Mountaineers To Play Hosts To Gorman In Last Game Of Season Thursday

The Santa Anna Mountaineers will play hosts to the Gorman Panthers on the local field Thursday, November 23, Thanksgiving Day, at 2:00 p. m. This will complete the schedule for the Mountaineers and also for the Panthers.

The Mountaineers will be the favorites by a number of touchdowns. Gorman has only one tie on the credit side of their standing this season in conference play. They tied the Blanket tigers at the start of the season and since that time have not managed to come out on top of any game. Not week they lost to the Bangs Dragons by a 13-0 count.

The Mountaineers have won 4 games in conference play this season and lost two. They lost to the winner of District 12-B and then last Friday night were upset by the Longhorns from Early by a 14-13 count. For the season record the Mountaineers have won 6, lost 2 and tied one.

A large number of fans are expected to be present for this last game this season for the Mountaineers. Officials for the game will be: Elwood Potter, Referee; Fred Russ, Umpire; and J. J. McDaniel, Head Linesman.

LOST TO EARLY

The Mountaineers were upset by the Early Longhorns last Friday night, 14-13 in a hard fought game. The Early eleven scored both their tallies in the first half. During the last half the Moun-

taineers threatened on many occasions, only to loose the ball on fumbles and on fourth down tries within a few yards of pay dirt.

We do not intend to make excuses for our boys loosing, because it was a good game, but the locals fought a hard game and it seems got all the bad breaks of the game also. The Mountaineers had possession of the ball about 80 percent of the time during the second half, but the first half was mostly Early so far as offense was concerned.

AROUND THE DISTRICT

This week will complete the District 12-B schedule. Other than the Santa Anna - Gorman game, Early will play at Rising Star in the only two conference games. Cross Plains will engage Baird in the only

Local Methodist Church News

All were happy the third Sunday to see such a splendid attendance. Fruits of The Harvest, brought and arranged on the altar by the Junior boys and girls added to the seasonal atmosphere. In discussing the Gospel of Jesus, the pastor spoke of it being a gospel of love, of light, and of liberty.

Many interesting facts about William Cowper, the writer of the imperishable hymn, "There is a Fountain," were given in the special song service at the evening hour. Proclaiming salvation for every one, the service was closed with a brief message on "There is no Difference."

"Chicken! Chicken! Where could more have been found than at the last Fellowship Supper? All present enjoyed the abundance of food and the entertainment of the evening, especially the "Thankful Stunts." Birthday honorees were Jackie Mobley, Tommy Hays and Mmes. Wells and Cheaney. Recognition was also given Mr. and Mrs. R. L. Todd, who celebrated their 15th wedding anniversary during the month.

The W.S.C.S. are beginning another study, to which all women of the church are invited. For the convenience of as many women as possible, the meetings are being held on Tuesday morning at 10 o'clock.

Cheerful Giver Lesson for November 26, 1950

TAKE a good look at a piece of money. Let it be in any form at all; "hard money," "folding money," a check, a money order, scrip—anything you can shove across a counter and buy something with. Let us say it is your own money, and that you earned it yourself. Just take a look at that piece of cash. Do you recognize it? You should; for it is nothing less than a piece of your own life.

Money is Life You got rid of something quite valuable to get hold of that piece of money. Time, certainly; you are poorer than you were 24 hours ago, poorer in time, for you have 24 hours less to live than you had then. But you are richer in money, for you did not have this money then, if it is the return for your work during that time. You lost time but you gained money; in other words the money represents time, which in turn spells life.

Look at it in another way: You put out a certain amount of energy for this bit of money. You plowed a field or you raised some chickens or you laid some pipe or you taught some children or you sold a bill of goods. Whatever you did to earn the money, it tired you a bit. You put out the work, — and the money came back to you. Money is time, money is energy. Furthermore, money is knowledge.

Why is a skilled workman paid more than an unskilled one? Not because he works harder or sweats more. He is paid more because his work is better, and his work is better because he knows more. Now, what would life be without time, energy or knowledge? Not much! So if a robber ever says to you: "Your money or your life!" you would be quite correct (even if untactful) if you said, "My dear fellow, you repeat yourself: money is life!"

Life Comes from God AMONG the many differences between a Christian and a non-Christian is this: the Christian knows too much to say, "My life is my own, to do with as I please." Consider those three elements of life: time, energy, knowledge. Time itself is certainly God's gift, the Creator's gift. None of us can make a moment of it. We can accept it, use it; or we can waste it; but it was given us in either case. Energy cannot be created by you or me. Each of us has a certain (and a different) amount; we inherit it, we are endowed with it; but only God in the long run is the source of energy. To make a long story

Mr. and Mrs. M. L. Guthrie Jr., and Les, have moved to the home of Dr. E. D. McDonald, which they recently purchased. Mrs. A. E. Genz has moved from Bangs to the Guthrie place, which she bought. She has made some improvements on the place.

short, life is God's gift, not our creation. It is a blank page on which we write, an empty field in which we can sow as we will. But though the writing and the sowing are our own, the page and the field are God's. So the Christian recognizes this as the central fact of his life: I belong to God.

Now if that is true it is also true that our money is also, just as much as life itself, ours only as a trust from God.

