeks.

Clois enlisted in the U. S. Marine Corps two years ago, at the age of 17. He was 19 years old on July 17.

When the Korean conflict broke out Clois was stationed at the Marine base in San Diego, California. He sailed with the First Marine Division in July.

Clois attended the Santa Anna schools and before enlisting in the Marine Corps, he worked at a creamery in Fort Worth. He has one sister, Dorothy Faye, and three brothers, Wayland Jay, Kenneth Wayne and Glen Elder.

Daniel Baker College To Open September 11

President Richard A. Hayes has announced that Daniel Baker College, 61-year old co-educational senior college recently acquired by the Episcopal Church, will open its fall semester on Monday, September 11.

A 74-page bulletin containing announcements for the 1950-51 session of the college has been printed for distribution to prospective students. Copies may be obtained from the college.

Daniel Baker is the only Episcopal senior college for young men and women in the entire Southwest. Enrollments are now being received for the fall semester, and a record enrollment is expected for the school year 1950-51.

Degrees offered are: Bachelor of Arts, Bachelor of Science,

Bachelor of Science in Education and Bachelor of Business Administration. A student may major in the Departments of Biology, Business Administration, Education, English, History and Government, Home Economics, Physical Sciences, Foreign Languages and Music.

Daniel Baker, located in the heart of Texas in Brownwood, has a present physical plant which includes a three-story stone administration building, an air-conditioned library, a two-story brick fine arts building, a veterans' village and an athletic field.

The Episcopal Church has a general expansion program underway at Daniel Baker College. The physical plant, the library, the faculty and the curriculum are all being expanded as rapidly as possible. To meet the growing needs of the college it has been necessary to expand the courses in agriculture, biology, business administration, education, history, languages and music particularly.

Daniel Baker College is a member of the Association of Texas Colleges and its credits are fully approved by the State Department of Education. Veterans who attend Daniel Baker are entitled to all GI benefits under Public Law 16 and Public Law 346.

Students who wish to attend Daniel Baker College should contact W. W. Stevic, Registrar, Daniel Baker College, Brownwood, Texas.

Local Methodist Church News
Good reports have come in from the services the 3rd Sunday, at which time Rev. M. L. Womack preached a most helpful sermon to a splendid group. A large number of visitors from

other local churches was noted. The pastor, Mrs. Smith, and J. L. Brideport, a gathering of some two hundred or more, most of whom were relatives and close friends of the late A. G. Smith, father of Bro. Smith.

A large group was present for the monthly fellowship supper which was held in Coleman, Mrs. Etheredge, Miss Elsie Lee Harper and Lois Ann Shields were the birthday honorees.

Our M. Y. P. was represented at the sub-district meeting held recently at Norton. A part of the program was a dramatic review of "One Foot In Heaven" by Rev. W. J. Goodwin, recently licensed to preach.

Our first quarterly conference is to be held following the evening service next Sunday. All are invited and the officials are urged to be present. A resume of the work of the summer is to be given and also plans for the future. Rev. H. B. Loyd will preach. You are cordially invited.

Shield News

(Mrs. J. B. Weathers)

The showers the past few days have relieved the extreme heat wave through part of July and August.

Mr. and Mrs. Cliff Connor of Fresno, California, are visiting here with her mother, Mrs. Miles

Vance and other relatives. A daughter, Viola and husband, Mr. and Mrs. Broadway, of North Carolina met Mr. and Mrs. Connor here. They are returning to North Carolina with their daughter before returning to their home in California.

Mr. Barton of Coleman spent part of last week with his daughter and family, Mr. and Mrs. Elton Jones.

Mr. and Mrs. Virgil Stewardson were visiting relatives in this community last week.

Mr. and Mrs. Elise Taylor of Donna, visited with Mrs. Clara Gilbreath this week, and they went to Midland to visit brother Eugene and family in the mean time.

Mr. and Mrs. E. R. Tucker and Mrs. Roy Earl Tucker and children of Midland visited on Friday night with Mr. and Mrs. J. B. Weathers and Mrs. Page.

Mrs. Heyman Gilbreath and Glenn visited with Mrs. Elton Jones and Karen on Friday afternoon.

Mrs. G. R. McClure visited on Friday afternoon with Mrs. Tatum, Mrs. Reed and also with Mrs. Ola Shelton.

