Have you ever served as a public official? Have you ever been a member of a school board? I haven't. However, as an editor I have learned that it is a thankless job, carrying major responsibilities. The men who serve on the Gorman School Board are, to the best of my knowledge, conscientious Christian gentlemen. The successful operation of our school system is of major importance to them because the future of their children and their children is at stake. It would be impossible for them to please everyone. Even the Almighty couldn't do that. Also, they are human, as you and me, and could make mistakes. The point is, they are doing their best.

Last week I talked with School Trustees. I asked if any recommendations had been made to the Board? Those I talked to replied, "No, all decisions were made after careful discussion and then a vote was taken."

The public is invited at all times to attend meetings of the school board or appear before the trustees with suggestions or complaints.

R. C. Mehaffey, president of the Board who asked that his resignation be accepted, said as far as he knew this is the first time that a member of a Gorman School Board had been allowed to resign. His reason for resigning was due to his health and business hours.

Several offers have been received by citizens to help build a City Hall. Labor and some material is ready for the asking.

The big thing needed is faith in our ability to build and grow by working at the job.

I saw Bud Smith discussing the 'Innards' of a Chevrolet with Gus Frossard Monday. Knowing that Gus had already purchased a new '55 model, I became inquisitive. Bud was practicing some of the advanced automotive service techniques on Gus that he learned at the General Motors Training Center at Garland, Texas recently.

Bud is taking advantage of all training courses offered by GM so that he can check in giving the people of this area the best in service and sales on Chevrolet.

The Garland training center, with more than 26,000 square feet of floor space, has 8 specialized shop classrooms, for use by Chevy rolet, and other divisions of GM. Each division supplies a highly trained instructor for its courses at the center, which is managed by L. S. Kuehn.

Bud said, "I was told by the GM officials that they expected a total of 5,000 mechanics to attend the center each year."

Harlow H. Curtice, president of General Motors explained to those present that the purpose of the center was "to insure that the people who buy our cars and trucks will continue to receive efficient and satisfying service."

Bud said he was also proud of the announcement that more people are buying '55 Chevrolets than any other car.

W. O. Browning Funeral Services Held At Residence Friday Afternoon

Mr. and Mrs. W. O. Browning celebrating their 57th Wedding Anniversary last August. Sitting up at the W. O. Browning home last Friday morning I had the pleasure of conversing with Mrs. Browning.

Pictures on the walls and Certificates of the Bible teaching attest to the faith of this couple throughout the years.

In speaking of the last few years of Mr. Browning's life, Mrs.

Browning said, "He would hardly let me out of his sight. I would sit for hours in a chair by his side. We enjoyed many happy years together."

The following poem, typed and placed in a small black frame with a gold border, hung on a wall in the front room. Mrs. Browning did not remember who sent it to them. It is such a worthy tribute to this couple that Kernel Gene could not resist publishing it.

NOT GROWING OLD

They say that I am growing old,
I've heard them tell it times untold
In language plain and bold.
But I'm not growing old.
This frail old shell in which I dwell
Is growing old, I know full well.
But I am not the shell.

What if my hair is turning grey?
Grey hairs are honorable, they say.
What if my eyesight is growing dim?
I still can see to follow Him
Who sacrificed His life for me
Upon the Cross of Calvary.

What should I care if time's old plow
Has left its furrows on my brow?
Another house, not made with hands,
Awaits me in the Glory Land.
What though I falter in my walk?
I still can tread the Narrow Way,
I still can watch and praise and pray.

My hearing may not be as keen
As in the past it might have been;
Still I can hear my Savior say
In whisper soft, "This is the way".
The outward man, do what I can,
To lengthen out this life's short span,
Shall perish and return to dust,
As everything in nature must.

The inward-man, the Scriptures say,
Is growing stronger every day.
Then how can I be growing old
When safe within my Savior's fold?
Ere long my soul shall fly away
And leave this tent of clay.
This robe of flesh I'll drop and rise
To seize the "everlasting prize."

I'll meet you on the streets of gold,
And prove that I'm not growing old.

— John E. Roberts

Funeral services for William Oscar Browning were held Friday afternoon at two o'clock in the family residence. Mr. Browning had been in failing health for several years. He died early Thursday morning, March 17th.

Born August 23, 1879 in Conway, Arkansas, he came to Texas when he was eight years old.

He was married to Miss Maude Chambless on August 19, 1899.

