

## 'Name Calling' By Jester Hit In Legislature

AUSTIN, May 13. (AP)—A veteran member of the House today accused Gov. Beauford H. Jester and his Senate spokesman, Jim Taylor of Kerens, of having resorted to "name calling" after the fashion of W. Lee O'Daniel, in their opposition to a natural resources tax.

Rep. S. J. Isaacks of El Paso took the microphone in a personal privilege speech to rebuke the governor and Sen. Taylor for recent public utterances in which they discussed the problems of state spending and taxation.

"Discussing the issue of taxes, Governor Jester made use of the words 'demagogue' and 'demagogic smoke screens,' and these harsh words are evidently meant to apply to those of us who favor an additional tax on natural resources," Isaacks said.

The El Paso lawmaker said no one would question the governor's right to speak adding:

"In doing so, however, he resorted to name calling somewhat after the style of one of his predecessors who used the radio during a session of the legislature weekly and sometimes daily, and whose favorite epithet applied to legislators was 'professional politicians.'"

## Premier Of Italy Resigns In Crisis

ROME, May 13. (AP)—Premier Alcide de Gasperi handed his resignation today to Provisional President Enrico de Nicola as Socialists and Christian Democrats charged each other with responsibility for the collapse of his coalition government.

A communique from the Christian Democratic Premier's press office said De Gasperi was resigning because of socialist attacks on him yesterday. The three-party coalition has been torn with dissension over Italy's debt problem.

De Gasperi's public works minister, Giuseppe Romita, said after a 50-minute extraordinary cabinet meeting that the premier's decision was taken because of a socialist charge that he was deliberately fomenting a political crisis.

De Gasperi, who has presided over a coalition of Christian Democrats, communists and socialists for months, was expected to inform the constituent assembly of his action in a speech tonight.

De Gasperi, who became premier of Italy in October, 1945, twice before has resigned and twice has been asked to form a new government.

## Nazi Financial Wizard Guilty

STUTTGART, May 13. (AP)—Hjalmar Schacht, German financial wizard, who was cleared of war crimes charges by the international military tribunal at Nuremberg seven months ago, was convicted as a major Nazi offender by a German denazification court today and sentenced to eight years imprisonment.

The verdict was announced by court President Fritz Lenz in a packed courtroom in the community singing hall where the former Nazi finance minister and Reichsbank president has been on trial for six weeks.

The court ordered the confiscation of all of Schacht's remaining personal fortune — officially estimated at 1,190,000 marks (\$119,000) — except for 10,000 reichsmarks.

## Red Cross Board To Meet Tonight

Regular monthly meeting of the executive board of the Howard Glasscock Red Cross chapter is scheduled for 8 o'clock this evening at the Red Cross office.

Reports are due to be given on Red Cross aid to the Lenora-Knott storm victims, and Chapter Chairman A. V. Karcher called for full attendance.

## China Rail Line Blasted After US Marines Pass

### 350 Leathernecks In Interior Still Stranded By Break

PEIPING, May 13. (AP)—Several sections of the Peiping-Linyu (Shankaikwan) rail line were blasted and uprooted today a few hours after two trains carrying 500 American marines and their commander passed safely through communist-held territory.

Col. Julian N. Frisbie, commander of the fifth regiment of the first division, travelling in a deluxe coach, and 500 marines in a special train reached the port of Chinwangtao without incident. They began boarding two transports for Guam and the United States in the withdrawal of leathernecks from China.

About 350 marines of the fifth who drove a 75-vehicle convoy from Peiping to Tientsin yesterday were left waiting at the station by the explosion. They had been scheduled to board trains from Tientsin today to join the remainder of the fifth at Chinwangtao.

The vehicles, which made the highway run without difficulty, were being shipped by water to Chinwangtao.

The railroad was cut during the night in two separate places between Tangku and Tangshan, tearing up a mile-long section in one instance.

The rail line goes southeast from Peiping to Tientsin and Tsuku and the northeast to Chinwangtao and Linyu.

Tsuku, 25 miles east of Tientsin, is near the site of the Hsinflo ammunition dump, which communists raided April 5, killing five US Marines and wounding 16. The dump later was turned over to the Chinese government by the marines.

On trial with the 72-year-old wartime head of the House Military Committee are munitions makers Henry and Murray Garsson and Joseph T. Freeman, Washington agent for the Garsson brothers.

Patterson told the jury that on March 24, 1945, May asked him to give an "E" award, for outstanding war production, to a Garsson firm, the Batavia (Ill.) Metal Products Company.

He said May also contacted him about a cutback of a Batavia Company contract in 1943 and, in September, 1945, called him to the capital to protest the Army's action in withholding \$800,000 from the Erie Basin Metal Products Co., another Garsson firm. The money was held up pending renegotiation of a contract.

On the trial with the 72-year-old wartime head of the House Military Committee are munitions makers Henry and Murray Garsson and Joseph T. Freeman, Washington agent for the Garsson brothers.

Under the bill cotton will be bought in bulk lots by a government commission. Bulk buying and closure of the Liverpool exchange were instituted during the war and have been continued in peacetime by the labor government, whose spokesmen insist the market was "legalized gambling."

The bill, already passed by the Commons, was given final passage in the Lords without a vote after conservative Lord Rea, leading a last futile attack against the measure, declared that 80 per cent of Britain's cotton spinners opposed it.

# Senate Okays Labor Bill; May Now Override Veto

## 'Milk-And-Water' Measure Rejected

WASHINGTON, May 13. (AP)—The Senate today passed its controversial labor bill by a vote of 68 to 24—more than the two-thirds margin needed to override the presidential veto which some opponents have predicted.

The far-reaching measure, denounced by organized labor but generally endorsed by many industrialists, now goes to conference for compromise with a tougher bill approved by the House.

Then the compromise version will go to the White House, probably late this month.

Shortly before the final vote the senate rejected 73-19 a substitute bill drafted by a group of democrats who regarded it as the kind of legislation Mr. Truman would sign. Critics called it a "milk-and-water" bill.

Senator Taft (Ohio), chairman of the senate's republican policy committee, predicted defeat of this substitute opened the way for a quick vote on the Taft bill, Senator Wherry (Neb.), the republican whip, predicted passage by more than a two-thirds majority — enough to override a presidential veto if the line-up held on a test.

Rejection of the substitute, which was tailored to meet President Truman's recommendations on labor legislation, was expected by Senator Murray (Mont.) and the 10 other democrats who sponsored it. They presented the bill only to put themselves on a record with a specific example of the kind of labor bill they believe should be adopted.

Unlike the Taft bill, the substitute would have permitted the closed shop, under which employers can hire only union members. It made no provision for injunctions against national emergency strikes. The Taft measure does.

Senator Barkley (D-Ky.), shouted to the senate that house speaker Martin R. Manser "engaged in a form of intimidation against the President of the United States" by declaring that there will be no effort to pass new legislation if labor and tax bills are vetoed.

AUSTIN, May 13. (AP)—A flurry of excitement in the House of Representatives stimulated by a member's avowed resentment over presence in the gallery of Vance Muse of Houston, secretary-treasurer of the Christian American, Inc., was quickly quieted today by the sergeant-at-arms.

Rep. Roger Q. Evans of Denison, spotted Muse in the gallery and dashed upstairs, he told a reporter. "To try and get him to apologize for classifying those of us who opposed labor-restrictive bills as communists."

Muse did not apologize, Evans added. Meanwhile, sergeant-at-arms Ernest Boyett arrived on the scene. He escorted Evans back to the floor of the House. Muse disappeared. Boyett said.

Approximately 20 House members had followed Evans into the corridor while Rep. Jim Wright of Weatherford was speaking at the House microphone.

"Mr. Wright seems to have some competition outside," Speaker W. O. Reed observed.

"Vance Muse is out there," said Rep. Woodrow Bean of El Paso. "I never could compete with Muse," Wright commented.

Evans said he was referring to a pamphlet distributed in the House early in March, bearing the letterhead, "The Christian American Inc.," carrying the pictures of House members who had voted against the "open shop" bill, and indicating they were sympathetic with communism.

Colombians Strike At High Living Costs

BOGOTA, Colombia, May 13. (AP)—The Colombian Confederation of Workers launched what it called a general strike throughout Colombia at 4 a. m. today in protest against the high cost of living, government strike curbs and alleged violations of freedom of the press.

The walkout was to end at midnight. "Some activity in Bogota apparently was unaffected by the demonstration. The office of President Mariano Ospina Perez had called the strike order "a truly subversive act, openly opposing the constitution and the laws of the republic," Colombian law prohibits strikes in public services.

The speaker said his statement stands whether the postmaster general is a democrat or republican. Republicans, too, he said, have had some postmaster generals who were high in GOP political councils.

Running a billion-dollar business ought to be a full-time job. And the government ought not to finance political trips around the country under the guise of official post office department business."

The speaker said his statement stands whether the postmaster general is a democrat or republican. Republicans, too, he said, have had some postmaster generals who were high in GOP political councils.

But in the last few years, the democrats have made something of a practice of installing their national chairman as postmaster general—such men as James A. Farley, Frank Walker and now Robert E. Hannegan. Former National Chairman Edward J. Flynn was an exception.

Swimming Pool Will Open May 25

May 25 has been set as definite opening day for the Big Spring Municipal Swimming pool. City Manager H. W. Whitney announced this morning.

The city manager said workmen started this week on a general clean-up and repair project at the pool, and equipment is expected to be in excellent condition by the opening date.

## 'Good Neighbors' Mobilize To Help Clean Up Storm Damage

The task of cleaning up in the wake of Sunday night's devastating tornado occupied residents of a broad area west and north of Big Spring Tuesday. Relief and rehabilitation surveys were under way by the American Red Cross and "good neighbors" had mobilized to assist those who suffered injury and property loss in the twister.

