## Panthers Meet Strawn In Fourth District Battle

### Desdemona Athletic News

With a large crowd in attendance at the Desdemona gymnasium Monday night the Desdemona Junior Girls won their fourth consecutive game without defeat while the Desdemona Junior boys lost their third consecutive game.

In the first game the Desdemona girls defeated Scranton girls by a score of 41 to 17. For the Desdemona team Carr led with 21 points, Allen 13, and Nabers with 7. Helen Lewis, Karen Lewis, La Tonne Lewis and Barker, regular guards, played an excellent game.

For Scranton the leading scorers were Luster with 13 points and Linda Speagle with 3.

The second game was won by the Scranton boys by a score of 57 to 21. For Scranton Blackwell led with 24 points, Foster 19, Hicks 2, Elam 5, Fleming 3, Reese 2 and Sneed 2. For Desdemona Whitlock led with 8 points, Bridges 2, Johnson 3, Yancey 4, Hogg 2, and Stacey 2.

On Wednesday evening before the school, as visitors in attendance, the Junior girls showed that they know how to basketball. In a game they were defeated in the first half of the game by the Desdemona Senior team of girls by the score of 17 to 15, and in the second half of the game the Junior girls defeated a B team of the high school girls 29 to 27, thus ending a full four quarter game with a tie score of 44 to 44. With a little better percentage of successful field and free shots in the early part of the game the Junior girls might have won the entire game.

In next Monday night the Stephenville High School teams will play two games in the Desdemona gym. The Junior girls and the Desdemona School expresses our thanks to Mrs. Barker for aid in preparing new suits. The school also appreciates the very generous support that the public has given in our games.

### Former Resident Buried Thursday

Paul Gates, youngest son of Mrs. T. L. Gates, was buried Thursday at Austin. Mr. Gates had been ill for a number of years. He was forty-nine years of age.

The T. L. Gates family were early settlers of Gorman and the father, the late T. L. Gates, had operated a store here in the early decades of the century.

Mrs. T. L. Gates had made her home here until the middle 1940's. At present she lives with a daughter, Mrs. Grundy Sheppard of Wichita Falls.

A longtime friend of the Gates family, Rev. William Greenwalt of De Leon, officiated at the funeral service. Only relatives of Mr. Gates able to be present at the funeral was a brother, Tom Gates.

### Breckenridge Tops Cubs 34-0; Cubs To Play De Leon, 2nd

The powerful Grade School team of Breckenridge bested the Gorman Cubs 34-0 Tuesday night in a Little Oil Belt District game.

The score mounted to 27-0 at the half and the green jerseyed Junior Buckaroos coasted through the last half for the final count. Every member on both squads saw action.

Next Tuesday night the Cubs go to De Leon for a District game. Game time is 7:30 p. m.

### Virginia Parr Chosen As Grand Page

At the Stated Meeting of the Gorman Chapter No. 443 O. E. S. on October 18th, the chapter honored Virginia Parr, who was chosen by the Worthy Grand Matron, Mary Ella Shaverling, Grand Chapter of Texas Order of The Eastern Star to be Grand Page at the Seventy-Second Session of the Grand Chapter.

Ruby Lee Mehaffey acting as program chairman presented a male trio composed of Eugene Baker, B. F. Pendarvis and Chas. Nicholls who sang two numbers accompanied by Mrs. Beskow of Eastland.

Grace Townley gave the chapters tribute to Virginia which revealed a resume of her work for the past five years. The theme of the resume being football. It was presented in a very clever manner.

Refreshments were served in the dining room for members of the chapter and visiting chapters.

### MRS. ALICE WHITLEY ENTERS BLACKWELL

Mrs. Alice Whitley who suffered a broken limb October 16 has been returned to Gorman from Abilene and is a patient at Blackwell Hospital. She had been attended by a bone surgeon in Abilene at Hendricks Memorial and the break has been pinned.

The Gorman Panthers with a conference record of two wins and one loss this week host the powerful Strawn Greyhounds who boast a season record of six wins with only one loss spoiling a perfect season. The loss came last week at the hands of Baird to the tune of 19-13.

Gorman lost its first game in conference competition last Friday when they were downed 31-0 by the South Taylor Tigers.

The Greyhounds are paced by Eddie Morris who is the leading scorer in the entire central west Texas area. Morris has scored 116 points this year averaging almost 17 points per contest. He leads Calvin Lee second highest scorer by a margin of two touchdowns. In addition to his ball totting ability Morris is reported to be one of the finest passers in the area. His specialty is the running jump pass which flips to either of his ends Bill Calvert or John Lunardon. Since the injury of Larry Pruitt, Strawn quarterback, Morris alternates at quarterback and at left half. The Greyhounds run from the straight T formation and from the wing-spread.

The Panther line-up is expected to be the same as the past few weeks. Max Pierce was a doubtful at the beginning of the week because of a leg injury. However, he now is expected to be ready to go at top speed come Friday. The rest of the team is reported physically sound. This will mark the third home game for the Panthers and a very good crowd is expected for the 7:30 kickoff.

### Church of Christ

Sunday morning sermon from 10:50 a. m. will be "The Mission of the New Testament Church."

The Sunday evening service at 7:30 p. m. will have as its title, "Who Told Thee?"

Sunday Radio sermon at 9:00 a. m. over KERC, Eastland will be "After Death, The Judgement."

A cordial welcome awaits you at the Church of Christ.

LeRoy Cowan, Minister

### Jewel E. Snyder Buys Duke Station

Mr. Jewel E. Snyder, who has for the past several months worked in the Clover Farm Market, has purchased the Duke Service Station located on Carter St. and Highway 8.

Groceries are also sold by the station and Mr. Snyder said that he expected to have refrigeration for meats at an early date.

### MISS LINDLEY WORKS IN CITY OFFICES

Miss Ozella Pulley visited with Miss Eusa Lindley of White Settlement while on recent vacation. Miss Lindley is employed at the City Office of White Settlement. She has bought her home in that city and both her mother, Mrs. Eula Lindley, and her uncle, Judge Smith live with her.

### Thursday Funeral For T. J. Patterson At Desdemona

Funeral service for T. J. Patterson, barber and longtime resident of Desdemona, was held Thursday at 3 p. m. at the Church of Christ in Desdemona with Brother Leroy Cowan, pastor of the Gorman Church of Christ, officiating. Interment was made in the Desdemona Cemetery.

Mr. Patterson, 61, was working in the field when he suffered a stroke. Both W. S. Craig and Roy Northcutt, who were nearby, rushed to his aid but death apparently was instant.

