

### Halloween Parade Success

This year's Halloween Parade was another Big Success with over 125 kids participating. This year the parade was even larger than in the past - thanks to the parents who dressed up and paraded down main street with the kids. We had more spectators!!! So I have to say this was the best "Halloween Parade" ever.

I want to Thank Judy Morris, Bonnie Scitem, Pat Graham, Fred and Joy Rogers and Joe Simpson and Randy Laverich for helping with the parade.

I also want to Thank all the Sponsors for their generous donations - Heritage Manor, Steve and Laura Singleton, Gorman Progress, Video Mart, Gilmore's Auto, Bob Slampa, Smith Recycled Furniture, Higginbotham's, Ed Cox Racing, Foster Floral, The Nut House, Gorman Pharmacy, Farley and Seaton Feeds, Frasier Auto, Smith Chevron, Gold Metal Imports, E'LAN's & Co., Time-

Keepers, Dick and Gayla Troutman, Birdsong, Granny's Goodies, ZJ's Steakhouse, Security State Bank, Bob's Grocery, City Grocery, Shirley's Air Conditioning, Opry House, Donnie Rodgers, Troy and Fannie Underwood, and to everyone who donated at City Grocery.

Thanks Again, Ina Scitem

#### CARD OF THANKS

The family of Cleo Ellen (Skaggs) Clement wishes to thank all of our friends and loved ones for helping us celebrate the good memories we all have of our Mother and Grandmother.

We wish God's blessings on all of the people at Heritage Manor who cared for her and all of her friends who visited her during her stay there. We also thank the people at Higginbotham Funeral Home for their help with the memorial arrangements and for their courtesy during the time of visitation at the funeral home.

The words of encouragement, the prayers and the scriptures read by the ministers, Brothers Richard Watson, Clarence Wilson and Craig Rhoton, who helped with the memorial service, is appreciated more than we can express.

The music presented by the New Hope Singers and the Messenger's Trio was uplifting to all of us. Music was a very important part of Cleo Clement's life.

Thank you to all of the friends who brought food to Lester and Sue's home for the family and for all of the beautiful flowers.

A special thanks to the women from First Baptist Church and New Hope Baptist Church for furnishing food for lunch and to the First Baptist Church for furnishing a facility for this lunch. Allowing the family to all get together to eat lunch, visit, and recall some wonderful memories, was like having a family reunion.

May God bless all of you for helping us remember the good times we had with our mother and grandmother.

## Panthers End Season With Loss To Rising Star Wildcats

### GAME AT A GLANCE

Gorman		Rising Star
12	First Downs	11
42/215	Rushes / Yards	39/166
26	Yds Passing	45
3 of 7	Passes Completed	2 of 3
1	Interceptions	0
1	Fumbles	2
3/19	Punts/Avg.	3/31
3/35	Penalties	4/30

The Panthers ended their season on a bad note on Friday night when they met the Wildcats in Rising Star and were defeated 23 to 7. The Wildcats scored in all four quarters to take the District 8A win. The Panthers had a 4-4-1 mark for the season.

Things started off on a bad note for the Panthers. They took the opening kickoff and were forced to punt from deep in their own end of the field. The snap from the center went over the head of the punter and rolled into the end zone where it was recovered by Sanchez of Gorman and the Wildcats had a safety and a 2 point lead.

The Wildcats added to their lead with 5:33 left in the second when they took over on their own 17 and went the distance in 10 plays with Salazar getting the final 6 yards on a run. The kick for point failed and the Wildcats led 8 to 0 at the halftime intermission.

Both the Wildcat Band and the Panther Marching Band put on a good show for the fans. The Gorman Band performed a routine that was made up by the Senior Band members. It was very good.

Then in the third period the Wildcats took the kickoff on their own 31 and scored in 14 plays, aided by a 15 yard penalty on a third down and 19 for a first down for the Wildcats. The score came on a 1 yard run by Williams with 3:09 left in the period. The kick for point was good and Rising Star led 15 to 0.

The Panthers came back to make the game closer in the fourth period when they got the ball on the Wildcat 35 and scored in 6 plays with Sanchez getting the score on a 9 yard run with 7:05 left in the period. Sanchez booted the extra point and put the score at 15-7.

But the Wildcats were not to be denied the win when they took the short kickoff and returned it to the Gorman 36. From there the Wildcats rolled in the for the score in 6 plays. Salazar ran for 26 yards on the first play and got the final 2 yards on a run with 3:08 left. A pas try was complete for the 2 pointer and the final score was 23-7 as the Panthers could not move the ball in the final minutes.

