Why Should I Have An Abstract?

- - is a question oftened asked of abstracters and one we like to answer. When ownership of real property enters your business life then title problems also come in. Buying selling, mortgaging or otherwise dealing with real estate require correct title information. The abstract reflects the true record title and therefore has everything to do with values. That's one answer, there are many others.

The concert band is looking forward to going to the Dallas Cotton Bowl Game on Saturday, October 25. We will see SMU play Kansas.

We've been practicing some of our harder marches this week! and are beginning some overtures. The marching on the field is making improvements and we are attempting more difficult ma neuvers.

We have 36 members in the concert band, including the twirl ers, all of whom will attend the Saturday game.

SEVENTH GRADE NEWS Reporter, Brent Lasater

The seventh grade had a class meeting Wednesday 15. We discussed making money for our Halloween Candidate for Queen, Ruth Rodgers, and her escort, John Edward Browning.

We are selling chances on a dressed fryer and a chocolate cake. The chances will be a nickel each.

The bake sale came out very pleasing Saturday. We made out very good and we deeply appreciate those who came out and bought cakes and pies from us It helped out greatly. Also in this class meeting we elected class officers. They are: John Thomas Brown - President; Julia Beth Skaggs - Vice-President; Linda Rudd Cloninger - Secyl-Treasurer; and Brent Lasater

Boxes are at some of the stores in town. Your vote will be appreciated by the seventh grade class. Thank You.
