## New Buick On Display Saturday

Mr. Lewis Jobe, of the Jobe Buick Company in Coleman, announces that the new 1951 Buicks will be on display Saturday, January 20, and invites the general public to visit his showroom and see the new automobile.

The new Buick line contains three series of cars, ranging from the low-priced Special up through the Super to the luxury models in the Roadmaster. They offer a choice of ten colors and six two-tone combinations.

Walter and Roy Buse spent the week end in Sterling City and Robert Lee. They were accompanied to San Angelo by Raymond.

## Annual Drive For Polio Funds Now In Progress

Texas wound up 1950 by setting a grim new record in polio cases—2778. The total for 1949 was 2,355, a record up to that date. There were 423 more cases in 1950 than in 1949.

Never before in state history have so many cases been reported during a 12-month period. Eight cases occurred during the last week in December.

The disease reached its peak on August 12, when 131 Texans fell ill. That marked the greatest single weekly incidence ever to be reported.

Early in the polio season, Dr. Cox pledged the facilities "of the entire State Department of Health" to local communities in combatting polio. The health agency's laboratory and field personnel, working in cooperation with civic organizations and local health units, were credited with keeping the epidemic from reaching even greater proportions.

The writer assisted in the organization of the original set-up in Texas, during the middle thirties, and we have aided in every drive that has been made, and had in mind to retire from the field and turn the work over to some other party, but the appeal has been so strong we have concluded to make the 1951 drive, then maybe we can get someone to relieve us of the future work.

All the money collected is deposited in the Santa Anna National Bank, where complete records are kept, and any one interested may make inquiry at the bank as to the status of our method of doing business. We have a number of contributors who just drop in at the bank and deposit what ever amount they feel like giving to the Infantile Paralysis Fund, the duplicate deposit slips are turned over to us and kept as a part of our records. Thanks to Mr. and Mrs. C. L. Eeds for starting us off this year with a \$10.00 deposit. Who will be next?

We think we will conduct a different campaign this year to those we have made in the past. However, we will make personal contacts, put out our little glass jars in some of the business houses, and use other similar methods, but as an added feature we would like to close the drive with an auction sale.

One family has donated a fine registered Hereford heifer, to be sold at auction, the entire proceeds to go into the local funds, to be kept at home and used to help any family in this territory who is unfortunate to be a victim of the dreaded disease. The family does not care to make any demonstration of the gift, just feel like they want to make a liberal donation to the March of Dimes Fund, to help any needy family who is unfortunate enough to have one or more cases strike them, especially families who are in needy circumstances and need help of the local chapter to procure medical aid. More will be said about this later.

We are just wondering if there are others who would like to contribute something of value to be sold, and let the proceeds go into the March of Dimes? The writer has no livestock, but we do have a good pair of boots that will be offered in the sale.

We will have the auction on either Saturday, January 27, or Wednesday, January 31, the day the drive is supposed to close. In the meantime, if you find one of our jars in some business house, and feel like contributing to the March of Dimes Fund, make your deposit and it will most certainly be appreciated.

We trust we have your cooperation and friendly suggestions, and assure you that it will be greatly appreciated. J. J. Gregg, local drive chairman.

Happiness is not a horse; it does not run along a straight road.

## Bank Elects New Directors And Officers Jan. 9

W. T. (Ted) Stewardson, was elected President of the Santa Anna National Bank at the annual meeting of the stockholders Tuesday, January 9. Stewardson has served as president of the bank since August 9, 1949, when he was elected to succeed the late W. R. Kelley.

Other officers elected at the meeting were: V. L. Grady, Chairman of the Board; O. L. Cheaney, Executive Vice President and Cashier; Mrs. B. Weaver, Vice President; Ted McCaughan, Cashier; Glen Copeland, Assistant Cashier; Dawson See, Assistant Cashier; and Mrs. Ethyl W. Davis, Assistant Cashier.

Two new directors, J. W. Riley and C. H. Wise, were added to the list of directors, making a present total of nine directors. Other directors are: W. T. Stewardson, V. L. Grady, O. L. Cheaney, Ozro Eubank, Mrs. B. Weaver, Clinton Lowe and J. L. Boggus.

**\$100,000.00 SURPLUS**  
On December 30, 1950, the Santa Anna National Bank increased their surplus from \$90,000.00 to \$100,000.00. The total resources of the bank on December 30, 1950 amounted to \$1,980,035.06. Deposits at that time were \$1,802,632.72.

