

The Gorman Progress

HAVE YOU STARTED THE DAY WITH A PRAYER FOR WORLD PEACE

Volume Fifty-Two

GORMAN, EASTLAND COUNTY, TEXAS, THURSDAY, OCTOBER 30, 1952

Number Thirty-Eight

QUOTES FROM AN AMATEUR PUBLISHER-EDITOR - Gene

Friday, October 24th, 5 P M - Word has been received that Jimmy Crawley died in Korea. Remember Jimmy?

On the wall of my office are pictures of the Panther Basketball and Football Teams of 1945 and 1946. Jimmy is in both pictures. Popular with his school-mates and town-people as well, Jimmy always played the game to win. When it was his turn to "shoot a basket" or "carry the ball" he knew where his goal was and tried to reach it. If it was his team-mates turn Jimmy assisted in every way possible. Attending Ranger Junior College and Midwestern University at Wichita Falls he still had a goal in mind, in athletics as well as studies. Needing only a few hours to finish his studies he was called into service.

Now Jimmy was handed another ball to carry. A Goal? Surely there would be a goal when they reached the field of play. He knew his team could win because they had the best of everything. The men and women who made his equipment were on his team. They had the shortest hours and best pay of any people in the world. Jimmy's pay was not very much and there was no clock to punch but it was his turn to carry the ball and he was ready. He ran with ball! The GOAL! Where is the GOAL!

No goal, Jimmy. Your Commander-in-Chief said this was only a practice game and the score wouldn't count.

But the opposing team is trying to cross our goal and are even using ineligible players.

Yes, we know they are playing a dirty game but the referees are discussing it with some of the gamblers who are playing for high stakes and maybe some day they will be reprimanded.

We, in the grandstand are not too perturbed, Jimmy. It's a balmy day. Plenty of popcorn, peanuts, hamburgers - and our pockets are bulging with loose change and ten dollar bills.

So, they have carried you off the field, Jimmy, and another player has taken your place. . . But to us Jimmy, no other player will ever take your place. . . Your life, your deeds, your way of playing the game will live forever in our memory. . . and from time to time as folks stop by to look at the pictures on the wall, we will point to you with pride and say, "That's Jimmy Crawley. He gave his life in Korea while carrying the ball even though he knew there was no opponent's goal line to cross."

Dear Gene:

The political fat surely is boiling. Just read the poem in your paper sent in by Mrs. Roy Rodgers of Old Ocean, Texas.

Mrs. Rodgers is the former Mary Hanson whom I helped to raise. Mary sends me the nicest Christmas Card every Christmas that she can find.

I took special notice to the portion of the poem where the writer said he would steal from the neighbor's corn, etcetera to get by on - sure sounds like a real modern 1952 model Truman Democrat to me.

Well Gene here is a true story: I have a friend who offered himself to his country by volunteering in the U S Army.

He left his family and fought the enemy in mud, water and wilderness - finally came home with health broken to some degree of disability. Was drawing subsistence from the government as an ex-soldier. In order to make a little extra money took an outside job working at night.

Our Government notified him that he was making too much money and must stand trial in the Federal Court of the United States.

If this is free enterprise I don't want a double dose.

The election will soon be history and when it is, I will not be like a guy I know of called Fuzzy Truman, I'll not veto the decision but abide by the majority and shut up.

Signed - L E CLARK
Desdemona, Texas, Oct. 27th

I am publishing the following letter because I appreciate the gentleman's interest. As far as I know there isn't a Studebaker dealer this side of Dallas.

The Dallas News prints a column every Sunday with quotations from Weekly papers.

Dear Mr. Baker:
Saw a little item in the (Sunday) Dallas News about your brake trouble while at the Fair. The writer is not financially interested in any way in Hudson

WITH OUR BOYS IN THE SERVICE

Fred Eaves and Dwayne Clement are stationed at Fort Bliss for 16 weeks training. Mrs Eaves and Mrs Clements expect to go to their husbands at an early date.

Airman and Mrs Weldon Hall visited with Mr and Mrs V E Overstreet during the week end. Weldon was enroute to Camp Forges at Topeka, Kansas.

Harold Blakenship and Mrs Blankership, the former Shirley Jones, visited with relatives in Gorman last week. Harold, who received a back injury while in Korea, was on leave from the Naval Hospital in Maryland. The couple returned to Maryland on Friday.

A/3c John H Claitor is stationed at Moody AFB in Valdosta, Georgia. He is working in the finance office. He has passed all required examinations and has met the Board for Officers Candidate School.

Burt Kent was home for the week end. He is stationed at a base in Oklahoma. He returned in his car on Sunday Kent expects to be discharged within a short while.

Clifton R Wood, with the 24th Infantry Div. in Japan, whose wife, Mary Lee, lives at 306 W Plummer, Eastland, recently arrived in Japan and has been serving with the 24th Infantry Division.

Now receiving intensive training, his unit is part of the security forces in Japan. Before being rotated out of the line early this year, the division spent 19 months in Korea.

An ammunition bearer with Company H, 34th Infantry Regiment, Private Wood entered the Army last March.

He formerly was employed as an installer for the Southwestern Bell Telephone Company in Baugen, Texas.

His parents, Mr and Mrs Floyd Wood, live on Route 2, Gorman.

T-Sgt. C G Wilshire and family of Albuquerque are visiting in the home of her grandfather W S Roberts and mother Mrs Shelley Hirst.

GORMAN BOYS ATTEND RANGER JR. HOME-COMING

Raymond Emerson of NTSC and Rex Broom, who were home for the week end, attended the Home-Coming at Ranger Junior. Raymond will report for physical on November 3rd. Indications are that he will be called in December if he passes physical.

autos, but as a life long railroad man is interested in safety. Your brake trouble wouldn't have meant a thing on a Hudson - If your hydraulics failed you would simply have pushed further down on the brake pedal and a full mechanical auxiliary set of brakes would have done the job until you had the hydraulics repaired.

Also enclose clipping from "This Week" magazine. Mr. Blaisdell is in error as to the circled portion insofar as Hudsons are concerned - when the door button is depressed the door is locked and cannot be opened either from outside or inside until the button is released - wrote Blaisdell on this point, otherwise he has a very fine article.

