Wednesday afternoon -

Thanks to each of you who voted for me in the election Tuesday . . . and thanks to all of you who showed enough interest in city affairs to cast a vote. A total of 447 votes were cast. Compare this with last years 189 votes and the 265 votes in 1970 and it will give you some idea as to the interest.

Citizens taking an active interest in selecting their city officials can make a big difference in a town's future.

The City Commission meets tonight, 8 p. m., which will probably be too late to publish the date for our run-off election. The time will be posted on our bulletin board Thursday morning and will also be announced over KERC and in the city newspapers.

I definitely want to be your Mayor another term and with what I have learned in the past two years will be better able to serve you. You have selected two fine young business men to be your commissioners and with the appointment of George Simmons to fill the unexpired term of Mrs. Duran, and Rodney Stephens, who is the only remaining member of the Commission Gorman should see a lot accomplished.

Richard Watson Opens Pharmacy In Eastland

Richard Watson co-owner of Gorman Pharmacy in Gorman, opened U-Save Pharmacy in Eastland Monday, April 3rd, located in a new building at 201 S. Daugherty St., a historic site as the original location of the Eastland City Hall.

A native of Gorman, Richard, is a graduate of the University of Texas and opened the Corner Pharmacy in September of 1969 and joined with the Mehaffey Drug to form Gorman Pharmacy in September of 1971. Mehaffey Drug was owned and operated by George Simmons and Jerry Mehaffey.

While in Gorman Watson served as president of the Gorman Chamber of Commerce, was a member of the Lions Club, and Volunteer Fire Department and Industrial Foundation.

His wife, Connie, was a member of the Young Homemakers, and is presently a student at Tarleton State College in Stephenville. They have a daughter, Rachel Lynn, age two.

Members of the First Baptist Church, Richard served as Sunday School director and was a deacon. Connie has served as church clerk and was active in Girl's Auxiliary work.

The family moved to Eastland Friday.

Judy Wilson Becomes the Bride of David Kirk in Church Ceremony

In a candlelight ceremony at the First United Methodist Church in Alva, Oklahoma, Miss Judy Wilson became the bride of David Kirk on Saturday evening, March 25. The Rev. Harold Leveridge officiated. Parents of the couple are Mr. and Mrs. Harold Wilson, Alva, and Mr. and Mrs. Dean Kirk, Gorman.

Vows were repeated before a setting of pairs of cathedral and arched brass candelabra entwined with smilax and pastel daisies.

The bride, given in marriage by her father, wore a formal gown of candlelight silk organza. The bodice and Bishop sleeves were of pearled and scalloped Chantilly lace, which also outlined the A-line skirt and detachable chapel length train. Her veil of imported English illusion was secured by a headband of lace encrusted with pearls. She carried a cascade bouquet of Abby roses, stephanotis, and pom pom daisies.

Miss Peggy Wisdom, Oklahoma City, served as maid of honor. She wore a formal gown of gold sparkle crepe. The empire waist featured a sash of floral nylon tied in a back bow with floor length streamers. She carried a small gold basket of gypsophelia and daisies in colors matching the sash, and wore a narrow band of fresh flowers in her hair.

Bridesmaids were Mrs. Jim Treadwell of Muskogee, Okla., and Miss Sonna Sutter of Wichita, Kans. They were attired the same as the maid of honor.

Miss Pam Benson, Alva, kept the guest book, and Miss Bonnie Schwerdtfeger, Capron, Okla., served at the gift table. Tom Kirk, Lubbock, served his brother as best man. Groomsmen were William Jay and Rodney Stephens, both of Gorman. Ushers were Bill Kirk, Gorman; Mike McCormack, De Leon; Larry Kirk, Lubbock; and Keith Walker, Norman, Okla.

Mrs. Max Ridgway, Alva, served as organist. Max Ridgway sang "Because" and "More" preceding the ceremony.

For her daughter's wedding Mrs. Wilson wore a full length gown of antique gold tulle. Mrs. Kirk chose a formal gown of beige alsakine with pearlized braid trim. Both mothers wore corsages of Abby rosebuds.

Following the ceremony a reception was held in the Fellowship Hall of the church. The bride's table was covered with a handmade net cloth

over white satin, decorated with sequined felt bells, roses, and love birds. The three-tiered cake was topped with mist green satin bells and encircled with fern and pastel daisies. The same floral arrangement complemented the crystal punch service.