Surviving the deceased are his widow and one son, Chester Patterson of Wilson, Oklahoma, besides two brothers and four sisters, Guy Patterson of Eastland, Claude Patterson of Muleshoe, Mrs. Charles Holder of Ft. Worth, Mrs. Orville Smith of Bryan, Mrs. Frank Arp of Belton, and Mrs. Henry Johnson of Crowell.

### Announcements

There will be a Stated Meeting of the Gorman Chapter No. 443 O. E. S. held on Monday night, November 1st at 7:00 p. m.

Hattie Lee Todd, W. M. Theresa Baker, Secretary

The First National Bank of Gorman will observe Tuesday, November 2, 1954, Election Day, as a legal holiday and will not be open on that date.

### Wilson Discusses Non-Segregation At Excelsior Meet

Mr. Ross Wilson, local superintendent of schools, discussed non-segregation at the Tuesday meeting of the Excelsior Club in the home of Mrs. M. H. Fairbetter.

"Racial Problems" was the overall subject of the club's program. Mr. Wilson's topic was titled, "We Face Non-Segregation."

Citing reasons for the ruling of the United States Supreme Court regarding illegality of segregation the subject of much controversy, he said the court made a thorough study of the history of segregation and its effect on the majority and minority peoples. This study included the economic, educational, social and political imprints with causes preceding.

Quoting the writer, Alan Paton, with other voiced opinions which he interspersed with his own conclusions, Wilson traced activity of the various states fighting integration.

He also traced integration in the armed forces, in parochial schools, church schools and some state schools of the South.

Drawing his speech to a close he related conditions and prevalent opinions in the State of Texas. Finally, he said, integration will for a long time be an individual problem for each community affected by the Supreme Court ruling.

A second part of the club program dealt with Indians in Texas. Mrs. Vera Hamrick discussed the origin, history and existing conditions of the Alabama-Coushatta tribes.

These Indians pressed by migration came into Texas from the Deep South and were given lands in Polk County by Sam Houston. The Texas Federation, in which the Excelsior, the Progressive Study Club and the Woman's Study Club hold membership, has made improvement on this reservation a 1954-55 project.

Guests of the Excelsior Club for the evening were Mesdames Barton Eppler, J. W. Sharbutt, J. E. Walker, T. F. Morrow and Miss Dora Baskin.

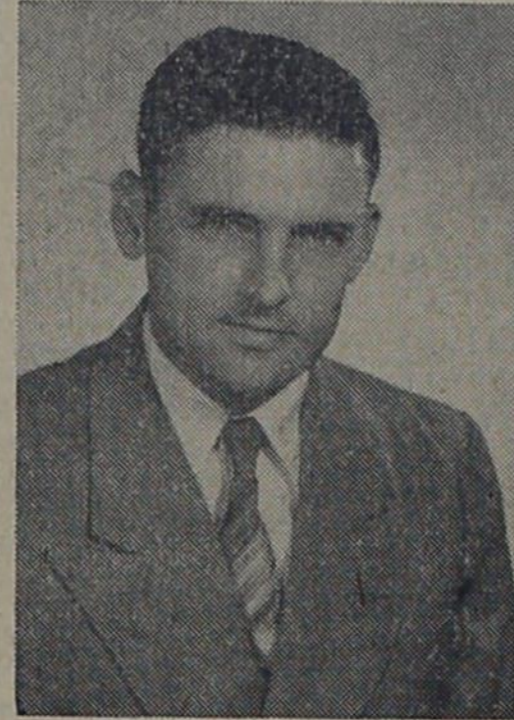

Milton Fairbetter Jr. favored the guests and members with an accordion selection, "My Old Kentucky Home" during the social hour.

### Pullig And Munn Attend School

We regret that we failed to announce that veteran cleaner and tailor H. H. Pullig and assistant, D. O. Munn, attended the school of cleaning at Stephenville recently sponsored by the University of Texas Extension Division.

The owner of Pullig Tailor Shop stated that he learned things that he wished he could have known twenty years ago. That is rather high rating for a school coming from an experienced cleaner.

### Bud Smith Elected As Scoutmaster Of Troop No. 38

Bud (George) Smith is the new Scoutmaster for Troop 38. Bud recently accepted this responsibility and his brother, Check Smith, is providing a new home for the scouts in his building south of the Chevrolet building.

Neighborhood Commissioner Mr. Glen Mehaffey, after due persuasion of a number of young civic leaders, got into the harness and during the past several weeks has almost completed the frame of the local organization. Mehaffey has experience in scouting which few other men can boast and many folks will feel that his lead in this work will initiate a successful period for scouting in Gorman.

Two Assistant Scoutmasters are Ben R. Townley and Bill Lee of Desdemona. Woodrow Browning is Junior Assistant Scoutmaster. Senior Patrol Leaders are Kenneth Watson, Joe Mehaffey, Royce Dean Clements, and Stanley Bell.

Troop Scribe is Burnett (Butch) Eison.

Other leaders will be appointed tonight (Thursday) at which time all officials and committeemen are urged to be present.

Committeemen to receive appointments at Thursdays meeting are Honnell Watson, Durward Warren, Gene Baker, Othell Clark W. C. Browning, Joe Collins, and Clinton Revels.

### Mrs. Pete Roach Dies At Rising Star

Mrs. Pete Roach passed away at her home in Rising Star Tuesday afternoon at 1 o'clock.

Funeral services were held on Wednesday afternoon. She had been ill for several months.

Mrs. Roach was sister to the late Cole Nunnally. Mrs. Cole (Edna) Nunnally left for Rising Star when she received the news.

### 60th Anniversary Sees Large Crowd

Friends came, not by the dozens but by the hundreds - over two hundred of them on Sunday, October 17 to help Mr. and Mrs. George H. Parker and their children make their Sixtieth Wedding Anniversary a great success. People were not only from this county and adjoining counties, but from many other parts of the state as well.

It was not only the gifts that they brought in their hands, but the love in their hearts that meant so much to this couple who have lived so many years in this locality.

Mr. and Mrs. Parker have seven children, twelve grandchildren and nine great grandchildren.

A son, Jo Parker and family of Denver, Colorado, were unable to attend the celebration. Also 2 grandchildren, Mrs. J. D. Yancey and family of Carpinteria, Calif., and Buster Parker and family of Borger, Texas.

### OFFICIAL FARM 5-YEAR CENSUS BEGINS NOV. 1ST.

The official farm census which is taken every five-year period begins Monday, November 1st.

