HAPPIEST HOMES HAVE ELECTRIC RANGES

Perhaps that's because the average kitchen is the work center of the home and a modern ELECTRIC RANGE eliminates so much work, saves so much time and energy and provides such tasty meals. Or, maybe it's because an ELECTRIC RANGE is

so thrifty. Dependable, low-cost electric service, coupled with the many advantages of modern electric ranges, adds up to the best bargain in the family budget. And that's important to every family.

**Enjoy These Advantages EVERY DAY** ... Cook the Modern ELECTRIC Way!

FAST! COOL! AUTOMATIC! CLEAN! THRIFTY! HEALTHFUL! Take this tip ... see your dealer right away. He has an ELECTRIC RANGE in a size and price to fit your needs.

Due to a shortage of materials our supply of mixed fertilizers for the 1952 season may be smaller than inthe past.

However, due to the time and effort taken in mixing and curing, we have the best fertilizer we have produced, and guarantee it to put out.

We invite inspection of our fertilizer before you purchase.

agreement of the parties.

1. Ford Motor Company will continue production of the present Ford Tractor without interruption, and Dearborn Motors Corporation will continue to market

them nationally as in the past. By the end

of 1952, Ford Motor Company has agreed

to make two simple changes, and only

two changes, in the means of operation

and control of a pump used in the hydrau

lic system in the Ford Tractor. After these

simple changes have been made, there is

nothing in the settlement of the suit to

prevent Ford Motor Company from con-

tinuing the manufacture of the present

Ford Tractor for as long as it may choose.

2. Ford Motor Company will continue to

produce and Dearborn Motors Corporation, and ourselves as dealer, will con-

tinue to supply all repair parts for all

3. Ford Tractors will continue to offer all the advantages of the present system

of hydraulic control, the present method

of attaching and operating implements,

and all other features responsible for

their wide popularity. Dearborn Motors will continue to offer its same complete

that has been spread over the past four yers.

line of implements.

past, present and future Ford Tractors.

FACTS.

To Our Gustomers

We are happy to be able to tell you that the lawsuit brought mor than four years ago against Ford Motor Company and Dearborn Motors Corporation by Harry Ferguson and Harry Ferguson, Inc. has been settled by

There are three points connected with this settlement, which as a present or possible future owner of a Ford Tractor, we want to make clear to you. Regardless of what you may hear to the contrary, these are the