Reports from the Nurtin County Memorial Hospital at Stanton said that L. C. Foreman, most seriously hurt of 16 who suffered injury when the twister dipped down on Lenora, remained in a grave condition. Others were reported doing well, and some seven of them had been discharged from the hospital.

The St. Louis office of the American Red Cross had sent a representative, Mrs. Celeste Dodd, to the storm area and she was at the scene Tuesday checking losses with Stanton Red Cross leader, Mrs. Finley Rhode, and Cecil Bridges, R. L. Cook, who heads a sub-committee of the local chapter for disaster survey work, was in the Knott area Tuesday to check losses. At least seven houses were destroyed or damaged by the twister which cut a swath through that sector after wrecking more than a dozen structures at Lenora.

Losses had not been fully surveyed but the damage will run into many thousands of dollars. Red Cross rehabilitation facilities were pledged to meet any needs.

Many volunteer workers from Stanton, Lenora, Tarzan, and other nearby communities were busy at Lenora clearing up debris and making temporary repairs. Women of Stanton were providing lunch Tuesday for all the men at the scene.

In addition, both Stanton and Courtney citizens had started a volunteer aid fund, and the Stanton Reporter said Tuesday morning about \$800 had been donated.

WINNIE JUDD AND SHERIFF—Winnie Ruth Judd, the "Tiger Woman" trunk murderess of 16 years ago, smiles at Sheriff Cal Boles at Phoenix, Ariz. Just after she was recaptured on her third escape from the Arizona state hospital. She escaped twice in the fall of 1933, remaining at liberty six days the first time, and 12 days the second. This time the 43-year-old woman was recaptured about 12 hours after she escaped. (AP Wirephoto).

## Only Married GIs Can Buy Women's Clothes

FRANKFURT, Germany, May 13. (AP)—The American Army ruled today that only married soldiers were eligible to buy women's clothes in the local post exchange.

Army wives had complained that men snapped up all available women's apparel as "gifts for German girl friends."

## Stanton Griffis To Be New Envoy To Poland

WASHINGTON, May 13. (AP)—The Senate Foreign Relations Committee today approved on a voice vote President Truman's nomination of Stanton Griffis to be ambassador to Poland, succeeding Arthur Bliss Lane.

### Army Bolstering Defense In North

WASHINGTON, May 13. (AP)—The Army is further bolstering its northern defenses with the construction of an \$8,125,000 heavy bomber base in Alaska just two hours flight from the Bering Straits boundary between the US and Russia.

A War Department announce-

ment of the new base came only a few days after disclosure that a similar heavy bomber field is being installed in Maine—on the opposite flank of the northern defense line.

The Alaskan base will be located at Mile 26—28 miles southeast of Fairbanks—where an alternate landing field was built during the war for use of fighter aircraft caught in bad weather. New facilities will include a runway, a big hangar, barracks and similar installations for the strategic air command, which operates B-29s and eventually will be equipped with new type heavy bombers.

The Mile 26 base is a link in a network of Alaskan defenses now being improved. Construction of new runways, barracks and other buildings is under way in a projected \$23,500,000 expansion of Elmendorf Field and Fort Richards. Army installations at home on the eve of war in 1939.

San Francisco draws its city water supply from Hetch Hetchy dam high in the Sierras 170 miles away.

### Party Pledges Restoration Of Many Freedoms

LONDON, May 13. (AP)—Britain's conservative party, in a 40-page booklet printed for national distribution, has pledged itself to strive for restoration of a "wide measure of freedom" to some of the industries taken into state ownership by the Attlee government.

The conservatives disclaimed any intention of restoring the government-owned Bank of England or the coal industry to private enterprise, however.

"But we propose," the booklet said, "that a wide measure of freedom should be restored to the Liverpool cotton market, road transport and certain parts of civil aviation."

"We wish to substitute for the present paralysis in which we are experiencing the worst of all worlds, a system of free enterprise, which is on terms with authority, and which reconciles the need for central direction with the encouragement of individual effort."

Last year the Bank of England and civil aviation were nationalized, and the government took over the coal mines Jan. 1. The Liverpool cotton market has been closed since the war, and all inland transport now is in process of nationalization in Parliament.

### Nations Spending More For Arms Than In 1938

NEW YORK, May 13. (AP)—The nations of the world, says the New York Times, have almost 19,000,000 men under arms and are "spending perhaps \$10,000,000,000 more on armaments than they did on the eve of war in 1938."

The story was written by Hanson W. Baldwin, the Times' military writer, and was based on a survey conducted by him and Times correspondents in many countries.

Baldwin said that about 40 nations "are spending at least \$27-400,000,000 a year on armaments."

The Times survey placed the United States sixth in armed strength, as follows: China, 5,750,000 (Nationalist and Communist); Russia, 3,900,000; Great Britain, 1,210,000; India, 1,000,000; Turkey, 675,000, and the United States 670,000. But the story added:

"The United States has so tremendous a lead in sea power that not even Britain is a close second. The shipyards of the world are turning out relatively few new naval vessels."

Baldwin said estimating the cost of military establishments was complicated by inflation prevailing in some of the countries, by the fact that "perhaps billions" in concealed funds were being spent on atomic and other technological research, and, in the case of Russia, the fact that little information was obtained directly from Moscow.

Baldwin placed Russia's defense budget for this year at 67,000,000,000 rubles which would equal \$13-400,000,000 at the official rate of exchange.

When the United States was cut off from its rubber sources in 1942, it had on hand more than 100-million good tires on cars and trucks.

### Marshall Asks Relief From Merger Talks

WASHINGTON, May 12. (AP)—Secretary of State Marshall, while asking to be relieved of further testimony because of his diplomatic status, nevertheless holds to his belief as a soldier that army-navy unification is "essential." Chairman Gurney (R-S-D), released a letter containing Marshall's views today, as the senate armed services committee headed for a showdown on the hotly disputed merger issue.

The Amazon River has some 1,100 tributaries.

### Mansfield, Fort To Stage Last Of Roping Series

Toots Mansfield of Big Spring and Troy Fort of Lovington, N. M., will stage the last of their series of calf roping contests in the Levelland Rodeo arena Sunday, June 1.

Each man has won a victory in previous matches. The two champions will rope 12 calves each. Other rodeo events

and ropings will round out the program.

Mansfield has held the world roping championship five out of the last eight years while Fort is by far the leading contestant for the world title this year. The New Mexico man has piled up such a lead in points over all other contestants he is almost certain of winning the coveted title.

Fort has been going strong all season and defeated Mansfield in a previous meeting at Levelland on March 23. Mansfield bested Fort in a Levelland match August 11, 1946.

Admission prices for the event have been pegged at \$1.50 and 75 cents, including the tax.

**IN A KAISER OR A FRAZER YOU GET THE 100% POSTWAR RIDE**

*You should drive one!*

If you want to know what "the 100% postwar ride" is like, there's only one way to find out. Come and get into a Kaiser or a Frazer and—take a ride! You really ought to do it before you pay money for a prewar car that will soon be obsolete. Compare the ride! Try being a passenger! You will notice the difference before you have gone two blocks! And you'll agree there never was a ride like this before. Then take the wheel! No matter how many cars or miles you've driven, you'll get a kick out of the relaxed ease with which you control and guide either of these most modern of motor cars. You'll want one!

You and all five of your passengers relax in roomy comfort in the Kaiser or the Frazer. A "front-seat" ride in both seats is result of advanced chassis and body design that lets you all ride between the axles! Low center of gravity also helps.

*Compare the ride today!*

### CHECK THIS LIST OF POSTWAR FEATURES BEFORE YOU BUY ANY NEW CAR

**MEDAL-WINNING STYLING:** Fashion Academy gold medal award (to the Frazer Manhattan) as "best dressed car of 1947"—for body lines that establish a new trend in motor car design, and its fashionable new exterior and interior color schemes. "Beauty with a purpose!"

**LUXURIOUS ROOMINESS:** Wheelbase—42½ inches; overall length—203 inches—big, roomy cars, with all their width inside! Both front and rear seats, scientifically designed for restful comfort, are 62 inches—more than five feet—wide! More headroom; more legroom. And a super-size luggage compartment.

**TOMORROW'S ENGINEERING:** The extraordinary ride is the result of postwar chassis engineering—improved distribution of mass and load—back seat well forward of rear wheels. Remarkable performance and gas mileage—from economical, 100 hp. L-head, six-cylinder engine.

**EXTRA SAFETY FACTORS:** "Open-car" visibility in all directions. Smooth, "feather-touch" hydraulic brakes. Low center of gravity—minimum sidesway on curves. Wide rims—more rubber on road. Stabilizer bars both front and rear. You feel safer—you are safer! "Push-button" door openers mean children's safety!

**Raymond Lee Williams And Billy King Married In Service Read At San Angelo**

MRS. RAYMOND LEE WILLIAMS

Mr. and Mrs. Raymond Lee Williams are honeymooning in Ruidoso, N.M., following their marriage in San Angelo Friday evening at 7 o'clock.

Mrs. Williams is the former Billie Frances King, daughter of Mrs. Beulah King, and the bridegroom is the son of Mrs. Charles Todd Crain of San Angelo, and grandson of Mrs. J. B. Nall of Big Spring.

The double ring ceremony was performed in the parlor of the First Presbyterian church by the Rev. Rodney Gibson, pastor.

Given in marriage by her brother, Ralph Glynn King, the bride wore a white silk street dress and white hat with brown and white accessories. She carried a white orchid showered with ribbon streamers atop a white Bible.

She was attended by Mrs. Pete Fulton who wore an aqua street dress with black accessories and a carnation corsage.

Williams was attended by Hugo Cortese.

The couple will be at home in San Angelo following their wedding trip.

