

The Gorman Progress

VOL. 56 — 5c per copy

The GORMAN PROGRESS, Eastland County, TEXAS, April 12, 1956

You 'Can Do Anything' C-C Speaker Tells Club

Ralph Duncan, manager of the Member Relations Dept. of the West Texas Chamber of Commerce met with the Business Men's Club Monday night.

Complimenting Gorman on its modern school and attractive business houses, he also added, "there are 32 men present at this meeting and they can do anything they want to in building the city of Gorman and this community."

"There is no magic formula for community betterment and development. The process at best, seems tedious and complicated, but the fundamentals are simple and largely governed by common sense. The four horsemen of community progress are "desire", "cooperative effort", "money", and "time". It's easy enough to say one has the desire to improve the area, but the desire must be sufficiently intense that it will supply the other three elements.

It takes cooperative effort. It takes money, not money to waste,

but money for essential things and for basic improvements. The thread of time likewise runs through all community promotion. New business cannot be turned on and off like a water faucet, for it takes basic survey work, long-range planning, vision, and continuity of effort over a period of years."

What higher satisfaction can anyone have than to look about him at a lovely town and know that it has grown, that it has become richer and a better place in which to live because he has labored here together with others?

When you build the kind of town people want to live in - trade will take care of itself.

Henry Ford could have manufactured automobiles anywhere,

but he wanted to live in Dearborn, and he made Detroit the motor capital of the world.

Patterson could have made cash registers in San Angelo,

Waco, or Chicago, but he wanted to live in Dayton - and he made it a great industrial city.

Firesone could have manufactured tires anywhere in the whole country, but he liked to live in a suburb of Akron and he made it the tire capital of the world.

The Mayo brothers would have performed their miracles of surgery in any city - they wanted to live in Rochester, and that made that little town the medical mecca of the world.

Yet it's the liveability of the towns that counts.

In the near future Mr. Duncan will return to Gorman to speak before a community meeting. All citizens interested in the betterment of this community, including folk in the rural area, are invited to attend this meeting.

—o—

A Good Start

Jana Pullin, first year piano student, won first place in her class of second grade piano students when she completed her "Book A".

Mrs. Edna Nunnally encourages her students to do better work by presenting gifts to students who put forth extra effort in practice and oral work.

Jana is the daughter of Mr. and Mrs. Gene Pullin.

tion to attend the singing at the Congregational Methodist Church Sunday afternoon, April 15th at 2 p.m.

On the morning of April 16th, the Texas Highway Patrol will begin enforcement on the Motor Vehicle Inspection Law, said Captain G. L. Morahan in issuing a last minute warning to motorists.

All Motor Vehicles will be required to have the current Motor Vehicle Inspection sticker displayed. The penalty for failure to have them displayed is a fine from \$1 to \$200 plus court costs.

From the number of vehicles observed in recent days, apparently there are hundreds un-inspected at this late date, said Captain Morahan.

With improved hitting and outfield play the Desdemona team could prove a dangerous threat

On the material side, there is much to be gained in the growth and increased livability of the community.

You men and women, citizens of Gorman, have the high privilege - through your Chamber of Commerce -

1. to labor for a better city.
2. to work for sanity and value received in public expenditures - you can't work for a chamber of commerce without becoming aware of all the responsibilities of good citizenship and the obligations of good government.

3. to build for the future stability of your community, state, and nation.

4. to foster the growth of business and the welfare of the community.

5. to promote public health through improved sanitary facilities.

6. to reduce the needless loss of life and property from preventable fires.

7. to secure needed public improvements for your community, your county and trade area.

8. to develop industry and better agriculture.

9. to strive for a balanced community life in which cultural and educational facilities will keep pace with material growth.

What higher satisfaction can anyone have than to look about him at a lovely town and know that it has grown, that it has become richer and a better place in which to live because he has labored here together with others?

When you build the kind of town people want to live in - trade will take care of itself.

Henry Ford could have manufactured automobiles anywhere,

but he wanted to live in Dearborn, and he made Detroit the motor capital of the world.

Patterson could have made cash registers in San Angelo, Waco, or Chicago, but he wanted to live in Dayton - and he made it a great industrial city.

Firesone could have manufactured tires anywhere in the whole country, but he liked to live in a suburb of Akron and he made it the tire capital of the world.

The Mayo brothers would have performed their miracles of surgery in any city - they wanted to live in Rochester, and that made that little town the medical mecca of the world.

Yet it's the liveability of the towns that counts.

In the near future Mr. Duncan will return to Gorman to speak before a community meeting. All citizens interested in the betterment of this community, including folk in the rural area, are invited to attend this meeting.

Desdemona Opens Baseball Season With 5-2 Victory

The Desdemona High School boys Baseball team opened the season Tuesday evening at Huckaby with a 5 to 2 victory. The Desdemona team played fairly well in spite of only two work-out periods.

Elston of Huckaby struck out 17 Desdemona batters and Owens of Desdemona struck out 6 Huckaby batters and two costly errors paved the way for the Desdemona victory. Desdemona got only 5 hits, but managed to hit when needed. Eugene Lewis, first base man, gathered in 2 hits for 3 attempts and in the seventh staged a double play on a low fly ball lined to first and lined the ball to the third baseman, making a double play and cutting off an excellent scoring chance for the Huckaby team.

Rogers, the catcher, got 1 hit for 3 attempts, Burleson got one hit for 3 attempts, Arlington Ash got one for one. One error each was made by Nubers, Owens, Burleson, Willie Johnson and Caudle for the Desdemona team.

With improved hitting and outfield play the Desdemona team could prove a dangerous threat

First Baptist Set May 21-25 As Dates For Bible School

The First Baptist Church has set May 21-25 for the Vacation Bible School for this year with preparation day on Saturday 19. (Parade).

Those serving as leaders of various departments are as follows:

Principal of the school - Pastor Supt. of Intermediate Dept. -

Mrs. Ray Rankin Supt. of Junior Dept. -

Mrs. Buck Foster Supt. of Primary Dept. -

Mrs. V. W. Day Supt. of Beginner Dept. -

Mrs. Bonnie Watkins Supt. of Nursery Dept. -

Mrs. Graydon Baze Supt. of Refreshments -

Mrs. Doyle Preston Nursery for small children of workers in V. B. S. will be taken care of by Mrs. A. D. Eaker.

We plan to have the Parade on Saturday morning, May 19th.

There will be a good selection of handbook for each department.

The school is open to anyone who wishes to attend. We will be happy to have you.

M. A. Pennington

Funeral Services Held At De Leon For A. N. Gilder

Andrew N. Gilder was born in Pontotoc, County, Miss., July 30, 1890 and passed away March 29, 1956 at the Overall Memorial Hospital, Coleman, Texas.

Funeral services were held Friday afternoon, March 30 at 2:00 o'clock with Rev. John Foster officiating with Rev. Floyd Thrash assisting at De Leon.

Mr. Gilder was 65 years, 7 months and 29 days of age at his death. He was a retired farmer.