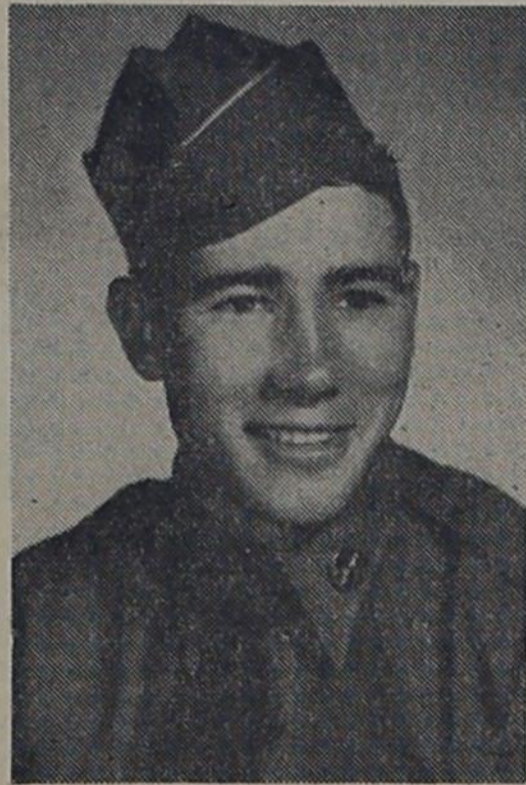

Trust you won't consider me nosy for writing you. I'm just an old railroad man interested in safety.

L L DANNER
P O Box 9193
Dallas, Texas

P S - I have a '52 Hudson and can't say how long they have had the present door lock device however they have had the auxiliary mechanical brakes for years.

The article referred to by Mr Danner was written by Paul H Blaisdell, director, Public Safety Div., Ass'n. of Casualty and Surety Companies and was on "new mechanical safety gadgets are great - but rely on them too much and they can kill you" - Portion encircled - "How many times have you pushed down the little button of your car door when there were three in the front seat or your child was standing at the window? Made you feel that you have rendered the situation "safe", didn't it? But the door will still fly open if the handle is pushed. The only thing you have accomplished is to lock the door from the outside. Every year children are killed in falls from cars whose doors have been "locked" in this manner."

Cpl. Jimmy Max Crawley Numbered With Dead In Korea October 15

Cpl Jimmy Max Crawley, 23, received his mortal wounds in mid-morning October 15th according to the telegram received from the Department of Defense Washington D C. The statement came to Jimmy's cousin, Mayor Price Crawley, of Ranger who brought the message to Jimmy's parents, Mr and Mrs Roy Crawley on Sinclair Avenue, Ranger. A letter from a buddy tells that Corporal Jimmy was bearing a wounded comrade down a death trap incline of one of the innumerable peaks of Korea when the fire of Chinese Reds cut him down.

Last word from the soldier of the 32nd Infantry Regiment was dated October 14th. The letter was written to his mother, Mrs Myrtis Crawley. The communication had been penned "behind the front lines."

Crawley was inducted into the Army October 8th, 1951 at which time he was a student at Mid-Western University at Wichita Falls. He shipped overseas in March 1952.

Jimmy was born on the Crawley place north of Gorman on October 3rd, 1929. He was a letterman in football and basketball and was a graduate of Gorman High. In 1949 he was manager of the Frank Gray swimming pool for the season. He finished Ranger Jr where he starred in football.

Sisters to Jimmy are Beverly and Deanna Crawley and Mrs W A Craddock of Sundown.

Initial steps toward the arrangement for the return to his home of the soldier's remains have been made. The parents await further information from the War Department.

The Kirk brothers, John, Lee, and Frank, are great uncles to Jimmy. Mrs Newt Crawley is an aunt to him. Mrs Ben Wood is his grandmother. Jimmy had attended his grandfather's funeral, Ben Wood, on his last trip home.

MRS BUCHANAN SPEAKS ON WINTER GREENERY AT WOMAN'S STUDY CLUB

Mrs O R Buchanan spoke at the Woman's Study Club on Monday evening presenting the discussion, "Winter Greenery". The club met in the home of Mrs J M Nix.

The speaker told the how and where of growing winter Pot Plants and Bulbs.

Mrs Gus Frossard was received as a new member and another new member, Mrs Dorothy Hatcher, was appointed reporter for the club.

Seasonal refreshments, coffee and pumpkin pie, were served to the members and a guest, Mrs Eugene Baker.

MURDER

An Air Force Pilot from Texas wrote his wife a letter describing the "police action" in Korea:

"This is the silliest war I ever heard of. They have so many rules that it's amazing they ever let you drop bombs.

"We go to raid big towns and they warn them weeks ahead of time. Then, fifteen minutes before we get there, they warn them again by radio.

"In the meantime, every big gun in Korea has been moved in there and if anyone gets shot down, they relieve the group commander for letting the guy get shot down.

"No one seems to understand it and certainly very few people in the States care what goes on over here."

The pilot's name was withheld to protect him from Truman-Acheson retaliation. Its contents were attested by a Bexar County notary.

NOTE:- The above was clipped from the Native Texan.

Relatives And Friends Mourn Passing Of Dr. Edward Blackwell

Relatives and friends from over a wide area of Texas mourned the passing of Dr. Edward C Blackwell Wednesday afternoon October 29, 1952 when final rites for Gorman's highly esteemed doctor and surgeon were read at the Gorman Methodist Church. Rev. J. L. Ray assisted by Rev. Tom Small officiated.

Business and professional men of Gorman and many from other towns closed their doors to pay last respects, while the Blackwell-Rodgers Hospital Hospital staff attended the services in a body.

Dr Ed, as so many friends and acquaintances called him, suffered a heart attack in July, 1950 from which he recovered sufficiently to be up and about and to do some practice. On April 8, 1952, after having diagnosed his own condition, he sought aid of surgeons at Harris Memorial Hospital in Fort Worth. On May 10th he was released from the hospital with the knowledge that his days were growing short.