Mrs. Williams attended San Angelo schools and the bridegroom graduated from the Big Spring high school. He also attended Texas Tech where he was a member of the Wranglers fraternity. He served in the army four and one half years, two and one-half of which were spent overseas. He received his discharge Feb. 14, 1947 and is now employed at Hoyt Bros. Men's store.

Out-of-town guests at the wedding included Mr. and Mrs. James Underwood of Texon; Mrs. J. B. Nall, grandmother of the bridegroom and Johnnie M. Nall, both of Big Spring; Mrs. J. E. Glass of Dallas; and Miss Mary Folk, of Coleman.

Luncheon At Hotel

The Music Study club will entertain with a luncheon at the Crawford hotel Wednesday, 1 p.m. honoring Mrs. G. T. Hall, retiring president of the organization.

**Student Program At Auditorium To Include Concert And Choral Number**

A student program featuring a concert by the Steer band and choral numbers by two choirs will be presented at the city auditorium Wednesday evening when Music Week (May 11-18) is observed with a second musical presentation in a series of three.

Under the direction of Joe L. Haddon, the band will play "The Traveller Overture," by Buchtel and "Chapel Shrine, Reverie," by Leonl. Jerry Williams will play a baritone solo "Atlantic Zephyrs," by Simmons and will be accompanied by Mrs. Joe Haddon. "Aurora Overture," by Yoder and "Forward," a march by Chenette will conclude the concert.

**Procedure Course Scheduled Friday**

An invitation has been extended to P-TA mothers in Big Spring and surrounding communities to participate in a free Parent-Teacher procedure course which will be conducted at the First Baptist church Friday from 1 to 4 p.m.

Mrs. J. E. Brigham, who will be in charge of the study, has announced that courses have been received, and that those who have signed up for the study should be at the church promptly so that the class can get underway.

Parents with courses on hand, or any person interested in visiting the class, are also invited to attend.

**Bathing Review At City Pool May 25**

The High Heel slipper club has announced the date of the second annual bathing review at the municipal pool as May 25.

The date was set Monday evening when members met with Rebecca Rogers in a weekly business session.

Nancy Whitney presided and arrangements for the annual spring formal May 22 were discussed.

Refreshments were served to Miss Whitney, Patsy Young, Billie O'Neal, Nancy Lovelace, Sue Nell Nall, Tommie Kinman, Mary Robbins, Ellen McLaughlin, Dorothy Pursler, Delores Hull, Joyce Worrell, Lindel Gross, Mrs. T. A. Harris, the sponsor and Miss Rogers.

**Presidents' Luncheon**

The 1948 Hyperion club presidents luncheon will be held Wednesday, May 21, at the First Methodist church at 1 o'clock.

Members are asked to contact Mrs. H. F. Schwarzenbach for reservations.

**FIRST METHODIST WSCS CONDUCTS GROUP MEETINGS**

The scripture lesson, based on Luke, chapter 10, was given by Mrs. A. C. Moore Monday afternoon when Circle One met with Mrs. Robert Hill.

Prayer was given by Mrs. Clyde Thomas, Sr., and Mrs. M. E. Perry discussed the topic, "Cases of Discrimination and Segregation."

Refreshments were served to Mrs. Moore, Mrs. Thomas, Mrs. J. D. O'Barr, Mrs. H. A. Haines, Mrs. H. J. Whittington, Mrs. Perry, Mrs. C. A. Schull, Mrs. F. G. Powell and the hostess.

The next meeting will be held with Mrs. U. S. Dalmont.

**Public Invited To Recital Tonight**

The public is invited to attend a spring recital which will be presented at the First Methodist church this evening at 8:15 o'clock by piano pupils of Mrs. Everett Ellis.

Participating will be Carolyn and Marilyn Miller, Janet and Peggy Hogan, Frances Reagan, Darlene Agee, Marybeth and Billie Jean Stratton, Freida Townsend, Don Lovelace, Phyllis Driggers, Beverly Vaughn, Marta Jane Clark, Mary Jane Collins, Jan Bailey, Peggy Toops and Wanda Shive.

Mrs. Joe M. Faucett will leave for Haskell the last of this week to attend graduation exercises for her granddaughter, Joan Berry, daughter of Mr. and Mrs. Cliff Berry.

**AUXILIARY HOLDS GROUP MEETS FOR STUDY, PRAYER**

The Woman's Auxiliary of the First Presbyterian church held group meetings Monday and hostesses were Mrs. J. B. Mull, Mrs. Roland Schwarzenbach and Mrs. Florence McNew.

The training circle met at the church at 3 p. m. for a program which opened with the Lord's Prayer.

Mrs. F. H. Talbot, circle sponsor, discussed the budget and pledged with the newly-organized circle and Mrs. Noble Kennemur directed the program on "The Sermon on the Mount."

Refreshments were served, and those present were Mrs. Al Aton, Mrs. Talbot, Mrs. J. G. McCrary, Mrs. Kennemur and Mrs. Elvis McCrary.

**Business Women's Circle Convened Monday Evening at Church for Supper and Hostesses**

The Business Women's Circle convened Monday evening at the church for supper, and hostesses were Mrs. Schwarzenbach and Mrs. McNew.

Plans for a joint meeting in connection with the 25th birthday objective celebration on May 18 was discussed and it was announced that the meeting would be held at the church at 8 p. m. Business Women will present a part on the program concerning Korea.

Mrs. E. C. Boatler, circle sponsor, reported on the church meeting held recently in New Mexico, and Mrs. Schwarzenbach presided over the business session in the absence of the president, Mary Watson-Jones.

**Those attending were Mrs. W. C. Henley, Mrs. W. E. Greenlees, Mrs. Dalton Mitchell, Miss Mathilda Meier, Miss Minnie Lockett, Mrs. Gage Lloyd, Mrs. Olen Puckett, Miss Agnes Currie, Mrs. Travis Reed, Miss Helen Stewart, Mrs. McNew and Mrs. Schwarzenbach.**

**Mrs. J. B. Mull entertained the Kings Daughters circle in her home and 13 members attended.**

Mrs. Dalton Mitchell, circle chairman, opened the business meeting with the Lord's Prayer, and Mrs. Lucian Jones gave the devotional from Matthew. Mrs. D. T. Evans closed with prayer and Mrs. A. B. Brown gave the Survey article on the annual Birthday gift offering.

Attending the meeting were Mrs. Evans, Mrs. Mitchell, Mrs. Jones,

**Stewardship Dinner Held At Church**

Dr. and Mrs. C. A. Long entertained with a dinner in fellowship hall at the First Methodist church Monday evening honoring the board of stewards and their wives.

A decoration of dinner tables which were appointed with bouquets of red roses. Invocation was given by Iva Huneycutt.

A stewards meeting followed the dinner, and those attending were Mr. and Mrs. K. H. McGibbon, Mr. and Mrs. Clyde Walts, Mr. and Mrs. Royce Satterwhite, Mr. and Mrs. C. R. McClenny, Mr. and Mrs. H. F. Williamson, Dr. and Mrs. G. H. Wood, Mr. and Mrs. Rupert Ricker, Mr. and Mrs. J. D. Jones, Mr. and Mrs. Iva Huneycutt, Mr. and Mrs. Walter Phillips.

Mr. and Mrs. Robert Stripling and Robert Jr., Mr. and Mrs. G. W. Chowns, Mr. and Mrs. J. B. Sloan, Mr. and Mrs. L. R. Mundi, Mr. and Mrs. Joe Burrell, Mr. and Mrs. R. W. Thompson, Mr. and Mrs. Lawrence Robinson, Mr. and Mrs. W. A. Underwood, Mr. and Mrs. M. N. Thorp, Anna Mae Thorp, Mr. and Mrs. Maurice Perry, L. E. Coleman, Mr. and Mrs. W. L. Meier, Mr. and Mrs. Hayes Stripling, Mr. and Mrs. Marvin Saunders, Mr. and Mrs. Dave Duncan, Mr. and Mrs. D. C. Sadler.

Mr. and Mrs. M. A. Cook, Mr. and Mrs. Cecil McDonald and children Cecilia and Billie, Mr. and Mrs. C. E. Talbot, Mr. and Mrs. C. E. Shive, Mr. and Mrs. Arnold Marshall, Mr. and Mrs. Jack Haines, Nell Hatch, Mrs. W. D. McDonald, Mrs. N. W. McCleskey, Mrs. Albert Smith, Mrs. H. N. Robinson and Patsy Kirk, Junior Stewards included Billie Bob Watson, Richard Deats and Charles Rainwater.

**WMS Discusses Japanese People**

"The Japanese," was the subject under discussion Monday when members of the Woman's Missionary Society met at the First Baptist church.

The meeting opened with prayer by Mrs. Cora Holmes and the group sang "The Voice of Jesus Calling." Mrs. R. D. Ulrey discussed "Meet The Japanese," and Mrs. Emily Andrews gave a paper on "Japanese As Christians." "Japanese As Baptists" was discussed by Mr. W. E. Mann and Mrs. Dick O'Brien talked on church hospitals.

The meeting closed with the group singing "Throw Out The Life Line." Those attending were Mrs. F. F. Gary, Mrs. Theo Andrews, Mrs. R. D. Ulrey, Mrs. R. V. Jones, Mrs. D. C. Maupin, Mrs. W. E. Mann, Mrs. Bennett Story, Miss Minnie Moore, Mrs. A. L. Hobbs, Mrs. J. O. Skiles, Mrs. M. E. Harlan, Mrs. J. E. Wheelless and Mrs. Cora Holmes.

Heartill Faucett of Dallas spent Mother's Day with his mother, Mrs. Joe M. Faucett.

### Visits And Visitors

Miss Fannie Stephens, Miss Sal He Wilkerson and Mrs. Kate Stephens have returned to Big Spring from Dallas to make their home at 1708 Scurry St.

W. B. (Preach) Martin was called to Dallas Saturday because of the serious illness of his father who has been confined to the Baylor hospital.

