## Dorcas Class Supports Gorman Fire Department

Joy Rogers and Becky Bussey are shown presenting a donation to Jim Guthery, Chief of the Gorman Fire Department on Monday evening, June 6 on behalf of the Dorcas Class of the Gorman Church of Christ. The group wanted to show appreciation for the dedication and service the Fire Department provides to our entire area. A donation was also made to the Desdemona Fire Department at the final meeting of the semester of the Dorcas Class on May 17. Pictured above are (Second Row) David Stanley, Stephen Watson, Treasurer, Justin Underwood and Michael Moore, Secretary. (Front Row) Charlie Torrez, Assistant Chief, Adam Torrez, Dylan Cogburn, Captain, and Lupe Torres.

## Miss Gorman and Little Contest Is In Full Swing

The Miss/Little Miss Gorman contest is in full swing. All of the girls have cans out in local businesses and the Miss Gorman candidates are busy with many projects. Please help them out by supporting them. This money will go back into community projects through the Chamber of Commerce. The contestants this year are:

- Miss Gorman**  
 Mykisha Hampton - Chamber of Commerce  
 Rachel Tucker - Lion's Club  
 Alaina Swanner - Fire Department
- Little Miss Gorman**  
 Brooke Gillen - Chamber of Commerce  
 Markee Simmons - Lion's Club  
 Kyndall Scitern - Fire Department

The pageant will be held Saturday, June 25th at 7:00 p.m. in the High School Auditorium. Come and see who will be representing Gorman for the 2011-12 year. A special thanks to Cortney Shirley and Crystal Gonzalez for spending many hours preparing the float and representing Gorman in many parades and events during the past year.

## Firstfruit's Children's Ministry Continues Throughout the Summer

Firstfruit's children's ministry continues through the summer with "Summer Fun IN the Kingdom." Kids ages 6-12 are invited to come Mondays at 7:00 pm to join in the summer FINK nights. Not CIA but just as fun and exciting. Summer FINK nights will also include some special events, which include a Wii tournament, a Movie Night and more. So everybody think FINK and join us on Monday.

The FCF kids are also in fund raising mode to raise money for camp. Our first project is "The Sweets of Gorman" The kids are out taking orders for some wonderful homemade desserts and baked goods. We will deliver on the Saturday before Father's Day (hint hint). If the you would like to order call 734-3203. Thank you for supporting the kids as they earn their way to camp.

Attendees will furnish their own materials. Meeting times are 9:00AM to 11:00AM starting on Tuesday, June 14. To register to be a part of this group, please call Monda Oldham at 734-4508.

## Gorman Oaklawn Cemetery Working Slated June 11th

The Gorman Oaklawn Cemetery Association will hold its Twentieth Annual Meeting on June 11th at 2 p.m. at the Gorman Housing Authority Hotel Apartment Building in Gorman. Thanks to all those who express concern for the care of the cemetery. If you have a loved one, family or friend buried there, you should be interested in its care. Your participation is important to quality care of the Cemetery.

We live down the road from Frank Gray Memorial Park. We do think it was definitely a tornado. The wind got up very quickly and there was a loud roaring noise. Then it was over and the barn had been moved. We had some tree damage also. TV antenna was blown over. But we feel so lucky. It could have been much worse.

Thanks - Gwen and Bobby Jack Cumbie

**Services Pending For George Rodgers**

George Rodgers, of Gorman, passed away on Tuesday, June 7, 2011 at Graham Oaks Care Center in Graham, Texas. Funeral services are pending with Nowlin Anders Funeral Home of De Leon. A complete obituary will be published next week. Online condolences may be posted to [www.nowlinandersfh.com](http://www.nowlinandersfh.com).

**"On The Wilder Side"**

It was quiet that day, the guns and the mortars, and land mines for some reason hadn't been heard. The young soldier knew it was Sunday, the holiest day of the week. As he was sitting there, he got out an old deck of cards and laid them out across his bunk.

Just then an army sergeant came in and said, "Why aren't you with the rest of the platoon?" The soldier replied, "I thought I would stay behind and spend some time with the Lord."