Mr. Browning had been with the Blair Grocery some twenty-five years before retiring and he had worked at Ballard Grocery previously. He had made many friends while in Gorman and after he retired these friends were interested in his welfare.

calling at the residence from time to time. He had been affiliated with the Baptist Church for about five decades.

The deceased is survived by his widow and two children: Estes Browning of Gorman and Mrs. S. A. Green of Eastland. There are also two brothers and three sisters: John Browning of Gorman and E. L. Browning of Ecu, Mississippi, Mrs. G. W. Timms of Winters, Mrs. John Smith of Ryan, Oklahoma, and Mrs. Frank Skaggs of Gorman, besides other relatives including 3 grandchildren and 6 great-grandchildren.

Pallbearers were: O. P. Chambless, A. E. Skaggs, Bud Timms, W. C. Browning, J. V. Skaggs, and S. K. White.

Other pallbearers were: J. N. Watson, W. M. Blair, J. O. Thompson, J. A. Clement, and Tom Richberg.

Interment was made in the Gorman Cemetery.

BIRD MISSES MR. BROWNING

The blue parakeet at the Browning home is lonesome without "Poor Pa", as he had learned to speak of and to Mr. Browning during his illness.

Mrs. Browning said the bird leaves his cage to search over the bed and arm chair but always returns without resting his foot. Neither has he called, "Pa".

Funeral Services For Mrs. O. O. Mann Held In Ranger

Funeral services for Mrs. O. O. Mann were held Tuesday afternoon from the Killingsworth Chapel in Ranger. Burial was at Simpson.

Mrs. Mann died at 7:30 p. m. Sunday night in Ranger where she and Mr. Mann had been making their home with Mr. and Mrs. Kid Moseley.

Mrs. Mann is survived by her husband, four brothers, Jason Wheeler, Walters, Okla.; C. S. Wheeler, Phoenix, Ariz.; Tony B. Wheeler, Ranger; Ed Wheeler, Fork, Ark.; a sister, Mrs. Mary Hemphill, Mineral Wells, and a number of nieces and nephews.

The deceased was not related to Mr. and Mrs. Moseley but the families had been neighbors for a number of years while living on Route 3, Gorman.

Mrs. Mann was 82 years of age. She was a member of the Church of Christ.

Mrs. N. C. Crawley, also a friend of the Manns, was among folks of the Gorman area attending the funeral.

Sandy Roberts Hospitalized Here Following Stroke

Mr. William Sanford Roberts, who for the past 53 years has been known to Gorman and Eastland County folks as "Sandy", suffered a stroke at his home late Friday and was hospitalized as soon as ambulance service was available.

It is with regret and of course surprise that the Progress staff as well as his many other friends have learned of his critical condition. "Sandy" had visited in the newspaper office two days before he was stricken.

Mr. Roberts, soon to reach his 88th birthday, hails from Cleburne, Alabama. When he arrived in Gorman with his wife, the late Eula Alsbrook Roberts, more than half a century ago, they settled on the farm on Route 3, Gorman where he continues to live.

Both Mrs. Shelley Roberts Hirst and Miss Christine Roberts make their home with him. His other children, two sons and two daughters, C. J. Roberts of Prague, Oklahoma, J. F. Roberts of Gorman, Mrs. Walter Shirley of Metcalf and Mrs. Walter Carreiro of San Antonio have also been at his bedside.

At this writing, Wednesday, he is reported to be holding his own.

Illness In Gorman

Gorman folks registered at the Blackwell Hospital Tuesday noon were T. J. Carter, Mrs. C. E. Jarrett, Jim Johnson, Archie McMullin, Frank Rhymes, Sandy Roberts and also Mrs. Wilburn Overstreet and Mrs. Floyd McCormick both of whom have "No Visitors" signs on their doors.

Patients from Cisco were Mrs. Jack Gibson and Mrs. Bill Swindle.

Folks from De Leon at the hospital were Mrs. J. D. Files, who has a "No Visitor" sign on her door, Mrs. E. F. Stephens, W. L. Shoemaker, Mrs. George Rollins and Mrs. F. T. Nabors.

Bob Koonce of Desdemona is an operative patient.

Rising Star folks registered on Tuesday were Mrs. David Burton and S. L. Rankin.

Comanche folks listed were Mrs. S. V. Fletcher, Linda Purdue and Mrs. C. S. Horton.

Carbon folks listed were Mrs. Fannie Bridges and Willie Jarrett.