Among the workers in this area who are being schooled for this work are Mrs. F. R. Haile, George Bennett, Mrs. C. G. Stubblefield and Mrs. Jack Whiteside.

Blanks have been reaching the farmers through the mails. The farmers should have their blanks in readiness with all possible information filled in.

Mr. and Mrs. Roy Blair visited in Granbury with relatives during the week end.

### Halloween Concessions Open Early Fun Booths Will Be Ready For Business

### Kick Off Breakfast Will Launch Scout Fund Campaign

The Kick-Off Breakfast launching the American Boy Scout Fund Raising Campaign is scheduled for Monday morning at 7 o'clock. Twenty-five workers will be on hand.

Mr. Pete Smith of the First National Bank will be in charge of the campaign.

Working under his direction will be Othell Clark, Joe Collins, E. E. Todd, Gene Baker, and Oda Monroe.

The workers in the "Dawn to Dusk" Campaign will have as their initiative, the contacting of all citizens, soliciting their financial support of the Boy Scout Program.

Proceeds from the drive will be used to promote the scout program in Gorman and in the 8 county area of the Comanche Trail Area.

Scout Executive from Brownwood Headquarters, Joe O. Galbraith, and Field Executive, Jim Cooper of Goldthwaite, were in Gorman Tuesday collaborating with Mr. Smith in completing the plans for the campaign.

### Harvest Stalls

### Rain Falls Wednesday

Contact with the Gorman Peanut Company bookkeeper, Bruce Hirst, confirmed what is hoped a temporary stall of peanut harvesting with one inch of rain up until 10 a. m. Wednesday.

Less than 15 percent of the crop has been harvested according to estimates.

A season of rain would of course not only continue delay of harvest but sprout peanuts, unless temperature dropped.

### P. S. C. Discuss

### Topic, "Daily Habits" Mrs. Todd Host

The Progressive Study Club met with Mrs. E. E. Todd Thursday evening, October 21st. They enjoyed a discussion of "Good Habits."

Roll Call was a Good Daily Habit. Mrs. Dick Wynne, a new member of the club delighted her audience with her talk, "The Value Of Good Habits". Mrs. Wynne a former speech director at Cisco Junior has a splendid delivery and a clever manner.

Names were drawn for club birthday remembrance and plans were made for the November tricolor dinner.

A salad plate was served by the hostess.

### WSC Members Enjoy Barbecue Dinner And Theater Party

Members of the Woman's Study Club were self hosts to a barbecue dinner Monday evening at Underwood's Place in Brownwood and later enjoyed a theater party seeing "Susan Slept Here."

Those attending the event were Mesdames Jerry Clark, J. M. Nix, Gln Mehaffey, Edwin Smith, Joe Collins, Othell Clark, Dorothy Hatcher and Miss Ozella Pulley.

Members agreed to bake cakes for the Halloween Carnival Cake Walk.

### MRS. WHITE RETURNS TO EASTLAND

Mrs. Mae Jones took her sister, Mrs. Homer White of Eastland, home on Thursday after she had recuperated sufficiently in her home. Mrs. White had an unusual experience while in the hospital here. She underwent a two way surgery and tonsilectomy, was in the hospital three days, and returned home on the eleven th day.

### ERNEST KEYS HAVE NEW BABY

Mr. and Mrs. Ernest Key of Brady are announcing the birth of their young son, David Key, born Thursday, October 21st weighing 8 pounds and 7 ounces.

Mrs. Key is the former Shirley Broom, daughter of Mr. and Mrs. W. T. Broom. Mrs. Broom is visiting with her daughter and family.

Halloween food concessions will be open early. Folks can eat supper downtown and join in the merrymaking at the fun booths which will line the street of Robert from Fisher to Kent.

The food will be served at the Hotel Coffee Shop. Other concessions in the street. Should it RAIN? That will be ok too. Provision has been made for the moving into the Higginbotham warehouse.

Everyone will want to take a walk on the cake walk or the pie walk. Many opportunities of skill in manipulation of muscle and following aim will be afforded.

All the classes with the room committees continue to work to have everything ready to go.

It is hoped that this annual school benefit with the many chance games eliminated will be supported well and raise funds amounting to that of other years.

The carnival is sponsored by the P. T. A. Saturday is the day.

### Kimble Kin Dies Sunday Morning

Mrs. Robert McGlamery, wife of Robert McGlamery of Kingsville, who is grandson to Mrs. E. W. Kimble, died early Sunday. Her death was not discovered until the middle of the morning. Her husband had carried their son to Sunday School before he entered her room to awaken her.

Mrs. McGlamery had continued to be ill following an automobile accident some three years ago. The injuries had resulted in necessity for several operations.

Funeral services were held at Kingsville Monday afternoon. Mr. and Mrs. Bert McGlamery and Mrs. E. W. Kimble received the death message while at lunch.

### CARD OF THANKS

I want to thank the hospital force for their wonderful care and Mrs. Blackwell who made my picture with my flowers while there. Also the good people of Gorman who showed concern in many ways.

I enjoyed the visits, cards, flowers, and telephone calls.

The friendly atmosphere of my old home town seemed to help me make a quick recovery.

May God bless each of you in every need is my prayer,

Mrs. Homer White

WRITTEN POLICIES OF THE SCHOOL BOARD  
GORMAN INDEPENDENT SCHOOL DISTRICT  
(Continued From October 21st Edition of Progress)

SECTION III - Superintendent of Schools

1. Procedure to be used in appointing the superintendent - The board will accept applications submitted in writing and addressed to the school board. The school board may then conduct an investigation to determine the qualifications of each candidate. After all appraisals of candidates are made, the board will elect whoever it deems best qualified.
2. The superintendent shall be appointed for a period of 1 to 3 years. No definite number of years shall be set aside in any form of tenure.
3. Qualifications - In accordance with the State Law the superintendent must possess a valid Texas Teachers Certificate and Administrative Certificate and must have a degree, preferably the equivalent of the Masters Degree.
4. The superintendent is charged with the power of organizing the over-all education program and is responsible to advise the board of needed policy revision. The superintendent is to furnish all data and information relative to school operation. He will advise the board on any needed additions to the plant, teaching material, and equipment. He will advise the board on desired objectives of the instructional program and needed policies to facilitate the educational program.
5. The renewal of superintendents contract shall be considered at the March meeting of the board.

SECTION IV - ADMINISTRATIVE ORGANIZATION

A. Professional Positions

1. Administrative positions authorized - In accordance with the Gilmer Aiken Law the following administrative positions are authorized: a. Superintendent of schools on a twelve months basis. b. Grade school principal - Part time, nine months basis. c. High school principal - Part time, nine months basis. Both principals must have an Administrative Certificate, a Valid Teachers State Certificate and must have earned a degree. It is desirable that they have had some experience in actual classroom teaching and that they be male.