Assisting at the bride's table were Mrs. Ron Folks, Uleby, England; Mrs. Jere Schwerdtfeger, Capron; and Miss Elaine Smith, Denver, Colo.

For travel the bride wore a beige and gold crepe dress with bone accessories and the rosebud corsage from her bridal bouquet.

The couple will live in Oklahoma City.

Preceding the Saturday evening wedding, a one o'clock luncheon was given for the bride, her attendants and reception assistants in the home of Mrs. C. W. Wisdom. Other guests were Mrs. Dean Kirk and Mrs. Harold Wilson. Miss Cindy Wisdom assisted her mother with the serving.

On Friday evening a rehearsal dinner was hosted by Mr. and Mrs. Dean Kirk at the Cibola Room in Coronado Hall. Table decorations were in gold and mist green, with arrangements of white carnations and gypsophelia.

Assisting with the serving were Mrs. Rita Bryant, Mrs. Gloria Piersall, and Mrs. Elea Sterba, all of Alva. Out of town guests were Mrs. Mimi Fair and son, Johnny, Mr. and Mrs. W. H. David, Mr. C. A. Palmer and Mr. and Mrs. J. A. La Fortune Jr. and Michelle, Bill and Lisa all of Tulsa, Mr. and Mrs. Jim Gotwals of Norman, Okla. Mr. and Mrs. C. W. Kearney of Columbus, Texas, Mr. and Mrs. Bill Pogue of Moriarity, N. M., Mr. and Mrs. Bob Boswell and Joe, Kelley and Laura of Fort Worth, Mr. and Mrs. Lynn Kirk of Brownwood, Miss Ann Kirk of Dallas, Judge and Mrs. Weldon Kirk, Lisa and Paul of Sweetwater, Mr. and Mrs. M. E. Shell of Stephenville, Mr. and Mrs. Erich Arnold of Gorman, Mike Huddleston of De Leon, Miss Susan Tolbert, Lubbock, and Mrs. Larry Kirk, Lubbock.

SERVICES FOR TENNIE LEWIS SET TODAY

Mrs. Tennie Lewis, 63, of Carbon was killed at 11:20 a. m. Tuesday, April 4 in a one-vehicle accident in the Gorman city limits on State Highway 6.

The accident occurred when Mrs. Lewis lost control of the pickup she was driving as she attempted to pass another vehicle according to police.

Highway Patrolman Welton Watson said that the pickup went into a ditch and turned over several times. He said that Mrs. Lewis, who was dead on arrival at Blackwell Hospital, was thrown from the pickup.

Funeral services were set in the Higginbotham Funeral Chapel for 10 a. m. today, Thursday, with Bro. Damon Smith officiating, with burial in the Murray Memorial Cemetery under the direction of Higginbotham Funeral Home of Gorman.

Survivors are her husband, Lowell Burton Lewis; one son, Ward (Buddy) Lewis of Breckenridge; three daughters Mrs. Bonnie Polk of Arlington, Mrs. Lorene Taylor of Hector, Ark., and Mrs. Lanelle Culwell of Houston; two brothers, Roy Gilmore, unknown address, and O. W. Gilmore of Corpus Christi; four sisters, Mrs. Leora Cassel of Florida, Mrs. Lavade Taylor of Oklahoma City, Okla., Mrs. Gracie Bell Beatty of Chula Vista, Ark., and Mrs. Hazel Belton of North Carolina; two half-brothers, Jimmy Odell Gilmore of Austin and G. W. Gilmore, Jr., of Cheyenne, Wyoming; also 12 grandchildren.

Agric. Producers Needs Praise - Not Blame

The Agricultural producers should be praised — not blamed — in the current national controversy over food prices, Sam Kimmell of Cisco, president of the Eastland County Farm Bureau, said.

"Productivity in Agriculture has been increasing about twice as fast as in industry," the local farm leader said. "This amazing efficiency is basic to our high standard of living."

Kimmell said that if consumers paid the same proportion of their take home pay for food today as was the case 20 years ago, the food bill for American consumers would be about \$50 billion more per year than is actually the case.

"The farmers and ranchers are proud of the fact that, partly as a result of their record performance, the American consumer today has to spend only about 16 percent of his after-tax dollars for food—the smallest proportion of income ever achieved here or anywhere in the world," the local Farm Bureau president said.

