SANTA ANNA, COLEMAN COUNTY, TEXAS, FRIDAY, FEBRUARY 9, 1951

NUMBER 6

Oil Activities IN COLEMAN COUNTY

DeWells & Southworth No. 1 A. D. Pettit, offset three-fourths of a mile north of Santa Anna is to be a 2,000 foot rotary project. It will be 150 feet from the west and 294 feet from the south lines of the lease in Section 140, H. T. Crosby Survey.

E. B. Fletcher will drill the No. 1 E. B. Fletcher & C. P. Craig as an offset, 150 feet from the west and south lines of Blk. 1, William Doran Survey 666. Permit depth is 2,000 feet with rotary rig.

C. Andrade, III, No. 1 F. Z. Payne, et al, will be 150 feet from the northwest and 133 feet from the southwest lines of C. Raquet Survey 43, Subdivision 4. It will drill to 1960 feet with rotary.

B. R. Sheffield has spotted the No. 5 J. W. Tabor as a Townsite location, 300 feet from the north and 175 feet from the east lines of Blk. P, Wm. Doran Survey 666. Slated depth is 1,997 feet with rotary rig.

Rambo & Stephens No. 1 Wallace Collins, 250 feet from the west and 50 feet from the south lines of Blk. 8, Wm. Doran Survey 666, will drill to 1900 feet with rotary.

Brannon & Murray have completed the No. 22 J. C. Dibrell as an offset to production nine miles northeast of Coleman, 900 feet from the south and 1,375 feet from the west lines of Section 265, J. W. Hicks Survey.

It gauged 3.16 barrels of 42 gravity oil in 24 hours through 3/4 choke with packer on casing and 80 pounds pressure in tubing from the open hole at 1,921-4 feet. Gas-oil ratio was 1000-1. Operator shot with 10 quarts of nitro.

A wildcat location two miles west of Coleman has been spotted by E. G. Rodman and Trebal Oil Co.

It will be the No. 1 Strach, 990 feet from the south and 2,970 feet from the east lines of W. E. Eundas Survey 673.

The Coleman County project is to drill to 2,750 feet with cable tools.

Fred Turner, Jr., has plugged and abandoned the No. 1 W. R. Kelley Estate at 2,089 feet. That Townsite project was 150 feet from the east and 152.5 feet from the north lines of Blk. 33, Mahoney Addition to City of Santa Anna.

Woodley Petroleum Co. No. 1 J. W. Saunders, J. P. McLean Survey 687, wildcat in Coleman County two miles west of Rock Crusher, was drilling below 2,000 feet in shale and lime at last report.

Proposed depth is 3,800 feet with rotary.

231 WELLS COMPLETED IN STATE LAST WEEK

AUSTIN, Feb. 3. The booming business of drilling oil wells continued its merry pace this week. The Railroad Commission reported 231 completions, shooting the year's total to 1,071 compared with 927 a year ago.

Gas well completions totaled 12; the year's figure, 96, was well ahead of the 66 in the comparable 1950 period. There were 109 dry holes.

Wildcats produced 12 oil wells, 3 gas wells and 54 dry holes.

The total average calendar day crude allowable was 2,724,435 barrels today, down 49,147 from last week.

Election Called For Councilmen

Mayor F. Z. Payne announced this week that an election has been called for the election of four aldermen, all to be elected at large from the City of Santa Anna. The election will be held at the Fire Station portion of the City Hall, with polls being open from 7:00 a. m. until 7:00 p. m. Friday, February 16.

So far no names have been submitted to be put on the ballots. However, prospective candidates have until 5:00 p. m. Wednesday, February 14 to put their names on the ballot. All names must be submitted to the City Hall before this time.

These councilmen will serve until the City General election, which is to be held on Tuesday, April 3. In the City General election, a mayor and 5 aldermen will be elected.

So, if you plan to offer your name for election on the City Council, you are requested to act as soon as possible, and get your name on the ballot.

