"He Profits Most Who Serves Best"

VOLUME LXVII

SANTA ANNA, COLEMAN COUNTY, TEXAS, FRIDAY, SEPTEMBER 19, 1952

NUMBER 28

Ten Practices Set Up By P.M.A. County Committee

The following Practices for Coleman County for the 1953 program were selected in a recent meeting of the Community Committee and Mobilization Committee.

- Practice No.
1. Construction of Terraces to control flow of water on sloping land.
 2. Construction of Diversion or Spreader Terraces to control excess water.
 4. Subsoiling to permit better penetration of water.
 24. Constructing earthen dams or reservoirs for collecting and storing live stock water, including enlargement of inadequate structures.
 27. Application of Potash and phosphate.
 31. Establishing a satisfactory cover of winter legumes seeded in the fall of 1953.
 35. Control of destructive plants on noncrop pasture and range land.
 36. Chemical control of Mesquite.
 38. Control of oak.
 45. Establishing or improving permanent pastures by seeding adapted pasture grasses, pasture legumes, or mixtures of grass and legumes.
- Each producer in the county will be contacted at a later date by your community committee man to help select your most needed practice for 1953. So it's very important to study and have in mind the practices you would like to make a request for. If you are a tenant on a place it would be well to contact the owner in selecting your practices.

Bill Pritchard is now at home with his family, having come in Saturday from Gregory, where he has been employed at a gin several months. He is now employed at the Coop Gin.

Lions Den

A good attendance was present at the regular meeting of the Lions Club this week. Lion O. L. Cheaney had a former Lion, Quentin Burgett, as his guest. Burgett is on his way to Korea and is visiting here and at Coleman for a few days. The program was in charge of Lions Clinton Lowe and Ted McCaughan and as their speaker, Dr. Charles M. Henner, gave a talk on personal hygiene.

A committee composed of Lions Ford Barnes, Harry Wigger and Jack Payne, were appointed by the president to study the possibilities of the Lions carrying on the Scouting program in Santa Anna.

Lion R. K. Green announced Tuesday, October 21 has been set as the night for the Lions Club Negro Minstrel.

Lions Cullen Perry and A. D. Pettit were appointed to have the program for next week.

David Pinkerton Makes Plowboy Squad At Tarleton College

Stephenville — David Pinkerton of Santa Anna has made the 1952 Tarleton State College Plowboy squad.

The 17-year-old Santa Anna boy is enrolled in the academy division of the college. He plays guard on the team, and his 195 pounds is expected to help make Tarleton's line one of the heaviest in the Pioneer Conference.

The Plowboys are now working out daily as they prepare for their season opener, September 20 with Cisco at Tarleton.

Mr. and Mrs. C. L. Eeds left Monday morning and went to Breckenridge, where they got Mr. and Mrs. J. U. Gibbs and went to Childress to visit the ladies' sister, Mrs. Ben S. Purcell. They drove into Oklahoma and saw some fine crops.

Mrs. May Lee Wilson Buried Here Tuesday

Graveside services were held in the Santa Anna Cemetery at 3:30 p. m. Tuesday, for Mrs. May Wilson. She had died early Monday morning, September 15, in Dallas, where she had lived for many years. She had been in failing health for several months and very ill recently.

Services were held Tuesday morning at 10 o'clock at the Sunset Church of Christ in Dallas of which she was a faithful member. Rev. Homer P. Reeves officiated.

Reared in Santa Anna, Mrs. Wilson was well and favorably known here.

She spent six weeks of the summer here, in the home of her brother-in-law and sister, Dr. and Mrs. L. O. Garrett.

She was born November 7, 1878, being 73 years, 10 months, and 8 days old at time of death. Two sons, J. D. Wilson of Austin and Taylor Wilson of Dallas survive her, also several grandchildren.

Besides Mrs. Garrett, Mrs. Wilson is also survived by another sister, Mrs. Claudia Williams of Visalia, California, and a brother, M. W. Taylor of Dallas.

On Monday of last week, when Pfc. and Mrs. Jackie Watkins, after visiting with her parents, Mr. and Mrs. Seybold Rowe, left for Corpus Christi, his grandmother, Mrs. J. E. Watkins went with them. They visited with Mrs. Hester Watkins and Mr. and Mrs. M. E. Howard and Freddie Kay. Mrs. Watkins returned home Friday, Jackie, after going to a training camp in New Jersey, will be sent overseas.

Patricia Davis visited over the week end with friends in Abilene, where until recently, she was a student.

Misses Ruby and Elsie Lee Harper were in Dallas Tuesday, buying merchandise for their place of business.

Local Hospital To Start Blood Bank In 2 Weeks

Salvation Army Drive Gets Underway Wed.

The local Salvation Army drive got underway at a morning coffee in the Service Cafe, with the Chairman, Miss Ruby Harper, being in charge. The goal has been set at \$300 for this year for Santa Anna and territory.

Workers immediately began making their rounds and the drive is expected to be completed this week.

Workers are: Mrs. Bernice Collins, Mrs. Roy West, Mrs. A. D. Donham, Jr., Mrs. Ed Jones, Mrs. Virgil Pridg, Mrs. Norval Wylie, Mrs. E. D. Shields, Mrs. Milton House, Mrs. H. L. Markland, Mrs. Sloan Wells, Mrs. Rex Golston, Mrs. D. R. Hill, Mrs. Lela Hays, Jim Harris, Jim Daniels, Mrs. Jodie Matthews, Mrs. John Gregg, Mrs. Lois Henderson, Mrs. Charlotte Hogue.

For Rockwood: Mrs. Jack Bostick, Lon Gray and Mrs. Sadie Richardson.

Mrs. Lonnie Bledsoe, formerly of the Shield community, but now living in the Mt. View community in Brown County, was here Tuesday with her little grandson, Johnnie Haynes and her granddaughter, Mrs. Earl Clark of Brownwood. They were attending to business and shopping.

Mrs. J. M. McClellan and Frances were in Dallas Saturday to make arrangements for Frances to enroll at Parkland Hospital as a student preparing to be an X-Ray technician.

Dr. Charles M. Henner, owner and operator of the Santa Anna Hospital, stated this week that he plans to start a blood bank for the hospital in the near future. He said he would like to type 500 persons between now and the first of the year for the purpose of getting the blood bank underway.

Dr. Henner said, "It is very essential to modern medicine to have a stock of fresh blood on hand at all times. Blood is the essence of life and when it is needed, it is needed right then and to have to wait even a few hours may be fatal to the patient. In modern medicine, especially in major surgery from one to two pints of fresh blood should be readily available for every patient."

The doctor went on to explain that in days gone by, it took from two weeks to months for patients to heal from major surgery. In modern times patients are able to get up the next day and usually in a very few days they are ready to leave the hospitals. Administration of fresh blood immediately following the operation is the key to this modern method. He said for a county as large as Coleman County not to have a blood bank, and at the same time practice modern medicine, "was unthinkable".

Actually there are eight types of blood. There are four types: AB, A, B and O and each has a RH factor of plus or minus, making the eight types. Included in

the blood bank at all times should be at least two pints of each type. Dr. Henner said he would require from 15 to 25 pints of blood to be on hand at all times. Fresh blood will keep for 28 days and after that time it must be discarded. Blood plasma will last indefinitely and is made from blood, but it is not as effective as fresh blood.