B. Non-Professional Positions

1. Non-Professional positions authorized - The board authorizes one such position, to serve as secretary to the superintendent.
2. Qualifications required - Must possess a high school degree with at least two years of business training and must show above average ability in this type work.

SECTION V - School Program and Services

1. Plan of Organization - The school shall be operated with the first eight grades composing the grade school and the upper four grades composing the high school.
2. Hours constituting a school day - Grades 1, 2, 3. - Six and one-half hours shall constitute a school day in the first three grades, inclusive of lunch and recess periods. Grades four through twelve - seven and one-half hours shall constitute the school day inclusive of lunch periods and recess periods. Eight hours shall constitute the school day for all teaching personnel.
3. The school year shall be divided into 6 six-weeks periods, and attendance reports shall be completed at the end of each period. The school year shall be composed of a minimum of 175 actual days of instruction.
4. Holidays - The following shall constitute the school holidays: Thanksgiving, Christmas, New Years, Easter, and one day for Teachers Convention. Other holidays will be observed by special programs as the administration may see fit.
5. Summer School - Summer school shall be authorized in order to allow retarded pupils an opportunity to make-up work. The scope of the program shall be determined by the number of pupils requiring make-up work. A regular member of the faculty will be appointed to teach summer school. He will be reimbursed by fees of those taking work.
6. Adult schools and classes - The board authorizes adult classes to be conducted by faculty members when the number of adults requiring a class is sufficient to warrant it. The adults must be prepared to reimburse the teacher for his time and services. The school plant will be furnished at any time this situation develops.
7. Curriculum - The curriculum shall be of a general nature through the first eight grades, placing most emphasis in forming basic skills which evaluations prove are in need of revision. Curriculum in the first eight grades shall be as flexible as possible in order to increase teacher-pupil initiatives. The high school curriculum will aim toward college preparation but at the same time will offer courses leading toward developing improved social techniques. In all phases of school life health and physical education will play a major role.
8. Library Facilities - A high school library of adequate nature required to do research work in the language arts, social studies, and science shall be available at all times. The school will endeavor to spend each year a minimum of \$1.25 per pupil enrolled on library material. A proportionate amount of this material will go to the individual rooms in the grade school to be used as each home room teacher sees fit. A part-time librarian shall be secured to supervise the operation and maintenance of school library materials.
9. Health Services - The school will provide for hearing tests and vision tests to be given all pupils enrolled at least one time during the school year. Members of the interscholastic teams shall be required to pass physical examination by a licensed Doctor of Medicine. The school will provide accident insurance to cover all members of these interscholastic teams. The school will further arrange for insurance to be purchased by all students and employees at a moderate premium through group participation. First aid supplies in sufficient quantity to meet emergency needs shall be placed in both high school and the grade school building.
10. Lunch services for indigent children - Indigent children from all grades will be eligible to apply for free lunches. The requests will be made a part of the school board meeting agenda and will be acted upon accordingly. In all cases where need warrants, children will be given an opportunity to earn lunches. In those extreme cases where children are unable to pay and unable to work free lunches will be provided by the school.
11. Scope of cafeteria services - These services will be provided to all children grades 1 through 12 and participation in the lunch room program will be highly encouraged.
12. The school shall co-operate with other community agencies in building play and recreation programs to the extent the trustees deem advisable.
13. What constitutes the athletic program? Grade School - Boys from 6 through 8 may compete in inter-school football, basketball, softball, volleyball and track. Girls in grades 6 through 8 may participate in inter-school basketball, softball, and volleyball. High School - Boys may compete in inter-school football, softball, basketball, volleyball, tennis and track. Girls may compete in inter-school softball, basketball, tennis, and volleyball. Rules and regulations determining eligibility set forth by the Interscholastic League shall be strictly adhered to. In order to be eligible from game to game the students must be passing a minimum of 3 academic subjects.
14. Protection for athletes who participate - The school shall make every effort to seek the safest equipment available for the protection of team members. It shall further make every effort to secure coaches who are capable of giving the students the very best training possible. Every effort shall be made to keep the playing field or court in a safe condition. The school shall carry an insurance policy which will meet the needs of the sports program. The school shall provide a medical check-up for every team participant.
15. Student publications to be permitted - The school board authorizes the publication of a year book to be edited under the supervision of faculty sponsors. If further authorized weekly publications from every student group composing a section known as School News.
16. Religious Education - The school board forbids any religious education on a denominational basis. Religious education will not be taught as such in any grade or class in the Gorman School System, however, the school board encourages the building of morals upon each given opportunity by all staff members.
17. Scope of school clubs - School clubs will be permitted only as authorized and supervised by administration and faculty. Under no circumstances will secret fraternities, sororities, and the like be permitted within the school.
18. School policies in respect to athletic awards - Each boy or girl who letters in a major sport will be presented a letter jacket. Players will not be awarded monetary awards. Each player will receive the same quality awards with no distinction being made on a merit basis. Literary rewards will be presented annually at the close of school to those students who have shown an outstanding ability in various studies.

SECTION VI - PUPIL PERSONNEL

1. Requirements for beginners - All students who are starting in the first grade must present a birth certificate proving that they have attained the age of six prior to September 1. These pupils must also have had a vaccination for small pox. All students enrolled in the school system must have a small-pox vaccination.
2. Tuition - Fees may be charged for non-resident students and for students who are over the legal census age. The amount of the tuition shall be based upon the state per capita apportionment for the current year.
3. Policy in regard to pupils fees - An annual fee of \$5.00 shall be charged each pupil who is enrolled in either Typing I or Typing II.
4. Rules and Regulations regarding conduct of pupils - The rules and regulations regarding conduct of pupils shall rest in the hands of the teacher in charge as far as possible, with certain restrictions set forth by the administration. In extreme cases of pupil conduct the administrators in co-operation with the school board shall decide upon a course of action. It shall be the philosophy of the present administration to attempt to maintain a spirit of trustworthiness and co-operation

between teacher and pupil. It is hoped that a much higher than average degree of responsibility can be placed upon the student to regulate his own conduct.

5. What constitutes an unexcused absence - An absence shall not be excused when the pupil is out of class deliberately of his own will, or for any reason deemed unnecessary by the principals.

6. Student Council - The board authorizes a student council to be organized and operated under the supervision of faculty members. The purpose of the student council will be to create a closer harmony between teachers and pupils.