World Day Of Prayer Set For Friday Afternoon

The bell at the First Presbyterian Church will ring at 2:00 p. m. Friday, February 9, signifying that the World Day of Prayer is beginning at the First Methodist Church in Santa Anna. Every man and woman in this vicinity are invited to attend this service. However, if for some reason you are unable to attend the service, when you hear the bell ring, you are requested to pause and offer a prayer for peace.

The World Day of Prayer service is sponsored by the United Council of Church women. This does not mean that the service is for women only. It is a prayer service, observed around the world for everybody, and the men as well as the women are urged to attend this service this year.

Mrs. Harry Crews is the leader for the service and Miss Elsie Lee Harper has charge of the music and a skit, "The Christian Four Point Program", which will be given by members of the Federated Missionary Society.

A program is planned that everyone will enjoy. Be present at the First Methodist Church Friday afternoon at two o'clock for the annual World Day of Prayer observance.

The City Council announced this week that they will accept the water line, connecting the Santa Anna City Lakes with Lake Brownwood on Tuesday, February 13. The line has been completed and all tests completed, and the project is now ready to turn over to the City for operation.

A brief ceremony will be held at the pump station on the A. J. Newton place, one mile west of Thrifty, at 2:30 p. m. Everyone who cares to do so, is invited to attend the ceremony.

Plans are to have a large celebration sometime later in the year, possibly in the late spring.

License Plates Go On Sale Here

Mrs. Lura Williamson is again this year, selling commercial and farm vehicle license plates at the Williamson Shoe Hospital. The plates are already on sale and according to law, you may put the plates on your car any time between now and April 1, 1951, but they must be on by that time.

Mrs. Williamson states that the numbers will all be big numbers again this year, and that she doubts very much if any small numbers will be sold in the county for some time. The numbers start at 3750 and run through 9999, with the prefix being CD. She has the 6000 series in Santa Anna right now, and says that her next bunch will be higher numbers than these.

To get your license plates you must have a Certificate of Title or your receipt for your last year's registration. Buy your tags early and avoid the rush of the last few days.

Coach McBride Deferred From Army Until June

Coach D. W. McBride received a call to active duty in the United States Air Force, to report on February 8. However, he received a deferment last Friday, subject to call at any time after June 1, 1951. He was to report to Lackland Air Force Base.

McBride has served as coach of the Santa Anna Mountaineers for the past four years. He served as a captain during World War II, with the Air Force Criminal Investigation Division.

March of Dimes Auction Set For 3:00 P. M. Sat.

The registered Hereford heifer calf that has been donated to the Santa Anna March of Dimes will go on the ring for auction at 3:00 p. m. Saturday February 9. A pair of cowboys boots, a quilt, a dresser scarf and a nice throw rug have already been donated to be auctioned off at the same time, and other items are expected to be brought in before the time of the auction.

The Santa Anna High School Band will parade through the main street at 2:30 p. m. and then assemble between the bank and hotel buildings where they will play a concert, before the auction starts.

The new owners of the Hotel Santa Anna and Coffee Shop are offering their services Friday to the March of Dimes Campaign by donating all money derived from the sale of coffee during the

day to the campaign. Coffee in the Hotel Coffee Shop will sell for 10 cents a cup all day Friday, and every dime collected will be donated to the March of Dimes. The Coffee Shop will furnish all the coffee, sugar and cream, and serve the coffee. You may pay any amount you wish for the coffee, but nothing under the ten cent price. The March of Dimes committee expresses their appreciation to the owners of the Coffee Shop for their fine spirit of cooperation.

A number of others have made donations to the March of Dimes. Some have brought their checks and left them at the News office and others have deposited their donations at the Santa Anna National Bank. If you plan to make a money donation, it would be appreciated if you would leave your donation at either of the above places before

the end of the week. Just when the drive will end has not been determined. We are far short of our goal, and must continue the drive until we reach it.

Donations that we have been notified of so far are as follows:
Alice B. Eads, \$10.00.
J. W. Tabor, \$5.00.
H. V. Hair, \$1.00.
S. H. Duggins, \$1.00.
G. W. McCoy, \$10.00.
Mrs. F. C. Woodward, \$5.00.
J. L. McCaughan, \$25.00.
C. L. Eads, \$50.00.
First Christian Church, \$35.00.
Coleman Gas and Oil Co., \$5.00.
Santa Anna High School, \$18.
Ladies Shop, \$10.00.
There are most likely other who have donated in liberal amounts, and we will be notified of them before the drive ends.

