**CATTLE DRIVEN INTO STOCKYARDS**—Handlers herd beer steers into the Union Stockyards pens at Chicago Aug. 26 as an estimated 40,000 reached the market, setting a all-time record. (AP Wirephoto).

## OPA Flooded By Inquiries To Lift Ceilings

WASHINGTON, Aug. 27 (AP)—Industry's rush to get out from under OPA ceilings gained momentum today.

John Bulky, chief of the new decontrol division set up within the price agency, told a reporter he has had nearly 1,000 inquiries and some 300 informal applications from various manufacturing groups.

No formal petitions have been filed as yet, however, for two reasons:

1. OPA made public only last weekend the specific steps each industry must take to comply with the decontrol provisions.
2. Two weeks notice must be given industry advisory committees before the actual petitions can be filed.

OPA moved along on its own decontrol front last night by ripping all price lids from canned and frozen condensed soups. The agency found ample supplies in stock.

In reverse direction, other OPA officials hurried their effort to re-establish ceilings on livestock, meat and fats and oils made from cottonseed and soybeans.

## Over Million Votes Counted In Election; Latest Tabulation

DALLAS, Aug. 27 (AP)—Texas Election Bureau officials last night announced that 1,044,953 votes have been tabulated in Saturday's democratic run-off primary and estimated that approximately 12,000 votes remain uncounted.

Latest tabulations, last to be issued before reports are complete, gave Beauford H. Jester 688,354 votes for governor to 356,599 for his opponent, Homer P. Rainey.

For lieutenant governor, Allan Shivers led Boyce House, 564,887 to 439,828.

J. E. McDonald, incumbent, held a 501,985 to 471,688 lead over R. E. McDonald in the race for commissioner of agriculture.

For judge of the court of criminal appeals, incumbent Tom Beauchamp led Jesse Owens, 506,155 to 447,671.

The totals represent returns from all 254 counties of the state, with 161 complete.

Veteran Rep. Joseph J. Mansfield of Columbus held a 29,234 to 26,160 lead over State Senator Louis J. Sulak of LaGrange in the ninth congressional district. An estimated 1,000 votes remain uncounted.

About 300 votes are untabulated in district 12 where Wingate Lucas of Grapevine leads District Judge Penn Jackson of Cleburne, 30,297 to 28,984.

Omar Burleson of Anson holds a comfortable margin over County Judge William M. Blanton of Albany in the 17th district. Burleson having 28,684 votes to 21,943 for Blanton, with 600 votes uncounted.

Complete returns in the 15th district give Rep. Milton H. West of Brownsville 21,969 to 21,192 for John T. Ellis, Jr.

In the fifth district court of civil appeals race, incumbent Joel R. Bond had 50,048 to 48,313 for Paul McCarrall. An estimated 800 votes were uncounted.

## Livestock Dumped On Jammed Yards To Beat Ceilings

CHICAGO, Aug. 27 (AP)—“Eat It While You Can” was the advice of the meat industry today as packers worked on the largest cattle run since 1934.

Packers predicted freely that by Thursday, when new OPA price ceilings on livestock are scheduled to become effective, the currently jam-packed livestock markets would resemble the great open spaces.

“Cattle are coming to market, which should never be slaughtered,” Norman Draper of the American meat institute said. He added that this winter there would be “a real famine.”

In their rush to get in under OPA ceiling deadlines, producers were sending to market light-weight hogs and cattle which normally would remain on farms for months, observers said.

Twenty of the nation's largest stock yards handled a total of 183,000 cattle yesterday, including 40,000 at the huge Chicago yards, the largest run for any one day here since Sept. 24, 1923, and the largest one day total on record for August. In 12 major markets, receipts were 21,000 calves, 32,000 sheep and lambs, and 75,000 hogs, including a run of 21,500 at Chicago.

Prices of almost all classes of hogs and cattle dropped sharply. Top prices of \$30 a hundred-weight was recorded here for two loads of prime cattle, equalling the all-time high established last Saturday. However, most other steers slumped \$1 to \$3 under last week's close, and the bulk sold within a range of \$18.50 to \$25.

Hog prices here slumped to the lowest levels since July 13.

## Livestock Volume Steady At Auction

The re-instatement of price ceilings on livestock maintained a steady volume at the West Texas Livestock Auction company's sale today, with officials at noon reporting receipts approximately the same as last week.

At 12 noon almost 1,000 head of cattle had been unloaded at the company's pens and more were coming in. Last week receipts totaled approximately 1,000.

Auction company officials said it probably will be another week or two before full effect of the ceilings can be determined, however. Activity in the auction ring was just getting underway at noon today, and the market had not been tested.

## Bank Funds Partially Unfrozen In Russian Zone Of Occupation

BERLIN, Aug. 27 (AP)—The Russian military government today ordered partial unfreezing of savings bank accounts in the Soviet zone of Germany to permit war widows and wives of war prisoners still in detention to draw up to three hundred marks (\$30 by the military rate of exchange) from their husbands' accounts.

In cases where the woman is incapable of work or destitute she will be allowed to draw 400 marks.

The Russian-licensed Berliner Zeitung called this “another in a series of benefits” given by the Soviet administration, which included raising of food rations for sick people, granting women equal pay with men for equal work and unfreezing of life insurance accounts.

All these benefits have been announced in the last few weeks preceding the first postwar elections in the Soviet zone and the Soviet-sponsored socialist unity party has claimed credit for most of them.

## Ex-Thug Bugs Moran Fails To Prove To Jury He's Respectable Man Now

DAYTON, O., Aug. 27 (AP)—George (Bugs) Moran, a rival of Al Capone in Chicago's gang wars of the prohibition era, failed to convince a jury of 11 women and one man here that he had settled down in Kentucky as a respectable business man.

Moran and two pals were convicted here last night of the robbery of a tavern that called for a 10 to 25 years sojourn in Ohio state penitentiary.

Throughout the 11 days' trial Moran, who was known as Bugs by Chicago hoodlums because of his moodiness, insisted that he had been living a quiet, circum-

## North Howard Gets Good Rain; Little In Town

### Farmers In Narrow Strip May Plant Late Pea Crop

Thundershowers poured out moisture in beneficial quantities from the Vealmoor section, on the northern Howard county line, westward through Knott community, Monday evening.

Big Spring came in for cooling and dust-settling showers Tuesday morning—and that about described the “rain” situation in this area.

Precipitation at the US weather bureau at the airport was gauged at .34 of an inch and the US Experiment Farm had .25. South of town at the Country Club no rain fell. Coahoma reported “enough to wet a shirt” with none to the south. North and west light showers were estimated at less than a tenth of an inch.

Stanton reported hardly enough to call it a shower. There were unconfirmed reports that part of the shower Monday evening touched farms in the Brown community, west of Knott.

Reports from Ackerly said that heaviest fall was three to four miles southeast of that point, in the Vealmoor section, and that up to two inches were reported. Knott had an inch of moisture that sent barrow ditches running.

On the strength of the rain in the narrow strip, many farmers in the area were inquiring Tuesday about black-eyed peas as a late crop.

## Justice Opinion Assures College Of Post Building

An opinion of a government order that would prevent use of Big Spring Bombardier school buildings for the Howard County Junior college was dissipated Monday, with a justice department opinion that the War Assets administration could transfer surplus property to non-profit educational institutions.

WAA last week had issued a “stop order” on such property transfers pending a clarification of authority, but it is now held that colleges such as the local one can be provided for.

The Howard county college had retained an interim permit for temporary use of the buildings. However, today it was still waiting on a right-of-entry order from US Engineers at Dallas. College President E. C. Dodd was tracing on this action, and as soon as such a permit is received work will be started on building conversion.

## Rains Ending Summer Drouth

By The Associated Press

Continuing rains over most of Texas virtually have ended the summer drouth.

The rains also brought a general drop in temperature.

The forecast is more rain and cooler weather.

Temperatures averaged in the 90s yesterday. Highest was 102 at Llano and Dublin.

Coolest spots were Miami and Muleshoe, where the mercury dropped to 63.

Heaviest rainfall was at Corsicana, 3.63 inches.

Paris had 2.57, Sherman 1.98, Lindale 1.23, Bronson .77, Kaufman .72. West Texas points, where ranges were dangerously dry, received drench rains also—El Paso .45, Lamesa .62, Big Spring .34, Amarillo .07, Plainview .18. In South Texas rains continued. Heavy fogs were general, and Brownsville got .85 inches of rain. Houston .62. Athens got its first good rain in three months.