Mr. and Mrs. J. V. Harrison, Mrs. C. F. Hibbard and sons, Jerry and Richard of California, are visiting with Mr. and Mrs. Fred Stephens and Mr. and Mrs. Lee Hanson.

Mr. and Mrs. A. C. Bass and M. H. O'Daniel of Coahoma spent the weekend in Sweetwater visiting with Mr. and Mrs. Lowell Baird. Sunday guests in the Baird home included Mr. and Mrs. Prentiss Bass and Mr. and Mrs. T. J. Dunlap.

Mr. and Mrs. Thomas Malone have moved from Great Bend, Kans. to Big Spring to make their home. Mrs. Malone is the former Lou Wanda Harrell, daughter of Mr. and Mrs. C. M. Harrell.

Mrs. Marvin House, Jr., and young son, Kenney, have returned to Fort Worth after visiting here with Mr. and Mrs. M. K. House, Sr.

### Food Sale To Be Held By Society

Members of the St. Thomas Altar Society voted to conduct their food sale, previously scheduled last week, when telephone service is restored.

Reports were given by various chairmen and the Rev. Theo Francis, OMI read a monthly letter from Mrs. R. J. Kiser of Pampa, diocesan president.

The next meeting on May 23 will include a social hour and Mrs. Martin Dehlinger and Mrs. Fred Paynter will be hostesses.

Those attending were Louise Sheeler, Caroline Scholz, Mrs. Martin Dehlinger and Paul Dehlinger of El Paso, Mrs. Walter Rueckert, Mrs. Lena Hearn, Mrs. Earl Corder, Mrs. C. W. Deas, Mrs. Frank Smith, Mrs. Kay Williams, Mrs. E. H. Strauss, Mrs. Joseph Brockley, Mrs. Fred Paynter, Mrs. W. D. Wilbanks, Mrs. W. W. Sheeler, Mrs. Thurman Gentry, Lillian Jordan, Mrs. J. M. Morgan, Mrs. L. D. Jenkins and the Rev. Francis.

### Hyperions To Meet Saturday

The 1930 Hyperion club will meet Saturday at 1 o'clock with Mrs. J. M. Woodall.

Those who will not be able to attend are asked to contact the hostess.

### Whitney Becoming Big Boom Town

WHITNEY, May 13. (AP)—This small community near the meandering Brazos river is undergoing a transformation.

Not so long ago its population was 824. But now neon signs flash at night, taxicabs prowls the streets. Trucks and heavy equipment are being moved in. Two new hotels have just opened.

What's it all about? Well, behind all the commotion is the long-awaited Whitney dam that will back up the Brazos into a huge lake. Work on the project is due to be started before the month is over.

Within the next two weeks high-ranking state, military and federal officers are to be on hand for special earth-breaking ceremonies—the signal for bulldozers and giant earth moving machinery to go into action on the huge construction job.

### T. C. Murdock Honored At Household Shower

Mrs. Barney Echols and Mrs. Joe Simonck entertained with a shower for T. C. Murdock recently to replace household goods lost in a fire.

Those presenting gifts were Mr. and Mrs. E. A. Thetford, B. A. Echols, Emmet Hall, R. P. Shaffer, Pat Cranfill, O. L. Lawson, Dick Adams, Birt Fields, Walter Haver, G. W. Gilbert, O. B. Redwine, Andrew Luce, Elmer Simpson, W. L. McColister, P. Y. Tate, Hill and Son, Mrs. Mildred Crawford, Mrs. Clement, Mr. and Mrs. Joe Simonck and Mrs. Ray Robinson.

### Mexican General Flies To Washington

SAN ANTONIO, May 13. (AP)—Brig. Gen. Francisco J. Grajales, chief of staff of the Mexican army and secretariate of national defense, was to leave here for Washington today.

The general and his party landed at Kelly field from Mexico City in a US army plane yesterday afternoon. Last night they were guests of Gen. Jonathan M. Wainwright, fourth army commander.

With the general were Lt. Col. George Castello Dominguez and Lt. Col. Luis Marian Ulloa.

### Clearance Sale At Carbon Plant Slated By WAA

SEAGRAVES, May 13. (AP)—An emergency site clearance sale at the Columbian Carbon Company plant, three miles west of Seagraves on the Denver City highway, has been scheduled by War Assets Administration for May 19 and 20.

According to Jack Ball, crew chief of the plant for the location sales division of the Grand Prairie regional WAA office, personal property which originally cost the government \$35,000 will be offered for sale to the highest bidder in lots which will include related items.

Ball pointed out that at this sale no priorities will be required and that any person will be welcome to make an inspection of the property and place a bid. Inspection may be on Monday, May 19, from 8:30 a.m. until 4:30 p.m. on the following day, Tuesday, from 8:30 a.m. to 11 a.m. at which time the bid boxes will be opened and awards will be made to the successful high bidders who must be present to claim their purchases.

Property to be offered, Ball stated, includes industrial equipment, hand tools, building and plumbing materials, fence wire, office furniture, railroad ties, welding machines and equipment and gate valves.

### Former Big Spring Pastor At Bremen

BREMEN, Germany. — Captain Merrill B. Morris, son of Mr. and Mrs. Roy H. Morris of Route 3, Brownwood, Texas, is currently assigned as Station Chaplain of the Bremen Terminal of the European Air Transport Service. He was formerly pastor of the Prairie View Baptist Church, Big Spring, Texas.

His organization, EATS, is the military airline on the European continent responsible for speeding the work of the Army of Occupation by linking the major cities of Europe in a closely knit network. Captain Morris was transferred from Pisa Air Base, Pisa, Italy.

### WHO'S GOT A PAIN

NEW YORK, May 13. (AP)—Dr. Henry Cerully called out "Who's Next?" yesterday and in walked two robbers who extracted \$150 and some dental gold from the dentist.

### Weather Forecast

### GAS NEARLY BURST RIBS

"My stomach bloated up so bad with gas I thought my ribs would burst," said a lady recently. "My whole abdomen was horribly sore from gas pressure. Now Inner-Aid has relieved me. The gas pressure is GONE. This medicine certainly does everything claimed for it."

INNER-AID is the new, scientific formula, containing 12 of Nature's Herbs. So it is like several medicines in one: it accomplishes several things at the same time that is, it acts on bowels as a laxative and helps cleanse out old, foul substance that often causes headachy, dizzy spells, and worm-like feeling. It brings forth gas and bloating from stomach and relieves gas pains and swelling. Miserable people daily write us they get such a cleansing and invigorating from Inner-Aid they soon feel like different men and women. So get Inner-Aid. Sold by all drug stores. (adv.)

### Invitations Mailed For Education Meet On May 21

Special invitations to attend a program on education, scheduled for the night of May 21, are being mailed this week to local school officials and members of "other organizations, the chamber of commerce reported this morning.

The program has been arranged by H. J. Dollinger, assistant manager of the Southwest Division of the U.S. Chamber of Commerce.

Plans for the meeting were made Monday afternoon during a session of the local chamber's education committee. The committee decided to send out special invitations to the local school board, the superintendent, principals of all schools, the Howard County Junior college faculty and board of trustees and members of the Howard County Schoolmasters club. Other interested individuals also will be urged to attend.

### Two Fined, Drivers Licenses Suspended

Two persons hailed into county court Monday afternoon on charges of driving while intoxicated were each fined \$75 and costs by Judge Walton Morrison. In addition, each lost use of his driver's license for six months.

They are Roy Dawson and Troy Owens, both of whom were picked up by members of the city police force Sunday evening.

### SOLONS STAGE SHOUTING MATCH

SPRINGFIELD, Ill. May 13. (AP)—A labor dispute silenced members of the Illinois State House of Representatives last night.

The new loud speaker system was dead and Speaker Hugh Green said that Springfield local 193, AFL International Brotherhood of Electrical Workers, had objected to a state employee operating the system.

Representatives then engaged in a shouting match whether they should employ a member of the union. The uproar ended with a motion to adjourn—with no business transacted.

### 30-Year Pin Given Brenner

NICOLAS BRENNER

A 30-year period of faithful service to the IOOF lodge was recognized by local Odd Fellows Monday night, when they honored Nicholas Brenner and presented him with a 30-year pin.

Presentation of the pin was made by Ben Miller, and 39 Odd Fellows were present for the ceremony, several of whom paid tribute to Brenner's work in the lodge.

The local unit is Mullen Lodge No. 372, and Brenner has been a regular attendant at its sessions although he has retained membership in Lodge No. 532 of Hominy, Okla.

### City Commission Will Meet Tonight

Big Spring city commission was scheduled to meet in regular session at 5:30 p.m. today in the city hall.

An agenda of several routine matters was to come before the group, and in addition City Manager H. W. Whitney planned to submit a draft of the new city budget.

Whitney said action on the final zoning ordinance also might come up at the session.

### Poison Grain To Kill Rodents Is Bought By County

The county commissioners court has purchased a quantity of poison grain, which shortly will be made available to Howard county farmers for use in killing all types of rodents.

Farmers will be able to buy the grain through the County Agents' office at 20 cents a pound. Since there will be but a limited amount on hand, individuals should place their orders early.

The doctored mixture was made available through the Rodent Control Revolving fund of the State Fish, Game and Oyster commission.

### Legion Meeting For Thursday Cancelled

The American Legion post's regular meeting will be cancelled on Thursday night, so that members may attend the baseball game—first to be played by the Big Spring Broncs at home under the lights.

Post Commander H. P. Steck asked members to take note of the cancellation, and reminded that weekly meetings would be resumed the following Thursday.

More than a million out-of-state motor vehicles entered California in 1946.

Keys made at Johnnie Griffin's—adv.

# Non-operating railroad unions are demanding still another raise of \$568,000,000 a year

MR. & MRS. CONSUMER MR. SHIPPER & MR. FARMER MR. & MRS. PASSENGER

## You would foot the bill!

Look out! There's another big railroad wage demand headed your way!