The sergeant said, "Looks to me like you're going to play cards." The soldier said, "No, sir. You see, since we are not allowed to have Bibles or other spiritual books in this country, I've decided to talk to the Lord by studying this deck of cards." The sergeant asked in disbelief, "How will you do that?" "You see the Ace, Sergeant? It reminds me that there is only one God.

The Two represents the two parts of the Bible, Old and New Testaments. The Three represents the Father, Son, and the Holy Spirit. The Four stands for the Four Gospels: Matthew, Mark, Luke and John. The Five is for the five virgins that were ten but only five of them were glorified. The Six is for the six days it took God to create the Heavens and Earth. The Seven is for the day God rested after making His Creation. The Eight is for the family of Noah and his wife, their three sons and their wives the eight people God spared from the flood that destroyed the earth. The Nine is for the lepers that Jesus cleansed of leprosy. He cleansed ten, but nine never thanked Him. The Ten represents the Ten Commandments that God handed down to Moses on tablets made of stone.

The Jack is a reminder of Satan, one of God's first angels, but he got kicked out of heaven for his sly and wicked ways and is now the joker of eternal hell.

The Queen stands for the Virgin Mary. The King stands for Jesus, for he is the King of all kings.

When I count the dots on all the cards, I come up with 365 total, one for every day of the year.

There are a total of 52 cards in a deck; each is a week - 52 weeks in a year. The four suits represent the four seasons: Spring, Summer, Fall and Winter.

Each suit has thirteen cards - there are exactly thirteen weeks in a quarter.

So when I want to talk to God and thank Him, I just pull out this old deck of cards and they remind me of all that I have to be thankful for." The sergeant just stood there. After a minute, with tears in his eyes and pain in his heart, he said, "Soldier, can I borrow that deck of cards?"

## Happenings At FBC!!!

Ownership! All that we have has been given to us by God, so who is the real owner? "Tithe" is often misunderstood; it's truly an act of giving your time, talents, and money to God. May you be blessed and may God be blessed by your personal offerings to further His work.

Mark your calendars:

**June 6th thru 10th - VBS - The Big Apple Adventure - Come & bring your friends!!!**

**June 11th - 8am - Brotherhood Breakfast - Come & enjoy fantastic fun, food, & fellowship!**

**Wednesdays: Youth at 6:30pm. Bring your friends!!!**

Children's Sermon: Traci showed the children sticks that she picked up from her yard. It was easy for Jordan to break one stick in half, however when several sticks were wrapped together they could not be broken in half. By ourselves we can easily be broken, yet when people come together in Church we stand strong. The Bible says when two or more are gathered together Jesus is with us. Worshiping together, standing up for each other, and praying together makes us stronger and hard to break.

Bro. Barry's Message: "Important Words" - Ephesians 4:29 - Vacation Bible School uses simple words to reach children for God. The words of our Nation's Supreme Justices have a direct effect on people and our Country. Our lifetime has shown us unprecedented tragedies, disasters, war, tsunamis, hurricanes, tornados, earthquakes, floods, etc. People may try to remove the words "In God We Trust" from our Nation, but they can never remove the Word's of God from our hearts. Words are infectious! Let the Holy Spirit renew your spirit & attitude, and may your words help to build others up according to their needs.

Human Building Blocks:

I. Appreciation. - Frustration and anger accomplish nothing. Allow your loved ones to increase in value & worth for who they are and what they do. Let them know you appreciate them.

II. Encouragement & Affirmation. - Build up and don't tear down. Vows must be words backed by commitment.

III. Blessing. - Sneezes spread disease, hence the phrase "God bless you". Words that make others feel better are those that bless them.

IV. Confession. - To whom do you tell? Jesus never leaves you, open yourself up for a closer walk with thee. How do you respond to the Word of God? Do not bring sorrow to God's Holy Spirit by the way you live! If you are reading this and you have not accepted Jesus Christ as your Lord and Savior please call Bro. Barry, ask Bro. Barry to talk with you about being saved or just ask him to pray with you, just call (254) 734-2420.

Our Worship Service begins at 11:00AM on Sunday Morning - please come & join us!

Remember: God loves you like no one else!