# Australian Lashes Reds For Lies At Conference

## White Bandit Of Siberia Tried For Plot With Japs

MOSCOW, Aug. 27 (AP)—Secret details of a 30-year-old plot by anti-Bolshevik Russian emigrés in the Orient to wrest power in the USSR with Japanese aid were recounted in a crowded court room today by a grizzled old man who has been notorious throughout the Soviet Union for a quarter century as the “White Bandit of Siberia.”

Gen. Gregory Semenov, Cossack counter-revolutionary leader and one-time czarist officer who said he once plotted to assassinate Lenin, unfolded the details of the plot today at his trial, along with seven co-

defendants on charges of armed struggle against the Soviet union, went into its second day before the military collegium of the Soviet supreme court.

Col. Gen. Vasil V. Ulrich, president of the court, who presided at the 1936 Moscow trials, listened impassively as his government's arch enemy testified glibly of mass killings, huge money gifts from Japan and secret details of espionage in the Far East.

For nearly three decades the Russian government has been waiting to get hold of the man who succeeded Adm. Alexander

Vasilievich Kolchak as leader of the white guardists in Siberia.

The former Cossack leader told the court that the Japanese had agreed to make him chief of a puppet state including all of Siberia if the plot succeeded.

Semenov, a stubby little man with a fringe of graying hair and a scraggly white mustache, said his first encounter with the Bolsheviks occurred before the First World War. As a Cossack officer, he related, he led horsemen against strikers, cutting down many workers with his saber.

## Bitter Attack Ends Peaceably On Both Sides

PARIS, Aug. 27 (AP)—Australian delegate J. A. Beasley brought delegates at the Paris peace conference to their feet today with a blistering attack in which he accused Russia of “lies”, “intimidation” and “power politics.”

But the burst of hard boiled oratory ended amicably and the Australian and his antagonist, Andrei Vishinsky, Soviet deputy foreign minister, left the room smiling to one another.

Before adjournment of the political and economic commission on the Italian treaty, at which the clash occurred, Australia agreed to drop her proposal for a standing sub-committee to “examine, collect and report” on the facts in Italy's frontier dispute with Yugoslavia, France and Austria.

But the commission adopted unanimously a similar proposal from the French to organize a standing committee to investigate any point of dispute concerning the Italian frontier.

Beasley began his outburst by exclaiming at Vishinsky “All right now, you've had a lot to say, and I'm going to have my say too.”

He came to the defense of Col. W. R. Hodgson of Australia, whose arguments before the Italian treaty economic commission, had been belittled by Andrei Vishinsky, assistant foreign minister of Russia.

“Russia's tactics of thrusting their speeches down the throats of those who oppose them is getting unbearable,” Beasley said.

“Freedom from fear does not exist in the world today,” Beasley told the representatives of 21 nations assembled to make peace.

“Fear is abroad in Europe, which is a sorry phase after the war, and this fear is enhanced by the Russian tactics of thrusting their speeches down the throats of those who oppose them. We refuse to be intimidated.”

“There is a lot of lying going on in the case of many of these questions. The peace of Europe is as important to us as to anybody else.”

Beasley had not spoken for long before Vishinsky rose to protest. Lief Egeland of South Africa, president, intervened at one point, in an attempt to silence the Australian.

## Wyatt To Gain Control Over All Construction

WASHINGTON, Aug. 27 (AP)—Civilian Production Administrator John D. Small today announced he will transfer control over all non-residential construction, except industrial, to Housing Expeditor Wilson W. Wyatt.

Pending the transfer over a period of weeks, Small said that office, store, factory and other non-housing construction will be cut from \$45,000,000 a week to \$35,000,000. The aim is to channel more materials into veterans' homes.

## “GOOD MORNING” WORTH FREE RIDE

NEW YORK, Aug. 27 (AP)—“Good Morning,” said the man to the cab driver. “Will you please take me to Penn Station?”

At Pennsylvania Station the driver waved away the 80 cents registered on the meter.

“Bub,” said the cabbie, “you ride for nothing. I've been driving a hack or 28 years and you're the first guy who ever said good morning to me.”

## Acheson Claims Yugoslav Case Not Yet Closed

WASHINGTON, Aug. 27 (AP)—Undersecretary of State Acheson declined today to rule out the possibility that the United States may still hale Yugoslavia before the United Nations Security Council as the result of attacks upon American planes.

At the same time, he told his news conference that a protesting nation would only take its case before the Security Council if there existed a threat to peace. He again affirmed the state department's position that Yugoslavia had complied with this nation's ultimatum and said that since the demands have been met, that would not be the case.

However, in response to a direct question as to whether the state department's announcement of compliance last Saturday precluded the possibility of this country going to UN, he replied in the negative.

Asked about repeated Yugoslav charges that this country's planes have violated Yugoslav territory, he said that the United States knew of no such violations and had denied that they have occurred.

He said, however, the army is making a thorough investigation.

## Mrs. Minnie Howze Injured In Wreck

Mrs. Minnie Howze, Big Spring, was injured, probably not seriously, when the car she was driving was in collision with parked cars on US 90 three miles east of Odessa Monday night.

The sheriff's office at Odessa reported that one car had stalled on the road and that a pick-up had pulled up behind it. A third machine then parked behind the pick-up. Mrs. Howze's car struck the third machine, then the pick-up. Arvel McKinney, 31, occupant of the pick-up, was injured fatally.

Samuel J. Ates, Odessa, A. C. Werner, Odessa, and Davis Crawford, Midland, also sustained injuries. Two others were being held in the Ector county jail on charges of parking on the highway.

Mrs. Howze was in the Headlee hospital at Odessa.

## Proposed Wildcat Staked In County

Location for a proposed 4,500-foot wildcat has been staked in northern central Howard county by the Santa Fe Petroleum Co. of Dallas.

The test is to be the No. 1 M.T. Christian and will be located 660 feet from the south and west lines of the west half of section 48-32-20, T.2P. It is approximately eight miles north and east of Big Spring and is approximately eight miles north and east of Big Spring and is to be a rotary test. Operations are due to begin by Sept. 2.

## OPA To Set Rents On FHA-Built Units

Veterans who rent units built under the Federal Housing Administration's recently announced program to stimulate rental construction will have the same protection as other tenants, OPA has announced.

Under an agreement reached between the FHA Commissioner Raymond M. Foley and Ivan D. Carson, OPA rent administrator, new rental units must be registered with OPA within 30 days. This is to assure that the rent established by FHA will remain the maximum rent for the unit.

Foley stressed the fact that the new arrangement does not mean that rents for newly constructed units necessarily will exceed the old limitations of 20 per cent above the rents for comparable existing units. The plan merely allows FHA to follow its regular procedures in setting rents financed with FHA-incurred mortgages, including construction and land costs.

## All-Guest Program On Friday Show

Program for the all-guest artist amateur program scheduled at the City park amphitheatre Friday night, probably will be announced within the next day or two, the chamber of commerce reported today.

Roy Rogan is arranging the program, which will feature well known entertainers from this area. The summer amateur series will close on the night of Sept. 6, with the annual all-negro program.

## Schools Attempt To Buy Surplus Supplies At Post

Efforts to secure surplus equipment at the Big Spring Bombardier school will be reinforced by school authorities in view of an opinion Monday that non-profit educational institutions could acquire the property without cost.

Both W. C. Blankenship, city school superintendent, and E. C. Dodd, president of the Howard County Junior college, had been seeking certain items of equipment for many months without success.

Since the ruling, said Blankenship, efforts will be renewed. Among things, local agencies have been trying to acquire tablet chairs, teacher desks, etc. Part of the desks, it was reported, were sold under veterans priority and later delivered into commercial channels. Most of the tablet arm chairs, however, were supposed to be at the field.

The junior college has booked an order for chairs, but should the other equipment be made immediately available without cost, the order might be subject to cancellation.

## October Deadline To Get Airport Aid

October 1 is the deadline for filing for federal airport aid, W. T. Brown, Fort Worth, chief of the airport section of Civil Aeronautics Administration, told representatives from several West Texas cities at Abilene Monday.

The meeting was called by J. D. Church, Big Spring, engineer in charge of the CAA West Texas office.

Brown gave a detailed explanation of the federal airport act and the national airport plan, together with aeronautical needs.

Among cities represented were Haskell, Throckmorton, Merkel, Eastland, Sweetwater, Cisco, Rotan, Gorman, Ranger, and Boby.

**WALK OUT ON CEREMONY**—V. M. Molotov (carrying coat) Soviet foreign minister, and Ukrainian Foreign Minister Dmitri Manuilsky (behind Molotov), leave ceremonies marking the second anniversary of the liberation of Paris, in Paris. The abrupt departure apparently was the result of a seating arrangement which placed them in the second row behind the US, Britain, China, and France. (AP Wirephoto via Radio from Paris).

