

Phone Strike Flares Anew Across Nation

WASHINGTON, May 17. (AP)—The national telephone strike, which had appeared heading swiftly for a patchwork settlement, flared anew on a country-wide scale tonight with an order for reinforced picket lines of equipment installation men.

Workers Tense As Strikebound Oil Plant Opens

BORGER, May 17. (AP)—Tense atmosphere prevailed here today as two of six strike-bound Phillips petroleum company plants reopened.

Plant superintendents at all plants issued a statement that their plants will be open for those that want to come back to work.

The reopening of the plant today was announced by the company as merely a scheduled annual repair and plant overhaul job.

Reviewing The Big Spring -Week-

Joe Pickle

Weather, always a good topic in this country, out-did itself last week. In the wake of soaking rains, a twister heaved, out a section in central Martin and north-west Howard counties, killing one and injuring 15 others.

Offsetting this, the area drunk in most of four and a half inches of rain, not only giving planting moisture but storing reserves in the subsoil.

Natives probably let it go unnoticed, but one of the most beautiful flower displays of the season is just getting underway.

The totem pole at the city park is to undergo a face lifting soon under supervision of its creator, Nat Shick.

Consolidation overtures between airlines at the Muni port have fallen through, American and Continental said in a joint announcement last week.

Most Of Big Spring Operators On Job

Approximately 90 of an estimated 100 telephone workers — virtually all who were in town when end of the strike was signaled here — reported back to their stations Saturday at 11 a.m.

W. D. Berry, chairman of the Midland district for the Southwestern Telephone Workers union, announced the return to work order at a called meeting after receiving official notice at 9:15 a.m. Saturday.

To Paint Every Store In Italy

ITALY, May 17. (AP)—Every store and many of the homes here will be painted white Wednesday in an unprecedented cleanup campaign headed by the state's governor and a railroad president.

Gov. Beauford H. Jester will lead a parade and will apply the first brush in the drive to make Italy "a white city in the black land."

10,000 Cheering Texans Hear Talk

AUSTIN, Tex., May 17. (AP)—A cheering, friendly crowd of 10,000 Texans tonight heard Henry A. Wallace point his road to world peace, voicing its loudest and longest applause when he urged a domestic policy of abolition of discrimination against minorities.

Wallace asked the audience—made up mostly of students from the University of Texas and other colleges over the state—to tell the folks back home "at the forks of the creek" that the only sure road to world peace is food for the starving, "not guns for decadent governments."

His repeated tributes to Dr. Homer P. Rainey, discharged university president and unsuccessful candidate for governor last summer on a liberal platform, drew storms of applause.

First he listed Rainey as among Texas' greats, along with Sam Houston, John H. Reagan and Jim Hogg.

Then, telling of conferences with university students today he said: "I know Homer Rainey would rejoice to know that his spirit is carrying on here."

Rainey, discharged as president after a long struggle with the board of regents in 1944, is now president-elect of Stephens College at Columbia, Mo.

Wallace said he hoped Texas' progress in doing away with discrimination against minorities would continue so that he could have real grounds for defense of the South in his travels abroad.

The president flew here earlier in the day after receiving a telephone call that Mrs. Truman, who fractured her right hip in a fall at her home February 13, had taken a turn for the worse.

The President looked worn and tired as reporters greeted him at the entrance to the Kansas City hotel.

The newsmen told him that they were pulling for his mother, and even offering their prayers.

He said he appreciated how they felt and said his mother was making "a terrific fight."

PEARL HARBOR, May 17. (AP) The tragic battleship Oklahoma, raised from a shallow grave after the Japanese assault on Pearl Harbor, sank quietly in mid-Pacific today, thwarting the mainland junkyard for which she was bound.

The venerable warship went down without a soul on board at 6:10 a.m. CST, 540 miles north-east of Pearl Harbor.

One week ago today she had left in tow of the tug Monarch and Hercules, and had been due in San Francisco Bay on Memorial Day.

The hull was shipshape when she left. Suddenly an inexplicably she began to list heavily late yesterday.

Truman's Mother Making 'Terrific Battle To Live'

GRANDVIEW, Mo., May 17. (AP)—President Truman said tonight that his 94-year-old mother, Mrs. Martha E. Truman, is making "a terrific uphill fight" in her battle for life.

The president after a day at the bedside of his mother here, walked into the Hotel Muehleback at Kansas City at 10 p.m. with a solemn face.

His mother, he told reporters, is "improving," and added that "I wouldn't be here if there weren't some improvement."

Battleship Sinks, Evades Junkyard

PEARL HARBOR, May 17. (AP) The tragic battleship Oklahoma, raised from a shallow grave after the Japanese assault on Pearl Harbor, sank quietly in mid-Pacific today, thwarting the mainland junkyard for which she was bound.

The venerable warship went down without a soul on board at 6:10 a.m. CST, 540 miles north-east of Pearl Harbor.

One week ago today she had left in tow of the tug Monarch and Hercules, and had been due in San Francisco Bay on Memorial Day.

The hull was shipshape when she left. Suddenly an inexplicably she began to list heavily late yesterday.

Last night Capt. Kelly Sprague of the Hercules radioed that waves were washing over the Oklahoma's desolate decks — long since stripped of guns and superstructure. He was ordered to head back for Pearl Harbor, but a little later — as if determined to escape an ignominious fate on the scrap heap — the Oklahoma parted the tow lines and plunged toward a bottom three miles down.

Army Says Imported Scientists From Germany Advance Research 10 Years

FRANKFURT, Germany, May 17. (AP)—The United States imported 350 German scientists, including some of the top men behind Germany's war effort, for a wide variety of military and civilian research projects.

Disclosing many details of this long secret "operation paperclip," US Army headquarters here said the Germans' work has "already" put the United States 10 years ahead of schedule in some fields of research and has saved millions of dollars in research costs.

All certified non-Nazis, the Germans are being employed under war department supervision in the US in such fields as guided missiles, supersonic speed aircraft, jet engines, cancer, photography, meteorology, metallurgy, textiles and cereals.

Some of the scientists soon will be released to American industry under supervision of the department of commerce, the army said. All of them are volunteers working under six-month contracts with

living allowances of \$6 a day for themselves and salaries of \$5 to \$10 a day, in marks, for their families in Germany.

Those "found of value to American military research," the army said, will be offered long-term contracts, and their families will be permitted to join them in the US. Those now in the US are under government surveillance but no physical restraint.

Dr. Anselm Franz, former Junkers research director, was listed as working on supersonic planes and jet engines at Wright Field, Dayton, Ohio, along with Dr. Alexander Lippisch, Dr. Heinz Schmitt, Dr. Ernest Eckert, and the wind tunnel experts, Dr. Rudolf Hermann and Dr. Philip von Doempf.

Perfecting guided missiles—like the V-2 bombs with which Germany bombarded England—are Dr. Ernest Steinhoff, a specialist in remote controls for V-2 bombs, and Dr. Martin Schilling.

Drowns Trying To Save Dog

DAYTON, O., May 17. (AP)—Apparently as a prank, Lenville Atkins, 31, threw a stray dog into swirling flood waters below a dam today.

As he stood watching the animal frantically trying to swim to safety, Atkins suffered remorse and jumped into the water to the dog.

But Atkins lost his strength in the churning stream and cried for help.

James Taylor, one of three companions, dived in to rescue Atkins. Atkins sank from sight, and the other men—Calvin Duncan and Thomas Terry—had to pull out Taylor.

The dog swam ashore, several hundred feet downstream, and returned to watch the search for Atkins. But the man had drowned.

Schleicher, Ector Tests Are Finaled

By JOHN B. BREWER
 SAN ANGELO, May 17.—South spreads to the TXL Ellenburger and Goldsmith Clear Fork fields in Ector county and a north extension to the Page (Strawn) field in Schleicher county were finalized this week.

A prospective major Ellenburger strike in north central Crane county found the water table and a northeastern Crockett wildcat entered the Ellenburger. Wildcat locations included one each in Ector, Reeves, Scurry and Floyd counties.

Superior No. 7-E-J. E. Parker, extending TXL Ellenburger location in Ector county one location south, rated naturally 1,878 barrels of oil daily for completion at 8,594-8,679 feet. It is a west twin to Superior No. 1 Parker, first completed Silurian well in the field, C NE SW 40-45-18-T&P.

Humble No. 25-C. Clarence Schabauer, quarter mile south extension to the Goldsmith Clear Fork field, C NE NE 1944-1n-T&P.

flowed 378 barrels of oil in 24 hours for completion at 6,300 feet through casing perforations. Phillips No. 1 Mooers, C SW SW 21-44-1n-T&P, 3/8 mile southeast of the Humble well, flowed 184 barrels of oil in 13 hours and 40 minutes through casing perforations at 6,240-66 feet.

Phillips and Texaco staked No. 1 Limpia Royalty Co., slated Ellenburger wildcat C NE NE 18-44-1n-T&P, two miles southeast of the Andover Ellenburger field and 1 7/8 miles north-northwest of the Goldsmith Clear Fork pool.

Gulf No. 1 Wewanee-University seeking Ellenburger production one mile southeast of the opened of the Festwell Ellenburger pool, showed salt water with oil and gas-cut mud in the Devonian, at 7,171-7,205 and drilled ahead. It is in the C SW NE 8-35-U.

Geo. D. Morgan of San Angelo, No. 1-C Jess Koy, quarter mile north extension to the Page field in Schleicher county, C SW NE 38-L-CHA&SA, flowed 178.75 barrels of oil in 24 hours for completion after acidizing through casing perforations at 5,550-70 feet.

