We have a new face in the office beginning this week. We have employed Elaina Lingle to help us with the computers and other duties in the office. Elaina worked in the office at the Gorman Clinic for several years and we feel fortunate in securing her services to help us in the office. She resides in Desdemona and is looking forward to helping us out.

We have been told that Gorman Milling will be constructing a new building to house their truck maintenance facilities. The present location is just not large enough for their needs. The building will be erected on the railroad property near the plant. Harold Fritts stated that they plan to build a building that Gorman will be proud of. We will have more on this as things progress. Our community is fortunate to have this company in Gorman. It is an important part of the economy of Gorman.

And remember to smile -- because God Love's You!!!

Change of Address

If you're a Social Security beneficiary and you moved recently, be sure to notify the Social Security Administration (SSA) as soon as possible. Failure to report their new address when they move is the most frequent reason beneficiaries do not receive their Social Security checks.

If your benefits are directly deposited into your bank account, you may not have remembered to notify SSA when you moved. But Social Security needs your current address so you can receive agency notices about your benefits. And now you're approaching the time of year when it's particularly important that SSA has your correct address. For example, in January you will be mailed a Social Security Benefit Statement (Form SSA-1099). You need this form to determine whether or not you will have to pay federal income tax on any Social Security benefits you received in 1996.

To report an address change, contact your local office or call SSA's toll-free number, 1-800-772-1234, between 7 a.m. and 7 p.m. any business day.

Pain may be eliminated for millions

(SPECIAL)-- A drug that is exciting researchers in the treatment of pain has been formulated into a new product known as "Arthur Itis," and is being called a "Medical Miracle" by some, in the treatment of debilitating conditions such as arthritis, bursitis, rheumatism, painful muscle aches, joint aches, simple backache, bruises, and more. Although the mechanism of action is unclear, experiments indicate that Arthur Itis, relieves pain by first selectively attracting, and then destroying the messenger chemical which carries pain sensations to the brain, thus eliminating pain in the affected area. KOKOMO NEWS

ZELDA JORDAN -- PHONE 639-2289

Church services at the Kokomo Baptist Church were cancelled on Sunday due to the snowy cold weather.

The temperature has not been above freezing for several days, but hopefully it will get into the middle thirties later today (Tuesday). That is still cold, but not so cold as the lower to upper teens we've had.

The Monday, January 13 meeting of the Kokomo FCE Club was cancelled and rescheduled for February 3 in the home of Frances Bishop in Eastland.

Those visiting with Vernon, Deon and Lindell Fields during the Christmas holidays were Joe and Barbara Fields, Michael, Lisa and Falyn of Carbon, Kaylea and Jamie Thomas of Gorman, Richard and Teresa Nachtigall and Trevis of Morgan Mill, Taylor Nachtigall of Stephenville, George Johnson of Hico, Johnny and JoAnn Seitem and Keri of Kokomo, Fred and Delores Walker of Tyler, Stacy and Mallie Stockman, Allen, Reed and Ryan of Dallas.

Vernon and Deon Fields were in Big Springs for the funeral of a brother-in-law, Hubert Clawson on January 7th. We extend sincere sympathy to Vernon, Deon and the family.

Vernon and Deon Fields, and Harvey and Bud Winn of Carbon attended the 50th anniversary celebration for their cousins, Bonnie and Noel Long in Weatherford on Saturday, January 11th.

Graveside funeral services for Robert Martin of Ranger were held at the Simpson Cemetery on Sunday, Jan 12th at 4:00 p.m. He is survived by his wife, Myrtle Blanche (Eaves) Martin and three sons, Robert H. Martin, Jr. of San Angelo, David Glen Martin of Ranger and Gary Paul Martin of Big Bend National Park; on brother, Richard Martin of Abilene and one grandchild. His wife, Myrtle lived in the Kokomo Community with her late parents, Richard and Ollie Eaves when she was a child, and has several relatives in the Kokomo and Gorman area. We extend sincere sympathy to the family.

Following the funeral service, family and friends met at the home of a cousin, Delmon and Joyce Eaves for visitation and refreshments.

We extend sincere sympathy to the family of Ethel Cozart Elam of Ranger. Her funeral was in Breckenridge on Saturday, January 11th. She is the mother of Martha (Mrs. Larry) Bryant of our community.

Clifford and Doris Graham of Monahans visited here a couple of nights last week with Delmon and Joyce Eaves. The Grahams have purchased a home south of Eastland and will be moving there in the near future. They have visited here many times. Clifford is a brother of Joyce Eaves and is the son of the late R.Q. and Esther Graham who were long time residents of Kokomo. We extend a warm welcome to our area to Clifford and Doris.

M MARTIN LUTHER KING'S BIRTHDAY **V**

When accepting the Nobel Peace Prize in December of 1964, Martin Luther King, Jr. said, "I accept this award with an abiding faith in America and an audacious faith in the future of mankind." He believed in the

rights of all people, in justice for all people and in peace, above all. We're especially proud to honor him, not just for his great deeds, but also for his dreams of the nation that we would someday become.

Security State Bank will be closed on Monday, January 20th in observance of Martin King, Jr. Day. We will open as usual on Tuesday