The hospital will pay blood donors \$15.00 per pint for blood. A donor must be a person in good health and must have never suffered any infections, such as malaria, venereal disease, jaundice, etc. The donor at the time of giving blood must not have a cold, be tired or in a run down condition. A donor can give a pint of blood every three months without it being a detriment to his health. Dr. Henner said that in 6 hours the blood stream would absorb enough water to compensate for the blood loss and in three months a normal, healthy body would manufacture enough blood to replace the loss. However, a person who has undergone surgery would not manufacture blood at this rate until the wound was healed.

In approximately two weeks time the hospital will be ready to type blood. The doctor said he would charge three dollars for typing blood and then he would keep an up-to-date list of persons who wanted to donate blood at \$15.00 per pint. He would, as blood was needed, contact persons of the type blood needed and have them to come in to give the blood. He does not intend to wait until an emergency arises to call for blood donors, but will have the blood on hand when the emergency arises.

Typing blood is a benefit to every person, regardless of whether a person ever intends to give blood, he should know his type of blood and the RH factor of his type. The three dollar charge for this service is the actual cost determined to cover expenses of typing the blood. Dr. Henner said he plans to sell the blood to patients for \$30.00 a pint and that is what is considered the actual cost of handling the blood. Special equipment must be purchased to handle the blood and containers for the blood are useable only one time. The expense of operating a blood bank is considerable and the price to patients will just cover the cost.

Boy Scout Fall Round-Up To Be In September

As a part of the National program "Forward on Liberty's Team" of the Boy Scouts of America, the 2000 Cubs, Scouts and Explorers in the Chisholm Trail Council will launch their Fall Round-Up this month.

One of the highlights of the Fall Round-Up this year is the nationwide "Get out the Vote Campaign". All boys in Scouting will take an active part. District Committees are now being organized to see that every home will have a reminder hung on their door knob the day before election. Window cards for all business houses will also be put out during October.

Each unit during the fall months will hold an open house for all parents and new boys who wish to become Cubs, Scouts or Explorers.

Each Cub Pack, Scout Troop and Explorer Post that qualifies for four out of the five Round-Up requirements will be awarded a Council Ribbon.

- These requirements are:
1. 75% of unit membership advance one rank during 1952.
 2. Hold an open house with 1953 program presented, attended by minimum of 50% of parents.
 3. 15% increase in membership by December 31st.
 4. Unit leaders with basic training.
 5. Have minimum attendance of 85% at all meetings during October, November and December.

To each Cub, Scout or Explorer who recruits a new boy will receive a beautiful Red Liberty Bell neckerchief slide. By also subscribing to the Scout magazine, Boy's Life, he may also earn a gold Liberty Bell neckerchief slide.

Nib Shaw, Council President, anticipates a large group of new boys entering Scouting this fall and has urged each District to complete their Round-Up plans to take care of all the new boys.

Mr. and Mrs. W. P. Aldridge and Van visited Sunday in Lawn where they formerly lived.

Social Security Representative In Coleman Tuesday

Mr. Ralph T. Fisher, Manager of the Abilene office of the Social Security Administration, will be in Coleman at the Department of Public Welfare at 1:00 p. m. on Tuesday, September 23. Persons wishing help in connection with retirement claims or death claims under the Social Security Act are invited to call at that time.

Persons in this area receiving old-age and survivors insurance payments are due for a raise when September checks are received about October 5, according to Ralph T. Fisher, manager of the Abilene social security office.

Fisher stated that the increase will average about \$6.00 with some people getting more and others less. In some family groups, the increase will be only to the retired worker. He stressed the fact that there is no form to complete, nothing to sign, and that there is no need to get in touch with the social security office to receive the raise. It is automatic and is based on the present payment.

Future social security claimants will also get the advantage of the change in the law. Provision has been made for them to have the higher payment rate from the time they start receiving their first checks.

Mountaineers Lose Opening Game; Ready For Brownwood Thursday

The Santa Anna Mountaineers lost their opening game to the Junction Eagles Friday night by a 19-12 score. The Eagles took possession of the ball after a fumble on an attempted punt and scored on their first play to take an early lead and held it all through the game. The play, good for 28 yards was a pass from Stanley Brite to W. A. Wilson. Brite converted. In the second period Bennett Ragsdale pushed over from the 3-yard line for Junction's second score after a drive of 45 yards. Try for extra point failed and the half-time score was 19-0 for Junction.

The Mountaineers kicked to Junction to start the third period and four plays later took the ball over on downs. Charles Scarborough rushed the ball over from the 4-yard line after a drive of 44 yards. In the same period the Mountaineers had a 22-yard scamper by Melvin Pollock called back after a foul and lost their second TD. Midway in the last period Bill Bivins scored for Junction after a Santa Anna fumble. He scored from the 3-yard line, after a drive from the 29-yard line. The most sensational play of the evening came when Scarborough raced 70 yards for the Mountaineers final TD.

Fumbles and inexperience, or apparently being a little scared during the first half, gave Junction the edge. First downs were 9 for Junction and 5 for Santa Anna.

The Mountaineers came to life at the start of the third period and outplayed the Eagles for the remainder of the game. This was the first game for both teams and as usual, a lot of mistakes were made. The Mountaineers missed getting to work-out on Wednesday and Thursday

afternoons and they did very little on Tuesday, because of the rains, and this naturally hurt them. Both teams were penalized numerous times for being off-side and the Mountaineers received two penalties for back-field in motion.

Statistics show Santa Anna gained 149 yards rushing and lost 25 yards; Junction gained 183 yards and lost 14; Santa Anna attempted 6 passes, completed 2 for 45 yards; Junction attempted 4 and completed one for 28 yards; Santa Anna punted 3 times for 76 yards; Junction punted 3 times for 41 yards; Santa Anna received 3 penalties for 15 yards and Junction received 8 for 40 yards; Santa Anna lost the ball 2 times on fumbles and Junction none.

BROWNWOOD GAME
All the Mountaineers except one are in good condition and ready for the game Thursday night with the Brownwood Lions "B" team. Boyd French got hurt in the Junction game and will not be ready to go this week.

The Mountaineers made up lost work-out Tuesday night and all looked in fine shape and in good spirits. A number of changes will be listed in the line-up when the game starts. Royce McIver has been changed from the end position to tackle and Bill Jack Harris to the end position; Dean Bass has been moved back into a tackle slot and Billy McClellan is back in the line-up at quarter; Jimmy Robinett has been showing a lot of fight the past week and will start at right half position.

On the defense, Jimmy Region will be in as line-backer or end; Charles McClellan will be at right half; Leonard Johnson at right tackle and James Hoyt at left tackle.
Coach Behrens is still going to

do a little more experimenting in this game and possibly in the game next week with Early. By the time the conference season starts he should have all the boys placed and ready to begin a season that will put the boys close to the top when the season is over.

This will be the first game for the Brownwood boys. Very little is known about them. Apparently they will be somewhat lighter than the Mountaineers, but the game should be a good one.

This will be Santa Anna's first home game and a large crowd of fans are expected out to cheer the boys on.

DISTRICTS BRIEFS
Bangs, Cross Plains, Dublin and Wylie all won over their opponents over the week end and Santa Anna, DeLeon and Eastland lost their games.