F. A. O'Leary No. 1 Sam E. Jones, Schleicher wildcat C SW SW 31-K-GH&SA, eight miles southeast of the Page field, was abandoned dry at 6,000 feet in Ellenburger topped at 5,350 feet. 3,272 feet below sea level. It showed no oil, gas or water.

Cities Service staked No. 1 Mrs. W. L. Hobbie, C NW NE 7-OG-H&OB, west offset to Cities Service, Plymouth and Humble No. 1-B J. W. Owens, indicated Wolfcamp discovery in western Crockett county. No. 1-B Owens had passed 7,500 feet in Ellenburger lime, entered at 6,830 feet, 4,420 feet below sea level. Sulphur water was encountered at 7,018. Plymouth is drilling east and north offsets.

Amerada No. 1-CTA University, northeastern Crockett wildcat C SE SW 23-42-U, was credited unofficially with topping the Ellenburger between 8,110-20 feet and had drilled below 8,186 feet with no shows reported.

Gulf No. 1-HH-E University, north central Crane county wildcat, near the C SW NE 3-31-U, logged more than 400 feet of pay in the Ellenburger, topped at 10,596 feet, 7,937 feet below sea level, before getting sulphur water in drilling to 11,080. It plugged back for a shutoff. Five pays were indicated above the Ellenburger.

Atlantic started No. 1-AA-31 University C NE NE 27-31-U, slated 10,600-foot test half mile north of production in the northeast part of the Block 31 (Devonian and Ellenburger) field and the same distance south of Gulf No. 1-F University, an Ellenburger failure.

Second indicated Devonian well in the north part of the Fullerton field in Andrews county, Texas, Texas Pacific No. 14-E Emily Jackson failed in the Ellenburger in drilling to 10,534 feet and prepared to plug back. It is 810 from the north, 810 feet from the west line of section 17-A32-psl.

Cities Service No. 1 Thos. E. Riley, discovery Clear Fork producer in western Gaines county, C NE NE 361-G-CSD&RGNG, was completed on the pump, from acidized pay at 7,045-7,237 feet for 47.8 barrels of oil and 75 barrels of water daily. It is 4 1/2 miles northwest of the Doss field but separated from it by a dry hole.

Amerada No. 2-A Dr. E. H. Jones, first test projected to the Ellenburger in the Jones Ranch (Devonian) field in northwestern Gaines county, C SE NE 3-A6-psl, began deepening at 11,810 feet in lime of unannounced age.

Amerada staked locations for three more outposts to its No. 1 Sam Adair, San Andres lime strike in southern Terry county, C SW SW 4-C37-psl.

Budd Optimistic On Moving Wheat Crop

WICHITA FALLS, May 17. (AP)—Ralph Budd, president of the Chicago, Burlington & Quincy Railroad, sounded an optimistic note here about prospects for moving the 1947 wheat crop.

He said 2,000 boxcars were being added to the railroad's quota and should be in operation "well before the 1947 wheat crop is harvested."

Budd, who arrived here yesterday on a routine line inspection, said he anticipated a 1947 wheat yield in excess of a billion bushels, and commented, "The country just looks wonderful."

50th Legislature In Last Minute Flurry Of Activity As End Nears

AUSTIN, May 17. (AP)—Anybody's guess was still good today on when the 50th Legislature would wind up its business and go home.

The same was true on how the question of spending and taxation would be resolved.

Both House and Senate last week made definite progress on the scores of non-controversial measures which have burdened their calendars. As conference committees adjust the differences between House and Senate versions of other bills, more measures are being piled on the desk of Gov. Beauford H. Jester for his approval or rejection.

There has been no final action, however, on any of the key big money bills.

Sen. Jim Taylor of the Senate Finance Committee, said it would be at least 10 days before conference committees could finish their work on them.

Rep. Claud Gilmer of Kerrville, chairman of the House Appropriations committee, was more optimistic. He thought the House and Senate conferees could finish their slashing next week.

Neither prediction, however, could be taken as a definite indication that the session would be able to adjourn finally in two weeks. This depended entirely on the disposition of both branches of the legislature in accepting the reconciliations recommended by their conferees.

There remained the definite possibility that House tax forces would be able to deadlock the session by refusing to accept enough appropriations cuts to keep spending within the limits of anticipated income.

In that case, they would begin a drive for passage of one of the two tax bills now pending, or perhaps on a compromise measure.

A shutdown fight on this question could keep the 50th session going indefinitely.

Conferees on the big appropriations bills were working over the week end.

These were the general departmental bill, the higher education bill, the rural aid measure, the one making an appropriation for the judiciary, and that for eleemosynary institutions.

In their preliminary forms, as passed by both House and Senate, they show a record-breaking total of funds for operation of these essential state services.

They must be passed by both Houses before the session can adjourn.

Housewife Saves Drowning Son

LAKEVILLE, Ind., May 17. (AP)—Mrs. James Peters, a young housewife, answered a call for help late yesterday by plunging fully clothed into the chilly waters of Riddle Lake to rescue a child who had fallen in.

When she swam out and brought the boy to the top, she learned for the first time that he was her son, Jimmy, 4.

She towed her unconscious son back to the shore and began artificial respiration.

"It seemed like forever that I worked on him," said Mrs. Peters. By the time firemen and a doctor arrived, the boy had been revived.

Young Jimmy, if he doesn't develop pneumonia, will recover with no bad effects, his doctor said today.

Plant Turning Shale Into Oil

RIFLE, Colo., May 17. (AP)—The tall shale cliffs of the west may provide the margin between future want and plenty in America's petroleum supplies if the government's latest experiment is a success.

Today, as the retorts were lighted for the first time in the oil demonstration plant near this tiny Western Colorado town, a naval officer told of plans to use it, and similar plants, to assure America of enough fuel for any emergency.

Commdore W. G. Greenman, USN, director of Naval Petroleum Reserves, described the huge plant which has mushroomed amid the shale escarpments in less than a year, as part of the program to make certain the United States will not find itself without adequate gasoline and oil when supplies of natural petroleum may fall at a time national security is threatened.

"This plant is designed to demonstrate that crude oil may be produced on commercial operating lines for refining into low cost oils and gasolines."

The extraction process operates through a combination of high pressure and heat, modelled in reverse on the natural process under which the oil was compressed into the shale during upheavals of the earth millions of years ago.

Here for dedication ceremonies today besides Greenman were Oscar Chapman, Undersecretary of the Interior, and Congressmen and state officials from Colorado, Wyoming, Utah and New Mexico.

Negro's Petition To Enter UT Is Denied By Judge

AUSTIN, May 17. (AP)—Preparation of the formal district court order holding that Heman Marion Sweatt, the Houston Negro letter carrier, may not enter the University of Texas law school, started here today.

Members of the staff of Attorney General Price Daniel were working on the preliminary draft of the order which will be submitted to Judge Roy C. Archer in 126th district court.

Attorneys for Sweatt will have an opportunity to see the order and make exceptions to it, before it is finally submitted to the judge.

This is the usual process, in which attorneys for the winning party customarily prepare the court order for signature by the judge.

Sweatt will have 60 days from the date of issuance of the order, to perfect his appeal to the third court of civil appeals. If attorneys for both sides can get together over the weekend, the judgment of the court could issue next week.

From the bench Judge Archer yesterday orally denied Sweatt's petition for a writ of mandamus. Sweatt's attorneys immediately filed notice of appeal.

Wool Mixup In US Cited

WASHINGTON, May 17. (AP)—Rep. Jenkins (R-Ohio) said today that, when Undersecretary of State Will Clayton returns from the International Trade Conference at Geneva he should "stay home until he has put our own house in order."

Quoting reports that the Geneva conference "is in a deadlock because Australia refused to play ball until the wool situation is worked out," Jenkins' statement said:

"The Republicans in Congress have for weeks realized the seriousness of the wool situation in this country, but apparently, Mr. Clayton did not know much about it. The report is that he is coming back to find out what the real situation is in our country. Practically all wool used in the United States for the past two years has been imported wool."

"While we were importing foreign wool, we were piling up in our storage houses all the wool that we produced in our own country in the last two years. The American produced wool now stored in this country amounts to nearly \$200,000,000. The government owns this wool and yet we are importing all we use."

"Mr. Clayton should come home and stay home until he has put our own house in order."

Vice Squad Raids Social Bingo Game

DES MOINES, May 17. (AP)—A police vice squad raided a social bingo party at St. Mary's Catholic church last night but decided today that no law had been violated.

"The party was not gambling because the bingo was only in incidental part of the entertainment at a social gathering," M. E. Miller, vice squad chief, said this morning. "The admission fee included coffee and doughnuts as well as bingo."

Albert Trucano, 33, who had been taken into custody briefly as operator of the game, was told by Miller no charges would be filed against him and that the seized bingo cards and discs would be returned.

Police Chief Jack Brophy said the raid was made on complaint of Kenneth Sonderleiter, whose bingo game at his private amusement park had been raided, 24 hours earlier.

PURGE THREE MINISTERS

m-m-m's the word for it!

You have the wheel, now, in your hands, smooth and light and feeling right at home. There's the gas treadle, where your foot falls most naturally — it takes only a nudge to give you ACTION in capital letters.

Here's the big, deep seat, seeming as though it were made for you, and out front is the road — tempting — inviting — calling you to see how it smooths itself when it spots a Buick coming.

You're set — let's go — let's find out what it's like to pilot the handsome honey that calls the turn on automotive styling for years and years to come.

Can that quiet hum really be better than a hundred horsepower at work out front? Be careful, sir, how you tramp on that treadle, lest all this eager Fireball energy be too suddenly let loose!