## Greece Asks Seat In Council During Albanian Hearing

NEW YORK, Aug. 27 (AP)—Greece today asked the United Nations security council for a seat at the council table during discussions of Albania's application for membership.

The Greek government has strongly opposed the admission of its northern neighbor.

The bid for a seat was expected to touch off a heated debate on the procedure of hearing directly from non-council members on the applications.

Another item on the agenda is the Soviet Ukraine's complaint that the Greeks are fomenting war in the Balkans and the presence of British troops in the country is a “principal factor” in the unrest.

## Miss Smith Complimented With Gift Reception

Gladys Smith, bride-elect of C. E. Hutchison, was complimented at a gift reception Monday evening at the home of Ina Mae Bradley, with Jewel Barton and Beth Luedcke as co-hostesses.

Guests were received by the honoree, her mother, Mrs. Alberta Smith, her sister, Mrs. C. D. Eastwood and Emily Bradley. Miss

## Kill Kare Klub Meets Monday

Mrs. Roy Tidwell was hostess to the Kill Kare Bridge club when it met Monday.

Mrs. Ollie Anderson made high in bridge and Dorothy Driver binged. A refreshment plate was served.

Members present were Mrs. Elvira McCrary, Mrs. Roy Lassiter, Mrs. Rufus Miller, Mrs. Carl Madison, Mrs. Robert Satterwhite, Mrs. Anderson, Miss Driver and the hostess.

Mrs. Satterwhite will be the next hostess.

## Mrs. Mary Roberts Dies; Final Rites Scheduled Today

Services for Mrs. Mary Ransom Roberts, 70, who died yesterday at 5:40 p. m. in a local hospital, were scheduled for this afternoon at 5 o'clock in the Nalley Funeral Chapel with the Rev. H. L. Newman of the Church of Christ in charge.

Burial will be in Oakwood Cemetery in Waco, where the body will be carried overland in a Nalley coach.

Pallbearers named are T. M. Robbins, Bill Sallee, Charles Mayer, George Walker, and Chester Linder.

Surviving Mrs. Roberts are two sons, B. E. and E. F. Roberts of Waco; two daughters, Mrs. Mary Mayer of Waco and Mrs. H. W. Killingsworth of Big Spring, 13 grandchildren and 10 great-grandchildren. One brother, H. W. Alford of Oregon, N. M., also survives her.

## Eastern Star Has Founder's Picnic

In honor of their founder, Robert Morris, members of the Order of the Eastern Star met at the city park for a picnic.

Attending were Mrs. Agnes V. Young, Mrs. Minnie Michael, Mrs. Pearl Wiley, Mrs. Ruby Read, Mrs. Gladys Daimont, Mrs. Bonnie Allen, Mr. and Mrs. C. B. Kirk, Mr. and Mrs. Harry Lees, Mr. and Mrs. Eugene Gross, Mr. and H. F. Williamson and grandchildren, Tommy Jo, Franklin and Timothy Williamson, Mr. and Mrs. Roy Carter, Mrs. Euta Hall, Mrs. Christine Robinson.

Mr. and Mrs. Bernard Fisher and Julian Fisher, Mrs. Jane Newman, Mrs. Blanche Hall, Mrs. Lucille Spears, Mrs. Adams, Mrs. Brownie Dunning, Mrs. Edith Murdoch, Mrs. Elizabeth Murdoch, Mr. and Mrs. G. W. Dabney and Ray Lewis, Mr. and Mrs. L. E. Coleman, Mr. and Mrs. J. D. Benson, Mr. and Mrs. Ervin Daniels and daughter.

## Visits And Visitors

Miss Ra'Orles Howington of Abilene arrived Tuesday morning for a visit with Luan Wear and to attend initiation of the Rainbow Girls tonight. Miss Howington is Grand Charity of the Grand Assembly of Texas, Order of Rainbow for Girls. She was a charter member of the local organization.

Helen Duley returned Monday evening from a vacation trip to California.

## Capt. Mrs. Stallings Parents Of Girl

A daughter was born to Capt. and Mrs. A. B. Stallings Jr., Sunday at 9 p. m. in a local hospital. She weighed seven pounds and has been named Tara Rebecca.

Mrs. Stallings is the former Pearl Richbourg. Capt. Richbourg is now on terminal leave from the army. Mr. and Mrs. A. B. Stallings Sr., of Breckenridge are the paternal grandparents, and Rev. B. G. Richbourg is the maternal grandfather.

## Coahoma News—

**Mrs. Henry Neal Named Party Honoree; Young People Have Worship Program**

COAHOMA, August 27 (Sp)—Mrs. Vance Courson assisted by Mrs. Grady Robinson and Mrs. C. Neal entertained last Thursday evening with a pink and blue party honoring Mrs. Henry Neal. Games were played and refreshments were served to 20 guests.

Seventeen young people met at the home of Mr. and Mrs. H. T. Hale Sunday evening where they had a "Worship Under the Stars" service. Following a song service, Mrs. Frank Loveless, adult advisor, led the group in the discussion program after which Bible games were played and refreshments were served.

Mrs. Grady Acuff visited with her father, Mr. Davis, in Slaton this week.

Miss Lucille Thompson returned to her home here Monday after spending a week in Ruidoso, N. M. Others in the party were Mrs. Ida Collins of Big Spring and Mrs. Bernard Lay of Brownfield.

V. L. Red of Midland, superintendent for the Magnolia oil camp, was a visitor in the local Magnolia camp this week.

Mr. and Mrs. Bruce Mayfield spent Tuesday visiting friends in Colorado City.

Bobby Bruce Lindsey spent last week visiting in Kermit.

Mrs. S. Bills and son of Sweetwater are in Coahoma this week-end visiting with her parents, Mr. and Mrs. Bill Spears.

Fred Woodson is at home with his parents, Mr. and Mrs. F. P. Woodson. Fred has just completed work at Sul Ross College in Alpine during the summer session.

Webb Stull returned to his home here Friday from Fort Worth where he has been for the past months recovering from surgery.

Mrs. L. M. Bond of Big Spring was visiting with Coahoma friends here Friday.

Walter Woodson is ill.

Kener K. Boyce of Corsicana is

**Christian Council Makes Fall Plans**

Members of the First Christian Women's Council made plans for attending the district meeting in Sweetwater on Sept. 24, when they met Monday at noon for a luncheon and business session.

The group voted to send Mrs. Shelby Hall as a representative of the local unit.

Mrs. Willard Read led the group in sing, and Mrs. J. T. Allen gave the prayer.

Those attending were Mrs. A. A. Marchant, Mrs. Justin Holmes, Mrs. Harvey Clay, Mrs. Harry Lees, Mrs. R. J. Michael, Mrs. W. M. Bonner, Mrs. J. T. Allen, Mrs. J. D. Benson, Mrs. J. H. Stiff, Mrs. George Hall, Rev. and Mrs. J. E. McCoy, Mrs. L. M. Brooks, Mrs. Willard Read, Mrs. C. M. Shaw, Mrs. Brown Rogers, Jerry Brooks, Jerry McCoy and Brown Rogers Jr.

**First Methodist WSCS Plans Study**

Announcement was made at the regular business session of the WSCS of the First Methodist church Monday that the fall study will be on India and will begin in September.

Mrs. Lawell brought the devotional. Mrs. Herbert Keaton reported on the seminar in Lubbock last week.

Some 25 members attended the joint meeting of all circles.

## Mrs. Alexander Honored At WMU Meet Monday

Following a business session at First Baptist WMU Monday morning in the church parlor, a social was held honoring Mrs. W. J. Alexander, who recently resigned her position as visiting missionary and assistant secretary at the church.

Mrs. Alexander and her husband, the late W. J. Alexander, were members of the First Baptist church for 10 years, and following his death in September, 1945, she assumed the secretary-missionary position. Mrs. Alexander has also served in the young peoples department, and was counselor to the YWA. She was young peoples vice-president in the WMU.

Dr. P. D. O'Brien paid tribute to Mrs. Alexander, and he presented her with a gift of white chrysanthemums.

At the business session the report of the nominating committee was given by Mrs. Theo Andrews, and approved by the body. All officers were reelected and included Mrs. P. D. O'Brien, president; Mrs. Inez Lewis, corresponding secretary and treasurer; and Mrs. Della K. Agnell, recording secretary and reporter. Circle

**First Methodist WSCS Plans Study**

Announcement was made at the regular business session of the WSCS of the First Methodist church Monday that the fall study will be on India and will begin in September.