7. May adults attend regular day school classes? Adults may attend regular day school classes so long as the number is not sufficient so as to disturb the schedule of eligible students.

8. Circumstances by which public school privileges may be withdrawn by expulsion - When habitual truancy reaches the point where it extremely affects class room efficiency and administrative policy, school privileges may be withdrawn from the truant.

9. Pupils may be detained during study periods and play periods by any teacher as a means of punishment or in order to make up work. Pupils who ride the bus may not be detained after school for the above mentioned reasons. Striking the student about the face is prohibited by the trustees. However, the student may be spanked by teacher or principal.

10. May pupils be excused for religious services? - Absences for the purpose of attending religious services shall under no circumstance be deemed excusable.

11. May agents, solicitors or salesmen visit pupils during school hours? - As a general policy the above mentioned will not be permitted to visit pupils during school hours, however, in certain instances and upon approval of the superintendent or principal it may be allowed.

SECTION VII - School Personnel

1. A. Principles controlling the selection of professional employees - The board shall keep in mind the academic qualifications required by law and shall adhere strictly to them in selecting all professional personnel. It shall make every effort to secure persons of the very best character and persons who possess neat appearances and pleasing personalities. Some experience is generally desirable but is not a necessity.

B. What principles control the election of non-professional personnel? - The board shall make every effort to secure personnel who are respected in the community and persons who are best qualified to get the job done. Non-professional personnel must meet the board requirements as being of wholesome character.

2. Tenure Policy - The school board shall have no definite policy in regard to tenure for professional and non-professional personnel, however, its practice of retaining all members who are doing their job in a satisfactory manner will be followed.

3. Retirement Policy - All employees of the Gorman School System will be retired upon reaching the age of 60 except in those extreme cases of hardship.

4. Sick leave policy - All school employees will be allowed 2 days of sick leave during the school year. The first day the teachers work will be done cooperatively by the other teachers. The second day a substitute will do the teachers work and will be paid by the school. After the second day of absence, it will be the teachers responsibility to pay the substitute.

5. Appeals channel for aggrieved personnel - Any teacher who is disturbed by any problem should consult the building principal or the superintendent. The administrator will do all that is possible in order to find the solution to the problem. When it becomes necessary the administration may seek the council of the school board. All non-professional personnel should consult the superintendent when confronted with problems they can not handle.

6. May agencies, solicitors or salesmen visit teachers or other school employees during school hours? - They may do so only when they have written permission from the central office and that will be granted only when the business is directly related with some school function.

7. Nature and scope of in-service education for school personnel - The faculty will be encouraged to join with the administrators in all in-service training programs from which this school will benefit. The school board encourages the faculty to participate in work conferences wherever possible and to keep abreast of the latest educational trends. The school is prepared to pay a proportionate amount of the teachers expenses in such endeavors.

8. Circumstances in which school personnel will have traveling expenses paid for in-service training - The board authorizes at least one paid trip for each teacher in the school system each year when this trip is for the purpose of attending any meeting which could be classified as in-service training.

9. Residents - All persons employed by the Gorman Public Schools should live within the limits of the school district, and participation in community life is highly commended by the board of trustees.

SECTION VIII - Business Management and Accounting

1. Business office - The office of the superintendent shall serve as business office for the school district. All divisions of business will be handled from this office.

2. Procedures for the following:

A. Awarding contract to the depository bank to be decided upon by the board each two years.

B. Approving depository banks annual report. This report should be thoroughly inspected by the executive committee of the school board.

3. Types of insurance to be purchased and amount to be purchased. - It is the present policy of the school board to purchase the following types of insurance on each building. All buildings are insured against fire and extended coverage.

1. Old high school building - \$25,000.00
2. Grade school and gym - \$85,000.00
3. Home economics cottage - \$12,000.00

TOTAL INSURANCE - - - - \$263,000.00

4. Requisitioning supplies and equipment - The superintendent with the aid of the building principals and the custodian shall requisition and purchase supplies in accordance with the needs that may arise. As far as possible maintenance and sanitation supplies shall be purchased in lots in order to effect savings to the school district. All supplies that can be purchased on a comparable basis shall be purchased locally. Local dealers handling similar products will be called on in alteration. Items of a major consequence of which the superintendent can foresee a future need shall be requisitioned by consent of the school board. In emergency situations the superintendent has authority to take whatever steps are necessary in replacing needed items.

5. Bonding school employees - Each bus driver shall be under bond at an amount set at \$2,000.00. At present this is a blanket bond held by the Gorman Insurance Agency.

6. Policy controlling short-time loans - The president and secretary of the school board are vested with the authority to borrow money in short-time loans at any time the need arises.

7. Auditing school funds - All school funds will be audited at the end of each fiscal year by the school board in its regular August meeting.

SECTION IX - Miscellaneous Policies

1. Pupils eligible to be transported at the schools expense - All pupils who reside at a distance of 2 miles or more from the school campus are eligible for school transportation. Any organization making a school sponsored trip will be eligible for transportation. However, any individual making such a trip must be an active member of the particular organization representing the school.

2. Policy regarding use of the auditorium, homemaking cottage, gymnasium, football field, school bus and school cafeteria - Any individual or organization wishing to use any of the above named is required to place his request with any school board member or with the superintendent in ample time so that this request can be presented at a regular meeting of the school board. At this time the request will either be granted or rejected and the requesting party shall be notified immediately. Therefore, any one wishing to use any part of the above named should plan far enough ahead in order for the school board to act upon this request.

3. Commercial entertainment during school hours - No commercial entertainment in any form will be permitted during school hours if it is for the sole purpose of advertising. However, certain forms of demonstrations may be given in such departments as home economics providing the teacher and the administration approve it. Programs sponsored by the Southern School Assemblies are approved.

4. School's policy regarding pupil's homework - The frequency and amount of assignments shall be the responsibility of the teacher in charge. Should questions arise in regard to the amount of homework given, this problem will be studied through the supervision program.

5. Policies governing classification and promotion of pupils - Generally speaking all pupils are required to have passing marks in order to be promoted. In some instances, however, where objective tests show that the student's ability to learn is below normal and where his efforts are known to be average, the pupil may be promoted. The decision will depend upon the opinion of a committee composed of his teacher, his principal, the superintendent, and parents in some instances. The age and size of the student will be a determining factor to some extent especially in regards to grade school students.