Bangs overpowered the Richmond Springs eleven by making three scores on the ground with Johnnie Pearce making two and James Segrest making one. The final score was Bangs 18, Richmond Springs 6.

Cross Plains won over Goldthwaite 13-6 after recovering a blocked punt in the final minutes of the game. Their first score came in the second period and Goldthwaite tied it up in the third period, 6-6.

Dublin took the Class-AA Hamilton team 15-6. Dublin scored first in the first period on a yard plunge after a 34-yard drive. Hamilton scored on a 84-yard pass in the second period and in the fourth period Dublin gained two points on a safety when a Hamilton player was downed behind his goal line. In the fading minutes of the game Dublin went through center for their final tally.

Wylie took to the airwaves to defeat their second opponent of

the year, Aspermont, by a 25-13 count. L. O. Bailey took the opening kick-off for Wylie and raced 90 yards for the first tally. Their second score came in the second period on a 2-yard line plunge. Aspermont scored in the 3rd and 4th periods. Bailey to Canton and Clark passes accounted for most of the Wylie yardage and two more TDs. In the last period.

DeLeon went to the onslaught of Comanche to the tune of 34-7, with Comanche scoring 4 TDs in the first period and 1 in the second period. DeLeon's only counter came on the third period when Herman Johnson scored from the 8-yard line. The try for extra point was good.

Cisco scored in every quarter to trounce the Eastland eleven 26-6. Three of the TDs were made on the ground and one was a recovered fumble in the end zone. Eastland's only counter came midway in the fourth period when Jamie Jessup went over from the 6-yard line.

Games in the district this week end will see Brownwood "B" in Santa Anna on Thursday night. All other games are on Friday night as follows: Melvin at Bangs; Cross Plains at Baird; Goldthwaite at Dublin; Eastland at Coleman; Early at Rising Star; and Wylie at Clyde.

Rising Star is the only team in the district that has not played at least one game to date.

Team	W	L	T	Pct.	Pts	Opp
Wylie	2	0	0	1000	64	31
Bangs	1	0	0	1000	18	6
Dublin	1	0	0	1000	15	6
Cross Plains	1	0	0	1000	13	6
DeLeon	1	1	0	500	34	34
Santa Anna	0	1	0	000	12	19
Eastland	0	1	0	000	6	27
Rising Star	0	0	0	000	0	0

Trickham News

By Mrs. Buck Mitchell

Hugh Newsom, the Baptist

pastor will preach here this Sunday, September 21st. We regret to say Rev. Newsom has resigned as pastor here on account of the distance. He will preach his farewell sermon here this

next Sunday. Mrs. McClathrey of Coleman will be the speaker when the Trickham Home Demonstration Club meets this next Wednesday, September 24 at the school building.

This community received real good rains last week, something between four and five inches.

Mr. Bill Ranne and son, Dean, of Kerrville spent the past Saturday night with Frank Wells.

Mr. and Mrs. Lewis Burney, Mrs. Wiley McClathrey, Mrs. Will Haynes, Mrs. Albert Dean and Miss Ruth were brief visitors with Mrs. Kingston Sunday afternoon. Mrs. Dean reports her father, Mr. Kit Casey, who had a paralytic stroke some time back is much better, but still not able to walk.

Mr. and Mrs. Leroy Vaughn and daughter of San Antonio spent the week end here with his grandmother, Mrs. Lee Vaughn and other relatives.

Mr. and Mrs. Harlie Stearns and children have moved to Ft. Worth where he has employment.

Mr. and Mrs. Walter Stacy of Midland drove in home for the week end, but returned to Midland where he is employed.

Visitors with Mr. and Mrs. W. K. Bradley and children over the week end were: Mr. and Mrs. Elvis Head and girls of San Angelo and Mrs. Sam Miller.

Mr. and Mrs. G. K. Stearns and Sherman and Mrs. Kingston visited Mr. and Mrs. Silas Wagner and family of Brownwood Sunday afternoon.

Mr. and Mrs. Linton Oakes and family, Mr. and Mrs. Virgil Lancaster, all of Santa Anna and Mrs. Lois Haynes Wallace of Abilene, attended church here Sunday.

Mr. and Mrs. Harry Wilson attended church in Bangs last Sunday.

Mr. and Mrs. Oscar Boenicke visited Mr. and Mrs. Carl Harris of the Mt. View community last Thursday.

Mr. and Mrs. Grady Banister were happy to have his mother, Mrs. John Banister of Santa

Mr. and Mrs. Clay Henderson and children visited in Abilene with relatives last week end.

Anna spend Sunday with them. Also they had as their guests for supper Monday night, Mr. and Mrs. Oscar Boenicke.

Visitors with John and Lou Featherston last Friday night were: Mr. and Mrs. H. B. James and Wanda, Mr. and Mrs. Oscar Boenicke, Mr. and Mrs. Sam Craig and Mr. and Mrs. Buck Mitchell and Betty.

George Bivins of Iraan visited one night last week with his brother, Paul Bivins and wife.

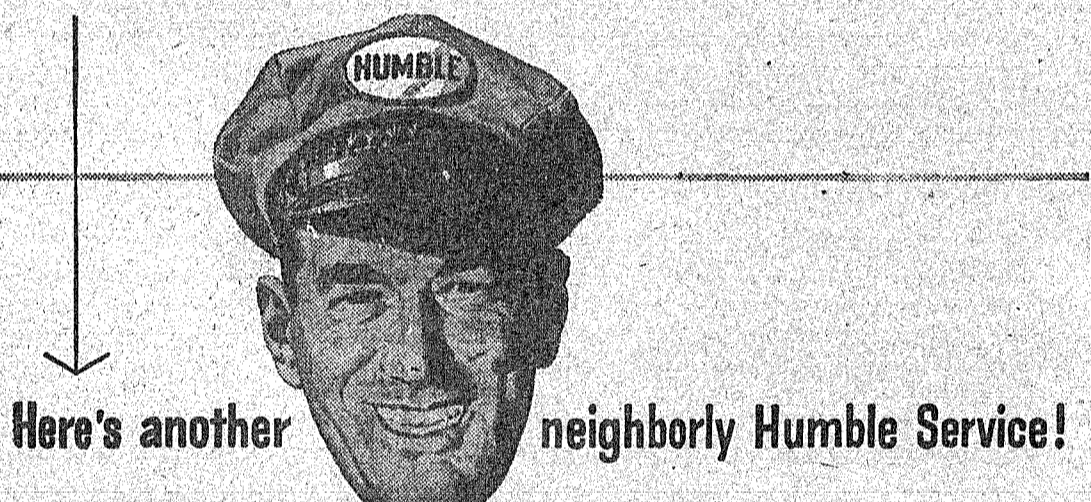

Mrs. J. M. Weathers, her son, J. D. and wife, and her grandson, Bobby Wayne of San Angelo returned early last week from Cisco, where they had visited with her son, Clyde Weathers and family. Their son, Vandell, had just come in from Big Lakes, Illinois, where he has been stationed with the Navy. Mrs. Weathers went on with Bobby to San Angelo and visited several days.

GO TO CHURCH SUNDAY

FREE EXHIBITS AT STATE FAIR

Major free exhibits just announced for the 1952 State Fair of Texas, Oct. 4 thru 19, will reflect what's new in science, industry, transportation and farming.