Margarito Sanchez led the Panthers with 108 yards on 14 carries and Jeremy Bryan had 98 yards on 16 tries. Adan Rodriguez got 13 yards on 4 carries.

The Panthers had a disappointed season after being picked to take second place in district. They were hurt by injuries to key players and that had a lot to do with their 4-4-1 record. There were 9 seniors on the team this year and they will be missed on next year's squad.

The Panthers played their hearts out all year and they just had some bad breaks in several games. But the Gorman fans are very proud of their Panthers.

See you next season!!!

DEFENSE -- The Panthers stopped the Wildcat runner for short yardage in the game. Shown are Robert Seaton, Adan Rodriguez, Reece Clark and Margarito Sanchez.

REACHING FOR IT ALL -- Jeremy Bryan is shown stretching for more yards in the game Friday. Blocking for Jeremy was Cy Cypher, Lonnie Grumbles, and Leslie Wood.

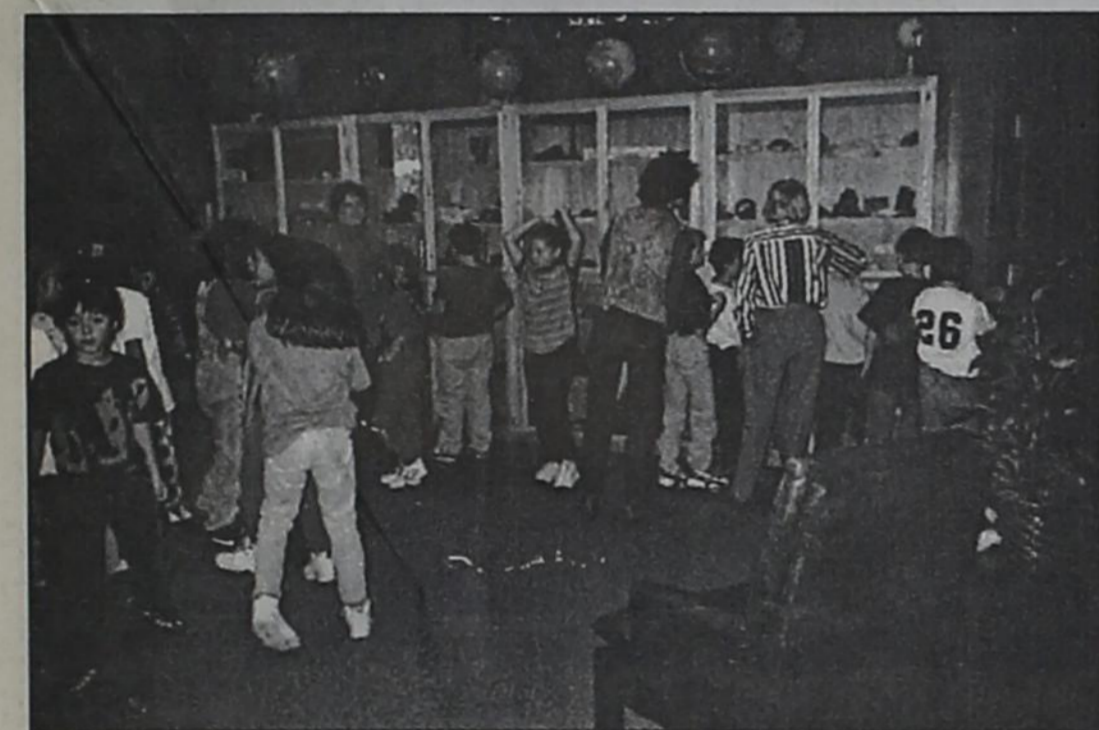

BREAKING FREE -- Margarito Sanchez is breaking free of the line of blockers in game action Friday. Blocking for Margo is Jamie Gilder, Chris Carlton, and Jace Underwood.

THE LAST THREE WEEKS PARTY -- The Last Three weeks party everyone had a good time. The people participating were Roberto Rodriguez, Kaly Porter, Melinda Leal, Chris Smith, Marcie Davis, Casondra Cooper, Clarissa McGlothlin, David Earles, Crystal Williams and Crystal Snider. We played toilet paper roll up and trash can basketball. Everyone had a wonderful time and we hope we can have more people participating next time.