Kimmell said that cattle prices are now about what they were 20 years ago, and that farm prices in general have risen only about seven percent in that period. He pointed out that money paid to wage earners has increased 340 percent and that business and professional income is up 200 percent over that same period.

"The American farmer has been the best hedge against inflation the American consumer has," the farm leader asserted.

He pointed out that only by increasing both his investment and his efficiency has the farmer been able to stay in business.

NOTE OF THANKS

I always knew when I was a girl growing up around and in Gorman that the people in town and surrounding communities were "Special." I knew this when I lived away 21 years because you could feel the warmth and friendliness when you came home. I knew this when I moved back here in November, 1971. But when we lost our beloved son, brother, and grandson, Kenny Kimmell, and the people held us up with their love, prayers and friendship, we realized what special people they really are.

Let us thank each one for each act of kindness bestowed upon us during our grief and loss. For the food, flowers, gifts, cards and letters. A special thanks to Ray Hughes and all employees and patients at Lawndale. How precious they all have been. For my neighbors at "Love Acres", for my parents, neighbors at "Brandon Place" Housing Unit, and for each and every one of you. Without God's love to take us through this time we would have never made it. Then the love of a wonderful family like mine, then the love of such friends as you.

Our heartfelt love and gratitude to each one.

WASHINGTON
"As it looks from here"
OMAR BURLESOB
Congressman 17th District

WASHINGTON, D. C. - AFTER THREE DAYS of debate the U. S. House of Representatives last week passed a Bill on environmental protection with a price tag of \$24.6 billion. Knowledgeable estimates indicate that the cost will soar to \$35 billion before the provisions are fully implemented.

THE ENVIRONMENTAL PROTECTION AGENCY, created to administer the program already has over \$2 billion appropriated to it and has yet to really get off the ground. To use these sums of money they will have to spend as if it were going out of style.

OF COURSE EVERYONE IS FOR cleaning up and preserving our environment. The effort should have been started in an orderly way long ago but since present conditions didn't get that way overnight, corrections and remedies can't be made to work overnight either.

THE EXPERTS HAVE YET to agree on the many approaches to curing the problem. Wide disagreement exists on what pollutes our air and water and about what should be done. For instance, not long ago certain phosphate detergents were blamed and condemned. A few weeks later other experts said not so.

ANOTHER EXAMPLE IS THE emissions from leaded gasoline. Last year the Administration proposed a \$4.00 per pound tax on lead to eliminate its use for octane support in gasoline. Something called aromatics was to take the place of lead to maintain the octane level until auto-

bile engines can be built to run efficiently on low octane fuel. This was supported by a group of "experts," but another group of seemingly qualified scientists came along and found, after research and testing, that aromatics are more polluting than lead.

THE GOALS FOR A CLEAN and wholesome surrounding are indeed laudable. Conditions in some places in the country are deplorable and to some degree or other threaten human and animal life. There should be both scientific and common sense efforts at eliminating these useless hazards. It can be done without squandering billions of dollars and doing needless injury to property and industry. Money alone is not going to clean up our surroundings.

WHILE INFLATION CONTINUES TO EAT away at the economy, some things being proposed can have no other effect than increase the price of things to pay for costs of meeting required standards. Just as safety requirements for automobiles, some of which have dubious value, run up the price, so will some of the demands on industry increase costs of many products we all have to buy.

THE ANNUAL BUDGET OF THE FEDERAL GOVERNMENT has committed to it 72 percent in uncontrolled costs. In other words, the Congress has discretion over only approximately 28 percent of total expenditures. One of the best examples of fixed spending is the \$22 billion interest on the public debt. And so on and on the Legislative Branch has abdicated its responsibility over the purse strings. Our friend Congressman George Mahon, Chairman of the Appropriations Committee, agrees that those of us who claim fiscal responsibility can protect our credibility only by opposing the procedures followed in the measure passed last week. It further adds to spend over which the Congress has no control.

THE BILL AS PASSED DOES NOT permit a year-to-year appropriation, as is the case in most all other programs. There is no annual review of whether the program is working or whether it needs more or less money. A lump sum of \$24.6 billion is provided for a three year period with little or no control by the Congress which is responsible for these purse strings of this Nation. With a public debt of \$423 billion; a \$35 billion red ink balance last year; a prospect of at least \$26 billion minus for the coming 1973 fiscal year, this sum is added in sort of a panic atmosphere because to oppose any part of it is inviting condemnation by those who say if you are not for galloping full speed ahead,

and in the dark in many aspects, you are not for a healthy environment.