The non-operating unions alone—whose members do not actually operate trains—are demanding a flat increase of 20 cents an hour. These demands would cost the railroads of the country five hundred sixty-eight million dollars a year!

Last year these employees had an increase of 18½ cents an hour. This was their third major wage increase since 1939. Their average weekly pay has gone up 75% as against a cost-of-living rise of 54%.

Since 1939, railroad wage and material costs have gone up more than three times as much as freight rates, and five times as much as passenger fares. That is why in 1946, with the largest peacetime traffic in history, the net income of railroads went down to the equivalent of only 2¼% of the net property investment.

Even with the recent freight rate increase, preliminary figures indicate that the railroads will make only about the same low return in 1947 as in 1946. This will be because:—the wage increase made in 1946 will be in effect for all of 1947;

—special payroll taxes on railroads have recently been increased;

—and passenger traffic has declined.

Where Would the Money Come From?

We can't pay out what we don't take in. And we are not taking in enough now to meet present costs and to complete the improvements in service that you need and that we want to give you.

You Would Foot the Bill!

### Red Blood Cells Must Be Kept Up If You Want To Feel Alive

Thousands Now Regain Old Time Pep, Vigor and Drive By Releasing Vibrant Energy To Every Muscle, Fibre, Cell

Overwork, undue worry, and lack of certain foods often reduce the red-blood strength—and starved, weak, puny blood just hasn't the power to keep up your energy and drive.

Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that 888 Tonic is amazingly effective in building up low blood strength in non-organical nutritional anemia. This is due to the 888 Tonic formula which contains special and potent activating ingredients.

Also, 888 Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically deficient or scanty—so that each will have little cause to get balky with gas, bloating and give of that sour food taste.

Don't wait! Energize your body with 888 Tonic. Start on 888 Tonic now. As vigorous blood courses throughout your whole body, greater freshness and strength should make you feel better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—darn fresh all out hollow place. Millions of bottles sold. Get a bottle from your drug store. 888 Tonic helps Build Sturdy Health.

### Texas Racial Segregation Laws Attacked As Unconstitutional

AUSTIN, May 13. (AP)—Herman Marion Sweatt and the State of Texas prepared today for another round in the Houston negro letter carrier's attempt to force the University of Texas to admit him to its law school.

In presenting Sweatt's petition for a writ of mandamus to 128th District Court, Sweatt's counsel yesterday directly attacked Texas' racial segregation laws as violations of the United States constitution.

It was the first time in the year-old case such an attack had been advanced.

Replying to Sweatt's petition, Attorney General Price Daniel maintained that the constitution does not require that "educational facilities be provided for white and negro students in the same school."

He also claimed that when a Negro student demands for the first time a particular course, the state has the right to provide separate courses within a reasonable time.

The court, recessed until today by Judge Roy C. Archer, heard preliminary pleadings of both sides plus testimony of two state's witnesses—D. A. Simmons of Houston, former president of the American Bar Association, and E. L. Angell, secretary of the A&M board of directors.

Sweatt's petition maintained that the refusal by the university board of regents to admit him on grounds of racial segregation is in "direct violation of the 14th amendment." And that such statutes and constitutional provisions of Texas which call for segregation also are violations of the federal constitution.

court. W. J. Durham, one of Sweatt's attorneys, contended that his client's rights under the 14th amendment were violated by the refusal of the University to admit him.

"He has not been given due process of law," Durham said.

(The 14th amendment, which was adopted after the Civil War and which gave negroes their citizenship, reads in part: "No state shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States, nor shall any state deprive any person of life, liberty or property without due process of law...")

In his written answer, Daniel said separate courses and facilities have been provided for Sweatt and "such provisions do not constitute any violation of the 14th amendment."

Daniel also denied Sweatt's negro law school set up in Austin under the University of Texas failed to provide equal education for negroes. He asserted that the law school, which has no students, is equal to the University in courses, teachers and general facilities.

### Farm Road Fund May Be Slashed

AUSTIN, May 13. (AP)—More money for farm-to-market roads today appeared to hinge on a change in the constitution and a four-year wait.

The Senate voted unanimous adoption yesterday of a House proposal to abolish the state general fund ad valorem property tax and allow counties to increase their property tax rates accordingly.

A Senate amendment to the proposal tied on the restriction that revenue so raised by counties would have to be used for farm roads or flood control.

The maximum additional rate counties would be allowed to levy would be 30 cents per \$100 valuation. The House version, by Rep. John Bell of Cuero, had permitted 35 cents but the figure was Senate-trimmed to conform with the state general fund tax rate that would exist if Texas adopted a pending constitutional amendment at the polls in August which adjusts the tax rate to take care of the college building program.

If adopted at the polls at the general election in 1948, the constitutional amendment would become effective in 1951.

The state would lose an estimated \$12,000,000 to \$15,000,000 in revenue by transferring the tax to county control.

### Survey Reveals Prices Firm In San Antonio

By The Associated Press

The Alamo City, true to tradition, is holding the line—this time on prices.

Business remains firm in San Antonio, but a survey revealed that prices are steady or even dropping on most items.

Six stores adopted the Newburyport 10 per cent price reduction plan. Paul Zimmerman, manager of Zimmerman's Shoe Store, said their price cut program boosted business 20 per cent during a period when business usually fell. T. A. Beniteau, Jr., owner of the Broadway Auto Supply, cut prices and said his sales are "four or five times greater than normal."

However, no movement is underway to adopt the plan city-wide.

Supply has overtaken demand on most items, but refrigerators, washers, name-brand vacuum cleaners, etc. are still scarce.

Food prices were falling, and Ben Schaper, president of the San Antonio Retail Grocers Association representing 300 local grocers, said he expected them to continue falling. Most substantial drops were oil, soap and shortening.

Clothing prices were falling in San Antonio, and entertainment costs were steady. Also steady were building costs, according to Frank Robertson, president of the San Antonio Home Builders Association. Resistance to high prices of homes was reported.

J. C. Foster, labor market expert with the Texas Unemployment Compensation Commission, said wages were unchanged. He said, however, that employers were becoming more particular about whom they hired.

The price of used cars was still high in San Antonio, unlike the rest of Texas. This was because of sales to Mexican buyers.

The overall picture is bright for both consumer and merchant, the survey indicated.

### Martin Buys Carload Of Short Yearlings

Don C. Martin, Seymour cattle buyer, Monday purchased a carload of short yearlings from H. Noble Read, Coahams, at 19.50 cents per pound.

Martin said Read told him that in 40 years of ranching this was the highest price he had received on a carload lot of cattle. Martin has been buying cattle in this area for feed lot delivery in the feed belt, loading three-cars Monday at Midland.

### Nimitz Calls For Public Support To Naval Reserve

Naval Reserve Week will be observed throughout the nation May 18-25, and will be a period of renewed effort to enroll men in the Naval Reserve to help maintain a "backlog" of preparedness to keep America strong.

A goal of 1,148,000 Reservists is sought, and can be achieved, says Fleet Admiral Chester W. Nimitz in a statement, "if our citizens tend to drive their active and whole-hearted support."

Said Nimitz: "Often in peacetime, we Americans are inclined to forget the price of peace. There seems a tendency to forget that those same elements of strength that obtained victory will continue to be factors in obtaining a just and permanent peace for all concerned."

"That is why the new Naval Reserve will be a vital force in the lives of every American. That is why every Naval Reservist will be in truth, a factor in world affairs."

"Our postwar economy could not, of course, stand the burden of a Navy as large as the one we possessed in 1945. Yet it is clear that this force for good must somehow be kept 'in being'. The logical solution then is a small compact ready fleet, backed up by a large well-trained Naval Reserve."

Vitus Bering, a Dane serving the Russian crown, discovered Alaska in 1741.

### The Chiropractor and You

No. 3 of a series of articles published in the public interest to explain and illustrate the practice of Chiropractic.

**WHAT IS CHIROPRACTIC?** The Chiropractor teaches that the brain and nervous system are the root of health. From the brain, nerve energy is distributed through the nervous system to all parts of the body. When this nerve energy is shut off even slightly between brain and body (by bone displacement in the spine), one or more body functions are interfered with and ill health results. By x-ray, analysis and spinal adjustment the Chiropractor is able to relieve nerve interference and restore normalcy to the affected part. No drugs. No surgery. Nature is the healer.

**CASE HISTORY No. 32.** A victim of sinus headaches for several years. Suddenly stricken with pain one morning, he called upon a Chiropractor whose office he was passing at the time. A spinal adjustment brought relief from the pain in less than three minutes. Within half an hour the pain had gone entirely, and there has been no recurrence of the sinus condition since.

**CASE HISTORY No. 356.** A young woman, who for seventeen years had been having as many as ten to fifteen convulsions daily. Treated for epilepsy without avail. Under special treatment for seven years without benefit. All hope for recovery had gone, when a friend advised Chiropractic. A spinal x-ray revealed a marked disarrangement of the neck, the result of a fall suffered when a child. Adjustments were commenced and after only four months she was 95 per cent better.

# Who Has Been Handicapping Who?

The supreme court of the United States, with Justice Jackson and Justice Frankfurter dissenting, has upheld the interstate commerce commission order...

In effect, he is saying that there are no natural disadvantages in the South and West. Thus, many, strange patterns of logic are applied.

Justice Jackson complained the ruling favored a concept of "discrimination as necessary to some redistribution of population..."

Announcing the majority opinion, Justice Douglas said that a strong case had been made out that natural disadvantages "are not responsible for the retarded development of the south and the west..."

Justice Jackson argued that the 10 per cent hike on the industrial North and East was a "surtax" on the people of that area...