An all-new Science-Engineering Show will include a WFAA-TV Television studio in full operation, a one-man helicopter, an animated atomic engine model, a telescopic display by the Texas Astronomical Society, Defense Dept. exhibits and displays by the University of Texas and Texas A & M.

The 36th annual Southwestern Automotive Exposition, largest auto show in the South, will cover more than two acres. It will include \$1,500,000 worth of new cars - every domestic make and several foreign cars. At least two experimental, futuristic "dream cars" will be shown. Individual exhibits will feature style shows with pretty girls in intricate cutaway mock-ups of the mechanical "innards" of engines and chassis construction and other unusual exhibits.

In a tent adjacent to the Automobile Building, more than 50 antique automobiles will be exhibited. The oldest will be an 1897 Stanley Steamer and others have such nostalgic names as the Mason, the Marathon and the Maxwell. All are in perfect running condition.

The new Electric Building will house the most comprehensive display of modern household electrical equipment ever seen in one place before in the Southwest.

In addition, the amazing "House of Magic," a stage show proving that scientific fact can be stranger than fiction, will be presented free several times daily.

In the General Exhibits Building, the telephone company will demonstrate operator toll dialing, with a free long distance call at intervals. There'll be a miniature microwave relay television hookup that shows how television crosses the country. A unique gadget will be the electronic "brain" guaranteed to beat any human opponent at the game of "tic-tac-toe."

Fourteen farm implement exhibits will cover 100,000 square feet of outdoor exhibit space, with free entertainment a feature at many displays. Other free exhibits are included in the Natural Gas Bldg, the Women's Bldg., Aquarium, three museums, the Hall of State and Agriculture Bldg.

Last Social Security Payments Made Under Old Rate

Social Security checks mailed September 3 to some 5000 people in the 16 county area served by the Abilene office were the last under the old rates of payment according to Ralph T. Fisher, manager of the Abilene social security office. Payments due to the same people early in October will amount to about \$160,000.00; this is an increase of about \$20,000.00.

As a result of changes made in the social security law in July, nearly everyone receiving old-age and survivors insurance benefits will get higher payments. Most retired workers will receive increases ranging from \$5 to \$8.60 although a few will get smaller increases. Increases for dependents and survivors will be less than those for retired workers. In most cases, these increases will be between \$2 and \$5.

"For example," Fisher says, "a retired insured worker whose August payment mailed this week is \$40, based on earnings received since 1936, will get a September payment of \$45; a worker who got \$68.50 in the current check will get \$77.10 the first week in October. If the payment is based upon earnings after 1950 only, the \$40 amount will be raised to \$45, and the \$68.50 amount will be raised to \$73.50."

It will not be necessary for persons now getting old-age and survivors insurance payments to call or come to the social security office to get the increases. The checks they will receive early in October will automatically carry the increased amounts.

Mr. and Mrs. Walter Holt, after a few months residence in Austin, have returned to their home here. Their daughter, Mrs. Billy Joe Robinett, has heard from her husband, that he is now stationed at Ft. Leonard Wood, Mo. He was recently inducted into the Army at Abilene and later sent to Ft. Sill, Oklahoma.

Mr. and Mrs. Bailey Burke and son, Roger, of Roswell, New Mexico, visited Saturday with her aunt, Mrs. J. R. Gipson.

Mrs. W. L. Payne has received a letter from her daughter, Mrs. B. R. Woodard, that she and her son, Bobby Ray, had landed on Okinawa. They were 13 days on the water. Sgt. Woodard was at the base to meet them. She says they have a nice 5 room furnished house, and a banana tree growing in the yard.

The Methodist Church has been undergoing improvements and renovations for several weeks. The sanctuary and most of the Sunday School rooms have been redecorated. Other improvements to be made include refinishing of floors, adding runners and installing memorial windows.

Mr. and Mrs. T. J. McCaughan took their daughter, Margaret, to San Antonio, Sunday to enroll again, as a student at Trinity University. The parents remained for a few days of visiting and sightseeing.

33 1/2 and 40% off on all wallpaper patterns in stock. Burton-Lingo Co.

Mr. and Mrs. W. R. Mulroy had all their family with them for Sunday dinner when the 4th wedding anniversary of Mr. and Mrs. Bill Mulroy was observed. Those present were: Mr. and Mrs. Bill Mulroy and Richie of Waco, and Mr. and Mrs. Wayne Horton of San Saba.

Mr. and Mrs. Homer Goodgion left here at noon Saturday and went to Mineola where they spent the night with their son, Hayden and family. He is Supt. of Schools there. On Sunday they visited in Dallas with their daughter, Mrs. W. M. Shaw and family.

High heels were originated by Louis XIV, who wore them because he was so short.

First attempt by Americans to find the North Pole was made in 1753 from Philadelphia.

Mrs. M. A. Pritchard has gone to Burk Burnett to make her home with her daughter, Lt. Rhoda E. Pritchard, who is stationed at Sheppard Field.

Mrs. Lorn De Rusha, who has been on the sick list lately, and undergoing medical treatments, is reported to be improving at her home.

Santa Anna P-T. A. Has First Meeting

The Santa Anna P. T. A. had its first meeting of the school year, on Tuesday afternoon, September 9th.

Our fine rain began to fall just before the time for meeting, still there was a good attendance.

Mrs. Paul Pembroke, who had been elected president for another year, having resigned, Mrs. Norval Wylie, who had been elected vice-president, was made president in her stead.

Mr. Green was the chief speaker and gave words of encouragement to the organization in the work it plans to do. Several new members were secured. Miss Odom's fifth grade pupils won the attendance award. After adjournment, a social period was

held, when punch was served. This afforded a chance to get acquainted with the new teachers, also the new school patrons.

A meeting is being held this week, concerning future work, at which time plans for the October meeting will be made, of which you will know more later.

Self Culture Club Opens New Year With Coffee Friday

The Self Culture Club had the first meeting of the club year last Friday at 9:00 a. m. in the form of a coffee. Mrs. R. C. Gay was hostess and because of the mud, the meeting was held in the City Library, instead of her home as planned.

The table was laid with a festive cloth and was centered

with an arrangement of bachelor buttons in a brass container. Petunias furnished other decorations. The hostess's sister, Mrs. Kittie Walker, assisted in serving. Mrs. Gay, the president, was in the chair. Some interesting responses to roll call were made.

The president announced the various committee chairmen. Mrs. Joe Mathews topic on the program was "Recent Trends in the Theatre," and Mrs. Hardy Blue told of "Historical Novels of Today." Both were expertly done.

Mrs. C. D. Bruce, district chairman of Americanism, spoke briefly on that subject.

Miss Alta Lovelady was voted to membership in the club.

The next meeting will be September 28th, with Mrs. Hardy Blue. Three visitors, Mrs. J. R. Gipson, Mrs. Tom Kingsbery and Mrs. Thomas Wristen were present, and the following members, in addition to those previously mentioned: Mrs. Norval Wylie, Mrs. Preston Bailey, Mrs. C. L. Eeds, Mrs. A. L. Oder, Mrs. Nona Woodruff, Mrs. J. R. Banister, and Mrs. M. D. Pinkerton.

Elizabeth Stewardson To Wed In San Saba

San Saba — Mr. and Mrs. Hardy Ellis Stewardson of near San Saba are announcing the engagement and approaching marriage of their daughter, Elizabeth Ann, to Mr. Marlis Ceburn Barker, son of Mr. and Mrs. Thomas Morgan Barker, Route 2, San Saba, Texas.