\$130 Worth of Prizes To Be Given By Local Arrow Feed Store

Prizes worth \$130.00 will be given away in a free gift offer by Arrow Mills, Inc., in Santa Anna. Everyone in the community is invited to come by and register for the prizes. There is no contest connected with the free gift offer, and store visitors do not have to make a purchase to qualify for the prizes.

"This gift offer is made to acquaint more feeders with our Arrow Feed store and with the full line of 'Arrow Feeds,'" George Hipp, manager of the local store said. "A box similar to a ballot box will be prominently placed in our display area, and pencils and registration slips will be available during store hours."

First prize to be awarded in the free gift offer is a beautiful chrome dinette set of rectangular table and four chairs. The colorful red table top is made of durable laminated plastic in Mother of Pearl pattern. Chair seats are padded in red plastic and the chair back in two-tone red and gray plastic. Legs of both table and chairs are gracefully curved and made of triple plated chrome.

A double size bedspread of closely tufted baby chenille will be awarded the second prize winner. The bedspread, made of 100 percent cotton, comes in a rich pastel color.

The winner of the third prize will take home a set of four Pyrex mixing bowls in high colors. Highly desirable because of their versatility, these bowls can be used for mixing, baking or storing. Sizes are graduated for easy nesting. The set includes, 4 quart yellow bowl, 2 1/2 quart green bowl, 1 1/2 quart red bowl, and 1 pint blue bowl.

Jesus Meets Need
Lesson for February 11, 1951

WHAT PEOPLE want would fill many books. What people need is a simpler story. Whatever success Christianity has had, its due to its success in meeting human needs.

Ignorance

THE Church at its best has simply followed in the paths on which Jesus was a pioneer. The gospel stories of Jesus show him as one who went about doing good.

One of the first needs of man is to be saved from his ignorance. Jesus saw the human race not as a pack of wolves or a mass of snakes, but as sheep without a shepherd.

Sickness

IT IS not on record that Jesus ever walked by a sick person without making him well. Jesus did not think that sickness and pain are good things in themselves.

When you think of all the loss of time, money and happiness that one miserable little cold can cause, and multiply that by the number of colds in North America alone, when you think of the pain and danger and after-effects of one attack of malaria, and then think of all the cases of malaria in all the warm regions of the world, and when you go on adding up all the diseases there are, you really wonder how the human race manages to stagger along.

Now the Christian church has always been doing something about this. Today, in many backward countries, Christian doctors and hospitals have pioneered in health, and indeed are the only effective disease-fighters in the whole region.

Hunger

WHATEVER else can be said of the feeding of the five thousand, one thing is plain: Jesus did not think it was a good thing for people to stay hungry.

So the church, following his example, has fed the hungry wherever it can. The church protests, and will continue to protest, against any society or institution that leaves people hungry. It is an empty sto-

Debbie Heat of Mason has re-

mains that things like Communism rise.

So when a missionary like Sam Higginbottom in India teaches better ways of farming, or when the Salvation Army adopts the slogan "Soap, soup and salvation," or when heifers are rounded up and sent abroad as a gesture of Christian friendship, when CROP interests the Christian farmers of America in rural reconstruction in war-torn areas of Europe, the church is just following the lead of Jesus.

Slavery

ONE of man's deepest needs is freedom. Jesus did not set free any slaves in his time, it is said, but is this true? There are other kinds of slavery besides that from which Abraham Lincoln freed the Negroes in 1863. Of these other kinds, one of the worst is slavery of the mind. We see Jesus setting his contemporaries free from the heavy chains of taboos and false traditions which the Pharisees had piled on them.

So when the first Christians broke away from the burdens of the old ceremonial laws, or when a Christian missionary in Africa or China or Greenland set men free from the darkness of pagan superstitions, or when the Protestant Reformation came, a great Declaration of Independence in the name of Christ from the traditions and superstitions which had long obscured the truth and burdened the minds even of Christians, the church is only following the example of Christ.