## Two New Signal Lights Added On Wallis Avenue

Two new signal traffic lights have been added on the main street of Santa Anna this week, one being placed at the intersection of Wallis Avenue and 1st Street, the other being placed at the intersection of Wallis Avenue and 8th Street, or the intersection of the Rockwood and Coleman highways.

These two lights have been on order for several months, and the city plans to get them in operation as soon as possible. Both these intersections have become what might be determined as dangerous intersections and were in need of traffic lights.

## City Library Ready Soon

Mrs. Norval Wylie, chairman of the House Committee of the City Library Board, announces that extensive remodeling has been done on the building assigned by the City, and that the decorating committee will soon take over.

Consisting of an L-shaped assembly room capable of accommodating 60, a well-furnished kitchenette, rest and coat rooms and an attractive, well lighted library room, the City Library will be a great asset to the clubs of the town as well as to the reading public.

Give a pig what it wants when it grunts, and a child when it cries, and you will have a fine pig and a bad child.

## Stewardson, Weathers & Rutherford Show Champions At Santa Anna Show

Burgess Stewardson showed the Grand Champion and Reserve Champion steers at the Santa Anna Livestock Show last Friday, and Billy Ray Weathers showed the Grand Champion lamb. Little Miss Sheran Garrett, showed the Reserve Champion lamb and Hillary Rutherford showed the Grand Champion Barrow.

This was the first time since the end of World War II that the local boys have had a suitable day to have a Livestock Show and it is believed that more people were out to see the stock and to attend the auction than had ever been there before. The show was judged as a grand success.

The Santa Anna auction was the best it has ever been with an average price of 65½ cents being paid for lambs sold. Mr. O. L. Cheaney paid the highest price paid for a lamb, \$1.15 a pound to Sheran Garrett for her Reserve Champion Southdown lamb. Fifty cents was the lowest price paid for any of the lambs put in the ring.

The Santa Anna National Bank paid Burgess Stewardson 67 cents a pound for his Grand Champion Steer and Johnson and Stovall of Coleman paid him 50 cents per pound for his Reserve Champion Steer. Johnson and Stovall paid Billy Ray Weathers \$1.10 a pound for his Grand Champion lamb. O. L. Cheaney purchased the Grand Champion Barrow from Hillary Rutherford for 35 cents per pound. Complete results of the auction sale will be found at the end of this story.

Judges of the show were Heston McBride of Blanket, steers; Cwen Bragg of Talpa, sheep; and C. H. Sargent of Bangs judged the hogs. Jesse K. Barton was superintendent of the show and A. T. Edwards of Rockwood was his assistant.

## First Baptist Church News

The Baptist General Convention of Texas has launched out on a stupendous Movement to win 250,000 people to Christ in the year 1951. No such challenge has been brought to a like body of people in recent years. This is four times the number won and baptized in 1950. First Baptist Church of Santa Anna is seeking to have its part in this great movement. Plans will be made for all the Departments of the church to help. In keeping with this program the members of the church will be challenged Sunday morning to do all they can. The pastor, Harry C. Wigger, will speak on the subject the "Challenge of Evangelism".

The Brotherhood had one of its best meetings Tuesday evening, when 34 men gathered to hear some of the local men bring a soul stirring program.

Do you have an Owner's hand?

Any fortune teller will tell you that palm reading is tricky stuff. Because no two hands are exactly alike. The hands shown above, for example, reveal different temperaments and tempers and abilities. Most American hands, however, have this similarity; they belong to owners of business-managed electric companies like the West Texas Utilities Company.

Several million Americans, in every walk of life, own the securities of these companies.

And some 72,000,000 are indirect owners, through their life insurance and savings accounts. For when banks and insurance companies accept your money, they must invest it wisely, and much of it goes into electric light and power companies.

**The Good Must Fight**

Lesson for January 21, 1951

**YOU WOULD** think that if ever there arrived on this planet a really good person, he would be popular with everybody. People are tired of meanness, they are sick of being lied to and cheated. They are tired of the sins of others, even tired of their own. So if a really good person should appear, one in whom was no shadow, completely transparent to the Eternal Light, wouldn't everyone flock to him, wouldn't he have the human race in the palm of his hand, as it were, in a short time?