Other patients were Mrs. Jim Baum of Cross Plains, Mrs. A. L. McDonald of Gustine, Brown Chisum of Stephenville and Mr. C. A. Swain of Breckenridge, and Mrs. M. H. Dorsett of Odessa.

Dismissed during the past week were Mrs. Frank Rhymes and daughter, Beth Rhymes.

RITA HART TREATED AT HENDRICKS MEMORIAL

Rita Hart, daughter of Mr. and Mrs. Carter Hart, was a patient at Hendricks Memorial in Abilene several days this week.

She is under the care of an eye specialist.

Double Entries In Trustee Election Adds Interest

Two women and two men have announced their candidacy for school trustee.

These double entries should create manifestation of greater interest in the election scheduled for Saturday, April 2nd.

Two women have been first mentioned above. The names of the men are Othell Clark and Floyd Gilbert. The two women are Mrs. Dorothy Hatcher and Mrs. Harry Maupin.

Any other names which may have been registered late Tuesday have not come to the hands of the press.

Fred Rodgers Is Appointed To School Board

Fred Rodgers, Route 3, Gorman has been appointed by the school board to serve the unexpired term of R. C. Mehaffey who recently resigned from the board.

Mr. Rodgers has three children attending the Gorman School. They are Freddie, Lavinia and Joe Bob.

An older daughter is Mrs. Coke Varner.

With Our Boys In Service

In recent graduation ceremonies at Harlingen Air Force Base, Texas, Aviation Cadet Loren J. Eison, son of Mr. and Mrs. Floyd A. Eison of Route 2, Gorman, was awarded his silver observer's wings and Second Lieutenant's commission in the United States Air Force.

In the six-month course conducted by Flying Training Air Force, Lieutenant Eison has successfully completed the fundamentals of electronics, deadreckoning, and radar navigation. Also, many hours of officer training which develops the leadership qualities, a high sense of honor and duty, and the willingness to accept the responsibilities of an Air Force officer.

After one year of experience in the field, Lieutenant Eison will be eligible for further specialized training.

Excelsior Club Entertains With Tall Tales Dinner

The Excelsior Club was host at a Texas Day Tall Tales Dinner Tuesday evening at the Methodist Annex. Husbands and a number of friends were invited guests.

Rev. J. W. Sharbutt gave the invocation. The fried chicken dinner prepared by the committee, Mrs. Vera Hamrick, Mrs. N. C. Crawley and Mrs. D. J. Jobe, was served on a banquet table decorated with vases of Bluebonnets and Texas Elags.

Program chairman, Mrs. Hamrick, presented Mrs. F. R. Haile, Master of Ceremonies. Giving credit to writers, Boyce House, and Frank Dobbie, Mrs. Haile entertained at length with shocking, interesting, astounding, unbelievable, inconceivable, but True superlative descriptions of Texas.

Mrs. Check Smith joined her in producing a clever skit with Mrs. Smith playing the part of a visitor from Yankee Land. Their discussion of the recent cyclones and tornadoes over the United States with the out of season cold weather, caused Mrs. Haile to remark, "Texas sandstorms just un wound cyclones and split them all to pieces."

In the round table contributions of Tall Tales, every participant declared his story "might be called a tale but it is actually true."

Invited guests present were Dr. T. G. Jackson, M. H. Fairbetter, Gene Baker, Rudolph Haile, Mr. and Mrs. Sharbutt, Mrs. Ethel Harrell, Mrs. Hubert Craddock, Mrs. E. C. Bramlett, Mrs. Frank Dean, Mrs. R. E. Boucher, Miss Lorena Clark, and Mrs. Donald Bolt.

Mrs. Fanny Burkett was welcomed as a new member in the club.

Town And Country Club Meet At Luncheon

The Town and Country Home Demonstration Club met in the Donald Bolt home Thursday, March 17 when Mrs. Bolt and Mrs. Edward Harrison were co-hostesses for a covered-dish luncheon.

Mrs. Frank Dean, guest speaker for the day, had 'Braided Rugs' as the subject of her discussion and demonstration.

Mrs. James Jobe gave a clever and interesting talk using the topic, "Eat and Grow Thin."

Mrs. Wilbur Shell was appointed Eastland County Home Demonstration Reporter for the local club.

LARRY POYNOR WINS WITH TROOP 13

Larry Poynor, son of Mr. and Mrs. Stub Poynor of Abilene and formerly of Gorman, is one of the Boy Scout Troop 13, a troop which won first place in scouting at the Central District Camporee at Camp Tonkawa.