When we stand for a free church in a free land and a government of free men, we stand as Christians ought to stand, enemies of tyrannies in every form.

The More He BREAKS The More He MAKES

Texas motorists, Texas highways and Texas taxpayers should be protected against the ONE PER CENTERS.

ONE PER CENTERS are truck combinations weighing, loaded, 20,000 pounds or more. Only one of every 100 vehicles registered in Texas pays a license fee for 20,000 pounds or more. FEWER than three out of every 1,000 are registered for more than 40,000 pounds.*

Our highways should be SAFE for ALL the people - individuals, commercial users and the military alike.

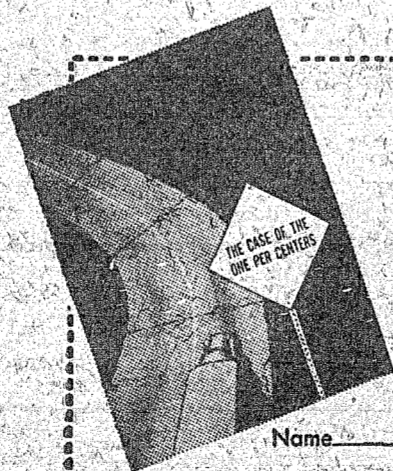

Texas highway tax dollars should be conserved and used wisely. This can be done

- (1) by limiting the weight (gross load and axle load) that may be transported legally by the ONE PER CENTERS and
- (2) by enforcing the law against those who persist in overloading.

Texas highways are paid for by and belong to ALL THE PEOPLE. Highways adequate for 99% of Texas users - individual and commercial - can be constructed and maintained for about ONE-THIRD of the cost made necessary by the weight of the ONE PER CENTERS.*

This is your problem. Send for your copy of the booklet, "THE CASE OF THE ONE PER CENTERS," which tells you, among other things, why

Blue Wins This "Hunt"

Cappy Miller's coon dogs—except for one of them, Old Blue—are about the finest hounds in the county. Blue's too friendly and easy-going to care much about hunting. He doesn't act the way we think a good dog should, so we figured he'd never amount to much. But a fellow comes around Saturday looking for a good dog to photograph for some advertising. And the dog he picks is Blue! Says Blue's happy, friendly face is just the one to attract people's attention. So Cappy gets more money for that picture than his other

dogs will ever take in hunt prizes. From where I sit, that should teach us not to look down on humans, when they act differently than we think they should. For instance, maybe you think tea goes best with food. O.K.—but don't size up wrong the man who enjoys a bottle of beer at mealtime. Like Blue, I guess we're all "different" in one way or another—but that doesn't mean we don't have our good points, too!

Deputy Grand Matron Visits Local Chapter

Mrs. Verna Lee Newman, Deputy Grand Matron of District Three, Section Five, made her official visit to the Santa Anna Chapter No. 247, when they met at their regular meeting, January 22, at 7:00 p. m.

Sister Newman was presented to the Chapter at the conclusion of the regular business meeting. The Deputy Grand Matron brought greetings and instructions from the Worthy Grand Matron, Mrs. Lucille Dufner.

A gift was presented to Mrs. Newman from the Santa Anna Chapter, by the Associate Matron, Mrs. Bernice Parmer. After the chapter was closed in regular form, refreshments were served to 30 members and 8 visitors from the Coleman Chapter.

Blue Bonnet Club Met With Mrs. Garrett

The Blue Bonnet Home Demonstration Club met January 25, in the home of Mrs. Rex Garrett with Miss Thelma Casey, president. Mrs. Garrett led the pledge and prayer. Mrs. Solan Wilson

had charge of recreation. Roll call and minutes were read by Mrs. Woodrow Wilson.

The club voted to buy Miss Garland a gift and also to make a contribution to the March of Dimes.

The program consisted of each member giving a review of the most interesting article read and there was an exchange of magazines. Mrs. Garrett gave some timely information on prevention of polio.

The next meeting, on February 3 will be in the home of Mrs. Solan Wilson. There will be a skit written and enacted by the club members.