Several from here attended the funeral at Gouldsburg on Monday afternoon of Mr. Jack Barton.

Mr. and Mrs. J. B. Weathers and Mrs. Page spent the weekend with Mr. and Mrs. J. H. Goodwin of near Brady. Mrs. Page stayed on for a longer visit.

Mr. and Mrs. Jess Upchurch, formerly of this community, had the misfortune of losing all their household possessions when their house burned on Monday evening.

There should be more teaching of land use and management.

LAST WEEK while the House committees were pushing war legislation for floor action, debates ranged from social security amendments to trying to keep the Postmaster General from saving the taxpayers a little money.

The House, with but one negative vote, adopted a conference report on expanded social security legislation, voted down (by a two-vote margin) an attempt to knock out the so-called Knowland amendment whereby major control over unemployment insurance is retained in the States.

An attempt, spearheaded by labor unions, to give arbitrary control over jobless funds to the Secretary of Labor in Washington rather than letting the individual States retain their rights to decide on payments, caused a spirited debate.

The Knowland amendment, supported by State's righters, barely survived in a final vote of 188 to 168. I joined with 13 other Texas members in voting for the Knowland proviso.

A SORRY SPECTACLE took place in the House when by a vote of 364 to 108 the Postmaster General was ordered to restore certain cuts, including double daily mail delivery service, which he made last April. About \$70 million a year in saving was involved. The bill has not been acted upon in the Senate and even if passed is sure to be vetoed by the President. The rescission order was favored by a coalition mainly of northern Democrats and Republicans.

Actually the double-daily mail delivery is non-essential. About 85% of mail is included in the first delivery each day, when twice-a-day service is used. More over, the Post Office Department goes deeper in the red each year, and here the Postmaster General made a cut which inconveniences very few and saves the taxpayers around \$70 million annually.

The double-daily delivery would apply to about half the people. There are 38 million on rural routes, and in suburban areas who have never received more than one delivery a day. An additional 23 million in towns have never had even one delivery a day. They go to their post-offices.

I joined with 13 other Texas

members in upholding the Postmaster General in this effort to economize an admittedly non-essential item.

THE CIO BROKE INTO THE NEWS last week with the release of its pre-election "black list" of congressmen and senators who have not followed the labor party line. There were 67 House members, including myself, condemned and ordered purged for not voting to repeal the Taft-Hartley law, etc.

Both the CIO and AFL are smarting from political defeats handed them this year in primaries. The going has been a bit rough for them. Among Senators, they lost an all-out fight to reelect Claude Pepper in Florida, and liberal Senator Graham of South Carolina was bumped off. Then the other day, despite a determined fight by the political arms of both big unions, Senator Glen Taylor, the left-wing Wallaceite from Idaho, was nosed out by Senator Worth Clark.

A COTTON ACREAGE BILL, of major importance to our district is pending in the Senate. The House passed the measure a month ago and its fate is now in the hands of the Senators.

It will be recalled that by a tortuous interpretation of the acreage allotment law last Fall by the Secretary of Agriculture, Texas was brought under the so-called California gadget and deprived of credit for war crops planted during the base period. Early this year we were able to get the bill through to give our cotton farmers proper credits for this year. But unless the House bill now in the Senate is enacted, Texas next year will go back to the California gadget and our district will be the loser by about 51,000 acres.

But if the House bill, which we passed a month ago is enacted, we will be in fairly good shape. Our farmers will get credit for the war crops planted during the 4-year base period, and our district will be able to plant about 51,000 acres more than will be the case if the bill is not passed.

In any event Texas will be allotted about 7 1/2 million acres for cotton in 1951. The big problem

is over how and by what formula the Texas acres are to be distributed.

Business Leader With Great War Record Tells How Hadacol Has Rebuilt Him Physically

Was run-down, weak, after service in South Pacific due to deficiencies of Vitamins B1, B2, Iron and Niacin

Mr. Donald Hedburg, who resides at 1812 Parker in the fashionable Riverside District of Wichita, Kansas, has been an up-and-coming executive member of the staff of the great Wichita Eagle newspaper for over four years.

Mr. Hedburg has an enviable record of combat with the U. S. Army in the South Pacific in World War II. He is very active in civic affairs. And just as he was anxious to pitch in and do a job during the war, he now wants to help his fellow citizens who (like he was once), are physically run-down and weak due to lack of Vitamins B1, B2, Iron, and Niacin in their systems.