### A Letter To The Editor

#### About The Call

By Henry A. Buchanan

"Send me, no matter the mission." I know the President has plenty of problems with Republicans wanting his job, without me nit picking about his reference to Old Testament prophets, but I think he got Isaiah wrong. And it was not necessary because Jesus had already told us what the Call/Send was about.

Not about trying to get the Afghan war to go right by calling in a strike that killed fourteen woman and children in their home.

Not about dilly dallying around on the question of whether to get out of Iraq or stay and help them run their own business with us to pay their bills.

Not a call to invade Pakistan in order to kill Osama bin laden in his rocking chair with his three wives looking on. No even a call to unseat all the rulers who have been in office too long in the Middle East.

No. The call to Isaiah, and then to Jesus, and to us, was/is to get the message across to the nation that trouble was brewing and people had better start thinking in new ways. That's the meaning of Repent. But good things would happen to them, like getting their eyes open and being let out of prison, and heaven would come on earth IF they changed their way of doing things.

But the Call was not to kill and destroy and turn people out of their homes, and make them so desperate they would kill themselves to take some of use with them.

Yes. Send me, Lord. The Mission DOES matter. The Mission is Life, not Death.

Hear this Call, "Christian America." Send us, Lord, to love our enemies, and to pray for the people we are now cursing and killing.

## Gorman City Minutes

MAY 19, 2011

The Gorman City Commission met on the above date. Those present were Mayor Robert Ervin, Commissioners David Stanley, Durward Webb, and Joe Casey. Absent was Nathan Files. Also attending were Kenneth Good, Barbara Fenley, and Glenn Sciern.

Joe led the opening prayer followed by the Pledge of Allegiance and the Texas Pledge.

At this time Commissioners Places 1 and 3 were sworn in. They will be Kenneth Good Place 1 and David Stanley Place

3.

Mayor Ervin called the meeting to order @ 5:31 p.m.

David made the motion to approve the minutes of the previous meeting. Joe made a second. Motion carried 4-0.

After discussion and questions on the bills David made the motion to approve for payment including the Utility Service bill. Durward made a second. Motion carried 4-0.

Barbara and David made note that Billy Carson's ninety day probation period was complete the end of April. Joe made the motion to raise Billy's wage .50 per hour and he will be added to City insurance. Durward made a second and motion carried 4-0.

Robert had notified Water Tower Maintenance to submit a bid on the water tower repairs. The Commission had extended discussion about the situation and agreed that the Utility Service bid/contract was going to be much too expensive for the City to absorb, and the Commissioners and Mayor were not pleased with the work that had been performed. Joe made the motion to move forward with the bid submitted by the past and current service, Water Tower Maintenance Inc. to send a contract for repairs and to acquire their services again. Durward made a second. Motion carried 4-0. (a copy of the contract / bid will be attached to these city minutes)

The historical marker / ordinance will be tabled again for the next meeting.

The 2nd reading of Ordinance #2011-01 Adoption of Budget for Fiscal Year 2011-12 was read at this time.

David made the motion to pass and adopt said ordinance with a second from Durward. Motion carried 4-0. Final budget figures will be submitted at the first meeting in June.

An appointment resolution was presented to the City Commission for the reappointment of Daryl Hirst to the Upper Leon River Municipal Water District Board. Durward made the motion to approve this reappointment of Mr. Hirst to the board. Joe made a second to this motion. Motion carried 4-0.

Texas Municipal League issued checks for Gorman Fire Department trucks and equipment for damages received during the April 15, 2011 fire on CR 323. Joe made the motion to deposit the checks which were made out to the City in the City General account and then issue payment by City check to the Gorman Fire Dept. for the total amount and allow the fire department to over see the repair procedures. David made a second. Motion carried 4-0.

Contacts will be made to persons or residents owning livestock. It will be the owner's responsibility to show adequate proof indicating proper acreage for that number of livestock. Owners will be given ten (10) days to comply. The Commission also made note that the City crew needs to keep documentation of which fire hydrant was flushed and how long it ran.

At 6:30 p.m. David made the motion to go into Executive Session. Joe made a second. Motion carried 4-0.