### Third Grade Classes Visit Planetarium & Tour the Reporter-News In Abilene

Here students and their sponsors can be seen examining the rock collection and displays at the Abilene Planetarium.

Inside the Abilene Reporter New, Shannon Ables the tour guide, explained the work done in each department as the students gathered around.

On Tuesday, October the 29th, Mrs. Caraway, Mrs. Spivey, Paula Lewis, and Brenda Gibbs accompanied the third grade classes on a field trip to Abilene. At the Planetarium for the Abilene school system, Mrs. Baber displayed the solar system, the star constellations, and explained astrology to our students as she displayed the night sky on the planetarium dome above their heads. In the lobby of the planetarium the students examined collections of rocks and meteorites as well as an astronaut's suit on loan from the NASA Space Center.

The students enjoyed a picnic lunch at Rose Park and played on the elaborate playground equipment in the park before going on a tour of the Abilene Reporter New in the afternoon. Students were able to see the huge three story printpresses of the Abilene Reporter News in operation. These presses used many rolls of paper which would be 5 miles long if stretched out one each edition of the newspaper that is printed. Since the newspaper uses so much paper, students were encouraged to recycle paper and old newspaper so that more trees can be saved. Our students learned that advertisements in the newspaper pays for 85% of the cost of each newspaper with a full page color advertisement in the Sunday paper costing as much as \$4,000.00 per page.

Field trips such as this one are an extension of school because they round out our children's education and enable them to have a better understanding of the world around them.

Third grade students enjoying this trip were the following students: Andy Abbe, Krista Brown, Zachary Bryan, Amber Erwin, Seth Harley, Kevin Lewis, Gerry Mendoza, Summer Olvera, Timothy Patel, Sharla Perez, Nathan Ritter, Jesse Simpson, Kendra Swanner, David Wilkins, Justin Willey, Keri Campbell, Clayton Graham, Blake Gibbs, Armando Giles, Gary Green, Timothy Guerra, Nikkie Keith, Sandra Lara, Esteban Leal, Amber Lewis, Cindy Lopez, Kia McCarty, Sterling McCauley, James Perez, and Samantha Region.