His confinement at his home was as he wished and directed. He was attended by Dr. Verle Rodgers and his brother, Dr. George Blackwell and nurse which he had learned long ago to trust, Mrs Leslie Wallace, Mrs Morgan Bennett and Mrs Jack Brandon.

The doctor was born October 25, 1890 near Mansker Lake where his parents, Mr and Mrs Ed Blackwell had settled land and where they operated a general store. He studied medicine at the Chicago College of Medicine and Surgery. He practiced first at Sipe Springs where he married Miss Bess Brogdon of the Romney community.

In 1915 he came to Gorman where in 1922 with his brother Dr. George Blackwell founded the Blackwell Hospital. The hospital which has grown from one floor to four with the addition of all modern equipment.

Always active in the church of his choice, the doctor was also a school trustee for a number of years.

Mrs. Blackwell had preceded her husband in death October 19, 1951.

The deceased is survived by a foster son, Edward Harrison and four brothers, Dr Almus O Stamford, Albert of Lubbock Arthur of Oklahoma City and Dr. George Blackwell of Gorman; a sister, Mrs Belle Harrison of Gorman.

Other close relatives included in the families of the above mentioned and living in Gorman are nieces, Mrs Barton Eppler and Mrs. D V Rodgers.

Pallbearers were: Dr A A Brown, Dr C T Cole, W G Kirk, Melvin Shell, L D Stewart of De Leon and John Kimble.

Bishop Martin Opens Methodist Conference At Ranger Nov. 3rd

Bishop Wm C Martin of Dallas will be the featured speaker at the opening sessions of the Cisco District Conference of the Methodist Church which meets in Ranger the night of November 3 and all day the 4th. He will first address the Methodist Men of the district in their annual banquet program at 6:30 o'clock Monday evening in the Ranger church basement.

Following this meeting he will preach the sermon for the opening worship service in the church sanctuary at 7:45 for all of the assembled delegates and visitors from over the district.

At eleven o'clock on Tuesday, November 4, Dr A Norman Evans, pastor of the Austin Avenue Methodist Church in Waco, will preach. During the day there will be various matters of connectional and local interest to be presented to the conference including reports from the pastors and churches of the district, promotion of schools and colleges, evangelism, missions, lay activities, temperance, Sunday school work and better methods of financing the church. The district conference will have a number of young men applying for license to preach and others asking for renewal of their license.

The Tuesday session will begin at 6 o'clock and close at 3:30 or 4 o'clock. The Rev Leslie W Seymour district superintendent, will be in charge of general procedure.

S C Love of St Louis visited with his mother, Mrs C R Love and his brother, Cody Love, and family last week. Mrs Ray Russell and daughters, Dallas were also guests.

Methodist Organize Fellowship Class

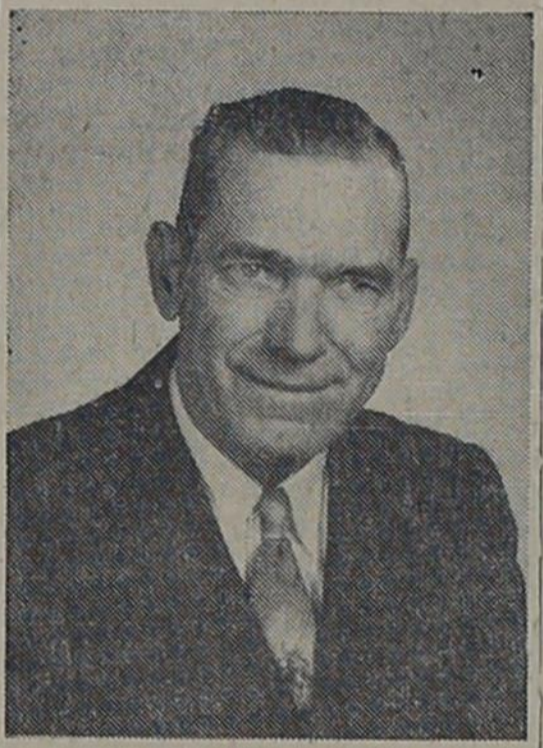

The Friendly Fellows Class was organized Sunday at the Methodist Kitchen following a fellowship hour over coffee and do-nuts.

Officers elected were: President, Milton Fairbetter; Vice-president, Frank Rhymes; and Secy - Treasurer, Norman Anglin.

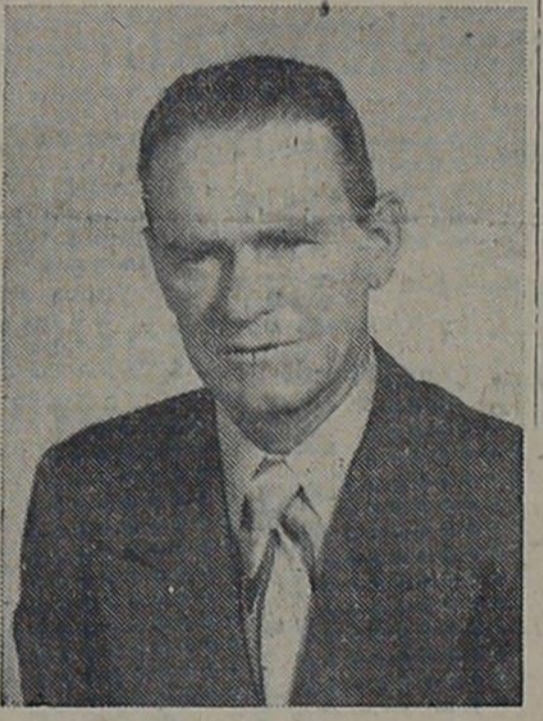

For several weeks the class will have guest teachers. A teacher-committee, Wilbur Shell and Ed Harrison were appointed.

The new member committee is "the every member committee." The purpose of the organization of a new class is that of increasing both Sunday School and Church attendance and that of providing an "all men fellowship and study hour."

"Be A Friendly Fellow" 10 A M Sunday. All men of all ages invited.

MILTON FAIRBETTER
President
Friendly Fellows Class

FRANK RHYMES
Vice President
Friendly Fellows Class

Menard Visitor Leaves Word For Ike

R W Hickey of Menard was visiting in Gorman on Monday. When asked if he was here on business, he admitted that he was.