Survivors are his wife of De Leon, and 9 children, five sons, Richard D. of Whitney, Eugene of Coleman, Raymond L. and Billy Ray of De Leon and Herman of Borger, 4 daughters, Mrs. Orville Boyd of Gorman, Mrs. Christine Lawson of Edna, Miss Shirley Ann Gilder of De Leon and Mrs. Billie Jo Conti of Boston, Mass. He also was survived by two brothers, J. V. Gilder and Deven Gilder of De Leon, and three sisters, Mrs. A. B. Byrd of Abilene, Mrs. Wallace Ruff of Haskell and Mrs. R. Diggs of Ft. Worth. There are also 10 grandchildren and 1 great grandchild.

Pallbearers were John Rigsby, Arthur Vinson, G. W. Lewis, Ivan Ross, Isham Pittman, and Jack Brumbeel.

A quartet composed of Al Strasner, W. A. Morgan, Blake Heath, and Jimmy Duncan, accompanied by Mrs. Clara Gray at the organ, furnished music.

Flower girls were Sue Brooks,

Melba Cogburn, Ora Mae Frost,

Myrlyn Williams, Pat Ottwell,

Andrea Baber, Milouise Crittenton, Nelda Pittman, Martha Morgan, Barbara Jenkins, and Selah Sloan.

Interment was in the De Leon Cemetery.

CARD OF THANKS

I wish to thank everyone who was so nice to me during my stay in the hospital, for all the cards, flowers, gifts and visits and also to the doctors and nurses.

May the richest of blessings be yours.

Mrs. Jim Johnson

—o—

●Cancer is defined as an uncontrolled growth of cells." If detected early, cancer can be removed by surgery or destroyed by radiation.

for District honors.

On Friday of this week the Strawn High School will play at Desdemona. Six teams compose the district conference this year.

The general public is invited to attend.

Desdemona has purchased considerate playing equipment, has a fine playing infield and will erect new screens behind the batters box this week.

Rogers, the catcher, got 1 hit for 3 attempts, Burleson got one hit for 3 attempts, Arlington Ash got one for one. One error each was made by Nubers, Owens, Burleson, Willie Johnson and Caudle for the Desdemona team.

With improved hitting and outfield play the Desdemona team could prove a dangerous threat

Fight Cancer With A Checkup And Join The American Cancer Society

FIGHT CANCER

Why? Because an annual physical checkup can give you and yours genuine peace of mind. It is the best insurance against cancer. Women over 35 should have a pelvic checkup twice a year; men over 45, a chest x-ray twice a year. FIGHT CANCER WITH A CHECKUP.

Why? Ask a newspaper woman from New York City. Her cancer. Today, eight years later six-month pelvic exam disclosed she's happy and well. Ask an American Cancer Society volunteer in Minnesota. She saw a film, "Breast Self-Examination", practiced monthly the lesson it preached, found a lump, and today, after five years, is cured of

cancer. Ask a grocer in New Jersey whose chest x-ray showed an early lung cancer seven years ago. Today he is grateful for his life because he had his checkup.

Know the seven danger signals:

1. Any sore that does not heal

2. A lump or thickening in the breast or elsewhere.

3 Unusual bleeding or discharge

4 Any change in a wart or mole

5 Persistent indigestion or difficulty in swallowing

6 Persistent hoarseness or cough

7 Any change in normal bowel habits

Join the American Cancer Society.

Why? Because the American Cancer Society is the only voluntary agency in the United States devoted to the control of cancer through a comprehensive program of education, service and research.

Through Education: To bring to every person in the country sufficient knowledge about cancer so that he will not lose his life needlessly; to make available to doctors valuable information on cancer diagnosis and treatment.

Through Service: To help the Cancer patient and his family.

Through Research: To find the final answers to cancer. In 152 institutions a thousand researchers are exploring scientific frontiers, studying hormones, new drugs, differences between normal and malignant growth, new surgical techniques, radiation with tiny atomic chemicals and massive machines.

Why join? Because cancer will strike one in four Americans and in two of every three families, the disease calls for thoughtful action from everyone. A checkup will protect you and yours. By joining the American Cancer Society you help protect your community, and take a personal part in the crusade against cancer.

Mayor T. L. Jay has proclaimed Tuesday April 17th as Cancer Crusade Day in Gorman.

Do your part - Fight Cancer with a Checkup and a check.

Continued from Page One)

low hurdles, broad jump, mile run, and mile relay. Rising Star boys won the shot put and 880 run. Wylie contestant, Tommy Stewman, won one first place for the Bulldogs with his winning distance in the discus throw. Cross Plains failed to win a first place.

Eastland, 55 1-2, Gorman, 38 1-4, Wylie, 20 3-4, Rising Star, 20, and Cross Plains, 16 1-2, were the point totals. Ranger did not have a track team this season.

Max Pierce of Gorman was high-point man in the meet, winning the 100-yard and 220-yard dashes, placing second in the discus with 112 feet, 11 1-2 inches, placing third in the shot put with 39 feet 11 1-2 inches, and anchoring the first-place 440 relay team. Max had a total of 16 1-4 points. Don Smith of Eastland was runner-up with 12 3-4 points by winning the high and low hurdles, and being one of the four boys who tied for first place in the high jump at 5 feet 6 inches.

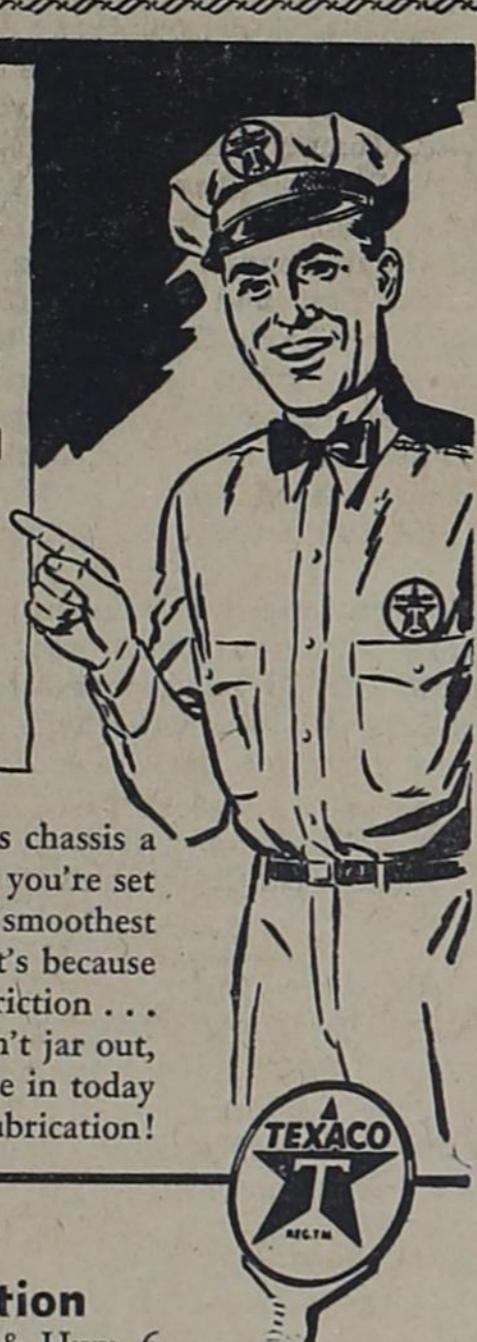

Only one record was broken in the meet. Max Pierce set a new record in the preliminaries of the 220-yard dash with a time of 22.6 seconds. The old record was 23.2 seconds. Max also bettered the record in the finals with a time of 23.1 seconds.