THE GORMAN PROGRESS, Thursday, October 28, 1954  
GORMAN, Eastland County, TEXAS

6. Ways and means of reporting pupil progress to parents - A. Six-weeks report cards. B. Parent-teacher conferences, either incidental or upon request.
7. Policy in regard to selling refreshment on the campus - A candy and ice cream room will be operated by the faculty in order to have a miscellaneous fund to pay certain incidental expenses which arise during the course of the school day.
8. Circumstances under which fund raising campaigns may be conducted in the school. An annual Halloween Carnival is authorized for the purpose of raising funds used in securing school equipment. All worthwhile PTA campaigns for this purpose will be authorized.
9. Accepting credits given in other institutions - The Gorman High School will accept a maximum of two correspondence credits given at any institution authorized by the Texas Education Agency. We also shall accept credits given by courses in the United States Air Force, but this is the only branch of the armed forces from which we shall accept credit. All credits transferred by students from an accredited school in the state or in other states will be accepted. Students coming from unaccredited schools shall be placed in corresponding grades. They will be on probation until school officials are satisfied as to their ability and readiness.
10. Loaning equipment - Anyone wishing to borrow equipment must secure permission of the school board and this can be given only when the school board meets as an official body.
11. Graduation requirements - Students must have a minimum of 16 credits with an additional 1/2 credit for each year of vocational work taken. The graduate must have at least three years of English, two years of history, one of which is American History, three years of Math and must have passed tests on the constitution.

## Beauville—One of Four Chevrolet Station Wagons

Steadily increasing popularity of the station wagon has prompted Chevrolet to offer four bodies of this type in its 1955 line. Models are both two- and four-door and styled with the "lower, longer look" that promises to create a new standard of automotive beauty. Chevrolet announcement reveals that two-door station wagons will be included in the "One-Fifty" and "Two-Ten" series. Four-door station wagons are listed in the "Two-Ten" and Bel Air series. As with others in the 1955 line, the fleet of station wagons may be powered by six-cylinder engines or the new V8. Pictured above is the 1955 Bel Air Beauville Station Wagon.

### CHEANEY NEWS

Mrs. Bill Tucker, reporter

The Cheaney Home Demonstration Club met Wednesday night at 7:30 p. m., October 27 in the home of Mr. and Mrs. Gene Ferrell.

Club members and their husbands and invited guests were given instructions in artificial respiration by Red Cross instructor, A. L. Snider of Cisco, in line with Federal Civil Defense Administration program for family participation or group participation.

The Ben Freemans report that their pecans this year will approximate 8000 pounds. These fine approved pecan nuts are each year shipped to the four corners of the U. S. and at 33 cents per pound will net a tidy sum for the Freemans.

Felks, a lonesome fellow in Seoul, Korea, would like to be remembered at mail call. He is Pfc. Herman L. Blackwell, RA 1845-3969, Medic Co. 21st Regt., APO 24, San Francisco, Calif.

Let's get a lot of cards and letters on their way. Perhaps it would be a nice surprise - and in time for Christmas.

The E. E. and J. B. Blackwells

visited in Wichita Falls Saturday with J. B. Blackwell who has been undergoing treatment there. They report he has improved greatly these past few weeks, is doing light work and in good spirits. He ate picnic lunch with his family and visited until 4:00 o'clock. Our Cheaney community is glad to know he is better.

Mrs. Mary Tucker has returned from a week's stay in Coleman with her daughter, Mrs. Doc Stone and family. A daughter, Mrs. Ima Howard of Ranger, carried her to Coleman.

Mrs. John Love has received word that her mother, Mrs. M. A. Rose, in Odessa, is seriously ill. Mrs. Rose is 92 years of age and until the past few months has been quite hale and hearty for one her age. She makes her home with a twin sister of Mrs. Love, Mrs. Fred Maxey.

Mr. and Mrs. Billy A. Tucker and Garland returned to Crane Monday after spending the week with the parental Bill Tuckers. While here the two couples attended the State Fair at Dallas on Thursday.

Mr. Ernest Dean of Odessa visited

THE GORMAN PROGRESS, Thursday, October 28, 1954  
GORMAN, Eastland County, TEXAS

ed the Hatley Dean home Friday while enroute to visit his parents, Mr. and Mrs. M. F. Dean, of Tyler.

Mr. and Mrs. Ray Blackwell of Quanah spent the week end with his parents, Mr. and Mrs. Elmer Blackwell. Mrs. J. P. Strickler, Ray's grandmother, took Sunday dinner in the Blackwell home, following church services.

### CARD OF THANKS

Mere words can never express our gratitude to you, our many friends who came on Sunday, October 17 to make a wonderful and never-to-be-forgotten day for our parents, Mr. and Mrs. G. H. Parker, on their Sixtieth Wedding Anniversary. The only thing that marred the day for us was that the time was too short, with so many friends coming in that we did not get to visit with each one as we would have liked to. It made us wish that each one had a separate day to come back for a long chat so that we could talk over old times with the old friends and get better acquainted with the new ones.

Thanks a million for the many lovely gifts that you brought - and to those who could not come but sent cards and gifts, thanks so much. We missed you and wish you could have been with us.

# The motoramic Chevrolet for '55

Chevrolet and General Motors took a whole new look at the low-cost car - and just look what happened! **NOW BEING SHOWN!**

The Bel Air Sport Coupe—one of 14 new Fisher Body beauties in three new series.

The valve-in-head V8 as only the valve-in-head leader can build it!

# 8

Now Chevrolet, the leading builder of valve-in-head engines, introduces the "Turbo-Fire V8." It carries the V8 design to a new high in efficiency with its high horsepower (162), high-compression (8 to 1), high performance and surprisingly high gas mileage. Available with standard transmission, or with the extra-cost options of Overdrive or Powerglide.

# 6

You can choose from two new sixes, too!

Chevrolet also offers the last word in six-cylinder performance and economy! There's a new "Blue-Flame 136" teamed with Powerglide and a new "Blue-Flame 123" with either standard transmission or Overdrive.

Can't you tell just by looking that Chevrolet and General Motors have come up with a completely new idea about the low-priced car? The idea is this: to build a car that offers the very newest thing in styling, the most modern features, the finest kind of performance and the highest quality of manufacture—all at a modest price. It's something that took a lot of doing and that only the world's leading car builders could do. Everything's new in this Motoramic Chevrolet from its lower top right down to its tubeless tires. Come in for the most fascinating visit you ever made to an automobile showroom!

**FIRST GRADE**

We are sorry Darlene Turner and Don Parker are absent because of illness.

Halloween is just a few days away. We are having lots of fun making witches, cats, owls, masks, etc. We have learned lots of songs, too.

We have one new pupil, Margaret Ann Moore from San Saba.