The wedding will be solemnized in the home of the bride-elect's parents on the Stewardson ranch, south of town, on the evening of October 4 at five o'clock in the evening.

Miss Jayne Jennings Honored With Shower

On Monday afternoon, September 15, at 3:00 o'clock, a miscellaneous shower was held in the home of Mrs. Joe Copeland, with Mrs. Glenn Copeland and Mrs. Damon Jackson as co-hostesses.

This pleasant affair was in honor of Miss Jayne Jennings of Echo, bride-elect of Billy Bob Jackson, whose engagement and approaching marriage had previously been announced. A theme of gold and white was used in the decorations.

The honoree opened the many

WARNING

Ordinance No. 29, City of Santa Anna, Texas, states: "It is unlawful for any person to ride any bicycle on the side walks of the City of Santa Anna, Texas." This offense is fineable up to \$200.00.

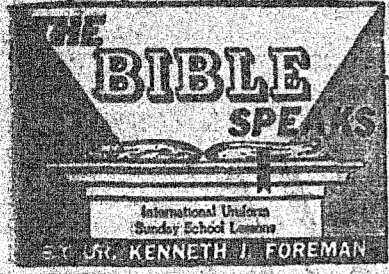

All bicycles ridden in the corporate limits of the City of Santa Anna must at all times obey traffic regulations and if they are to be ridden at night they must have a head light and a reflector tail light.

A number of recent complaints have caused much concern about this ordinance and the City Council has directed this ordinance to be enforced.

ALSO

City Ordinance No. 159 states that no trucks will park on Wallis Ave. (main street) at any time. This ordinance has been being violated recently and it will also be enforced to the limit of the law. Violations are fineable up to \$200.00.

OPTIONAL READING: Proverbs 3:1-11.

A King Prays

Lesson for September 21, 1952

KING SOLOMON is not best known for his prayers; yet they are among the most remarkable features of what we know of him. If we can know what a man prays for, we know the heart of the man. The higher a man's office in life, the more he stands in need of prayer, the prayers of others as well as his own. King Solomon's reputation for wisdom based on one rather fantastic court decision, or on the splendor of the Temple, which he did not design; still less on those legendary powers such as being able to converse with dragons and demons. He was never more wise than in his prayers.

Dreams Give You Away

THEY SAY that when one is learning a new language, one can be sure one is making progress when one starts dreaming in the new language. Dreams, psychologists believe, show us what our minds are like, beneath the smooth surface. We should not take all our dreams too seriously, because, after all, it is the conscious mind that is at the wheel during our waking lives. But still a dream may show the kinds of wishes and desires and fears which lie deeper than our usual consciousness.

Now when a man dreams about praying to God face to face, you may be sure he is really a God-fearing, praying man. So the young Solomon's dream of his interview with God is a good indication of the depths of his mind and intentions at that time.

It was not a silly dream; it was quite serious. We may well believe that the young king often thought about it afterwards, and that God actually took this way of speaking to Solomon.

Ask for One Thing THAT dream Solomon is invited to pray, and God guarantees to answer the prayer, whatever it is. It is remarkable what Solomon did not ask for.

Considering the fact that his father had been such a warrior, one might expect Solomon to ask for victory in war. But the young king, even in his dreams, did not picture himself as a conquering hero. Then again, he might have been expected to want to be rich. He was of a race that rated property very highly indeed. In the Hebrew language, the expression "a great man" often meant simply a very rich one. But it was not money that Solomon desired most of all. A third thing too might have been in Solomon's mind; something that every man of his time looked on as a sure sign of the blessing of God: namely, long life. But this too was not what the young man most wished to have.

Instead, he prayed for wisdom. Knowledge is knowing; wisdom is knowing how to use what you know. And he wanted this wisdom, not in order to be rich, powerful or long-lived, but in order to become a good leader of his people.

One cannot help believing that Solomon already had in him the seed of wisdom, or he would not have offered that prayer. Only the wise know what a jewel wisdom is.

Prayer of a Mature Mind

ANOTHER prayer of this famous king is recorded at the dedication of the Temple. Solomon had grown older by that time, and we can see in this prayer that he had grown wiser as well. For good as this dream-prayer was, this later one was deeper, higher, wider.

By this time his idea of God was higher than it was. He is aware now that God does not live even in the most gorgeous of temples; his dwelling place is in heaven, and his care is not for the nation of Israel alone.

Then again, in the earlier prayer Solomon's horizon was bounded by the limits of his native land. His prayer was selfish, indeed, but it took in the welfare of his own subjects—no others. Now at the Temple he prays for "the stranger . . . all the people of the earth."

Furthermore, it is his earlier

IT'S THE LAW in TEXAS

A public service feature of the State Bar of Texas

STOP, THEN PASS HALTED SCHOOL BUS AT 10 MPH, LAW SAYS

School busses over the state have now begun the task of carrying thousands of children to and from their studies. Soon to be expected are the inevitable tragic reports of deaths and injuries occurring when impatient youngsters dash across busy highways to greet their waiting parents or to board the bus. Most of such accidents could be avoided if motorists would adhere strictly to the letter of the law pertaining to the passing of school busses.

Most Texans are aware of the law which requires a driver to come to a complete stop when overtaking from the rear a school bus which has stopped to receive or discharge school children. After stopping immediately behind the bus, he is then allowed by law to proceed past same at a speed "which is prudent, not exceeding ten" (10) miles per hour, and with due caution for the safety of such children.

What many persons do not realize is that the very same rule applies when MEETING a stopped school bus. While everyone is interested in protecting our children, unthinking violators of this simple safety rule greatly outnumber those who comply. Failure to follow the law in this case can lead to fines up to \$200.00 even when no accident occurs. Following an accident in which some child is injured or killed, the penalties are naturally much more serious.

Although the above rule does not apply when passing a stopped school bus in a business or residential district of a town, the necessity for extreme cau-

prayer young Solomon was aware of his and his people's weakness and ignorance, now he feels something deeper, more serious: the burden of human sin. He prays for many blessings, but above all for this: forgiveness for every heart that turns to God. When we ourselves pray, are our prayers mature? How high is our thought of God? For how wide a circle of persons do we pray? And do we pray first, and most of all, for things, or for power, or to be in harmony with God?

TEXAS DROUGHT RELIEF

The drought of 1952 will be long remembered by Texas farmers as one of the most devastating that has ever hit the state.

In early July, it became apparent that the production of grain even in those locations is obvious.

When it comes to overtaking and passing moving vehicles, exercise of ordinary common sense will generally keep a driver within the law. For instance, when passing a car it is only common sense to proceed on past it a safe distance before cutting back to the right side of the highway. Also, any driver would realize the danger of increasing his speed while another is attempting to pass him.

In the same category is the prohibition against passing on the right under most ordinary conditions. Of course, you may legally pass on the right in a few specific instances, such as when the vehicle overtaken is making or about to make a left turn, or upon a one-way street with two or more lanes, or upon a four-lane highway.

However, our traffic laws state that even when passing on the right is allowed, it shall be done only under conditions permitting such movement in safety. And, in no event should passing be accomplished by driving off the pavement or main-traveled portion of the roadway.