Stewardship "STEWARDSHIP" is the word which recognizes God's right in our lives; it is the word which describes the principle of life for those who honor God as source of all they are and have. When the proverb-writer says, "Honor God with thy substance," he has just said, "in all thy ways acknowledge him." No man is likely to do what is right with his money who habitually does wrong with his life. No man is going to admit his partnership with God in money matters who does not confess God to be the Lord of all his life.

Now there are two principles brought out in our Scripture about stewardship of money in particular. One is this: God looks on what we have, not on what we haven't. A widow who gives one tiny coin, if that is all she has, is more generous than a millionaire who has just given half a million to charity. Second is the principle of willingness. The Lord loves a cheerful giver. Sour givers, regretful givers, stingy givers, no. But the Lord does love the man who gives with a smile. It isn't how much you give; it isn't the fact that you give, it's HOW you give. Is your heart generous in the first place?

We Don't Carry Guns To Church Any More

Against the savage wilderness the Pilgrims had to protect their "freedom of religion" — as indeed their freedom to live — with firearms. Today father may oil up his shotgun when the ducks begin to fly. But he doesn't carry it to church any more. No painted Indians hit like shadows from tree to tree in our parks or dash with whoop and tomahawk across the quiet streets on a Sunday morning. Nor does any king or civil governor prescribe the shape of our churches the length of our sermons or the form of our prayers. We are free to worship when and as we please . . . and this right is one of our chiefest, if occasionally least appreciated, freedoms.

Our Founding Fathers planned better than they knew when they wrote, in the First Amendment to the Constitution:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof. . . ."

For today the tremendous forces of Communist propaganda, utilizing all the tricks of modern psychology and spread instantaneously over modern communications, can act to clothe lies with truth and supplant the Truth with a gigantic lie. Naked aggression is called "peace-making", dictatorship is termed "democracy", democracy itself is scorned as "capitalist imperialism." By using the very phraseology of free peoples the Communists have sought to confuse the minds of logical persons everywhere . . . and in many parts of the world they have succeeded. In many lands, the established church, where it has not heroically resisted, has been taken over lock, stock and barrell by the Communists for the dissemination of their evil creed.

The American tradition of a free practice of faith has bred in our people the ability to question, to weigh and to decide. It is not easy to twist the Ten Commandments or the words of the Sermon on the Mount into Marxist theory in the mind of an American.

This free exercise of faith is its own best weapon against the sugar-coated doctrines of the Communist world. Religion in the U.S.A. — our mighty "strength in diversity" — is stronger than gun, stronger even than atomic weapons, against the false prophets who would destroy us. Religion strengthens our country and every community in it through the millions of actively faithful individuals who find comfort, inspiration and hope in their beliefs. Be one of those Americans who are helping our nation and the world in this way. Enjoy the moral uplift, spiritual satisfaction and many other personal benefits faith can bring by attending worship services with your family regularly and by taking a more active part in religious work.

Find yourself through faith . . . come to church this week.

R. L. Todds Observe 50th Anniversary

Mr. and Mrs. R. L. Todd observed the 50th anniversary of their marriage quietly in their home on Saturday, Nov. 11, with all their children and members of their families present. The good times lasted through Sunday. No open house was planned, but some friends did call. A turkey dinner with all the trimmings, was served.

Mrs. Todd, before her marriage was Miss Luda Guthrie and she and Mr. Todd were married Nov. 11, 1900, at Rice, near Corsicana.

They moved to Santa Anna in 1901, and this has continued to be their home, except for 4 years while Mr. Todd was manager of gas companies at Stamford.

Mr. Dan Goldsmith, 3024 Curron Road, Louisville, Ky., owner of Coogla Cut Rate Store at 935 West Broadway, says there just aren't enough words in the English language to praise HADACOL, correctly. He says he knows most folks don't realize what a change HADACOL can make in their life if their systems are deficient in Vitamins B₁, B₂, Iron and Niacin. Here is Mr. Goldsmith's statement:

"Before I started taking HADACOL I was run down and nervous — and had a hard time sleeping nights. With my work in the store I have to spend sometimes 14 hours a day on my feet. Since I am in the retail business I saw how many folks were asking for HADACOL so I decided to try it myself. After the first couple of bottles I could tell a definite improvement. Now I have all the pep and energy in the world, my nerves are steady as ever and I really do get a good night's rest. HADACOL is wonderful — I not only take it, but recommend it to all my customers. I praise the day Senator Dudley J. LeBlanc put HADACOL on the market."

HADACOL is So Different
Thousands are benefiting from HADACOL, whose systems lack Vitamins B₁, B₂, Iron and Niacin. HADACOL is so wonderful because HADACOL helps build up the hemoglobin content of your blood (when Iron is needed) to carry these great Vitamins and Minerals to every body organ — to every part of the body.

Give remarkable HADACOL a chance and if you don't feel better with the first few bottles you take — you get your money back. Only \$1.25 for Trial Size; Large Family or Hospital Size, \$3.50. If your druggist does not have HADACOL, order it direct from The LeBlanc Corporation, Lafayette, Louisiana. © 1950, The LeBlanc Corporation.