This buoyant, fluid ride — where has that magic-carpet gait been hiding? It's been in Buick's cushiony coil springs, one on each wheel — and in Buick ample, jar-absorbing roadweight.

Test the steering — it's easy as a gesture. Flip the gearshift — a few fingers do it, without even taking your hand from the wheel.

Try the brakes, now. Soft, sure, smooth. And don't bother to stretch for the parking-brake handle — you set these brakes with a toe-touch on that handy little foot pedal.

Like it? "M-m-m!" Want one? "M-m-m!" Well, in that you're like a lot of others — so many, in fact, that a measure of patience is unavoidably part of the purchase price.

We'll try to reward your patience with courteous and friendly help in getting your Buick to you just as fast as possible. And that goes whether or not you have a car to trade.

ONLY BUICK HAS ALL THESE STAR FEATURES

- ★ AIRFOIL FENDERS
- ★ FIREBALL POWER
- ★ ACCURATE CYLINDER BORING — smoothness from the start and an engine that "stays young."
- ★ FLITEWEIGHT PISTONS — for flashing action, swift response, reduced load on bearings.
- ★ PERMI-FIRM STEERING
- ★ BUICOIL SPRINGING — Buick-developed all-coil springing for perpetual smoothness and "panthergait" ride.
- ★ BROADRIM WHEELS
- ★ STEPON PARKING BRAKE
- ★ DEEPFLEX SEAT CUSHIONS
- ★ CURL-AROUND BUMPERS
- ★ SILENT ZONE BODY MOUNTINGS
- ★ FULL-LENGTH TORQUE-TUBE DRIVE
- ★ NINE SMART MODELS — In three series, featuring Body by Fisher.

Hitler's Headache Now US Problem
 BERLIN, May 17. (AP)—British and American oil experts are trying to solve the problem which gave Adolf Hitler so many headaches—getting more oil from the country's own resources. Equipment from the United States has been ordered to make geological tests in the Hanover area of the British zone in an effort to uncover reserves of crude oil there.

400 High School Pupils In Area To Get Diplomas

Commencement activities this week swing into full stride as the parade of some 400 high school graduates in this immediate area streams out into the world.

Stanton and Knott high schools last week contributed more than two score graduates to the total, holding commencement exercises Thursday evening.

Today Big Spring, Garden City, Forsan, Coahoma and Ackerly have their senior sermons with commencement exercises scheduled during the week. Next Sunday Colorado City, and Lamesa have their baccalaureate services.

Here is the way the graduate totals stack up:

Big Spring 121, Lamesa 92, Colorado City 78, Stanton 28, Coahoma 28, Knott 18, Ackerly 13, Forsan 12, Garden City 10.

Besides these, there will be approximately a dozen to form the first graduating class from Howard County Junior College. Baccalaureate is set for June 1 and commencement on June 8.

Howard County 4-H Boys In Cotton Contest

A number of Howard county 4-H club members plan to compete for cash prizes in cotton contest as a feature of 1947 club crop demonstration work, County Agent Durward Lewter announced Saturday.

Lewter said that a Big Spring business man had notified the 4-H committee that he would offer \$100 in prize money to stimulate interest in the project. Prizes will go to the top three 4-H cotton demonstrators, with \$50 for first place, \$30 for second place and \$20 for third place.

All entries must be submitted to Lewter by July 1, and the individual demonstration plots must be assigned by that date. Each demonstrator will be required to keep a complete record book, and prizes will be awarded sometime after Dec. 15, the date when record books must be forwarded to the county agent's office.

Judging will be by five men to be selected by the adult 4-H club committee. They will judge according to the following scale: Seed treatment, preparation of land, cultivation and weed control, give per cent each; insect control, yield per acre, (both seed cotton and lint cotton), grade, staple and record book preparation, 10 per cent each; pulling strength, 20 per cent; Grade, staple and pulling strength will be determined by the Smith-Doxey grading.

Newman Will Give Sermon At Forsan

At Forsan, the 12 members of the graduating class will hold their senior sermon with H. L. Newman, Church of Christ minister in Big Spring, bringing the message, "E. C. Dodd, president of the Howard County Junior College, is scheduled as commencement speaker Friday. On May 26 graduates and sponsors will leave for a one-week tour.

Special Program On Education Set Wednesday

A special program on education will be presented for local school officials and other interested groups and individuals Wednesday night, the Big Spring chamber of commerce has announced.

The program will be conducted by H. J. Dollinger, assistant manager of the Southwest Division of the US Chamber of Commerce. Included will be a short talk on "Education - An Investment in People," with kodacrome slide illustrations.

The education committee of the local chamber is making arrangements for the event, and special invitations are being forwarded to several individuals. The committee is particularly anxious for principals and superintendents of schools, board members, the Howard County Junior college faculty and board to attend.

'I'm An American Day' Planned

A special program in observance of "I Am An American Day" will be presented over KBST at 3 p.m. today under sponsorship of the chamber of commerce.

Mrs. Julius Neel will begin the program with a song, and Joe Pickle will give a short talk on the purpose of "I Am An American Day."

John Rudeseal, a World War II veteran who is now a student at Howard County Junior college, will speak on "My Responsibility as a Citizen." A piano duet will be presented by Mrs. Bill Griese and Helen Duple, and a talk on "Training for Citizenship" will be given by Bessie Gonzales, student at Big Spring High school.

Dr. C. W. Davis, a tribune of World War I will offer a tribute to the new citizen of 1947, after which the entire group will join in a pledge of allegiance.

Poultry Raisers To See Demonstration

A special poultry demonstration will be conducted at 2 p.m. Tuesday on the court house lawn beside the extension service office, County Agent Durward Lewter announced Saturday.

Poultry raisers in the county are invited to bring in birds for judging and discussion of various factors and characteristics. A special feature will be a canopizing demonstration, which is to be given here for the first time.

Local Team May Fight In Show

STEPHENVILLE, May 17.—A boxing team from Big Spring will compete in the inauguration of the annual Wm. E. Dyess American Legion Post's boxing tournament at Stephenville, May 23 and 24.

According to Albert S. Taylor, president of the Stephenville Boxing Association, teams from Abilene, Big Spring, Brownwood, Cisco, Fort Worth, Eastland, Mineral Wells, San Angelo, Stephenville, and Weatherford will compete in this Central Texas Boxing tournament.

Twelve-inch gold trophies will go to winners of the open class, and ten-inch trophies will be awarded to the novice class.

The Sports Department of the J-Tac, John Tarleton College Education, will award a sixteen-inch gold trophy to the outstanding fighter of the tournament.

T-St. Johnny Williams' boxing team, which competed in the Golden Gloves tournament here last winter, has been invited to make the Stephenville trip. Williams has been placed on temporary duty out of town but may return in time to take his squad to the Legion show.

Walt Bardwell spaced 13 hits to pitch the Ballinger Cats to a 10-5 victory over the Big Spring Broncs in a Longhorn League contest here before a large crowd Friday night.

The game was sluggish and marred by a variety of things, including an excess of foul balls, 3-2 counts and erratic fielding, most of it by the Big Spring club.

Arkansas Winds Up In 3rd Spot

WACO, May 17. (AP)—Texas A. and M. today broke the stranglehold the University of Texas has held on the Southwest Conference track and field championship by beating the Longhorns 99 1-3 to 55 1-3 to capture the thirty-third annual meet in which two records were set and three closely approached.

Schedule Hearing On Immigration Barriers

WASHINGTON, May 17. (AP)—Chairman Fellows (R-Maine) said today his house judiciary subcommittee will open hearings June 4 on legislation to lower United States immigration barriers for an emergency period. This would permit entry of a "fair share" of Europe's homeless refugees.

BOY ESCAPEE CAUGHT

DALLAS, May 17. (AP)—The eighth of a group of juveniles who escaped Wednesday from the Gatesville State School for Boys was in custody here today. Dallas officers arrested him last night and he was turned over to juvenile authorities.

Business Manager Of Hospital Dies

BRYAN, May 17. (AP)—James Richardson, business manager of Bryan hospital, died here last night shortly after an auto accident in which his automobile and one driven by L. O. Wilkerson, Jr., collided.

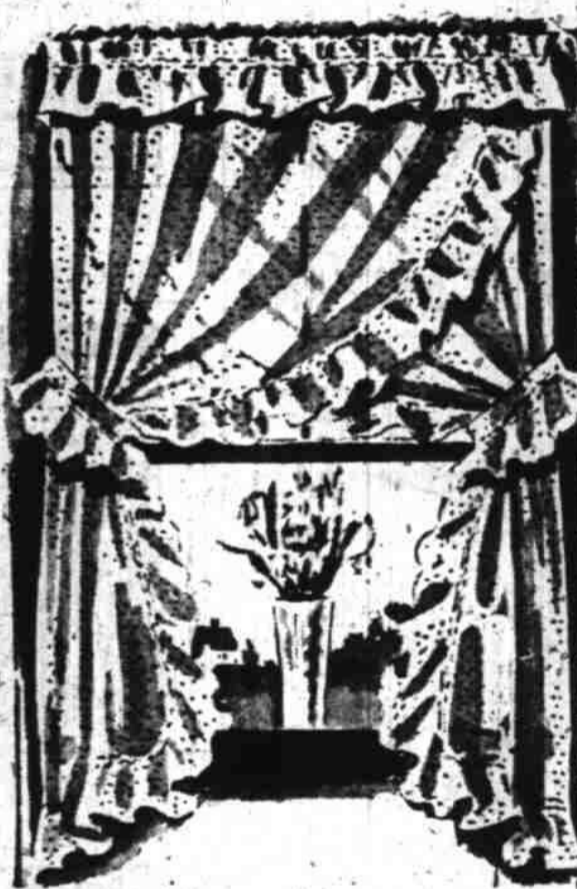

Both Richardson and Wilkerson are sons of prominent physicians here.