But in addition he said he was also concerned with the biggest business in the world. "Just tell everyone in Gorman to vote for Ike."

CARBON FACULTY TO PRESENT "GHOST HOUSE" AT CARBON FRIDAY NIGHT

Something different in high school plays and something different in Halloween entertainment will be presented Friday night, October 31 at 7:45 in the Carbon School Auditorium. The school faculty will present, "The Ghost House," a mystery-comedy in three acts, by Robert St. Clair, by special arrangement with The Heuer Publishing Company of Cedar Rapids, Iowa. Prices of admission will be 50 cents for adults and 25 cents for high school age and under.

The action of the entire play of three acts takes place in the living room of an old house in a small community down South. The house dates back to before the Civil War. It is owned by William Harrison, the last of an old Southern family, who has been going to college in the East.

This play is very suited to the Halloween occasion, for in it ghosts walk, the Vengers appear, and the Fiery Cross burns red. Before the curtain rises and between acts two and three, the Carbon String Band, composed of George Norris, Paul Norris, Charles McDaniel, and Carroll Hogan, will furnish music. Between acts one and two the Carbon Grammar School Choral Club, under the direction of Mrs Johnny Goode, will sing.

Don't miss this evening of entertainment and thrills. All profit from the program will be used to buy an electric clock for the school, by which all bells will ring.

The cast of characters, in order of their appearances, is: Mrs Blake, commonly called "Mother Blake"..... Mrs P McFarland
Oliver Melon, an attorney L R Higginbottom
Sandra, his wife Mrs D F Brewer
William Harrison, the new heir to the old house C T Spence
Patches, a frightened negro R O Smoot
Gloria, the girl whom William is going to marry..... Mrs J M Cooper
Ann, the young sister of Gloria Mrs Johnny Goode
Mrs Wiloughby, mother of Gloria and Ann Mrs H L Mullins
Andrew Barnes, a naturalist H A Dufner
Soleless Sam, a mysterious, educated tramp H L Mullins
Dr Rogot H C Jordan
Rebecca West, great granddaughter of the witch-woman
Mrs H A Dufner
Mrs Ed F Willman
Coach Mmes D S Steele and R C Jordan
Tickets Mmes C T Spence and R O Smoot

PANTHERS DEFEAT SO. TAYLOR 12 - 6 PLAY MORAN HERE NOVEMBER 7th

The Gorman Panthers have an open date this week in preparation for their November 7 engagement with the Moran Bulldogs. It is a well deserved rest for the Panthers following a

CUBS DEFEAT MIDGETS 13-0

Last Thursday night the Cubs sought revenge over the Cisco Midgets. The first game with the Midgets played at Cisco was a hard game and the Cubs were defeated 12-6.

Thursday night the Cubs made a fierce comeback and beat the Midgets 13-0.

The first touchdown was scored in the second quarter when the Cubs were on Cisco's 25 yard line and Welch broke through the middle to score the first TD of the game. The extra point was unsuccessful. The score at the half ended 6-0 in favor of the Cubs.

Gorman received at the beginning of the second half. Dintleman received the kick off and returned it to the 30 yard line. Gorman got to Cisco's 30 when Cisco took possession of the ball. They were set back to their 18 when they kicked a long one to Gorman's 45 yard line and then the quarter ended.

Gorman carried to Cisco's 9 yard line where Cisco took possession of the ball and on the first play they kicked. The kick was blocked by one of the Midgets own men. R C Clements picked up the ball and went over the goal standing up. The extra point was successful. The final score was Gorman 13 Cisco 0. Although Cisco lost they showed good sportsmanship.

The Cubs will be host to the Dublin team on November 4 at Brogdon Field.

Illness In Gorman

Colonel Wood (R L) entered the Ranger Hospital on Sunday afternoon. On Tuesday morning he stated to Brother ad Mrs Ray that he was feeling better. Mr Wood had suffered from shingles and resulting complications for several weeks. A number of friends had prepared his meals recently and others had sought to look after his comfort. For lack of conveniences, the latter was almost impossible. Mrs Marvin Blair, Odell Thompson, and Mr and Mrs Barton Eppler were among those who persuaded the aging gentleman that he needed hospital care. A number of friends have called at the hospital to see him this week.

The condition of Dr Edward Blackwell continues to grow worse at this writing Tuesday afternoon.

Mr M F Boston, who experienced an appendectomy October 17, has returned to his home. He continues to improve.

Sam Wallace, Mrs E G Garner, A L Underwood, and W A Halle were patients registered at Blackwell-Rodgers on Tuesday morning.

rough, hard fought 12-6 victory over South Taylor last Friday night.

The heavier South Taylor team stalled the Gorman offense during the first half and the half-time score was 0-0. A long pass from Jimmy Rachel to Ronald Jackson covered approximately thirty yards and put Gorman in the lead 6-0. The lead was brief as the Flying Tigers came back with a drive of their own to tie the score. A series of passes carried the Panthers to the one yard line to set up the winning touchdown. The Flying Tigers made a strong bid as they took the ensuing kick-off and drove to the Gorman twelve yard line, but the Panthers defense tightened and held for three downs as the clock ran out.

The entire Gorman defense stood out as they repeatedly stopped the South Taylor team inside their twenty yard line. The Panthers second half passing attack was as important factor in giving the Panthers their second district win of the season with two district games remaining to be played.

GERRY WALKER VISITS FAMILY

Gerry Walker flew in from Phoenix, Arizona on Friday and spent the week end with her parents, Mr and Mrs J E Walker.

Mrs W M Emmons, her sister, and Mr Emmons and Diane of Breckenridge were also week end guests of the Walkers.

Announcements

Virgil Seaberry, Jr. of Eastland will speak in Gorman Saturday afternoon at 4 P M on behalf of Ike Eisenhower for President.

The First National Bank of Gorman will observe November 4th, as a legal holiday and will not be opened for business.

The Eastland County Farm Bureau will meet in Eastland on November 2 at the Methodist Church Annex. The purpose of this meeting is to vote on resolutions to go to the State Convention and to elect officers for the coming year. Everyone is invited and members are urged to be present.