IT IS EASY TO SPOOK AND STAMPEDE under these circumstances and that is apparently what happened last week—the vote, 380 for, 14 against.

Letter To The Editor

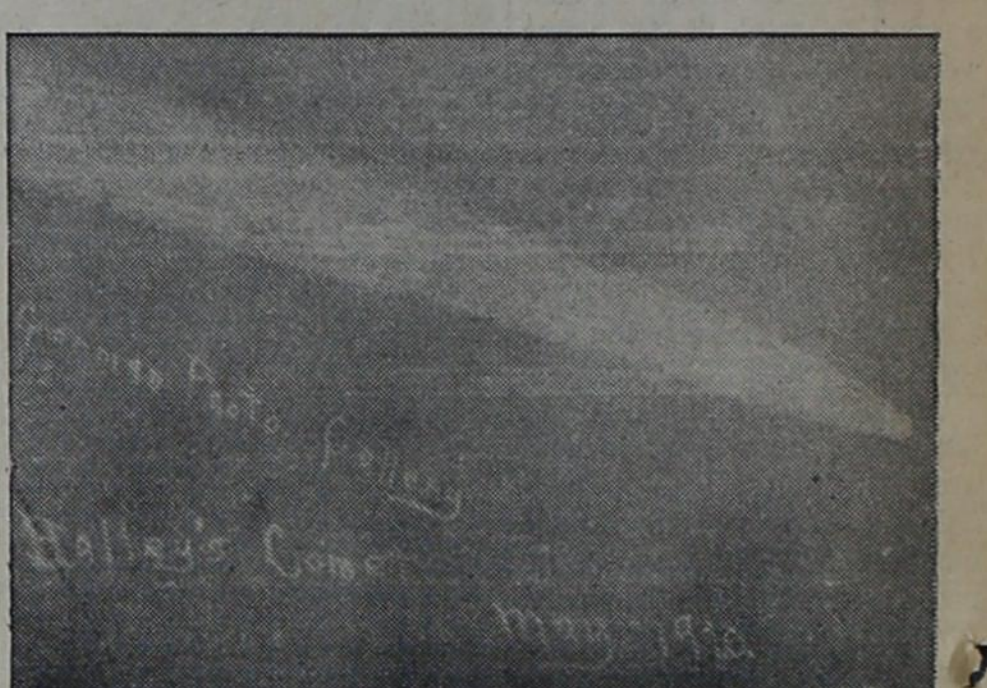

Laws are made by and for all the people. Law enforcement officers are elected or hired by and for all people to enforce the law. As for a policeman being too strict for a small town - if he is doing his job it is impossible. The only difference in a small and large town is the number of people in it. The laws are the same. Laws are made to protect you, your name, your property, your life, your family, your friends and, yes, even your enemies.

Gorman is our home town. The reputation that it has acquired in the past year is a disgrace. People all over

the state have read the papers and many feel that our town is wide open to any illegal acts. In the Abilene Reporter, March 28, a woman wrote that evidently the citizens of Gorman wanted to choose the laws they would obey.

We, as law enforcement officers, do not feel that all our people here feel this way and we are here to serve you to the best of our ability. Anyone caught breaking the law will be judged and punished according to the laws of justice.

Thank you.

DER BINGLE'S FRAU SPEAKS GERMAN NOW

"Der Bingle's" frau, Mrs. Kathryn Crosby, receives programmed language instruction from texts and tapes.

When Bing Crosby was nicknamed "der Bingle" many years ago, little did he know his future wife would complement that distinctive title by learning to speak German.

Or that she would be inspired to do so by an international sporting event thousands of miles from the Crosby home.

Sporting enthusiasts both, Bing and Kathryn Crosby will be among the thousands of Americans going to Munich for the 20th Summer Olympic Games. And, to heighten the enjoyment of their journey to foreign shores, Mrs. Crosby is learning to speak the native tongue.

Taking time out from her chores as wife, mother and volunteer nurse, der Bingle's frau uses every available moment to commute

between her home in the San Francisco suburb of Hillsboro and the Sullivan Language School in Palo Alto, California. There, along with other students ranging in age from 7 to 73 years old, Mrs. Crosby takes what are probably the most unique and effective language lessons ever devised.