Programs will be conducted each Sunday evening and all of the young people are urged to attend.

Rockwood W.M.S. Has Regular Meeting

Mrs. J. T. Adian was hostess to the Rockwood W.M.S. on Monday, February 5. Mrs. Ray Steward and Mrs. Adian directed the games. The apron exchange and parade furnished further entertainment.

Sandwiches, ginger bread, coffee and cocoa were served to the following: Mmes. Ora Caldwell, L. G. Tucker, Cecil Davis, Evan Wise, Lon Gray, Ray Steward, J. C. King, Lee McMillan, B. B. Bryan, Boss Estes, J. W. Wise, Matt Estes, F. E. McCreary, J. W. Box, A. L. King, Goldie Milberger, Carl Buttry, and the hostess, Mrs. Adian.

Home Demonstration Club Has Meeting

The Santa Anna Home Demonstration Club met February 2 in the home of Mrs. R. W. Douglas, with the president in the chair.

Recreation was in charge of Mrs. C. T. Conley.

Mrs. W. E. Vanderford reported that the club would have four exhibits through the year.

The club plans to have all programs and recreation through the year, and hopes to have a H. D. Agent by another year.

The club had a white elephant sale in which each one had to tell all the bad points about the article, then try to sell it. It was a lot of fun and the club raised quite a bit of cash.

On Monday they met in a special meeting and quilted the quilt to be auctioned off for the March of Dimes.

Doris Henderson Honored at Tea

Mrs. Roy West, Mrs. C. L. Carroll, Mrs. Vernon Campbell, Mrs. James Eubank, Mrs. Orval Allen, Mrs. Luther McCrary, Mrs. Edd Gilbert and Mrs. Lois Henderson were hostesses to a gift tea in the home of Mrs. Henderson Saturday afternoon, honoring Miss Doris Jane Henderson, bride elect of Charles F. Benn, of Abilene.

Receiving guests were Mrs. Henderson, the honoree, and her mother, Mrs. Bayne Henderson, and Miss Margaret Williams of Abilene. Mrs. Eubank presided at the register. The lovely bride's look, styled by Mrs. Fred Brusen-horn, was a blue satin hair covered with yellow net and with blue and yellow satin streamers, carrying out the bride's colors. An umbrella containing scrolls tied with yellow and blue ribbons with the imprint, "Charles and Doris Jane, Feb. 12, 1951" was on the register table.

Mrs. McCrary ushered the guests into the dining room, where Mrs. Campbell and Mrs. A. D. Donham, Jr., alternately served spiced tea and Mrs. West served cake. The lace covered table held the lovely center piece of yellow roses on reflector with yellow and blue candles in

the background. Other attractive floral arrangements were placed throughout the house.

Mrs. Gilbert showed the display of many lovely gifts and said the goodbyes.

MRS JIM DANIELL HAS THREE BLOOD TRANSFUSIONS

Over a period of the past two week, Mrs. Jim Daniell has received three blood transfusions, and at the present time she appears to be improving very nicely.

Mrs. Daniell wishes to express her sincere appreciation to all the good citizens of the county who so generously offered their blood for the transfusions. Words seems insufficient to express her sincere feelings.

Variety Show Monday Night Is Success

About seventy-five dollars was cleared when a nearly-packed house saw a fast moving Variety Show in the high school auditorium Monday night, sponsored by the Band Boosters Club.

A black-face sequence by Neal Oakes and Jack Shields probably drew the most applause, although Mr. R. K. Green, with his harmonica brought two encores from his enthusiastic cheering section.

Marianna Wilson of Coleman gave two tap dances and solos were rendered by Paula Holt and Sandra Shields.

Mr. and Mrs. Sam Grant and Ana gave two songs and a grade school trio, dressed in cowboy clothes, sang western songs. The Beginners Band opened the program with two creditable numbers, and the High School Orchestra, the Grade School Choral Club, and the High School Chorus also gave numbers.

A piano duet was played by Barbara House and Aulis Taylor, and a group of girls gave an amusing stunt, "Doll Dance", and a second grade group did two square dances.