Pierce won the 100 with 10.6 seconds, Ken Watson did his best time of the season in winning the 440 with 55.3 seconds, and the 440-yard relay team of Harrison, Watson, Eddie Gregg, and Pierce turned in their best time of the season winning with 48.1 seconds.

Winners of the first three places in each event qualified for the regional meet.

Gorman swamped all opposition in the grade school division by racking up 47 3-4 points. Cross Plains was second with 19 3-4 points, Eastland was third with 19 1-2, and Rising Star was fourth with 1 point. Wylie grade school failed to score any points.

Letter To The Editor

Wylie dominated the junior high division with 46 1-2 points. Cross Plains was second with 29 1-4 points, and Gorman was third with 3 points. These were the only schools who had entrants in the junior high class. Larry Barnett was the only entrant for Gorman. He placed fourth in the 50-yard dash and third in the 75-yard dash.

Contestants in the grade school division from Gorman and their individual point totals were Jerry Yates, 15 1-4, Neal Overstreet, 11 1-4, Jerry Anderson, 9 1-4, Thomas Snider, 5, James Whitlock, 2 1-4, Joe Wallace, 2, Benny Frasier, 2 1-4, and Dickie Townley, 1-2 point.

Gorman grade school won first three places in the 75-yard dash, the 440-yard relay, 2nd, 3rd, and 4th on the 50-yard dash, and 2nd and 4th in the 100-yard dash.

Jerry Yates won first in pull-ups with a total of 33, Thomas Snider was first in high jump with 4 feet 8 3-4", and Neal Overstreet won first place in the 8 pounds shot put with 40 feet 7 1-2 inches.

Home Ec Class Presents Style Show

The regular meeting of the Woman's Study Club was held Monday, April 9, at the Home Economics cottage with Mrs. Bill Brodgon and Mrs. Joe Collins as hostesses.

Miss Virgie Shaw and her thirty-three First and Second year Home Economics girls presented a style show. The First year girls modeled skirts and blouses, and the Second year girls modeled suits that they had selected material, pattern, and made themselves. The girls were lovely and their dresses were beautifully made. Miss Shaw is to be complimented on the good work she has done with these girls.

Kay Lynn Ramsey and Linda Cloninger, presidents of the First and Second - year F. H. A., respectively, assisted Miss Shaw in presenting the Style Show.

Refreshments were served to sixteen club members and the Home Ec girls.

The girls closed their program with the following Creed of the Future Homemakers of America: "We are the Future Homemakers of America.

We face the future with warm courage,

And high hope.

For we have the clear consciousness of seeking

Old and precious values.

For we are the builders of homes.

Homes for America's future.

Homes where living will be the expression of everything

That is good and fair.

Homes where truth and love and security and faith

Will be realities, not dreams.

We are the Future Homemakers of America.

We face the future with warm courage

And high hope.

Country Echoes

By Mrs. Bill Tucker

This area was blanketed with hail for a short time last Thursday, but only minor damage to growing gardens. We understand hail stones damaged the roof of the Bud Lay home. The rainfall amounted to 2 inches.

We visited at Cheaney Sunday and the rain and hail in that area was very light.

It is always nice to chat with former acquaintances, friends and neighbors and catch up on some of their activities.

Even the young fry like to have a part in the local news. Loresta Love entertained her schoolmates with a slumber party at her home Saturday night and it is astonishing how much ice cream and how many cookies 7 little girls can devour.

Those enjoying the party besides the hostess were Kathleen Wallace, Gay Nell Blackwell, Jessie Underwood, Charlene Blackwell, Joy Love and Sue Niska.

Mr. and Mrs. Bob Love of Odessa were visiting his mother, Mrs. Ann Love and family recently.

Mrs. Ben Freeman, who has been hospitalized at the Gorman hospital since March 20, is expected to be able to be returned to her home this week.

Mrs. Tom Howard has been ill the past week and their son, Pug Howard, and wife of Ft Worth paid them a visit during Mrs. Howard's illness.

A poke salad hunt by members of the various Tuckers - they're numerous by the way - resulted in enough of natures first spring greens for all families represented. They report the rain will be fine for abundant greens.

Progressives Discuss

Beauty Hints At

Thursday Meeting

Thursday, April 5, the members of the Progressive Study Club met in the home of Mrs. T. J. Hallmark. Upon arrival the guests were served a buffet supper of hamburgers, onion rings, salad, pickles, olives and strawberry short cake topped with whipped cream.

In the business meeting which followed a regime of the years club work was given. Mrs. James Jobe introduced Mrs. Floyd Eison who gave a lovely discussion on Beauty Hints.

The members of the club were happy to welcome Mrs. Vernon Flatt as a guest.

Mrs. Bud Lay is in San Angelo for an extended visit with her son and wife. The daughter-in-law underwent surgery Monday.

We visited a short time at the Duster Store Sunday night and made the acquaintance of Mr. and Mrs. Ernest Johnson.

A lectureship program will be in progress April 22 through the 29th at the Cheaney Church of Christ north of Gorman, with a different gospel preacher as the speaker at these evening services. A cordial invitation is extended to all neighboring towns and surrounding communities to attend each service.

Mrs. Jimmy Greer and son of Lovington, N. M. are here visiting her parents, Mr. and Mrs. A. H. Love.

Mr. and Mrs. Levi Cozart of Ranger and their grandson and wife, Mr. and Mrs. Wesley Elliott of Fort Worth, were callers in the John Tucker home Sunday afternoon.

This writer and better half enjoyed the TV program Sunday night with Mr. and Mrs. Ernest Broom. Monday night we had callers, Mr. and Mrs. Mitchell Campbell.

Mrs. John Love was a caller on Monday in the home of Mrs. Eula Caldwell.

Redbirds are on the wing — and it's high time to get corn planted. That is if this nippy weather ceases.

CH'A HSIAO*

You'll find more pleasure in cooking when you enjoy the benefits of a modern

Electric Range

When you join the thousands of other women who cook electrically, you can enjoy cooking unusual dishes . . . or appetizing everyday foods . . . in a fresh, comfortable kitchen. The oven of your Electric Range is insulated on all six sides to keep the heat in the oven and out of the kitchen. Direct-contact surface units help eliminate wasted heat, too. And because electric heat is so clean, utensils stay bright and shiny, kitchen walls and curtains stay fresh and new looking. For cool cooking in a clean kitchen . . . see your favorite appliance dealer soon for an automatic Electric Range that will help you LIVE BETTER ELECTRICALLY!