Mrs. Lawell brought the devotional. Mrs. Herbert Keaton reported on the seminar in Lubbock last week.

Some 25 members attended the joint meeting of all circles.

## Fairview HD Club Has Lunch Session

Fairview Home Demonstration club met in the home of Mrs. Robert Hill last week for a covered dish luncheon and a regular business meeting.

Members answered roll call on "Where I Spent My Vacation." Mrs. G. W. Webb gave the devotional, and reported on the state HD convention in Amarillo.

Mrs. Hollis Webb resigned her position as president of the club, and Mrs. J. W. Brigrance was named to fill the vacancy.

Refreshments were served at the close of the meeting.

Attending were Mrs. W. H. Ward, Mrs. Frank Wilson, Mrs. Jim Skalicky, Mrs. Lee Castle, Mrs. Roy Green, Mrs. D. F. Bigony, Mrs. F. W. Webb, Mrs. Hollis Webb and the hostess, Mrs. Hill.

Club will meet on September 10 in the home of Mrs. W. H. Ward.

## Posthumous Medal Awarded Lt. Nunn

COLORADO CITY, Aug. 27—The Air Medal has been posthumously awarded to 1st Lt. James E. Nunn, Mitchell county fighter pilot who went down over China Nov. 9, 1944, and who, until recently, had been continued on the AAF's "missing in action" roster.

Lt. Nunn, son of Mr. and Mrs. James P. Nunn of Buford community, was a 1939 graduate of Colorado City high school and a former student in John Tarleton College, Stephenville. He joined the air corps in May 1942, and was sent to China as a pilot of a P-38 in Oct. of 1943 and was credited with the destruction of 7 Jap planes.

The Air Medal was presented to his parents, who had two other sons in service during the recent war, with a citation which read in part, "For meritorious achievement from Dec. 21, 1943 to Sept. 1944 as pilot of fighter type aircraft . . . flying from bases in China Lt. Nunn and his companions inflicted heavy losses on the enemy in material and personnel in actions over China, Indo-China, and Thailand. . . . On many flights they were fired upon by enemy ground installations and hostile aircraft . . . and flew many missions through adverse weather and over rugged and poorly charted areas."

Dinner guests in the home of Mrs. Jack Tibbs Monday evening were her sisters, Mrs. Albertine Hush and Donald, of Lubbock, formerly of Big Spring, and Mrs. Pearl Young of Lubbock. They were accompanied by Mrs. Hush's brother-in-law, Archie Hush of Hanson.

Kingfishers generally nest in tunnels in earth banks.

**Truman To Appoint More To Annapolis**

NEW ORLEANS, Aug. 27—Additional opportunity for sons of regular Navy, Army and Marine Corps personnel to attend the US Naval Academy at Annapolis, Md., was offered today when it was announced that Presidential appointments have been increased from 25 to 75 annually.

Presidential appointments are made through competitive examinations. Next tests will be held Apr. 16, 1947, Eighth Naval District Headquarters here revealed. Applications may be made through the Chief of Naval Personnel, Navy Department, Washington, DC.

Adopted sons are also eligible providing they were adopted before their fifteenth birthdays, but stepsons do not qualify for this kind of appointment, the announcement said.

**Ol' Gene And Young Herman Talmadge May Rotate Georgia Governorship**

By STEWART ALSOP  
WASHINGTON — Until Monday's decision by the Supreme Court ruling its peculiar election system legal and constitutional, there was many wistful hopes outside of the state that the fight on Eugene Talmadge was not, over, that the Supreme Court or an independent opponent could still keep him out of the Georgia governor's mansion. Even those Georgians who most bitterly detest Talmadge and everything he stands for do not share these hopes. To be sure, if Talmadge had run for Governor in any other state, he would now be anticipating a well-deserved rest as a private citizen. But because of the county unit system of voting peculiar to Georgia, Talmadge will be Governor for four long years.

Attempts were made to test the constitutionality of the county unit system before the United States Supreme Court. There was a general misconception that a finding against the system would automatically unseat Talmadge, amid national sighs of relief shared by a great majority of Southerners.

This, however, would not have been the case. Had the decision been against him, Talmadge would still retain the governorship unless a special election were ordered, a most unusual step. And even then, observers inside Georgia had predicted that Talmadge would still win a majority of the popular vote, since the Negroes would be prevented from voting Unappetizing as the prospect of

the next four years is to many Georgians, even more disagreeable is the considerable possibility that Georgia may be in for an interminable Talmadge dynasty. It is sadly expected that the next candidate of the Talmadge forces, in 1950, will be Gene's son, Herman.

Neither Talmadge should be underestimated. Eugene is a highly intelligent man. He is well educated (he holds a Phi Beta Kappa key), despite the hayseed act he puts on, and he is an exceedingly shrewd lawyer and politician. Son Herman is reputed to be at least equally smart, and maybe a bit more so. He is well liked by Talmadge followers, and there was even a movement in the Talmadge camp this year to run young Herman instead of the old man. Herman is a vigorous youth and he has a respectable war record. On the radio his voice is wholly undistinguishable from his pappy's famous screech. All this added together will make Herman a formidable champion of the Talmadge tradition.

Yet if the melancholy fears of some acute observers of Georgia politics are fulfilled, there will be no need for Herman to rely exclusively on his war record, the Talmadge voice or the Talmadge name. These observers fear that Gene Talmadge has both the means and the intention of establishing a state-wide political machine as well-oiled and as closely controlled as Huey Long's ever was. Talmadges' rural or-

ganization is strong, but Governor Ellis Arnall beat it four years ago. Some Georgians are convinced that Talmadge will take no chances of this happening again. During the campaign Talmadge made much of the necessity of preventing crime and keeping law and order, another way of saying that the negroes should be kept in their place.

Leapfrog  
To achieve this end, Talmadge intends that one representative of the Georgia Bureau of Investigation, with an assistant, be sent to each one of Georgia's 149 counties, to assist the local sheriffs in their arduous duties. These men would be under the control of Talmadge, and it is expected that during lulls between crime waves they would not be idle. It is certainly possible that they may form the basic network of a state-wide political machine, with overtones of political espionage. A Georgia Governor cannot succeed himself, so Gene will not be a candidate four years from now. But young Herman may well find his father's crime-prevention officers useful. The prospect of the two Talmadges playing a game of political leapfrog with each other, alternating in success-

ive terms, is hardly a pleasant one.

Gsio Iabaven-

All this has been intensely discouraging to those in Georgia who have for years fought everything Talmadge stands for. Such men describe the profound sense of depression and frustration which has weighed on their movement since the Talmadge victory. They say that progressive and ambitious young men are leaving Georgia in droves rather than face an indefinite future of Talmadgism. Yet it is a serious error, often made by non-Southerners, to underestimate the strength of the opposition to Talmadge and Talmadgism in Georgia and throughout the South. When Talmadge becomes Governor, Northerners will be increasingly inclined to think of Georgia and Talmadge as synonymous, forgetting that in Ellis Arnall the citizens of Georgia elected one of the best and most progressive Governors in the country, and that all

qualified observers are certain that if Arnall could have run to succeed himself he would easily have defeated Talmadge.

That the South's Talmadges need not always win is most clearly demonstrated in Alabama. The political situation in that state deserves more detailed examination. First it shows that the picture, widely held elsewhere in the country, of the South as a morass of Bibbs, Rankins and Talmadges, is inaccurate. Second, it is interesting and significant in itself.

# Berle With Oysters

NEW YORK—Milton Berle has been signed to stay at Nicky Blair's Carnival until December. He started February 27 at \$7,500 a week plus a percentage over a certain gross, which has kept his weekly take-home solidly perking along at \$10,000.

Those are the inside facts on how Churchill happened to take on Tito, and how the United States immediately switched tons of valuable land-lease equipment to Stalin's puppet-in-disguise.

GENE LEONE, restaurant owner and part-time wit, says if a husband's words are sharp it's because he's been trying to get them in edgewise.

DURING the filming of the atom bomb picture, "The Beginning of the End," one scientist working as a technical expert got considerable ribbing from Director Norman Taurog.

Record fans have a constant frustration trying to find platters of obscure tunes which are fine musically or lyrically or both and whose absence of initial popularity is the reason no one ever put them on wax.

As Tito's plane landed, several hundred Yugoslavians armed with Tommy guns surrounded it. No British official was allowed anywhere near their chief.

Washington Merry-Go-Round—Drew Pearson

# Stalin Sold Churchill On Tito

E. Note—Drew Pearson, who always gets restless on vacations, last week interrupted his vacation long enough to write the following column on Marshal Tito.