Here is Donald W. Hedburg's witnessed statement: "When I returned from service, I faced the problem of rebuilding myself physically. I was in a general run-down condition.

"In my present capacity of advertising salesman for Kansas' greatest newspaper, The Wichita Eagle, it's absolutely necessary that I have plenty of vitality—'get up and go.' I had real cause to worry. Nothing seemed to rebuild me constitutionally. Then a friend of mine on the national staff told me about HADACOL—he asked me to try at least five bottles. I'm on my fourth bottle and already I feel like my old self. I look forward to a day's work and go home—play with the children—work in the yard—fish until midnight! Thanks again to HADACOL, energy and vitality once again course through every fiber of my body. You bet, I too, am now a missionary for this great new HADACOL."

Get That Wonderful HADACOL Feeling Everyone is Talking About

HADACOL gives such wonderful results because it not only supplies deficient, weak run-down systems with more than their daily needs of important

Vitamins B1, B2, Iron, and Niacin—but also helpful amounts of precious Calcium, Phosphorus and Manganese—elements so vital to help maintain good health and physical fitness.

If you are a victim of neuritis pains, certain stomach and nervous disturbances, constipation, insomnia or a weak, run-down condition due to such deficiencies, HADACOL will start you on the road to feeling better often within a few days. Thousands upon thousands of records of grateful men, women and children proved this to be so.

Many Doctors Recommend It

HADACOL is recommended by many doctors not only to their patients but to members of their own families who have such deficiencies. Before giving up hope—you owe it to yourself to at least give HADACOL a chance to help you. Why keep dragging yourself around feeling "half-alive" when it's so easy to have that wonderful HADACOL feeling that everyone is talking about! Trial-size bottle, only \$1.25. Large family or hospital size, \$3.50. Refuse substitutes.

The business-managed electric power and light companies are the second largest taxpayers in the nation. Last year the West Texas Utilities paid \$2,238,634.00 in taxes—an amount equal to the total electric bill for all residential and farm customers for seven months! Despite all the "whoop-de-doo" over hydroelectric energy, if all the available water power resources in the United States could be completely developed, this would produce only one-fifth of the total energy the nation will need by 1960. In order to insure ample electric power for West Texas, the West Texas Utilities Company began in 1947 a program to more than double its generating capacity! Since World War II, the business-managed utilities have invested nearly \$2,000,000,000.00 a year in new plants and equipment to serve the people. This is the largest construction program undertaken by any single industry. The West Texas Utilities is now in the midst of a \$20,000,000.00 program expanding facilities to serve West Texas! Electric service is the one item in the family budget that costs substantially less than in pre-war days. Since 1939—while the cost of living as a whole has risen nearly 70 per cent—the average cost of a kilowatt hour of electric service for West Texas household use has dropped 18 per cent! Blessed Woman

Lesson for August 27, 1950

A PROTESTANT Christian is essentially a Bible Christian. Among other things, this means he will form his ideas about Bible characters from the Bible itself, and not from legends about the Bible, not from legends long afterwards invented.

Some Protestants seem not to realize that even a reverent book like "The Greatest Story Ever Told" is as much fiction as it is fact. Yet Protestant Christians are sometimes inclined to go to the opposite extreme, in reacting against the tall tales, they overlook the facts.

If some Christians overdo reverence for Mary, offering prayers and incense before her statues and even going to the point of saying we cannot come to Jesus except through Mary—an idea totally false to the Christian gospel—other Christians make the mistake of neglecting her memory altogether.

Surely we ought not to forget or under-rate the woman who of all the women in the world was chosen of God to be the mother of our Lord Jesus Christ.

God Knew Her Heart

NAZARETH was a small village with no good reputation. Yet it was in that town that Mary grew to womanhood. Man looks on outward appearances, but God looks on the heart.

You might have not selected Mary for the mother of Jesus, or to put it in another way, you would hardly have expected Mary's child to be the person Jesus became. She was very young, for girls were engaged early in that climate and country—perhaps no more than sixteen. She could have had no great education. She was poor, as the whole story shows.

Yet it was not for her education or her social standing or her experience or any such thing, but because of her heart, her character, herself, that the angel came to her that spring day in Nazareth.