At 6:45 p.m. Durward made the motion to adjourn from Executive Session and return to Regular Open Session. David made a second. Motion carried 4-0.

There being no further business for discussion David made the motion to adjourn with a second from Joe. Motion carried 4-0, time was 6:50 p.m.

## Pig Tales From Hogtown

Thanks to everyone who came to breakfast last Saturday morning – we had a great crowd and great food!

We welcome the Senior Citizen Dance from DeLeon back to the DAC on Monday nights. I know it is a longer drive to come to Desdemona, but we hope you can come and join us.

Friday will be our regular second Friday of the month dance with Johnny Johnson and the Memory-Makers. The music starts at 7:00 and the concession stand opens at 6:00.

Even though the burn ban is not on in Comanche county, please be very careful if you plan to burn. The winds we have dry things out very quickly.

Now that summer is here, bring the kids to the library at the DAC. We have lots of great books – they will be able to practice their reading skills. The library is open Tuesday, Wednesday and Thursday from 3:00 until 5:00 and on Tuesday evenings from 6:00 until 8:00.

See you in Desdemona!  
Carol Pell

## AG VIEW POINT

By: Heath Begeman  
**Grasshopper Control**

Grasshoppers deposit their eggs 1/2 to 2 inches below the soil surface in pod-like structures. Each egg pod consists of 20 to 120 elongated eggs cemented together. The whole mass is somewhat egg-shaped. Egg pods are very resistant to moisture and cold and easily survive the winter if the soil is not disturbed. Grasshoppers deposit eggs in fallow fields, ditches, fence rows, shelter belts and other weedy areas, as well as in crop fields, hay fields and alfalfa.

Eggs typically begin hatching in late April or early May. Hatching peaks about mid-June and usually ends by late June. Young grasshoppers are called nymphs. They look like adults, but are smaller and have wing pads instead of wings. Nymphs go through five or six developmental stages and become adults in 40 to 60 days, depending on weather and food supplies. The adults of grasshopper species that damage crops become numerous in mid-July and deposit eggs from late July through fall. Usually only one generation of grasshoppers is produced each year.

One way to control grasshopper populations is to eliminate sites where they might deposit eggs. Grasshoppers prefer undisturbed areas for egg laying, so tilling cropland in mid-to late summer discourages females. Tilling may reduce soil moisture and contribute to erosion, but those disadvantages must be weighed against potential grasshopper damage to the next crop.

Farmers and ranchers should start watching for grasshoppers early in the season and begin control measures while grasshoppers are still nymphs and still within the hatching sites (roadsides, fence rows, etc.). Treating grasshoppers early means:

- 1) having to treat fewer acres and use less insecticide,
- 2) killing grasshoppers before they cause extensive crop damage, and
- 3) killing grasshoppers before they can fly, migrate and lay eggs.

Also, smaller grasshoppers are more susceptible to insecticides than larger ones.

In some situations chemical control may be necessary. Sevin 4F, 80S, 80 WSP and XLR Plus are labeled for grasshopper control on range and non-crop land. There are insecticides labeled for individual crops. For complete list call the Texas AgriLife Extension Office, Heath Begeman, County Extension Agent-Ag, at 254/629-1093. Only apply pesticides according to what is printed on the label.

## Fresh Taste of Summer Year Round

When you grow your own vegetables there will be times when you have too much to eat right away, so you basically have three (3) choices: give it away, put it on compost heap, or find a means of storing it in good condition. Freezing sounds like the perfect solution, but it is not just a matter of sticking it in the freezer. So if you want your vegetables to taste and look as good halfway through the winter as they did when you picked them, you need to blanch. And it is worth learning how to do it properly, because sloppy blanching results in sloppy vegetables.