"I say, Marshal," remarked General Wilson, "isn't this a most unusual procedure?"

NEW YORK—When the full details of the Teheran conference are told they will show that after Josef Stalin and Winston Churchill finishing dividing up the Balkans

Next day he flew to Bucharest, conferred with Russian officials, then returned to Yugoslavia. His cooperation with the British was absolutely dead.

So at this point, Stalin gave his friend Churchill some advice, the Adriatic coast of Yugoslavia and the areas in which British is especially interested, he said, are Croatian and Serbian.

Today in Yugoslavia, Tito is anything but popular, and if it wasn't for the support of Russia he would be out on his ear.

Those are the inside facts on how Churchill happened to take on Tito, and how the United States immediately switched tons of valuable land-lease equipment to Stalin's puppet-in-disguise.

Montenegrins make up the backbone of Tito's army and they have been trigger-happy ever since they were old enough to roll out of their wooden cradles.

# Tito Shows His Teeth

When Dictator Tito fired on U. S. airplanes recently it was not the first time he had shown his teeth. His first snarling display of force came toward the end of the war as relations between himself and the British began to cool.

# Balkans Breed Cutthroats

Montenegrins make up the backbone of Tito's army and they have been trigger-happy ever since they were old enough to roll out of their wooden cradles.

# Bill Greider Hurls Perfect Game As Redcaps Win, 3-0

## Terminal Bobbles Not To Mar Good Plays Under New Rules

DALLAS, Aug. 27 (AP)—Football this fall won't be changed much from last year but it will make one notable stride—that of rewarding for a good run or pass although it be marred by a bobble at the end.

In other words if a run is made or a pass is completed then the man with the ball attempts to lateral or throw a backward pass and it goes forward in violation of the rules, the whole play won't be nullified. There will be a penalty of five yards from the point where the lateral or backward pass was attempted.

Other changes include: Four legal time outs per half instead of three. Also, the team can substitute while time is in, provided the ball has not yet been snapped, and it will not mean a penalty for delay of the game unless the four time outs have been exhausted.

Last year if the quarterback was in position behind the center of take the ball and was less than a yard back, he had to take it. This year he doesn't have to take it—it can go direct to another backfield man. But the quarterback must be in position to receive it or it will mean an illegal formation. Also he will not be eligible to catch a pass. Thus, the opposition may ignore the quarterback as a pass-receiver if it sees he is less than a yard back.

If on a kick which passes the line of scrimmage a foul is committed while the ball is in possession of neither team the ball is brought back and played over after a 15-yard penalty is charged. Last year the ball was lost at the spot of the foul. In other words, the receiving team last year gained only the difference in yardage from where the foul occurred and where it received the kick. It would have gotten the ball on the kick anyway, so the fact that the kicking team lost possession of the ball because of a foul did not mean to the receiving team. This year the receiving team can gain a

penalty, at the same time forcing the kicking team to kick over.

At the meeting of the SFOA here there was much talk regarding an unusual play last fall in the Texas-Texas Christian game. A Texas player tried a forward pass that went forward. That made the ball still in play. But another Texas player, thinking it was an incomplete forward pass, picked up the ball and pitched it to the referee. The latter stepped aside and let the ball fall to the ground. Another Texas player, seeing something was wrong, picked up the ball and ran down the field.

Coach Dutch Meyer of Texas Christian raced out when confusion reigned and pointed out that when the player pitched the ball forward to the official it became a forward pass that was incomplete so the ball was dead.

## Vincent Given Auto And Win At Dallas

By The Associated Press

Rain halted the Dallas-Houston game in five innings last night but Manager Al Vincent of the Rebels didn't mind.

The Rebels won the abbreviated game, 6-1, and Vincent left the park with a brand new automobile and numerous other gifts from the Dallas club and Rebel fans.

Vincent had planned to observe "Vincent Night" by playing one inning at each position on the field but rain prevented his getting out of the infield.

At Fort Worth, the first place Cats defeated San Antonio, 6-3, despite thirteen hits collected by the Missions of George Dockins, who saw his four-straight one-run game streak broken.

J. P. Wood stole home in the eighth inning to give Shreveport a 2-1 victory over Oklahoma City in the first game of a double-header, while the Indians came back to take the nightcap from the Sports, 4-2. The first game had been scheduled for seven innings. The second was called at the end of the seventh to permit the clubs to catch trains.

At Tulsa, a two-hit pitching job by Charles Eismann in the opener and effective relief work by Tommy Warren in the nightcap helped the Oilers sweep a twin bill from Beaumont, 6-0 and 3-2.

In the Dallas game, Walter Wilson, who took over the mound assignment in the second after no runs in the first, racked up his Vincent had given up one hit and fifteenth triumph of the season, allowing three hits to the Buffs in five frames.

Vincent, in playing single innings as pitcher, catcher, first baseman, second baseman and shortstop, was credited with a double and a walk in three trips to the plate, five put-outs and an assist.

Jack Paeke's three-run triple in the third inning brought Ft. Worth to life after San Antonio had taken a 3-1 lead. After that, Dockins scattered the numerous Mission hits effectively.

In the over-time opener at Oklahoma City, Wood scored the winning score by sneaking home after two were away.

## Golfers Qualifying For Nat'l Amateur

FORT WORTH, Aug. 27 (AP)—Twenty-three golfers will be shooting at five places in the national amateur today in sectional qualifying at Colonial country club.

Dallas will have eleven going through the two rounds of 18 holes each while five from Fort Worth will post qualifying scores. Houston has three, Austin two and Baytown and Shreveport one each.

Among those who will be shooting for places in the national tournament at Baltusrol country club, Springfield, N. J., Sept. 9-14 are Jack Mungler and Don Schumaker of Dallas, long top players in southwestern amateur ranks, and Bobby Riegel of Houston, one of the leaders in any year.

## Cosden Trounces B'Spring Motor In Feature, 8-2

Pete Womack's Cosden Oilers cleared a major hurdle in their bid for the last half Munsy softball league title at the city park Monday evening when they pushed aside the Big Spring Motor team, 8-2.

The victory was qualified, however, and may go before the league's rules council since Dike Tolbert protested that the Refiners used an ineligible player—Leamon Bostick, who performed at short stop for the winners.

Important though it was in the circuit chase, the debate had to take a back seat to the evening's first bout in which Bill Greider turned in what is believed to be the first perfect ball game ever pitched at the city park when he led the Redcaps to a 3 to 0 victory over the Veterans of Foreign Wars.

Not a man reached first base in the sensational Greider's five inning stint against the determined Vets, who tried all the tricks—swinging bunts and slow rollers et al—in attempts to gain a life.

Greider struck out 13 of the 15 men he faced. Leamon Bostick, who also played in the first game, was the only Vet to connect with the pellet. He skied to Charley Read once and rolled out. Read to first base, his other try.

The Redcap hurler had to be at his best to shade Peppy Blount, who hurled two hit ball for the VFW clan. Ocle Henson found him for a single in the second round and Morris Crittenden came up with a safety in the fifth.

Henson's blow led directly to the Redcaps' first run. He was sacrificed as far as third and then came some on Skee Davidson's infield out.

The league leaders got their other two runs in the fourth round when Davidson strolled and plinked second. He dashed home on a ground ball by Greider that was muffed and Greider later tallied on Read's long fly.

The Redcap hurler struck out LeRoy Wood twice, Johnny Burns twice, Horace Bostick twice, Jake Anderson twice, and Tom Davis, Doc Malone, J. Bostick and Blount once each.

Big Spring Motor crowded across two runs in the first inning of their bout but the Gosdens came right back to tally three times and were never headed thereafter.

Pat Stacey was the big gun in the Oiler attack, hitting two doubles that accounted for three runs. Leonard Morgan also had a brace of blows and Conn Isaacs hit for the circuit.

R. H. Weaver, working the bunt perfectly, came through with three safeties in four tries.

Moyes, leading the league in home runs, also has played every inning.

Romanus Bagall, Fort Worth second baseman, had played in every game until Sunday when he missed the second game of a double-header.

### Moyer An 'Iron Man'

DALLAS, Aug. 27 (AP)—Boy Moyer, first baseman for the Dallas Rebels, is the only Texas league player to have played in every game played by his club during the current campaign, statistician W. B. Ruggles has announced.

Moyer, leading the league in home runs, also has played every inning.

Romanus Bagall, Fort Worth second baseman, had played in every game until Sunday when he missed the second game of a double-header.