The boys were shown with the plaque they received appeared in the Sunday edition of the Abilene Reporter News.

EASTER THOUGHTS

By J. W. Sharbutt
Matt. 22:41 and 42: What Think Ye of Christ? While the Pharisees were gathered together, Jesus asked them, Saying, "What Think Ye of Christ?"

Think what Mr. J. Edgar Hoover, has to say, the director of Federal Bureau of Investigation:

"The Bible is the unfailing guide which points the way for men to the perfect life. It is a source of spiritual food, and an inspiration for virtuous living. The lessons of charity, justice and equality which enrich its pages should be learned well by all men in order that greed, avarice and iniquity can be blotted out."

This is what Mr. Hoover thinks about Jesus Christ and His teaching.

Progressives Meet On St. Patrick's Day

The Progressive Study Club met with Mrs. L. F. Kellogg the evening of St. Patrick's Day. The hostess pinned a shamrock on each member as she arrived.

"Spring Fashions" was the subject discussed by program leader Mrs. Shorty Lawrence. She showed designs of the newer styles of dress with the middy and the jumper. She described for various occasions and also showed designs of children's clothes.

Mrs. Burnet Eison, president of the club conducted the business session.

An appetizing and colorful refreshment plate was served.

De Leon Girls - Boys Take First Place Desdemona Tourney

The First Desdemona Junior High School tournament ended Saturday night with the De Leon girls team taking first place. The Desdemona girls took second and the Tolar girls won the consolation place.

The De Leon boys A team took first place, the Lingleville boys team came in second and the De Leon boys B team won the consolation place. Six trophies were awarded to these six winning teams.

From a financial viewpoint the tournament was considered very successful by those in charge.

They wish to express their sincere thanks to all those who donated food and assisted in the luncheon work and to the Desdemona High school boys and those visitors that assisted as referees.

On Thursday of this week the Lingleville boys baseball team will play on the Desdemona diamond and on Thursday night and Saturday the Junior High School team will play in the Morgan Mill tournament.

Mrs. H. M. Morris and daughter, Pamela of Brownfield, and Mr. G. W. Timms of Shallowater visited the John Brownings Thursday night and attended the funeral of their nucle, W. O. Browning.

WASHINGTON, D. C. - The Federal Government takes 63.6 billion dollars per year from our citizens in taxes. State and local governments take their additional toll. Federal taxes alone are 21 per cent of the national income, and amount to \$396 for every man, woman, and child in our land. It amounts to \$1,249 per family. The National Debt is \$5,

476 per family, and \$1,729 per person. Thus, each child born in the United States automatically upon arrival shares in the National Debt to the extent of \$1,729.

The handling of these vast sums involving defense, welfare, the numerous public services and other Governmental functions is, of course, in the hands of our public officials. The Nation, therefore should have the most skilled, the most energetic and faithful public servants if there is to be efficient and economical administration.

One reaches the point at times of feeling that the best way to curb the astronomical expenditures of Government is to provide less money. This has been tried, but what happens is that the Government goes ahead and

spends money it does not have, which means deficit financing.

The only answer is to prohibit Government from spending more than it takes from taxes, and to force the Congress and every legislative body before it adjourns to provide money for any appropriations it makes.

ALCOHOLIC ADVERTISING is beamed to the youth in millions of American homes. Dr. Caradine R. Hooton, Executive Secretary of the Methodist Board of Temperance, says that this situation must be corrected.

"The liquor people now spend more than 250 million dollars a year to shove their products into American homes through every advertising medium available," the Methodist official said. "The millions of citizens who wish to rear their children in an alcohol-free atmosphere find this constant barrage repugnant," stated Dr. Hooton.

Incidentally, Dr. Hooton was Pastor of the First Methodist Church in Stamford a number of years ago.

PRESIDENT EISENHOWER has the final decision to make as to whether or not the United States defends Quemoy and Matsu Islands, only a stone's throw from the Mainland. It is assumed the Chinese Communists will attack these islands unless the forces of Chiang Kai-shek are withdrawn to Formosa. If the Nationalist forces are withdrawn, it will be said that the free world has again yielded to Communist pressures. If the islands are defended, it could develop into a real shooting war. The decision of the President, if and when a decision must be made, is not an easy one.

"It is amazing how much more we are impressed with trouble when it is our own."

MORE LEGISLATION NECESSARY TO CONTROL RABIES SAYS HEALTH DEPT.

