Received a letter this week from Mrs Casey Meazell lament ing the loss of a pet dog which was poisoned.

I can understand stockmen protecting their stock from wild dogs but when any one leaves poison laying around town or tosses it into a yard trying to kill a pet - that is a dastardly deed. I doubt if they stop to think that a child might just as easy get a hold of this poison.

AWAITING INDUCTION

Raymond Emerson, who has passed his army physical, will return home from school for the Thanksgiving Holidays at which time he will have decided wheth er he will join the Marines and continue his schooling or wait for induction in January.

Billy Fred Jay will report for induction early in December. James Brown has passed his

Band Announces Fall Concert

Thursday evening, December 4th is the date set for the annual fall concert given by the music

department of Gorman schools. There will be music by the grade school band of thirty-five members, music by the high schol band, the first appearance of the piano accordion band which was organized at the beginning of this school year in September, and solos by various instruments.

Mrs Buchanan's Rhythm Band will, as usual, appear on the program and contribute some nice numbers.

There will be no admission charge and the public is cordially invited to attend. Parents of those taking part are especially urged to be present.

What's The Use of an Abstract -

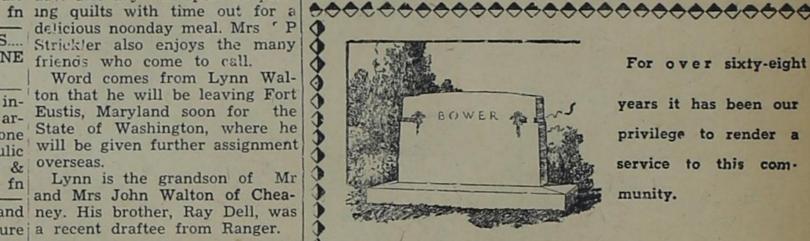

. . . if it doesn't cure the title? is another puzzling question to some abstracters, but we have never worried much about this one. Neither does the doctor's prescription cure human ills in all cases, but it does help. The abstract never was designed to cure anybody's title, but the better type of abstract will reveal he condition of the title and place it in position where it may be perfected, if necessary, by the examining attorney.

Turkey Pie

Make post-holiday cooking easy with Turkey Pie. Your family will be convinced you're still pampering them!

Cover creamed turkey with biscuit cubes-so the king of the Christmas feast may reign a second day in regal splendor! You'll agree that hot, tender biscuits make turkey taste even better. Accompany this second-day treat with spiced crabapples. For dessert, buy chocolate brownies and ice cream and serve with lots of

This meal is a double treat for you, the cook. That's because it is so quick and easy to prepare. And you certainly deserve a rest after all the holiday cooking and baking.

To make the main dish even more simple, use a can of condensed mushroom soup and % cup milk instead of the mushrooms and white Turkey Pie rates high nutritionally. The turkey is protein-rich

Turkey Pie is as easy on the food budget as it is on the busy cook. Each serving, sans the turkey, costs but 12 cents.

2 cups coarsely chopped, cooked turkey

Records Show Yule Christmas Greens Customs Were Old Brighten Home In Fourth Century

The exact age of the Christmas festival is not known. Records show, however, that the holiday was spoken of in the fourth century as a custom of long standing.

Christmas began as Christ's Mass, Rev and Mrs Dixie Clement or the Mass of Christ, sometime during the fourth century. It took that long after the blessed night for the great importance of Christ's birth to be realized by the people. Until this time it had been the custom of the church to celebrate the anniversaries of deaths, rather than births. Christ's birthday was the first to be made an occasion for

Now As Then

Today, as our forefathers did, we celebrate Thanksgiving with a deep appreciation for His generosity. But now, as then, we are faced with the necessity of carrying arms to protect ourselves from forces of darkness that threaten to smother the light of liberty. Yet, with faith in Him we are certain that liberty will conquer, as it did then.