High light of the program was

the expert playing by the excellent High School Band, so large that it crowds the stage, and a great credit to the school and the town.

"If Western Europe falls to the Communists, we will probably lose our atomic supremacy", General Eisenhower told Congress after his return from Europe.

The General was referring to the uranium, used in making A-Bombs, which we import from Belgium Congo. He figured the Russians will dominate Africa if western Europe is overrun.

Eisenhower urged more members of Congress to visit Europe and get a first hand picture of conditions there and how our security is involved in the future of the western democracies. He got a big hand when he said: "Those countries must do their full share in the joint effort to keep them free from Communist domination."

January 30 was a big day for Speaker Rayburn. On that day he rounded out 3,057 days as

Speaker of the House or Representatives—exceeding by one day the record previously held by the famous Henry Clay of Kentucky.

In House speeches eulogizing Rayburn, many of the Old-Timers recalled the time when John Garner was Speaker. They all praised Garner as one of the most colorful and able who tended the gavel.

President Truman, in praising Rayburn at a Texas dinner given by the Speaker the evening of the 30th, recall his early political career in Missouri. He had served as County Judge and took a hand in carving out a new Congressional district so he could get elected to Congress.

"But after doing all that", said the President, "something happened that changed my plans and now look at what happened to me!"

At the Rayburn party, composed of about 60 guests, were also Vice-President Barkley, Chief Justice Vinson, Justice Tom Clark, and the entire Texas delegation except Bob Poage who was on official business in Mexico City.

Earlier in the day President Truman presented Rayburn a gavel carved from White House scrap collected from the renovation now going on. The ceremony was at the White House, attended by the Texas delegation and a few others.

But Henry Clay had one distinction never equalled and probably never will be duplicated.

He was elected Speaker the first day he entered Congress! Now seniority is an important—and sometimes a controlling-factor in choosing speakers.

Research Need Inspires MOD

AUSTIN — The 1951 March of Dimes ends in most Texas areas this week on a note of gratitude for Texas support and on expressed hope to conquer polio.

And as thousands of MOD workers pressed on to collect the last dimes and dollars, the Texas Polio Planning Committee began a survey of personnel and equipment to prepare for any recurrence of the recent record incidence.

Some communities, by permission of Ed. S. Stewart of Abilene, Texas MOD chairman, continued beyond the January 31 deadline to capitalize on late response to appeals for money for polio patient care and research.

Governor Allan Shivers' "Fight Polio Committee," headed by Lamar Fleming, Jr., of Houston, made its concluding appeal by citing that the speed of finding a polio cure will depend on public support of research.

The survey ordered by the Texas Polio Planning Committee will include nurses, physical therapists, medical social service workers and brace-makers.

Urgency of the advance preparations for any 1951 polio outbreak was emphasized by a statement that, while Texas will need 50,000 new graduate nurses this year, only 25,000 will be available.

A National Foundation for Infantile Paralysis spokesman has told state authorities that Texas "may expect another heavy polio year in 1951." He is W. T. Kingsbury of New York City, Regional NFIP Director.

Kingsbury cautioned that the state, through its NFIP Chapters, must be prepared with adequate medical personnel and must emphasize training of volunteers for home care so that convalescing polio patients may leave the crowded hospitals to make room for the new ones.

Chairman Stewart said the hopes to reach the state's \$2,500,000 MOD goal depends on the closing campaign results and on the alertness of Texans to send in their dimes and dollars even after the March of Dimes ends.

Dr. Geo. M. Cox Gives Advice On Rheumatic Fever

AUSTIN — Rheumatic fever is serious because it may affect the heart, said Dr. Geo. W. Cox, State Health Officer. Age is important. Rheumatic fever usually begins in childhood at about age 5 or 6, although adults may have it. There is a susceptibility to the disease which causes rheumatic fever to be more common in some families than others. The other factors which may favor its onset, combined with an individual susceptibility, are frequent chilling, damp, or overcrowded living quarters, and a poor diet.

It is also known that one attack of rheumatic fever does not child from future attacks as, for example, one attack of measles does. On the contrary, rheumatic fever tends to recur. Repeated attacks are more likely to damage the heart. It is not communicable as chickenpox and measles are, and there is no danger of catching it by being with a child who has it.