The De Leon District Singing Convention meets at Johnson (or) Liberty Baptist Church, located between De Leon and Gorman, the first Sunday in November at 10 o'clock. Everyone welcome.

Virgil Seaberry, attorney of Eastland and prominent young civic leader, will speak in Gorman on Saturday afternoon at 4 o'clock on behalf of Dwight D Eisenhower for President of the United States.

The De Leon Shakespeare Club in observance of American Art Week are having The Texas Fine Art Exhibit and Silver Tea at the Public Library, City Hall Tuesday, Wednesday and Thursday, Nov. 4, 5, and 6th from 2 til 5:30 P M. and Wednesday and Thursday nights from 7 til 9 P M. The public is invited.

SENIOR SEZ
Reporter, Mary Beth Watson

First off we would like to say that we are the only class in school this month who has had a perfect record attendance. Could the exemptions have anything to do with this?

This week brings to a close the race for the Halloween Queen. We will all soon know who she is. Of course, we hope its Sylvia and her escort, Frank, who will be crowned Thursday night.

The Panthers are taking a rest after that wonderful game they played Friday night. They really gave the South Taylor Tigers a run for their money defeating them 12 to 6.

The seniors will be selling candy at school during the coming month. Anyone wishing to buy candy anytime during the day contact some senior.

We're all "sitting on pins and needles" awaiting the arrival of our class rings.

From the sly grins on the faces of the senior members of the annual staff we have reason to believe the seniors will be especially proud of the annual this year.

Well, till next week . . . Mary

SOPH SUDS
Reporter, Joyce Rodgers

Here we are back again reporting our class news. Of course, all of the Sophomores are looking forward to winning the race for Queen. We have been working hard.

We were all happy over the game the Panthers won from South Taylor and are all looking forward to winning the game from Moran.

What is this I hear about Kay Warren making eyes at a certain boy in the fourth period study hall? I wonder who it could be? And there's Roland talking about a little cutie pie he would like to see around sometime. I wonder if he is having any luck. I guess that is all till next week.

JUNIOR JOTS
Pat Morrison, Reporter

Last week the football boys agreed to win the last three games for the three senior players on the team. They took South Taylor in a close battle giving them the satisfaction of 1 down and 2 to go. So lets go boys! And get those last two for the seniors.

Fun is promised for everyone attending the carnival Thursday night. For the first time this year there will be a booth for taking pictures. Be sure to come in and have your picture made.

Much is to be said about the fine job Mr Goodwin is doing coaching the boys in Coach's absence. Keep up the good work Mr Goodwin.

We all miss Mr Wilson very much. (Especially his literature class). Just ask Mrs Deavenport. Until next week . . . Pat

FISH TALES
Reporter, Ernestine Todd

Everyone is busy preparing for the Halloween Carnival on Thursday night. We are all anxious to see who will win the Queen's race. We Freshmen are trying to win, of course, but who ever wins I'm sure they will be happy. So everybody be at the carnival Thursday night and come pitch pennies for the Freshmen.

The Panthers won their ball game at South Taylor last Friday night 12-6. They have an open date this week but they want everyone to be on hand when they play Moran on Friday, November 7th.

D C who was that I saw you with at the Weeping Oak Drive In Friday night? Could it be LC?

P A how did you and B B make out over the week end?

Jackie is very happy now because Pat R ask him to be her escort Thursday night at the coronation.

I guess that is all for this week. So everyone come to the carnival and have a good time. Signing off . . . Teen

SEVENTHS NEWS
Reporter, Brent Lesater

The Seventh Grade had a class meeting Tuesday 28. We discussed what we were going to put in our booth at the Halloween Carnival Thursday 30 at the high school gymnasium. The Seventh Grade will be in charge of the fun house and we want to invite everyone out and come to the fun house. The admission will be 10 cents. Be sure to come in the fun house. There will be laughs and thrills for everybody. Thank You

BAPTIST INTERMEDIATES ATTEND WACO GAME

Bruce Hirst with members of his Sunday School Class, the Intermediates, Bob Love, G L Whitely, George Rodgers, and Edward Rodgers, were in Waco on Saturday attending the Baylor - Texas A & M Football Game.

HERBERT GRAY VISITS HERE

Herbert Gray visited with his brother, H N (Nelly) Gray, and Mrs Joe Kennon, last week. Friends of the Gray family will recall that Mr Gray was critically burned several months passed when his home at Odessa burned.

Mr Gray has been a patient at the Veterans Hospital in Big Springs. Although he has recovered sufficiently to be up and about, he will undergo further surgery at the hospital in Big Springs.

GEORGE MOORES SPEND WEEK AT ARANSAS PASS

Mr and Mrs George Moore of Desdemona and formerly of Gorman accompanied by her daughter, Joy Payne, Mrs Jack Swartz-out of Austin and Mrs Moore's parents, Mr and Mrs George West of Gorman spent a week at Aransas Pass. They returned home on Tuesday of last week. Joy accompanied the Moore's home for a visit.

DICK RUSSELL BACKS ADLAI

RUSSELL IS THE GEORGIA SENATOR FOR WHOM GOVERNOR SHIVERS AND TEXAS DELEGATION VOTED UNANIMOUSLY ON ALL BALLOTS AT DEMOCRATIC CONVENTION IN CHICAGO

Senator Dick Russell of Georgia, the man the Texas Delegation headed by Gov. Allan Shivers supported on all ballots at the national Democratic convention in Chicago, predicted last week that Adlai Stevenson and John J. Sparkman will be elected by one of the largest majorities given a national ticket in recent years.

Senator Russell, who is chairman of the senate armed services committee and of the senate subcommittee on agriculture, said: "General Eisenhower's evident confusion in his efforts to grapple with vital political issues has clearly demonstrated to the American people the grave danger of placing our government in the hands of a military man. . . . No military career, however great, can be a substitute for familiarity with the operation of a government which traditionally and by law is dependent on civilian control. . . ."

"As one who has admired General Eisenhower as a military leader, I have been bewildered by the endless contradictions of his political pronouncements. It would require a book to catalog them."