This is all very beguiling, but in Heaven's name what sort of a theory does he embrace in consideration of the South and West cause? To apply his reasoning, we have been carrying all the handicap weights...

# Former Rivals Now Break Bread

WASHINGTON.—It didn't make the social columns, but Secretary of State Marshall has just held his first dinner party after returning from Moscow...

The dinner was held in the home Nelson Rockefeller has loaned Marshall. Guests included: General Bedell Smith, US ambassador to Moscow...

After World War I, this writer spent two years in and out of Greece on Balkan reconstruction work, so perhaps knows a little of the difficult problem the United States faces...

### PEARSON'S PROGRAM

- 1. Use the King of Greece as MacArthur has used the Emperor of Japan. Let the King write the decrees... 2. Forget the state department's mid-Victorian idea that we are not to interfere with the sovereignty of the Greek government...

7. Ask the United Nations to appoint observers to work with us and report back to the UN on everything we do.

8. Finally, appoint — through the King — a new coalition cabinet representing all political factions except the communists and fascists.

### TAFT GETS RELIGION

Republican colleagues have been chucking about the way Ohio's Senator Bob Taft apparently "got religion" after the senate unexpectedly smashed down the labor bill amendment...

Senator Kem had declared that all vestiges of the New Deal should be wiped from the law books. The American people had given Republicans a mandate in the last election...

"Maybe I'm partially to blame for the last education bill (for teacher salary increases) being defeated a couple of years ago," Taft confessed.

## Thanksgiving Time In West Texas

This area might well have its Thanksgiving Day right now. Not that the harvest is in by any means...

them for a reasonable length, thus giving them the opportunity to recover from the beating of drought years.

The spirit of thankfulness issues from a knowledge that we have a "fighting chance" for a good crop in West Texas.

### The Nation Today—James Marlow

## Truman Dangling On Labor Hook

WASHINGTON. (AP)— President Truman will be on a very big hook for a while. The hook is the labor bill.

bill agreeable to both Houses. This job should take two or three weeks and then the final, agreed-upon bill will go to Mr. Truman.

When he gets that bill from Congress he'll have to decide whether to sign it into law or try to kill it with a veto.

That will be one of the most important decisions of his career. When Congress came back to work last January, Mr. Truman suggested it pass some mild legislation restricting labor unions.

The House went far beyond his thinking on this subject and passed the most restrictive labor bill ever passed by any house of congress.

This week the Senate expects to pass its own labor bill, a little milder than the House version but much tougher than Mr. Truman's ideas.

Then a special committee of both Houses will be set up to try to compromise on a single

Organized labor—out of gratitude to Mr. Truman and bitterness toward the Republicans—might throw its support to the Democrats in the 1948 presidential and Congressional elections.

Right now, while the government holds the coal mines, John L. Lewis can't call a coal strike. The government, however, has to give the mines back to the owners July 1.

But suppose this happens: Right now, while the government holds the coal mines, John L. Lewis can't call a coal strike.

If Mr. Truman vetoes the bill and big strikes break out this year, Mr. Truman may get blamed for them.

So the Democrats' victory or defeat in the 1948 elections may depend upon the decision Mr. Truman makes on the labor bill.

### Affairs Of The World—DeWitt MacKenzie

## Soviets Wheel Up Heavy Guns

Russia's heavy bombardment of America and Britain with angry propaganda continued over the week-end, during which Moscow unleashed one of its biggest guns with a blast in the form of a published preview of the motion picture "The Battle of Stalingrad"—a film revealing great Soviet bitterness.

This, portrays Premier Stalin as accusing his Anglo-American Allies of wanting the Soviet Union to be bled so white that they could dictate the peace terms themselves. He charges them with solemnly promising to open a Western Front in Europe in 1942 and then breaking their word.

Winston Churchill is depicted as the villain, with President Roosevelt opposing the British Prime Minister but unable to handle him. In discussing an invasion of the continent with a newspaperman, FDR is made to exclaim:

"Unfortunately it does not depend on me. What can you do against inertia? It is like hitting a punching bag of wet manure. You can only soil your hands."

Theatricals seemed to be on Moscow's mind. The Communist Party newspaper Pravda charged an American official in Germany with threatening six months imprisonment for an actress, Lola

Mutter, to keep her from taking a leading part in the Berlin production of "The Russian Question." This shows some American newspapers taking bribes to write anti-Soviet propaganda.

The purpose of these and other Soviet attacks would seem to be two-fold: (1) To make sure the idea is driven home to the Russian people that the Western capitalist democracies are bad eggs, and (2) To take advantage of such progress as Moscow thinks Communism has made in America and Britain.

Success likely will depend on whether Russia and America can agree on a definition of democracy for purposes of the new regime. Korea is of vast strategic importance militarily, and the signs thus far have been that Moscow had no intention of withdrawing her military forces from Northern Korea until a government favorable to the Soviet Union had been established.

Furthermore, the House of Representatives in Washington passed by a large majority a bill implementing the president's program of aid to Greece and Turkey to help them withstand Communist aggression.

The Senate already had passed a similar measure.

However, despite quarrels Glead wasn't without a bit of balm. Tass, the Soviet news agency, announced that Foreign Minister Molotov had accepted American proposals for broadening the scope of Korean representation in the conference projected for May 20 to lay plans for a Democratic Korean government.

On the face of it this gave some hope that the American-Soviet commission and Korean representatives could get ahead with their job of trying to establish Korean independence which has been delayed a year because of disagreements between the two powers.

Success likely will depend on whether Russia and America can agree on a definition of democracy for purposes of the new regime. Korea is of vast strategic importance militarily, and the signs thus far have been that Moscow had no intention of withdrawing her military forces from Northern Korea until a government favorable to the Soviet Union had been established.

### In Hollywood—Bob Thomas

## Garfield Sought For Small Role

HOLLYWOOD. (AP)— John Garfield is being sought by Darryl Zanuck for a brief but important role in "Gentlemen's Agreement." If he accepts, John will share star billing with Gregory Peck and Dorothy McGuire, but will work only two weeks in the picture.

Legions are making Westerns that Eagle-Lion couldn't find enough steeds for "A Texas Legend." Whenever producers don't know what kind of films the public wants, they make Westerns.

Literature has been struck another blow by Hollywood. Cornel Wilde has been so busy making pictures that he won't be able to finish his Byron book for fall publication.

Judy Garland, Gene Kelly and Frank Sinatra will star in "In the Good Old Summertime." It's a story about a couple of guys who play big league baseball in the summer and tour vaudeville in the winter.

off a new Hollywood trend to high school stories and/or the era of the 20's. First symptom of the former is MGM's charming "Cynthia" with Elizabeth Taylor. And 20th-Fox is planning a "Margie" sequel, "The Flapper Age," with Jeanne Crain and Dan Dailley. Jp. Let's hope this movement (or any) supercedes the current crime and psycho cycle.

Dick Haymes will probably have to cancel all but two weeks of his summer appearance tour so he can make a picture. He has no unreleased films and may be off the screens for a year, so he should make a movie. I told him "But I'm so happy," he complained.

Success of "Margie" may touch

### Texas Today—Jack Rutledge

## New Era Is Dawning In Mexico

A new era is dawning for Mexico, the land of manana. Manana is here—and the land whose major export used to be mescal is beginning to make its mark in American markets.

Possibly inlanders haven't noticed it yet. But ask those who live on the border.

American-made goods used to pour into Mexico through Brownsville, Laredo, El Paso. Today, a trickle of goods is flowing back. It's a healthy sign for Mexico.

You can find Mexican-made items in almost any town now. Much of them come under the heading of curios, probably but they're made in Mexico, and they're selling. You find blankets, huaraches, silver trinkets, baskets, serapes, pottery, vases, pictures—all sorts of things.

The Mexican motif is discernible in many women's styles. That banana you may be peeling right now—it could be a Mexican banana. Brownsville has become a major import center for bananas, pineapples, coconuts, other Mexican tropical fruits. During the war, about the only bananas the US got were from Mexico.

Mexican beer, made in huge breweries at Monterrey, is popular in the US. Its sold at a premium. Mexican fabrics can be bought in the United States. The Indians are artists. Raw materials from Mexico constitute probably the country's largest take. Metals, lead,

iron, manganese, which feed the foundries at Monterrey, the Pittsburgh of Mexico, are finding their way in increasing tonnage to the US. Mexican oil still lubricates much American machinery.

Cotton, citrus, other farm products find hungry markets. Mex-

ican handicrafts find more. The growing silversmith industry, encouraged by Americans but operated by Mexicans, is important.

Mexico is on the move, and "Made in Mexico" is going to be seen often on articles sold in the US.

## LOOKING 'EM OVER

With TOMMY HART

High school coach Pat Murphy approves of most of the eligibility legislation recently adopted by the Texas Interscholastic league but could hardly be expected to give his blessing to the eight semester rule.

Patrick came here to build for the future. He could hardly be expected to promise a winner in 1947 but perhaps could have opened the fans' glims by '48. Now, the semester rule—which bars athletes from competing in the TIL program who have been in school longer than four years—will rob the Steers of such operatives as Pat Lamb, B. B. Lees, Gordon Madison, Delmar Turner, Jerry Houser, Jim Bill Little and Ike Robb, all of whom would have been eligible again in '48.

However, the outlook isn't as dark as is being painted by some of the coaches of other schools. No team stands to be hurt more than the average eleven.

As has been stated here before, Pat is in favor of abolishing spring training. He feels the larger schools have a definite advantage with the additional work; too, opines that other spring sports (e. g., baseball) will prosper as result of the decree.

Many grid instructors claim that Texas football as a whole is going to suffer loss of prestige because of the outlawing of spring drills. The truth of the matter is, the game has long been over-emphasized in this section and league officials acted in time to keep the situation from getting out of hand.

One of Eddie Kohanek's supporters writes in to say he thinks the little right fielder of the Big

Spring high school baseball team is a diamond in the rough that bears watching.

