Sunday afternoon at 2:30 Kokomo Baptist held worship services. The Church of Christ came at 6:30.

Monday we get the news out, visit with patients. On Tuesday afernoon at 1:30 we had the lobby full of residents to play Bingo. They always look forward to playing.

Have had quite a lot of flu so we had to call off Bible Study Wednesday, at 2:00, as the ministers were all sick.

Thursday was a big day. We had our monthly birthday party and celebrated seven birthdays, six ladies and one man They always have a nice time. The home always gives corsages for ladies and after shave for the men. The H. D. Club of Kokomo does this once each month for the residents. The ladies helping were Nancy Hendricks, Ava Rodgers, Anna Laura Clearman, Bernce Rodgers, and Billie Stacy, also Mrs. Elbert Bennett, Yancy Buchanan, Mrs. E. J. Whitlock and Mrs. Whitlock.

Also Mrs. LaVerne Jackson and Mrs. Delbert Smith of Carbon Baptist Church came to visit and heped us with the party. These ladies of HD Club are to be highly commended for this. They served cake and punch to all the residents. Iris Smith does the cake making. They are very good. Thanks Iris.

The gas age is ending for electric power plants.

The Texas Railroad Commission says electric companies must begin phasing out the use of natural gas for making electricity.

It won't be easy. Today most of your electricity comes from power plants that burn gas.

But Texas Electric has already acquired new fuels to reduce our use of natural gas. We have two lignite coal plants in operation and several more planned or under construction. We're also national average.

building a nuclear power plant.

There's no choice. We must build new power plants, and building these plants costs a lot of money. That's one reason electricity is costing you more. But it's the only way to make sure you'll have the electricity you need, at rates still much lower than the Company