"Shortly after stating that he did not understand the term 'Farm Parity,' he assured the American farmer of 100% parity for all the products of his soil. As one who has devoted a large part of his legislative service to overcoming Republican opposition to fair farm legislation I have vainly awaited an endorsement of this last farm statement from General Eisenhower's Republican congressional supporters. I have failed to see where one of them has disclaimed his record of opposition to the soil conservation program and to the laws which enabled these farmers to have some idea when they plant their crops what they will receive from their harvest."

"The American voters are thinking for themselves in 1952. Neither the bedlam of this campaign nor the military glamor of the Republican candidate will confuse them. They will go to the polls in the greatest number in our history on November 4 to maintain in power the party of the people. . . ."

"Governor Stevenson has the potentialities which can make him one of the greatest presidents who has ever served our country. With the support and prayers of the American people and the aid of the Almighty he devoutly worships, he will see this nation safely through the dangers of today's world."

James Brown of Gorman is among the 1,550 students registered this year at Southwest Texas State Teachers College.

Continuing a trend set in post war years, boys again outnumber girls at the College in San Marcos, a change from early days when girls outnumbered boys by as much as two or three to one.

Approximately 85 percent of those enrolled are studying for the teaching profession, with the remainder preparing themselves for professional careers in law, medicine, nursing, dentistry, journalism, and other fields offered.

James is the son of Mr and Mrs Ed Brown of Gorman.

What The Submerged Land Of Texas Or The So-Called "Tidelands Case" Means To Texas and Texans

A confusion has been established in the minds of people not only by the erroneous use of the term "tidelands" but also by an attempt to establish these offshore submerged lands to be of no economic importance to the State of Texas.

The offshore submerged lands of Texas and Louisiana are but a continuation of the Gulf Coast Embayment, part of which is located on land, part of which is covered by water. This structural province covers the entire Gulf of Mexico, including the shore areas immediately surrounding it.

This geological province is a very large basin into which rivers, during millions of years, have deposited sediments many thousands of feet thick. Folding, faulting, and uplifting through earth structural changes and piercement by salt masses have resulted in the formation of reservoirs favorable for the accumulation of gas, oil, and sulphur.

The oil fields located along the Gulf Coast of Old Mexico, Texas, and Louisiana are on the landward parts of this basin. The early discovery of these fields was due to the fact that these areas were above sea level where it was cheaper and easier to drill and not because the structures, traps, and salt domes do not occur where the land is below sea level. Sea level has nothing to do with the occurrence of these traps and structures.

With the increase in the demand for oil, gas, and sulphur and improved methods for exploring and drilling, development of the submerged lands became economically feasible and resulted in the discovery of numerous structures and fields offshore. These operations were successfully conducted on the submerged lands of Louisiana and Texas until the title to these offshore submerged lands was questioned by the Federal Government in Washington, after which all drilling was terminated on

the submerged lands of Texas. These undeveloped lands of Texas occur along the same structural trend and at similar depths to the large number of oil and

gas fields and sulphur domes that are presently being produced in southern Louisiana on submerged areas raised above sea level by the great delta of the

Mississippi River and its distributaries. (Refer Map Exhibit). If by Geological happenstance, the Mississippi River had been diverted westward into Texas, at an earlier time, the reverse of the existing status would no doubt exist. The Texas structures and traps would have already been discovered and developed.

The vastness of the oil, gas, condensate, and sulphur potentialities in this submerged land area is indicated by the discoveries made on the landward portion of this basin. As of January 1, 1952 there were 1,085 oil and gas fields producing in Railroad Commission Districts 2, 3, and 4, within a 100 mile belt along the Gulf Coast line of Texas alone. From these fields, as of the same date 11.9 trillion cubic feet of gas, 5,046 billion barrels of oil and condensate, and 72.9 million long tons of sulphur had already been produced. As of the same date, there still remains a future estimated reserve, already discovered, to be produced, of 50 trillion cubic feet of gas, 5,965 billion barrels of oil and condensate and 50 million long tons of sulphur.

The total gas, oil, condensate, and sulphur discovered in the coastal belt of Texas as of January 1, 1952 was, therefore, 61.940 trillion cubic feet of gas, 11.011 billion barrels of oil and condensate and 120.9 million long tons of sulphur. These total ultimate future recovery estimates are very conservative in that they do not include the fields discovered since the first of the year nor those yet to be discovered in the same land area. 70 new fields have already been discovered this year.

The Texas submerged land areas, immediately adjacent to the Gulf Coastal belt of Railroad

Commission Districts 2, 3, and 4 extending for over 400 miles along the coast line having the same geological and structural features have a potentiality for the production of oil, gas, condensate, and sulphur greatly in excess of these totals because of its greater area, better reservoir conditions, and the full use of modern methods of recovery.

However, if the potentialities be assumed to be limited to the equivalent of the ultimate recoveries as set forth above, then the gross ultimate income from the gas at 15 cents per 1,000 cubic feet would amount to \$9,291,000,000. The oil and condensate at an average of \$2.65 per barrel \$29,179,150,000, and the sulphur at a value of \$25.00 per long ton \$3,022,500,000 or a total of \$41,492,650,000. A more realistic forecast of the possible gross ultimate income would probably be twice the above figure or say \$80 billion.

A royalty of 1/8 accruing to the public school fund would amount to, say 35,000,000,000 on the minimum estimate or \$10,000,000,000 on that of the more realistic figure not including the amounts that would accrue as a bonus for leasing the lands or the rentals received therefrom. It also would not include any ad valorem taxes or a 5 percent gross production and pipe line tax the latter alone would amount to \$2,000,000,000 or \$4,000,000,000, respectively.

If the ownership to these potential oil, gas, and sulphur reserves are seized and nationalized by the Government in Washington, it not only means the loss of this future income to the State School Fund that will have to be replaced by taxes, but will also remove these taxable values as a source of future ad valorem

income required to offset the declining oil and gas values of the existing fields located on the adjacent onshore unsubmerged land areas.

This brief review of what the Submerged Lands of Texas or the so-called "Tidelands Case" means to Texas and Texans has been evaluated as a public service to the People of Texas by Texas Geologists and Registered Engineers functioning solely as Texas citizens.

Was This Trip Necessary?

These days, all Americans are asking themselves:

"Did we have to get into this Korean mess?"