We agree. Ed hasn't learned to plant himself in the box while taking his swings but all that will come to him. For a wisit bit of a fellow, he takes a terrific cut at the lemon and usually gives it a long ride. Too, he's hard to pitch to.

His lack of left may not matter. Lloyd Wamer wasn't as big as a minute and he went all the way to the big leagues. Sparky Adams wasn't any larger than Kohanek and he played under the big top for years.

Track and field coaches of Texas colleges are elated, to say the least, over the records piled up in the recent interscholastic league meet at Austin, figuring that the class field will supply them with top flight thinny clads who can hold their own with any in the nation.

The winning marks at the high school show would have won nearly half the events in the 14 college meets in which Southwest Conference schools have taken part to date.

Incidentally, Javier Montes of Bowie (El Paso) high, who won the state mile run in the record time of 4:35 minutes, will be eligible again next year. Montes will probably wind up in Southern California university in 1949.

Sweetwater's baseball sports, who recently signed pitcher Jim Allstock, have also added Lowell Johnson, an outfielder, to their roster.

Allstock may win in the Longhorn league but members of the Big Spring team who have seen him play doubt that he will be outstanding.

## Lobos Win Two From Gassers

By The Associated Press

New Mexico's entries in the West Texas-New Mexico league are still having trouble in Texas. Clovis and Albuquerque were back home today, nursing 3-2 and 5-5 defeats at the hands of Abilene and Pampa, respectively, last night.

Bill Lonergan buried a one-hit gem in the nightcap of Amarillo's twin bill with Lubbock, highlighting a night of close scores and few hits. Lubbock took the first game, 2-1, dropping the second, 1-0.

In another double bill, Lamesa took two from Borger, 6-1 and 3-2.

Bob Watson, U. of Texas golfer, shot a 61 on the Austin Country Club course, a new record, and scored a hole-in-one while doing it.

## Refiners Bring In Strong Nine

Windmill Bill Brown is scheduled to go to the mound tonight when the Big Spring Fliers, local semi-pro club, make their 1947 diamond debut at the high school baseball stadium around 8:15 tonight.

The Fliers take on the strong Magnolia Oilers of Sweetwater in what gives promise of being a tight duel. The Refiners are one of the better club of the Cotton Belt semi-pro league.

Backing up Brown will be such journeymen ball players as Odell "Red" Womack behind the plate, Manager Eddie Hammond at first base, Bill Seagraves at second, Ray Morrison at short and Charley Teague at third while Ted Gross, Melvin Newton and Bill Rhine-melvin will patrol the outer pastures.

Others who may get into the fray include Darrell Davis, a catcher; Jack Griffin, Rube Baker and Dave Lillard, utility men.

Sam Mabry, manager of the visitors, has announced he will use Glenn Webb behind the dish, Clarence Taylor at first, Robert Taylor at second, Dick Howe at short, Vince Carnoyer at third, Sandy Jones in left and Welsh Bradley in right while the skipper himself will get into the bout at the center fielder.

Either Wendell Greer or A. M. Sikes is due to pitch for the visitors.

Tonight's contest will be a historic occasion, since it will be the first game under the lights. The arc system was originally supposed to have been turned on last Friday for a high school game between Big Spring and Odessa but rain washed that one out.

Admission prices have been pegged at 40 and 20 cents.

## Louis Observes 33rd Birthday

DETROIT, May 13 (AP)—Joe Louis sat back confidently and observed his 33rd birthday today while others combed the field for a 24th challenger for his heavyweight boxing crown.

Golfing and otherwise doing mightily like he pleases, Joe will be toasted by home-town followers at a double-barreled blowout here tonight.

The first reason for the celebration is, of course, the birthday. Secondly, it is nearly 10 years since Joe acquired the sport's most coveted title.

An insurance company of which the Brown Bomber is an official is throwing the party, complete with cake, candies and all the trimmings.

Louis is looking forward to his next championship fight with as much enthusiasm as he has ever shown.

Informed that Joe Bakal, the Pennsylvania coal miner, was reconsidering a title bout next September, the champ said "that's okay with me."

"I don't pick my opponents," he added. "I never have and I am not going to start now. That's up to the promoters."

Bakal, still in London where he recently defeated British Champion Bruce Woodcock, reportedly has changed his mind about taking a shot at Louis.

Shortly after beating Woodcock, Bakal and his handlers decided he wasn't ready for the champ.

As for Louis' manager, John Roxborough, any arrangements are all right "just so long as they get Joe a fight in September."

Many ring observers believe Bakal has little if any more to offer than 23 other contenders who have fallen by the way side since Louis lifted the crown from Jimmy Braddock's head back in June, 1937.

## Bowlers Convene Wednesday At 8

All persons interested in competing in a summer bowling league have been invited to attend an organizational meeting at 8 p. m. Wednesday in the Settles hotel.

A six-team league is in prospect. Indications are play will begin as early as next week.

Some 25 keggers are already signified intentions to take part in league play.

## Getz Convinces Mob Of Talent At Grapple Club

Mammoth Al Getz did a lot of convincing last night at the Big Spring Athletic club.

He convinced Frankie Hill Murdoch he victory over the Fort Worth baby blimp last week was no fluke.

He convinced the attending gentry that, despite his clowning, he is a fair operative in the grapple ring. And he convinced Promoter Patrick O'Dowdy he is ready to take on anybody in the game.

Murdoch tried hard enough and once or twice came near clamping his dreaded python hold on the Pittsburgher but Getz had been initiated before and knew enough to head for safety.

Big Al won the initial fall with a reverse half crab in something like 15 minutes after first engaging in a riot of bluffery.

To apply the clincher, Getz then employed a head scissors in 12 minutes that had the Texan paralyzed for the moment.

The onlookers found themselves adopting a new favorite in the opener, despite the fact that he was beaten. That would be Tommy Martindale, a speedy youngster from Jackson, Miss.

Martindale was bounced around in the ring like a basketball by Rex Mobley and lost two of three falls to the Borger bopper. He had reflexed sweating before the setto was over, however.

An Indian stake hold turned the trick for Mobley in six minutes. Martindale had copped the opener with a drop kick in 17 minutes only to have Mobley pull even with his famed rolling head scissors in 10 minutes or so.

**\$250,000 LOAN**  
WASHINGTON, May 13. (AP)—A \$250,000 loan has been granted the Stamford Electric Cooperative, Inc., Stamford, by the Rural Electrification Administration.

## Newsom, Who Aimed At 20 Wins, Still Looking For First One

By The Associated Press

At the rate boisterous Bobo Newsom, Washington's self-styled 20-game winner is going along this season, he may be lucky to collect the necessary six triumphs he needs in order to join the select list of pitchers who have won 200 or more games in the major leagues.

The garrulous righthander has yet to gain his first mound win this season.

Newsom was hardly at fault last night as he failed in his third attempt to register his initial win.

He gave up only five hits and one run in eight innings. Philadelphia came up with four runs in the top half of the eleventh to whip the Senators 5-1.

Bobo has had some tough luck this year. In his first start his mates were blanked by the Yankees 7-0 and in his second time out the Chicago White Sox beat him 5-2.

Each league got a new runner-up tenant as Brooklyn moved into second spot in the national by defeating the Boston Braves 6-3 at Ebbets Field and the Boston Red Sox nipped the New York Yankees 4-3 at Fenway Park to move behind Detroit in the American. Yogi Berra, Spud Chandler and George McQuinn, hit homers for New York.

The Dodgers made good use of 11 hits to clip the Braves, who dropped to third place by nine percentage points.

No other games were scheduled as most of the teams were preparing for their second inter-sectional series of the campaign. The Eastern teams in the National League engage the Western clubs on the latter's home grounds today while the Western teams begin their invasion of the East in the American League.

## Houston Bisons Apparently Like Loop Top Spot

By The Associated Press

Texas League teams between Houston and Tulsa are bouncing around like a pogo stick.

The latest scramble last night left one assurance: Houston will be hard to nouse from the lead and Tulsa will be hard to pry from the cellar.

Fort Worth's second place Cats provided easy pickings for Houston's rampaging Buffs last night. Al Pappalacking up his fifth victory of the season on a 7-0 shut-out.

Tulsa had its game with Beaumont postponed because of wet grounds, but these scores reshuffled most of the teams; Dallas 6, San Antonio 0; Oklahoma City 6, Shreveport 5.

The slow-starting Buffs apparently find the atmosphere in first place to their liking, both in pitching and batting. They pounded three Fort Worth pitchers for 13 hits, good for three runs in the first, one in the fifth, two in seventh and one in the eighth.

Pappal's seven-hit performance was his second consecutive shut-out.

Dallas' Rebels bounded from seventh to sixth on their slugging bee against San Antonio. With no wasted motion, Gene Markland put his mates-off to a good start by cracking out a home run in the leadoff spot in the first inning. Four more tallies were counted before the inning was over.

Floyd Giebell kept San Antonio's six hits well scattered and only one Mission reached third base. Giebell only struck out five men, but did not yield a single base on balls.

Milt Nielsen used a home run in the ninth inning to give his Oklahoma City mates a 6-5 victory over Shreveport and also third place in the standings. The circuit cut broke a 5-5 deadlock with two men out. Nick Gregory continued to lead Shreveport's swat parade, coming through with his ninth home run of the season.

The same opponents face each other tonight, but it will be the final time, this series.

San Antonio will attempt to rack up its first victory over Dallas in the latter's home park tonight, while Houston is at Fort Worth, Beaumont at Tulsa and Shreveport at Oklahoma City.

## Howell Selected As Emergency Radio Operator

H. A. Howell, Jr., 202 Austin street, has been selected to set up an organization of local amateur radio operators prepared to furnish organized emergency communication in time of disaster, it was announced today by Communications Manager F. E. Handy of the American Radio Relay league, national association of radio amateurs.