Even when not engaged in passing another vehicle, a driver is prohibited from driving to the left of the center of the roadway in many instances. Familiar to all are the no-passing zones designated by dash lines placed to one side of the center strip on our highways.

Not so well known are the restrictions against crossing the center line when approaching within 100 feet of any bridge, viaduct or tunnel. The prohibition also applies when approaching within 100 feet of, or when traversing any intersection or railroad grade crossing. A driver should never cross the center line of a highway when the left side of the road is not clearly visible and free of oncoming traffic.

(This column, based on Texas law, is written to inform — not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts, because the facts may change the application of the law.)

Mr. and Mrs. Paul Craig of Hoffman, Illinois came last Friday for a weeks visit with her mother, Mrs. Lula Taylor. Others visiting her Sunday were: Bob Taylor of San Angelo; Mr. and Mrs. A. L. Craig and Mrs. Arthur McCarroll of Abilene; and Mrs. W. C. Sharp of Santa Anna.

Mrs. John Dillingham and Mrs. Tom Wheatley visited at Ingram last week with their brother and brother-in-law, Kahler Wheatley and family.

Mr. and Mrs. C. W. Stephenson of Abilene were week end visitors with his parents, Mr. and Mrs. Clifford Stephenson and Rilda.

James Donald Vercher, who has had employment at Sweeney, Texas, the past two months, is returning to A. & M. College for the fall term. He is a sophomore this year.

Mr. and Mrs. Edwin Hunter and Edd Lee of Coleman, and Mr. and Mrs. Lee Hunter were week end visitors with Mr. and Mrs. Brownlee Hunter and other relatives in Austin.

FFA and 4-H Club Members: Be a Paymaster

"Cash for Champions" Winner!

Paymaster will pay off in:

- Top results from champion-building Paymaster Feeds
 - Extra "Cash for Champions" awards up to \$300 for Paymaster-fed stock show and fair winners
- If you plan to exhibit steer calves, fat lambs, barrows, market turkeys, broilers or capons in the Junior Division of the spring shows, register with your local Paymaster dealer NOW!

FREE FEEDING RECOMMENDATIONS

Your Paymaster dealer can recommend feeding programs to help you produce champions from your well-bred animals or birds. Let him help you build a balanced feeding project with Paymaster Feeds, using your home-grown grains or roughage. Then aim for champions . . . and these "Cash for Champions" awards:

- Steer Calves—Top cash \$300
- Market Turkeys—Top cash \$75
- Fat Lambs—Top cash \$75
- Broilers—Top cash \$50 a pen
- Barrows—Top cash \$75
- Capons—Top cash \$15

FFA and 4-H Club members won Paymaster cash for scores of Grand and Reserve Champions last spring. Why don't you feed a Paymaster winner this time?

To win Paymaster's "Cash for Champions" awards REGISTER NOW with your local Paymaster Feeds Dealer

Rockwood News

By MRS. JOHN C. HUNTER

ROCKWOOD, TEXAS

PHONE 1003

Mr. and Mrs. Jim Rutherford announce the birth of a daughter, Billie Gay, at the Coleman hospital Wednesday, September 10, weighing 7 pounds and 6 ounces. She has two brothers, Larry and Bob. Mrs. Gussie Wise is the maternal grandmother and Mrs. J. W. Box the great grandmother.

The Rev. Don Jopling conducted services at the Methodist Church on Sunday. He, Mrs. Jopling and Mark, Mr. and Mrs. Boss Estes and Mrs. J. C. Ferguson were Sunday luncheon guests of Mr. and Mrs. Jack Bostick.

Mr. and Mrs. J. P. Hodges, Jr. had a letter from their son, Bryan, in Korea, that he was just back from 7 days on the front lines.

Mrs. W. C. Stobaugh of Lorenzo spent Tuesday night with Mr. and Mrs. Uless Maness. She was accompanied by Mrs. Buck Stobaugh and her daughter, Joanne, who went on to Stephenville, where Joanne is a student in John Tarleton.

Mrs. Marcus Johnson, Mrs. Tom Bryan and Mrs. Jack Bostick were in Brownwood last Thursday to attend a Study Seminar at the Central Methodist Church.

Mr. and Mrs. R. D. Kelley of Santa Anna spent Friday with Mr. and Mrs. John Hunter. Mr. and Mrs. Grover Gattis of Lohn were morning visitors.

Mrs. Ethel Horton and Johnny Wayne of Austin spent the week end with Mr. and Mrs. Johnny Steward and James. They all visited Sunday with Mr. and Mrs. J. E. Porter in Brady.

Carl Williams of Houston spent several days last week with Dr. and Mrs. W. G. Williams and family.

33% and 40% off on all wallpaper patterns in stock. Burton-Lingo Co.

Sunday guests in the Maness home were Mrs. Ara Ripley, Mr. and Mrs. Billy Maness of Brownwood and Mr. and Mrs. Jack Bostick.

Mr. and Mrs. Leon Russell of Ballinger and Mr. and Mrs. Billy Maness were Sunday guests of Mr. and Mrs. R. E. Johnson.

Mr. and Mrs. Leon McMillan spent Sunday in Melvin with his parents, Mr. and Mrs. J. H. McMillan, visiting with Mr. and Mrs. Clinton McMillan in the afternoon.

Mr. and Mrs. M. A. Richardson spent the week end with Mr. and Mrs. Jim West and Cleve at Sterling City.

Mr. and Mrs. J. T. Avants, Melvin and Larry, spent Sunday in Hamlin with his mother, Mrs. Mary Avants and other relatives.

LEGAL NOTICES

**Citation By Publication
The State of Texas**

To: Jack Gray Defendant,
Greeting:

You are hereby commanded to appear before the Honorable 35th District Court of Coleman County, Texas, at the Court House thereof, in Coleman, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 27th day of October, 1952, then and there to answer Plaintiff's Petition filed in said Court, on the 26th day of August, 1952, in this cause, numbered 7622-A on the docket of said court and styled Mildred Sparks Gray Plaintiff, vs. Jack Gray, Defendant.

A brief statement of the nature of this suit is as follows:

to wit: Suit for divorce based upon such excesses, cruel treatment, and outrages toward her as to render their further living together insupportable. Plaintiff further alleges that there are no property rights to be adjudicated, and that no children were born to said union as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs. Issued and given under my hand and the Seal of said Court, at office in Coleman, Texas this the 15th day of Sept., 1952.

Attest:
T. H. Corder, Clerk,
District Court, Coleman,
Texas.

Judy Bolton Books for teen age girls. 95c each. Entire series in stock. Phillips Drug.

**Humble To Broadcast
Southwest Conference
Football Games Again**

Humble Oil & Refining Co. will inaugurate its 19th season of broadcasting Southwest Conference football games on September 20.

This fall, as in seasons past, Humble football crews will travel to every stadium in and out of the state where Conference games are played, to bring listeners complete broadcast coverage of about 45 games over statewide networks.

Three networks, comprising 72 stations, will be used to carry the games to practically every point in Texas within range of a radio station. And schedules are so arranged that listeners have a choice of afternoon and night games — as many as six, on some week-ends.

Humble play-by-play announcers will include these well-known personalities, whose voices are familiar to every football-lover in the Southwest: Kern Tipton, Ves Box, Charlie Jordan and John Ferguson. They will be assisted by color announcers Alec Chesser, Dave Russel, Eddie Barker and Bob Walker.