AUSTIN, March 17 - Rabies control measures currently in force in Texas are ineffective, the State Department of Health said today.

The department said a study recently concluded by Bureau of Laboratory Officials reveals "current control measures have proved ineffectual in eliminating rabies from the state's dog population."

"But," the department added, "morbidity statistics indicate that those controls have been effective in preventing human cases of the disease. Only 29 human deaths have been recorded in the period between 1944-1955."

Rabies abatement work in Texas should be in the hands of local authorities, the health agency pointed out.

"Although there has been considerable fluctuation in the number of rabid dogs from year to year, the overall state level of infection has remained consistently high.

"Remedial measures have not been uniformly or consistently applied. Under the stimulus of a sharp increase of animal rabies, most cities have enforced existing ordinances providing for compulsory vaccination and the collection of stray animals. But with

a decline in incidence, municipal ordinances have frequently been only perfunctorily enforced."

The effectiveness of a control program in a given city is limited "without county-wide cooperation," the department said.

Complicating factors in dog rabies control have been the marked increase in rabies in wild animals, particularly foxes and skunks.

"Only 3 rabid foxes were received by the department in 1944, and they were all from a single county. In contrast, 100 rabid foxes were submitted from 33 counties last year."

The department said it felt the solution to the problem of wild-life rabies is the "employment, on a permanent basis, of skilled predatory animal trappers by either state or federal government to insure that fox and skunk populations are kept below the level necessary to support rabies in epidemic form."

A bill passed during the special legislative session last year authorized commissioners courts in counties of over 800,000 population to regulate dog numbers outside the boundaries of incorporated cities during the rabies epidemics.

However, since the bill applied only to Harris County, it is felt current session should amend the

act to include any county in which rabies is a public health problem.

In English we are writing a theme about peanuts. On April 1st we will enter a contest sponsored by the Southwestern Peanut Growers Association. There will be money prizes given to the ones who win. We think this is very nice of them. We have made

a book about peanuts. The book looks like a peanut, too. In it we wrote things about peanuts. We are also going to make "Mr. Peanut" in our art class.

We have been making posters in health. Some of us made them on safety, cleanliness, good light, fresh air, and resting. In health

we also made mottoes. Some of the mottoes said: "Obey The Traffic Signs", "Do Not Play with Matches", and "Keep Toys Picked Up."

FIFTH GRADE - Mrs. Wilson

In Geography we have started our project on South America. We are making a little book in which we will have maps, pictures, and writing. We each have countries to write about.

As we are studying about "Gardens Indoors", in Science we are planting flowers and vegetables.

We had our Picture Memory elimination last Thursday. There are 7 members on the team and one alternate. Those on the team from our room are Karen Pattillo, Carol Ramsey, Edna Watson, Larry Rodgers, and Gene Snider. Albert Palmer is the alternate. Mary Thompson is from Mrs. Ragland's room and E. C. Bramlett is from the fourth grade.

Karen Pattillo is also a member of the spelling team from fifth and sixth grades.

FIFTH GRADE - Mrs. Ragland

"How to Measure Things" is what we are studying in Arithmetic. We have measured our room, desks, and other things, then changed the dimensions from feet to yards and inches. We are having many thought problems. Maybe we will learn to think.

In English we are planning a radio program for our room. Everyone has a part. There will be a quiz, some music, and short talks. We listened to our radios over the week end to help us know how to put our program

together. We are visiting the Central American Republics in Social Studies. It gets hot down there. You know we have been making kites in art. Well, the first pretty day with some wind, we are going to fly our kites to see which one will fly highest for the longest time and which one is the prettiest kite.

SEVENTH GRADE

The 4-H girls are having a bake sale this coming Saturday. The prices of pies will be about 75c, the cakes will be around \$1. Be sure and come! The 4-H boys and girls are going to have a "Share of Fun Festival" next month at Eastland. There is also going to be a Rally Day. We are supposed to give a skit, the boys have already got their's.

We are having a test in Science today. We hope we all pass. We are reviewing our Math, and have just finished doing graphs. We are writing themes on "What the Peanut Means to Gorman." The prizes are: first prize - \$3.00, second - \$2.00.

We are playing volleyball now and we all hope to make the team.

EIGHTH GRADE

Two eighth grade pupils are going to Albany to try out for different events. Dorene Bledsoe is trying out for Number Sense and Spelling. Kay Ramsey is trying for declamation.

Charlotte Hilley is going to show a calf in Eastland County's Annual Livestock Show Saturday. Everybody wishes her luck.