*CH'A HSIAO (Chinese pork roast)

3 pounds pork loin roast
1 teaspoon salt
1/4 cup soy sauce
3 tablespoons lemon juice
1/4 cup sugar
1/4 teaspoon red food coloring

Combine salt, soy sauce, lemon juice, sugar, and red coloring. Pour over roast. Add onion, green onions, ginger, and garlic. Allow to stand one-half hour. Place roast fat side up on rack in shallow roasting pan. Pour marinade and chicken consomme over roast. As roast cooks, baste with sauce about every 30 minutes. Cook in moderate oven (350° F.) for 45 minutes per pound or until meat thermometer registers 185° F. Slice and serve on a bed of cooked rice. 6 to 8 servings.

"Where Friends Meet"

A Ready Answer (1 Pet. 3:15)

What does repentance involve and who is to repent?

Answer: Repentance means a change of ones will, intent and action and making restitution when it's possible. Godly sorrow is not repentance, but it worketh repentance. (2 Cor. 7:10). Desire alone is not to be mistaken for repentance, for many have a sorrow for sin and desire to quit but they do not repent. Proper action must be coupled with Godly sorrow and a burning desire so as to bring about repentance. Repentance also involves the making of restitution where it's possible. Suppose a man steals something from you, then he feels sorry and quits stealing, but he keeps that which he has stolen from you. Has he really repented? No. Zacchaeus said he's restore fourfold anything he had taken wrongfully. (Lk. 19:8). People must bring forth fruit meet for repentance. (Matt. 3:8). All people are to repent (Acts 1:30; Acts 2:38). "Except ye repent ye shall all likewise perish," said Jesus. (Lk. 13:3).

We invite you to the services next Sunday.
THE CHURCH OF CHRIST, Gorman, Texas

Listen, 9:00 A. M. Sunday to Station KERC, Eastland, 1590.

SPEAKING ON THE SUBJECT OF QUALITY
... it is always an appreciative compliment when so many of our customers tell us they like our abstracts. They must be many or them have been doing business with us for more than 33 years, and still are. There is no secret attached to this expression of confidence. A quality product produces confidence. And we are proud that we have both confidence of a host of customers and a quality product to sell them.

EARL BENDER & COMPANY
EASTLAND (Abstracting Since 1923) TEXAS

Sports

By JERRY CLARK

Last Saturday Avery Brundage, who is the President of the International Olympic Committee, lashed out at American "hysteria" over Russia's subsidized athletic success, and asserted "champions are not made by subsidies or training camps, but by diligence and intelligence." He is head of the international committee that supervises the Olympics. Mr. Brundage, an American who lives in Chicago, issued a lengthy statement in which he declared that howls from "certain U. S. circles about Russian performances in sports, I am sorry to say, sound like sour grapes to the rest of the world."

"It is not the strength of other people that we in the U. S. need fear," his statement said. "It is our national complacency and the softness in life brought on by too much prosperity."

"If Russian success in the Olympic Games arouses us, and the rest of the world, to correct our

own weaknesses and shortcomings, it will serve a useful purpose."

Amazing John Landy, the fastest miler in the world, broke the four-minute mile barrier for the fourth time in his last five attempts with 3:58.6 minutes last Saturday at Melbourne, Australia. Holder of the world record of 3:58 minutes, the 25-year-old Australian now holds the three fastest times for the mile run: 3:58 minutes and two runs of 3:58.6 minutes. His other under-four-minutes mile run was 3:59.6 when he finished second to Roger Bannister in the British Empire Games, Aug. 7, 1954.

There were some outstanding performances by Bobby Morrow of ACC, Eddie Southern of Texas and J. W. Mashburn of Oklahoma A&M at the Texas Relays at Austin last Saturday. These boys, three of the top Olympic hopefuls from the Southwest area, lived up to their expectations. Morrow breezed to a 9.5 seconds time in the 100-yard dash for his second straight victory in this Texas Relays event. He also ran a scorching 20.2 seconds on his 220 leg of the sprint medley relay. The sprint medley relay consists of four boys on a team, each boy in turn running a 440-yard dash, a 220-dash, a 220-yard dash, and an 880-yard dash in relay fashion. By track rules, however, the time that an individual makes on any part of a relay cannot be counted as a record. Records are counted only for relay teams as a whole or for individuals in an event which does not consist of teams. For comparison, the world record for the 100 is 9.2 seconds and for the 220 is 20.1 seconds.

J. W. Mashburn ran a tremendous 46.1 seconds anchor lap for the Oklahoma A&M mile relay

Letters From Readers

We appreciate the following letters and always glad to publish greetings from those who have moved to other towns.

Mr. Eugene Baker:
I received the two copies of the Gorman Progress. I enjoyed reading them as did my father and mother, age 85 and 81. Thanks for them.

My husband and I were reared near Gorman and still call it home.

Mrs. R. H. Echols
Brownfield, Texas

Dear Mr. Baker:

I am enclosing the amount for my paper to be changed from Gorman to Odessa.

How is everything around Gorman? We sure do miss the people around home.

The wind and sand is blowing out here today. Hope that Gorman has had some rain.

Thank you a million.
Alton Brown
Odessa, Texas

team. That is the fastest time that 440 yards has ever been run in the Southwest area, but, as explained above, the time cannot be counted as a record because he was running on a relay team. The world record for the 440-yard dash is 46 seconds flat.

Eddie Southern ran a 47 seconds flat opening quarter mile on the Texas freshman team which set a new Texas Relays record in the Freshman-Junior College sprint medley relay.

In comparing Southern and Mashburn, Southern is probably the greatest, since he is only a freshman and Mashburn is a senior. Southern could develop into the greatest quarter miler ever produced by the Southwest.

Dear Mr. Baker and all:

Find enclosed \$2.50 check for Progress. Don't want to miss a copy. We enjoy it so much. Sure think you are doing a good job - giving us all the news. We think of all you Gorman folks so much and wonder about this one and that, then when we get the paper there's just what we wanted to see.

I really think you have a better paper than we do. Seems like about all we get is bad part. (news). Of course there's lots of that.

Thanks,
Respectfully yours,
Euna Koonce
Dallas, Texas

Dear Mr. Baker:

Since wife and I are from the Cheaney community, but still have holdings there, we are very anxious to read the Cheaney, Desdemona news, and do wish you had someone there for the news.

Thanks again for the notice and please find check enclosed for years rates on your paper.

Cordially,
Boyd Wisdom

NOTE:- Since Mrs. Tucker has moved to Comanche County we have been unable to find a correspondent in Cheaney.