The Sullivan method of instruction uses individualized programmed instructional materials consisting of coordinated texts and tapes, developed by M. W. Sullivan, the noted linguist under a Carnegie Foundation Grant. Each student works at his own pace in a private room. Mrs. Crosby finds the method "absolutely exciting," and further states that "the way the language is broken down to its simplest parts, you can't forget."

"They don't try to trick you with complicated rules of grammar and exceptions to the rules," said Mrs. Crosby. As a coed at the University of Texas, she took Spanish by conventional methods, but she says this is a far easier way to learn a language.

The first Sullivan Language School was opened in October, 1970. Since then, the company has become the fastest growing network of language schools, with some 27 centers now open in the United States, Canada and Puerto Rico. It is expected that 60 such centers will be open by September 1972.

All of which makes for perfect timing—because that's just about when the Crosby's will return from Munich.

DESDEMONA NEWS

By MRS. ETHEL KEITH

Easter has come and gone and no rain yet. Seems every one had out of town company. A large crowd was present at church services at the First Baptist Church for Easter. This community was made sad when word got around that the oldest granddaughter of Mrs. Evah Sparkman had lost her life in a car wreck near Stephenville Saturday night. This community extends their sympathy to Mrs. Evah Sparkman and the parents, Mr. and Mrs. Homer Joe Sparkman. Mrs. Beulah Deguire is in

Granbury with her children while recuperating from painful fall she received in De Leon recently and Mrs. Alice Brooks of Abilene is here with her father "Uncle" Dave Deguire. Quite a few visitors were in church services Sunday morning. They are Rev. and Mrs. R. B. Hall and children and her mother, Mrs. Lucille Taylor, Mr. and Mrs. Roy Ayers, Mrs. Jack Koonce of Odessa and Mr. and Mrs. Billy Don Zenke of Weatherford. Mrs. Barbara Lyons had surgery in Fort Worth last week and is doing fine. Quite a number were in Stephenville Monday to attend the funeral of Mrs. Paula Carter, daughter of Mr. and Mrs. Homer Joe Sparkman.

Mr. and Mrs. Howard Iley were here on the weekend to visit her parents, Mr. and Mrs. LeRoy Burleson. Visiting Ethel Keith for the weekend were Mr. and Mrs. T. R. Wilcoxson and grandchildren, Kerry, Terry and Justin of Odessa, Mrs. Mack Keith and children, Mike, Steve, Larry and Terri of Monahans, and the C. M. Gutherys. Mr. and Mrs. Curley Craig had several of their children in for Easter. They were Mr. and Mrs. Bill Craig and children of Comanche, Mrs. Maxine Lawless and children of De Leon, Mr. and Mrs. George Zummer of Fort Worth, Mrs. Mary Sue Hall and children of Abilene, and Mr. and Mrs. Eddie Allen of Deer Park at Houston. Mr. and Mrs. Kenneth Pauls of Topeka, Kans. have pur-

GRANDSON OF MR. AND MRS. C. R. DAY INJURED BY CIRCUS ELEPHANT
Conan Burnes, three year old son of Mr. and Mrs. Sammie Burnes of Sour Lake, will remember his first circus for many years to come. Sammie had carried his young son to the circus March 28 and while viewing the elephants, the young child was snatched from his father's arms by an elephant and thrown to the ground, when the father fought to get the child back. The child was trampled by the animal and received a dislocated shoulder and a broken arm and body bruises. He was knocked unconscious and the mouth to mouth resuscitation his father rendered, probably saved his life. The infant was rushed to St. Elizabeth Hospital in Beaumont for treatment after being treated at the scene by the family physician. The elephant knocked Mr. Burnes down twice while he was trying to rescue the child. Mr. and Mrs. C. R. Day of Gorman, grandparents of the child, had arrived in Sour Lake on Monday for the Easter holidays with their daughter. They returned home Friday and stated the child had returned home and was recovering satisfactorily.

chased a mobile home and have moved it in by the side of Mr. and Mrs. Curley Craig. Welcome! Mrs. Nannie Guthery is visiting in Irving with her children, Mr. and Mrs. Rob Guthery and Mr. and Mrs. Chubbie Foreman and children. Billy Paul Lewis's family are here visiting with his brothers and sister. —GP—