### Texans In Lineup

WAUKESHA, Wis., Aug. 27 (AP)—Walt Rankin, former player with Texas Tech, and Ray Mallouf, formerly with Southern Methodist University, were listed by Coach Jimmy Conzelman on the starting backfields of the Chicago Cardinals, professional football team, for the first intra-squad game next Thursday night.

### TWINS TRIP TROJANS

The Sherman Twins defeated the Tyler Trojans, 5-4, last night in the only game played in the East Texas league. All other games were postponed because of wet grounds.

# Wade At Duke Spells Misery For Grid Foes

By ROBERT L. MOORE  
AP Newsfeatures

DURHAM, N. C.—Note to Army, Navy, North Carolina, Tennessee and the other football teams: Duke university will play this season. The same old strategy which Duke Coach Wallace Wade used to effectively before the war will be exhibited by the 1946 edition of the Blue Devils.

Wade, whose teams have won five games for every one they've lost down through the years, is back at Duke after a lengthy hitch in the Army, and while the famous manufacturer of Rose Bowl eleven isn't saying much, the football crystal gazers predict another powerhouse for this university in the land of tobacco.

What about the football strategy of Wallace Wade? Listen: Wade says that "it's one man's job to play, one to coach, one to be a spectator, one to officiate" and that "no one man is good enough to do any two of them."

About players, Wade believes that "to get the best out of a player, a coach has to give his best. And, in my opinion, to do the best is to do what is necessary."

About morale — "If I had to choose between a squad of good

WALLACE WADE  
1's Blue Devils, 5 to 1

morale and one of good physical build, I'd take the squad with the morale."

About passing — "A passer should throw the ball with the idea of its not being intercepted rather than with the idea of completing the pass."

About kicking—"How far you kick balls does not tell how good your punting is but how far did the opposing team return them. Returning a punt 10 yards is the same thing as making a first down and is much easier."

About touchdowns — "Touchdowns usually result for one of three errors—a blocked punt, an intercepted pass, or a fumble." About fumbles—"Fumbles can be traced to one of three things—failure to carry the ball correctly, a bad pass from center or from one of the passing backs, or a player's taking his eye off the ball when receiving it. Fumbling is the worst offense a back can commit."

Wade tops his strategy off with the statement that "the road to success is paved with players who did their best. The best player is one who does what is necessary."

# LOOKING 'EM OVER

By TOMMY HART

The air smacks of King Football. Our Autumn pastime must take a back seat in the sports tin-types until after the World Series but it definitely has its feet on the running board.

District 3AA teams are chaffing at the bits, preparing for the Sept. 1 get-away. Teams of all schools are undergoing calisthenics and limbering up workouts, and would be busier if the state interscholastic league rules permitted it.

Grid fans at Odessa, always among the most zealous in West Texas, recently snapped up all the season tickets for the Broncos' home games. The fans got a taste of success last fall when the Hosses drove into the state prep quarterfinals. They'll be satisfied with nothing less this time out.

Sweetwater's Mustangs go into serious training soon at Lake Sweetwater and will begin the campaign as the conference favorites. (Most local fans are inclined to stick with Odessa, however, on the basis of each team's showing against the Bovines last year).

Midland backers insist Barnes Milan will produce and he'll have 80 men in camp. One of those will be Dunny Goode, a speedster who may be the scourge of the league this year.

As is the case at Midland, new coaches are breaking in at Lamesa and San Angelo. Jim Neill, former Little All-America back (at Texas Tech), is in the saddle at Lamesa while the laconic Von Rhea Beane succeeds Jewel Wallace down San Angelo way.

Athlete returns Pete Shotwell to the post and Pete, the highest salaried mentor in the state, will improve the Eagles although they may not win the important Sweetwater and Odessa tests.

Shotwell's chances to succeed were dealt a severe blow recently when it was learned Ray Berry, a sterling back, would be out for the season with injuries.

That, coming upon top of news that Ted Hardin was graduating with the summer term, was enough to knock any one for a loop. However, Pete should bear up since he'll have the largest turnout of hopefuls in the district.

The War Birds lost such standouts as Bud Braselton, end; Norman Daulton and Kenneth Tate, tackles; Glenn Green, guard; Billy Murphy and H. D. Terry—speedsters both—in addition to Perry and Hardin.

Big Spring failed to win a conference game in '45. Surely it will improve upon that record, though how much no one will hazard a guess.

Addition of Mule Stockton to the coaching staff here is going to help tremendously. The former McMurry star knows his line play and should be able to mould a solid forward wall with the returning material.

The Herald opens its season Sept. 20 here with the Cisco Lobos.

All reports to the contrary, the Southwest conference won't come up with as good an intersectional card as it has in years past.

Texas Tech and Oklahoma A&M are the most popular 1946 foes of the Southwest circuit schools, each having four games scheduled. Tech will play Rice, Texas A&M, SMU and Baylor while the Sooners Aggies meet up with Texas, Arkansas, SMU and TCU.

The only long jaunts booked for the schools are TCU's odyssey to Florida to play Miami and to Kansas City to tangle with KU, SMU's trip to Philadelphia to clash with Temple and to Columbia, Mo., to play Missouri.

Cosden's exhibition softball game with the Texas and Pacific team of Dallas, which tentatively had been set for Aug. 31, has been cancelled, Manager Pete Womack announced Monday night.

Three baseball games, all of which would have been played away from home, have also been called off, Womack said.

## Game With T&P Club Cancelled

## Defeat Continental, 11-10

# Gaugers Score Victory In Forsan Title Game

Cosden's Gaugers went one up on the Continental Oilers in the playoff for the last half championship of the Forsan Community league title Monday night by defeating Bill Robertson and his cohorts, 11-10.

Wayne Munrooney and Bobby Asbury hit home runs as the Gaugers put together a 12-hit attack to rout the Oilers, despite a late rally which nettled the losers three runs in the final two innings.

The Cosdens tallied all their runs in the first four innings. Munrooney and Asbury hit their circuit smashes in the initial round to send the Gaugers out in front.

Cleo Wilson had three hits for the losers. Lefty McCabe and Burl Griffith received for two each. Heuvel punched out two safeties for the winners.

The two teams play again tonight. The third of the best three-of-five game series is booked for Thursday.

Cosden ..... 413 300 0-11 13  
Cont. .... 410 202 1-19 9  
Long and Heuvel; Cardwell, Griffith and Wilson.

## Patty Berg Has 73 At Spokane

SPOKANE, Wash., Aug. 27 (AP)—Two pros and an amateur paced the field as the \$19,700 women's national match-play open 36-hole qualifying round went into its second 18 holes today.

Patty Berg shaved a stroke off women's par with a 38-35-73 yesterday to take the half-way lead.

She was followed by amateur Betty Jean Rucker of Spokane, who played over her home course in 34-40-74, and Betty Jameson, former national amateur champion now a pro from San Antonio, Tex., who had a 37-40-77.

Mildred "Babe" Didrikson Zaharris, scratch playing amateur from Denver, Colo., required 78 blows. This tied her with Ann Casey of Mason City, Ia., Mary Moez, Portland, Ore., pro, and Betty Hicks, duration national women's amateur champion, who since turned pro.

**Governors Of Texas - -**

**Hobby Trades Newspaper Career For Politics, Chief State Post**

This is the 25th in a series of articles based on the lives of governors of Texas.

AUSTIN—Texas had another "newspapering" governor in William P. Hobby, the twenty-fifth man to run the affairs of Texas from the north end of Austin's broad Congress Avenue.

Governor Hobby had some pretty illustrious predecessors in the "newspapermen turned governor" field. James S. Hogg and Oscar B. Colquitt had started out as editors before trading eyeshades and copy pencil for politics and a governorship.

Will Hobby was born March 26, 1878 at Moscow in Polk county. He was the son of Edwin Hobby, a Texas senator and Judge of the Court of Civil Appeals. However, Will Hobby was not rocked in a silver cradle. He worked while getting his education and graduated from Houston high school.

From high school he went out to cut out a career in the granite-hard business of reporting the news. At the age of 17, Will Hobby was hired as a cub reporter on the Houston Post, owned at that time by one of the best known journalists in Texas, Col. R. M. Johnston.

From the pavement-pounding job of cub reporter, Hobby inched his way up and became in a few years managing editor of the Post. In 1907 he became Editor and Publisher of the Beaumont Enterprise and Journal.

Then Will Hobby made the jump from newspapering to politics. In 1914 Hobby announced for Lieutenant governor. He swept into office with James E. Ferguson. Hobby was elected to a second term while Ferguson won his second and ill-fated term as governor.