Baseball Meeting
April 16 - Fire Hall

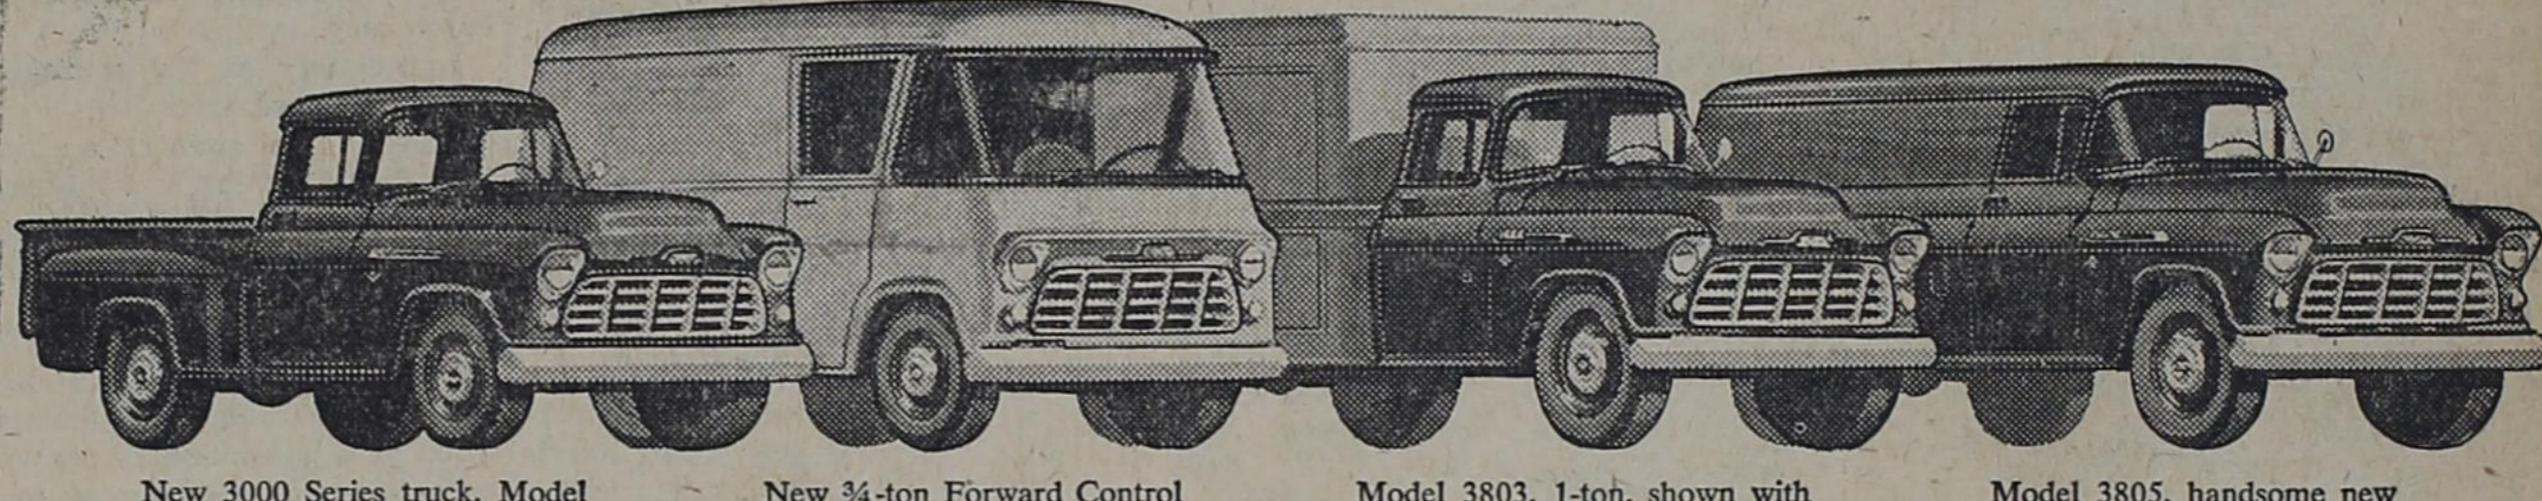

A baseball meeting will be held at the Fire Hall on Monday, April 16th at 7 p. m.

All boys in the Gorman, Carbon and Desdemona area that are within the ages of 8 and 15 years and want to play Little League or Pony League baseball should be present at the meeting and bring your father with you.