Students On Strike

SHANGHAI, May 17. (AP)—An estimated 15,000 students were on strike at 13 universities and colleges of China today, most of them demanding higher food allowances, increased government subsidies and changes in curricula.

Soviet Trying To Stem US Drive On Reds

MOSCOW, May 17. (AP)—The Soviet press and radio have gone into high gear against what is viewed here as a growing United States campaign against communism.

Repeatedly, editorials and broadcasts stress the Russian argument that the communist and capitalist systems can live side by side in one world. Premier Minister Stalin voiced that viewpoint in his recent interview with Republican Leader Harold E. Stassen, and the press now is using it diligently.

The Russians are sensitive to President Truman's program of aid in the form of dollars for Greece and Turkey. They appear also to be convinced that the United States is dangling dollars before the governments of France, Italy and Iran, to mention a few. The Moscow radio today carried a report that the Netherlands was in bad financial shape and was weighing the possibilities of an American loan.

It seems to be the opinion here that the United States will welcome all such applications and in making loans will stipulate provisions "beneficial," as the Russians put

Lubbock Woman Dies In Auto Accident

CARLSBAD, N. M., May 17. (AP)—Mrs. Ruth Hornbuckle, 26, of Lubbock, was killed last night when her car overturned one and one-fourth miles from the Texas-New Mexico line on US Highway 62, Sheriff Dwight Lee reported today.

Lee said Mrs. Hornbuckle, traveling alone, was en route to El Paso to spend the weekend with her husband, Robert, who is associated with the Veterans Administration there.

It is the United States and aimed against the Soviet Union.

The Russians seem to feel that Britain is pretty much in the clutches of United States lenders, but they appear to have hope for a change in the United Kingdom. It is no secret here that Russia would like to aid Britain in her difficulties if it were at all possible.

If the Soviet Union's grain crop is as good as it now promises to be, the world may see a big Russian effort to sell or trade grain in considerable quantity to Britain. The same would hold true for timber and other products. Britain, of course, would be required to reciprocate. The chances for British-Russian trade and cooperation have not appeared better for a long time.

Russia has helped France in the past by selling her some grain, and if the harvest warrants she may try to do it again.

Joint Hoof, Mouth Disease Office Opens

MEXICO CITY, May 17. (AP)—The joint Mexico-United States commission to fight the foot and mouth disease prevalent in 13 states began work today in its downtown offices. The commission has been meeting in various quarters but needed larger space to accommodate the staff. The United States has about 200 executives, clerks and field men at work. Mexico is furnishing about 25,000 soldiers to maintain quarantine lines around affected areas.

Nearly all highways have been equipped with disinfecting troughs and guards are stationed at all intersections to prevent illegal movement of cattle.

'Justifiable Suicide'

COLUMBUS, O., May 17. (AP)—Edward Wegener, 62-year-old hospital janitor, took his own life here in a nine-story plunge from a building because:

His son was killed at Pearl Harbor.

A daughter who became an Army nurse lost her life in Europe. His wife died six months ago leaving him with no known relatives. Coroner John B. Gravis established precedent calling Wegener's death a "justifiable suicide." He said: "I can't think of anything that would better fit this case."

Summer Comfort

AFTER-FIVE-EASY-TIME is the most luxurious part of everyday living whether the average person finds his ease in a comfortable hammock or walking himself weary on 18 holes of golf. Locally, Mother Nature has fared well under a stiff transfusion of rain and has blossomed out in her best.

Blossoming also are pernicious weeds that bring Pop home from the office, peeling off his white collar and into his easy clothes. With a menacing glint in his eyes he plows out of the house with hoe and rake in hand, determined to weed the yard by nightfall. A few hard licks with the hoe, several vigorous strokes with the rake and he finds himself weakening. His favorite lawn chair beckons with open arms and Pop can't take it. There he stays until the family is smitten with the same fever and eventually wanders out with pillows, lemonade and his favorite pipe to make the day complete.

Eight Choirs To Participate In Choir Festival Today At City Auditorium

Eight choirs from local churches will take part in a choral festival which will be held this afternoon at 4 o'clock in the city auditorium. Under sponsorship of the Music Study club, the program will conclude the local observance of National Music Week which has been celebrated with musical presenta-

tions and meetings throughout the week.

Directors for the interdenominational program are W. R. Dawes, Mrs. L. A. Eubanks, Mrs. G. H. Wood, Ernest Hock and Dan Conley, and choirs participating are First Methodist, First Baptist, First Presbyterian, Church of Christ, St. Thomas Catholic, Sacred Heart Catholic, St. Mary's Episcopal and St. Paul's Lutheran.

The program will open with the invocation by the Rev. R. Gage Lloyd, pastor of the First Presbyterian church. St. Cecilia's choir from the Sacred Heart church will be directed by Sister Joseph for numbers "Tu Banera Juramos Defender," "Dios Te Salve (Spanish Ave Maria)" and "Angel De Mi Guarda."

Mrs. Harold Talbot, soprano, and Mrs. Bill Griese, contralto, will sing "Blessed Savior," with Helen Daley playing piano accompaniment and the First Methodist choir will sing "Lift Up Your Heads." Mrs. B. P. Bolding will sing the solo part and Mrs. Champ Rainwater will play accompaniment.

Arnold Marshall, basso will sing "Deep Down In My Heart" accompanied by Mrs. Rainwater, and the Presbyterian choir will sing "They That Trust In The Lord," Mrs. A. B. Brown, soprano, and Mrs. Noble Kennepour, contralto, will sing "Just As I Am," accompanied by Mrs. H. M. Jarrett. The First Baptist choir will sing "Let Mount Zion Rejoice," with Mrs. C. W. Norman playing accompaniment.

The entire group will sing "Holy, Holy, Holy," "Rock Of Ages,"

"Fairest Lord Jesus," and "All Hail The Power of Jesus' Name," and the program will close with the singing of "America," and the benediction by Dr. Dick O'Brien, pastor of the First Baptist church.

Large attendance is expected for the festival which ends the week's celebration. A student program was presented Wednesday evening by the Steer band and choral groups from the high school, and last Sunday afternoon, a program of piano and vocal selections was presented.

MRS. W. W. GUNN, JR.

Formal Wedding Service Read At Church For Miss Jane Read And Dr. W. W. Gunn

In a single ring wedding service read at the First Presbyterian Church Saturday evening at 8:30 o'clock, Miss Jane Read, daughter of Mr. and Mrs. H. Noble Read, prominent West Texas ranching family of Coahoma, became the bride of Dr. W. W. Gunn, Jr., son of Dr. and Mrs. W. W. Gunn, Sr., of Columbus.

Candlelight vows were repeated before the altar which was banked with fern and appointed with chapel baskets of white calla lilies. Tapers in wrought-iron candelabra marked the place where the wedding party stood and the service was read by the Rev. E. G. Culley, pastor of the Coahoma Presbyterian Church.

John A. Gunn, brother of the bridegroom, played a 30 minute organ interlude and selections included "Ave Maria," "Ah Sweet Mystery of Life," "I Love You Truly," "O Promise Me" and "O Perfect Love." Traditional wedding marches were played during the ceremony. William Landers of Coahoma, nephew of the bride, lighted the white tapers.

The bride, who entered the church with her father, was attired in a wedding gown of white slipper satin with a sweetheart neckline, long pointed sleeves and fitted torso finished in corded scallops. The buffant skirt extended into a train and her fingertip veil of white French illusion, fell from a tiara of seed pearls. The bride carried a large satin-covered wedding ring centered with white orchids and flanked with shattered carapations. Her shoes were hand-made satin moccasins embroidered in seed pearls. She wore a strand of pearls, gift of the bridegroom, and carried a white lace handkerchief which belonged to her maternal grandmother. Something borrowed was a bracelet centered with a blue cat's eye and surrounded with diamonds. She wore a penny in her right shoe.

Mrs. Harry W. Carter, sister of the bride, was matron of honor and former room-mates at Southern Methodist University. Kay Williams of Sherman and Gloria Strum were bridesmaids. All attendants wore white taffeta formal fashions with decollete necklines, long corded torsos and cape sleeves. All wore garlands of fresh flowers in their hair and carried wedding ring arrangements of pastel carnations, miniatures of the bridal bouquet. David Gunn attended his brother as best man. Ushers were Hezzie Noble Read, Jr., brother of the bride; Wm. W. Witmer of College Station; Sam Seymour III of Columbus; and Dr. B. J. Fuller of Arlington. Mrs. Read, mother of the bride, wore a black afternoon frock with white accessories and a corsage of white gardenias. Mrs. Gunn, mother of the bridegroom, was attired in a print ensemble and wore a gardenia corsage. A reception followed at the Settles Hotel where guests were received by members of the wedding party. Refreshments were served from a table laid with a Belgian punch-work cloth and centered with a three-tiered wedding cake. Crystal punch bowls were at either end of the table and wedding ring bouquets of the attendants lay on the refreshment table. The first slice of the cake was cut by the newlyweds. Mrs. C. D. Read, Mrs. Willard Hendricks and Nell Brown served the guests and Mrs. W. T. Barber of Coahoma presided at the guest register. The couple left immediately for a wedding trip to Indian Lodge in the Davis Mountains. For traveling, the bride chose a brown pin-stripe torso ensemble with which she wore white accessories. Her corsage was of white orchids. Upon their return, the couple will be at home in Dallas where Dr. Gunn is establishing an office in the Medical Arts building. Mrs. Gunn graduated from the Coahoma High School and attended TSCW before transferring to SMU where she was a student two years. Dr. Gunn was graduated from the Columbus High School and attended Schriener Institute, Texas A&M and Colorado University. He received his degree from the College of Dentistry, Baylor University, in March. Out-of-town guests included Mr. and Mrs. Gwynn Smith, Mr. and Mrs. Linn Wilson and Miss Elizabeth Smith, Miss Betty Ann Smith, of Dallas; Mrs. A. O. Rushing and Miss Dorothy Rushing of San Augustine; Mr. and Mrs. Wm. W. Witmer, College Station; Dr. B. J. Fuller, Arlington; Kay Williams, Sherman; Sam Seymour III, Dr. and Mrs. W. W. Gunn, Sr., John and David Gunn, Miss Laura Ann Dick of Columbus; Mr. and Mrs. Roger Read and family of Las Vegas, N. M. Mr. and Mrs. George Lynn Brown and Mr. and Mrs. M. L. Patterson, Mr. and Mrs. Harry W. Carter of Odessa; Mr. and Mrs. G. T. Guthrie and Betty, Mr. and Mrs. Geo. M. Boswell and Miss Nettie Lee Shelton of San Angelo; and some thirty guests from Coahoma.