To furnish the complete radio coverage typical of Humble broadcasts, these announcers will be kept moving on close-connection schedules for the next two and a half months, traveling as far as Los Angeles and Lansing, Michigan, on some week-ends.

Four games are scheduled on Humble's kick-off broadcast program next Saturday, 1:50 p. m. is broadcast time for the TCU-Kansas game, which will be broadcast from Lawrence, Kansas, by announcers Kern Tipton and Alec Chesser. Stations WBAP-WFAA, Ft. Worth-Dallas; WOAI, San Antonio; and KBWD, Brownwood, will carry the game.

Also at 1:50 p. m. John Ferguson and Dave Russel will broadcast the Baylor-Wake Forest game from Waco. Stations

carrying it will be WACO, Waco; and KABC, San Antonio.

The Texas A & M-University of Houston game at Houston will have Ves Box and Bob Walker as announcers and will be broadcast at 8:00 p. m. over stations KTHT, Houston, and WFAA-WBAP, Dallas-Ft. Worth. The day's final broadcast, at 8:05 p. m., will feature the Texas-LSU game at Baton Rouge. Charlie Jordan and Eddie Barker will announce it over stations KRLD, Dallas, and KABC, San Antonio.

**Alton H. Diserens
To Attend Harvard**

Mr. and Mrs. George H. Diserens have received word that their son, Alton H. Diserens, received one of four fellowships awarded by the Atomic Energy Commission for graduate work in Industrial Hygiene Engineering and will attend Harvard University in Boston, Mass. He will receive his masters degree next June. Mr. Diserens is a graduate of the University of Texas with a degree in Chemical Engineering and graduated with distinction from the Radiological Defense School at Treasure Island and the Chemical Defense School at Camp Bullis. His wife is the former Kathryn Bonner of Austin, Texas.

**Girls, Boys Will
Compete At 1953
Fort Worth Show**

Fort Worth — It will be the Junior Livestock Show and not the Boys' Livestock Show at the 1953 Southwestern exposition and Fat Stock Show, Jan. 30-Feb. 8 — in other words, girls and boys will take part in the same competition.

Previously, the only way a girl's livestock entry could compete was in the open classes, which (as the name implies) are open to the world and therefore the girl's entry was showing against the entries of adult contestants. This has been the situation for many years. However, back in the late 1920's, the entries of girls and boys were in the same department.

The Stock Show directors, in changing the Boys' Show to the Junior Show, feel that it is only fair that a girl who raises an animal under exactly the same conditions that a boy does should be allowed to show the animal in junior competition, said President-Manager W. R. Watt. The change meets with the approval of the officials of the State Extension Service.

The Junior Show is open to any Texas FFA or 4-H Club member and applies to steers, lambs, pigs and dairy calves. Junior exhibitors from other states will continue to compete in the open show.

W. A. (Bill) King, assistant manager of the Stock Show and livestock superintendent, announced that a poultry contest is being added to the grass judging contest for juniors and these events will be open to all FFA and 4-H Club members regardless of their state. The judging

contests will be held on the second Saturday, which will be, as in the past, the first Saturday, Jan. 31.

Mr. and Mrs. George Johnson returned home last week from Ruidosa, New Mexico, where they had been most of the summer.

HARD LUCK, BOYS. LET'S PROFIT BY OUR ERRORS

Oil Activities IN COLEMAN COUNTY

Location has been staked in the new field 16 miles south of Santa Anna for L. J. Maxwell & M. W. Freeman, Coleman No. 4 Fayette Cooley.

Drillsite is on a 181.4 acre lease, 166 feet from the north and 626 feet from the west lines of J. Riner Survey 242.

No. 4 Cooley is contracted for 1,200 feet with cable tools.

Saxon Exploration Co., Abilene No. 1 Paul Cannon is to be drilled as a wildcat three miles northeast of Fisk.

Site is on a 640 acre lease, 990 feet from the west and 1,650 feet from the south lines of Section 74, J. Lewis Survey. No. 1 Cannon is contracted for 2,600 feet with rotary.

Saxon Exploration Co. No. 1 Sealy-Smith, Section 73, Block 1, GH&H Survey, has been plugged at 2,472 feet. It was a wildcat in that same area.

Haynes B. Ownby Drilling Co., Dallas, No. 1 M. L. Stone is to be drilled as a 3,650-foot rotary wildcat.

Drillsite is three miles north of Talpa, 330 feet from the north and west lines of David Thompson Survey 311. It is on a 295.6 acre lease.

Four and one-half miles southwest of Coleman, a wildcat has been plugged at 2,570 feet. It was Gary Wright No. 2 J. T. Blair Estate, Section 29, GH&H Survey.

Saxon Exploration Co., Abilene No. 1 Charles Rae, Section 276 S. D. Green Survey, wildcat three miles northwest of Gouldbush, has been plugged at 2,400 feet.

W. T. Waggoner Estate, Vernon, No. 1 Wetherred was spotted as a wildcat five miles north of Novice on an 80 acre lease. Staked for 4,500 feet with rotary, site is 2,685 feet from the south and 330 feet from the west lines of Section 69, Block 2, GH&H Survey.

T. F. Grisham, Abilene, plans to re-enter the No. 1 R. L. Bates, et al, wildcat four and one-half miles west of Novice which was a dry hole plugged at 4,206 feet in the Caddo on Sept. 22, 1949. Drillsite is 3,150 feet from the west and 990 feet from the north lines of H. Warfield Survey 22.

A 3,200-foot rotary wildcat is to be drilled four miles southwest of Coleman as Gary Wright No. 1 J. T. Blair Estate. Location is on a 467.5 acre lease, 1,640 feet from the east and 330 feet from the north lines of Section 20, Block 1, GH&H Survey.

Horace White, Brownwood, staked a wildcat location four miles northeast of Santa Anna. It is the No. 2 J. C. Fuller, Jr., 10-

cated on a 300 acre lease. Slated for 1,800 feet with cable tools, site is 1,200 feet from the north and 330 feet from the south lines of H. Crocheron Survey 656.

P. M. Durbin & Sam P. Rafkin staked two wildcat locations in the area three miles northeast of Rockwood. Both are contracted for 1,700 feet with cable tools.

Site for No. 1 Mattie Gray is 150 feet from the north and west lines of the 229.73 acre lease in Buena Alderata Survey 275. It is 2,900 feet north, and 3,200 feet west of the northeast corner of H. C. Weaver Survey 287, but in the Alderata Survey.

Drillsite for No. 1 B. H. Timmons is 4,150 feet north and 1,250 feet west of the northeast corner of H. C. Weaver Survey 287, but in Buena Alderata Survey 275. It is on a 160.02 acre lease.

OIL AND GAS LEASES

Arthur Casey et ux to C. J. Dornes, \$10.00, 486.2 acres out of the G. H. & H. R. R. Co. Sec. No. 83.

J. L. Keese to M. C. Harkey, \$10.00, 400 acres out of the Burnett Co. School Land Sur. No. 703.

Dovie James et al to J. K. Wadley, \$10.00, 100 acres out of the Burnett Co. School Lands Sur. No. 703, Blk. No. 38.