"Couldn't it have been stopped early in the game?"

And parents of draft-age sons are asking themselves:

"Is my son paying for Administration bungling in our foreign policy?"

Questions like these deserve answers—demand answers. If the Administration can't reply frankly—to your satisfaction—it certainly doesn't deserve your confidence. And this November, it surely doesn't deserve your vote!

Of course, the State Department has *tried* to explain. But if you're still not satisfied with their story, it's time to turn somewhere else—to someone else. It's time to listen to Dwight D. Eisenhower.

And here are Ike's own words on the reasons behind the Korea mess:

- "Why are we at war in Korea?"
 - "We are in that war because this Administration grossly underestimated the actual threat."
 - "We are in that war because this Administration allowed America, in a time when strength was needed, to become weak. Consequently it felt impelled to take its forces out of that region."
 - "We are in that war because, having helped set up the Korean Republic, and knowing that strength was being massed against that Republic north of its borders, there was a failure to build up adequate strength in Korea's own defense forces."
 - "We are in that war because this Administration abandoned China to the Communists."
 - "We are in that war because this Administration announced to all the world that it had written off most of the Far East as beyond our direct concern."
- Dwight D. Eisenhower*
DWIGHT D. EISENHOWER

Doesn't that all make sense—the best sense you've heard yet? Isn't that the kind of straight, clear thinking you want for America? Then on Election Day, remember—

It's Time For A Change — for the better!

Vote for **EISENHOWER**
and **NIXON**

CLASS OFFICERS ELECTED AT COFFEE

A number of the women members of the former Fellowship Bible Class of the Methodist Church met at a coffee in the Giff Acrea home on Friday morning for the purpose of organizing a class.

New class officers elected were for President, Mrs G C Acrea; Vice-president, Mrs Dorothy Hat cher; Secy-Treasurer, Mrs J W Ramsey.

Members of the Membership Committee are Mrs Dean Kirk, Mrs C O Revels, and Mrs J W Ramsey. Of the Social Committee are Mesdames Keith Whit, Melvin Shell, and Glyn Kirk.

OLIVER SPRINGS NEWS

The Intermediate Class of the Oliver Springs Sunday School enjoyed a party last Friday night at the home of their teacher, Mrs J E Daniels.

Buel Bryan preached at the East Side Baptist Church in Comanche Sunday and Sunday evening.

A number of people went from here Sunday night to hear the Griswold Trio of Dallas sing at the Primitive Baptist Church in De Leon.

Mrs John Mathis is ill with flu at this time.

Mrs Euell Westmoreland and son, Harland of Gorman, are with her parents, the C C Setzlers, at the present time.

Mr Westmoreland is employed in West Texas.

Mrs Norman Woodall went back to work at the garment factory in Dublin after a short lay off.

Visiting the Norman Woodalls last week were Mr and Mrs Bill Lee and son, the Ben Koonce family, the Fountain Woodalls, and Mr and Mrs Jim Stacy.

Visitors in the Woodall home Saturday night were two young men from Gorman, Jackie Ray Abbe and Donald Ray Woodall.

Mr and Mrs Garland Perry were in Comanche on business Friday.

The Perry's visited Mr and Mrs E P Gregory Saturday night. Guests in the Gregory home Thursday night were Mrs Mauae Cogburn and Miss Peggy Park.

Week end visitors in the W G Henderson home were their children, Mr and Mrs Glen Vickers and daughter of Leuders and John Ed Henderson and family of Fort Worth.

Mr and Mrs W G Henderson visited Mr and Mrs G W Pison one day last week.

Even I got a kick out of the Oliver Springs News last week

Card Of Thanks

I wish to express my appreciation to the hospital staff for their wonderful care during my stay in the hospital. And I sincerely thank my friends for every kindness shown me. For the lovely flowers, cards and visits.

May God's richest blessings be with you all.

M F Boston

Card of Thanks

We wish to express our sincere thanks for the cards, flowers, prayers, and visits from friends and neighbors while I was in the hospital at Temple and since my return home.

May God bless each and every one of you.

Mr and Mrs D P Holliday

when I read that Warren Johnston had made a trip to Rock Bluff to deliver a truck load of hay to a rancher there. The mistake was mine. It should have been Rock Springs.

Desamona News

Rev. Gene Davenport of the Baptist Seminary at Fort Worth filled his regular appointment at the Baptist Church Sunday morning and Sunday night.

Mr and Mrs Daymond Eaton and son of Ballinger visited Sunday with his mother, "Aunt" Sally Eaton, and sister, Mrs Nina Lohman.

Mr Art Shoemaker is seriously ill in the Ranger hospital where he underwent surgery Monday.

Mr and Mrs Mitchell Bailey were visited this week by their daughter, Mrs Stuart, of Calif.

There will be a quilting at the Baptist parsonage Thursday evening for Mrs Raymond Joiner whose home was destroyed by fire several weeks ago.

Mrs Kate Little Nabors of Penn. is visiting friends here. Mr and Mrs Bill Parks will be moving to Anson where he is being transferred by Magnolia.

Mr R H Abel visited Sunday

with his mother, Mrs Abel. The elder Mr and Mrs Rainer Alexander. Mrs Abel has been home on their son's place, Mr and Mrs Herbert Rainer. The report is a house will be moved in on the Rainer place North of town. This community welcomes this family.

Miss Dora Baskin was in Lamesa last week end visiting with her brother, M O (Doc) Baskin and family and with her niece, the former Juanita Chapman of Holly, Colorado, and family.

Visitors in the C O Huff home on Sunday were Mr and Mrs Jim Gassaway of Stephenville, Mrs Blanche Gordon of Brownwood, and Mrs Roe and children, also of Brownwood.

Mr and Mrs George Cooper of Cisco visited with Mrs John Cooper of Cisco at Fort Worth the week end.

Mr and Mrs Jack Lusk of Eastland Monday evening guest of Mrs George Coopers.

Clude Pulley underwent major surgery at Blackwell-Rodger Sanitarium Wednesday.

Mrs Frank Dean was in Waco during the week end as a guest of Mrs Bill Wood. They attended the Baylor-A&M Game.