Ladies Night Monday
Ladies night will be observed by the Toastmasters at St. Mary's Episcopal parish house Monday evening at 8:30 o'clock.

Jimmie Jenkins, student at Price Memorial College in Amarillo is visiting this week-end with his parents, Mr. and Mrs. L. D. Jenkins.

Breakfast, Rehearsal Dinner Given By Local Hostesses For Bridal Couple

Miss Mattie Leatherwood complimented members of the bride's and bridegroom's families at a breakfast Saturday morning at her home. Flower decorations were pansy rings on the table and sweet-peas on the buffet. Those attending were Dr. and Mrs. W. W. Gunn, Sr., Dr. W. W. Gunn, Jr., David and John Gunn, Mr. and Mrs. William W. Witmer of College Station, Mrs. A. O. Rushing, San Augustine, Mrs. H. W. Carter, H. Noble Read and Mrs. Hezzie Read, Jr., and the hostess.

Mrs. R. V. Middleton, Mrs. C. D. Read and Mrs. Harry Carter entertained with a rehearsal dinner in the Middleton home Friday evening. The dinner table was covered with a white organdy cloth which extended to the floor with full ruffles. A white satin Maypole which formed the centerpiece had pastel streamers with festoons of pansies. White satin bows with miniature bouquets of pansies were around the table. Guests included the bridal couple, Mr. and Mrs. H. Noble Read, Dr. and Mrs. W. W. Gunn, Sr., John and David Gunn, Dr. B. J. Fuller, Sam Seymour III, Mr. and Mrs. W. W. Whitmer, Gloria Strom, Kay Williams, Hezzie Read, Jr., William Landers Read, Charles Read, Mrs. A. O. Rushing, Mrs. Mildred M. Jones, Vivien and Harry Middleton, R. V. Middleton and the Rev. E. G. Culley.

Expecting a Baby?

Mother's Friend massaging preparation helps bring ease and comfort to expectant mothers.

MOTHER'S FRIEND, an exquisitely prepared emollient, is useful in all conditions where a bland, mild anodyne massage medium in skin lubrication is desired. One condition in which women for more than 70 years have used it is an application for massaging the body during pregnancy . . . it helps keep the skin soft and pliable . . . thus avoiding unnecessary discomfort due to dryness and tightness. It refreshes and tones the skin. An ideal massage application for the numb, stinging or burning sensations of the skin . . . for the tired back muscles or cramp-like pains in the legs. Quickly absorbed. Delightful to use. Highly praised by users, many doctors and nurses. Millions of bottles sold. Just ask any druggist for Mother's Friend—the skin emollient and lubricant. Do try it.

In fact, liquid wax used on paper or parchment lamp shades tends to bring out the rich, melon colors as well as making them easier to keep clean.

Farrar Pre-School To Present Annual Operetta At City Auditorium Wednesday

The Farrar pre-school will present its annual operetta on Wednesday evening at the city auditorium and "Sleeping Beauty," has been chosen for this year's costumed presentation.

The performance is scheduled to start at 8 o'clock and will last one hour. The first act takes place in the palace courtyard where an infant princess is being honored at a christening party. Guests are announced by Herald; Jackie Coleman and Lonnie Gene Webb. They take their places around the throne of the king, six-year-old Buddy Pendleton, son of Mr. and Mrs. W. W. Pendleton and the queen who will be portrayed by Nan Baker Wilbanks, five-year-old daughter of Mr. and Mrs. Jess Wilbanks. Lords and ladies at the party include Jerry Brooks and Virginia Lee Johnson, Ross Plant and Frances Barber, Benny McCrary, Delores Baird, James Howard Stephens, Linda Kay Sessions, Larry McCleskey, Linda Limer, August Joe Luedecke, Ann Homan, Danny McCrary, June Ann Johnston, Gordon Bristow and Nancy Smith.

The 12 good fairies will be played by Toni Thomas, Kathleen Thomas, Zolite Mae Rawlins, Gerry Garrison, Joy Terry, Jan Tillingham, Carlene Coleman, Gerry Gindner, Lynda Mason, Gwyn McCullough, Carolyn Sewell and Susan Lee Landers.

Merrymaking ceases when the Wicked Fairy, played by Waldene Pike, enters. Offended at having not been invited to the party, she casts an evil spell upon the young princess.

The second act takes place in an attic room on the day of the princess' 18th birthday. Princess Rosa is portrayed by Sandy Bloom, five-year-old daughter of Mr. and

Booklet On Laundering Information Available For Local Housewives

"Hot Water Magic," a booklet of home laundering information which is being used by more than 30,000 home economics teachers in schools and colleges of the United States for laundering instruction, is now available free to housewives at the Empire Southern Gas Company.

Attractively printed, the 24 pages are packed with material which has been developed from all of the latest research conducted on the subject.

Whether the reader washes by hand or by machine, there are detailed suggestions to make the work easier and the results better. New and tested methods of soaking, washing by hand, washing in a machine and rinsing, point out some innovations which have been found to be easier on the fabric and to more thoroughly cleanse the clothes.

Among the subjects covered are the preparation of soiled clothing for the laundry, stain removal, washing, rinsing, drying and ironing. Special instructions are provided for the laundering of all types of fabrics, including the new synthetic materials. Hints on the handling of a wide variety of items such as blankets, laces, curtains, slipcovers, draperies, rugs, work clothes, baby clothes and accessories are outstanding features of the book.

Mrs. W. D. McDonald has returned from Lubbock where she attended the funeral of her nephew, J. F. Pinkston, who died in the Veterans hospital at McKinney. Pinkston was a veteran of World War I.

The West Texas Underwriters meeting, Commodore Ryan came in Saturday from a week spent in El Paso.

The Steer softball team took on Lamesa high school at Lamesa Friday evening and among those from around here who went are Sam Thurman, Hoss Rankin, Don Woods, Marvin Wright, Jackie Barron, Huck Doe, Bobo Hardy, Donnie Carter, Eddie Kohank, all team members; Jean Pearce, Dalton Olson, Jack Ewing, Pete Fuglaar, Donna Reeves. Couples about town Friday night: Bobbie Green, Dee Thomas, Mary Beth Morgan, James Brooks, Tommie Hill, Cain Grigsby, Ann Smith, Chuck Kimbrough, Betty Ray Nall, Rodgers Miller, Letha Holcombe, Chuck Davies.

Old West Theme Used At Banquet

COAHOMA, May 17. (Spl.) — "Deep In The Heart Of Texas," was the theme used at the annual banquet for the junior and senior classes of the Coahoma high school held last week at the gymnasium.
Walter Deaver of Sylvester was guest speaker and Louie Lovelace was master of ceremonies. The invocation was given by the Rev. C. D. Watts of Vincent. A welcome was extended by Clovis Phinney and Wayne DeVany responded for seniors.
Other numbers on the program included a quartet composed of Louis Lovelace, Clovis Phinney, Ben Cockrell and Weldon Covert with LeRoy Shafer as accompanist; a trumpet solo, senior prophecy by Everett Self; senior play by Helen Engle and Ray Nell Hale.
Tables were arranged to represent a chuck wagon camp surrounding a camp fire. One end of the gymnasium was blocked off with a corral fence, and cacti and other wild vegetation were placed about the bottom rail. The ceiling was woven with crepe paper.
Those attending the banquet were Faye Barr, Ray Barr, Patsy Wolf, Ben Cockrell, Vernon Wolf, Margie Woodson, Betty Woodson, Jane White, Patricia Turner, Corrine Bewley, Francis Bartlett, Ray Nell Hale, Uel Pearl Reed, Charles Barbee, Charles Dixon, Weldon Covert, Nelda Deeds, Ovelia Shirley, Gypsy Ted McCullum, Wayne DeVany, Pete Hill, Betty Kidd, Bobby Kiser, LaRue Ballard, Billy Bates, Wanda Cranfield, Clarence Hays, Clovis Phinney, Tommy Lee Holley, Margaret Holley, Louis Lovelace, Ray Fortson, Cleo Little, Betty Gene Graves, June Stamp, Goldie Robinson, Richard Reed, Delma Faye Minchew, Evelyn Hutchinson, Audrey Turnbow, Joe Horton, Tommy Shirley, LaRue Shafer, Everett Self, Rev. C. O. Watts, Mr. and Mrs. John Albers, Mr. and Mrs. I. H. Severance, Mr. and Mrs. Paul Sweet, Mr. and Mrs. M. R. Turner, Francis Kelsey, Ralph Marshall, and the speaker Mr. Deaver.
Mr. and Mrs. A. E. Ashby and daughters are spending the weekend with Mr. and Mrs. F. S. Beck in Sweetwater.