Ike Leads Weekly Newspaper Poll

Dwight D. Eisenhower, Republican presidential candidate, topped Adlai E. Stevenson, Democratic nominee, by a wide margin in a poll answered by 3,511 publishers of small town dailies and weekly newspapers.

The survey was made by The Publishers Auxiliary, a weekly newspaper published by the Western Newspaper Union. It drew responses from publishers of 3,062 weekly and 449 daily newspapers.

The sponsor announced the results today as follows:

Question No. 1 — "I think people of my community favor -----?"

Of the answers 64.3 per cent of the weeklies and 65.3 of the dailies named Eisenhower; 25.9 of the weeklies and 11.5 of the dailies were undecided.

Question No. 2 — "My personal choice at this time is -----?"

Of the replies 66.5 per cent of the weekly publishers and 70.4 of the daily publishers named Eisenhower; 25.2 of the weekly publishers and 22.5 of the daily publishers favored Stevenson; and 8.3 of the weekly publishers and 7.1 of the daily publishers were undecided.

Question No. 3 — "My paper will support editorially -----?"

To this question 47.5 per cent of the weeklies and 56.1 of the dailies replied that they would support Eisenhower; 14.2 of the weeklies and 12.9 of the dailies supported Stevenson; 28 per cent of the weeklies and 30.3 of the dailies indicated they would back neither candidate; and 10.3 of the weeklies and 10.7 of the dailies were undecided.

Ballots were mailed to 8,570 weekly and 1,406 daily newspapers. The dailies polled were of less than 25,000 circulation. Returns from 47 states were received and tabulated between Aug. 18 and Sept. 3.

Word was received by members of the family on Saturday, September 13th, that a daughter was born early that morning to Mr. and Mrs. Billy Joe Scott, at Franklin, Indiana. The little one weighed 7 lbs. and 6 ozs. at birth. The grandparents are Mr. and Mrs. Paul Rowe and Mrs. Bernice Scott of Santa Anna. Mrs. Rowe was there to welcome the new granddaughter. All will be coming back to Texas soon. Billy Joe is to report for duty at El Paso, September 29th.

Mrs. Roy Stockard and her daughter, Mrs. Joe McCluskey and children of Brownwood attended The Old Trail Blazers Reunion at Rising Star Monday. Mrs. Stockard's father, J. B. Tomlinson of Stephenville, drove the farthest to get there. This was the 22nd annual gathering. The meetings are always held on the 15th of September.

Subscribe for The News.

How Much Clear Vision Needed To Pass Another Car?

Austin — How much clear vision should you have to pass another automobile when it is going 50 miles an hour and you are going 60?

This is one of the problems facing Texas highway planners in their efforts to modernize Texas highways and make them safer. They must make it possible for you to see a half-mile ahead, or you are taking a chance at passing another vehicle traveling at a mile a minute. With highways built for only two-lane or three-lane traffic, the Highway Department has to depend upon yellow paint to furnish the safety factor. Every year thousands of dollars are spent painting the center stripe and warning lines down the highways.

"We are all too prone to ignore these warning stripes when we think we have even a half-chance," says Jack Kultgen, president of the Texas Good Roads Association.

"Sometimes when you are driving along at 60 miles an hour, have your companion clock you. You'll be surprised at how many times you are facing death in the matter of just a few seconds," he said.

Such carelessness last year caused a big percentage of the 206,000 motor vehicle accidents that killed 2,546 persons in Texas.

Rheumatic Fever Is Enemy To Children

Rheumatic fever and its complication, rheumatic heart disease, probably disable more school age children than any other cause except accidents, declared Dr. Geo. W. Cox, State Health Officer.

Rheumatic fever is a well known enemy of children, still physicians do not know exactly what causes it. It usually appears about two weeks after an infection caused by germs of the streptococcus such as tonsillitis, scarlet fever or sore throat. Some children appear more susceptible than others and this trait seems to run in families. Rheumatic fever can occur in any surroundings, but it is most common among children living in poor and crowded homes, and among children who do not get enough of what is called the protective foods such as milk, eggs, meat butter, fresh fruits, vegetables and the like.

Rheumatic fever actually has no symptoms that are all its own. A few of the group of symptoms the doctor looks for are: persistent fever, poor appetite, tiredness, failure to gain weight, paleness, repeated nosebleed and especially pain and inflammation that moves from joint to joint.

Rheumatic fever is a disease that may affect any part of the body — skin, joints, blood vessels, heart or brain — but usually it is the heart that is most seriously affected. Unless they are prevented by good management, the acute attacks have a tendency to come back again and again. When this happens, the valves of the heart are usually affected. Sometimes so slightly that the child is not handicapped; sometimes so seriously that the child dies. The present day treatment of rheumatic fever is directed at two things. First, reducing the risk of heart damage from an acute attack by bed rest and appropriate treatment with drugs. Second, doing everything possible to prevent another attack after recovery from the first.

a week earlier. Hogs opened the week with a 25-cent advance and topped at \$19.75. Sows were steady at \$15 to \$17.

Sheep and lambs were generally steady, the kinds considered. High quality and highly finished kinds were very scarce, or absent.

In seeking reasons for the recent drop of prices, the trade believes:

Persistent refusal of normal demand for stockers and feeders to develop has been a tremendous factor in the slumping cattle and calf trade. However packers again pointed to sharp reductions of wholesale prices of most kinds of calf meat and reiterated their inability to work from under the inventories even at reduced prices. Cow beef,

grasser steers and boned out beef was moving sluggishly in the meat channels because of large supplies.

Good and choice fed steers and yearlings drew \$24 to \$30. Plain and medium kinds sold at \$15 to \$24, with cull yearlings \$12 to \$15. Fat cows sold from \$14.50 to \$19.50, with canners and cutters at \$10 to \$14.50. Bulls sold from \$13 to \$20.

Good and choice fat calves cleared at \$21 to \$28.25, with common and medium sorts from \$15 to \$20, and culls at \$12 to \$14. Stocker calves ranged from \$18 to \$27.50 and stocker yearlings bulked at \$15 to \$26. Stocker heifers sold at \$24 down, stocker cows drew \$14 to \$20.

Fat lambs sold from \$20 to

\$25, stocker and feeder lambs drew \$10 to \$19, and culls sold from \$8 to \$10. Fat yearling wethers sold from \$15 to \$19 and stocker yearling wethers sold from \$10 to \$14. Yearling ewes sold from \$17 down. Slaughter ewes sold for \$6 to \$7 and old wethers drew \$10 down. Two- and three-year-old wethers sold from \$12.50 down. Old bucks sold for \$6 to \$6.50.

Sunday visitors with Mr. and Mrs. W. F. Rutherford and boys were Mr. and Mrs. Doyle Sims, Linda and Doyle, Jr., of Fort Worth; Mr. and Mrs. O. V. Rutherford and R. B. of Santa Anna. R. B. received his discharge from the Marine Corps on September 10th, after 4 years service.

LET'S TALK LIVESTOCK BY TED GOULDY

Fort Worth — Considerably smaller supplies of livestock arrived at Ft. Worth and at the Nation's 12 major public markets as the mid-September market week opened Monday. Highly uneven prices were in evidence, with the trend steady to stronger on most cattle and calves with some sales 50 cents higher. Cows sold fully 50 cents, spots \$1 higher. Other classes of cattle and calves, including stockers, were getting a bit better action than was evident in the dull close of