**SECOND GRADE**

We have organized a clean-plate club. In order to belong we must eat all the food on our plates each day. If we do not do this, we cover our faces (pictures) because we are ashamed of ourselves. We know that by eating a well balanced meal, as the ladies in the lunch room have prepared, it will help us to keep healthy and to learn more easily. We are learning to eat many new foods that we didn't like. Friday we had thirty clean plates, Monday we had twenty-eight, and today

(Tuesday) we had twenty-four.

**FIFTH GRADE (Mrs. Wilson)**

We are sorry that Linda Bryan, Carol Ramsey, and Freddie Gilmore were absent because of illness.

In Geography we are studying the West South Central States. We are learning new facts about our own state.

In arithmetic we are now on fractions. We had a test this morning and we hope everyone did well.

Both our room and Mrs. Ragland's room are having a booth together this Saturday night at the Carnival. Everyone be sure to come and buy some of our drinks and candy.

In English we are studying pronouns. We have just completed the study of singular and plural possessives.

Mrs. Ragland gave us a test in music yesterday on syllables and kinds of notes.

The band elected Shirley Clem-

ent as Band Sweetheart last week. We will crown her Friday night at the football game.

**FIFTH GRADE (Mrs. Ragland)**

We are making posters in art about Halloween. We are writing to all the states of the United States, asking for information about their climate and products. We are now taking up fractions in Arithmetic. In Health the boys are making a book on men's clothes, and the girls are making a book on women's clothes. One group is getting new books already in reading.

We had one pupil to make the A honor roll and 8 to make the B honor roll.

**SIXTH GRADE**

We are all looking forward to the Halloween Carnival Saturday night. We have the duck pond.

We had fun making Halloween scenes for art.

In English we made a long poster on The Government and Conservation.

**SEVENTH GRADE**

The Halloween Carnival is Saturday night. The seventh grade has the dart board booth.

The Cubs played Breckenridge on Tuesday night and were defeated by a score of 34-0. They will play De Leon next Tuesday night.

**EIGHTH GRADE**

Last Monday, October 25 the eighth grade had a class meeting. We elected the following class officers: Larry Barnett - President, Roscoe Reeves - Vice-President, Dorene Bledsoe - Secretary, David Revels - Treasurer, and Kay Lynn Ramsey - Reporter.

It was the first meeting of this school year. We studied parliamentary procedures first so we would know the proper way of conducting a class meeting.

This Saturday night is our Halloween Carnival. It will be on the street downtown. Everyone is looking forward to it. Please come if you can.

The Cubs are coming along fine so far we have won 2 and lost three. There are several games left to play, and the Cubs are going out to win everyone they can.

**FRESHMEN NEWS**

The Freshmen class all survived the visit to the Fair. We all had a wonderful time.

Next Friday we meet Strawn on the football field. We are hoping to come off the field yelling "we won!"

**SOPHOMORE NEWS**

The Sophomores were a sleepy bunch Saturday when we got back from Dallas. We left at 3:30 a. m. and got to Dallas about 7:20 and stalked in just a few minutes late at the Early Birds which we enjoyed immensely. Next we went to the Fair and saw all the different kinds of exhibits which were very interesting. The Midway was very exciting and the rides were very thrilling. We returned to the bus at 3:00 a very wet, tired, but happy bunch.

We hope that we can make the trip next year.

This week we play Strawn here and we want to see everyone out to back the Panthers.

**JUNIOR NEWS**

Seems like nearly everyone has a sore arm these days. The reason must be that they have a small-pox vaccination. After a few weeks everyone will be over it and will laugh at how funny it must have been to worry about it.

The Panthers lost their first conference game last Friday with

**Bobby Koonce of Desdemona Wins At Sears Pig Show**

BRECKENRIDGE, — Oct. 24 (Staff) - An Eastland County 4-H Club boy, Bobby Koonce of Desdemona, showed the grand champion gilt of the Breckenridge area Sears swine show here Saturday.

Bobby's gilt nosed out a classy little Duroc gilt shown by Jesse Cloud of Graham 4-H, for the South Taylor. That won't stop the Panthers for they will still be right in there fighting when we play Strawn and show people they have still got the spirit.

Everyone is looking forward to a good time at the Halloween Carnival Saturday night. We all must be on the lookout for the ghosts and goblins that will be lurking on that night. Come one, come all and enjoy yourselves.

**F. F. A. NEWS**

The Vocational Agriculture classes for the past week have been hearing some good lectures and studying about electrical wiring and electric motors. Mr. Bob Lavender and Mr. Don Hart of the Texas Electric Service Company came down and gave us some demonstrations about every other day last week. A few of the boys wired up two three-way switches to a porcelain ceiling receptacle, getting good results from their experiment. Mr. Lavender's and Mr. Hart's services are appreciated very much because they left us with more knowledge about electrical safety. They also informed us of the Texas Electric Safety Contest which we will enter. The Gorman Chapter took second place in this contest last year.

grand champion title. In the Stephens County Sears show, held prior to the area event Paul Waggle, a 4-H Clubber who lives just inside Stephens County north of Cisco, won the county championship.

W. H. (Bill) Lehberg, Jones County agricultural agent, judged the show.

**Free Barbecue Offered**

All contestants, their parents and adult leaders were guests of the Breckenridge Sears store manager at a free barbecue dinner. Others attending the show partook of the barbecue dinner that was prepared and served by the Stephens County Home Demonstration Club women.

There were two 4-H Club girls competing with the boys in the Stephens County show. They were Nina Stamford and Elaine Keith.

The following had won prizes and placed in the Eastland County Sears Show, October 20th.:

- 1st. - Bobby Koonce, Desdemona - \$8 and ribbon.
  - 2nd. - Willie Paul Johnson, Desdemona - \$7 and ribbon.
  - 3rd. - Harold Reese, Scranton - \$6 and ribbon.
  - 4th. - Jimmy Hamilton, Ranger - \$5 and ribbon.
  - 5th. - Jackie Don Simpson, Gorman - \$4 and ribbon.
  - 6th. - Charles Bryan, Carbon - ribbon.
  - 7th. - Robert Bostick, Nimrod - ribbon.
  - 8th. - Delwin Caudle, Rising Star - ribbon.
- The show was an outstanding success according to officials and spectators.

Mrs. Crofford Thurman, Mrs. Nettie Rider and Mrs. Mamie Clement spent the week end in Austin visiting relatives.

Mr. and Mrs. Bill Coan of Ft Worth and Mr. and Mrs. Ronald Jackson of Gorman visited their parents, Mr. and Mrs. Rye Coan, Sunday.