In Geography we are making notebooks illustrating the song "America". Some pupils have already finished. They look very nice.

Don't forget our bake sale Saturday.

FRESHMAN NEWS

The freshman class enjoyed a skating party Monday night at Cisco Lake. All of us surely enjoyed every minute of it. There were thrills and very many spills during the three hours we skated.

In Math we are still working on our houses. They have proved very interesting. We must say some of us are going to have to be billionaires to build our houses.

Local Folks Attend Funeral At Rotan

Mrs. Stella Reynolds and Mr. Hubert Craddock attended the

funeral of Mrs. Kate Hargrove, Address, a pioneer resident of Rotan and sister and aunt respectively to Mrs. Reynolds and Mr. Craddock.

Mrs. Address had lived in Rotan area for fifty years. She was the daughter to the late W. L. Hargrove who was teacher in the early days of the Gorman School. A native of Comanche County, she was born at De Leon.

A sister, Mrs. Jim Ware of De Leon, also attended the funeral. Eight nephews, including Mr. Craddock were pallbearers.

Mrs. Address died at the home of a daughter, Mrs. Ollie McCombs. Besides Mrs. McCombs she is survived by a second daughter, Mrs. O. P. Riberd of Dallas and three sons; Sam of Somerton, Arizona, Jesse of San Antonio, and M. L. of Snyder; the two sisters, above mentioned.

When you get ready to sell out, lease or mortgage these missing instruments will not show up in your abstract. Failure to file promptly may not only cloud your title but cause you extra expense and inconvenience in getting new ones, in case of loss, and maybe from those who have long since moved away or from heirs of some who have died.

JUNIOR NEWS

The weather has really taken a change. Last week it was hot and this week it is cold. It hasn't affected school in any way, every one is making it right on time each morning.

In Plane Geometry we are still studying about arcs, chords, and central angles. Each day we take up a new theorem explaining

leader. Under his leadership the group sang "Whispering Hope" in the church services. Jeanette Bunting and Joyce Rodgers sang a duet, "In The Garden," also.

Following church services we had youth fellowship and played "Who Said It" and we were served refreshments.

Saturday we are going to go to Breckenridge for a big youth rally and everyone who wants to go be at the church at 6:30.

Next week we are going to have a social.

We'll see you all at Training Union next Sunday at 7:00.

how to prove chords, arcs, and central angles equal. Some are proved by a perpendicular or a bisectr.

In Chemistry we are still studying about chlorine and hydrogen chloride. We have done several experiments on chlorine. One was testing the bleaching action of chlorine water. It was successful. We took a piece of colored cloth and dipped it into the chlorine water. It bleached it. We also did one to test for the chloride ion. The three steps in the test are: 1. The addition of silver ion, 2. The addition of ammonium hydroxide, 3. Acidification with nitric acid. A white precipitate at the end of the test proves the presence of the chloride ion. When we finish the chapter on chlorine and hydrogen chloride we are taking up the chapter on bromine and hydrogen bromide.

In Latin I we are reviewing the vocabulary on the lessons 56 to 62. We are answering the questions in review of these les-

sons. We are declining, conjugating and translating English into Latin and Latin into English.

In American History our trip to Austin to visit the Texas Legislation was postponed on account of bad weather. Plans have been made to make the trip next Tuesday. We all are anxious to make the trip. We have been studying about the Texas Legislation. Each of us was given a House Journal. Each journal contained the proceedings of a days session. Then each of us read the journal and presented a bill discussed by the House. We were divided into the Senate and the House of Representatives. The bills were passed by the different committees and presented to the House to pass. If the bills passed the House they went to the Senate to be passed. If passed there it went to the governor and he passed it, it would become a law within ninety days unless it was an emergency. We all gave our reasons for wanting the bill passed.

If we did not give sufficient reason for the bill it would be discarded or given back to the person who originated it to change the wording where it might be considered.

It's so interesting and educational to learn all this about the Texas Legislation. It makes us want more than ever to visit and see how it is actually done.

In English III we are taking up more difficult diagraming in our textbook. In our notebook we are studying infinitives and split infinitives.

Capt. Billy Jack Van Zandl and his mother, Mrs. Hazel Carreiro from San Antonio and Clarence Roberts of Prague, Okla. and Mr. and Mrs. Oscar Shirley and family of Rankin were in Gorman this week to visit W. S. Roberts, who suffered a stroke and is in the Blackwell Hospital. Mr. and Mrs. Julius N. Underwood will return from a 3 week visit in Odessa and McCamey during this week end. They plan to return with the Homer Underwoods who will go to Odessa Friday.