Those Days Of Depression

Those days of the Depression were some of the happiest of our lives. Our children came along then, three years apart. They were the days when everyone had time and things to share.

Perhaps our wants were less but all our needs were supplied. We didn't plan to go to the ball-games and the shows every week nor every month. But we paid our bills. We rode a bicycle to work. We walked to the friend's house for a visit. We drove to church. Then we discovered that two gallons of gas would take us to the mountains and back. We gathered rock and built a home of native stone.

Each of the three layettes of our children clothed another baby. And many of their most treasured pieces of apparel were hand-me-downs from cousins.

Those were the days when we shared our cow's milk with our neighbors. But we can no longer afford to feed a cow. If you have never seen the joy in the faces of your neighbors when they shared with you, backbones and sausage of their first kill of the winter we are sorry for you. Those neighbors didn't have any money. They have money now, but MEAT is too costly to give away.

Indeed we are sorry for any of you who have had everything with so little effort.

But most of all we are sorry for you and ourselves, that we with our abundance, have made no protest or little protest that the young fighters in Korea are without - food sometimes, without ammunition, without blood,

ANNYE KATE BLAIR GIVES MACDOWELL STORY AT MUSIC MEET

Annye Kate Blair attended the initial meetings of the Dragoon Music Club last week at the home of Mr and Mrs A J Blevins. She is treasurer of the club and has been a piano pupil in the Drago School for several years. Appearing on the program she gave the MacDowell Story and also played in a duet with Don Smith.

Janey Thompson also attended the club meeting.

Charles McFatter, student at Tarleton College and the son of Mr and Mrs C E McFatter of Eastland, who formerly operated a White Auto Store in Gorman, has been selected as a member of the Wainwright Band.

Cadet McFatter is majoring in Pre-Vet. The Wainwright Band is so named in honor of the Hero of Corregidor, General Jonathan W Wainwright.

without HOPE.

Oh yes, we could live through another depression! But how many boys will live through this limited POLICE ACTION? How many will Die?

One solution for giving these boys life and hope, highly improbable, is that of drafting the army from the other end of the age line, with the administration office holders and congressmen above 55 years bucking the front lines.

Another solution may be your NOVEMBER 4TH VOTE. Vote as your conscience tells you. If you have no conscience just Don't VOTE. You'll have less to answer for.

LANE IS A BELIEVER IN IRRIGATION

Forgetting to turn the spigot has made a believer of R B Lane. A believer in irrigation.

The 11 pound yam shown in the Higginbotham furniture display window shows what water will do.

COLLEGE STUDENTS HOME

Among the college students who were home for the week end were Roy Rawls of University of Texas, Raymond Emerson and Jerry Mehaffey of NTSC, Mary Ann Love and Cecil Robertson of Tarleton.

Why Should I Have An Abstract?

is a question often asked of abstracters and one we like to answer. When ownership of real property enters your business life then title problems also come in. Buying selling, mortgaging or otherwise dealing with real estate require correct title information. The abstract reflects the true record title and therefore has everything to do with values. That's one answer, there are many others.

Earl Bender & Company

EASTLAND (Abstracting since 1923) Texas

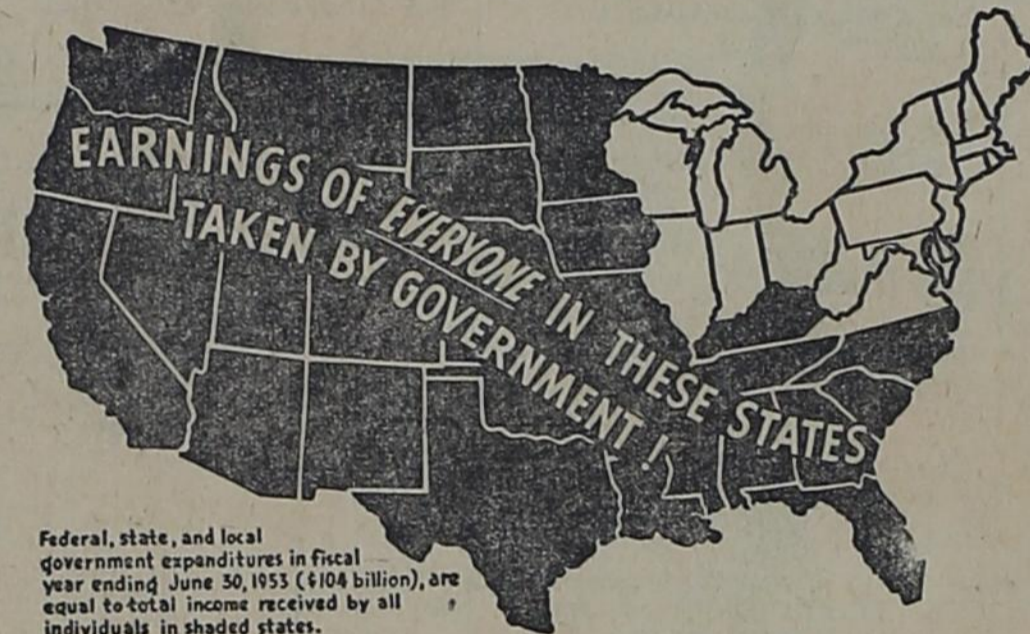

Thanks for your continued patronage and for the patronage of you who have stopped in for the first time since I have purchased Joe Kennon's Humble Service Station.

The only difference between this work and teaching is now I am going to have to do the work . . . of course, it really won't be work to check your car for winter driving - especially when we can safeguard you against sluggish oil - frozen radiators and other winter handicaps - keep your car at the head of the class with that mileage saving Esso Extra Gas and Oil.

FRANK RHYMES HUMBLE SERVICE STATION

Successor to Joe Kennon Humble Service Station

Federal, state, and local government expenditures in fiscal year ending June 30, 1953 (\$104 billion), are equal to total income received by all individuals in shaded states.

DON'T LET THEM TAKE IT AWAY? This map shows government spending and high taxes are crippling the nation. Federal, State and local government expenditures in fiscal year ending June 30, 1953, equals the income made by ALL individuals living in the states shaded on this map. That adds up to \$104 BILLION DOLLARS.