Mr. and Mrs. Abb Coan attended the Dallas Fair Saturday.

**Mrs. Baker Meets Son In Florida**

Mrs. Eugene Baker left early Wednesday morning for Florida where she will visit with her son, Sgt. Tom F. Reese, before he leaves for service overseas.

Sgt. Reese will be stationed in Germany for two years or more. His family will join him.

Mr. Reese is a career man in the U. S. Air Force.

Mrs. Baker is expected to return about November 6th.

**Eastland Clubs To Sponsor Movie Season**

The Civic League and the Garden Club of Eastland will sponsor a series of movies at the Majestic Theater as a fund raising and cultural projects. The movies, they have announced, would not otherwise appear in this area.

Five films will be shown. The book of tickets is being sold for 4 dollars. The films will be shown through the winter months. Titles include among others "Tales of Hoffman", "Gilbert and Sullivan" and "Lavender Hill Mob."

The showings, always on Wednesday, begin at 7 p. m.

Tickets must be purchased before November 1st. They may be had from any member of the two clubs. Further information may be had through the presidents of either the Excelsior Club or the Woman's Study Club of Gorman.

The Civic League and the Garden Club of Eastland are credited with the successful drive for the building of the Eastland Hospital.

**DE LEON CLUB SPONSORS TEXAS ART SHOW**

The Shakespeare Club of De Leon has invited members of the local clubs to an exhibit of Texas Paintings at the De Leon Public Library in the City Hall.

### YOU and Social Security

**MANY DENIED PAST SOCIAL SECURITY MONEY NOW ELIGIBLE**

One of the many important changes made in the Social Security Act by the 1954 Amendments recently signed into law by the President has to do with claims by survivors of a deceased wage earner which were denied previously because he or she did not have enough quarters of coverage to be fully or currently insured under the law prior to September 1, 1950, and after 1939.

Widows and children who could not be found entitled to benefits may now be paid provided the wage earner had at least 6 quarters of coverage to his credit at the

**Diane Emmons Speaks To District M. Y. F.**

Diane Emmons of Breckenridge spoke to the one hundred fifty members of the Methodist Youth Fellowship attending their district meeting in Gorman Monday night. She gave a resume of her experiences at Mount Sequoyah at which camp she had participated in studies of training for youth leadership. Diane is granddaughter to Mr. and Mrs. J. E. Walker.

Five members of the group presented in panel the setup and statistics of the recent meeting of the World Council of Churches at Evanston. Rev. Leslie Seymour projected slides made at the Evanston meet which he with Mrs. Seymour and Rev. and Mrs. J. C. Oglesby had attended.

Mrs. Oglesby, who is Cisco District Youth Director, distributed the MYF Yearbooks which list the programs with the places of meeting, the various churches with their pastors and the officers of the MYF.

Skits were enjoyed following the program and the brief business session conducted by Leland Davis, president.

A ministers' meeting was held with regard to the district program and also a vacancy on circuit caused by the promotion of Rev. Holt to the Gustine charge.

Refreshments of cookies and punch were served under direction of Mrs. Donald Bolt who is the WSCS Secretary of Youth Work.

The November 15th meeting, sub-district for the Nelson Betts group, will be held in Carbon.

time of his death before September 1, 1950. A quarter of coverage means being paid wages of at least \$50 from employment covered by the Social Security Act in a calendar quarter, a 3-month period beginning with January, April, July or October, after 1936.

Persons who are in doubt as to whether or not this change in the Social Security Act affects their situation should write or otherwise get in touch with their nearest Social Security office so that a recheck may be made of the facts.

It is estimated that some 300,000 persons were given new entitlement to old-age and survivors insurance benefits by this change, and it is felt that many of them are in the area serviced by Abilene office. **Famous Southern Pie for Company**

Reputations are made with this luscious pecan-and-Karo filling!

Here's a conversation-making dessert, a pie that's a real stunner! Eyes light up, and requests for the recipe are sure to follow the first bite. Pecan Pie is a Southern heirloom recipe, so delicious that it has gained country-wide fame, simply on the strength of its mellow, luscious flavor. This easier-than-ever recipe makes it as simple to fix as a package dessert.

**PECAN PIE**

- 1/2 recipe pastry
- 2 eggs, beaten
- 1 cup Karo Syrup
- 1/2 teaspoon salt
- 1 teaspoon vanilla
- 1 cup sugar
- 2 tablespoons melted butter or margarine
- 1 cup pecan meats

Roll pastry 1/4 inch thick. Line a 9-inch pie pan. Mix remaining ingredients together, adding pecans last. Pour into pastry shell. Bake in hot oven (400° F.) 15 minutes; reduce heat to moderate (350° F.) and bake 30 to 35 minutes longer. \*If salted nuts are used omit salt in recipe.

**RECENT RAINS MAKE COVER CROPS A GOOD INVESTMENT**

Recent rains make cover crops a good investment in winter grazing and land protection.

Experience has taught members of the Upper Leon Soil Conservation District that cover crops are essential to keep agriculture in our area on a permanent basis.

A combination of rye and vetch with an application of 200 pounds of superphosphate per acre seems to be the best adapted cover crop for this area. A fertilizer application containing nitrogen such as 16-20-0 or 10-20-10 may be used. The nitrogen gives the crop a boost and economic returns have been made over the state.

The earlier a cover is planted the greater chance of success. The farmers leaving their peanuts until frost may find it hard to establish a cover.

The gamble for more peanuts at the risk of no cover is going to be a difficult decision for farmers this year. All or part of the crop now on the vine may be lost because of sprouting if peanuts are left too long.

Wind erosion is a serious threat each year. A cover crop combined with stubble mulching in the

**"Happy Home" Is Devotional Theme For Friendly Ladies**

"Happy Home" was the theme of the devotional for the Friendly Ladies at their regular monthly social which was hosted Wednesday at the Church Annex by Mrs. Rob Pierce and Mrs. J. W. Ramsey.

The scriptural background for the devotional was taken from the 2nd and 4th Chapters of Proverbs and the application was a review of the story, "My Son Billy Graham," currently appearing in the Woman's Home Companion as told by his mother to a writer of the magazine.

Mrs. Dorothy Hatcher conducted a brief business session.

Mrs. Ramsey and Mrs. Pierce served coffee and homemade cookies to fourteen members and five guests. The guests were Mrs. J. W. Sharbutt, Nan Elizabeth Brogdon, Jerry Clark, Teddy Higginbotham and John Shell.

Mrs. Hatcher will host the November coffee in her home.