Single Ring Candlelight Rites Read For Miss Thomas And Elton Gilliland

Couple To Live In Stanton Where Groom Serves As Attorney
In rites read at the home of the bridegroom's parents Saturday evening at 8 o'clock, Miss Garland Thomas, daughter of Mr. and Mrs. J. F. Thomas of Bronte, became the bride of Elton Gilliland, son of Mr. and Mrs. Elton Gilliland, Sr.
The ceremony was read before an improvised altar banked with plumose fern and ornaments with shell pink and fuchsia peonies. Dr. Dick O'Brien, pastor of the First Baptist church officiated for the single ring vows which were read by candlelight.
Lighting tapers were Mrs. Mary Holland and Lorna Barker. Mrs. Holland wore a blue linen dress with a garland of pink carnations, and Miss Barker wore a similar arrangement in white with a two-piece pink ensemble.
Wedding music was played by Mrs. H. M. Jarrett, and Leslie Cathey sang "I Love You Truly," and "Because."
Miss Thomas was attired in an aqua crepe street dress fashioned with cap sleeves and lace trim. She wore a shoulder length veil of illusion caught in a tiara of stephanotis, and chose a matching corsage for a shoulder arrangement.
Other accessories were white, and the traditional wedding group included an old gold watch belonging to her mother; new pearl earrings, gift of the bridegroom; and a six-pence in her shoe.
Anita Cate, bridesmaid, was attired in a white linen suit with black accessories and a corsage of red roses.
The bridegroom was attended by his brother, Dwight Gilliland of Lubbock.
Mrs. Gilliland and Mrs. Thomas, mothers of the bridal couple, both wore black with corsages of white carnations.
A reception followed, and punch and wedding cake was served from a table covered with a white lace cloth and centered with shell pink and white peonies. Included in the houseparty were Edna Earl Anderson, Billy Rhodes, Joy Lane, Jaunita Sewell, Mrs. Eugent Thomas and Mrs. Marvin Wood.
The bride was graduated in 1941 from the Bronte high school, and has been employed as bookkeeper at the Thomas Typewriter exchange for the past four years.
Gilliland, a 1936 graduate of the local high school, was in service for four years and served part of the time in the Pacific theatre. He received his degree in law from the University of Texas and is now serving as Martin county attorney in Stanton where the couple will be at home following a trip to Mexico City.

What To Do For That Sluggish, Down-and-Out Feeling

Remember the time when you could eat like a horse, bubble-over with energy, feel happy as a lark? Was it not because you liked to eat—didn't know what digestion was, felt strong as an ox? As you advance the "old stomach and the ever-changing blood" need help. Now you may again release vibrant energy to every muscle fibre, cell.

Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloating and give off that sour food taste.

Don't wait! Energize your body with rich, red-blood. Start on SSS Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—trim flesh, cut out bulges, places. Millions of bottles sold. Get a bottle from your drug store. SSS Tonic helps build sturdy health.

London Plans Ballet School For Children

LONDON — A hideous brick Victorian-house in dingy, genteel Barons Court soon will echo to the tap of ballet shoes. Up the steps each morning will troop demure, pigtailed English schoolgirls in severe uniforms, but with dreams of Swan Lake and Petrushka in their hearts.

A ballet school on the traditional continental pattern, where future ballerinas can learn their ordinary lessons as well as the dance, is being started by the Sedlers Wells Ballet Company.

Russian ballerinas were trained at boarding schools from a very early age, with a strict, almost segregated life. Other continental state theatres have run their own schools, where children for the Corps de Ballet could have a general education as well as ballet training.

But up to now in England, where in 16 years the ballet has earned tremendous popularity, children had to do their ballet training after school hours, and often travel across London to get it.

Girls from 10 to 15 years old may take ballet and their general school, certificate at the same time with full qualified teachers for both. The days begin with ballet, goes on to reading, writing and arithmetic.

At 15 they transfer to the upper school, where boys may also attend, and concentrate on dancing and subjects such as French, English and Literature.

Party Given For Mrs. A. Woodall

Mrs. R. L. Warren and Mrs. D. C. Sadler were hostesses Friday morning at a bridge party and luncheon in the Sadler home honoring Mrs. Arthur Woodall, who is leaving soon to make her home in California.

Elimination games were played and high score was won by Mrs. Henley. Mrs. Woodall won guest high.

Present were Mrs. J. J. Hair, Mrs. A. Ruhup, Mrs. Arthur Woodall, Mrs. R. C. Strain, Mrs. G. E. Talbot, Mrs. M. A. Cook, Mrs. Mark Wentz, Mrs. L. E. Eddy, Mrs. H. E. Clay, Mrs. W. C. Henley, Mrs. D. Davis, Mrs. Anna Whitney and the hostesses.

Baptist Young People Entertained At Park

FORSAN, May 17. (Sp.)—The Baptist Young People's Sunday school class sponsored a wiener roast at the Big Spring city park Thursday night.

Games were played and those attending were Mr. and Mrs. Bill Johnson, Mr. and Mrs. Frank Teams, Mr. and Mrs. S. C. Crumley, Mr. and Mrs. O. D. Elliott, Mr. and Mrs. E. L. Millhollen, Mrs. J. D. Prospective members will be notified of a called meeting which will be held in the near future for the purpose of formally organizing the new club with the Texas Federation of Women's Clubs.

Those who were present at the first meeting were Mrs. Gene Combs, Mrs. Gene Nabors, Mrs. S. E. Womack, Mrs. Allen R. Hamilton, Mrs. Wendell Parks, Mrs. D. E. Meier, Mrs. C. C. Collings, Mrs. W. L. Meier, Mrs. R. R. McEwen, Mrs. Carr.

Mrs. W. N. Huddleston Named President Of New Organization

Mrs. W. N. Huddleston was elected president of the Jolly Clubbers, a new organization, when members met in the Huddleston home Thursday afternoon.

Mrs. Curtis Hood will serve as vice-president and reporter; Mrs. Wilford Holland, secretary and treasurer; and Mrs. Jack Walker, membership chairman.

A social hour followed the meeting and refreshments were served from a table laid with white damask and centered with an arrangement of yellow and white daisies interspersed with greenery. A crystal punch service occupied one end of the table.

The club's next meeting will be with Mrs. Jack Walker.

Melting Snows May Reveal Secret Of Missing Co-Ed In Vermont

BENNINGTON, Vt. (UP)—The melting snows of Vermont's rugged Green Mountains may reveal the secret of New England's greatest modern mystery—the disappearance of Paula Welden, a sophomore student at swanky Bennington College.
With the washing away of the snows, search is being resumed for the 18-year-old, blue-eyed blonde who last was seen Dec. 1 along the route to Long Trail, a wilderness road that winds into a path on its course to Canada.
Experienced men, wise in the ways of the woods, and untrained college boys and girls beat the brush for several weeks after Paula vanished while on a casual Sunday afternoon walk, but at best the search was hasty and not well-organized because of the onset of winter in the north country. Heavy snows finally forced abandonment of the search.

Despite the efforts of investigators augmented by imported detectives, all that is known is that Paula disappeared after hopping out of Louis Knapp's automobile in front of his home several miles from Long Trail.
Knapp, the last known person to have seen the young art student, told authorities he was driving his car past Bennington College shortly after 3 p. m., Dec. 1, when he was hailed by Paula just beyond the college gate.
When Knapp arrived at his home, he said, he stopped the car and the girl alighted with the remark: "Thanks, that's swell."
Not a clue to her subsequent movements has been uncovered. Belief has been divided as to whether she was attacked and slain by a sex maniac or became

Cotton Week Is Proclaimed By The Mayor

The observance of National Cotton Week is being revived this year for the first time since the close of the war, and plans have been developed throughout the South for cotton educational programs this week, May 19-24.
Mayor G. W. Dabney, at the request of state leaders, has issued a proclamation calling attention to the week.
The secretary of agriculture has asked Texas cotton growers to increase their planting acreage by more than 44 per cent this year, and the proclamation calls this to the attention of consumers. Mayor Dabney's proclamation follows:

WHEREAS, the production of cotton, which has contributed more to civilization than any other agricultural product, was once largely dominated by the yield in the United States. A century ago, the crop of the Southern Cotton Belt was represented by eight out of 10 bales grown in the world, with Texas a long-time leader in this production. Today the ratio is less than four out of every 10 bales, with a decline of more than 50 per cent in Texas' maximum yield.

AND WHEREAS, despite reduced production, cotton represents the livelihood, in whole or in part, of more than 15 million persons and an income to farmers of more than two and one-half billion dollars. The security of this employment and the continuance of this income are threatened by the loss of foreign markets which prior to the recent war took 90 per cent of the yearly Texas cotton crop. In order to encourage cooperation of homemakers in absorbing all Texas-grown cotton and its products,

THEREFORE, I, G. W. Dabney Mayor of the City of Big Spring hereby proclaim May 19 to 24, inclusive, as Cotton Week. During that period, merchants are requested to feature cotton products and citizens to take advantage of the opportunity to replenish their home supplies of cotton goods. I further suggest the farmers in our trade area take early steps to protect their 1947 cotton against damage by insects and thus harvest as large a part as possible of this valuable crop. By acting jointly, buyers will be assured of an increasing supply of needed cotton products, and producers of a steady market for Texas' main agricultural crop.

Give under by hand and seal this 14th day of May, 1947.
SIGNED:
G. W. Dabney, Mayor
Big Spring, Texas.