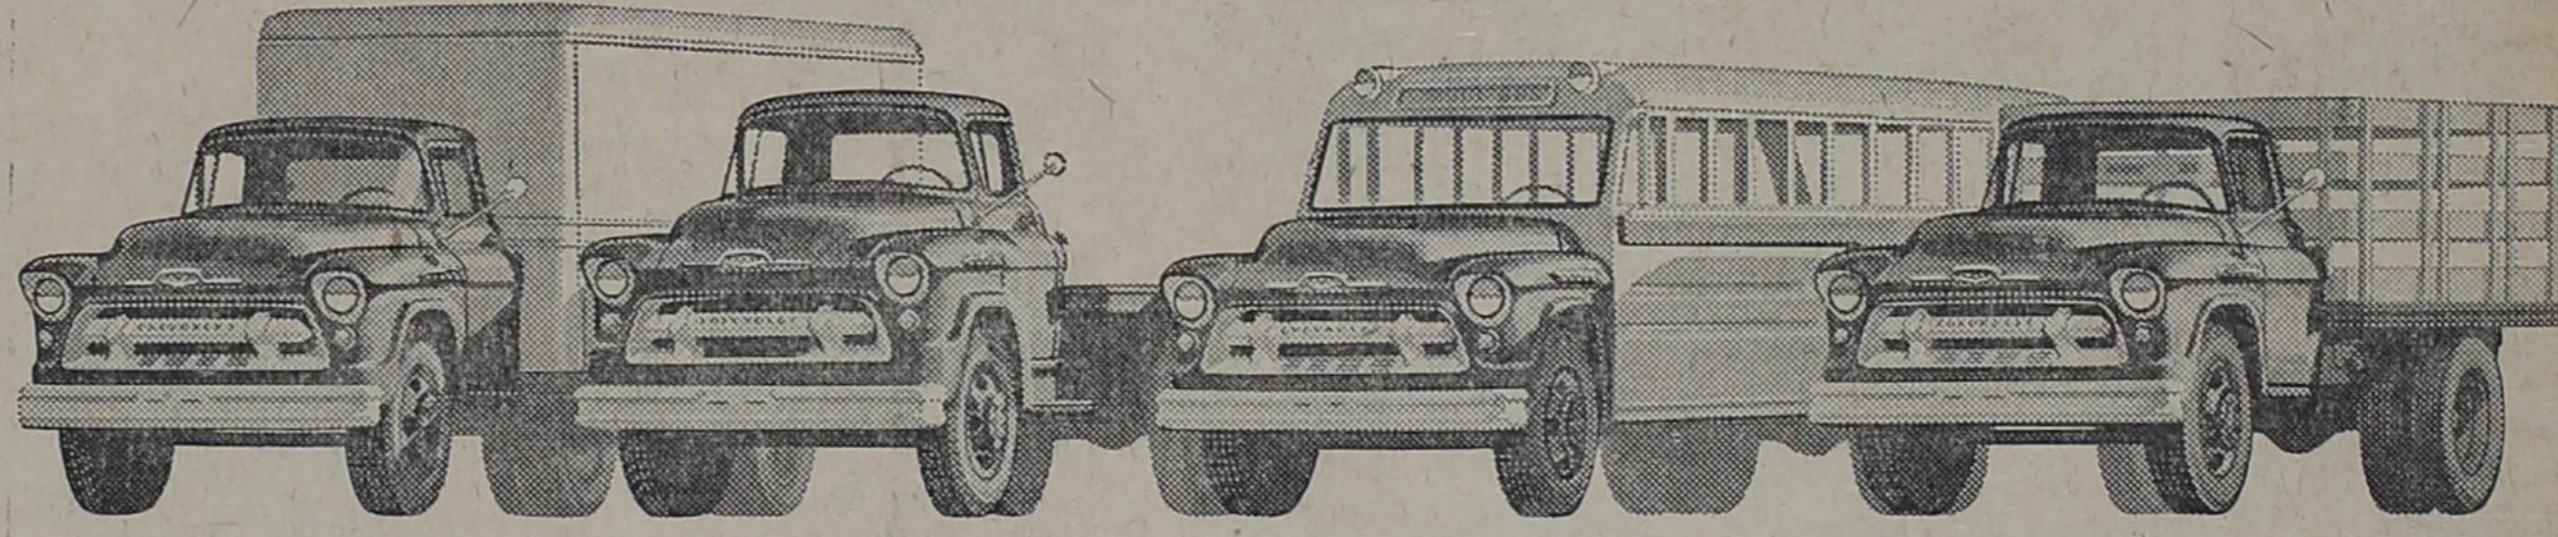

If you played ball here last year and know someone who did not, that would like to play this year, bring him with you and we will find a team for him to play with.

Minnie Lou Stanley Of Tahoka Wed To
Johnny Ray Ash March 24th

TAHOKA, March 24 - In a double ring ceremony read at 7 o'clock in the Church of Christ at Grassland Miss Minnie Lou Stanley, daughter of Mr. and Mrs. Orville J. Stanley, Rt. 2, became the bride of Johnny Ray Ash, son of Mr. and Mrs. John Ash of Gorman.

Leroy Cowan read the ceremony beneath a white lattice archway covered with greenery and centered by wedding bells and white satin bows. Candelabra

and baskets of gladioli flanked the arch. Miss Patsy Stanley and Don Williamson, vocalists, presented wedding music.

Given in marriage by her father, the bride wore a white embossed faille dress styled with a v-neckline and full, gored skirt. The dress was complimented by a lace jacket with petal-point sleeves. Her shoulder length veil was attached to a white satin shell hat and she carried a white Bible topped with a white orchid.

The American Cancer Society says that many forms of cancer are symptomless in their early stages, when chance of cure is greatest. The best cancer insurance is a regular health check-up.

The film Breast Self-Examination has been seen by more than 5,000,000 American women and has played an important part in saving lives from breast cancer through earlier detection, the American Cancer Society says.

Keeping Up With Our Friends

PERSONALS - April 5, 1956

Ed. Note:- We regret having to hold over news but when we do not have enough advertising to pay for more than four pages we have to do the best we can.

Mr. and Mrs. Ben Nix and Cheryl of Denton were home for Easter.

Mrs. T. F. Morrow spent Easter with Mr. and Mrs. E. W. Underwood and family in Ft Worth.

Mrs. J. B. Brandon and Mrs. J. E. Walker were in Brownwood on Tuesday.

Mr. and Mrs. C. K. Esten and daughters of College Station, and Mr. and Mrs. Elmer J. Stacy and son of Ft Worth visited with the W. J. Ormsby on the Easter holidays.

Mr. and Mrs. George Eppler and Paula of San Angelo visited here on Easter.

Mr. and Mrs. Billy Dee Hamrick and children of San Antonio visited here over the Easter holidays.

Mr. and Mrs. George Bingham of McCamey were here during Easter.

Mr. and Mrs. Jack Shelley and Truman of Ft Worth were here Easter.

Mr. and Mrs. Vernon Bennett of Crane spent the Easter holidays with their parents, Mr. and Mrs. George Bennett and Mr. and Mrs. John Wheeler.

Mrs. Neal Rose, Deana and Denese of Morton visited relatives here during the holidays.

Mrs. Bob Moseley spent Easter with her daughter, Mrs. Bob Burton, in Comanche.

Mr. and Mrs. Bob Jones, Bobby and Jan of Ft Worth, visited with their parents, Mr. and Mrs. Jess Richardson, during Easter.

Mrs. O. D. Alsabrook and Roger of Dallas visited Mr. and Mrs. C. O. Alsabrook during the Easter holidays.

Col. Nathan Mehaffey, who is stationed with his family in Germany, was here visiting with his father, Mr. T. C. Mehaffey, who has been ill. Nathan was recently commissioned as a Colonel, and had some business in Washington, so he came on down to see his father while he was in the U. S.

Mr. and Mrs. Leo Williams and children of Midland were here for the week end visiting with his father, Mr. C. H. Williams, and Mrs. Williams.

Visitors in the Warden home Easter Sunday were their daughter, Mr. and Mrs. Chatt Farris and family of West Texas and a granddaughter, Mrs. Mary Gale Greenfield of Weatherford.

Mr. and Mrs. Charlie Warden and children of Kermit spent the week end here with his parents, Mr. and Mrs. Willis Warden, and her grandmother, Mrs. Sarah Eaton.

Visiting in the R. H. Abel home the past week end were their daughter and family, Mr. and Mrs. S. W. Walker and children, Roger and Sherry, of Odessa.

Mrs. Minton Hanna and daughter of Eastland visited her parents, the H. T. Lanes, the past week end.

Mrs. Less Williams and children, Pamela and Angela of Alice, spent part of the Easter holiday week end with Mr. and Mrs. H. H. Williams.

Mr. and Mrs. Morgan Roberts and children went to Ft Worth early Sunday to pick up Mrs. Less Williams and girls to visit her for Easter Sunday here.

Visiting in the Ethel Keith home Sunday were her sister, Mr. and Mrs. Roy Jones of Fort Worth, her aunt, Mr. and Mrs. Jack Chaney of Alexander, and Mrs. Harold Maddox and son, Bill, of Dublin.

Mrs. Lora Abel, Mrs. Loyd Coan and Mrs. Helen Walker were in Mineral Wells shopping Saturday.

For Easter Sunday Mr. and Mrs. John Allen and Luellen visited his mother, Mr. and Mrs. Clyde Hogg.

Mrs. Ella Forman and daughter visited this last week with her parents, Mr. and Mrs. Roy Guthery.

Visiting Mr. and Mrs. John Ash, Eula and Arlington this week were Mr. and Mrs. Harry Barnes of Lamesa and their son and his new bride, Mr. and Mrs. Johnny Ray Ash.