That's when Will Hobby became "governor by accident." As lieutenant governor, Hobby took over when Ferguson was impeached. Hobby wasn't an accidental governor long. In 1918 he went after an elective term as governor and got it with the greatest majority ever given a candidate for governor in the primary.

During Hobby's time, American troops were fighting the final bloody battles of World War One. Most of the interest in the state was centered around St. Mihiel and the Argonne. But Hobby plugged away at home.

During his administration, illiteracy was dealt a serious blow when the Texas Compulsory Education Law went into operation.

West Texas also suffered a serious blow. Two droughts in succession struck that area. Governor Hobby called upon the legis-

**W. P. HOBBY**

lature to provide a revolving fund by which seed and feed were provided and West Texas planted its 1919 crop.

Hobby didn't try for a third term. Nor did he try for a place in the U. S. senate which his friends said he could have with little trouble. Will Hobby closed his administration by being chosen spontaneously to head the Texas delegation to the National Democratic Convention in San Francisco where he served as vice president.

In private life after quitting politics, Hobby split his time between his Beaumont papers and business interests in Houston. Governor Pat M. Neff, Hobby's successor, appointed him to the first board of Texas Tech at Lubbock. He helped found that growing and spirited West Texas school.

In 1924, Hobby went back to the institution where he started as a cub reporter. When the Houston Post and Dispatch were

**LOCOMOBILE, VINTAGE 1917, GOOD AS THE LATEST MODELS**

By JACK RUTLEDGE

If you need a new car, why worry about a 1946 model? A 1911 Locomobile will fill your bill. Ask a couple of Harvard students who own one.

John Bacon, Wellesley Hills, Mass., and Bob Merriam, Edgewood, R. I., drove into Dallas with one of the vintage models, and said all the trouble they'd had on a 5,000 mile trip was a flat tire. They said the super-deluxe Locomobile is hard to beat.

They left Boston July 24, visited Chicago and Hollywood, plan to see the old south before returning home to Boston. They said they have had no motor trouble at all, even in crossing the roughest of the Rockies.

Young Bacon once owned a fleet of 14 ancient cars, now has it cut down to a 1904 Reo and the Locomobile.

They've averaged 45 miles an hour on the trip, get eight miles to the gallon of gasoline.

They had to have special tires built for the car—38 by 4½ high pressure tires.

Original cost of the Locomobile was \$5,500, but Bacon bought it six months ago for \$150. It was built in Bridgeport, Conn., 35 years ago.

A business man from the north visiting Brownsville wanted to telephone a Mexican in Matamoros, across the river. He'd lift the telephone, give a number, wait, frown and hang up.

"Who is this guy Wayne I keep getting?" he finally asked in exasperation.

They explained to him that Mexicans answer the phone by saying "bueno" instead of "hello."

Catchy heading used by the Midland Reporter News on a farm, dairy and ranch news column: "Dirt, Squirt and Quirt."

**Merediths Work All Day In Bed; Pretty Soft Job**

By BOB THOMAS

HOLLYWOOD, (AP)—You know those Mr.-and-Mrs. radio shows wherein husband and wife use the airplanes while chatting over breakfast? Well, Paulette Goddard and Burgess Meredith have now transported the idea to the movies.

For two days, the Merediths hopped out of bed, drove to the studio, hopped back into bed and stayed all day. Then they rose, drove home and got into bed again. Gets dull, doesn't it?

All this nonsense is because they are playing a married couple in Benedict Bogeus' "A Miracle Can Happen." When I saw them on the set, they had progressed to breakfast. Meredith was using an electric shaver while his wife read the paper.

"Does your husband shave at the table at home?" I asked Paulette when the scene was over.

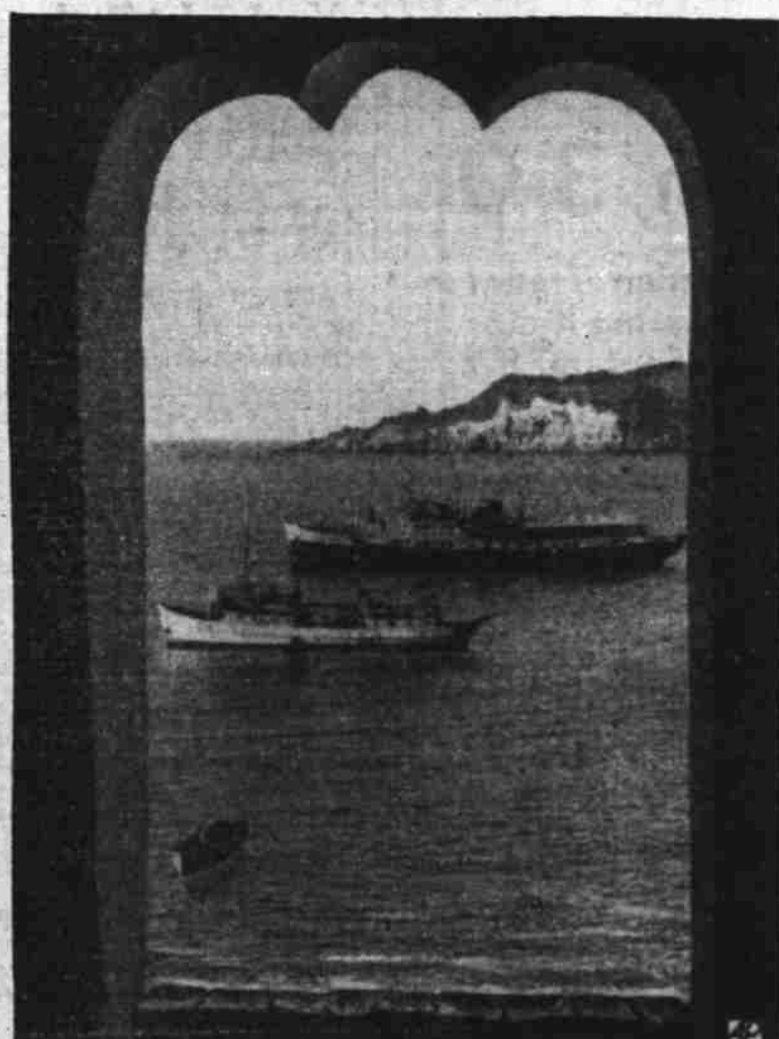

"Now you're being silly," she warned.

During the work day, the Merediths cavort about a four-room apartment, the same size as their own. No doubt theirs is better furnished. That at the studio is in a garret and has a small bathroom with an antique bathtub, water heater and wash basin.

That's all the equipment; movie realism is sometimes sacrificed by squeamishness. Meredith plays a reporter in the picture. He told me he was once a newspaperman on the Cleveland Plain Dealer (want ad dept.). He was also star reporter for the Stamford, Conn., Advocate and almost scored a scoop on a prominent suicide except for one matter—he forgot to ascertain the name of the deceased.

The Merediths went back to their work and I must report that they were a bit spotty on remembering their lines. If they're not careful, they might get a curt note from the film's co-producer, a man named Burgess Meredith.

Additional proof that it pays to have babies: MGM bosses were up in arms when they heard Esther Williams was anticipating, fearful she couldn't finish "This Time for Keeps." She agreed to do it, but said she would be much happier if they gave her a new, richer contract. She got it, and the child will receive the proceeds in a trust fund. And a rich little tyke it'll be.

**PEACEFUL RETREAT**—View from the apartment house overlooking the water on the island of Ischia, near Naples, where Dona Rachele, Mussolini's widow, is now living.

**Cameron Elected BZ Wacs President**

CHICAGO, Ill. (Spl.)—Mary Alice Cameron of New Haven, Conn., was elected president of the BZ Wacs, at a first reunion in Chicago this weekend.

Yetta Immermar was chosen secretary of the organization, composed of former Wacs who were stationed at the Big Spring Bombardier school where it was in operation during the war.

Next meeting is planned for September, 1947, in Denver, Colo. Approximately 50 attended the reunion which featured a luncheon, banquet at the Bismark and talking over of old times.

An Australian wedge-tail eagle once was reported with a wing spread of 11 feet.

**Navy To Accept Regular Commissions**

NEW ORLEANS, Aug. 27—The Navy today, directed all reserve and temporary officers whose appointments for regular Navy commissions have been approved to accept the commissions within four months or be considered ineligible under existing regulations.

A previous announcement had set a September 15 deadline on applications for regular Navy commissions. Acceptance must come within four months of publication of approval by the Navy, the new order said.

Officers who transfer to regular Navy status under the present program retain accrued annual leave and mustering out pay benefits.