Dr. Foreman

**Age-long War**  
THE ANSWER is No. It is not well to be too optimistic about human nature. As a matter of fact, some of the best persons history has known met some of the bitterest opposition. Indeed, when one came who was completely good, whose life was all light and no shadow, he was no better treated and no more warmly welcomed than less good persons have been.

Jesus Christ had his enemies, strong and well-organized. The number of those who believed in him was comparatively small; the number who did not believe or ignored him altogether, was enormous.

The history of mankind is the history of a war, the age-long war between good and evil, between God and his enemies. The story of Jesus is one chapter in this history, the most important by far, but by no means the first one or the last.

**Why Was Jesus Hated?**  
THE READER should examine the record in the Gospels and try to think for himself who opposed Jesus, and why they did so. One striking fact is that Jesus' enemies were not what we call the "lower classes," much less the "criminal classes." His enemies were rather from out of the top drawer, as we might say. They were the financial, social and religious leaders of his time. They finally got him executed as a criminal.

If there had never been any one to contradict the records of the Sanhedrin, that high court of Jerusalem, and those records had become recognized as the truth, Jesus would have gone down in history, if remembered at all, as a trouble-maker, a lawless and worthless man, whose execution was a protection to society.

Why were these leading men, Jesus' "distinguished" contemporaries, so wrong about Jesus?

"As he is, so are we..."  
THE READER should think this out for himself. One reason can be mentioned here: It is very easy for wrong to be so long accepted

By Mrs. Buck Mitchell

Rev. J. B. Weathers conducted services here last Sunday. Miss Lois Haynes, who is attending Draughan's Business College at Abilene, visited with her parents, Mr. and Mrs. Fred Haynes, over the week end.

The Ladies Bible Study met with Mrs. Zona Stacy last Tuesday afternoon. There were nine present. The study meets each Tuesday afternoon at 2:00 p. m. Everyone interested is invited to attend these studies.

The Trickham Home Demonstration Club met at the lunch room last Wednesday afternoon. Mrs. Oscar Boenicke is chairman of the polo drive for this community. Mrs. Bill Vaughn will assist. The drive opened the 15th. These ladies will start calling on people of this community the first of the week. If they fail to find you, kindly go see one of them, as this is a very worthy matter.

Mr. and Mrs. Robert Green of Roswell, New Mexico, were here visiting with relatives and friends last week. They visited with the following: Mr. and Mrs. Oscar Boenicke, Uncle Ben McIver, Frank and Ruth, Granny, Lou, John and Ed Featherston. Mr. and Mrs. Green had just come from Graham, where they had visited with Mrs. C. F. Shields, Mrs. Green's mother. Mrs. Shields was celebrating her 79th birthday. She had received 55 birthday cards from friends and relatives. Here is hoping she has many more happy birthdays.

The community get-together held at the school building last Saturday night, was well attended. A chili supper was first. The children played games. The adults played forty-two and canasta. Everyone seemed to enjoy themselves very much. The next get-together will be the fourth Saturday night of this month, which will be the 27th. Let's all go out and enjoy the fun. There will be entertainment for all.

Friends here were grieved to learn of the serious illness of Mrs. S. E. Reed, who formerly lived here, but is residing in Brownwood at the present. Mrs. Reed is suffering from a stroke.

Mrs. Zona Stacy and Mr. and Mrs. Oscar Boenicke visited Sunday afternoon in the Tom Bagley home of Brownwood. Mr. Bagley fell last week and broke his wrist and received other minor injuries. He was carried to the hospital where he remained two or three days. At the present he is at home.

Mr. and Mrs. Oscar Boenicke visited last Tuesday with Mr. and Mrs. Billy Shields and family of Abilene.

Wednesday night Mr. and Mrs. Carl Harris visited with Mr. and Mrs. Oscar Boenicke.

Mr. and Mrs. Buck Mitchell so strongly entrenched that it is universally taken for right. Then when the right comes along, especially when in the form of an idea suggested by some one not of the upper crust, it actually seems to be wrong. People kept long in a dark room find light painful!

Any one who tries to follow Jesus will find himself up against the same sort of opposition.

Any one who proposes to live as Jesus lived, or to change our accustomed patterns of society in the direction which Jesus pointed out, will be called (as he was) a crackpot, a dreamer, an impractical fellow who does not know enough to go in when it rains.