### Sixth Graders Dress Up For Extra Credit

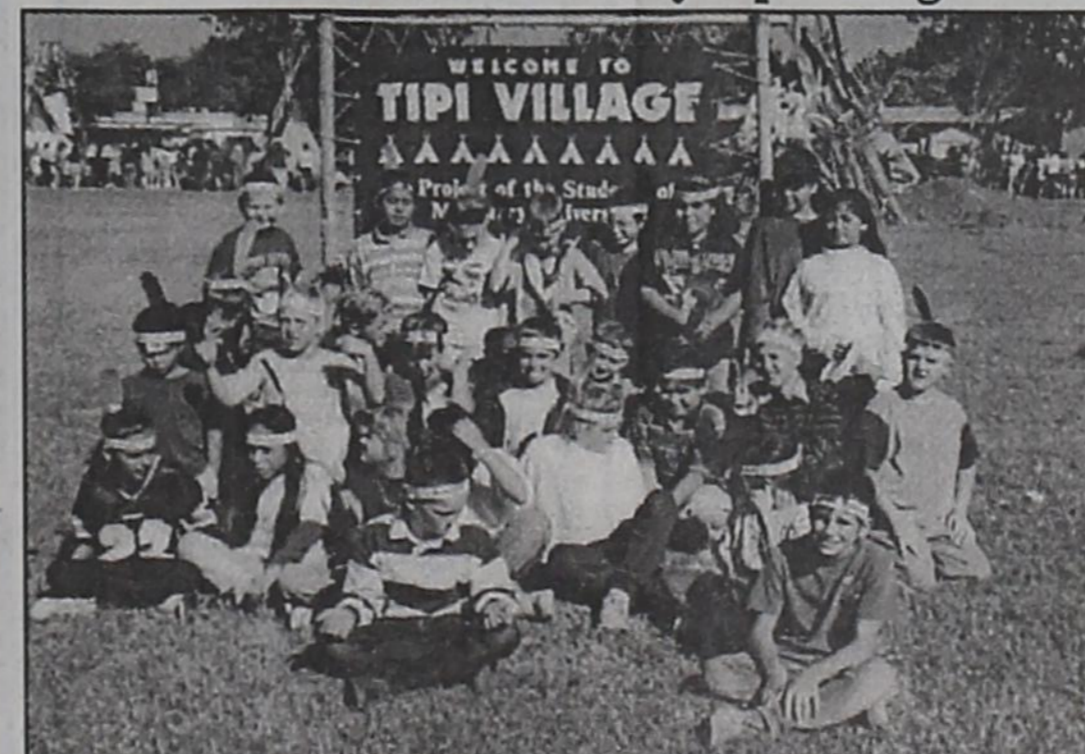

Dawn Roberts

The Sixth Grade had a chance to get Extra Credit. They had to act like a President, and dress like a President. Dawn Roberts and Jacob McCaullough made extra credit. Jacob is not pictured. The teachers have been teaching them about presidents and campaigning. The teachers as well as the students really enjoyed the presentations.

### Fourth Graders Visit McMurry Tipi Village

The fourth grades visited the McMurry Tipi Village in Abilene on October 25. They received Indian headbands to wear as they toured the many beautiful teepees. McMurry students gave informative talks about each Indian tribe. Justin Snider, a McMurry freshman visited with us while we waited in line. Then on Tuesday, October 29th, we had the opportunity to visit the Abilene Planetarium. This is always a wonderful place to visit.

### Eastland Co. 4-H Ambassadors Will Help Decorate Yards

The Eastland County 4-H Ambassadors will assist citizens of the community with yard work and decorations for the holiday season. Let them help you set up yard props, Christmas lights, rake leaves or wash your windows.

The Ambassadors are charging a minimum fee of \$20 and will accept additional donations for large jobs.

The 1996-97 Eastland County 4-H Ambassadors are Hanah Nicks, Jessica Keith, Rachael Bush, Leslie Wood, Michael Keith, Pam Osborne, Amy Agnew, Blair Bailey, Jamie Agnew, Stephanie Hernandez and Jayce Blair.

This is a group of 4-H'ers who have been active in many areas of 4-H and now have the opportunity to represent 4-H to the public, improve their public speaking skills and gain leadership opportunities. They are providing this holiday service to raise funds for training and supplies for community service projects in the future.

### Midwest Texas Leaders Learn Communication Skills

Midwest Texas Leadership participants recently learned some important lessons about communication during their October training session.

"No undertaking succeeds without effective communication," said Faith Ballard, District Extension Director from Stephenville. Mrs. Ballard conducted a very interesting training for community leaders from Eastland and Callahan Counties who met at Cisco Junior College.

Class members had opportunities to practice their communication skills, both in giving and receiving information, through various activities. On activity included giving a one minute presentation about an object such as a box of matches, a rubber band, a penny or a small container of no-dairy creamer.

During another competitive activity, class members had to work in teams with one person who gave instructions to their partner who could not see or ask questions. Effective communication quickly became a top priority.

Mrs. Ballard also spoke about the importance of visuals, body language, individual communication styles, as well as tips for communication with the media.

Following lunch at CJC cafeteria,

### Colma Faye Pyeatt Laid To Rest Sunday

Colma Faye Pyeatt, 75, of Pasadena and formerly of Breckenridge, died Thursday in a Pasadena hospital.

Services were at 3 p.m. Sunday in Morehart Mortuary Chapel with the Rev. Cecil Harper officiating. Burial was in Breckenridge Cemetery.

Mrs. Pyeatt was born in Ivan and graduated from Breckenridge High School. She married L. D. Pyeatt in 1939 in Breckenridge and was a homemaker. She moved to Pasadena in 1969 from De Ridder, La., and was a member of Delphens, Art Association and Tarter Street Baptist Church, all in Pasadena.

Survivors include her husband, of Pasadena; one granddaughter, Alicia Evette Rudd of Pasadena; and two great-grandchildren; including a cousin Nancy Hendricks of Gorman.

which was provided by First National Bank of Cisco and West Texas Utilities, the group toured RAM, Inc., Danny Morris, a leadership class member from Cisco, his father Don Morris, conducted a very interesting tour to let the leadership group see their operation and learn about the industry in the area.

Adora Roberts and Mary Reeves of Gorman are participating in the leadership training.

"We want to thank First National Bank and WTU for the nice lunch and Cisco Junior College for the morning refreshments and the use of their facilities for the day. The leadership program is one that will benefit our communities and we really appreciate the local support and sponsorship," said Janet Thomas, Eastland County Extension Agent.