The Modern Household Needs More HOT WATER Than Ever Before

With acres of dishes and miles of clothes to wash in one year, the modern household needs double the amount of hot water which was required to run a home a few years ago. In fact, 85 per cent of the water used inside the home today is HOT. So having enough hot water is all important, especially if you use automatic washers and home laundries. The new gas automatic water heaters are designed especially to meet this need. They are fast. They are worry-free. They are most economical to operate. If you're planning to modernize your hot-water service, make sure you make it adequate to meet your family needs.

Ft. Worth Notes Buyer's Strike In Real Estate

By The Associated Press
 A Fort Worth real estate man said that people have quit paying premium prices for houses over ten years old.
 "It's say there is a definite buyer's strike against paying more than the reproduction cost," he said.
 Buyers resistance was reported in other fields, a newspaper survey revealed. A clothing merchant said there was strong resistance against wartime brand names, prices on top-quality wom-

en's dresses and shoes, and against high prices in all lines. A grocer said "out of line" food prices were meeting strong resistance, and specifically mentioned pork.
 "Pork items wouldn't move when the \$1 a pound pork chop rumor started; he said."
 Supply was overtaking demand in most lines, the business survey indicated.

As to prices, food costs were dropping fastest. Wages were up, and so were prices on clothing and appliances.

A slight drop was reported in housing prices, and entertainment costs, particularly in the "after dark" field, were down.

Business was stable. There was no planned movement to hold prices. The Newburyport plan was not attempted.

"War bond redemptions have decreased since the first of the year because people of the type who

have been redeeming them just don't have any more cash and now are living up their savings," one bank said. "There has been no big decrease in savings; however."

A second bank reported: "savings total has increased, but there is a larger turnover than before. Withdrawals from savings accounts and war bond redemptions are not going for living expenses, but to finance major purchases such as cars, stoves and house."

GOSHEN, Ind. (UP) — When Mrs. Catherine Leinbach died at the age of 96, the News-Democrat didn't have room to list all her survivors. She left 187 living descendants — nine children, 58 grandchildren and 120 great-grandchildren.

Plan To Secure Officers Told

The local Army recruiting station has received detailed information concerning the War Department's policy for securing US Army Officers in the future. The plan was devised in order to develop during the postwar period the necessary officer personnel required to accomplish the mission of the Army. It will afford the youth of the Nation the opportunity of a military career as a commissioned officer.

In the future any male citizens who are mentally, physically, and morally qualified may apply for appointment to commissioned grades in any component of the Army.

This will include civilians, former service men, and enlisted men and warrant officers now on duty.

Commissions may be gained in the National Guard, or Officers Reserve Corps through direct appointment or through attendance at one of the Army's Officers Candidate Schools. The plan also provides for subsequent commissions in the Regular Army.

Former Service men and civilians may now make application for attendance at an Officers Candidate School.

Among the requirements are age from 20 years through 35, high school education, high moral character and excellent physical condition.

Complete details of the plan and procedures for commission or attendance at an Officer's Candidate School are available at the local recruiting office.

BOY meets GIRL!

An important moment!

The course of our children's lives is often determined by these first casual meetings and the deepening friendships that spring from them. Wise parents are vitally concerned with the circumstances and place of such youthful contacts.

At what better place could these young people meet than their church? Here they are learning to discover the best that is in themselves and in others. Here, too, they are provided natural opportunities for finding friends with common interests and a mutual sense of moral values.

But first must come the example of parents. It is when we support the Church by regular attendance and constant interest that our sons and daughters realize its importance in their own lives.

And happily, for parents and children alike, worshipping God and meeting other people on a common ground of faith and understanding, we discover the finer things of life.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend and support the church of his choice: They are: (1) For his own sake; (2) For his children's sake; (3) For the sake of his community and nation; (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church on Sunday and read your Bible daily.

The Texas Poll—

**Reform School Whipping Is
Opposed By Slight Majority**

By The Texas Poll
AUSTIN, May 17. — Only by a slight margin is public opinion in favor of outlawing corporal punishment at state reform schools.

In its latest statewide survey, The Texas Poll found that while a near majority would ban whippings, four out of every ten adults feel it is necessary to allow officials to whip inmates as a means of keeping order.

A bill to outlaw corporal punishment has been passed by the Senate and favorably recommended by the House by its state affairs committee.

The general public and parents in particular approve the practice of spanking children, but they do not view the whipping of reform school inmates in the same light. The poll asked:

1. "Do you think it is all right for parents to spank their children?"

	Parents	All
	Only	Adults
YES	94%	92%
NO	5	3
Undecided	1	3

2. "Do you think teachers in grade schools should have the

right to spank children in school?"

	Parents	All
	Only	Adults
YES	73%	72%
NO	23	24
Undecided	4	5

3. "Do you believe the persons in charge have the right to whip the boys and girls in our state reform schools?"

	Parents	All
	Only	Adults
YES	42%	42%
NO	48	47
Undecided	10	11

Those who would ban whipping adopt four main lines of argument: (1) "After a boy or girl reaches reform school, whipping doesn't help much." (2) "Whipping tends to make them hardened criminals." (3) "There are plenty of other ways to correct them." (4) "Too many ruffians are in charge who can't be trusted."

Those who would give officials the right to whip argue that "possession of the right makes for discipline." They qualify their answers by explaining: (1) "Whipping you beating no." (2) "Provided a doctor is present." (3) "If supervised and approved by an official." (4) "In extreme cases only."

**4-H Boys To Get
Sears Pigs Thursday**

Pigs for the Sears Foundation swine program for boys will be distributed to prize winners in Howard and Martin counties Thursday. County Agent Durward Lewter announced Saturday.

Nine 4-H winners in an easy contest which closed May 15 will receive pigs in both counties. The pigs, which will come from litters of Sears pigs already in production in Howard county, will be distributed by Lewter and by County Agent James D. Eiland of Martin county. Eight gilts and one boar are to be distributed in each county.

Pungent herbs include rosemary, sage, and winter savory.

A team of four Howard county 4-H club boys attended a wool judging demonstration in Rankin Friday.

Making the trip were Bobby Powell, Lloyd Robinson, Perry Walker and Wayne White. They were accompanied by County Agent Durward Lewter.

Walter Garth, wool appraiser who is temporarily associated with the extension service, gave lectures and demonstrations on judging wool and mohair for grade, staple and shrinkage. Walker Nesbitt, sheep and goat specialist for the extension service, also participated in the program.

The local boys who attended will train other club members in the county in preparation for team judging contests at the Sonora wool show, which is scheduled for June 24-25, Lewter said.

Delegations were present at the Rankin demonstration from Howard, Glascock, Reagan, Upton, Midland, Pecos, Crane, Ector, Andrews and Ward counties.

How to turn your spare time into PROFIT

This program offers expert training ... with pay ... in many subjects useful toward getting ahead in civil life

The New Civilian Naval Reserve offers FUN, TOO, as you will learn

Here, in a nutshell, is what this new program offers to young men who want to get ahead in civilian life. You get free expert training and you are paid while learning. What's more, you can give as much or as little time as you wish, and have fun, too, and you'll be shipmates with a great bunch of men. You gain—and in return, you help keep our Navy on top.

For both Veterans and Non-Veterans

Veterans are eligible for their former ratings and can draw the basic pay for every hour of training. Non-Veterans are welcome, too, and have every chance for advancement.

Aviation and Cruises, too

Tours of duty at Naval Air Stations ... and practice cruises on modern Naval vessels—battleships, cruisers, aircraft carriers, destroyers, even submarines—for members of the Organized Reserve who qualify.

Group instruction is provided in many subjects and is taught by experts. You can get skilled training that will be helpful toward advancement in civilian occupations.

**Naval Reserve Week
May 18-25**

Photography, Electronics, Welding. These are only a few of the subjects in which you can get training

The new Naval Reserve plan offers valuable training—with pay—in literally dozens of subjects that will help a young man better his earning power in civilian life. The plan is flexible, too, in that you can give as much or as little time as your circumstances permit. You'll find it fun, too, and full of variety and interest, as well as profitable in terms of the pay offered. Even a beginner in the Organized Naval Reserve can get \$2.50 for a two-hour training period ... higher ratings, of course, get more. Veterans and Non-Veterans are invited to join. Men who have served before get their former grades. All have opportunity to advance.

Check the advantages of the new kind of program

- ✓ Give the amount of time you wish.
- ✓ Free, expert training for many trades, professions.
- ✓ You decide how long you serve. Resign any time!
- ✓ Get paid for meeting or duty hours in Organized Reserve.
- ✓ Chance for promotions...may qualify as officers.
- ✓ Cruises in home or foreign waters for those qualifying.

Here's how you can get the full story—There's a useful new booklet called "Come Aboard" that is full of facts about this program. Ask for it at any Navy Recruiting Station or Naval Reserve activity.

'Best Years Of Our Lives' Billed June 1

A road-show booking of the season's most triumphant film production, "The Best Years of Our Lives," has been completed for Big Spring.

The Samuel Goldwyn picture, which all but monopolized the 1946 Academy Awards, will play at the Lyric theatre for five days beginning June 1.

The picture treats the readjustment problems faced by men returning from the war, and the problems also faced by the families and loved ones they left at home. The cast includes Frederic March, Myrna Loy, Dana Andrews, and Teresa Wright. Also featured is Harold Russell, a veteran who lost both hands in the war. Russell won a special Academy Award for his outstanding role; March took top Academy honors for his play; and the director of "Best Years," William Wyler, won the directorial award.

Romance, Politics Blended In Comedy Playing At Ritz

Loretta Young, Joseph Cotten and Ethel Barrymore have the starring roles in RKO Radio's "The Farmer's Daughter," a romantic comedy-drama laid against the background of an exciting Congressional election. The picture is at the Ritz today and Monday.