Howell's assignment, which carries the title of Emergency Coordinator, is to band together members of the amateur radio service in this community to perfect arrangements for emergency radio communication by "hams" in event of natural disasters or other emergencies.

## Three Local Students Offered Scholarships

Three commercial students at Big Spring high school have been offered scholarships by the Hine Business college of Midland. Wendell Hine, president, has announced.

The scholarships, each of which would cover half of the tuition costs for a 36-week executive secretarial course, have been offered to Joyceelyn Clark, Jeanne Slaughter and Jeanette, Kinman.

Philadelphia 2-0 1.000.

## Longhorns Hold Final Workout

Members of the Big Spring high school football team complete what will probably be the final spring football practice in a long while with an intra-squad game at Steer stadium this afternoon. Starting time was to have been 4 o'clock.

The Longhorns are one of the few teams, perhaps the only Class AA eleven, still in training. Most of the other clubs ended their drills more than a month ago.

Starting in 1948, spring football will be no more, the Texas Interscholastic league has announced. Instead, all squads will be permitted to start fall practice on August 15.

Today's fracas will be the fifth intra-squad game of the training period and will afford Coach Pat Murphy a final chance to line up his starting eleven for next fall.

The contest was originally planned for night but the lights have been removed from the gridiron.

## Forsan Teams Play Tonight

Continental is scheduled to face Ross City and Moore's Grocery opposes Forsan's All-Stars in Forsan community softball league games this evening.

Circuit play got underway last week without decisive results. One game resulted in a tie and the element discouraged other contingents from taking the field.

First half league play will continue through June 24.

## Broncs Lose Twin Bill In Midland

### Locals Tangle With Dusters

Pat Stacey and his Big Spring baseball Broncs move to Vernon tonight for their final series on the road before returning home Thursday for their debut under the lights at Steer park.

The Hosses, despite the fact that they collected a total of 22 base hits, lost a double header to Midland in the Tribe park last night, 9-7 and 11-7.

Midland's surprise showing left the Steeds only 1-2 games up on the Indians. They now have lost three of four games to the Red-men.

The Hosses grabbed a 6-3 lead in the opening contest—which was limited to seven innings—but the Indians clawed back with a five-run outburst in the sixth.

Heavy clouting in the middle rounds plus a rash of Big Spring miscues tore the Broncs playhouse apart.

First game: Big Spring 0-3 00 1-7 11 3  
Midland 3 00 01 5-9 11 2

Second game: Big Spring 0 21 00 4-0 7 10 6  
Midland 201 23 x-11 12 2

**Pioneer Given Safety Award**

DALLAS, May 13. — Pioneer Air Lines today received official word from the National Safety Council that it has been named recipient of the 1946 Aviation Safety Award for completing the year without a single accident, Robert J. Smith, company president said. Further, Pioneer has never had a fatal accident since the line was established in August, 1945.

According to the National Safety Council figures Pioneer had traveled 7,742,550 passenger miles by the end of 1946 without an accident. Pioneer officials, acknowledging the safety award, paid tribute to the company maintenance men and pilots who made it possible. The Pioneer official also added that since January of this year the line has doubled its route and passenger load, and still was maintaining its safety record unblemished.

**Waco Aldermen To Ponder Pay Demands**

WACO, May 13. (AP)—A meeting of aldermen is expected to be held here today or tomorrow to consider demands of the city employees union for pay boosts ranging from \$10 to \$20 per month. Mayor Richard C. Bush announced he would call the session. He said city officials already are studying the budget to determine what funds can be used for such a purpose. At the proposed meeting, the mayor said, union representatives will be given a chance to air their views. The union represents city employees not in the police, fire, and water departments.

**Foot, Mouth Disease Quarantine Approved**

SAN ANTONIO, May 13. (AP)—Just back from an inspection trip, W. P. McDonald, chief of the Mexican border foot and mouth disease quarantine project said here the program is meeting the approval of ranchers and business men from the gulf to the Pacific ocean.

He said there has been no reports of cattle infected with the disease in the U.S. A number of stray cattle, he said, had been herded across the border into Mexico by the 200 range riders patrolling the area.

**Aggie Mothers' Club Aims Slap At Gilchrist**

SAN ANTONIO, May 13. (AP)—President Gibb Gilchrist of Texas A&M college was the target of a resolution adopted by the State Federation of A&M Mothers clubs, according to the woman who wrote it.

The resolution requested the resignation of "any person or persons whose holding of office in administration of A&M college is detrimental to the welfare of the student body of that college." It was adopted at a closed session of the federation at college state last Saturday.

Mrs. Charles Tate of San Antonio, who authored the document, said: "The name of President Gilchrist was not mentioned, but every delegate present knew he was the target and the only target of the resolution."

**Traditional Tour Of Seniors Set**

FORSAN, May 13. — The traditional senior tour for Forsan graduating students will be reinstated this year after being halted since the beginning of the war, Superintendent G. D. Kennedy has announced.

Twelve graduates, together with sponsors, will leave the morning of May 26 for a week's tour of Austin, Galveston, Texas City, Houston, Waco and other points, he said.

Baccalaureate will be held the evening of May 18 with H. L. Newman, Big Spring Church of Christ minister, as the speaker. Commencement is May 24 with E. C. Dodd, president of the Howard County Junior College, as speaker.

**Chinese Government Employees Get Pay Boosts Of 85 Per Cent**

NANKING, May 13. (AP)—China's executive Yuan decided today to raise the income of government employees and soldiers, giving employees an average boost of 85 per cent in cost of living allowances and tarmarking 175 billion Chinese dollars (\$14,580,000) monthly for pay increases for the armed force.

The civilian employees' bonuses were estimated at 125 billion Chinese dollars a month (\$10,416,000).

The ministry of national defense was left to work out details of the military's increases. Both boosts are retroactive to May 1.

Students of National Central university in Nanking, 60 per cent of whom are supported by the government, struck for unspecified increases in living allowances and threatened to stay away from classes until they were granted. Some 4,000 students were involved.

In Shanghai, labor unrest continued. Mayor K. C. Wu announced that wages would be permitted to rise, but the executive Yuan deferred action on pleas to restore the city's cost of living index. Three thousand department store workers demonstrated "today" in protest against what they termed "a conditional" restoration of the official index as a wage base. It thus far has been held at last February's levels, despite soaring prices.

The Shanghai labor union demand revision of the whole index system, and a strike by 1,500 communications employees went into its fourth day with "no settlement in sight," officials said. They are demanding higher wages to meet increased living costs.

Rice shops, closed in Shanghai for nearly a week because of rioting by hungry Chinese, reopened today and the black market price dipped a trifle. The turnover was small, however, with most buyers unable or unwilling to pay the demand 280,000 Chinese dollars per picul (133 1-3 pounds).

Shanghai's bureau of social welfare announced it would begin rationing of rice this week, and reported its dumping of 9,000 piculs of rice daily — in an effort to break prices — would be halted.

**Five Seniors To Get Certificates For DO Training**

Five senior students will receive certificates of completed work in diversified occupations in conjunction with the annual high school commencement, Stanley Cameron, DO coordinator, said Tuesday.

They are Terry Carter, who has trained in auto parts sales at Motor Inn; Preston Dunbar, who has trained as a stockroom clerk at Wacker's; Dulane Leonard, who has trained as an auto mechanic at Howard County Implement company; Robert Sullivan, who has trained as a machinist at Burnett Machine Shop; and Roy Wyrick, who has trained for electric motor and armature work at K&T Electric.

Four other seniors will graduate but started the two-year course as seniors. They are Alline Cahoon, (McCruy), Joyce Fields (McCruy), Joyce Jones (J. C. Penney), Mary Busk (Burr's). These may or may not return to complete the work, said Cameron.

At the end of school there will be 15 holdover DO students eligible to complete the course a year hence, Cameron said ready openings were available for this on-the-job vocational training for 11, and that other openings, up to a total of 30 for the class, might be made.

DO work calls for half a day of study in related work at school and half a day on the job for experience and instruction. Class members recently dispensed with the traditional boss banquet and held a weekend outing at Christoval, with around 40 in attendance.

**Chemist Pleads For Control Of Atomic Bomb**

GALVESTON, May 13. (AP)—A plea for international control of the atomic bomb was sounded here last night by a chemist with the Manhattan project during the war.

Dr. Henry D. Haas, chief of the Purdue University Chemistry department, speaking on rocket research before a group of American Chemical Society members, said such control is "imperative to the preservation of world peace."

He said that after the first bombs were used against Japan, the government asked US to conjecture how far other powers, notably Russia, had progressed in atomic fission research.

"We suggested, they might hit upon the secret within five years after the first bomb was dropped," Dr. Haas said, "so we still have a three-year start."

The chemist said that an amicable system for controls by world powers future bombs is imperative to the preservation of peace.

**County's Cash Balance Down**

Howard county's cash balance declined by approximately \$9,000 during April, but the bulk of the expenditures came from the 1945 road bond fund which had expenditures of \$15,696 for right-of-ways.

The general fund eased off about \$1,700, indicating a squeeze; play on this fund before taxpaying time in October. Road and bridge revenues quickened, but so did expenditures.

Outside of bond and bond retirement funds, the operating funds were a \$75,000. The jury fund dwindled to \$737.

The road and bridge fund picked up \$23,424, principally from automobile registrations, the general fund had \$1,610 in revenues and the officers salary fund got \$3,220.

Disbursements and April 30 balances by funds follow: Jury \$871 and \$737; road and bridge \$12,828 and \$54,355; general \$3,333 and \$14,337; permanent improvement \$265 and \$1,037; road refunding none and \$3.92; special road bond none and \$2,601; road and bridge special none and \$1,447; viaduct warrant none and \$748; road bond 1945 series \$15,866 and \$85,226.