Mary's Song

THERE IS no room to tell all that can be known of Mary from the Gospels. We can know or guess much from that one song, the "Magnificat" as it is called from its first word in the Latin translation. (Luke 1:46-55.)

We can tell from this that she was a woman who knew her Bible. Moffatt's translation of the New Testament uses italic type to indicate quotations from the Old Testament, and in this Song of Mary, of its sixteen lines, all but two are printed in Italics.

Words and phrases came to her in the familiar cadences of the book she knew and loved. Further, she was of a poetic turn of mind. This "Magnificat" has been set to music and sung in churches all over the world. Since Mary was herself a poet, it is not surprising to find that Jesus often spoke in words which sing with the beauty and rhythm of fine poetry.

Patriotism and the Poor

MARY WAS A woman who loved her country. We are so familiar with the "Magnificat" as a church anthem that we overlook it actually and originally was a hymn of praise to God for his mercies to Mary's nation, Israel.

Her people, so long enslaved, were to be set free. It is a revolutionary hymn, too. Princes are to be dethroned, the proud cast down, the rich made empty; but God will give his help to the hungry and the poor.

Mary and Jesus

LOVE OF HER Bible, love of beauty, love of her country, and most of all, love of God. You could guess this from the words of the angel, but you can see it plainly in this song. It is an outpouring of joy and thankfulness to a God who is very real and near and loved.

Every mother lives again in her sons; in Jesus we can see the manner of woman Mary must have been. When the boy Jesus called God his Father, who had taught him that word? When the young man Jesus fought off temptation by using the Word of God, who had first guided him to do this? Where had Jesus learned Scripture except under his mother's roof?

AN ORDINANCE MAKING IT UNLAWFUL TO BE FOUND IN A STATE OF INTOXICATION IN A MOTOR VEHICLE WITHIN THE LIMITS OF THE CITY OF SANTA ANNA, TEXAS, PROVIDING FOR THE PUBLIC WELFARE AND SAFETY IN CONNECTION THEREWITH, AND PROVIDING A PENALTY AND DECLARING AN EMERGENCY.

BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF SANTA ANNA:

Section 1: It shall henceforth be unlawful for any person to be found in a state of intoxication in any motor vehicle, as such term is defined in the Texas Motor Vehicle Code, within the corporate limits of the City of Santa Anna, Texas. "In a state of intoxication" as used in this ordinance shall mean the immoderate use of any spirituous, vinous, or malt liquors to such an extent as to render it unsafe for the individual to use public ways or places unaccompanied by a person in full and unhampered possession of his faculties.

Any violation of this ordinance shall be deemed to be a misdemeanor, and any person convicted of violation of this ordinance shall be fined in a sum not exceeding Two Hundred (\$200.00) dollars; and any person so convicted shall be committed to jail until such fine and the costs are paid.

Section 2: This ordinance shall take effect and be in force from and after its publication in the Santa Anna News.

Passed and approved this 15th day of August, 1950.

IT'S TIME for BROOKS!

Because...

Something must be done now about the runaway cost of our state government—a cost which has increased more than 500 percent in the period between 1935 and 1950. Aside from the cost of World War II, the cost of the Federal government did not increase that much during the same period.

With the State plunging wildly towards a financial crisis, the Lt. Governorship is a business rather than a political office. It needs a business man with a business viewpoint.

Only by the election of a business man can the people of Texas be assured of a direct and vigorous attack on this runaway cost, useless waste, and needless extravagance in our State government.

Only a business man who has not been a part of the system which spawned this era of waste and extravagance can give the problem that searching inquiry and impartial analysis needed now. Pierce Brooks is that man.

The next Lt. Governor of Texas should be above any internal friction, beyond all cross currents of politics, and completely judicial when clashes of personalities arise among members of the Senate. He must be in a position to treat them all alike, to be fair to each, and also to be true to his obligations to the people. Pierce Brooks meets these tests.

Pierce Brooks is the only candidate completely free from the entangling alliances, political obligations, cliques, clans and groups which grow up when men stay in office too long.

The Lt. Governor to be elected in 1950 should not come from the confused atmosphere of the State government, but direct from the people with a program for the people. Pierce Brooks is such a man.

In these crucial times the next Lieutenant Governor should be answerable to the people of the State and not to any group of special interests that has made millions of dollars off the taxpayers.