**Our Divine Alliance**

CONSIDER one example of this. A Christian who makes up his mind to dedicate his body a "living sacrifice" to God, and therefore not to handicap himself with the drug of alcohol, is certain, in many places, to be considered a sort of crank. It is not that people will laugh at him, though they will; people will be angry with him for his stand. They will do all they can to make him break his pledge.

Instead of admiring a clean and free life, many people are not content unless they can soil that cleanness and break down that freedom. So to stand for Christ in any aspect of life is not easy. But we need to remember we fight no lonely fight; our cause is not forlorn.

Just as Jesus in Galilee was always on the side of those who were beaten and battered by sin and evil, but still fighting, so now the ever-living Christ is always on the side of those who in their hearts desire good and not evil, cleanness and not dirt, truth and not lies.

and Betty, Misses Peggy Ford and Roberta James visited with Mr. and Mrs. John Mitchell and Lea of Brownwood, Sunday afternoon.

Among those who went to see Mrs. Reed Sunday from here were: Mr. and Mrs. Oscar Boenicke, Mr. and Mrs. Rankin McIver and Mr. and Mrs. Chelo James.

Quite a number from this community attended the stock show in Coleman.

Mr. and Mrs. Carl Wallace of Fort Worth, visited with Mr. and Mrs. Oscar Boenicke last Friday night. Mrs. Wallace is a cousin of Mrs. Boenicke's.

The Trickham Home Demonstration Club will meet at the club room next Wednesday, Jan. 24 at 2:00 p. m. for a regular meeting.

**Birthday Party Honors 2 At R'wood**

Mrs. Ray Steward and Mrs. Blake Williams of Rockwood, honored their little 6-year old daughters, Mickey and Carolyn Ann, with a birthday party in the Steward home Sunday afternoon.

Present were: Bettye Straughan, Kay Davis, Pat Adian, Stanley McSwain, Nik-ki Van Johnson, Larry and Bob Rutherford, Jo Ed and Corky Wise, Mickey Steward, and Carolyn Ann Williams, Mrs. Harold Straughan, Mrs. Woodrow Estes, Mrs. John T. Adian, Mrs. Jack McSwain, Mrs. Marcus Johnson, Mrs. Jim Rutherford, Mrs. Joe Wesley Wise, Mrs. Adian of Coleman, Mrs. Steward and Mrs. Williams.

Refreshments of birthday cake cold soda pop and coffee, balloons and bubble gum for the plate favors.

THE MOST IMPORTANT action taken by the House in organizing for the session's work was the adoption of an amendment to the House rules whereby the Rules Committee was given power to screen legislation before it can be programmed for debate and floor action.

Barring some unforeseen and improbable development, this means the controversial features of the Truman Fair Deal have been put on ice for the duration of Congress.

That should mean more economy in government; fewer pressure-group and special interest laws enacted, and more time and effort devoted to the Nation's primary interest — preparedness.

The change was accomplished by a coalition of Southern Democrats and Republicans, the vote being 244 to 179. I joined with the majority of Texas members and voted for the change.

VICE-PRESIDENT BARKLEY in bidding adieu to retiring Senators the other day recounted some interesting experiences in the Senate and House that happened a hundred years or so ago, and recalled how members dis-

agreed violently on occasions only later to become warm friends. These are two incidents which were cited: "When Andrew Jackson and Thomas H. Benton were young men in Nashville, Tenn., they fought, not a regular duel, but a pistol battle on the streets. One of them fell back over a bannister into a basement, and that fall may have thus saved his life. Thereafter Thomas H. Benton went to Missouri. Later he became a member of the Senate of the United States, and here he met Andrew Jackson, who then also was a Senator. Andrew Jackson subsequently resigned from the Senate and returned to Tennessee, where later he took command of troops. Later on, when Andrew Jackson was President, Thomas H. Benton was his great spokesman in the Senate; and in this Chamber, Thomas H. Benton moved to expunge from the Journal of the Senate a scurrilous resolution in regard to Jackson, which some time before had been adopted by the Senate.

Henry Clay and John Randolph, of Roanoke, fought a duel over a debate in the House of Representatives which one of them regarded as insulting. They went across the Potomac River to what is now Rosslyn, Va., and fought a bloodless duel. For years thereafter they did not speak to one another. One day Henry Clay was going down a footpath which led from the Capitol to what is now Peace Monument, and Randolph was coming up the same path, which was too narrow for two men to pass on it. They met, glared at each other. Randolph sneered, "I never get out of the way of a damn scoundrel." Clay replied, "I always do," and stepped out of the way and let Randolph pass.