CHEANEY HD CLUB MEETS

"Vegetables may be grown the year round in frame garden," Miss Billingsley, county HD agent told members of the Cheaney Home Demonstration Club Thursday afternoon, March 10, when they met with Mrs. R. W. Gordon.

A frame garden may be constructed from scrap lumber, at a very little expense, and may be sub-irrigated by using tin cans for the tiles.

"When planting the garden, keep in mind the earlier maturing vegetables," Miss Billingsley said. These should be planted in one section, while vegetables requiring longer time for maturing should be planted in vegetables the year round for the average farm family".

Mrs. Gordon, president read the devotional and led the group in the club pledge and prayer. Members answered roll call from the list in the year book.

One new member, Mrs. Frances Robinson of Ranger, was enrolled. Mrs. Bill Tucker read the March council report. The members also voted to help provide awards to the 4-H club girls who are county winners.

Next meeting is scheduled for March 24, with Mrs. Bill Tucker as hostess.

HOME DEMO CLUBS

STUDY CARE OF RUGS AND CARPETS

Seven Home Demonstration Club Leaders met in the Home Demonstration Office, Eastland Monday, March 14. They were trained to give the demonstration "Care of Rugs and Carpets" by the agent, Minnie Mae Billingsley.

Safety precautions in the use of throw rugs, cleaning by the dry sud method, care of carpets the use of the vacuum cleaner and pointers on its selection, and cleaning of linoleum and hard surfaced floors were some of the things included in the demonstration.

Those attending the meeting were Mesdames Edgar Higginbottom, Gorman; Lela Ham, and J. B. Eberhart, Rising Star; Bill Tucker, Cheany; Ernest Scheefer, Cisco; W. D. Mazel Cisco; and Julia LaFaye Mason, assistant County Home demonstration Agent, and Miss Billingsley.

MRS HATTOX VISITS SON

Mrs. Electra Hattox, Garvice Hattox, Herman Bennett, and Billy Earl Simpson were in Kermit the week end of March 11th visiting with Pfc. Raymond Hattox of Fort Sheridan, Illinois. Raymond was with his company, the "Iron Missiles Division". The outfit was on a practice maneuver.

CARD OF THANKS

To the good neighbors and friends of "Aunt" Willie Bennett who so graciously gave of themselves to soften the blow of her passing, we tender this message of thanks. To her pastor, Brother Pennington, for his message of eternal faith; to the good women of the Baptist Church for preparing food; for the lovely flowers, cards of sympathy and other tokens of love, we express our profound gratitude.

May God bless you, one and all.
The relatives of Mrs. Leander (Aunt Willie) Bennett.

CARD OF THANKS

We wish to thank all the doctors, nurses and many friends who so ably and faithfully served Mr. Browning in his recent illness.

Also we want to thank the friends for the lovely floral offering.

We especially appreciate Rev. Pennington and his members who set up with him so many nights. Rev. Pennington and Rev. W. Skaggs conducted a beautiful and fitting service. They were assisted by a quartette of able singers and by Miss Rogers and Linda Speck.

All the cards, telephone messages, visits and food have made these trying days much easier.

Cheaney News
Mrs. Bill Tucker, Reporter

Guests in the Hatley Dean home Friday night were his brother and wife, Mr. and Mrs. D. F. Dean of Tyler. The Deans, accompanied by Mrs. Hatley Dean, went to Red Springs Saturday morning to attend the wedding of their son, Ernest F. Dean, of Tyler, to Miss Gloria Kisinger of Red Springs.

The nuptials were solemnized in a double ring ceremony at 4 o'clock Saturday afternoon at the Red Springs Baptist Church in the presence of relatives and friends. A reception and shower was held following the ceremony in the home of a friend. The couple left for a wedding trip to Durant, Oklahoma. The groom will report in two weeks to Camp Lee, Va. for military assignment.

Mr. and Mrs. Graham Compton and family of Weatherford visited Saturday with her parents, Mr. and Mrs. Joe Butler, and dined with some of the gardeners. Sounds like an ideal arrangement for the Butlers.

Mrs. Henry Perrin tells us of the loss of an infant grandson, Friday, March 18th. The baby was born to Mr. and Mrs. Dale Warner of Baltimore, Md., but did not live. Mrs. Warner, the former Maxine Perrin, and her husband have one other son, two years old.