Blanching (scalding vegetables in boiling water or steam for a short time) is a must for almost all vegetables to be frozen. It stops enzyme actions which can cause loss of flavor, color and texture. Blanching cleanses the surface of dirt and organisms, brightens the color and helps retard loss of vitamins. It also wilts or softens vegetables and makes them easier to pack. Blanching time is crucial and varies with the vegetable and size. For home freezing, the most satisfactory way to heat all vegetables is in boiling water. Use a blancher which has a blanching basket and cover, or fit a wire basket into a large pot with a lid. Use one gallon of water per pound of prepared vegetables. Put the vegetables in a blanching basket and lower into vigorously boiling water. Place a lid on the blancher. The water should return to boiling within 1 minute, or you are using too much vegetable for the amount of boiling water. Start counting blanching time as soon as the water returns to a boil. Keep heat high for the time given in the directions for the vegetables you are freezing. As soon as blanching is complete, vegetables should be cooled quickly and thoroughly to stop the cooking process. To cool, plunge the basket of vegetables immediately into a large quantity of cold water, 60 degrees F or below. Change water frequently or use cold running water or ice water. If ice is used, about one pound of ice for each pound of vegetable is needed. Cooling vegetables should take the same amount of time as blanching. Drain vegetables thoroughly after cooling. Extra moisture can cause a loss of quality when vegetables are frozen.

If you need more information about freezing vegetables and blanching times, please contact Halee Mitchell at 254/629-2222 or attend a Food Preservation Workshop sponsored by Texas AgriLife Extension Service on June 8, 2011 starting at 1:30 p.m. to 3:00 p.m. This workshop will be conducted in the Eastland County Courthouse Annex, 1st Floor, formerly the Eastland Drug Building. Cost of the class will be \$20.00 per person. The workshop will cover food safety in home food preservation, boiling water bath canning, pressure canning, freezing, jams and jellied food products, drying foods, pickles and fermented foods. Bring your pressure cooker lids to be tested as well. Your pressure cooker should be tested every year before you use it. It does not matter if you are a first-timer or experienced home canner, this workshop will help you discover new tastes, easy recipes, methods and the benefits of canning. By preserving farm fresh produce, everyone can discover delicious results all year long.

For more information or to register for this workshop, call Halee Mitchell, Eastland County Extension Agent at 254/629-2222 or hdmitchell@ag.tamu.edu.

## Funding Priorities Needed for EQIP Program

The USDA Natural Resources Conservation Service (NRCS) and the Upper Leon Soil and Water Conservation District (SWCD) invite the public and any agencies with an interest in conservation issues to participate in a Local Work Group (LWG) meeting to be held at 301 Hwy 3381 in Comanche. This meeting will be on June 15 at 3:00 p.m.

The purpose of this public meeting is to receive input from farmers, ranchers, local agencies, organizations, businesses, and other individuals who have an interest in natural resource concerns and needs in Eastland County.

Input received will allow the LWG to make recommendations on resource concerns to be addressed for eligible practices and ranking for county based funding. Recommendations provided by the LWG meeting will be reviewed by the State Technical Advisory Committee (STAC) to help implement the Environmental Quality Incentives Program (EQIP), and other conservation programs offered by NRCS.

The 2008 Farm Bill stipulates that conservation programs must continue to be locally led. Through stake holder meetings, the public is given an opportunity to help local conservation leaders set program priorities. Funding for these programs may be made available to eligible producers through the application process.

For more information, call the USDA-NRCS office in Eastland at (254) 629-1636 ext. 3. NRCS office locations and program information can be found on the Texas NRCS website at www.tx.nrcs.usda.gov.

Persons with disabilities who require special accommodations and/or alternative means for communication of program information (Braille, Large print, audiotape, etc.) associated with this meeting should contact ShaMarie Tamminga at (254) 629-1636 ext. 3 at least two (2) weeks prior to the meeting with his/her specific request.

## Gorman Vol. Fire Department Needs Your Help and Donations

The Gorman Volunteer Fire Department needs your help! During the tragic events of the April 15th wildfire, Gorman VFD truck "Attack 5" was destroyed on Eastland County Road 323. Both the vehicle and associated firefighting and communications equipment were a total loss, and injuries were sustained by all three firefighters staffing the truck. This vehicle was the Gorman VFD's only large brush/attack apparatus in the fleet, and filled a lead role in providing protection on both structure and wildland fires, and must be replaced.