Midwest Texas Leadership members meet once each month to learn and develop qualities to help them become more effective leaders in their own communities. The training follows the Texas Rural Leadership guidelines and is being sponsored locally by Eastland County Texas Agricultural Extension Service, West Texas Utilities and Texas Midwest Community Network.

The meeting in November will be held at Ranger Junior College in Ranger.

### Local Students Given Opportunity

"Qualified high school students are offered a unique opportunity to spend an academic year or summer holiday in Scandinavia, Germany, France, Italy, Switzerland, Britain, Holland, Spain, Portugal, Brazil, Czech and Slovak, Republics, Poland, Mexico, Japan, Australia, New Zealand or Canada (French or English speaking) as part of the ASSE International Student Exchange Program," announced Jodi Schmidt, Southern Director of ASSE.

"Until a few years ago only a fortunate few could afford to spend a school year or summer abroad. Now, ASSE has changed all that," continued Schmidt. Students, 15 to 18 years old, qualify on the basis of academic performance, character references and a genuine desire to experience life abroad with a volunteer host family.

"ASSE families abroad are carefully screened to provide a caring environment in which student can learn the language and culture of their host country," explained Schmidt. Summer exchange students live with a family abroad who usually speaks some English. Year students need not have learned a foreign language as they receive language and cultural instruction as part of the ASSE program. ASSE students attend regular high school classes along with their new teenage friends. "ASSE exchange students learn by living the language and culture of their new host country," added Schmidt.

The nonprofit, public benefit ASSE International Student Exchange Program was founded by the Swedish Ministry of Education, cooperates with the Canadian Provincial Ministries of Education, and is approved by the Australian and New Zealand Departments of Education.

ASSE also provides international opportunities for American families to host students from Scandinavia, Germany, France, Switzerland, Britain, Italy, Holland, Mexico, Brazil, Thailand, Spain, Portugal, Poland, the Czech and Slovak Republics, CIS (former Soviet Union, Australia, New Zealand, Canada and Japan).

Students or families interested in more information about the ASSE program should contact Eula Mears at 817-734-2517 or call 1-800-473-0696.

**Robert W. Cox Departs On Six Month Deployment**

Navy Fireman Robert W. Cox, son of Odis R. Cox of Route 1, De Leon, Tx, recently departed on a six-month deployment to the western Pacific Ocean aboard the fast combat support ship USS Rainier.

Cox is one of more than 500 Sailors aboard the ship, which departed its home port of Bremerton, Wash., as part of the USS Kitty Hawk Battle Group. The battle group includes nine tactical aircraft squadrons, five surface combatants and two submarines and is replacing the USS Carl Vinson Battle Group, which has been deployed for the past five months to the western Pacific and Indian Oceans, and Persian Gulf.

USS Rainier is one of the largest underway replenishment ships in the world. Able to carry more than 177,000 barrels of oil, 2,150 tons of ammunition, 500 tons of dry stores and 250 tons of refrigerated stores. Cox's ship's primary role is to replenish Navy ships at sea. In addition to shipboard capabilities, USS Rainier carries two helicopters which assist in the replenishments.

Cox and fellow crew members prepared for the deployment by participating in a Pacific Joint Task Force Exercise off the coast of Southern California. The exercise involved more than 15,000 U. S., Canadian, Australian and Chilean participants and tested Cox's ability to respond to situations he might encounter during the deployment.

The 1992 graduate of Gorman High School, joined the Navy in Oct. 1995

**MAMMOGRAPHY CAN SAVE YOUR LIFE!!!**

If you are a healthy woman over 40 who never has had a mammogram, the American Cancer Society recommends that you have this simple life-saving procedure now. Since one woman in 10 develops breast cancer at some point in her lifetime, the urgency is real.

A screening mammogram is an x-ray of the breast using extremely low dosages of radiation (usually compared to dental x-rays) and is designed to find very early cancers.

A female technologist who is highly trained in mammography will perform the examination. These images are then interpreted by a Board Certified Radiologist, and a report is sent to your own doctor. It takes only a few minutes, and can detect incipient breast cancer as small as the period at the end of this sentence.

Early detection (18 months sooner than a lump can be felt) not only permits treatment before the problem becomes serious, but the cure rate is over 90 percent. Mammography cannot only save your life, but help you avoid the need for disfiguring surgery, too.

You don't need to have been a previous patient of our to receive this screening, but you do need to make an appointment at a time convenient to you.