**What Is Wrong When Prayer Fails?**

Thirty years ago, in Forbidden Tibet, behind the highest mountains in the world, a young Englishman named Edwin J. Dingle found the answer to this question. A great mystic opened his eyes. A great change came over him. He realized the strange Power that Knowledge gives.

That Power, he says, can transform the life of anyone. Questions, whatever they are, can be answered. The problems of health, death, poverty and wrong, can be solved. In his own case, he was brought back to splendid health. He acquired wealth, too, as well as worldwide professional recognition.

Thirty years ago, he was sick as a man could be and live. Once his coffin was bought. Years of almost continuous tropical fevers, broken bones, near blindness, privation and danger had made a human wreck of him, physically and mentally.

He was about to be sent back to England to die, when a strange message came—"They are waiting for you in Tibet." He wants to tell the whole world what he learned there, under the guidance of the

greatest mystic he ever encountered during his twenty-one years in the Far East. He wants everyone to experience the greater health and the Power, which there came to him.

Within ten years, he was able to retire to this country with a fortune. He had been honored by fellowships in the World's leading geographical societies, for his work as a geographer. And today, 30 years later, he is still so athletic, capable of so much work, so young in appearance, it is hard to believe he has lived so long.

As a first step in their progress toward the Power that Knowledge gives, Mr. Dingle wants to send to readers of this paper a 9,000-word treatise. He says the time has come for it to be released to the Western World, and offers to send it, free of cost or obligation, to sincere readers of this notice.

For your free copy, address The Institute of Mentalphysics, 213 South Hobart Blvd., Dept. 480A, Los Angeles 4, Calif. Readers are urged to write promptly, as only a limited number of the free books have been printed. (adv.)

## Motor Inn Auto Supply Carries 'K-W' Weld For Cracked Heads

Don't throw away your cracked cylinder heads. The inability of the manufacturers to turn out new heads and blocks for civilian use in sufficient quantities the last few years has caused a lot of trucks and tractors to be put out of service.

This has also created the necessity of furthering the research along the line of chemicals and methods of repairing these cracked heads and blocks which heretofore had been an operation that could be carefully done only by the most expert welders of cast iron.

Motor Inn Auto Supply has just recently received the distributor-

ship of the "K-W" cold weld method supplies—by which permanent repairs may be made on the cracked parts.

Within recent weeks "K-W" clinics have been held in the store in Big Spring, also in other jobber's shops in Midland and Monahan for the benefit of those dealers and garagemen who are interested in such repairs.

These instructors at these clinics, who are employed by the manufacturer demonstrated the use of this method on actual jobs, needing repairs, and in doing so proved that it is not necessary to lay up your truck, car or tractor because it has a cracked head or block.

The company would recommend that in order to keep these units operating that you have your dealer or garageman remove the cracked part, and if he is unable to make the repair in 404 Johnson, where it can be done by a mechanic who has been trained by the manufacturer to make such repairs.

The company carries all the tools and metals as well as the chemicals to repair your cracked heads and blocks.

From information received from the company's supplier of parts, it will be some time before it will be able to buy all the necessary parts to keep units operating, so don't throw away the old head or block—before having it checked by your garageman or dealer.

Have it repaired by the K-W method.

The smokestacks on some modern ships do not really discharge smoke—they camouflage and enclose such things as dog kennels or ventilation shafts.

## Banner Creamery Performs Services For City With Milk And Ice Delivery

Probably no other enterprise these important institutions play has contributed more to the building of America's standard of living than the modern creamery, and a perfect example of the part America's creameries furnish

**QUALITY PARTS, SERVICE**—In addition to stocking a complete line of parts and accessories, the Motor Inn also specializes in a variety of services, not the least of which is the cold welding for cracked blocks and heads. Under the process used and by expert workmanship, blocks and heads formerly counted as ruined are restored to long and efficient usefulness. (Jack M. Haynes Photo).

## Coleman Courts Offer Winter Home Facilities

With winter coming on, residents of Big Spring who have been unable to settle permanently will want to get established before cold weather sets in, and the ideal and comfortable place for such is the Coleman Courts at 1206 East Third street.

Coleman courts has for rent a variety of types of living facilities ranging from the bedroom and bath to small apartments with cooking facilities and private baths. Each unit is tastefully and comfortably furnished and provides a homelike atmosphere.

Each is provided with a garage to make parking cars simpler.

To make comfortable living even more comfortable, L. E. Coleman, owner, has reopened his grocery facilities, under the management of Dewey Stump, foods at a convenient location. Also in operation is the filling station which was closed for several years due to shortages in both labor and materials.

The tourist trade, beginning the annual summer trek through the country, find Coleman Courts the perfect place for a good night's rest before continuing their travels.

The Courts are located on the Broadway of America, Highway 80.

## Catinflas To Appear In Reynosa Arena

REYNOSA, Mex., Aug. 27 (AP)—Catinflas, famous Mexican comedian, movie star and bullfight attraction, will make his first appearance in the Reynosa arena tonight.

He will appear with Nacho Perez and Santiago Vega, Mexican matadors.

Until recently it took nearly 25 tons of violets to make a single ounce of the natural oil for perfume. Today the violet odor is produced synthetically.

## McDaniel Features Lubrication For Hot Weather At His Station

country to keep oil stored in bulk containers, but Gulfgrade, the finest oil on the market, is coming through in sealed tins again.

Hot, dry weather is making automobile lubrication more important than ever before in this section, and more and more Big Spring motorists are finding the answers to their lubrication problems at the Ollie McDaniel Service Station, 311 Gregg street.

The automobiles of today, most of which have been on the road for five or more years, should receive the best in lubrication, and it is available at McDaniel's. The McDaniel station also offers Gulf gasolines and other Gulf products.

A great help now is the return of motor oil in sealed tins, assuring the motorist of pure products. During the war it was necessary

for service stations throughout the some automobile tires now, and McDaniel is receiving a few shipments from time to time. He also expects to have a stock of Gulf automobile accessories on hand and ready for sale within the next week or 10 days.

In caring for a car motor there is no better plan than to have it cleaned thoroughly with the Flushmaster, a machine that clears all sludge and sediment which cause wear and tear. The McDaniel station offers rapid Flushmaster service for cleaning the internal parts of the motor, and the best washing service available for the car's exterior.

# Accidents Claim Heavy Death Toll, Many Injuries In State Monday

**By The Associated Press**  
Thirteen persons were dead today and eleven others injured following a series of Texas accidents last night.

## Cloudburst Isolates Resort In Maine

**YORK BEACH, Me., Aug. 27 (AP)**—Firemen and police rescued about 100 persons marooned by a cloudburst which flooded the business and residential section of this resort community early today causing damage estimated at \$100,000.

Firemen said about 10 or 15 families still were marooned at 7:20 a.m. (EDT), but they expected to get them out soon. They were using rowboats in the operation.

Permanent Fireman Charles Bridges said there was at least six feet of water in the business section, covering the tops of automobiles, and flooding practically all establishments in the area.

The rescuers were operating under the direction of Fire Chief Eddie Ellis, a veteran of Okinawa who holds the Bronze Star and other decorations.

Bridges said the water backed in off the marshland in the rear of the beach, surrounding many summer cottages. It was continuing to rise at the rate of two inches an hour, he added, when 100 persons had been taken out in five or six boats handled by the firemen, police and volunteers.

During the period 1797-1801, in an undeclared war against France, Coast Guard cutters operated with the Navy for the first time. As U. S. ships raided French vessels Coast Guard cutters, accounted for 18 of the 22 total captures, and assisted in the capture of two others.

## Man Had Brick In His Stomach For 10 Years

One man recently stated that for 10 years he felt like he had a brick in his stomach. This feeling was due to the lump of undigested food he always had inside of him. He was weak, worn out, headachy, swollen with gas and terribly constipated. Recently he started taking INNER-AID and says the feeling like a brick in his stomach disappeared the second day. Bowels are regular now, gas and headaches are gone and he feels like a new man.

INNER-AID contains 12 Great Herbs: they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all drug stores here in Big Spring. (adv.)

## THANKS

I want to thank the voters of Precinct 1 for their support during the recent election; also, my friends outside of Precinct 1 who helped me.

I have no hard feelings for any of those who did not support me, and desire to work with and for them.

**W. W. "Walter" LONG**  
(Pd. Pol. Adv.)

## Voters and Citizens of Precinct No. 2:

Thank you for the Democratic Nomination for the office of County Commissioner for Precinct No. 2. I solicit all of you to go to the Polls on General Election day, November 5th, and vote for me thereby completing my election as your Commissioner. I assure you I will be on the job working and cooperating to make our good community a finer one in which to live.

Sincerely,  
**G. E. (Red) Gilliam**
