### Get a new NO-FROST refrigerator-treezer that never needs defrosting

You can say goodbye to defrosting-one of the messiest of kitchen chores-once you install a no-frost electric refrigerator-freezer. Because frost never forms-either in the refrigerator or freezer sections-there's no layer of ice to take up needed storage space. You can store more packages of frozen foods . . . the packages won't stick together . . . and there's no frost to make labels hard to read. Ice trays come out easily, too, without pounding, pulling or hammering. See the new no-frost electric refrigeratorfreezers at your dealer's soon.

# **Attention Peanut Farmers**

We are offering for your consideration Starr Peanut Seed as follows:

Registered Starr in Large, Regular, Medium and Small sizes

Certified Starr in Large, Regular, Medium and Small sizes

Commercial Starr in Regular and Medium sizes

These peanuts were grown under contract for us in Caddo County, Oklahoma. They were grown on irrigated land under ideal weather conditions, cured in the field to low moisture content before combining and delivered to our warehouses in bags.

These peanuts will meet all Federal and State seed law requirements.

Samples of our seed can be seen at our office in Gorman, Texas. Our dealer in your area will also have samples in the near future. We invite you to see what we have to offer before you buy your seed requirements for 1966.

In case we do not have a dealer near you and you would like to see a sample of these seed, just fill out and mail the coupon at the bottom of this ad.

concepts and the principles.

But the Congress was not all assemblies, etc., there was relaxation - ping pong, volley ball, horse shoes, washers, etc. This was planned by the leaders-youth leaders. Andy Hamilton, Eastland County delegate from the Ranger 4-H Club, was a member of this group and planned this part of the program as well as participating as a leader..

Recreation was in the form of night parties. Monday night the theme for the party was "The Jet Set," the participants were divided into groups and given tickets for a trip around the world by jet. One of the stops was London, in which Eva Thompson, Ranger 4-H member, and also a delegate to the Congress, was responsible for the decorations and directions for the games -'London Hats'. Miss Thompson led the six different groups in this game as a part of the jet trip.

Robert Harbin, Eastland 4-H Club member, served as a member of the group living committee. This committee kept the members of the Congress aware of certain college rules which had