Pierce Brooks for Lt. Governor.

Geo. O. Wells Son To Marry Aug. 25

Mr. and Mrs. Luther M. Sanderson of Albuquerque, New Mexico, announce the engagement and approaching marriage of their daughter Frances, to Mr. Oliver M. Wells, son of Mr. and Mrs. George M. Wells of Santa Anna.

The couple plan a formal wedding to be held in the Albuquerque Inmanuel Baptist Church, Friday, August 25. The Rev. L. D. Mitchell will officiate at the double ring ceremony.

The bride-elect is a graduate of the Albuquerque High School and is a member of the San Merical Chapter of the Order of the Eastern Star.

Mr. Wells is a graduate of the Santa Anna High School and is stationed at Albuquerque with the Navy Seabees, as a petty officer first class.

Mrs. H. M. Smith Attends Reunion At Petersburg, Texas

The second reunion of the descendants of the late Joe, Dave, Mid, Jack, and Ve Harris met in the home of Mr. and Mrs. Roy McDaniel, at Petersburg, Texas, Sunday, August 6.

The ones who attended the reunion were all cousins, some of them not being together for almost 50 years. The cousins all started gathering early one Sunday morning.

The morning hours were spent visiting, making pictures and the noon-hour picnic lunch was served in the shade of trees in the McDaniel yard.

Most of the afternoon spent singing, old time songs, and dancing.

Mrs. H. M. Smith of Santa Anna, Mrs. D. J. Harris, Mary Mae Harris, and Mr. and Mrs. J. D. Harris of Abilene were representing Uncle Harris. There were 56 descendants present and some visitors.

W. F. Smith Jr., Wed In Twin Sister Vows At Quanah, Texas

QUANAH, Aug. 19. Twin sisters, Misses Jimmie Ruth and Ruby Janice Williams, were married in a double ceremony at 7:30 p. m. Saturday in the First Methodist Church here.

Miss Jimmy Ruth Williams was married to Richard Powers Cozad, son of Mr. and Mrs. Powers Cozad of Wapakoneta, Ohio, and Miss Ruby Janice Williams was married to William Franklin Smith, Jr., son of Rev. and Mrs. William Franklin Smith of Santa Anna.

The brides are the daughters of Mr. and Mrs. J. H. Williams of Quanah. Rev. Mr. Smith officiated at both weddings. Miss Mary Kay Hoffman of Eastland sang, accompanied by Mrs. Weldon, Herman, organist.

Miss Connie Cozad of Wapakoneta was maid of honor; and Mrs. Frank Sims of Fort Worth, matron of honor. Misses Carla Childs of Archer City, Bettie Jane Stephenson, Cooper; and Lois Hudgens and Beth Eubanks were bridesmaids. Sharon Ritchey was flower girl.

Frank Norton Sims of Fort Worth was Mr. Cozad's best man; and Lamar E. Smith of Mineola was Mr. Smith's best man. Groomsmen were Claude Wakefield and Douglas Higley, both of Ft. Worth; Bill Cole, Quanah; and Tom Chandler, Bowie.

The brides' father gave them in marriage. They were identical gowns of white satin with yokes and sleeves of lace embroidered

with bugle beads. Their fingertip veils of illusion fell from lace cloches embroidered with the same beads, and they carried bouquets of white roses.

A reception was held at the home of the brides' parents. Mr. and Mrs. Cozad will honeymoon in Ohio, and will reside at 2302 Aster in Fort Worth. Mr. and Mrs. Smith will reside in Santa Anna.

All four of the wedding principals are graduates of TWC. The bridegrooms are both members of Sakkara and Beta Epsilon, and Mr. Cozad was a basket ball letterman.

Pritchard Family Reunion At Cisco

The families of the late J. W. and Marion Pritchard held their reunion at the Cisco Park Sunday, August 20. Forty-two members of the families were present.

Those from Santa Anna and nearby were: Mrs. M. A. Pritchard, Mr. and Mrs. W. A. Pritchard and family and Mr. and Mrs. A. B. Little and family all of Santa Anna; and Mr. and Mrs. C. F. Blanton and family of Coleman.

Other relatives attended from several different parts of the state.