Years later, when it was announced that Clay would address the Senate from his desk in this Chamber, John Randolph, who by then had become an invalid, asked that he be carried on a stretcher into this Chamber in order that he might hear Clay's last speech.

OF INTEREST TO TEXANS is a series of weekly congressional 30-minute radio programs begun on January 17 and carried over WFAA, KPRC and WOAI called the Texas Quality Forum, and directed by popular Bill Shomette, agricultural editor for WOAI and produced by Mrs. Sarah McClendon. The program will feature four Texas Congressmen each week in a round-table discussion of current legislative problems. Shomette was sent to Washington for extended duty to arrange these broadcasts.

The first program included Senator Connally, Speaker Rayburn, George Mahon and myself. The transcriptions will be carried each Wednesday evening at 9:30 to 10:00.

**Blue Bonnet Club Plans For New Year**

The Blue Bonnet Home Demonstration Club met Thursday, January 11, in the home of Mrs. Archie Tucker and the main event was filling out and studying the new year books. Everyone was enthusiastic over the years work as planned and felt that we will have the best club year yet.

The pledge, prayer and games were led by Mrs. Leroy Curry. The roll call and minutes were read by Mrs. D. Bouchillon.

Mrs. Woodrow Wilson gave an interesting council report in which she told of the councils

plan to buy extra dishes for the recreation room at the rodeo grounds.

There will be a cereal training meeting February 20.

The district T.H.D.A. meeting will be at Brady, April 7.

A story is to be written by each club member and the best one is to be offered to the County papers for publication.

Club members were asked to send two pies or one cake to the recreation room Saturday the 13th for sale by the council at the stock show.

Mrs. Leroy Curry, Mrs. Woodrow Wilson and Mrs. John Lauder were appointed to serve on an education committee.

The year book was explained

by the Vice-President, Mrs. Solan Wilson and the club President Miss Thelma Casey.

Eight club members were served refreshments of pimiento cheese sandwiches, squares of cake, coffee or cocoa.

On January 25, the club will meet in the home of Mrs. Rex Garrett.

## Local Methodist Church News

Increased illness and a change in the weather were responsible for the decrease in attendance the second Sunday. Scenes from the story of Moses were recalled at the morning hour, when the pastor discussed the relationship of laymen and their leader.

At the evening hour the Juniors, wearing their choir vestments, had charge of the song service. Their numbers being "Tell Me The Stories," "Love's Sweet Lesson" and "Gentle Jesus." Later the same group, properly costumed, portrayed "The Presentation of Jesus" at "The Temple" with such dignity as to create a real experience of worship. The pastor spoke of "True Foundations of Christianity."

Stewardship was the subject of the W.S.C.S. Monday afternoon with Mrs. Blue as speaker, following the devotional by Mrs. Albro. The meeting held at the parsonage was the initial meeting of the group since the beginning of this calendar year. Plans have been outlined for the next Mission Study to be held on Tuesday morning at 9:45, to which all women of the church are invited. Our women are looking forward to two meetings of community interest, the Federal Society and the World Day of Prayer, both of which are to be with us. These meetings should command the most earnest concern of all Christians. There are many interests locally and nationally that need our concerted efforts. Never was there a time when this was more true.

The Glad Hand Class is sponsoring the attendance the third Sunday evening. Let us all be there to accept their hand of welcome. All other services as usual.

If there is any service the pastor can render, please command him.

## World Day Of Prayer

FRIDAY, FEBRUARY 9, 1951 Methodist Church — 2:00 P. M. Theme: "Perfect love casts out fear."—1 John 4:18.

### ORIGIN

For centuries, women have prayed for a better world individually and in groups. The regular annual observance began in 1887 when Mrs. Darwin R. James, president of the Woman's Board of Home Missions of the Presbyterian Church in the U. S. A., called on all Presbyterian women in the United States to gather in their own communities on a specified date to pray for home missions. The response was so great that a day was set apart annually. In the early nineties, under the leadership of two outstanding Baptist women, Mrs. Henry W. Peabody and Mrs. Helen Barrett Montgomery, a day was designated for united prayer for foreign missions. For many years home and foreign mission groups observed days of prayer separately, but in 1919 they came together. In 1920 the women of Canada joined them. The first Friday in Lent was chosen as the day of prayer for missions, home and foreign.