The physician is the only one whose judgment can be relied upon in this matter, and his directions should be followed exactly, no matter how well the parent feels or how slight the attack.

Good nursing is important for rheumatic fever patients. In communities which have visiting nurse service, a visiting nurse can give help of great value to the patient and to the doctor.

The child who had rheumatic fever, with some degree of heart damage, should not be coddled but should be led to enjoy his home and school life, just as other boys and girls do. While it is important to provide the child with healthful surroundings and to encourage him in healthful living habits, harm can be done by overemphasizing the physical handicap.

If serious heart damage exists, and his activity is limited, he must be rigidly restricted within these limits. But even children whose activities must be rigidly restricted because of a severely damaged heart can have a wholesome interest in life and enjoy many of the pleasures of their more active associates by the intelligent planning of understanding parents, teachers, and physicians. However, rheumatic children do need special help in choosing a life-work which will give them the best chance of avoiding recurrences of acute infection.

NEW FORT WORTH CROSSING

The sweeping beauty of modern highway bridge design is sharply reflected in this crossing over the Trinity River in the western leg of Fort Worth's east-west expressway. Structural steel for this structure and for four other overpasses in the four-mile unit was supplied by U. S. Steel's American Bridge Company. The new four-mile unit superhighway branches from Camp Bowie Boulevard in the western outskirts of the city and takes a direct route to the fringe of the downtown business section. It is complete except for paving which is scheduled to be finished by early fall. An unusual feature of the project is the participation of four large construction firms jointly in the work done to date—Austin Bridge Company, Austin Road Company, Mackham & Brown—Kearney Crane & Company, and F. M. Reeves & Sons. The Reeves company constructed the five steel overpasses. Completion of the east-west unit, along with an extension now in progress on the south leg of the north-south expressway, will give Fort Worth 7.4 miles of superthoroughfares before the end of the year.

play, people with rheumatic heart disease, even many with severely damaged hearts, can live reasonably active and useful lives.

LEGAL NOTICES

Notice of Election

THE STATE OF TEXAS)
 COUNTY OF COLEMAN)
 Whereas, on the 6th day of January, the qualified electors of the City of Santa Anna, Texas, did, in an election held for that purpose, vote that the city government of the City of Santa Anna, Texas should henceforth be the Aldermanic form of government, and

Whereas, by virtue of such change in city government, there now exists a vacancy in the office provided for four aldermen, which vacancy is required by law to be filled by special election called for such purpose.

Now, therefore, I, F. Z. Payne, Mayor of the City of Santa Anna, Texas, by authority vested in me and pursuant to the laws of the State of Texas, and the Ordinances of the City of Santa Anna, Texas, DO HEREBY ORDER AND DIRECT that a special election be held to enable the qualified voters of the City of Santa Anna, Texas, to elect four aldermen at large from the qualified residents of said city.

Polls shall be opened for such election in the Fire Station portion of the City Hall at 7:00 a. m. on the 16th day of February, 1951, and shall close at 7:00 p. m. on the same day; and Le Roy V. Stockard shall be presiding judge, W. B. Sparkman shall be judge of election, and Mrs. Hardy Blue and M. W. Curry shall be clerks. In event of inability of any of the foregoing to serve in such capacity, the presiding judge or the judge shall, and they are hereby authorized to appoint any qualified person to fill such vacancy.

No person shall vote at such election unless he is a duly qualified voter under the Constitution and the laws of the State of Texas. All votes of such election shall be by ballot, and the voters shall signify their choice in the customary manner.

On or before the tenth day after such election, the persons holding such election shall make due returns of all votes cast. Upon approval of the returns of said election, candidates elected by virtue of votes cast shall take the required oath and take office immediately.

Public notice of this order shall be given by publication in the Santa Anna News and by posting a copy hereof in the City Hall.

Witness the hand of the Mayor of the City of Santa Anna, Texas, this 6th day of February, A. D. 1951.

