Wise Builders

In I Cor. 3, Paul urged people to be wise builders. Likewise Jesus taught of both wise and foolish builders, Matt. 7. Truly we need to take heed how we build.

The wise builder, Jesus said, built his house on the rock. To do this one had to hear and do that which Jesus taught.

Have you repented as Jesus taught? Lk. 13:3

Have you confessed as Jesus taught? Matt. 10: 32-33

Have you been baptized as Jesus taught? Mark 16:16

Have you been faithful as Jesus taught? Mk. 13:13

May we encourage you both to start on to finish the Christian life. It is not enough to start, there must also be a finishing if one is to be a wise builder.

UNCLE SAM needs young men for his peacetime Army of Reservists, YOUNG MEN need what Uncle Sam has to offer.

Strong nations seldom are attacked. It is only when a nation becomes weak, when its military strength is at a low ebb ... when its men are untrained for battle . . . that an enemy strikes. To keep peace - keep strong. For a nation to maintain military might it must have a large, well-trained Ready Reserve - well versed in the latest in military know how and equipment.

It is up to the young men of America to provide · this manpower. Under the Reserve Forces Act of 1955 American youth may continue in school with a minimum of interruption, while serving in the U.S. Army Reserve.