DUSTER ROCK BLUFF NEWS

Reporter, Mrs. Lorene Johnson

Nothing is impossible to God. No matter how difficult a situation may seem to be, the spirit of God can work out everything in a beautiful way.

Visitors over the week end in the home of Mr. and Mrs. Bob Heathington were Mr. and Mrs. Wayne Heathington and son of Kansas, Mr. and Mrs. Cled Heathington and son of Houston, and Mr. and Mrs. Paul Heathington and Joe of Rotan.

Mr. and Mrs. Tommie Gray spent Sunday in Abilene with her brother, Mr. and Mrs. C. B. Ross.

Mr. and Mrs. Ernest Johnson visited Mr. and Mrs. Jim Norton in Comanche Sunday.

Mr. and Mrs. Andy Medcalf and family of Coleman spent Sunday with Mr. and Mrs. Ira Frasier.

Mr. and Mrs. Dean Pounds spent Sunday with Mr. and Mrs. Tom Forrest at Robinson Springs.

1956 REUNION OF 3RD MARINE DIVISION SET FOR JUNE 29TH - JULY 1ST.

The 1956 Reunion of the Third Marine Division Association will be held at the Congress Hotel, Chicago, Illinois, from June 29 through July 1, 1956. Information regarding the reunion and the Association may be obtained by writing John Bugel, Executive Secretary, P. O. Box 548, Culver City, California.

The Association is comprised of veterans who fought at Bougainville, Guam and Iwo Jima and men now serving with the Third Division overseas. Former Marines, Navy personnel and members of the 25th Seabee Battalion who honorably served with the Third Marine Division are eligible for membership.

A non-profit organization, the Association was formed to foster, encourage and perpetuate the memory and spirit of comradeship-in-arms of members of this famous division. The Association is a patriotic organization building today to safeguard the principles of justice, freedom and democracy.

In memory of the courageous men who gave their lives in the service of their country, a scholar ship fund has been established. The scholarship fund will be one of the main topics discussed at this reunion.

A monthly magazine "CAL-TRAP" contains valuable information regarding the membership. This magazine is sent out each month free of charge to all members.

Mr. and Mrs. Charlie Warden and children of Kermit spent the week end here with his parents, Mr. and Mrs. Willis Warden, and her grandmother, Mrs. Sarah Eaton.

Visiting in the R. H. Abel home the past week end were their daughter and family, Mr. and Mrs. S. W. Walker and children, Roger and Sherry, of Odessa.

Mrs. Minton Hanna and daughter of Eastland visited her parents, the H. T. Lanes, the past week end.

Mrs. Less Williams and children, Pamela and Angela of Alice, spent part of the Easter holiday week end with Mr. and Mrs. H. H. Williams.

Mr. and Mrs. Morgan Roberts and children went to Ft Worth early Sunday to pick up Mrs. Less Williams and girls to visit her for Easter Sunday here.

Visiting in the Ethel Keith home Sunday were her sister, Mr. and Mrs. Roy Jones of Fort Worth, her aunt, Mr. and Mrs. Jack Chaney of Alexander, and Mrs. Harold Maddox and son, Bill, of Dublin.

IT WAS A WOMAN DRIVER! Kennett, Mo., policeman holds chin in disbelief as Mrs. Harrison Clay, Flint, Mich., explains how she drove car up guy wire where it hung at this precarious angle. Damage to car—bent hub cap.

HIGH ALTITUDE PUSH—These two operators of International TD-24, 200 hp, 20-ton bulldozers, seem to be trying to out-push each other. Actually, they are helping to build a road on top of a mountain for the U. S. Marine Corps near Camp Pendleton. Over 65% of the 320,000 cu. yds. of material being moved is rock, but it is child's play to these two giants.

HOW TO CLEANSE FRESH FOODS OF FALLOUT

TIP TO HOUSEWIVES on how to cleanse fruits and vegetables of radioactive material if they became contaminated is provided by radiological expert and housewife Dr. Rosalind Yallow of the U. S. Veterans Hospital, New York. At a demon-

stration during a Radiological School sponsored by the Federal Civil Defense Administration, she showed how to prepare fruits or vegetables for eating when the outside is "contaminated" by fallout particles. (FCDA Photos)

Housewives might have to handle radioactive materials, such as a newborn baby for a time if their food stocks are ever exposed to fallout.

Under those circumstances, radiological expert Dr. Rosalind Yallow, a housewife and staff member of the New York Veterans Administration Hospital, emphasizes that a housewife would have to take special precautions to avoid contact with radioactive particles in preparing food.

FRESH FOODS most likely to be exposed to fallout contamination would be those coming directly from home garden plots, open fruit stands, or left near an open window in a fallout area. Fruits and vegetables left on open pantry shelves would have more of a chance of being contaminated than those in closed cupboards or refrigerators.

This so-called "contamination" would affect only the surface of fruits and vegetables unless, through careless peeling or washing, a housewife allowed the center of the fruit to become contaminated.

Dr. Yallow had the following tips to avoid this:

1. Use fruits and vegetables which were wrapped, or kept away from the open air such as they would be in a refrigerator.

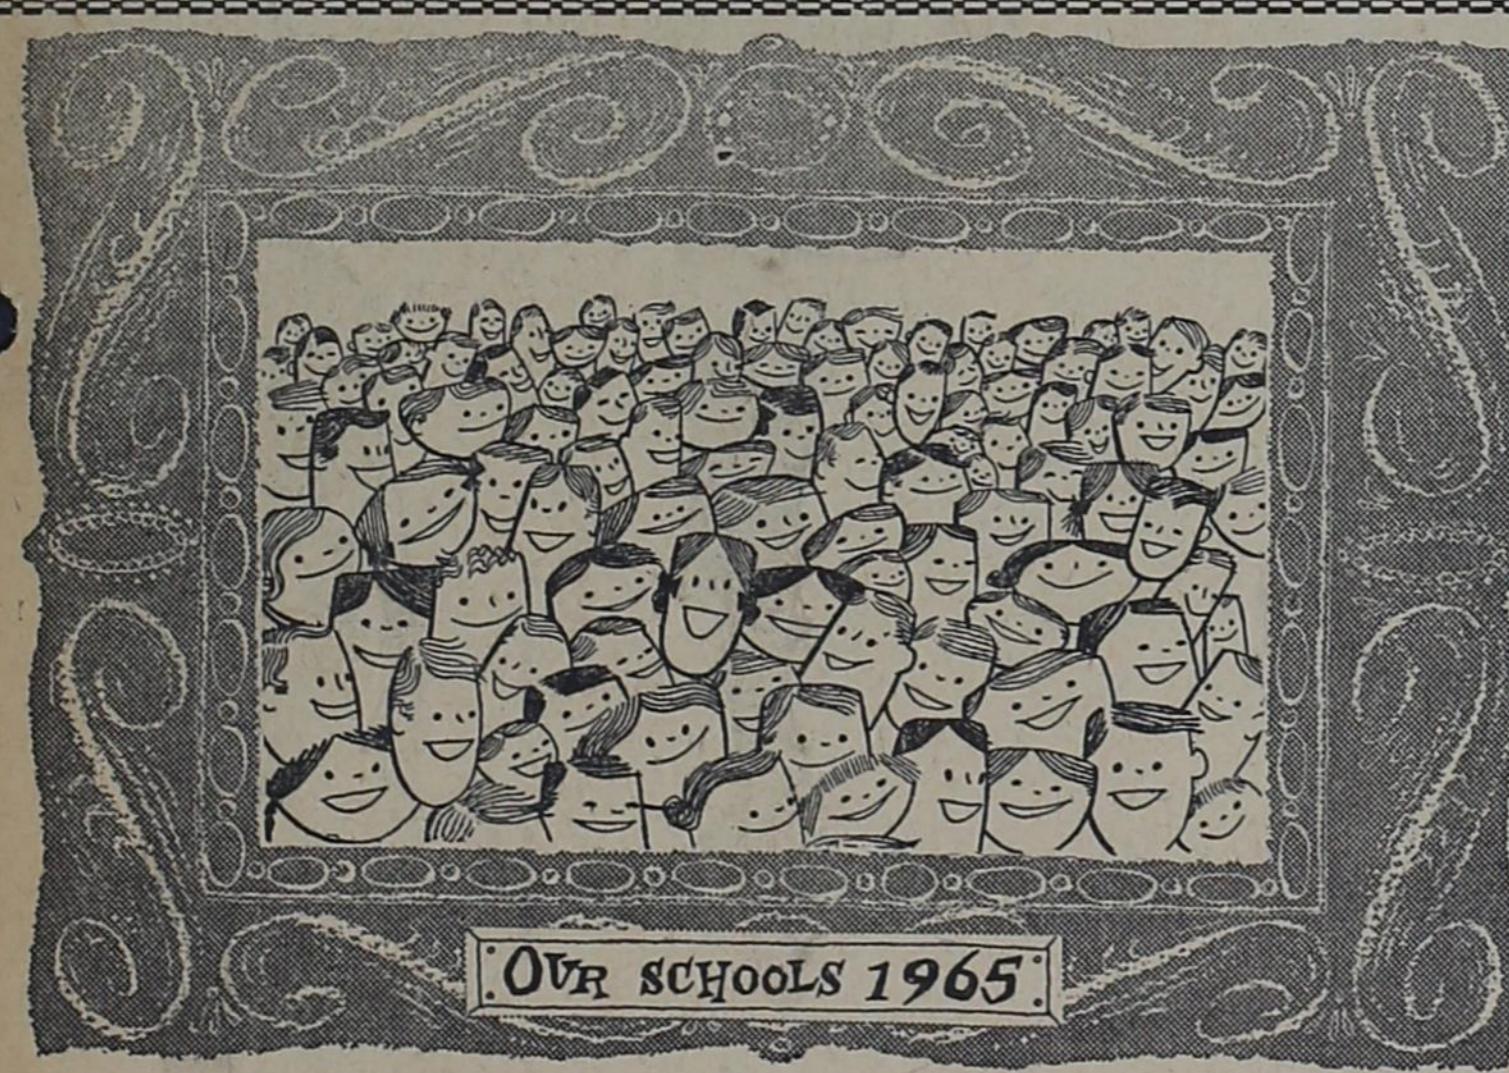

2. When washing produce, use running water if possible, providing it comes from a covered source such as a well or a known uncontaminated supply. If running water is not available, be sure the water used to wash the vegetables is changed frequently.

3. Fruits and vegetables with thick skins, such as bananas, or those that may be easily washed, such as apples, would be preferable. A housewife would be wise to handle these foods with disposable towels during cleansing.

WITHOUT SPECIAL "know-how" and care, Dr. Yallow points out, it would be easy for a person accidentally to transmit radioactive contamination into fruits or vegetables by washing them with "contaminated" water, or simply by handling peeled fruits with "contaminated" gloves or towels.

With this knowledge, a farmer's wife, for example, could in most cases make the produce from her fallout-exposed garden safe and usable again by her family.

After an attack, housewives would find out by radio whether their homes were located in a fallout zone. Then they would learn whether to take these precautions or not.

How Many Children in this Picture Will DIE of CANCER?

CANCER WILL STRIKE --

- one in every four Americans, according to present rates.
- more than 40,000,000 Americans now living.
- in approximately two of every three American families.

CANCER KILLS --

- approximately 685 Americans every day.
- one of every six persons who die in the United States.
- one man, woman, or child every 2 minutes in this country.

Excelsior Club Meets With Mrs. Moorman

The Excelsior Club met in the home of Mrs. Dona Moorman on Tuesday, April 10.

After Mrs. F. R. Haile, the president, opened the meeting and a business session was held she then turned the meeting over to Mrs. Sutton. The roll call was "Outstanding Women".

Mrs. Sutton then spoke on General Federation. Mrs. Nunnally had Women in Politics and Mrs. Mae Jones spoke on Mental Health.

Mrs. Sutton closed the program with a report from the General Federation convention in Geneva Switzerland.

Mr. Gene Baker, chairman of the Cancer Crusade, gave some facts on the disease and asked the help of the ladies.

The meeting adjourned and a delicious refreshment plate was served to the following members: Mesdames Mae Jones, D. J. Jobe, Fannie Burkett, M. H. Fairbetter, Check Smith, Shelley Hirst, Edna Nunnally, Martha Sutton, F. R. Haile, Marvin Blair, Eugene Baker, the hostess, Mrs. Moorman, and the guest, Gene Baker.

COMFORT

All-Truck Built to save you the BIG money!

Don't buy a thing until you've been in to see the great new INTERNATIONALS we've got for you!

We want to show you what truck comfort really is! To show you how relaxed you are with new comfort—comfort that was designed by drivers to take the strain out of their job.

We want you to check new power—usable power that gets more work out of every engine rpm. New functional styling that's as practical as it is smart.

And best of all, the new INTERNATIONALS are all-truck—with no passenger car engines or components asked to do a truck job. They're built to save you the BIG money—the over-the-years operating and maintenance money.

But don't believe us. Come in today and let the new INTERNATIONAL do its own convincing!

Here's REAL comfort! Comfort—angled steering wheel. Low hood for closer view ahead. "Quiet-ride" roof lining, draft-free door seals. Solid and two-tone exteriors. Optional deluxe cabs have color-keyed interior, chrome trim.

Your job is covered in the world's most complete truck line.

INTERNATIONAL TRUCKS

We offer the right truck for any job, from ½-ton pickups to 90,000 lb. off-highway giants.

You are invited to attend, with farmers in this area, an International Hay Baler and Tractor show to be held Tuesday evening, April 17 beginning at 7:30 p. m. Films on the latest improvements in balers and tractors will be shown. Refreshments will also be served. Bring the family.