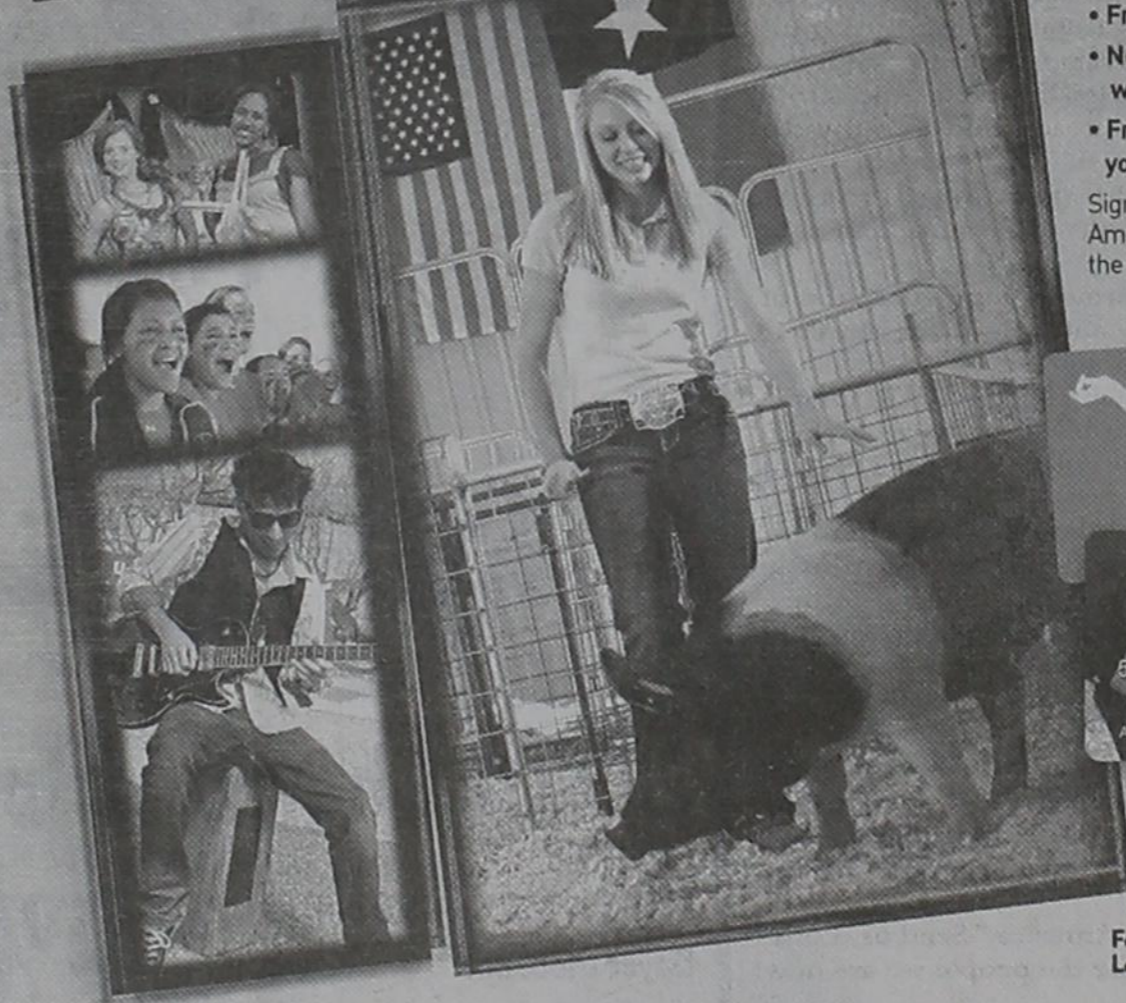

Having only liability insurance coverage, the realized cost of replacement is approximately \$86,000 including the chassis, upfit, and equipment.

In addition to financing options, the Gorman VFD, in cooperation with the City of Gorman, is seeking emergency funding through a FEMA Fire Management Assistance Grant. However if secured, this grant will at best finance only 75 percent of the replacement cost.

Tax deductible donations of any amount can be made to: Gorman VFD Truck Replacement Fund, American State Bank, 115 South Fisher St. Gorman TX, 76454. Or at any American State Bank Branch. Thank you for your support!