Missionaries spread the idea of a day of prayer and at the request of many friends in other lands, it became a World Day of Prayer in 1927. Today the program is sent by request in advance to ninety-two countries.

There has been uninterrupted growth in the movement from its inception and there are now approximately 15,000 observances in the United States alone. Prayer griddles the globe. Services begin in New Zealand and the Fiji Islands, west of the date line, and continue throughout the day, closing with the observances in Alaska, and in the Tonga Islands, where Queen Salote leads her devout subjects in prayer.

**THE PURPOSE.** The purpose of the Day is to unite Christians around the world in prayer.

**THE PROGRAM.** Each year the World Day of Prayer Committee of the United Council of Church Women invites one or more women from a chosen country to write the service.

**THE OFFERING.** The half of the offerings in the United States given to the Home Missions Council of North America is used for Christian education of the American Indians; to train pastors and leaders for sharecroppers; and religious and social ministry to agricultural migrant families. The other half is given to Foreign Missions Conference of North America, to be allocated for interdenominational work here and abroad.

Too many of us prefer manners without virtue, to virtue without manners.

## Echoes From The Alamo City

By Mrs. A. L. Oder

**Cooking School**  
At a school house not far from where I am staying, a cooking school was conducted five afternoons last week, with a nationally known home economist in charge.

It was my privilege to be one of the many hundreds attending on two afternoons. The San Antonio Piggly Wiggly stores were sponsoring the school.

The giving of many prizes each afternoon stimulated attendance and interest.

So, having ate black-eye peas on New Year's Day, which custom is recommended to bring good luck through the year, I attended the first afternoon session with considerable hope.

Got nothing. A woman with a new thought complex, hearing me say I was never lucky, gave me a lecture. She said, "You are a negative thinker. If you will think positive thoughts, you will have things come your way."

The next afternoon I went again determined to let nothing but positive thoughts abide within me. Got nothing again. Several hundred others also got nothing. Maybe predestination has more to do with what comes our way than eating black-eye peas on New Year's Day, or thinking positive thoughts.

**The March of Dimes**  
San Antonians are readying for the March of Dimes, to begin at 9:00 a. m. tomorrow

morning (Monday) when 100 volunteers from the Fire Department will open the event by collecting dimes and dollars on two downtown streets. Other organizations and committees will thoroughly comb the city during the drive. The need is so great, it has been suggested the drive should be called "The March of Dollars."

**Readers Appreciate The News**  
Now that the Santa Anna News has entered its 66th year of continued service, I think the idea of the birthday offer is a fine one. The response of new and renewal subscriptions in last weeks paper shows the offer is appreciated. The News at less than 2c per week is quite a bargain.

**Lackland AFB Reaches All Time Peak**  
Lackland Air Force Base reached an all time peak strength on Friday, Jan. 12, with 62,000 airmen on the field. The officers have announced the "suspension of basic training until such future time as the base returns to normal operations". Thousands of tents are housing recruits that could not be squeezed into buildings and the 21 dining halls are operating on a 24 hour basis.

It seems that the overflow is being handled with efficiency.

Many people become luminous on Saturday night—all lit up.

If you get the idea nobody likes you, you probably don't like yourself much, either!

## Tractor Accident Kills Sister Of Local Man

SANTA ANNA, Jan. 9.—A verdict of accidental death was returned Tuesday by Justice of the Peace Joe S. Clark in the death of Miss Nina Carroll, Miss Carroll, a farm woman, was found crushed to death beneath an overturned tractor, near her home six miles north of Richland Springs Monday afternoon.

Her Uncle, A. M. Carroll of Richland Springs, who was seriously injured in the accident, is in a Brady hospital. The two were engaged in removing trees from a dirt tank.

Miss Carroll was born in Bosque County April 1, 1895. She is survived by three sisters, Misses Annie Carroll, Lillie Carroll and Florence Carroll of Richland Springs; a brother, Rev. Charles L. Carroll of Santa Anna; three nephews, Edwin Carroll, Dallas; James Carroll, Talpa; and Curtis Carroll, Waco, and her uncle.

A fault-finding wife becomes pretty adept at the "hunt-and-peck" system—she hunts for faults, and keeps pecking away at them.

Few of us live as comfortably carefree as we should. We are slaves to our vanities, and to our neighbors' opinions.