The story revolves around the political adventures of Katie (Miss Young), a young farm girl, after she enters the employ of young Congressman Glenn Morley (Cotten) and his mother (Miss Barrymore) as a maid. Intelligent and frank in her ideas, Katie makes an impression upon her employers, particularly Glenn.

Katie attends a rally for the Morley-sponsored candidate for Congress. Familiar with the man's past political record, Katie completely discredits him. His opposition obtains her consent to run as their candidate. The Morleys wish her well, although Glenn

would have preferred her to become his wife rather than a Congresswoman.

Katie is smeared by an ugly scandal. Crushed, she goes back to the farm and Glenn follows and asks her to marry him. It takes the strong arms of Glenn and Katie's three brothers to expose the scandal mongers and clear the way for Katie's victory at the polls and her happiness with Glenn.

Charles Bickford is featured as the Morley's unusual butler, Rose Hobart as Glenn's proprietary fiancée, and Tom Powers. The Dore Schary production was directed by H. C. Potter, and Allen Ricklin and Laura Kerr wrote the screenplay.

COMEDY AT RITZ—Loretta Young "falls for" Joseph Cotten in this scene from the comedy, "The Farmer's Daughter," which is at the Ritz theatre today and Sunday. Ethel Barrymore also has a featured role in an amusing story that puts romance into politics.

GREAT IMITATOR—Pictured above is Larry Parks who is credited with an outstanding impersonation role in "The Jolson Story," a Technicolor musical which is at the State theatre today and Monday. Parks takes the role of Jolson in this screen story of the great entertainer's career, and is expert in creating the Jolson character. The film, which also features William Demarest and Evelyn Keyes, presents many of the famous Jolson songs.

Three Howard county farmers attended the Rising Star demonstration, and all guests were feted at a barbecue at lunch time. Lewter said one farmer there told of running 17 head of cattle on 40 acres of vetch since Jan. 1, and the animals did not graze down the legume crop.

There are several plots of vetch in Howard county this year, the largest of which is on the J. Y. Robb farm. Indications are that it is more desirable to plant vetch in rows in this section, due to moisture conditions, and most observers doubt that the legume can be grown with results comparable to less arid regions. However, there are definite possibilities that vetch crops here can provide many desirable benefits.

Howard county pigs produced in the Sears Foundation program are being used this year for Sears projects in two neighboring counties. Prizes for 4-H club essay winners in the Sears program in Tom Green and Martin counties are products of Sears gilts in Howard county.

A new poison composed of DDT, rotenone and sulphur promises to serve as an all-purpose insecticide for the control of major insects and diseases that usually hit snap beans, according to current reports from the extension service. Proportions of the mixtures are one part three per cent DDT, one part of one half of one per cent rotenone and two parts of sulphur. The DDT kills leafhoppers and beetles, the rotenone gets plant lice and the sulphur controls powdery mildew.

Musical In Color 'The Jolson Story', Featured At State

Columbia Pictures' "The Jolson Story," with Larry Parks, Evelyn Keyes, William Demarest and Bill Goodwin plays today and Monday at the State theatre. Filmed in Technicolor the picture is based on the music, the magic and the times of America's greatest entertainer.

Proclaimed as a colorful and rhythmic panorama of American show business, the screenplay, written by Stephen Longstreet, carries through nearly forty years of Jolson's remarkable career. Dramatically revealed are the steps leading to his success. In New Orleans, he has become tired of the traditional routines of a minstrel show, the new-fangled "blues" music fascinates him; and deep inside he is developing a technique all his own to fully capture the rhythms of jazz. Audiences excite him—he wants to get ever closer to them, to make them feel what he feels in his

blood. When he gets his first crack at Broadway, he is ready with his new-found style and creates a sensation.

"The Jolson Story" is largely told in music, as might be expected, for no other entertainer has had so many beloved melodies associated with him.

Much praise has been heaped on the broad young shoulders of Larry Parks for his spectacular performance in the title role. Virtually unknown when the film was born more than three years ago, he is being acclaimed today as a top-flight star. The way he has cloaked himself with Jolson's personality in the film is said to be uncanny.

Gorgeous Evelyn Keyes has the romantic lead opposite Parks, and enjoys the flattery of Technicolor once again, having recently appeared in "A Thousand and One Nights" and "Renegades." Wil-

Ham Demarest and Bill Goodwin play associates of Jolson who aided him in reaching the top, and should add much to the stature of the film.

Guild Program To Feature Henreid In 'Uncle Harry'

Paul Henreid and Geraldine Fitzgerald will be starred, and Mildred Dunnock featured, in Thamos Job's engrossing murder drama, "Uncle Harry," when it is broadcast by The Theatre Guild on the Air, tonight, at 9 over KBST.

In "Uncle Harry," Playright Job made an unusual experiment with dramatic form by fashioning a murder drama in which the identity of the murderer is disclosed to the audience at the outset of the play. From this unorthodox beginning he directs and follows the perpetrator through the enactment of a literally perfect crime. The interest is quickened and sustained by building the evidence by which the wrong person is convicted of the crime, rather than by any use of suspense.

In the title role, Henreid will portray a murderer who lies away with one of his sisters and succeeds in having a second sister convicted of the crime. However, his pride, in his accomplishment mounts until he is impelled finally to confess his guilt and when people refuse to believe him, the wound to his vanity becomes intolerable.

In order to convince the skeptical, as well as to sooth his own feelings, he sets about breaking down the spread chain of circumstantial evidence he has built up. Miss Fitzgerald will be heard in the part of the sister who is convicted of the murder.

Week's Business—

Real Estate Activity Here Shows Increase

Real estate transactions revived during the past few days, according to warranty deeds filed in the county clerk's office this week. There were 18 instruments filed, covering property with a total value of \$65,500. The value of property included on warranty deeds filed since Jan. 1 is \$1,116,860. The county tax assessor-collector issued licenses for 10 new automobiles and four trucks during the past week.

Big Spring building figures continued to lag behind the weekly average, with few new projects listed. Estimated cost figures on week totaled \$11,780. Current total for the year on city building is \$558,011.

Receipts at local livestock sales barns were off last week, but the market gained strength. Both butcher and stocker cattle were steady to strong, and hogs returned ranging up to 50 cents a hundred pounds. There were approximately 1,000 head of livestock sold at regular sales.

Cosden Chatter— Barbecue, Open House Given By Marketing Dept.

Members of the marketing department were hosts at an open house and later a barbecue at the Sweetwater City Park this past week in connection with the formal opening and dedication of the company's new product terminal at Sweetwater. Over 100 guests attended the affair including several representatives of the T&P Railway from Big Spring, Sweetwater, Abilene and Dallas. There were 30 Sweetwater business and professional men at the party and approximately 30 Cosden distributors, as well as the entire sales staff of the company. Approximately 20 employees from the

Big Spring office, and refinery attended the party. The marketing department held a sales meeting at the Settles hotel Friday, outlining to the entire sales staff the company's new line of tires, batteries and accessories. A review of the marketing department operations in the past was given and discussion of future work in this department was held. Carl W. Smith, marketing sales manager, presided at the meeting. The following salesmen were in attendance: W. F. Coffman and W. A. Tracey of Fort Worth; R. M. Johnson, Angy Glehn, Sam Hefer of the Big Spring district; Rex Baggett, North Texas district; and Leonard Blackwell, office manager in the marketing department, Hugh K. Harris, manager of the T. R. A. division. M. M. Miller attended the meeting during the afternoon session. R. L. Tollett left on the American Airlines Friday night for New York to attend the regular monthly meeting of directors. He will return by way of Chicago for conferences with the Universal Oil Products Company. Mrs. R. L. Tollett left Tuesday by automobile for Effingham, Ill., where she will visit with her parents for a few days. She expects to see Mr. Tollett in Chicago during the coming week. L. T. King returned to the office Saturday morning from Mineral Wells where he took a G.P.A. examination. Roxie Dobbins and family are spending the weekend in Plainview. The golf tournament which Obie Bristow is sponsoring for Cosden employees started May 15th and will continue through June 1st. C. E. Milam and Sam Moreland are at Buchanan Dam on a fishing trip. E. F. Russell plans to spend the next four days at Possum Kingdom lodge. George Phillips is at Bryson on vacation. Mickey Bradley is on a two-week vacation, which she plans to spend in Big Spring. Speedy Nugent left Thursday to take his wife to a Dallas hospital for a physical check-up. George Grimes and family are spending the weekend in Abilene visiting with Mr. and Mrs. George Harvell. Bob Hudson, a former Cosden employee, was a visitor in the office Saturday. W. F. Coffman, W. A. Tracey and Rex Baggett were visitors in the office Saturday morning. The following refinery employees are on vacation: Eugent Clark, L. F. Hughes, L. F. Kinder, H. E. Stewart, Otto C. Rogers, Jesse E. Rushing and J. C. Tonn. Nelson Phillips, Jr., a director of the company, was a visitor in the office Tuesday. Mr. and Mrs. Tom Lumley were visitors in the office Tuesday. Lumley is a former employee of the company.

Service At Alamo Hall Highlights State Meet

SAN ANTONIO, May 17. (AP)—A memorial service at Alamo chapel was to highlight today's session of the three-day convention of the Daughters of the Republic of Texas here. The service, scheduled to start at 10:30 a.m., will be conducted by Mrs. Aubrey E. Orr, Beaumont, a newly elected vice president of the organization. Yesterday the group elected officers and unanimously endorsed a west wing addition to Alamo Hall, expected to cost \$25,000.