Local Baptist Church News

The slight drop in Sunday school attendance on August 13 was not evident last Sunday, when the attendance was back over the 200 mark. Bro. Womack conducted the mid-week service last Wednesday night and Ronnie Brown of Coleman brought the morning message last Sunday. There were no evening services.

The men are looking forward to the District 16 Annual Brotherhood Jubilee at the Baptist Camp Grounds, Lake Brownwood, August 28 and 29.

The service Sunday evening will be in charge of the Training Union. A King and Queen program under the direction of Audrey Brewer will be presented with the various unions participating, and will be climaxed with the crowning of a King and Queen, whose names as yet have not been revealed.

The pastor, who with other members of his family, have been on a two weeks vacation, will occupy the pulpit next Sunday morning.

Will Wilson Leaders Predict Victory

Backers of Will Wilson, candidate for the Supreme Court, are quick to contend that the district attorney from Dallas is about to become one of the new members of the Texas Supreme Court.

"When voters from all over Texas gave Wilson a commanding lead of more than 85,000 votes in the first primary, they proved their confidence in him," says a release from the Wilson camp. "And as the only veteran in the race, he received the overwhelming support of Texas veterans and their families."

The news dispatch, released from the Dallas office Monday, calls attention to Wilson's fight against organized crime, stating that "Wilson returned from combat in the Southwest Pacific to win a race for district attorney over five opponents and then took the lead in the battle against organized crime. This brought him national recognition. As a consequence he was one of the five district attorneys in the entire United States invited by the U. S. Attorney General to attend a national conference against organized crime."

This week Wilson struck at CIO labor lobbyists by announcing that "On July 31 the secretary-treasurer of the CIO in Austin issued a letter to all members of the CIO-PAC stating that the CIO is committed to the support of Fagan Dickson against Will Wilson. Said Wilson, 'This shows the

lengths to which the big labor bosses, who are actively supporting my opponent, will go."

"Scratch Dallas" Campaign Spreads Over Texas

The country boys' campaign to "scratch Dallas" in the August 26 run-off election is sweeping the state, Chairman Emmett Alexander of Marble Falls said today.

The Marble Falls business man who announced plans last week for the revolt against Dallas County's control of state government, said he had received hundreds of letters, telegrams and phone calls in support of his plan.

The plan calls on Texans to vote against the four Dallas County candidates in the five statewide races, to elect their four opponents, and to thereby strengthen representation of other areas in the government.

"The reaction to our drive to decentralize the power held by Dallas County in state government has been more than satisfactory," Alexander said. "And we expect it to snowball into victory by Saturday."

"We are not running any one man. We have picked the opponents of the four Dallas candidates because we do not want Dallas to boss the entire state and because we think the out-of-Dallas candidates are equally as well qualified for the different state offices."

Alexander said Texans in all parts of the state, especially in the small towns, were working for the "scratch Dallas" idea.

Alexander said an eight-member committee, including Mayor O. R. Smith of Marble Falls, and M. C. Winters, Johnson City rancher and merchant, vice-chairman, were pushing the "scratch Dallas" campaign.

Pierce Brooks Says He Will Win Race For Lt. Governor

Pierce Brooks, Dallas insurance executive, took his aggressive campaign for lieutenant governor into East Texas this week and told supporters that he was supremely confident of winning the Democratic nomination for lieutenant governor on August 26th.

Brooks said he was greatly encouraged by the tremendous number of pledges of support he had received in East Texas. "The groundswell for Pierce Brooks which started out in West Texas has swept into East Texas," he said. "The people are thoroughly aware of the vital issues in this campaign and the smear campaign launched by supporters of the other candidate has been met with cold resistance."

The Dallas County candidate pointed out the lieutenant governor's office is a business office and that the state's financial affairs now at their lowest ebb in history, can best be solved by a business man.

"The political experience that has brought the state to the

brink of its worst financial crisis in history," Brooks said, "is not the type of experience to get the state out of the present financial mess."

Brooks called upon all Texans who believe in free and clean government to go to the polls on August 26th and vote.

"The people have a choice between two candidates for lieutenant governor," Brooks said. "One, Pierce Brooks, is a business man without any political obligations or alliances; the other is a professional office holder who is being supported by a group of power thirsty and money hungry individuals and corporations."

The Dallas insurance man will bring his campaign to a close Friday night at Tyler with a statewide radio broadcast over the Texas Quality Network.