Local Methodist Church News

All services the first Sunday were well attended. Messesges were in keeping with Commitment Day, which is appropriately observed each year throughout Methodism. Many who had not done so in previous years, signed the pledge, others were glad to sign again as further evidence of their determination to live lives of total abstinence from alcoholic beverages.

As their special feature at the evening hour, the Intermediates gave an effective interpretation of a beautiful hymn of consecration. Following each stanza one of the group lighted a different colored candle symbolizing a gift of God. The District Superintendent, Rev. H. B. Loyd of Brownwood, preached on the theme of the day.

Our W.S.C.S. is continuing the current study, "A Christian's Vacation," much to the uplift of each one attending. The sessions are held on Tuesday mornings at 9:45 unless otherwise announced.

As has been planned for some time the World Day of Prayer program is being held at our church Friday afternoon at 2 o'clock. The service is planned and participated in by cooperating Christian women throughout the world. Men are always invited, but because of their work are not privileged to attend often. Surely as never before, we are called to earnest prayer. Even though some may not be able to attend, won't you be prayerful at that time?

Next week is the date set for our Visitation Evangelism. Rev. C. C. Sessions is to assist the pastor and laymen each evening following the meal and a period of instruction at the church.

All are looking forward to a special choir Sunday evening, the singers to be our Beginners and Primaries, who are sponsoring the attendance. We like for our very youngest children to feel that they are a part of the church. Your interest and concern, will help them to have such a feeling. All are cordially invited.

Former Citizen Buried Here Last Week

Funeral services for C.E. Rountree, 50, native of Parker County and resident of Abilene since 1925 were held at 11 a. m. Wednesday in the Elliot's Chapel of Memories in Abilene. Following the funeral rites at Abilene, Mr. Rountree's body was brought to Santa Anna where graveside services were held at 2:00 p. m. Burial was in the family plot in the local cemetery.

Mr. Rountree died at 6 a. m. Tuesday of last week in a Abilene hospital after suffering a cerebral hemorrhage.

He was born September 10, 1899, at Poolville, in Parker Co. The family moved to Santa Anna, and thence to Abilene in 1925. Since 1937 Mr. Rountree had been associated with his father in the operation of the Rountree Exchange Furniture Co., He had been active in the operation of the concern until about 4 p. m. Monday, when he became gravely ill. He was taken to his fathers home and an hour later was admitted to the hospital.

Survivors include his father, R. T. Rountree, with whom he made his home, of Abilene; a sister, Mrs. J. B. Chaney of Abilene and a brother, L. K. Rountree of Dallas.

It's In The Living

By Roy A. Roberts
President, The Kansas City Star
 It takes a big volume of living and just a small pamphlet of words to make brotherhood a reality in these United States or anywhere else.

"Though I speak with the tongues of men and of angels, and have not charity, I am become as sounding brass or a tinkling cymbal."

The word "charity" means

"love". It means observance of the Golden Rule; it means the same regard for the rights of the other fellow that you expect for your own; it means respect for the individual, for his dignity, feelings and convictions, whatever his race, color or creed.

The real test of brotherhood for any person is in the simple question, How am I living it? What, if anything, does it mean in my daily business and contacts with others? Is it merely a fine sounding word or a way of life?

This country has the climate that is and should be highly favorable to the growth of genuine brotherhood. It is in fact the American way of life. The principle of tolerance and individual rights is bound up in American democracy. It became the impetus of the earliest migrations across the Atlantic. It entered the Mayflower Compact, the Virginia Bill of Rights, the Federal Constitution and was stated or implied in every document that

had to do with the founding and the development of this republic.

In the face of such a grand tradition, prejudice, hatred and intolerance are completely alien to the real American character. They have cropped out at numerous times and doubtless will be appearing hereafter. But they are a minority sentiment, a grating discordant note in the prevailing harmony of the American theme.

Nowhere else in the world should it be easier to live brotherhood than in the nation that is founded on the essence of it. At times the work of it has been slow, but at no time has the power of it ever been lost. At an hour in the world's history when freedom and democracy are challenged by the denial and the slavery of totalitarianism it behooves every American to stand up and be counted in the living of the brotherhood that he preaches.