Mr. and Mrs. Richard Tucker and his mother, Mrs. Mary Tucker, were dinner guests of the Jack Rogers family on Sunday.

The young ladies of the community shared the spotlight in this week's news. Jessie Underwood and Loresta Wallace Love, accompanied by Mrs. John Love, were in Eastland Saturday, March 19 for the 4-H Club Girls Pillow Slip show. The girls are members of the Young School 4-H Club in Ranger, which is co-sponsored by the Cheaney H D Club. The women will help in the 4-H awards program, in various county events, throughout the year.

Gay Nell Blackwell, Helen and Charlene Blackwell, all formerly living here at Cheaney, are also members of the Young School 4-H Club and attended the county wide show.

Charlene's pillow slip won 3rd place in the county contest. She is the daughter of Mr. and Mrs. Jack Blackwell of Ranger.

Mrs. Myrtle Woods of Ft Worth visited in the home of her brother, Mr. and Mrs. Frank Poteet, and in Breckenridge recently.

This is one for the record. Mr. and Mrs. Calvin James and son, Mr. and Mrs. Raymond Hart, of Hobbs, N. M. visited with Olive Pilgrim and Miss Artie Pilgrim, brother and sister of Mrs. James last week. Purpose of the trip down was to bring the dead body of the family pet, Toodlum, to a final resting place on the family farm. Toodlums was a snow white Spitz and had been a favorite pet of the family for years and years. A sheet served as a shroud, and a new suitcase, the box in which the pet was placed and buried, with the 4 other canine mourners looking on in silence.

Schoolmates who visited over the week end with Loresta Love and attended church at Cheaney Sunday morning were Patsy Nail and Sue Niska of Ranger, Joy Love of Stephenville, and Jessie Underwood, Cheaney.

Mr. and Mrs. Herman Nerger of Alameda were callers in the Love home Saturday night.

Mr. Dave Weekes was a treatment case last week, but was not hospitalized.

Jerry Lee Yates of Gorman, accompanied Kirby Lilly and his

parents to Cheaney Sunday morning, where J. Frank Lilly preaches regularly for the congregation of the Church of Christ.

The Dave Weekes home was the gathering place for a dinner on Sunday when several daughters and their families were present.

Daughters are Mrs. Naomi Rogers and Mrs. Agnes Rodgers, both living near by. Mrs. Eunice Love lives at Stephenville and Mrs. Edith Yancey lives near Meridian.

New Chevrolet Task-Force Trucks!

It's the largest and finest fleet of trucks ever built by the nation's No. 1 truck builder. Whatever your task or trade, there's a new Chevrolet truck to make or save you money on the job. Come and look 'em over!

Now Chevrolet introduces "Work Styling"—an exclusive development in truck design. Plus new engines—new capacities—new Overdrive and Power Steering—new features and advantages throughout!

Here's what happens when America's leading truck builder pulls out all the stops! Here are trucks that are new from the drawing board out!

New styling in trucks

Fleet, functional styling that fits your job! For the first time in any truck line, two distinctly different styling treatments are offered—one in light- and medium-duty models, another in heavy-duty. Your handsome new Chevrolet truck will be an advertisement—

on-wheels for you and your business!

A new outlook for the driver

Truck driving was never like this! The new Flite-Ride cab is everything a driver could wish for, from its big Sweep-Sight windshield to its concealed Safety Step that keeps clear of mud or snow! The new instrument panel offers maximum convenience!

Six new "high-voltage" engines

With a new 12-volt electrical system for

quicker, surer cold-weather starting and increased generator capacity! Plus more efficient cooling and lubrication systems, an improved fuel system, and completely redesigned engine mountings.

And much more that's new

Like the smoother, load-steady ride . . . new High-Level ventilation . . . tubeless tires, standard on 1/2-ton models . . . Power Brakes* for all models, standard in 2-ton models . . . new 18,000 lb. max. G.V.W. in 2-ton models. And there's a new choice of transmissions, including new Overdrive* and Hydra-Matic*. New Power Steering* for all models. Come in and see the newest things in trucks!

*Optional at extra cost. Overdrive available on 1/2-ton models, Hydra-Matic on 1/2-, 3/4- and 1-ton models.

New Cameo Carrier

Here's a truck like no other truck you've ever seen! It's the "flagship" of the handsome new Chevrolet truck fleet . . . the first truly beautiful truck ever built. Come in and let us tell you more about this dramatic departure in truck design!
